PRICE FIVE CENTS

FIXING OF FARM PRICES ARGUED

State Treasurer Lockhart Testifies His Employes Gave Him \$500

TWINKLES Do human beings, like certain animals, feel approach of winter and have instinctive desires to migrate south? Our evidence is affirmative.

Judge Ivy Duncan and this writer are some sort of weather prophets. Standing on Harvester gridiron watching the football scrimmage Wednesday afternoon, we both predicted rain before morning. This Pampa, sniffling the cold east wind, predicted moisture. Judge Duncan, looking westward at a cloud bank over that windmill, forecast rain for his farm. And it did rain by nightfall.

We'll confess, however, that at 2:30 o'clock we went home and changed to a light summer suit. Then we shivered at 4:30 at the park. The weather is "normal again."

Another sign of a hard winter: Judge Duncan, Doc Hicks, Ray Wilson, are growing vegetation to protect their upper lips from northers.

Germany, banishing newspaper men for errors, is only doing what a lot of people would enjoy. There really ought to be country set aside for exiled reporters.

A newspaper error, to Herr Hitler and some people without Herr before their names, consists of printing remarks made for psychological effect only, and not for publication and calm contemplation.

France is sending us propaganda written in French; Germany has some smart translators in New York. Both are wasting their money. The only Russian propaganda we get comes from New York capitalists and manufacturers who wish recognition as a step toward trade agreements.

While France worries about her cabinet, many of our folks are filling their cupboards with canned foods.

Nudists are not the only folks who have to watch the weather right now. This morning may mizzle July, while this afternoon may usher in the breath of King Winter.

BREVITORIALS—City officials stretched every point in reducing the tax rate from \$1.50 to \$1.25, a cut of 34 cents. That is a welcome gift to the taxpayers.

No levies were made for the operating expenses of the city. The levies that were made are provided for in the city charter. The levy for discharge of interest and sinking fund requirements is of course mandatory. The library levy is fixed at 3 cents by charter amendment. The B. C. D. levy can be any sum up to 20 cents per \$100 valuation. It was set at 7 cents.

Delinquent taxes were rightly figured into the new tax rate. Those who can pay should be made to pay. The city figures that 15 per cent of the delinquent taxes for 1932 can be collected and applied on the next interest and sinking fund requirement. This should be true. The commission estimates that about 25 per cent of the taxpayers will be delinquent next year. This, also, is likely.

When all this is done, there still may be a small deficit in the bond fund requirements. The general fund

THREE GUESSES

HOW MANY WOMEN HAVE SWUM THE ENGLISH CHANNEL?

WHO IS CHIEF JUSTICE OF THE U.S. SUPREME COURT?

See ANSWERS, Page 2

SUM RETURNED TO ONE CLERK IN HIS OFFICE

WOMAN ASKS FOR SUM AFTER LOSING HER JOB

AUSTIN, Nov. 3 (AP)—Charley Lockhart, state treasurer, testified before a legislative committee today concerning contributions of money made to him by employes of his department during the spring of 1932.

Lockhart said that in all approximately \$500 was turned over to him. Lockhart testified he believed the money was presented to him by employes of the department as a donation and that he accepted it as such. He said the collection of the fund was made without his knowledge or consent.

When the fund was given him, Lockhart said, it was not stated that it would be used for campaign expenses. He specifically denied any knowledge that pressure had been brought on employes to contribute to the fund and said that had he known of any coercion he would have discharged the offender immediately.

He said the money was turned over to him to use for whatever purpose he desired. Lockhart said there was some suggestion that he purchase an automobile, while another suggestion was that he take a trip.

Lockhart said he never saw the list circulated among employes and that he did not know who contributed or the amounts they gave. He testified he refunded one employe her money when she left the department and after she asked for a return of the amount she had contributed.

"I don't know how much she paid in," Lockhart said. "I just took her word for it." He added that anybody else who had contributed with the idea of keeping a job could have the money back.

He said he had received other gifts, such as a traveling bag and traveling kit and that employes often bought him cigars, fruit and other occasions brought his lunch to the office.

Relief Agency Spent \$6,690 In Last Month

Reports submitted to the Texas relief commission for the month of October by Mrs. W. H. Davis, administrator for Gray county, show that a total of \$6,690.07 was disbursed during the month in work and direct relief.

Of the amount spent, \$5,077.93 was disbursed in work relief with which 292 families, affecting 1204 persons, 47 non-family persons and 5 transients, were aided. Direct relief of \$1,612.14 was disbursed with which 140 families, affecting 432 persons, 11 non-family persons and 43 transients, were aided.

A grand total of 357 families, affecting 1519 persons, 48 non-family persons and 48 transients were aided during the month. Many of the families, as well as non-family persons, received both work and direct relief, but the totals above represent the net number of cases aided.

I HEARD—

W. M. McWright, captain of the Mack and Paul Barber shop "left-handers" bowling team, issuing a call for all left-handed bowlers in this section to be at the Pampa Bowling alley at 8 o'clock tonight. "Mack" is short a couple of "left-handers" for his team, which rolls its first game of the season tonight.

Carroll Purvins of Panhandle, while riding over his ranch Wednesday afternoon, told his brother, Dr. W. Purviance, that he wished it would rain so much that he wouldn't have to stoop to drink. Before the two men reached home, rain started falling in sheets and Carroll remarked, "I guess I wished for too much rain, Doc."

Faces Charge

Denying the accusation of Blanche Ralls, Texas girl, that he attacked her, Lieut. John H. Murrel, former Minnesota U. and West Point football star, faces trial in military court at Fort Sam Houston. The girl alleged the attack took place on the military reservation, an offense punishable by hanging.

U. S. FLEET TO BE MOVED INTO ATLANTIC SOON

Ships To Leave Next Spring and Return During Fall

WASHINGTON, Nov. 3 (AP)—President Roosevelt today authorized a cruise of the United States fleet into the Atlantic ocean next summer.

The fleet probably will leave its base in the Pacific in the spring and return there late in the fall. The announcement was made at the White House after a conference of the president and navy officials.

Full details have not been completed for the movement which, incidentally, will coincide with the prospective visit by President Roosevelt into the Pacific next summer. The fleet has been concentrated in the Pacific since March, 1932. Mr. Roosevelt is planning to sail through the Panama Canal and as far as Hawaii next summer.

School Visiting Night Postponed

A scheduled high school visiting night with a program to have been given tonight was postponed today because of bad weather.

Parents and patrons were to have visited the rooms of various teachers before going to gymnasium for a program featuring musical organizations, the tumbling team, and the pep squad.

The occasion will likely be held during next week, which is the thirteenth annual American Education week. Chapel programs of various schools will stress educational topics.

F. M. Barton of Clarendon is visiting friends in the city.

POLICE ACTIVITY IS GREATER DURING OCTOBER—112 ARRESTS

Pampa policemen made 112 arrests last month, it is shown in the report of Chief John V. Andrews. These were as follows: Vagrancy 3, intoxication 59, array 4, disturbing the peace 2, speeding 6, other traffic violations 26, investigation 8, burglary 1, assault and battery 1, peddling 2, theft 5, gaming 6.

Five cases were dismissed. Fines assessed totaled \$531.25, with \$425.75 collected. Prisoners worked 29 days and "laid out" 16 days. Eight prisoners were released to the county.

QUICK RETURN TO GOLD BASIS IS DEMANDED

ORGANIZED ATTACK ON ADMINISTRATION IS LAUNCHED

NEW YORK, Nov. 3 (AP)—The New York state chamber of commerce went on record today in strong opposition to a managed currency and demanded that the United States return to a permanent gold standard with the utmost promptness.

The action was taken at a special meeting attended by men eminent in the financial and business affairs of the state and nation.

Lecnor F. Lorse, head of the Delaware and Hudson railroad, declared that the abandonment of the gold standard by the United States was as great a violation of trust as Germany's disregard of Belgium's neutrality in 1914.

The sentiment of the chamber of commerce was one of the first organized attacks on the administration's new monetary policy, particularly the recent gold purchasing policy.

