

County Democratic Convention To Be Held Here May 5th

The County Democratic Convention will be held May 5, in the district court room of Dawson County, Texas, at 8:30 p. m. for the purpose of electing delegates to the State Convention. Each precinct in the county is being organized with an active executive committee. The precinct committees will personally canvass the Democrats in their respective precincts and set their pledges to participate in the convention which is being held for May 2. Texas is recognized as the Nation's Banner Democratic state and it is the special responsibility of Texas Democrats to see that this enviable record is maintained, if not surpassed, this year. It is of first importance, therefore, that the most active and efficient organization possible be set up in every county in the congressional district.

In order that the prime purpose of the convention be served most efficiently, it is suggested and urged that all controversial questions be eliminated from deliberations of the precinct and to assist as far as Texas is concerned in bringing about re-nomination and election of our great president, Franklin Roosevelt, and our own vice president, John Garner. All Texas Democrats unquestionably are of one heart and mind respecting this objective. All Democrats who subscribe to this program are urged to participate in the precinct conventions and as loyal supporters of the administration, it is their duty to do so.

Auto Accident Near Lamesa Claims Two Lives

Mrs. Jewell Roller, 28, was instantly killed, and C. Lynn, 32, was fatally injured and died enroute to a Lamesa hospital, when their automobile overturned about 10 miles south of Lamesa on the Big Spring highway. The accident occurred about 8:30 o'clock Sunday night when a tire blew out and caused the car to get out of control.

The couple lived in Big Spring and enroute home from Amarillo when the accident occurred.

Semi-Annual Singing Convention To Meet Here April 18 and 19

We have been asked to announce that the Dawson County Semi-Annual Singing Convention will meet in Lamesa on Saturday night and Sunday, April 18 and 19. The meeting to be held at the Missionary Baptist Church. It was formerly announced that the meeting would be held at Hancock. All people interested are asked to keep in mind this change of meeting place. Each singing class is urged to have representatives present for the Saturday night meeting, at which time the next meeting place will be selected. Invitations have been mailed to several out of the county noted singers and it is hoped that a large crowd from Dawson and surrounding counties will be present.

Luncheon Club Hears Country Club Plans

The Luncheon Club featured the Country Club at the regular luncheon Tuesday. Carl Rountree was program chairman and brought Bob and Richard Crawley, who entertained the club with some very delightful musical numbers.

Kathleen Webb gave a very enjoyable humorous reading.

Louis B. Reed was the principal speaker on the program and spoke about the recently organized Lamesa Country Club. Mr. Reed stated that organization of the club had been completed and the site had been selected. The site will be two miles south of Lamesa on Highway No. 9. Mr. Reed said the club was not organized for the enjoyment of the adults only, but that the membership was anxious the club provide facilities for the recreation and enjoyment of the children. The full membership of the club has already been obtained.

Cubs To Attend Egg Hunt At Lubbock

Lamesa's Cub Pack No. 17 of the Boy Scouts of America plan to attend the big Cub Easter Egg Hunt at Lubbock next Sunday. Numerous prizes will be awarded at the hunt, including a fee of \$4.00 for a Cub summer camp to the boy finding the most eggs. For full information in regard to the time of leaving, transportation, etc., all Cubs and their parents are requested to be present at the Pack meeting at the Legion Hall at 5:30 p. m. on Thursday evening of this week. Note that the time is changed from the regular meeting on Fridays to Thursday, because of the number of Cubs and the Cubmaster will be in Abilene with the band Friday. All Cubs are requested to have their uniforms spick and span for wearing to the Easter hunt.

Lion's Club Has Good Attendance

The Lion's Club met in regular session Wednesday noon of this week. Dr. Harrington was in charge of the entertainment and a very good program was rendered. It consisted of two vocal solos by Mrs. N. H. Price, and a vocal solo by Miss Margaret Ruth Burleson. Louis B. Reed made an interesting talk on the Country Club organization. Rev. Pierce who is holding a meeting here this week at the Methodist church, spoke after which Rev. Gulan made a brief talk. Thirty-one were present at the meeting.

"Where Texans Are Texans"

The Dawson County Courier

VOL. 6 LAMESA, DAWSON COUNTY, TEXAS, THURSDAY, APRIL 9, 1936 NO. 12

Sale of Seals For Crippled Children Fund Begun Here

The annual sale of Crippled Children Seals for the Texas Society for Crippled Children, is being sponsored in Lamesa and Dawson County by the Lamesa Lions club, the Lamesa public schools and Miss Bulsterbaum of the county superintendent's office. This society has cared for 800 children since September 1935, seven of which have been from Dawson county. There are 20,000 crippled children in Texas who need the care of the society. Normal increase in Texas is now 100 a month. The money raised on these seals goes only into this crippled children's work. Last year the Texas Society spent \$13,222 for hospitalization of children and \$1852 for the purchase of braces and mechanical appliances.

This work is carried on through the Division of Vocational Rehabilitation in the State Department of Education under the direction of State Supt. L. A. Woods. The Division of Vocational Rehabilitation has the following persons who are now residents of Dawson County, being trained in various places through funds supplied by the Department of Education: J. R. Earnest, Lamesa; Jimmy McKinnon, Lamesa; Clyde Bostick, Patricia; Maurine Trice, Sparenberg; Robert Allen Salsar, Lamesa; Ruby Herndon, Lamesa. In addition to these the following have received aid in the past: Alton Freeman, Lamesa; Chas. T. Morris, Lamesa; Vera McCall, Lamesa; Irene Parter, Lamesa, Route B.

B. E. McGlamery of Eastland, Tex. is Supervisor for this section of the state.

Reading Contest Being Conducted In CCC Camp Here

A cash prize of five dollars and a silver cup will be awarded to the enrollee reading the most books during the period from April 1st to October 1st, 1936, it was announced by John I. Dean, Educational Adviser. CCC Camp Tuesday, April 7, 1936.

It is expected that many enrollees will compete for the prize. Reading is increasing in popularity as a leisure-time activity, it was revealed. At present approximately one-third of all enrollees regularly borrow books from the camp library, and the number is steadily increasing, according to a report by Roy L. Krebs, camp librarian. The camp is fortunate in having a large and growing library. It was learned. Books are found covering many fields, such as history, geography, science, literature, mechanics, agriculture, biography and fiction. It was revealed that a total of 1201 books and pamphlets are available for circulation. The company is especially grateful to Miss Pauline Bulsterbaum, Dawson County Superintendent of schools, who loaned a collection of educational books to the camp that is used daily in class work and individual study.

A large collection of books and pamphlets has been obtained from United States printing office and other government agencies co-operating.

A permanent library made available by the government to the CCC camps proved to be the nucleus around which the present library was built. It contains many volumes of outstanding books in various fields of arts and sciences. Fiction proves to be the most popular type of reading matter. According to records of camp librarian, 123 books were read during the past month. The permanent library in fiction is supplemented by a traveling library that remains in camp for a period of three months after being forwarded from another camp.

The company especially appreciates the books that have been donated to the camp library by the citizens of Lamesa. They have been added to the permanent collection and will be made available to enrollees in the future as well as those now privileged to read them.

WOODUL ESSAY CONTEST NOTICE

It is not too late to enter the Woodul Historical Essay contest. The time to have your essay in the County Superintendent's office has been extended to April 15th. This courtesy has been extended to those who were late entering the contest. Hurry and get started on your essay. You will have a part in bringing to light many interesting facts concerning Dawson County and her citizens and will be in time to win a \$200 cash prize.

For further information regarding the contest see the county superintendent or Mrs. Hardy Morgan.

WOMEN'S STUDY CLUB MEETING

There will be a meeting of the Women's Study Club next Friday, April 10th, at 2:30 o'clock. An interesting program consisting of a talk on Wren and Browning Libraries by Mrs. Wright Boyd and Parliamentary Drill by Mrs. Katherine Weaver Rice will be given at this meeting.

WILL SPEAK AT BANQUET

DR. BRADFORD KNAPP

Local Democrats To Have Jefferson Day Banquet Here

A Jefferson Day banquet is being held in Lamesa next Monday evening, April 13. Dr. Bradford Knapp, president of Texas Technological college at Lubbock, will be the principal speaker of the evening and a very good program has been planned.

These Jefferson Day programs are being sponsored throughout the state for the benefit of the campaign fund of the National Democratic party.

Arrangements are in charge of Sam Richardson, a member of the state democratic executive committee. M. Q. Martin, county democratic chairman, Carl Rountree, chairman of program committee and F. T. McCollum and A. G. Bearden, members of the county democratic committee.

The banquet will be served by the Home Economic students of the local high school and all profits will go to the Democratic campaign fund. 400 tickets are now on sale at 75c each. Everyone is invited and urged to attend. It will be held in the High school building at 7:30 p. m. next Monday evening, April 13.

PAPER SACK LUNCH AND FUN NIGHT AT KEY

The 4-H club girls are sponsoring a paper sack lunch and fun night at Key Friday night, April 10th. Ladies bring lunch for two in a paper sack and men and boys bring a pocket full of money and watch out for your dirty feet. Something new in the way of entertainment is promised. Don't miss the fun.

PLAY AT FAIRVIEW THURSDAY NIGHT

The play to be given at Fairview, formerly announced for Friday night of this week has been changed to Thursday night, because of the pie supper to be held on Friday night. The play will be given at the Fairview church house.

The public is invited to attend.

Mr. and Mrs. Curtis Hodge and son, Sammie Mack, of Wink visited several days this week in the C. H. McCormick and Sam Hodge homes in Lamesa.

FIRE ON HARDESTY FARM

Last Sunday afternoon the brooder house on the George Hardesty farm east of Lamesa in the McCarty community caught fire and burned, destroying 400 chickens and the building.

BOX SUPPER AND CANDIDATE SPEAKING

Next Friday night, April 10th, the Klondike Valley basketball girls are sponsoring a box supper. The Dawson county candidates are invited to speak and each one who desires to do so will be allowed five minutes. All the women and girls are invited to come and bring a box. There will be plenty of good music and entertainment.

Lela Alma Smith, Reporter.

PLAY TO BE PRESENTED AT WILSON SCHOOL

Look Out! Lizzie, a three act comedy will be presented at the Wilson school house Friday April 10, starting at 8:00 p. m.

Everyone come and we assure you that you will laugh until you cry.

NEWS WRITING SCHOOL FOR H. D. CLUB REPORTERS

Miss Kate Adele Hill, district home demonstration agent, will conduct a news writing school next Tuesday, April 14, in the county court room, for all the reporters of the women's and girls H. D. clubs in the county. The class will begin at 10 a. m. and close at 2:30 p. m.

