

THANKSGIVING

A TIME TO GIVE THANKS FOR ALL GOOD THINGS...

Mitchell County Briefs

Christmas party

The Tejas CowBelles will have a Christmas party on December 7 at the Snyder Country Club. Each member is asked to bring a gift costing no more than \$5 to be sent to Girls Town. Anyone interested in CowBelles is asked to contact Sue Guelker or Maureen Morris.

Co of C office closed

The Chamber of Commerce office will be closed Thursday and Friday in observance of Thanksgiving, announced Chamber Manager Linda McCombs. The office will be open for business as usual on Monday morning.

Santa looking for letters

Christmas is not too far away and kids are already planning on what to ask Santa to leave under the tree and as usual the RECORD is acting as a relay station between Colorado City and the North Pole. So, parents be sure to send your kids' "Letters to Santa" to us and we will print them in our Christmas edition before forwarding them on to Santa. We would like for the kids to include their name and address when they sign the letter.

CYO to sponsor dance

St. Ann's Catholic Youth Organization will sponsor a dance Saturday, November 27 at the Civic Center. Entertainment will be by "The Sweet City Band" from Sweetwater, featuring Sammy Alvarez. The dance will last from 8 p.m.-midnight, with the charge of admission being \$6 per person. All proceeds will go toward a skiing trip to Ruidoso, New Mexico. For more information, call Raymond Zamarripa at 728-8217 or Jesse Munoz at 728-5566.

Tickets available

Opti-Ms. President Becky Manning wants to remind everyone that the club is selling advance reservations for the "Magic of Christmas" show by telephone. Prices for the advance tickets are \$2 for children and \$3 for adults; at the door, tickets will be \$3 and \$4. The 90-minute show will feature a clown, singers, puppets, magic and Santa, of course. Ms. Manning also said that the club is still sponsoring Friday night skating at the Wallace Center from 7 p.m. to 9 p.m.

Answerline

Answerline is a regular feature of the Colorado City RECORD. Readers with questions on any subject may write or telephone the RECORD with questions they would like to have answered. Letters must bear the reader's name, address and phone number for verification, although names will not be published. Mail inquiries to: Answerline, P.O. Box 92, Colorado City, Texas 79512.

(Q) In regard to the Answerline in the November 21 Edition of the Colorado City RECORD: We do have a skunk living under our house (he lives there most of the time—however he does come and go...we don't bother him about his decision).

We contacted the police department and they sent the animal control warden to our house. He told us that if we caught the skunk ourselves that he would dispose of it.

How are we supposed to catch this animal? The answer from the police chief implies that the animal control warden would get rid of the skunk—not just carry him off after we catch him. What is correct?

(A) City Manager Rick Crowley said that they were supposed to do "everything we can to get rid of the animal," noting that sometimes they ran into the problem of the smell; some people want them to get rid of the skunk without the danger of the yard being sprayed by the animal and sometimes this is not possible. Nevertheless, if the citizen needs further assistance, he should contact the city manager's office, Crowley said, and he would be glad to work with him.

Around Town

Why does PETE FURNACE keep a tape recorder wrapped in wax paper and sitting beside the refrigerator?...BILL CARTER offers to take a picture...DEBBIE LYNCH is at loose ends...DAVID and LINDA FEASTER don't share secrets...All ROBERT HOBACK wants for Christmas is a full night's sleep...WOODY ANDERSON is a good welder...DON BENNETT stops by the Kiwanis Park...JANICE OURS-BOURN gets rained on...Happy birthday to the BOSS.

Dream comes true

Apartment construction begins

"Loraine Senior Citizens had a dream," said organization president Roy Wells while speaking to the large group attending the symbolic groundbreaking ceremony held at the Loraine Senior Citizen's building Saturday afternoon.

After three years of working and planning, that dream is finally coming true with the beginning of construction on the 16-unit Taylor-Witta Apartment Complex for senior citizens.

The complex is named in honor of Willie Taylor and Rev. Fred Witta, who, with the help of David Marion of Farmers Home Administration, started trying to

turn the dream into reality.

Present for the occasion were Representative Dick Burnett of San Angelo and Dale King, an agent from Congressman Charlie Stenholm's office, along with several local dignitaries such as Loraine Mayor Royce Beights, Colorado City Mayor Elmer Martin and County Judge Bill Carter, who gave the invocation.

They were not the only dignitaries present, however, for as Wells pointed out, "Anytime you live to be 60 or 70 years old, you're a dignitary," and there were plenty of senior citizens on hand for the celebration.

Several people were

introduced prior to the symbolic groundbreaking, including Willie Taylor, past president of the group, Darlene Hamrick, the on-site manager, Marsha Rickard, director of the Loraine Nursing Home, and Evert Mask, building superintendent.

A wheelbarrow full of dirt from the site where preliminary work has already started was the center of attention. Wells noted that the ceremony was held indoors because work had already started outside and they didn't want to get in the way and there was always a possibility of inclement weather.

The \$385,000 for the project was received on Tuesday, November 11 and the work began shortly thereafter.

After speeches by several people, Wells and Lula Bond turned the first spadeful of dirt, then Royce Beights turned the next, followed

by Ginger Preston, presenter to represent her father, County Commis-

sioner Bill Preston. Many others turned a spadeful, including Co-

lorado City Mayor Martin, before the festivities were over.

LULA BOND and Roy Wells turn the first spade of dirt during the symbolic groundbreaking ceremony Saturday afternoon in Loraine, held in honor of the beginning of construction on the Taylor-Witta Apartment Complex. Wells is the president of Loraine Senior Citizens, Inc. and Mrs. Bond was representative for the Senior Citizen group.

Parade of Homes slated for Dec. 18

The Christmas Parade of Homes, chaired by the Business and Professional Women of Colorado City and sponsored by the Chamber of Commerce will be held on Saturday, December 18.

