Number 10

THE FUTURE VARSITY

This is the Skyrocket Junior Varsity—the boys who will be playing for the Varsity next year and the next. After their impressive victory over Memphis, they will travel to Claude Thursday, September 30. In the top row from left are Marty Warrick, Alvin Pennon, Joe Ed White, Robert Powell, Robert Sterling, Robert Chambers, Jimmy Morgan, Santos Guajardo, Kirk Patterson, and Terry Manuel. At middle are

Coach Robert Hicks, Harold McKinney, Scotty Peeks, Roy Cardwell, Greg Neeley, Chuck Darter, David Blanton, Craig Darter, David Baumgardner and Haskell Bonaparte and Coach Ronny Glenn. Kneeling are James Thomas, left, Baldo Nevarez, Mike Thomas, Clint Nash, Kevin Needham, Roy Outley, Jerry Henry and Neal Van Pelt.

Moore Murder Trial Due for Jury Wednesday

The capital murder trial of David Moore opened in 100th District Court Tuesday September 28, and was expected to go to the jury some time Wednesday.

Moore is charged in the shooting death of James Davis on April 5, 1975, outside Johnny Nash Cafe in northeast Wellington. He is also under indictment in the shooting death of C.B. Roland.

District Attorney Charles Darter, who is handling the case for the state, called 8 witnesses Tuesday, four of them men who were at the cafe, three law enforcement officers and a doctor.

Mr. Darter said that Joe Kilgore testified that he saw Moore and Davis at the cafe, where there was gambling. He said Moore hooked a .38 automatic handgun to Davis for \$35 so he could get in the game. He later paid Davis the money and reclaimed the gun. Johnny Nash, owner of the place, testified to virtually the thing same, but also said the game broke up about 7:00 a.m.

The district attorney added that Joe Coffee got the gun from Moore and they went outside with it. Later Moore came back and hollered for Davis to come outside.

Nash testified he wouldn't let Moore back in the cafe and that when the others went outside, he (Nash) went to a neighbor's house to call Sheriff John Rainey because he was afraid of trouble, Mr. Darter said.

He was calling the sheriff

County Has More Screwworm Cases

There have been 5 confirmed cases of screwworms in Collingsworth County this summer, all in the same part of the county. Two more cases were confirmed during the last week, County Agricultural Agent Don Reeves said Tuesday night.

These two cases were in cattle at the Tom Wilson Ranch in the west part of the county, and Pat O'Hair farm at Quail.

The other cases have been

Cooper-Woodruff Gets Abra FM Road Contract

Cooper & Woodruff of Amarillo was awarded the contract to complete the 6-mile gap in Abra AF Road 3143 at a meeting of the State Highways and Public Transportation Commission Wednesday, September 22, in Austin.

The company submitted a low bid of \$347,467.38.

This was 36.54 per cent under the cost estimate of Highways and Public Transportation engineers, according to O.V. Johnson, resident engineer.

The scarcity of highway work at this time was responsible for the favorable bid, he said.

Work will begin soon after October 1, Mr. Johnson was told.

It normally takes about 30 days for a construction company to get its bond approved and receive a work order from the State Department of Highways and Public Transportation he added.

There were 7 bidders for this job. Second lowest bid was submitted by Ivan Dement Co., also of Amarillo, who had the contract for widening US 83.

All work except pouring the asphalt topping can be done through this winter, Mr. Johnson said. This will include grade and drainage, construction of two concrete culverts and installation of several pipe culverts. With the bad weather to be expected in winter, the work will probably go on until it is warm enough to do the topping next spring.

The new paving will begin at the end of the present

surfaced highway, west of Abra. It will extend due north 5 miles then turn west along the Wheeler-Collingsworth County line for one mile to join another paved section of FM 3143 at the point where these counties meet Donley and Gray Counties, southeast of McLean.

Other work which is being handled out of the Wellington office of the Department of Highways and Public Transportation include construction of abridge on US 83 north of Wheeler in Gageby Community, Mr. Johnson said.

This is under special funding for bridge construction. The contract is due to be let this week and is expected to be for about \$70,000.

In Collingsworth County, two projects are upcoming when money is available.

The first will be completion of the US 83 widening from Elm Creek Hill to the Wheeler County line.

Also approved but not funded is widening and improving FM 336 for three miles west of Wellington. Mr. Johnson said he does not know when this contract will be let.

Rockets Ready for Canadian Wildcats

Wellington Skyrockets host Canadian Wildcats Friday, October 1, in the last home game before district play begins. Game time will be 8:00 p.m.

For the Rockets, this is a comeback after their loss to Childress last week.

"Coming off of a loss, we're going to have to be really on our toes to get back on the winning side," said Head Coach James Williams. "By all indications they have quick

backs and play real good defense. It's going to be a tough game."

Canadian runs wishbone type offense, along with the eastern veer or option and pitch the ball.

"They probably do it as well as any high school in the Panhandle, because they've been doing it all the way from junior high," Williams continued.

Canadian has a 3-1 record

Annual Soil Conservation Tour to Be Held Thursday

The twentieth anniversary of the establishment of the Northwest Texas Research Demonstration Program will be noted at the annual soil and crops tour Thursday, Sept. 30.

There will be four stops during the three-hour tour, which starts at 9:00 a.m. on the south side of the court house. Wellington school will furnish buses.

Sponsors again this year are the Agricultural Extension Service and Salt Fork Soil Conservation District, and ASCS.

Work seen will include grain sorghum and cotton variety tests, soil fertility work, a study of fertilizer rates on grain sorghum and a new waterway.

At the end of the tour, those attending will return to Ellison Park where Salt Fork SCD directors will hosts the annual barbecue.

Farms to be visited are those of Troy Thomason, immediately north of Wellington for the cotton variety demonstration;

--The Earl Lynn Bartlett farm at Cross Roads for grain sorghum and fertilizer tests;

--The Jerry Nix farm for grain sorghum variety tests; and

--The Tommy Lewis farm to see a grassed water way and parallel terraces.

