County citizens invited to courthouse for cookout

Residents of Lynn County are invited to a free cookout on the grounds of the Lynn County Courthouse on Monday, April 25. Lynn County elected officials and department heads will be cooking and serving hamburgers and all the trimmings from 11:30 a.m. until 1 p.m., to show their appreciation to their employees and county citizens during County Appreciation Month.

Bring lawn chairs for seating, if desired.

County officials also invite residents to tour the courthouse offices to learn more about services the county provides, and to see how the building has retained much of the historical aspects of the original design from 1916.

101 Trudy to celebrate 101st birthday!

Tahoka Centenarian Trudy Schuknecht, who marked a century of life on April 25 last year, will celebrate her 101st birthday on April 25, 2011. Mrs. Schuknecht still drives herself to church in Wilson, and continues to be an integral part of the community. Happy Birthday, Trudy!

Tahoka, other members of CRMWA, to buy water rights from Mesa Water

The City of Tahoka, along with the other ten member cities of the Canadian River Municipal Water Authority (CRMWA), is keeping an eye towards future demands on water supplies with an agreement to purchase water rights to supplement the declining levels of Lake Meredith, the source for water for CRMWA members.

Officials from Mesa Water and the Canadian River Municipal Water Authority announced recently that they have reached a preliminary agreement on the terms of a deal that would result in a sale to CRMWA of approximately 211,000 surface acres of water rights currently owned or controlled by Boone Pickens and Mesa Water.

"We are pleased to have reached this point with Mesa Water," said Norman Wright, President, CRMWA Board of Directors. "The addition of these groundwater rights to those currently owned by CRMWA further reduces our reliance on Lake Meredith as a source of supply. The result of this agreement will benefit everyone involved and ensure that CRMWA is able to continue its supply to member cities for generations in the future."

Tahoka Mayor John Baker is enthusiastic about the project as well. "We are going to be proactive and plan for the future growth of Tahoka," Baker told *The News*. "We could forego this opportunity and would possibly lose out on any chance for additional

water in the future. We are buying in instead, and taking the opportunity to ensure that Tahoka will have water for many years to come," he added.

CRMWA has agreed to pay approximately \$103,000,000 for this nearly 4 trillion gallons of groundwater in place. The preliminary agreement is not legally binding and will be followed by a final purchase and sale agreement at a later date once full due diligence and financing arrangements have been completed. The sale is expected to close in July or August 2011. Tahoka and the other member cities of CRMWA will share in the cost of the project, but city officials here have not indicated what that cost will be.

"When we started this project in 1999, we wanted to make sure people in the Panhandle fully realized the value of the asset under their property," said T. Boone Pickens, Chief Executive of Mesa Water. "With this deal at this time, we have done that. This purchase and prior purchases have put roughly \$200 million into the Panhandle economy for local ranchers and landowners. The Panhandle now has a reliable local water source that they can count on for hundreds of years. This sale will include all of our co-owners who previously sold 50% to us in 2005. This is a classic win-win transaction."

For over 50 years, the CRMWA has worked to serve its member cities and all citizens of the Texas Pan-

handle and South Plains by providing a dependable and safe source of municipal and industrial water. CRMWA supplies raw water to 11 member cities (over a half million people) in the Texas Panhandle and South Plains via a 370-mile aqueduct system. The Authority's current source of water is Lake Meredith and the John C. Williams Wellfield in the Texas Panhandle.

CRMWA was created by the Texas Legislature to provide a source of municipal and industrial water for its 11 member cities: Amarillo, Borger, Brownfield, Lamesa, Levelland, Lubbock, O'Donnell, Pampa, Plainview, Slaton, and Tahoka.

The headquarters is located at Sanford Dam about 37 miles northeast of Amarillo, Texas.

The original project (Lake Meredith and its associated pipelines) was built and financed by the Bureau of Reclamation in the mid 1960's. The groundwater project came on-line in 2001 and its importance and scope has increased as Lake Meredith's storage has declined.

