Council Meets 7 p.m. Tuesday

City Rates BAA1 On Water Bonds

The city has received a rating of BAA1 on general revenue bonds which will be sold to the best bidder during Tuesday night's special called meeting of the City Council.

Proceeds from the sale of the \$400,000 in bonds will be used to improve the water and sewer works in the city. The rating was received last week from Moody's Investor's Service of New York City and is the same rating given to tax bonds issued by the city for street improvements.

"The rating is the same as for the street bonds and exactly as we expected," said City Manager James Campbell.

Campbell added that the city's financial consultant, First Southwest Co. of Abilene, will have a representative present for Tuesday's meeting and the bids which have been received will be opened at 7.

"We do not know how many have bids on the bonds," Campbell said. He also said that there were 10 bids for the sale of the street improvement bonds and the interest rate was 5.4% on the tax supported bonds.

"If we have a number of bids to choose from, then we're hoping that the interest rate will be about 5 1/2%. We'll have a better chance for a good rate with more bids," he said.

Campbell went on to explain that the tax supported bonds usually bring a lower rate than revenue bonds because of the nature of the investment, that is, on tax bonds, the first money goes to pay off the bonds, but for revenue bonds the money from the city's water and sewer service revenue goes to pay them off.

"Of course, Colorado City has always had a good history but unfortunately that's not the case with some other cities and so we all have to pay," he said.

The \$400,000 in bonds is scheduled to be paid out in 13 years, from 1977 to 1990 and Campbell said that the shorter payment period would be a plus in getting a good interest rate.

If the Council accepts a bid Tuesday, then an ordinance authorizing the sale of the bonds will be passed and the money will be delivered to the city about Jan. 3.

By Jan. 3, the city will have plans and specifications drawn up for the project and bids will be advertised for the work to be done. Campbell said that if the schedule is carried out as expected, the Council will award the contract during the first

meeting in January, set for Jan. 11.

"We want to get the work done before spring before a heavy demand period," he said.

In going over the work to be done, the city manager said that about \$250,000 will be spent on the water treatment plant and repair to the two elevated storage tanks on Chestnut and the standpipe behind Wallace Center. Most of the work at the filtration plant will be to improve filtration and for new equipment. The city's

Community Services Tuesday

Thanksgiving services are set for 7:30 p.m. Tuesday in the First Baptist Church in Colorado City, sponsored by the Mitchell County Ministerial Alliance for the entire community.

A choir practice starts at 6:45 p.m. before the service.

Message will be by the Rev. Bob Ford, pastor of the First United Methodist Church in Colorado City. Assisting will be the Rev. Bob Manning, pastor of the First Baptist Church in Westbrook and president of the Ministerial Alliance, and the Rev. Glenn Roenfeldt, pastor of the First Baptist Church.

Music leader will be Jeff McGowan, music director at the First Baptist Church.

water production should increase with the installation of new equipment, Campbell said.

Also, he said that \$150,000 will be used to improve the sewer treatment plant and for new

Grand Jury Indictments

A Mitchell County Grand Jury, meeting Friday in the District Courtroom, returned indictments against eight people, one a sealed indictment because the person charged has not yet been arrested.

The indictments returned were as follows:

-James Monroe Rich, charged with causing bodily injury to City Patrolman Clyde Wayne Parker in the lawful discharge of his duties, Nov. 5.

-Charles William Miller, charged with causing bodily injury to City Patrolman Jerry Cowin in the lawful discharge of his duties, Oct. 21.

-Juan Medrano and Frank Diaz, charged with using a knife, a deadly weapon, to threaten bodily injury to Porfirio Rios, Oct. 10.

-Thomas Monroe, charged with appropriating a car belonging to Clyde Bassham.

-Driving While Intoxicated, subsequent offense, Eugene Scott and Carlos Ramos Salazar.

School Holiday

Classes will be dismissed an hour early Wednesday afternoon in Colorado City, Lorraine and Westbrook for the Thanksgiving holidays.

School will be out Thursday and Friday and classes will resume at the regular times Monday morning.

equipment at the river lift station, a place desperately in need of new pumps.

"If there's any money left, then new water lines and sewer lines will be installed. The whole \$400,000 will be spent on water and sewer

ASCS Ballots To Be Mailed

District Judge, Weldon E. Kirk of the 32nd Judicial District, was unable to be present for the Grand Jury session. Judge Wayland Holt of Snyder filled in.

ASCS Ballots To Be Mailed

ASCS ballots will be mailed out Nov. 26 to Mitchell County producers to elect members to their Community Committees in three areas in the county.

The present Community Committee met with the County Committee Wednesday and the ballot of nominees was approved.

Three Community Committees will be elected from each of the three communities of the county. The areas and nominees are as follows:

-Community A, west of the river, Robert Bolin, Donnie Dunn, Rex McKinney, A. Preston Morris and Louis Rees.

-Community B, east of the river and north of I-20, Richard Cox, Murrell Blassingame, Terry Haggerton, Jesus Munoz and Curtis Shaw.

-Community C, east of the river and south of I-20, Lester Finley, Robert Holman, Claude Lindsey, Edward Roach and David Stubblefield.

Producers are to mark ballots for not more than three persons and they must be returned to the Agricultural Stabilization and Conservation Service (ASCS) by Dec. 6.

Predator Control Meeting

A meeting has been set for 9:30 a.m. Tuesday in the Charles C. Thompson meeting room of City National Bank annex.

Subject of the meeting is predator control, says Mitchell County Extension Agent Bob Benson.

A slide-tape presentation covering an overview of the program, use of the M-44 and use of traps and snares will be shown, Benson stated.

Jack Bowen, county trapper, will be present and, following the morning program, will take anyone interested into the field and give additional training on how to properly set traps, snares and M-44s.

Meeting Tuesday

This month's meeting of the Mitchell County Historical Commission has been changed to 3 p.m. Tuesday because of bad weather last week.

The meeting will be held in the Hesperian Room of Mitchell County Library.

improvements," Campbell stated.

He added that \$25,000 will be spent this year on installation of water lines from the operating budget.

Representatives from Parkhill, Smith and Cooper, the city's engineering consultants, will be present and will have a plan which they will give to the Council which will outline exactly how the money will be spent.

Another item on the agenda for Tuesday's meeting is a discussion with Price Construction Co. owner Sonny Price and Engineer Wayne Harrison concerning payment of estimate No. 3 to the company for street improvements.

JUNIOR VARSITY basketball team at Colorado High School is pictured here before their first game of the season with Westbrook Monday evening. The team won 73-62. From left to right, they are: standing, Ester Martinez, Sara Selvera, Nita Simmons, Belia Perez, Jessica Randle, Debbie Scott, Anne Marcom, Gail Sheen, Sylvia Martinez, Eddie Gibson; front row, Mary Helen Godina, Judy Green, Terri Hulme, Janice Ridge, Carolyn Lewis, Diane Kelley, Bertha Arispe, Angie Rivera, Letricia Martinez and Rosa Badillo.

