

## AT DEMO CONVENTION

### Conservatives Gain Control

Political pattern for Mitchell County's Democratic Convention was settled in "conservative" fashion here Saturday afternoon.

Conservative forces, going down the line for convention politics as urged by Governor Price Daniel, controlled Colorado City's Precinct 1 Democratic Convention.

At the same time they voted unit rule for their delegation to the county convention, thus assuring that all 64 delegates will vote as one by majority decision within the delegation.

And the 64-member delegation of Precinct 1 has the numerical strength to easily control next Saturday's county convention. That's because the Precinct 1 delegation outnumbered the total of the county's remaining three precincts.

It was a reverse from Precinct 1 Demo conventions during the previous four years when forces supporting Ralph Yarborough were in control.

Chairman for the Precinct 1 convention Saturday afternoon was Dr. H. Jene Steakley, brother of Governor Daniel's Secretary of State Zolzie Steakley. He was elected immediately without opposition among the 56 persons attending.

He appointed two committees — nominating and resolutions — to prepare the main business for the convention.

Serving on the nominating committee, which submitted delegates and alternates for next Saturday's county convention, were A. L. (Buck) Geer, chairman; Glenn R. (Bob) Robinson, Dr. Marvin Majors, Sie Hamm and James Kelley.

On the resolutions committee were C. C. Thompson, Ed Strain, H. I. Berman, Mrs. Bill Randle and Joe Earnest.

Three resolutions were recommended out of committee and two — calling for majority rule within the State Democratic Party and favoring continuing study of voter registration and popular election of precinct delegates — were approved without a dissenting vote.

The third — a resolution condemning the Democrats of Texas organization and demanding that they cease to use the name — was approved with only two opposing votes.

Named as delegates to the county convention were: Mr. and Mrs. Charles C. Thompson, Mr. and Mrs. R. H. (Harry) Ratliff, Mr. and Mrs. R. H. (Bob) Ratliff Jr., Dr. and Mrs. H. Jene Steakley, Dr. and Mrs. D. D. Bridgford, Mr. and Mrs. Jimmy Maddox, Mr. and Mrs. W. R. Powell, Mr. and Mrs. Frank Kelley, James Kelley, E. T. Strain, Mr. and Mrs. R. A. May, H. H. Simons, Mrs. L. B. Elliott.

## PRECINCT ACTION

### Resolution Slaps DOT Organization

Here are the complete texts of resolutions adopted Saturday at Colorado City's Precinct 1 Democratic Convention, which set the political pattern for next Saturday's county convention:

**RESOLUTION NO. 1**

Whereas, Art 13.57 of the Texas Election Code state "no new political party shall assume the name of any pre-existing party . . ."

Whereas, the flagrant and unauthorized use of the name "Democrats of Texas" by the DOT splinter group has caused confusion, distrust, and disorganization within the party and is contrary to law;

"Now therefore be it resolved: That this convention condemns the attempted usurpation of the name of the "Democratic Party of Texas" by the DOT and demands that the use of such name be discontinued.

**RESOLUTION NO. 2**

Whereas, this convention favors majority rule in the Democratic Party of Texas and approves the majority rule code of conduct adopted by the State Democratic Executive Committee to insure:

1. Honesty, integrity and strict adherence to Texas election laws applicable to party conventions.
2. Preservation of peace and

order at party conventions

3. Strengthening of election laws so that members of one party shall not participate in the primaries and conventions of another party.

Now, therefore be it resolved: That this convention adopts the above majority rule code of conduct and directs that all delegates from this precinct to the county convention shall be bound to vote under the unit rule.

**RESOLUTION NO. 3**

Favoring the continuing study of voter registration and the popular election of precinct delegates.

## FOR LEGISLATURE

### Dickson, Carriker Gain Runoff Race

Temple Dickson of Sweetwater and Max Carriker of Roby will be in a runoff for the state Representative's post of the 91st Legislature District, according to complete by unofficial election returns Saturday night.

Left far behind was incumbent L. L. Armor of Sweetwater, seeking his third term to the state post.

Dickson led Carriker by 134 votes in the three-county total with his largest margin coming in Nolan County.

