SINGING CONVENTION TO MEET AT KLONDIKE SCHOOL

TORNADOES TO PLAY ODESSA HERE FRIDAY

According to F. T. McCollum, the coach of the Golden Tornadoes, they will meet the Odessa football squad on the local gridiron at the ball park Friday afternoon at 3:30 p. m. Coach McCollum states that not for a long time has he seen better material in the local high school than he has this year, and certainly no heavier or more promising line. He further states that he hopes to develop a speedy and efficient back field that will match well with the line he has. Mr. McCollum should be given a lot of credit, together with Mr. Gregg, for the present interest among high school boys in football. This year 45 boys are training under the leadership of these two fine gentlemen. Accordingly, the citizenship of Lamesa and Dawson County should get squarely behind Mr. McCollum and Mr. Gregg, and give them every backing possible this season. It looks like another championship football team, but if they are to march toward the goal of championship, Lamesa business men and the patrons of the Lamesa High school are going to have to give the coaches and the team every loyal support. To this end, let all turn out Friday to see the game. Give the boys and the coaches all the encouragement that they need. A large crowd at the Odessa game here Friday will do the job.

Much interest is being shown by the Pep Squad which is composed of 60 high school girls under the direction of Conway King. This squad will be out in grand style Friday with new suits. It is said that this year the Lamesa Pep squad can be favorably compared with any squad in West Texas.

High school students will sell tickets for this game Friday, and if the fans will buy these they will save at least thirty per cent.

LOAN INFORMATION AT CHAMBER OF COMMERCE

Information is being collected at the local Chamber of Commerce for stockmen and feeders with reference to loans from the Reconstruction Finance Corporation which has been recently set up with headquarters at Ft. Worth. Letters have gone out to Mr. A. E. Thomas manager of this corporation and soon the local organization will have the needed information, so states the officials of the local chamber of commerce with offices in the City Hall.

RELIEF FUND COMMITTEE APPOINTED HERE

C. E. Cameron manager of the Texas Electric Service Company and director of the West Texas Chamber of Commerce has announced the following committee to handle all matters pertaining to relief and work relief which is being set up by Governor Sterling through the West Texas Chamber of Commerce for work in Dawson county: C. E. Cameron chairman, V. Z. Rogers, Louis B. Reed, J. R. Lowrie and Wm. A. Wilson.

The Lamesa and Dawson County Application for relief funds has already been forwarded to the West Texas Chamber of Commerce offices at Stamford and in turn will go to the Governor.

DAWSON COUNTY PIONEER VISITING HIS SON HERE

I. M. Bennett, pioneer of this county, now of Abilene and Dallas is in Lamesa this week meeting old friends and visiting his son Buck Bennett and family.

Mr. Bennett is indeed classed with the old timers of Dawson county, having come here in 1905. He and Mrs. Bennett, who passed away in May of this year, resided in this county for many years and were among the leaders in every worth-while enterprise undertaken. To them, much credit is due for the settlement of this county, for Mr. Bennett was one of the leading real estate dealers.

Mr. Bennett is a special friend of John Nance Garner, vice presidential nominee of the Democratic party. They were in the Texas Legislature together many years ago. Last Christmas Mr. Bennett sent the speaker a gavel he had made himself, from one of his orange trees. Mr. Garner expressed his gratitude to Mr. Bennett by opening Congress with this Gavel after the holidays.

Mrs. Harry Stone, Slaton, and Miss Elizabeth Slaton of Seminole, were shopping here Saturday.

Plans Being Made For 6th. Trades Day

Cotton Farmers Profit Liberal Crop Loans

Team work between cotton cooperatives and Southern congressmen score another victory for farmers. The plan as presented by the Co-operatives and approved by the Sec'y of Agriculture, in collateralizing Seed Loan Cotton on the basis of nine cents means at least \$10.00 a bale more at this time in the collateralization value of 1932 Seed Loan Cotton, according to a statement issued by R. J. Murray, General Manager of the Texas Cotton Cooperative Association. The plan will affect more than 31,000 borrowers or approximately 1,000,000 bales of cotton throughout the South, 400,000 of which are last year's Seed Loan Cotton.

All Cotton Producers Benefited
The plan, in addition to increasing the value of collateralized Seed Loan Cotton, opens up a possibility of withholding the 1,000,000 bales of Seed Loan Cotton off the present market during the usual heavy marketing season, thereby giving substantial support to the market. All farmers and business generally in Texas should profit from this plan as announced by the Department of Agriculture.

Where last year's loans were fully collateralized at 8c per pound, there will be no requirement to sell cotton and pay last year's loans. This year's loans collateralized at 9 cents together with last year's Seed Loan Cotton is required to be handled by the Cooperatives or placed in Federal Bonded Warehouses. Borrowers reserve the right to fix the price on collateralized cotton up to March 1, after which time the Secretary of Agriculture reserves the right to sell Seed Loan Cotton at his own discretion. All uncollateralized balances from last year's loans may be collateralized with this year's cotton at 9c.

Fewer Bales Needed
The 1932 Seed Loan Cotton already placed with the Cooperatives on which the price has not been fixed, will automatically be brought up to the 9c level, which is 2c per pound more than the present market. It will therefore take fewer bales from Seed Loan Borrowers to collateralize their loans and permit them to release the balance of their crop to apply on other indebtedness and local purchases of needed merchandise and equipment. All business, including farming will benefit by the tremendous sum of money being placed into the channels of trade in local markets.

Cooperative Facilities Available
In the Lubbock delivery district of 42 counties, there will be many thousands of bales of Seed Loan Cotton. With the facilities and services of 17 branch offices where Federal licensed classifiers are employed by the Texas Cotton Cooperative Association, farmers of this section will have the full and complete services of the Association which will enable them to comply with the requirement that all Seed Loan Cotton must be classed by Federal licensed classifiers. This service is free to those who ship their cotton through the Association, otherwise 20c per bale is charged for certification. All cotton handled by the Association is not only classed by the branch office manager but is rechecked by a representative of the U. S. Department of Agriculture, thus assuring the farmer that he is getting the exact and true value of his cotton.

This additional successful achievement of the Cooperatives in securing such a general and beneficial ruling from the Department of Agriculture, emphasizes again the results made possible through farmer organized effort.

