ANSWERLINE

Q. What happens to the game that is confiscated when a hunter is fined and where does the fine money go?

A. Local ministers are contacted concerning needy families in reference to confiscated game, Game Warden Randy Bullard said. The fine money - after the \$20 court costs have been subtracted - is divided with 85 percent going to the State Parks and Wildlife Department and 15 percent is retained by the County.

BRIEFLY

B&PW Bake-Off

The Colorado City Business and Professional Womens' Organization will sponsor a bake-off to be held at the Mitchell County Fair on Saturday, Sept. 28.

Prizes will be awarded to 1st-3rd places. A grand prize will be awarded to the winner of the entire bake-off consisting of \$75 in groceries from C & S Grocery and a dozen roses.

Categories for the adult division will be: cakes, pies and breads. Categories for the youth division will be: cakes, cookies and breads.

Class of 1936 to meet

The Colorado High School class of 1936 will hold their 55th reunion beginning with registration at 5 p.m. on Saturday, September 28 at the C. C. Thompson Room.

For more information, call Katherine Loveless, 728-5397 or Erlene Sellers at 728-5353.

Book Booth at Fair

Old school and library books will be sold for \$1 each at the Westbrook Senior Class book booth at the Mitchell County Fair.

All grades and subjects will be available.

Garden Club meeting

The Colorado City Garden Club is presenting Mrs. Doris McClellan in a Wildflower Symposium on "The Propagation of Native Plants," at 7 p.m. on October 8 at the C.C. Thompson Room Annex of the City National Bank.

There will be door prizes and the public is invited to attend.

Fair starts Thursday

An array of booths, displays and entries await fair-goers at the 1991 Mitchell County Fair which opens Thursday for a three-day run.

Ray Ritchey and Tony Turner will serve as Fair Officials for this year's event which is scheduled to run through Saturday.

Ex-officio officials of the fair include: County Extension Agents, Bryan Limmer and Dana Davenport; vocational ag teachers, Ray Ellis, Mike Herrington and J. W. Schlee; and home economics teachers, Karen Hackfeld, Judy Merrell and Ann Martin.

Exhibits have been entered into

a number of areas including: agriculture, horticulture, women's, men's, youth, art, craft and pet departments.

Entries will be accepted for the Mitchell County Fair from 7:30 til noon on Thursday at the county ag barns, west of Colorado City on old Highway 80.

A Bake-Off sponsored by the Business and Professional Womens' Club will also be held on Saturday in conjunction with the fair activities.

Chairpersons of the various departments for this year's fair are:

Roxie Strain and Mark Raschke

are co-chairpersons of the Agriculture Department.

Peggy Ratliff serves as chairperson of the Horticulture Department.

Judy Bridgford is chairperson of the Women's Department (Foods).

Nelma Ritchey is chairperson for the Women's Department (Needlework).

Doris Dockery and Ruby Moore are co-chairpersons of the Youth Department.

Joni and Lester Hartman are co-chairpersons of the Youth Craft Department.

Flo McKenney is the

chairperson of the Art Department.

Billie Forbes and Peggy Forbes are co-chairpersons of the Adult Craft Department.

D'Dee Morris, Chris Foster and Linda Smith will be in charge of activities with the Grandparent's Bag.

Brenda Eades serves as the chairman of the Pet Show.

Booth space at the fair has been reserved by the Westbrook Lions Club, Mitchell County Child Welfare Board, Brownie Troop #148, FHA, Joanna Spicer, Joe Rivera, Ruby Wyrosdic, Temple Words of Life, Rock of Salvation,

Joe Carter, Noon Lions Club, Boy Scouts, Business and Professional Womens Club, Glenn Rich, Matlock's, Mitchell County Soil and Water Conservation District, Rotary Club, Ken Johnson, City National Bank, Mitchell County Hospital, Mitchell County Hospital Auxiliary, Mitchell County Extension Homemakers, Joyce Shoemaker, Lottie Iglehart, Mitchell County 4-H, American Red Cross, Mitchell County Literacy Council, Flo McKenney, Randy Wilkinson, Rita Richards, FFA, Sundown Lions Club, Jane See FAIR, page 2

CED budget approved by 2-1 margin

The 1991-92 budget, a bank depository and guidelines for the district were approved in a heated session at Tuesday nights meeting of the Mitchell County Education District (CED).

Budget figures were presented to the board by Geneva Findley, business manager of Colorado Independent School District which serves as administrator for the CED.

Figures showing that with a 95 percent collection rate, the CED

would be short \$103,440 on the funds the state mandates the local CED to raise.

Without these funds being raised, the threat of cutting back on federal and state funds has been threatened by the legislature.

At a 97 percent collection rate the CED should receive \$28,991 more than the state mandated amount of \$3,639,763.

The cost of operating the Mitchell CED will cost \$38,275 according to the budget that Findley

presented.

Board members were told that the expenses were estimates and that the hope was to have money left over at the end of the year to be refunded to the component school districts.

The budget was approved by a margin of 2-1 with CED chairman Dwayne Harris and secretary Robert Dale Finley voting in favor and vice-chairman Warren Zant voting in opposition to the budget.

Figures of approximately

\$11,000 were presented to the board members for costs of the audit, liability insurance and fees and dues.

It was noted that the method of payment for these items had not been decided by the board and needed their attention.

A motion by Harris to divide these expenses by the number of parcels in each ISD as are administration expenses.

See CED, page 2

Board meetings held this week

Phone system approved

The approval of an inmate phone system was handled by commissioners' at Tuesday mornings called meeting of the Mitchell County Commissioners' Court.

Commissioners' approved a contract with Security Telcom Corporation of Grand Prairie for an inmate system.

