Gifford-Hill Western Schedules
Formal Open House At Mfg. Plant

Company dignitaries and local personnel of Gifford-Hill Western Mfg. Company cordially invite the general public to their formal open-house party to be held at the Spearman Plant Saturday September 17 from 8 to 6 p.m.

The half-million dollar plant which manufactures irrigation pipe, officially launched the beginning of operations at the plant January 1 of this year when county residents visited the plant. However, the official open-house for area residents of the Northern Panhandle could not be scheduled until the plant had passed through the "hustle season" which is always fall and winter when farmers are not irrigating.

The formal opening Saturday September 17 calls for a bang-up party lasting all day long. Free refreshments and gifts for all. Door prizes every half hour will be given. The household variety such as coffee makers, electrical appliances, etc. Some lucky farmer will win free, a \$1,000 lock-seal irrigation pipeline, which includes installation. Everyone is invited to come by and register.

Guests throughout the Golden State from Amarillo South, to Garden City Kansas North, will be present to view the entire lay-out of the plant; from the time the pipe comes off the production line to the time it is actually laid in the ground. Personnel will go through the entire operation. This is the first opportunity the public has had to really see what is done in Gifford-Hill's Northern plant.

RICHARD SMITH, son of Mr. and Mrs. Victor Rook of Spearman, will arrive in Spearman today for a 3 day leave. Smith has been in the Navy for seven months. He has been training in the Hospital Corps Naval school in San Diego. He will report back to the Naval Recruit Station at San Diego where he will be very busy during his leave.

Over \$6 Million Dollar City Tax Roll Is Now Ready For Mailing!

City Manager Darce Foshee presented the budget to Aldermen at a Monday night's meeting at the City Hall. Councilmen approved the \$134,405.00 for the general fund, the \$250,125.00 for the utilities fund and the \$3,600.00 for the park fund.

There will be a public hearing concerning this budget at 8 o.m. September 26 at which time the approval of the budget will be finalized.

Other business to come up at the Monday meeting included the hearing of bids for a new street sweeper. No action was taken on this. Two bids were discussed; one for \$10,800.00 and another for \$9,476.64.

Bids were received on the purchase of a two-ton truck for the City. Excel Chevrolet bid \$3,618.00. Spearman Motors bid \$3,695.00. Joe Traylor Ford bid \$3,986.19 and North Plains Truck bid \$3,731.00. The city purchased a 1967 International Truck from North Plains Truck and Impl. Co.

A guided tour of the offices, shops and plant area will be conducted by Engineers from Hereford, Garden City and Plainview along with local employees.

Company dignitaries on hand to greet visitors will include the President of the Company, J.W. Porter Jr. of Dallas; Chairman of the Board of Gifford-Hill Pipe Company, Pete Gifford of Dallas; Executive Vice President, Bruce Spenser of Lubbock; Vice President in charge of Sales, Harold Banks of Lubbock; Vice President in charge of production, Malcolm Hammons of Plainview; Company Controller, George Davis of Lubbock, and Regional Manager, Jim Terrell of Garden City.

MRS. LOU TOWER (center) is presented with a souvenir of "Spearman, Texas" by Mrs. Glen Bohanan L. and Mrs. Henry Cornelius, R.

Mrs. John Tower, wife of the United States Senator for Texas, made an extensive tour of the Texas Panhandle Tuesday, Sept. 13.

Stops included an early morning coffee in Dumas, a desert luncheon in Dalhart, Stratford, 15 minute coffee break in Gruver, and an 8 minute stop in Spearman at 3:30 that afternoon.

She was met in Spearman by a group of businessmen and by Mrs. Henry Cornelius and Mrs. Glen Bohanan, who are Hansford County campaign mngrs. for her Senator Husband.

Traveling with Mrs. Tower in a gaily decorated bus were 12 Tower Belles from Amarillo and Pampa. These young ladies were dressed in red, white and blue costumes and will accompany Mrs. Tower on the 2-day trip through 10 North Texas towns.