Dawson County To Be Represented In District Meet

Dawson county schools will have representatives in all eligible events at the District Meet to be held in Lubbock next week. Registration at the meet is scheduled from 8 a. m. to 10 a. m. Friday, April 17th. Principals are expected to make proper entries of their contestants prior to registration at Lubbock. Edmund Dean, Perry Roberts and Francis Lindsey of the Lamesa schools, Pauline Morris of Woody, Don Carter and Helen Rogers of Lou, Fuston Peterson and Louise Ranson of McCarty, and Marvin Drennan and Maurine Womack of Woody, will participate in the eight declamation contests.

Lamesa high school's two debating teams composed of Kathleen Webb, Virginia Lindsey, Hilburn Gilliam and Kilmer Corbin will appear in girls and boys debates.

Harold Williams of Lamesa, Mary Louise Inman of Sparenberg, Inez Tolbert, of Weaver and Dolores Corbin of Lamesa Elementary will appear at the Ready-writers contests.

Roxie Bass and R. B. Snell of Lamesa will represent this county in girls and boys extemporaneous speech. The one-act play competition will be entered by Lamesa High pupils who are Jonelle Flanniken, Ussery Meek, Dwight Roberts and Earl Jacobs. These pupils will be defending the championship.

The typewriting contests will be entered by a team to be announced from the Lamesa high school.

Klondike's volley ball team will represent the county in this sport.

Boys tennis representatives are Joyce Travis, Braswell Gilbert and Cecil Roberts of Lamesa high. Girls tennis both doubles and singles are Misses Mabry, Pruitt and Fisher from the Sparenberg school.

Janie Kate Peterson of McCarty will be on hand to compete in the Three-R contest.

Charles Coon of Wilson and Scott of Natalie are the rural pentathlon contestants from Dawson County. They are from Wilson and Natalie schools.

Track and field representatives who are expected to appear from Dawson county are Buchanan, Davis, Schmidt, McKinnon, Medlin, Huddleston, Boswell, Jones, Crow, Stovall, Hughes and Hilburn from Lamesa High. Gregston, Paul and D. W. of Ackerly; Riddle of Mullins; Smith of Mungler; Spears of Wilson; Turnbow, Vogler, Moss, Corbin, Thurmond, all of Klondike; Calhoun Cox, Guinn, Roberts and Towns of Key; and Smith of Hancock.

The contests are to begin on Friday with the exception of typewriting. The finals in most events will also be Friday afternoon. Track and field events will find preliminaries beginning at 2 p. m. Friday and the Finals start at 1:30 p. m. Saturday.

Jefferson Knew Value Of Farming On Contour

Thomas Jefferson, third president of the United States, whose birthday is April 13, was a practical farmer. He knew conservation of soil is of vital importance to lasting and successful farming. In 1813, writing about his farm in Albemarle County, Va., said: "Our country is hilly and we have been in the habit of plowing in straight rows, whether up or down hill, or how ever they lead, and our soil was all rapidly running into the rivers. We now plow horizontally following the curvature of the hills and hollows on dead level, however crooked the lines may be. Every furrow thus acts as a reservoir to receive and retain the water, all of which goes to the benefit of the growing plant instead of running off into the streams."

Many farmers are learning today, as Jefferson learned, the value of contour plowing and planting to check serious soil losses by wind and water, reports the Soil Conservation Service.

CATHOLIC CHURCH TO HAVE EASTER SERVICES HERE

Easter services will be held at the Catholic church in Lamesa, Tuesday, April 14, at 9 a. m. All are invited who wish to come. High mass said by Father Gabriel of Lubbock.

POSTPONE FAIRVIEW PIE SUPPER

The Fairview H. D. Club has postponed to a later date the pie supper and candidate speaking which was scheduled to be held Friday night, April 10th.

REV. SERFACE TO HOLD EASTER SERVICE HERE

Rev. Eugene H. Serface, member of the faculty of Trinity University at Waxahatchie and former pastor of the local Presbyterian church, will be here next Sunday, April 12, and will hold a special Easter service at the Presbyterian church at the 11 o'clock hour. All members and friends are urged to attend this service.

Auto Registrations Show Increase Over '35

According to figures secured from the tax collectors office Tuesday of this week, more cars have been registered this year than there has been registered in several years prior to 1936.

1937 passenger car licenses, 143 farm licenses and 265 commercial vehicle licenses had been issued as compared with 1665 car, 229 farm and 96 commercial licenses issued for the year of 1935.

Miss Willie Belle Cleveland, tax collector, urges all persons who have not purchased their licenses to do so at once as no automobile can be operated legally without the new license plates. Persons securing them after April 1, have to make affidavit that their car has not been driven on the highway since April 1st. Miss Cleveland also requests that those who have not secured their driver's licenses to do so at once. More than 5,000 have already been issued and plenty of applications blanks are here for the other 2,000 or more expected to apply for them.

Light Vote Cast In School Election

The Lamesa School District Trustee election held last Saturday resulted in the election of Mr. Lee Billingsley and Mr. T. D. Randle for three year terms to succeed themselves. Only thirty-three votes were cast, but all were for the above named gentlemen. Messrs. Billingsley and Randle accepted their commissions last Monday night at the regular board meeting.

The board members held their annual election of officers at the meeting and the three officials were re-elected. They are W. K. Crawley, president; W. D. Arnett, vice president; and Fred B. Sanders, secretary.

Unless there are resignations from the administrative and teaching staffs, these positions will be held by the present workers. All of the incumbents have been tendered contracts for the ensuing school year.

Unofficial reports indicate that more than twelve hundred children are listed on the scholastic census for Lamesa district for 1936-37 term. The number for last census was 1142.

Centennial Sing-Song Is Planned

A county song meet is being planned for the rural and city school children of Dawson County, April 24th. Children representing all grades in all the schools of the county are expected to participate in the singing of Texas, cowboy and southern songs in observance of the Texas Centennial. The song meet is planned as a culminating activity of the music program that has been carried on in the schools of Dawson county this year.

The winning essays submitted in the historical essay contest sponsored by Lieutenant Governor Walter Woodul will be announced and given special recognition at this time.

A rural school exhibit is to be held in connection with the sing-song. Exhibits from all the schools in the county will be on display. Prizes are being offered by the Chamber of Commerce for the three best exhibits in each of two classes of schools. One, two and three teacher schools will compete with one another. Schools having four or more teachers will compete in another class. The quality of work and representativeness, that is, having the school as a whole take part in the exhibit will be emphasized rather than quantity and showiness.

The committee on arrangements is at work planning other attractions for the day.

It is the first program of this nature that has ever been sponsored by the schools, and teachers and pupils are working enthusiastically getting ready for this event. It is hoped that the sing-song will be an annual affair.

A program of the activities will be published in next week's paper.

Scholastic Enrollment Shows An Increase

The scholastic enrollment of Dawson County shows a substantial increase over last year, according to a tentative report from Miss Pauline Bulsterbaum, County Superintendent. The entire enrollment for the county last year was 3450; the enrollment this year passed the 3600 mark, although county-line districts have not yet been received. Common school district enrollment for 1935-36 was 1804. This year it totaled 1922. Lamesa's enrollment for last year was 1140. A tentative report showed Lamesa's enrollment for this year to be 1924. Klondike Independent District reports a slight decrease, last year's enrollment having been 149, while this year's report showed only 145. Ackerly Independent District reported 125 last year and 137 this year, an increase of twelve scholastics. Key showed an increase of nine over last year, having had 79 last year and 88 this year. Hancock showed a decided increase: 74 last year, against 92 this year.

COMPANY HOST TO HIGH RANKING OFFICIAL

"Tell the men of the company that after an inspection of CCC camps in three states I am able to say that this camp is cleaner, and its enrollees at formation appear neater and more orderly than any camp I have visited in this Corps area." — thus Lieutenant Colonel Mason, 8th Corps Area Inspector addressed Lieutenant Cain, Commanding Officer here, before leaving for Ft. Sam Houston after making a thorough inspection of the camp.

To date Colonel Mason is the highest ranking Army Officer ever to visit the Lamesa Camp. He arrived here Thursday, April 2, as a regular representative of the 8th Corps Area Headquarters to make inspection. He was accompanied by Mrs. Mason. They were guests of the staff at supper in officers' mess.

"Pauper's Oath" Not Required Of Pension Applicants

Austin, Texas—No "pauper's oath" is required to obtain assistance under the new law. Orville S. Carpenter, executive director of the Texas Old Age Assistance Commission, declared this week.

"It is unfair to consider a man or woman a pauper when he or she has \$5,000 or \$7,500 worth of property and has \$500 or \$1,000 in the bank. These are the maximum amounts of property and cash an applicant may have and still qualify for assistance. The larger amounts are for married applicants," he explained.

"Broader qualifications would keep us from receiving federal aid. If our law were changed to make everyone past the age of 65 eligible, we could not obtain funds from Washington. Cooperation of the Federal government is limited to only those states giving aid to the needy.

"The National Social Security Act reads that it was passed for the purpose of giving financial assistance to states for helping aged needy individuals (Section 1, line 3)," Mr. Carpenter stated.

"Our old age assistance set-up for administering the new law was created only after I had conferred with the Social Security Board in Washington. State legislators passed the Texas law in such form as to agree with the national one. The Texas Old Age Assistance Commission and our entire plan are based on the State law and upon rules and regulations made by the Federal Government," he added.

"We have formulated our plan in such a way to be acceptable by the Social Security Board, which must pass upon our law and plans before patching our payments dollar for dollar," the Executive Director said.

One New Member City Council Is Elected Tuesday

The city election which was held on Tuesday, April 7, resulted in the election of one new officer. W. L. Marr was re-elected mayor; W. B. McWhorter was re-elected city commissioner; and A. M. Bennett was elected city commissioner for the first time.

823 ballots were cast in the election. W. L. Marr, mayor, received 799 votes. He had no opponent. For Commissioner the results were: A. M. Bennett 404; W. B. McWhorter, 352; W. R. Dixon, 287; Bernie Holt, 275; and Jud Watson, 247.

The election was held by J. R. Flanken, judge.

Miss Eunice Gaines Announces For County Treasurer

We have been authorized to announce Miss Eunice Gaines as a candidate for the office of County Treasurer subject to the action of the Democratic Primary in July.

