Justice Of Peace Henderson Resigns

Leonard Henderson, Justice of the Peace for Precinct #1 who won the Democratic primary election for another term in the office, Tuesday morning submitted his resignation to the county commissioner's court, effective June 1.

Henderson, in a telephone interview, stated that he was going to be 73 years old soon, and although in good helath, was looking forward to leisure and fishing.

He did not explain his sudden change of mind, since in the past primary election he was challenged by M. O. (Odie) Wise, who polled 270 votes to Henderson's 344.

Commissioners accepted his resignation but were in a quandry as to how to legally handle the situation. Presiding officer, County Judge Bill Carter, contacted county Democratic chairman Tom Rees, who is also an attorney, and according to Rees, the proper course is to have a nominee appointed for the position on the general election ballot in November.

County Democratic Chairman Tom Rees said that the JP Precinct 1 committee made up of Precinct 1 chairman G. D. Foster and Precinct 5 chairman Truman Bodine, will meet to decide whose name will be placed on the general election ballot as Democratic nominee for JP of Precinct 1.

The time that Foster and Bodine are to meet will be decided by the county Democratic Executive Committee which includes Rees, Foster, Bodine, County Democratic Permanent Secretary Mac McKinnon; Precinct 2 chairman Gwan Strange, Precinct 3 chairman Wright Hock, Precinct 4 chairman Ray Preston and Precinct 7 chairman Eddie Gregory.

The date set by the county committee for the precinct committee will be publicized so that anyone who wants to put their name up for consideration for nomination may do so.

Foster and Bodine are expected to meet before June 1, which is the date Henderson's resignation becomes effective.

Commissioners decided to postpone making an appointment to Henderson's unexpired term which would be from June 1 through Dec. 31.

Commissioners are expected to appoint the committee's nominee to fill out the unexpired term.

The appointee would remain in office until Jan. 1 even though someone else wins the office in general election balloting, said Carter. He said that he had telephoned Tom Tomb in the state judicial office and Tomb had explained the term of an appointee.

The person winning the November election would take over the office after Jan. 1. The person appointed by the commissioners could also run for the office.

Driver's Checklist

Driver's Ed. Notes

By Ken Burnam

A program of driver's education is offered by the Colorado Independent School District to students in the high school. The purpose of the course is to teach safety information and driving techniques.

Funds for the program are provided by the State and local CISD system, and by the student.

The student enrolls in a minimum of 32 hours of classroom work. After passing the State written driver's examination, the student can drive a car provided that there is a one year licensed operator over eighteen in the car.

The student begins his driving portion of the class after he has completed the 32 hours of classroom work. The students will drive for six hours and observe driving techniques for six hours, all under the direction of a certified instructor.

If the students have reached their sixteenth birthday, passed the required written examination, and driven the required amount of hours, they can take the State driving test.

The classroom work includes topics on sign identification, automobile parts identificaition, defensive driving techniques, buying, selling and insuring automobiles.

Four classes of Drivers Ed. were taught this year, qualifying approximately 110 students for the driving part of the program.

These students can be seen driving throughout the city after school and during the summer. So when you spot the car, with the sign on the back, give it a little extra courtesy, as it may have your kid in it.

City Council Says

Speed Limits Need More Enforcement

Colorado City's city council Monday night in a marathon session discussed a long list of subjects among which were the need for better law enforcement of traffic laws in the city and better enforcement of the city's dog ordinance.

The council also met in special session at 5 p.m. Wednesday to talk about a federal highway aid program to work on city streets; to formulate a budget for planned use of federal revenue sharing monies and for further discussion of bids for sewer pipe.

The council opened bids for 5,000 feet of 6-inch sewer pipe to be used for the new high school but the bid was not let as the council wanted to consult an engineer on what type of pipe should be used. Bids were submitted by Tammen Plumbing & Heating of Colorado City, Rohan of Waco and Fitting Supply Co. Fitting Supply Co. had the apparent low bid provided the pipe they bid met specifications.

The council also accepted a bid of $10,975 from Pak-Mor of San Antonio for a 14 cubic yard trash truck with a two cubic-foot hopper. The truck is to be used in the business district and will replace a 9 cubic yard truck.

Also bidding on the trash truck was the Cleburne Division of Dempster Brothers.

The council meeting started at 7:30 p.m. Monday and lasted until 11:40 p.m. The council approved a replat of Block 15 of the J. W. Watson Addition to fit a survey and appointed R. B. Baker, Farris Lipps and Henry Bilberry to the city tax equalization board which will meet the first Tuesday in July.

City Manager J. A. Sadler Jr., reported that the water line to the new high school construction site has been completed and that two traffic lights for the intersection of 12th and Hickory have been ordered. He also told the council that five .22-caliber bullets were found in the control box of the light at the intersection.

Approval of the revenue sharing budget was delayed because the council told Sadler to come up with a plan to work on city streets with the federal money as soon as possible.

Sadler outlined plans for spending the federal money within the next year. The plans included buying a road grader, cleaning the city's water tower, working on city streets as well as paving a street to Ruddick Park and working on Ruddick Park, adding playground equipment and better facilities at the Park's campground. Some $5,000 was also set aside to recodify city ordinances and codes. It is not known how much it will cost to recodify the ordinances.

Representatives of the city's tax attorneys in Austin spoke to the council and told of plans to file suit by June 15 on those owing deliquent taxes. Groups of property with deliquent taxes against it will be auctioned off within the next year, possibly by February or March, the attorneys said.

Council members Mrs. Marion Bassham and Larry Hamner suggested that something needs to be done about slowing down drivers in the area of Ruddick Park and on several city streets. The council seemed to be in aggrement that better enforcement of speed limits is needed.

Hamner said he has also received numerous complaints about the city's dog ordinance, and that the ordinance should be enforced to the letter or repealed.

The council told Sadler to direct the city's dog warden, Mrs. Lindy Fuller, to arrange her working hours so that she can be on duty when people are tur-

Baseball News

By Joe Pharris

The Dodgers, coached by James Shoemaker and Bill Carter, were the league winners last season going thru the entire year without a single loss. In only one week this year the Dodgers now stand 1 and 1. This I believe will be a year whereas most of the teams will be evenly matched.

The Dodgers are led this season by two twelve year olds: Jimmy Shoemaker their catcher and Gene Carter the pitcher. This is probably one of the better batteries in the league. Both boys are very apt offensively and defensively. Other strong players for the Dodgers are Steve Norris, Mark Carter and Scott Cawthron. These boys being older will have to balance the youth of the team. Others on the team are Tony Clifton, Frank Norris, Brit Chaney, Freddie Espinoza, Lynn Bradbury, Donald Ridge, Jon Horton and John Maddox. The Dodgers are not a team to be taken lightly. They have a very strong one two pitching combination in the two Carter brothers. A very strong catcher in Shoemaker and some able help from the heavy bat of Steve Norris. Watch out for the Dodgers.

