STANDING ON THE CORNER

With P. J.

As a person sees his center of reference in God, he knows his world can never break in two. As he loses himself into the God-centeredness, he finds thereby a secret for powerful living. And is not prayer an act by which we place the center of reference concentratedly in God?—Thomas S. Kepler.

Mingled feelings will embrace the hearts of many Lynn county students tonight or next Friday night when they walk across the stage of their Alma Mater for the last time after being a part of its surroundings practically all their lives.

It's always sad in a way to see the future of America walking by in caps and gowns, ready to begin a new adventure in living, whether at college or in the many trades and occupations these boys and girls will embark upon.

Although they show a happiness at passing another milestone, they really don't fool anyone. It's just as sad for them to leave both the joys and the trials they have known at their school for so many years.

More than anyone the parents feel the significance of the fact that most of them are no longer adolescents, but are approaching the time when responsibilities will be laid upon their shoulders. And there is a prayer in the hearts of these same parents that those shoulders will be strong enough to bear the load.

So to all the seniors, both in Tahoka and the county, we wish you all of the best in life, and you will find in this edition that there are many, many citizens who express the same thoughts.

Tahoka yards this year are prettier than I can ever remember them. Of course, that lovely lawn may not be anything more than mowed weeds but this vivid green is a picture in itself. Those are not weeds you see in some of the neatly kept flower beds, though. Those are iris, roses, poppies, verbenas, etc. and never before have they bloomed in more glory. What was it our Lord said concerning the lilies?—"Solomon in all his glory was not arrayed as one of these." I think he would say the same thing about the flowers in Tahoka, don't you?

(Cont'd. On Back Page)

Mrs. Timmons Rites Thursday

Mrs. W. H. Timmons, 68, of Lakeview, died Wednesday morning in Methodist Hospital, Lubbock. Although in ill health for some time, she had been critically ill only about four days.

Funeral services were held at 1:30 p. m. Thursday in the First Baptist Church of Meadow with Rev. Don Murray, pastor, officiating, assisted by Rev. Henry Flippin, pastor of Lakeview Baptist Church. Burial followed in Meadow Cemetery.

Mrs. Timmons was born Margaret Celeste Akers in Floyd County, Virginia. After coming to Texas with her parents, she was married in Young County to W. H. Timmons. The couple later moved to the Plains, thence to New Mexico to reside from 1917 to 1923, when they moved to the Ropes area. They moved to Lakeview in 1939. Mr. Timmons died in January of 1950.

Survivors include two daughters, Mrs. J. T. Byers, Azle, and Mrs. E. F. McCormick of Lubbock; five sons, Herman of Ropes, Frank of route 5, Tahoka; Roy of Brownfield, Wayne of Lubbock; and Billy of Meadow; two brothers, J. W. Akers of Graham and Raymond Akers of Saint Jo; five sisters, Mrs. Hester Price of El Paso, Mrs. K. D. Danley of Archer City, Mrs. Arlie Fleener of Diana, Mrs. Willard Geske of Kilgore, and Mrs. Clarence Avery of Greggton; and 13 grandchildren.

Rains Again Delay Planting of Crops

Most Lynn county farmers will have to start over on their planting when the ground dries up sufficiently—all as a result of the heavy rains of the past week.

Tahoka had received a total of 1.70-inches since Sunday, 2.26 since Thursday of last week, and 2.32 for the month up until 7:00 a. m. Thursday. And Thursday, the sun failed to come out in the early morning as a light mist was falling.

The rain was much heavier in many portions of the county, particularly at West Point, Wells, Petty, and other areas, with some localities reporting three or more inches.

Some farmers, especially in the northwestern quarter, had already completed planting operations, and many were through, or nearly through, planting cotton.

However, some of these farmers who did not get too much rain think they will be able to scratch out their cotton if the weather clears up promptly.

This month's rain brings the 1958 total so far to 8.60 inches, or nearly double the average normal amount, and is possibly an all-time record for the first four and a half months.

Rainfall for the six and a half months since October 1, 1957, now totals 15.74 inches. During 1957, the total rainfall was 29.88 inches. The record was set in 1940, when exactly 40 inches was measured in Tahoka.

Right-of-Way At Southland Needed

Right-of-way for three and three-fourth miles of the new four-lane US 84 highway in the extreme northeastern section of Lynn county, adjacent to Southland, must be furnished by this county the Commissioners Court was informed by the Texas Highway Department on Monday.

The court agreed to seek procurement of the right-of-way. The Department is asking for an additional 180 feet to the present 100-foot right-of-way. No houses are in the path of the proposed new road, but two high-lines and a gas line will have to be moved.

This is the Slaton-Post highway. The court also employed Mrs. Lillian McCord, Tahoka school nurse, for a month or two this summer to carry on her work of taking Tuberculosis patch tests among the children of the county.

Storm Damage In Petty Community

An exceedingly high wind which accompanied the rain Sunday night did some damage to outbuildings in the Petty community, A. E. Draper reports.

Mr. Draper had a cow shed blown away. Some buildings were damaged or blown away at the Frank Timmons farm. Top of a barn was blown away at the Kenneth Rogers home, the old J. H. Key farm.

A lot of hail accompanied about two inches of rain, and some window lights were also broken out of homes in the community.

Collard Is Injured In Pickup Wreck

Roy Collard received a broken left leg and severe lacerations but Dean Taylor was uninjured when they overturned in a Pioneer Natural Gas Co. pickup on a dirt road northeast of Wayside at about 10:00 a. m. Wednesday.

Taylor, who is local manager of the company, was driving the pickup when he hit some deep ruts and lost control of the truck.

Collard, also an employee of the gas company, was taken to Methodist Hospital, where he is a patient.

Use more cotton!

Expect Approval Housing Project

Approval of Tahoka's housing project by the Federal Housing Authority is expected within a few days, Mayor H. B. McCord states, unless some complication develops.

Present plans are to build 40 to 60 housing units, Federally financed but locally administered by Tahoka Housing Authority. Construction will be of brick or tile, as the units must meet government specifications to last for at least 40 years.

More Paving Is Possible Here

Mayor H. B. McCord has been conferring with a firm of engineers in regard to a new paving program for Tahoka.

He informs The News the engineers are working on a plan that would permit paving of up to 50 blocks for an expense of only about \$15,000 to the City, if the sufficient property owners are interested. However, the cost to the individual property owner signing for paving would be close to \$5.00 per lot front foot.

The City has received a number of individual requests, especially along North Sixth and North Seventh streets. If the City were to launch a paving project, he would like to see Kelsey (L) extended six blocks south to the City Park and also paving west on South Eighth from Highway 87 three blocks to the Park.

Some repair work and retopping is also needed on existing paving, and engineers estimate this would cost about \$15,000.

Tahoka already has the reputation for having the most paving of any town of comparable size in West Texas. Including highways, the town has about 12 miles of paved streets.

Officials Raid Cafe, File Liquor Charges

Curtis Eugene Newsom and James Cupp are in jail on charges of unlawful sale of beer in a dry area as the result of a raid made on their cafe, located in the gin district on Highway 380 in East Tahoka, Monday by Sheriff's officers, City Police, and officers of the Liquor Control Board.

On arraignment before Judge W. M. Mathis, their bonds were set at \$1,500.00 in each case, but they had not been able to make bond up until Thursday morning.

Cadet Captain John Foster Winner of High Awards at Texas A&M College

Cadet Captain John W. Foster of Tahoka on Sunday was the recipient of one of the highest awards that may be won by a student in Texas A. & M. College at College Station.

He was presented the Capt. John H. Fritz award as the outstanding commander of the year of the entire Corps of Cadets at the college. With the award goes a citation and a loving cup nearly two feet tall, on which is engraved his accomplishments at the college, and also a gold medal. The cup will be displayed permanently in the Texas A. & M. trophy cases for the public to see.

Foster, a 1952 graduate of Tahoka High School, is commanding officer of Co. A, Veterinary Corps of Cadets, is the son of Mr. and Mrs. I. L. Foster of Wayside. This is his fourth year in the college and the Corps and is his second in the School of Veterinary Medicine. He will have two more years in the Vets school.