"GHOST HOUSE" COMING

A late mystery play produced by famous Kansas City company will be given in Lamesa just preceding Halloween. More than a dozen local men and women will take leading parts, supported by a men's chorus and a group of dancing girls. Watch for the dates.

A committee composed of Messrs. A. G. Barnard, Wright Boyd, Truman Campbell, and G. A. Thomas will assist the direction in producing the play.

Mrs. Jack Phinizy, president of the Womens Study Club, says this will be one of the best plays given in Lamesa in some time.

Miss Helen Norman is attending the Dallas Fair this week.

DAWSON COUNTY TO HAVE A FAIR NEXT YEAR

Dawson county will have a fair next year. At a meeting of the Executive Committee of the Dawson County Fair association at which J. M. Peterson, Alva Debnam, Owen C. Taylor, Philip Yonge and Wm. A. Wilson were present Saturday the 8th it was voted to begin plans now to hold a fair next year. However it was thought best by this committee to hold the live stock exhibition in the spring and the agricultural exhibition in the fall. In the spring just before the Plainview dairy show it is being planned to hold the dairy, hog and poultry show. In the fall just before the Lubbock fair it is being planned to hold the county agricultural fair.

Already prizes are being had for next year's expositions. The First National Bank has offered five dollars in Gold for the best individual exhibit next fall. Other cash and merchandise prizes are expected.

The committee in checking up found that the association was able to pay all its bills and leave no accounts hanging over. It also expressed its delight at the spirit of farmers and exhibitors in showing their stuff this year for ribbons as the association was unable to give money prizes.

ABSENTEE VOTING TO START OCTOBER 19

With the general election less than a month away, the Dawson county's ballots for this November 8 election will be ready in the next week or so, according to County Clerk S. M. Mitchell.

The county clerk received shortly after 1 p. m. Saturday a telegram from Jane Y. McCallum, Secretary of State, certifying Mrs. Miriam A. Ferguson as the Governor in the General election. All other names of candidates already had been certified.

Absentee voting will begin October 19 and continue through November 4. These absentee voters have been instructed to send their poll tax receipts, their home address as well as mail address, and 20 cents postage with applications for ballots.

The law provides that the general election in each county shall be conducted under the supervision of a committee consisting of the sheriff, county judge and county clerk.

Ballots will have eight columns and will be about 20 inches wide and 30 inches deep. Nominees will be listed under the following parties: Democratic, Republican, Socialist, Communist, Jacksonian, Liberty and Independent. The eighth column will be blank.

CECIL WESTERMAN BUYS DRUG STORE IN BIG SPRING

Cecil Westerman has this week purchased the Fox Drug Store in Big Spring, and he and Mrs. Westerman and children moved to that place last Tuesday to make their home.

Mr. Westerman has for several years been manager of the Clark-McDonald Drug Company here.

Earl Whately will work for Mr. Westerman in his Big Spring store.

POLO GAME TO BE PLAYED HERE SUNDAY

There is to be a Polo Game here Sunday on the local field between the "White" team of Lamesa and the Barron team.

The game is scheduled at 3:00 o'clock, there will be no admission charge.

This is expected to be a good game and it is hoped there will be a large crowd out.

LOCAL GIRLS IN GAR WRECK SUNDAY

Misses Faye Jack, Virginia Driver, Edith Hall, Edna Shaekelford and R. F. Sprayberry received painful cuts and bruises Sunday afternoon, when their car overturned on the O'Donnell highway.

The parties were returning from a visit in O'Donnell when their car hit a sand bank in the road, turning it over two or three times. They were brought to Lamesa for medical treatment. None were seriously hurt.

Mrs. J. W. Barrington was on the sick list for a few days this week.

Mrs. M. C. Kidd of the McCarty community is again at home after a minor operation in a local hospital.

NOVEMBER 7TH. WILL BE FIRST MONDAY

First Monday comes on November the 7th and already plans are being made to make it BIGGER AND BETTER. Last First Monday large crowds came to Lamesa and they got what they came for—lots of fun, and bargains galore. The terrapin races were attended by the largest crowds that have yet seen these contests here. Also unique boxing matches attracted hundreds of men and women who love this sport. Prizes were given to the winners in all these events.

Next First Monday we are expecting to see in Lamesa all sorts of horse swapping and trading of all kinds. Last First Monday hundreds of horses and mules were on the vacant lots and we are told many of them sold and were traded. Next first Monday the country will have a little money to turn loose for trading and horse swapping. So, stockmen bring on your horses and mules—DO NOT OVERLOOK THIS BET.

IN NEXT WEEK'S PAPER WE WILL ANNOUNCE SOME CONTESTS WE EXPECT TO HAVE NEXT TRADES DAY—NOVEMBER 7TH. WATCH FOR THE ANNOUNCEMENT AND THEN BEGIN TO PREPARE TO COMMENCE GET READY TO COME WITH ALL THE FOLKS— BESIDES PRIZES FOR WINNERS OF THESE CONTESTS MERCHANTS OF LAMESA WILL OFFER SPECIAL BARGAINS OF THIS DAY—COME AND TAKE ADVANTAGE OF THEM.

F. T. McCOLLUM SPEAKS TO LUNCHEON CLUB

In the weekly Luncheon club Tuesday this week, some twenty business men met for a lively and good program arranged by W. K. Crawley and Jesse Carroll. Mr. Crawley made a good and timely toastmaster. Mrs. Matt A. McCall furnished the piano music and Owen C. Taylor led the gang in lively musical airs such as Howdy Do, The Old Gray Mare and other familiar tunes.

F. T. McCollum talked to the Club about the present High school Ball club and the support it would like to have of the towns folk. He stated that he was expecting a good and winning club this season and hoped the business men would back the club by lending their presence at the games during the season. He announced that his club would meet Odessa here Friday at 3:30 and he expected a hard tussle if the local club won. The club pledged the coaches and the team its support. Rev. H. B. Cooper, pastor of the Church of Christ gave an interesting address his subject being "Our Mistakes." He pointed out that we all make mistakes but few of us are ready and willing to admit that we do and that we take advantage of the fact that we do make mistakes to correct them and thereby profit from them. His address was most thoughtfully given and well received as is always his talks before this club.

The committee, as named by Mr. Reed, president, for the program next Tuesday is Arthur Hull and Dyrrel Kirk.