At the meeting of chamber representatives, financial interests of Wall Street and much of the East were represented. Opinion as evidenced from addresses made before the gathering was definitely in opposition to any attempt in currency experimentation and the managed commodity dollar.

The resolution stated that the chamber, "taking cognizance of recent financial developments, hereby affirms its conviction that a standard is the most satisfactory monetary system from the standpoint of the American people as a whole, and expresses the belief that as a delay in the declaration of a definite policy will make the task more difficult, measures should be taken with the utmost promptness toward the restoration of a permanent gold standard in the United States."

Archeology To Be Studied By Alley Oop Club

Study of archeology and building of Boy Scout museum will be the goal of a new "Alley Oop" patrol formed at a meeting of adult leaders last night.

L. O. Johnson, member of the NEWS staff and archeology enthusiast, will be the "skipper" of the new patrol, with Wilks Chapman as first mate. A meeting of prospective patrol members will be held Tuesday evening at the city hall. The patrol will hunt for relics and will study Indian lore in this section, which is especially rich in prehistoric ruins.

The patrol advisory committee includes A. G. Post, chairman; Gilmore N. Nunn, vice chairman; Rev. A. A. Hyde, Judge W. R. Ewing, S. G. Surratt, and L. L. Sone.

Talks on the proposed patrol were made last night by members of the advisory group, and by Executive C. A. Clark.

FREED ON BOND

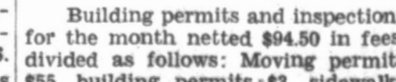

DECATUR, Nov. 3 (AP)—Tim Harlan, charged on two counts with murder in the slaying of Coleman Miller and Gilbert Womack at Paradise early in the week, was released on \$10,000 bond yesterday. His case will go before the district court jury next month.

DEADLINE SET

WASHINGTON, Nov. 3 (AP)—The civil service commission announced today receipt of applications for the postmastership at Amarillo, Tex., will close Nov. 21. The office pays \$4,000 a year.

V. M. Brown of Oklahoma City is here on business for a few days.

Harry Mentzel was admitted to Worley hospital yesterday for medical treatment. He is a Car-Gray company employe.

WEST TEXAS: Partly cloudy, warmer in west and north portions tonight; Saturday, partly cloudy, warmer.

OIL ORDER ON NEW WELLS IS ISSUED HERE

No Production Allowed In Wells Completed After First of Month.

NOTICES were mailed this morning to all operators, producers, pipeline companies, and purchasers of crude oil in the Panhandle district to the effect that "until further notice new wells and wells with increased potentials will not be given an allowable or increased allowable until the following proration period."

A proration "period" is from 7 a. m. the first day of each calendar month to the same time the following month. The new ruling means that if a well is completed after the first day of a month, it will not be placed on test or allowed to produce oil until after being placed on test the next month. The same rule will apply to deepened wells which may be brought in at an increased flow during a month.

The change in the present policy is necessary in order to keep production within the daily allowable set for the field. The present allowable of the Panhandle field, 42,000 barrels, is actual allowable and does not allow for variation in production which past schedules have done.

Grandview Trip Postponed After Continued Rains

Because of continuing showers on the dirt road to the Grandview community, the scheduled trip to the school camp to be held tonight by Pampa business men was postponed today.

The new date will be announced later. It was feared that attendance would be short because of bad roads and that some might not be able to stay on the highways.

The K. K. band of Woodrow Wilson school was to have made the trip in a school bus. The B. C. D. and Frank Hill had perfected local arrangements for the journey and program.

Overall Prices Irks Mid-West

KANSAS CITY, Nov. 3 (AP)—In the middlewest, where wheat embargoes and farm strikes evince the farmer's strong conviction that prices of what they have to sell have lagged behind prices of what he must buy, the overall has become the symbol of agrarian discontent.

The price of a pair of overalls, standard everyday apparel of the man who works in the fields, has been singled out for repeated protest at farm gatherings. It has come to typify, in the agricultural mind, the higher retail prices which many farm leaders contend press most severely upon rural residents.

Inquiry at Kansas City retail establishments disclosed that overalls costing a farmer 50 to 60 cents a pair early this year now sell for 80 to 90 cents. Overalls of better material and workmanship, which formerly sold for 98 cents, now bring \$1.39.

CUTTING OF PANHANDLE CRUDE OIL ALLOWABLE HELD UNFAIR

Many Pampa oil men feel that drastic reduction in the railroad commission's allowable for the Panhandle oil fields is working an unfair hardship on producers, royalty owners, and the unemployed.

When federal allocations of production to states began, the legal allowable for the Panhandle's vast fields was 60,000 barrels. The railroad commission issued a schedule based on 55,000 barrels. At that time, Wichita Falls' district was permitted the same as the Panhandle, or 55,000 barrels. While the commission has persistently reduced Panhandle allowables to the

WEATHER DUE TO BE WARMER ON SATURDAY

MORE RAIN FALLS AT ALL POINTS IN PANHANDLE

By The Associated Press. THE first severe norther of the winter season rolled down from the Rocky mountains over most of Texas last night and today, sending temperatures tumbling and drenching the state with rain.

Striking first in the Panhandle, the cold wave spread out fan-shaped to the southeast, reaching the gulf district early in the day. The weatherman predicted that the snappy weather would be short-lived, however.

For East Texas the weather was due to be partly cloudy and slightly warmer tonight and tomorrow. West Texas was in line for rainy weather in the southeast portions with slightly lower temperatures tonight and cloudy weather with higher temperatures tomorrow.

Amarillo's minimum temperature last night was 34. An additional

NEW YORKERS PROVE TO BE MAIN 'STREET SUCKERS' IN MAYORALTY PARADES, ORATORY, BOOES, FLARES

Thousands Jam, Yell And Fight For Candidates

BY B. L. LIVINGSTONE. NEW YORK, Nov. 3 (AP)—Broadway, in its own vernacular, is just a "sucker" for political torch light parades and bands.

The gay white way, which likes to take its heroes and its notables straight, was a magnified edition of the main street of any town in America last night as the local election campaign approached its end.

Beneath the accustomed dazzle of its electrical display, New Yorkers whooped 'er up with all the good old campaign frenzy against a background of electioneering oratory, loud speakers, parades, boogie, police lines, and red flares.

Fifty thousand persons assembled outside nearby Madison Square Garden, where fusion party candidates spoke. Another 25,000 jammed its way in.

Times Square crowds shouted above the bellow of a half dozen loud speakers, blaring forth the merits of Mayor John P. O'Brien. The candidates waved their arms from the roof of a theater marquee at Forty-Third street and Broadway.

Up at Fifty-fifth, solid police lines suddenly bulged—10,000 throats gave forth a roar of anger. Tammany had pulled a "fast one."

Five hundred good democrats had marched to the garden and under the very noses of fusion crowds three bands burst into strains of "Tammany."

Samuel Seabury, veteran Tammany foe, was speaking. But Seabury or no Seabury, the fusionists rushed to repel the invaders.

Police grunted, pushed—the foe retreated in good order after a prolonged exchange of pleasantries.

FIRST AID TO BE TAUGHT IN FREE COURSE

Red Cross and Scout Council To Sponsor Lectures During Next Week.

A THOROUGH course in first aid will be launched Monday under the auspices of the Red Cross and the Adobe Walls Boy Scout council. The instruction, free to all who wish to take it, will be given at the red building of the high school campus, beginning at 7:30 o'clock Monday.

Dr. R. M. Bellamy will be technical director of the course. Various physicians will lecture during the several weeks of instruction. As the "students" arrive, they will inspect charts and literature on the course. Then the meeting will be called to order and patrols formed.

Dr. Bellamy will discuss the place and purpose of first aid, then there will be group discussions before Dr. H. H. Hicks speaks on "Anatomy for First Aid Students." Demonstrations and practices will follow, and the lesson will close with assignments and selection of a permanent meeting time.

This will be a standard course in first aid. Scoutmasters, troop committees, business groups, oil com-

LATE NEWS

LAWTON, Okla., Nov. 3 (AP)—Investigators of the deaths of three members of the Robert Hayter family announced this afternoon that a clear cut murder motive had been established with examination of a lone thumb print found on a pistol in the home.