Miss Gaines is well known in Lamesa and Dawson County, having been born and raised here. She is the daughter of A. H. Gaines. She is a graduate of the Lamesa High School and attended Baylor College of Belton for one year. Up until the past few weeks Miss Gaines has been employed at the county agents office.

Miss Gaines plans to see each voter in the county before the coming election and earnestly solicits your vote and influence. She will make a formal announcement to the people of this county in the near future in this paper.

McCarty To Sponsor Educational Program

At a recent meeting of the farmers and farm women of the McCarty community it was decided to sponsor an educational program dealing particularly with agriculture. Joe M. Peterson was elected program chairman. Joe says, "Teaching an old dog new tricks" is not such a difficult task at all, providing the dog wants to learn. And in his opinion most farmers are not only willing but anxious to learn more about agriculture and agricultural problems. He says further that programs of this nature will give us adults an opportunity to familiarize ourselves with some of the more recent trends in life, to create a greater desire for good schools and to give mothers and fathers of the present generation a chance to accomplish in a small way something which they have always been denied by circumstances.

The first program is set for Tuesday night, April 21. Hon. G. H. Nelson, member of the State Senate will appear on this program and discuss the question of tariff. If you are interested to know, when the tariff, why the tariff, and how it is being used, come out and hear Mr. Nelson. Every one invited. A complete program will be in this paper next week.

KLONDIKE SHOWS UP WELL IN COUNTY MEET

Klondike is very grateful to the county executive committee and Mr. Rogers for the success of the inter-scholastic league events this year. We, the sixth and seventh grades of Klondike are very pleased with our work. We entered every event that was offered and won a place in each event except one.

We won 79 points and believe that no other group of thirty pupils won more. Our pupils won the following events: Stanley Applegate, 3rd place in declamation; Bonnie Pitman and Geneva Emfinger, 2nd place in music memory; Lois Meyers and Elwanda Sciterns, second place in arithmetic; Lavida Cook, third place in declamation; Velma Harris and Stanley Applegate, first place in spelling; Laverne Smith, 2nd place in essay writing. We won first place in girls' baseball and first place in girls ward volley ball.

BUILD STRENGTH; TONE UP STOMACH

Do you feel run-down, sluggish, without appetite for food or rest for living? Don't suffer another day without trying Williams S.L.K. Formula, which acts as a mild tonic, stomachic stimulant, a mild laxative and gentle diuretic stimulant for the kidneys. Take just a few doses and see how much better you feel. The first bottle must produce results or money back. Williams S.L.K. Formula is compounded from the prescription of a former army doctor who used it in private practice many years. Now this valuable time-tested medicine is available to you at a cost of only a few cents a day. Being a liquid—already dissolved—Williams S.L.K. Formula starts to work almost immediately. Try a bottle under money-back guarantee, and enjoy that good old feeling. On sale at

Morris-Cleveland Drug

students rendered a program full of laughs. It consisted of stunts, a musical playlet and readings.

We had good attendance at Sunday school in spite of the sandstorm. Mrs. Ray Cline received word Saturday that her father of Portales, N. M. had passed away. We extend our sympathy to Mrs. Cline and family in their bereavement.

Miss Bettye Bratcher of Lubbock spent the week-end with her parents in this community.

Miss Juanita Phillips left Tuesday for Lubbock where she entered the Lubbock Sanitarium to take nurses training.

We are glad to report that Mrs. Della Kinnison is improving after a severe case of flu.

For some reason unknown to us, Rev. Waldrop was unable to fill his appointment here Sunday.

The W. M. U. will meet Tuesday, April 14th, in the home of Mrs. Vernon Waldrop at 10:30. We invite all the new ladies of the community to attend.

Sunday, April 12, is Rev. Beavers regular appointment here. Services will be held at 3 o'clock.

Mrs. D. L. Adcock, corres.

McCARTY

Sunday school was very well attended but due to the sandstorm there were no services Sunday night.

The entire community enjoyed an April's Pool picnic Wednesday at the Thorp ranch.

P. T. A. was not attended very well Friday night.

Several of the young folks from McCarty enjoyed the party at the parsonage Tuesday night when Mt. Olive entertained.

Mrs. J. M. Peterson is ill at this writing.

The Key H. D. Club will present their play, 'The Dust of the Earth' here Wednesday night. Admission will be 5c and 10c.

Mr. Huffaker spent the week-end in Big Spring visiting Mrs. Huffaker who is working there this week.

Miss Carlene Green returned to school Wednesday after being absent several days with the flu.

Emmett and Pete Carmichael were guests of Finley Woodluff over the week-end.

Margaret and Faye Borden visited Mattie Opal and Margie Peterson Sunday.

Mattie Opal Peterson, corres.

Writers Project Is Announced

Compilation of varied material concerning the 13 counties in District 18 of the Works Progress Administration has been started as a 'writers' Project'. This material is being gathered for a National Guide Book.

The district project one of the Federal Writers' Projects which is sponsored by the professional and service division of the WPA, will be undertaken with a small staff of paid workers.

Work has already started in Howard, Martin, Midland, Glasscock, Ector and Andrews counties and will begin immediately in Borden, Dawson, Garza, Gaines, Terry, Lynn and Yoakum counties. To be collected are interesting facts about the counties which might otherwise be passed over through the passing of time.

The information is intended to be of service to all private tour agencies, public carriers, local and national associations having to do with the conservation of historic monuments and natural beauties chambers of commerce and civic bodies, recreational clubs and societies and all enterprises, public and private, which minister to

the varied interests of the general public.

According to the Federal Writers' Project manual, the American Guide, for which the material is being gathered, will be published in five regional volumes and is designed to meet the need of a comprehensive guide to the United States, arranged by states, counties and cities.

The material will include: Information that is not now readily available or is scattered in various sources; an understanding of the native and folk backgrounds of rural localities; and a convenient and compact series of guide books.

As by-products of the guide, materials will be deposited in the state and local districts for state and local guides.

To make the American Guide the authoritative work of its kind, it will be necessary to have the enthusiasm and cooperation of local citizens.

Mrs. H. S. Paw of Big Spring, is local supervisor of Writers Project for District 18.

Mrs. Philip Yonge has kindly consented to act as volunteer associate for Dawson County. Will all public spirited persons acquainted with interesting facts about this part of the country please get in touch with Mrs. Yonge.

KEY H. D. CLUB MEETING

The Key H. D. Club met Thursday, April 2, with Mrs. L. E. Page with 14 members, 3 visitors and Miss Phenix present. 'Proper care and storage of clothing' was the subject of the afternoon's discussion. Delicious refreshments were served after adjournment to those present.

The club will meet April 16th with Mrs. Jay Jeter.

Reporter.

BALLARD H. D. CLUB

The Ballard H. D. Club met with Mrs. W. S. Ray last Wednesday, April 1. After the regular program and business meeting, Miss Phenix gave an interesting talk on the construction of clothes closets and the care of our clothes.

Delicious punch and cake was served. There were thirteen members and four visitors present as follows: Mesdames W. D. Clearman, C. H. Winttingham, Kinard, Claud Wasson, C. L. Bankhead, D. Huddle, O. W. Neill, Clarence Ward, W. P. Davis, R. C. Moore, C. A. Summerlin, Floyd Woods, W. S. Ray, Miss Hattie Wasson, members, and Mesdames C. F. Cox, Hahn, Gussie Smith of Lamesa, and Miss Dorothy Bankhead and Miss Phenix, guests. Our next meeting will be held in the home of Mrs. Clarence Ward, Monday, April 13th.

Miss Vanabell Clark who is a student at T. C. U. in Ft. Worth spent the past week-end here visiting her mother, Mrs. J. H. Clark, and friends.

Mr. and Mrs. Chas. Culver and children of Hobbs, N. M., spent last week-end visiting relatives and friends in Lamesa.

Miss Lillian Miller visited friends in Snyder last week-end.

Mr. and Mrs. Guthrie Allen were Lubbock visitors Sunday.

Quick Relief
From simple HEADACHES, ACHES, PAINS, COLDS

The best way to avoid undue suffering is to check a cold, headache, muscular ache or pain right at the start, and a quick, convenient way to get relief is to take one or two Sendol tablets and repeat if needed. Sendol soothes tired, frayed nerves and usually gives relief in just a few minutes. Handy in 30-60. Satisfaction or money back.

ALL READY for the Easter Parade! And Gulf is ready, too—with a new spring gasoline especially refined for April's warmer weather. Yes, gasoline must be changed with the season—or it doesn't give you top mileage. Switch to That Good Gulf—it's "Kept in Step with the Calendar." Which means that all of it goes to work—none of it goes to waste. For better April mileage try a tankful—at the Sign of the Orange Disc.

"Kept in Step with the Calendar"

THAT GOOD GULF GASOLINE

Some More Livability Reports On Our Chicks

Some Tell Us They Just Won't Die Unless They Step On Them.

- Mr. and Mrs. C. F. Cox, 200 chicks 3 weeks old, loss only 2;
- Mr. Trav Corley, 500 chicks, 3 weeks old, loss only 5;
- Mr. and Mrs. Z. T. McMullins, 280 chicks, 4 wks old, loss only 3;
- Mrs. Sam Delmont, 500 chicks, 4 weeks old, loss 13;
- Mr. O. D. Hall, 300 chicks, 3 weeks old, loss only 1;
- Mr. and Mrs. W. A. Cook, 500 chicks, 3 weeks old, loss only 5;
- Mr. and Mrs. A. O. Read, 500 chicks, 1 week old, no loss.

WHY THIS HIGH LIVABILITY?
WHY ARE BARRON'S CHICKS SO EASY TO RAISE?

There are many things that go into the making of a strong, vigorous, healthy chick. It starts at the source—the mother flock. All our chicks are produced from Blood-Tested Flocks; The flocks are fed on a correctly balanced Laying Mash high in Vitamin A and D. This puts the vitality into the egg to produce a strong husky chick, they are correctly hatched under the most sanitary condition known to the science of artificial incubation, under just the right temperature, humidity and ventilation. Every chick must get out of the shell under its own strength (we never help a single chick out of the shell) a shucked chick is not worth toting home. Then these chicks are all fed on Barron's Eureka Brand Chick Starter, that is built of pure, wholesome ingredients, containing every thing that a chick needs, for health, vigor, vitality and quick growth.

Get Your Chicks from Barron and Feed them Barron's Eureka Brand Starter and Growing Mash and You Will Have No Trouble Raising Chicks.

SHUMAKE

On account of the sand storm there were not many out for Sunday school. Bro. Stephens was not able to preach but brought Bro. Howell who delivered a very interesting sermon.