SECOND STRING DEFEATS SEAGRAVES 74 TO 4

The Tornadoes' second string defeated Seagraves in a one-sided encounter last Thursday, by a score of 74-0 at Seagraves. This is Seagraves first year to boast a football team and their inexperience probably accounts for the score. The average weight of the Tornadoes was a little more than that of Seagraves. "It was not a football game," a player said. "It was a truck meet." The second team's ambition now is to beat the first team.

Tornadoes Clash With Odessa Friday

The Tornadoes will meet their first class B competition of the year Friday on the local field when they play Odessa in the first game of the conference for this district. The exact quality of Odessa's team is not known but in the past they have always had a good team. The games with Big Spring and Hobbs do not affect the Tornadoes standing in this conference, so the local team will cease class A competition for the time and fight for district honors.

Josephine McClain returned to her home in Muncie after an illness of several weeks in a local hospital.

Dyer Boosts Federal Bldg.

At the time word came to Lamesa citizens that this city's place in the five year building program had been speeded up and was next in line for a Federal Building J. C. Ward, Post Office Inspector, was in Lamesa making his usual inspection of the local Post Office.

Upon reading the announcement which was telegraphed by the Honorable Marvin Jones to a number of Citizens here, Mr. Ward asked Mr. Dyer the local Post Master "How it was that Lamesa rated such recognition as this?" Mr. Dyer told him the answer to that question was the people of Lamesa. Quoting Mr. Dyer: "We have a live, wide awake people and when they go after a thing they usually get it or know the reason why." Of course the history of this Federal building project dates back to the fall of 1926 when it was agitated here, but Mr. Dyer states that two years ago Lamesa was definitely placed in the five year building program. "Of course" states Mr. Dyer we are getting our building somewhat ahead of even some of our larger cities but that is because our citizens have made our government officials feel that our need is as imperative as the needs of these larger places."

H. J. HAHN, U. S. EMPLOYMENT SERVICE, IN W. C. C. OFFICE

Mr. H. J. Hahn, special agent for the U. S. Employment Service, is located in Lamesa with the local chamber of commerce, and will serve the Lamesa territory, Gaines, Terry, Martin, and Lynn counties, with labor needs for cotton picking and feed harvesting. Lamesa being strategically located at the foot of the South Plains on federal highway No. 385, and state highway No. 9, it is practical, so the Department believes to serve these counties from this point. Farmers in this area may receive help by making direct application to Mr. Hahn through the Lamesa chamber of commerce.

LIONS CLUB HAS RECORD ATTENDANCE WEDNESDAY

Attendance at the Lions Club was a record breaker Wednesday noon at the Westland hotel when some twenty five business men joined hands in fellowship. Lion Sherman Hill had the program and introduced Dr. Harrington and Guy Travis as trick workers and these men performed several slight of hand stunts to the entertainment of all present. Sterling Evans of the Extension Service of A. and M. College was present and addressed the club pointing out the special advantages of having a county and home agents during times like these. He stated that his service was hoped to be returned to this county at an early date. The honorable Jim Lowry of Honey Grove one of Texas outstanding News Paper men was also present and kept the club in an uproar of laughter in an humorous address. The flow of Jim's language was indeed easy and rung true in his ever pleasing style. The club enjoyed his speech and his presence.

Swanson Hurt was initiated as a new member of the club and the ceremony was given by Lion Wallace.

Lion Wallace will have charge of the program next Wednesday when the District Governor will be present. Every lion is urged to be present to hear the district governor who is a speaker of note.

GET STAMPS TO ADVERTISE WEST TEXAS AT C. C. OFFICE

At the local Chamber of Commerce there are a few beautiful sticker stamp books containing 150 stamps each that this organization is giving to those interested as long as they last to place on letters going out of the state. These stamps are colored depicting the various industries and agricultural interests of West Texas and will advertise this section of Texas wherever letters bearing them go. Call at the Chamber of Commerce in the City Hall and ask for a book of these stamps if you want to help advertise West Texas and Dawson county. There is no charge for these stamps. All you have to do is call and get them and agree to use as directed.

MANY OUT OF TOWN SINGERS EXPECTED

The Semi-Annual Singing convention will meet at Klondike next Saturday evening and on Sunday, October 15 and 16.

We are looking forward to a great Sunday as we are promised the help of some of the best singers in West Texas. The ones who have accepted our invitation are the Huff Sisters of Lovington, New Mexico, The Hamlin quartet, representing the Stamp-Baxter Music Company, M. Shaw of Abilene; and Carl Young, noted singer of Big Spring. Many others are expected.

One of the most encouraging things that has happened toward making a convention that it, O'Donnell has recently organized and are going good. Their leader, Mr. Mansell, will also be with us.

Singers of Lamesa met last Sunday and organized a class, and will attend with their delegates. Mr. Bill White was elected president of this group.

The county hasn't words to express their thanks to Bill White and the other eight gins of Lamesa for their support in contributing 100 song books to be used in our conventions.

One other thing that will help so much in our convention is that Patricia has just closed a singing school taught by W. W. Woods, and W. W. Beeman of Klondike has been training a bunch for 6 months for the convention.

The county has bought one hundred each of the Stamps and Hartford song books, congratulations to all who are helping.

W. W. Woods, informs us that he will be present Sunday, representing the Hartford Music company. He is doing lots toward promoting the singing interest of Dawson county.

G. C. Clift, president.

DIRECTORS OF C. OF C. HOLD MEETING WED. MORNING

The Directors of the Lamesa Chamber of Commerce met in regular monthly session Wednesday morning this week at the Westland Hotel with J. Bryant, presiding; Dr. R. F. Nix, S. A. Hollingsworth, W. B. Collins, J. R. Lowrie, F. T. McCollum, C. Baldwin, Owen C. Taylor, J. R. Flanniken, Louis B. Reed, Carl Rountree, J. E. Haynes, and Wm. A. Wilson, present. Reports of committees were heard including: Merchants, C. Baldwin, chairman, who reported that the various groups of business men were meeting for a better understanding of each other and for better plans of merchandising. Civic, J. R. Lowrie reported a much sanitary work was being done in the city at this time and his plans for further beautifying the City park next year. J. R. Flanniken reported work done of the highway number nine north of Lamesa as satisfactory. Carl Rountree also reported for the right of way committee that satisfactory progress was being made on this project and as soon as a good majority of this right of way was secured work would start on securing right of way South of Lamesa on this highway. This department further reported that it was represented through the South Plains Freight Rate Association Wednesday and Thursday of this week at Dallas in the interest of lower freight rates of cotton and the gins and cotton compress of this city and county as well as the producer of cotton in this section. Owen C. Taylor reported the work that had been done on holding a fair this fall. He stated that in spite of rains it was believed the fair successful and the association was able to pay all its bills thereby leaving no deficits to hang over. The body voted Mr. Taylor a vote of thanks for his faithful efforts in relation to putting over the fair this fall. It was thought wise to announce now that Dawson county would have a fair next year.