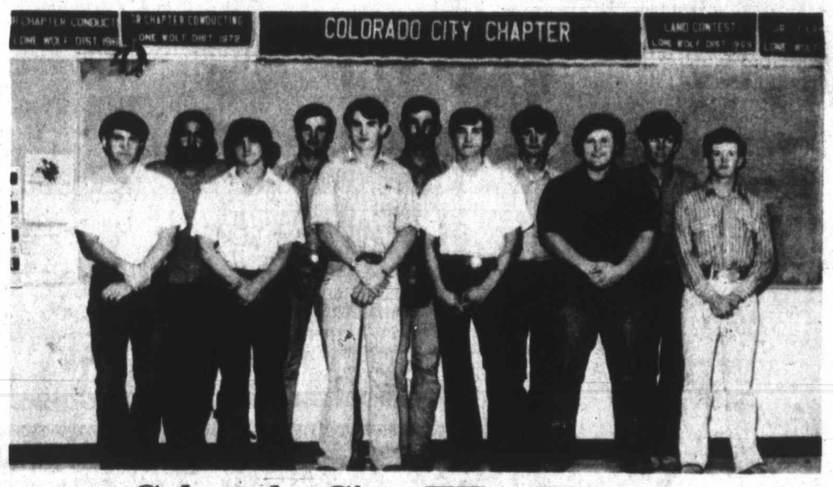

In the previous week's action the Yankees handed the Rangers their first defeat by a score of 16 to 6. This makes the Yankees the only undefeated team in the league after one week's action. Scoring two runs for the Yankees and playing shortstop and pitcher was Jerry Jackson. The remaining pitching chores were handled by Ken Baker and Chuck Claxton.

The Rangers were assisted by Steve Moore who scored twice and handled some of the pitching chores for his team. Also seeing action on the mound was Mitch Williams a very able left handed 10 year old.

The Giants handed the Dodgers their first loss by a score of 12 to 10. The Giants jumped into an early 10 to 2 lead; the Dodgers kept battling back but fell short. Crossing the plate four times for the Dodgers was Steve Norris. The Giants were lead by Todd Neff, Joe Stinson and Russell Noel.

In the second game on Thursday night the Tigers defeated the Indians by a close margin of 17 to 14. This was the first win of the young season for the

Baling Wire Unavailable

Mitchell County farmers and ranchers, along with others in the state and country, cannot beg, borrow or even steal baling wire.

Many farmers and ranchers are in the same plight as A. K. McCarley, who has 40 hungry cows, a patch of uncut alfalfa and no way to get the alfalfa harvested and baled to feed the hungry cows.

Not only is the wire non-existent, but twine is also scarce or unavailable.

Some balers can be converted to use either wire or twine but most of the newer models use wire only.

The hemp twine comes from South America, Africa or Mexico and some small amounts are still being imported, although distribution to the areas needing the twine is a problem. Newer types of plastic twine were being manufactured before the oil shortage but production stopped during the shortage because of priorities on other petroleum products.

R. J. Hoback, owner of Colorado Feed and Seed, said that his last supply of wire came from Japan to California and he obtained it through a Dallas supplier. None can be found anywhere now, according to Hoback.

Last June, wire sold at $12.90 a hundred-weight roll. By the end of July, the cost for the same roll was $40. Now, none can be had at any price.

Don Stewart, executive director of the Agriculture Stabilization Conservation Service, said that his office has been sending in reports each month to state offices, that no wire can be found.

The ASCS cannot do anything about the situation except report on supplies that are running low. Reports have been sent to the USDA in Washington on the wire shortage.

Eddie Braswell, district director of ASCS, reports no wire available in these counties: Mitchell, Coke, Sterling, Runnels, Nolan, Fisher, Stonewall, Kent and Scurry.

According to Hoback, the list could be extended to cover all Texas counties and most of the Southwest.

Stewart pointed out that a bad situation will become even worse a little later on when producers get ready to bale forage sorghums.

"No" Say Stockholders

Colorado Country Club stockholders voted down a proposal for building a new club house during a special called meeting Tuesday night, voting 51 no and 36 yes.

After a presentation by B. D. Click representative David Allen of plans for a $90,960 turnkey job and another proposal by Lanny Wadleigh of Wadleigh Construction of Snyder for an $80,565 job, club president George Powell called for a vote on the proposition and it was defeated.

Plans for the building were drawn up free of charge by B. D. Click of Abilene with the stipulation that if another bid other than theirs was accepted, the club would buy the plans, but since no building will be constructed, they are out the cost of drawing up the plans.

The building committee includes Jody Neff, chairman; B. B. Bridgford, Joe Weaver and Grady Furlow as liason to the board of directors. Bridgford presented proposals on the financial aspects of building, including figures for borrowing the money and insurance and taxes figures. The plan he proposed was a 15 year $90,000 note which he said would increase dues paid by club members by $10 to $12 per month.

Following the vote on the building program, club members were presented a recommendation by the By-Laws Committee chairman Tom Rees, advising that three types of membership provided by the club be changed to make membership costs and voting priviledges uniform, to comply with corporate laws governing the club.

The club began in 1928 as a profit-sharing corporation with an issuance of 110 shares of stock. Since that time, provision has been made to accept associate members and until the January annual meeting of stockholders, associate members did not have voting privileges. Now, according to information presented by Rees, laws require that all memberships be of the same type. The committee, consisting of Rees, Danny Barber and Bridgford, recommendation was that all memberships be of the original type, increasing the initiation fee for associate members to the level paid by share-holding members. Powell called a vote on the issue and the recommendation was defeated by a vote of 39 no and 31 yes.

Sports Supper Successful

Colorado High School's All-Sports gathering, including a covered dish supper and recognition of athletes, coaches and fans, was held in the cafeteria Monday evening.

Athletic director Weldon Brevard said that the crowd at the All-Sports affair has grown in number in the past years, with this year's gathering the largest in recent years.

Special recognition went to captains Arnold Parker and James Ausbie in basketball; Mitch Greenlee and Arnold Parker in track; Wanda Williams in volleyball and girls' track; Mike Kelley in golf; Joe Vincent, Chop Love and Craig Carter in tennis.

All athletes were given their letters and patches by coaches in each sport, including Lonnie Ellis and John Armitstead for basketball; Dell Riley and Lonnie Ellis in track; Carol Dakan, girls' sports; Weldon Brevard, golf and Ken Burnam, tennis.

Arnold Parker received recognition as the Outstanding Senior Athlete, based upon participation in all three sports (basketball, football and track), character and grades.

Buddy Hertenberger was presented a gift and recognized as being the season's most faithful fan.

A special gift was presented to Cheryl Sayger for being most faithful basketball fan and attending every out of town game. The gift was presented by Coach Dakan on behalf of Dean Ingram who has resigned as basketball coach.

FFA Farmers Rated Superior

Fifteen Future Farmers of America members from the Colorado City chapter of FFA, along with advisor Frank Brownfield, participated in the Area II FFA convention held in Pecos Friday and Saturday.

