David Jacoby Wins Rutherford Award For Achievements In 4-H

David Jacoby

David Jacoby, Crockett County 4-H club member, has been named the outstanding 4-H club boy in District 6 and winner of the Rutherford Achievement Trophy for 1963. The award was based on outstanding 4-H achievements during the past year. David is the 15-year-old son of County Agent and Mrs. Pete W. Jacoby.

David, a 4-H member for eight years, listed as his accomplishments the past year in 4-H, the following achievements; Gold Star winner, State winner in Range Management, Danforth Award for leadership ability, high individual in range judging at the Crockett County Invitational Range Judging Contest, member of the fourth place team in the State Wool & Mohair Judging Contest, member of the fourth place team in the National Wool Judging Contest, member of the first place District Range Judging Team, third High Individual of the District Range Judging Contest, member of the State Champion Range Judging Team and High Individual of the State Range Judging Contest.

David carried on feeding projects of show and commercial lambs, winning a reserve championship at the county show and placed two lambs at San Antonio and San Angelo Livestock Shows.

David served his second year as a member of the District 4-H Club Council, attended the District Leadership Camp and the State Range Conservation Camp where he received an award for outstanding camper on range field notes and plant herberium.

The Rutherford Award, a continuation of the program established severall years ago by former Congressman J. T. Ruhterford, has been won four times by Crockett County 4-H members. The first trophy offered by the former Congressman is in permanent possession of the local 4-H Club, having been won three times by local members.

Carl Conklin won the Rutherford award in 1956; Pierce Miller in 1958 and Bill Jacoby, David's older brother, in 1960.

A 14-year-old Balmorhea girl, Noni Schloemer, won first place in the girls competition for the same award.

Spot Ellenburger Wildcat Location On Pierce Ranch

Test Slated 20 Miles South of Ozona; Gas Field Extended

Pan American Petroleum Corp., Monahans, and Highland Oil Co., Dallas, will drill a 12,100-foot Ellenburger wildcat in Crockett County, 20 miles south of Ozona and 11 miles south of the Hunt-Baggett and Joe "T" gas fields, both producing from the Strawn. It is the No. 1 Pierce Ranch.

Location, on a 6,480-acre lease, is 660 feet from the north and west lines of the east half of 6-O-W. E. Jones survey.

Shell Oil Co. No. 12-21 Couch, in 21 - QR - HE&WT, indicated 1⅜ miles northeast extension to the Ozona, Southwest (Canyon gas-distillate) field of Crockett County, eight miles southwest of Ozona, flowed 15 barrels of condnesate and three barrels of water in 24 hours, plus gas at the daily rate of 539 000 cubic feet.

Flow was through a 16-64-inch choke and perforations between 6,284-820 feet. Tubing pressure was 500 pounds.

Testing continued.

START REVIVAL MEET

Rev. B. B. Brown, pastor of the Assembly of God Church, 12th at Avenue H. announces the beginning of a revival at the church Monday, Sept. 30. Everyone welcome, says the pastor.

Baptist Temple Begins Construction On Annex

The Temple Jerusalem Baptist Church is expanding their educational facilities by going into a much needed building - program. Rev. Raul R. Solis, pastor, announced this week. Construction on a new Fellowship Hall was started this week under the direction of the building committee headed by Samuel Cervantez. The new building will have facilities for all primary, nursery, beginner, intermediate and young people's classes for the Sunday School and Training Union.

The class room space can easily be converted into a banquet hall by the use of sliding doors. The new building will have approximately 2000 sq. ft. of floor space, and has rest room facilities and a kitchen.

The pastor and church leaders are grateful to all those who have shown interest in the new project. The building will cost approximately $4,000, since most of the labor will be donated by the men of the church. The pastor, Rev. Solis believes that this building project is a timely asset to the local work here as well as the Baptist State Work.

"This will prepare the church for the 1964 Evangelism work, which will be concentrated on a New Life Crusade among all the Latin-Americans in Texas," Rev. Solis said. "Their goal is 2,000,000 Spanish-speaking for Christ."

The old small building is being offered for sale for $400. This money will automatically go into the new building project, the pastor announced.

ExBig Leaguer, Former Manager Ozona Giants Of The Thirties, Dies

Bryan (Slim) Harris, 64, former Brown county commissioner and major league baseball player. and pitcher-manager for the semi-pro Ozona Giants baseball team in the thirties, died last week in veteran's hospital in Temple following a long illness.

Born Dec. 11, 1898, in Brown county, Mr. Harris, pitched for the Philadelphia Athletics in the 1920's. He pitched for the A's six year, recording a 19-12 record in 1925 and spent three years with the Boston Red Sox.

Harris came to Ozona in the period when semi-pro baseball was at its height in West Texas, when former Texas League spitballer Snipe Conley was managing the powerful Texon Oilers and such local greats as Fats Heatherly, Carl Donley, Byron (Tex) Stuart, Conley Cox and others were thrilling avid Ozona baseball fans. Harris will be remembered by fans of that day as the tall, slim, slow pitcher and later manager, who occasionally hit the ball far enough to get to first base before it was relayed from the outfield.