KNOTHOLES in the Woodwork: Someone sent me another list of odd facts last week, and the very first one was only partly right. It said, "If you are right-handed, you will tend to chew your food on the right side of your mouth. If you are left-handed, you will tend to chew your food on the left side of your mouth." That may be true for younger people, but people my age will chew on the side with the most remaining molars, whether left- or right-handed. . .

Other items on that list included that "The Swine Flu vaccine in 1976 caused more death and illness than the disease it was intended to prevent," which doesn't surprise me, and "If you get into the bottom of a well or a tall chimney and look up, you can see stars, even in the middle of the day," which I seriously doubt. . .

"The moon moves about two inches away from the earth every year," said still another item on the list. Maybe because so many people on earth are repulsive. Who measures that distance anyway? . . .

I've finally reached the point where my nine-hole golf score, my waist measurement and my IQ are about the same, according to some people I know and used to like.

THE KINDERGARTEN class had settled down to its coloring books. Willie came up to the teacher's desk and said, "I ain't got no crayons."

"Willie," the teacher said, "you mean, 'I don't have any crayons. You don't have any crayons. We don't have any crayons. They don't have any crayons.' Do you see what I'm getting at?"

"Not really," Willie said. "What happened to all them crayons?"

Obituaries

Pauline Cummings

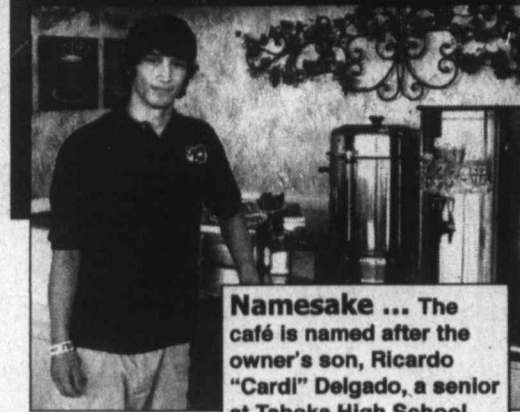

Graveside services for Pauline Alderson Cummings, 94, of Lubbock and formerly of Wilton were held at 11:00 a.m. Wednesday, April 20, 2011 in Green Memorial Cemetery under the direction of Englund Funeral Service of Slaton. She died on April 16, 2011 in Lubbock.

She was born August 20, 1916 in Capitan, NM. She moved to Lynn County as a child and graduated from Wilson High School. She married Earl Cummings 1936. He preceded her in death in 2003. They resided in Wilton until 2001 when they moved to Lubbock.

Survivors include her daughter, Kathy Wyrick and husband, Boyce; one brother, Harold Alderson; one sister, Dorothy White; four grandchildren, and seven great-grandchildren.

New café opens ... Jose Delgado Sr., owner of Card's Café (center, with scissors) gets ready to cut the ribbon to officially open Card's Café at the former Dairy Queen location in Tahoka, with city/business representatives on hand for the ceremonies held at 10 a.m. Thursday, April 14. Pictured from left are City Administrator Jerry Webster, Tahoka Mayor John Baker, Lynn County News owner Vondell Elliott, and Card's staff including Alex Alvarez, Monica Delgado, Kevin Hood, owner Jose Delgado Sr., Jose Delgado Jr., Vanessa Delgado, Vicky Solorzano, and ACT (Advancing the Community of Tahoka) members Vernon Baker, Gloria Deleon and Cissy Ireland. The restaurant is open 10 a.m.-10 p.m. daily. (LCN PHOTOS by Juanell Jones)

Namesake ... The café is named after the owner's son, Ricardo "Cardi" Delgado, a senior at Tahoka High School.

