

WEATHER

Mostly cloudy with a few scattered showers Wednesday night and Thursday. No important temperature changes. Maximum temperature Tuesday 82 degrees. Minimum Wednesday 70 degrees.

Simpson Discovery Is Assured In Ector

A flowing discovery from the Waddell sand of the Simpson has been assured at Amerada Petroleum Corporation No. 1 Carlinville National Bank, extreme Southwest Ector County wildcat.

This prospector, located 4,000 feet south of the nearest completed Ellenburger producer in the Yarbrough & Allen field flowed 170.75 barrels of 42.2 gravity oil in seven hours.

There was no formation water. The oil had a shakeout of one-tenth of one per cent basic sediment. There was no recovery from the drill pipe after the test as all fluid left in it reversed out.

The prospector is now making hole below 10,194 feet in sand and shale.

The seven hour flow came during a 10 1/4-hour drillstem test at 10,070-170 feet. An 1,100-foot water blanket was used.

Gas showed at the surface in two hours. The gas volume was not gauged or estimated. The water blanket started flowing out in three and one-quarter hours and it was flowed to tanks for seven hours and made the 170.75-barrel oil flow. Size of the choke through which the oil was produced was not reported.

Top of the Waddell sand was picked at 10,082 feet, to give the project a datum of minus 7,245 feet on that marker.

That makes it 40 feet high to the top of the Simpson in the nearest Ellenburger producers in the Yarbrough & Allen field, 4,000 feet to the north.

Location is 2,935 feet from east and 3,270 from south lines of section 18, block 46, G&M survey. It is seven miles southwest of Judkins.

It is projected to 11,800 feet to explore the Ellenburger.

None of the Ellenburger producers in the Yarbrough & Allen field have developed any commercial production from the Simpson, although some of those developments have had some slight shows in that formation.

Humble Discovery Is To Core Deeper

Humble Oil & Refining Company No. 1 Midkiff, Southwestern Midland County discovery from the top of the Spraberry sand flowed at the rate of 206.4 barrels of oil per day, plus 26.4 barrels of water during 20 hours of testing.

The production was from open hole between 7,281 feet and the total depth at 7,347 feet. That zone had been treated with hydrafrac prior to the 20-hour test. During that period the well produced an average of 8.6 barrels of oil per hour, plus 1.1 barrels of water.

Exact source of the water has not been determined.

The No. 1 Midkiff is preparing to core ahead from total depth of 7,347 feet.

Location is 660 feet from north and west lines of section 46, block 38, T&P survey, T-4-S. It is approximately 25 miles southeast of the City of Midland.

Flanker In Terry Gets Wolfcamp Oil

Amerada Petroleum Corporation No. 2 Willard, one location west of the same concern's No. 1 Willard, discovery for flowing production from the Wolfcamp lime in Central-South Terry County, has found production in that same formation.

That project, located 860 feet from north and west lines of section 6, block C-37, psi survey, is about 14 1/2 miles south of Brownfield, and about the same distance north and east of Seagraves.

It flowed oil for one and one-half hours from the zone at 8,457-8,520 feet. The flow came during a four hour drillstem test.

Gas showed at the surface in eight minutes and continued in a good flow for the remainder of the investigation.

Oil started flowing out at the top in two and one-half hours. During the first hour of flowing the section made 19.29 barrels of oil. In the last 30 minutes it flowed 4.87 barrels of oil. Shakeout was one-tenth of one per cent basic sediment. There was no formation water.

Gas-oil ratio was 474-1. Gravity of the oil was 41.9. Recovery when the tester was pulled was 4.987 feet of oil and 619 feet of oil and gas cut drilling mud.

Operator then cored to 8,550 feet. The core was being pulled at last report. An electric log survey was to then be run. The exploration probably will be drilled deeper.

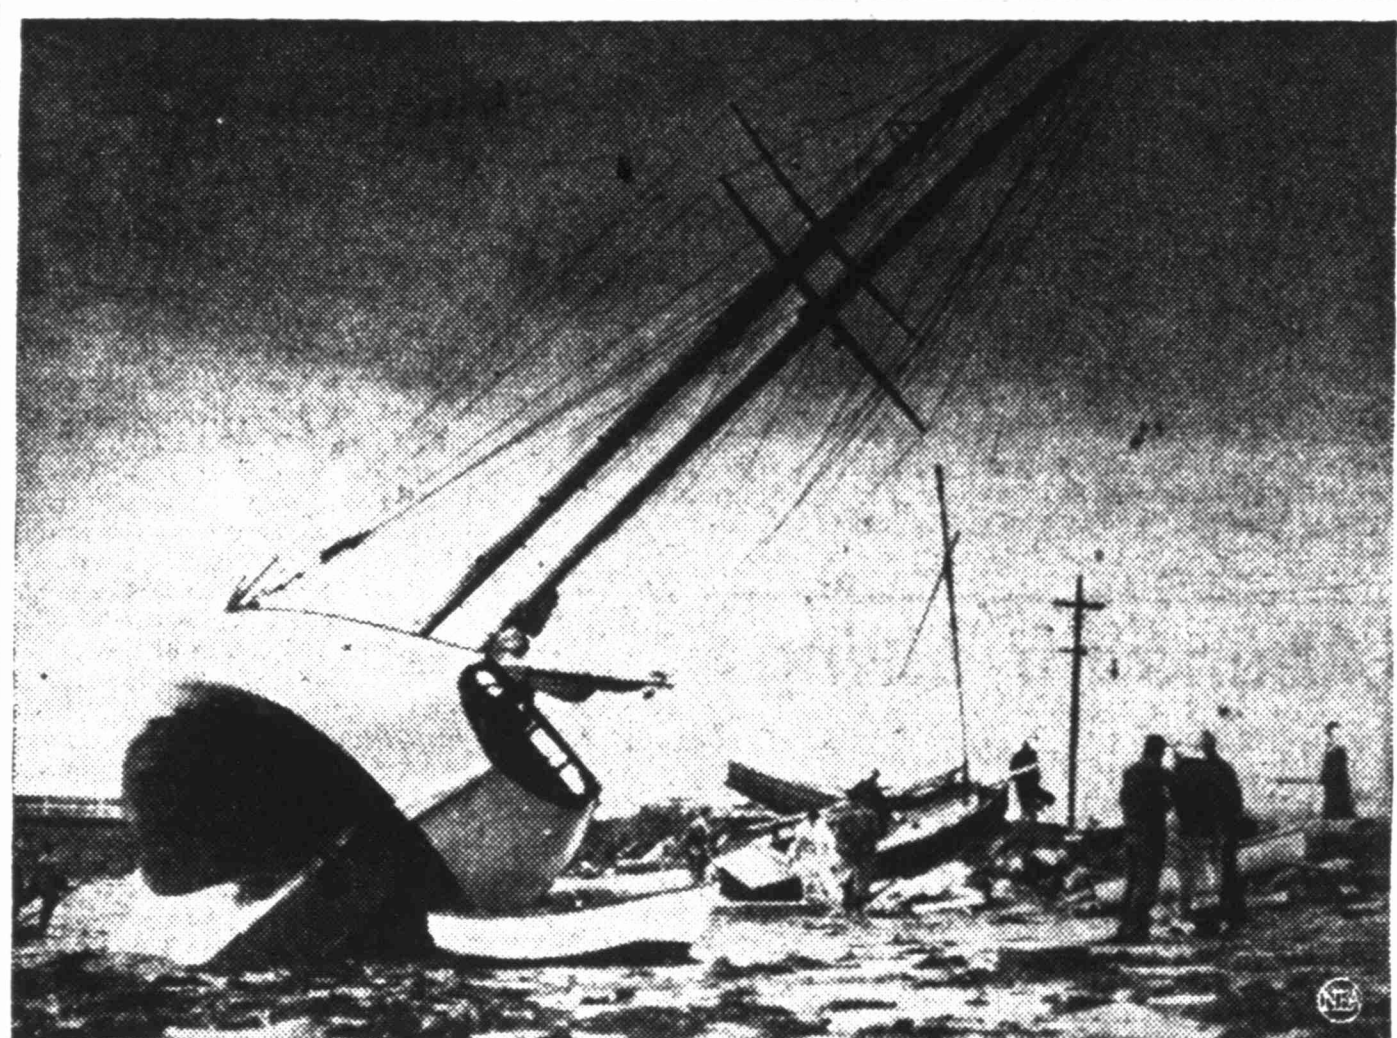

Skelly Plans Offset To East Vealmoor

A southwest outpost to the East Vealmoor field of Central-North Howard County has been scheduled for immediate drilling by Skelly Oil Company.

The attempt to extend the field limits will be the No. 2 Frances Gunn, one-half mile southwest step-out to George Brown of Houston No. 1 Branon, recently completed producer in the East Vealmoor field.

Exact location of the No. 2 Gunn (Continued On Page 11)

HURRICANE DAMAGE IN MASSACHUSETTS—Gale winds caused by the Atlantic hurricane blew ships from their moorings and onto the beaches at Marblehead, Mass. Here, ship owners search the littered beach for their craft.

Hospital Announces New Administrator

The appointment of Richard Harrell of Giddings, Texas, as administrator of the Midland Memorial Hospital was announced Wednesday by Dr. John B. Thomas, president. He will succeed E. R. Andres, who resigned the position last month.

Harrell, who recently completed his first year as administrator of the Lee Memorial Hospital at Giddings, is expected to assume his duties here within 10 days or two weeks. Dr. Thomas said the Giddings hospital, opened last year, is the same type community hospital as Midland Memorial. Harrell also has been consultant to four other hospitals in the Giddings area.

He served as administrator of the Alexander Clinic-Hospital in Wichita Falls from 1945 to 1947, and was administrator of the Overall Memorial Hospital in Coleman from 1947 to 1949.

Harrell is a graduate of Midwestern University, A&M State College of Arkansas and several U. S. Army technical schools. During World War II, he served with the Medical Supply Division of the U. S. Army and was a medical instructor for the Air Force.

He is affiliated with the Texas and American Hospital Associations and is a nominee for a fellowship in the American Hospital Administrators Association.

Dr. Thomas said Harrell has excellent recommendations and that the trustees, who approved his appointment at a recent meeting, consider him well-qualified for the position. He was one of 15 applicants for the job.

The new administrator is 33 years of age. His wife will accompany him to Midland.

Clean-Up Week Set For Midland In Early October

Midland's second 1950 Clean-Up Week was in the making late Tuesday as representatives of several service, civic and women's clubs met in the City Council chamber in the City Hall to plan a city-wide face-lifting.

The week will be observed October 2-6. Delbert Downing, manager of the Chamber of Commerce, acted as temporary chairman for the group until it elected C. Ed Prichard, Lions Club president, as permanent chairman.

Prichard appointed committee heads to help get the clean-up campaign started and urged all clubs to lend a hand in giving the city its best clean-up in history.

Members of women's clubs expressed concern over the prevalence of tumbleweeds and other plants which promote hay fever in this area. Alleys and vacant lots will come in for special care during the week.

It was suggested that trash be gathered and placed near Midland Memorial Stadium for a huge bonfire-bonfire the night before the Midland High Bulldogs engage (Continued On Page 11)

Board Told Crockett School To Go On Full Time Job Next Week

Resignations of five teachers in Midland schools were accepted Tuesday night at a meeting of school trustees and the election of 10 new teachers was approved.

All teacher resignations and election were confirmations of actions by Supt. Frank Monroe, who accepted the resignations and appointed new teachers at the beginning of the school year, subject to approval by the board at its regular scheduled meeting.

President R. W. Hamilton presided at the meeting. Other members present were Mrs. W. H. Gilmore, John Cornwall and Holt Jowell.

An arrangement to let the concessions at Memorial Stadium to the JayCees was agreed upon, subject to certain changes in the agreement. The board will maintain control of prices charged at the stadium, and will share the profits on a 50-50 basis with the JayCees.

The board was advised by Monroe that the new Crockett school will be completed for full-day classes in all grades by next week. Three classrooms remained unfinished at the time of opening. First (Continued On Page 11)

Free Beer To Stay On Menu In Korea

TOKYO —(P)— Front line troops in Korea who like beer will continue to get it—for free.

This is on the word of a high Army official who declined use of his name lest he get all foamed up in controversy.

An Army order Tuesday, removing the one-can-a-day ration in Korea, raised a howl of protest heard as far as Washington.

The source said Wednesday this has resulted in a compromise. Combat troops had been getting a small can of beer as a free ration. Some of the boys who don't like beer wrote home about it. There were protests. Beer was stricken from the ration.

Under the new arrangement, beer will be furnished troops from non-appropriated funds. This is revenue from small changes for various items in post exchanges and theater admissions.

Dr. Melton Named Surgery Chief At Midland Memorial

Dr. T. J. Melton, Jr., prominent Midland surgeon, is the new chief of surgery at the Midland Memorial Hospital. Dr. John B. Thomas, president, announced Wednesday.

The new chief of the surgical division replaces Dr. J. Leonard Dixon who resigned to move to Stanton. Dr. Melton's appointment was recommended by the hospital's medical staff and approved by the trustees.

The appointment is for the remainder of this year.

Dr. Melton recently was granted a membership in the International College of Surgeons, one of the most exclusive groups in the medical profession. Less than 15 doctors in Texas are members of the select group.

He will receive formal induction into the International College at a meeting in Cleveland, Ohio, next month.

Dr. Melton, 34, was granted an associate membership, the only degree offered to surgeons under 40 years of age. He will become a fellow at the age of 40.

Marshall Called To Defense Post As Johnson Quits

WASHINGTON —(P)— President Truman Wednesday asked Congress to make an exception and let Gen. George C. Marshall serve as secretary of Defense even though he is a military man. The Senate Armed Services Committee immediately approved the necessary legislation. The House Armed Services Committee postponed action until Friday.

WASHINGTON —(P)— George Catlee Marshall, soldier by profession and diplomat by experience, is headed back to the Pentagon to become secretary of Defense.

President Truman turned to the 69-year-old, five-star general and former secretary of State to replace Louis Johnson.

Johnson, bowing to presidential will and the "enemies I have acquired during the 18 months I have served as a member of your cabinet," submitted his resignation Tuesday. Truman accepted it with official regret—but with alacrity.

Suddenly, in a single day, there were vacancies pending in the two

The City Council Tuesday night approved the changing of zoning restrictions in three additions and postponed action on a fourth proposal after hearing protests from property owners residing in the affected area.

Approved was a change from "B" to "G" classification for the east half of blocks one and four in the Kelview Heights addition; change from "F" to "G" classification of the south half of blocks 172 and 173, and the north half of blocks 189 and 190 in the Southern Addition, and a change from "B" to "F" classification of lots 1, 2, 3, 4, 5, 6, 7, 8 and 9 in block one, Brunson Place Addition.

The council acted after hearing recommendations from members of the Planning and Zoning Commission.

A proposed zoning change in blocks 45 and 46, Cowden Addition, was deferred until the next meeting.

John J. Redfern, Jr., John Hills and R. C. Conkling of the Zoning Commission explained the commission's reasoning in recommending the changes. Hills said two service stations and a motel already are operating in the Cowden Addition, area as non-conforming business establishments and the zoning change would allow the owners to improve their property sites. The area in question is located in the 1800 and 1900 blocks of North Big Spring Street.

The zoning change would allow the establishment of most types of retail establishments, including service stations and motels. It was pointed out the two stations and the motel currently operating in the area were in operation before that area was annexed into the city.

Two new subdivision plats were presented to the council by the commission. Tract 9, Gardens Addition, and tracts 1, 7, 9, 10 and the (Continued On Page 11)

U. S. Restores 69 Mexican Battle Flags

MEXICO CITY —(P)— The United States Wednesday formally restored to Mexico 69 battle flags to mark, President Truman said, "the spirit of friendship and peace" between the two countries.

The U. S. Chief of State told President Miguel Aleman the people of the United States are determined that "friendship, understanding, respect and peace" shall be "permanent foundations of their relations with the people of Mexico."

Ambassador Walter Thurston read the President's letter to Aleman at a brilliant ceremony in historic Chapultepec Park at which a U. S. military escort solemnly handed over the flags, captured 103 years ago.

Eighth Army Boss Declares Enemy Spent

TOKYO —(P)— Allied troops got word Wednesday they will kick off on the offensive soon against the big Red Korean war machine they have battled to a standstill for a month.

Lt. Gen. Walton H. Walker, Allied ground commander in Korea, said in a fighting talk to his front line troops: "Soon we are going to give up the attitude of defense x x x. As soon as we start forward and break the crust in front of us, the enemy will fold."

"We can feel a weakening of the enemy now . . . in some positions they actually are pulling out."

The U. S. Eighth Army commander described the long weeks of delaying action as necessary "agony and suffering."

Only through such an ordeal, he said, could the Allies build up power for an offensive.

Walker's fighting talk came as Allied troops flattened the Red Korean bulge on the northeast front in a triple-threat power drive.

The United Nations gains in a three-day offensive were the greatest in almost a month. They sealed much of the gap torn last week by Communists in their massive breakthrough south from Kigye near the east coast.

Resurgent South Korean troops, driving east from Yongchon and northwest from Kyongju, rolled back the Communists.

To the east, a mixed force of South Koreans and Americans rammed shut the southern gate of a mountain corridor, trapping 3,000 Red Koreans.

The task force was led by 47-year-old Brig. Gen. Gar-Deudson, former West Point football coach and right end. It was a brilliant end sweep west from the Pohang area by "Task Force Davidson" that trapped the Reds.

Along the 125-mile Allied defense perimeter, this was the picture: Pohang-Yongchon sector—"Task Force Davidson" closed a three-mile gap between Angang and Pohang. From the west, the South Korean (Continued On Page 11)

owners claim approximately 600 persons reside in the area, which includes the south half of sections 19 and 20 and the north half of sections 29 and 30, Township One South, block 39.

The Chief Drive-In Theater and the pipe yard and warehouses of the Superior Oil Company are located in the area, officials said.

The new area, which would be named Wallace Heights, comprises several homesteads and many of the land tracts have not been subdivided.

The petitioners had requested the election be called for September 23. However, Judge Keith said he anticipated an extension of the period to afford ample time to advertise the election and post the proper notices.

Mexican Nationals Available Here For Cotton Harvest

All Midland County cotton producers who are interested in employing Mexican nationals to harvest the 1960 cotton crop have been requested to contact Horace Underwood, veterans vocational agriculture instructor, or Charles W. Green, county agent.

Tentative price tagged for the cotton pickers this season is \$1.25 per hundred pounds. Green said this county can obtain as many as 500 nationals if necessary.

Underwood may be contacted at 308 North Main Street. Green may be contacted in the county agent's office at the Midland County Courthouse.

Hollywood Director Finds Out About Native Tailors

By ERSKINE JOHNSON
HOLLYWOOD — The Laugh Parade:

Director Compton Bennett refused to believe it at first, but when he was in Africa filming "King Solomon's Mines," he found out for himself that native tailors are the fastest in the world.

The dark-skinned needle-and-thread geniuses can cut and assemble a man's suit in one day.

When a friend in Nairobi lamented that his favorite suit, one he had worn for 25 years, could take no more patches, Bennett suggested that he have the suit duplicated by a native tailor.

A meeting was arranged and the tailor assured his client that he could obtain the exact fabric, identical buttons and duplicate the suit down to the very stitching. In three days, he smiled, the customer could call for it.

Three days later, Bennett relates, his friend picked up the new suit.

The African tailor had done a perfect duplication job — even the patches of the old suit had been faithfully copied.

