On The BEAM

By J. W. King, Sr.

Well we might get to take a short vacation after all. One merchant suggested that we publish an edition of the paper a week early so we could take off. He said he would get his advertising copy in a week early and he thought perhaps others would do the same in order to get me out of town for a while.

All I got to do now is see all the other merchants, get their copy in early, and see my banker and take off. But I'm afraid it won't be that easy. If we set a deadline for advertising a week in advance somebody would be just a little late. We may try it right away anyhow.

Had you noticed that most of the big daily papers are falling in line and plugging for Wm. Blakeley for Senator. That in itself is a good indication that Blakeley is not for the common citizen but for the privileged few.

Senator Ralph Yarborough is my choice for re-election to the Senate. He has worked hard at the job since he has been in Washington. He has voted on almost every bill. On the other hand Bill Blakeley was present and voted only about half the time during his short stay in the Senate. Blakeley and his supporters are making much to do about labor contributing to the campaign expenses of Mr. Yarborough in his race at the special election. Labor has as much right to contribute money to a campaign fund as does the millionaire oil man, rancher or manufacturer. But those opposed to labor and the common citizen yell bloody murder about it.

It won't do 'em any good this time. People have had about all they want of the Republicans running for office on the Democratic ticket. They're gonna vote Democratic this time.

Mr. and Mrs. Willie Spurgin and children of Sweetwater visited in the Jasper Doyle home Friday night.

Fifteen Boy Scouts Enjoy Week In Davis Mountain Camp

Fifteen Scouts from Troop 124, Loraine, returned Saturday afternoon from the Buffalo Trail Scout Ranch. The ranch is located 24 miles southwest of Balmorrhea in the Davis Mountains.

The Scouts departed from Loraine Sunday morning at 8:30. On arrival at the camp that afternoon at 3:30 the Scouts checked in and pitched camp. Monday morning the Scouts participated in Indian Lore and horseback riding classes. That night the local Troop presented a stunt on Nature at the Council Campfire. Other activities at the Campfire included Indian dances presented by the Order of the Arrow and stunts by other Troops.

Tuesday morning the local troop packed two burros and started up the mountain on a trail hike. While on the trail, the Scouts enjoyed powdered food, slept on the ground, and drank spring water. Wednesday afternoon at 5 the Scouts returned to the main camp. Thursday they attended the archery, rifling, compass and map reading, and nature classes. That night at the conservation campfire Darrell Owen, Roy Little, Jr. and Stanley Martin sang and played the saxophone for all the Scouts at the camp preceding a film on wildlife conservation.

Friday, the Scouts participated in an ax yard, first aid, and knot tieing. That night they attended the Council Campfire at which Indian dances, presentation of camping badges, and the Order of the Arrow Tapping out ceremony was presented. Raymond Holt, Scoutmaster, and Gerald Owen were tapped out at this ceremony. The Order of the Arrow is a National Brotherhood of Scout honor campers. They will return to the Scout Ranch July 12-13 to take the Ordeal.

All the Scouts enjoyed the camp activities, good meals, roughing it, and Scoutcraft.

The local troop received third place award of all the troops at the camp on camp inspection. Each campsite was inspected daily and scored, with the grand total score determining the placings.

The group stopped at Balmorrhea State Park on the return home Saturday morning and enjoyed swimming in the world's largest outdoor swimming pool. They also visited Judge Roy Bean's house in Pecos.

The Scouts who attended the camp were Gerald Owen, Roy Little, Jr., David Little, Tim Marcum, Jim Marcum, Don Small, James Mahon, Jerry Rankin, Walter Clopton, Bobby Clopton, Jackie Narrell, Kenneth Johnson, Linton Ray Webb, Stanley Martin, Senior Patrol Leader, Darrel Owen, Junior Assistant Scoutmaster, and Raymond Holt, Scoutmaster.

Boyds Tell Of Trip To Holy Land At Impressive Programs Monday

A treat, the next best thing to making the trip itself was made possible to a large crowd who heard the Rev. Wayland Boyd of Crosbyton Monday night when he showed films and talked of their recent trip to the Holy Land. Rev. and Mrs. Boyd were among a group of 23 who made the 35 day trip in April, returning home May 10.

Making the occasion more impressive and the pictures more vivid was possible by Rev. Boyd's unique presentation in quoting scriptures in connection with the pictures as they were shown. Also adding to the spirit of the occasion was the organ music played by Miss Jimmy Karr and songs by the Crosbyton choir and soloist coming from the church balcony. Each song and scripture was in keeping with the film setting and helped to transmit the message to the audience. The night service was made even clearer to those who had been privileged to hear Mrs. Boyd speak Monday afternoon to the W. M. S. ladies.