The totals from Mitchell, Nolan and Fisher Counties were:

Dickson — 3595  
Carriker — 3461  
Armor — 1571

Dickson, vigorous, 23-year-old University of Texas law student, led Mitchell and Nolan Counties by large margins while Carriker, the 36-year-old Roby stockfarmer, polled a lopsided margin in his home county of Fisher.

The county by county breakdown looked like this:

Mitchell County — Dickson, 1,139; Carriker, 890 and Armor, 451.

Nolan County — Dickson, 2,131; Carriker, 804; Armor, 950.

Fisher County — Dickson, 325; Carriker, 1,767 and Armor, 170.

Dickson son of the late R. Temple Dickson, a state legislator, carried only 4 of 10 boxes in Mitchell County, but those four boxes—Court House, Westbrook, Lorraine and American Legion Hut—provided him with 1,025 of his 1,139 vote total, leaving only 114 votes coming from the other six boxes. He failed to receive a single vote in Landers' box.

Carriker carried five boxes—Carr, Cuthbert, Landers, Buford and absentee—with the incumbent Armor carrying only the Spade box.

A breakdown on the county voting boxes for the legislature's race went like this:

Courthouse — Dickson, 595; Carriker, 394 and Armor, 221.

Absentee — Dickson, 60; Carriker, 67 and Armor, 48.

**Supported in Victory**

Statewide victories by Governor Price Daniel (left) and U. S. Senator Ralph Yarborough (right) were in tune with Mitchell County voters Saturday. Both the successful candidates received overwhelming leads from Mitchell County voters.

**County Leaders**

Favorites with Mitchell County voters Saturday were State Rep. Robert W. Patterson left of Snyder, who tallied 1,422 votes in his bid for State Senator, and Elmer Martin, right, who in his first political race was elected county judge.

## HERE IN MITCHELL

### Big Lead for Ralph, Daniel

There was nothing unique Saturday in Mitchell County's Democratic Primary voting. In fact, the ballots cast here for state candidates counted up to just about the same trend reported for all of Texas.

Price Daniel, who was parlaying county leads into a statewide majority over three opponents in his reelection campaign for governor, was given a heavy margin here in Mitchell County.

Mitchell County voters reaffirmed their usual strong support for U. S. Senator Ralph Yarborough, too, with 2-to-1 margin over his opponent, William A. Blakely.

Daniel received 1,562 votes here in Mitchell County compared to 759 for W. Lee O'Daniel, 216 for Henry B. Gonzales and 95 for Joe A. Irwin.

It was a reversal of form for Daniel, who in his first campaign for governor, trailed both O'Daniel and Yarborough here in this county.

Yarborough, who has been a front-runner here in all his gubernatorial and senatorial campaigns, registered 1,673 votes, compared to 887 for Blakely.

John C. White, waging a successful campaign for reelection as State Commissioner of Agriculture, was handed almost a 3-to-1 lead here in Mitchell over his other two opponents.

A total of 1,635 ballots were

cast here for White, compared to 505 for Tom Griffin of Bastrop County and Glenn N. Kothmann of Bexar County.

Land Commissioner Bill Allcorn of Brownwood, who moved into a commanding statewide lead in his first elective bid to the office, received 1,422 votes.

Moody Richardson won reelection to Precinct 4 Commissioners over C. E. (Jack) Walker in a Lorraine election feature.

Erwin, young bookkeeper and insurance man, gained voting margins in all 10 of the county's voting boxes for a 2-to-1 triumph that unseated Pond from the district clerkship here in Mitchell County.

Voters cast 1,896 ballots for Erwin, compared to 846 for Pond.

In the county's largest box, the Courthouse, Erwin polled 802 ballots to 432 for Pond. He gained almost a 3-to-1 lead at Lorraine with 389 to 130.

Those big box totals were nothing more than the trend throughout all 10 voting precincts, including absentee.

Martin, who resigned from the Soil Conservation Service staff to become a candidate for county judge, counted 1,551 votes in his first political race. His opponent for county judge, McAdams, trailed with 1,032.

Voters in only one box failed to give Martin a lead in his

It will be a new schedule for the membership meeting with the entire program scheduled between 6 p. m. and 10 p. m. In previous years the members have gathered for an all-day meeting, morning and afternoon.