KANSAS CITY, Nov. 3 (AP)—Over strenuous defense objections, permission was given the state today to read to the jury a confession George McGee is purported to have made admitting a part in the kidnaping of Miss Mary McElroy here last spring. During the course of the argument McGee was questioned. He told the court that he had been beaten by police in an attempt to force him to sign a paper, the contents of which he was ignorant.

CHICAGO, Nov. 3 (AP)—Officials of the world's fair decided today to hold the exposition over for 1934. About \$35,000,000 has been taken in at the gate and by concessions since the exposition opened five months ago. The closing date has been extended from November 1 to the end of next month.

DALLAS, Nov. 3 (AP)—The Dallas county grand jury today returned three indictments for swindling in connection with charges of state job selling. William McGlothlin was indicted on three counts of swindling in the job selling investigation.

HAVANA, Nov. 3 (AP)—The national leader, Carlos Mendicita, said today that he and his followers "are asking that President Ramon Grau San Martin resign." At the time the political leader virtually blasted the hopes of administration supporters for a coalition government.

Joint Bridge Party Planned by Clubs

The Kiwanis and B. & P. W. clubs will give a joint bridge party at the Schneider hotel Tuesday night, November 21. The Kiwanis will give its share of the proceeds to the underprivileged children's fund and the B. & P. W. club will put its part in the general cafeteria fund. Tickets may be obtained from any member of the two clubs.

Pupils of the Webb school sent a letter of appreciation to members of the Kiwanis club, thanking the clubmen for a football presented last week.

Reward Offered For Lost Envelope

The person who found a large brown envelope in the post office lobby yesterday morning will receive a liberal reward by delivering it to the Pampa Daily News. The envelope was addressed to the Western Carbon company, Pampa, Texas. The content of the envelope is useless to anyone excepting to the carbon company. It is a communication from its head office and contains only copies of orders and other company matter.

I SAW—

Julian Barrett dancing all over the place because the stock market went up today. They Can Be Best—Bob Smalley striking out down the street the other day followed by a dozen or so youngsters who yelled they were going on a picnic. Every time you see Bob he is surrounded by from six to a score of boys.

AN OBJECT LESSON ON THE NEW ECONOMY

A smart New York department store the other day presented one of the best object lessons yet devised to show just how the fruits of a rising price level are to be reaped.

In a full-page newspaper advertisement, it printed two pictures of men's shirts. The shirts were identical in appearance, in material, in cut, and in workmanship. One of them sold for 89c; the other for \$1.25.

The 89-cent one was the shirt this store had on its counters at the start of the summer. The other was one that is on sale now.

The man who grew the cotton for the 89-cent shirt, the advertisement pointed out, lost money on it. His cotton pickers got canned goods and groceries in place of cash wages. The workers in the textile mills that changed the raw cotton into fabric got starvation wages—around \$5 a week.

The girls who turned the cloth into a finished shirt got a little bit less than that. The men who employed the workers in these establishments were not making money. And the store which sold the shirt was losing on the deal.

But, of course, for the purchaser, it was a bargain—of a sort.

Now for the \$1.25 shirt.

The man who raised the cotton for it got a decent profit on his crop. He paid his pickers in cash, not in groceries. The textile workers who turned the cotton into fabric got at least \$13 a week. The girls who made the shirt got enough money so they could eat decently, live decently, and put off the burden of fear.

Their respective employers were able to make a profit. The store itself was able to make money on the deal.

So this shirt, although it cost considerably more than the first one, also was bargain. It had no starvation wages, no child labor, no rising scale of losses woven into its fabric. It represented a fair break for everyone concerned in its production.

The first bargain was a bargain built on human misery; the second, a bargain that promotes the welfare of the whole country.

You could apply much the same sort of reasoning to almost every commodity you buy. Whatever else it may do, a rising price level at least saves us from the ruinous "bargains" we have been getting in the last couple of years.

Classified Advertising Rates Information

All Want Ads are strictly cash and are accepted over the phone with the positive understanding that the account is to be paid when our collector calls.

PHONE YOUR WANT AD TO 666 or 667

Our courteous ad-taker will receive your Want Ad, helping you word it.

All Ads for "Situation Wanted," "Lost and Found" are cash with order and will not be accepted over telephone.

--WEATHER--

(Continued from page 1.)

inch of rain fell in the vicinity of Pampa, Miami, Canadian, and other Panhandle points since yesterday afternoon. Cloudiness prevailed generally. Roads remained passable.

A half-inch rain at Fort Worth and a drop to 45 degrees accompanied the cold wave in North Central Texas. A 28-hour rain at Olney totaled 1 1/2 inches. At Corsicana temperatures fell between 15 and 20 degrees. Heavy skies, a brisk north wind and thermometer readings of 50 were reported from Paris.

Other minimum temperatures and precipitation reported to the weather bureau were: Abilene 42 and 12, Austin 50 and 76, McKinney 150 inches rain, Dallas 50 and 31, Del Rio 52 degrees. El Paso 36 and a heavy frost, Galveston 62 degrees and no rain, Houston 54 and no rain, Corpus Christi 56 and 114, Brownsville 50 and 54, Palestine 66 and no rain, San Antonio 48 and 44.

PAMPA
 TOPICS OF OUR CITY
 by O.E.H.

(Continued from page 1.)

will be used to make up the difference. This can mean only one thing: The city must operate at a profit. Frugality will be necessary. But since the city is making a profit now it is not unreasonable to expect it to continue to do so.

Operating costs have gradually been lowered until close observers believe the minimum is near, considering NRA principles.

When the general fund is considered one is really thinking of the water department and the sewerage department of the city. Also, under the new plan, he is contributing to the interest and sinking fund. A renter who pays a big family's water bill is a substantial taxpayer. The amount he pays through his water bills into the general fund in a year are equivalent to the levies against a small home. Those who wish equitable taxes would have to look a long way before they find a more generally distributed tax than that hidden in the water statements.

Quarterly payments will meet the needs of the city while permitting taxpayers to keep their money longer. In good times, most people have surplus at year-ends to be applied on taxes. It is not so now. . . . City Manager C. L. Stine called our attention to a comparison which would be possible if taxes were paid monthly. City taxes, on the average, person, would be little if any larger than telephone bills, gasoline bills, cigar costs, and smaller than many monthly bills. In other words, the advantages of living in a modern city like Pampa cost no more than dozens of small items which, paid monthly seem easier to bear than taxes. But suppose a person paid his utility, telephone, cigar, or other costs just once a year? He would then howl just like he does about his taxes. . . . This is not saying, of course, that taxation when grouped has not become too great in our modern times.

POULTRY

CHICAGO, Nov. 3. (AP)—Poultry steady; hens 4 1/2 lbs. up 10, under 4 1/2 lbs. 8, leghorns 7; rock springs 10-10 1/2, colored 9-9 1/2; leghorn chickens 8; roosters 8; young hen and tom turkeys 13, old toms 12, No. 2, 8; old and young ducks 8-10 1/2.

panies, and the public in general are being urged to attend. Roy Wright will be scoutmaster in charge of dividing the pupils into convenient patrols. Certificates will be given those who hear 7 or 11 lectures by both the Red Cross and Boy Scouts.

--CANDIDATES--

(Continued from page 1.)

Fusionist band leaders gave the report elegant. Tooting vigorously on assorted instruments, they played, "Who's Afraid of the Big Bad Tammany?"

In route, the boogie swelled and waned as good fusionist passed good Tammanyite. Electioneering stands were targets of assorted jeers and cheers.

At Times Square partisan loyalty was too much to stand—and several thousand fusionists rushed a platform where Tammany speakers were addressing the crowds.

Joe Norman Will Play For Dance

Joe Norman and his orchestra will appear at the Pla-Mor auditorium again tomorrow night. Once more, Joe will give a crooning demonstration. It is a new accomplishment and Joe is quite proud of it.

No admission will be charged and dancing will be five cents a dance. The floor is in the best condition of the year, having been refinished recently for the big Mardi Gras.