Extension Service specialists, who have worked with the NW Texas Research Demonstration program, and who will be here to discuss the results with tour visitors, will be Dr. Dale Loveless, agronomist at the Extension Service Research Center, Vernon; Dr. Frank Petr, agronomist from the District 1 Extension Service office, Amarillo; Jim Valentine soil scientist who does fertility work on the Panhandle and South Plains, and who is in charge of the soil testing lab at Lubbock; and Paul Gross, District 1 Extension Agent.

One cotton variety at the Troy Thomason farm will be of unusual interest, a yet-to-be named experimental variety which produces glandless seed.

Just coming into the cotton picture, glandless seed have a much higher protein content than other cottonseed, and is being bred for human consumption. Many see in it a

cheap source of protein food for overpopulated parts of the world.

"It's been a hard year and the demonstrations are not as good as last year," County Agent Don Reeves noted. Working with him in the

program is Tim Detweiler, research demonstration assistant.

Fourteen cotton varieties will be seen at the Thomason Farm, including the glandless variety and an experimental okra leaf variety. The

advantage of the latter appears to be that the type of leaves let more sun to the lower part of the plant, making for earlier maturity.

"There'll be a Paymaster variety we haven't looked at before and a new Gregg cotton," said Mr. Reeves. "We are looking for the varieties that will grow best here."

Tour visitors will also see work Mr. Thomason has done with guar and cotton rotation, now completing its second year. "We will see how we can get along without fertilizer, just using this cotton-guar rotation. So far, it is keeping the yields up. Troy would probably be using 40 to 50 pounds of nitrogen fertilizer to

—See #7, page 2A

T.E. LENNON

County Educator, T.E. Lennon, Dies

T.E. Lennon of Dodson, whose career as an educator spanned 44 years in Texas and Oklahoma, died in Collingsworth General Hospital at 3:50 a.m. Friday, September 24. Seventy-four years old, he had suffered from a heart ailment several years.

He was serving his third term as mayor of Dodson.

Besides his career as a teacher and school administrator, Mr. Lennon had the distinction of having served as county superintendent of the only two counties in which he taught, Collingsworth County, Texas, and Greer County, Oklahoma.

He retired from the Collingsworth post January 15, 1972.

Teaching was the profession Mr. Lennon chose, even while

he was in high school. His wife selected that as a profession after they were married, and both his children followed him to become teachers.

He was superintendent of the Dodson School 20 years.

—See #6, page 2A

Bloodmobile Comes Here on October 12

The Red Cross Bloodmobile from Wichita Falls will be in Wellington Tuesday, October 12, when county residents are asked to donate 118 units of blood.

The bloodmobile will again be at Bura Handley Community Center in the large

auditorium, and the hours will be 1:00 to 6:00 p.m.

Mrs. Ernest Harwell has been named Blood Program chairman, and assisting her will be all member of Wellington Business and Professional Women's Club.

Also working with the program will be Wellington Young Homemakers, the Senior Citizens Organization, and a number of other groups.

The need for Collingsworth County blood is as great as it has ever been, Mrs. Harwell emphasized.

Membership in the Red River Regional Blood Program at Wichita Falls assures that Collingsworth General Hospital will get as much blood and blood components as it needs

—See #5, page 8A

City Must File New Airport Application

Work has been started on a new application for federal funding to improve Marian Airpark, Mayor Bill Hatch said Monday, Sept. 27.

The city was notified through its engineer, Bill McMorries of Amarillo, that the application which has been dormant more than two years cannot be reactivated with the Federal Aviation Agency.

Mr. McMorries was told by an FAA spokesman that the agency may be able to use the environmental impact study made of the airport for the original application. If this is possible, it should cut approximately six months off the time normally required for an application to receive funding, the engineer said.

The city council revived its airport improvement project in a regular meeting Monday,

Sept. 20, to which it invited all area persons interested in aviation and the landowners whose property would be affected by the airport expansion.

The original application was worked up more than two years ago and approved by the City Council. It was then approved by the aviation committee of Panhandle Regional Planning Commission and by PRPC as a whole. Upon being returned to the city for final approval, opposition arose and the measure went into a dormant status.

In the interest of airport expansion, two representatives of Federal Aviation Agency, Lubbock, will speak before the Wellington Kiwanis Club Friday, October 8 on "Needs for Airports."

They are coming at the invitation of Cliff Hartman, who operates an agricultural aviation company and an aircraft repair service out of Marian Airpark, as well as serving as its manager. He is a Kiwanian.

The public is welcome to

come following the Kiwanis weekly luncheon to hear these speakers, Mayor Hatch said. Their talks should begin about 12:30 p.m. and the meeting will be in Bura Handley Community Center.

Mr. Hatch said he was expecting to receive the

Library Friends Plan Book Sale Monday

Friends of the Library will hold a book sale Monday, October 4, when a large selection of volumes will be offered at a fraction of their original cost.

The sale will be from 10:00 a.m. to 4:00 p.m. If the weather is good, it will be on the south side of the court house. Should the weather be bad, the sale will be inside at the county library.

Part of the books sold will be duplicates of those in the library. Others are being donated by members or by others throughout the area who are interested in improvement of Collingsworth County Library, said Mrs. David Caison, secretary.

"We have quite a lot of books now, but we would like more, and we will appreciate donations from anyone inter-

ested in our work," said Mrs. Ronnie O'Rear, president.

These donations many include either hardbacks or paperbacks, and all types of material will be accepted.

All money derived from the book sale will go back into library improvement, either to buy new books or to have other books repaired, it was pointed out.

"We urge the public to come by and see what we have that might interest you," said Mrs. O'Rear. "Long winter nights are ahead, and this is a good way to get an ample supply of reading material at small cost."