Immunization Date Nov. 29

Date for the Immunization Clinic for Swine Flu has been set for Monday, Nov. 29 at Wallace Center.

The clinic will be open from 11 a.m. until 6 p.m. In Lorraine, the clinic will be from 1-4 p.m. Dec. 1 at Johnson Clinic.

Representatives from the Texas Department of Health Resources will be at Wallace Monday afternoon at 3:30 for a special training session for all volunteers who will help with both clinics in the county.

Barbara Gray, local coordinator of the program through the First Lady Volunteer Program, says that Monday's meeting is a must session for anyone who has volunteered to help with the clinic.

"They will be giving us instructions in procedures and methods during Monday's training session and this is for all volunteers, LVNs, RNs and others who will be helping," she said.

Mrs. Gray encouraged anyone not yet immunized to

come to the clinic and get the shots against the flu. "There is a possibility that the vaccine might not be available except during the clinic and we are encouraging everyone to get these shots," she said.

Anyone 18 and over is eligible for the immunization, as well as those children under 18 who might have some sort of chronic illness, Mrs. Gray said.

Persons 65 years of age and older will receive a bivalent vaccine against two types of flu: Swine Flu and Victorian Flu.

Those between 18 and 65 will receive a monovalent vaccine for the Swine Flu only.

Transportation to the Center will be provided to those persons who need it. They need only phone the Center, 728-2392, and someone will arrange to come to their homes to get them.

A back-up doctor will be available to answer questions and help screen applicants.

The list of those who have volunteered their services to help with the immunization program includes the following:

Dr. Thomas Aguillon, Doreen Pender, Mary Lou Bell, Laverne Jones, Rhee Webb, Melba Hackfeld, Versie McMillan, Friday Moore, Liz Alvarez, Petra Galvan, Ceola Whitesides, Allie Hammans, and Ruth Duncan.

Also, Cecil Smith, Imogene Webber, Mary Womack, Freddie Utsman, Louella Byrne, Lou Terry, Wynne Jameson, Bernice Hilliard, Dorothy Forbes, Jo Ann Merket, Inez Howell and Pam Butler.

Also, Grace Wyatt, Frances Sweat, Rachel Molina, Shirley Nail, Jeneal Kincaid, Ludie Selvera, Margaret Costin, Maxey Lee Root, Linda Alvarez, Elia Gonzales, Sybil Stevens and Audry Goss.

Sheriff's Holiday Warning

The holiday season is also the season to be on the alert for shoplifters and to take precautions against theft, warns Mitchell County Sheriff Bill McGuire.

Merchants should be observant and watch for people they don't know who are in large groups or wearing a lot of loose, extra clothing, the sheriff said.

"They should also be sure to get proper identification on all checks and get the license numbers of anyone behaving in a suspicious manner," he said.

People who are gift shopping can guard against loss of purchases if they will be sure to lock their cars, put large numbers of gifts in the trunk, and above all, be sure not to leave windows rolled down or keys in the ignition.

Also, they should keep their homes locked and if they are going to be gone, stop newspaper delivery and alert a neighbor or phone the Sheriff's Office or Police Department.

They can also be on the lookout for suspicious behavior from people in the neighborhood and watch for unfamiliar cars.

As with merchants, if they see anyone acting in a suspicious manner, they can take down the license number of cars, and, "it sure does help the law enforcement officers," the sheriff said.

"Nine times out of ten, there might not be anything to it," he concluded, "but it's that one in ten when it can help that counts."

Ginned Bale Count Grows

Stripping was halted by last week's snow storm and the bale count stands at 6,768 for the eight gins in the county.

Totals were reported from the gins as follows:

--Buford Coop, 548 bales.

--China Grove Coop, 479 bales.

--Colorado Gin Co., 72 bales.

--Farmers Gin in Colorado City, 870 ginned, 100 on the yard.

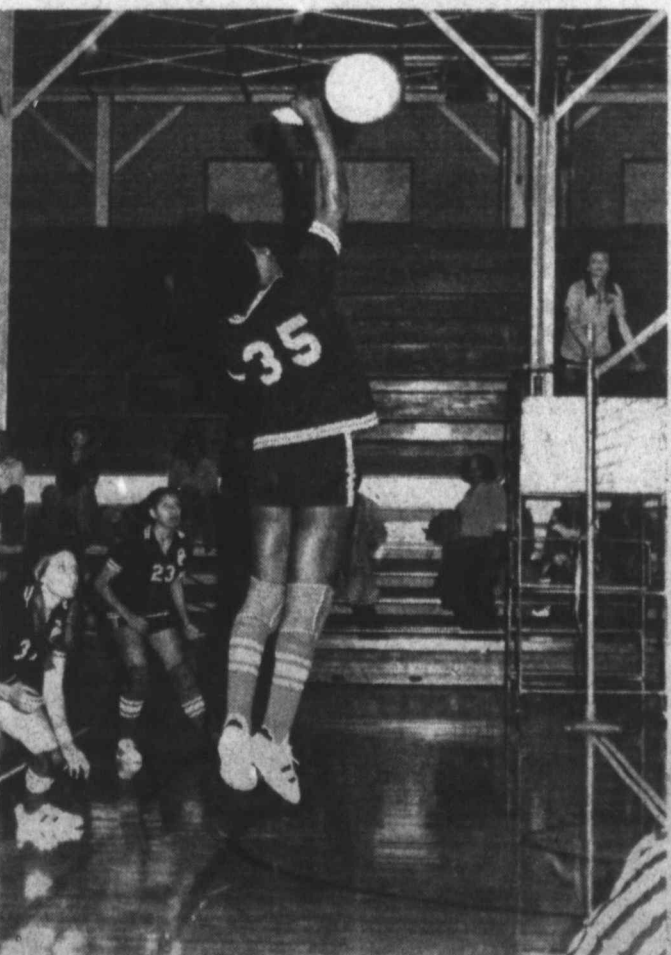

--Lorraine Coop, 1,814 ginned, 554 on the yard.

--Mitchell Co. Gin in Lorraine, 710 bales.