The current policy of prisoners making phone calls ties up an employee of the Sheriff's office for at least half-a-day, twice a week, Sheriff Patrick Toombs noted.

The inmate phone system will relieve this problem.

Jeff Rothell of Security Telcom met with commissioners' to discuss

the system. Also in attendance at the meeting was Mickie Halbrook, pay telephone consultant for Southwestern Bell.

The inmate phone system is designed for prisoners and has characteristics which allow the phone network to monitor abuse and fraud.

All calls made by the inmates will be collect calls after the system is installed.

The county will receive a 28 percent commission on gross calls generated from the project.

A request for maintenance of a road in the Anderson addition was

See PHONE, page 2

CISD tax rate set

A tax rate of .455 cents per \$100 of property valuation was adopted by trustees of the Colorado Independent School District (ISD) at Monday nights meeting.

The adoption of a tax rate followed the approval by trustees of the revenue side expenditures for the ISD in the amount of \$6,979,108.50, as presented by business manager Geneva Findley.

Senate Bill 351 and the state mandated changes complicated the budget process this year.

The revenue and expenditure side budgets are traditionally approved before September 1.

The County Education District (CED) system of school funding -

premiering this year - affected the time table for the school board to approve the revenue side of the budget.

The CED approved a tax rate of 77 cents per \$100 of property valuation at its September meeting.

The combined CED rate of 77 cents and the Colorado ISD rate of .455 in effect establishes a school tax rate for property in the Colorado ISD taxing jurisdiction at a rate of \$1.225 per \$100 of valuation.

The Colorado ISD expenditure budget in the amount of \$7,032,874 was approved by trustees at a meeting in late August to meet the state mandated time

See TAX, page 2

Museum opens Saturday

The Heart of West Texas Museum will host its official opening dedication this Saturday.

The event will coincide with the Old-Timers Reunion.

The day-long celebration is open to the public and will begin with a ribbon cutting at 9:30 a.m., sponsored by the Chamber of Commerce.

"This will be the culmination of months of work on the part of museum board members and volunteers who have given selflessly of their time to ensure the success of the upcoming event," board members said.

Many of the exhibits will feature live models, dressed in clothing appropriate of the time and will be able to elaborate on the displays.

Several hundred photographs will be on display. Many of these feature scenes and/or people as yet unidentified by the museum staff.

Visitors will be allowed to look through the pictures, in hopes of identifying them.

Staff members are also hoping that visitors will be willing to provide genealogical information pertaining to any and all of their relatives who have ever resided in the Heart of West Texas area as the staff works to create an extensive archives collection.

Old-Timers meeting Saturday

The annual Mitchell County Old Timers Reunion will be held Saturday with registration and hospitality to be held from 9:30 a.m. until noon at the Civic Center.

A luncheon will be held at noon with Bob Reily serving as master of ceremonies. The invocation will be offered by Kay McCarley, Jr. and the memorial and benediction will be given by Reverend Fred Smith.

United States District Judge Eldon Mahon, a native of Loraine, will be the featured speaker at the luncheon.

Mahon has served as a federal judge for the Northern District of Texas since 1972.

He was born and raised in Loraine and is a graduate of Loraine High School, McMurry College of Abilene and received a bachelor of law degree from the University of Texas.

Mahon is married to the former Nova Lee Groom, also a native of Loraine. They have three children; See REUNION, page 2

CED

The motion was seconded by Finley.

Harris and Finley voted in favor of the motion and Zant voted in opposition to the measure.

City National Bank of Colorado City was approved as the depository for the Mitchell CED.

No other bids were presented to the board for their consideration.

Finley made the motion which was seconded by Zant and all three board members voted in favor of the motion.

Guidelines for the operation of the Mitchell CED were presented to the board for their approval by Finley.

The policy provides that:

- checks issued should be signed by the administrator and board chairman.

- that the bills should be approved at CED meetings and that checks for operating expenses would be signed by the board chairman and secretary.

- that each school would conduct its own tax collection operations.

- that each school tax collector will deposit the checks with the CED administrator weekly and that the money will be distributed back as soon as possible.

- that interest earned on CED funds will be returned on a percent basis.

- that tax refunds will be made by the tax collectors after approval by the CED board of the approved tax refund application.

It was noted that the package would be used as a guideline and that as situations arise the policy could be changed by the board to reflect a consistency of operations.

Harris made a motion to adopt the guidelines and the accompanying tax rebate form. The motion was seconded by Finley and approved by the board.

The motion was then rescinded a moment later when it was brought to the board's attention that they had not addressed funding of the budget.

Harris and Finley approved rescinding the policy and Zant voted in opposition.

Funding of the budget by the school districts was proposed at 50 percent in the first quarter and 25 percent in both the second and third quarters.

"It's not right," Zant said. "I don't know if Westbrook will ever put a dime in."

A motion to approve the guidelines for the tax collection operations of the CED, the guidelines for Mitchell CED operations, the tax form and CED costs payment structure was made

by Harris. Finley seconded the motion.

"This is not on the agenda," Zant told the board members.

"It is part of the guidelines concerning the operation of the education district," Harris said.

Harris and Finley voted in favor of the package vote and Zant voted in opposition.

The other agenda action item concerned re-evaluating the formula for component ISD contributions to the CED.

A motion was put forth by Zant to rescind motion 1015 which dealt with the original method of determining ISD contributions.

The motion did not receive a second.

"We're going to pay 35 percent of the CED operating expenses and only draw 16 percent," Zant told the board, "and Colorado City is going to draw 77 of all monies and is only going to pay 54 percent of the expenses."

Harris opened the meeting with an opening statement.

"The state legislature mandated CED's," he said. "The system has made a lot of people upset."

"If you get upset, at least be upset at the right people," Harris said.