Besides Mrs. O'Rear and Mrs. Caison, officers include Mrs. Bill Beall, vice-president, and Mrs. George Porter, treasurer.

Man Hurt in Accident Sat.

Charles McIntosh, 35, is hospitalized at Collingsworth General for treatment of injuries received in a one-vehicle accident 8 miles southeast of Wellington on FM 338, which occurred Saturday, September 25, about 10:30 p.m.

Deputy Sheriff J.R. Nelson, who investigated, said McIntosh told him he went to sleep and lost control of the 1974 pickup on a highway curve by the Grover Graham farm.

Mr. Graham, checking to see what disturbed his dogs, saw the wrecked vehicle and notified officers.

McIntosh, who received injuries to his head, left arm and right hip, was brought to

Pattersons Move To Long Island, N.Y.

Mr. and Mrs. Kenneth Patterson and son James, left recently to make their home at Centereach, Long Island, New York.

Mr. Patterson will be in construction work. He resigned recently from the Wellington maintenance department of the State Department of Highways and Transportation.

Mrs. Patterson has a brother and sister at Centereach, Mr. and Mrs. Terry Hanna and Mr. and Mrs. Pete Barbagallo and two children. Mrs. Barbagallo is the former Joyce Hanna.

Collingsworth General by Volunteer Ambulance Service.

Deputy Nelson reported that the pickup, which belonged to Denzil Lacy, was totaled.

Free Clinic On October 11

Clinics offering vaccines that give protection against several childhood diseases will be held in Wellington Monday, October 11, from 1:30 to 4:00 p.m.

This will be at the Community Action Center, 612 East Avenue.

Protection is against polio, diphtheria, lock jaw, whooping cough, measles and rubella.

There is no charge.

#6—continued from page 1

Along with his interest in education went his interest in science, and for a number of years, Dodson, with a high school enrollment of 35, could boast that every one of these graduated with four years of science to his credit.

At the same time, Mr. Lennon was developing in Dodson a science museum that brought recognition to him and to the school.

The launching of Sputnik by Russia opened a new era in space studies, and Mr. Lennon was selected to man a Moonwatch Station at Dodson, one of 140 set up by the Smithsonian Institution around the world.

He was one of few Texans to be a member of the National Academy of Science. For 18 months, he served on the science curriculum committee of the Texas Education Agency, and he had been Weather Bureau observer at Dodson a number of years.

Thomas Erwin Lennon was born July 28, 1902.

Like most teachers who began their careers in the mid-1920's, he had some college work, but not a degree, when he taught his first school at Bean, near Mangum.

Then followed J-Buckle, Fairview and Ozark, before he was elected Greer County superintendent.

Following his 20 years as superintendent at Dodson, Mr. Lennon was elected to the same office here for a four

year term. In the six months between his election and taking office, he taught a term at Arnett to round out his career as a teacher.

Attending college in the summer, during the early years of his career, he received the B.S. Degree at Southwestern State College, Weatherford, Oklahoma, and Master's degree at Western State College, Gunnison, Colorado. He had done other work above the master's degree and studied atomic physics one summer at the University of Texas on a grant from Hughes Tool Co.

For more than a quarter of a century, he was deeply involved in the affairs of the Dodson community. He was a past worshipful master of the Masonic Lodge and belonged to Eastern Star and to Dodson Men's Club. He worked with the Red Cross and many other fund raising drives.

Mr. Lennon was a deacon of First Baptist Church, Wellington.

His professional organizations included the Texas State Teachers Association and its county unit, and the National Education Association.

Mr. Lennon was married to Loren McGuire at Brinkman, Okla. August 10, 1930.

Funeral services were conducted in First Baptist Church at 2:30 p.m. Saturday. Officiating were the Rev. Hoyt Ellis of Hollis, a Baptist pastor, and the Rev. Howard Smith, pastor of Dodson Church of the Nazarene. Burial was in North Fairview cemetery under the direction of Kelso Funeral Home.

Pall bearers were Pete Nipper, Truett Holland, Howard Hunt, Sammy Motsenbaker, J.C. Howell, Frank Gulley, Tom Birchfield and A.V. Lowrie.

Survivors are his widow, Mrs. Loren Lennon, and two children all of Dodson. His daughter, Mrs. Lonnie Robertson teaches in Wellington Schools and his son, Joe Lennon, at Arnett. Another son, Jack Lennon, preceded

#2—continued from page 1

The worms should be brought to Reeves, Billy Joe Patterson or Dr. Mark Fires.

"There is no way the screwworm control program can help us in this thing unless they can confirm the cases," Reeves pointed out.

"What I'd like to get over to people is that they have to do this themselves. We do not have enough people to go out and check herds."

The extension agent also pointed out that the wrong kind of weather between now and the first freeze—warm, humid weather and a late freeze could get the county in more trouble.

The screwworm lab has already dropped sterile flies in the county. "There is no way they know where to drop the sterile flies unless the producers themselves turn the cases in."

#7—continued from page 1

get the results he is getting here from guar."

Grain sorghum at the Bartlett Farm has been fertilized with anhydrous ammonia at four different rates, Mr. Reeves explained. Check rows show the difference. This test will be harvested in order to get a yield figure.

Warricks, Inc., have furnished the fertilizer.

Nine varieties of grain sorghum will be seen at the Nix farm. All these are commercial varieties, although some have not been used here. They have been hurt by drouth and the yields will not be up to those of last year.

"I don't think this will be a good year, but we can use it

him in death.

Other survivors are three sisters, Mrs. Edward Frantz of Sun City, Arizona; Mrs. Charles George of Oakhurst, Calif.; and Mrs. Ethel Cheek of Turner Oregon; a brother, A.M. Lennon of Denver, Colorado; and three grandsons.

Rockets 3 and 1 After 20-8 Loss to Childress

The Wellington Skyrockets suffered their first defeat of the season, 20 to 8, Friday, Sept. 24 at the hands of the Childress Bobcats before a capacity homecoming crowd at Fair Park Stadium in Childress.