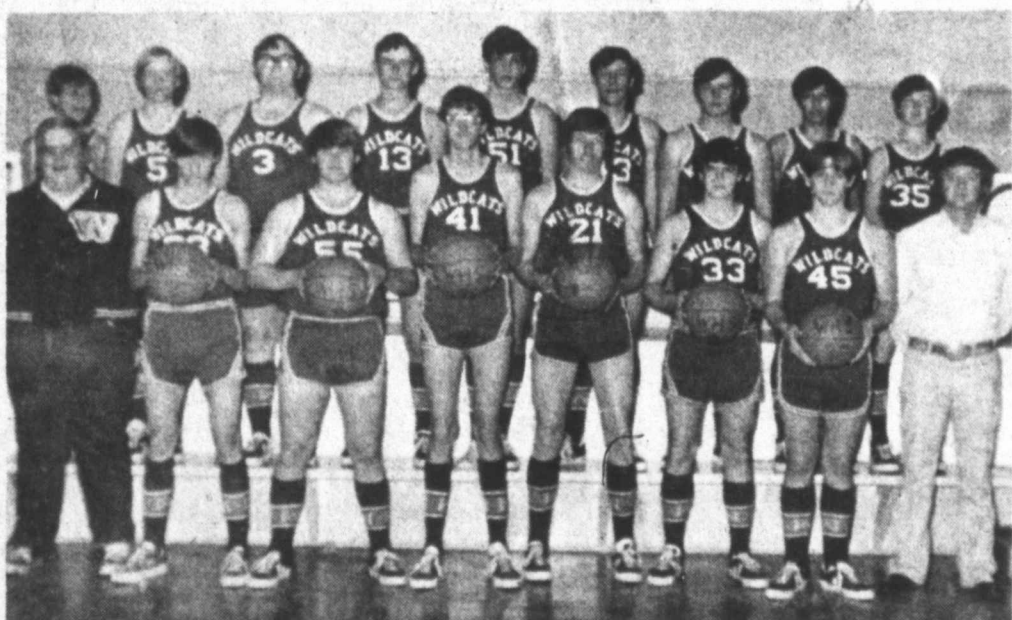

--Planters Gin in Westbrook, 306 bales.

--Producers Coop in Colorado City, 1,303 bales.

--Total ginned, 6,102; on the yard, 656; 6,758 bales.

BI-DISTRICT VOLLEYBALL action in Big Spring's Howard College Gym Tuesday night was fast and furious as this soon-to-be spike shows. The CHS player about to spike the ball is Vicki Lewis. The girls lost to Denver City in the Bi-District game after going undefeated in district competition.

WESTBROOK WILDCATS started their basketball season recently and are vying for a district title once again this year. From left on the back row they are John Daniels, Clark Sweatt, John Manning, Daryl Rich, Terry Webb, Ronnie Diese, Gary Don Rich, Ricky Reyes and Allen Hogue; front row, Warren Zant (manager), Gary Mensch, Bobby Moody, John Lightfoot, Bobby Matlock, Gerald Colbert, Ron Hudgins and Coach Dale Byrd.

GIRLS VARSITY BASKETBALL team at Westbrook High School this year, coached by Charles Parnell, are pictured here, from left to right: back row, Virginia Gonzales, Pam Parsons, Linda Lunceford, Rosemary Lopez, Teresa Dorn, Julie King, Becky Mensch and Jana Shackelford; front row, Jane Miller, Georgeann Smith, Renee Murry, Tracy Brookover, Linda Anderson, Dana Dora, Janice Ritchey and Lisa Anderson.

Young Homemakers Club Meets For Program On Making Holiday Breads By Ruby Butts

The regular monthly meeting of the Young Homemakers Club met Tuesday

night, November 16 at 7:30 p.m. at the Lone Wolf Medallion Room.

A program was given by Ruby Butts, the Seury County Extension Agent, on holiday bread making. Janis Choate, the Mitchell County Extension Agent,

provided all supplies necessary for the program and aided Miss Butts with the demonstration.

Peggy Smith and Roxie Strain helped mix the bread dough for everyone before the others arrived. Then everyone was able to participate and learn from doing. Miss Butts showed how to make a Swedish Tea Ring, a braid, and a rose shaped bread. Coffee and hot apple cider were served with some of the fresh baked bread following the demonstration.

Business for this month included the official change of the office of president. Tina Raschke, who was president, has moved, so the vice president, Roxie Strain, is now club president.

Also a telephone committee of Jane McGowan and Tonya Canada, was set up to

remind each member of the coming meeting.

Three new members joined the club Tuesday night. They are Nelda Browne, Brenda Kirschbaum, and Barbara Casey. One visitor, Patty Henager, was also present.

Other members attending were Gay Ritchey, Vicki Schmulen, Theresa Young, Cresta Mitchell, Cheryl Kennedy, Jannie Benson, and Jane Findley.

Next month's meeting will be a Christmas party for members and their families. Everyone is to bring some kind of Mexican food for a buffet style dinner.

The Christmas dinner is scheduled for December 28 at 7 p.m. at the Lone Wolf Medallion Room. There will

not be any baskets fixed for the needy families as planned since this will be after Christmas.

Candy Sales Campaign

Members of VICA and DECA chapters of the Distributive Education and Industrial Cooperative Training classes at Colorado High School are conducting a fund-raising campaign.

They are selling candy in cans at a cost of \$1.50 each and will be contacting city residents with the candy to sell.

Money raised during the campaign will be used for an Employer-Employee banquet to be held in February.

Love Feast Set For November 21

The Thanksgiving Love Feast will be held on Nov. 21 at St. Luke's Methodist Church beginning at 6 p.m. The meat will be provided by the church and members

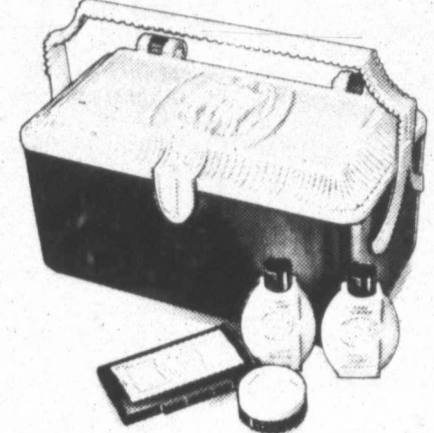

are asked to bring vegetables and dessert.

The young people of the church will be presenting the Thanksgiving program.

Inheritance Tax Relief Is Sought

Comptroller Bob Bullock has announced that he will ask the Legislature in January to grant Texans some state inheritance tax relief by increasing exemptions for surviving spouses to \$100,000 and for surviving children, grandchildren or parents to \$50,000 each.

Bullock estimated the proposal would exempt an additional 18,000 beneficiaries per year from the basic state inheritance tax. If enacted into law, it would mean 77.7 per cent of all beneficiaries would be totally exempt from state inheritance tax, he said.

The Comptroller said current law provides an exemption of only \$25,000 for all Class A beneficiaries-surviving spouses, children, grandchildren and parents. "That law was written in 1923 and hasn't been changed since," said Bullock. "A \$25,000 estate back then would have been sizable. Today it would be considered modest."

Because the dollar is worth so much less today, Bullock explained, "the state inheritance tax has become particularly burdensome to farmers and ranchers."

Bullock said his proposal was selected after extensive research by his Inheritance Tax Division of actual 1974 inheritance tax returns. He added that his office has worked closely with various farm and ranch groups and the House Ways and Means Committee in developing the proposal.

City Native Completes 30 Years With Shell Oil

R. M. (Bob) Stell, electrical technician in the Northern District of Shell Pipe Line Corporation's Central Division, has recently completed thirty years of service with the corporation.

From temporary employment as painter second class at Colorado City and yardman at Scurry Station, Stell went to Wink as a pipeline worker in March, 1947. The following year he was promoted to district telephone maintenance foreman.

He was transferred to Wichita Falls, where he remained until April, 1957 when he was transferred to Kermit as field maintenance electrician.

Assignment as electrical foreman took him to Kingman, Arizona, in the Four Corners Division for approximately ten years.