CLUB BOYS OF LYNN CO. WANT WELL BRED PIGS

The local Chamber of Commerce has an inquiry concerning supply of well bred pigs for club boys in Lynn County. The organization is trying to locate a supply of these good strain pigs by this week end. If farmers have well bred pigs for sale they will so advertise the local Chamber of Commerce at once.

COUNTY SCHOOLS CLOSE FOR COTTON HARVESTING

MISS NELL GOODLOE IS HOSTESS TO ACE HIGH CLUB

Members and guests of the Ace High Bridge Club were delightfully entertained on Monday evening, with Miss Nell Goodloe as hostess at her home. At the conclusion of the games Miss Asalie Key held high score receiving two linen handkerchiefs as awards.

Delicious tuna fish salad, crackers, olives, cake and coffee were served at refreshment time to the following, Misses Myrtis Wright, Betty Travis, Mary Roach, Maurine Morgan, Thelma Guerrant, Marie McDonald, Asa-

lie Key, Audrey Faye Bailey, Bernice Ragan, Mrs. T. F. Vaughn and the hostess.

HONEST CROOKS

A man was sitting beside the bed of his business partner, who was dying. Said the latter:

"I've got a confession to make. Ten years ago I robbed the firm of \$50,000—I sold the blue prints of your invention to the rival firm—I stole the letters that were used against you in your divorce case." "Don't worry!" said his partner. "Don't worry—I poisoned you!"

OH, YEAH!

"Gentlemen prefer blonds," remarked the masher insinuatingly as he sidled up to the Titian-haired beauty. She gave him a cold stare. "Blondes prefer gentlemen," she replied, she moved away haughtily.

Mr. and Mrs. L. F. Kennedy spent the week end visiting their daughter, Mrs. Amental Payne, in Levelland.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

Lesson for October 16

THE HOME AND THE COMING GENERATION

Genesis 18:17-19; Deuteronomy 8:4-9; I Samuel 1:24-28; Mark 10:13-16; II Timothy 1:5, 6.

GOLDEN TEXT—Train up a child in the way he should go; and when he is old, he will not depart from it. Proverbs 22:6.

PRIMARY TOPIC—Timothy's Home. **JUNIOR TOPIC**—Honoring God in Our Homes.

INTERMEDIATE AND SENIOR TOPIC—Helping to Make Our Homes Better.

YOUNG PEOPLE AND ADULT TOPIC—Home Ideals for Today and Tomorrow.

I. The Home Which is to Be (Gen. 18:17-19).
The particular home in mind here is Abraham's. He was not only to become the head of a home, in the ordinary sense, but also the head of a nation through which particular blessings should come to the whole world.

1. Abraham to be the head of the home (v.18). The husband is the head according to divine arrangement. How blessed it is when the lawful head of the home recognizes his responsibility, and in the fear of God seeks to discharge it.

2. Abraham's responsibility for instruction of his family (v. 19). God was about to destroy Sodom. The interests of humanity were at stake in the judgment upon this wicked city. It was God's purpose that Abraham should teach his descendants as to God's purpose through them. It is a father's solemn responsibility to teach his children the purpose and ways of God so that they may in turn take their place and become a blessing to the world.

II. God's Word, the Foundation of the Home (Deut. 6:4-9).
The home has a vital teaching function. The child develops slowly. It remains in the home for a long time, to give an opportunity to be taught the things of God. To teach God's Word to the children is a solemn obligation imposed upon parents.

1. The central truth to be taught (vv. 4, 5).
a. The unity of God (v. 4). This fundamental truth should be lodged in the mind of the child in its tender years.

b. Man's supreme obligation to God (v. 5). It is to love God supremely—heart, soul, and mind.

2. How the truth of God is to be kept alive (vv. 6-9).

a. It is to be diligently taught to the children (v. 7). This is a responsibility that dare not be delegated even to the Sunday school and church.

b. It should be talked of to the children everywhere and under all circumstances (v. 7). Impressions will thus be made upon the mind which cannot be effaced.

c. It is to be bound upon the hands and placed as frontlets between the eyes (v. 8).

d. It is to be written upon the posts of the house (v. 9).

III. Children Should Be Dedicated to the Lord (I Sam. 1:24-28).

The union of man and woman in holy marriage is for the propagation of the race. Parents have a solemn responsibility and should esteem it a great privilege to give their children to the Lord. The example of Hannah in giving Samuel to the Lord should encourage all parents to follow her example. According to her vow, she took Samuel to the sanctuary and gave him over to the priest, to assist in the ministry in the Lord's house.

IV. Jesus' Attitude Toward Children (Mark 10:13-16).

1. Mothers desired that Jesus might touch their children (v. 13). Doubtless they had witnessed the healing power of His touch and coveted it for their children. All Christian parents want their children to come into contact with Jesus Christ.

2. The disciples' rebuke (v. 15). Thinking the children were too insignificant to engage Jesus' attention, they rebuked the mothers for bringing them to him.

3. Jesus' reply (v. 14). He declared that of such is the kingdom. Therefore, the children have a right in the presence of the King.

4. Jesus blessed the little children (v. 16). He took them up in his arms and blessed them. Christianity is peculiarly favorable to children.

V. The Godly Home (II Tim. 1:5, 6). Timothy's wise and faithful mother and grandmother carefully nurtured him in God's Word. He knew the Scriptures from childhood through their training. His faith came to him not through laws of heredity but through the careful teaching of God's Word. The factors involved were godly ancestors, a Christian home, and diligent study of the Scriptures.

WORDS OF WISDOM

Love never covets.
Self-conceit is always a hard master.
Pride is always hard on a man's clothes.
Many a man behaves himself because he has to.
Continue to wink at a sin and you will fail to see it.