At 7:45 both stands were packed. There was electricity in the air as the two bands had a yelling contest before the kick-off.

Childress won the toss of the coin and elected to receive. In the first half of the game Childress established a solid running game, with a balanced passing attack. The Bobcats made at least one first down every possession in the half. QB Ricky Collinsworth showed the Wellington fans why Childress went to the state finals last year. He completed six of ten passes, one of which was for a TD.

In the first half Wellington never could overcome a Bobcat defense fired up for Childress homecoming. The Rockets could only put together three first downs, while Childress had ten.

The first quarter was a hard-hitting contest with neither team scoring. Childress scored with 4:31 left in the second quarter on a 12-yd. pass from Collinsworth to Randy Miller. Ricky Smith kicked the PAT.

Wellington tried to make a fourth and one with 2:26 left in the half. The Bobcats stopped the attempt on the Wellington 27-yard line. Childress scored six plays later on a 9-yd. run by Collinsworth. This score came with 40 seconds left in the half. The kick was no good.

In the second half the Rockets started to move the ball. Wellington rolled up 8 first downs to five for the Bobcats. Shane Tarver hit Joe Baumgardner on an 11-yd. TD pass. Tarver then ran around end for the PAT. Wellington was back in the ballgame with the score 13 to 8.

The Rockets recovered the kick-off and put the ball in play at the Childress 20. Wellington made five yards on first down but fumbled the ball to Childress. Childress then returned the favor by fumbling the ball back on the next play. The Rockets ran three plays, then tried a field-goal that was wide.

At this point the Rockets let down a little. On first down Collinsworth ran up the middle for 14. Ricky Smith made 8 on the next play and Rusty Riddell ran 57 yards for the TD. Ricky Smith kicked the PAT.

	C	W
First downs	15	11
Net Yds. rushing	259	138
Net yds. passing	63	63
Total yds. gained	322	201
Passes attempted	9	18
Passes completed	5	7
Passes interc' ptd by	0	1
Number of punts	2	7
Punt average	23	27.9
Opp. fumbles rec.	2	3
Number of Penalties	5	2
Yards Penalized	65	30
Wellington	0	0
Childress	0	13
C—Randy Miller 10 pass from Ricky Collinsworth (Ricky Smith kick)		
C—Collinsworth 9 run (kick failed)		
W—Joe Baumgardner 11 pass from Shane Tarver (Tarver run)		
C—Rusty Riddell 57 run (Smith kick)		

Wellington put together four first downs in a row. On third down the Rockets fumbled the ball at Childress' two-yard line.

Childress then put the final nail in the coffin by making two first down in a row, and

killing the clock. In retrospect it is easy to say that maybe we shouldn't have run on fourth down, to ask if we should have tried the field-goal, and to wish we had not fumbled the ball on the two. But the coaches and team were up against a tough Childress team that went to the state finals last year and has a powerful AA squad this year. Wellington is an excellent class A team that was a little outclassed Friday night. Look for the Rockets to bounce back big against Canadian this week.

Visiting Mr. and Mrs. Oran Starkey over the weekend were their sons, Mr. and Mrs. Doolen Starkey of Dallas and Mr. and Mrs. Gary Starkey and Oran B. of Lubbock, also Mrs. Oran Starkey's brother, Mr. and Mrs. Dan Culp of Amarillo.

Mr. and Mrs. Tim Raburn and daughter, Caressa, of Anaconda, Montana visited his grandparents, Mr. and Mrs. O.B. Raburn, recently.

County Native Has Career in Air Force

A Wellington native, Capt. Melvin Lee Spencer, is now chief of administration, USAF Clinic Vance, in Enid, Oklahoma.

Capt. Spencer's mother is Mrs. Mary Ruth Lee Hair, formerly of Plymouth and Quail, and now of Chino, Calif. He is also a great nephew of Mrs. J.W. Neeley of Shamrock, who formerly lived at Plymouth. The two women recently visited the Spencer family in Enid.

Capt. Spencer has traveled extensively throughout the world during his 19 years of military service. He arrived in Enid after completing a two-year tour of duty in Goose Bay, Labrador.

The captain originally served as a transportation officer from 1970 through 1972. He later trained to go back into the medical and health administration field.

Capt. Spencer is a believer in making educational ad-

CAPT. MELVIN LEE SPENCER

vances in the military. In 1969, he graduated from the Airman Education and Commissioning Program. Prior to that he received a degree from the University of Tennessee in business administration man-

The captain lacks 16 hours of receiving his master's degree in public administration. He plans to enroll at Phillips University in the near future.

Capt. Spencer, his wife Brenda and their three sons, Allan, 16; Steve, 14; and Brian, 12, live on base.

Besides playing tennis, badminton and jogging during off duty hours, the captain is an activist in church proceedings. Before coming to Enid, he was a Baptist deacon in Mississippi and Texas and soon hopes to find a church "home" in Enid.

Guests in the Cicero Gulley home over the weekend were her sister, Mrs. R.H. Rountree of Hereford and her cousins, Mr. and Mrs. Garland McNeal of San Bernardino, Calif. The McNeals were enroute home after a trip to Kansas and Arkansas.

Mr. and Mrs. O.B. Raburn spent last weekend with Mr. and Mrs. Randall Raburn, Robin and Kent of Mustang, Oklahoma.

THRIFTWAY

25 YEARS IN COLLINGSWORTH COUNTY

A barbecue given recently by Mr. and Mrs. Garland Hightower of Dodson marked the 25th anniversary of the year Vincente Hernandez, Sr. came from Del Rio, Texas to work for the Hightowers. Mr. and Mrs. Hernandez are seated at front. Their family stands behind them: from left, Tammie Hernandez, Jesse Hernandez, Glenna Hernandez, Tommy Hernandez, Myra Sumpter, Shelia Hernandez, Kenny Van Zandt, Lynn Hernandez, Melva Hernandez and Vincente Hernandez, Jr.