Following an extended assignment as electrical inspector in Wood River, Illinois, Stell assumed his present position in Hobbs, New Mexico effective January 16, 1970.

A native of Colorado City, Stell attended school here. He is married to the former

Martie Elna Womack of Colorado City. They have two daughters, Mrs. George (Linda) Watson of Paramount, California, and Mrs. David (Marsha Ruth) Gill of Hobbs. They also have two granddaughters and two grandsons.

The Stells live at 2603 Propps, Hobbs.

Abbott Attends School

Ptl. Kenneth D. Abbott of the Colorado City Police Dept. was among 29 law enforcement officers, including two Federal Bureau of Investigation agents, who took part in a recent three-day public information school sponsored by the Texas Crime Prevention Institute (TCPI), which is headquartered at Southwest Texas State University.

Representatives of state and local agencies discussed individual programs, stressing thinking and strategy. Samples of the types of materials and methods used to gain media support for crime prevention programs were displayed and discussed.

After the presentations, there were discussion groups designed to help develop new materials. Participants were asked for opinions on whether it is better to stay with local programs or to move toward statewide programs.

Mikle Completes Training

Airman William A. Mikle, son of retired Air Force Master Sergeant and Mrs. R. L. Mikle of 978 E. 15th St., Colorado City, has been assigned to Chanute AFB, Ill., after completing Air Force basic training.

During the six weeks training at Lackland AFB, Tex., the airman studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman Mikle will now receive specialized training in the aircraft equipment maintenance field.

The airman is a 1976 graduate of Colorado High School.

Cooper Services Thursday

Joseph Weldon Cooper, brother of Woodrow Cooper of Colorado City, died at 5:45 a.m. Wednesday at Rolling Plains Memorial Hospital. He was 50 years old.

Services were at 2 p.m. Thursday at Lamar Street Baptist Church in Sweetwater. Rev. Orvel Brantley, pastor, and Larry Fluitt, minister of the Lamar Street Church of Christ, officiated.

Burial was in the Garden of Memories, under the direction of McCoy Funeral Home.

Born Sept. 1, 1926, in Trent, he married Ruby Nell Gill October 5, 1946, in Merkel. He was a member and deacon of Lamar Street Baptist Church.

A veteran of World War II, Cooper was manager of one of the Little League baseball teams in Sweetwater for a number of years. He had lived in Sweetwater for 30 years.

Survivors include his wife; two sons, Michael Weldon of Aurora, Colo., and Stephen Todd of the home; his mother, Mrs. W. M. Cooper of Trent; two sisters, Delphine Watson of Trent and Thelma Driggers of Clyde.

He is also survived by seven brothers, Woodrow of Colorado City, James of Lubbock, Billy of Las Vegas, Nev., Hastings and Austin, both of Odessa, Emory of Fort Worth and Mitchell of Big Lake.

Palbearers were Joe Whitworth, Jimmy Whitworth, Lowell Burleson, A. J. Pointer, J. V. Martin and Kelton Williamson.

Moore's Go To Grand Ol' Opry In Nashville

Mr. and Mrs. J. P. Moore of 1245 Oak St. have returned from a two week vacation to Arkansas, Tennessee, Alabama, Mississippi, and Louisiana.

They were accompanied

by their daughter and son-in-law, Mr. and Mrs. Pearl Crockett of Bridgeport.

Highlights of the trip included a tour of the Battleship U.S.S. Alabama and the submarine of the same name. The Moores also visited the Grand Ole Opry in Nashville, Tennessee and were treated to a chili supper at the KOA Campground near the Opry.

Since their return, they have had Mrs. Moore's sister, Mrs. Vetrual Jones of Grand Prairie, visiting in their home. Mrs. Jones also visited in the George Bryant home in Colorado City before her departure Friday morning.

GIVE THANKS

Rev. Bob Manning
Pastor
First Baptist Church
Westbrook

Let us give Thanks! "I will praise Thee with my whole heart; before the Gods will I sing praise unto Thee" (Psalms 138:1). This is the first in a cluster of eight Davidic psalms. (138-145). It is a beautiful Thanksgiving melody. How full is this Psalm with reasons for Thanksgiving.

Let us give thanks for DIVINE PROMISE "for Thou has magnified Thy Word above all Thy Name" (vs. 2). The "Word of Promise" made to David was, in his eyes, more glorious than all else he had seen of the Most High. In His Word, God has given many exceeding great and previous promises, and they are all worthy of acceptance. What God freely promised, He has faithfully performed; what He has spoken with His mouth, He has fulfilled with His hand. God has manifested His loving, kindness and faithfulness to us in His Word.

Let us give thanks for DIVINE PITY, "In the day when I cried Thou answeredst me" (vs. 3). No proof more effectively convinces than experience. One cannot doubt the power of prayer after receiving an answer to his own supplication. It is the distinguishing mark of the true and living God that He hears and answers the prayers of His people. "In the day when I cried" seems to suggest that the answer came almost as soon as it was uttered.

Let us give thanks for DIVINE POWER, "and strengthenedst me with strength in my soul" (vs. 3). It is one gracious way of answering prayer when God bestows upon us spiritual strength to overcome an obstacle rather than removing it. If God does not remove Paul's "thorn in the flesh" (II Cor. 12:7). He develops Paul's character by proving to him that His "grace is sufficient" (II Cor. 12:9). God has not forgotten you. He will supply an inner strength with which to meet all of life's demands.

Let us give thanks for DIVINE PROTECTION, "Though I walk in the midst of trouble, Thou wilt revive me" (vs. 7). When it appears that the air of trouble will suffocate the child of God, He puts into it the oxygen of His sustaining Grace. God air-conditioned the fiery furnace until Nebuchadnezzar, the persecutor of the three Hebrew youths, said, "Lo, I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like the Son of God" (Daniel 3:25). "When thou passest through the waters, I will be with thee" (Isaiah 43:2). How often the Lord quickens us by our sorrows and troubles. Are they not God's most effective means of exciting to fullness of energy the holy life which dwells within us? If we receive verification, we need not regret affliction.

Let us give thanks for DIVINE PERSISTENCE, "The Lord will perfect that which concerneth me" (vs. 8). The Lord will not leave His work unfinished; He will complete what He has begun in the Christian. We are "confident that He which hath begun a good work in you will perform it until the day of Jesus Christ" (Philippians 1:6). God is concerned with all that concerns His children. He will see that nothing pertaining to our full and final salvation fails of completion. So let us GIVE THANKS.

Conservation Practices Employed

Texas farmers and ranchers continue to do the best job of any group in Texas toward improving our environment.

In 1976 they went a long way in achieving the national goal of preserving and improving our capacity to produce food and fiber, and cleaning up our lakes and streams.

Texas farmers and ranchers cooperating through soil and water conservation districts carried out the following conservation practices during the 1976 fiscal year:

-Brush control, 1,512,000 acres.

-Conservation Cropping Systems, 3,800,000 acres.

-Crop Residue Management, 3,162,000 acres.