There was a nice crowd out for the play last Thursday night.

Bro. Stephens and wife and Bro. Howell, had dinner Sunday in the J. B. Speck home.

Mr. and Mrs. C. C. Houchin and son, Raymond, are spending a few days visiting friends and relatives in Lubbock and O'Donnell.

There was a large crowd enjoyed the dance in the Houston home Saturday night.

The ball game between Loop and Shumake Monday ended with a score of 21 and 18 in favor of Shumake.

Gaylin Speck, Leonard Houston and D. O. Rhodes spent Sunday with Jake Rhodes.

Several communities enjoyed a picnic April Fools' Day in the Sharp pasture.

Shumake went to Loop April Fool's Day and played ball. Shumake won the game.

We are sorry to report that Mrs. Carol Grissom has the flu.

Mrs. J. G. Towns of Lamesa spent Saturday night with her daughter, Mrs. L. C. Speck in this community.

KLONDIKE

The church services were well attended Sunday considering the bad sandstorm.

Bro. E. C. Nix of Lamesa spoke on the Laymen's work. Due to the weather we did not have a night service.

The Volley ball girls are sponsoring a box supper to be given at the school house Friday night, April 10. Everyone is invited to come. The Dawson County candidates have been invited to come and make a five minute talk.

Mr. and Mrs. Hudson of the Higginbotham community visited their daughter, Mrs. F. L. Jamar, here Sunday.

Most of the farmers in this community are through plowing and are waiting for rain to begin planting.

G. W. Wyatt and family of Newmore visited in the E. L. Eoff and J. H. Foster homes here over the week-end.

Friends of Mrs. Summer Latham met at her home last Tuesday afternoon and surprised her with a shower of lovely gifts.

Louise Foster, corres.

MIDWAY

The churches and Sunday school services here had a good attendance Sunday.

Quite a large crowd from here enjoyed a picnic at the breaks Wednesday.

The pie supper at Mullins school house was quite a success. About \$15 was made.

Mrs. Annie Nevels and children of Leveland visited relatives here over the week-end.

Mr. and Mrs. O. E. Goff returned Sunday from an extended visit with relatives at Albany.

Velder Hoffman and family spent the week-end with relatives at McCarty.

HIGGINBOTHAM

Sunday school was very well attended this week. Services begin each Sunday at 10:30 o'clock.

John and Jessie Stanford of Goldsboro, Marie House and Wilson McCafferty visited Mr. and Mrs. Cozart and family here Wednesday night.

Mrs. Lee and son of Sunset, visited Mr. and Mrs. Cozart Wednesday.

Mrs. Baskom Cook, Mr. Huddleston, Lula Belle and D. P. Huddleston visited Mrs. Smith of Lamesa Tuesday.

There will be a pie supper at the Higginbotham school house next Thursday night, April 9th. Everyone invited to come and bring pies. The purpose of this pie supper is to raise funds for church benevolences.

John and Jessie Stanford and Louis Somson who have been visiting friends in this community left Thursday for their home in Goldsboro.

Mr. and Mrs. Huddleston and family attended services Sunday at Patricia.

The Sunday school is having an Easter program Sunday at the school house. Everyone is invited to come.

Mrs. Cozart and Mrs. Lee visited Mr. and Mrs. Stokes of O'Donnell last week.

Mary Smith, corres.

ACKERLY

Sunday school was well attended here Sunday.

Anna Mae Stewart visited her aunt at Kennedy over the week-end.

Mrs. Jake Mattoon has been sick for the past several days but is much improved at this time.

Miss Beard entertained her eighth grade with a picnic Saturday. They went to the Tom Good ranch and all enjoyed the day very much.

Grandview presented a play here Friday night. A good crowd was present and enjoyed it very much. We hope these excellent entertainers will visit us again soon.

Mrs. Bill Reed honored her little son, A. D. and daughter Juanita, with a birthday party Wednesday. After games were played, refreshments were served.

The P. T. A. met Wednesday evening with only a few present. Let's all try to attend the next meeting April 15th. All members are urged to be present.

George Bryson has moved back here from Natalla where they moved a few months ago. We are glad to have them back. Mr. and Mrs. Dub Nix and Mr. and Mrs. Johnnie Brooks also have moved back.

Miss Lois Hannah of Sevine is visiting her sister, Mrs. Rudsel, here the past week.

Miss Mildred Hanley, our high school

English teacher, has been absent from school for several days due to illness.

Rev. Wm. B. Waldrop of Lamesa will preach at the Baptist church at the morning and evening hour next Sunday.

Edd Criswell was a visitor in the Patricia community Sunday. His mother returned home with him for a visit.

Little Haroldan Rasberry has been on the sick list the past week.

Mr. and Mrs. Edd Criswell attended the mail carriers banquet at Lubbock Saturday night.

Mr. and Mrs. Hollis Pendergrass of Colorado and Lois Pendergrass of Big Spring visited their parents, Mr. and Mrs. Wallace Pendergrass here last week-end.

Hazel Ward, corres.

Expo's Manager

William A. Webb, above, of Dallas, was named general manager of the Texas Centennial Exposition, which opens in Dallas June 6, because of his long experience in handling rush construction jobs.

A veteran railroader, one of Mr. Webb's greatest accomplishments was rebuilding and remodeling the great South Australia government-operated railroad, a \$70,000,000 project. He was recommended for the task, which he finished in 1931, by the U. S. Department of State.

'Horse Sense' Advice Offered Motorists

Good old horse sense goes a long way in the proper care of an automobile motor and in obtaining maximum mil-

age at a minimum cost, say the laboratory scientists of Gulf Oil Corp.-Gulf Refining Co. Stressing the need for a proper grade motor oil and a gasoline especially refined for the Spring season, Gulf urges motorists to heed these simple facts:

To begin with, it has been necessary to use a very light oil in the crankcase during the extreme winter weather just past. Even if this winter-grade oil were in prime condition, it might not lubricate properly in warm weather. Moreover, frequent use of the choke, when practically pure gasoline has entered the cylinders, has tended to thin out the already light lubricant.

During cold weather when the motor has been running, the crankcase has contained warm moist air which has condensed when the motor has cooled off. In extreme cases ice has formed on the bottom of the crankcase, or frozen in the oil pump. In ordinary cases sludge has formed from the mixture of water, dirt and oil. Sludge is nothing more or less than a thick

gooey mass which tends to block the screen on the oil pump and clog oil lines.

The need for changing motor oil with the changing seasons has been pretty well impressed upon the motoring public, but few car owners are aware that the Gulf refineries in various parts of the country, keeping an eye on the calendar and weather conditions, automatically change the properties of gasoline to insure the best and most economical performance according to the season. The properties of Gulf gasoline are changed several times a year. Hence the term "Keep in Step with the Calendar," used in Gulf advertisements concurrently appearing in the Courier.

Mr. and Mrs. Bryant and Mr. and Mrs. Carey Shook of O'Donnell spent Sunday in Lamesa where they visited Mrs. G. T. Bryant.

Marion Key was a Lubbock visitor Sunday.

She Tells Them How to Park

Dallas, site of the Texas Centennial Exposition next year, has installed parking meters on its main downtown streets. For a nickel in the slot, motorists may leave their car beside the meter for periods from 20 minutes to one hour, according to the time marked on each meter. An additional nickel extends the period.

Clarice Moltenkamp, of the Exposition Rangerettes, is shown above as she tours the streets, the Exposition's ambassador of good-will, to explain to out-of-town motorists just how the meters work.

A meter, indicated by the arrow, can be seen directly behind the horse, which, incidentally, is Texas, famous "yellow pony" owned by Captain Leonard Pack, head of the Exposition's Texas Ranger squad.

SOCIETY

J. M. MEDLIN AND MRS. NELL EUDY MARRY

Last Saturday evening at 7 o'clock the wedding of Mrs. Nell Eudy and J. M. Medlin was solemnized in Big Spring, Texas, with the Rev. Henry officiating, at his home.

Mrs. Medlin is the daughter of Mrs. G. W. Kelley and has long resided in this county. For the past two years she has been employed in the Dawson county Relief office.

Mr. Medlin is the son of Mrs. J. M. Medlin. He is at present manager of a Gulf Station on North First Street. This couple is well known here and have a host of friends who wish them much happiness. They are at home at 906 S. Second street.

MRS. PAUL KHOSTESS TO '84' CLUB

The Wednesday '84' club met last week with Mrs. Jess Paulk hostess in her home on South Fifth street.

After playing several games of '84' the hostess passed refreshment plates containing salad, sandwiches, stuffed dates and punch to three guests, Mesdames H. A. Gilliam, Irvin Bailey and Wade Bartlett, and Mesdames S. C. Albertson and Guthrie Allen, members.

The next meeting of the club will be in the home of Mrs. A. C. Priddy.

31 SEWING CLUB ENJOYS SOCIAL FRIDAY

Mrs. T. A. Harris was hostess at the 1931 Sewing club social held Friday afternoon in her home on North Fourth street.

Games of '84' furnished the diversion for the afternoon and at the close of the play delicious refreshments were served. Those present were: Mesdames A. S. Alsobrook, Bernie Stuart, Jess Paulk, M. H. Powers, Guthrie Allen and the hostess.

MRS. BUSTER TUTTLE HONOREE AT PARTY

Last Friday evening Mrs. Sam Bockman and Miss Mildred Cooper and Louise Gill were joint hostesses to a miscellaneous shower in the Bockman home honoring Mrs. Buster Tuttle, formerly Miss Marie Cooper.

Various group games and contests were entertainment for the evening after which the honoree was presented with a large assortment of nice and useful gifts. Fudge cake and hot chocolate was served to the guests.

JANIS HAMILTON HONORED ON SIXTH BIRTHDAY

On last Tuesday afternoon Miss Janis Hamilton was hostess to a number of little friends at a party celebrating her sixth birthday.

The feature of the afternoon's entertainment was an Easter egg hunt at the city park after which games were played. Birthday cake and punch was served to Janet Rogers, Nancy and Ann Hollingsworth, Dot Nelson, Suzanne Goen, Betty Ann Serface, Kathleen King, Rita Nell Bearden, Ann McGuire, Betty Gene Stanfield, Earline Cox, Kay Karolyn Wiggins, Gene Katherine Smith, Ralph Clark, Jimmie Stanfield, Billy Mac Peterson and the hostess.

Spring is Here---

Have your spring garments ready for service, and don't overlook your winter clothes, they should be thoroughly cleaned and put away, safe from moths. We have cedarized moth proof bags, and will deliver them back to you sealed from moths and dust.