Funeral services were held Saturday at Bangs Methodist Church. Surviving are the widow, a daughter, two brothers and two sisters.

Increase Parking Area Around School Gym

Work leading toward additional parking space between the high school main building and the parking area behind the school cafeteria on Ave D has been in progress for several weeks and is expected to be finished soon.

The shortage of parking space around the high school has grown increaingly troublesome in recent years and with the high school enrollment now at an all-time high has become an even greater problem.

In addition to providing additional parking space for school hours, the new parking area will allow head-in parking and thereby greatly increase the parking area around the gym.

'Rodeoing Bland Kids' Set AJRA Record With Brother-Sister Win Of Top Honors At 1963 Junior Rodeo Finals In Odessa

The rodeoing "Bland kids" try to win it all at the 1963 American Junior Rodeo Finals in Odessa. John Bland placed in the breakaway calf roping and won a section of the seer riding during the Finals rodeo and finished second in the nation for the year in the Steer Riding. Diltzie placed second in the Pole Bending Race. Beckie placed in both the barrel and flag race.

The biggest thrill of all for all the Blands was when little Beckie and Rex won the coveted Crosby award as World's Typical Jonior Cowboy and World's Typical Junior Cowgirl.

It is the first time in AJRA history that a brother and sister has won the award the same year. The Bob Crosby awards are based on moral character as well as rodeo ability. Both Beckie and Rex received beautiful Bob Crosby trophy saddles.

Fusselman Gas Pay Opened In Tippett Field In Crockett

Fusselman gas production was opened in the Tippett, South multipay field of Crockett County with reclassification of Shell Oil Co. No. 3-B Forristal, former Fusselman oil pay opener and upper Wolfcamp gas-distillate producer in the Tippett multipay field, 10 miles southeast of McCamey.

It was finaled for a calculated, absolute open flow of 1,110,000 cubic feet of dry gas per day through perforations between ,-177-154 feet.

Original completion from the Fusselman was June 12, 1962, for 93 barrels of 40.5 gravity oil, with gas-oil ratio of 4,612-1, through a 16-64-inch choke and the same perforations.

It was dually completed Aug. 7, 1962, from the upper Wolfcamp gas for a calculated, absolute, open flow of 1,250,000 cubic feet of gas per day, with gas-liquid ratio of 114,000-1, through perforations between 5,841-847 feet.

Location is 990 feet from the southeast and 9,154 feet from the northeast lines of 41-31-H&TC.

Lions Poised For Friday Invasion Of Rocksprings

Seek To Avenge 6-0 Defeat By Angoras Last Year

By Ernie Boyd

The Ozona Lions will be seeking their second win of the young season Friday night when they face the Rocksprings Angoras in Rocksprings. The kickoff is slated for 8 p. m.

The Lions, in addition to seeking to chalk up a win will be seeking revenge for a 0 to 6 surprise loss pinned on the Lions by the aggressive Angoras last year.

Rocksprings walloped Comfort 40 to 0 last week and scouting reports indicate the Rocksprings crew, while losing a good number of last year's regulars, have once again come up with a sizeable ball club which can boast good line backing.

The Lions spent their week off sharpening their offensive and defensive assignments and in spending extra hours in review of mistakes made during the first two weeks of play.

Most football observers feel that the off-date can both be useful and harmful but it is most likely that the early off-date with a green team can be of more benefit than harm.

In practice most teams get open dates rather late in the season and it is obvious that these dates are of use only to get injured players well or to get some rest after a hard few weeks of play, but in the early part of the season with inexperienced ball players it is hoped that some needed attention can be paid to weak points showing up in the first few games that could not be given much attention while getting ready for the week's opponent.

In any case the coach does not often have too much to say about when he will have an open date or be able to determine if the break was good or bad for his team until after he sees what happens.

The Lions Friday should be in good shape and will likely start a defense that is composed of Bryan

Chamber's First Venture In Roping Pronounced Succes

Both Sponsor and Participants Pleased With Event

Both ropers and oficials of the Ozona Chamber of Commerce labeled a success the first venture of the recently organized C of C into sponsorship of a roping program in Ozona.

The first annual steer roping held last Saturday at the new Memorial Park arena was perhaps at least a three-way success — it was a financial success from the Chamber's viewpoint, ropers pronounced it a successful show and evidently the crowds who attended and paid their admission fee to see the roping contests and eat a barbecue supper were pleased. The crowd fed out at the barbecue supper was estimated at 300.

Bob Johnson of Eldorado was the busiest cowboy in the arena in the afternoon and evening roping events. Johnson won five firsts four seconds and two third places in the afternoon and evening roping events.

There were 51 teams entered in the ropings. The afternoon session saw team ropings in four go-rounds. Best four total times for the four afternoon go-rounds were First, Bill Teague of Crane and Bud Fort of Lovington, N. M., time 53.1; second, Batts Friend, Quemado and Ozona, and Howard Westfall, Rocksprings, 59.5; third, Larry Howard of McCamey and Bob Johnson, 59.9; Bob Johnson and Jody Jones, Ozona, 64.1.