On the agenda for the cooperative's annual meeting are annual reports on operations and finances of the corporation, election of three directors and other business, entertainment and \$500 in prizes, according to L. A. Strain, Lone Wolf president.

Two candidates have been proposed by a special nominating committee for each of three director's post up for election this year. Those candidates are W. H. Cooper and M. A. Dunnahoo of the Cham-

pion community, Area 1 director; Gilbert Hrbacek and A. J. Robinson of Roscoe, Area 5 director; A. K. McCarty Jr. of Buford and Warren Anderson of Colorado City, Area 7.

Cooper, Hrbacek and McCarty currently serving on the cooperative's directorship.

The candidates were nominated by a committee composed of E. B. Stewart, B. O. Mueller, James Cox, Royce Johnson, R. E. McMillan, Willis Cornutt and Louis Rees.

Site of the annual meeting the new Membership Building has been constructed this summer by the cooperative at a cost of more than \$25,000. The building, located on the east side of State Highway 208 in front of the Lone Wolf headquarters, has stage, restrooms and facilities for seating an audience of 1,000 persons.

It replaces the circus tents used in former years for the cooperative's meetings.

The annual meeting will open at 6 p. m. Aug. 5 with registration for ballots and prizes, plus the serving of free cold drinks, coffee and doughnuts.

Entertainment at 7 p. m. will feature the Circle 4 Ramblers of Big Spring and Betty Blocker of Roscoe.

## Trade in Colorado City

... where you share in the prosperity  
your dollars help to pay for

IT'S what you might call a commonly recognized agricultural principle that if you want to do your harvesting on a particular piece of ground, that's a good place to plant your seed.

Using the same general type of reasoning, it is obvious that if you want to harvest some nice prosperity, better business, a better job, a better community in which to live ... it's advisable to plant your trade dollars where they can grow for you rather than for somebody else.

The homes we live in ... the businesses and jobs which support us ... the schools and churches which teach our children and enrich our lives ... the convenient service establishments that supply our everyday needs ... none of these were built, nor are they supported, by the dollars that are spent in some other community or city.

*It Pays to Buy  
where you Live*

## C- City Plays Pecos Monday In Pony Regional Tourney

Colorado City Pony League All-Stars play Pecos All-Stars 4 p. m. Monday in Abilene in the first round of regional playoffs.

All-Star Manager Win Talley was in Abilene Friday to confer with league officials in drawing up the tourney pairings.

Following the C-City - Pecos

game, Abilene plays the Jalisco, N. M. team at 6 p. m. An 8 p. m. game between Crane and Childress will end Monday's play.

At 8:30 p. m. Tuesday, the winners of the C-City vs. Pecos and Abilene vs. Jalisco game will play. Winner of that game will play the winner of the Crane-Childress game in the finals at 8:30 p. m. Wednesday. The Crane-Childress winner receives a bye in the second round.

The playing field for the games is located 1 1/2 miles east of Abilene on Hwy. 36 (to Cross Plains).

Winner of the regional tourney advances to Lubbock for the State Tournament.

Pecos has an exceptionally strong team paced by ace pitcher Israel Villalobos, who marked up 17 strikeouts in

one of Pecos' area playoff games against Kermit-Wink. Pecos won the first game of the area, 4-3, but then lost the second to the combined Kermit-Wink team, 9-0. The third game was a thriller, won by Pecos 7-6, in 10 innings.

Little is known of the New Mexico team combined of players from Jalisco and Abilene, but Abilene is known to have a strong club, defeating Breckenridge badly in their area playoffs.

Abilene downed C-City All-Stars 5-4 in a practice game recently but C-City's ace pitcher Steve Hillhouse pitched only three innings with Archie Joe Biggers and Daniel Garcia pitching the other four frames.

Hillhouse will probably start against Pecos Monday, said Talley.

Colorado City's All-Stars won the Area tournament and the right to advance to the regional tourney by downing Snyder in a three-game series.

C-City took the first game 3-2, lost the second 9-8 and then won the rubber game Thursday night, 7-3.

Steve Hillhouse, who hurled a no-hitter at Snyder in the first game, won the Thursday tilt with a six-hitter.

It was Curtiss Scott, C-City's flashy third sacker, who paced the winners at the plate. He socked a couple of two-run singles in the first and sixth innings to pave the way for the victory.