Celeste Holm was being interviewed by a fan magazine writer and looked pained when the subject drifted to modern interior decoration.

"Why, Miss Holm, don't you like a modern home?" asked the writer. "Nope," dead-panned Celeste.

"What I like is the kind of home that any burglar can find his way around in the dark."

Brice Draws Blank
It's Nina Foch's story about that unlikely triumvirate — Katharine Hepburn, Constance Collier and Fannie Brice.

Fannie's constant use of a certain word generally found in the vocabularies of stevedores and taxi drivers, disturbed her pals.

both of whom would recoil at the thought of uttering anything stronger than "Heavens to Betsy."

Katie and Constance, agreeing that it hardly was necessary for Fannie to lard her conversation with BLANKS, told Fannie as much.

"Maybe you're right," she said, "but if I don't say BLANK people will think I'm not a sincere person."

Richard Carlson went to a showing of "The White Tower," RKO's mountain-climbing epic. A friend telephoned the next day to ask how he liked the picture.

"Personally," said Carlson, "I wasn't impressed, but I think that the mountains will love it."

George S. Kaufman, whose fame as a playwright is matched by his reputation as a play doctor, co-authored a turkey bearing the title "Park Avenue" some seasons back.

At the Philadelphia opening of the musical, Kaufman slumped in his seat as the final curtain descended.

"Do you know what this play needs?" a stranger sitting next to him whispered.

"What?" groaned Kaufman. "They ought to call in a play doctor to fix it up—someone like George S. Kaufman."

Connie Lupino, mother of Ida, is a brilliant, lively woman whose quick tongue outprints her mind. Words spill out of Connie at a mile-a-minute clip.

Other day Ida went albacore fishing and Connie, who shares Ida's home at Malibu, told a family friend:

"Ida fished all day and had the most wonderful luck—a real catch—and when I came home Ida had prepared a fish, and dinner was on the table. My dear, I never tasted such divine ALBATROSS."

SUNDAY IN SOUTH KOREA—American soldiers attending outdoor church services in a field in South Korea are joined in prayer by a South Korean farmer. The farmer has placed his hat at his feet while he takes part in worship. (NEA-Acme telephoto by Staff Correspondent Norman Williams.)

Odessa To Address Presbyterian Men

The Rev. Harry G. McDonnell, pastor of Odessa's Normandy Heights Presbyterian Church, will be the guest speaker at the September meeting of Presbyterian Men of Midland at 6:30 p. m. Thursday in the Fellowship Hall of the First Presbyterian Church.

Mr. McDonnell is a former Army chaplain and will relate some of his World War II experiences in his address here. He will be introduced by Dean Murray, program chairman.

President Al Vineyard said all men of the church are invited and urged to attend the dinner-meeting.

Abundant Living

By
E. STANLEY JONES

Matt. 28:42; II Cor. 12:7-10; Ps. 143:10.

PRAYER IS SURRENDER

We have seen that everything from mineral to man has to lose itself in something higher in order to find itself. We love Washington because he lost his Mt. Vernon self in the cause of freedom—so he finds himself enshrined in our hearts as the Father of our country. We love Lincoln because he lost himself in the cause of freedom for the negro—so he finds himself as the Great Emancipator.

We lose the "I-that-is" in order to find the "I-that-ought-to-be." This I done by a once-and-for-all surrender, but it also is done as a continual process. The continual process is prayer. Prayer is fundamentally and essentially self-surrender. I once asked Kagawa, the great Japanese Christian, what was the first thing in prayer, and he answered, "Surrender." He was right.

But the idea of surrender cuts across the usual idea of prayer as a method of obtaining from God your wishes. That idea is self-assertion. This is self-surrender. Then is prayer a passive submission? A denial of the will to live? Is it the will to die? Far from it. Prayer is a will to die on the level of a defeated, empty, ineffective, short-circuited life, and

a will to live on the level of a victorious, full, effective, and cosmic-connected life. It is self-renunciation in order to find self-realization. Your petty self is renounced in order that your potential self might be realized. Prayer is the wire surrendering to the dynamo, the flower surrendering to the sun, the child surrendering to education, the patient surrendering to the surgeon, the part surrendering to the whole—prayer is life surrendering to Life.

A branch not surrendered to the vine, but cut off and on its own, is not free; it is dead. A person who doesn't pray isn't free; he is futile. He is a blind man who won't surrender his blindness to the surgeon in order to see. He is free—to remain blind.

O God, my Father, forgive me that I fear to surrender my surrendered will to Thy saving will. I am afraid-of life. Help me, as I begin this adventure of prayer, that it may be no side-line activity. May it become me, that I may become Thee. For I must have Thy life to live. In Jesus' name. Amen.

★ THE DOCTOR SAYS ★

Best Advice For Hemophiliacs Is To Try To Prevent Injury

By EDWIN F. JORDAN, M. D.
Written for NEA Service

So far as is known Queen Victoria of England was the first carrier of the hereditary factor or gene responsible for the famous royal bleeding disease. Ten of Victoria's male descendants have suffered from hemophilia and seven of her female descendants have been proved to be carriers of the gene. Where and how Queen Victoria acquired the fateful gene however is unknown.

In many cases of hemophilia the hereditary line is not easy to trace. The condition is limited to the male line although it is carried by women to their male children. Although in rare cases women bleed almost as easily as true hemophiliac men, the disease usually is considered to be a strictly male disease.

Persons subject to this bleeding tendency are remarkably healthy

and are different from others only in their liability to easy and excessive bleeding. A trifling injury which would not be of any consequence to a normal person will cause severe bleeding in a true hemophiliac. Under such circumstances the blood may trickle or ooze on and on and prove almost impossible to stop. Bleeding may be internal as well as external. Most attacks are caused by some injury even though the injury is nothing more than a slight bump or bruise.

The tendency to abnormal bleeding almost always is noticed in early childhood and lasts till adult life, becoming gradually less severe and finally disappearing if the victim lives through the early difficulties. Nose bleeds are common; bleeding after the extraction of a tooth also is frequent. Extremely minor operations have sometimes been followed by fatal hemorrhage. Bleeding can occur into the joints or into the lining of the mouth, the stomach, the bowels or elsewhere.

Avoid Active Games

Treatment of the bleeding in a victim of hemophilia is difficult. Transfusion of blood often is necessary and usually is the best thing. Other measures aimed at increasing the speed of blood clotting have been tried with more or less success. The most important thing to do is to try to prevent bleeding. Every effort should be made to avoid injury and, of course, active games such as football, in which injury is almost unavoidable, are preeminently prohibited.

Operations should be avoided if possible and anyone who is known to have hemophilia should be sure to inform a physician at once of the known tendency before the medical examination begins. Research on this disease is going on and perhaps before too long some better treatments will become available.

The pohutukawa tree, a native of New Zealand, thrives on rocky, salt-sprayed seashore cliffs.

PECOS—Mr. and Mrs. Evan J. Wood, Jr., are now at home in Kingsville following their recent marriage in Harlingen.

Mrs. Wood, the former Patricia Ann Gilday of San Benito, is a 1950 graduate of San Benito High School. Wood, the son of Mrs. E. J. Wood, Sr., of Pecos, will enroll at Texas College of Arts and Industries this fall.

New officers for the Judge Roy Bean Square Dance Club were elected in a recent meeting at the home of Mr. and Mrs. I. E. Chesney.

W. E. Powell is to serve as president for a six-months period, with Crawford Hughes vice president and Mrs. Chesney secretary-treasurer. New club directors are Earl Fisher, Warren Goode and Jimmy Taylor.

The Pecos Chamber of Commerce will launch a membership drive on September 15, Alton Hughes, manager, announced Tuesday.

Plans for the campaign will be mapped out at a breakfast meeting of directors and members, and members will contact new businessmen immediately afterward.

Nineteen indictments were returned against 14 persons by the Reeves County Grand Jury in session last week.

The indictments included charges for theft of more than \$50 against Pedro Aguilar, Armando Rivas, Ernest G. Tracy, Ralph D. Rustis and Cassell Marshall. Rivas was indicted on two counts of theft.

Fred Nahidek was indicted in two separate cases for allegedly passing forged instruments. Ralph Cave and Billy Newton were indicted on forgery charges.

The names of six other persons indicted by the grand jury are being withheld pending their arrest.

ROBERT CURRIE REPORTED ILL IN HOSPITAL HERE

Robert Currie of Midland is reported seriously ill in a Midland hospital.

Here to be with him are J. A. Currie of Fort Worth, Mrs. Margaret Davis of Mansfield, Mrs. J. L. Norton and Henry Currie of Montague, Calif.

Malaya has increased in population by nearly one third in the past 16 years.

Recipe for health

A prescription is a recipe for health. It represents a physician's scientific diagnosis and careful decision as to the best method of treating a particular illness. The responsibility imposed upon a physician in diagnosing illness and prescribing treatment is equal to the value given life. Second only to the responsibility of the physician is the responsibility of the pharmacist who compounds and dispenses the prescribed medication. This is a responsibility which we are well prepared to accept. We consider it a privilege to serve.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, SEPT. 13, 1950-3

Presbyterian Circles Discuss 'Education In The Church'

Emphasis was on "Education in the Local Church" in the Presbyterian circle meetings held Monday afternoon and Tuesday morning. The Bible study was "Daniel's Prayer."

The District Council of Church Women meeting to be held September 19 in Big Spring was announced at the circle meetings. It also was announced that the district meeting of the Presbyterian Women will be held September 29 in Big Spring.

Circle No. 1 met Monday in the home of Mrs. J. E. Dickinson with six members present.

Bible Study was conducted by Mrs. L. G. Byerley, and "Education in the Local Church" was discussed by Mrs. S. S. Stinson.

Ten members were present at the Circle No. 2 meeting held in the home of Mrs. Bates L. Hoffer. Mrs. Paul Laverly taught the Bible Study and Mrs. R. L. Miller discussed the Survey article.

Mrs. J. K. Wilson was hostess for Circle No. 3. Seven members and two guests were present. The guests were June Patterson and Mrs. Kate Barling.

Mrs. W. H. Gilmore discussed the Survey article and Mrs. A. H. Vineyard taught the Bible lesson.

Nine members were present at the Circle No. 4 meeting held in the home of Mrs. Frank Downey. Mrs. A. H. Vineyard opened the meeting with a prayer and then held a business meeting.

Mrs. C. H. Collins was hostess for Circle No. 5, which met in the home of Mrs. Lamar Lunt. Mrs. D. A. Rose was a guest.

Mrs. John B. Richards taught the Bible lesson. Mrs. Charles McClintic was elected chairman of the circle.

The Training Circle met Monday afternoon in the home of Mrs. Raymond Howard. Fourteen members were present. Mrs. William Carter conducted the Bible study and Mrs. E. A. Vogler discussed "Education in the Local Church."

Mrs. D. A. Bliven was appointed chairman for the circle upon the resignation of Mrs. Patterson.

Circle No. 6 met Tuesday morning in the church parlor with Mrs. E. P. Whealdon as hostess. Seven-

teen members and two visitors were present.

Mrs. Secor opened the meeting with prayer. A report was made of the clothing needs of a family being taken care of by the circle. Gifts of canned goods are to be brought at the next meeting.

Mrs. Lewis Davis gave the Bible lesson.

Circle No. 7 met Tuesday morning in the home of Mrs. Jack Hawkins. Nine members attended.

Mrs. F. D. Hefren opened the meeting with prayer. Bible study was taught by Mrs. Butler Hurley. A social hour was held after the meeting.

Members of Circle No. 8 met Tuesday morning in the home of Mrs. J. M. Ratcliff, 2307 West Kentucky Street.

Mrs. L. A. Roby, chairman, opened the meeting with prayer, and announced the church activities for the month.

Mrs. E. M. Braselton, social service chairman, asked that clothes to be sent overseas be taken to the church. The box of clothing will be sent to Europe next month.

The Bible lesson on "Daniel's Prayer" was taught by Mrs. J. Clifford Hall.

Refreshments were served to Mrs. Braselton, Mrs. R. F. Carroll, Mrs. M. S. Dickerson, Mrs. Hall, Mrs. C. S. Mast, Mrs. Roby, Mrs. G. Newman Shell, Mrs. Frank Stubbsman and Mrs. Bill Collins.

Three guests were present when the Evening Circle of the First Presbyterian Church met Tuesday in the church parlor.

Guests were Mrs. Matthew Lynn, Mrs. Burling Guyer and Mrs. Maud Millikin. A new member was June Patterson.

The Survey article was presented by Alma Herd, and Mrs. Roy Davis led the Bible study. Hostesses for the meeting were Mrs. Vye Knight and Mrs. Gladys Woerner.

Mrs. Henri Mast was added to the list of members of Circle No. 9 of the First Presbyterian Church when it met Tuesday in the home of Mrs. Coe Mills, 400 West Storey Street.

The presiding chairman was Mrs. H. L. Hensley. Mrs. Roy Davis gave the Bible study. The Latin American School milk fund project will be continued. It was decided.

Eleven members were present for the meeting.

California is the only one of the United States raising almonds in significant commercial quantities.

Coming Events

THURSDAY
Palette Club Studio will be open all day for members who wish to paint. A potluck luncheon will be served at noon.

Altrusa Club will meet in the Private Dining Room of Hotel Scharbauer at 12 noon.

The Vestry of the Trinity Episcopal Church will meet at 7:30 p.m. to plan the budget for 1951. Junior choir practice will be held at 7 p.m.

The Mother's Club of St. Ann's Church will meet at 9:30 a.m. in the home of Mrs. W. J. Sowers, 2110 West Michigan Street.

La Merienda Club will meet in the Ranch House at 1:30 p.m. Hostesses will be Mrs. Joann Younger and Mrs. Frank Reeves.

Nu Phi Mu will meet in the home of Tommie Cole, Pagoda Park, at 7:30 p.m.

There will be a women's prayer service of the First Baptist Church at 9 a.m. in the church.

First meeting of the Midland High School Band Aides will be in the Midland High Band Hall at 7:30 p.m. This club is for parents of band students.

Forty-Niners Square Dance Club will meet in the Midland Officers Club at 8 p.m.

Presbyterian Men of Midland will meet at 6:30 p.m. in the church's Fellowship Hall.

FRIDAY
The BS Chapter of P. E. O. will meet in the home of Mrs. W. Dave Henderson, 1306 West Indiana Street, at 1:15 p.m.

Alatheaan Class of the First Baptist Church will meet at 3:30 p.m. in the home of Mrs. Ernest Neill, 208 South 1 Street. Co-hostesses will be Mrs. Zeb Wilkins and Mrs. C. M. Dunagan.

A Young People's luncheon will be held in the recreation hall of the First Baptist Church at noon.

There will be a dinner meeting of the Advance Committee of the First Methodist Church in the Educational Building at 6:30 p.m.

Ladies Golf Association of the Midland Country Club will meet in the clubhouse at 1 p.m. for luncheon and a style show. Hostesses for the meeting are Mrs. Ralph Lowe and Mrs. J. D. Dillard. Reservations must be made by Thursday evening.

The fourth annual all-breed dog show, given by the West Texas Kennel Club, will be held at the County Pavilion, West Tenth Street, Odessa. Show hours are 8 to 10 p.m.

The Midland Service League will have a board meeting at 9:30 a.m. in the home of Mrs. Harvey Herd.

DTY will entertain husbands at a barbecue chicken supper at 7 p.m. in Cole Park.

Sashaway Square Dance Club will meet in the Midland Officers Club at 8 p.m.

Delegates Return From Galveston

Delegates have returned from the departmental convention of the American Legion Auxiliary held Friday through Sunday in Galveston.

They are Mr. and Mrs. Q. M. Shelton, Mr. and Mrs. T. E. Steele, Mr. and Mrs. Dave Allen and Mr. and Mrs. Dutch Mayfield.

Mrs. Minnie Lyle of Cisco was elected department president. Fifth Division officers were confirmed. They are Mary Jo Sohl of Alpine, division president; Dorothy Crooks, sixteenth district president, and Mrs. Vivian Steel, assistant president of the Sixteenth District.

Mrs. J. C. Mayes Is Hostess To Circle

The Eleanor Lutton Circle of the First Methodist Church met Monday in the home of Mrs. J. C. Mayes, Jr., 314 East Cedar Street.

Mrs. Paul Bowman opened the meeting and Mrs. R. L. Noah presided at the business session. Mrs. C. D. Willingham, Midland County public health nurse, was the guest speaker. Closing the meeting was Mrs. B. B. Seawright.

Others attending were Mrs. Del Taylor, Mrs. Russell Smith, Mrs. F. U. Schall and Mrs. W. E. Nance.

Next Monday at 7:45 p.m. the group will meet with Mrs. Nance, 1800 West Michigan Street, for the study of a new book, "A Christian's Vocation."

Egg yolks will keep fresh several days if they're covered with cold water and placed in the refrigerator.

Garden Club Council Makes Plans For Fall Flower Show

The Midland Council of Garden Clubs met Tuesday in the home of Mrs. W. D. Lane, 1605 West Tennessee Street.

The presiding chairman was Mrs. J. D. Dillard. Plans were discussed for the annual flower show to be held October 25 in the Miles Hall Buick Company showroom.

Mrs. J. A. Koegler, general chairman in charge of the flower show, announced the following committee chairmen appointments: Mrs. A. P. Shirey, staging; Mrs. Charles

Henderson, schedule; Mrs. Clem George, entry; Mrs. Dewitt Haskin, classification; Mrs. Ralph Lowe and Mrs. Dillard, hospitality; Mrs. Nita Stovall and Mrs. I. E. Daniel, judging; Mrs. Frank Aldridge, publicity; Mrs. J. E. Sanders, radio; Mrs. Winston Hull, posters; Mrs. B. R. Matthews, editor; Mrs. John Bulley and Mrs. Joe Chastain, scrapbook; Mrs. C. E. Nelson and Mrs. Frank Stubbman, juniors; Mrs. E. V. Mitchell, awards.

Representatives of all Midland garden clubs attended the meeting.

Doug Blackmons Call Silver Spur Dances

Mr. and Mrs. W. T. Riley of Goldsmith and Nancy Allen of Midland were guests of the Silver Spur Square Dance Club when it met Monday night in the Officer's Club.

Calling for the dance were Mr. and Mrs. Doug Blackmon.

Members present were Mr. and Mrs. James Blackwood, Mrs. Floyd O. Boles, Mr. and Mrs. E. C. Covey, Mr. and Mrs. G. N. Donovan, Mr. and Mrs. Pat Hitt, Mr. and Mrs. Steve Lammack and Mr. and Mrs. Don McKibbin.

MAKING PROCESS CHEESE

Process cheese, which many families like to use, is sometimes made from one type of cheese, sometimes from a mixture of different types. The cheese is shredded and a small amount of an emulsifying agent and water are added; it is then heated and molded.

Delphian Society Has First Meeting

The Daleth Delphian Society had a coffee for its first Fall meeting Tuesday. It was held in the home of Mrs. C. W. Chancellor.

New officers of the organization are Mrs. Chancellor, president; Mrs. C. M. Linehan, vice president; Mrs. F. L. Houghton, Jr., secretary-treasurer, and Mrs. A. S. Kelley, seminar chairman.

Others attending the meeting were Mrs. E. W. Cowden, Mrs. Hal C. Peck, Mrs. F. N. Shriver, Mrs. B. R. Schabarum, Mrs. John M. Fitzgerald, Mrs. A. E. Lynch, Mrs. John S. Braun, Mrs. E. R. Andres, Mrs. O. F. Hedrick and Mrs. M. J. Loring.