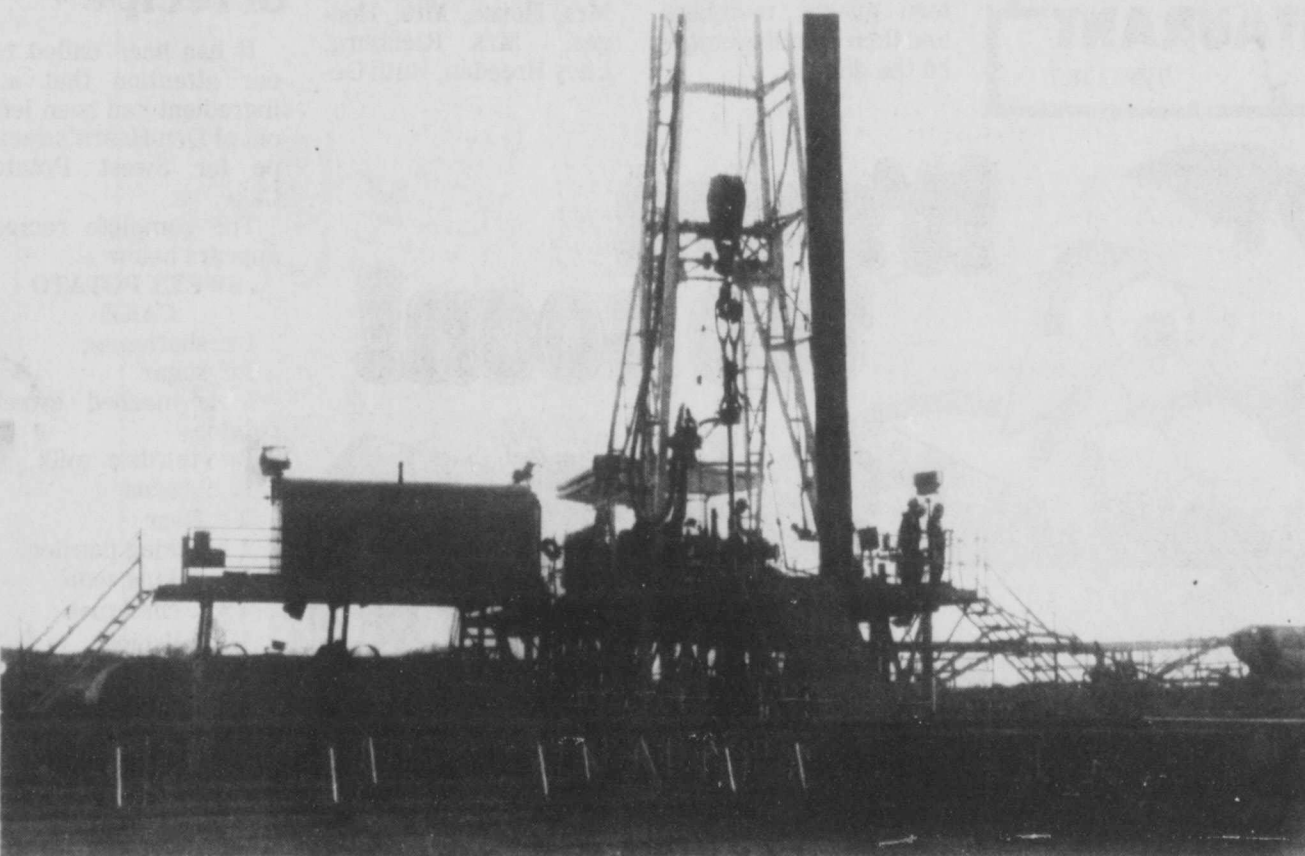

Mildred Free of the B&PW said that the tour would leave the Civic Center at 1 p.m., by bus to visit about homes that will be decorated for the holiday season.

The homes to be visited will be announced at a later date.

Admission for the tour will be 50 cents per home and tickets can be purchased at each house for the convenience of those who do not wish to take the tour with the others.

For those who do go on the regular tour, Mrs. Free said, printed programs of each home will be handed out at the Civic Center and refreshments will be served at the Center after the tour is over.

ed at the Center after the tour is over.

TESTING HAS BEEN completed on the wildcat well drilled recently by DB Drilling Co. of Abilene on the Perry Mitchell farm south of Colorado City.

Oil well drilled on Mitchell farm

The Perry Mitchell family, along with most of their neighboring farmers and ranchers, have been anxiously awaiting the outcome of final testing of a wildcat well on the Mitchell place.

First showings indicate new production, meaning a new field and lots of rigs.

Spudded on October 14, the drilling went along smoothly to 8,160 feet, at which point flakes of mica indicating the underlying granite formation began showing and the drilling was stopped and testing began November 8.

Emmett Bills, an assistant driller for DB Drilling Co. of Abilene, said that five or six

companies are involved in the exploratory hole and "each company has been doing their own testing. They've run eight tests in the past two weeks," he said, adding that the cooperative effort was initiated in order to share the cost of drilling. DB contracted the job.

Officially dubbed the International Oil & Gas Mitchell No. 1, the well-site is located 660 feet from the south line and 660 feet from the east line of Section 72, Block 26, Texas and Pacific Survey. It is 9 miles southeast of Colorado City on a 220-acre lease controlled by Amoco.

It is six miles northeast of a 346-foot Yates gas producer in the Champion Field. Nearest oil production is in the Dixon Field southeast of the wildcat—a 7,129-foot Ellenburger well, a 6,996-foot Odom producer and one at 6,200 feet in the Strawn pay.

Mitchell is very knowledgeable about much of the drilling operation and said that many of his neighbors are also as they are hoping that their property will also see many rigs up in the near future.

"They had a permit to go to 8,000 feet," he said as Mrs. Mitchell showed a clipping and some logs from the well, "but then they wanted to go deeper and got permission to go another 200 feet."

"It's the deepest well that's been drilled around here. Most of them quit around 6,900," he said.

He thinks that the deepest drilling in the area was 8,450 feet at Silver when granite was struck. Drilling was called to a halt in the Mitchell hole when mica flakes began showing, an indication of granite near and also that drilling slowed to only a few feet per hour.

Testing started then

and has been in progress since Nov. 8. Last test was concluded Sunday and a decision is to be made soon.

"Mitchell said that test holes had been drilled nearby on Paris Yarborough's land and also Bunky Girvin's.

Yarborough said that a Robinson rig had drilled down to 8,000 feet on his land some 25-28 years ago and "they found some oil but you know back then they didn't know how to pump deep oil that well and it was only bringing about 10 cents a barrel so they capped it. I'm sure hoping Perry gets to be a millionaire out of this," he said.

The Mitchell family,

consisting of Perry and Jane and their four girls, have been living on the place since they bought it in 1970 but Mitchell has farmed it since 1966. They own part of the mineral rights to the farm.

Bills said that having so many companies involved means that each company would have some money if they each shared the cost of exploration "but it also means having a lot of bosses," he said.

Each company was jealously guarding its information from the other and would have its own company man on the site when tests were being run, Mitchell said.

See OIL, Page 2

Bale count doubles in past week

Ginning in Mitchell County is in full swing this week, with the bale count for this week almost double the total last week. As of Monday morning, 8,379 bales of cotton had been ginned in area gins.

This figure does not reflect a full bale count though, because we were unable to contact the China Grove Gin by telephone.

Buford Gin.....	65
China Grove Gin....	250
(as of 11-15)	
Colorado Gin.....	1,050
Producers.....	2,820
Westbrook Gin....	1,222
Co-Op Gin Asso....	1,968
Mitchell County Gin..	300
Paymaster.....	704.