KANSAS CITY LIVESTOCK

KANSAS CITY, Nov. 3. (AP)—U. S. D. A.—Hogs 3,000; 320 direct; fairly active; top \$4.00 freely on 180 to 240; 140-350 lbs. \$3.50-\$4.00; packing sows 275-350 lbs. \$3.25-\$3.50; stock pigs 70-130 lbs. \$3.25-\$3.50.

Cattle 700; calves 200; steady; steers 550-1,500 lbs. \$4.00-\$6.25; heifers 550-900 lbs. \$4.50-\$6.00; cows, \$2.65-\$3.25; vealers (milk fed) \$3.00-\$6.00; stock and feeder steers \$3.50-\$5.00.

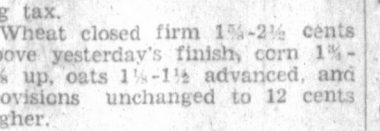

Stomach Distress

"I suffered from stomach trouble," writes Mr. Roy Holstein, of Marmet, W. Va. "I was run-down, could not sleep well at night, and could not eat like I should. I cramped and would have the heartburn a lot. I was nervous and often would take sick headache. Now I can eat just fine—sleep fine. I highly recommend Theodor's Black-Draught for I have done so much for me. I can truly say it stopped me from suffering."

Black-Draught is purely vegetable. Children like the new, pleasant tasting SYRUP of Black-Draught.

being uncertainty as to developments likely from conferences at Washington between corn belt governors and administration officials. Another check to dealings was announcement the leading corn industry would grind the amount of corn on hand at western plants, and then shut down pending a government decision on the corn processing tax.

Wheat closed firm 1 1/2-2 1/2 cents above yesterday's finish, corn 1 1/2-2 1/2 up, oats 1 1/2-1 1/2 advanced, and provisions unchanged to 12 cents higher.

FOR BLOOD, BRONCHIAL COUGHS

Springfield, Mo.—"When I was a student, had no appetite and just did not have any pep," said H. C. Hawley of 2325 East Ave., Springfield, Mo. "Dr. Pierce's Golden Medical Discovery soon had me feeling fine again. I think there is nothing better for the blood of a run-down condition and for bronchial coughs." Said Hawley, "I feel like a new man by Dr. Pierce's Golden Medical Discovery."

Jaysees To Elect Directors Tuesday

An interesting and varied program is being arranged by John Sturgeon and Bob Fuller for the Junior chamber of commerce meeting in the Schneider hotel Tuesday night at 7:30 o'clock. The meeting is for the purpose of electing new directors and alternate directors for next year.

There will be no noon meeting and no added price for the night meeting. President W. T. Fraser urges every Jaysee or prospective Jaysee to be present at this important meeting. A report on the Santa Day committee meeting will be made and assignments will be made.

The entertainment committee has not released its program, but it announced that it will be "something new."

U. S. Gold Policy Akin To Methods Used By Europe

NEW YORK, Nov. 3 (AP)—President Roosevelt's present gold policy merely takes a leaf from Europe's book, in the opinion of Dr. Lionel D. Edie, Wall Street economist, who has little patience with "the uproar of protest" from abroad.

"The steps being taken by the American government," he said in an interview, "differ only in details from the broad pattern of procedure followed in most European countries after the world war. Progressive efforts to secure an exchange control and freedom to modify the domestic price of gold without interference and dictation from outside countries are clearly established precedents."

Dr. Edie said it was to be hoped that the United States would be as cooperative as possible with other countries in the present emergency, but added it was equally to be hoped that she would not surrender her independence on the basic monetary question or leave the international position of the dollar to the determination of chance or of the British equalization fund.

Recalling that European countries have freely changed the price of gold in their own currencies, that even before the United States went off gold Great Britain had run the price of gold up in terms of sterling about 50 per cent, Dr. Edie said efforts to construe the administration policy as a declaration of economic war were decidedly difficult to justify.

"As I understand the announced policy, the administration has made no irrevocable commitment to rely solely or mainly upon revaluation of the gold dollar as a means of lifting the domestic commodity price level. The official statement indicated the desirability of exchange control to eliminate sharp fluctuations in foreign exchange as an obstruction to the numerous and varied policies of the administration calculated to lift commodity price levels."

Oldest Rocks In World Discovered

LUBBOCK, Nov. 3 (AP)—A rich field of pre-Cambrian rocks—the oldest rocks in the world—was located by Dr. L. T. Patton head of the geology department at Texas Technological college, during a recent field trip to the Rockies de Cristo range of the Sangre de Cristo mountains, New Mexico.

He said the collection included gneisses, Cambrian schists, granites, pegmatite granites, and many other specimens showing various stages of metamorphism.

Dr. Patton returned with more than 200 specimens of rocks to be used in the college laboratory.

CHURCHES

ST. MATTHEW'S EPISCOPAL
Corner N. Ward and W. Browning.
21st Sunday after Trinity.
Church school at 9:45, under direction of Mr. Roy Wallrabenstein, superintendent.

Roly communion and sermon at 11 a. m.
In the communion service the special collects for All Saints and for the commemoration of St. Elizabeth, the mother of St. John the Baptist, will be used in connection with the regular order for this day.
A cordial invitation is extended to all to share our services.
Newton C. Smith, rector.

MEN'S BIBLE CLASS
The Men's Bible class of the First Christian church will be taught Sunday by Ivy E. Duncan. Subject: "What Kind of a Character is God?" Good musical program commencing at 9:45. Last Sunday 80 were present and we hope to have 100 Sunday. Every one is invited.
C. E. Hutchins, President of Class.

FIRST METHODIST CHURCH
Sunday school, 9:45 a. m. Philip Wolfe, superintendent.
Frenching, 11 a. m. and 7:30 p. m. by the pastor.
Subjects: Morning, Christ's Conquering Church; evening, The Great Question.

Young people's meeting, 6:30 p. m. Sunday is rally day. It is the last Sunday of the conference year. We are expecting a large attendance of the members and friends of the church. We extend a cordial invitation to all citizens of Pampa and out-of-town guests to attend these services.
C. A. Long, pastor.

FIRST CHRISTIAN CHURCH
John S. Mullen, minister.
Corner Starkweather and Kingsmill. 9:45 a. m. Sunday school. We have classes for all ages with good teachers in charge.

11 a. m. church worship. The Lord's supper is always a part of the church worship on Sunday morning. Sermon subject: "They Shall Be Like Trees."
7:30 p. m. Evangelistic service. Sermon subject: "Why Call Ye Me, Lord?"
Every one is invited to the services of this congregation.

FIRST PRESBYTERIAN CHURCH
"Why doesn't a minister tell the whole truth when he is called in to conduct a funeral over a wicked person?"
Would you know the answer to this question? Then hear the message, "The Laying Away of Old Man Slack," at the First Presbyterian church Sunday morning.

A cordial invitation is accorded you to attend each of our three services on this Lord's day.
Sunday school at 10 a. m.
Sermon, "The Laying Away of Old Man Slack," 11 a. m.

Evening, "In the City of Unfriendly Faces," 7:30 p. m.
"I was glad when they said unto me, let us go into the house of the Lord."
A. A. Hyde, minister.

FELLOWSHIP BIBLE CLASS
First Baptist Church.
Sunday we study Hearing the Voice of the Church. We learn of some important decisions of the church in early days of its existence.

We are grateful for new members enrolled Sunday. We urge the membership to be present Sunday. Visitors are always welcome.

The following program will be given at the class hour:
Song, Amazing Grace.
Scripture, I Tim. 3:1-13. Frank Johnson.
Prayer, Charles Boyd.
Song, The King's Business.
President's greetings, Dr. Owens.
The Law of the Spirit, W. B. Henry.
Song, Holy Spirit, Faithful Guide.
Spiritual Aspirations, Dr. Schulke.
Heeding the Voice, E. C. Link.
J. Powell Wehrung, Sec.

CHRISTIAN SCIENCE SOCIETY
901 N. Frost.
"Adam and Fallen Man" is the subject for the lesson-sermon which will be read in all Churches of Christ, Scientist, on Sunday, Nov. 5. Among the citations which comprise the lesson-sermon is the following from the Bible: "So God created man in his own image, in the image of God created he him..." (Genesis 1:27).