First go-round winners: Larry Howard and Bob Johnson, 12.0; J. L. Sawyer, Garden City, and Johnson, 12.1; Vernon West and Ray Hutto, Eldorado, 12.9; Bill Teague, Crane, and Walton Poag, Rankin, 13.6.

Second go-round: Larry Howard and Bob Johnson, 10.9; J. L. Sawyer and Merle Kelton, Crane, 11.0; Bill Teague and Bud Fort, 11.7 Vernon West & Howard Westfall, 12.2.

Third go-round: Larry Howard & Harry Howard, 11.3; Bob Johnson & Jody Jones, 11.4; R. R. Fort and Bud Fort, 11.5; Bud Cox of Ozona and Pancho McMullan, Big Lake, 11.9.

Fourth go-round: R. F. Fort & Bud Fort, 10.4; J. L. Sawyer & Bob Johnson, 11.9; Larry Howard and Harry Howard, 11.9; Jack Riggs, Dryden, & Tom Powers, Ozona 12.6.

The night performance pitted the best ten teams in a two-steer average. First go-round winners in this competition were Bob Johnson and Jody Jones, 12-9; George Fraser and N. A. Pitcock, 13.0; Larry Howard and Bob Johnson, 14.1.

Second go-round: Larry Howard and Bob Johnson, 10.9; J. L. Sawyer and Bob Johnson, 11.7; Bill Teague and Bud Fort, 13.1.

Best time in tying two calves were Larry Howard and Bob Johnson in 25 second flat. Second were George Fraser and N. A. Pittcock in 27.3 and third were J. D. Armstrong and Herb Wood in 30.4.

EXECUTIVE PUT-&-TAKE

The further we look, the more dragon's teeth we find in the surprise package that is labelled "The Civil Rights of -1963" and tabbed with the numbers S. 1731 and H. R. 7152.

Peering beyond its widely publicized Title II — the explosive "Public Accomodations" section which confuses property rights and human rights and withdraws the Constitutional right of trial by jury from those charged by Federal gum-shoers with violation of this chapter — there are some further shockers.:

Title VII, for instance, is a blueprint for the destruction of the union seniority system — if not of the whole temple of organized labor. Stanza Seven authorizes a "Commission on Equal Employment Opportunity" with unlimited powers "as may be conferred upon it by the President." It would prevent racial or religious discrimination in hiring by all employers "participating in programs or activities in which direct or indirect financial assistance by the United States Government is provided by way of grant, contract, loan, insurance, guaranty or otherwise." (Which means practically every business and professional institution.)

Where the Commission's inspectors found racial or religious "imbalance", an employer could be required to fire sufficient workers of the preponderant race or religion and hire enough Negroes or whites or Indians or Chinese or Eskimos, or Protestants or Catholics or Jews to achieve whatever the inspector considered "balance". Obvoiusly, the employer needing such replacements could no longer hire out-of-hand the workers sent him by the unions with which he had contracts.

And since the Commission could require removal of imbalance at all levels — from the laborers through the supervisors, executives, officers and directors — it seems obvious that its army of Federal busybodies would swiftly become the real masters of labor and management both — throughout the whole economy.

Their power becomes apparent when we realize that offenders might well have Federal loans called, contracts, guarantees or insurance cancelled, FDIC protection withdrawn, participation in any program denied — and after that, blacklisting for one, two or three years and revocation of Federally granted licenses — all by Executive Oorder.

The Executive Department is telling our Senators and our Congressmen that this is the kind of America you want. If you don't, write these men today and tell them to kill The Civil Rights Act of 1963.

TO BURY OUR SOULS FIRST

Khruschev's famous promise: "We will bury you," has been variously interpreted. And even though you may want to think of it as a figure of speech, it is still no mere pleasantry.

On the West Coast, however, activities of the Bay Area Funeral Society in San Franscisco and the Los Angeles Funeral Society — both of them directed and sponsored by Communist-fronters, fellow-travellers and assorted pinkos — strongly suggest a more literal acceptance of the Kremlin threat.

Both organizations bill themselves as co-operative non-profit societies, and while fronting for simpler and cheaper obsequies, seek to undermine the "bourgeois" institution of ceremonial and worshipful regard for the departed and thus destroy a fundamental expression of the Judeo-Christian ethic.

Both are dedicated to agitation against traditional funeral services as lavish, costly, more or less superfluous and an extravagance promoted by "monopolies" and "big business". As early as 1961, the Bay Area Funeral Society sought to relax California laws on the disposal of remains. While the original bill was referred to an interim committee for study, its sponsor, who had previously supported such Communist efforts as a curb on loyalty oaths and opposition to the disbarment of lawyers refusing to answer questions about their Communist affiliations, has said he will introduce another similar bill.

This macabre picture of Godless supporters of the Communist ideology (or lack of any) busily planning the manner of the burial Khrush has promised us should remind us of the earnest plea of the late Whittaker Chambers who wrote: "I beg you, do not underrate the energy of the Communist will or the sweep of its strategic vision, simply because it seems improbable to you."