-Critical Area Planting, 13,000 acres.

-Deferred Grazing, 6,749,000 acres.

-Diversion Terraces, 781,000 feet.

-Farm Ponds, 3,790.

-Fish Pond Management, 5,184.

-Grassed Waterways, 4,311 acres.

-Irrigation Pipeline, 4,576,000 acres.

-Minimum Tillage, 642,000 acres.

-Mulching, 15,000 acres.

-Pasture and Hayland Planting, 597,000 acres.

-Range Seeding, 281,000 acres.

-Planned Grazing Systems, 3,102,000 acres.

-Gradient Terraces, 998,000 feet.

-Level Terraces, 24,000,000 feet.

-Parallel Terraces, 13,588,000 feet.

-Wildlife Upland Habitat Management, 8,296,000 acres.

-593 GPCP Contracts, 1,156,000 acres.

In addition to the above, technical assistance was provided to 658 landusers in establishing commercial recreational enterprises. Assistance was provided to 7,413 landusers in private recreation developments.

Technical and financial assistance was provided through the SCS, ASCS, FmHA, and Extension Service in establishing many of the above conservation practices.

Brintle To Be Buried In C-City

Mrs. H. V. (Zelma) Brintle, 63, of Concord, Calif., died Wednesday in California.

Services are being arranged with Kiker-Seale Funeral Home.

Born Oct. 4, 1913, she married H. V. Brintle Dec. 24, 1931. She was a former member of the 22nd and Austin Street Church of Christ and had lived in California for more than 20 years.

Survivors include her husband; a daughter, Mrs. J. N. Burleson of Snyder; a sister, Kathleen Palmer of Abilene; and three brothers, Hubert Palmer of Borger, Milburn Palmer of Colorado City and Sam K. Palmer Jr. of Los Angeles, Calif.

Westbrook Names Top Five

Georgeann Smith, senior, leads the Westbrook High School National Honor Society Top Five for the first quarter of the 1976-77 school year.

NHS membership is determined on four qualities: scholarship, character, service, and leadership.

The names and ranks of the Top Five Westbrook NHS members for the first quarter reporting period this school year are as follows: Georgeann Smith (Sr.), 96.76; Dana Dorn (Sr.), 96.18; Tracy Brookover (Soph.), 95.95; Clark Sweatt (Soph.), 93.85; and Bobby Matlock (Sr.), 93.50.

A framed display of the pictures and ranks of the members making the Top Five NHS is placed in the school foyer. These ranks are determined on the grade averages made by the NHS member from the beginning of the ninth grade through the first quarter grade reporting period for this school year.

This is one of the chapter's projects.

Man Makes Second Visit To C-City On Horseback Enroute To El Paso

Although horses are not unusual in the west, there was something a little unusual about one such team who passed through Colorado City last Tuesday.

The rider was Bob Seney of Renton, Washington and this was his second trip through Colorado City. He was through here in May of 1975 on his way to Shreveport, La., final destination, Florida.

He is now on his way to the Mexican-American border to complete his fifth border-to-border trip on horseback. He has also made a complete trip coast-to-coast.

Seney, a short, stocky outdoorsman, began his travels at 15 years old as a runaway. "They called us 'Road Kids' back then," he recalled. "We rode the freight trains with the hobos and camped out."

He reminisced about his early traveling days and

some of the scrapes he got into as a result of his independence at such a young age.

When he was 18, Seney joined the Army and was with the horse cavalry for 12 years of combat duty. During the next 23 years, he traveled overseas as well as in the United States.

He retired in 1953 from the Armed Forces and began where he left off.

Seney has, since he was 15, traveled in all 50 states and on horseback in 48 of them. His gray horse,

named Trooper has made the entire 48 state trip with him once and according to Seney, is the "only living horse who has been in the 48 continental states."

His other horse, Tramp, which he uses as a pack horse, was obtained in Alabama. Seney began this particular trip two years ago.

And of all the sights he has seen during his long trek across this country, he said his first look at the Grand Canyon was certainly "the most impressive."

PICTURED ABOVE IS Bob Seney of Renton, Washington as he posed in front of Beasley Feed & Seed, where he purchased feed for his two horses for their trip on to El Paso. He stopped overnight in Colorado City at the States Motel on E. Hwy. 80 before heading to the border to complete his fifth border-to-border tour of the United States.

Autumn Is Season Art Show

What produces one of autumn's largest outdoor art shows in the world?

Contrary to popular opinion, Jack Frost is not the producer. In fact, early frost will greatly reduce the abundance and brilliance of the autumn leaf colors by killing or, severely injuring the leaves before the pigments reach their maximum development.

To better understand what sets the forests ablaze with fall color, there must be an understanding of the precise chemical clockwork within the leaf cells. During the growing season, green chlorophyll, floating in millions of tiny capsules in the leaf sap, is used to convert sunshine into energy for food making.

Chlorophyll is chemically unstable and must be continually renewed in the leaves.

Along with the green there are also two yellow pigments, carotene and xanthophyll, which are as numerous but are masked by the outer layer of the green chlorophyll. The two yellow pigments are chemically stable and remain until the leaf finally turns brown.

The red pigments, anthocyanins, usually appear late in the growing season and are produced from a combination of sugars, fall sunlight, and cool nights. High concentration of simple sugars in leaf cells, temperatures below 45 degree F. yet above freezing, and diminished respiration, all favor anthocyanin formation.

What are the conditions that start the brilliant blanket of color that begins in the mountains and extends to the coast? By early September there are about three less hours of daylight over midsummer. Days are short and crisp. Nights are long and cool. The sun's warming rays strike the leaf surface at an angle and are reflected rather than absorbed. Early autumn chlorophyll synthesis ceases while the breakdown of the unstable chlorophyll already present proceeds at an accelerated rate.

As the chlorophyll diminishes, the yellow pigments become apparent. The more prominent colors in the autumn landscape, the reds and purplish reds, are due to later synthesis of anthocyanins. Cool nights are a must in anthocyanin formation as they tend to interfere with the sugar removal from the leaf.

All autumn hues result from blends of three primary pigments, the rich yellows of carotene, the palest yellows of xanthophyll, and the reds and purple reds of anthocyanin.

Anthocyanins are water soluble and are not confined to capsules as are the yellow pigments. They appear in the upper cell layer of the leaf and tend to hide the other colors.

The most vivid colors appear after a warm dry summer and early autumn rains which prevent early leaf fall. Long periods of wet weather in late fall produce a rather drab coloration.

Droughts favor anthocyanin formation principally due to the indirect effects of soil water deficiency upon the metabolism of the plants. Drought conditions also favor red pigment formation due to the reduction of nitrate absorption.

Some of the most startling color combinations are to be found in the leaves of red and sugar maples, sassafras, sumac, blackgum, sweetgum, Northern red oak, scarlet oak, sourwood and dogwood.

Ginkgo, hickory, and yellow poplar produce few if any anthocyanins and usually just display a golden yellow.

North Carolina leads the parade for leaf lookers, and depending upon the season, the species of trees involved, and the relative proportion of the three pigments, just about every imaginable color combination may be seen.