Gene Banks, Ricky Beights, Jim Carlock, Rodney Dockrey, Randy Erwin, Steve Hamrick, Craig Merket, Jim Bo Morgan, Kregg McKenney and Tony Rivera were among sixty-six candidates approved for the Lone Star Farmer degree from Area II. Area II includes 79 schools in an area from Haskell to El Paso.

Robert Cox, Charles Light, Kirk Morris and Larry Strain were included in the area's quota of six candidates for the American Farmer degree which is the highest degree in FFA. Final selections are made in the fall.

Larry McClure received a fifty dollar award and was selected to compete on the state level for a one thousand dollar scholarship awarded by the invester-owned electric utility companies of Texas.

Randy Erwin competed in the elections for area officers and will represent the Lone Wolf district as vice-president for next year.

Gene Banks was winner of the Lone Wolf district Star Lone Star Farmer and Scott Morris won the Star Greenhand award for the district. Both boys were runners-up in the area contest.

The Colorado City FFA chapter received a superior rating on the state level and along with Hamlin and Anson was recommended to compete on a national level.

Several members of the Colorado City FFA are now planning to attend the state FFA convention which will be held in San Antonio in July.

Troop 20 Wins Presidential Ribbon

The Lone Buffalo District of Buffalo Trail Council, B.S.A. held its Spring Camporee last weekend with 80 boys and 8 Troops participating. Troops from Snyder, Colorado City and Fluvanna competed for the Presidental Ribbon, while individual patrols competed for First, Second and Third place ribbons.

Troop 20 of Colorado City won the Presidential Ribbon with an accumulated 101 points in the competition. The Lightening Bear Patrol of Troop 20 scored 76 points and won a first place ribbon. Boys participating were: Mark Miles, Sam Stricklin, Da Wayne Iglehart, Craig Helm, Trey Smith, Mike Rogers, Tommy Romero, Kelly Dockery and Roy Miles. Fred Armijo, Scoutmaster, gave an added zest to Troop 20 with his accordion playing.

Scouting is a program offered by institutions in the Snyder, Colorado City and Fluvanna areas so that these institutions may spread their youth programs to more boys using the Scouting program. Scouting builds character, citizenship and fitness in a unique combination of interrelationships of small groups or patrols, and each individual boy, and through association with a morally and spiritually sound person, or Scoutmaster, who influences the lives of the Scouts in a productive way.

Scouting is open to boys age 11 to 18 who love out-of-doors and to be active. For more information, a boy may contact the Scout Troop in his neighborhood, his school principal, or Don Butler at 573-7173. Every boy should be in Scouting.

Piggy - Back

Dwayne Iglehart and Craig Helm raced in the Piggy-back race at the Lone Buffalo District Camporee last weekend. Iglehart and Helm are members of Troop 20 of Colorado City which won the overall Presidential Award for highest points scored at the Camporee.

Demonstration

Mark Miles, in the upper picture demonstrates how to tie a bowline at the Lone Buffalo District Camporee, B.S.A. last weekend. Miles is the Senior Patrol Leader for Troop 20 which won the Presidential Ribbon at the Camporee.

Scouts Awarded

The Lightening Bear Patrol of Troop 20 in Colorado City prepare for the Fire Building event at the Lone Buffalo District Camporee last Saturday at the Richardson Ranch east of Dunn. The Lightening Bear Patrol won First in Patrol competition, and Troop 20 won the overall Presidential Award for Troop competition. Fred Armijo is Scoutmaster and the First Methodist Church is the sponsor.

Registration Set For Summer Courses

Courses in welding, automotive mechanics, diesel mechanics and beginning typing are being planned for the first summer session at Western Texas College, Gene Robertson, dean of Occupational Education, has announced.

The welding and mechanics courses have not previously been offered for summer students, and final arrangements are pending the enrollment of a sufficient number of students. Persons interested in taking the courses are asked to contact Robertson's office as soon as possible so that arrangements may be completed.

Classes in welding will meet for five weeks from 7 a.m. to 1:20 p.m. Mechanics classes are scheduled from 8 a.m. to 1:20 p.m. for six weeks. Typing is scheduled from 9:30 a.m. to 10:50 a.m. All classes will meet Monday through Friday.

Welding courses being planned are Basic Acetylene Welding, Electric Arc Welding, Advanced Acetylene Welding, Advanced Plate Welding, Advanced Pipe Welding and Special Welding (TIG). Sam Walker will be the instructor.

Principles of Engines and Principles of Diesel Engines are to be taught in the automotive and diesel areas. Jim McDonald and Jim Clark will be the instructors. Mrs. Carol Martin will be typing instructor.

High school students may enter these courses under the early enrollment program, and will receive credit earned following graduation from high school.

Pre-enrollment for summer school will begin Monday and continue until the regular enrollment scheduled on May 29. Classes are to begin May 30.

The Reading Center at Western Texas College will offer a three-hour reading course for students in the first summer session, Gerald M. Corkran, instructor, has announced.

The course is Reading 132, and is designed to help the student improve his vocabulary, comprehension, and reading speed, Corkran said. The positive results gained from the course can give a beginning college student an academic edge at the beginning of the fall term and can also benefit students who will be getting into advanced courses which require a great amount of reading.

"Reading is a complex skill," Corkran points out, "and every student needs to become as efficient as possible in reading."

Reading is scheduled to meet at 9:30 a.m. Monday through Friday in the Reading Center. Registration for summer school will be held May 29. Persons interested in the course may contact the registrar's office or Corkran at the Reading Center in the Learning Resource Center.

Nelson Ray Barnes, son of Mr. and Mrs. B. R. Barnes of 826 E. 10th, is superintendent of Del Rio's Nuclear Systems, Inc. plant.

Barnes, a 1971 graduate of Colorado High, attended United Electronics Institute in Dallas and was previously employed by Nuclear Systems, Inc. also in Dallas.

Atheneum Club Has Meeting

Mrs. Lily Bennett hosted the Loraine Atheneum Study Club in her home on May 7.

Theme of the study was "A Better World."

Mrs. James Watkins spoke on such medical miracles as Dr. Salk's, 1955 discovery of Polio Vaccine that has proven effective in the prevention of this dreaded children's disease. Dr. Salk is still working on special research for cancer and birth defects thus contributing his entire life and efforts to making this a better world.

Mrs. Hal Bennett spoke of the many benefits the world has derived from America's Wizard of inventions, Thomas A. Edison. He was dedicated, hard working, mostly self taught, confident and not easily discouraged. These qualities helped to build our country and make it great.

Mrs. Bennett also gave interesting facts about the Smithsonial Institution, also called "The Nation's Attic." The public seldom sees the many treasures stored in this treasure house that currently shelters some 60 million items--valued at $1,000,000,000. Truly, this nation's show case is a treasure-house of our heritage.

The president, Mrs. Lily Bennett, conducted the closing business session of the year.