Abra Club Has Travelogue

Abra Home Demonstration Club heard one of its members, Mrs. W.R. Breeding, give a travelogue, using slides and commentary, of the trip which she and her husband took to Hawaii in June.

Mrs. Wayne Laycock was club hostess Friday, September 24.

Mrs. W.R. Coleman, president, conducted the short business meeting, Mrs. Pat Bradley gave the devotional and Mrs. Coleman read the minutes of the last meeting.

The club made a donation for Dozier Cemetery Association in memory of Mrs. Ed (Mettie) Brown, who was a long-time member.

The hostess served refreshments to a guest, Mrs. Tommie Tate, and these members, Mrs. Breeding, Mrs. Marie Murry, Mrs. Bradley, Mrs. Lois Jones, Mrs. Guss Gooch and Mrs. Coleman.

Mrs. J.I. Morgan, Mr. and Mrs. Walter Camp, Mr. and Mrs. Melvin Cardwell, Mr. and Mrs. Garland Strickland, Mrs. Larry Hammons, Mr. and Mrs. John Birkey, Dr. and Mrs. W.P. Estes, Mr. and Mrs. Don Van Pelt, Mr. and Mrs. Frank Coleman, Mrs. Charlie Lee Watts, Mrs. Patricia Ford, Mr. and Mrs. Don Reeves,

Mrs. Nita Brantley, Mr. and Mrs. Carroll Nunnally.

Members of the Hollis group were D'Linda Loveless, Tammy Sims, Kara Cummins, Shura Barnes, Dana Cummins, Susy Loveless, Jimmy Carrick, Kyle Powell, Michael Moore, Bob Cole, Terry Earls, Brad Bartlett, and Millie Loveless.

Mrs. W.L. Van recently visited with her son, Mr. and Mrs. Albert Van of Dallas and her daughter, Mr. and Mrs. Omer Churchwell of Oklahoma City, Oklahoma. Mrs. Churchwell brought her mother home last week after a month's visit.

The longest bicycle ever built was a tandem seating 10 people.

school superintendent and county school board.

Fall decorations of leaves and nuts decorated the tables, while a comical scarecrow perched on the edge of the buffet.

Those who registered were Mr. and Mrs. Lloyd Hays, Mr. and Mrs. Rodney Myrick, Mrs. Ralph Word, Mr. and Mrs. Charles Floyd, Mr. and Mrs. John Green, Mrs. Isla Mae Morris, E.W. Clement, Bob Copeland, Miss Sue Wright,

Mr. and Mrs. Claude Savage, Miss Irene Martin, Mrs. Denny Marcum, Mrs. James Williams, Mr. and Mrs. Bob McAlister, Mr. and Mrs. Raymond Hodges, Mrs. Keny Brown, Mrs. Gary Brewer, Mrs. Lonnie Roberson, Mr. and Mrs. Dick Pendleton, Mrs. Jack Campbell, Mr. and

HONORED AT RECEPTION

Dr. and Mrs. Bill Estes and their son, Paul, visit with Mrs. Ernest Harwell during the reception that welcomed the Estes family back to Wellington. He recently completed his studies at the University of Texas Dental Branch, Houston. Mrs. Estes is teaching at Wellington Elementary School.

JFF Club Opens Year With Salad Supper and 42 Party

JFF Club opened its year with a salad supper, followed by games of 42, on Saturday evening, Sept. 25, at the Heritage Room.

Hostesses were Mrs. Alton Wilkins and Mrs. Herman Belew.

Fall flowers decorated the serving table.

Mrs. Sid Harrison returned Friday from a three week, three state vacation. She visited first in Lubbock with her daughter, Mr. and Mrs. Ray Thomas. From there she flew to Denver to visit with her son, Mr. and Mrs. Edward Harrison. She then flew to Abilene to visit two sisters, Mrs. Birdie Hanson and Mrs. Ada Rainwater. From there she rode the bus to Oklahoma City to visit her sister, Mrs. Beulah Hutcherson and brother, A.B. Drury. Mr. Drury brought Mrs. Harrison home and spent a few days here.

High prizes went to Mr. and Mrs. James Masten, while low score was won by Mrs. J.I. Morgan and Herman Belew.

All meetings this year will feature a salad supper preceding the games.

Attending were Mr. and Mrs. Garner Altom, Mr. and Mrs. Woody Wood, Mr. and Mrs. Drury Lacy, Mr. and Mrs. J.I. Morgan, Mr. and Mrs. James Masten, Mr. and Mrs. R.T. Savage, Mr. and Mrs. Jake Leach, Mr. and Mrs. Don Jones, Mr. and Mrs. Jimmie Kelso, Mr. and Mrs. Howard Holton, and the hosts, Mr. and Mrs. Herman Belew and Mr. and Mrs. Alton Wilkins.

Guests of Mr. and Mrs. Elmer Haralson early last week were a son and daughter-in-law, Mr. and Mrs. Jerry Haralson of Canyon. Another son, Tommy Haralson, visited on Thursday.

Personal

Mr. and Mrs. Hugh Lee Simmons and children, Gregg and Sarah, of Canyon visited her grandparents, Mr. and Mrs. P.E. Starr Sunday.

Mr. and Mrs. R.L. Johnson and Lesa, Cristy Moseley and Terri Thomason attended the Tri-State Fair in Amarillo, Saturday.

Take Care of Fresh Fruits

Berries and cherries keep best when stored unwashed in the refrigerator in a shallow container to allow air to circulate around the fruit, advises Marilyn Haggard, foods and nutrition specialist with the Extension Service.