The lesson-sermon also includes the following passage from the

Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The great truth in the science of being, that the real man was, is, and ever shall be perfect, is incontrovertible; for if man is the image, reflection, of God, he is neither inverted nor subverted, but upright and God-like" (page 200).
Sunday, 11 a. m.
Sunday school, 9:30 a. m.
Wednesday, testimony meeting, 8 p. m.
The reading room is open Monday, Wednesday, and Saturday, 10 to 4 p. m. The public is cordially invited to attend our services and enjoy the privilege of our reading rooms.

FIRST BAPTIST CHURCH
Corner Kingsmill and West Streets.
Today closes the two weeks' revival led by Dr. Chas. S. Pierce of Dallas and Mr. W. J. Work of Abilene.

PREPARE YOUR CAR FOR WINTER DRIVING

Hampton & Campbell STORAGE GARAGE
"We Never Close"

Both Bible school and training service were up in attendance last Sunday, which progress we hope will continue.
A cordial welcome is extended to hear this splendid preacher and song leader and take part in the services of the church.

BUSINESS MEN'S BIBLE CLASS
Meeting at the City Hall, 9:45 a. m.
We begin our study of the gospels this morning in the Men's Bible class meeting at the city hall. Three years of study in the Old Testament has been concluded. It will take probably two years to complete a study of the New Testament. We feel there has never been any time when the studies will mean as much as the ones we are now beginning. A welcome is extended.
Class Officers.

GOLD BUYING PLANS KEPT SECRET TO AVOID HURTING EUROPE

SPECULATORS WILL BE KEPT IN THE DARK

BULLION PRICE NOT TO BE ANNOUNCED EVERY DAY

WASHINGTON, Nov. 3 (AP)—The United States today adhered, for two reasons among others, to strict secrecy about its gold purchases abroad—first, to avoid spurring other nations into a monetary war and, second, to keep specu-

lators in the dark. There were, of course, other factors behind the decision not to announce every day the price the United States would pay for bullion. Among these was the implication that officials are not too anxious to tell the rest of the world exactly what they are doing.

The purchases, however, are being left to the Federal Reserve bank of New York, which is authorized to trade RFC debentures for gold. Since the reserve bank itself has no authority to dispose of these debentures abroad, it is asking reserve member banks to buy the metal, import it and accept the debentures in payment.

Four banks in New York—National City, Chase National, Guaranty Trust and Bankers Trust—are to collaborate in the purchases.

Administration officials here preferred, however, to maintain silence about the transactions. Without comment, they heard of press information that the first bullion had

been bought in Paris yesterday. They intimated that they would continue to express official ignorance of anything done by the New York Federal Reserve bank.

There were, though, a number of indications that coupled now with the scheme to raise the price of gold was a desire, eventually at least, to steady but not peg the dollar-pound-franc exchange rate.

The domestic gold price, meanwhile, will be fixed every day on an increasing basis, and the new price announced. From time to time, the United States will do as has Great Britain with her stabilization fund—announce how much foreign gold has been bought for a specified period and what it cost in total.

This plan, it was unofficially held, will have the ultimate effect of bringing up the foreign gold price regardless of the size of the purchases. Also, it was added, it will enable the United States to work toward its objective—higher-priced gold, cheaper dollars—without an open

BUSINESS IS BUSINESS

CHICAGO (AP)—Business, with Edward Nichols, is business. "Judge," he said, "it's my business to get drunk. Otherwise how could I sell beer coolers for the company I work for? I've got to be sociable with all the bartenders. That's salesmanship."

He was addressing Judge John J. Rooney who let him go, but made him promise to be good.

Byron Hodges of White Deer transacted business here yesterday afternoon.

John Sturgeon, local attorney, attended court in Claude today.

and much-publicized campaign which other nations might interpret as a desire to depreciate American currency in relation to theirs.

Who Remembers A Honus Wagner?

PITTSBURGH, Nov. 3 (AP)—Pame is fleeing, even for such a national baseball figure as the great Honus Wagner, it would appear from an answer to the old "Flying Dutchman's" equity suit against a sporting goods firm.

Wagner, for years a star shortstop and batsman for the Pittsburgh Pirates, seeks to recover \$8,000 which he says E. L. Braunstein and others owe him for the use of his name in their sports goods business.

Braunstein's answer, filed yesterday, denies any "personal knowledge" that Wagner was a professional baseball player for 22 years, and asks proof of the great Honus's contention that his name has a substantial commercial value. Wagner is now a Pirate coach.

Ward's Plant In Longview Completed

Friends of T. C. Ward, former Pampa packer, have received copies of the Longview News telling about the new Ward Packing company plant here.

The newspaper states that the plant and machinery cost about \$25,000 and calls it "one of the most modern equipped packing plants of its size to be found anywhere." It is the only one of its kind in this section of East Texas.

The building is 46 by 72 feet in size, of one story with basement. The plant does general packing, buying livestock from Gregg county farmers. A formal opening will be held soon.

Little Jimmie Mercer entered Pampa hospital last night for medical attention.

ELECTRON PHOTOGRAPHS LEAD TO 'MOST FAR-REACHING' DISCOVERY OF CENTURY, MILLIKAN ASSERTS

BY WALTER B. CLAUSEN, Associated Press Staff Writer.

PASADENA, Calif., Nov. 3 (AP)—Photographic proof that positive electrons appear to have the same mass as negative electrons was announced here today by Dr. Robert A. Millikan, of the California Institute of Technology.

Heretofore positive particles of the atom were thought to have 2,000 times the mass of the negative.

This, he said, taken with the discovery of the positron by Dr. Carl D. Anderson, "is the most fundamental and far-reaching advance of the century."

"It changed our concept of the physical world, of which we all are a part," he said.

The cosmic ray gives us the tool to get at the nucleus of the atom better than any other tool we ever had."

Photographs taken this week in a Wilson cloud chamber of the path of particles result from cosmic ray energies revealed in one case two positrons and three negative electrons. Another photograph revealed 23 particles knocked out of an atom.

About half of these were positive and half negative, and all of about equal energies.

"The indications of the photographs are that these particles were knocked out of the nucleus of the atom itself," Dr. Millikan said.

Measurements of electron volt volt energies of these particles up to 3,000,000 volts has been made accurately, he revealed.

"These rays are drilling holes straight through your bodies, from head to heel, and you like it," he said. "They come from the celestial dome, independent of the positions of the great celestial masses, such as the sun, the stars and the milky way."

"They are darts of light, corpuscular, composed of bullet-like things, that is they cling together for long distances."

He explained that when these light darts of cosmic radiation hit the nucleus of an atom, they tear it apart, hurling out particles, which process he and Dr. Anderson are photographing.

Youths Charged In Slaying Of Dallas Pastor

MANY, La., Nov. 3 (AP)—Wayne Ross, 19, and Alvin Keen, 19, were charged with murder today as a result of a coroner's jury investigation into the death of the Rev. E. L. Thompson, Christian church pastor of Dallas, who was found dead near Pleasant Hill, La., October 16.

The jury also found that the minister "came to his death by being feloniously and violently struck over the head by some instrument and by being shot in the head."

The youths were held in the Sabine parish jail and neither made any effort to obtain release on bond. Their trials will come up at the March session of district court.

The coroner's jury action came after officials had investigated with the utmost secrecy the circumstances surrounding Mr. Thompson's death which occurred several days before he was to have gone on trial in the Shreveport federal court on charges of sending obscene matter through the mails in connection with letters received by a country boy.

Ross was scheduled to have been a witness against the minister.

ATE TOO MUCH LOOT

CINCINNATI (AP)—It was an easy bit of sleuthing for Marshal W. S. Balsler of nearby Cleves when 100 pounds of chocolate bars disappeared from a railroad box car.

He waited until he heard of a boy complaining of stomach ache. Now he's leaving it up to the railroad to decide what's to be done about the 20 boys whose names he got from the ailing lad.

MAY SETTLE SUIT

NEW YORK, Nov. 3 (AP)—Henry Uterhart, counsel for Mrs. Rhoda Tanner Doubleday in her \$1,500,000 breach of promise action against Harold F. McCormick, wealthy Chicagoan, said today there might be negotiations for a settlement out of court.