On arrival in Perryton Tuesday afternoon, Mrs. Tower held a news conference before attending a reception at the home of Mrs. Dick Parker. After an overnight stay in Amarillo, Mrs. Tower and her entourage went on down State to meet with newly organized groups of Conservative Women's clubs.

Kindergarten Children Will Register Soon

Mrs. F. J. Hoskins and Mrs. J. E. Womble, local Kindergarten teachers, announced this week that they will register pupils between the hours of 8:30 and 9:00 a.m. on September 19th.

Regular classes will begin September 20; morning classes only from 8:30 to 11:30.

Both teachers urge mothers to bring their child to register and invite anyone who might be interested in enrolling their child to call either Mrs. J. E. Womble or Mrs. F. J. Hoskins.

Teachers And Hospital Staff To Be Honored

Members of the Spearman Lions Club have planned the annual chicken fry honoring teachers and faculty members of Spearman Schools and the entire Staff at Hansford Hospital.

The introduction and get acquainted party will be held September 20 at 7:30 at the Lynx football field.

Members of the Lions club and their wives are urged to be present along with special guests from the schools and Hospital.

Crazy Day, instituted last year in this City, will be held September 17.

Any visitors which happen in to Spearman that date, might think the entire town has gone nuts! But residents remembering last year's Crazy-Day party will not be surprised at the outrageous costumes and get-ups merchants and sales people will be wearing.

The idea for the whole thing is to get people inside Spearman business establishments. Merchants will be staging real sales bargains on their merchandise, and even if you don't go in to buy, go in to look! It will be worth your time to see the various "Crazy" ways in which stores are decorated. The store personnel will probably be unrecognizable.

Breakfast will be served at 6:30 a.m. in the Cattleman's Cafe to costumed merchants and sales people for 70c to kick off the big day.

All participating stores will feature BARGAINS GALORE from 8 a.m. to 6 p.m.

At 10 a.m. the big Lynx Band will play a concert at the shopping center, then march downtown where they will perform at 10:30 a.m.

Prizes for best costumes for merchants and employees will be: first prize \$15.00 gift certificate from Beedy Gift Gallery; second prize \$10.00 gift certificate from Spearman Rexall Store; third prize \$5.00 certificate from Gordon's drug.

All stores participating in the store contest are ask to call the Chamber of Commerce office to register. Judges will not go to stores which are not registered there.

VISIT SPEARMAN STORES ALL DAY SATURDAY and take advantage of sales bargains, and enjoy the fun of CRAZY DAY.

Lynx vs. Gruver Friday

"We'll play Gruver a real ball game this Friday night!" Coach George Wright told members of the Lynx Boosters Club at the Monday night meeting. Although the Coach thinks Gruver's team is not as strong as the one they fielded last year, they are plenty good. "They played Stinnett a good ball game last Friday, and lost only because of two bad errors made by the Gruver team," he continued.

At this first meeting of the Lynx Boosters club, the coach introduced the 24 Varsity players who will suit up this Friday night against the Greyhounds. These boys are: Sheld knight, Davis, Cates, Jordan, J. Holton, Shufeldt, Jenkins, Smith,

H. Reeves, Blodgett, Kunselman, S. Holton, Renner, Gray, K. Reeves, Faries, Vanderburg, Reneau, Moore, Lee, Lushy, Gilbert, Schell and Hendricks.

The Lynx Boosters club will meet every Monday night at 7:30 in the High school auditorium when Coach Wright will show films of Friday night ball games, and give appropriate comments. Everyone is welcome to attend these meetings.

Slim Cates is President of the Boosters club, Richard Holton is Vice President and Lawrence Brown is Secretary.

The Lynx line averages 161 now, with the switch of two players whose weights are 145 each.

This has cut the average down some, but the defense is shaping up to be real good.

Lynx coaches were generally pleased with the way the squad looked last Friday night, but have been doing a lot of polishing up the running attack since then. "The boys were pretty keyed up for their first game and made one bad fumble which cost them the ball game," the Coach said.