FROM PAGE 1

TAX

FROM PAGE 1

"We're having hard feelings over something we shouldn't. This board's duty is to take the money in and distribute it," he said. "The state legislature set the amount of money the CED needs to raise and the percentages for distributing it."

"As long as I'm chairman of this board," Harris said, "we're going to follow the law."

Sonny Hollis, superintendent of the Westbrook ISD also addressed the board.

"I strongly urge the board to re-evaluate item A [component formula]."

"I recommend that the expenses be shared and done on a basis of the revenue percentages," Hollis said. "It would be a fair and just system."

The CED funds will be divided with 77.63 percent going to Colorado ISD, 16.574 percent going to Westbrook ISD and 5.794 percent going to Loraine ISD.

Board members were urged by Hollis to adopt that expenses be paid by this same formula.

The system of parcels that is used by the CED to divide expenses provides that Colorado ISD will pay approximately 54 percent of expenses, Westbrook ISD will pay 35 percent and Loraine ISD will pay 10 percent.

PHONE

FROM PAGE 1

tabled for an indefinite period of time. Circumstances beyond the court's control were cited as the reason.

Fees charged by the Sheriff and Constables were approved as required before October 1. The rates that were approved are identical to last years and reflect charges that are in line with surrounding counties, commissioners' said.

Bills for the period were also approved for payment at the meeting.

County Judge Ray Mayo and Commissioners Ed Roach, Carl Guelker, Buddy Hertenberger and Bill Preston were all in attendance at Tuesday's called meeting.

Three indictments returned

Three more individuals have been arrested as the result of the indictments returned by a Mitchell County grand jury, bringing the total to 24 people who have been served.

Mitchell County Sheriff Patrick Toombs noted that the warrants were served late Friday and on Saturday to the 3 additional persons.

The additional three who have been arrested are:

- Ruben Silva of 11th and Chestnut, 21, charged with 2 counts delivery of cocaine.

- Ray Dean Vanderslice of 1845 Vine, 29, charged with 2 counts delivery of cocaine.

- Cynthia Richardson of Rt. 2, Box 283, 38, charged with 1 count delivery of simulated controlled substance.

Nine more people listed in the sealed indictments remain at large.

Ward wins

football contest

Another large turn-out of predictions filled the guessing box for last weekends football games.

C. M. Ward of 807 East 14th Street, correctly predicted 18 of the 24 contests to claim first prize.

He will receive \$50 in Football Bucks as the winner of the weekly contest.

The second place winner is Brandon Martinez of Box 154, Ira, who correctly predicted the winners in 17 of the 24 games.

Twelve people tied for second place and the tie-breaker system had to be used.

Martinez predicted the score of the Dallas/Phoenix game to be 17-10 to be declared as the second place winner.

He will receive \$25 in Football Bucks for his accomplishment.

The entry form for this weeks edition of the contest appears in this issue.

50 YEAR REUNION: The "War Class" that graduated from Colorado High School in 1941 will gather in Colorado City, Thursday through Saturday, for their 50th year class reunion.

CHIEF LONE WOLF

Freedom of speech is ingrained in the hearts of all Americans. Our early day fathers (and mothers) in Mitchell County did not hesitate to voice their opinions.

One of the first recorded instances of discontent occurred in May of 1883 when Alderman J.H. Morrison addressed the City Council. It is probable that he had been "encouraged" by local residents as he bemoaned "prostitutes riding upon our streets, stopping at bar rooms, drinking, etc."

And the following month the town council received its first ever petition. Citizens living south of the Texas and Pacific depot asked the Council to take action against a gambling house.

The plaintiffs alleged that the house was being run "as a resort for drinking negroes and prostitutes who delight in the use of loud and vulgar language and the people living in that part of town are afraid to pass by for fear of being insulted."

The petition concluded by asking the council to "deem and condemn (the house) a nuisance." F.G. Martin and five other citizens affixed their signatures to the petition.

The Council members wasted little time in instructing Marshall W.T. Griffin "to visit the gambling house and stop the same at once."

Apparently the problem of aggressive prostitutes was an on-going thorn in the side of Colorado City. In November of 1886, the Ladies Aid Society presented a petition to the Council which was signed by "155 ladies and 28 gentlemen." The document called the councils attention to the "fact that a number of houses of prostitution and other places of inequity are open day and night in violation of the law, decency and good order."

And the ladies and gentlemen asked the council to enforce the law so it "will result in the complete banishment of all such evils."

Further, "that any officer failing to fulfill his duty in this respect be discharged and his name and offense published."

Was this an inference some Colorado Lawman was in cahoots with the girls? Evidently it was and the Ladies and Society wanted the culprits name published in the paper!

Incidentally, the town council discussed the petition at length and resolved to have it presented to the county commissioners for their

consideration.

Obviously town officials were impressed. Of course it didn't hurt that almost 200 signatures were on the petition either.

The Colorado City Council also received another petition in June of 1887. It was signed by 80 businessmen. (Wow, 80 business men.)

The issue? The street sprinkler! Seems the town fathers had decided to save money and the practice of sprinkling streets was discontinued. It didn't take those early day merchants long to figure out that women weren't going to come to town if they had to risk getting their dresses dusty.

The petition worked. The squeaking wheel was greased even in the 1880's. The Council promptly adopted a resolution instructing the water works committee to permit street sprinkling at all times.

However, at no time was the water level in the standpipe to fall below 50 feet.

One more thing. The service for businesses would have its price: one dollar per day to be collected from the person who did the sprinkling.

Those frugal Colorado businessmen probably took up a collection among themselves to pay the bill.

Another petition circulated by Colorado citizens concerned the town's public free schools.

In September of 1883 voters in Colorado had voted 44-5 to approve a school tax.