Mr. and Mrs. Foster attended

CHARLENE EDWARDS

DONNA SMITH

New Home Eighth Grade Graduation

Two New Home Eighth Grade students had a close race for top scholastic honors of their class this year, Charlene Edwards winning by a fraction of a point. With an average of 92.26-52, she is the class valedictorian, while the salutatorian is Donna Smith with an average of 92.17-52. Close behind in third highest is George White with average of 91.34-52.

Charlene is the daughter of Mr. and Mrs. J. W. Edwards, and Donna is the daughter of Mr. and Mrs. Floyd Smith.

Eighth Grade graduation exercises will be at 8:00 p. m. in the Cafeteria.

"We are very proud of our class and we are sure that we will have a wonderful time as freshmen in New Home High School," writes a member of the class.

MRS. HALFORD INJURED

Mrs. Jodie Halford of New Home received a severely sprained right elbow Saturday night when she fell on a skating rink floor while chaperoning some youngsters. The member was put in a plaster cast at Tahoka Hospital.

BUILDING NEW HOME

L. C. Unfried is building a new three bedroom brick residence on his farm home at New Home. Completion is expected in two or three weeks.

Commencement Programs Of Lynn Schools Get Under Way

Wilson Seniors Graduate Tonight

Twenty-one graduates will receive their diplomas tonight, Friday, at the final exercises of the Wilson High School in the auditorium at 8:00 o'clock.

The program will be presented by the class, with the top honor students Joyce Church and Jere Wuenche, giving the valedictory and salutatory addresses. Another feature will be "Moments to Remember" presented by Neita Hewlett, Marcia Standefer, Martha Pair, Bill Dearmore, Kenneth Ethridge, Kenneth Hanes, Randle Weaver, and Arlis Ehlers. A piano solo will be given by Mark Pair. Candles will be lighted by Paul Henderson. Kenneth Hanes will give the invocation, and Jack Dokken the benediction. The band played the precessional and recessional.

Diplomas will be given the graduates by Clarence Church, president of the school board, following presentation of the class by Supt. J. P. Hewlett. Principal W. P. Jones will announce the special awards.

Rev. H. F. Scott, pastor of Wilson Baptist Church, delivered the message at the class sermon exercises held in the school auditorium last Sunday night.

Swimming Pool Opens Saturday

Tahoka's Municipal swimming pool will open this Saturday and Sunday, if the weather is warm, Jake Jacobs and Deane Wright, the operators, announce.

The pool will open for the season daily beginning on Friday, May 23. Hours have been set for the pool to be open week days from 2:00 to 7:30 p. m. and on Sundays from 2:00 to 6:00 p. m.

Special parties may be arranged for any week day except Monday and Wednesday for the hours of 7:30 to 9:00 p. m.

Admission prices have been raised slightly this year (five cents), 20 cents for children under 12, and 40 cents for everyone 12 or older.

O'Donnell Church Seeking 303 Average In Sunday School

The First Baptist Church of O'Donnell is in the middle of a "303 Enlargement Campaign" for the 13 Sundays of April, May, and June, in an effort to average at least 303 in attendance at Sunday School, according to Rev. Bill Burton, pastor.

So far, with six Sundays' steady going, the Sunday School at present has had an average of 328 in attendance, the top mark having been set Sunday before last, when there were 355 on hand.

Goal for the final Sunday, June 29, has been set at 393.

Every person who attends at least 12 of the 13 Sundays will be given a commemorative plate bearing a picture of the church building. If five in a family attend Sunday School 12 Sundays, that family will be entitled to five of the plates.

ATTENDING CONVENTION

Mrs. G. H. (Frances) Chestnut and Mrs. Dean Taylor leave today for El Paso, where they will attend the convention of the Texas-Louisiana Division of the National Secretaries Association in session Friday, Saturday and Sunday. Both are members of the Caprock Chapter, Lubbock.

Carol Nelson and Ginger Riddle, High School girls injured in a car wreck here on April 27, are still patients in Tahoka Hospital but expect to go home shortly.

New Home Will Close Next Week

Nine seniors will receive diplomas of graduation from New Home High School Friday night of next week.

The class sermon program will be Sunday night at 8:00 o'clock in the New Home Baptist Church, with Rev. Henry Flippin bringing the message. Invocation will be by Rev. Hubert Austin and benediction by Minister Roger Turner.

The graduation program next Friday will have as its theme, "Living Together in Our World," and members of the class will present most of the numbers.

Invocation will be by Joe Wayne Roper, only Senior boy, who will also present "words of appreciation." A trio composed of Cynthia Barnett, Daloma Brewer, and Inda Harmonson will sing "Memories," Garene Harris will play on the piano "Country Gardens," and Virginia Dulin will read the poem, "If." Miss Harris will also present "C—, a Falling Grade in Real Life."

The salutatory address on "How to Succeed in a New World" will be by Virginia Renfro, and the valedictory on "Clear Thinking, a Contribution to Our Success," will be by Thurleen McNabb.

Principal R. E. Webb will present awards and scholarships. Supt. C. O. Head will present the class, and Aubrey Smith, school board chairman, will hand out the diplomas of graduation.

Following the singing of "Blest Be the Tie" by the class, Joylene Weatherly will give the benediction.

Processional and recessional at both programs will be played by Bernice Nueley.

The class will leave the next day by train on an eight-day sponsored educational tour to Washington, D. C., and New York City, returning to New Home on May 31.

Seventh Grade Program May 22

Tahoka Seventh Grade exercises will be held next Thursday night at 8:00 o'clock in the High School auditorium.

Honor students of the class are Marian Sue Milliken, valedictorian, with a grade average of 96; and Patricia Hammonds, salutatorian, with an average of 95.28. Close behind are: Jerre Ann Wyatt, 94.49; Sarah Wells, 94.41; Brooksie Reece, 93.99; Larry Price, 93.95; and Lynetta Cain, 92.51. To be eligible for the honor roll, a student must have maintained a 90 average in each subject and conduct for the entire year.

"Things Worthwhile" is the topic of Patricia Hammonds' salutatory address; and the valedictorian, Marian Sue Milliken, will talk on "To Greater Heights."

During the program Principal J. B. Howell will present South Elementary School perfect attendance awards, and Principal L. F. Jacobs will present those for North Elementary.

Mrs. Linnie Cox will present the honor awards, and Ivan McWhirter will present the diplomas.

The class will sing "Give Us a Song," and "Graduation Song." "Prelude" will be given by Tony Spruiell. Jerry Ann Wyatt will be a companion for the songs and Carol Jean Allen for the solo.

Sara Wells will give the invocation and Brooksie Reece the benediction. Mrs. Harold Green will play the processional and recessional.

Steve Miller, 2 son of Mr. and Mrs. J. T. Miller, was a medical patient Saturday until Tuesday in Tahoka Hospital.

Tahoka commencement exercises for the approximately 39 members of the 1958 Senior class annual class sermon will be held in the High School auditorium at 8:00 o'clock. Rev. W. A. (Bill) Brooks, pastor of the First Baptist Church, will deliver the class sermon.

As usual, churches of the town will dismiss their evening services, or hold them early, in order that all people may attend this annual school function.

Commencement exercises will be held Friday week, May 23, with members of the graduating class presenting the program in the High School auditorium at 8:00 p. m.

Brief talks will be made of the five top honor students, James Adams, valedictorian; Erwin Young, salutatorian; Mary Helen Whitaker, Idalia Wood, and Marilyn Carmack.

John Draper will give the invocation, and Karl Prohl the benediction, while Idalia Wood will act as accompanist at the piano as the class sings "God Be With You Till We Meet Again" and the "Alma Mater." Mrs. Betty Green will play the processional and recessional.

Diplomas will be presented by Maurice Huffaker, president of the school board, and special awards will be made by John Shepherd, high school principal.

Mrs. Lottie Jo Walker and Eddie Bowman are the sponsors of the Senior class.

Next Thursday night, Seventh grade exercises will be held.

O'Donnell Class Graduate Tuesday

O'Donnell High School graduation exercises for 22 seniors, the smallest class in number in several years, will be held Tuesday night at 8:00 p. m. in the school auditorium with Dr. Dick O'Brien of Big Spring, Baptist minister, delivering the class address.

The class sermon will be delivered this Sunday night at 8:00 o'clock by Rev. Bill Burton, pastor of the Church of the Nazarene.