Spearman lost to Sunray Friday night 13 to 12.

The Lynx meet the Gruver Greyhounds here Friday night at Lynx Stadium. Game time is 8 p.m.

LIONS CLUB MEMBERS, Alton Ellsworth, Allen Alford, Woody Gibner and Frank Massad, sold \$675.00 worth of brooms Monday. The local club will keep 40 per cent of the proceeds.

College Student Exodus

A large exodus of students to college will be occurring this week as institutions of higher learning open their doors throughout the land.

The following list includes Freshmen, sophomores, upperclassmen, and some who are at work on their masters. Several married couples, and some with families are also among the college-bound. Of course we have missed some but most students are listed here (127).

Texas Tech and WTSU run a close race for equal amounts of Spearman students attending these schools. 33 go to Lubbock and 32 to Canyon.

School Eases Into Routine

The Spearman school system has begun to settle into the regular routine of a school year, including class work and other activities.

The enrollment total, first published on the day school began, has changed somewhat due to the usual mix-up in the mее which occurs on opening day. In high school, many teachers had students duplicated.

There have been several late registrations, and some students have moved away already.

But with enrollment of virtually all students complete, latest figures show 354 in high school, 361 in Junior High and 374 in the Elementary school.

Previous enrollment figures as of August 29, showed 370 high school; 372 Elementary and 359 Junior High. There has been an increase of 2 in Junior High and 2 in Elementary. High school records show several have moved, more new ones have enrolled, and the duplication of several on the first day of school makes the difference in original figures.

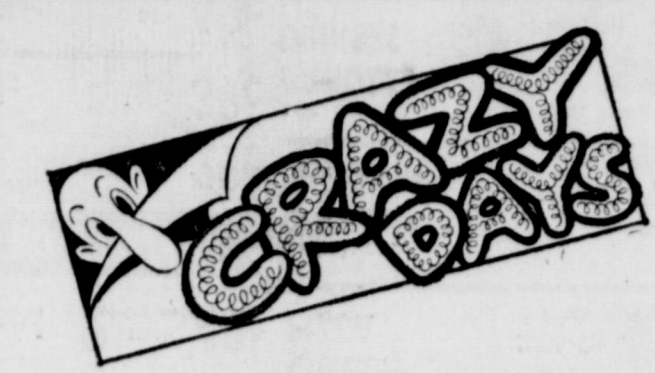

Count by grades in high school is: Freshmen 103; Sophomores 87; Juniors 34 and Seniors 80. Enrollment in high school last year was 338.

A break-down by grades, shows: First 99; Second, 87; Third, 104; Fourth, 84; Fifth, 84; Sixth 106; Seventh 74 and Eighth, 87. Total 735.

MRS. ROY BULLS HAS NEW STORE IN PERRYTON Mrs. Charlene Bulls has opened up a new store in Perryton. The official opening for the gift store featuring unusual gifts and party supplies, home decorator items as well as interior decorating service, was last week end.

The Perryton store will be managed by Mrs. Bill (Nan) Ballenger, a former Spearman resident. Mrs. Bulls has an art supply store and interior decorating shop here in Spearman located at 208 Hancock st.

Mrs. Ed Hutton returned last week from Geneva, Ill. where she had spent 2 weeks visiting her daughter, Mr. and Mrs. Donald Allison and family.

NORTH PLAINS RESEARCH FIELD TO HOLD FIELD DAY SEPTEMBER 22

A field day of special interest to Hansford County farmers has been scheduled at the North Plains Research Field at Etter for 1:15 to 5 p.m. Thursday, September 22.

The program at the installation which is located one mile east and a half mile north of Etter, will include five brief talks by scientists associated with studies at the field and a tour of grain sorghum, soybean and cotton research plots.

Dr. Jack Kyle will speak on the outlook, problems and opportunities for vegetable production in the area. Dr. Allen Wiese will talk on selection of herbicides for a cropping sequence.