Youth Taken To Denton in Theft Of Farmer's Car

Clint Starr, Denton county deputy sheriff, and Younger Cockrill of Pampa, son of Sheriff J. C. Cockrill of Denton county, left here today with a youth wanted at Denton in investigation of a car theft.

The youth, J. D. Phillips, was arrested here as a suspect on the basis of information furnished by members of the Pampa Daily News staff, for whom Phillips worked for a short time.

The recovered car belongs to a farmer living near Denton. The license numbers had not been changed since it was stolen while parked downtown in Denton. The vehicle had been traced to Dallas, Longview, Amarillo, Wichita Falls, and back to Longview before the trail was lost.

Sheriff Cockrill could not come for the boy because of injuries suffered last week in an automobile accident. Younger Cockrill was visiting his father when local officers reported the recovery of the stolen car.

Louie F. Katlin of Skellytown was a Pampa visitor last night.

Lead Sought In Strange Murder Of Hayter Trio

LAWTON, Okla., Nov. 3 (AP)—Agreed that Mrs. Robert F. Hayter and her son and daughter were the victims of a mysterious killer, investigators groped today for a lead to his identity or motive.

An autopsy disclosing skull fractures of both Sidney Hayter, 17, and his 14-year-old sister, Nell, led Sheriff Charles F. McCarter to express the belief all three were murdered, while Charles M. Reber, state ballistics expert, said:

"I don't know how Sidney could have shot himself."

The bodies were found Wednesday night, locked upstairs in the two story Hayter home. The mother and Sidney had been shot and the daughter, seemingly, clubbed to death.

Near Sidney was a discharged pistol, but evidence at last night's coroner's inquest brought out that the bullet entered the boy's left temple, while Sidney was right handed. Reber, moreover, said a right thumb print had been found on the weapon.

Puzzled by the mass of circumstance, the coroner's jury decided to hear more testimony late today.

GASOLINE PRICES UP! BUS FARES DOWN!

Before you decide to drive that private car on your next trip—Call the Pampa Bus Terminal for the new low One-Way and Round-Trip rate—You can not afford to pay the car operation and other expense attached to driving your own car, if you consider these facts.

VARIED DECORATIVE THEMES MARK POST-HOLIDAY CLUB PARTIES

NOVEL BRIDGE SETTINGS USED BY HOSTESSES

AFTERNOON PARTIES GIVEN TO FIVE GROUPS

SMART decorative schemes were used in a group of bridge club parties yesterday when hostesses introduced various motifs to replace the Halloween theme of recent weeks.

Full flowers were beautifully arranged in the home of Mrs. Howard Buckingham, who entertained the Queen of Clubs and two tables of other guests.

Mrs. O. H. Booth made high score for club members and Mrs. Roy Wright for guests, while Mrs. Crawford Atkinson cut high. After the games, players were served creamed chicken with mushrooms, hot rolls, jelly, and a dessert.

Club guests were Mesdames T. R. Martin, C. T. Hunkapillar, J. M. Fraser, Burrows, Wight, and Atkinson. Members present were Mesdames A. M. Martini, R. S. Lawrence, A. B. Goldston, H. D. Keys, E. M. Conley, Booth, H. C. Wilson, Carl Boston, Charles Cook, Mack Graham, I. B. Hughey, E. H. Hamlett.

Linger Linger Club

Aunt Jemima decorations were cleverly used when Mrs. Jack Baker entertained the Linger Linger club at her home. A red and black color note was emphasized with cut flowers and house plants.

Black table covers, red cards, and tallies with hand painted likenesses of Aunt Jemima were used for the games. The Pennils were dressed as pickaninny flappers.

At the refreshment hour, one table was laid with black polka dotted cloth, the other with red polka dots. Blackeyed Susan salad, cheese sandwiches, chocolate cookies, and coffee were served. Aunt Jemima dolls were favored.

Mrs. Sug Cobb scored high at bridge, while Miss Frances Finley and Mrs. E. B. Howard received the cut prizes.

Mrs. R. F. Dirksen and Mrs. Howard were club guests. Others present were Mesdames Clyde Oswald, C. P. Chandler, E. J. Pafford, Cobb, and Miss Finley.

Merry Mixers

A prosperity party was given for the Merry Mixers club by Mrs. Joe Berry at her home on the Wilcox.

NEW FURNISHINGS ADDED TO CITY CLUB ROOMS WITH NEW REGULATIONS REGARDING USE

Girl Scout Leader Announces Plan For School

Appointment of Mrs. Glen Pool as custodian of the keys to succeed Mrs. W. T. Fraser, resigned, was accompanied by new rulings regarding use of the club rooms by the Council of Women's Clubs yesterday.

The council conducted its regular monthly business meeting with representatives present from the 12 affiliated clubs.

Anyone wishing to use the council's club rooms in the city hall must secure the keys from Mrs. Pool, and in addition a written permit to present to the city hall janitor.

Bulletin Board Given

No furnishings of the club rooms may be removed, it was voted. A new piece of club furniture was received this week, a bulletin board presented by the American Association of University Women. It will be placed just outside the door, for posting announcements.

Resignation of Mrs. Paul Kasishke as secretary was accepted. Her successor has not yet been chosen.

Miss Opal Cox, Girl Scout leader, appeared to announce a training course for Girl Scout workers, to be conducted late this month. She appealed for more women who will assist in the Girl Scout program here.

Need Girl Leaders

At present Miss Cox is in charge of about 100 girls. Assistance of the Kiwanis club, sponsoring organization, has resulted in a comfortably furnished meeting room provided in the Junior high school building, she said. The greatest need is for young women who will receive training in leadership and assist in directing the group.

Mrs. Pool spoke briefly of present efforts to collect delinquent city taxes here, and asked the support of club women for the city commission's campaign of collection.

Mrs. C. T. Hunkapillar, Council President

announced that the Twentieth Century club is sponsoring a magazine exchange rack at the post office, and asked that others in the council assist by presenting old magazines for the rack.

Present were Mesdames Hunkapillar, Earl O'Keefe, C. A. Clark, Ralph Thomas, R. B. Fisher, Glen Pool, John Hessey, W. Purviance, Philip Wolf, Carl Boston, W. T. Fraser, Alex Schneider, W. R. Campbell, Arthur Swanson, Ben Ferris, Siler Paulkner, Charles Thut, and Miss Margaret Buckler.

Earl Taylor of Wheeler was a Pampa visitor Wednesday.

Presbyterians Will Entertain Area Conference

Members and friends of First Presbyterian church are looking forward to a conference of workers which will be held in the church Tuesday from noon until 2 p. m.

A covered dish lunch will be provided by members of the Auxiliary of which Mrs. Chas. H. Todd is president.

Visiting ministers expected to take part include the Revs. J. A. McMullan, Memphis; Frank D. Travis, Childress; Fred H. Dawson, Canadian. Ladies who will represent the Presbyterian will be Mrs. Alexander, Childress; Mrs. McMullan, Memphis; Mrs. C. A. Studer, Canadian, and Mrs. E. H. Snyder also of Canadian and president of the Amarillo Presbyterian.

A similar conference will be held the same evening in the Berger Presbyterian church.

Madonna Class Has Hallowe'en Party

A Hallowe'en costume party was given for members of Central Baptist Madonna class and their husbands at the home of Mr. and Mrs. O. H. Gilstrap.

Mrs. Gilstrap and Homer Cone received the costume awards. Games and ghost stories were enjoyed, and pumpkin pie and cocoa were served.

Present were Messrs. and Mmes. Jerry Lockard, I. T. Simmons, D. M. Scaler, Cone, and Gilstrap; Mmes. W. L. Lane, George D. Holmes, J. E. Coburn, H. T. Beckham, E. V. Davis, Cecil Lunsford.

MAY VISIT HAWAII

WASHINGTON, Nov. 2 (AP)—President Roosevelt today informed an Hawaiian home rule commission that if the next session of congress does not last too long, he hopes to make a trip to the Canal Zone and to Hawaii and see the islands.