The first pictures shown were of the party as they boarded the plane in Dallas enroute to Washington, D. C., where they made a short stay and were shown around by Walter Grubbs. Flying on to New York, the Paris stop, over the Swiss Alps, Egypt, Nile River and into the Promised Land.

As the scenes of the city of Jerusalem and surrounding countryside were shown Mrs. Bill Adams sang the much loved song, The Holy Clity. The Bethlehem scenes were shown as the song Oh, Little Town of Bethlehem was sung. On Jordans Stormy Banks I Stand was heard as the Jordan River and countryside were shown. On and on during the evenings program, music and words, scriptures and vivid scenes were combined to cause each mind to be caught up and placed with the group as they viewed the city of Nazareth, drank from Jacobs well where Jesus met the Samaritan woman, walked the road to Emmaus, stood on the banks of the Jordan River, walked by the blue sea of Galilee, visited the ruins of the temple, saw the shepherds with their flocks on the rolling hills, the mount of transfiguration, the pool of Bethesda, the place where Jesus preached the sermon on the mount as recorded in Matt. and the solimnity of the hour when Rev. Boyd preached the sermon on Mars Hill.

Much of the Holy Land remains as we picture it 2000 years ago. Shepherds tended their flocks on the hillsides, modes of their dress, plowing with a wooden plow pulled by a lone oxen; very crude and primitive living conditions exist in most parts.

The most impressive incident to the Boyds on the entire trip was their early morning visit to the tomb. Because of the age of some of the group, two were 73 and one 84 years of age, the party was scheduled to visit the tomb later in the day. The Boyds had visualized a visit there at dawn and the two made their way from their hotel across the streets and to the outskirts to the place of the skull and to the nearby empty tomb. The quietness and the overwhelming spiritual significance of the occasion made a lasting impression on them as they prayed and regave their lives to the service of Him who had lain in this place. Later the party visited the tomb and the colored preacher with their party sang Were You There When They Crucified My Lord, another spiritual hour.

The party made a short stay in Rome, Switzerland, and a one day visit at the Worlds Fair in Brussels and then home.

In the group were Baptists, Methodists, Lutherans, and of other faiths, but all making the trip for the same purpose and desire, to see the place where Christ walked and to receive spiritual refilling of the Holy Spirit for individual tasks ahead.

At the close of the service the ushers handed out cards on which were pressed flowers made in the Holy Land. The Brotherhood, who sponsored the meeting, served refreshments of freezer ice cream and home baked cakes at the reception and social hour following.

BOYS RELEASED

James Graham and Leroy Ragain, who were arrested with Lonnie Reed, have been released from the Nolan County jail. They were released on Friday following their arrest after a lie detector test proved they were not involved in the offenses of which they had been accused.

MEETING TIME CHANGED

The meeting time for Troop 124, Boy Scouts of America, has been changed to a later time during the summer months, according to Scoutmaster Raymond Holt.

The Troop meetings will be held each Monday night from 8 to 9 o'clock at the Scout hut. All Scouts are urged to attend these meetings. And any boy who is 11 or older is invited to attend the meetings or join the loal Troop.

Rainfall To Date Only Half Amount Received To Same Date Last Year; Crops Need Rain

Rainfall through June of this year had totaled 10.50 inches, less than half the amount recorded at this time last year, which had totaled 21.05 inches.

Because of the heavy rains last year and those of this year up to now there is plenty of moisture only a short distance below the surface. A good rain is needed now to make cotton and feed grow rapidly. Cotton is still doing fine but grain sorghum, which has a shallow root system, needs rain. That is especially true where the plants are booting to head.

PSALM 30:1

I will extol thee, O LORD; for thou hast lifted me up, and hast not made my foes to rejoice over me.

MRS. BOYD SPEAKS TO BAPTIST W. M. S.

Mrs. Wayland Boyd of Crosbyton spoke to the Baptist W. M. S. and other guests Monday at 3 p. m. at the fellowship hall telling of their recent trip to the Holy Land.

Mrs. J. W. King, W. M. S. president, welcomed the group and Mrs. Ed Small led in group singing Count Your Blessings to open the meeting. Mrs. W. D. Green read Luke 11:1 in giving a devotional on the subject, Lord Teach Us To Pray. The G. A. sang We've a Story to Tell to the Nation with Loretta Tartt accompanying, after which Mrs. King introduced Mrs. Boyd.