The class expects to leave Wednesday morning on the annual trip to Pride Dude Ranch near Kingsville, and will return home Saturday afternoon. They will be accompanied by the Sponsors, Mrs. Cathy and Mr. Burton, and several parents.

Members of O'Donnell graduating class this year are: Peggy Burkett, Margaret Cathey, Ruthie Mahurin, Bessie Moore, Nancy Pierce, Mary Roper, Gustene Shorvell, Ethel Simpson, Margie Thornton, Charles Bolch, Jimmy Bowles, Buddy Cox, J. D. Evans, Ted Franklin, Jerry Gass, Levi Modisette, Harold Owens, J. E. Seay, Wayne Shaw, Charles Simpson, and Jackie Wheat.

Junior High graduation exercises will be held in the school auditorium Monday night, Judy Furrow is valedictorian and Buster Shellgrove is salutatorian.

The 1958 Eagle, school yearbook, has been distributed to teachers and students. This year's book is dedicated to James W. Reed, vocational agriculture teacher since 1947, for outstanding contributions to the community.

LIQUOR HAULED AWAY

A large quantity of beer and liquor confiscated from illegal transporters over the past several months by local officers was picked up by the Liquor Control Board Tuesday. A truck load was hauled away, but the truck was not big enough to haul it all, and the remainder will be picked up at a later date.

FALLS, BREAKS ARM

While painting an outside door at her farm home Wednesday, Mrs. Ira Vaughan, fell and broke her left arm below the elbow. She is a patient in Tahoka Hospital.

BILLINGSLEY MURDER TRIAL MOVED TO SEMINOLE

The trial of John A. Billingsley, Lamesa, on charges of murder has been shifted to Seminole on a change of venue but the trial date has not been set, according to District Attorney Mitchell Williams of Tahoka.

Billingsley is charged in connection with the slaying of his estranged wife and a Lamesa man outside a Lamesa hospital last fall. His father, Alva Billingsley, recently was assessed a suspended sentence for his part in the slayings.

The younger man's trial had been scheduled for the May term of court but was postponed and the case has not been re-set Williams said.

Society & Club**Jaycee-Ettes Hold Business Meeting**

The Tahoka Jaycee-Ettes had a short business meeting in the home of Mrs. Peggy McClellan on May 15.

Refreshments were served by Peggy McClellan to the following members: Margaret Burd, Dorothy Craig, Wanda Glenn, Alleen Jones, Ima Pool, Pat McClellan, Dorothy Wright, Kathy Dorman, Clovis McElroy, Bobbie Vandiver, Virginia McClintock, Fern Lewis, Peggy Huey, and LaVerne Dykes.

Everyone was glad to see Mrs. Peggy Huey at the meeting.

The next meeting will be May 27 in the home of Mrs. Dorothy Zedlitz.

MYF Sub-District Met Here Monday

The Sub-District MYF met Monday night at the First Methodist Church for the purpose of electing officers. Approximately fifty three members were present for the meeting.

Ronnie Bartley from Meadow will lead the group as President. John Hegi of Tahoka will serve under Bartley as Vice-President.

Other officers are as follows: Sarah Prather of O'Donnell, secretary; Jessie Martin of Ropes, fellowship.

Guests Take Part In Duplicate Play

Tuesday night was both guest and master point night for duplicate bridge play at T-Bar Country Club, and there were five guests present from New Home.

Winning high in play were: Mrs. W. C. Wharton and Mrs. Charles Verner, first; Mrs. Meldon Leslie and Mrs. Bill Lumsden, second; Mrs. O. R. Phifer Jr. of New Home and Larry Hagood, third; and Mrs. Emma Halamicek and Mrs. A. N. Norman Jr., fourth.

MOTHERS DAY GUESTS

Mr. and Mrs. J. O. King of Wilson had as their guests Mothers Day, "all of their children and grandchildren who live in Texas, namely: Mrs. Lee Taylor, Morton; Mr. and Mrs. Jack Taylor and family, Morton; Mr. and Mrs. Mack Hancock and family, Lamesa; Mr. and Mrs. Burley Wayne Taylor, a Tech student from Lubbock; Mr. and Mrs. G. P. Bailey and family, Odessa; Mr. and Mrs. Lonnie King and family, Plainview.

The cotton farmer who buys clothes made of synthetics is his own worst enemy.

Passing on hills brings doctor bills.

MISS WUENSCHER GETS COLLEGE SCHOLARSHIP

Miss Jerene Wuensch, daughter of Mr. and Mrs. Herman Wuensch of Wilson, is being awarded a \$200.00 scholarship in Concordia College, Austin, and will enter the school next September, according to Rev. G. W. Heinemeier, pastor of St. Paul Lutheran Church.

Miss Wuensch graduates tonight from Wilson High School as salutatorian, the second highest ranking graduate scholastically.

JAMES HEINEMEIER WILL GO TO CONNECTICUT

James Heinemeier, son of Rev. and Mrs. W. G. Heinemeier of St. Paul Lutheran Church in Wilson, has been called as a missionary at Enfield, Conn., and will begin his duties there in July. James will receive the Bachelor of Divinity degree from St. Louis Concordia Seminary in exercises on June 6.

LEMON NOT OWNER

The Maytag Automatic Laundry is owned by Williamson brothers, and Mr. and Mrs. W. I. Lemon have no financial interest in the business. Mr. Lemon has asked The News to state since their name appears erroneously under the firm signature on the graduation page in this issue.

Winston Wharton and Jess Guley left last Friday for Pecos, where they joined W. V. McElroy, formerly of this city, but of Phoenix, Ariz., for a fishing trip to Balmorhea for a couple of days. Winston reported they caught all the fish they could eat, but they were not very fish hungry.

CARD OF THANKS

The cards, visits, and everything done for me while I was in the hospital were sincerely appreciated. When one meets misfortune, it's nice to know one has such kind friends. Again, I thank each of you.—Mrs. Bill (Ruby) McNeely.

Slowdown at sundown unless you want a showdown.

The chance-taker is the accident-maker.

GUEST SPEAKER AT SWEET STREET CHURCH

Rev. James Williams, pastor of Calvary Baptist Church in Waterford, Calif., will be a guest speaker at Sweet Street Baptist Church this Sunday, announces Rev. Joe Webb, pastor.

The speaker has served as missionary in Old Mexico, and will show pictures of the work there.

Bro. Webb says "He is a marvelous singer, and will bring special music at the morning service. We cordially invite the public to come and hear him."

Rev. Williams will be accompanied by his wife, and the couple will be guests of the Webbs while in the city.

You can help put the Plains out of the cotton business by buying clothes made of synthetics.

Use more cotton!

NATIONAL COTTON WEEK OPENS FRIDAY, MAY 16,

With a storewide celebration at King's which is joining with thousands of other retail outlets and civic groups throughout the country in the traditional salute to King Cotton.

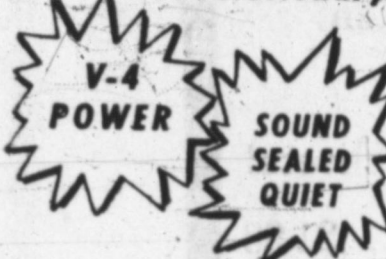

Opening of the store's doors for business at 8:30 a. m. Friday signals the start of the week-long observance. Official Cotton Week posters will be displayed in windows and other areas. Cotton fashions for summer will be spotlighted in men's, women's, children's and home furnishings departments through the week.

In a statement launching the observance, Mr. King, store owner, said, "We are proud to join in this 28th annual observance of National Cotton Week. American-grown cotton accounts for the great majority of all textiles made in this country. Cotton is a basic element of our entire retailing operation; in fact, it is the basic fabric of our way of life."

We invite you to come in and see our complete showing of new cotton goods.

**Freedom of the Press, Here and Now**

Everywhere that a tyrant's heel has ground most brutally, there has sprung up an "underground" movement. And its heart always is a printing press. For the urge that dwells deep in a freedom-loving people to know the truth is hard to kill. In fact it cannot be killed — not even by the best-organized despotism in history.

The many stories of underground presses that have come down through the ages of trial and error by many dictators is an inspiration to the men and women of America's press.