New officers will be installed on May 14 in the home of Mrs. B. H. Johnson. Mrs. Hal Bennett and Mrs. Jim Johnson were recognized by GFWC as "First Ladies" in this club to write a "Church history of the Loraine Baptist Church" and a book of poems, "The Art of Living," by Mrs. Johnson.

Refreshments were served to eleven members.

She was a member of the First Christian Church.

Survivors include four daughters, Marcella Fee and Mrs. Katherine McClellan, both of Colorado City, Mrs. Loyce Ewald of San Angelo and Mrs. Frances Prude of Lubbock; one sister, Mrs. Ruby Pulliam of Windom; four grandchildren, and six great-grandchildren.

Pallbearers were Harold Boney, Lloyd Richards, Farris Lipps, James Cox, O. B. Trulock, Jr. and Louis Small.

Garden Club Has Guest Speaker

Guest speaker for the May 8 meeting of the Garden Club was Mark Moseley, range conservationist trainee and wildlife management specialist.

Topic for the program was "Native Wild Plant Recognition." Mosely showed slides of wildflowers and other range plants which include undesirable plants and ones that take over the range.

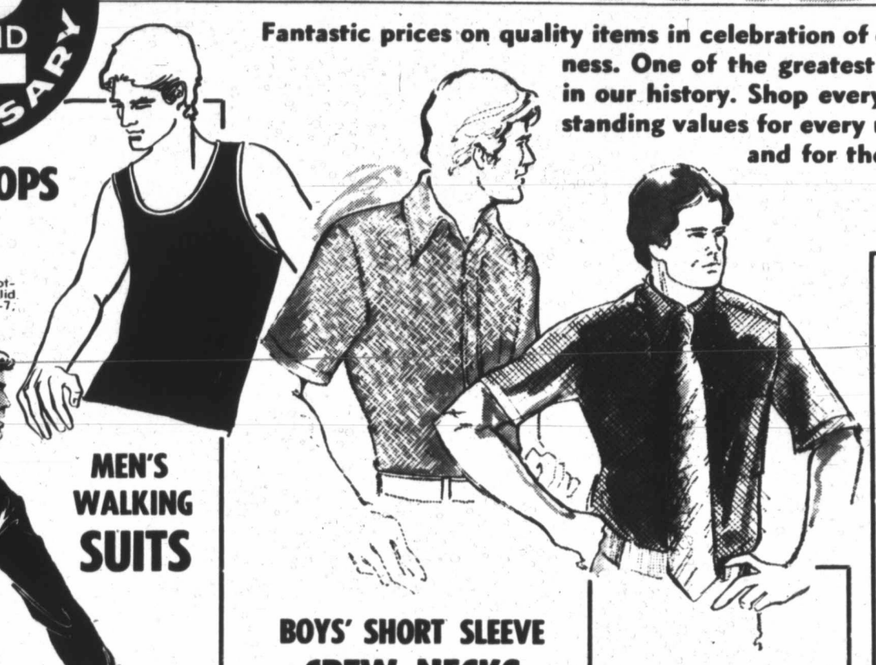

Members of the club brought in wildflowers for identification.

October 24 will be the date for the fall flower show.

Chambers To Receive Degree

Richard Chambers, son of Mr. and Mrs. Robert Chambers of 716 E. 11th, will receive a bachelor of science degree in biology Friday at the graduation ceremony of Southwestern State College in Weatherford Oklahoma.

He was a 1967 graduate of Colorado High and is enrolled in the School of Pharmacy.

His parents and grandmother plan to attend a tea for families of the graduates to be held Friday afternoon along with his wife, Linda.

Area Dioceses Meet In Abilene

Sixty persons for the San Angelo and Fort Worth Dioceses were among those in Abilene last weekend to attend the special "Short Courses in Christianity" at the Pan American Center 2525 Westview.

The courses were directed by the Rev. Herman Valladares, priest of St. Vincent Palloti Church. The lay rector of the courses was Connie Rodriguez of the St. Joseph Church in Loraine and Cruz Sanchez of the St. Joseph Church of Stanton and vice rector.

Also attending from the Mitchell County area were Mrs. Segunda Rivera and Oralia Pineda from Colorado City and Mrs. Charlie Garcia from Loraine. Others attending were from Big Spring, Snyder, Stamford, Gory, O'Brian, Brownwood, Coleman, Anson, Abilene, San Angelo and Haskell.

Several priests and lay professors helped with the lectures and more than 1,000 persons attended the closing religious and social "Fiesta" on Sunday.

This group of Claxton Lodge residents were on their way to Abilene when this picture was taken Saturday. Purpose of their trip was to see a movie and enjoy an outing. This type of outing is just one of many enjoyed by residents of the Lodge. Trips such as the one to Abilene is just one more reason that life at Claxton Lodge is so enjoyable.

CONSIDER THE SOURCE

Gas and oil are being used faster than new reserves are being discovered. Coal is plentiful but not inexhaustable. Nuclear power is not yet widely available. But whatever the source of generating fuels may be, the power will be electricity. Cost will be higher. But the member-owned Lone Wolf Electric Cooperative, first in service to rural Texans, will continue to offer electricity at its lowest possible price. It's a promise we've been keeping for more than 30 years.

VFW Auxiliary Has Meeting

At the formal meeting of the Ladies VFW Auxiliary, Don Delaney discussed a student for the Scholarship application for local students.

The committee will meet in the Delaney home at 6 p.m. Friday to discuss the winner and two alternates to be chosen for the award. Winner of the $300 scholarship will be announced at the graduation exercises. The VFW Post 9178 will donate $200 and the Ladies Auxiliary will add $100 to the scholarship fund to complete the $300 total.

A thank you letter from Mrs. Dona Reed, secretary of the Circuit Riders, was read which stated gratitude to the auxiliary for their held each month.

Plans were made to attend the District 8 Convention to be held Saturday and Sunday in Sweetwater. A grocery basket, a gift and a book of Green Stamps will be taken as this is the district fund raising project.

Members present at the meeting were Mrs. Jim Hearin, Mrs. Jessie Bunch, Mrs. M. F. Bearden, Mrs. Teresa Hill, Mrs. Chalres Clark, Mrs. Lenora Adams, Anna Clark, Mrs. Edna Simmons, Mrs. Pearl Webb, Mrs. Audrey Wilson and Mrs. Mayme Goode.

The new officers will be installed tonight at 7:30 p.m.

To be installed are Mayme Goode, president; Edna Simmons, senior vice president; Teresa Hill, junior vice president; Alene Bearden, treasurer; Lenora Adams, conductress; Pearl Webb, guard; Debbie Hearin, chaplain; Audrey Wilson, three year trustee; Dorothy Clark, two year trustee and Billie Wood as one year trustee.

Wesley Bible Class Has Regular Meeting

The Wesley Bible Class met Tuesday, at 7 p.m. in the Fellowship Hall of the First United Methodist Church for their regular supper, business and social hour.

Mrs. Dewey Davis reported having sent 43 get well cards, 11 sympathy cards, three memorials and 12 flowers.