DON'T DRIVE INTO SMOKE ON THE ROAD
Texans face extreme wildfire danger. Wind driven wildfire can move as fast as 60 miles per hour. When you see thick smoke across a highway, do not drive into it. Slow down. Prepare to stop and turn around. Activate your emergency flashers to warn vehicles following you. Check for oncoming traffic. Make sure you can turn around safely. Remember, when there is dense smoke on the road, do not drive into it.

Sweet Peas win game

The Tahoka Sweet Peas, sponsored by Lynn County Hospital District, won against their opponent with a total of six goals. They played in Lubbock on Saturday, April 16.

Wilson VFD fundraiser is successful

On Sunday April 17th, the Wilson Volunteer Fire Department held their Annual Spring Ham & Sausage Dinner and Auction. The dinner consisted of ham, smoked sausage, green beans and baked potato with all the fixings, and a total of a 112 plates were served. Auction

items covered a variety of items and were all donated from businesses in Lubbock, Wilson, Slaton and Tahoka. Some of those items that were auctioned was a shovel from Englund's Funeral Home that sold for \$70 and the most notable auction item was a Case model tractor from Heritage Equipment Company that sold for \$400. Other supporting businesses included American

State Bank, Red Raider Outfitters, Ruby Tequilas, Firehouse Subs, First Bank and Trust, Lyntegar, Mesa Irrigation and many more.

In addition to the Dinner and Auction this year, the department also raffled off a helicopter flight for two over Lubbock and a gift bag. The helicopter flight was donated by our local aeromedical company, Aerocare. The gift bag included Aerocare branded items: a t-shirt, water bottle and hat. The winner of the raffle was Mrs. Sharon Isham.

All funds raised will be used towards firefighter training, equipment and the truck fund. The Wilson Volunteer Fire Department would like to thank everyone who came out and supported us. Additional donations are also much appreciated and can be made throughout the year by going to any First Bank and Trust branch.

COMING TO:

FIRST BAPTIST CHURCH OF O'DONNELL

Mr. Walid Shoebat
will speak on Wednesday, April 27
in the **EVENING SERVICE** at the 7:00 p.m.

Walid has written several books including "God's War on Terror," "Dear Muslim, Let Me Tell You Why I Believed" and "Israel, And The World's Mock Trial," where he exposes anti-Semitism and the hatred of Jews in both the Islamic Christian and secular worlds. He has been a guest on The Light of the Southwest program found on God's Learning Channel on numerous occasions. Go to his web page at www.shoebat.com and you can learn more about him as well as purchase his books and other resources.

Born in Bethlehem of Judea, Walid's grandfather was the Muslim Mukhtar (chieftain) of Beit Sahour-Bethlehem (The Shepherd's Fields) and a friend of Haj-Ameen Al-Husseini, the Grand Mufti of Jerusalem and notorious friend of Adolf Hitler.

Walid's great grandfather, Abdullah Ali Awad-Allah, was also a fighter and close associate of both Abdul Qader and Haj Amin Al-Husseini, who led the Palestinians against Israel. Walid lived through and witnessed Israel's Six Day War while living in Jericho.

As a young man, he became a member of the Palestinian Liberation Organization, and participated in acts of terror and violence against Israel, and was later imprisoned in the Russian Compound, Jerusalem's central prison for incitement and violence against Israel.

After his release, he continued his life of violence and rioting in Bethlehem and the Temple Mount. After entering the U.S., he worked as a counselor for the Arab Student Organization at Loop College in Chicago and continued his anti-Israel activities.

In 1993, Walid studied the Tanach (Jewish Bible) in a challenge to convert his wife to Islam. Six months later, after intense study, Walid realized that everything he had been taught about Jews was a lie. Convinced he was on the side of evil, he became an advocate for his former enemy.

Driven by a deep passion to heal his own soul, and to bring the truth about the Jews and Israel to the world, Walid shed his former life and his work as a software engineer and set out to tirelessly bring the cause of Israel to tens of thousands of people throughout the world: churches and synagogues, civic groups, government leaders and media.