We know that the truth can actually be printed and circulated under the very heel of a tyrant's boot. But a far better way of keeping people informed is through their own free press which operates not in some dark cellar, but on main street, right next door to the grocer, the postoffice, the drug store. ** To preserve that freedom is the first obligation of the American people and the American Press. It is our only hope of maintaining our other cherished freedoms.

Tahoka "T" Club Elects Officers

Thursday, May 9, the "T" Club met at the home of David Bray for the purpose of electing officers. The officers for the following year are as follows:

President, Jerry Adams; Vice-President, George Adams; Secretary-Treasurer, Billy Tomlinson; Reporter, John Hegi; and Parliamentarian, Richard Stice.

All but two of the officers will be seniors, Richard Stice and George Adams will be juniors. This meeting was called by the members of the club. The coaches attended the meeting and stated their opinions of chances of the Bulldogs for the coming year.

The captains will be chosen for the coming year but will not be chosen until next fall.

The "T" Club is an organization made up of the members of the football, basketball and track teams. They meet every Thursday night during the season to iron out last minute problems and to get ready mentally for the game on Friday night.

Will Montgomery, ill in Tahoka Hospital for several weeks and scheduled to go home last Thursday, had a small backset and is still in the institution.

Mrs. H. E. Smith entered Tahoka Hospital Tuesday as a medical patient.

District Coaches In Golf Meet At T-Bar Club Here

Coaches of the new District 3-AA played golf at T-Bar Country Club Saturday morning of last week. No winners were announced.

Those taking part in the day's play were:

Floydada: Paul Huntington and Charles Tyler.
Slaton: Leonard Ehlers, John Taylor, and Marvin Smith.
Post: Frank Krhut and Supt. Smith.

Spur: Bill Henry, Jim Eddins, and Doug MacArthur.
Tahoka: Bill Haralson, Jake Jacobs, Dean Wright, Tom Bartley, Robert Harvick, and Supt. Otis Spears.

O'DONNELL RODEO SET FOR NEXT WEEK END

O'Donnell's annual rodeo is all set for Thursday, Friday, and Saturday of next week, and "Goat" Mayo of Petrolia will furnish the stock for the 14th year.

The usual parade will be held at 6:00 p. m. Mrs. J. T. Middleton, Jr., is parade marshal this year.

We make our living raising cotton. Let's buy cotton goods.

Cotton is the life-blood of the Plains!

There's no vacation from driving care.

That time of year is here again!...

And it is time to prepare your winter clothing for protection against moths during the hot summer months.

Bring your coats, suits, sweaters and other winter apparel to us for cleaning before storing them away. Proper care will help them last years longer.

Standing...

(Cont'd. from Page 1)

There has already been too much said about tornadoes in this column, but there is just one more incident you will get a charge out of.

We can laugh, because it happened in Wilson instead of our fair city.

Wilson has a tornado signal, just as we do, to warn its citizens of any approaching disaster. Thursday evening of last week some rather ominous looking clouds began to move in, if you remember.

Coincidentally, a Wilson citizen's automobile horn stuck. They tell us that during the hour it continued its blowing, the cellars, new and old, really got a workout over there.

A master sergeant in North Africa was talking to his Texans. "Our job here is to promote good will and friendliness. We've got to be friendly and polite to the natives. If they say Africa is bigger than Texas, agree with them."

We have our share of outstanding citizens and leaders in this county, but probably one family that has done more for Lynn county than any other is the one labeled Mr. and Mrs. Wilmer Smith of New Home.

As you know, the masculine portion of the family is very active in all sorts of activities to help the Plains farmer both on committees, boards, and his church. His name is known by almost everyone around here, to say nothing of other areas—even in Washington where he has gone to bat for us before Congressional committees.

But this family isn't a one-sided contribution to the area. Mrs. Smith at this time is a candidate for state president of Texas Home Demonstration Clubs, which itself proves her worth. Not only has she served as state secretary of the organization, but has also widened her interests to include the Woman's Society of Christian Service of the Methodist Church where she is treasurer of the Northwest Texas Conference W. S. C. S. and was district treasurer for several years before that.

Contrary to what city folks think about farmers, the Smiths are the type people who can make their place in any society—whether at the kitchen table with friends and neighbors or at the most gracious dinner table in New York. Perhaps that is why they are so well loved. And we are glad we can say they are from West Texas.

Speaking of New Home people, Mr. and Mrs. J. R. Strain are bursting their buttons over the recent accomplishments of their granddaughter, Sylvia Edwards. As you read last week, she is a charter member of a national honor organization down at Baylor, and is quite a fine little gal.

A motorist stopped at a small garage and complained to the mechanic, "Whenever I hit 80 there's a knocking in the engine." After a lengthy examination and testing, the mechanic drawled, "I don't see anything wrong, mister. It must be the good Lord warning you."

Mrs. L. H. Bain entered Tahoka Hospital Monday as a medical patient.

It costs like heck to have a wreck.

John Foster...

(Cont'd. from Page 1)
John also received the "T" award as one of the seven officers of the famed Ross Volunteers, of which he is also a member. This is the top marching unit seen at many State and even National affairs, membership in which is coveted by all students.

He was again honored when the boys of his company presented him with a specially engraved 21-jewel Hamilton watch.

Another young man known in Tahoka, Rush McGinty of Spur, grandson of the late Mr. and Mrs. M. Draper and nephew of Fred McGinty, was honored at the Sunday ceremony as the outstanding cadet of his regiment.

John had previously been honored as an outstanding cadet, as an outstanding student, etc.

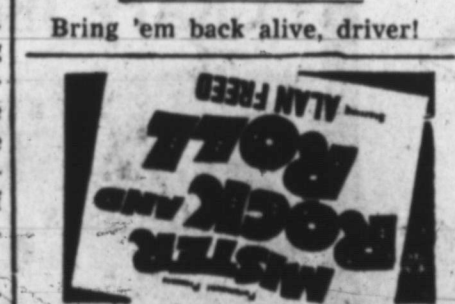

Mr. and Mrs. Foster received a copy of a letter from Vice President Earl Rudder to John, in which he says, in part:

"I wish to commend you, and Company A, Veterinary, for the high standards you have maintained and the example you have set. You have been a credit to this College and to the Corps of Cadets."

"I am particularly impressed with the thoroughness with which you laid the foundation of the Veterinary Company, and with your record of having sustained a minimum loss of Freshmen at mid-semester. I am informed in spirit, discipline, and overall performance. I am grateful to you for your contribution to the Corps of Cadets. A copy of this letter is being placed in your 201 File for permanent record."

May 1 marked the beginning of the shift to compulsory inspection or poultry processing plants as required by the new Poultry Products Inspection Act passed recently by Congress.

If you can't start it, there you stop—Where is you?

"BUSTER" FENTON HOME AND IS DOING FINE

R. W. Fenton Jr. arrived home Wednesday night from Mayo's at Rochester, Minn., where he underwent a checkup and was found not to have any further serious trouble. He got home in fine spirits and is reported doing fine.

He was accompanied by Mrs. Fenton and daughter, Mrs. O. C. Elliott, and brother-in-law, Buck Barnes of Clovis. They flew to and from Rochester.

C. H. Bates, extension farm management specialist, advises farmers who are forced to replant to buy certified seed for the replanting whenever possible and to keep accurate records of all added expenses because of the weather.

THE NEWS

Methodist Men Hear Haymes

Dr. J. O. Haymes, retired Methodist minister of Lubbock, was the speaker at the monthly meeting of the Tahoka Methodist Men here Monday night, delivering a highly delightful talk, generously interspersed with wit and humor, on the subject, "Living as Long as I'm Alive."

In spite of the downpour of rain before the meeting started, there were 25 men present at this meeting, one of the high-lights of the year so far.

Dr. Haymes declared that age is a relative matter, that people should make plans in advance for moderate retirement, and urged them to keep a zest for life.

He gave his formula for "growing old gracefully," the principal points of which were: Be your age, live in hope, keep alert mentally, keep physically active, have a hobby, don't ever pity or feel sorry for yourself, don't take yourself too seriously and learn to laugh at yourself before the other fellow laughs at you, and trust in

God and don't be afraid.

The speaker was introduced by Maurice Bray, who was in charge of the program. Rev. Bill Thompson led the group in a song session.

Prior to the program, a steak dinner was served under the direction of Otis Spears.