CIVIL SERVICE EXAMINATIONS ANNOUNCED

SCOUTS OF TROOP 22 HOLD MEETING

The regular meeting of Troop 22 opened at seven thirty, Friday evening, October 7, with twenty-two scouts and five visitors present. Mr. J. D. Dyer was in charge because Mr. Spikes was out of town. After assembly, the scouts sang several songs.

The Beaver Patrol then gave the following program: A story by Edwin McClain, a play entitled "For My Honor," by boys of the Beaver Patrol, a peanut relay, a dialogue by Dwight Morris and Edwin McClain, and blind folded boxing. After Taps were blown by Herman Heffernan, the boys played several games of blackman, and then they were dismissed. This week-end Earl Jacobs and Victor Crawley were admitted to the troop.

Russell Mitchell of Levelland attended the funeral of his grandfather here Saturday.

Mr. and Mrs. Gilbert Watson of Lomax spent the week end here visiting relatives and friends.

Mr. and Mrs. Brodie Cain are visiting this week in Dallas and Denton.

Gordon Treadway of Tech visited home folks and friends here the past week end.

Sam Schmeerman and family attended the Jewish religious holiday in Lubbock Sunday and Monday.

All American Life Insurance Company

An Old Line Legal Reserve Company

Amarillo, Texas

Even a small Life Insurance Policy kept in force may be the sole means to security and peace in your old age. A small amount saved each year may not mean much to you now, but look around you,—ask some man 65 years of age what he would do about life insurance if he could call back the years.

Life Insurance creates an estate now. It pays whether you live or die. The years have proven it the safest investment devised by man. Look up an All American Agent and let him show you how to make the future of your family and your old age secure.

FORD LEADES IN SALES

Since June, when volume deliveries of the new Ford V-8 cars began, Ford has led all competitors by a wide margin in sales of passenger cars, commercial vehicles and trucks, according to official figures reported today by W. P. Averitt, of Lamesa Motor Co., local Ford dealers.

Ford took the lead in national motor car sales in June, increased his lead in July, as production of the new Fords mounted, and maintained the lead throughout August, according to reports for that month already received from 34 states, Mr. Averitt declared. In addition to this the latest sales in the largest cities during the reports also reveal that Ford led in sales in the largest cities during the first 10 days of September.

In June, the first month when volume deliveries of the new Ford cars were available, Ford's share of total passenger car sales in the United States reached 35.9 per cent, as compared with 24.9 per cent for its nearest competitor. Ford commercial cars were 50.5 per cent of all such vehicles sold, as compared with 37.6 per cent for its nearest competitor, while Ford trucks represented 35.7 per cent of all truck sales, as compared with 27.6 per cent for the nearest competitor.

Ford sales in July, as revealed by official registrations mounted over June figures and Ford's share of the business was increased. Ford passenger car sales reached 38.4 per cent of the total business as compared with 24.2 for its nearest competitor. Ford commercial cars were 54.4 per cent of all cars sold, giving Ford a greater percentage of the total business than all other manufacturers combined. The Ford share of national truck sales was 34.4 per cent as compared with 27.1 per cent for its nearest competitor.

The reporting of registrations in August in the various states is not complete, but on the basis of reports thus far received from 34 states, Ford sales again led the field.

Since volume deliveries of the new Fords began in June, Ford has accounted for 40.8 per cent of all new passenger car sales in Texas as compared with 38.4 per cent for its nearest competitor, Mr. Averitt added. Ford sold 5,158 of the total of 12,642 cars of all makes sold in the state in June, July and August.

BOWLING ALLEY FOR LAMESA

Q. W. Stark of Anson is now a resident of Lamesa and has opened a bowling alley in one of the Adams buildings north of the First National bank. Lovers of this clean sport will be glad to learn of the coming of this new business to Lamesa. Usually, when we think of a bowling alley we think of them being located in the larger cities, but Mr. Stark states that he believes Lamesa and the Lamesa Trade territory is large enough to support this fine sport and that he is looking forward fitting himself and his business into the community life of Lamesa and Dawson county. Mr. Stark states this game will be conducted on the cleanest basis and he invites the women and children of the community to visit his place of business any time. Well, we do not know much about bowling alleys but if it is all it looks we bet there is plenty of exercise to it. We welcome you Mr. Stark to our town and hope you have success in your business and like here.

CITATION BY PUBLICATION

THE STATE OF TEXAS, To the Sheriff or any Constable of Dawson County—Greeting:

You are hereby commanded to summon E. W. Hooker by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 106th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 106th Judicial District, to appear at the next regular term of the District Court of Dawson County, to be held at the Court House thereof in Lamesa, Texas, on the 2nd Monday in November A. D. 1932 the same being the 14th day of November A. D. 1932, then and there to answer a petition filed in said Court on the 13th day of October A. D. 1932 in a suit, numbered on the docket of said Court as No. 1719, wherein Marguerette Moffett Hooker is Plaintiff and E. W. Hooker is Defendant, and said petition alleging that plaintiff has resided in Dawson County for more than six months and in the State of Texas for more than one year prior to filing said petition; that they are man and wife and now separated; that residence of defendant is unknown to plaintiff; that defendant often cursed, abused and struck plaintiff; that upon one occasion he beat her; that such cruel and inhuman treatment renders their further living together as husband and wife wholly insupportable; that there are no children as a result of said marriage and she requests her maiden name be restored to her and no property rights to be settled. Plaintiff prays for a divorce; restoration of her maiden name; and for general relief.

Herein Fail Not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under my hand and the Seal of said Court, at office in Lamesa, Texas, this 13th day of October, A. D. 1932.

F. A. Bostick, Clerk District Court, Dawson County.

DAWSON TAX VALUATION RECEIVES DRASTIC CUT

Dawson county property valuations have taken a cut of slightly more than one and one-half million dollars this year, according to figures received this week from the office of Will Norris, tax assessor.

Valuation last year was \$6,666,000 as compared with the revised valuation of \$5,161,000 for 1932. The rolls have been turned over to Miss Willie Belle Cleveland, tax collector, and she is this week issuing an urgent plea to property owners to pay taxes immediately.

Due to the delay in getting the state and county rate, this work has been completed somewhat later than usual, Miss Cleveland said Wednesday, but there will be no further delay.