Oil

From Page 1

One test company, Schlemberger (say slumber jay), wouldn't allow anyone around during logging.

Mitchell said that one test showed what would be 250 barrels a day from the Ellenburger at 7,374 feet. Crude oil from that depth was light and of very good quality. Deepest test run was the Wilborn at 8,037 but it contained too much water. Also tested were these: Canyon SS, 6,406; Strawn, 6,810; Caddo, 7,269; Ellenburger, 7,374 and Wilborn, 8,037.

Latest word from the well at press time was that a phone call to the drilling crew ordered the well cemented from the bottom or basement up to the 7,400-foot level, a practice common in wells that are to be brought in.

Everyone, farmers and ranchers in the vicinity, roughnecks and drillers and company men, including rig owners, were keeping their fingers crossed.

Older Texans should take charge of their future now.

"You can take charge of your future—physically, mentally, socially and financially. Control the things you can become the person you want to be," suggests Mrs. Judith L. Warren family life education specialist-aging, with the Texas Agricultural Extension Service, Texas A&M University System.

"Each individual can have some influence over what your future will be by the way you approach it," Warren adds. Leadership and volunteerism may be major items.

"While a lifetime of familiar habits cannot be ignored and surely cannot be changed overnight, there are ways each person can reshape some of these habits, provided he or she feels the need to do so," Warren says.

Warren suggests th-

ese guidelines for "taking charge of your future."

1. Decide what you expect of yourself in the future. Look at yourself now, and think about what kind of person you want to be and what kind of life you want to lead in five or 10 years. If you are physically active now and currently involved in a sport or exercise program, continue it. You may want to start an exercise program, if you are not currently involved. Even if an illness or disability has confined you to a bed or wheelchair, you can—in many instances—do some exercises. Your family doctor can assist you in these plans.

2. If you want to remain mentally alert, take up—or keep up with—activities that stimulate the mind. Interested people are interesting to others, so develop new interests and share these with other

people. The joy of learning can be awakened no matter what your age or educational experience. Leadership and volunteerism offer many challenges.

3. For many older adults, continuing a meaningful level of so-

cial activity is a challenge. Keeping up an active social life means making an effort to join

a new club or find a new friend.

4. Financial security is important, and many older adults must take

extra steps to protect what they now own, while stretching their income to meet current needs. Explore second careers or part-time employment, and determine acceptable options for reducing current expenses.

Texans can control their future

HEADED FOR THE HOOP—Wolf Freshman Ruben Rivera makes two of his 14 points in Monday night's game against Merkel as teammate Jimmy Thompson (41) positions for the rebound. Merkel downed the Pack 38-25.

Wood-burning stoves efficient

Airtight wood-burning stoves have the highest repeatable energy efficiency, says a wood products specialist with the Texas Agricultural Extension Service, Texas A&M University System.

Such stoves burn wood slowly and have energy efficiency ratings of 55 to 80 percent, which means only 20 to 45 percent of the generated heat is lost up the chimney, says Chuck Stayton of Texas A&M University's Agricultural Research and Extension Center at Overton.

Non-airtight stoves can achieve up to 40 percent efficiency and conventional fireplaces only 15 percent. The higher a stove's energy efficiency, the less fuelwood required to heat one's home, Stayton points out. Thus, homeowners need to select airtight stoves if fuelwood is to economically compete with fossil fuels.

Wood-burning stoves with catalytic converters can achieve high energy efficiencies, Stayton emphasizes. These units reduce wood gas ignition temperatures from around 1,100 degrees F. to 500 degrees F., which causes more complete combustion in the firebox. Thus, stoves with catalytic converters can achieve energy efficiencies up to 80 percent. They also reduce air pollution and cut creosote formation by 90 percent.

Internal baffling of airtight stoves increases heat transfer, Stayton explains, insuring hot flue gas contact with the stove's outer layer instead of quick exit up

the chimney. The longer the hot flue gas contact period, the more heat is transferred from the stove to the home, thereby increasing energy efficiency.

Wood-burning stoves, fireplace inserts or free standing models are radiant or circulating types. A circulating stove's exposed surfaces are cooler than radiant stoves because of the air space between the combustion chamber and jacket. This makes them safer, particularly for small children. Also, people, furniture and walls can be closer to the stove. However, energy efficiency is similar for both radiant or circulating stoves, Stayton points out.

Cast iron and steel stoves of identical design (including wall thickness) are almost identical in their ability to store heat for distribution into the home. But such stoves are susceptible to corrosion, Stayton notes.

Firebrick or metal liners, places in the stove's combustion area, reduce the chances of cast iron cracking, steel warping and corrosion. Thick stove walls are less likely to distort, crack or corrode. They have less intense heat spots because heat is more evenly distributed laterally within the wall. Cast iron probably is a better choice for doors and door frames because of less chance of warping and resultant air leaks, believes the specialist.

In the final analysis, Stayton advises checking with retail stove dealers and stove owners to help you select the right size unit.

VFW Post

enjoys dinner

The Wilson Wyatt Veterans of Foreign Wars Post 9178 and its Ladies' Auxiliary held a family Thanksgiving dinner at the post home on Sunday, November 21.

Special guests for the occasion were 12 residents of the McDonald DAV Home, 10 members of the Woodland Activity Center, District Eight Commander D.E. Livengood and District Eight Auxiliary President Merlene Beggs.

Ham, turkey, dressing and all the trimmings were served amid Thanksgiving decorations, including table favors of small turkeys filled with candy and gum.

One hundred and fourteen guests, members and their families enjoyed the dinner.

Senior Citizens are guests for Thanksgiving celebration

The old Wallace Center was the setting for a very festive pre-Thanksgiving dinner on Saturday, November 20 at 5 p.m.

The dinner was sponsored by a group of men and women who felt the need to provide a delectable meal for the senior citizens of Mitchell County.

The turnout was favorable, many of the senior citizens drove themselves, and other were driven by their sons or daughters. The ladies and gentlemen in their "golden years" bowed their heads as William Perry gave the prayer of thanks. After the prayer, each senior citizen was served the traditional Thanksgiving meal.

This was the first of this type of event for senior citizens at the old Wallace Center, but hopefully this is the beginning of a very festive annual affair.

Sunday School Class holds devotional

The Lydia Sunday School Class of the Oak Street Baptist Church held their Thanksgiving devotional on Tuesday, November 16 at Loyd's Place.

The devotional was brought by Nettie Hodges from Psalms 100. Bessie House gave the opening prayer and Ethyl Richburg the closing prayer.