MRS. TINSLEY HOSTESS TO WEDNESDAY CLUB

The Wednesday '42' club met last week in the Tinsley home on North Fourth street with Mrs. Tinsley hostess.

Mrs. S. L. Forgest was the only guest among the three tables of players. Dainty refreshment plates containing shrimp salad, smacks and strawberry shortcake were passed to the guests after the games. Plate favors were corsages of spring flowers.

Members present were Mesdames Smith, Jones, Hamilton, Clark, Randall, Boardman, Baldwin, Jacobs, Lambeth, Bennett and the hostess.

LITTLE SLAM CLUB MEETS TUESDAY NIGHT

Mr. and Mrs. Johnnie Boyd entertained members of the Little Slam Bridge club at their home in West Lamesa last Tuesday evening.

Mrs. Leonard Scott received high score award for the ladies and Lester Gregg received high score for the men. Delicious refreshments were served to Messrs. and Mesdames Lester Gregg, J. B. Tarleton, Jr., W. E. Cox, Jr., Rufus Pruitt, Leonard Scott, Rubert Austin, Davie Jones and the host and hostess.

DINNER HONORS HUGH LOTT AND RHODA LOU CLARK

Naming Hugh Lott and Rhoda Lou Clark honorees, Mr. and Mrs. Bill Creighton entertained last Saturday night with a dinner in their home on North Second street.

The entertaining rooms were attractively decorated with cut spring flowers.

After the dinner which was served to Messrs. and Mesdames Walter Harold Collins, Guy Weekes, R. E. Simpson, Jr., A. G. Barnard, Joe Alexander, the honorees and the hosts, the group attended a dance in the Settles Hotel ball room at Big Spring.

SUNDAY MORNING BREAKFAST HONORS BRIDAL COUPLE ELECT

Honoring Miss Rhoda Lou Clark and Hugh Lott who are to be married soon, Mesdames J. E. Garland and Mac Noble, Jr., of O'Donnell, were hostesses last Sunday morning at 10 o'clock at a breakfast in the Garland home on North Fourth street.

A delicious breakfast consisting of fresh strawberries and cream, hot rolls, bacon, ham, eggs, jelly and preserves was served to the following: The honorees, Messrs. and Mesdames R. E. Simpson, Jr., and Bill Creighton, Mesdames Sam Singleton of O'Donnell, Philip Yonge, W. D. Arnett, Misses Ethel Iris Simpson, Theima Riddle,

STOMACH SUFFERERS

If you are suffering from indigestion, atonic dyspepsia, sour stomach, gas pains, "raw stomach," inflammation of the intestines (enteritis), gastric acidity and sick headaches, due to excessive acidity, you can't afford to ignore these warning signs. You should try at once the Doctor's Prescription, known as Gasa Tablets. If you allow these conditions to become worse, the acids they eat into the delicate mucous membrane of your stomach and intestine and possibly cause dangerous ulcers. Gasa Tablets soothe the raw, inflamed lining of the "acid stomach" and help convert starchy foods into dextrose, which is so essential to energy of the body, and preservation of health. Take just one or two Gasa Tablets and see how they help your stomach to "tackle a hearty meal." The first bottle must produce results or money back. On sale at

OUT OF DOOR HEALTH RULES RECOMMENDED

Austin, Texas—Recommendation to children and their parents to get together for some sessions of plan making in preparation for warm weather recreational activities was made this week by Dr. John W. Brown, State Health Officer.

"Texas has done a pretty good job in awakening health consciousness in the home and school," Dr. Brown said, "and it is an excellent idea to carry it into our out of door life. Texas is essentially an out of door State. From early spring until late fall weather conditions make the countryside inviting. The warm weather comes on with a rush and there are dangers alike to children and adults.

"One excellent bit of advice, particularly for the grown-ups, to heed is to avoid over exertion at the outset. Too much haste in everything is a constant menace to the health of the people, and the eager father who attempts to keep pace with his school boy sons and daughters on the first spring outing may be laying up trouble. Over-exposure to the sun is a danger that confronts all of the members of the family in their eagerness for the benefits of sunlight.

"For the whole family there can be no better practice in advance of spring and summer outings than to make a check list and obey a few simple rules. It is well to look to the source of water and milk and to be wary of poisonous and poisonous insects. A first aid kit is always a satisfying reliance. Watchful care should be taken of the youngsters who cannot resist the temptation to go barefoot, and immediate treatment should be given bruises and cuts. When wounds are inflicted by rusty nails or similar objects the child should be taken immediately to a physician."

Miss Acie Dell Morton and Arvall Hall of Snyder were Lamesa visitors last Saturday evening.

Mr. and Mrs. W. V. P. Baker spent last Sunday visiting their son Billie, Jr. and family in Hobbs, N. M.

Miss Roberta Stamps of O'Donnell was the guest of Mrs. J. L. Spaulding here last Saturday and Sunday.

Mr. and Mrs. Glenn Jones and children and Mr. and Mrs. Davie Jones visited relatives and friends in Paducah last week-end.

STOMACH SUFFERERS

At Last Medical Science Offers You a Drugless Compound For Acid Stomach Ulcers And Colitis.

GAS-TONS is a new drugless compound for various gastro-intestinal ailments—for stomach and duodenal ulcers and inflammations—For irritable colon and ulcerative colitis—for acid stomach (hyperacidity) etc.

Soil Conservation Law Functioning

Ten counties in Northwest Texas have formed legal conservancy districts for combating wind erosion. These counties have organized under provision of Texas House Bill No. 978. They are Dallam, Hartley, Oldham, Deaf Smith, Sherman, Moore, Lipscomb, Hansford, Ochiltree and Randall.

The counties through their conservancy district governing body, the commissioners' court, have the authority to treat blowing lands which are a hazard to adjoining lands providing the owner is unwilling, or unable to do the work. The cost of work done is charged to the land and becomes a first lien payable in three equal installments over a period of three years.

Due to the extreme wind erosion conditions which existed in the first nine counties named the conservancy law provided for the refunding of the State as ad valorem taxes, to the conservancy districts, for the years 1935 and 1936, for erosion control work. These and other counties organized under the law may use 20 percent of the automobile fees and part or all of the special road and bridge fund in carrying out the work of the district.

Through co-operative working agreements between the extension service, and the conservancy districts, Assistant County Agents are being employed in four of the counties to do soil conservation work.

Terracing Pays Carson Co. Farmer

"Terracing on my farm paid for itself the first year in increased yields," said G. T. Colgrave, a farmer living in Carson County, seven miles north of White Deer, Texas.

Mr. Colgrave did his terrace line running and constructed level terraces on 170 acres of his farm a year ago. This field last year produced enough more hegar and cane than his unterraced land to pay for his total terracing costs. In addition to the increase in yields due to moisture conservation the terraced land has a good protective covering of stubble, which is preventing wind erosion during this blowing season.

Saving of water by terracing and contour farming is one of the major steps of the program of the Soil Conservation Service in increasing the possibility of getting a crop over.

The Panhandle A. and M. College Experiment Station increased wheat and grain sorghum yields 34% over a period of eleven years by terracing and contour farming.

Lamesa Sponsors Latin Tournament

Lamesa was host city to the annual Seventh District Latin Tournament last Saturday under the supervision of Miss Elizabeth Rice, local high school Latin instructor.

Teachers with their contestants from the following schools were present: Mrs. R. P. Johnson, Lubbock; Mrs. Merriman, Lubbock; John B. Freeman, Lubbock; Miss Ina Mae Wright, Midland; Miss Klapprath, Midland; Miss Josephine O'Neil, San Angelo; Miss Carmen Vem, Amarillo; Mrs. Mildred C. Miner, Amarillo; Miss Elizabeth Nixon, Amarillo; Miss Anna M. Klapprath, Amarillo; Miss Maudie Joe Fields and contestants from Borger were not able to be present because of illness.

A tea was given Saturday afternoon in the S. L. Forrest home honoring the delegates of the tournament. The tea was in charge of Miss Eleanor Ragle and her Home Economic girls. An interesting program was rendered consisting of a vocal solo by Mrs. N. H. Price, a reading by Miss Kathleen Webb, a song and dance by Fatsy Jo Rountree and two numbers from our local high school girls' quartet, accompanied at the piano by Mrs. Matt McCull.

The closing event was a banquet held in the Dal Paso Hotel. Following the invocation Prof. V. Z. Rogers introduced Louis B. Reed who presided as toastmaster throughout the evening. Miss Rice led the group in singing several songs in Latin. There was a hearty response from the Latin students.

F. M. Mitchell extended the welcome to the visiting teachers and delegates and Ed Harte of San Angelo gave the response.

After a song from a group of Latin girls, Mr. Rogers introduced Dean J. M. Gordon from Texas Technological college. Mrs. William Dingus, head of the English department at Texas Tech made a very interesting talk. Mr. King and his orchestra furnished music for the occasion and Homer Simpson rendered a saxophone solo. F. T. McCullum presented the following awards: First Year—Donald Griffin, Midland, 1st; Billy Noble, Midland, 2nd; and Margaret Humlong, San Angelo, 3rd. The cup was won by Midland with Buchanan Jr. high school at Amarillo second. Second year—Billy Clard, Lubbock, 1st; Watson Carlock, Lubbock, 2nd; and T. J. Murrell, Amarillo Central, 3rd. With cups going to Lubbock, first, and Amarillo Central Jr., second.

Third year—Barbara Ann Slack, Lubbock, 1st; Betty Maness, Midland, 2nd; and Chammie Jo Oats, Lubbock, 3rd; with Lubbock and Midland winning first and second places for the cups. Third term—Billy Jo Whitworth, Lubbock, 1st, and Yvonne Gowirk, Lubbock, 2nd. Lubbock won the cup. Fourth Year—Dorothy Brown, Amarillo, 1st; Paul Wolf, Amarillo, 2nd; and C. A. Goldsmith, Midland, 3rd. The cups were awarded to Amarillo, first, and Midland, second.

Prizes in the essay contest were awarded as follows: First year—Gloria Boswell, Buchanan Jr. Amarillo, 1st; Edith Dunning, Amarillo, 2nd; and Louise Wilkerson, Borger, 3rd. Second year—Helen Conrad, Buchanan Jr. Amarillo, 1st; Val Brown, Midland, 2nd; and Patricia Pipkin, Amarillo Jr., 3rd. Third year—Betty Maness, Midland, 1st; Geraldine Skipper, Lubbock, 2nd. Fourth year—James Connor, Midland, 1st; Margaret Chestam, Amarillo, 2nd.