Carsons Are Hosts To Ozona Woman's Club For Supper In Patio

The Ozona Woman's Club met Tuesday night in the home of Mr. and Mrs. Ira Carson for a patio supper in the garden, which had an oriental atmosphere with interesting mementos from the Carsons' recent travels around the world.

As guests arrived they were greeted by Mrs. Carson and the club president, Mrs. O. D. West, in Japanese kimonos, and Mrs. R. H. Knox in an Indian sari. Young Mike Baker, dressed as an Indian snake charmer, was luring a life-size cobra from his basket with music from a real Indian pipe. Southeast Asian music was furnished during the evening by recorded folk songs.

The invocation was given by O. D. West and members and guests were welcomed by Mrs. West.

After the supper, Mrs. Carson showed her colored slides, taken while she and Mr. Carson were on their world tour this summer with comments and explanations. The professional quality pictures and the informed comments by the hostess provided a fascinating evening for the guests.

Leaving Ozona, Mr. and Mrs. Carson drove to San Angelo where they left for Dallas at 6 a. m., arrived by American Airlines from Dallas in San Franscisco at 10:30 Pacific time, and on to Hawaii to spend the night.

From Hawaii, where they had visited before, they flew by Japanese airline to Japan for cherry blossom time. From Japan they flew to Hong-Kong, to Singapore, to Bankok, Thailand, a favorite country of the Carsons because of the beauty of the landscape, the Buddhist temples, the canal of floating markets and the happy, industrious, friendly people.

On to India, the Ozonans found the usual interesting places, including the Taj Mahal, the Vale of Kashmir and the Himalayan mountains. From India to Egypt, they visited Cairo, the Sphinx by camels and a flight up the Nile river to Luxor to the Valley of the Kings Tombs. From Egypt via Athens, Rome and Paris by Trans-World Airlines, the Ozonans landed in New York to end a 46-day flight around the world.

Others enjoying the evening were Mr. and Mrs. Will Baggett, Mrs. Hubert Baker, Mrs. O. L. Sims, Mr. and Mrs. Tom Clegg, Mrs. J. A. Fussell, Mrs. J. M. Baggett, Mrs. S. M. Harvick, Mrs. Floyd Henderson, Mrs. J. W. Henderson, Mr. and Mrs. Ivy Mayfield, Mr. and Mrs. Stephen Perner, Mr. and Mrs. Hillery Phillips, Mrs. Joe Pierce, Jr., Mrs. Joe Tom Davidon, Mrs. Eldred Roach, Mrs. Joe Chapman, Mr. and Mrs. Max Schneemann, Mr. and Mrs. Roy Thompson, Mr. and Mrs. Evart White, Mr. and Mrs. Ted White, Mr. and Mrs. Taylor Word, Mrs. Alice Baker, Mrs. Clay Adams, Mrs. Gertrude Perry, Miss Mildred North, Mr. and Mrs. Wayne West, Mr. and Mrs. Massie West, Mrs. W. E. West, Mr. and Mrs. Frank Johnson, Mr. and Mrs. L. B. Cox, Jr., and Mrs. Charles Thompson of Howe, Texas.

The '64s from Ford are here:
The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.

TRY TOTAL PERFORMANCE FOR A CHANGE!
FORD
Falcon • Fairlane • Ford • Thunderbird

1964 SUPER TORQUE FORD
Strongest, smoothest, steadiest car in its field—by hundreds of pounds . . . More steel in frame and suspensions . . . Unique suspension lets wheels move backward as well as up and down to flatten bumps . . . Distinctive new rooflines.

1964 FAIRLANE
Unique combination of family-size room, sports car feel and modest price . . . Optional 289-cubic-inch V-8 so lively it was adapted for famous Cobra sports car . . . Five engine choices, six transmission choices, eight different models.

1964 FALCON
All new except the economy that made Falcon famous . . . Falcon's Six still holds all-time Mobil Economy Run record for Sixes or Eights . . . Plushest ride ever built into a compact car . . . 14 models—plus 3 extra-duty wagons.

EDITORIAL

By George Kyle

The collecting of boxes for this year's bon-fire has exceeded that of the past years in that more people are getting into the act. However, there are some that have forgotten the real reason for collecting these boxes.

They feel that the only way to obtain boxes is to steal them from other classes.

Originally the boxes for the bonfire were to increase school spirit as well as help build tne team's morale. Perhaps it is true that if it were not for the competition between classes, not many boxes would be gathered.

Some are talking more about stealing boxes than about encouraging the Lions on to victory in their battles.

Let's not let a few thoughtless errors ruin an old tradition in O. H. S.

AN ODE TO CHEERLEADERS

By Suzanne Lewis

Cheerleaders here, cheerleaders there,
Cheerleaders are almost everywhere.
In my study hall they abound,
With their giggly, girlish sound

All through the week
They're in a daze.
But when Friday comes,
They change their ways.