The class then voted to send a graduation gift to Elizabeth Fleming, whom the class sponsers in the Methodist Home in Waco.

The group sang "O That Will Be Glory For Me." Mrs. Davis Edens sang a solo entitled "Others" accompanied by Mrs. Earl Brown on the piano.

Mrs. Dewey Davis presented the devotional on "Springtime." She read scriptures from The Song of Solomon.

Following the devotional Mrs. Davis Edens talked on the church project of making Chrismons.

Hostesses for the evening were Mmes. Frank Andrews, J. L. Strain, Lon Strain, Leslie Keith and Earl Brown.

Members attending were Mmes. Roy Dozier, Louise Havard, Rose Herrington, Wilford Fox, Myrtle Womack, R. P. Ware, Mildred Morgan and Tom Glover.

Also Mmes. H. L. Curlee, Dewey Davis, E. M. Fisher and Wilma Reynolds. Guests were Rev. and Mrs. Davis Edens, Miss Grace White and Mrs. Charles Godwin.

COLORADO Jr Hi CHATTER

Each year CJH 8th graders take a trip to high school. The long trip will start this Monday and end Friday with registration for next year. Eighth graders are being shown around by distinguished people at High School. Beginning on Monday Section A will make the trip.

This is being done so the students will know some of the classrooms and will know where to find them next fall. Still, year after year, students keep getting lost. Also, unless I miss my guess, we will have some students lost all over the place as usual. "So kids, when you go over take a real good look at the place and memorize those rooms." Yep, we'll be the laughing stock of the school, but that's all right!

Now back to the subject about going to High School. The 8th graders will be missing first period on the day which their turns comes. So that's all about Junior High, next time you here from us, we'll be in High School.

* * *

Last week's student profile was Stephen Kimmel. Did you guess him? By the way the high school coach whos lap he sat on is none other than Athletic Director, Mike Farda.

* * *

Last Friday morning at 6 o'clock the National Junior Honor Society left on their annual trip. This year the destination was Fort Worth. On arrival, we visited the Botanical Gardens. After this we went to Jetton's Cafeteria for lunch. After lunch we visited the Planetarium, Amon Carter Museum, and the Museum of Science and History.

Our last stop was at the zoo. Here, we not only enjoyed seeing all the animals, but also had wild fun on all the rides.

We arrived back in C-City about 10:30 that night-a tired, but happy bunch of kids.

* * *

At the first of the year Mr. Moore's speech class gave the play "Little Women." This has been the only play given as it takes time to block, memorize the parts, and get them in perfection.

However, for the last day of school, Section E will present "Tom Sawyer." On that day all classes will be held in the morning. Then, the student body will get to spend their last hour in school watching the play. This is something we are all sure to enjoy.

* * *

On May 24th, Junior High is going to have a Great Gatsby Day. This is where you dress up like the roaring 20's and 30's. On the same day we'll have a Great Gatsby hat contest where you design your own hat and enter it in a contest. At the end of the day, there will be an assembly and prizes will be given for the best dressed and best original hat.

We really hope that everyone participates.

* * *

The Newspaper staff, Bill Jordan, Kevin Geiger, Leslie Moore, Frank Sanchez, Beverly Fuller, Luis Rios, Dorothea Westbrook and Blake Hammonds and their sponsors Mike Hart and Ena Pattillo plus the faculty and students would like to take this opportunity to thank Mac McKinnon for printing Jr. Hi Chatter in the Colorado Record this school year. It really gave us a chance to let everyone know what was going on around Jr. High School.

Mac McKinnon, all of us at Jr. High salute you for making this column available to us every week.

Economics Offered At WTC

Introduction to Economics, a new course which has not previously been offered by Western Texas College, is among the business courses being planned for the first summer session at the college.

Other business courses to be offered are Office Accounting (Business 235), Accounting 213 (Principals of Accounting) and Business 232 (Business Law).

Introduction to Economics is required for many elementary education majors, Bill Halbert, assistant professor of Business Administration at WTC, said, and it emphasizes the practical approach to economics.

Office Accounting is designed for students enrolled in various Mid-Management and secretarial programs or for persons setting up and keeping books in a sole proprietorship business. Principals of Accounting covers payroll systems, merchandise inventory, receivable and payables, etc., and is required for WTC business administration majors planning to transfer to four-year colleges.

Business Law is also required for business administration majors. Both Business Law and Economics may be taken on a "commuter" basis, which enables the students to do much of their study on an individualized plan.

Pictured are top row left to right Edna Galvan, Lea Ann Bolin, Tanna Oliver, outstanding model for the year, Theresa Smith and Susan Mahon. Bottom row left to right are Isabella Davila, Sharon Scarber and Diane Garcia.

PTA Officers

Looking over the past year's records of the Hutchinson-Wallace Parent-Teacher Association are the out going officers. Standing from left to right are Mrs. Brenda Tarter, secretary; Mrs. Nell Claxton, treasurer; and Mrs. Georgie Griffith, vice president. Seated from left to right are Mrs. Jean Hicklin, president and Mrs. Joyce Fortenberry, second vice president.

Last Meeting For PTA Is Held

During their last meeting for the 1973-74 school year last Tuesday night, the Hutchinson-Wallace Parent-Teacher Association displayed the new lounge for the Hutchinson clinic and a new tape recorder for Wallace students.

Mrs. Georgie Griffith, vice president, presented C. C. Burt, Wallace principal, with another tape recorder to be used by Mrs. Sparks Title I Reading Program.

The program consists of different learning aids such as listening to taped library books while following along in the book or recording their own stories and listening to them for evaluation. Several students can study different things at the same time in the same room by use of ear phones.

The club is now in the process of buying a "Pacer" for Hutchinson School.

The special spring program was presented by Bob Newman's fifth grade band and Mrs. Betty Tomb's fourth grade choir.

Band selections were Royal March, Cascadia Waltz, Big Yellow Bus, Skaters Waltz and Fidgets. Choir selection were Psalms 100, My Lord What a Morning, Happiness, Old Texas and Sing.

Smiths Attend Meeting

Eldon and Addie Smith of Colorado City recently attended a rally for Airstream members in the Big Country area, held in Snyder's Towle Park.

Thirty-five trailers of the WBCCI Caravan were at the rally. Some of the events were a homemade ice cream and cake supper, barbeque, 42 and dominoes, group singing and entertainment provided by a country and western band. Sides of an Alaskan trip were also shown.

Sunday's activities began with a big breakfast of homemade coffee cakes, breads and rolls. Church services were held after breakfast, then the group began to break up, said Mrs. Smith.

An 82 year old couple from Lubbock were the oldest Airstream members present, Mrs. Smith said.

FHA Outstanding Model Selected

The Loraine Chapter, FHA, held its annual style show and mothers tea on Tuesday night, May 7, in the High School Auditorium, to mark the end of the grooming and construction unit.