Announcement of the cut in property valuations is, for the most part, being greeted with much relief by citizens of the county, meaning, as it does, a saving of approximately 25 per cent on taxes.

DOCTORS OF LAMESA ENTERTAIN MEDICAL SOCIETY

profitable crops for farmers in our immediate territory and in the north part of Dawson county, with much larger acreage this year than last.

Yield was better this year, and prices were also considerably higher, ranging from \$40 to \$60 per ton. Though many farmers planted from ten to twenty acres, the chief growers this year were W. H. Truett with 90 acres, C. A. Miller, M. W. Stokes, C. B. Burdine, Hamp Thompson, George McCorkle, and Claude Tomlinson, with acreages varying from 40 to 50 each.

The crop was somewhat later this year than last, but has been a money crop for several farmers just at the time they needed it most. The greater part of it has been sold and shipped to other points, though our broom factory has used quite a bit.

W. O. W. MEMORIAL HOSPITAL SERVES LUNCHEON WITH PRODUCTS RAISED ON ITS OWN TEXAS FARM

Judge E. D. Henry Complimented by President Fraser for Fine Work.

The nationally known Woodmen of the World Memorial Hospital at San Antonio has one of the finest farms in the state and is doing much to bring about a greater interest in farming and dairying, according to President W. A. Fraser.

Judge E. D. Henry, prominent San Antonio citizen, is agricultural director of the hospital farm. Judge Henry is also a member of the agricultural committee of the Chamber of Commerce.

Each month the agricultural committee discusses some phase of farming, and recently dairying was stressed. Those interested in dairying in Southwest Texas were invited to a meeting and luncheon at the W. O. W. Hospital. They visited the hospital and farm and the new, beautiful William Alexander Fraser chapel and bird sanctuary.

The luncheon consisted of stewed and fried rabbit, roast beef, tomatoes, potatoes, sweet peppers, beans, cottage cheese, bread, ice cream and milk, all products from the farm.

In a letter to Judge Henry, President Fraser complimented him highly and called attention to the fact that Woodmen of the World Life Insurance Association was pleased to demonstrate to the dairy interest of Texas what it is

Judge E. D. Henry

doing to promote its industry. He also paid tribute to the fine work of Dr. J. F. Koerth, medical director of the hospital, for the splendid results achieved in the treatment of tubercular patients.

Woodmen of the World has a fine record throughout the country. In its statement of June 1, 1932, it declares its assets to be \$107,516,196.65, an increase of more than five million dollars over the previous year. Woodmen of the World wrote more than \$41,000,000 insurance in 1931 and paid benefits during that year of more than \$10,000,000.

SNAKES AND SNAKE MEDICINE

Rattlesnakes, if you believe the city clerk of Fresno, California, are grateful reptiles, says a newspaper item received by Ernest Cunningham from his brother, Bob, who resides in Los Angeles.

With only a faint grin, Foster substantiated his claim by the following: He and a friend went fishing. They ran out of bait. Searching for grasshoppers, they found a rattlesnake with a partly swallowed frog in his mouth.

Quickly they jammed a forked stick over his head, extracted the frog to use as bait, and then, not wishing to rob the poor snake of a small drink of "snake bite remedy" down its throat.

They returned to the river and sat quietly.

"Then," said Foster, "I felt a gentle tapping on my leg. I looked down. It was the rattlesnake."

"And he had another frog in his mouth."—Exchange.

LYNN COUNTY LEADS IN CROP LOANS

Lynn county farmers were the heaviest borrowers, in this section, from the federal crop production loan service. Three hundred and forty of them secured \$41,979.76 in loans, according to figures coming to this office. Dawson county was second.

281 farmers borrowing \$40,254.

Texas as a whole borrowed \$3,221,620.86 for 34,677 persons in approximately 240 counties. Bowie county was the heaviest borrower in the state.

Bolling our state statistics down, 2,603 borrowers borrowed one-third of a million dollars.

KANSAS HAS SEEN TWO CLOSER RACES THAN PRESENT ONE

The closeness of the contest between Mrs. Miriam A. Ferguson and Vernon Ross S. Sterling for the Democratic gubernatorial nomination this year is not without historical precedent.

In 1861 Frank R. Lubbock and ward Clark, both of whom had served as Lieutenant Governor and were as Governor for a few months under Sam Houston, elected in 1859, had been deposed, contended for the governorship. Lubbock received 21,444 votes and Clark 21,730.

By the narrow margin of 120 votes, Lubbock became Governor. This is the narrowest race for Governor in the records of Texas.

The second closest gubernatorial contest came in 1869, only eight years later. It was during the reconstruction days that followed the Civil War. The two candidates then were Edmond J. Davis and Andrew J. Hamilton.

The Democratic party in that year was defunct. Davis was the old and unscrupulous leader of the "Radical Republicans" and Hamilton was "the able, eloquent and patriotic champion of the Conservatives."

Texas was under the dictatorship of a military satrap, General Joseph Reynolds, who ruled it with an iron hand. The legal machinery was the hands of the Davis faction, the armed soldiers overruling the laws. All election returns were made to General Reynolds.

According to the announcement made by him, Davis received 39,901 votes and Hamilton 39,092. Davis was declared elected by 809 votes. In 1875 a committee, during the convention that framed our present constitution, reported that the returns of this election had been removed from the State when General Reynolds left.

What Has LIGHT To Do With Beauty?

Good light is absolutely essential to beauty. Reading, working or even resting in poor light tires the eyes, brings on physical fatigue and ruins natural beauty completely. No amount of beauty treatment can offset entirely the effect of the wan and worn look that comes from living in an atmosphere of improper lighting. Check your lighting fixtures and portable lamps today—you may need several globes right now. Remember—buy in cartons of six and save money.