GERMINATION OF BLUE GRAMA GRASS SEED

A composite sample of blue grama grass seed was taken by the Soil Conservation Service from seed which was harvested last fall near Romero, Tex. By germination test and counts the following facts were obtained.

Upon counting several thousand florets or mash, it was found that 38.4 per cent of the florets contained caryopses or kernels. This may be considered a high per cent. It was also learned that 1000 florets weighed 7 grains, which is a million florets per pound and with these figures it was found that one pound of blue grama grass seeds contained 384,167 caryopses or kernels. Therefore, in planting three pounds of seed per acre, there could be expected 27 kernels per square

foot if perfectly distributed.

A germination test was made of the above mentioned seed in Sandy Loam Soil under ideal conditions, and ninety six per cent of the kernels germinated. Therefore by planting three pounds of blue grama grass seed under absolutely ideal conditions and perfect distribution, it might be possible to obtain twenty-six seedlings per square foot. These results are only indicative, because they have been carried on from only one year seed supply and from one locality.

METHODIST NOTES
Welch Circuit

We reached Munger Sunday morning in the raging sandstorm and found the people gathering for Sunday school and preaching. Had excellent services. We brought our Easter message. Ev-

eryone seemed to enjoy it. We ask that all follow it up this week and be ready to render a real Easter service next Sunday.

The raging of the sandstorm increased in the late afternoon and we doubted anyone coming out for evening services but a goodly number were there and we have never been better pleased with spirit manifested.

All are invited to Welch each evening this week. We are trying to live this last week of our Lord's ministry over. The better we do it the richer our spiritual lives will be. Easter program for next Sunday.

J. G. Walker, P. C.

Misses Verlon Esmond, Ernestine Nix, Willie Elsie Ballard, Pauline Brown, Edna Merrick and Cecil Dean and Messrs. Conley Esmond, J. D. Nix, Roy Love, Barney Brown, True Dyer

and Audrey Robison visited the Carlsbad Cavern at Carlsbad, N. M., last week-end.

Mr. and Mrs. Carl Rountree were business visitors in Lubbock Wednesday afternoon of this week.

Miss Olive Meadows attended the funeral of her aunt in Dickens last Sunday and remained there for a few days visit with relatives and friends.

Mrs. Ruby Robertson of Stanton, spent several days this week in Lamesa visiting in the home of her son, Scott Robertson, and family.

The following new cars were registered during the past week: Hestand-Kimbell, '36 Ford V-8 truck, April 6; E. Cope, '36 Chevrolet truck, April 3; Ben McCulloch, Chevrolet Master

touring sedan, April 1; Jno. Cason, '36 Chevrolet standard coupe, April 1.

MARRIAGE LICENSES ISSUED

During the past week marriage licenses were issued to the following: Pedro Gaitan and Isadora Villa, April 3; J. M. Medlin and Nell Eudy, April 4; Jas. McKinney and Charlie Mae Lee, April 7.

Mr. and Mrs. Lester Gregg left Wednesday morning for Wichita Falls on receipt of the message that Mr. Gregg's father was very ill. His home is in Frederick, Okla., but he is in a Wichita Falls hospital.

Mrs. J. T. Turney of Sweetwater is visiting in the home of her brother, Owen Taylor and family this week.

Now! A New and Finer Electrolux

For 1936

Greater Convenience... Smartest Modern Beauty... Plus famous Electrolux Efficiency

THERE'S literally a wealth of new and improved features in the beautiful new 1936 Electrolux... the biggest refrigerator value ever offered the American family. It's more convenient, smarter, more economical to own and operate.

Here are just a few of the things you get: Handy trigger releases on ice trays and grid... a flexible rubber grid that turns out as many ice cubes as you want, quickly, easily.

Food storage, too, is easier, more conveniently arranged in the Electrolux—with its vegetable freshener, egg rack and fruit basket... its adjustable shelves, tall bottle storage, and automatic dome light.

These are things you can see with your own eyes. But there are still more important advantages which you cannot see... advantages which you will appreciate from the very first day you have your Electrolux.

Thanks to its basically different method of operation—no machinery at all—Electrolux insures continued low running cost... permanent silence... no moving parts to wear... and fullest food protection 24 hours a day. Owners find that Electrolux actually saves enough on food bills and running cost to pay for itself!

See the new models on display at our showroom. American women themselves helped create the modern Electrolux design. Ask us about our liberal payment plan. Come in!

FIVE MILE

Only a few were present for Sunday school Sunday. Due to the bad weather there were no services Sunday night. Next Sunday is church day. Everyone is invited to attend.

Bobby Ruth Bockman spent the week-end at Lubbock.

Several of the young folks were Shumake visitors Saturday night.

Jack Fambrough of Fairview attended Sunday school here Sunday.

Betty Jean Scott was honored with a birthday party Sunday. Those present were: Melba Cowger, Milton Ray Earnest, La Vaughn Bearden, Joe Zane, Billie Fayne and Benford Wayne Leamon and Clois Shaffer.

Miss Davis played an April Fool trick on Miss McReynolds last Wednesday night by giving an entertainment for a few of the young folks.

Miss Kathleen Leamon spent last Wednesday night with Lorene Blair.

RINGWORM

If the first bottle of BROWN'S LOTION fails to kill the Ringworm within 3 days, go to your druggist, get your money back.

"I was suffering with sores on my hand and wrist. It was thought to be Ringworm. I stopped into the A. & B. Drug Store (the Hexall Store), and one application of BROWN'S LOTION gave me relief. After a few applications my hand was healed. A friend of mine had Athlete's Foot. I applied BROWN'S LOTION. His Athlete's Foot is gone."—Chas. Lott, Salvation Army Home, Lawton, Oklahoma.

A clean liquid, not a messy paste. For RINGWORM, ECZEMA, TETTER, IMPETIGO, ITCH, INSECT BITES, etc. BROWN'S LOTION. 60c and \$1.00; Soap, 50c at

TAYLOR-McCALL DRUG STORE

BALLARD

Rev and Mrs. Orwin Denman of Grapeland, Texas, visited in the home of their aunt, Mrs. G. W. Cherry, Wednesday night. They were enroute to Jal, N. M., where Rev. Denman has accepted a pastorate.

A large number of our young people attended church in Lamesa Sunday night.

Mrs. C. H. Wintringham has been ill for the past week.

Mrs. G. W. Cherry made a business trip to Tahoka Wednesday.

Mrs. T. B. Moore has been on the sick list for the past few weeks. We hope for her a speedy recovery.

Mr. and Mrs. Dee Huddle visited in the C. H. Wintringham home Sunday.

Mr. and Mrs. C. A. Summerlin, Mrs. R. A. Carr and a number of the young people visited in the L. H. Carlton home Sunday.

Mr. and Mrs. R. A. Carr, Ernest Carr and mother, Mr. and Mrs. Albert Bishop attended the funeral of a friend in Big Spring, Monday.

Virginia Cherry, corres.

MT. OLIVE

Attendance at Sunday school Sunday was good, but due to the sandstorm Sunday night there were no League services. Bro. Wheeler preached Sunday morning.

Several of the young folks went through the Carlsbad Cavern Sunday.

Several from this community enjoyed the entertainment given in the parsonage last Tuesday night.

Mr. and Mrs. Eugene Bartlett and family, Evan Bartlett and Miss Ila Bartlett visited their parents in Rockwood over the week-end.

Mt. Olive presented their play 'Silas Smidge from Turnip Ridge' at Key Wednesday night. We appreciated the good attention throughout the play.

The school children and teachers enjoyed a picnic at the brakes Wednesday.

Sterling Stovall and Milton Buchanan attended a track meet at Tahoka Friday afternoon.

SPARENBERG

The H. D. club had a pie supper last Friday night, the purpose of which was to raise funds to send a delegate to the short course at Denton. They received \$12 from the pies.

Rev. Cook has been sick for the past week with a throat trouble.

Mr. and Mrs. Patterson and son, Loyd, of McCarty visited in the Crow home Sunday.

S. E. Fisher returned home last week-end from Longview where he has been for several weeks.

Rev. T. C. Gardner of Dallas and Rev. Ray of Big Spring were here Sunday evening. Rev. Gardner preached at the Baptist church Sunday night.

Mrs. X. R. Banks is back in school after a weeks absence due to illness.

Mary Louise Inman entertained the young folks Saturday night with a party.

A dinner was given Sunday evening at the Burdine home in honor of Mable's birthday. Sixteen guests were present.

Mrs. Smart left Monday for San Antonio for a visit with her son. She was accompanied to Big Spring by her daughter, Miss Cleo, and Mrs. S. E. Fisher.

Garland Trice injured his side Monday at school when he lifted a table. The pain was so severe that he had to go home from school.

Grandma Pounds returned to Lamesa Saturday after a two-weeks visit in our community.

Mr. and Mrs. Otto Barkowsky, Hazel and Bo, visited in Eagle Pass over the week-end.

A group of men worked most of last week on the Baptist church stuccoing it. This week they are working removing the stucco, as the cold weather ruined it. They will wait until all danger of freezing is past before attempting it again.

Pupils of Miss Pearl Lee Shillingburg together with some of the par-

ents, enjoyed a picnic on the Mullins ranch last Wednesday afternoon. Mr. Trice's room also went picnicing. We had a terrible sandstorm Saturday and Sunday and it was followed Sunday night by a freeze that destroyed the fruit crop.

W. A. Burdine left Monday for Ft. Worth and several points in the East. R. E. Cowart returned from Stamford last Thursday. Mrs. Cowart is in Loop this week with her father and mother who are both sick. Many children have been absent from school due to sickness. Mable Burdine, corres.

Are Your Investments Insured?

Full-paid Income Shares in this Association are suited to the needs of investors who wish to receive a regular income in cash on their invested funds, instead of leaving their dividends to accumulate at compound interest.

The safety of your investment is insured up to \$5,000 by the Federal Savings and Loan Insurance Corporation.

Dividends on Full-paid Income Shares are payable in cash semi-annually.

Write or call for free booklet

LAMESA FEDERAL SAVINGS & LOAN ASSOCIATION

IF YOUR ELECTRIC SERVICE BILLS WERE DELIVERED THIS WAY...

If you paid for electric service each day, just like you buy groceries, this is about the way your daily bills for electric service would look. The cost of electric service in the average home is very similar to the amounts shown in the illustration above, but will vary according to the daily use of electricity.