LETTER from the EDITOR

Typographical error embarrasses News

A typographical error in last week's *Lynn County News* was an extreme embarrassment, when a man's name was changed to a word that should not be in print in a family newspaper. I offered profuse apologies to Shi Dotson and his wife Brenda, and would have undone the error if at all possible. Unfortunately, in the newspaper business, once an error is in print and in the hands of the public, there is no taking it back.

I would like to say, however, that the Dotsons were extremely gracious and understanding, taking the high road by forgiving me for the error. It is in situations like these that one usually sees the true character of those who have been wronged, and those that show kindness and grace under pressure are those with high moral character and a heart for forgiveness. Both Shi and Brenda have shown such grace, accepting my humble apologies with kind words and good humor.

That's class. That's the kind of people who live here in Tahoka and Lynn County. And that's why I have a good reason to publish another issue of the newspaper this week. I would like to say this week's issue is error-free, but in the newspaper business it is highly unlikely — so I will just ask now, please forgive our weekly mistakes.

And, thank you, people of Lynn County, for putting up with *The News*. We try, but we aren't perfect yet.

Stand Up

An article released last year in the *Medicine & Science in Sports & Exercise* reported on a study done by researchers at the Pennington Biomedical Research Center in Louisiana which found that people who sit for most of the day are 54% more likely to die of heart attacks. The study was conducted on 17,000 men and women over a period of 13 years. So what does that mean? It means that if you sit for most of your work day your risk of a heart attack more than doubles!

According to Professor Peter Kitzmarzyk at Pennington, sitting is an independent factor of heart attacks. If they sit most of the day people who exercise or don't and people who smoke or don't, still have the same risk (54% higher). Why? It has to do with an enzyme (lipoprotein lipase: LPL) our bodies produce that helps break down fat in the bloodstream and turns that fat into energy. When we stand we have more LPL going through our blood. And here is the kicker — it doesn't matter how fit you are, if you STAND your body

produces more; at least 10 times as much.

So Stand Up!

With many of us having desks jobs that may seem hard to do. Here are a few tips from Yahoo Health to get us up standing a bit more.

Strategy #1: Take two short breaks an hour. Grab a drink from the water fountain. Pop over to the cube next door to say hi. Or simply stand and stretch for a minute.

Strategy #2: Stand during phone calls. It may seem like a small thing but small choices add up in the "end".

Strategy #3: Don't write long emails. Go talk to the person if crafting an email will take longer than 15 minutes. Or stand up and call them.

Strategy #4: Think about a standup desk or at least turn part of your workstation into a stand up area. For example move the phone off your desk and onto the wall so you will have to stand up to answer it.

As always baby steps will help us go from trying to be healthy to living healthy!!

Bulldogs Fall to Coyotes

By: Blake Turner

The Bulldogs lost to Borden County Coyotes by a score of 4-3. Tahoka was unable to really get the bats going as they only recorded three hits.

With the loss, the Bulldogs fall to 5-5 in district play. They find themselves in a must-win situation as the Ira Bulldogs will be coming to town Thursday in a key district matchup.

They wasted a gutsy pitching performance from Swade Hammonds who allowed one earned run in 6 2/3 innings of work.

The Bulldogs playoff hopes took a bit of a hit April 13 as they fell to the Crosbyton Chieftains 13-4. Crosbyton pounded out 16 hits over their 6 offensive innings, and that was more than enough as the Bulldogs could not muster much offense against Crosbyton's right-hander, Michael Medina.