An annual event, which includes the awarding of special recognition to parents, administration or students for their year's achievements, was centered around the style show. Overall theme of the show was "Mexican Fiesta," and was narrated in verse by Nancy Smith and Edna Galvan. Strollers in typical dress and custom, dancers and guitarists marked the opening and stage setting of the show. The stage was decorated to represent the typical Mexican Plaza, with band stand and backdrop of mountains and a Cathedral.

Tanna Oliver was chosen the outstand model of the year by judges Cutis Latimer, Mrs. Linda Purdy and Mrs. Janet Moore.

Awards presented to Tom Harkey, supterintendent of school and Margaret Mahon, mother and board member, were in appreciation of aid and support given to the FHA organization during the year. Recognition and gifts were presented to Edna Galvan, outgoing president and to Nancy Smith, outgoing area officer.

Encounter growth recognized the following students in the first level: Dianna Rosas, Rachel Martinez, Cindy Galvan, Lea Ann Bowlin, Elida Deloera, Chanita Garcia, Pam Haltom, Catherine Meadows, Brenda Oliver, Victoria Pineda and Jackie Rose.

On the second level, these girls were recognized: Kim Johnson, Susan Mahon, Marla Meadows, Dianne Garcia, Rose Mary Vallejo and Susan McCollum.

Newly elected officers for 1974-75 of the FHA organization were: Dianne Garcia, president; Susan Mahon, vice president; Kim Johnson, 2nd vice president; Catherine Meadows, 3rd vice president; Diana Rosas, 4th vice president; Tommy Limones, reporter; Lea Ann Bolin, secretary; Vicki Sanford, treasurer; Elida Deloera, historian; and Susan McCollum, parliamentarian. Margaret T. Latimer, homemaking teacher is sponsor.

Beta Epsilon Has Luncheon At Villa

Beta Epsilon Chapter of Delta Kappa Gamma was host for a Founder's Day Luncheon, Saturday May 4th at the Villa Inn. Guests for the occasion were members of the Snyder Chapter of Kelta Kappa Gamma.

Theme for the day was "We're Fantastic." Carrying out this theme, the tables were decorated with dolls, and figurines dressed in vacation clothing, opened to fans, interlaced with ivy and spring flowers of orange and yellow. At the speakers' table was a bouquet of many colored spring flowers in a golden container.

Guests were welcomed by president Mrs. Dona Reed with reply given by Mrs. Dorothy Kayser, president of the Snyder chapter. Mrs. Reed also introduced guest speaker Mrs. Marie Ward of San Angelo, a former area director for the sorority.

Mrs. Ward spoke of quotes from the book "What Kind of Girl Are You?" by Lois Wyse. Her quotes were from every possible role in which a woman might find herself.

A decorative candle and holder was presented to Mrs. Ward by Mrs. Fanny Fae Feaster as a token of appreciation from the club.

The luncheon menu consisted of a fresh fruit with sour cream salad; baked ham; broccoli, rice and cheese casserole; hot rolls; orange and lime sherbet; coffee and tea.

GED Certificates Awarded Graduates

Twenty-four GED certificates were presented to graduates of Colorado City and Loraine Adult Education classes in joint end-of-school ceremonies held in Colorado High School cafeteria Tuesday night.

A large crowd was on hand to witness the presentation of certificates equivalent to a high school diploma.

David Woods, master of ceremonies; Bill Everett, director of the Adult program in Colorado City; the High School Studio Band under the direction of Kent Holder; Bob Reily, speaker--all led up to presentation of certificates by Colorado City program supervisor Barbara Gray and Ruben Parras, teacher in the program and Linda Stewart, Loraine supervisor.

Special talks entitled "Rewards of Achieving" were made to the large audience by Dee Hearn, Dianna Tammen and Abel Alvarez and Ludie Selvera read her original poem of appreciation to her teachers.

Teachers in the Colorado City program have been Woods, Parras and Doug Keese, with Thelma Lee and Ann Gregory as aides. Loraine director is Jaime Torres, with Linda Stewart as supervisor-teacher and Connie Rodriguez, aide.

A special award, presented by Barbara Gray, went to Mac McKinnon, publisher of the Colorado City Record, for his help with publicity that makes the Adult programs successful.

The Class of 1974 who earned certificates equivalent to a high school diploma are Sylvia Aguilar, Abel Alvarez, Mildred Dean, Joyce Fortenberry, Adela Franco, Laura Garcia, Gladys Geiger, Julia Mae Green, Diane Hearn, Ola Mae Johnson, Manuel Molina, all of Colorado City and Florence Ellyson of Loraine.

The list of graduates also includes Dana Lynch, Juan Molina, Ramona Molina, Carolyn Morris, Edna Rivera, Jane Selvera, Kino Selvera, Ludy Selvera, Dora Sweatt, Dianna Tammen, Jo Ann Woodard and Janie Ornelas.

Walleye Stocked

Homegrown Texas walleye were supplemented April 8 with some 13 million fry from the federal fish hatchery in Cedar Bluff, Kansas.

They were provided to the Texas Parks and Wildlife Department at no cost; all the department had to do was move them.

A total of 4 1/2 million fish went to the Lewisville, San Marcos, Medina, Dundee and Possum Kingdom Hatcheries to be reared to fingerling size and later stocked in public reservoirs.

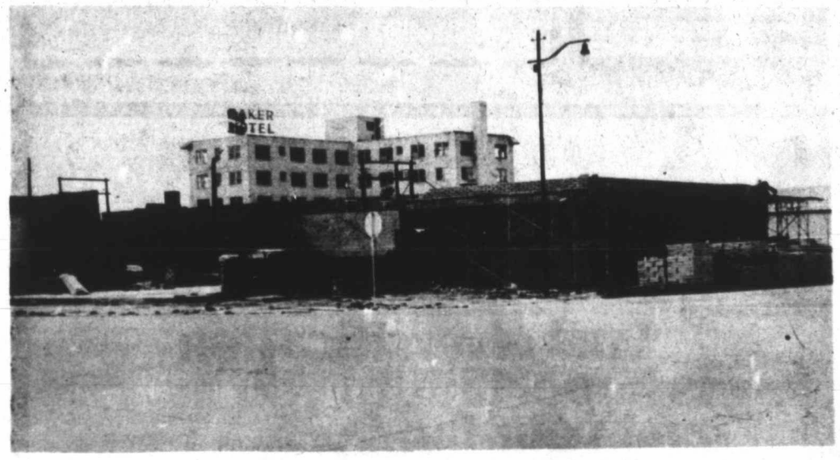

The balance of walleye were stocked directly into Lakes Palestine, Conroe and Possum Kingdom.

According to Ted Lowman, Parks and Wildlife Department hatchery supervisor, stocking fry in some lakes and fingerlings in others is a continuation of last year's eperiments to see which size is the most effective.

Lowman also pointed out that the mortality rate of fry in hatchery ponds is some 80 percent.

Twenty-two Texas lakes are slated to receive 22 million walleye fry and fingerlings in 1974.

Civic Center Construction

Construction on the city's new Civic Center at 2nd and Oak has continued quickly, with workmen putting up brick walls of mission stone at the site. B. D. Click of Abilene is in charge of the construction of the project.