Those attending were Mrs. House, Mrs. Hodges, Mrs. Richburg, Lucy Breeden, Ruth Ge-

iger, Pansy Northcutt, Jewell Horn, Edna Fowler, Ione Watkins, Irene Walraven, Irma Graham, Rachel Ruffin, Opal Gartman, Eunice Hamilton and Bertie Storey.

Ingredient left out of recipe

It has been called to our attention that an ingredient had been left out of Don Hearn's recipe for Sweet Potato Cake.

The complete recipe appears below:

- SWEET POTATO CAKE**
- 1 c. shortening
 - 2 c. sugar
 - 1 c. mashed sweet potatoes
 - Two-thirds c. milk
 - ½ c. cocoa
 - 2 c. flour
 - 1 t. baking powder
 - 1 t. baking soda
 - 1½ t. cinnamon
 - ½ t. allspice
 - ½ t. salt
 - 1 T. vanilla
 - 1 c. nuts
 - 1 c. raisins
- Cream shortening and sugar. Add eggs. Add sweet potatoes. Mix well. Add dry ingredients. Stir. Add milk. Mix well. Add vanilla, nuts and raisins. Mix well. (Shake nuts and raisins in flour and they won't settle to the bottom of the batter while baking). Pour into oblong greased and flour pan. Bake 35 minutes in a 350 degree oven. Frost if desired.

Chinese Auction to be held

A Chinese Auction will be held on Tuesday, November 30 from 7 p.m. to 9 p.m. in the C. C. Thompson Room, sponsored by the Business and Professional Women's Club.

Baked goods and handmade items will be offered for sale, in time for you to make your holiday selections.

Join Us Thanksgiving

We're preparing a family-size holiday meal this Thanksgiving... and there will be plenty to go around. Won't you come join us?

Senior member is chosen at meeting

The Rose Circle of the First United Methodist Church was held Tuesday, November 16 in the parlor of the church with Ann Beaty and Carla Rivera as hostesses.

The business meeting led by Susan Anderson. Among the items discussed were the "helping hand," planning of a budget meeting, the nomination of officers.

Also, plans were made for the Christmas tea to be held on December 12 in the fellowship hall of the church.

Senior member of the month of December is Mrs. Phyllis Glover.

Members attending were Carla Rivera, Ann Beaty, Leslie Perkins, Blanche Feathers,

Cherry Hoback, Mac Perkin and Susan Anderson.

Monthly party given

On Friday, November 19, some 40 patients in the Nursing Home Care Unit of the Big Spring V.A. Hospital were entertained with a monthly birthday party given by the members of the Wilson Wyatt VFW Post 9178 and its Ladies' Auxiliary.

Refreshments of coffee and cake were served by Dorothy Clark, Ann Ingram, Virgie Mosley and Mary Bell.

Also, members of the Ladies' Auxiliary recently visited the McDonald DAV home in Colorado City and served ice cream to the residents there.

THE MAJORS HOME, located at 425 Chestnut, was designated a Texas Historical Landmark in 1966 and was listed in the National Register of Historic Places in 1979.

Restoration sought by group

The Majors Home was one of the first brick houses built in Colorado City.

It was built in 1883 by Mr. and Mrs. J. P. Hodgson, daughter and son-in-law of General

Tom Green, Texas hero and was later owned by Winfield Scott, millionaire rancher and W. T. Scott, a promoter for Texas and Pacific Railroad.

The Dr. Majors family took over ownership in 1902 and the house is currently owned by a local group called Memory Preservation which is hoping to restore the house to its original condition.

The group has torn

down additions to the home, repaired cracks in the brickwork and replaced all but 3 of the windows and screens.

Officers of Memory Preservation are: Marion Bassham, president; Bobbie Steakley, vice president; Carolyn Walker, secretary; Katherine Morris, treasurer. Mrs. Bassham said that anyone wishing to make a donation toward the restoration of the house is urged to con-

tact Mrs. Morris and added that the donations will be tax deductible.

As an interesting side-note, rumor has it that the house remains unoccupied because there are strange goings-on in the house; lights going on and off although the electric wires have been checked and found to be okay, articles of clothing being whisked under closed doors, etc. Of course, no one really knows for sure....

Permits announced by Nugent

Railroad Commission Chairman Jim Nugent has announced that 15 permits to operate new pipelines in Texas were granted by the RRC in October.

Through the first ten months of this year, the Commission has issued 152 permits to operate new lines.

Thirteen of the newly-permitted lines will transport gas, one will move products, and another will transport other materials.

Gathering lines approved:

Lapco Oil and Gas Co., Houston, gas, Madison County; Wellhead Ventures Corp., Kingwood, gas, (two lines—one in Fort Bend County and one in Orange County; Associated Gathering Systems Inc., Houston, gas, Coleman County; Teco Pipeline Co., Houston, gas, Hidalgo County; The New Energy Co., Midland, gas, Upton County; Matador Pipelines Inc., Breckenridge, products, Nueces County.

Other lines approved: Koch Hydrocarbon Co., Wichita, Ks., gas, Mitchell, Sterling, and Coke counties; South Texas Gathering Co., Houston, gas, Walker County; Transmission Systems Inc., Houston, carbon dioxide, Pecos County.

Bernard inducted in fraternity

Dale W. Bernard of Colorado City has been inducted into the Psi Zeta chapter of Phi Theta Kappa at Western Texas College.

Bernard was graduated from Colorado High School and is a sophomore student at WTC, majoring in Electromechanical Technology.

Phi Theta Kappa is

the only nationally recognized honor fraternity for students in junior and community colleges. Organized in 1918, it was recognized by the American Association of Junior Colleges in 1929. There are now about 700 chapters with some 50,000 members, and some alumni chapters have been organized.

All-District selections made

Selections for the 1982 6AAA All-District football team were announced this week and the Wolves filled 13 positions on the teams. The Wolves placed three players on first offensive and defensive teams. On offense, Wolf running back Larry

Hamilton, who gained 1,042 yards rushing was named to the first team. Making the first team defensive squad for the Pack were defensive end Tom Rees and safety Stacey Tarter. Making second team offense were guard

James Blackwell, tackle Fred Dakan, quarterback Doug Chitsey and wide receiver Tarter. On the second team defense the Wolves placed tackle Dakan, safety Dennis Rivera and kicker Tip Chaney. Honorable Mention of-

fensive honors went to center Raymond Bassinger while end Paul Wood and linebacker Ruben Luera received Honorable Mention complete list of the All-District selections is listed below.

Cattle futures market not reliable price indicator

Cattlemen keeping an eye on the futures market should not despair due to current low price quotations. These really have little to do with what actual cash cattle prices will be down the road.

"Cattle futures prices are really not reliable as forecasts of future cash market prices," emphasizes Dr. Ed Uvacek, livestock marketing economist with the Texas Agricultural Extension Service, Texas A&M University System. "Similarly, these futures prices also do not reflect current market conditions in the cash market and are, therefore, a poor market news source."