Episcopal Auxiliary Honors Newcomers

New members of the Trinity Episcopal Church were honored at a welcoming tea Monday afternoon in the Parish House. It was sponsored by the Women's Auxiliary.

Hostesses for the tea were Mrs. W. H. Greenstreet, Mrs. J. P. Ruckman, Mrs. D. C. Sivals and Mrs. V. E. Hanes.

The table was centered with an arrangement of yellow daisies and mums. Bouquets of zinnias decorated the Parish House.

The executive board members greeted the guests and other members of the church.

Family Gossip Aids Stalin

Anybody who's alive says and does a lot of things in the privacy of his own home and family he'd just as soon not shout about to the neighbors.

That being the case, such things remain a family affair. But once you open the windows and start shouting, the neighbors are going to have a field day misinterpreting—and rebroadcasting—what they hear.

On a much larger scale, the same course of events holds true for a couple of U. S. family affairs which at the moment are making excellent gossip for our Communist neighbors across the world, which in this day and age is just across the street.

One of these has to do with the railroads—the other, with the secretary of the Navy.

To be sure, the trains never stopped running, although it could have been otherwise. The Brotherhood of Railway Trainmen and the Order of Railway Conductors already had shown they were going to stop everything that runs on rails—and that means a major part of the nation's life—unless the President took over. Just about the time we were being assured the trains wouldn't stop, Secretary of the Navy Francis P. Matthews let go with the declaration we should "pay any price, even the price of declaring a war to compel cooperation for peace." What he said drew sharp rebukes from the White House and the State Department. It was the most open split in the official Washington family since Henry Wallace was disinherited in 1946.

We are not arguing the merits of either the railroad unions' dispute nor Secretary Matthews' philosophy. We do not consider the trainmen and conductors leftists, and we do not consider Matthews a wild-haired friend of the Commies.

We do think, however, that both parties—the railroad men and Matthews—gave a lot of "aid and comfort" to our unfriendly neighbors behind Stalin's iron mustache. The Big Lie is really nothing more than the malicious story a gossip down the street starts airing when she hears something through your open window you never intended her to hear. When you put it on a global basis, it doesn't take much imagination to guess what Russia can do with the family affairs we've just shouted out to the world.

Stalin can get a sympathetic audience of other people down the street when he tells them—as we're sure he will—that the railroad men don't want to work because they don't believe in what we're doing in Korea, and the government had to force them to work. The same audience will be all ears when he shrugs his shoulders and asks how anybody can believe America's honorable intentions when a cabinet member—and of the military, at that—says we ought to start a war now. We know otherwise, of course, because we're in the family. But it would have been a lot smarter to have kept the window closed in the first place. Neighbor Stalin—and we don't mean good neighbor—can cook up enough bad gossip, enough big lies, without us putting them in his mouth.

In Lieu Of Statesmanship

DREW PEARSON

ON The WASHINGTON MERRY-GO-ROUND

(Copyright, 1950, By The Bell Syndicate, Inc.)

Drew Pearson says: Dewey forces reward Hanley for bowing out of governor race; U. N.'s Sir Gladwyn Jebb doesn't know his TV rival; Senator Schoepel's smear boomerangs against Republicans.

WASHINGTON — Here are the details of the secret deal which Dewey forces made with Lt. Gov. Joe Hanley to get him to withdraw from the New York race for governor.

In case Hanley loses in his race for the Senate against Herbert Lehman, a new job will be created for him on the Throughway Commission—the superhighway now under construction across New York State. This job will pay Hanley \$25,000 annually.

In addition, Hanley has been promised \$15,000 income from an oil company, making a total of \$40,000, or about the income he would have received had he been elected governor.

Finally, friends in the Dewey camp have promised to repay the \$30,000 which Kingsland Macy, Frank Gannett and Norman Gould had put up to pay off Hanley's debts. The lieutenant governor had been in difficult financial circumstances and the Macy-Gannett-Gould backers had raised about \$30,000 to bail him out.

Rival TV Stars

In the delegates' lounge at Lake Success, a newsmen said to Security Council President Sir Gladwyn Jebb, "How does it feel to be a TV idol?"

"It's really quite frightening," replied Jebb, with his Oxford accent. "People come up to me on the street and shake my hand. No member of the British Foreign Office is supposed to be known, not to mention being popular."

"I'm afraid you can't escape it," insisted the newsmen. "People are fascinated by you—second only to Milton Berle."

"Berle?" said Sir Gladwyn. "Who's he? The only Berle I know is Adolf Berle, and people aren't fascinated by him."

Down The Drain

It is easy to understand why the Republican Policy Committee took the unusual step of rushing out with a disavowal of Senator Schoepel, the bumbling senator from Kansas, after he tried to smear the red brush on Secretary of the Interior Oscar Chapman.

Chapman's forthright and convincing reply boomeranged against the Republicans badly. Bob Allen expressed it best of all, after Chapman had wound up his testimony. "I have no money to leave my family," the Cabinet officer said, "only my god name and reputation. By the grace of God I'm going to protect it."

"I challenge him . . . I dare you to remove your cloak of immunity and sit in this chair and read your statement."

Senator Schoepel remained silent.

"Do you care to answer?" Chairman O'Mahoney of Wyoming asked. Senator Schoepel did not.

"Don't you care to question the witness?" invited O'Mahoney.

Schoepel mumbled something about the fact that his assistant, Frank Bow, who actually prepared his speech, was out of town. Whereupon Bob Allen, sitting at the press table, announced in a loud stage whisper:

"Another cockroach down the drain."

There being no drain present, Senator Schoepel looked as if he wanted to slide under the table. American taxpayers don't know it, but they have been helping

foot the bill for a lobby run by an ex-convict operating under the high-sounding name of the Committee for Constitutional Government, and supported by such powerful Republicans as Frank Gannett of the Gannett newspaper chain. Its executive secretary, Edward A. Rumley, was jailed as an agent of the Kaiser in World War I.

It now has been disclosed by the House lobby investigation that Rumley's propaganda leaflets have been printed and distributed at a considerable cost to the Treasury.

A friendly congressman merely places the propaganda in the Congressional Record, orders reprints from the Government Printing Office at cost, and sends them out under his congressional frank free.

One senator who bucked at this device was George Malone of Nevada. To him Rumley wrote: "Even if members of Congress, by putting out contrary material incurred \$1,000,000 or \$2,000,000 of expense for the Treasury, it would be negligible."

In the same letter Rumley boasted that "15,000,000 franked releases, mostly to small town and rural mailboxes" defeated the New Deal's court plan and intervened in the 1938 elections. Rumley also revealed a similar effort "was being conducted against the Fair Deal's medical plan and added cynically, 'In war we cannot always choose our weapons.'"

Among the congressmen who helped the ex-German Agent Rumley spend the taxpayers' money for his propaganda are: Ralph Gwinn, N. Y.; Frederick "Doc" Smith, Ohio; Daniel A. Reed, N. Y.; former Senator Ralph Hawkes, N. J.; and ex-Sen. George W. Schwabe, Okla.—all Republicans.

Note — Rumley wrote a Baltimore friend who wanted to distribute copies of a diatribe against public housing under Gwinn's frank: "The Post Office in Baltimore may not accept the franked mailing without some authorization. We have a standing authorization in the New York Post Office and could mail from here if you will supply the addresses on gummed labels."

A soft-spoken, courtly philosopher, Senator John C. Stennis, is winning friends for the South on Capitol Hill. No noisy demagogue like his predecessor, Theodore "The Man" Bilbo, Stennis picks up votes in Congress by calm reasoning.

Senator Stennis is a slim, black-haired ex-judge with a gracious manner, who never raises his voice or his temper.

In a quiet talk the other day, Stennis observed: "We will solve our race problems in the South, if we can have economic parity with the North. It's the bitter competition for jobs and dollars that stirs race trouble. We are making great strides in better understanding and better-educated citizens."

"Mississippi is a top state in the per cent of the tax dollar going into schools, for both negroes and whites. But what we badly need is factories to utilize the great man-power pool in the South. We are losing large numbers of trained young men who must look for job opportunities elsewhere."

Senator Stennis readily admits that the wage-hour law, though bitterly fought by fellow Southern conservatives, was a boon to the South by raising its economic level.

"I have learned a lot about my

So They Say

G. B. S. is really modest. He regards himself as cleverer than most of us. He rather laughs at Shavians and their Shaw worship.

Miss Blanche Patch, secretary to George Bernard Shaw, wit and playwright.

The breakdown of all communications and centralized control (through atomic bombing) might well enable the brave Russian peoples to free themselves from a tyranny far worse than that of the czars.

Winston Churchill, English Conservative party leader.

I do think it is the height of immorality to call young men . . . send them off to a war from which they may never come home and to leave others to profit and prosper.

Bernard Baruch, World War I mobilization director.

It is clear that not all members of the UN are supporting the vital peace-making effort of the UN.

Warren R. Austin, U. S. delegate to UN.

The West German—able to see, to think, to speak, and to act for himself in complete freedom—is less likely to swallow hook, line and sinker Lorelei songs of the East German puppets.

Michael J. McDermott, State Department press officer.

+Rankin News+

RANKIN—A new geophysical crew has moved into Rankin. This adds to crews of Magnolia and Cities Service which moved in previously.

Ruth Patterson, daughter of Mr. and Mrs. B. A. Patterson, received a fractured hip when she was thrown from a horse at McCamey. The Rankin Study Club's amateur program has been postponed to September 19. The postponement was due to seating facilities not being complete in the new elementary school.

A. D. Zachary, Jr., left for Norman, Okla., where he will be a senator in the University of Oklahoma this term. He spent the Summer here with his mother, Mrs. A. D. Zachary, Sr.

Mr. and Mrs. Stanley Koszior had as their recent guests his brother and wife from Blairtown, N. J.

The Rankin B&PW Club which adjourned meeting for the Summer will have its first Fall meeting Thursday night in the Community Building. Mrs. Naomi Midkiff, president, invites all interested persons to attend. A picnic-style meal will be served. Officers of the B&PW this year include: Mrs. Midkiff, president; Neva Rae Taylor, vice president; Ellen Moore, recording secretary; Jane Still, treasurer; Lella Workman, corresponding secretary.

Area Home Builders Will Meet In Odessa

Representatives of the National Home Builders Association will meet with members of the Permian Basin Home Builders Association at 7:30 p. m. Wednesday in the Cathay House at Odessa.

Speakers will include Dick Hughes, national association board member; Frank Robinson, Texas representative of the national organization, and Troy Jones, president of the Texas Association of Home Builders.

The meeting is open to all home builders, real estate men and others interested in home building in the Permian Basin Empire.

country and the world since I came to the Senate," he comments. "I have learned to understand and respect other points of view."

• JACOBY ON BRIDGE

By OSWALD JACOBY

"West opened the deuce of clubs, and dummy won with the ace. Declarer saw that if he led spades while the king of hearts was still in dummy the opponents would undoubtedly take their club tricks and the ace of diamonds in addition to the ace of spades. This would set the contract."

Declarer therefore took three rounds of trumps ending in his own hand and then led his singleton spade!

"East could not believe that South had deliberately taken all the entries out of the dummy if he

hand only a singleton spade. He therefore let dummy's king of spades win the first trick in that suit. The rest, of course, was very easy. Declarer could quite comfortably afford to give up two clubs and a diamond.

"Has Larceny Lou been copying stunts from our boys up here?"

Larceny Lou does not mind copying anybody's stunts if they're good ones. However, I must say that in this case East should not have gone wrong. If East trusts his partner, he should know that South has only a singleton spade!

When South leads spades, West is obliged to show how many cards he holds in the suit. With three spades, he plays his lowest card. With two or with four he plays some card other than his lowest.

When West plays the three of spades, obviously his lowest, East knows that his partner has exactly three cards in the suit. He can therefore afford to take his ace and look for tricks elsewhere.

Conceivably, West's three of spades is a singleton. In that case there is no hope of defeating the contract, since South must obviously hold an honor trick in diamonds for his opening bid and cannot then have four losing tricks.

Administrative Duties

Old practice was to organize field and evacuation hospitals with a full complement of nurses and doctors before they were sent overseas. New method will be to have three doctors and one nurse train enlisted staff of such hospitals in the states and only build up to full doctor strength when the hospital gets into actual operation. This saves hundreds of doctors for other employment, rather than letting them sit around doing nothing, waiting to be sent overseas with their hospital units.

In all types of military hospitals doctors will be given a minimum amount of administrative duty. This work will be done by specialists who aren't doctors.

One of the biggest savings of doctor-power is the flying of wound patients to the U. S. from combat theaters. Fewer doctors work in efficient hospitals back

"Did you hear about the wonderful invention of an Australian genius? He invented a lie detector," said a bachelor.

"Read about it!" replied Jones.

"I married one!"

The National Geographic Society says that if all the ice in Greenland were to melt at once the oceans would overflow.

IX

For a moment, after Edie's words, a dead silence settled over the office. Then Reagan began to laugh with a throaty roar, and his ox-like shoulders shook.

"You're all right," he said. "I'll stick."

Edie breathed easier. "I'm glad of that," she said simply.

Reagan was still studying her. "You aren't at all what I expected."

"And just what did you expect, Mr. Reagan?"

He looked embarrassed. "Well, after all, Miss Frey, I mean Mrs. . . ."

"Miss Frey will do for business purposes."

"You see," Reagan was having a bit of trouble now, "I've heard a lot about you. Your father told me—certain things and then, of course, you used to get a lot of pub—that is, I used to read about you in the papers. And—" he hesitated.

"And you probably concluded that I was a useless light-minded woman with nothing much going on in her head, Mr. Reagan. That's the natural conclusion." Suddenly Edie's mouth became a hard bitter line. "I assure you, though, that it isn't quite that bad."

Reagan said slowly, "No. I see it isn't. Now then, Miss Frey, let's get to business. What do you want to know about this agency?"

"Everything," said Edie, sitting back in her chair.

★ WASHINGTON COLUMN ★

Mobilization Of Army Doctors Is Under Newly Revised Set-Up

By DOUGLAS LARSEN
NEA Staff Correspondent

WASHINGTON—During World War II the services took 40 per cent of all the doctors in the U. S. to take care of the seven per cent of the population that was in uniform. This was done in spite of the fact that the average soldier needs less medical attention than the average civilian, including the extra requirements of combat.

In other words, the Pentagon experts now frankly admit, there was a gross waste of doctor-power in the services. It soured a big section of the medical profession on the service, and that, more than money, is why they're having to force doctors into uniform today.

Looking back at World War II experience the legitimate gripes of doctors against the Army and Navy are numerous. Highly qualified specialists were given general assignments which consisted mostly of diagnosing stomach-aches for a few hours each morning. A trained enlisted man could have done the job just as well. Highly skilled medics found themselves taking orders on how to administer medicine from higher ranking regular Army doctors who hadn't read a medical journal in years.

Smaller Percentage

These facts ruefully are admitted today by the experts who now are trying to improve the use of doctors by the services. Although it is a fact that the average civilian has more need for medical attention than the average man in service there is a reason for having a greater proportion of doctors in uniform. The biggest reason is geographical. Small segments of the armed services are scattered all over the world. But hospitals and medical services have to be available to all the men wherever they are.

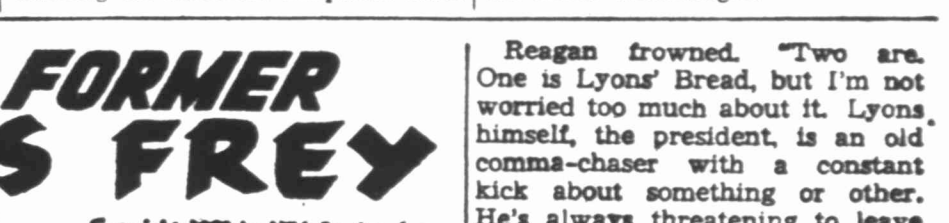

The goal of the present mobilization is to put about 18 per cent of the total population under arms and to take only eight per cent of the doctors to take care of them. This is a far better average than was achieved in World War II. And here are some of the ways it is going to be accomplished:

Trained enlisted personnel will be given many more jobs and responsibilities such as providing first aid and giving inoculations. A division needs about three doctors for ordinary sick calls and 42 when in combat. Former practice was to keep about 70 doctors with a division whether it was in combat or not. New practice will be to keep only three doctors with a division for sick call and increase it to 42 only when it goes into combat.

Old practice was to organize field and evacuation hospitals with a full complement of nurses and doctors before they were sent overseas. New method will be to have three doctors and one nurse train enlisted staff of such hospitals in the states and only build up to full doctor strength when the hospital gets into actual operation. This saves hundreds of doctors for other employment, rather than letting them sit around doing nothing, waiting to be sent overseas with their hospital units.

In all types of military hospitals doctors will be given a minimum amount of administrative duty. This work will be done by specialists who aren't doctors.

Chrysanthemum Discussion At Perennial Club

"The Fall Care of Chrysanthemums and Things to Plant" was the program topic when the Perennial Garden Club met Tuesday in the home of Mrs. George Christy, 1408 North Lorraine Street, for its first fall meeting.

Tricks for success with mums were pointed out and other flower planting were discussed.

Mrs. Neta Stovall was elected chairman of the judging committee and Mrs. J. E. Sanders of the radio committee for the annual fall flower show.

The club will assist in the city cleanup campaign. Mrs. Lucille Johnson stated.

Other members attending were Mrs. C. W. Murray, Mrs. J. T. Klingler, Mrs. Earl Bird, Mrs. Audrey Gill, Mrs. Russell Holster, Mrs. C. D. Johnson, Mrs. Jack Prothro, Mrs. J. W. Bean, Mrs. George Christy and Mrs. J. B. Brandon.

Albrights Host To Promenaders

Mr. and Mrs. O. P. Albright, Jr., were hosts for the Promenaders Square Dance Club when it met in the Midland Officers Club Tuesday.

Mrs. J. H. Mosley of Amarillo was guest for the meeting.

Callers for the dance were Mr. and Mrs. W. D. Blackmon.

Members attending were Mr. and Mrs. Floyd Bell, Mr. and Mrs. O. C. Boswell, Mr. and Mrs. W. E. Cates, Mr. and Mrs. W. E. Cowan, Mr. and Mrs. Edgar C. Covey, Mr. and Mrs. D. W. David, Mr. and Mrs. J. K. Doran, Mr. and Mrs. H. L. Hagler, Mr. and Mrs. P. V. Hitt, Dixie Howell, Mr. and Mrs. A. J. Olsen, Mrs. Marie Nichols, Mr. and Mrs. W. T. Shirley, Mr. and Mrs. Ted Smith, Mr. and Mrs. R. C. Spivey, Dr. and Mrs. R. L. Spencer, Mr. and Mrs. J. P. Thomas and Mr. and Mrs. W. W. Wood.

Style Show Is Discussed By Beta Sigma Phi

The October 5 style show was discussed when the Beta Sigma Phi Chapter of Beta Sigma Phi met Tuesday in the home of Mrs. Bill Brice, 2300 West Brunswick Street.

The style show tickets will sell for \$1 each. Models for the Beta Chapter are Mrs. Dave Watson, Mrs. Lee Holman, Mrs. Jack Wood, Mrs. H. L. Robinson, Dorothy Reising and Mrs. Jimmy Gaines.

In charge of the ticket sales for the Abilene Christian College and Sul Ross College football game will be Mrs. Lee Holman. The city council representative is Estelle Cummings.