Dr. Kenneth Porter will discuss the most promising wheat and small grain varieties observed in 1965 tests and Dr. James Wehrly will talk on optimum versus maximum yield to obtain the most efficient use of irrigation water on grain sorghum and wheat.

All of the speakers are on the staff of the Texas Agricultural Experiment Station.

During the field tour following the talks, visitors will see planting date trials variety tests, her-

icide work and irrigation tests on grain sorghums, soybeans and cotton.

Dr. John Shipley, who coordinates studies at the North Plains Research Field, will give a brief report on the overall research effort at the site.

He believes area farmers may be particularly interested in their test of six varieties of soybeans including the Wayne variety which produced the highest yields in the nation last year and looks promising in the Etter tests.

Shipley is also trying a new watering and row-spacing system on grain sorghum and this work may have significant influence on the area in future years.

Anyone interested in agriculture is urged to make plans to attend the field day on Sept. 22. The event is open to the public.

The Mary Bridges GA's met with the Winnie White GA's at the First Baptist Church recently. Valorie Uptergrove called meeting to order. The Group gave the GA Allegiance. Katrina Kelp read the prayer calendar. Lelia Gollightly led in prayer. A goal of \$12.00 was decided upon by the Mary Bridges group at their State Mission Off-

ering. Mary Lee Ooley led in the closing prayer. Those present were: Valorie Uptergrove, Susan Gates, Lelia Gollightly, Lee Ann Smith, Sabrina Melver, Mary Lee Ooley, Debra McCoy, Karmila Bryan, Barbara Gollightly, Katrina Kelp and the leader Mrs. Don Denham.

PROTECT YOUNG EYES FROM NEEDLESS STRAIN WITH GOOD STUDY LIGHT

Homework requires countless hours at the study table. Check now to be sure your children have good study light. Provide a good table lamp with a 150-watt bulb and a diffusing bowl to prevent glare. The shade should conceal the light source from the eyes and the lamp should be small enough to spread light evenly over the work surface. Good light means better study... better study.

LYNX

CLAW

BAND NEWS

By Danny Robertson

The Lynx band, although depleted of many of its best players by the graduation of the '66 seniors, is showing promise for the '66-'67 year. Mr. Watson believes that some of these freshmen show promise.

The band is short in some sections such as the bass section. Mr. Watson is working to recruit more bass players.

All in all, this year does seem to be another good year for Mr. Watson's Great White Army.

BUSINESS DEPARTMENT

By Gail Upchurch
The shorthand and Typing I students of SHS are learning their A B C's. The typing students are learning the placement of the letters on the keyboard. Shorthand

students have it a little harder since they are learning a new way to write. Although it seems very hard, they are bound to learn a little, anyway, it has been done before.

SPEECH NEWS

By Orville Boege

The speech department will present their first play of the year entitled "The Night of January 16" It will be in the High School Auditorium on October 25.

The scene of the play is a courtroom with a jury that will be taken from the audience. The jury will decide if the defendant is innocent or guilty.

The cast will have to practice two endings because they won't know which of two endings will be used until the jury decides the verdict.

FUTURE HOMEMAKERS OF AMERICA

By Judy Jones

Spearman FHA chapter, headed by Linda Edge, has many plans for the coming school year. The first project is manning the football concession stands for the home games beginning September 9.

The FFA chapter works in conjunction with FHA girls in preparing and selling hot dogs, popcorn, brownies, coffee and cold drinks.

FHA girls receive point credits for participating in all activities. In March the girls with the highest number of points are eligible to attend the FFA are meeting in Lubbock.

Other activities for the year include a booth at the Halloween carnival, decorating the school for Christmas, sending candy, food and valentines to the soldiers in Viet Nam and collecting cancelled postage stamps to sell to stamp collectors in Norway to help fight tuberculosis in that country.

SS CLASS OFFICERS

By Randy Watson

The classes of SHS met recently to elect officers and set up committees.

Leading the senior class will be Anthony Wilkerson-President. Connie Fowler - Vice-President. Nancy McCullough - Secretary - treasurer. A committee was appointed to plan the senior play.