D. 1932, the same being the fourteenth (14th) day of November, A. D. 1932, then and there to answer a petition filed in said Court on the 14th day of September, A. D. 1932 in a suit numbered on the docket of said court as number 1715, wherein Dathna Johnson is plaintiff and Johnnie W. Johnson is defendant, and said petition alleging that the plaintiff has been a bona fide inhabitant of the State of Texas for over one year and has resided in said Dawson County for over six months next preceding the filing of said cause; that the residence and whereabouts of the defendant is unknown; that the plaintiff and defendant were lawfully married on the Second day of April, A. D. 1927, and after said time lived and cohabited together as husband and wife until the Tenth day of February, A. D. 1932, since which time they have not lived nor cohabited together as husband and wife; that during said time, plaintiff treated defendant with kindness and forbearance but that, notwithstanding such kind and considerate treatment on the part of the plaintiff toward this defendant, at about one year after their marriage the defendant began a course of cruel and ill-treatment toward this plaintiff; that he was guilty of excesses, cruel treatment and outrages toward this plaintiff of such a nature as to render their living together wholly insupportable; that the defendant cursed and many times struck plaintiff with his fist; that he drank intoxicating liquors to excess, making him cross and irritable toward this plaintiff until she finally left him and refused to live with him any more; that plaintiff's maiden name Dathna Griffin should be restored to her in this action; that plaintiff prays the defendant be cited to appear and answer this petition; that on a final hearing she have judgment of divorce; that her maiden name of Dathna Griffin be restored to her and for general relief, etc.

HEREIN FAIL NOT and have before said Court at its aforesaid next regular term this writ with your return thereon showing how you have executed the same.

Given under my hand and seal of said Court at office in Lamesa, Texas, this 10th day of October, A. D. 1932.

J. G. L. MITCHELL
CLAIMED BY DEATH

The death of Jesse Green Lee Mitchell, father of S. M. Mitchell and Mrs. W. L. Marr, brought sorrow to a host of friends throughout this country. He passed away at the home of Mrs. Marr, at a few minutes before 12 o'clock Friday night, October 7th, following a lingering illness and old age. Rev. J. B. Baker officiated at the funeral which was held at the Marr home on Saturday afternoon, and interment was in the Lamesa Cemetery.

Mr. Mitchell was born in Polk county Missouri, July 7, 1841. He lacked only twenty-five minutes being ninety one years and three months old at the time of his death.

He was married to Miss Mary Ann Gordon on January 2, 1868, and at the time of her death on January 21, 1926, they had been married fifty-two years and twenty days. To this union were born thirteen children of whom eleven passed away when small. Two children remain, Mr. Mitchell and Mrs. Marr, both of Lamesa.

Mr. and Mrs. Mitchell came to Texas in 1907.

He was always a great student of the Bible and began preaching at the early age of twelve years. He acted as Chaplain in the Confederate Army during the Civil War.

He was admitted on trial to the South West Missouri Conference in the year of 1875, ordained Deacon in 1872 and Elder in 1879. He gave twenty years of active service in which he organized many churches on the frontiers of South West Missouri. Because of ill health he took the Superannuate relation but never gave up God's work, having preached in every community in Dawson county, holding many revival meetings.

He was always cheerful and in his last moments you could see the glow of God's love in his face. This reminds us of the Scripture "The Angel of the Lord encampeth around about them that fear Him and delivereth them." He could scarcely talk one minute without part of it being on the Bible and church work.

This article was taken from the sermon preached by Rev. Baker.

A box supper is being planned for Plainview some time soon.

Little Mary had just been to a military funeral and she was all excited. In telling her grandmother about it she said: "And Granny, the man wasn't dead so the men all took another shot at him."

COTTON WILL BE TAKEN ON LOANS FOR COLLATERAL

Washington, Oct. 5.—The Agriculture Department announced Wednesday it had "agreed to liberalize the terms of crop production loans" in the cotton States by a plan involving acceptance of cotton as collateral on the basis of 9c per pound.

The following statement was issued by Henry S. Clarke, director of the 1932 production loan office.

"At the request of a large number of Senators and Congressmen, co-operatives associations and individuals in the cotton growing States, the Secretary of Agriculture has agreed to liberalize the terms of the crop production loans in these States (cotton growing) cotton farmer.

For the relief of the depressed plan will ease the burden of repayment of such loans and should result in improving the cotton market.

Cotton as Collateral
"Cotton will be accepted as collateral for crop production loans of 1932 and unpaid balances on loans made prior to 1932 on the basis of 9c per pound middling 7-8 inch.

"Borrowers who wish to take advantage of the collateral plan, will be required to deliver their cotton to the Cotton-Co-operative Association or to Federal bonded warehouses."

"When delivered to the Federal bonded warehouse the department requires that the cotton be insured and that the warehouse receipts be delivered to field agents of the secretary of the regional crop loan collection office. The receipts must be 'on sufficient cotton to collateralize the loan at the price above mentioned (9c) rather than on the quantity required at current market prices.'"

In certain areas the department will allow 9 1-2c per pound on middling 7-8 inch cotton. These areas were not described Wednesday.

Mr. Clarke continued: "Differences will be prepared to provide or staple longer than 7-8 inch and grades better than middling and likewise discount for short staple and lower grades. All cotton deposited as collateral

must be graded by Federal licensed classifiers.

"All cotton so collateralized must be accompanied by an agreement signed by the borrower whereby he reserves the right to sell such cotton at any time prior to March 1, 1932, and authorizes the secretary to sell same in his discretion at any time subsequent to that date.

"When the cotton is sold, the borrowers will be credited with the sale proceeds. If sufficient to pay the full amount of the loan, the balance will remain as an obligation of the borrower; more than sufficient to pay the loan and interest, the balance will be refunded to the borrower."

SIMPLICITY FOR SMARTNESS IN SCHOOL CLOTHES

Denton, Texas.—The smartest note in dress for your daughter in school is simplicity, according to Sarah Lee, instructor in home economics at Texas College for Women (CIA). She offers this statement as a solution to the proverbial disagreement of mothers and daughters on the subject of daughter's clothes.

"Simple sports clothes are the ideal toward which to plan," Miss Lee continues. These may be of any suitable material depending on the cost and the season. Skirts and blouses or light wool sweaters are excellent especially in our Texas winters, for as you know several light garments are both warmer and cooler than a few heavy ones.

"Dresses of this type have the further advantage of being loose and comfortable so that the body may grow and develop as it should. Then, too, they may simplify the shoe problem for obviously one doesn't wear shoes with high spiked heels with the sport clothes, nor does one wear heavy make-up."

In discussing the problems of cosmetics for young girls, Miss Lee advises milk soap and warm water, a good lotion to protect face and hands, and preparations in stick form, faintly pink in color, that are excellent for dry and chapped lips.