The chapter will enter an achievement contest with other international chapters, and the unit's yearbook also will be entered in the national contest.

The guest speaker at the meeting was Art Cole. He discussed the "Art of Oratory" illustrating his talk with records of Anthony's speech at the death of Caesar and by reading Jesus' "Sermon on the Mount." Mary Ellen Wood gave a talk entitled "Oration As An Art Form."

The next meeting will be held in the home of Nellie Clark, 410 North Lorraine Street, September 26.

Members present were Mrs. Alton Brown, Mary Lynn Cliff, Mrs. Jack Davis, Mrs. Bryan Denson, Mrs. Morris Donelson, Mrs. P. Gaines, Lily Marie Gilbert, Mrs. Margie Carr, Mrs. Vic Hartwig.

Mrs. Jack Irion, Mrs. Walt Jasper, Melba Knippling, Mrs. Joe Mims, Mrs. W. E. Nance, Mrs. Jane Patterson, Mrs. Charles Patterson, Mrs. Harry Murray, Mrs. John Rodden, Mrs. James Rogers, Veta Watson and Mrs. Otto Wink.

Coffee Honors Mrs. Gregory

Mrs. Forrest Gregory, who recently moved to Midland from Dallas, was honored with a coffee Tuesday morning in the home of Mrs. R. C. Maxson.

Hostesses were Mrs. J. C. Wilson, Mrs. James Key of Odessa and Mrs. Maxson.

Mrs. Ish McKnight and Mrs. Charles Worthen poured.

Pyracantha and Fall flowers were used for decorations. The centerpiece on the serving table was of pyracantha and fruits.

20th Century Club Has Opening Coffee

Mrs. Joseph Best of Wink, eighth district president, was the guest speaker at the opening coffee of the Twentieth Century Club held Tuesday in the home of Mrs. W. G. Epley.

Mrs. Best spoke on "Women's Clubs Abroad."

The refreshment table was laid with a linen covered cloth and centered with pink sinias.

Guests at the meeting were Mrs. James Windham, Mrs. Roy H. Davidson, Jr., Mrs. Guy Vanderpool, Mrs. Ed Pierce, Mrs. J. M. Orman and Mrs. Carl Westlund.

Members present were Mrs. J. B. Barnes, Mrs. H. S. Collings, Mrs. Harlan Howell, Mrs. Tom Edrington, Mrs. A. C. Elliott, Mrs. L. E. Patterson, Mrs. James L. Daugherty, Mrs. B. B. Mathews, Mrs. C. E. Nelson, Mrs. Raymond Leggett, Mrs. H. H. Redding, Mrs. Ray Howard, Mrs. W. E. Shipp and Mrs. W. G. Epley.

St. Ann's Altar Society Has Guest

The St. Ann's Altar Society met Monday in the home of Mrs. O. S. Hensy. Mrs. Hensy and Mrs. J. E. Beakey were co-hostesses.

Mrs. W. B. Chestham was the only guest.

Others attending were Mrs. J. W. McMillen, Mrs. Vester Collins, Mrs. M. M. Collins, Mrs. D. P. Lillis, Mrs. J. A. Morehouse, Mrs. O. C. Arnold, Mrs. Henry Wolcott, Mrs. Allen Tolbert, Mrs. C. P. Yaden, Mrs. Hugh Munn, Mrs. A. S. Kelly, Mrs. Ralph Giesler and Mrs. W. T. Walsh.

RECENT BRIDE — At home in Midland are Mr. and Mrs. Ken Lawler, who were married September 1 in Lovington, N. M. Mrs. Lawler is the daughter of Mr. and Mrs. W. L. Donahoe, 410 North Fort Worth Street.

Newcomers Luncheon Held At Ranch House

A Welcome Wagon luncheon for newcomers was held Tuesday in the Ranchhouse with 38 persons attending.

Mrs. Cecil Snodgrass and Mrs. J. T. Sikes were hostesses. Each table was centered with a gold post with a gold football dangle from it. Favors were Midland football schedules.

New members were Mrs. J. M. Kershner, Mrs. T. C. Traft, Mrs. B. C. Rogers, Mrs. W. H. McQuaid, and Mrs. Henry Anderle.

Mrs. J. B. Kennedy and Mrs. O. Vaudell won bingo prizes and the high score was won by Mrs. W. Hollis. Mrs. M. F. Barber won at Canasta.

Many Belgians speak both French and Flemish.

South Elementary P-TA Has First Fall Meeting

Approximately 115 persons attended the first fall meeting of the South Elementary Parent-Teacher Association held Tuesday afternoon in the school.

Supt. Frank Monroe was the guest speaker. "It's Up to Us" was the subject of his address.

Mrs. Clyde Gwyn, president, opened the meeting with prayer, and the singing was led by Patricia O'Brien.

Mrs. G. C. Johnson, treasurer, reported a balance of \$118.63. Mrs. Gwyn introduced the officers and committee chairmen. C. D. Johnson, principal, introduced the teachers.

Mrs. Vinton Newberry gave a report of the P-TA City Council meeting. Mrs. Jean Roderick, membership chairman, gave a short talk urging parents to become members.

Mrs. C. E. Williams, publicity chairman, asked members to subscribe to the Texas and National P-TA magazines.

The group voted to buy slides, swings, a film strip machine and to start a film strip library and also to add to the school's record collection as year's projects.

A social hour was held after the meeting.

WILL MEET THURSDAY
Stevens College Alumnae Club will meet at 8 p.m. in the home of Mrs. George T. Brown, North Country Club Road.

Amazing Truss Invention Relieves Ruptured.
Complete relief from rupture troubles has been solved in the invention of the new idea Security HERNIA GUARD. It is sold only by expert fitters and guaranteed to hold. This truss, designed to give gentle but firm pressure on the hernia, is feather-weight and eliminates punishing belts and straps. The price is so reasonable that every hernia sufferer will want one. See it today at...

CAMERON'S PHARMACY

FULL WHITENING POWER! YET PUREX IS GENTLE TO COTTONS AND LINENS — DEFINITELY Milder

Purex is safe—yet no other bleach does a better whitening job!

Purex whitens your wash with gentle Controlled Action. Scientists say it has "a lower oxidation potential." That simply means: Purex is milder—milder and safer for your cotton and linen fabrics.

Avoid harsh bleaching! No other bleach makes whites whiter or fast colors brighter than Purex. Yet Purex is gentle. Used as directed it protects your cotton and linen fabrics so they last as long as if no bleach were used.

Remember! Play safe! Use only Purex, the gentle bleach.

PUREX—THE GENTLE BLEACH

WITH Controlled Action

GUARANTEE: We guarantee that Purex, used as directed, will let your cotton and linen fabrics last fully as long as if no bleach were used. © 1950, Purex Corp., Ltd.

Don't Be Satisfied With Symptomatic Relief! It's Now Possible To RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Heartburn, Constipation, Certain Nervous Disorders When Due to Lack of Vitamins B₁, B₂, Iron and Niacin in Your System!

HADACOL One of the Greatest Blessings of the Times!

Just a Few of Thousands Upon Thousands of Interesting Records of Folks With Such Deficiencies Who Have Been Helped

W. E. Hozworth, a skilled maintenance man, Waco, Texas: "I almost had to give up my job because of suffering from stomach distress. I couldn't hold my food, as no food agreed with me. After hearing about HADACOL and completing a second bottle, I began to feel better and regain the weight I lost, and suffered no more indigestion. I now take HADACOL regularly to help stay well." (Why don't you try HADACOL?)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa: "My daughter, Marilyn Sue, is five years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results. She has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take her HADACOL, too." (Kids sure do like HADACOL.)

Link Robinson (a steel worker for over 20 years), 519 Lindsay, Kentucky: "When my stomach is in bad shape as mine, couldn't eat, gas pains, stomach bloating and nervousness, then your body doesn't get the proper foods it needs. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat anything I want to. Best of all I haven't got those terrific gas pains and stomach bloating."

Mrs. John Geary, 840 Ursuline Street, New Orleans, Louisiana: "I had such a nervous stomach I was unable to eat regularly. Lots of times I was unable to hold any food on my stomach. Then I heard about HADACOL. After the first few bottles I could tell a definite improvement. Now my stomach doesn't trouble me at all. I eat anything I want. HADACOL is wonderful. You can see that, if it did so much for me after suffering so." (A big improvement is often noticed within a few days' time. One of the many advantages of HADACOL is that continued use helps prevent such stomach distress from returning. Don't continue to suffer. Start taking HADACOL today!)

Senator Dudley J. LeBlanc—the Man Responsible for the Great New HADACOL

Now! Thanks to the tireless efforts in scientific research of Senator Dudley J. LeBlanc—eminent statesman of Louisiana and creator of this great new HADACOL nutritional formula—it's at last possible to relieve the REAL CAUSE of such ailments as neuritis pains, stomach distress, gas pains, heartburn, indigestion, insomnia, certain nervous disorders and a general run-down condition due to lack of Vitamins B₁, B₂, Iron and Niacin.

Senator LeBlanc has just completed a modern \$250,000 manufacturing plant and a similar one is well under way so that this wonderful HADACOL will always be available to the public.

What the Great HADACOL Does... No longer do you have to be satisfied with symptomatic relief—you can start this very day, and relieve the REAL CAUSE of such ailments with HADACOL. Get that wonderful HADACOL feeling everyone is talking about! A big improvement in the way you feel is often noticed in a few days.

And continued use of HADACOL helps prevent such ailments from coming back. Naturally there's an explanation for this. You see, HADACOL not only feeds deficient, run-down systems with extra quantities of Vitamins B₁, B₂, Iron and Niacin but also helps maintain good health and guard against such deficiency sickness.

Sold on Strict Money-Back Guarantee. Don't continue to suffer! Be fair to yourself—start taking HADACOL today. HADACOL.

DADDY RINGTAIL • By WESLEY DAVIS

Daddy Ringtail And Billy Boy

Billy Boy was a goat with goat horns growing from the top of his head. Goat whiskers grew down long from his chin, and I don't know about any goat anywhere who looked more like a goat than Billy Boy did.

Billy Boy was as big as a cow, and just as big and strong as the Great Big Billy Goat Gruff that

you have heard about. Yes, I do believe that Billy Boy must have been the cousin of the Three Billy Goats Gruff, except Billy Boy didn't go up the hillside that fine

days. He sniffed at the flowers, and sometimes he nibbled at the wild grapes that grew along the Elephant Path. He was careful lest the grapes get grapejuice on his whiskers for them to be a fright to see. He was afraid that people might be unhappy if they ever saw any goat whiskers covered with grapejuice. Why, Billy Boy wanted no one to be afraid of him or of his sharp horns on his head. He was really the gentlest, kindest, most persnickety goat that you ever saw, heard or smelled.

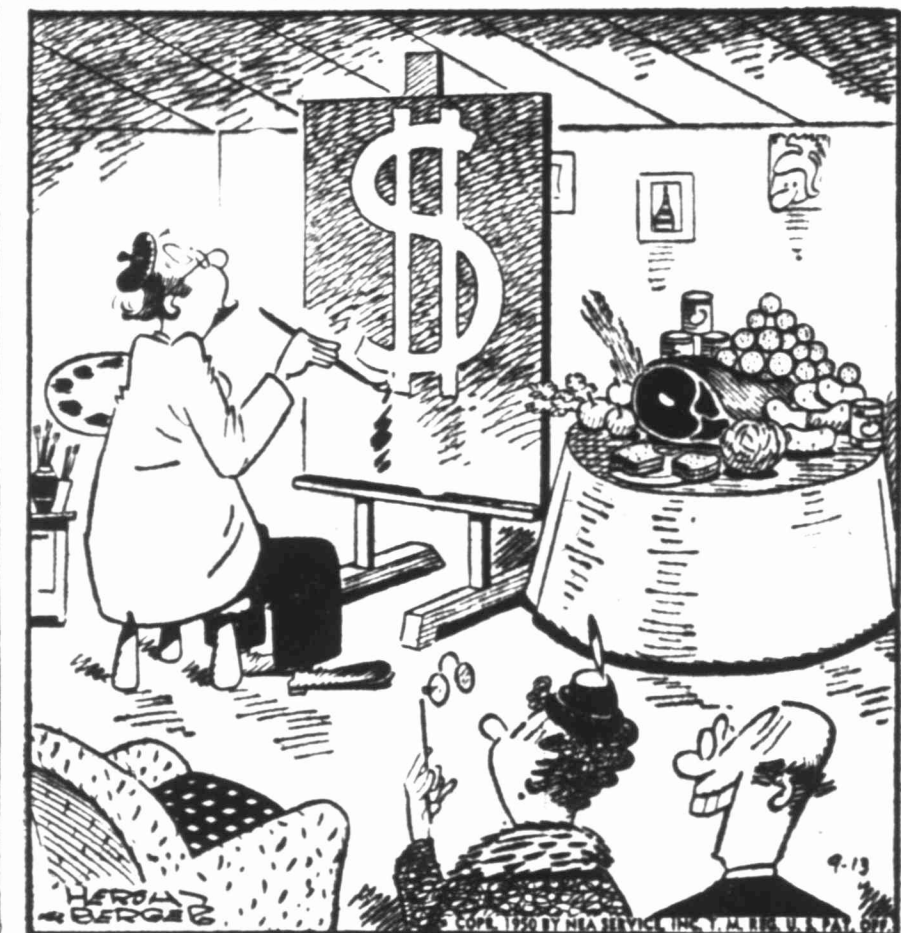

But one day—some people tremble to think about it—one day Huffy Tuffy came along. Huffy Tuffy, you may remember is a monkey who is the huffiest, and the toughest somebody in the whole forest. Huffy Tuffy saw Billy Boy and said: "Sissy! ... Sissy, sissy, sissy!"

A bird stopped his song in a tree. An old hound dog stopped scratching his ear, and a rooster turned his head to the side to watch. What was about to happen?

day when they had their adventure with Ugly Old Troll who lived beneath the bridge where they had to cross. Billy Boy went to live in the Great Forest—the very same Great Forest, of course, where Daddy Ringtail lives in his monkey house.

Billy Boy made friends with everyone, and he lived a happy life through golden hours and sunny

TO MONOPOLIZE TRADE

NEW DELHI —(AP)—India has decided to reserve the coastal shipping trade for Indian shipping. Indian vessels now carry 75 per cent of coastal cargoes.

Israelis Are Rushing To Leave Country

TEL AVIV, ISRAEL —(AP)—Israelis who want to go abroad are rushing to get out of the country before the exit permits expire—for it's going to be tough to get new ones. The Jewish National airline "El Al" and all the foreign carriers operating from nearby Lydda airport are swamped with bookings.

The sudden rush to travel was precipitated by a government order that "only essential travel" will be permitted in the future. Thus, Israelis who already have exit permits must quickly use them.

Antimacassars derived their name from the protection they gave chairs macassar oil, formerly used as a hair dressing.

L. A. Wicks, Rotary District Governor, Is Midland Visitor

The Midland Rotary Club will be host Wednesday night and Thursday to Lloyd A. Wicks, Sr., of Dallas, governor of the 133rd District of Rotary International.

The governor was expected to arrive here Wednesday afternoon on his official visit to the Midland club.

He will meet with officers and committee chairmen at a club assembly and dinner at 7 p. m. Wednesday in the private dining room of Hotel Scharbauer, when activities, projects and affairs of the Midland unit will be discussed.

Thursday noon, Governor Wicks will address the club at its regular meeting in the Crystal Ballroom of Hotel Scharbauer. President James N. Allison will preside at both the Wednesday night and Thursday noon meetings.

Governor Wicks, a long-time resident of Dallas, assumed the district governorship last July. He has practiced law there since 1908. He is a founder and past president of the Dallas Rotary Club and is active in civic, church, fraternal and youth welfare affairs. He is a former president of the Dallas Chamber of Commerce.

Shivers Holds Firm Grip On Texas Party Machine

By DAVE CHEAVENS
MINERAL WELLS —(AP)— Texas Democrats were lined up with rare unity Wednesday behind Gov. Allan Shivers on what he wants to be a harmonious middle course.

Many deserting Dixiecrats of 1948 were back in the party, pledged to support its nominees—at least in 1950. The new executive committee includes some former States' Rights and some hold-over liberals.

But most of all it was a carefully handpicked Shivers committee. It acts for the party—and for the governor—between conventions.

There was a long, bitter convention committee struggle for places but it never erupted on the convention floor.

Early in Tuesday's convention, the governor seized control by a whopping majority. After that, despite the flurry in the party officers' committee meeting, it was a Shivers' show altogether.

Not only is the new executive committee made up mostly of his friends, but of conservatives Shivers lined up with this group to take over control of party affairs. Two years ago, the late Gov. Beauford H. Jester turned the trick with a liberal coalition group.

Wheat succeeded Calhoun. The convention named J. E. Wheat of Woodville, long-time friend of Shivers, as executive committee chairman to succeed John C. Calhoun of Corsicana, who retired.

Wheat had been secretary. To succeed him, the convention elected rancher-banker Judd Stuart of Strawn.

Mrs. Claude Hudspeth of San Antonio was reelected vice chairman.

The convention adopted a platform opposing a general sales tax and an income tax. It advocated caution in state spending and said if new money has to be raised, the tax burden should be distributed equitably. It also approved a resolution urging a state law to make Communists register and carry "suitable identification" under penalty of "death or lesser penalty as a Texas jury may prescribe."

The platform re-stated the principles on which Shivers won the Democratic nomination: Conservation of the state's human resources, its soil and water resources, and funds. The platform also called for orderly development of water resources, with federal aid if necessary, but without federal control.

The platform and resolutions generally followed the pattern set by keynote Leroy Jeffers of Houston. He also called for party harmony down the middle of the road with Shivers.

March Lieutenant Purgess Allen Fahey of El Paso presided as permanent chairman. State Senator Wardlaw Lane was temporary chairman.

The convention also canvassed and certified results of the party primaries. This puts the nominees on the general election ballot.

One of the executive committee-men eliminated was Gilbert Adams of Beaumont, a liberal who was also Case March's campaign manager in that area.

The governor appeared before the convention late in its proceedings and was given a standing ovation. "I like a good scrap," Shivers said. "It's wholesome. I hope those who have erred a little will see the error of their ways and come back into the party and make it stronger."

This was an obvious reference to the Dixiecrats.

Area Lions District First In State To Be 100 Per Cent In Crippled Children League

PECOE — District 2-T-3 of Lions International became the first district in the state with 100 participation in the Texas Lions League for Crippled Children at a recent cabinet meeting held here.

Fifteen memberships were subscribed to by cabinet officers, for an amount totaling \$600. Five of the memberships were life memberships, at a cost of \$100, and ten were active memberships at a cost of \$10. Memberships were purchased by each of the 12 cabinet officers and

three past district governors, who now are International Counselors. The meeting was under the direction of District Governor Roy M. Carter of Kermit. Speaking in behalf of the League were Ed Slaughter, membership development director, and Marlowe Fisher, state secretary of Lions International.

International Counselors who attended the meeting were D. Schley Riley of Big Spring, James L. Daugherty of Midland and M. O. Woolam of Andrews.

Cabinet members present for the meeting, in addition to Carter, were Secretary Harold W. P. Miller, Wink; Deputy District Governor, Region 1, Walter L. Garnett, Marfa; Zone Chairmen, George W. Spence of Ysleta, Marvin G. Kay of Alpine, Clyde F. Smith of Port Stockton, Dr. Glenn E. Stone of Monahans, W. L. Blair of Andrews, Woodrow Adcock of Snyder and Jack Y. Smith of Big Spring.