In August of 1887 a petition made the rounds questioning whether the tax on school should be continued.

On September 7, 1887, the petition, signed by 66 men were delivered to the town council. The issue was whether to call an election which would ascertain if school taxes should be continued.

Apparently the town experienced considerable divisiveness because the Council, in a close vote of 4-3, decided not to call the election.

Yet another attempt was made to take the issue of school taxation back to the voters in February of 1888, but the council held fast and free schools continued in Colorado.

Taxes, schools and streets. Citizens talked about all three in the 1880's and they're still talking about them today.

Cook's Corner

Becky Ornelas recalls making buttered noodles as a small girl but she didn't really learn how to cook until she was about 16 years old. Her mother, Sagie Rivera, taught her how to cook alot of traditional Mexican food.

Her favorite recipe, flour tortillas which her mother taught her, is also a favorite of her whole family. She says, "I use flour tortillas like most people use bread". Becky has two sons and three daughters, Gabriel Jr., Angela, Eli, Christina, and Rebecca and is married to Gabriel Ornelas, all of which love burritos, made out of ground beef, beans, cheese, sour cream and hot sauce rolled in tortillas.

Becky is sharing her favorite recipes with the readers of the Record.

FLOUR TORTILLAS

3 cups self-rising flour
1/2 cup shortening
Hot water
Cut shortening in flour, add enough hot water to make soft dough, not sticky. Shape dough in balls 1 1/2 inches in diameter. Roll out to 6" or 7" circle. Cook on hot griddle (450° to 475°). Cook 30 seconds, turn and cook another 30 seconds, turn & cook for another 15 to 30 seconds. Tortillas should be soft & pliable. Stack and cover to keep warm. Flour tortillas mixes are also good to use.

HUMMINGBIRD CAKE

3 cups flour
3 eggs
2 cups sugar
1 tsp. salt
1 tsp. cinnamon
1 tsp. baking soda
2 mashed bananas
1 sm. can crushed pineapple
1 cup chopped pecans
1 cup coconut
1 1/2 cups cooking oil
Mix all ingredients well. Bake at 300° for 60-75 minutes in oblong pan.

MEXICAN CORN

2 cans drained corn
1 stick margarine
1 8 oz. pkg. cream cheese
1 sm. can chopped green chiles
Mix all ingredients. Microwave until margarine & cheese are melted. Mix well.

WESTBROOK WANDERINGS

...BY DEBRA MILLER

Mayor Bill Rees was in Mt. Pleasant recently to attend the funeral services of his sister Bada Black.

The Baptist Brotherhood hosted a family night last Thursday evening at the Westbrook Baptist Fellowship Hall. The Brotherhood provided a covered dish meal. Brother Jim Mosley from Union Baptist Church was the guest speaker. Approximately forty people attended.

J.O.Y. Sunday School class of Westbrook Baptist Church met for a salad supper and business meeting on Friday, September 13, at 6:00 p.m. The event was held in the Fellowship Hall of the church.

Lucille Stone led the opening prayer. After the meal, Irene Edwards, class president, called the meeting to order. Frances Ranne gave the devotional titled 'The Praying Hands' and read a poem. Pauline Brown presented an article, Excuses.

During the business hour, class teacher and officers were elected for the new church year. Elected teacher of the class was Wilma Jean McKenney; assistant teacher, Blanche Bell; President, Irene Edwards; Vice-President, Gladys Hayes; Secretary-Treasurer, Frances Ranne; Recording Secretary, Lona Dodson; Reporter and Historian, Georgia Lankford; Telephone Committee, Marcil Moody, Pauline

Brown, and Lucille Stone.

The class voted to give a gift to the Mary Hill Davis State Mission Offering, and also voted to help a needy family at Christmas.

Secret pal gifts were exchanged and names revealed.

Members attending were Irene Edwards, Gladys Hayes, Mary Lou Henderson, Lucille Stone, Blanche Bell, Bessie Shaw, Sally Parker, Naomi Williamson, Marcil Moody, Cloia Whitesides, Pauline Brown, Opal Long, Wilma Jean McKenney, Frances Ranne, and one visitor, Belle Snider of Lake Colorado City.

Mr. and Mrs. Jay Stevens of Burnet, Texas visited this week in the home of Charles and Frances Ranne.

Westbrook Second grade has just finished a two week unit on Grandparents. The students made booklets about their grandparents. Friday, September 20, 1991, the following parents and grandparents visited the second grade class: Bessie Rich, Wilma Jean McKenney, Ernestine Gonzales, Geneva and Jessie Matos, Guadalupe and Palbo Matos, Faye Galnean, Donna and David Ginkinger, Judy and Donnie Hale, Ruby Chambers.

After lunch the students read stories to the visitors. Each student wrote a story about when they grew up and became a grandparent.

Anyone desiring to make contributions for the museum sale is asked to call from 1-5 p.m. at 728-8285 and someone will open the old museum and assist in any way they can.
Transportation of the donated items can be provided.

CISD trustees adopt travel policy

Trustees approved a television cable extension to the high school, adopted a student travel policy, approved bus routes for the school and passed a resolution regarding the Appraisal District Budget at Monday nights special meeting.

The costs of running a television cable to the high school - in the approximate amount of \$1300 - was approved by the trustees.

The cable to the high school will allow the school to take advantage of programming on the Mind Extension University Channel, noted principal James McSwain.

The original cost for running the cable to the high school was estimated in the range of \$5000 because of the distance involved.

Representatives of Tele-Media have told school officials that they

would provide the labor at no cost if the school system will provide the necessary materials and equipment involved with laying the line.

McSwain said that high school staffers are engaging upon measures recommended in a recent energy conservation audit and that the savings from the plan should offset the expense of the system.