The futures market revolves around hedgers—people who actually own the commodity and are looking for some price insurance, and speculators—risk takers who invest their money in a futures position, hoping to make a profit from a price change. The cattle futures market generally has many speculators but only a few hedgers, notes Uvacek.

"Recently, futures prices have drifted lower and lower, causing a

depressing effect on the current cash market," says Uvacek. "For example, a recent quotation for an April 1983 live cattle contract was \$58.15 per hundred-weight."

The economist explains that this simply means that one trader thought the price would be lower while another believed it would be higher. They both agreed on one thing—the price would not be \$58.15 in April, or they both lose. They are betting on a price change in their favor, so they can reap a profit.

As to the lack of reliability of futures quotations to predict future price levels, Uvacek notes that the spring months are priced at a discount to the December contract. "If these prices were really believed by cattlemen, no one in his right mind would feed cattle this winter," he says. "And if that did happen, prices would soar next spring due to a short supply of beef."

While the futures market can serve as an effective marketing tool, it must be understood and used properly, says the economist. Used incorrectly, it can lead many cattlemen astray. Allowing futures market quotations to influence current marketing decisions is like letting "the tail wag the dog."

SAFeway

Food Show winners are announced

Six youth took top honors in the Mitchell County 4-H Food Show Saturday, November 20th. Twenty-one 4-H'ers competed in the food show, according to Marian Morris, County Extension Agent.

First place winners in the senior division are Jennifer Beasley, main dish, and Shelia Benson, fruits and vegetables.

First place winners in the junior division are Elizabeth Burnett, main dish; Denise Lowrance, fruits and vegetables; James Woods, breads and cereals, and Shelli Webb, snacks and desserts.

The above six youth will compete on the District level, February 26th. The District 7 4-H Food Show will be held at the Sunset Mall in San Angelo.

Other participants were: Kim Wulfjen, Nikki Holman, Tommy Tucker, Jennifer Clifton, Robin Woods, Christi Blair, Candy Hudson, snacks and desserts; Nat Gabba, Brooke Moore, Kyle Benson, breads and cereals; Bonnie Herrington, fruits and vegetables; Tommie Craven, Sherri Webb, Tammy Loving and Lori Lummus, main dish.

Births

Amanda, daughter of Mr. and Mrs. Jesse Ornelas, of Colorado City, was born in Root Memorial Hospital November 15 weighing 6 lbs., 14 ozs.

Veronica, daughter of Mr. and Mrs. Miguel Romo, of Colorado City, was born in Root Memorial Hospital November 15 weighing 6 lbs., 10 ozs.

Jennifer Michelle, daughter of Mr. and Mrs. Vernon Weldy, of Colorado City, was born in Root Memorial Hospital November 15 weighing 7 lbs., 10 ozs.

Oil and gas exploration can cause extensive damage

Leasing land for oil or gas exploration may seem like a windfall to some landowners, but it's not all a bed of roses. Drilling activities can rape and ravage the land unless certain precautions are taken.

"Landowners need to

be aware of what is involved when they lease their land and what oil companies will do in terms of land management," said Dr. John Sweeten, waste management engineer with the Texas Agricultural Extension Service, Texas A&M University System.

"Proper site preparation and restoration by oil companies is important if landowners want their land to be productive again and not be an

eyesore," noted Sweeten. "The keys to the success of this effort are to preserve and reuse the topsoil."

He suggested these land management steps before, during and after drilling operations.

To preserve topsoil during site preparation: -Remove and stockpile topsoil at the up-slope edge or on one side of the drilling pad and working pit.

-Move subsoil down-slope to level the drilling

pad. -Excavate working pits and trash pits from the subsoil.

-To excavate reserve pits, push topsoil to form end walls and then subsoil to form side walls.

During drilling and immediately thereafter, diligent housekeeping is necessary to prevent spills of chemicals, mud, salt water and other materials, added Sweeten.

Emptying wastewater

and mud pits according to state guidelines as soon as possible facilitates backfilling and land restoration.

Backfilling follows the reverse order of site preparation:

-Redistribute subsoil from side walls over the reserve pit floor.

-Redistribute topsoil from end walls of the reserve pit.

-Backfill working and trash pits with subsoil.

-Move subsoil back upslope from the down-slope edge of the drilling

pad. -Redistribute stockpiled topsoil over the pad and working pit areas.

-Smooth the entire disturbed area with a dozer.

To complete the site restoration process, Sweeten advised pre-

paring a good seedbed and planting appropriate grasses. Fertilizing, mulching to conserve soil moisture and control erosion, controlling weeds and protecting the area from grazing until grasses are well established are also important practices.

Class is hosted by Bell's

The PTL (Praise The Lord) Sunday School Class of the First Baptist Church met Thursday night, November 18 in the home of Mr. and Mrs. John Bell for their Thanksgiving Social with six members present.

The substitute teacher, Mr. Paul Wright gave the devotional lesson, using the topic, "The little things in life are what matters the most."

Refreshments of home-made cookies, sandwiches made by the ladies of the Class, hot punch and coffee were served amid traditional Thanksgiving decorations.

The Class decided to have their Christmas social on December 14 in the home of Mr. and Mrs. Frank Conard.

Members present at the meeting were Mr. and Mrs. Frank Conard, Mr. Paul Wright, Mrs. Derwood Jackson and Mr. and Mrs. John Bell.

Thanksgiving Message

On this special day, let us show thanks with friendship and love... give thanks with reflections and prayer... and celebrate the many blessings each of us has to be truly grateful for. Happy Thanksgiving, Mitchell County.

Loraine School News

By MELISSA SHELLY & DEE ANN
 We will continue our series of interviews of new men faculty members with an interview of our new principal, Mr. Al Pulcher.

Mr. Pulcher was born and raised in Woodsboro, Texas. He attended Woodsboro High School until his senior year when he transferred to and graduated from Tulo Mid-Way High School in Corpus Christi, Texas.

He attended the University of Corpus Christi where he received a B.S. degree with a major in accounting and a minor in business. From there he went to Pan America University in Edinburg, Texas where he received a masters degree in education. He then attended the University of Houston where he received a degree in Mid-Management and a superintendent's certification.

He served as principal of Dime Box High School last year. For those who are not familiar with Dime Box, Texas, it is located close to Bryan, Texas.

He laughingly says he went from a small town to a big town when he moved from Dime Box to Loraine. He says he enjoys living in the friendly atmosphere which prevails in Loraine.

He adds that the students and faculty at Loraine are a good hard-working group and he is enjoying his new responsibility. He also asked us to relay a message to the students and faculty wishing them a joyous Thanksgiving holiday season.