Second In State Meet

Wanda Williams won a second place medal in the state track meet in Austin last Saturday with a shot put toss of 40 feet, 11 and 1/4 inches.

She also took fourth place in the discus with a 109 feet, 9 inch toss.

Wanda had to qualify in district, and regional meets in both events in order to compete at the state level. In addition to her track feats, she compiled an amazing record of awards in volleyball this season, said her coach Carol Dakan.

She is included in the line-up of the state's top volleyball players in the state All-Star game set for Brownwood, June 22. She made All-District, All-Regional and All-State teams in class AAA but the All-Star selections are made from all classes in the state, getting the state's top players for the game.

Commissioners Request Opinion

Mitchell County commissioners have requested an opinion from Attorney General John Hill on a matter concerning the pay of constables.

During the monthly meeting of commissioners Tuesday morning and afternoon, commissioners discussed the request, written by county attorney Joe Earnest. In Earnest's letter to the attorney general, he explains that the question of whether or not the commissioners have the right to cut constables' salaries has arisen as a result of action taken by the commissioners effective September 1, 1971, setting constables' salaries at $1 per month. The previous salary had been $93 per month.

Commissioners said that in order to be fair about the matter, they also set an expense and travel allowance of $119 per month for Precinct #1 and $93 per month for Precincts #2, #3 and #4 until the end of the year when terms expired.

Sam Thompson, constable for Precinct #1 at the time, who has since been re-elected to the office to serve from Jan. 1, 1973 until the term expires Dec. 31, 1976, has since contested the commissioners' action, stating that they do not have the right to cut his salary.

According to the commissioners and Judge Carter, the information supplied to them at the time indicated that they did have the right to set maximum salaries for constables.

The request for the attorney general's opinion on the matter is an outgrowth of the squabble.

In other business, the court also discussed the county bridge on Champion Creek which was demolished by a Dowell truck recently. Marcus Vest, commissioner for Precinct #1, in whose precinct the mishap occurred, reported to the court that he had arranged for Hughey Jones to remove the bridge from the creek.

Carter added that plans had been drawn up by Bill Cooper of the Texas Highway Department here, that would install four big concrete whistlers with a bridge across the top.

Vest also said that no temporary crossing would be constructed on the county road one mile east of Highway 208 as easy access could be made around the crossing by going one mile north or south and also, a temporary crosing might be dangerous, with the possibility that it could be easily washed out and an added expense.

The commissioner's meeting adjourned about 2:30 p.m., the session longer than usual because of the discussion of Justice of Peace Leonard Henderson's resignation.

Tennis Clinic June 3-8

Colorado City schools tennis coach Ken Burnam has received information about a tennis clinic to be held June 3-8 at the Figure Seven Tennis Center in Big Spring.

Cost of day-camp instruction is $65 for the six-day clinic, with Novice Kniffen, John Kniffen, Perry Coursey and Jerry Mankin as instructors.

Burnam suggested getting in touch with him, as some people are planning to attend from Colorado City and he would like to arrange for a car pool to each day's session.

Board Hires Two

Two new coach-teachers were appointed by school board members for Colorado City schools during a short business meeting Monday afternoon.

Supt. Lloyd McKee recommended the hiring of Michael Easterwood and William Lepard to the board. Easterwood's assignment is to Colorado High School as history teacher and varsity coach. Lepard is to be a P.E. teacher and coach at Colorado Junior High.

Easterwood is a graduate of San Angelo State University with a B. S. degree in history and physical education. He has four year's teaching experience, teaching at Robert Lee, Devine and for the past two years at Mexia.

Lepard earned his degree from Texas Tech University in physical education and government. He is a native of Coahoma and this is his first teaching job since graduation from college.

In other business, the board disucssed the building program, adding the cost for plastering windows of the present high school, an item which had originally been included in the building program but was deleted when construction materials increased in cost. The board approved the additional $8,100 for the window, noting that savings in heating and cooling bills would pay for the cost.

The meeting was called for 5:30 p.m. and dismissed at 6:15 so that board members could attend the All-Sports banquet.

★ Baseball News From Page 1

Tigers. McDonald and Hanks turned in good performances for the Indians. For the Tigers it was Jim Bobo, Jerry Vann, Tim Nobles and Sam Houston who handled the majority of the scoring.

In the last game of the week the Astros came back from a defeat earlier in the week and blasted the Pirates by a score of 12 to 2. That makes the Pirates the only team yet to win a game. Doing most of the scoring for the Astros were Light and Phariss. Reyna and Silva handled the pitching chores. The Pirate catcher Johnson blasted a homerun in the first inning, but it was not enough as the Astros kept them away from home plate after the first inning.

Leading the league after only one week are the Yankees, with a 2-0 record, but right on their heels are six teams: the Dodgers, Indians, Tigers, Astros, Giants and Rangers all with a 1-1 record. In the cellar at this point are the Pirates who are playing good ball, but have not as yet gotten into the win column.

In farm league action this past week the Steers wopped the Lions by a score of 24 to 11. Leading the Steers were Reed Powell, Mike Griffith, Chris Norris, Yardy and Jordy Powell. Turning in good performances for the Lions were Baura, Chaney and Arocha.

In the second game on Saturday the Colts outlasted the Mets by a score of 20 to 7. Winning pitcher for the Colts was Rees. He was aided by scores from Rivera, Nobles and Padillo.

In the last Farm League game the Blue Sox defeated the Cubs by a score of 14 to 6 behind the pitching of Jimmy Bodine.

Action during the present week:

In Monday's first game the league leading Yankees were overtaken by the Giants in a very good and very exciting game that was important to both teams. Important to the Giants because winning it would bring them into a first place tie with the same Yankees. Important to the Yankees in that they wanted to keep their short perfect record intact. The Giants and Yankees battled through seven full innings before the Yankees finally fell by a score of 8 to 7.

The second game between the Rangers and Tigers was called in the third inning because of lack of time. Little League rules say that you cannot start an inning after 9:30. Even so, the three innings were exciting as both teams exchanged the lead several times. When the game was finally called the Tigers led by a score of 22 to 12. This game will not count in the standings and must be played over from the beginning.

In Tuesday night's action the Indians out lasted the luckless Pirates by a score of 22 to 12. The Pirates have yet to win a game. The Indians have knotted up the first place division with a record thus far of 2 wins and 1 losss. Charles Jackson and Michael Johnson both were very active for the Indians in the Tuesday evening game. For the Pirates Otis Ruffin and Clay Sayger played good defensive games.

In the last game on Tuesday the Dodgers blasted the Astros by an uneven score of 14 to 3. This lifted the Dodgers also into one of the first place sections. In the game Gene Carter, Jimmy Shoemaker, Scott Cawthorn, Jim Maddox and Steve Norris were very effective with both their gloves and bats. For the loosing Astros Lee Reyna, Jerry Phariss and Mike Marcom were standouts.