Also Deputy District Governors F. L. Cochran of Odessa and Jack W. Hawkins of Pecos were present. Describes League.

Speaking before the meeting, Slaughter described the League as "an organization chartered to support, maintain and conduct without charge a crippled children's camp, where crippled children from all parts of the state may receive supervised rehabilitation training."

Members of Texas Lions clubs work through their district governors and national counselors, he explained, in support of the project. However, any person in Texas may become a member of the League by payment of membership fees.

The program at the camp will be planned to give crippled children a type of rehabilitation which is not available elsewhere, Slaughter said. They will be taught to do the practical, everyday things that are often difficult for handicapped persons.

Individual Lions clubs will be able to nominate children to attend the camp, which is to be located on a 504-acre tract in Kerr County. It is hoped that the first buildings will be completed in time for use in the 1951 camping season.

A special membership campaign is planned for the fall, Slaughter said, and a ground breaking ceremony will be held as soon as funds are available.

New Deacons Named By Baptist Church
Eight new deacons have been named by the First Baptist Church of Midland.

They are James Adamson, Eugene Knight, Albert Clement and C. C. Boles, who were elected for the first time, and J. C. Hudman, L. L. Bevil, C. G. Murray and Tom Wingo, who previously have served as deacons.

All will serve three-year terms with the exception of Boles, who was named to serve out an unexpired term.

Security Council Votes Recess After Soviet Veto No. 45
LAKE SUCCESS —(AP)— Security Council delegates, after witnessing Russia's forty-fifth veto, began consultations Wednesday for the opening of the United Nations General Assembly next Tuesday.

Wearily from six weeks of almost daily meetings, they voted to take the rest of the week off and meet for their last pre-assembly session next Monday.

They will take up then Communist China's charges of U. S. aggression against the island of Formosa.

Russia Monday vetoed an American resolution to set up a commission to investigate Red Chinese charges of American bombings of Manchuria. The council then decisively defeated a Russian move to condemn the U. S. for alleged attacks. Only the Soviet Union voted for its proposal.

The luffa, or loofah, is sometimes called the dishcloth gourd because its fiber takes up water like a sponge.

SNOWWHITE Is Coming To Town!

During the course, Miss Davis will emphasize the importance of making the customer happy, the importance of knowing the menu, how to greet a customer, how to make him feel at home, how to handle food and dishes, how to improve personal appearance and personality development.

The instruction will be given over a period of 10 hours with classes meeting in either one or two-hour sessions, depending upon the working schedules of those who enroll.

At the completion of the course a Distributive Education certificate, issued by the University of Texas, Division of Extension, will be received by the attendants. A fee of \$150 per student will be charged for the course.

Miss Davis also will be able to offer a personnel management course to restaurant owners or managers if as many as 10 or more are interested in this particular course.

Details concerning class schedules and meeting place may be obtained by calling the Chamber of Commerce.

Area Meeting Of Presbyterian Men Set Here Saturday

Representatives of men's groups of various Presbyterian Churches in the El Paso Presbytery will meet in the First Presbyterian Church here Saturday afternoon for a briefing session on the achievements of the Presbyterian Program of Progress. Phil Sterrett of Clovis, N. M., president of the Men of the El Paso Presbytery, will preside at the session, which will open at 1:30 p. m.

Dr. B. J. (Jap) Patterson, Jr., of Richmond, Va., director of Men's

Work for the Presbyterian Church, U. S., will be the inspirational speaker.

The Program of Progress is a movement to enlarge the activity of church members in evangelism, stewardship, education and missions in American and foreign lands. It has been operating since 1947, during which time Presbyterian Sunday Schools have passed the half million mark in enrollment, and money gifts of the church for all causes have increased from \$26,000,000 to \$38,000,000.

One Of Series
The meeting here is one of 100 briefing sessions being held this month throughout the South, according to Dr. R. Matthew Lynn, pastor of Midland's First Presbyterian Church. He said delegates attending the Saturday meeting here will take back to their home churches information concerning the Program of Progress.

Among those expected to attend the Midland session are Shelby Reed of Big Spring, vice president of Presbyterian Men of Texas; L. E. Milling, Big Spring; Pat Cooper, Fort Stockton; Luther Pierce and Paul Stoops, El Paso; W. L. Hester and Dr. A. W. Young, Lubbock; J. E. Bean, Van Horn; Sterrett and J. R. Spencer, Clovis; W. L. Curry, Seminole; Giles Black, Seagraves; Calloway Taulbee, Portales, N. M.; W. H. Echols, Barstow, and W. M. Crenshaw and Robert M. Payne, Midland.

Midland Iron Works Will Design Steel

The Midland Iron Works, 900 North West Front Street, will design and make ornamental steel for any purpose.

The concern specializes in ornamental and structural steel for residential, commercial and industrial purposes and performs a wide variety of other services.

Many years of experience and behind the work performed by the Midland Iron Works, assuring satisfaction.

Portable welding equipment of the most modern and efficient type is used by the concern's skilled personnel.

No undertaking in iron work is too difficult for the Midland firm and estimates will be given gladly on any job.

The telephone number is 2303.

Portable Equipment
Portable welding equipment of the Midland Iron Works many times has proved just the thing needed for oil field repairs and installations.

Winch truck service, which has been used by many oil operators in the Permian Basin for setting equipment and erecting steel, is maintained by the concern.

The Midland Iron Works was opened in 1944 and is owned and operated by Oscar Watlington.

Special orders are taken for beams and similar structural steel and the firm will erect it according to the most exact specifications.

WIRING BY MAYES—This fine new Midland residence at 1406 West Cuthbert Street is another example of the type of contracts handled by the Mayes Electric Company, 1013 North Loraine Street. The Mayes firm did all the wiring for this residence belonging to Charles Marsh, II, and also provided many of the fine fixtures.

Pannell's Added Trucks Aid To Maximum Service

Two trucks have been added recently by Pannell Brothers, dealers in ready-mix concrete, sand and gravel, thus enabling the firm to give the maximum service on its jobs.

A thorough inspection of all materials going into ready-mix concrete is a strict policy of the concern. This assurance of satisfaction is one of the major things which has won for Pannell Brothers many new customers and enabled the concern to keep its old ones.

Concrete will be furnished for any job, from the largest commercial structure to the smallest residence. The same courteous, dependable service is provided for the smallest job as for the largest.

The office and plant are located at the corner of Pecos and West

North Front Street. Estimates will be given by telephoning No. 1797.

Years Of Experience
O. C. Pannell and B. C. Pannell organized the firm and are the present operators. They came to Midland from Pecos and Odessa and have years of experience in this line of work.

Courteous service, satisfaction and cost, which is the lowest possible without sacrificing quality, have placed Pannell Brothers among the top leaders in their profession in the Permian Basin Empire.

Although the firm has been established only a few years it has supplied concrete for hundreds of jobs of all sizes.

The Flemish language resembles Dutch.

Three Fishing Boats Missing In Hurricane

HALIFAX, NOVA SCOTIA —(AP)—Rescue ships Wednesday hunted for three small fishing craft buffeted by a hurricane in the Atlantic off Nova Scotia.

Missing since Tuesday were the Nickerson and Sir Echo, each with six men aboard.

The Portuguese Cova Da Iria flashed an S-O-S Tuesday night after losing its steering gear.

The hurricane was expected to rage over the Grand Banks fishing grounds off Newfoundland Wednesday, then continue out into the North Atlantic.

Greenland is almost entirely covered with ice up to a mile and a half thick.

Wes-Tex Equipment Company Has Complete Service Shop

The Wes-Tex Equipment Company, 105 North Fort Worth Street, authorized dealer for International Harvester products, carries a complete line of parts for trucks, tractors and farm implements. A service shop, staffed with expert mechanics, can take care of all your repair needs.

Refrigerators and freezers are other items carried in stock by Wes-Tex.

In the tractor line, all International Harvester models are carried, including the cub. Farm trailers, grain loaders, row binders and ensilage harvesters are additional items handled by the firm.

Accessories for home freezers, including freezer cartons and paper and jars also may be obtained at Wes-Tex.

The Model H-92 refrigerator puts twice the amount of food at the housewife's fingertips. Refrigerated from top to bottom, the H-92 adds another eight feet of front row shelf space in the "Pantry Door" shelves. Full width of the freezer and crisper gives fruits, vegetables and frozen foods front-row view, too.

The International Harvester 15.8-cubic foot home freezer, which is handled by Wes-Tex, keeps pastries, meat, fish, fowl, vegetables and fruit all flavor-perfect and vitamin-rich.

Capable of storing more than 553 pounds of frozen foods, Model 158 has more than 33 square feet of fast-freezing surface. Freezing coils pass around the entire inner liner and under the entire liner floor. A "zero-lam" bell gives an automatic warning if current failure causes the temperature inside to rise. Binder twine and many other miscellaneous items for everyday needs on the farm can be found at Wes-Tex.

The telephone number is 2468.

T&P Protests Red River Project

DENISON —(AP)—The Texas and Pacific Railroad protested that navigation of the Red River between Denison Dam and Shreveport would affect seriously its parallel freight operations.

The railroad's position was presented in a brief at an Army Engineer regional hearing Tuesday on Red, Arkansas and White River development.

Briefs dealing with channel control, navigation and tributary flood control were presented. They dealt with the area between Gainesville and Deport.

Gar Davidson, West Point Gridiron Immortal, Leads Allied Task Force

By BEM PRICE

WITH U. S. 24th DIVISION, KOREA —(P)—Gar Davidson, a West Point football immortal, emerged Wednesday as a hero of the Allied Korean campaign.

The handsome, 47-year-old Brigadier General Davidson commands a secret United Nations task force that closed a trap on 3,000 Red Koreans northwest of Kyongju.

Sealing off the enemy in that quarter was completed Wednesday.

Davidson, a right end at the military academy from Omaha, Neb., and head coach of the Cadets from 1933 to 1937, led the swift striking "Task Force Davidson" in a wide left end sweep south of Pohang port.

The task force closed the southern gate of a mountain corridor on Red Korean troops who had rammed

deep inside Allied lines in a drive for the Pohang air field.

Davidson's name had been withheld on the Korean warfront previously for security reasons.

Leads Left End Run

The northern entrance to the corridor, lying between deep flanking hills, already had been jammed shut by a South Korean column.

As a result of "Task Force Davidson's" left end run, the Reds either must infiltrate back to their own lines by scrambling over the peaks or face capture or death.

The Reds drove a wedge five miles deep and three miles wide into the United Nations line between Angang and Pohang. Davidson said in an interview:

"Last Friday and Saturday we watched the penetration and it gradually grew worse."

Maj. Gen. John H. Church, com-

mander of the trail-busting 24th Division, sent Davidson into the lineup to "correct the situation."

When the task force reached the Pohang perimeter, Davidson said, it found the South Koreans already had seized the first of three ridges dominating the breach in the south.

Davidson then sent his force to seize the second hill, which it did easily, but ran into trouble taking the third and highest ridge.

Magnificent Job

Air support was called for and a flight of planes came over with fire bombs and machine gun fire.

"They did a magnificent job," Davidson said.

In taking this highest ridge, he added, the South Koreans integrated with American troops. The terrain, Davidson observed, "was strictly something a billiard ball would have trouble climbing."

The South Koreans, however, went up with relative ease. By Tuesday the task force had squeezed 150 Communists, remnants of a group of 700, into a pocket from three sides. When last seen the Reds were moving northwest in an effort to reach their own lines.

"I don't know how many we killed," Davidson said, "but we did get a large quantity of personal weapons—machine guns, rifles, and burp guns" (Russian automatics).

While Davidson was attacking the Southern end of the penetration, the South Koreans sealed it at the top with a counterattack. It trapped the enemy.

Senate-Passed Bill To Curb Subversives Faces Probable Veto

WASHINGTON —(P)—A bill aimed at stifling Communist activities all along the home front headed Wednesday for a Senate-House conference as the first step toward a probable veto by President Truman.

It received an overwhelming 7 to 7 vote of approval in the Senate late Tuesday after a day of hectic and often confused maneuvering that eventually welded two opposing measures into one.

Briefly the bill provides for: 1. The internment of dangerous Reds in time of war, invasion or insurrection.

2. Registration of Communist and Communist front organizations.

3. Barring Reds from government jobs and obtaining passports.

4. New legal curbs on sabotage and espionage.

5. New weapons to be used to exclude and deport aliens considered to be subversive.

6. Outlawing conspiracies to set up a "totalitarian dictatorship" in the United States.

Senator Kilgore (D-WV) had introduced the interim plan as a substitute for the sweeping catch-all bill sponsored by Chairman McCarran (D-Nev) of the Senate Judiciary Committee. As a substitute it was defeated 50 to 23.

Lucas Carries Ball

Meanwhile Senate Democratic Leader Lucas of Illinois grabbed the ball. When the voting finally was over, he had succeeded in nailing a somewhat modified version of the Kilgore plan onto the McCarran bill.

It was done by voice vote after the Senate had (a) batted down 45 to 29 Lucas' move to substitute the plan for the Communist registration section, and (b) rejected 37 to 35 his first attempt to write the plan into the bill. This vote later was reconsidered and acceptance followed.

As passed, the bill contains provisions the President wants and some he doesn't want. Indications are that the House, which last month passed its own Communist registration bill by an overwhelming vote, will accept most of both.

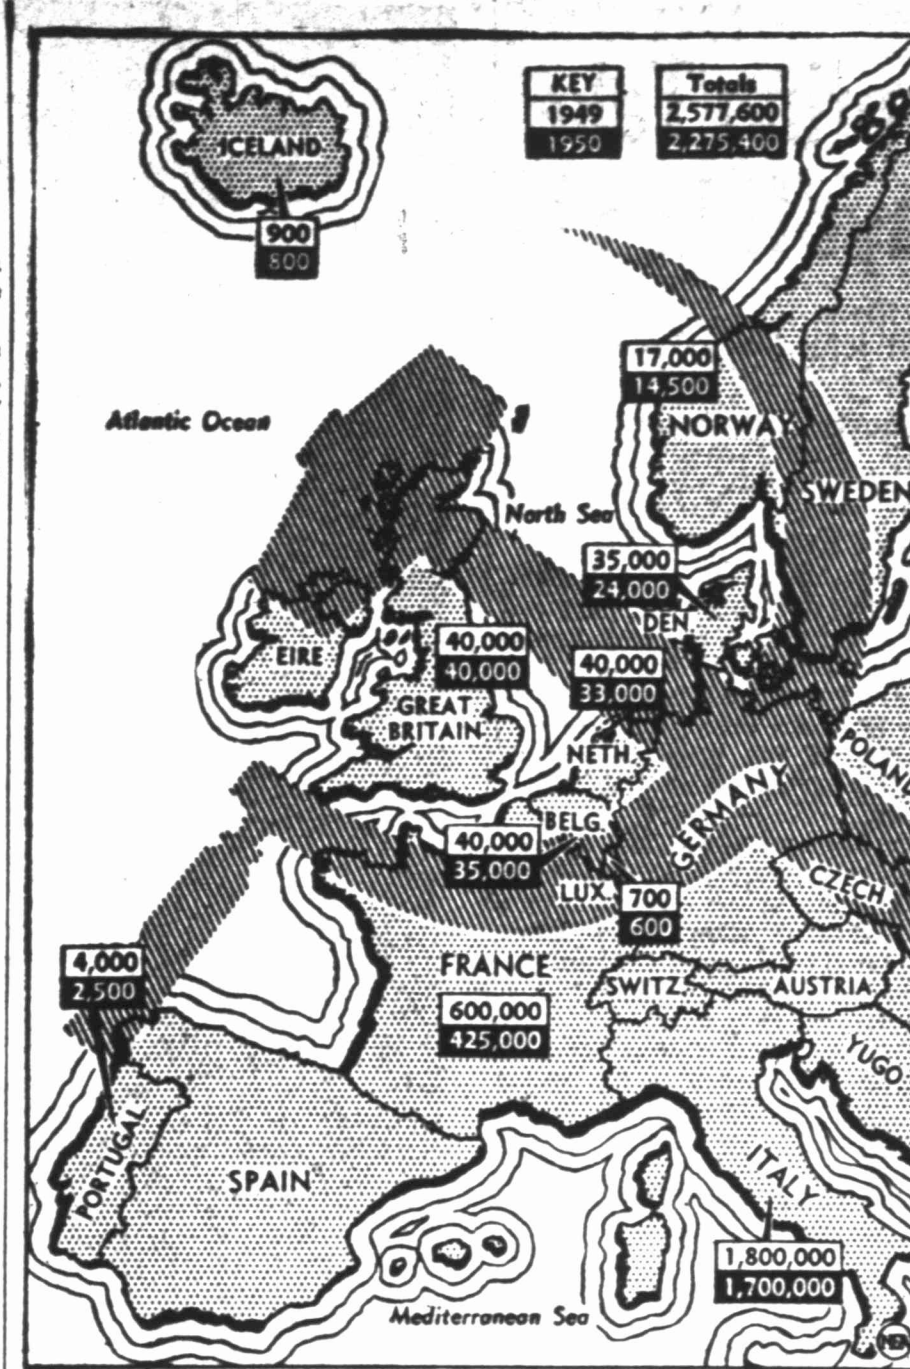

Sponsors Confident

The fact that Lucas and other Administration senators voted for the McCarran bill created doubt as to what Truman would do, particularly in a congressional election year when many Democrats, Lucas included, are fighting hard political campaigns.

Senator Mundt (R-SD), one of the authors of the Communist registration section of the McCarran bill, put it this way:

"I still don't think the President is going to veto the bill. If he was going to, I don't think Lucas would have voted for it."

Senator Ferguson (R-Mich), another sponsor of the Communist registration section, said he was satisfied Congress would override any veto.

REDS OVER EUROPE—The Communists are losing strength in Western Europe, according to a survey of authoritative sources made by United Press. The Newsmap above gives estimated Communist Party membership in Atlantic Pact nations of Europe in 1949 and 1950. An overall decline of 12 per cent is reported. In addition to figures given, the survey reported Western Germany's Red strength dropped from 300,000 to 200,000 in four years; in the same period in Western Austria it dropped from 150,000 to 140,000; and in Switzerland, from 25,000 to 20,000. Best guesses of Red strength in Spain put the total between 10,000 and 20,000.

Mrs. C. D. Templeton Dies; Rites Thursday

Mrs. C. D. Templeton of 304 West Maiden Lane, Midland, died early Wednesday in Vernon after a long illness.

Funeral services will be held in the Henderson Funeral Chapel, Vernon, at 2:30 p. m. Thursday.

Survivors include the husband of the home here; the parents, Mr. and Mrs. E. G. Frierson of Vernon; two brothers, Harold and Jack Frierson, and a sister, Mrs. Jimmie Hardison.

Brother Of McCamey Man Called To Duty

Sanky Trimble of Albuquerque, N. M., former West Texas newspaperman and a brother of Larry Trimble of McCamey, formerly of Midland, has been ordered back to duty with the U. S. Air Force. He is now New Mexico state editor for The Associated Press.

A captain in the Air Force Reserve, Trimble served as an air intelligence officer in the Southwest Pacific in World War II.

He will report to the Far East late this month, according to an Associated Press release, to join a combat press team, the first of its kind to be organized by the Air Force.

Eskimo men sometimes wager and lose their wives in feverish domino games—and wives sometimes get in the game to win themselves back for their husbands.