Their grins get bigger,
Their eyes get wider
And they illuminate
Like a cigarette lighter!

All that day
They encourage their team.
And toward the afternoon
There arises a scream.

Cheering the Lions,
Oh! What a task!
They take it willingly,
In glory they back.

They clap their hands,
Their feet they pound,
And they lead the kids
In a mighty sound.

It's eight o'clock,
The game is here.
Oh, what a treacherous,
Gnawing fear.

Their backs are good.
Their line is, too!
Is our game lost?
Their thoughts are blue.

Bryan makes a run!
Scott takes a pass!
Our cheerleaders spirits
Pick up fast.

Cheering, cheerleading,
Their voices are hoarse,
But they keep up the good work,
They're loyal of course.

It's eleven o'clock,
(We've won the game)
To the dance they go,
Their minds in good frame.

After their dates,
At one, two or three,
To their quiet rooms they tiptoe,
Each very softly.

They're dead on their feet,
Their eyes loaded with lead,
The five wonderful girls
Creep softly to bed.

SPORTS COMMENTS

By Rod and Leroy

Afer having their open date last week, the Ozona Lions return to action this Friday night when Rocksprings entertains them in Rocksprings. The Lions will be favored to win this game, although, the Angoras are picked to be a big contender in their district.

For a team that "wasn't suppose to have anything, the Lions have done very well this season. While winning one and losing one, they have shown that they will and want to play. And who knows, if given the backing they deserve, they just might win District 8-A".

Concerning the remaining teams in District 8A, the District won 2 out of 3 games. Big Lake beat McCamey, 20 to 16; Eldorado defeated Eden, 35 to 0; but Sanderson was beaten by Del Rio San Felipe, 34-0.

The Robert Lee Steers have been picked by two recent polls to be the number 'one' team in the state in class B. The Lions meet the Steers here in Ozona on October 11.

In regards to the Southwest Conference this past week-end the SWC teams did well winning 4 of 5 games played. Texas U., Arkansas, Texas Tech, and Texas Christian all won their games while Texas A&M lost to Louisiana State

In this weeks slate of games, it looks like these teams should add a win to their record.

Ozona over Rocksprings 24-12

FAILING SLIPS ARE OUT

For a number of years it has been the policy of the administration to send out failing slips. This states whether a person is failing or near failing.

These slips are mailed on the Wednesnay of the fourth week of each six weeks. Those who are to receive a failing slip can expect to receive it by the Friday of the fourth week.

The administration and teachers feel that these slips will aid the parents, as well as the student, in cautioning them of their grades before the six weeks grading period.

GOSSIP

Wonder why Dude M. was trying to hide his pick-up last Friday night.

How did a certain teacher cellebrate his birthday yesterday? Eating cake? ??

What Freshmen boy has a new haircut? How about it "Gypsy"?

Is it true that some of the Juniors and Seniors are already having spring picnics?

Beware! Don't walk between the Junior High and High School buildings during sixth period. You may get shot by Robin Hood.

Are they really going to put parking meters on Lover's Lane?

Wonder if Mr. Green really went to Albany last week-end?

Were the Seniors selling mud pies at the steer roping contest last Saturday?

Is it true that some of the Juniors are doing their gift wrapping early?

———oOo———

NOTICE

The Student Council members, will meet Monday, September 30, during second period. The members will discuss plans for the Freshmen days to be held during the last days of the week.

STUDENT COUNCIL SPONSORS FRESHMAN DAYS

By Lucille Childlress

Wednesday, October 2, will begin the 1963 Freshmen Days at OHS. They will conclude Friday of that week.

Under the direction of the Student Council, the Freshmen will be sold to upper-classmen as slaves.

The slave auction will be held in Mr. Leath's room at noon, Wednesday, October 2. The price of slaves will be 25, 50, and 75 cents, which will be paid by each owner even in a "partnership" deal!

The slavery period will only be in effect during school hours.

Freshmen week had its beginning 9 years ago. It has done much to prevent the hazing of first year students, from getting out of hand by placing fun in an organized group.

During Freshmen Days, the Freshmen, will perform basic initiation tasks such as carrying their master's books and obeying their simple commands.

JUNIORS HOLD RUMMAGE, MUM SALES

By Janice Walker

The Junior Class will sponsor their annual rummage sometime in the near future. Those having any old clothes, bicycles, pots, pans, furniture, or "anything" second hand, and wish to donate to the rummage sale are asked to contact any member of the Junior class who will see that it is picked up.

The Juniors will begin selling mums for the Big Lake football game sometime next week. Those desiring mums may contact one of the Junior. The class is planning a "door to door" campaign to promote the mum sales.

QUESTION OF THE WEEK

By Rick Hagelstein

"What do you think should be done for the teachers and the students of OHS to compensate for the heat suffered twice yearly" was the question asked early this week to some of the students and teachers of OHS.

Here are some of the comments, upon the question.

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth luxury Chevrolets.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious, too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth ride with Full Coil suspension. Flush-and-dry rocker panels, Delcotron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that seems to be entirely up to you.