President Milt Draper said plans would be started in the immediate future for the big annual family night program in Austin. He named Dale Thuren to arrange the program for the next meeting and Jess Gurley to arrange the dinner.

How can we expect the rest of the world to use cotton if we buy clothes made of synthetics?

By Laura Bowman
County H. D. Agent

After having rain every few wdays, the yards in this county are pretty and green without adding dollars to the water bill for the town people. A beautiful lawn always adds to the homestead. Most satisfaction from working together to improve appearance of their home.

The W. Z. Florence's in Tahoka have certainly worked on their yard this spring. The major accomplishment was drilling a well in the backyard. Vegetable and flower beds have been prepared, so watch for successful results.

Do you know what would happen to your property if you died tomorrow? Would the settlement of your financial affairs cause family quarrels or disharmony?

Besides avoiding quarrels and reducing the cost and time for settling financial affairs, a will has other advantages, according to extension economist and home management specialists. It means that an executor can be named, a guardian designated if necessary, and a testamentary trust created if needed. It means, too, that your property can be distributed in line with your wishes.

Making a valid will is not difficult, but it must be drawn to comply with the requirements of the law. For example, two witnesses are necessary. They must be more than 14 years of age and should be beneficiaries.

Important questions and answers concerning wills are discussed in the new extension publication, "Why Make a Will." Write or come by my office for a copy.

When you shop for a dress, do you look for tags or other labels to help you in buying? "Yes" said 80 percent of \$1,000 town and city women in Texas when asked this question recently in a study conducted by Phyllis Drake and Mary Anna Grimes, research workers in the Department of Home Economics at Texas A & M College.

Need for the study was brought on by the increasing use of new fabrics, growing practice of blending fibers and the use of many new fabric finishes. Women were flooding extension clothing specialists and county home demonstration agents with questions on what to expect from these new fabrics and how to care for them. Retailers, dress manufacturers and fabric distributors expressed interest in knowing what women want in labels.

Most useful label information, replies indicated, concerns care of the dress—whether to dry-clean or wash, how to wash, whether ironing is needed and, if so, how hot an iron to use. The women also said information on shrinking, colorfastness, size and finish of fabric was helpful.

More than 80 percent of the

Political Announcements

The following announce their candidacy for elective offices subject to action of the voters in the Democratic Primary election on July 28, 1958:

For District Judge, 106th Judicial District:
TRUETH SMITH of Lynn County.

WESLEY ROBERTS, Lamesa
CHAS. McREYNOLDS, Andrews

For District Clerk:
W. S. (Skip) TAYLOR, re-election.

For County Judge:
W. M. MATHIS (re-election)

For County Superintendent:
MRS. RUTH JOLLY (re-election)

For County Clerk:
C. W. ROBERTS
E. A. HOWLE
MRS. DUDE HOLLAND

For County Treasurer:
THOMAS REID (re-election)

For Commissioner, Precinct 4:
L. K. (Heavy) NELSON
E. H. WEST (re-election).

For Commissioner, Precinct 2:
WOODROW BREWER (second term.)
O. J. STANLEY

For Justice of the Peace, Precinct 1:
C. A. CLEM (re-election).

Post Stampede Begins May 28

Post—The annual Post Stampede Rodeo will be held the nights of May 28, 29, 30 and 31 at the rodeo arena here which seats 6,000.

A parade at 6:00 p. m. Wednesday, May 28, will open the rodeo activities, with the opening night performance getting under way at 8 o'clock.

Goat Mayo of Petrolia will furnish the roping and riding stock. Major events will be calf roping,

heading and heeling, saddle bronc and bareback bronc riding, bull riding and cowgirl's barrel race. A cutting horse contest will be held on the final day.

Cash prizes and awards totaling more than \$3,500 are being offered. Entries should be mailed to Harold Voss, Post, Texas.

Among the many added features at this year's rodeo will be a dance beginning at 10 o'clock each night on the rodeo grounds dance pavilion.

Halfway measures aren't so hot—Give safety everything you've got! Mothers worry when drivers hurry.

Future Farmers Elect Officers

Tahoka Future Farmers of America have recently elected new officers for the coming year.

Kenith Stice was named to lead the boys as president. He is a Sophomore, has been very active in FFA work, and is well qualified to lead the group.

Other officers are: John Hegli, vice president; Mickey Owens, secretary; Billy Tomlinson, treasurer; Benny Martin, reporter; Richard Stice, parliamentarian; Vergle Hicks, sentinel; and Carroll Best, historian.

FORD SUNLINER...
America's glamorous,
best-selling soft top

FORD SKYLINER...
World's only retractable hardtop

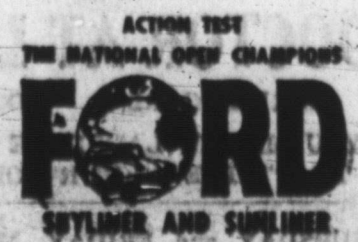

Why people who love CONVERTIBLES buy FORD

Only Ford lets you choose from a steel-top convertible or a fabric-top beauty. Who else but Ford... world's largest convertible maker... could offer you two different kinds of convertibles. There's the fabric-top Ford Sunliner and the steel-top Ford Skyliner. They're both styled and powered in the Thunderbird tradition.

Nowhere else can you find so much convertible for so little money. Take the Ford Sunliner for example. A comparison of manufacturers' suggested retail delivered

prices shows it's America's lowest-priced convertible. As for the Skyliner, it's the world's only 2-in-1 fine car... a snug steel-top and a breezy convertible. Just touch a button. The all-steel top vanishes into the rear deck... and you're sitting pretty in the smartest convertible ever.

So if you're the sun-worshipping type, better see your Ford Dealer and get all the reasons why Ford outsells its nearest competitor in convertibles by a whopping 2-to-1 margin!

Wilson FHA Has Officer Installation

Wilson Future Homemakers of America on Wednesday, April 30, held their annual spring style show and installation of officers. Girls in the home economics class modeling garments that they made either in class or as a home project. The girls' garments were judged by Mrs. Elmer Blankenship, Clarence Church, and Dale Price. Winners were as follows: Third year class, Jeanette Schneider, first, Pat Baxley, second; second year girls, Sue Coleman, first, Sue Campbell second; and Freshman girls, Darlene Menzer, first, and Margaret Crowson, second.

Officers for the present school term are: President, Neita Hewlett; Vice-President, Pat Baxley; Secretary, Joyce Church; Treasurer, Marcia Standerfer; Reporter, Audrey Klaus; Historian, Jeanette Schneider; Parliamentarian, Betty Hanes; Photographer, Linda Crowson; Song Leader, Jerene Wuen-sche; and, Pianist, Nancy Cook. Chapter mothers now serving are Mmes. W. T. Baxley, Warner Klaus, G. L. Nelson, and, C. Roper. Mrs. George Griffin is the sponsor.

Officers for the coming year are: President, Pat Baxley; Vice-President, Sue Campbell; Secretary, Linda Crowson; Treasurer, Jeanette Schneider; Parliamentarian, Audrey Klaus; Reporter, Nancy Cook; Historian, Doris Lamb; Photographer, Sue Coleman; Song Leader, Linda Roper; and Pianist, Kathleen Heinemeier. The newly elected chapter mothers are Mrs. Howard Cook, Robert Lamb, Bill Lumsden, and George Williamson. After installing the new officers, outgoing president, Neita Hewlett, was presented the gavel she has been using this year as a token of appreciation for the good work she has done for the club.

A tea was held following the style show and installation services for the mothers and the eighth grade girls.

Recently six girls represented Wilson at the State FHA meeting in San Antonio. The girls attending were Pat Baxley, Linda Crowson, Audrey Klaus, and Jeanette Schneider, who received their State Degrees. Betty Hanes and Linda Roper were the voting delegates from Wilson. The girls were accompanied by Mrs. Warner Klaus, and their sponsor and her husband, Mr. and Mrs. George Griffin.

Billie Jane Taylor Is Recent Birde

Miss Billie Jane Taylor, daughter of Mr. and Mrs. Roy Taylor of Seymour, formerly of Tahoka, was united in marriage to Tommy Eugene Jones, son of Rev. and Mrs. L. R. Jones of Tyler, at 3:30 p. m. on April 27 in the First Baptist Church of Seymour.

Dr. L. Taylor Daniel of Dallas read the double-ring ceremony.