Templeton is host for TEHA Club

The North Loraine T.E.H.A. Club met in the home of Mrs. J. M. Templeton at 2:30 p.m. November 17th for a regular meeting. Mrs. C. A. Matejowsky presided. The club prayer was read in unison and the roll call was answered with "A Safety hint for the kitchen." Mrs. Roy Wells brought the recreation.

Following a brief business session, Mrs. Matejowsky brought the program on "The History of Thanksgiving," taken from a book authored by Mamie R. Krythe. The pilgrims had made friends with the Indians and ninety of them were invited by the pilgrims to the original Thanksgiving festivities. It was in the month of December and the celebration lasted three days. No specific date was set for Thanksgiving until Lincoln was president. He declared the fourth Thursday in November would be observed as Thanksgiving Day. This was after the Civil War.

During President Franklin D. Roosevelt's time as president, he changed it to the third Thursday in November; but a few years later it was returned to the original time.

Refreshments were served by the hostess to Mmes. Hubert Meadows, Roy Wells, J. E. Price, Rosia Hamrick, C. A. Matejowsky and Raymond Wheeler.

On Thursday, November 18th, a group of Senior Citizens from the Loraine Center drove to Sweetwater in response to an invitation from the S.N.A.P. Nutritional program and participated in an open progressive 42 tournament.

Sixteen people from Loraine arrived at the Sweetwater Senior Citizens Center at 11 a.m. They enjoyed an hour of fellowship with the Sweetwater people and a nutritional meal was served at the noon hour.

At 1 p.m., twelve tables were set up for 42 games and scores were kept by each player.

Mrs. Gladys Payne of Loraine made the highest score of thirty-two points, tying with two other players from Sweetwater. Trophies were awarded for 1st, 2nd, and 3rd places. Because of the three-way tie, each drew a dominoe to place. Mrs. Payne drew third place and brought one of the trophies back to Loraine.

The fellowship progressed to the point that by the time the games were over, an invitation was placed on the format for Sweetwater to visit the Loraine Senior Center in the near future for another tournament.

Loraine Area Personals

by Ida Baird

Mr. and Mrs. Charlie Harris had as their dinner guests Sunday, planned as an early Thanksgiving get-together, were Mrs. Ruby Reese, Mr. and Mrs. Jackie Pyland, Mrs. Juanita Scraider, Mr. and Mrs. Kerry Tidwell, all of Snyder, and Mr. Tommy Fennell and little daughters, Christi and Cynthia of Monahans.

Mr. and Mrs. Kenneth Butler and Mrs. Clara Butler went to Houston Tuesday to spend the holiday week with Mr. and Mrs. Max Irving and Mr. and Mrs. Truett Butler.

Mrs. Rex McDaniels is home and doing well after undergoing eye surgery in the Presbyterian Hospital in Dallas on November 11.

Mrs. McDaniel has been treated at the Retina Associates Clinic in Dallas since 1979. She is scheduled to return for a check up on November 26.

Mrs. Teance Hays had as her weekend visitors a daughter and husband, Mr. and Mrs. Richard Holcomb from Fort Worth. Mrs. Hays joined them and visited with Mr. and Mrs. Presley Hays Sunday afternoon on Sunday.

Mr. and Mrs. Don Riley from Mandan, N.D. are here visiting her mother, Mrs. Trixie West. Also visiting Saturday was Mrs. Bonnie House from Rotan.

Mr. and Mrs. Jack Linam went to Midland Wednesday and remained for Thanksgiving with their daughter and husband, Mr. and Mrs. Presley Powell.

The daughters of Raymond Wheeler and their husbands, plus some of the grandchildren gathered in the Wheeler home on Sunday, Nov. 21 to help him celebrate his birthday. All contributed to a bounteous turkey dinner.

The following were present: Mr. and Mrs. Jack Compton, Midland; Mr. and Mrs. Robert Montgomery, Eulless; Mr. and Mrs. Mason Richburg, Abilene; Mr. and Mrs. Scott Compton, Andrews; Mrs. Melissa Cosgrove and children, Amy and Jeremy, from Hurst.

Mrs. Jay Thompson was hostess for the annual Thanksgiving luncheon and meeting of the Baumann TEHA Club when members met at her home Tuesday. Mrs. Harvey Leach gave the invocation before the meal of baked turkey and trimmings was served.

Mrs. Charlie Harris presided over the meeting and Mrs. Thompson led the club prayer. Roll call was answered with each giving "My Happiest Thanksgiving."

Bernice Hallmark read minutes and gave the treasurer's report. Plans were made to assist in the Christmas luncheon for all county clubs to be held Dec. 7 at the Medallion Room.

During the social hour, Pals exchanged gifts. Plans were made for the club's Christmas dinner and program to be held on Tuesday, Dec. 14th.

Mrs. Lynne Compton brought the program on the changing times. She quoted from Isaiah and noted how the times now differ even from a few years back—so much killing, war and strife

we live in today. Those present were Mmes. Floyd Griffin, Lester Webb, Charlie Harris, Harvey Leach, Mable Givens, Compton, Clara Butler, Bernice Hallmark, Cullen Payne, Vada Preston and the hostess.

Mr. and Mrs. Clarence Matejowsky were hosts for the Loraine Game Club Friday night, Nov. 12.

Three tables of 42 were played and plans were made for their Christmas dinner party which will be held at Mr. and Mrs. Willie Taylor's. Menu was made out and names drawn for gift exchange.

Refreshments of ice cream topped with cherries and nuts, Angel food cake and candies were served to Messrs. and Mmes. Roy Wells, Doyle Hester, Floyd Coffee, J. M. Templeton, W. A. Taylor and Mrs. Syble Walker and Mrs. Ida Baird.

LORAININE NEWS

Lummus speaks to Loraine UMW

The United Methodist Women of Loraine met in the home of Mrs. Pearl Bruce on Wednesday morning, Nov. 17 for their study on Pluralism. Mrs. Frank Crownover led the group singing, "If the Whole World Lives for Jesus."

Rev. Charles Lummus gave his overall interpretation of Pluralism. Beginning with the story behind the Statue of Liberty, which has led the world to think we can accept all refugees from all parts of the world if they choose to come. Thus our land is labeled as the "Melting Pot" because of the pluralistic religions, races and cultures. Many troubling situations have developed in these areas. From a Biblical standpoint he stated we are sojourners in this life, using the 18th chapter of John as a referen-

ce. In the sending out of the seventy, their mission was to spread the Good News, and have no thought of earthly riches. In Leviticus Chapt. 19, Moses told his people they were a called people with a special mission.

Today in our many faceted society the Christian is a "Called person" to first spread the good news and to realize that Christ, not materialism, is the only answer to the many problems.