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

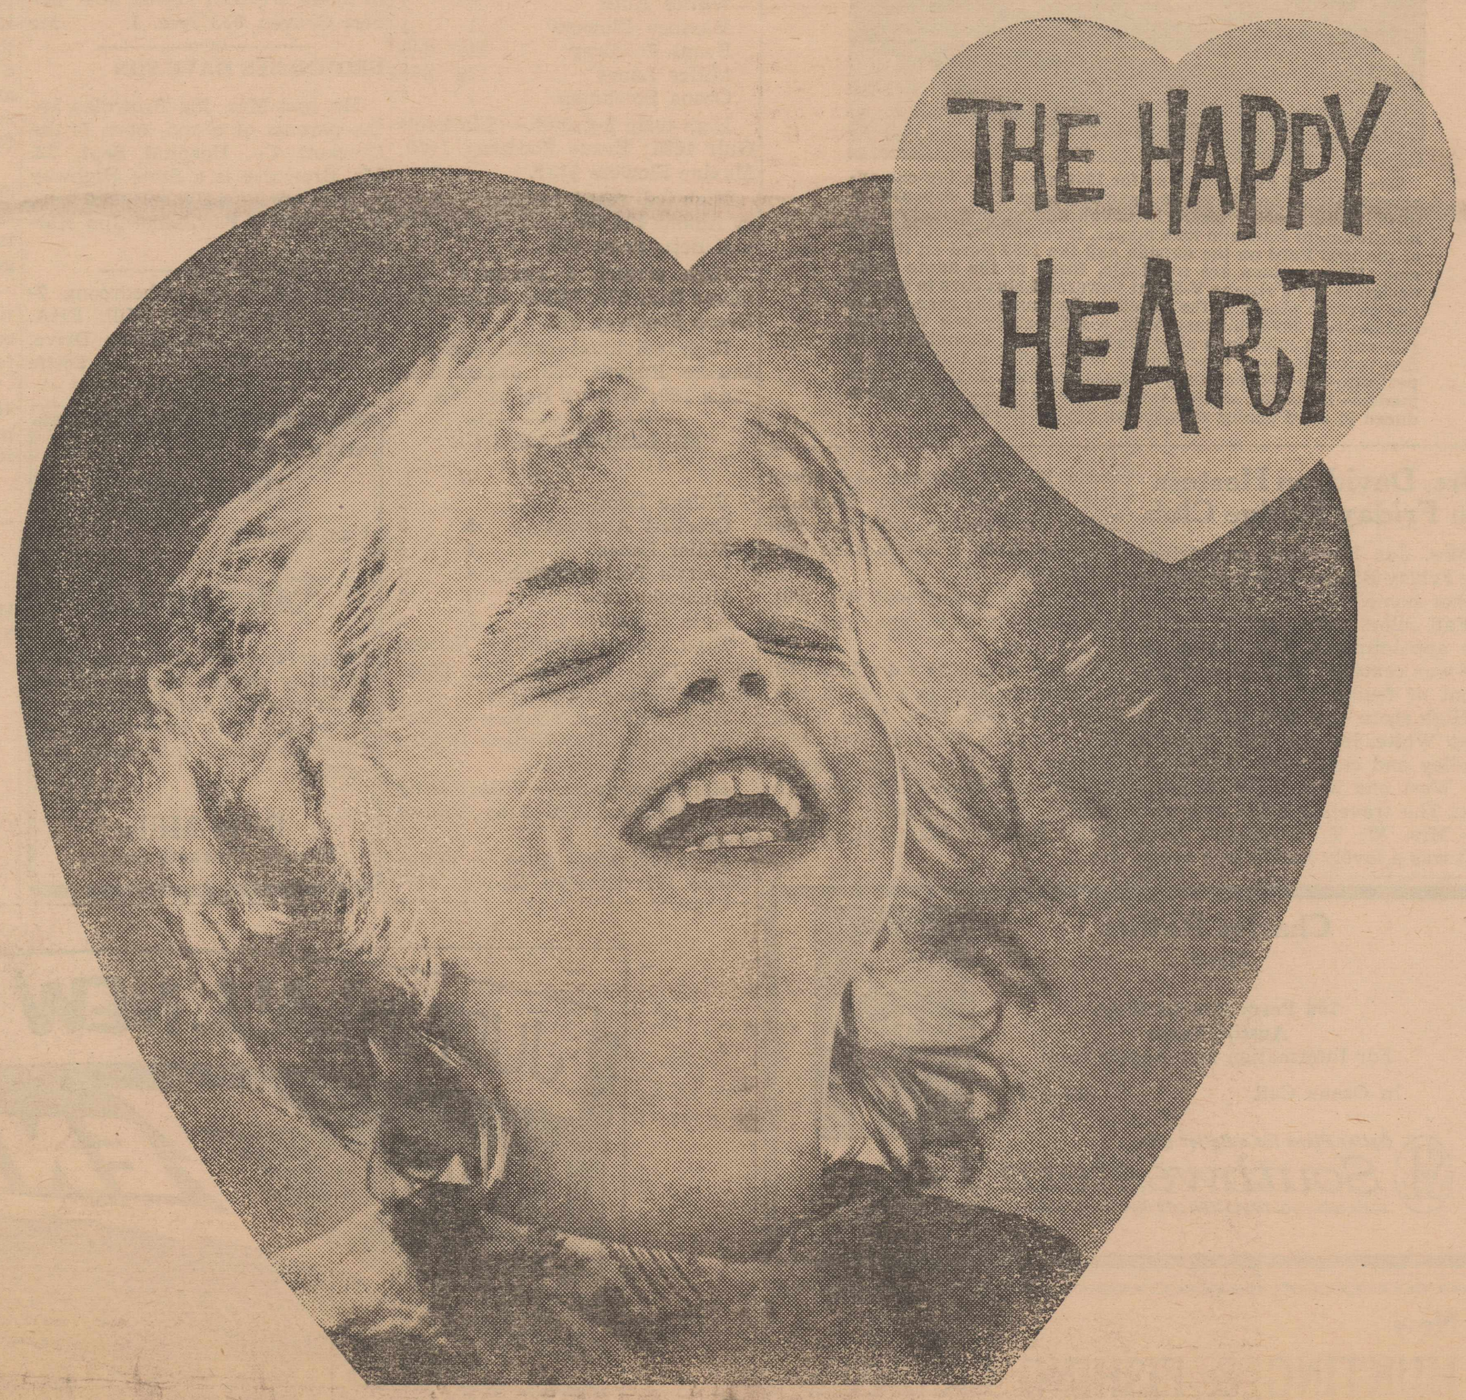

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its Body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost.) Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe?)

THE CHURCH FOR ALL... ALL FOR THE CHURCH

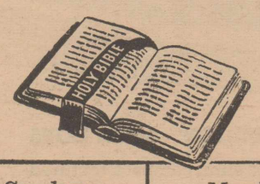

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Only from the carefree heart of a child could come such joy.

Or could it? Is it necessary to lose childhood's happy laughter? Must we feel depressed and burdened with the yoke of adult cares?

Certainly not! The God-given gifts of joy and happiness are possessions we can and must retain throughout all our years. But how can we keep this wonderful spirit?

Here is a formula that is very simple: attend the church of your choice regularly. In God's house you will learn to accept life's burdens — and soon they will be ever so much lighter. His Peace will fill your heart. Here, in fellowship with others, you will receive the needed peace and understanding to reclaim and sustain the merry heart.

Miss Mary Sue Rowe Becomes Bride Of Jay Miller In Sonora Rites

Ft. Stockton, Texas — Mr. and Mrs. Henry Hilliard Rowe announce the marriage of their marriage, Mary Sue, to Jay Miller on Thursday, September 12, at six o'clock in the evening in the First Methodist Church of Sonora, Texas.

The Rev. Allen Roe, pastor, officiated at the double ring rites.

The bridegroom is the son of Mr. and Mrs. Robert Eugene Miller of Ozona.

Lighting candles for the ceremony were John Rowe, brother of the bride, and Frank Childress.

Attendants for the couple were the bridegroom's brother, Pierce Miller, and Mrs. Miller, former roommate of the bride at TCU, nee Betty Baggett of Ozona, whose marriage took place in Ozona on August 24.