LETTER to the EDITOR

Wilson VFD fundraiser is successful

On Sunday April 17th, the Wilson Volunteer Fire Department held their Annual Spring Ham & Sausage Dinner and Auction. The dinner consisted of ham, smoked sausage, green beans and baked potato with all the fixings, and a total of a 112 plates were served. Auction

items covered a variety of items and were all donated from businesses in Lubbock, Wilson, Slaton and Tahoka. Some of those items that were auctioned was a shovel from Englund's Funeral Home that sold for \$70 and the most notable auction item was a Case model tractor from Heritage Equipment Company that sold for \$400. Other supporting businesses included American

State Bank, Red Raider Outfitters, Ruby Tequilas, Firehouse Subs, First Bank and Trust, Lyntegar, Mesa Irrigation and many more.

In addition to the Dinner and Auction this year, the department also raffled off a helicopter flight for two over Lubbock and a gift bag. The helicopter flight was donated by our local aeromedical company, Aerocare. The gift bag included Aerocare branded items: a t-shirt, water bottle and hat. The winner of the raffle was Mrs. Sharon Isham.

All funds raised will be used towards firefighter training, equipment and the truck fund. The Wilson Volunteer Fire Department would like to thank everyone who came out and supported us. Additional donations are also much appreciated and can be made throughout the year by going to any First Bank and Trust branch.

COMING TO:

FIRST BAPTIST CHURCH OF O'DONNELL

Mr. Walid Shoebat
will speak on Wednesday, April 27
in the **EVENING SERVICE** at the 7:00 p.m.

Walid has written several books including "God's War on Terror," "Dear Muslim, Let Me Tell You Why I Believed" and "Israel, And The World's Mock Trial," where he exposes anti-Semitism and the hatred of Jews in both the Islamic Christian and secular worlds. He has been a guest on The Light of the Southwest program found on God's Learning Channel on numerous occasions. Go to his web page at www.shoebat.com and you can learn more about him as well as purchase his books and other resources.

Born in Bethlehem of Judea, Walid's grandfather was the Muslim Mukhtar (chieftain) of Beit Sahour-Bethlehem (The Shepherd's Fields) and a friend of Haj-Ameen Al-Husseni, the Grand Mufti of Jerusalem and notorious friend of Adolf Hitler.

Walid's great grandfather, Abdullah Ali Awad-Allah, was also a fighter and close associate of both Abdul Qader and Haj Amin Al-Husseini, who led the Palestinians against Israel. Walid lived through and witnessed Israel's Six Day War while living in Jericho.

As a young man, he became a member of the Palestinian Liberation Organization, and participated in acts of terror and violence against Israel, and was later imprisoned in the Russian Compound, Jerusalem's central prison for incitement and violence against Israel.

After his release, he continued his life of violence and rioting in Bethlehem and the Temple Mount. After entering the U.S., he worked as a counselor for the Arab Student Organization at Loop College in Chicago and continued his anti-Israel activities.

In 1993, Walid studied the Tanach (Jewish Bible) in a challenge to convert his wife to Islam. Six months later, after intense study, Walid realized that everything he had been taught about Jews was a lie. Convinced he was on the side of evil, he became an advocate for his former enemy.

Driven by a deep passion to heal his own soul, and to bring the truth about the Jews and Israel to the world, Walid shed his former life and his work as a software engineer and set out to tirelessly bring the cause of Israel to tens of thousands of people throughout the world: churches and synagogues, civic groups, government leaders and media.

LETTER from the EDITOR

Typographical error embarrasses News

A typographical error in last week's *Lynn County News* was an extreme embarrassment, when a man's name was changed to a word that should not be in print in a family newspaper. I offered profuse apologies to Shi Dotson and his wife Brenda, and would have undone the error if at all possible. Unfortunately, in the newspaper business, once an error is in print and in the hands of the public, there is no taking it back.

I would like to say, however, that the Dotsons were extremely gracious and understanding, taking the high road by forgiving me for the error. It is in situations like these that one usually sees the true character of those who have been wronged, and those that show kindness and grace under pressure are those with high moral character and a heart for forgiveness. Both Shi and Brenda have shown such grace, accepting my humble apologies with kind words and good humor.