Perricone Quads Soon May Confuse Some Army Clerk

HOUSTON —(P)—The Perricone quadruplets pretty soon may be confusing some Army company clerk.

They passed their draft physicals and are going to ask that they serve together.

But not in the infantry. They hope to any branch but the walking one.

Anthony, Bernard, Carl and Donald, 20, — the nation's only male quadruplets—came from Beaumont Tuesday for their physicals.

They'll go from the induction center here to Fort Sill, Okla., in 30 to 60 days.

And what about that poor company clerk?

Well, suppose he's making up the KP list. He hits the wrong letter on his typewriter. A Perricone may pull kitchen police when it should be B. Perricone. Or maybe it'll be C for D or D for S or S for B. See?

Former Screen Star Now Bible Student

PASADENA, CALIF. —(P)—Colleen Townsend strolls the campus instead of the sound stage Wednesday.

The girl who, at 21, was earning \$10,000 a week only seven months ago as a film actress, is majoring in Bible study and theology at Pasadena College, where she enrolled Tuesday.

She quit her film career in February for work in religion, although she does not intend to become a minister.

Andrews News

ANDREWS — Wanda Alexander of Waco was a guest recently in the home of her sisters, Mrs. J. W. Fennell and Mrs. Bob Luck.

Louise Roberts has been named secretary to M. O. Woolam, high school principal.

Marvin Fisher, Jr. won first prize in calf roping and third prize in the cutting-horse contest at the recent J. N. M. rodeo.

Mildred Cotton was an Andrews representative at the World's Champion Kid's Rodeo in Big Spring September 7 and 8.

Charles Haven, Billy Cox and M. R. Allen left last Friday for Lubbock, where they took physical examinations for military service.

The Rev. Kenneth Hess, pastor of the Las Vegas, N. M., Christian Church, preached Sunday at the Andrews Christian Church.

Mr. and Mrs. T. A. Fitzpatrick of Waco are guests of their daughter and son-in-law, Mr. and Mrs. Bob Cook.

The Woman's Forum will hold its first meeting Thursday at the Community Building. The B&PW Club will provide the program and the Fullerton and Humble Home Demonstration Clubs will act as hostesses.

Mrs. C. L. Summerwell has returned from Lubbock where she underwent surgery at the Plains Clinic.

Mr. and Mrs. Francis Williams and Mr. and Mrs. Phil Houston were in Elgin, Kan., recently to attend the funeral of Mrs. Gertrude Williams, mother of Williams. Also attending were Mr. and Mrs. Luther Reynolds of Pampa, former Andrews residents.

Circle Meetings

The Dorene Hawkins Circle of the Fullerton Baptist Church W.M.U. met recently in the home of Mrs. C. L. Pool in the Phillips Production Camp.

Mrs. H. B. Graves, Bible study chairman, gave the program. Members attending were Mrs. Fronis James, Mrs. Aud Jones, Mrs. George Mossman, Mrs. P. L. Lowder, Mrs. Jack Fores and Mrs. D. G. Hoffman.

Mrs. L. L. Greenfield was hostess for the Lottie Moon Circle of the Baptist W. M. U. recently at her home in the Phillips Gasoline Camp.

Mrs. L. L. Greenfield delivered the Bible study program. Other members attending were: Mrs. Morris Ivy, Mrs. H. O. Walters, Mrs. George Sheldon, Mrs. Ada Sheldon and Mrs. B. E. Deitrich.

Mrs. Hugh Sawyer was hostess Friday when the Fullerton Home Demonstration Club held its first meeting. Mrs. Buck Eppier presided.

Plans for the club's booth at the fair were discussed and a report on the year book was made. Mrs. L. L. Sharlie and Mrs. Elmo McDougal were named delegates to the Woman's Forum. After the business meeting, Mrs. H. B. Graves and Mrs. H. C. Taylor gave a program on work simplification. Present at the meeting were: Mrs. V. E. Woodward, Mrs. George Sheldon, Mrs. Ada Sheldon, Mrs. D. H. Driver, Mrs. Percy Morrison, Mrs. A. L. Grant, Mrs. J. B. Millap, Sr. and Mrs. C. L. Summerwell.

The Andrews Lions Club entertained wives and teachers at a banquet recently in the high school cafeteria. Max Ramsey, president of the club, was in charge of arrangements.

40 Neighbors Dig In Relays, Rescue Child Unharmed From 20-Foot-Deep Well Shaft

RANIER, ORE. —(P)—Forty townsmen dug in frenzied relays Tuesday night to rescue, unharmed, a little boy from an abandoned well.

Ronald Mysinger, 15-months-old toddler, fell from the porch of his suburban home here late Tuesday. He rolled under the house, built on low posts, and tumbled feet-first into an abandoned well.

His mother, hearing his cries, called for help. Just about the whole town of 1,500 turned out.

Dr. M. A. Kenney lay prone for two and a half hours feeding oxygen into the well while men worked in relays with pick and shovel, digging a parallel shaft outside the house.

Ronald cried himself into exhausted sleep an hour and a half after his fall 12 feet down into the 20-foot well. When his cries ceased, fear was felt by the workmen, but Dr. Kenney, looking down with a flashlight, said he appeared all right.

He was. The diggers, finishing their task by scooping out the earth by hand as they cut in under the child, found him lodged on a bucket in the dry shaft whose existence had been unknown to his parents, Mr. and Mrs. V. M. Mysinger.

Dr. Kenney wrapped the child in a blanket after a quick examination and placed him in the arms of his nearly hysterical mother.

"He is all right," the doctor said. Mayor L. E. Odel said he would start a campaign to seek out and cover abandoned wells. Similar action was taken in many parts of the country when Kathy Piacus was found dead in an abandoned San Marino, Calif., well April 10, 1949.

JAMESON FIELD MAKES GAS INJECTION TESTS

AUSTIN —(P)—The Railroad Commission Tuesday reduced the September crude oil allowable for the Jameson field, Coke County, to 6,032 barrels daily to facilitate tests of a gas injection project there.

The field was also exempted from shutdown days.

MAJOR LEAGUES-

Cleveland Whips Yankees On Big Upsurge In Ninth

By RALPH RODEN
Associated Press Sports Writer

With big Luke Easter as the ringleader, the smarting Cleveland Indians are moving back into the American League pennant race in the role of "spoilers."

Knocked out of contention and blasted by their bosses, the Indians are out to redeem themselves at the expense of the three remaining contenders—Boston, New York and Detroit.

They began to reap revenge Tuesday night by defeating the New York Yankees 8-7 on a three-run homer by Easter in the ninth inning.

The defeat sent the Yankees into second place, a half-game back of the Detroit Tigers, who scored a 3-2 afternoon triumph over the Washington Senators.

Cleveland has one more game with the Yanks, six with the Tigers and two with the third-place Boston Red Sox. The Red Sox, still moving relentlessly forward, climbed within a game of the lead by edging 1-0 Chicago White Sox 2-1.

Home runs in the first two innings by Joe DiMaggio, Phil Rizzuto and Yogi Berra shot the Yanks off to 6-0 lead in a rain-soaked game.

Early Wynn was the victim of the Yankee bombardment but after that the world champions were checked effectively by Dick "Red" Sad Sam Zoladak and Steve Gromek.

Homers by Larry Doby and Easter shaved the deficit to 6-4 by the fifth.

It appeared the Yanks had the game in the bag when Jim Heggen grounded out to open the Cleveland ninth.

Reynolds Blows
Allie Reynolds, who had allowed only four hits, blew up in the ninth and walked two batters. He was lifted hurriedly for Tom Ferrick.

Bob Kennedy greeted Ferrick with a run-scoring double. Doby struck out but Easter then slammed Ferrick's first pitch over the rightfield fence to break up the game.

The Tigers had rough sledding before squashing the Senators. Old Diz Trout went all the way for the Bengals and permitted eight hits while his mates collected only five off Gene Bearden and Mickey Harris.

Detroit clipped Bearden for two runs in the third on a walk and doubles by George Kell and Vic Wertz. Wertz homered for the winning run in the fifth. The Sena-

Bulldog Boosters Hold First Meeting

Members of the Midland Bulldog Booster Club Tuesday night heard Coach Tugboat Jones outline his plans for the football season at the year's first meeting in the Junior High School Cafeteria.

"Our boys are tougher and more experienced this year," Coach Jones told the boosters, "but we still are lacking speed in the backfield."

The coach gave a complete rundown on each player and spoke highly of all of them.

Vice President Al Vineyard presided in the absence of President Russell Cotton.

The group stood in a moment of silent prayer as a tribute to Joe Akins, former MHS assistant coach who has been reported killed in action in Korea.

Membership cards were distributed at the meeting.

The next meeting will be at 8 p. m. next Tuesday at the same place.

Longhorn League-

Odessa, Big Spring Take Two Game Playoff Leads

By The Associated Press
Odessa and Big Spring held long leads Wednesday in the Longhorn League playoffs.

Each made it two games to none with victories Tuesday night.

Odessa blasted Vernon 15-2 while Big Spring outlasted Roswell 13-10.

Ray Miller, a talented southpaw who relieved Frank Dugger in the first inning, limited Vernon to five hits and fanned 11. Dugger had pitched to only one man when Miller came in because of the preponderance of left-handed hitters in the Vernon lineup.

Big Spring pounded four Roswell pitchers for 19 hits, blasting seven runs across in the fifth to take a lead Roswell never could offset. The seven tallies came on eight hits, including doubles by Danny Conception and Felix Gomez.

Tuesday night Odessa goes to Vernon and Roswell to Big Spring for the next three games in the playoffs.

R H E
Vernon 200 000 000—2 5 5
Odessa 123 001 80X—15 13 2

Tross, Nelson, Singleton, Epperson and Herring; Dugger, Miller and Hernandez.

Big Spring 000 370 210—13 19 0
Roswell 302 010 400—10 14 2

L. Gonzales, Uley, Jimenez, Guerra and Calvino; King, Drake, Hess, Parker and Jordan.

The big shoot will open at 8 a.m. Friday and will continue through Sunday.

All-Bore Sunday
The smaller gauge events will be run off Friday and Saturday. The all-bore shoot is slated Sunday.

The tournament again will offer divisions of competition for sub-junior, junior and women shooters. Several team events also will be on the program.

Shooters are expected from 15 to 20 cities in Texas and New Mexico. The entry list will run close to 100 before the shoot is completed, with the bulk of the shooters expected for Sunday's final round.

Class A Schedule Shows Some Strong Battles This Week

By WILBUR MARTIN
Associated Press Staff

Littlefield and New Braunfels have been tagged the two top teams in Texas A high school football, but this week may see some contention for this rating.

This is the third week of play for the hundreds of schools in this division. And of the 135 games on tap, some really are pips.

The Brady-Cisco game, for instance, Polks in this section of West Texas think Brady is going to be the first real test for the powerful New Braunfels Unicorns. Down in South Texas they hope Honda this week will answer just how strong is Weldon Bynum's crew.

New Braunfels lived up to its pre-season reputation last week with a 51-7 victory over Peacock Military Academy of San Antonio. Littlefield, which licked Mexia for the state championship last year, is idle. Mexia opens its season against La Vega.

Mt. Vernon, being talked as an East Texas power, Friday tackles New Boston, no easy pickings.

Wink Plays Denver City
Wink, shooting for victory number three of 1950 and win number two in the District Five race, should make both goals easily against Denver City.

Newcastle, another strong West Texas team, should boost its scoring average against Throckmorton. Last week Newcastle knocked off Iowa Park 38-6 while Throckmorton took it on the chin from Olney 38-0.

In inter-sectional games this week Muleshoe meets Portales, N. M., and Burkburnett takes on Marlowe, Okla.

Two Class A teams which came out on top against Class AA opponents last week, Weslaco and Mercedes, leave the bigger schools alone. Weslaco plays San Benito and Mercedes takes on Edcouch-Elsa.

MEMORABLE DAY
NEW YORK —(P)—Phil Rizzuto, fine little shortstop of the New York Yankees, likely will long remember Aug. 6, 1950. Phil failed the previous day to get the hit that would have given him an even 1,000 safe blows for his major league career, which began with the Yanks in 1941. But on the sixth, he collected four hits in as many trips against Cleveland pitching.

Mississippi State and Mississippi have met 46 times on the football field, with State winning 24 and One Miss 20. Two were ties.

The University of Idaho will face three new football opponents in 1950—Texas Western, Boston U., and Arizona State of Tempe.

LaMotta Is Favored To Tame Frenchman
DETROIT —(P)—Middleweight Champion Jake LaMotta is expected to tame Laurent (Tarzan) Dauthuille of France Wednesday in a promising 15-round title bout at the Olympia Stadium. Ring time is 9 p. m.

Back in the city where he wrestled the crown from another Frenchman—the late Marcel Cerdan—15 months ago, LaMotta rules a 5 to 9 favorite. No knockout is predicted.

With radio and television barred, Promoter Nick Londs looks for a crowd of 13,000 to pay \$100,000. LaMotta probably will weigh 159. Dauthuille will weigh about the same.

Back in the city where he wrestled the crown from another Frenchman—the late Marcel Cerdan—15 months ago, LaMotta rules a 5 to 9 favorite. No knockout is predicted.

With radio and television barred, Promoter Nick Londs looks for a crowd of 13,000 to pay \$100,000. LaMotta probably will weigh 159. Dauthuille will weigh about the same.

GREW UP IN FOOTBALL—Jerry Mullins, Abilene Christian College halfback, started as a regular for Valley Mills High School when he was a 13-year-old freshman, played every minute that season and went on to letter four years and be named on at least one all-state high school squad. He was knocked out of a letter at ACC his freshman year by an injury. In fact, he didn't play a down; got hurt before the opening game. A fine runner and punter, he also does some passing and more than once has caught up with an enemy runner who seemed "long gone" in an open field for a touchdown.

Wednesday Night Tilt Opens Class AA Football Card

By The Associated Press
Touted Highland Park battles a power of the City Conference—Crozier Tech of Dallas—Wednesday night in the opening feature of a slam-bang schedule in the Class AA division of schoolboy football.

The Scots, one of the three top-rated teams of the state, throw bulk and experience against the Crozier Tech

eleven as Mal Bowers tests his passing arm for the first time this season.

This is the only game of Wednesday night but Thursday, Friday and Saturday nights will find 51 more being played, bringing 71 of the 79 teams of Class AA into competition.

Tests of City Conference teams feature the schedule with Abilene at Arlington Heights (Fort Worth), Cleburne entertaining Adamson (San Antonio), Alice at Miller (Corpus Christi).

13-Friday: North Side (Fort Worth) at Corsicana, Arlington at Ennis, Austin at Waco, Bryan at Waxahatchie.

14-Thursday: Harlandale (San Antonio) at Ray (Corpus Christi); Friday: Kerrville at Thomas Jefferson (San Antonio), Alice at Miller (Corpus Christi).

15-Thursday: Laredo at Alamo Heights (San Antonio); Friday: Edison (San Antonio) at Victoria.

16-Friday: Pharr-San Juan-Alamo at McAllen, Edinburg at Mission, Kingsville at Harlingen, San Benito at Weslaco, Texas Military Institute (San Antonio) at Brownsville.

Women's National Champion Defeated
ATLANTA —(P)—The queen no longer defends her crown in the Golden Anniversary Women's National Amateur Golf Tournament. And the tide for Texas has begun to run strong.

Mrs. Mark A. Porter, known in golf as Dot Germain Porter of Westmont, N. J., won the 1949 National Amateur, but here at the East Lake course Tuesday she took a 1-up whipping from Mrs. J. Albert Hayes of Philadelphia on the nineteenth hole.

Pat Lesser, the National and Western Junior champion from Seattle, lost 3-1 to Elizabeth Dodd of San Antonio.

Three Texas girls besides Miss Dodd won their second round matches. The biggest threat of all the Texans is Polly Riley of Fort Worth. Polly knocked out Mary Agnes Wall, the veteran from Menominee, Mich., in a 6-5 walkaway.

Betsy Rawls of Austin, defeated Mrs. Reinert M. Torgerson of Garden City, N. Y., 2-1, and Betty MacKinnon of Mount Pleasant, defeated Jean Donald of North Berwick, Scotland, 5-3.

5-Friday: Tyler at Forest (Dallas), Fort Neches at Longview, Paris at Kilgore, Orange at Texarkana.

10-Friday: Marshall at Lufkin, Jacksonville at Henderson, Sam Houston (Houston) at Conroe, Palestine at Athens; Saturday: Nacogdoches at Milby (Houston).

11-Friday: Fortier (New Orleans) at Port Arthur.

12-Friday: South Park (Beaumont) at Galveston, Baytown at Lamar (Houston); Jeff Davis (Houston) at Geleena Park, Austin (Houston) at Freeport, Beaumont at Texas City.

13-Friday: North Side (Fort Worth) at Corsicana, Arlington at Ennis, Austin at Waco, Bryan at Waxahatchie.

14-Thursday: Harlandale (San Antonio) at Ray (Corpus Christi); Friday: Kerrville at Thomas Jefferson (San Antonio), Alice at Miller (Corpus Christi).

15-Thursday: Laredo at Alamo Heights (San Antonio); Friday: Edison (San Antonio) at Victoria.

16-Friday: Pharr-San Juan-Alamo at McAllen, Edinburg at Mission, Kingsville at Harlingen, San Benito at Weslaco, Texas Military Institute (San Antonio) at Brownsville.

10—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, SEPT. 13, 1950

Western Plastic Cops City Crown

Western Plastic whipped Rotary Engineers 7 to 4 Tuesday night at Wadley Field to cop its second City Major League softball championship in as many years. The tilt was the last of a best three-out-of-five championship series and brought to an end the softball season.

It was the third consecutive victory for Plastic in the series. Rotary won the opener but never could grab another one.

Phil Brock, classy right-hander, hurled the Plastic nine to the championship. He chunked a four-hitter in the finale.

Joe King, Plastic shortstop, gave Brock some major league support with two brilliant fielding plays which might have resulted in runs if he had not completed them.

Haskins Shines
Paul Haskins, Plastic second baseman, was the top hitter with two for three. He also drew a walk and scored three runs.

Rotary took a two-run lead in the first but Plastic tied it up in the bottom of the inning.

Plastic moved ahead with two in the third and clinched it with three more in the fourth.

Rotary added one in the fourth and another one in the sixth on Leland Huffman's home run with no one on base.

Western Plastic will be awarded a trophy by the Midland Jaycees, sponsors of softball here this year, at ceremonies to be announced later.

WT-NM League—Albuquerque Leads Playoff Over Hubs

By The Associated Press
Albuquerque's Dukes were one-up on Lubbock Wednesday in the West Texas-New Mexico League playoffs. Lamesa and Pampa were all even because they didn't get to open their series Tuesday night because of rain.

Albuquerque and Lubbock hooked up in an old-fashioned slugfest with the Dukes pounding 21 hits and the Hubs 15. Seven pitchers were used, four by Lubbock. Jordan Pitts, second Albuquerque twirler, got credit for the win although he wasn't around at the finish.

The clubs play at Albuquerque and Pampa Wednesday night.

The score: R H E
Lubbock 330 000 220—10 15 1
Albuquerque 422 613 10X—19 21 0
Ciofletti, Faust, LaPollette, Sullivan and Dooley; Besana, Pitts, Lagomarsino and Bartolomei.

DANGER FOR PASSERS
KNOXVILLE, TENN.—(P)—Dixie football passers have a healthy respect for J. W. Sherrill, Tennessee's defensive wingback. Sherrill, 185-pound senior from Norfolk, Va., intercepted 12 enemy aerials last season and ran them back for a total of 104 yards.