Given in marriage by her father, the bride's matron of honor was Mrs. Bob (LuAnn) Hamby of Raton, New Mexico. Lemmie Jones Jr. of Tyler, brother of the bridegroom, was the best man.

A reception followed at Seymour Country Club.

The bride is a graduate of Seymour High School and Texas Tech, where she was a member of Phi Beta Phi sorority. Her senior year, she was elected class favorite and secretary. She is a granddaughter of Mr. and Mrs. C. T. Tankersley of Tahoka.

The groom is a graduate of Tyler High School and North Texas State College, and is now in the Army stationed at Schofield Barracks, Honolulu, Hawaii.

Following a wedding trip to the West Coast, they went to Hawaii to make their home.

Terry Tompson of Lubbock, formerly in business in Tahoka, was a visitor here Monday. He says he is still managing to fool the doctors, and is getting along fine. He has no intention of "kicking the bucket" any time soon.

Never use plant pesticides on livestock. This rule for protecting farm animals from chemical poisoning was developed by U. S. Department of Agriculture investigating cases of livestock poisoning by insecticides and herbicides.

The first Navy nurse to serve outside the U. S., reported to the Philippines in 1910, and shortly after to Guam, Honolulu, Yokohama, Samoa, Virgin Islands, and Cuba.

New Lighting for Longhorn Cavern

A completely new and improved lighting system has just been installed in Texas Longhorn Cavern near Burnet which provides dramatic illumination designed to best show off the scenic wonders of this marvel of

Nature. Many modern theatrical lighting effects have been utilized. More than four miles of wiring were installed and nearly a thousand electric bulbs were used in the project which required over five months.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room
THE UPPER ROOM, NASHVILLE, TENNESSEE

Serve the Lord with gladness. Come before his presence with singing. Psalm 100:2.)

Time, talent, and treasure are the heavenly gifts to human beings. No day should pass without our thanking God for those signs of His mercy and love. It is right to dedicate these gifts to the Lord. How many hours of the day do we spend for Christ and in his service?

When we surrender to Him our talents, we get His blessing. "I've given Him our treasure with glad hearts. He gives us great joy. Blessed are those who say daily, 'Everything for Jesus.'"

Esther, a girl of six, heard in Sunday school that true Christians sacrificed all they have to the Lord. On the floor she put a pig plate. On it she put her best-loved treasures: her doll, her picture book, her money box. At last she stood on it herself and said, "Here you have me, dear Lord, with all I possess."

PRAYER

Dear Lord, we dedicate to Thee all our time, our treasure. We know Thou hast given us these gifts and Thou dost rightly expect a real sacrifice from us. Christ has done all for us on the cross; so we want to do all for Him. In His name. Amen.

THOUGHT FOR THE DAY
Blessed are we if we say daily, "Everything for Jesus" and act accordingly.

Ruth Luchsinger, Educator (Switzerland).
Additional Bible Reading—Galatians 5:7-26.

CARD OF THANKS

We extend our sincere appreciation for the prayers, flowers, and cards that have helped cheer us up during Mrs. Payne's illness. May God bless each of you, is our prayer.—The E. F. Payne family.

Cotton—King Of Fibers!

This year, more department stores than ever will have special, store-wide promotions to tie in with the 28th annual observance of National Cotton Week, May 16-24. There are several reasons worth mentioning for this stepped-up interest in cotton.

In 1958 the American consumer will be able to buy cotton fabrics in wider variety of new finishes and treatments, thanks to research and chemistry. Cotton fabrics are more versatile than ever, with

their wrinkle resistant, flame, water, and heat resistant properties. To give you some idea of the consumer acceptance anticipated for these new treatments, it is estimated that 1 1/2 billion yards of cotton fabric will be treated with the thermo-setting resins that create fabrics requiring little or no ironing. The demand for these has opened a tremendous market.

We are told that there is a new process for treating cottons, now in the development stage, that promises men's cotton suits which will hold their shape, shed wrinkles and retain trouser creases to an exceptional degree.

Another very important reason for cotton's resurgence in the past two or three years, is style. Creative thinking has placed cotton in the forefront of fashion. This is evident in sportswear and dress fashions for men, women and children.

Great strides have been made in the textile industry with synthetic fibers. It is in connection with these that one of cotton's most attractive qualities is evident. Cotton is so compatible, in fact, it's a real mixer.

Cotton Week is the time for department stores to emphasize that they are headquarters for fabrics and apparel made of cotton. It is during National Cotton Week that you can set the stage for a successful cotton season. Cotton is still king of all the fibers—natural or synthetic—with the American consumer buying three yards of cotton out of every four yards of textile goods of all types in piece goods, apparel and home furnishings.—Frank X. Kiefer, Department Store Economist.

Use more cotton!

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

Often in Washington there is talk of lobbyists. Presumably, because he is constantly appearing before Congressional committees to voice the majority opinion of the nation's independent businessmen who have expressed themselves through the National Federation of Independent Business, Inc.

George Burger, vice president in charge of the Washington office, is also a lobbyist. But the greatest lobbying in Washington today seems to be behind the scenes on behalf of somewhere in the neighborhood of 2 1/2 million Federal employees. In the past few years federal employees have come a long way in welding into a cohesive unit. They operate their own credit unions; discount houses. And they seem to work together in many other ways. Thus, a threat to cut any department's budget, is seemingly a threat to all.

It is significant that no sooner had Russia launched a Sputnik, than right out of Washington came big screams about how government would have to spend more and more money.

And State Dept. seeking more billions for its foreign give away programs, claims if U. S. doesn't help needy nations, Russia will. But question comes up... Russia will help with what?

The other day in Congress Rep. Frances Bolton of Ohio took first step in exploding this myth with a report of the National Bureau of Economic Research on Russian industrial progress vs. U. S. progress in the period from 1913 until the present.

© National Federation of Independent Business

Despite all the ballyhoo both from Moscow and the U. S. State Dept. Russia is from 25 to 100 years behind the U. S. in per capita production in basic industries. For example, in rolled steel Russia was 24 years behind the U. S. in 1913, is now 52 years behind. In cotton and wool fabrics she was 43 years behind the U. S. in 1913, is now 58 years behind. In boots and shoes she was behind U. S. by 23 years in 1913, is now 45 years behind.

Thus, the figures presented by Rep. Bolton. Bearing in mind that despite the higher level of U. S. production, and a lower population than Russia's, if much more than 10% of the American production were shipped out of the country, there would be shortages at home.

Thus, Russian threats to step in and supply the peoples of various nations with goods unless the U. S. supplies them is perhaps the greatest poker bluff of all times, because Russia cannot supply her own needs, let alone taking on anybody else.

Yet, because Russia makes spurious promises which she cannot make good on, the State Dept. wants to grind American small business into the dust with oppressive taxation.

It does not seem possible, according to observers in Washington, that these facts are unknown to officials. Therefore, it must get down to a matter of job protection. Administration of foreign give aways has created many jobs... some quite plushy. And with this new found feeling that a threat to any federal employee is a threat to all, there has been a lot of closing of ranks to fight the good fight for foreign give aways to keep more people on the payroll.

Youth Phase of Extension Service Had Beginning at Jacksboro In 1908

Rutherford's Starts Cotton Week Sale

National Cotton Week, which opens Friday, May 16th, is being observed locally by Rutherford's which is offering special prices on many items of cotton fashions for summer.

Rutherford's opens its doors at 9:00 a. m. Friday to start the week-long observance of Cotton Week, and will spotlight men's, women's, children's and home furnishings departments during the eight-day event.

The store is joining thousands of other retail establishments and civic groups over the nation in this salute to King Cotton, the very life-blood of Lynn county and all its people.

"American-grown cotton accounts for the great majority of all textiles made in this country," Mr. Rutherford said. "It is the most important product of this section of our nation, as well as being our nation's most important item of agriculture. We are proud to have this part in promoting more use of cotton, the quality textile."

"If anyone should wear cotton, it should be the people of this farming country," he stated further. "This is why we feature cotton merchandise throughout the year every year. This is why we are glad to cooperate with this 28th annual observance of National Cotton Week." (Adv.)

Dr. and Mrs. J. P. Howard of Merkel and Uris Howard of Lubbock spent Sunday here visiting their sisters, Mrs. Frank Hill and Mrs. Harley Henderson.