Mr. and Mrs. Dallas Holland of Aspermont are the parents of a son, Dustin Heath, born Sept. 25 in Collingsworth General Hospital. He weighed seven pounds five ounces. Grandparents are Mr. and Mrs. Calvin Mitchell, Mrs. Peggy Holland, and M.J. Holland of Vernon. Great-grandparents are Mr. and Mrs. C.A. Mitchell of Childress, Mr. and Mrs. Wallace Howard of San Bernardino, California and Mrs. Marie Harper of Klamath Falls, Oregon.

Mr. and Mrs. Joe Meadows of Jefferson City, Missouri, are the parents of a daughter, Elaine Nichole, born September 22 in St. Mary's Hospital. She weighed eight pounds. Grandparents are Mr. and Mrs. Jake Meadows of Wellington and Mr. and Mrs. Tony Jergensmyre of Jefferson City. The great-grandmother is Mrs. A.M. Kindrick of Silverson.

Methodists Give Appreciation Dinner for School Faculty

First United Methodist Church gave its annual appreciation dinner for the Wellington School faculty on Tuesday, September 21, at the Bura Handley Community Center.

Members of United Methodist Women were in charge of arrangements with Mrs. Gorman Owens as chairman.

A program of choral music was presented by Surrey Singers, a group of young people from Hollis, Oklahoma, directed by Mrs. Bill Cole. This group included a number of "oldies but goodies" from the 1950's.

The Rev. James Boswell, master of ceremonies, introduced the principal of each school, who in turn introduced his teachers. Other guests were school board members and their wives, the county

school superintendent and county school board.

Fall decorations of leaves and nuts decorated the tables, while a comical scarecrow perched on the edge of the buffet.

Those who registered were Mr. and Mrs. Lloyd Hays, Mr. and Mrs. Rodney Myrick, Mrs. Ralph Word, Mr. and Mrs. Charles Floyd, Mr. and Mrs. John Green, Mrs. Isla Mae Morris, E.W. Clement, Bob Copeland, Miss Sue Wright,

Mr. and Mrs. Claude Savage, Miss Irene Martin, Mrs. Denny Marcum, Mrs. James Williams, Mr. and Mrs. Bob McAlister, Mr. and Mrs. Raymond Hodges, Mrs. Keny Brown, Mrs. Gary Brewer, Mrs. Lonnie Roberson, Mr. and Mrs. Dick Pendleton, Mrs. Jack Campbell, Mr. and

MR. AND MRS. HASKELL MANUEL

Reception Honors Couple on Golden Wedding Anniversary

A golden wedding reception honored Mr. and Mrs. Haskell Manuel of the Lillie community on Sunday, Sept. 19, when their son and daughter-in-law, Mr. and Mrs. Don Manuel were hosts.

The event was in Bura Handley Community Center, and it followed the Manuel Family Reunion held Sunday morning. A large number of relatives from Northeast Texas, where both Mr. and Mrs. Manuel grew up, were present.

Unlike many who celebrate golden weddings, neither Mr. nor Mrs. Manuel has retired. He continues to farm and she is director of the Retired Senior Volunteer Program for Collingsworth and Wheeler Counties.

Guests were received by a grandson, Joey Manuel, and registered by Mrs. Carroll Reynolds.

Flowers in shades of gold decorated the room.

The reception table was laid with a gold lace cloth and centered with an arrangement of golden flowers and foliage. Tapers in the same shade were in low holders at each side. Crystal appointments were used.

Presiding at the table were granddaughters, Mrs. Joey Manuel and Mrs. Jerry Bowen of Amarillo. They were

assisted by Mrs. Malcolm Horton, a neighbor for many years.

Approximately 150 called during the afternoon to congratulate the couple, while many used the occasion to renew friendships.

When Mr. and Mrs. Manuel came to Collingsworth County in 1930 from Throckmorton, the Great Depression had already settled in. Asked why they chose the Wellington area, their reply was direct: "We didn't have a job and we could get a job here."

Their first job, Mrs. Manuel recalls, was pulling bolls for Roe Lemons on the Paul Starr place north of Wellington. When that cotton season was over, they rented land from Mr. Starr northwest of Quail. Later they moved to Lillie, and in 1944 they bought a farm in that community. They have lived on it since 1946. The house has been added to and much work has gone into improving the land.

Sam Haskell Manuel was born at Honey Grove and Mrs. Manuel, the former Mecca Jane Fletcher in Lamar County. They grew up in Sash community in Fannin County and went to school together, although he was several years older.

The couple married September 18, 1926, at Old Glory,

Mrs. Boswell Leads Study

Lydia and Esther groups met Friday, September 24 in the church fellowship hall for the second study in the book of Luke. Mrs. James Boswell led the lesson.

Luke brings out that Jesus had a sense of humor, she said, and it is surprising how often eating is mentioned. Thirty-one women are mentioned in Luke's writing. Mrs. Boswell suggested that each one put a key letter in the margin of their Bible as they study it and underline the verses that mean the most for a ready reference later.

Party Honors Lecia Wolf

A pizza party honoring Lecia Wolf on her seventh birthday, Friday, September 24 was held in the Lynn Wolf home at 5:30 p.m.

Individual pizzas, salad, chips and a birthday cake in the shape of a doll wearing a formal gown were served with punch to Ginger Daniel, Stephanie Barton, Janna Nunnelle, Paula Nunnelle, Dena Lacy, Lindi Wolf, Lecia Wolf, Mrs. D.C. Thomason, Henry Wells and the hosts, Mr. and Mrs. Wolf.

The honoree opened her presents after which the group attended the Childress-Wellington football game.

in Jones County. She was 15 years old and he was 19.

Besides their son, Don Manuel, employed by the U.S. Postal Service, there are three grandchildren, Joey Manuel, also with the Postal Service, Mrs. Jerry Bowen, (Kathy) and Terry Manuel.

Mrs. Manuel has belonged to Lillie Home Demonstration Club more than 30 years. She has held all club offices and in addition has held offices of county home demonstration chairman and county THDA chairman. Several times she has been a delegate to state conventions.