The Purple will be a crushing outfit, however—one that can grind out a victory over any given team if it hits it on the right day.

The passing will be better this year and it may develop as our best offensive weapon. Ralph Brooks and Jack Burris both are capable passers and Charles Crowley is developing.

The running game is going to be driving, hard football. It must be that way because we have no fast backs.

The Bulldogs will be in as good condition as any team they meet. There won't be a man on the field at any time during the season who won't be ready to go the distance if he is called on to do so.

That's one of the advantages the Bulldogs will have.

We believe the Bulldogs will win more ball games this year than they have in a long time. We believe they will beat some clubs they aren't supposed to beat.

But when we go out to watch 'em win these games, we won't be looking for flashy, speedy and razzle-dazzle football. We will know before we get there that it will be a hard, steady, grinding type of game the Bulldogs will play.

So, to you fans, let up pass on to you that for what it is worth.

You'll see good, smart football in every game but don't be looking for a speed merchant wearing the Purple to break away for 90 yards.

A long run like that will come but few times for the Bulldogs.

But you can bet they'll cross the goal line with that power.

Although they have met seven times, the University of Washington is still looking for its first football win over Minnesota.

LaMotta Is Favored To Tame Frenchman
DETROIT —(P)—Middleweight Champion Jake LaMotta is expected to tame Laurent (Tarzan) Dauthuille of France Wednesday in a promising 15-round title bout at the Olympia Stadium. Ring time is 9 p. m.

Back in the city where he wrestled the crown from another Frenchman—the late Marcel Cerdan—15 months ago, LaMotta rules a 5 to 9 favorite. No knockout is predicted.

With radio and television barred, Promoter Nick Londs looks for a crowd of 13,000 to pay \$100,000. LaMotta probably will weigh 159. Dauthuille will weigh about the same.

Burris Shows Up As Purple Drills

The Midland Bulldogs returned to rough stuff Tuesday afternoon at Memorial Stadium and the scrimmage session produced some of the best blocking and ball carrying of the training season.

Jack Burris ripped off a couple of runs that approached mid-season form.

On one play through the middle of the line, Burris was hit by a half dozen tacklers but kept spinning and driving until he cleared all of them and went all the way.

The varsity line opened him a hole on another play that you could have driven a truck through and it was no problem for Burris to go.

Bob Wood, Stan Coker, Pete English, David Lavery, Dalton Byerly and Jerry Culp gave out some of the top line play seen this year.

Lavery improved.

Lavery turned in fine work on defense against the varsity, nailing ball carriers behind the line a couple of times.

Jimmy O'Neal out-did himself at blocking in the scrimmage. He can work 'em over right with his 185 pounds.

The drill was completed with a punting session. Reed Gilmore, Larry Friday and Charles Crowley got probably the best distance of the season on their boots.

Ralph Brooks, Roy Kinsey, Burris and Harold Hensley showed the best form in receiving the punts for a return.

The Bulldogs have a scrimmage date with the Class A Monahans Lobos Saturday afternoon at Monahans. It will be the first outside competition of the year for the varsity.

Season Grid Tickets Go On Sale Again Monday And Tuesday

Midland football fans who have not purchased season tickets will be given another chance Monday and Tuesday to get theirs before the season opens. Tickets will be on sale at the Chamber of Commerce.

A few remaining seats in Sections C and D will be offered. They are between the 40-yard lines.

The first 10 seats, from bottom to top, in Section B and the first four seats of each row, bottom to top, in Section E will be available. All of these are between the 35-yard lines.

Fans are reminded that the advance sale of season tickets is heavy this year. Those desiring tickets should make their purchases early.

Skeet Shooters Are Invited To Practice

Midland skeet shooters who plan to enter the West Texas Open Shoot this weekend may take practice rounds at the club ranges Wednesday and Thursday afternoons.

Practice rounds will start at 4 p.m. Wednesday and at 2 p.m. Thursday.

Out-of-town shooters wishing to practice may use the range at these same times.

Drug Store Training Courses Scheduled Here Next Month

Two 10-hour courses in "Selling Drug Store Merchandise" and "Training in Fountain and Lunchette Service" will be conducted here October 16-27, Chamber of Commerce Manager Delbert Downing announced Wednesday.

Sponsors of the training program are the Texas Pharmaceutical Association and the Distributive Education Division of the University of Texas, in cooperation with Midland drug store owners.

Clark C. Oramer of Austin will be the instructor.

A decision to conduct the courses here was reached at a meeting of Midland druggists Tuesday afternoon in the Chamber of Commerce.

Personnel of all Midland drug stores will be invited to enroll for courses.

Livestock

FORT WORTH —(AP)— Cattle 2,000; calves 1,800; fully steady; good feed steers and yearlings 28.00-29.00; common to medium 22.00-23.00; beef cows 19.75-22.00; canners and cutters 14.00-19.75; bulls 18.00-24.00; good and choice fat calves 25.00-28.50; common to medium calves 19.50-26.00; culls 17.00-19.50; stocker calves 22.00-31.50; stocker yearlings 21.00-28.00; stocker cows 20.00-24.00.

Hogs 700; butchers mostly 25c lower; sows and pigs unchanged; good and choice 190-270 lb butchers 22.25-30; good and choice 150-185 lb hogs 20.25-28.00; sows 18.00-21.00; feeder pigs 17.00-20.00.

Sheep 1,600; slaughter: Spring lambs 50c higher; cull and common aged sheep 50c to 1.00 higher; others steady; medium to choice slaughter Spring lambs 27.50-29.00; good slaughter yearlings 29.00; cull and common slaughter ewes 12.00-14.00; few medium and good slaughter ewes 15.00; feeder lambs 25.00-28.50; feeder yearlings 21.50.

Polio Victim Arrives In Texas From Europe

HOUSTON —(AP)— Edward H. Rosenwasser, 22, of Fort Worth, stricken with polio in Europe this summer, arrived here Tuesday night by special plane from Frankfurt, Germany.

He was flown here by the Air Force and made the trip in an iron lung. On arrival at Ellington Air Force Base he was taken to the Southwestern Polio Center.

MEDICAL PATIENT Mrs. W. M. Lipey, 900 South Westchester Street, was admitted Tuesday to Midland Memorial Hospital as a medical patient.

IS MEDICAL PATIENT Betty Jean Brooks of Terminal was admitted Tuesday to Midland Memorial Hospital as a medical patient.

UNDERGOES SURGERY Mrs. Paul Murray, 1403 West Kentucky Street, was admitted Monday to Midland Memorial Hospital for major surgery.

Permian Basin Oil And Gas Log-

(Continued From Page One) It is located 2,300 feet from south and 400 feet from east lines of section 28, H&TCo survey.

This venture will be drilled to 7,600 feet with rotary equipment. Drilling is slated to be seven miles west of Vincent.

The No. 1 Brannon was completed for 1,212 barrels of 45-gravity oil and no water daily through a 3/8-inch choke from open hole at 7,300-7,386 feet.

Salt Creek Outpost Is Spotted In Kent

General Crude Oil Company and Percy Jones will drill their No. 2-2 Percy Jones as a three-quarter-mile outpost to the Salt Creek field of West-Central Kent County.

Location will be 660 feet from west and 3,300 feet from south lines of section 2, block 22, Boley Brown survey, and approximately eight miles northwest of Clairmont.

The No. 2-2 Percy Jones will be drilled about three-quarters of a mile north and slightly east of General Crude's No. 1-193 D. R. Coleman, recently completed north extension to the Salt Creek field.

This extension was completed from open hole at 6,091-6,110 feet. It potentialed for 650 barrels of oil and one per cent water daily on 16-hour natural flowing test through a one-quarter-inch choke.

The No. 2-2 Percy Jones is projected to 6,800 feet with rotary.

DST In SE Garza Develops No Shows

Tobe Foster (formerly R. L. York and Standard-Pryor) No. 1 Justice heirs, Southeast Garza County wildcat, took a drillstem test at 7,614-82 feet in lower Pennsylvanian lime and found no shows of oil or gas.

Recovery on the one-hour and 45-minute test was 280 feet of drilling fluid out with a small amount of water.

It is now preparing to drill deeper. The project was originally started under a permit from the Railroad Commission of Texas to drill to 7,500 feet to explore through the Pennsylvanian.

Foster has now made a deal to continue it to around 8,000 feet to test into the Mississippian.

This project found considerable free oil in the Strawn lime between 7,416 feet and 7,492 feet. The section at 7,490-92 feet also had some salt water.

Location is 660 feet from south and west lines of section 19, block 6, H&GON survey.

Tom Green Strawn Discovery On Pump

V. J. Meyer No. 1 John Foster Rust, Strawn discovery six miles east of the Susan Peak field in Tom Green County, has been potentialed for 101 barrels of 30-gravity oil daily through perforations from 3,965-3,983 feet after being acidized with 500 gallons.

It was completed as a pumpjack.

The No. 1 Foster is 660 feet from north and west lines of section 201, district 11, SP survey.

Humble Stakes SW Tom Green Wildcat

Humble Oil & Refining Company has spotted a wildcat location in Southwest Tom Green County as its No. 1 Myrtle Lewis.

This venture will drill to 7,500 feet to test the Ellenburger. It is 15 miles southwest of San Angelo. Rotary tools will be used and open water.

Doctor Discusses New Medical Drugs At Lions Meeting

Dr. E. W. McCullough was guest speaker at the luncheon meeting Wednesday of the Midland Lions Club in Hotel Schanbauer.

He discussed advances in medicine with particular emphasis on aspects of the new drugs. The doctor said years of research and clinical evidence were behind the use of the so-called wonder and miracle drugs. He discussed several new drugs and explained their uses in treatment for various diseases.

R. H. (Rusty) Gifford was program chairman. Ed Pritchard presided at the luncheon. Invocation was by John Biggs. Duke Jernison sang special songs, accompanied by John Springer.

It was announced the Lions Club would participate in "Clean-Up Week."

The club will co-sponsor with the B&PWC the play "Glass Menagerie."

Dates of a district convention to be held in Midland were announced as April 22-24 of 1951.

Copper Daugherty invited Lions to join the entry of the club in the Civic Bowling League.

Marshall-

(Continued From Page One)

accord, but there was a legal hurdle. The law which created the unified Defense Department contains a clause prohibiting the appointment as defense secretary of any man who within 10 years has been on active duty as a commissioned officer of the armed forces.

Congressional leaders thought they could get quick action on an amendment to the law to clear the way for Marshall's appointment.

Among the charges against Johnson—perhaps the one that eventually impelled Truman to remove him—was that he had invaded the foreign policy making field of Secretary of State Dean Acheson, that he and others of the military establishment had sought to impose military thinking on the United States' international diplomacy.

Johnson's Leaving Seen As Boost For Acheson Program

NEW YORK —(AP)— Defense Secretary Johnson's resignation was seen by U. S. and foreign diplomats at the Big Three meeting here Wednesday as a move strengthening Secretary of State Acheson in his drive to speed up the organization of a strong Atlantic alliance defense force in Western Europe.

President Truman's decision to name former Secretary of State George Marshall to succeed Johnson reinforced the view that Acheson policies now will have full and vigorous support of the Truman cabinet without the frictions and delays which have been attributed to the so-called Johnson-Acheson feud.

Acheson, British Foreign Secretary Ernest Bevin and French Foreign Minister Robert Schuman Wednesday began the second day of their talks.

Germany, its political future and partial rearmament probably headed their agenda for the day. The key problem of this series of talks is how and when—or whether—to fit German soldiers into the developing Western defense system.

Faster Handling Of Freight Ordered In Defense Speed-Up

WASHINGTON —(AP)— Speedier handling of railway freight traffic "to promote the national defense" was ordered Tuesday by the Interstate Commerce Commission.

The new spur to defense mobilization sets a 24-hour limit to the turn-around of freight cars ready to move.

One section of the order called for a still increase in "demurrage" rates paid by shippers for keeping freight cars idle beyond the 48-hour free time period allowed for loading and unloading.

The charges were set at \$5 a car per day for the first and second days after free time, \$10 a car for the third and fourth days, and \$20 for each succeeding day.

In issuing the order, the ICC said short handling of cars is causing a shortage of badly needed equipment.

Tickets For Police Ball Now On Sale

Tickets for the annual Police-Benefit Ball now are on sale. Chief Jack Ellington said Wednesday. The dance is slated at 9 p. m. September 21 at the Midland VFW Hall eight miles west of the city.

Ellington said Hoyte Nix and his band will furnish the music again this year.

Tickets may be purchased from any policeman.

Flood Threat Grows At Wichita Falls As Rains Continue

By The Associated Press

Wichita Falls was braced Wednesday for the brunt of its fourth major flood in less than two months.

A few families in the southeastern section of the city were evacuated before dawn by emergency workers.

Red Cross rescue headquarters was opened Tuesday night following a heavy rain squall in the area.

Skies remained overcast and threatening Wednesday — with the cloud covering extending across the upper South Plains and over the Texas Panhandle. Fog and drizzle were reported at several Panhandle points.

Over most of the remainder of the state, skies were partly cloudy. It was clear only in far West Texas. A line of thunderstorms moved across North and North-Central Texas about dawn.

Three Zones-

(Continued From Page One)

East half of tract 8 of Urbandale Addition were approved.

John E. Lydecker, 2202 West College Street, presented a petition signed by 33 property owners in Block H, Unit 12, of the new C and D paving program, requesting the proposed paving in the four-block area be reduced to a street width of 41 feet. Lydecker said the signatures represented two-thirds of the property owners involved.

The council accepted the motion of J. W. McMillen to change the paving to conform with the wishes of the property owners.

Certain amendments to the city's beer ordinance were accepted on first reading by the council. The changes would conform with state requirements. The ordinance also would legalize on-premise sales by the Midland Country Club and the VFW Hall at Terminal. Other establishments at Terminal would be allowed to sell beer for off-premise consumption only.

The council passed on final reading a military leave policy for all permanent city employees, allowing them up to two weeks pay upon entry into the armed services.

Canvassed Vote

The council canvassed votes of last week's city bond election and declared the returns official. An executive meeting was called for 4 p. m. Thursday for members to discuss the issuance of bonds for the improvement projects. A meeting with the City Finance Commission and representatives of the First Southwest Company of Dallas, financial advisors, was set for 4 p. m. Monday.

City Manager W. H. Oswalt handed council members a booklet describing personnel and job classifications of city employees and a proposed salary scale for all employees. The program, he said, is designed to set up a policy of merit for employees who use initiative in their jobs.

A resolution asking \$71,906.96 from the Civil Aeronautics Administration for repairs at Midland Airport was adopted. The figure was determined by an inspection of runways, buildings and the lighting system by the district CAA engineer.

Councilman W. F. Hejl requested the city begin pruning tree limbs which overhang sidewalks and stop signs, creating "blind corners" at street intersections. Oswalt promised action on the matter.

Clean-Up-

(Continued From Page One)

Mineral Wells in a grid contact here. Boy and Girl Scouts of the city will be allowed to collect old papers and rags, which they can sell.

Inspections of alleys by civic groups, and a pepped-up campaign on the part of all Midland clubs was requested to help put the week over in clean-up style.

Among those present for the meeting were:

Mrs. John H. DeFord, Progressive Study Club; Mrs. Raymond Leggett, P-TA; Mrs. W. G. Epley, Twentieth Century Club; Mrs. W. D. Lane, Texas Garden Club; Mrs. Charles F. Henderson, Midland Garden Club; Mrs. Charles M. Goldsmith, Midland Woman's Club; Mrs. George Kidd, Midland Woman's Club; Mrs. Bertie Boone, Altrusa Club; Mrs. R. F. Carroll, AADW; J. M. Orms, director of public works; Downing, Pritchard, Lucille Johnson, Peninsula Garden Club; Wade Whitely, Junior Chamber of Commerce; W. I. Pratt, Rotary Club; Col. J. E. Wright; Albert Kelley, Kiwanis Club and Willie K. Richardson, negro chamber of commerce.

West Germans Send Books To East Zone

BERLIN —(AP)— West Germans have started a drive to pump good books to the Soviet zone. They think the East German is becoming brain-washed from a diet of books that constantly hammer home the Soviet and Communist political message.

The Westerners have organized a "Bureau for Cultural Help" with the sponsor-ship of such leaders as Mayor Ernst Reuter of West Berlin, and Eugen Kogon, journalist and author whose Nazi concentration camp experiences are told in the best-selling "The SS State."

The bureau contends the very existence of the German language east of the Elbe River after five years of Soviet occupation is endangered. The bookshelves, the schools and the universities are clogged with Russian language textbooks.

Johnson's Leaving Seen As Boost For Acheson Program

NEW YORK —(AP)— Defense Secretary Johnson's resignation was seen by U. S. and foreign diplomats at the Big Three meeting here Wednesday as a move strengthening Secretary of State Acheson in his drive to speed up the organization of a strong Atlantic alliance defense force in Western Europe.

President Truman's decision to name former Secretary of State George Marshall to succeed Johnson reinforced the view that Acheson policies now will have full and vigorous support of the Truman cabinet without the frictions and delays which have been attributed to the so-called Johnson-Acheson feud.

Acheson, British Foreign Secretary Ernest Bevin and French Foreign Minister Robert Schuman Wednesday began the second day of their talks.

Germany, its political future and partial rearmament probably headed their agenda for the day. The key problem of this series of talks is how and when—or whether—to fit German soldiers into the developing Western defense system.

Texaco Completes Martin Discovery

A small Ellenburger discovery in Northwest Martin County has been completed by The Texas Company.

It is the No. 1-X State located 660 feet from north and 1,980 feet from east lines of section 17, block 7, University survey and 11 miles north of the Maboo pool.

Production through perforations from 19,378 to 19,390 feet, it potentialed for 14 barrels of 48-gravity oil and 308 barrels of water.

The pay horizon was added with 7,000 gallons of acid.

Wheat Field Outpost Is Staked In Loving

An attempt to extend the north limits of the Wheat field of Southwest Loving County will be made by Donnell Drilling Company at its No. 1 Ira J. Bell.

Located 467 feet from southwest and southeast lines of section 5, block 2, W&NW survey, the No. 1 Bell will be drilled to 4,400 feet with cable tools.

Production in the Wheat field is from the Permian at 4,160-4,390 feet.

Drillite of the No. 1 Bell will be three miles northwest of Mentone. Operations are to commence in the immediate future.

Producer Is Added To SW Loving Pool

Donnell Drilling Company potentialized its No. 1 J. J. Victor, producer at the extreme north edge of the Wheat field in Southwest Loving County, for 205.30 barrels of 38.7-gravity oil and no water daily on an 11-hour completion test through a one-half inch choke.

That new well is 330 feet from west and south lines of the lease of section 4, block 2, W&NW survey.

Pay was topped at 4,307 feet, in Delaware sand of the Permian. Total depth of the No. 1 Victor is 4,317 feet. That gives it ten feet of pay.

Gas-oil ratio on the test was 1,610-1. Casing pressure was 550 pounds and pressure on the tubing was 200 pounds.

The new producer is three miles northwest of Mentone.

Discovery In Scurry Depleted, Abandoned

Placid Oil Company No. 1 R. H. Odum, small Ellenburger discovery two miles east of the north end of the Kelley-Snyder field of Scurry County, has been depleted and abandoned.

It was completed in December, 1949, for five barrels of oil daily from pay at 7,713-7,733 feet.