Everyday Religion

By J. B. Thompson

"Leaves Of Gold" is the title of a book of famous poems and quotation that came in the mail last week. The inscription, written by three school boy brothers, said, "We have been wanting to send this to you for a long time and to express to you our appreciation for all that you contributed to our lives."

The book contains many beautiful sayings and verses but nothing in it warms the heart as does the inscription. No words are more golden than those which express appreciation and love. Thanks, dear friends, for the book, but thanks most of all for your own thoughtfulness. Your words give courage and strength to go on contributing our best to others as long as life shall last.

Books are truly leaves of gold. What strange emotions are wrapped up in words—golden words. They reflect every strata of human experience, from the humble cottage to the gilded palace; from the peasant to the king.

As we climb the mountain peaks of prose and poetry the world pushes back its mystic curtains. As we camp on their vast plains the light of heaven comes to center in our humble tent. As we sail on their unbounded seas we catch breezes that fan all skies. As we rest beside their sparkling rivers we hear voices from far waters. As we gaze at their over-arching shores we greet the traffic that is born from beyond the dawn. As we gaze at their over-arching skies we dream of everlasting life.

Leaves of gold are beckoning hands and waving banners inviting across the enchanted world of high thought. Let's go!

Safety is no accident.

MRS. EARL MORRIS
Correspondent

Mothers Day was observed at the Baptist Church Sunday. Mrs. Ed Norton and Mrs. Ed Mosley were honored with a corsage as being the oldest and youngest mothers present. Mrs. Kenneth Davies was a mother who had the most children present. She had four. Rev. Jim Houghton preached the inspiring sermon for the spring revival Sunday night.

Mr. and Mrs. Winston Lester, counselors for the Southland MYF, took the young people to Ceta Canyon for a district meeting last Tuesday morning. The theme was "Finding God's Presence." The local members had charge of the morning watch Sunday morning and returned home Sunday afternoon. Members making the trip were Donetta and Janis Ellis, Sue and Donna Sue Field, Ross Dunn and Danny Seiwert were the members who went from here. Barbara Shytle, Beverly Young, Aaron Jobe and Glenda Whittington from Post went with the outland members.

Mr. and Mrs. Wm. Cato, Nancy

and Brenda of Quannah, Mr. and Mrs. Floyd Pearson of Lorenzo were weekend guests of Mr. and Mrs. Fred Davidson and Louise. Sunday guests in the home were, Mr. and Mrs. Robert Cato, Bob, and John of Post, Mr. and Mrs. Robert Lee and Candora of Slaton.

Mr. and Mrs. Everett Bloxom celebrated their 25th wedding anniversary last Wednesday in their home in Slaton. Mr. and Mrs. Noble Wynn, Mr. and Mrs. Ed Denton went up and helped with the celebration. Mr. and Mrs. Bloxom were both reared in this community. This weekend Mrs. Bloxom is in Slaton Mercy Hospital, seriously ill.

Mr. and Mrs. C. W. Gindorf and their son, Chris and family went to Brenham weekend of the 4th and visited Mr. Gindorf's family. They visited a sister, Mrs. Ida Norgros, who is ill in a hospital in East Banard. On Sunday they enjoyed a turkey barbeque in a sister's home, Mr. and Mrs. Fred Gerke's home in Beasley, and two other sisters, Mrs. Louise Spinn and Mrs. Elbert Dynosti of Rosenberg, a brother, Steve Gindorf were all present to eat turkey. Mr. Gindorf says this is the first time they have been together in 25 years.

Mrs. Nellie Mathis, Carolyn Sue Kasinger, Marie Mathis and Mrs. Nettie Kellum spent Sunday with L. B. Mathis and family in Spur.

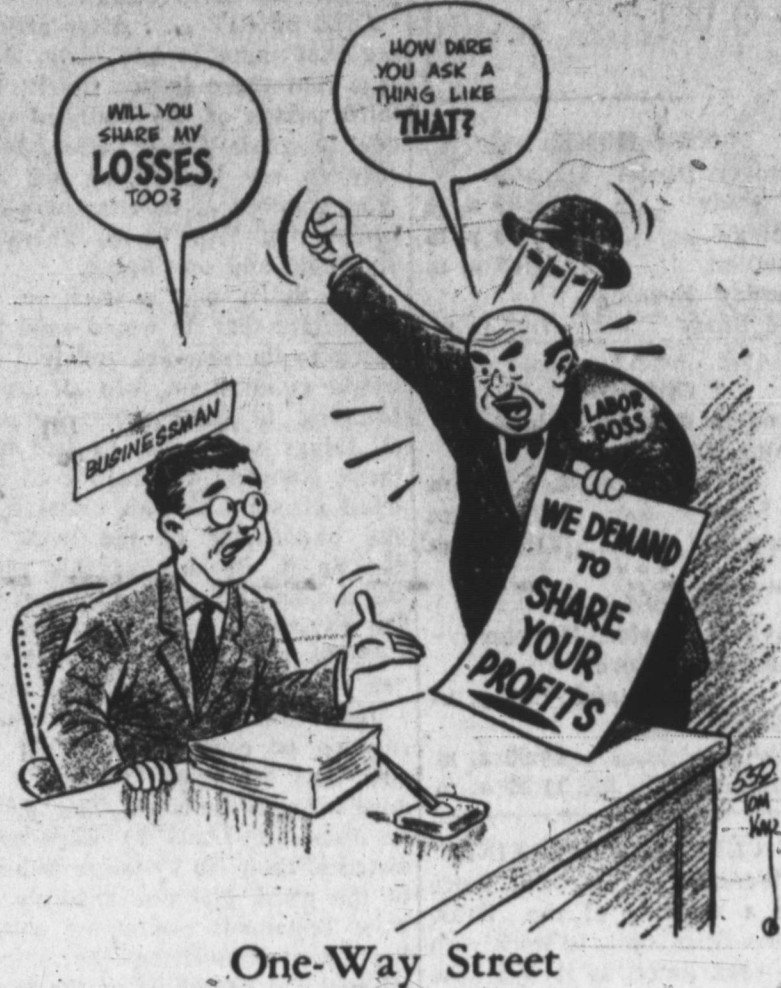

Mr. and Mrs. Troy Lester and sons of Levelland spent the weekend with his parents, Mr. and Mrs. Wm. Lester. Sunday visitors in the home were two of Lester's sisters, Mrs. Ella Stiles and Mrs. Iva White of Lubbock.

Mr. and Mrs. Don Pennell and children visited in Post Sunday afternoon with the Carl Cedarholms, and the A. A. Ferguson.

Sunday dinner guests in the Gus Gatzki home were a son, Sam and family of Wilson. Virginia had broken a foot last Wednesday, and was on crutches Sunday. Clayborn Stuart, a grandson, was also a guest in the Gatzki home Sunday.

Mr. and Mrs. Earl Lancaster and Jimmy had as their guests Sunday, a daughter, Mrs. Wayne Perkins and Wayne and son of Slaton, a son, Mr. and Mrs. Jack Lancaster

THE AMERICAN WAY

Results Given On Farm Ponds

Important new information, including results of a farm pond survey just completed in Texas, was released today by H. N. Smith, State Conservationist, Soil Conservation Service.

Smith stated that the survey was made in response to questions from measures on water supply. Municipal and industrial users of water were greatly interested in the outcome of the survey.

Farmponds were singled out for the study, because some had felt that they might have more effect on water yield than any other single practice. When the survey was begun, little definite information was available as to the number of ponds, their location, or the real effect they might have on water supply.

Information gathered included total number of farm and ranch ponds by major watersheds, surface area, drainage area, capacity, and depth. Any pond built by a farmer or rancher primarily for livestock water was considered as a farm or ranch pond. From these data, such information as the percent of total land area draining through ponds, the total surface area by watersheds and for the state, the total capacity, and other items could be compiled.

The information was gathered on a representative sample basis. In addition to its being expanded on a major river watershed basis, it also can be calculated on a land resource area basis, thus increasing its usefulness to water use planners.