Trustees also adopted a travel policy concerning student activities.

Parents and guardians will continue to be allowed to transport their children home from school events after signing a release form.

Students wishing to ride home with persons other than their parent/guardian must have received permission prior to the event.

The request must be made in writing or by filling out a form at least a day before the student

activity is to take place.

The school's principal and/or student activity sponsor will be responsible for approving the request.

The board also gave approval of the bus routes for the school year as presented.

In other action, trustees of the school district tabled action on approval of the Appraisal District Budget for 1992. The board passed a resolution recommending that carryover funds held by the District be used in order to cut the budgeted revenue requirements by the ISD.

The board will discuss the Appraisal District budget again at their next meeting.

The school district renominated current delegates to the Appraisal District: Dickie White, Eddie Gregory and Frank Brownfield, to another term on the board.

Wolves hope to put bite on Merkel Badgers Friday

The Colorado City Wolves will travel to Merkel on Friday night to face the Badgers at 8 p.m. in a non-district clash.

The Wolves are coming off a down-to-the-wire defeat by the Slaton Tigers last Friday night. Their season record stands at 1-2 as they go into the contest.

Coach Bill McClesky led

Merkel (1-2), of district 7-3A, to a 21-20, last second victory over the Cisco Lobos in action last Friday.

Cisco scored a touchdown with :28 seconds remaining in the contest, but failed to convert a two-point conversion.

Merkel's Lorenzo Whitney scored twice in the game, carrying the ball 30 times for 192 yards.

The Badgers return 15 lettermen - 6 offensive and 9 defensive - from last years 1-8-1 campaign.

Prior to the victory against Cisco, Merkel had lost to Hamlin by a score of 42-8 and to Stamford, 19-13.

The Wolves and Badgers played to a 21-all tie in last years action.

Loraine Jr. High Bulldogs run away from Trent JH

The Loraine Junior High Bulldogs ran away with a 52-20 victory over Trent Junior High in Thursday night action.

Led by offensive line blocking and defensive tackling, the Bulldogs jumped ahead 26-0 before Trent ever scored.

Loraine finished the night with a total offensive surge of 183 yards while Trent's offensive power was listed as 159 yards.

Bulldog Cory Woodell scored the first three touchdowns of the night.

His touchdowns were the result of a 9 yard run, a 40 yard pass interception, a 25 yard run and a 12 yard run.

Trent's first score came with :58

seconds left in the second quarter, on a 54 yard run by Bryan Bigby. The score was 26-8 after the extra point was kicked.

Loraine's Josh Lee answered back 10 seconds later with a 40 yard run.

With :20 left in the half, Trent's Paul Falcon scored on a five yard run.

The halftime score was Loraine 33, Trent 14.

Cory Woodell scored two more touchdowns - for a total of five on the night - in the third quarter.

With 5:44 remaining, he scored on a 45 yard run. Woodell then scored on a 42 yard interception return with 1:43 left in the quarter.

Trent's last score was on a 5

yard run by Dawson Bunnus with 5:55 remaining in the fourth quarter to bring the score to 46-20.

Bulldog Josh Lee rambled 43 yards for his second touchdown with 1:29 left in the game.

Predictors "skunked" by upsets

Local predictors were befuddled by the outcomes of this past weekends action.

Upsets included:
- Wyoming over Texas Tech.
- Tulsa over Texas A&M.
- Auburn over Texas.
- Illinois over Houston.
- New England over the Oilers.

Don Nimmo was the only one who thought that TCU - with their first string quarterback hurt - could get past Oklahoma State as they did.

This weeks picks promise to be as exciting as cross town rivals in Abilene, Midland and Odessa will be played in high school contests.

The Southwest Conference action begins this week with two games on tap for Saturday.

Several of the professional contests pit divisional rivals against one another in Sundays action.

CHS volleyball teams report September action

Colorado Middle School volleyball action for Sept 23 against Sweetwater:

7A team lost after 3 games by scores of 15-11, 0-15 and 7-15.

7B lost 0-15 and 3-15.

8A won 15-10 and 15-10.

8B won 15-5 and 15-10.

The 8th grade A team had several good passes for good sets and hits.

Sets by Betsy Myers, Krissy Crawford, Jennifer Lawson and Shelby Galey.

Hits by Crawford, Lawson, Susan Hartman, Alicia Key and Shanie Ausbie.

Results of Big Spring Tournament:

7th grade won 3rd place.

In first round action the girls defeated Andrews 2-15, 15-7 and 15-13.

They advanced to face Goliad. They lost by the scores of 8-15 and 12-15.

The girls came back to defeat Snyder 5-15, 15-2 and 15-12 to garner their 3rd place finish.

The 8th grade girls captured consolation in the tournament.

They lost to Andrews 15-5 and 15-13 in their first match.

They came back in the second round to defeat Brownfield by scores of 15-5 and 15-5.

In the final game of the tournament the 8th grade team defeated Sweetwater by scores of 14-16, 15-9 and 15-12 to win consolation.

Sept 9 action against Snyder:

7A won 15-1 and 15-13.

7B lost 10-15 and 13-15.

8A lost 7-15 and 6-15.

8B lost 4-15 and 12-15.

Sept 5 action against Snyder:

7A won 15-11, 9-15 and 15-11.

7B won 15-8, 7-15 and 15-8.

8A lost 9-15, 15-1 and 13-15.

8B lost 8-15, 15-8 and 11-15.

Public Notice

On June 28, 1991, Southwestern Bell Telephone Company (Southwestern Bell) filed an application with the Public Utility Commission of Texas (Commission) to add a new optional service offering for business Private Branch Exchange (PBX) Trunk customers called Digital Loop Service. The application has been assigned Docket No. 10461.