Attending the rites were only close relatives of the couple. including the parents of each; the grandparents of the bridegroom, Mr. and Mrs. Vic Pierce and Mr. and Mrs. Rob Miller, all of Ozona; and Robilyn Miller, sister of the bridegroom.

The bride wore a checked wool suit of adobe and brown with light brown accessories. Her orchid corsage was in shades of green and brown.

Gold and bronze chrysanthemums in the church harmonized with the tones of her ensemble.

The couple left immediately following the ceremony for Fort Worth where they have an apartment in Westchester House, 554 South Summit. They plan to reenter Texas Christian University.

The restyled Ford Fairlane for 1964 presents a big-car appearance and boasts engine performance that was proved in the Indianapolis "500." Although new styling makes the middleweight Fairlane look bigger, it remains about the size of the 1956 Ford on the outside and the 1959 Ford on the inside. Five engines are available, three of the same basic design as the Fairlane V-8 that powered Lotus cars to second and seventh places in the gruelling Indianapolis race. These include two 289-cubic-inch V-8s, one 260-cubic-inch V-8, plus 170- and 200-cubic-inch six-cylinder engines. Combined with five transmissions, these power plants offer a full array of performance and economy choices for 1964. Eight Fairlane models—hardtops, station wagons and sedans—will be introduced in Ford dealer showrooms September 27.

1964 Wool Incentive Payment Scale Is Set

College Station — The 1964 wool incentive and mohair support prices have been announced by the USDA, says Ed Uvacek, extension livestock marketing specialist. Shorn wool incentive price was set at 62c per pound and the mohair support price at 72c per pound for the 1964 marketing year.

The marketing year in 1964 coincides with the calendar year for the first time, says Uvacek. This is in accordance with recent changes.