CAST FOR NEXT PLAY WILL BE NAMED MONDAY

Rehearsal of Little Theater Drama To Begin Then

A cast for "He Who Gets Slapped," next public play of the Little Theater, was virtually completed after try-outs last evening at the city hall club rooms.

Announcement of the full cast will be made Monday evening at 7:30, when rehearsals will begin. Clyde E. Riley is to be director of this drama, scheduled for presentation in December.

He was assisted in selecting the cast by Ben Gull, Mrs. H. H. Hicks, and Gilmore Nunn, members of the casting committee. In contrast to the more than 30 players who appeared in "Gold in the Hills," first public play of the season, "He Who Gets Slapped," has a cast of only 12.

--PARTIES

(Continued from Page 6)

lease, Tallies assigned such depression names as "M. T. Jeans," "Hasson A. Bean," and "Slim Pick-in," to the players, who found their places at tables cheerfully labeled "Rainbow," "New Deal," and "Prosperity Corner."

Mrs. T. G. Green received high score prize and also the package given for taking a trick with a deuce. Mrs. Ed Mazey was consoled with a favor, and Mrs. Weldon Wilson was holder of the prize given for holding 80 honors.

Others players were Mrs. Bert Isbell, a guest, and Mesdames C. D. Hunter, G. L. Greene, Earl Powell, J. T. Morrell, O. L. Bassham, John Weeks, Noel Reynolds, and B. C. Fahy.

They were served delicious refreshments after the games.

Le Bon Temps
Five games of contract were enjoyed by Le Bon Temps club members and guests Wednesday afternoon, when Mrs. Archie Raisky was hostess at her home.

Mrs. Dave Finkelstein was winner of high score, and Mrs. E. Hooks of second high. A buffet supper was served after the games.
Mrs. John Weeks, Mrs. John Cummings, and Mrs. Finkelstein were guests. Members playing were Mesdames Joe Coulter, Guy Barritt, G. L. Greene, Ed Mazey, and Hooks.

Delta Handa
Wintry suggestions appeared when Mrs. Marvin Harris entertained the Delta Handa bridge club yesterday afternoon at her home on North Semerville. Snow birds decorated the table appointments.
Mrs. A. C. Mickiff scored high in the games. Others playing were Mesdames LeRoy Nelson, Clifford Jones, Homer Sprinkle, F. H. Sifton, Tex Berry, L. N. Archison.
A delicious salad course was served to end the afternoon.

Teacher Gives A Party For Class

All kinds of Hallowe'en games and contests were enjoyed Monday and Tuesday by the young people's class of Pentecostal church, when members were entertained by the teacher, Mrs. Martha Walker.

She was assisted by Mrs. C. F. McKay and Mrs. M. Kercheval in serving refreshments appropriate to the holiday.
Class members and guests were Thelma Shelton, Marguerite Blackmon, Pauline Furlong, Verda Brechauer, Ima Gene Templeton, Pauline McKay, Dorothy Templeton, Vivian Cargill, Grace Russell, Johnnie Lee Richey, Londean McKay, Pete Russell, Ralph Walker, Junior McKay, Hazel Furlong, Eileen Brechauer.

E. M. Vernon of Amarillo spent the day in Pampa.

Jack Prince of Electra is visiting friends here for a few days.

M. A. Enquist of Dallas is a Pampa business visitor.

4-H Club Gives a Hallowe'en Party For Large Group

Green Lake 4-H club girls entertained friends with a Hallowe'en party at the home of Mrs. Elmer Duren. Guests were taken through a "spook house," felt the parts of a "dead man," and shook hands with a ghost.

A witch told fortunes. Songs, games, and contests were enjoyed. Girls served pop corn balls and ap-

ples. Guests included Mr. and Mrs. Duren. Mr. and Mrs. C. D. Turcotte, Mr. and Mrs. Schrimpture, Mr. and Mrs. Bill Forman and family, Mr. and Mrs. Fuqua, Mr. and Mrs. Hall Nelson, Mrs. Genter, Mrs. Annie Cole, Morris Fuqua, Ed

Barnes, Pete Bond, E. W. Hogan, Cecil Lewis, H. J. Johnson, Duane Turcotte, Jack Benton, Harold Lewis, Paul Bond, Leon Daugherty, Louis Cole, Lewis Colvin, John Bond, Bruce Daugherty, Isaiah Phillips, Jarret Bond.
Members present were Leona

Lewis, Lorita Hogan, Lois Johnson, Edna Turcotte, Virginia Genter, Leona Johnson, Aitha Mae Duren, Winnie Bond, Clara Colvin, Betty Jo Genter, Ethyl Lowery, Modelle Johnson, and Miss Bessie Sikes, Roberts county agent.

BATHROOM MUSIC SOUR
SAN FRANCISCO (AP)—Other difficulties might have been overlooked if James P. Simpson hadn't used the bathroom as a music studio. Mrs. Mildred Simpson complained in court here.
"It was all right, your honor."

Mrs. Simpson said, "until Jimmy became a bathroom saxophonist, then I made up my mind to get a divorce." She got it.

Mr. and Mrs. W. M. French of Oklahoma are spending a few days with friends here.

O. K'd by Ward's Bureau of Standards! Tested throughout! All leather made, brown, oil treated chrome tanned leather uppers, soles and middle soles.

Tested for hardest wear! Super Service Wardoleum Rugs

\$7.75 9 x 12 Foot

3,000,000 foot-steps failed to wear out a Super-Service Rug! The heavy enamel surface is waterproof and stainproof!

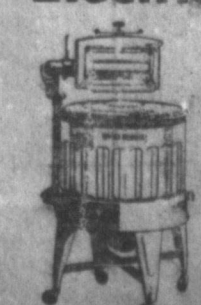

Save . . . And Get Real Protection! Save Money On Highest Grade Radiator Glycerine

\$1.29 GALLON In Bulk

Treated to resist seepage, and corrosion—harmless to motor and car finish—Riverside non-evaporating glycerine gives same protection as many highest priced anti-freezes. Why pay more? Riverside does the job!

Washboard Action, Too! Ward's 24 Gallon Electric Washer

\$49.95 \$5 Down

Does a whole week's wash for 4 people in 1/2 hour. Gentle washboard action gets clothes much whiter. Only small carrying charge on deferred payments.

HARVESTERS WILL BE GREATLY OUTWEIGHED AT CANYON TOMORROW NIGHT

HALFBACK AND GUARD TO BE OUT OF GAME

COACH HOPES TO BRING BOYS HOME MINUS INJURIES

The Harvesters will be minus the services of Harold Gregory, fleet halfback, and Carl Smith, letterman guard, when they invade Canyon tomorrow night for a game with the West Texas freshmen under the lights of Buffalo stadium. Admission will be 40 cents for everyone at the gate. Students may secure their tickets from Joe Smith here before the game for 25 cents.

The "fish" are doped to win but "you never can tell" what the Harvesters will do. The Pampa team has entered only two contests as the favorites this year. They won one of them and tied the other. The team has been fighting uphill battles all season with honors on its side most of the time. The dope bucket has been upset several times as the Harvesters won or held their opponents to one point or one touchdown when they were due to be beaten badly.

Amarillo's Sandies defeated the freshmen 25 to 19 last week and the Sandies are rated at least four touchdowns stronger than the Harvesters, excepting when the two teams meet and then the odds are not so great. It is history that a Harvester football team always plays better against an Amarillo team than against any other opposition.

Coach Odus Mitchell conducted a long and interesting skill practice yesterday afternoon in the gymnasium and another was scheduled for this afternoon. The coach said he believed the skill practices would do more good than a workout in the wet and cold. Sickness must be avoided.

Next week will be spent in preparation for the "big game." The Harvesters have yet to reach their peak.