It was only three years ago, at an age when many women are thinking of retirement, that a completely new career began when she was selected director of the RSVP program.

She has pursued a dynamic program, stressing volunteer-

Mr. and Mrs. Gilroy Rummel Honored on 50th Anniversary

Mr. and Mrs. Gilroy Rummel were honored on their fiftieth wedding anniversary Sunday, September 19 at the Heritage Room. Their children, Mr. and Mrs. Fred Cox and Dr. and Mrs. Don Rummel of Lubbock were hosts.

Until they moved from their farm into Wellington in 1967, Mr. and Mrs. Rummel spent all their married life in the community where both were living when they married, Wilnolcer.

Mrs. Rummel is the former Lola Holland, daughter of Mr. and Mrs. M.J. Holland, Sr. She was born in Holdenville, Okla., and came here with her family from Clovis, N.M. in 1913. They had lived in that town for only a few years. The family lived first at Buck Creek, then at Wilnolcer.

Mr. Rummel, a native of Taylor, Williamson County, moved here in 1925 with a sister and brother-in-law, Mr. and Mrs. Ewald Graf. They, too, settled at Wilnolcer.

Mr. and Mrs. Rummel were married by the Rev. R.L. Porter, Sr., at his home in the Rolla community.

Active in farm affairs, Mr. Rummel is a director of Farm Bureau. Both are also active members of the church of Christ, in which he is an elder.

ism, and working to reach all senior citizens, that has brought recognition both to Mrs. Manuel and to her project.

Mr. Manuel served on the County loan committee for the Farmers Home Administration three years.

Both were active in Lillie Baptist Church from the time they moved into the community until it disbanded. He was Sunday school superintendent many years. She taught the women's Bible Class for a long period, and she continues at Quail Baptist Church, where both now belong.

Relatives Here For Celebration

A large group of out of town relatives were here Sunday, Sept. 19, to take part in the golden wedding anniversary celebration of Mr. and Mrs. Haskell Manuel.

Included were Mrs. Myrtle Mann of Paris; Mr. and Mrs. Norvel Manuel, Denzil Manuel and Derek, Mr. and Mrs. Tommy Joe Manuel with Lisa and Kirk, Mr. and Mr. Floyd Guess and Mrs. Mildren Manuel of Ft. Worth.

Mr. and Mrs. John Manuel, Michael and Mark of Garland; Mr. and Mrs. Darrell Manuel, Kim and Sean and Mrs. Ruth Manuel of Grand Prairie; Mr. and Mrs. O.C. Manuel, Mrs. Minnie Manuel and Mrs. G.B. McCarron of Elbert;

Mrs. Vernon Mahler of Rule; Mr. and Mrs. Otis Fletcher and children of Megargel; Mr. and Mrs. Shirley Hitch, Mrs. Tom Porter of Seymour; Mrs. Charles Hitchcock of Graham; Mrs. Ronnie Carpenter and Mrs. D.W. Corn and Mrs. Margie Byrd of Wichita Falls; Mr. and Mrs. Donald Hallum of Iowa Park; Mr. and Mrs. Bo Hitch, Jerry Manuel and Marty of Lubbock, Mrs. Tom Hitch of Throckmorton;

Mr. and Mrs. Elroy Kee and Allen and Mr. and Mrs. Lynn Ray McKee and daughter of Perryton; Mr. and Mrs. Grady Manuel, Mr. and Mrs. Everett Manuel of Childress; Mr. and Mrs. Jerry Bowen of Amarillo; Mr. and Mrs. Danny Waters of Floydada; Miss Nancy Wallace of Arlington; Mr. and Mrs. Jess Deger, Mr. and Mrs. Rayburn Smith and Mrs. Clara Rneau of Shamrock.

John Dodge, telephone.

Mrs. Billington presented the program on missions, stressing personal involvement in their work.

Present were Mrs. Myrick, Mrs. Charles Floyd, Mrs. Dodge, Mrs. Forrester, a guest, Mrs. Charles Cason, Sr., and the hostess,

Home Demonstration Council Selects Officers for 1977

The Collingsworth County Home Demonstration Council met Monday, September 13, in the County Extension Office for the regular monthly

Mrs. Hunter Club Speaker

Mrs. Earl Hunter was the guest speaker at Lillie Home Demonstration Club Friday, September 17, when Mrs. Henry Langford was hostess.

Her discussion and demonstration were on house plantings and paintings.

Mrs. Dudley Phipps, vice-president, was in charge of the meeting and Mrs. Langford gave the devotional and prayer to open the meeting. Members answered roll call by telling the most interesting thing she did during the summer.

Mrs. Phipps presented the county HD council report.

Refreshments were served to Mrs. Clyde Emmert, Mrs. Hunter, Mrs. Bill Langford, Mrs. Bill Lindsey, Mrs. Phipps, Mrs. Zook Thomas, De Jon Lindsey and the hostess, Mrs. Henry Langford.

meeting. Committee reports were given and the following officers were elected:

Chairman, Mrs. Malcolm Horton; vice chairman, Mrs. Bill Hill; secretary treasurer, Mrs. Lynnel Black; parliamentarian, Mrs. Cecil Masten; reporter, Miss Inez Clement.

These new officers will begin their duties January 1, 1977 and will serve for a period of one year.

The remainder of the meeting was spent planning a county wide luncheon and guest program for the October Council Meeting. Those present were: Mrs. Masten, HDC Chairman; Mrs. Jack Lowry, Mrs. Rufus Sweat, Mrs. J.B. Killian, Mrs. Bill Hill, Miss Inez Clement, Mrs. Wayne Reynolds and Mrs. Black, representing five home demonstration clubs.

Mr. and Mrs. Otis Fielding of Norco, Calif., were here last week visiting his brother, Mr. and Mrs. Paul Fielding of Quail. They also visited Mr. and Mrs. Gene Morrow in Wellington.