Carroll Day was reelected president of the Junior class. Other officers are: Mike Hendricks - vice-president. Glenda Yancey - secretary. Bill McClellan - treasurer, reporter - Jimmy Brown Sergeant-of-arms - Mike Stewart Business included appointing committees for the junior-senior banquet and prom, the junior play the basketball concessions and the halloween carnival.

The sophomores, elected Bobby Smith as president, vice-president. James Lemmons, secretary - Marsha Shieldknight, treasurer - Debra Largent.

President of the freshman class is Joe Bill Cochran, vice-president Rondal Schell, secretary - Jo Ellen Kirkland, treasurer - Randy Weston, reporter - Steve Spoonmore. The social committee was chosen.

FOOTBALL NEWS

By Ronnie Gilbert

Football season is here again. We have four new coaches, they are: George Wright, Jim Allen, Jerry King and Allen Simpson. The team has been practicing for four weeks & we have the best coaches and the best team.

Several of our summer practices were more entertaining than usual. The players enjoyed practicing in the rain on a field full of water. After one of the morning practices, the team went for a swim; it really took the soreness out.

We have new uniforms this year. They are white pants with purple stripes and white short sleeved jerseys with purple UCLA stripes.

The team members urge everyone to come out and back them this week, as we plan to send Gruver home howling.

MATH

By Brenton Haworth

Our new math department is composed of Mrs. Minnie Weaver and Mr. Terry Schneider, who is still with us from last year.

As all you math people probably know by now, the math department started off with a Bang with assignments and New math. All-in-all, it looks like another year of Hard-Work.

SCIENCE DEPARTMENT

By Jim D. Crawford

This year the teaching staff of the science department of Spearman High School is composed of Mr. Eugene Barkowsky, Mr. Frank Butcher and Mr. Terry Schneider. This is the first year at Spearman for Mr. Barkowsky and Mr. Butcher.

Some teachers of science have methods of teaching they personally prefer. Mr. Barkowsky likes to have students work up a plan for the entire year. As he sometimes says, "It's your Course". Mr. Butcher likes for the students to do all the work in his class. This includes many hours of Lab work and demonstrations. Mr. Butcher believes the students enjoy the course more if it is worked in this manner. Mr. Schneider also likes for the students to do the work because they seem to retain more this way.

If there are any students really interested in science that want a science project they should begin right away. The teachers will be glad to help with any of the problems the students might run into.

LIBRARY NEWS

By Nancy Burke

Miss Rodin has been arranging the new collection of books for the library. Some of the new arrivals include several sets of books, such as The World and It's people, Founders of Freedom in America, American Short Novels and a large selection of plays.

One volume of books that will be of great value to the book reporting students is the author's series. They will give the student an idea of the author writing the book, that they are reporting on.

There are many students working for Miss Rodin in the library during study hall. She has scheduled a meeting for Monday night to choose from these, her regular assistants.

ENGLISH DEPARTMENT

By Jeanette Davis

The English department is following a somewhat new procedure in presenting their material to the students this year.

Diagnostic tests are given the second day of school. Their purpose is to discover, especially in grammar, in what areas student need review. Such procedure also helps the teacher divide his classes according to ability. He can give more individual attention when it is needed.

The English teachers are: Mrs. Vivian Morse, English I, Mr. Marshall Benton, English I and II, Mr. Worley Smith, English II and III and Mr. J. L. Hickey, English IV.

The English IV classes have a new reading program in which the students are given a list of authors under three categories: novel, drama and short stories. The students must read three books under each category during the year. After each book is read the student must write five compositions based on it.

CHOIR NEWS

By Kay Huse

Spearman students will become acquainted with the high school choir when they present their first program on October 18. It will be an assembly during school in the auditorium.

The first half of the program will be of a serious nature, and the second half will be on the light side.

Director Hawk urges anyone interested in joining choir to talk to him. He would like to have more students in second, third and fourth period choir class.