Canyon will place the biggest first year team in many years on the field. The line will average 181 pounds, while the backfield will be better than 165 pounds. The Freshman attack is largely in the hands of Phillips, 170 pounds, and Weaver, former Panhandle star. Phillips does the blocking and is said to be one of the best blockers in this section. It should be interesting to watch Phillips stacking up against Dunaway, also a former Panhandle boy, and Marbaugh, Harvester puppets. Gregory, the other Harvester

Injured

CARL SMITH

Glenn crept over the Harvester camp when it was learned that Carl Smith, left guard, had received an arm fracture in scrimmage against G. Gorillas Tuesday afternoon (hined today when it was learned that the fracture was slight and that Carl might be ready for service by Nov. 11. Carl is a letterman from last year. He has been battling with Robert McAuley for honors all season.

City Bowling Loop Begins Play Tonight

The City Bowling league will get under way tonight at 8 o'clock with four teams in action. The Kiwanis club B team will meet the Mack and Paul Barber shop LeHanders on alleys 1 and 2. The Texas company will roll the C. V. Lane team, which has yet to be named, on alleys 3 and 4.

It is not known definitely whether two more teams will enter the City league race or whether a four-team Class C league will be organized. Team rosters should be in the hands of the Pampa bowling alley representative before rolling time tonight.

Canyon will be out of the game because of a sprained ankle. Mitchell hopes to bring his team out of the game minus injuries.

The Freshman team is made up entirely of former Class B football stars. H. L. "Chicken Creek" Ledrick, Harvester quarterback last year, is the only Class A player on the squad. He is substitute halfback. Ledrick will likely play some of the game against his former teammates.

The game will be called at 8 o'clock.

WALKER DOPED TO LOSE FIGHT THIS EVENING

MAXIE ROSENBLUM TO BE OPPONENT IN 15-ROUND BOUT

By EDWARD J. NEIL
Associated Press Sports Writer
NEW YORK, Nov. 3. (AP)—If the trend of the time alone could bring doughty Mickey Walker down the finish line in front tonight, boxing would welcome a new light heavyweight champion, first man in the modern history of the ring to hold three titles.

Mickey goes to the wars again, possibly for his last title chance, against Maxie Rosenblum, 175-pound ruler, in a fifteen-round engagement in Madison Square Garden. He has the fate of Lou Broilard, Tony Canzoneri, Jackie Fields, Young Corbett III, Ben Jey, and lastly Jack Sharkey, ex-champions all within the year, to spur him on.

But unfortunately for Mickey, over a decade of slambang effort piled on top of his 32 years form an invisible load the experts agree is too much for even so stout a hearted warrior to carry with success against Rosenblum, the Harlequin of the resin pit. Max the slapper is a 2 to 1 favorite to win as he always has been when his title was in jeopardy.

As flutery as ever, Rosenblum, only slightly recovered from the fixation that he is a potential idol of the motion picture world, has trained as usual for his championship effort by shadow boxing with his dinner suit, wrestling with the nearest taxicab.

His attitude of carelessness no longer is deceiving, however. Weekly overnight battles about the countryside, some of which he wins, while others he loses when the mood is upon him, keep him in fine condition. When he falls hilariously under the table at the climax of some of his cabaret parties, he is merely proving his contention that he was born to rend hearts and tear emotions on the screen. He neither smokes nor drinks.

WITH THE— HARVESTERS

By HARRY E. HOARE

The Harvesters played the Amarillo Sandies yesterday afternoon on paper. Coach Odus Mitchell, instead of taking the boys out to Harvester park in the west and cold, conducted a skull practice and blackboard talk in the gymnasium. The afternoon was profitable spent, the boys getting a lot of good out of the lessons.

There is something new in football. Coach Pete Gawthon down at Texas Tech has decided that he is going to eliminate fumbling by members of his football squad. He has taken the unique method of making his "tumbler" carry a football with them wherever they go. They take a football to their meals, to their classes, and while walking down the street may be seen carrying a pigskin. Larry Trenary, former Pampa boy, writes friends here that some of the boys are sleeping with the pigskins.

That Ed Stark down at Oklahoma Baptist university in Shawnee, Okla., who is making a name in the football world by his sensational long runs against all kinds of competition is a brother of Mrs. R. C. Sturgeon, manager of the local branch of Postal Telegraph. "Crazy Legs," as he has been nicknamed, has run more than 65 yards for touchdowns on six kickoff this season. His longest run was 95 yards a few weeks ago. He attended Pasadena Junior college in California last year and was an all-state halfback. Oklahoma is waiting until the O. B. U. team clashes with Tulsa university this month to see what the "Crazy Legged" Stark will do.

Argus Fox is in possession of the soccer ball purchased by M. K. Brown. After the "big game" Nov. 11, he plans to call a practice of all interested in the game. Kurt Guenther of Skellytown, an ormer player in Germany, is going to come in for practice.

A son was born to Mr. and Mrs. Sherman Pritchard at Pampa hospital last night.

BOHN HILLIARD IS READY FOR MUSTANG WAR

TEXAS CHRISTIANS ARE FAVORED TO ROUT BAYLOR

By BILL PARKER

Associated Press Sports Writer
Two gilt-edge football aggregations, the University of Texas Longhorns and Southern Methodist Mustangs, are straining at the post and primed to turn loose with every formation in the book Saturday when they battle at Dallas. It will be the Southwest conference championship headliner with the Mustangs fighting to retain a slim chance at the title and with the Longhorns striving to retain an unmarred conference record which will allow them to keep pace with Arkansas.

Providing the weather is clear, Charlie Burton, Southern Methodist publicity director, predicts a crowd of 20,000. Coach Ray Morrison fired his Mustangs through final dummy scrimmage Thursday with the reserves doing most of the work and the regulars looking on. He planned to taper his men off Friday with a defensive drill. Every member of the Mustang squad is at the peak. Morrison probably will have Harry Shuford at quarterback, Bob Turner at left halfback, James Russell at right halfback and Hack Ross at fullback. J. R. Smith and Robert Wilson will see action in the Mustang backfield.

Coach Clyde Littlefield's Longhorns arrived at Dallas Friday in time to work out at the huge Fair Park stadium. The Longhorns invade Dallas prepared for any kind of offense Southern Methodist cares to show. Bohn Hilliard, ace Texas halfback, is ready after being on the bench several games nursing an injured ankle. Jay Arnold, Texas' giant blocking back, is another

Japs Withdraw Border Troops

PEIPING, Nov. 3. (AP)—With speculation rife regarding possible trouble between Russia and Japan in Manchuria, great interest has been aroused by Japan's sudden complete withdrawal of troops from the demilitarized zone.

The Japanese began withdrawing the troops some time ago in accordance with terms of the Tungku armistice.

With the sudden complete withdrawal, a full Japanese division now will be made available in northern Manchuria in case relations with the Soviets grow worse.

Reversing its former stiff attitude, Japan allowed Chinese police to bring artillery and machine guns into the neutral zone to fight bandits—thus constituting a police military body capable of controlling the area.

Comiskey Park To Be Changed For Al Simmons

CHICAGO, Nov. 3. (AP)—When a ball player doesn't like the ball park, why just change the park. That's what Owner J. Louis Comiskey is going to do so Al Simmons will get more home runs and become friendly again with Comiskey park.

All last season, Al grew sadder and sadder as he watched centerfielders haul down long drives that would have been home runs in the average major league park. Finally, Owner Comiskey heard about it. Result: Comiskey has called up a staff of landscape artists, gardeners, etc., and ordered them to move the home plate about 14 feet toward the center of center field. When they get through, the measurements of Comiskey park from home plate to center, left and right fields will be approximately the same as Shibe park in Philadelphia, where Al became famous.

The change will give the catchers a lot of room to catch foul balls behind the plate, give the customers a better view, make things far more miserable for the pitchers, and give Mr. Simmons an easier target with his home run drives.

Mrs. J. T. Manson of LeFors shopped here yesterday afternoon.

John Young of Canadian spent yesterday afternoon in Pampa.

NORMAN WILL BE AT PLAMOR ON SATURDAY

Joe Norman is bringing his ever-popular orchestra to Pampa for a dance at the Pla-Mor auditorium Saturday night. No admission will be charged at the door, dances will be five cents.

The Norman orchestra is proving more popular with the people of Pampa and is one of the few which can continue to repeat and always please the varied crowds.

Come out tomorrow night and enjoy the pleasing dance numbers of Joe Norman and his orchestra. (Adv.)