But it is impractical to divide the cost of electric service for each appliance. Yet at the end of the month, your electric service bill accounts for these few cents worth of electric service you use each day.

When you receive your electric service bill, think back over the many times you have used electric service during the month; divide the total by the number of days and see how little electric service costs in comparison with other expenses.

FROM A FARM WIFE

(The following communication appeared in the Dallas Morning News, Sunday, under the heading "Letters from our Readers".)

To the News:

I see a great many letters on this page from supposed farmers condemning the new deal and telling how the little farmer has been ruined by it. I would like to give a woman's point of view. I was reared on the farm and expect to die on the farm. I know every phase of farm life from the half tenant to the homeowner.

First, I will tell you a story; it is one of facts, not fiction. In 1918 my husband bought a farm, paying just a small amount down and borrowing from the Federal Land Bank for the balance. By milking ten cows and raising milk, butter, chickens and eggs to sell, we managed to meet all payments on the farm until 1930. The low price of cotton caused us to fail to make enough for expenses that year. We borrowed from our insurance to meet the payments and let the taxes ride. In 1931 we could not pay either, so had to let everything ride. In 1932 we could not pay, so we made arrangements with our Federal Land Bank agent to rent our farm from him. Bear in mind, please, that we had paid \$600 a year on the land note

and about \$200 a year taxes for fourteen years.

Now, in January 1933, we made up our minds to give up our place. It seemed unwise to let things get deeper all the time, but our new President and his helper came to our rescue. The plow-up campaign saved our farm for us. The first year, 1933, we met payments to the land bank and picked up the back taxes. The second year, 1934, we paid back the money we had borrowed on our insurance. The third year, 1935, we built a new tenant house; our other was burned in 1931. We tore down two old rotten porches on our house and built a new one and painted the house. In 1933 and 1934, on account of the drought, we failed in feed crops. Our neighbors did, too. We found ourselves with twenty-six head of cattle and no feed for them. But our dear old U. S. came to our rescue again. We let our neighbors have our good cows and sold our stacks of bones to the government. Several were shot right here in our lot. Heartbreaking? Yes. But not as much so as seeing them slowly starve to death.

So much for the outside facts. Now the woman's side of the inside facts, and this covers three fourths of our farm women. Our bedclothes were worn out, we began using feed sacks for sheets and pillowcases. Our under-

wear was worn out; we resorted to the feed sacks again for new ones. Our print dresses were gone. We turned to the feed sacks again; we bought dye and made different colored ones. In summer we wore these dresses without stockings and sometimes without shoes. Why, do you ask? Do you think we did it because we wanted to? Not on your life. We did it to hide the nakedness of our bodies. Under this controlled production the picture is quite different. The tenant houses have new roofs, or new steps or porches; the barns and fences are mended, new tanks are dug. New windows and screens on the farm houses. All tenant houses are occupied; that was not so in January, 1933. Our women and children have new clothes and shoes. We have bedclothes and nightgowns that do not scratch us with their rough sack surfaces. Other things in our homes, too, are the new shades and curtains, new rugs and kitchen stoves, new pots and pans to cook with and, too, something to cook in those new pots and pans. Last, but not least we have healthy, happy children who started to school when school started, and they had on good clothes and carried lunch boxes with well-balanced diets in them.

Does that sound like the little farmer has been ruined? It does not, and those are absolute facts about the little farmer.

What do I think about the Supreme Court? Being a woman I am supposed to keep out of an argument, but will say that when our forefathers framed the Constitution they meant for the Justices to use some common sense as well as law sense and not let partyism warp their minds. I do know that when I ask the merchants for my part of the processing tax I helped to pay he refuses to pay me and says he does not have it yet. Who has it? I am not interested in inflation of currency, or tariffs, or alphabetical projects but I am vitally interested in people having the necessities of life, the farmer as well as his manufacturer brother; and in a nation that has the abundance we have it is folly to use a system that causes so much suffering and need among the classes who produce the abundance. Any plan that is put forth by our Government to help everybody as controlled production has should be pursued in an honest manner so as to accomplish the end our President has in mind. Farmer friends, let's not be fools—the man in the White House is for us; he needs our co-operation, and we, more than any class, should give it. We are not puppets. Why let ourselves be a leaderless and planless people? Let's have a system of production that will lead us on to better things and shout:

"Hurrah for President Roosevelt!"

Mrs. R. P. Garrett,
Corsicana, Texas.

"Well, it didn't seem like 400 miles!"

{ It's true! That V-8 Feeling makes the miles go Easier! }

YOU know as soon as you take the wheel of a Ford that you've hit on something different. You're driving a car with a V-8 engine, and a chassis like no other in the world. You get an edge on city traffic. You cover the open road more easily. You hold the road on turns and had going without having to poke along. You actually cut your running time without boosting your top speed!

Yet driving a Ford V-8 is delightfully easy. And you save money, every mile. Owners report gas mileage on a par with less powerful cars, and no oil needed between changes.

Terms as low as \$25 a month after usual low down-payment, under new UCC 1/2% a month payment plans. Prices \$510 and up, FOB Detroit.

We May be Able to Save Your Life

● We feel that the cost of this ad is money well spent if it makes motorists in this town stop and think about the tragic effects of blow-out accidents. Every year thousands are killed or injured when blow-outs throw cars out of control. Modern tires must be built to withstand the terrific heat generated inside the tire by today's high speeds . . . because it's this heat that causes high-speed blow-outs.

Put Yourself in this Picture

This man thought his tires were safe . . . but he did not know that the heat inside his tire had caused rubber and fabric to separate. A tiny, unseen blister inside his tire grew bigger and BIGGER until suddenly, BANG! A blow-out hurled his car off the road. This might be you!

PLAY SAFE! ONLY SILVERTOWNS GIVE YOU Golden Ply BLOW-OUT PROTECTION

This amazing new invention, the Life-Saver Golden Ply, resists heat. Thus rubber and fabric do not separate and the blow-out blister is checked before it even gets started. Yet in spite of the fact that this wonderful protection costs more to build into Silvertowns, it is Free—because you pay not one penny more for Goodrich Silvertown Tires, the only tire in the world with this life-saving invention. See us today about a set of Silvertowns.

ing in the home of Mr. and Mrs. R. Buster Orr of Hood county is visiting P. Mayfield.

Mr. and Mrs. Edd Beckmeyer were visitors in the home of M. E. Dyer Saturday evening.

It will be impossible for us to have our singing school this month at night as was planned but we will try to get our teacher in July. We thank those who offered to contribute to the singing.

Grandma Dyer is reported to be improving at this writing.

John Green of Duncan, Okla., is making a business call here in our community.

Mr. and Mrs. George Bearden of Willson were visitors in our community Tuesday.

HANCOCK

There were ninety-five present at Sunday school Sunday morning. Others came for the 11 o'clock service, which was conducted by Rev. Leroy Smith. Rev. Smith offered his resignation as pastor. We are indeed sorry to see them go but wish for them success in their new home.

Miss Chatterman has secured a job in Lamesa.

The Methodist Missionary Society met with Mrs. Clyde Bratcher Tuesday. A very interesting Easter program was given.

Mrs. W. J. Beckham and children, Mrs. W. W. Weaver and son, and Miss Geneva Hancock were Lubbock visitors Wednesday.

R. B. Davis was honored with a birthday dinner given at the Burren Smith home Sunday, April 2. A number of relatives were present.

There were a number of ball games at the school house April 1. Two outside men's teams played, after which the winning team played the school boys team. The school boys won by a score of 9 and 5. The outside women's team played the school girls.

KEY

Bro. Yates preached to a very attentive audience Sunday morning. We are always glad to have him with us.

Rev. and Mrs. S. C. Shipley and Mr. and Mrs. Calvin Shipley attended the funeral of Charlie Rutledge at Big Spring last Monday.

Messrs. Lawrence Thompson, J. C. Langham and Jim Jeter spent last week fishing at Christoval.

The school enjoyed a day of picnicking last Wednesday, April 1st. Loy Kerby took his room to Snyder for the day. Cora Kerby spent the day with her room at Orson's tank and Lia

Bartlett and Mrs. Kerby enjoyed the day with their rooms at the school house.

The H. D. club met Thursday, April 2, with Mrs. Page.

Mt. Olive presented their play, 'Silas Smidge from Turnip Ridge' here Wednesday night.

A large crowd is expected here for Workers Conference Thursday.

R. H. Stricklin motored to Snyder last Wednesday where he met Mrs. Stricklin who has been visiting in East Texas.

Mrs. H. E. Kerby, Cora Kerby, Mrs. Juanita Moffett and daughter spent the week-end in Wellman, Texas.

The 4-H club girls are sponsoring a paper sack lunch and fun night here next Friday night, April 10.

Mrs. Dock Riley, corres.

PATRICIA

There was a good crowd at Sunday school Sunday, despite the bad sand storm.

T. C. Gardner, State B. T. U. worker of Dallas, visited the Patricia Baptist church here Sunday morning. Bro. Ray, our missionary, was also with us.

Mrs. Bradley of Hardin-Simmons University, Abilene is here this week to conduct a training school in B. T. U. work.

Mrs. Huddleston and girls of Higginbotham visited in the home of her daughter and family. Rev. and Mrs. Jamar, here Sunday.

There will be an Easter program at the M. E. Church next Sunday.

Eudora Bruce, corres.

RICHARDSON

Vernon Ballew spent Friday night with Merle Kirkland.

This weeks freeze killed practically all of the fruit in this community.

Grandmother Lambert had been seriously ill for the past two weeks.

Mrs. J. L. Helms had a serious attack of sickness Saturday night but is better at this writing.

Sonny Warren is suffering from a slight attack of flu at this writing.

All work in the field has been stopped this week on account of the bid sandstorms.

Alma Joe Owens who has been sick for the past three weeks is some better but her brother and sister-in-law are both sick now.

Ida Joe Kirkland, corres.

SUPERFEX

THE "MIRACLE" REFRIGERATOR FOR RURAL HOMES

USES NO ELECTRICITY
...no running water
...has no moving parts
...makes cold from kerosene

- Brings the delights and convenience of city refrigeration to your home
1. Enables you to keep meats fresh for days.
 2. Makes delicious frozen desserts.
 3. Keeps butter delightfully firm.
 4. Gives you plenty of sparkling ice cubes for cooling drinking water.
 5. Eliminates thousands of steps each day.
 6. Permits you to serve all kinds of chilled salads.
 7. Eliminates necessity of buying or harvesting ice.
 8. Permits you to make use of all leftovers.
 9. Saves time.
 10. Saves money by preventing waste.
 11. Protects the health of your family.
 12. Adds variety to your meals.