Digital Loop Service provides digital transmission of circuit switched voice and data communications between the customer's premises and the central office. This service allows the customer to use a 1.544 Mbps facility capable of delivering up to 24 line terminations. Southwestern Bell will provide Digital Loop Service within the customer's serving central office where facilities are available.

If approved by the Commission, the rates for the Digital Loop Service facilities will be \$445 per month for each digital transmission loop arrangement which provides a capacity of up to 24 line terminations, plus \$3 per month for each line termination and \$9 per month for each channel termination. The proposed rate for the unlimited use of the central office varies from \$12.25 up to \$18.90 per month for each line termination depending on the rate group classification, determined by the customer's location. Southwestern Bell estimates revenue of \$2.1 million from this offering during the first year.

As proposed by Southwestern Bell, customers who currently receive digital loop compatibility through facilities installed under a special construction agreement will have the option to receive their current digital loop arrangements pursuant to the Digital Loop Service Tariff or continue to pay their current charges until they make a change of location or account. Any increase in the number of line terminations to a customer's current digital transmission loop arrangement will be provided pursuant to the proposed Digital Loop Service Tariff; however, the customer will continue to have the option of paying current charges for the existing digital transmission loop capacity. Southwestern Bell's proposal to "grandfather" existing digital loop facility arrangements is subject to review and approval by the Commission.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but not later than October 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.

FOOTBALL GUESSING CONTEST

1st Place..... \$50⁰⁰
2nd Place.... \$25⁰⁰

RULES FOR THE GAME

Several Mitchell County merchants are again sponsoring a FOOTBALL GUESSING CONTEST with cash prizes totaling \$75.00: \$50.00 for first place and \$25.00 for second place. The \$75.00 will be in football bucks, which are redeemable at any participating merchant.

All you need to do is check each merchant's listing on this page for one of the contest games and its number. Print your choice of the winner of each game in the blank next to the corresponding number of each game on the official entry below. Be sure you select a winner for each game.

On the OFFICIAL ENTRY BLANK, print your guess for the exact score of the Tie-Breaker Game (to be used in case of ties.) Be sure to print your full name and address. Persons under six years of age are not eligible to enter. Each entry must be delivered to The Colorado City Record, or postmarked, if mailed, before 5 p.m. each Friday.

LORAIN PERSONALS

Homecoming has come and gone and it seemed to be a huge success. We hope everyone had fun and will be ready to come back next year. We are always glad to see you.

Now comes time to say thanks to a lot of people for all their hard work. First of all to Roland Graham who served as Exes Association President, we thank you for guiding the work for this year's gathering. To Jennifer Zunga for doing the inviting and all the other things she did. Jennifer, the message is, they were happy to get their invitations early. You did a good job.

To the Student Council, we appreciate all the hard work you did, your sponsors say you really did a lot of work to help make Homecoming a success. We all appreciate you guys & gals. Members of the Student Council are Mike Adkins, Vice President; Fabian Alvarez, president; Amelia Vasquez, Secretary-Treasurer; Natasha Adkins, Reporter; Cindy Munoz, Chaplin; Christina Lopez, Senior Representative; Chris Phillips and Sherrel Robin Webb, Junior Representatives; James

Lopez represents the Sophomores; while Justin Herrington is Freshman Representative. Thanks again.

To Betty Hackfeld and her crew. We appreciate the job you do year in and year out. And to all the rest of the school employees from the bottom up we are grateful for the pride you take in your work to get Homecoming going as it should. Also to Glenn and Doug, we say thank you and to Mr. Shy, Clara Foshee and Sandra Phillips for the field decorations. To the many people I have left out, those whom I don't even know about, thank you.

Robert Dale Finley was elected President for next year and Melba Thompson Wilkes will be Secretary. We know they will do a good job also. Craig Finley & Krystal Butler were elected Mr. and Mrs. Spark for this year.

Gala Liles Harper of Dallas was elected Coming Home Queen. She is the daughter of Mrs. Verlie Liles and the late Gene Liles. She is at home in Dallas. Congratulations Gala.

Our band looked good and

sounded good. We are proud of you. You add to the picture.

Our Jr. High kids won their game on Thursday but we lost our big boys game to Aspermont.

Saw Linden and Marie Dunn at the game and visited with Marie a good while. They both look well and are the same as always.

Saw Joe Ed and Maurice Coldewey at the game. Also saw Hal and Dale Harrelson. I always enjoy visiting with old friends. The most surprising visitor for me was Tarp Compton or E.B. Compton as he prefers to be called. It had been years since I saw him.

Paul Potter visited the Nursing Home last Wednesday. He is Pastor of Church of Christ Later Day Saints. He also visited Mrs. Ellyson.

I have just heard that Craig Finley broke his arm or collar bone or something in that area. I know nothing about it except that it happened and we are sorry. I understand that they took him to Abilene to get it fixed. I hope you are doing well, Craig. He broke his wrist in Football practice.

Yes, and before I forget, thanks to all who helped make our victory line a success. I appreciate all of you for responding. Hope you will continue to fill a spot on the field when the boys are coming out. It looks so much better for our town and school.

There were lots of people I didn't have a chance to see because I was not up to par, healthwise. I am so glad all of you came for Homecoming. I will see you all next year.

Louise Liles got a new job and a new title. Her daughter Donell and her husband Henry became proud parents of a baby boy on August the 28th, therefore her new title is grandmother and her job is helping with little Henry. Of course, that is a pleasure instead of a job.

The baby is Henry Sosa, Jr. He weighed 6 lbs. 14 oz. and was 18 in. long. I don't guess I need to tell you that Louise is proud of her grandson.

Ham and Blondie Hamilton came home to Loraine for Homecoming.