HD Council Plans Christmas Lunch

The Mitchell County Home Demonstration Council met Nov. 18 at 2:30 p.m. in the Lone Wolf Electric Medallion Room.

Mrs. Billie Smith, president, presided. Mrs. Lucille Blasingame led the prayer. Six clubs were present with 11 members and four officers present.

Club reports were given from each club. Mrs. Alfred Daily gave her report from the Leadership Training Workshop she attended in San Angelo on Nov. 12. The Workshop was given by Mrs. June Cline, organizational specialist from Texas A&M, College Station. Also attending the workshop was Mrs. Mabel Givens, Mrs. Ruth Holman, Mrs. Charles Williams.

Mrs. Cline's main aim was on Education Expansion and Exhibit and the need to increase the membership all over the state. A goal of 10% increase was set.

Mrs. Bea Harlow gave her report on the Cancer Seminar to be held Dec. 7 at 7:30 p.m. in the Charles C. Thompson Room of the City National Bank. The Seminar will be given

by Dr. G. Gilbreth from Abilene.

The Christmas Luncheon will be held December 16 at the Lone Wolf Medallion Room at noon. Also a Christmas Food Program, set for 3 p.m. on Nov. 19 was discussed.

The float committee chairman Mildred Free asked the council to participate in the Christmas Parade. The council acted on Mrs. Free's suggestion and decided to have a float in the parade.

Mary Daly was appointed chairman. Each club president is to meet with her on Nov. 30 at 2 p.m. at the Extension Office to plan the float.

Janis Choate reminded each club to turn in their yearly work sheets to her.

The Stock Show was discussed and scheduled for January 6-8. The work committees were assigned. The menu was also discussed and will consist of chili dogs, chili, pies, brownies, and stew.

The next meeting of the Home Demonstration Council will be the Christmas Luncheon at the Lone Wolf Medallion Room at noon, December 16.

GARDEN CLUB BAKE SALE was held in the Charles C. Thompson meeting room of City National Bank annex Friday as club members held their annual fund-raising project. Proceeds from the sale go toward the upkeep of the Club's circle plantings in the city. Pictured here, from left to right: back row standing, Mrs. Jane Edge, Miss Clara Shoemaker, Mrs. Anabel Shepherd and Mrs. Bernice Hilliard; seated, Mrs. Vina Gayler, Mrs. Flora Brown, Mrs. Virgie Lyle, Mrs. Emma Taylor and Mrs. Alice Coles.

LETTER TO THE EDITOR:

(EDITOR'S NOTE: The following letter was sent to the Loraine Fire Department November 17, and copies were sent to Captain Homer Bailey and Sergeant Vernon Stehling.)

Gentlemen: It is my personal observation that a great group of men, The Loraine Volunteer Fire Department, have gone

without recognition for their efforts far too long. Your assistance to me as a State Trooper, and to other State Troopers of Mitchell County, is certainly appreciated.

I realize that words of thanks are not enough for the many long, cold nights that you have spent helping us with traffic accidents in the Loraine area. Many

times there have been no fires, or any indication of fire, yet you men were there helping with traffic direction and seeing to the injured. May I add that this has always been done in a very professional manner.

I know the facts show that you men are constantly attending classes of instruction and field training in fire fighting and life saving techniques. This proves to me that you are sincerely interested in your department and your community.

A special thanks for your assistance during the recent snow and ice storm. Your long hours and hard work assisting stranded motorists, pulling vehicles from ditches, and helping the State Troopers certainly did not go unnoticed.

If, at any time, I may be of assistance to the Loraine Volunteer Fire Department, please do not hesitate to call me.

Again, thank you for your tireless effort and assistance.

Very sincerely yours,
Tommy L. Parker

Mary Elizabeth Williams, James Albright Exchange Wedding Vows October 9

Miss Mary Elizabeth Williams of Odessa became the bride of James Albright, also of Odessa, October 9, in a 7 p.m. ceremony set in the First United Methodist Church of Odessa.

The bride is the daughter of Mr. and Mrs. Bobby L. Williams of Odessa. The groom is the son of Mr. and Mrs. Jack Goodwin Albright of Odessa and the grandson of Mr. and Mrs. J. Wiley Walker of Loraine.

Rev. Norman Grigsby, church pastor, officiated at the double right ceremony.

Mrs. J. A. Cribbs, organist, played traditional wedding selections and accompanied soloist, Mrs. Randy Walker, cousin of the

groom, as she sang, "We've Only Just Begun" and "The Lord's Prayer."

Wedding vows were exchanged before an arch candelabra holding lighted votives and twin brass tree candelabra with lighted tapers and greenery on the altar. Pews were marked with greenery and votive candles.

The bride, given in marriage by her father, wore a princess silhouette style gown of oriental silk and Belgium laces. The gown featured a wedding ring neckline and long fitted lace sleeves.

The bodice and sleeves were encrusted with bridal pearls. Her cathedral length veil of silk illusion was edged

in matching lace and fell from a camelot headpiece of identical lace.

She carried a cascade of white butterfly roses accented with ming fern and baby's breath atop a pearl Bible from the Holy Land.

Miss Susan Taylor was maid of honor. Mrs. Paul Dee Finn, sister of the groom; Mrs. Bobby Williams, sister-in-law of the bride; and Mrs. Ray McFarland were the bride's attendants.

Each wore a gown of crystalline with lace inserts, bordering the wide V yoke with ruffles of self material and a wedding ring neckline of lace.

The lower deep hem ruffle was edged in lace. They wore light blue picture hats and carried colonial bouquets of blue and yellow blossoms with baby's breath.

Misses Mary and Marsha Williams, the bride's cousins were flower girls. They wore matching blue gowns and picture hats with blue ribbon and carried white baskets with blue and yellow flowers.

Jack G. Albright, served as his son's best man. Paul Dee Finn, brother-in-law of the groom; Bobby Williams, brother of the bride; and Ray McFarland were groomsmen.

Jeffrey Williams, brother of the bride, was ring bearer.

Donnie Williams, brother of the bride, Paul Dee Finn, and Bobby Williams seated the guests.

The church parlor was the setting for the reception honoring the newlyweds immediately after the ceremony.

The bride's table was laid with a lace cloth over white satin. Punch was served from a silver punch bowl. The tiered wedding cake featured a wedding couple. Nuts and mints were also served.

The groom's table was laid with a light blue cloth. A chocolate groom's cake and nuts were served. Coffee was served from a silver service. The bride attendants' bouquets were used on the serving table.

Mrs. Louddie Williams registered guests. Serving in the houseparty were Meses. Joy Castleman, Doug Adams, T. C. (Johnny) Walker, Oscar Albright, Ralph Pat Rushing, L. B. Eitner, and Misses Kathy Castleman and Lisa Albright.

The couple honeymooned in New Mexico and Colorado and reside at 913 W. 19th St., Odessa. The groom is employed by SIW Pipe and Supply, Inc. He is a graduate of Odessa High School and Odessa College. The bride will graduate in February from Odessa High School.