Burners in use about 2 hours to produce 24 hours or more of refrigeration

Superfex makes cold by burning kerosene and uses very little of it. The burners stay lighted for about two hours, then go out automatically. This makes all the cold you need for a whole day and night! Superfex, with its short burning time, brings you modern refrigeration in its most economical form.

8 years on the market
Though you may now be reading about Superfex for the first time, it has been on the market for more than eight years. And those that were bought at the very beginning are still operating as efficiently as they did when

new. But that's not at all surprising. Superfex has no moving parts. Not a single one! It's built to last a lifetime. And this year's models are greatly improved—they are still more efficient—still more convenient—still more beautiful. Their modern design and cream-white porcelain finish go perfectly with any kitchen decorative scheme. And the shelves are adjustable; you can move them about to accommodate even the largest turkey!

Telephone for free demonstration in your own home. Liberal purchase terms, if desired.

"HERE'S TRUE ECONOMY"

Says the Cosden Traffic Cop

Whether you believe it or not, a high anti-knock gasoline is the MOST ECONOMICAL fuel you can use in your car or truck.

True, the first cost may be a few cents more... BUT... when you consider the wear and tear on your cylinders... slow pick-up... carbonized spark-plugs... loss of power and miles per gallon... an anti-knock gas will really SAVE YOU MONEY.

And the PEER of anti-knock gasolines... the gasoline that is refined to 70 OCTANE rating without the use of any adulterants or artificial stimulants is

COSDEN HIGHER OCTANE GASOLINE

Watch for the Cosden Traffic Cop and the COSDEN HIGHER OCTANE sign... drive in and fill up the tank today and you'll really experience "true economy" in motor fuel.

The Cosden Traffic Cop sez:
Watch railroad crossings carefully—remember, any time may be train time and the right-of-way belongs to the train—DON'T TRY TO BEAT THE TRAIN TO THE CROSSING—you can lose this sort of a race only once.

FARM NOTES

By Joe C. Williams, County Agent

New Farm Program:

Not how much money can be gotten out of the new agricultural program, but how much will it help improve sound farming is the fundamental question to be asked, according to A. L. Smith, who has charge of the Extension Service of putting into action plans made under the Soil Conservation and Domestic Allotment Act.

He suggests that every farmer map out his fields as he would like to farm them—to make the farm cropping plan that he knows will hold and build up land, and which he has not used because of lack of money. When that is done let each farmer investigate the new AAA soil conservation program to see how it fits. In most cases farmers will be surprised at how closely the new program fits their own plans," he adds.

To farmers who apply for them, after completing the program of approved soil conserving and soil building practices, grants of money will be made later in the year because soil conservation and sustained farm buying power are of vital importance to the Nation. For this reason the government teams up with the farmer to help finance the job of making American farms secure, Smith points out. Farmers whose farm plans for the 1936 year conform to the flexible soil conserving program may be paid at the rate of 5 cents per pound based on their old contract base, and production on the cotton yield that is shifted to soil building crops from the depleting crops in order to build up

the land and prevent from damage from erosion.

Subsidy Payments on Cotton:

The subsidy payments on the cotton that was produced in the 1935 crop year. The commonly called government guarantee of 12 cents per pound on the crop of cotton produced during the past year.

These payments will be made on all cotton produced up to the allotment under the Bankhead Act. You do not have to agree to go into the new program in order to collect the money.

Mr. Young and Vic Middleton in the agents office are now ready and anxious for all who intend to get the difference between the ten spot markets and the sale price of the cotton are urged to come in at your earliest convenience and sign up the necessary papers to get the difference. We would suggest that you come in during the weeks days other than Saturday and Mondays as those days are usually very busy ones for every one in the office.

We are anxious to get all the old business cleared away in order to be ready for the new program that is due to start at an early date.

Seed Treatment for Smuts:

Farmers who are planning on planting feed crops of any kind and particularly the grain sorghums such as milo, hegarl, kaffir and those including cane and corn would profit immensely by treating the planting seed with something to prevent such smuts regardless of the case even if the crops have never had any smuts. Two of the best treatments available for preventing smut are: Cerasan or powered copper carbonate. Some of the local drug stores carry one or both of the preparations.

In treating with powered copper carbonate one ounce of the powder will treat an average of one bushel of seed. In applying the dust an old lard can comes in handy. Fill about half full of seed to be treated, add the copper carbonate and mix well until every seed is coated. The fumes from the dust irritate the nose and it would be well to have a handkerchief tied over the nose to prevent inhaling the dust.

The directions for treating the cereal come on the container. The above treatments will practically eliminate all smuts that usually thrive on the sorghums.

Treatment of Trees with Borers:

Several have made inquiry about treating trees that are infested with the borers, to date the best treatment that we know anything about is to use about three drops of Highlife or carbon applied in the holes in the trees with an eye dropper, filling the hole with mud or something to exclude the air. This treatment has been very effective on some trees in the county.

Community Activities:

To McCarty community committee goes the honor of being the first community in the county to begin a series of meetings to study the farmers problems in an educational way in the community. Problems of vital importance of farmers of that particular community and the county as well will be discussed. Some of the subjects for the first meeting will be, oleomargarine vs. butter; farmer's part in the new program and tariff questions as affects the farmers. Senator G. H. Nelson of Tahoka will speak on the Tariff. This meeting will be held at the school house on Tuesday, April 21, at night. The plans for the next meeting will be announced at the first meeting. Congressman Geo. Mahon has promised to speak at the second meeting to discuss 'Our foreign markets.' This should be of wide interest to every farmer of the county. The public of course is invited to attend these meetings.

McCarty community should be duly recognized in carrying on such good programs that will be of interest to every citizen of the county. Other communities will do well to follow the McCarty plan.

BIRTHDAY DINNER

Mrs. Fletcher Conner gave a birthday dinner honoring her daughter, Mrs. Bailey Anderson and niece, Mrs. Jack Stone of Tahoka, Sunday, April 5. Those attending were Mr. and Mrs. Dick Robertson and family, Odessa; Miss Jo Flanagan, Pampa; Mrs. Willie Ross and sons, Dan and Jowell, Mr. and Mrs. Scott Robertson and family, Mr. and Mrs. E. M. Ross Jr., and the honoree.

FARMER'S CO-OP GIN PAYS FARMERS \$10,000

At a meeting held in O'Donnell last Monday night, April 5, the Farmers Co-operative Gin paid back \$10,000 to the farmers at O'Donnell or \$3.00 per bale. Refreshments were served and all report a pleasant time.

HOGS WANTED: I will ship hogs Saturday, April 11. Bring your hogs in early. Lee Billingsley.

GARDEN CLUB OFFICERS CHOSEN

The newly organized Garden Club met last Thursday afternoon. Mr. Holden, landscape chairman of the State Highway Department in this district, made a talk that was instructive and beneficial to the listeners. Beautification in general of Lamesa was discussed, also trees and shrubs best suited to this section. Mr. Holden gave a brief outline of what other Garden clubs are doing and gave the local members some very good ideas.

Following the program a business meeting was held in which a constitution and by-laws committee was appointed and permanent officers were elected for the organization and committee chairmen were appointed.

They were as follows: Mrs. S. L. Forrest, president; Mrs. L. P. Stark, secretary; Mrs. A. Hull, chairman membership committee; Mrs. J. H. Harp, chairman flower show committee; Mrs. A. E. Jacobs, program committee chairman; Miss Mattie Phenix, extension work chairman; Mrs. A. N. Randal, Christmas decoration chairman; Mrs. V. O. Key, librarian and historian; Mrs. Loo Randal, yard contest and clean-up campaign chairman; Mrs. A. M. Bennett, flower exchange chairman; Mrs. Philip Yonge, social committee chairman; Mrs. M. C. Lindsey, telephone committee chairman; and Mrs. A. B. Bearden, publicity chairman. It was decided that the club will meet the second Thursday afternoon in each month in the district court room.

The next meeting of the club is being held Thursday of this week, April 9. All members are urged to be present. J. H. Harp will speak at this meeting on dahlia culture.

IRA GABEL HOME DESTROYED BY FIRE

Last Sunday afternoon about three o'clock the Ira Gabel home in El Wanda Heights was completely demolished by fire of undetermined origin. The Gabel family was away from home for the afternoon and the blaze had gained considerable headway before it was discovered by neighbors. The fire department was notified but due to the high wind that was blowing, and only a weak supply of water available the house and contents burned to the ground in a short time.

KEEP YOUR CHICKENS UP!

Now that it is garden and flower time many complaints are coming to City Marshal Jack Phinizy, concerning chickens running at large. He states that there is a city ordinance providing that all persons shall be fined \$1.00 a day for every day their chickens run at large after complaint has been filed. He asks that everyone cooperate with city officials in this matter.

Mrs. Lola Fry of Greenville arrived in Lamesa last Friday for several

Announcing

Something NEW In Permanent Waving

THE NEW SANDERS MACHINE—just installed in our shop, offers EVERY desirable feature.

WAVES OF SUPREME BEAUTY—Sanders combination machine gives waves of all styles, in all combinations.

EXCLUSIVE LA NOVA CURLER—This is the only method that will give a spiral, croquignole or combination of both with genuine ringlet ends, the two blending perfectly.

COOLEST, SAFEST & LIGHTEST—This machine insures a cool wave, without danger of burns or pulls. It also reduces the weight on your head a full 1½ pounds.

Expert in Permanent Waves

Miss Zona Moore, of the Sanders Manufacturing Company will be with us Friday and Saturday, April 10 and 11, to advise and give permanents. She guarantees to curl the most difficult heads of hair.

SPECIAL PRICES

for a few days only, making it possible for you to have the wave of your choice, the one you have always admired and wanted. Take advantage of these low prices as we can't afford to run this special but just a short time.

the IDEFORM shirt

AN ENTIRELY NEW PRINCIPLE IN SHIRT MAKING!

The Ideform Shirt is a smarter, better-fitting shirt than you've ever worn before. BECAUSE! . . .

1. Body and sleeves are cut along entirely new lines.
2. Body tapers neatly from the shoulders and hugs the waist.
3. Sleeves taper smartly to the cuffs.
4. All unsightly folds and bulges of cloth are eliminated.
5. This new idea in design gives all the comfort, all the freedom of movement of a custom-tailored suit.

See the Ideform Shirt in all the finest new patterns and weaves — at prices to fit your pocketbook.

From \$1.65 to \$1.95