Those visiting Chrystene Hall during the weekend were Hal Haralson, Austin; Dale Haralson, Tucson, Arizona; Jamie Jacobs and daughters, Meagan and Blaire, San Antonio; Queenie Walterscheid and Barbara Hamsley, Muenster.

Iris Preston and Chrystene Hall attended the reception honoring Harold Preston Wednesday in Brownwood. The Howard-Payne University sponsored the special event.

The Loraine High School Class of 1941 celebrated its 50th anniversary at Homecoming. Friday night after the ballgame they met at Ham and Blondie Hamilton's house. Brisket and chicken, etc. was served, compliments of an "Upper Classman", Moose Green.

...BY LOIS PHILLIPS

Saturday at registration, 21 members of the Class of 1941 were present. After the Homecoming, all of the class met at the Villa for a fun time of visiting with each other. Sidney Meek and wife Marlys of Scio, OR had traveled the farthest. Royal James showed a video tape of the ballgame between Loraine and Merkel in 1940. Dr. Johnson had taped it.

A get well card was signed by each to send to Frank Simmons, the class sponsor.

Those present were: Louise (Anders) Warren; Ruby Fay (Adrian) Jarrett; A.J. Barrow; Armando Baumann; Reta (Beights) McGaughey; Wayland Bennett; Irene (Caswell) Johnson; Faye (Chamness) Miller; Louise (Hallmark) Walker; Tavia (Haygood) Maricle; Royal James; Alma (Lee) Smith; Royce Mahon; Doyle (Tuffie) Mothers; Sidney Meek; Dorothy (Myers) Netiles; Frances (Rhodes) Little; Blondie (Rickey) Hamilton; Harold Simmons; Burton Scown; & Lois (Glass) Webb.

Tuffy Mathers volunteered to host our next 50th!

Salt River Show slated

The Salt River Show, a Lubbock-based stage show featuring country, gospel and bluegrass music, will come to Colorado City on Saturday, October 5, 1991.

The show will begin at 7:30 p.m. in the covered concert and meeting area at Fort Wood.

Tickets are \$5 in advance and \$6 at the door and are on sale at various local businesses. Proceeds will benefit mission activities of the Colorado City Ministerial Alliance.

The Salt River Show comes here from recently acclaimed performances in Paducah, Silvertown, and the Texas Boys Ranch Chili Cookoff near Lubbock.

The program includes 22 songs, with one intermission.

"Throughout the music industry, there are many greats who believe in the fundamental precepts on which our country was founded," said Salt River Productions president Ron Blakley. "The Salt River Show holds no lesser values. We believe in good, wholesome family entertainment for the entire family. We strive toward this goal in every Salt River Show."

Featured entertainers are Blakley, an interdenominational minister who plays pedal steel, dobro, and lead and acoustic guitar; guitarist Sonny Grant; bassist Kim Townsend; percussionist Mike Huffman and singers Holly Dee, Kim Wisdom, and Bob Campbell. Sound and lighting is by Clear Sound Co. of Lubbock.

Weight Loss Surprises Researchers

WASHINGTON -- A nutrition organization was hopeful that a nutritionally complete "hi-tech" food tablet would help erase world hunger problems, until a study revealed that one of the ingredients could cause significant weight loss.

Although other studies and scientists may not agree, researchers in Europe found that the ingredient, a natural plant colloid, actually caused people to lose weight, even though specifically instructed not to alter normal eating patterns, according to one study published in the prestigious *British Journal of Nutrition*. Researchers in an earlier study had speculated that the weight loss was due to a decrease in the intestinal absorption of calories.

While the development of the product called Food Source One, a project of National Dietary Research, would not be used to successfully fulfill its original goal, the formula which has since been improved with other natural colloids has been a windfall for some overweight people. A Daytona Beach, Florida woman fighting a weight battle for 12 years used the product on the recommendation of her physician and lost 30 pounds. She stated, "Not only have I lost 30 pounds but my cholesterol has dropped from 232 to 143. I have two closets full of clothes which have not fit me in two years that I can now wear." In a separate report, a telephone interview revealed that a Wilmington, North Carolina pharmacist lost 14 pounds in 3 weeks on the product and was never hungry.

Food Source One tablets are part of National Dietary Research's comprehensive plan to bring a rapid end to obesity in this country. A variety of nutritionally sound diet plans, specially prepared by NDR, accompany each bottle and provide a natural, drug free alternative for confronting the problem of obesity.

Available in Colorado City at: THE MEDICINE PLACE 2135 Hickory St 728-3489

OBITUARIES

Rosa Lee Barron

Funeral services for Rosa Lee Barron, 94, of Colorado City, are scheduled for 10:30 a.m. Thursday at the Lightfoot Church of Christ in Loraine with Mr. Joe Marshall officiating. Interment will follow at the Loraine City Cemetery under the direction of Kiker-Seale Funeral Home Inc.

Mrs. Barron passed away Tuesday, September 24, at Valley Fair Lodge.

She was born February 17, 1897 in Round Rock, Texas.

Mrs. Barron was preceded in death by her husband, Bill Barron, and by her parents, John Earl and Nanie Elizabeth Muncill. She was a homemaker and a member of the 22nd and Austin Street Church of Christ in Colorado City.

Survivors include three sons, Paul Barron of Loraine, A. J. Barron of Loraine and James Barron of El Paso; two daughters, Marie Harlow of Colorado City and Billie Woods of Colorado City; one brother, J. D. Muncill of Ceres, California; five grandchildren; and nine great-grandchildren.

Viola M Hulme

Graveside services for Viola M. Hulme, 90, of Colorado City, are scheduled for 2 p.m. Thursday at the Colorado City Cemetery with Dr. Ted Spear officiating under the direction of Kiker-Seale Funeral Home Inc.