No legislator can solve the problems of the heart. Today America is at the cross road and the answer is Christ.

Present at the meeting were Rev. Lummus and daughter Lilah, Mmes. J. D. Norman, Frank Crownover, Pearl Bruce, J. M. Templeton, Wiley Walker and Raymond Wheeler.

Save energy with a heat pump.

If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is a regular air conditioner, removing unwanted heat from the inside air.

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor. And when you call, ask about the year-round heat pump that qualifies for a bonus check from Texas Electric.

B. B. HARDEE, Manager, Phone 728-2331

Girls go down in defeat

7th grade boys victorious

Monday night marked the start of basketball season for teams in Mitchell County.

The seventh grade girls kicked things off in Wolf gym when they took on the Coahoma Puppies. The contest was a hard fought battle all the way with Coahoma coming out on top 15-6.

The Puppies' fullcourt press helped them to take a 8-2 halftime lead over C-City. Late in the final quarter the Wolves made a run at the visitors as they cut the lead to 9-6. But then the Coahoma press started taking its effect again as the Puppies went on to score six unanswered points. Leading scorers for the Wolves were Hilda Rodriguez and Yolanda Salazar with two points each.

Seventh grade coach Debbie Goforth said she was proud of the way her team hustled and was pleased with the play of Hilda Rodriguez. "Hilda did a good job, she didn't start, but she just worked her way into the lineup," said Goforth.

Other members of the seventh grade team are: Misty Strain, Christa Bell Molina, Nancy Castillo, Naomi Franco, Michelle Casey and Toin Weathley. Other members include Mary Badillo, Mary Ann Molina, Mary Alice Pauk and Christi Mitchell.

The seventh grade boys came out on top in their game with Coahoma by a count of 19-15, despite a costly technical foul that nearly cost the team the game.

Israel Davilla led the Pack in scoring with 10

points. He was followed by Ken Norman with five and Eduardo Melendez with four points. Seventh grade coach Mark Merrell says his squads needs a lot of improvement, but he was pleased with the performance. "We play-

ed a good game, and our rebounding was good," he said.

Members of the team are Chris Gardner, Chris Anderson, Saul Pineda, Joel Mikow, Cary Ritchey, Guy Compton, Ricky Arispe, Mark Hill, Steve Smith, Der-

rick Ramsey, Dwayne Jones, Cory Flanagan and Brandon Fuller.

Others members are: Ismel Silva, David Garcia, Ritchey Reyna, Cary Redwine, Gary Largent, Jason Free, Jeff Neff and Greg Rodriguez.

Freshmen defeated in season opener

The Colorado City Freshmen girls and boys basketball teams both suffered opening season losses to Merkel here Monday night at Wolf Gym.

Merkel jumped to a 10-4 first quarter lead and never looked back as they cruised to a 49-28 victory over C-City.

The closest the Wolves got to the Badgers was in the second quarter following two free throws by Ashley Weaver which cut the Merkel lead to 12-6, but after that, Merkel went on a tear that saw them outscore the Wolves 37-22.

Tina Mayo led the Wolves scoring with eight points.

In the boys contest, a cold second half proved to be the Wolves downfall while suffering a 38-25 defeat to the Badgers.

In the first half, the lead changed hands numerous times and the Wolves took a 17-16 lead into the half.

In the second half the cold shooting Wolves could manage only two baskets as Merkel jumped to a 30-21 lead. The final quarter was the same story as Colorado City only managed

four more points and Merkel won going away.

Ruben Rivera led the Wolves scoring with 14 points. Albert Rivera added nine and Moses Molina scored two points for the Wolves.

Other members of the Wolves team are Wayland Ballard, Robert Lemons and Jimmy Thompson. Gary White and Mike Legion are injured and will play later.

Wolf Coach Bill Barnard was pleased with his team's first performance of the year. "I am pleased and surprised we rebounded as well as we did, since we have only had two workouts this year. We didn't shoot well but that will improve later in the year. They wore us down in the second half and we didn't have anyone to substitute."

Girls lose to Big Spring

The Colorado City Wolves varsity and junior varsity girls teams opened up their 1982-83 hoop campaign with losses coming at the hands of the Big Spring Steers in Steer Gymnasium Monday night.

Coach George Martin's varsity troops came out on the short end of the stick 61-51, but it was a valuable learning experience for the team, as Martin platooned his girls during the first three quarters.

"We did this in order to give Sheri Morris, Jackie Sue Nutt, Hollie Taplin, Rebecca Erwin, Sonya Mercer, Michelle Franco and Becky Albin

the game experience they need for district play," he said.

The Pack played the Steers nip and tuck all the way, but a cold third quarter spelled defeat for C-City. In that stanza, the Steers outscored the Pack 16-3. "We need to work on our rebounding and being aggressive, but our fastbreak started coming around," Martin commented.

Laura Baum led the scoring with 16 points. She hit seven of 13 shots from the field. Tomika Randle followed with 10 points as she sunk five of 10 shots from the field.

Applications of Industrial Revenue Bonds

Areas proposed by the City generally include areas zoned for commercial, business, and industrial use. These areas include:

1. The area bounded on the North by the North City Limits, on the South by Interstate 20, on the East by State Highway 208 (Snyder Highway) and on the West by the West City Limits.
2. A 500' strip along State Highway 208 (Snyder Highway) extending South to Interstate 20.
3. A 500' strip extending along Interstate 20 from State Highway 208 (Snyder Highway) to the Intersection of State Highway 208 South.
4. An area bounded on the North by the North City Limits, on the South by Interstate 20, on the East by the East City Limits and on the West by a line extending from State Highway 208 South and its intersection with Interstate 20 to the North to the North City Limits.
5. An area bounded by Interstate 20 on the North, by the T & P Railroad Track on the South, the East City Limits on the East, and State Highway 208 South on the West.
6. A 500' strip bounded on the North by Interstate 20, on the South by West 10th Street, and extending through a One plus acre tract to the South of 10th Street.
7. An area bounded on the East by State Highway 208 South, on the North by U.S. Highway 80, on the South by the T&P Railroad Track, and on the West by Terrell Street.
8. The area bounded on the South by Westpoint Ave., on the North by Lonewolf Ave., on the East by Terrell Street and on the West by Temple Street.
9. A 150' strip on both sides of Westpoint Ave. extending from Terrell Street to Dallas Street.
10. All of Blocks 5, 6, 11, and 12 of Dunn Snyder, Moore Addition to the City.
11. All of Blocks 10, 9, 39, 38, and 37 of the Dunn Snyder, Moore Addition of the City except the northern most 100' of each block.
12. All of Block 8 of Eastover Addition and approximately the West One quarter of acreage located to the East of Watson Street on East 10th Street.
13. A 500' strip on both sides of East 10th Street bounded on the West by Eastover Street and on the East extending no further East than Monticello Street.
14. A 150' strip on the North side of Westpoint Street lying between Waco Street and Lonewolf Creek.
15. Lots 5-10 of Pearson Addition to the City.
16. Lots 1-6 of the Toiar Addition to the City and an area bounded by East 2nd Street on the North, Hickory Street on the West, and the Colorado River on the South.
17. All property bounded by 6th Street on the North, the Colorado River on the South, Fickory Street on the East, and the West City Limits on the West.
18. Blocks 11, 12, 19, and 20 of Waddell and Martin Addition. Lot 1, Block 17; Lot 5, Block 18 of Waddell and Martin Addition.
19. A 150' strip on both sides of State Highway 163 South between Central Ave. and Fairmont Streets.
20. The area bounded by New Street on the North, Fairmont Street on the South, State Highway 163 on the East, and Bridge Street on the West.
21. The area bounded by the West property line of Lot 4, Block 3 of Waddell and Martin Addition and on the North by River Street, on the South by Fairmont Street and on the West by State Highway 163.
22. Lots 11, 12, Block 82 of Original Town, Block 84 of Original Town. All of Lot 2 and the North quarter of Lot 1, Block 86 of Original Town. Lots 1-10 Block 121, Original Town; Lots 1-6, Block 135, Original Town; Lots 7-12, Block 136, Original Town; Lots 1-6, Block 140, Original Town; Lots 1-6, Block 160, Original Town; Lots 7-12, Block 161, Original Town; Lots 1-6, Block 8, Hart-Costin Addition. All of Blocks 2, 3, 4, 7, 10 of Hart-Costin Addition.
23. Block 1 of High School Addition. All of Block 13, 14 (except the North 100') of the Hart-Costin Addition.
24. All of Block 14 of Launion Addition, Lots 1, 2, 3 of Block 10, Lots 10, 11, 12 of Block 11, Lots 7, 8, 9, of Block 6, Lots 4, 5, 6, of Block 7 of Launion Addition.
25. An area bounded by State Highway 208 North on the West by Colorado Street on the East, by 24th Street on the North, and by 20th Street on the South.
26. All of Blocks 18, 19, 15, and 16 of W. W. Watson II Addition. Lots 5, 6, and 7 of Block 17 of W. W. Watson II Addition.
27. The area between State Highway 208 North and North Austin Street extending North to Interstate 20.

Puppies beat 8th grade

In eighth grade basketball action Monday night both the boys and girls teams came out on the short end of the stick while suffering losses to the Coahoma Puppies.

A terrible first quarter was the downfall for the girls team as Coahoma outscored them 14-0. The rest of the contest was played on fairly even terms as Coahoma handed the Pack an opening season loss 43-19.

Holly Tarter led the Wolf scoring with six points. She was followed by Kellie Beights with four and Robin Edwards with three points. Ray Leigh Morris, Michelle Ollar and Carmen Reyes all contributed two points each.

Members on the eighth grade girls team are Audy Rivera, Becca Whitesides, Becky Westbrook and Jennifer Selvera. Other team members are Sally Mendoza, Holly Hicklin, Angela Pineda and Maria Corando.

Eighth grade coach Kathy Marshall was pleased with the team's opening performance. "They did great, we hustled a lot. We need to play better defense and work on our shots more. If we can correct this we will have it made," commented Marshall.

In the boys eighth grade game, the Wolves fell behind early and were forced to play "catch-up" the remainder of the contest. Coahoma opened up in a press and jumped to a 10-0 lead after the first quarter. The Wolves cut it to 14-7 behind Terry Jackson's five points, but then Coahoma quickly built it back up to 20-7 at halftime. Coahoma didn't stop in

the third quarter as they stretched their lead to 30-11. But in the fourth quarter the Pack used a combination of zone and man presses to cut the Puppy lead. With just under two minutes remaining, the Coahoma lead was cut to 32-24, but time ran out on the Wolves as the Puppies held on to a 38-28 in.

Jackson had nine points for the Wolves. Paul Arellano had eight, Reggie Gardner scored seven points and Wylie Dakan scored two points.

Members on the team are Clifford Miles, David Davilla, Marty Clecker, Ralph Gonzales, Dennis Scott, Danny Salazar, Larry Raschke and J. D. McCarthy.

Matejowsky hosts Atheneum Club

Mrs. Augusta Matejowsky was hostess for the November 16th meeting of the Loraine Atheneum Study Club. The business meeting was called to order by the vice president, Mrs. Doyle Hester. Minutes were read by Mrs. Floyd Coffee and approved.

All were asked to give as the roll call "A Daily Delight."

The program was given by Mrs. Lula Bond. Her subject being a "Stonemason's Gift to Texas." The stonemason was James H. King. He was the son of Elzie and Mabel King who lived in the little hamlet of Loraine. He was one of 12 children and has probably done more in the past two decades to restore and preserve Texas Architectural heri-

tage than any other person in the State. He has rebuilt places from far west Texas to the deep woods of east Texas, from the rolling North Texas prairies to the hill country of South Texas.

Mrs. Doyle Hester told about "The Disease Detectives," the centers for disease control located in Atlanta, Ga. It is the home of some of the world's most intuitive and successful detectives. The deadliest strains of viruses known

to man are studied in the centers for disease controls maximum security laboratory there.

Members present were Mmes. Doyle Hester, W. A. Taylor, Woodrow Pratt, C. R. Green, Percy Bond, Floyd Coffee and hostess Mrs. C. A. Matejowsky.

Oil processing figures given

Railroad Commission Chairman Jim Nugent announced that 63 refineries in Texas processed 131,596,343 barrels of crude oil and hydrocarbon blends during August 1982. Through the first eight months of 1982, Texas refineries ran 1,014,555,305 barrels.

August's volume compares with 137,936,722 barrels in the same

month a year ago, the Commission's Oil and Gas Division reported in its monthly recapitulation of Texas refinery operations. Inputs of crude oil and blends totaled 137,174,565 barrels in July 1982.

Texas refineries ran 100,753,083 barrels of crude oil in August compared to 108,505,825 barrels in August 1981 and

103,139,235 barrels in July 1982.

Products manufactured in August 1982 totaled 134,105,497 barrels, down from 139,989,470 barrels in the same month the previous year, and down from the 138,875,614 barrels in July 1982.

August 1982 manufacture of motor gasoline totaled 58,783,592 barrels,

compared to 58,168,621 barrels in the year-earlier month and 62,064,389 barrels in July of 1982.

Texas refineries manufactured 7,842,197 barrels of home heating oil in August 1982—a decrease of 1,729,562 barrels from the year-earlier volume. July 1982 output was 11,569,142 barrels.