That's class. That's the kind of people who live here in Tahoka and Lynn County. And that's why I have a good reason to publish another issue of the newspaper this week. I would like to say this week's issue is error-free, but in the newspaper business it is highly unlikely — so I will just ask now, please forgive our weekly mistakes.

And, thank you, people of Lynn County, for putting up with *The News*. We try, but we aren't perfect yet.

Stand Up

An article released last year in the *Medicine & Science in Sports & Exercise* reported on a study done by researchers at the Pennington Biomedical Research Center in Louisiana which found that people who sit for most of the day are 54% more likely to die of heart attacks. The study was conducted on 17,000 men and women over a period of 13 years. So what does that mean? It means that if you sit for most of your work day your risk of a heart attack more than doubles!

According to Professor Peter Katzmarzyk at Pennington, sitting is an independent factor of heart attacks. If they sit most of the day people who exercise or don't and people who smoke or don't, still have the same risk (54% higher). Why? It has to do with an enzyme (lipoprotein lipase: LPL) our bodies produce that helps break down fat in the bloodstream and turns that fat into energy. When we stand we have more LPL going through our blood. And here is the kicker — it doesn't matter how fit you are, if you STAND your body

produces more; at least 10 times as much.

So Stand Up!

With many of us having desks jobs that may seem hard to do. Here are a few tips from Yahoo! Health to get us up standing a bit more.

Strategy #1: Take two short breaks an hour. Grab a drink from the water fountain. Pop over to the cube next door to say hi. Or simply stand and stretch for a minute.

Strategy #2: Stand during phone calls. It may seem like a small thing but small choices add up in the "end".

Strategy #3: Don't write long emails. Go talk to the person if crafting an email will take longer than 15 minutes. Or stand up and call them.

Strategy #4: Think about a standup desk or at least turn part of your workstation into a stand up area. For example move the phone off your desk and onto the wall so you will have to stand up to answer it.

As always baby steps will help us go from trying to be healthy to living healthy!!

Bulldogs Fall to Coyotes

By: Blake Turner

The Bulldogs lost to Borden County Coyotes by a score of 4-3. Tahoka was unable to really get the bats going as they only recorded three hits.

With the loss, the Bulldogs fall to 5-5 in district play. They find themselves in a must-win situation as the Ira Bulldogs will be coming to town Thursday in a key district matchup.

They wasted a gutsy pitching performance from Swade Hammonds who allowed one earned run in 6 2/3 innings of work.

The Bulldogs playoff hopes took a bit of a hit April 13 as they fell to the Crosbyton Chieftains 13-4. Crosbyton pounded out 16 hits over their 6 offensive innings, and that was more than enough as the Bulldogs could not muster much offense against Crosbyton's right-hander, Michael Medina.

Dogs at local shelter ready for adoption

by JUANELL JONES

"Joy" was abandoned on the side of Hwy. 87 ... "Nana" was pregnant and gave birth to her puppies at the shelter ... "Scruffy" was looking for love and a home in Tahoka.

There is a story behind each dog at the Lynn County Animal Shelter in Tahoka, where Animal Control Director Abbey Elrod and her assistant, Maria Banda, take care of the animals that, for various reasons, have been unwanted by their humans. Both women are obviously dedicated to seeing that these dogs are cared for and have an opportunity to find a better home. Each animal is given individual attention – and if Elrod and Banda don't know the dog's name, they name it at the shelter.

"We have kept some dogs for several months while we try to find them a home," said Elrod. "If the animal is adoptable, we try very hard to get it adopted locally or through the Humane

Society. We only euthanize an animal as a last resort, or if it is a dangerous animal that we know won't be a good candidate for adoption," she said.

All dogs currently at the shelter are good candidates for adoption. "Leroy" is a sweet-natured brown and white Boxer/Red Heeler mix who was brought in by his owner and surrendered to the shelter on April 7. He is a medium-sized dog about a year old, and he is eager to greet any visitors at the shelter, propping his paws on the wire mesh to get a closer look at the human on the other side.