C-City was never behind after building up a 3-0 lead in the first inning. Charles Houston scored first on an overthrow at first base. Terry Davis followed with a double and Scott singled to score Davis and Archie Biggers.

It was the fourth inning again before either team scored with Martin Christian reaching first on an error, and then scoring, when the Snyder centerfielder dropped Biggers' flyball.

Snyder scored one run in the fourth to cut C-City's lead to 4-1. Again in the fifth, Snyder scored a lone run when Spencer Dyer scoring on Weldon Wares' ground out.

C-City picked up three runs in the sixth inning off relief pitcher Norman Gladson. Hillhouse and Christian led off with walks, the Snyder shortstop bobbled Biggers' ground ball with Hillhouse scoring. Davis walked to load the sacks and Garcia smacked a grounder with Christian forced out at home. But then Scott came through with a single to score Davis and Biggers.

Snyder rallied for one run in the bottom of the sixth to cut the margin to 7-3.

In the bottom of the seventh, Hillhouse chalked up three straight strike outs to kill any chances of a Snyder rally.

Hillhouse set 11 Snyder batters down via the strikeout route in the seven-inning game.

C-City shelled Snyder's starting hurler Bob Pena from the mound in the fourth with Gladson doing relief work. Bubba Fleming took over for Gladson in the sixth.

### Guests of Hortons

All the great rivers of Central Europe originate in the Alps.

The territory of Alsace-Lorraine has changed hands four times in the past century.

EP Sings & Shakes

Elvis Presley as Danny Fisher belts out one of the ten tunes he sings in "King Creole", opening for four days Sunday at the Palace Theatre.

## Presley Sings 10 Songs in 'King Creole'

The last picture made by popular Elvis Presley before his induction into the Army, Hal Wallis' drama-with-music, "King Creole," begins its engagement today at the Palace Theatre.

The Paramount production, set in New Orleans' colorful French Quarter, is based on the best-seller, "A Stone for Danny Fisher." Co-starred are Carolyn Jones, Walter Matthau, Dolores Hart, Dean Jagger and Vic Morrow.

As Danny, who slugs and sings his way up from the gutter, Presley has his most dramatic role although he sings ten terrific tunes in the highly emotional story.

Miss Jones will be seen as a racketeer's girl who loves Elvis.

The story is set in the French quarter of modern-day New Orleans, where most of the picture was filmed.

It has to do with Danny's rise up from the gutters of Bourbon Street, the famous street where jazz was born; with the two women in his life — one who knew too little and one who knew too much; with his clash with the ruthless racketeer who ruled the Street and the murderous hoods who infested it.

### LITTLE LEAGUE PLAYOFFS

## Abilene All-Stars Down C-City Team

Colorado City's Little League All-Stars, champions of Area 2, lost to Abilene's Dixie League All-Stars, 8-2, Thursday night in Snyder.

The loss eliminated the local All-Stars from the District 5 race. They had previously beaten Snyder teams 2-0 and 7-6 for the Area Crown.

The big Abilene boys completely dominated the scene, limiting Colorado City to one hit while picking up six from C-City hurlers Denzil Pendergrass and Joe Anderson.

Abilene scored two runs in the first, three in the third, one in the fourth and two in the fifth.

C-City scored their first run in the third frame with Joe Wallace crossing the plate after walking. Wallace also scored the second run in the fifth, again being issued a walk by Abilene hurler Jack Ridley. Leon Sweatt walked after Wallace and then Daney Kennemur picked up

the only hit off Ridley, scoring Wallace.

It was the errors that hurt Colorado City, in fact they committed nine during the six-inning game. Abilene excelled in bunting and C-City's infielders had trouble handling the fast Abilene baserunners.

It was Abilene's Bobby McCraw that brought in their team's first two runs in the initial inning with his hit.

Dixie League centerfielder Don Ray socked a three-run homer for Abilene in the third inning. The two batters prior to Ray had bunted safely.

Anderson relieved Pendergrass in the fourth with Abilene scoring one run off him. Ridley accounted for the RBI when he flew out to left field to score Pat Gray from third.

Don Gooch with two hits in four trips, was top batter for Abilene.

Ridley struck out 12 C-City batters.

Abilene Western League All-Stars edged Hamlin, 3-2, in the second game Thursday.