The survey revealed that for the state as a whole there are almost 342,000 farm ponds. When filled to capacity, these ponds had an original total storage of approximately 932,000 acre-feet. When the survey was made, an estimated 100,000 acre-feet of the original capacity had been filled by sediment. The total surface area of the pond was about 248,000 acres, and the total drainage area 12,737,000 acres. The average pond capacity when full was 2.72 acre-feet, the average surface area 0.72 acre-feet, the average maximum depth 10.57 feet, and the average drainage area per pond 37.25 acres.

For three of the major river watersheds in the state, the survey revealed the following:

Brazos watershed has 93,000 ponds, with an average capacity of 2.61 acre feet, average surface area

The Lynn County News, Tahoka, Texas

May 16, 1958

of 1.72 acres, average drainage area of 36.06 acres. Trinity river has 61,800 ponds, with an average capacity of 1.97 acre feet, average surface area of 0.52 acres, average drainage area of 19.36 acres.

Colorado river has 34,300 ponds, an average capacity of 3.12 acre feet, average surface area of 0.82 acres, average drainage area of 50.77 acres.

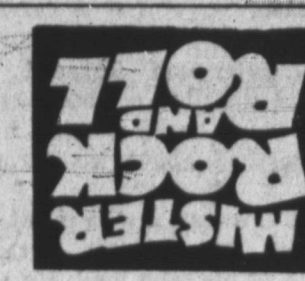

The total area draining through ponds comprise only 7.55 percent of the land area of Texas. This varied low of 0.44 percent in the Coast Prairie Resource Area to a high of 26.26 percent in the Reddish Prairie Resource Area of Northern Central Texas.

Smith stated that in many areas

of the state, farm ponds are the major source of usable livestock water available to the farmer or rancher, and they play a vital role in the management of livestock grazing resources.

Check your car—Check your driving—Check accidents.

Lynn County Soil Conservation District News

ROY L. WILLIAMS ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
WALTER BLANKENSHIP

Old terraces were rebuilt on the Echo Milliken farm, south of Draw.

A farm is as big as its power to produce.

G. L. Autry has terraced his farm and installed a waterway to remove excess water coming from the watershed above his farm.

Burford Powers, a Great Plains participant, has recently terraced a portion of his crop land. He also has a good stand of Blue Panic on some rangeland that was root plowed and reseeded.

Graze properly and raise plenty of beef; overgraze and "beef" plenty.

Horace Burnette is the newest cooperator with the District. Burnette farms near O'Donnell. In his conservation plan, rotation, crop residue utilization and other

basic practices are included.

"Since the first crude plow uprooted the first square foot of sod, and since man's axe first bit into virgin forest, erosion of the soil has been a problem. It is as old as history. Down through the ages it has influenced the lives of men and the destinies of nations and civilizations. In the United States today, no problem is more urgent."—Dr. Hugh H. Bennett.

Letters have been mailed to persons requesting Arizona Cypress trees. Nurseries in Lubbock now have a large stock of these trees. These trees should be set out as soon as possible after pick-up date. Be sure to keep them from drying out and protect them from wind as much as possible. Small windbreaks may be put up on the south and west sides of each plant. If material is available

Tahoka, Texas

George Slept Here...

He pulled off the highway and asked if he could take a little snooze.

We pride ourselves that Phillips 66 Stations are first-rate service stations. We're even glad to make them sleeping stations in an emergency. So George took his snooze.

Good thing he did because, dog-tired and drowsy, he might have fallen asleep at the wheel while driving.

This little incident suggests, in a small way, the hospitable attitude of Phillips 66 Service men generally. Ask any regular patron of Phillips 66 Stations and he'll tell you that Phillips Dealers go out of their way to treat you and your car right—perform many a service you wouldn't expect to get elsewhere.

Better yet, drive in and see for yourself what "Hospitality on the Highway" means.

E. R. Edwards, Wife Home From Trip To San Francisco

Mr. and Mrs. E. R. (Roy) Edwards returned home from quite a trip as the guests of Mr. and Mrs. Arch S. Underwood of Lubbock, owners of Tahoka Compress and other compresses in the area.

Along with the party of 44 Underwood managers and associates, they made a 12 day trip on two pullman coaches to the National Cotton Compress and Warehouse Association convention held in San Francisco—and Mr. and Mrs. Underwood footed the expense bill for the entire group.

Leaving here April 30, they went by train to Needles, Calif., where they boarded buses for a two-day side trip to Boulder Dam and Las Vegas, Nev. At the latter place, they had dinner at the famous Sands Hotel and saw the Danny Thomas show.

They then went to San Francisco, where they spent two days in the convention and four days sight-seeing. Mr. and Mrs. Edwards, especially enjoyed the fabulous flower show they attended one day in Oakland, across the bay. They also took a harbor tour and saw most of the sights of that interesting city. Roy says they really got a sample of some of the high-priced joints out there. The group presented Mr. and Mrs. Underwood a plaque on which all the names of the guests on the tour were engraved in appreciation of their hosts and boss.

a mulch around the plants will help in weed control and also help maintain a moisture supply and retard burning or sand blasting.

What Is Soil Stewardship Week?
For many years farmers and ranchers representing their communities as Soil Conservation District Supervisors, have joined forces with supervisors throughout the nation in the observance of Soil Stewardship Week.

This observance is a united endeavor to develop a greater awareness that "The earth is the Lord's" and that man is responsible to maintain its fertility as a good steward.

Your Lynn County Soil Conservation District Board of Supervisors invite your careful attention to the following quotations of our own local agricultural leaders, who are well informed concerning this matter.

DRAW CEMETERY WORKING

On Wednesday, May 21, there will be a working of the Draw Cemetery. Bring tools to work with and a sack lunch as it will take more than one-half day to clean up and put the cemetery in good shape. —The Draw Committee.

ATTENDS DALLAS MEETING

Perry Walker, local office manager of the Farmers Home Administration, attended a F.H.A. training school in Dallas all last week. He was accompanied by his wife and son, Tim, who visited her brother while Perry attended the school.

If you want to live to see 70—stop looking for it on the speedometer.

The beautiful Delray 2-Door Sedan, one of three budget-priced Delray models.

Chevrolet's dollar-stretching DELRAY YOU JUST CAN'T TIE THIS BUY!

Here's surefire proof Chevrolet always knows how to give you more for your money—from longer, newer, lovelier bodies to a wider range of engines, transmissions and suspension systems. The more you look the more you'll find to like in Delray—THE LOWEST PRICED OF ALL THE LOW-PRICED CHEVROLETS!

Chevy doesn't have any "smaller" models. The big, beautiful Chevrolet Delray is just as long, just as wide, just as softly sprung on the same 117-inch wheelbase as the luxurious Bel Air models. Like every other Chevrolet, it has the extra solidity and quality of Body by Fisher. There's no stinting on optional equipment, either. You

can get anything from Fuel Injection* to Level Air* ride, any Chevrolet transmission, any Chevrolet engine, just as you choose. Take a long, long look at this one next time you drop in at your Chevrolet dealership—because the more you demand for your money the surer it is you'll decide on Delray!

*Optional at extra cost.

ONE SPIRIT ... After affirming that there is one body, Paul says that there is one Spirit; the third person of the Godhead who was to guide the apostles. It is easy to see that there are the same number of Spirits there are bodies and visa versa. There is one body and one Spirit.

The Spirit had a work to do. Jesus said that he would send the Spirit to the apostles and that He would guide them into all truth, bringing to their remembrance all things whatsoever he had told them. Knowing the frailty of the mind of man we can understand the importance of the work of the Spirit. Because of this work we can know the word spoken by the apostles is truly the word of God. That is why Jesus could say "He that heareth you heareth me."

Jesus said that the Spirit would reprove or convict the world of sin. This work of the Spirit is done through the word. The 3,000 on Pentecost (Acts 2) were convicted of their sin by the preaching of the word. Not one example of New Testament conversion shows the Spirit convicting the sinner without the preaching of the word of God. The Spirit does not operate directly upon the heart of the sinner but rather through the word. That is why Paul said "I am not ashamed of the gospel of Christ for it is the power of God unto salvation." Ro. 1:16.

There is one Spirit and he gives one plan of salvation for all people. "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

CEMETERY WORKING

There will be an all day working at the Southland Cemetery Monday, May 19. Everyone interested is urged to come or send someone to work. Also, if you have

extra flower plants or shrubs, bring them. Let's make the Southland Cemetery the prettiest on the Plains.

Safety is no accident.