Mrs. Boyd opened her talk by saying "Who Am I that the Lord would bless me so". The trip to the Holy Land was a dream come true to the Boyds when they were among a party of 23 who made the trip in April, returning home on May 10.

Mrs. Boyd read Luke 8-39 in opening her talk and gave her personal testimony of what the trip meant to her as a Christian and the spots which impressed her most. Many places were visited, Mars Hill, Jerusalem, the Bethlehem manger, the dead sea, Jericho, Jacob's Well, the Emmaus Road, the tomb, Nazareth, Joppa, Capernium, all of which had a decisive significence to the group when the story of each place and incident was reread from the Bible. Many touching incidents were recounted, one of which was the scene when the colored preacher in their group sang Were You There When They Crucified My Lord as they stood before the open tomb.

Immediately following Mrs. Boyd's talk, Mrs. Howard Tartt seemingly continued the beautiful message in song as she sang How Great Thou Art. Mrs. King led the closing prayer.

More than 60 were registered.

WILLING WORKERS CLASS

Mmes Alva and Lily Bennett were hostesses to the Willing Workers Sunday School class in the Alva Bennett home for the June meeting Thursday evening, June 26, at 8 o'clock.

Mrs. Bruce Johnson gave as the devotional, "Mental Hobbies," quoting from R. Roy Keaton, Director General of Lions International. "As a man thinketh in his heart, so is he" was the scripture reference and the speaker brought out that beautiful thoughts led man to seek the higher ideals that lead to a more abundant life for all mankind that is promised the Christian believer when his personality is appreciative of all God's creations, works and gifts. At the conclusion of Mrs. Johnson's talk the Lords Prayer was said in unison.

In the business meeting Mrs. Floyd Coffee accepted her nomination as class teacher for the ensuing year. New curtains were given the parsonage for the living room and bedrooms.

Refreshments of peach ice cream and coconut layer cake were served to Mmes Bruce Johnson, Luther Hamrick, Ralph Lankford, Harold Martin, Doris Martin, James Bennett, Clyde Smith, Willie Taylor, Floyd Coffee, Plez Beaty, Kirk Taylor, by the hostesses.

The meeting for July will be with Mmes Floyd Coffee and Doris Martin. The devotional will be given by Mrs. Wiley Walker.

G. As ENJOY SWIM

The Intermediate Girls Auxiliary meets each Wednesday evening at 7:30 at the fellowship hall and invite and urge all the girls of this age to come and be with them.

BLAIRS HOST CLASS

Mr. and Mrs. Bennett Blair were hosts at a meeting for members of the Couples class of the First Methodist Church Thursday night, at which time officers for the new year were elected.

During the social hour refreshments of hot chocolate, coffee, cake and pie were served to Rev. and Mrs. Abbott and sons, Mrs. J. M. Templeton, Mr. and Mrs. G. C. Martin and girls, Mr. and Mrs. Martin Dobbs, and Mr. and Mrs. J. B. Mahon.

Mrs. Ed Small and Mrs. E. D. Miles were hosts at the June meeting of the Ready Sunday School class in the Small home Thursday night.

Meeting opened with group singing There Shall Be Showers of Blessings, and Wonderful Words of Life.

Mrs. W. D. Green gave a very inspiring devotional on "Being a Fool for the Lord", reading Cor. 4-10. Mrs. George Mahoney led in prayer.

Mrs. Small presided at the business meeting when minutes were read and approved. A nominating committee composed of Mmes Kenneth Butler, Leroy Lucas and Tony Snyder was appointed to select officers for the new year.

Mahon Seeks Another Term In Congress

George Mahon, Congressman from this district, requested this week that we formally announce his candidacy for re-election to Congress. He had filed for a place on the ticket some time ago.

"A long statement would serve no useful purpose," Mahon said, "but I would like for the people to know of my feelings of appreciation for the wonderful support and good will which they have given me through the years."

"And I would like to add this," Mahon said. "We seem always to be living in uncertain and difficult times. Under all conditions and at all times I am doing everything in my power to serve the best interest of our district and of our country. I am always pleased to have the people of our district call upon me. I will deeply appreciate a continuation of your support and confidence."

Mr. and Mrs. Ottis Muns of Culver City, California, and her sister and husband, Mr. and Mrs. Earl Mott of Inglewood, California, came in Sunday for a two weeks stay here at the Muns home. They will attend the annual reunion of the Beaty family.