SCHOOL NEWS CONT IN GAL 2

NEW TEACHERS

By Nancy McCullough

There has been a big change of teachers in our school this year. Many new teachers have filled vacated positions. Most students probably don't know about many of the teachers that walk the halls with us.

So just as a start everyone would like to know about Mr. Jerry Hawkins, Mr. Hawkins teaches vocational Agriculture I, Vo. Ag. IV, and keeps everyone quiet in study hall.

Mr. Hawkins graduated from Texas Tech. He has taught two years in Clarendon, three years in Groom and then returned to Clarendon for three more years. He is the Junior class sponsor.

AGRICULTURE DEPARTMENT

By Ronald Gray

Spearman's Agriculture department is getting off to a good start this year. There are 105 boys in Ag, taught by Jerry Felder and Jerry Hawkins.

The boys will participate in several different shows this year including, Dallas, Fort Worth, Amarillo, Houston and the county fat stock show.

Four of the Ag students have brought something new to the department this year. Two registered bulls are to be shown and then sold. Clay Schnell and Bill McClellan own one of the bulls and Phillip Renner and Glen Blodgett own the other. One of them will be taken to Denver by an adult breeder to be shown in the fat stock show there.

Other projects include approximately 100 head of steers on grassland, many registered pigs and several acres of crop land.

Although some boys already have pigs, most of them are yet to be bought.

With the help of Mr. Felder and Mr. Hawkins, the many boys showing will represent SHS very well in every fat stock show they attend.

JOURNALISM

By Jimmy Kunkel

In American History, Coach Allen brought to the attention of the class the new influx of exotic food imports into American supermarkets.

Such foods as stuffed grape leaves from Greece, baby Abalone from Japan and Kiwi fruit from New Zealand, have been pouring into supermarkets at an increasingly high rate. These imports are competing with many American foods on the markets and apparently the public prefers the more exotic foods more each month.

The importers of these foods often supply recipes telling the buyer how to use and prepare them, thus helping to boost their sales.

Don Knox Helps Celebrate "4th"

A historic "fourth" is being celebrated, not in July, but in September by Southwestern Life Insurance Company.

This "fourth" observance is in recognition of the Company's achievement of \$4 billion of life insurance in force. Reaching of the mark was announced by W. Dawson Sterling, president, in a letter

of congratulation to Don R. Knox, Spearman agent.

Announcement letters were sent in red mailing tubes resembling giant fire crackers in the spirit of "celebrating the fourth."

This achievement was reached through the dedicated efforts of representatives such as Mr. Knox who lives at 518 South Townsend St., Spearman.

LETTER TO THE EDITOR

Greetings from the deep south! We keep up with the happenings there by your paper. It would be foolish to say I am home sick for I didn't want to leave Spearman when we left! We stood the trip o.k. and wife is doing well. I am feeling myself again and going to town instead of lying around with my feet in the cooler. We hope to be back Thanksgiving. If we fail to get back before cold weather, throw snow balls for us and we will throw oranges for you. This is beautiful country, but too low and swampy for me. Give me old time religion and let me live where the "dears" and the ante-lope roam. I'd rather be there than here. We remember the people there with love and prayers. They are my people and I long to be back with them. Keep the home fires burning.

HOMEMAKING NOTES

By Linda Webb

The color of autumn is caught up in the many hues of autumn squash or winter squash now beginning to appear on the market. Although it is harvested now, it is available all winter. Winter squash can be recognized by its hard shell and mature seeds.

Hubbard and Acorn squash are the most common varieties available throughout the southwest.

Hubbard squash is the leading squash for general purposes. It is blue or slate colored with a hard thick and coarsely warted skin. The thick flesh is dull orange and fine textured.

To prepare the large Hubbard squash, remove the seeds and fibers, and cut into serving pieces. You may broil, bake or steam squash. It adds a cascade of colors to any meal.

Acorn squash is another popular variety. As you would gather from the name, it looks very much like an acorn. It is small, dark green with deep ridges. The yellow flesh is thick and of fine flavor.