The groom's parents host-

ed the rehearsal dinner in their home.

Out of town guests included Mr. and Mrs. J. Wiley Walker of Loraine, the groom's grandparents. Other guests were from Lubbock, Longview, Midland, Andrews, Grand Prairie, Dallas and Ore City.

Classes Dismiss For Holidays

A memorial gift, one given in memory of a friend or relative to a deserving organization, is a gift that lasts.

Money given to organizations in memory of a friend or loved one helps that organization in many ways. There are many such organizations that can be helped by memorial gifts.

One local organization that is deserving is the Woodland School. This school, in operation here for more than two years, was organized to help special young people.

It has received great support from Mitchell County residents as well as a number of various organizations, private, public and religious groups.

One way that you can help is to make a memorial gift in the event of the death of a friend or relative. A gift, regardless of amount, will help in supporting this fine organization.

Each Memorial Gift will be acknowledged by a special card that will be sent to the family of the person whose name the gift is made.

In order to make a Memorial Gift to the Woodland School, contact Bernice Hilliard, 728-3946, or Dona Reed, 728-2669.

Houseplants-Subject Of Garden Club Meeting

Mrs. Ben (Naomi) Elliot spoke on the topic "Houseplants-What & Why" during the regular monthly meeting of the Colorado City Garden Club recently.

Mrs. Elliot mentioned that one of the biggest problems in caring for houseplants is overwatering. "It is also beneficial in growing plants indoors to know their needs," she said. "Some plants benefit from direct sunshine but there are plants which cannot live in sunshine and need to be placed in a shaded window."

The program was introduced following a business session. Members reported informally on attending the District VIII meeting in Ozone and Project Chairman Mrs. E. M. Owen gave a report on Friday's Bake Sale.

Mrs. Helen Chambers submitted her resignation as Garden Club, president-for the remainder of her term which will be filled by Mrs. Roy Davis Coles.

Following the program, Mrs. Anabel Shepherd displayed two crescent arrangements using dried materials, one in a driftwood container.

Those present for the meeting included Mrs. John Brown, Mrs. W. S. Edge, Mrs. Robert Garner, Mrs. Walter Gayler, Mrs. Lynn Halbert, Mrs. T. W. Lyle, Mrs. Fielding Lee Sr., Miss Clara Shoemaker, Mrs. Owen, Mrs. Coles, Mrs. Shepherd and Mrs. Elliot.

ORDINANCE NO. 76-39
AN ORDINANCE GRANTING A RENEWAL OF A CATV FRANCHISE TO FRONTIER TV CABLE COMPANY, INC. TO OPERATE AND MAINTAIN A CABLE TELEVISION SYSTEM IN THE CITY OF COLORADO CITY, TEXAS, SETTING FORTH THE TERMS AND CONDITIONS ACCOMPANYING THE GRANT OF THE RENEWAL FRANCHISE AND PROVIDING FOR REGULATION OF THE CABLE TELEVISION SYSTEM.

WHEREAS, Frontier TV Cable Company, Inc. ("Grantee") is operating a CATV System in the CITY OF COLORADO CITY, TEXAS, ("Community" or "Franchising Authority") pursuant to a permit awarded to the Grantee by the Franchising Authority on May 8, 1967, and commencing on May 8, 1967, which allows the Grantee to construct and operate a CATV System in the Community until May 8, 1977, and;

WHEREAS, the Franchising Authority has been advised by the Grantee, that pursuant to Section 76.11 (b) and (c) of the Federal Communications Commission's Rules and Regulations, an application for a Certificate of Compliance must be filed by the Grantee, at least thirty (30) days prior to the expiration of its current franchise or March 31, 1977, whichever occurs first, in order to allow the Grantee to continue to supply CATV service to the citizens of the Community pending Federal Communications Commission action thereon; and;

WHEREAS, the Grantee is desirous of filing such an application for a Certificate of Compliance at the earliest possible date to insure continued CATV operations in the Community; and;

WHEREAS, in order to obtain such a Certificate of Compliance from the Federal Communications Commission, the Grantee is required to furnish the Federal Communications Commission with a copy of its Renewal Franchise, or other appropriate authorizations, that contains recitations and provisions consistent with the Federal Communications Commission's franchise standards as set forth in Section 76.31 of the Federal Communications Commission's Cable Television Service Rules; and;

WHEREAS, the Franchising Authority has conducted full and open public hearings regarding the award of a Renewal Franchise on September 14, 1976, at which any and all members of the public desirous to make statements or present evidence concerning the award of a Renewal Franchise were afforded an opportunity to do so, after notice of such a hearing was duly published on September 12, 1976; and;

WHEREAS, the Franchising Authority has reviewed and is satisfied with the legal, technical, character, and financial qualifications of the Grantee and its performance in operating the CATV system since the inception of CATV service, now therefore;

BE IT ORDAINED BY THE FRANCHISING AUTHORITY AS FOLLOWS:

Section 1. Grant of Authority.

[a] There is hereby granted by the Franchising Authority to the Grantee, the continued right and privilege to construct, erect, operate and maintain, in, upon, along, across, above, over and under the streets, alleys, public ways and public places now laid out or dedicated, and all extensions thereof, and additions thereto, in the Community, poles, wires, cables, underground conduits, manholes, and other television conductors and fixtures necessary for the maintenance and operation in the Community of a CATV System for the interception, sale and distribution of television and radio

signals. The Community may make and impose such requirements fixing the location of poles, towers and conduits as are not unreasonably burdensome upon the Grantee and do not unreasonably interfere with the operation of said facilities.

[b] All poles or towers shall be so erected so as not to interfere with the traffic over the streets and alleys. Locations of all poles, towers, line and appurtenances shall be fixed under the supervision of the City of Colorado City giving consideration to reasonable operation of the same; providing further that such location shall not be a vested interest, and the same shall be removed by Grantee whenever the same restrict or obstruct the operation or location of any future operations or locations of said streets and alleys and public places.

Section 2. Compliance with Applicable Laws and Ordinances.

The Grantee shall, at all times during the duration of this Renewal Franchise, be subject to all lawful exercise of the police power by the Community and to such other reasonable regulation as the Franchising Authority shall hereafter provide.

Section 3. Duration of Franchise.

The duration of the rights, privileges and authorities hereby granted shall be fifteen (15) years from March 31, 1977, and commencing on the effective date hereof; provided, that the Grantee shall have the option of extending this Franchise for an additional period of fifteen (15) years upon application by the Grantee not later than six (6) months before the expiration date of the Franchise and not earlier than one (1) year before the expiration date of this Franchise. Provided, however, that such a renewal of this Franchise is specifically conditioned upon a review and approval by the City Council of the Community at a public proceeding affording due process of the Grantee's qualifications and performance, the adequacy of the Franchise provisions, and its consistency with the Rules and Regulations of the Federal Communications Commission.

Section 4. Rates.

[a] A schedule of the maximum rates to be charged by Grantee for their services to subscribers shall be as specified in Appendix "A" attached hereto and incorporated herein for all purposes.