A Poka Lambro employee found "Joy" and her two siblings abandoned and starving in a ditch beside Hwy. 87, between Tahoka and the Poka Lambro office 11 miles north of Tahoka. All three females were picked up and brought to the shelter on March 10, but two of the pups were unable to recover from the starvation, and Joy was the only one who survived. She is a brown medium-sized hound

dog mix, about a year old or less. She is another sweet-natured dog at the shelter, happy to interact with any humans or with the dogs in adjoining pens.

Six puppies were found beneath an abandoned house in New Home, and a concerned resident there notified the animal shelter to come pick them up on April 6. "The pups are a mix, we think, of Labrador, Blue Heeler and maybe Rottweiler," said Elrod. "They were full of ticks and we have been treating them for that, but hopefully we can get these puppies adopted out soon. There are four males and two females, two are white with black spots, three are black, and one is golden colored ... really cute puppies," she added.

"Nana," the Black Lab mix that was pregnant when she was picked up in Tahoka on Feb. 23, gave birth to five puppies at the shelter on Feb. 27. Three pups survived, two fuzzy balls of black and one brown. "The mama dog is very nurturing, very sweet, and in fact she tries to mother the other puppies we found in New Home," said Elrod. "Nana" was picked up after she was left at someone's home by a friend, and the friend never returned to claim her.

"Scruffy" lives up to his name. He is a black wire-haired terrier mix, probably about 1-1/2 years old, with some pretty wild looking scruffy hair. But he has a sweet face and is shy and sweet-natured, and will make a good pet for someone. "He was

Animal Control Director Abbey Elrod and Maria Banda

NANA & PUPS

JOY

6 PUPPIES found at New Home

hanging out at South 3rd and Ave. K in Tahoka, without a home, and we brought him in on March 31," said Elrod.

The largest dog at the shelter currently is "Bernard," a Saint Bernard that was found on March 2 north of Wilson on FM 2192. He had a collar, but had

apparently been dropped off in the country to fend for himself.

"All of these dogs are very adoptable and need good homes," said Elrod. Come by the Lynn County Animal Shelter on South 2nd and Ave. H, or call 561-4056 for more information.

OIL AND GAS DOCKET
NO. 8A-0269794

IN RE: CONSERVATION AND
PREVENTION OF WASTE OF
CRUDE PETROLEUM AND
NATURAL GAS IN THE STATE
OF TEXAS

Austin, Texas
March 29, 2011

NOTICE OF HEARING ON THE APPLICATION OF RAW OIL & GAS, INC. TO ADOPT TEMPORARY FIELD RULES IN THE WILLENE (FUSSELMAN) FIELD DAWSON AND LYNN COUNTIES, TEXAS

NOTICE IS HEREBY GIVEN to the public and to all interested persons that under the legal authority and jurisdiction of Title 3, Oil and Gas, Subtitles A, B, and C of the Texas Natural Resources Code, Chapters 26, 27 and 29 of the Texas Water Code, and TEX. GOV'T CODE ANN. §§ 2001 et seq. (2011), the RAILROAD COMMISSION OF TEXAS will hold a hearing on MAY 4, 2011, at 9:00 a.m. at the William B. Travis State Office Building, 1701 N. Congress Avenue, Austin, Texas. This hearing will be conducted in conformity with the TEX. GOV'T CODE ANN. art. §§ 2001 et seq. (2011). For room assignment, on the date of the hearing please check the bulletin board in the 1st Floor lobby. Persons planning to attend this hearing are urged to contact the applicant (see service list) immediately prior to the hearing date to be sure that the hearing will proceed on the scheduled date.