Cook this type without paring it. Bake it whole, or cut in half or quarters with the cut-side down. Serve it buttered or with bacon drippings. The average Acorn squash weighs 1 to 2 pounds.

More than a day's recommended adult allowances of vitamin A is contained in one-half cup cooked winter squash. They also furnish some vitamin B1 and C.

Squash has a history as long as America itself. The Cushaw squash—a favorite autumn variety—was being grown by the American Indians as early as 1586. It is large and white with green stripes. The U. S. Department of Agriculture's Consumer and Marketing Service reports this variety moving to markets in volume.

So adaptable are the members of this tasty vegetable family that some kind of squash could be served every day for a week without repetitious monotony. Not only that but squash are comparatively low in calories for such a high energy food.

Here is a general recipe that could be used for preparing any type of winter squash. Cut 3 pounds of squash into serving pieces. Bake in 400 degree F. oven until done, 50 to 60 minutes. Remove from oven; remove pulp down to skin. Add 3 tablespoons butter, 1/4 teaspoon salt, and 1 tablespoon brown sugar. Beat then fold in 2 tablespoons raisins and 1/2 cup walnuts, chopped. Turn into 1 quart casserole, smooth top and sides of squash with knife. Combine 3 tablespoons brown sugar, 1 tablespoon butter or margarine, and 1/4 cup light corn syrup; drizzle overtop of squash. Bake at 450 degrees until top is crusty, about 15 minutes. Remove from oven and garnish with walnut halves. Serve hot.

Here is an unusual recipe to serve your family as a new dish. Baked Squash with Sausage. Use Acorn squash, allowing one-half squash for each adult serving. Cut washed squash in halves, leaving the peeling on. Scoop out seeds. Place cut side down on baking sheet, or large baking dish. Bake at 400 degrees F. for 25 to 30 min. While squash is baking, brown well-seasoned sausage balls of a

size to fill the squash cavities. A fourth pound sausage for each squash half is about right. Sausage need be only partially cooked.

Remove squash from oven and turn upright. Salt and pepper and rub with butter, if desired. Place browned sausage balls in each squash half. Cover with a sheet of aluminum foil or leave uncovered. (They dry out slightly if left uncovered.) Return to oven and bake about 25 minutes or until sausage is done through. Serve hot. THE LAST NOTE: Don't brag about how brave and fearless you are until you feel your way through a pitch-dark room at 2:00 a.m. to investigate a strange noise, and a broom handle falls against your back.

Mr. and Mrs. T. L. Patton and Jennifer were her recently from Denver visiting the families of Mr. and Mrs. G. L. Patton and Mr. and Mrs. Charles Patton.

Visiting in the home of Mr. and Mrs. W. L. Wagon Saturday was their daughter, Mr. and Mrs. Hal Chase and boys of Perryton.

HENDERSON & PARKS ARE ELECTED TO ANGUS ASSOCIATION

Alva Henderson and Wade Parks, Morse, have been elected to membership in the American Angus Association at St. Joseph, Missouri, announces Glen Bratcher, secretary.

There were 465 memberships issued to breeders of registered Aberdeen-Angus in the United States during the past month.

Classes begin Monday at McMurray College in Abilene were Lloyd McWhirter and Tommy Gibner are attending this year.

Mr. and Mrs. Dan Jackson and their daughter Mr. and Mrs. Oliver Levertov of Odessa went to Red River, New Mexico for a few days vacation.

Mrs. Irvin Delk went with her daughter to Tucson, Arizona where Marva Sue will be employed in the Tucson Public Library. Mrs. Delk returned home by train after spending a few days helping Marva Sue get settled.

FAIR WEATHER AHEAD! AND FUN FOR YOUNG AT FFA CHILDREN'S BARNYARD

All the animals will be there—and so will the youngsters who like to get a close-up look at all types of animals and their youngsters. Time and place will be the 1966 State Fair of Texas, Oct. 8-23 in Dallas, at the Future Farmers of America Children's Barnyard, located in the big red tent adjacent to the Livestock Coliseum.