[b] All subsequent changes in said rates, shall be subject to the prior approval of the Franchising Authority after an appropriate public hearing is held thereon affording due process to all interested parties.

[c] Recognizing the pendency of Congressional legislation at the time of the passing of this Ordinance which may impose copyright liability upon all or a part of the cable television service rendered by Grantee in the Community, and further recognizing the uncertainty and jeopardy into which such potential liability places Grantee, should such copyright liability be imposed upon Grantee by any court or by the Congress, Grantee shall have the right to increase its rates for regular subscriber services in order to offset such copyright liability. Any increase in Grantee's rate schedule pursuant to this paragraph shall be limited to the amount of the copyright liability imposed. Such increase shall not be subject to the procedures specified in the preceding paragraph and shall become effective ten (10) days after notice of such increase is given to the Community together with a certification that the increase is due solely to the imposition of copyright liability and that the increase is limited to an amount necessary to cover the amount of the liability.

Section 5. Payment to Community.

[a] For the use of the street and other facilities of the Community for the operation of the CATV System and for the municipal supervision thereof, the Grantee shall pay to the Community annually during the life hereof that amount of money which is equal to three percent (3%) of the gross subscriber revenues received by said Grantee from its operations under this permit and franchise, including monthly charges, but exclusive of installation charges. Payment herein required shall be in addition to ad valorem taxes as the same may be assessed or charged by the Community. The payment by the Grantee of the three percent (3%) of the gross subscriber revenues shall be paid to the Community within 90 days of the end of the Grantee's fiscal year.

[b] The Grantee shall submit a certified gross receipts report certified by a company officer each year and not later than ninety (90) days after the close of Grantee's fiscal accounting year. Grantee will also make any other additional reports requested in writing by the Community and Grantee's books shall be at all times, subject to inspection by the officers of the Community, for the purpose of ascertaining the gross receipts for tax purposes.

Section 6. Insurance.

The Grantee shall procure, furnish and file with the Community or its designated agent, evidence of insurance with a company approved by the Community, covering liability and property damage in amounts as mutually agreed between the parties hereto.

Section 7. Identification.

The Grantee shall hold the Community harmless from all claims for damages arising out of the construction, maintenance, or operation of said CATV System or other apparatus under the control of the Grantee.

Section 8. Standards of Service.

[a] The Grantee shall render efficient service, make repairs promptly and interruptions insofar as possible shall be preceded by notice and shall occur during minimum use of the system. Upon receipt of a complaint of the quality of service, equipment and malfunctions, and similar matters, Grantee shall promptly investigate such complaints. Where possible, the Grantee shall investigate such complaints within twenty-four (24) hours of their receipt. Resolution of such service complaints shall be made promptly. For the purpose of investigation and resolution of regular service complaints, Grantee shall maintain an agent or a local business office located in the Community. In addition, the Grantee shall maintain a toll-free business telephone for the receipt of complaints and requests for repairs or adjustment.

[b] The City Council hereby designates the City Manager of the Community to receive complaints by subscribers regarding the quality of service, equipment malfunctions and similar matters. The Grantee shall be promptly notified by the City Manager of any such complaints. The Franchising Authority hereby designates the City Manager to establish local complaint procedures for the Community and to insure that all subscribers be given notice of the procedures for reporting and resolving complaints at the time of initial subscription to the cable system and periodically thereafter.

Section 9. Right of Revocation.

The Community shall have the right to rescind or revoke the rights herein granted upon any substantial violation by the Grantee of any of the obligations and requirements contained herein after written notice by the Community to Grantee in continuation of such violation, failure or default.

[a] Such written notice to

the Grantee shall specify the manner in which the Grantee is in violation, failure or default with respect to the franchise;

[b] The notice given by the Franchising Authority shall give the Grantee a specified, reasonable amount of time within which to correct the violation, failure or default, but in no event shall the time period be less than thirty (30) days from the date of receipt of the notice to the Grantee.

Section 10. Separability.

If any section, sub-section, sentence, clause, phrase, or portion of this Renewal Franchise is for any reason, held invalid or unconstitutional by any Court of competent jurisdiction, or any state or federal agency having jurisdiction over such matters, such portion shall be deemed a separate, distinct, and independent provision and such holdings shall not affect the validity of the remaining portions thereof.

Section 11. Regulatory Action.

[a] The performance by the Grantee hereunder is subject to limitations, restrictions, or requirements now existing or which may hereafter be imposed by law, rules or order of the Federal Communications Commission or any other government, board, commission, or authority of any kind. The Grantee shall not be deemed in breach of any of the requirements of this Renewal Franchise to the extent it performs in accordance with or refrains from doing anything prohibited by such law, rule or order.

[b] Should the Federal Communications Commission modify or amend the provisions of Section 76.31 of its Rules and Regulations entitled, "Franchise Standards," such modifications or amendments shall be incorporated into this Renewal Franchise within one (1) year of the adoption of the modification or amendment, or at the time of the renewal at the expiration of the Renewal Franchise pursuant to the terms and provisions hereof.

Section 12. Miscellaneous.

[a] The Grantee will, upon 7 hours' request and payment in advance of a reasonable charge, which charge shall be subject to review at any time by the City Council, and adjustments, raise or lower its wires temporarily to permit the moving of houses or other bulky structures. The minimum height of all wires shall be eighteen (18) feet over streets and alleys and public places or conform to all applicable codes which may now be in effect or become effective hereafter.

[b] The Grantee may trim trees upon and overhanging the said streets, alleys, sidewalks and public places to the extent reasonably necessary to prevent the branches from coming into contact with the wires or cables of the Grantee, under the supervision of the City Engineer of the Community and at the expense of the Grantee.

[c] Grantee presently contemplates and has contracted to sell all of the assets of said cable television system to Landmark Cablevision Associates, a limited Texas Partnership, and if said sale is consummated, specific authority to assign this franchise to Landmark Cablevision Associates, or a wholly-owned subsidiary of Landmark Cablevision Associates, is hereby granted, otherwise this franchise shall not be assignable without the express prior written consent of the Franchising Authority.

[d] The Grantee shall be entitled at its option, at any time or from time to time, without the necessity of obtaining the consent or approval of the Franchising Authority, to grant liens on or security interests in its right, title and interest in, to and under the franchise granted pursuant hereto, upon such terms, covenants and conditions as the Grantee may agree

upon with the party or parties to which such liens or security interests may be granted [such party or parties are hereinafter referred to as "Secured Parties"]. In addition, any of the Secured Parties may, in connection with the grant of such liens and security interests, exercise all rights and remedies accruing to such Secured Parties under and pursuant to the Security Agreements and other instruments and documents executed and delivered by and between the Grantee and the Secured Parties, and, in addition thereto, all rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of Texas and as otherwise available at law, including, without limitation, foreclosure and realization upon the Grantee's right, title and interest in, to and under the franchise granted pursuant hereto, through the sale or other disposition of such franchise or otherwise, all without the necessity of obtaining any consent or approval of the Franchising Authority.