Location is in section 388, block 37, H&TCo survey.

Kelley-Snyder Gets Three New Sites

Sunray Oil Corporation has scheduled three 7,000-foot projects for the Kelley-Snyder field of Scurry County for immediate drilling.

That company's No. 1-B Charles S. Hardy will be drilled 467 feet from north and 2,020 feet from west lines of section 296, block 97, H&TCo survey and eight miles northwest of Snyder.

Sunray's No. 2-B Charles S. Hardy will be dug 2,080 feet from west and 467 feet from south lines of the Westman zone, section 296, block 97, H&TCo survey and six miles northwest of Snyder in the Kelley-Snyder field.

The same operators No. 4-A E. Dennis is slated to be drilled 467 feet from east and 2,002.5 feet from south lines of the west half of section 337, block 97, H&TCo survey and eight miles northwest of Snyder.

Another Sharon Ridge-Canyon field venture will be drilled by Humble Oil & Refining Company, 660 feet from north and 1,980 feet from east lines of section 96, block 25, H&TCo survey, and 18 miles southwest of Snyder.

This project will be the No. 3-H Filbert Richter. It is to be drilled to 6,800 feet with rotary.

Strouble Oil Company will drill its No. 13 H. H. Hilland, 660 feet from west and east lines of section 146, block 25, H&TCo survey. Drilling will be in the Diamond-M Canyon field about 15 miles southwest of Snyder.

MIDLANDERS ATTEND DEMOCRATIC MEETING

Among Midland residents attending the Democratic convention in Mineral Wells Tuesday were H. E. Chiles, Jr., R. W. Hamilton, William L. Kerr, Hedges Legg and Mr. and Mrs. George R. McDonald.

HORSE CRASHES CAR

A horse belonging to Bill R. Allen broke loose Tuesday and crashed into an automobile driven by Bud Skovort at Terrell and Florida Streets. The horse was injured on one leg.

Johnson's Leaving Seen As Boost For Acheson Program

NEW YORK —(AP)— Defense Secretary Johnson's resignation was seen by U. S. and foreign diplomats at the Big Three meeting here Wednesday as a move strengthening Secretary of State Acheson in his drive to speed up the organization of a strong Atlantic alliance defense force in Western Europe.

President Truman's decision to name former Secretary of State George Marshall to succeed Johnson reinforced the view that Acheson policies now will have full and vigorous support of the Truman cabinet without the frictions and delays which have been attributed to the so-called Johnson-Acheson feud.

Acheson, British Foreign Secretary Ernest Bevin and French Foreign Minister Robert Schuman Wednesday began the second day of their talks.

Germany, its political future and partial rearmament probably headed their agenda for the day. The key problem of this series of talks is how and when—or whether—to fit German soldiers into the developing Western defense system.

Texaco Completes Martin Discovery

A small Ellenburger discovery in Northwest Martin County has been completed by The Texas Company.

It is the No. 1-X State located 660 feet from north and 1,980 feet from east lines of section 17, block 7, University survey and 11 miles north of the Maboo pool.

Production through perforations from 19,378 to 19,390 feet, it potentialed for 14 barrels of 48-gravity oil and 308 barrels of water.

The pay horizon was added with 7,000 gallons of acid.

Wheat Field Outpost Is Staked In Loving

An attempt to extend the north limits of the Wheat field of Southwest Loving County will be made by Donnell Drilling Company at its No. 1 Ira J. Bell.

Located 467 feet from southwest and southeast lines of section 5, block 2, W&NW survey, the No. 1 Bell will be drilled to 4,400 feet with cable tools.

Production in the Wheat field is from the Permian at 4,160-4,390 feet.

Drillite of the No. 1 Bell will be three miles northwest of Mentone. Operations are to commence in the immediate future.

Producer Is Added To SW Loving Pool

Donnell Drilling Company potentialized its No. 1 J. J. Victor, producer at the extreme north edge of the Wheat field in Southwest Loving County, for 205.30 barrels of 38.7-gravity oil and no water daily on an 11-hour completion test through a one-half inch choke.

That new well is 330 feet from west and south lines of the lease of section 4, block 2, W&NW survey.

Pay was topped at 4,307 feet, in Delaware sand of the Permian. Total depth of the No. 1 Victor is 4,317 feet. That gives it ten feet of pay.

Gas-oil ratio on the test was 1,610-1. Casing pressure was 550 pounds and pressure on the tubing was 200 pounds.

The new producer is three miles northwest of Mentone.

Discovery In Scurry Depleted, Abandoned

Placid Oil Company No. 1 R. H. Odum, small Ellenburger discovery two miles east of the north end of the Kelley-Snyder field of Scurry County, has been depleted and abandoned.

It was completed in December, 1949, for five barrels of oil daily from pay at 7,713-7,733 feet.

Location is in section 388, block 37, H&TCo survey.

Kelley-Snyder Gets Three New Sites

Sunray Oil Corporation has scheduled three 7,000-foot projects for the Kelley-Snyder field of Scurry County for immediate drilling.

That company's No. 1-B Charles S. Hardy will be drilled 467 feet from north and 2,020 feet from west lines of section 296, block 97, H&TCo survey and eight miles northwest of Snyder.

Sunray's No. 2-B Charles S. Hardy will be dug 2,080 feet from west and 467 feet from south lines of the Westman zone, section 296, block 97, H&TCo survey and six miles northwest of Snyder in the Kelley-Snyder field.

The same operators No. 4-A E. Dennis is slated to be drilled 467 feet from east and 2,002.5 feet from south lines of the west half of section 337, block 97, H&TCo survey and eight miles northwest of Snyder.

Another Sharon Ridge-Canyon field venture will be drilled by Humble Oil & Refining Company, 660 feet from north and 1,980 feet from east lines of section 96, block 25, H&

Britain Has Second Set Of Quads Born Within One Month

LONDON —(P)—The British Commonwealth's second set of quadruplets within a month was reported "all right but premature" a few hours after birth Wednesday. The newest four subjects of the king—all girls and born within an hour shortly after midnight to Mrs. Elizabeth Coles—were placed in oxygen incubators.

Last month's quadruplets—two boys and two girls—were born during a 50-hour period to Mrs. Betty Sara in Australia.

A nurse described the Coles babies as "tiny things." One weighed three pounds, four ounces. Two more were each an ounce heavier. The fourth was three pounds, 15 ounces.

The 27-year-old mother, a London housewife, was "quite comfortable," hospital officials said. The possibility of four babies had been predicted, but they were not expected until November.

Father David Coles, 31, is a brewer's maintenance engineer. The couple has one other child, a five-year-old son.

VISITOR—Tall, handsome and dressed in a costume representing one of the most romantic periods in history, Mr. Cavalier was a Midland visitor Tuesday. Representing R. J. Reynolds Tobacco Company's new mild, king-size cigarette, Mr. Cavalier mixed with crowds in the shopping district and dispensed complimentary Cavalier cigarettes to the curious.

Annapolis, Md., was at one time called the "Athens" of the new world.

READY FOR WORLD TOUR—After 18 months of hard work, Italian architect-hobbyist Attilio Savio, right, and his son Lucio, finish up their scale model of St. Peter's basilica. First complete and accurate reproduction of the famous church since 1500 A. D., the model is complete in every detail, even to working fountains and electric lighting. Blessed by the Pope, it will go on a worldwide tour. (Photo by NEA-Acme photographer Massimo Ascari.)

Tobey Renominated In New Hampshire

By The Associated Press
Senator Charles W. Tobey, self-styled liberal fighting one of the toughest battles of his political career, won nomination to a third term in New Hampshire's rough and tumble Republican primary Tuesday.

The 70-year-old lawmaker squeezed by with a 1,127 vote margin over 34-year-old Wesley Powell, World War II veteran and former secretary to Senator Styles Bridges (R-NH).

Powell campaigned on the theme Tobey was a "Truman Republican" and "too liberal." He said he would ask for a recount. The unofficial tally was: Tobey 39,003, Powell 37,876.

States voting Tuesday, besides New Hampshire, were Arizona, Colorado, Michigan, Minnesota, Vermont and Washington. Involved were four other Senate seats, 41 House memberships and six governorships.

Here's a summary of top races: Arizona — Senator Carl Hayden and other members of the Democratic congressional delegation were renominated. Republicans had no primary opposition. A woman, former State Auditor Ana Frohmlinger, appeared to have won the Democratic nomination for governor.

Millikin Unopposed
Colorado — Senator Eugene D. Millikin was renominated by Republicans without a contest. The Democratic nominee is Rep. John A. Carroll, also chosen without opposition. Former Gov. Ralph L. Carr was picked by Republicans as their gubernatorial candidate to oppose Gov. Walter W. Johnson, Democrat.

Vermont — Winston L. Prouty, lumber dealer, won the Republican nomination to the state's only House seat. Retiring Senator George D. Aiken, Republican, was unopposed.

Michigan — Republicans picked former Gov. Harry F. Kelly to oppose Democratic Gov. G. Mennen Williams.

Minnesota — Republican Gov. Luther Youngdahl swamped four little known opponents. Harry H. Peterson led a six-man race for the Democratic-Farmer-Labor nomination.

Washington — W. Walter Williams, Seattle businessman, led two other candidates for the Republican nomination to the Senate. Democratic Senator Warren G. Magnuson was unopposed.

Free Beer For Troops In Korea Is Question
WASHINGTON —(P)—Should front-line troops get free beer? "Beer is absolutely essential for our boys in the Far East," stoutly insists Rep. Dingell (D-Mich.). He says the water isn't fit to drink.

The Army, claiming it was getting kicks from back home, Tuesday cut off the can-a-day it had been giving combat men. They still can buy beer—if they can find any.

A chaplain "somewhere in Korea" said wistfully, "Everyone looked forward to that one can of beer. It was the greatest relaxation of the day up front."

Dingell is going to ask Congress to make free beer a legal item in the Korean chow lines.

Band Concert Set At Junior High
The public is invited to a band concert to be held at 7:30 p.m. Thursday in the John M. Cowden Junior High School auditorium.

To perform is the Junior High Band under direction of George Gates.

Numbers to be played include "Honor Band," "Blue Moon Waltz," "Eastern Star March," "Junior High Fight Song," "Junior High Alma Mater."

The telephone exchange at the Pentagon building in Washington has 68,600 miles of trunk lines.

RESIGNS — Morris A. Shenker, St. Louis lawyer, has resigned his new job on the Democratic Finance Committee, under heavy political fire for his alleged connections with midwestern gamblers.

Draft Delinquencies High In Some Areas But Response In Most Of Nation Is Good

NEW YORK —(P)—Are American men dodging the new draft? Not the overwhelming majority.

There have been a few well-reported spot spots in the draft here and there over the nation. New York City is one of them. Chicago somewhat less so.

But on a national basis, a 29-city survey by The Associated Press shows the young men of 1950 are doing their duty as well and as quietly as the young men of 1940 or the young men of 1917.

That is not to say the Selective Service system's hasty switch from peace to war has been smooth. It could hardly be. But neither has it shown any widespread bad morale, malingering, or organized resistance to America's stand in Korea.

Some shocking figures on draft delinquencies have been printed in recent weeks—mostly in the big cities. Some of these have reached the total of 30 per cent.

If that meant what it seemed, things would be in very bad shape indeed. It would amount to a national sit-down strike that would fatally sabotage American power abroad and give the enemy more than just aid and comfort.

West Texans Named On Demo Committee
MINERAL WELLS —(P)—West Texas members of the Democratic Executive Committee, named at the State Democratic Convention here Tuesday, include the following:

District 23—Rhea Howard, Wichita Falls, and Mrs. Leslie King, Vernon.

District 24—C. T. McLaughlin, Snyder, and Mrs. Bryan Bradbury, Abilene.

District 25—Earl Rudder, Brady, and Mrs. Irene Trapp, Brownwood.

District 26—John D. Mitchell, Odessa, and Mrs. G. R. Hendrix, Alpine.

District 30—L. C. Ellis, Lubbock, and Mrs. J. W. Walker, Plainview.

Plans Being Made For Induction Of At Least 370,000
WASHINGTON —(P)—Maj. Gen. Lewis B. Hershey is making plans for inducting between 370,000 and 500,000 men into the armed services before next July 1.

He told the Senate Appropriations Committee at a closed session September 1 that his "most conservative estimate" was "at least 370,000 and maybe 400,000 and maybe 500,000."

Hershey made the statement—published by the committee Tuesday—in asking approval of a supplemental appropriation of \$20,476,000 for his agency. The House, which already has acted on his request cut it to \$19,360,030.

Funeral Rites Held For Jack D. West
Funeral services were scheduled in Merkle Wednesday afternoon for Jack Dawson West, 34, Midland electrician, who died Monday of polio in an Abilene hospital.

Dr. R. Matthew Lynn, pastor of the First Presbyterian Church, was to conduct services. West was a member of the Midland church.

An employee of West Electric Company in Midland, the polio victim was stricken last Saturday.

Survivors include the widow, his parents, one son, three brothers and one sister.

Interment was scheduled at Merkel.

Father Saves Son's Life With Sugar

MONAHANS—A father who applied sugar to a pierced jugular vein has been credited with saving the life of his three-year-old son.

Larry Don Chesnut, son of D. L. Chesnut, oil field pumper, suffered the injury when the car his father was driving collided with another near Royalty.

Chesnut rushed the child to Royalty where he obtained some sugar and applied it to the wound caused by a piece of glass. The sugar stopped the bleeding. Then Chesnut drove to a hospital in Monahans.

The child was given blood transfusions and plasma and is reported to be recovering.

Cotton

NEW YORK —(P)— Noon cotton prices were \$2.35 a bale higher to \$1.00 lower than the previous close. October 40.37, December 40.40 and March 40.37.

ADMITTED TO HOSPITAL
Mrs. B. M. Hays, 122 East Wall Street, was admitted Tuesday to Midland Memorial Hospital as a medical patient.

Toastmasters Club Presented Charter At Dinner Meeting

The Midland Toastmasters Club received its charter Tuesday night at a dinner in Hotel Scharbauer. The presentation was made by Al Dillon, Big Spring, area Toastmaster's governor.

The charter was accepted in behalf of the club by its president, Austin Six.

Dillon, in a brief talk, said "Most good speakers are successful men." It also was Ladies Night at the Toastmasters meeting, with wives of members as guests.

Malcolm Brenneman announced the table topic as "Should the bond money voted recently be used to construct an overpass or underpass at the Big Spring Street crossing. Several members took part in this discussion, giving their views in abbreviated talks.

History Is Reviewed
Tommy Tomson, who presided as toastmaster of the evening, reviewed the history of the international organization from its beginning.

George McBride spoke on the future of oil in the Permian Basin and what it has meant to Midland.

Paul Hicks gave a facetious address on government subsidies and Dr. J. O. Shannon gave a humorous talk on some of the Midland club's experiences.

Carl Wevat gave an evaluation of the program.

To Meet At Cafe
It was announced the next meeting will be held at 6 p.m. Tuesday at the Manhattan Cafe.

Midland guests who were introduced include Mr. and Mrs. Delbert Downing, Mr. and Mrs. Ed Prichard, Mr. and Mrs. Art Joseph and Mr. and Mrs. R. T. Venator.

Guests from Big Spring were Bob McEwen, Dan Crousey, Sunbeam Morrison, J. W. Percy and Dillon.

Congratulations To:

Mr. and Mrs. C. O. Griffith, 807 Cuthbert Street, on the birth Tuesday of a son, not yet named, weighing six pounds, 14 ounces.

Mr. and Mrs. J. C. Angel, 1306 West Washington Street, on the birth Tuesday of a son, Stephen Thomas, weighing nine pounds, two ounces.

Mr. and Mrs. Erwin Grimes, 606 1/2 North Baird Street, on the birth Monday of a daughter, Peggy Eloise, weighing six pounds, 10 ounces.

Mr. and Mrs. T. S. Hebert, Gulf Tank Farm, on the birth Monday of a son, Troxell Skelley, Jr., weighing nine pounds, 11 ounces.

Mr. and Mrs. G. R. Sauri, 2209 West College Street, on the birth Sunday of a son, Glenn Richard, weighing five pounds, nine ounces.

Mr. and Mrs. R. P. Deemer, 412 East Elm Street, on the birth Sunday of a son, Dan Kerrick, weighing seven pounds, 11 1/2 ounces.

Mr. and Mrs. Gene Roush, 807 East Kentucky Street, on the birth Sunday of a daughter, Diane Kathleen, weighing six pounds, 3 1/2 ounces.

Mr. and Mrs. G. P. Mueller, 909 North Colorado Street, on the birth Sunday of a daughter, Bonnie Jeanine, weighing six pounds, 14 ounces.

Mr. and Mrs. Loye E. Wren, 1500 West Washington Street, on the birth Saturday of a daughter, Kay Elaine, weighing seven pounds, four ounces.

Mr. and Mrs. William D. Hays, Jr., 405 West Noble Street, on the birth Saturday of a son, William Dalton, weighing eight pounds, four ounces.

Mr. and Mrs. M. E. Van Riper, 1305 North Big Spring Street, on the birth Saturday of twin girls, Faye Ann and Kaye Be, weighing four pounds, one ounce; four pounds, three ounces.

Typhoon was the ancient Greek god of wind storms.

Stripling Speaks At Baptist Brotherhood

Robert Stripling, for 10 years chief investigator of the House Un-American Activities Committee, spoke Tuesday noon at the weekly meeting of the Baptist Brotherhood in the church's dining room.

Stripling, now a Midland oilman, spoke on the Communist menace and outlined tactics he had encountered in his years of investigation. He also urged Americans to become alert to the menace of world domination-seeking Reds.

Wesley Martin, retiring president of the group, presided at the meeting.

EMERGENCY SURGERY

Kay Fitzgerald, 13, daughter of Mr. and Mrs. Richard L. Fitzgerald, 401 North Carrio Street, was admitted Tuesday evening to Western Clinic — Hospital for emergency major surgery.

'Outside' Lotion Does 'Inside' Job

LONDON —(P)— Sales of per-fumed British hair oil—for internal use—are booming in Africa. The United Africa Company said Wednesday: "The natives of the Gold Coast spread the hair dressing on bread and eat it with great relish. The reason for this is unknown."

KEN REGAN DECLINES MEXICO INVITATION

WASHINGTON, D. C. — Congressman Ken Regan of Midland said here he and Mrs. Regan were not able to accept the invitation of the president of Mexico to attend the ceremony Wednesday, when the flags captured by the U. S. in the war with Mexico were to be returned to that country. Regan plans to remain on the job in Washington until Congress adjourns.

Mrs. Regan remained at her home in Midland when the congressman returned to Washington recently.

Now Science Gives You the FASTEST, EASIEST SHAVE of your life!

Push the Button...

At least science has done something about shaving! American genius has perfected a secret, whisker-wilting formula—and it comes in an INSTANT LATHERIZER. It's RISE—the push-button shave... for fastest, smoothest shaves ever!

Out Comes Lather

No brush — No grease
No pull — No pain

Push the button. Out comes rich, firm, "living" lather—INSTANTLY—without a brush. Gives CLEANEST SHAVES in 1/2 the time. No brushless cream can produce such close, comfortable shaves. No brush can whip up such active lather.

Cleanest Shaves in 1/2 the time!

Rise is tops for tender skins. The razor floats down your face. Leaves face smoother than ever before. Economical too! Each latherizer makes half a gallon of Rise lather—enough for over 50 shaves. Get RISE at your drugist. Only 59¢.