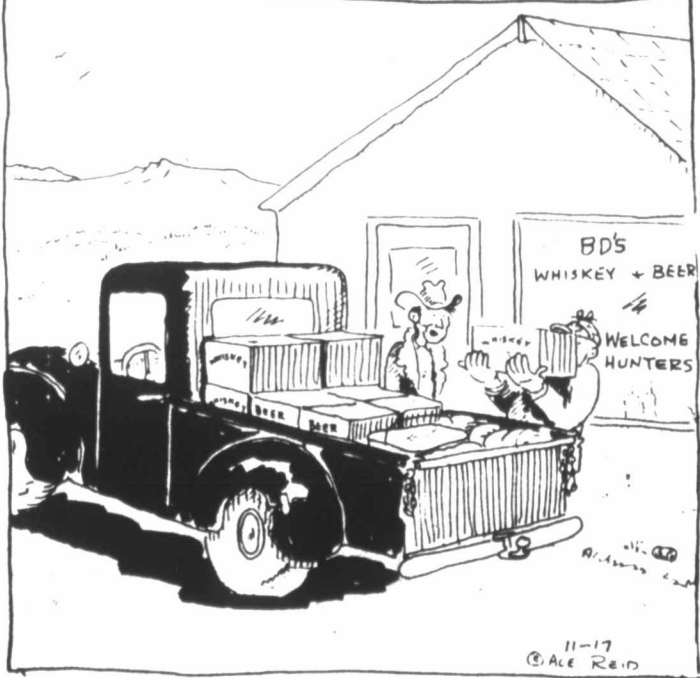

Mrs. Hulme passed away Tuesday, September 24.

She was born December 7, 1900, in Texas.

Mrs. Hulme was married to Charlie M Hulme on August 17, 1919. She was preceded in death by her parents, John Diffie and Ida Alberta Hulme. She was a homemaker and a member of the First Baptist Church of Colorado City.

Survivors include her husband, of the home; two sons, Wayne Hulme of Colorado City and Sam Hulme of Lubbock; six daughters, Bonnie Hammond of Colorado City, Ruby Moore of Colorado City, Lola Whitney of Midland, Icie Stephens of Lubbock, Florence Lewis of Canadian and Doris Jones of Lubbock; two sisters, Susie Jones of Stephenville and Pearl Darden of Granbury; thirty-two grandchildren; sixty-one great-grandchildren; and sixteen great-great-grandchildren.

LETTERS to the EDITOR

Dear Editor,

History has proven that "A great civilization is not conquered from without until it has destroyed itself from within." History repeats itself, because man will not listen.

One positive way to destruction is the lack of education. Education should begin at home, with good attendance, cooperation with the school's teachers and principal.

Homework requires a daily study each night. This should be a requirement of the parents.

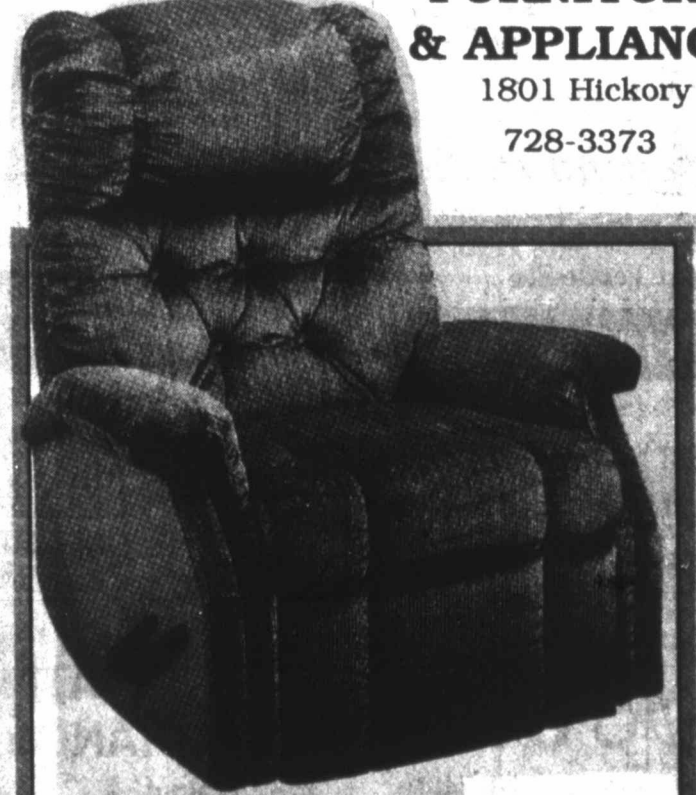

Also, there should be a desire to achieve. A desire to rise above the accomplishments of your prior generation for all students.

It takes discipline on the part of the teacher, student and family.

One cause of the fall of a nation is high taxes. We are the number one debtor nation.

Schools could be operated more efficiently and at less cost to the taxpayer, if schools were operated from a local level. Our illiteracy and poor quality education are becoming worse.

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT
Tom Rasmussen, P.O. Box 7663, Midland, TX 79708 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the Clearfork, Spears, Well Number 1. The proposed injection well is located 7 miles southwest of Westbrook in thelatan, East (Howard) Field, in Mitchell County. Fluid will be injected into strata in the subsurface depth interval from 2562 to 2576 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

Mitchell County Commissioners Court will receive sealed proposals at the office of the County Judge, P.O. Box 542, or the County Auditor, P.O. Box 211, Colorado City, Texas 79512, until 2:00 p.m., October 14, 1991 for bridge replacements and renovations in precinct #1, #3, & #4. Specifications available at the office of the County Auditor. Commissioners Court reserves the right to accept or reject any and all bids and/or waive any and all formalities.

George Griffith
County Auditor