"Your child's health and happiness are your first care," Miss Lee says in final admonition. "Be sure that her clothes are not destroyed either. Know her friends. You may have to change some of your ideas. Simplicity may be very smart or very dowdy. Rest assured if it is dowdy, your daughter will know it."

"Last, be sure of your own taste. You are helping to form your daughter's taste in dress, to mold her happiness in the wisdom of dress."

THE TORNADO WEEKLY

By Guinn Tipton

Basketball Begins
Contenders for places on Lamesa's Tornado Basketball team began practice last week under the direction of coach Lester Gregg. Manager J. E. Earnest said that about fifteen men were reporting for practice each day but that eliminations would take place soon. The high school has exceptionally good material for basketball players this year, so we will probably hear from them at a later date.

Seniors Provide Stunts
The Senior class kept their bargain and entertained the classes with a program, the result of their losing a ticket selling contest. Compliments were heard on the Senior program from other students. Several forms of entertainments were given including a play "Lochinvar," and Dr. Cuttaway's operation, a special success. There was a good number present at the entertainment, which lasted for about an hour.

Sophomores Present Program
The Sophomores presented the weekly program Thursday morning at assembly period. The program included some fine singing by some Sophomore girls. Vanabel Clark entertained with a humorous reading. A riot of play concluded the program. The Freshmen will be on the stage next week to try to give a better program than the Sophs.

Miss Louise Clayton of Dimming New Mexico, spent the week end here visiting Mr. and Mrs. Author Clayton at their ranch.

Mr. and Mrs. C. Baldwin and Mrs. Ollie Smith left Monday morning for Dallas where they will buy more fall merchandise for the Baldwin store.

Mr. and Mrs. Raymond Hatch and son spent Sunday in Tahoka visiting Mrs. Hatch's parents, Mr. and Mrs. D. B. English.

Mrs. Dewey Davis and Miss Bernice Doss of Seminole, were Lamesa shoppers Saturday.

Mr. and Mrs. J. B. Bolin of Sulphur Springs, arrived in Lamesa Saturday to make their home. Mr. Bolin will be principal of the Hancock school this coming term and Mrs. Bolin will teach in the grades.

Miss Olive Meadors spent the week end in Dickens visiting relatives.

TORNADOES DEFEAT OILERS

By Guinn Tipton

The Lamesa Golden Tornadoes piled up a splendid victory against Hobbs class A aggregation on the local gridiron, Friday afternoon. Although the Oilers were on an average heavier than our team, the Tornadoes forced them into the defensive and came through with four touchdowns. Three touchdowns were made the first half and one the last half. Lamesa covered a punt by Hobbs, knocked over their goal line by Conklin. McKinnon made a touchdown and Gable made the third. McKinnon ran thirty yards for the last touchdown. Lamesa's starting line up was the same as last week. Hobbs started the following men: Watson and Emery, Ends: Morrison and Rankin, Tackles: Ruckman and Arentz, guards; Henman, center; Gotcher, quarterback; Cottle and Burleson, halves; and Garner fullback.

Play By Play
Lamesa kicked to Hobbs 30 yard line and the ball was returned five yards. Garner made two yards and punted ten with no return. McKinnon incompleated a pass and made seven yards through center. Gable made three yards. Cox punted out of bounds on Hobbs's thirty yard line. Gotcher incompleated a pass. Garner hit the line for eight yards gain. He punted thirty yards with seven yards return. Wilkes and McKinnon made fifteen yards. Cox punted forty yards with eight return. Garner made nine yards in two downs. Garner punted five yards. McKinnon carried the ball over the goal line for the first touchdown. Garner punted but the ball was knocked over Hobbs's goal line and was covered by Lamesa making the score 12-0.

Second Quarter
Lamesa's kick was left on Hobbs's forty five yard line. After an incompleated pass Hobbs punted to the thirty yard line. Gable made fourteen and Cox five yards. After nine yards gain by Smith and Cox in two downs Cox punted to Hobbs's fifteen yard line. Hobbs drove through center for seven yards in two downs, and failed at punting. Wilkes and McKinnon failed to gain. Cox made a first down. Gable and Wilkes each gained two yards. Two more attempts with small gains and the ball changed hands. Garner's punt was knocked down and covered by Hobbs on their ne yard line. Garner punted twenty yards. Three downs by Lamesa left the ball on Hobbs's ten yard line. Cox and Gable placed the ball on the one yard line and Gable carried it over for a third touchdown.

First Half
Hobbs kicked to Lamesa's ten yard

line. The ball was returned by Cox to the thirty eight yard line. McKinnon made three yards for each of two downs, and Gable made two. Cox punted thirty yards with no return. Garner punted to the twenty yard line. McKinnon made ten yards and Wilkes five. Lamesa was penalized fifteen yards. Cox's punt was downed on Hobbs's forty yard line. Garner made a first down. Gotcher incompleated a pass. Burleson punted five yards. McKinnon and Wilkes pushed forward fifteen yards. Cox punted thirty yards out of bounds. Burleson punted twelve yards. McKinnon made nineteen yards around left end, and incompleated a pass. Cox made fourteen yards around right end. McKinnon incompleated a pass Cox punted out f bounds n Hobbs's two yard line. Garner made six yards through center. Burleson punted twenty five yards. McKinnon passed to Harrell who fumbled the ball, Hobbs recovering it. Burleson passed and the ball was caught by Gable and returned for eleven yards. Cox made eight yards around right end. McKinnon escaped and ran thirty yards for a fourth touchdown.

Lamesa's kick of thirty yards was returned eight. Gotcher made seven yards through center. Garner made sixteen yards, and passed for two yards loss. Burleson punted twelve yards. McKinnon passed. The ball was caught and returned two yards by Hobbs. Burleson completed a pass gaining eighteen yards. Burleson's next pass was intercepted by Cox. McKinnon passed to Cox for twenty two yards gain. Smith fumbled a pass but recovered the ball and gained seven yards. McKinnon ran out of bounds for eight yards gain. Smith passed to McKinnon who ran twenty five yards and out of bounds. Smith's next pass was intercepted by Hobbs and returned five yards. Burleson punted thirty yards and out of bounds. The Tornadoes substituted some of their second team men. Cox punted forty two yards with five return. Garner incompleated a pass and then completed one for five yards gain. In the last play of the game, Burleson's punt was covered on Hobbs's eleven yard line.