After a week and a half of action first place is all knotted up with the Yankees, Dodgers, Giants and Indians all sharing first place honors with a record of 2-1. Closely behind with a 1-1 record are the Rangers, and Tigers, behind them are the Astros with a 1-2 record and in the cellar are the Pirates with a 0-3 record.

The long ball seems to be the rule rather than the exception this season as several boys have blasted homers over the fence. No one has put two over the fence yet, but I am sure it won't take them long.

Come to a ball game at Little League field and see lots of action and enjoy yourself.

Motorcycle Rodeo Winners

Eight C-City motorcyclists participated in a Motorcycle Rodeo held in Sweetwater this past weekend, some walking away with prizes and some having bike problems.

Awards went to Dobie Williams, 2nd place and Matt Sheppard, 4th place in the small bike class.

Donna Burnam won second place in the Powderpuff (Women's) class.

In the large bike class, Colyn Turner brought home a fourth place.

Others participating were Ken Sanderson, Marshall Helm, Gary Redwine and Ken Burnam.

The events in contention were barrel race, pole bending, boot scramble, balloon bust, slow race, backwards push, jumping and wheelie contests.

★ Correction

Pat Alexander, new highway patrolman here in Colorado City, is not a novice as was stated in the last issue of the Record.

He was a highway patrolman in Fairmont for about a year after graduating from the training academy and was with the department for the past three years in Ennis before transferring here.

Baptist Women Have General Meeting

Baptist Women met in General meeting at the church Monday afternoon, with Mrs. Dan Butler in charge of the program, on the theme "Church Planters in Guatemala."

Group singing and prayer opened the meeting.

Mrs. Butler gave the introduction to the program and spoke on the topic "What missionaires in Guatemala are attempting to do in general evangelism and church development there."

Mrs. Lynne Compton told about the Baptist work with the Indians and Mrs. Harvey Leach told about what approach they use in working with the people there.

Mrs. Hal Bennett told about the need there and the great need for prayer for these people.

Mrs. Edwin Hallmark read the Calendar of Prayer and led in prayer. After the program Mrs. Butler asked questions about the topic that had been discussed.

Mrs. Thomas Riden presided over the business meeting and the group voted to have as their project for May, to send G.A. girls to the Baptist camp in Stantion and to pay the expenses of the sponsors.

An announcement was made that a "House to House Evangelism" program at the First Baptist Church in Snyder would be held and urged all to attend this meeting.

Mrs. H. C. Taylor led the closing prayer.

Others present were Mmes. T. L. Holman, Dexter Taylor and H. G. Denson.

School Board Has Meeting

In the regular meeting of the Loraine School Board Monday night, resignations of two teachers were accepted, and one was hired.

Resignations were accepted from Mary Sue Neff, high school teacher, and Marilyn Young, elementary teacher. Mrs. Nancy Newton was hired as an elementary teacher.

Budget for the 1974-75 school year was discussed and a meeting was set for May 27 to discuss with the people of the community a proposed 15¢ tax increase.

The Board will meet in a special called meeting June 3 at 8 p.m. to interview applicants for a high school principal.

SEPTIC TANK - CESSPOOL CLOGGING CAN NOW BE PREVENTED!

LIVINGSTON, N. J. — An amazing bacterial discovery that prevents clogging of septic tanks and cesspools with but a single, safe and easy-to-use yearly treatment, has been developed by the FX-Lab Co., Livingston, N. J.

Sluggish systems and drainfields can also be restored to normal by fast acting bacterial cultures.

They are also recommended as a "starter" to seed newly cleaned out or newly installed septic tanks and cesspools.

These proven FX bacterial organisms, known as FX-4 for septic tanks, FX-7 for cesspools, and FX-11 for sluggish septic tanks and cesspools are available locally.

Available also, is a free booklet "The Story of Willie Bacteria, or How To Take Care of Your Septic Tank or Cesspool" from:

Fuel diversification is important to you and your family.

But what is it?

Fuel diversification is the key to our being able to supply the electricity you'll need in the years ahead.

It means using several kinds of fuel to generate electricity. Making the best use out of the fuels available to us. And reducing our dependence on fuels in short supply.

At Texas Electric, natural gas is our major fuel, with oil used on a standby basis. We foresaw shortages of these fuels and several years ago developed long-range plans to diversify to lignite coal and nuclear fuels.

We now have one lignite plant in operation and two others under construction. A nuclear-fueled plant is planned for operation by 1980.

One advantage of using lignite and nuclear fuels is that neither is being used extensively for any purpose other than the generation of electricity. A disadvantage is that it costs considerably more to build plants that use these fuels than gas-fired plants.

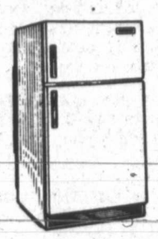

Even though it will cost more to provide electricity in the future, the cost will be less with lignite and nuclear fuels than with the alternatives available to us.

We're continuing the orderly development of our power system so that you'll continue having the electricity you need.

Card Of Thanks

Thanks to the many friends, who over the years and during her last illness, have shown love and concern for our mother. We wish to say thank you and God bless you.

The family of Mrs. Olive Pearl Price

Card of Thanks

It's hard to find words to express my deep appreciation for the many, many friends who called and sent cards during my recent stay in the hospital. It is a very touching experience to find out how many friends I have. I am very grateful to everyone for everything done for me and my family and I especially appreciate the prayers for me during surgery and recovery. May God bless each and every one of you for your help and concern.

Doyle and Frances Kiker

Card Of Thanks

We sincerely thank Dr. Terry, the nurses, and all of our friends, for every effort, prayers, visits and cards during Roys illness.

Mr. and Mrs. Roy Little.

Card Of Thanks

Our thanks to each one of the many friends whose loving expressions of sympathy helped so much during our recent sorrow. We are especially grateful.

TRTA Has Regular Meeting At Villa

The last official meeting of the Mitchell County Retired Teachers Association for the 1973-74 year was held Thursday in the Villa Inn Restaurant.

During regular business, Edith Wilkerson was elected to fill the slot of first vice president since Mrs. Swan Cramer became president due to the death of T. D. Wiman. Mrs. Juanita Coker was appointed to serve as chairman of the informative and protective committee.

Members were urged by the president to write to their State Senator and Representative urging them to vote for the bills pertaining to teacher retirement.

A letter from the state office was read which stated that the TRTA, TSTA and Teacher Retirement approved the retirement proposal calling for a 15% raise in teacher pay to those that retired prior to 1969 and a 10% raise for those retiring between 1969 and 1971 also a $5.00 raise for the auxiliary members.

Present at the meeting were: Flossie Sweat, Jewell Tiller, Mable Givens, Della Fox, Margaret Bullock, Orlean Cook, Clydine Stickney, Clorine Wiman and Flo McShan. Also attending were Swan Cramer, Jewell Richter, Juanita Coker, Edith Wilkerson, Esta Coffee, Cora Johnson, Dona Reed and Fern Coon, a visitor who became a new member.