Prices of pulled wool will continue to be supported at a level comparable to the incentive price for shorn wool.

The specialist notes that in the 1961 marketing year Texas wool producers received a gross incentive payment of $10,094,527.54.

Telephone Expansion Work Completed Here

Installation of a 200 pair cable was completed August 6, on Avenue K, Avenue L and Avenue M in Ozona, according to District Manager R. R. McCullough, General Telephone Company of the Southwest, San Angelo, Texas. Another cable project was completed on August 12 to provide cable relief in this area for upgrades and new applicants.

The District Manager also stated that the additional facilities are expected to take care of the anticipated future telephone needs. According to Mr. McCullough, the Company makes periodic surveys to determine future telephone needs in its exchange and makes provision to furnish such service. However, Ozona has enjoyed a steady growth over the years as is reflected in the number of telephones.

The General Telephone Company of the Southwest serves over 366,713 telephones in 264 exchanges located in Texas, New Mexico, Arkansis, Louisiana and Oklahoma and is a part of the General Telephone System with headquarters in New York.

OUR LUXURIOUS NEW YORKER. Our top-of-the-line. Gives you more luxuries than many cars priced well above it.

OUR SPORTS-BRED 300. Our hot one. Comes from a long line of champion road cars. Engines range from 383 to 413 cubic inches.

OUR NEWPORT. Our easy-to-own Chrysler. Still the world's best value. Own it for a small-car price.

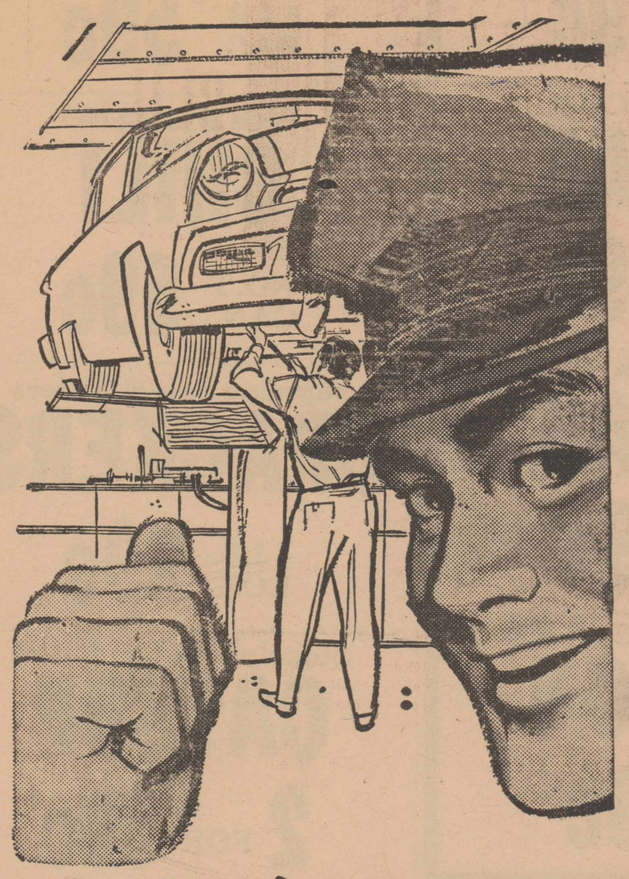

Oh! What a beautiful line!

We've got a Chrysler to fit you. Just right. Pick your brand of luxury. All big, elegant Chryslers. Nothing small about 'em. Luxury with V-8 liveliness to match. All of 'em built better...backed better than any cars in their class. Nice wide price range, too. No small-size Chryslers. Chrysler doesn't build 'em. Come in. Size up a Chrysler. One of 'em will fit you. Beautifully.

MOVE UP TO Chrysler '64. WE'LL MAKE IT EASY CIDAA

Lions Poised —

(Continued from Page One)

oMntgomery and Thomas Garza at ends, Mike Walters and Rick Hagelstein at tackles, Joe Chapman and Bob Amthor at guards with Pete Garza, Richard Vargas, Leroy Cooper, Joel Huff and Scott Mahon in the secondary.

On the offense the Lions will have Cooper at quarterback, Vargas and Montgomery at half backs and Paul Perner at fullback. Buddy Farris and Alejos Tambunga will be alternates and Sammy Cervantez, Larry Williams, and Doug Moore will see action early.

In action last week, the Lion opponents did rather well, much to the discomfort of the Lion backers. Big Lake downed McCamey 20 to 14, Menard and Sonora fought to a 19 to 19 draw, Robert Lee emerged a full fledged class B power in walloping its foe of the week 44 to 6. Ozona faces Sonora next week and then Robert Lee the following week.

LEAGUE VISITS CAVERNS

Members of the Woman's League enjoyed a tour of the Caverns of Sonora Tuesday morning on their Texas Heritage program.

The group was told that the caverns are estimated to be 60 millions years old. Points of particular interest were the doll house room, the butterfly formations, the bacon drapery, the Indian headdress and the fountain with the doves.

The League is to be guests of the Woman's Forum next Tuesday, Oct. 1.