This hearing will be held to consider the application of Raw Oil & Gas, Inc. To adopt temporary field rules in the Willene (Fusselman) Field, Dawson and Lynn Counties, Texas. Applicant seeks the following:

1. Reservoir Interval from 10,849' to 10,876' as shown on the portion of the Induction Electrical Log of the Pan American Petroleum Corporation, Willene Robertson Lease, Well No. 1, Sec. 70, Block 8 EL & RR Survey, Lynn County, Texas;
2. Spacing of 467/1200';
3. 160 Acre Proration Units, Optional 80 Acre Units, 40 Acre Tolerance Provision to the last well on the lease, Maximum Diagonal of 4500' for the 160 acre units and 3250' for the 80 acre units, and
4. 100% Acreage Allocation Formula.

If you have questions regarding this application, please contact the Applicant's representative, Dale Miller, at (512) 478-3456. If you have any questions regarding the hearing procedure, please contact the Railroad Commission, Office of General Counsel, at (512) 463-6848.

IF A CONTINUATION IS NECESSARY, this hearing will proceed at the William B. Travis State Office Building, Austin, Texas, and, to the extent possible, on subsequent working days. The room number and exact time of the continuation will be announced on the record in this proceeding and recorded with Docket Services, Office of General Counsel, Railroad Commission of Texas.

PURSUANT TO SAID HEARING, the Commission will enter such rules, regulations, and orders as in its judgment the evidence presented may justify.

ANY REQUEST FOR POSTPONEMENT of this hearing must be received no later than five (5) working days prior to the scheduled date shown above. Copies of such request must be forwarded to all parties shown on the service list.

TO APPEAR IN SUPPORT OF OR IN OPPOSITION TO THIS PROCEEDING, a party other than the applicant must file with Docket Services, Office of General Counsel, at least five (5) working days in advance of the hearing date, a notice of intent to appear. A copy of the notice of intent to appear should be served on the applicant and any other parties of record.

IF ANY PARTY DESIRES A WRITTEN TRANSCRIPT of the hearing, that party should notify Docket Services at (512) 463-6848, at least five (5) working days in advance of the hearing date. If a written transcript is requested, the Commission may assess the cost of the transcript to one or more parties. Unless any party requests a written transcript, the record will be made by audio recording.

ANY INDIVIDUAL WITH A DISABILITY who needs auxiliary aids and services in order to have an equal opportunity to effectively communicate and participate in this hearing must request such aids or services at least two weeks prior to the scheduled hearing by notifying the Personnel office of the Railroad Commission of Texas by mail at P.O. Box 12967, Austin, Texas 78711-2967, or by telephone at (512) 463-7327 or TDD No. (512) 463-7284.

ALL EXHIBITS FILED AS A PART OF THE RECORD in this cause must be submitted in duplicate. Data in Commission records may be incorporated by reference, but the reference must be specific, and if it includes exhibits filed in prior proceedings before the Commission, a copy of such exhibit properly identified shall be submitted for this record.

THE APPLICANT MUST review this notice and the attached service list for accuracy and completeness. The applicant shall immediately notify Docket Services, Office of General Counsel of any discrepancy or omission.

THIS HEARING REQUIRES NOTICE BY PUBLICATION. 13-4tc

4th at Area ... The New Home FFA livestock judging team competed at the Texas Tech Area judging contests on Saturday, April 9. There they finished 4th overall out of a field of 108 teams. The team consisted of Kollin Long, Jonathan Nieman, Karter Long, and Haley Lehman. Karter Long received the honors of eighth high individual overall. The team will be competing at the state contest at Texas A&M on May 7.

FM 179 project underway

The Texas Department of Transportation (TxDOT) has started work on a project that will make improvements to FM 179, from FM 1317 to US 380, in Lynn County. The \$1.09 million project will rehabilitate and widen the existing roadway, and includes a two-course road surface treatment, said Brownfield Area Engineer Jim Combes, P.E.

During construction, motorists can expect lane closures, with traffic guided through the work area via pilot car and should anticipate some delay.