Cards of Thanks

To my dear, dear friends I want to say a million thanks for the prayers, calls, visits, cards and gifts made in my behalf during my recent illness.

May God bless each of you. I love you all.

Lutie Long

I would like to thank all of you who sent cards and flowers to the hospital, and prayed for my recovery. I would also like to thank each person who contributed to the special fund at Wellington State Bank. The love I feel for you as a town can never be expressed. I hope to have opportunity to meet and thank each of you personally in the near future.

Sincerely,
Garry Ray Bowen

Welcome to the Agricultural Tour

WE TAKE THIS OPPORTUNITY TO INVITE STUDENTS AND MEN AND WOMEN WITH AN INTEREST IN AGRICULTURE TO ATTEND THE ANNUAL FARM TOUR THURSDAY, SEPTEMBER 30. AND WE REMIND YOU THAT ALL OF US IN COLLINGSWORTH COUNTY HAVE A DIRECT INTEREST IN AGRICULTURAL PRODUCTION.

YOU CAN SEE TESTS OF COTTON AND GRAIN SORGHUM VARIETIES, PARALLEL TERRACES AND GRASSED WATERWAYS, AND GUAR AND COTTON ROTATION PROGRAMS.

A FREE BARBECUE FOR ALL THOSE WHO ATTEND THE TOUR WILL FOLLOW AT THE CITY PARK.

CONGRATULATIONS TO THE-EXTENSION SERVICE AND THE SOIL CONSERVATION SERVICE WHO ARE RESPONSIBLE FOR THE TOUR, AND TO THE PEOPLE WHO HAVE PARTICIPATED IN THE EXPERIMENT PROGRAMS THIS YEAR.

Singley Mill & Elevator

Welcome, to the Farm Tour

THE FARMERS AND RANCHERS' FRIENDS AT WELLINGTON STATE BANK RECOGNIZE THE DOLLARS AND CENTS IMPORTANCE OF GRAIN SORGHUMS, GRASSES AND COTTON TO THE ECONOMY OF THE COUNTY. IT IS NECESSARY THAT WE CONTINUE TO SEARCH FOR BETTER YIELDING VARIETIES AND HARDIER STRAINS;

THAT'S WHY WE URGE OUR CUSTOMERS AND FRIENDS, FARMERS AND BUSINESS MEN AND WOMEN, TO ATTEND THE ANNUAL AGRICULTURAL TOUR THURSDAY, SEPTEMBER 30. WE BELIEVE THAT WHAT YOU SEE ON THE TOUR WILL HELP FARMERS IN THEIR OWN OPERATIONS IN FUTURE YEARS, AND WILL HELP THE GENERAL PUBLIC UNDERSTAND LOCAL FARMING OPERATIONS.

COLLINGSWORTH COUNTY WILL CONTINUE TO PROSPER AS LONG AS ALL OF US ARE CONCERNED WITH GROWING BETTER CROPS AND IN FINDING BETTER WAYS TO PRODUCE MORE AND DO IT MORE EFFICIENTLY.

Kiwanis Club Installs New Officers Thursday

New officers of Wellington Kiwanis Club will take over their duties at the installation and ladies night banquet Thursday, Sept. 30.

Conducting the installation ceremony will be the lieutenant governor-elect of Division VI, Bob Brockman of Vega.

Lyman Daniel will become president, succeeding Jake Leach.

Other new officers are Don Reeves, first vice-president; Millard Brown, Sr., second vice-president; and two who were re-elected, John Brown, secretary, and Jack Kennedy, treasurer.

Directors to be installed are Sam Adams, Henry Wells, John Coleman, Jimmie Kello, Garner Altom and Mack Saied, Jr.

Mr. Reeves is the outgoing second vice-president, and there is one vacancy, created when Gary Archer, first vice-president, moved to Abilene.

Directors for the last year were Mr. Adams, Mr. Wells, C.T. Hubbard, Kenneth Moore, Mr. Altom, Wayne

#4—continued from page 1

McMorris and Co., said he was optimistic that the FFA will accept the environmental study, although this cannot be determined until that agency received the application.

There are no persons who would have to be moved out of the affected areas, it was pointed out.

The updated application will seek approximately \$400,000 in funding. Ninety per cent of this, around \$360,000, will be in the form of a federal grant, under a new airport improvement program. Five per cent, about \$20,000, will come from state funding and the remainder, \$20,000 from the city.

The first application called for total funding of \$308,000, with the federal government to pay 75 per cent, the state and the city to share the remaining 25 percent equally.

Rising costs of the materials and of land have upped the cost estimate for the airport improvement program.

McClendon and Dr. Roy McNett.

Mr. Leach will be the master of ceremonies and Mr. Saied will lead group singing. Tom Anderson will give the invocation, and dinner music will be presented by Earl Lynn

Margie Parker Joins Center

Margie Parker, who was graduated from Clarendon College licensed vocational nursing program this spring, has joined the staff of Thomas Nursing Center. Tommy Thomas, administrator, has announced.

Miss Parker is the daughter of Mr. and Mrs. Earl Parker and is a graduate of Wellington High School. She will take her state board examinations next month, leading to licensing as a vocational nurse.

In her new work, Miss Parker is charge nurse on the 11:00 p.m. to 7:00 a.m. shift, Mr. Thomas said.

Mrs. Wilkerson Rejoins Allene's

Mrs. Jackie Wilkerson has rejoined the staff of Allene's Beauty Shop for two days each week, the owner, Mrs. Allene Johnson reported.

Mrs. Wilkerson was on the shop's staff two years before leaving early this summer for a period of time with her family.

She has had approximately 8 years experience in Wellington beauty shops.

Also at the shop Thursdays and Fridays is Mrs. Zell Nash. Mrs. Johnson, also an operator, is on duty through the week.

MARRIAGE LICENSES

Juan Alberto Renteria of Gruver and Emma Salazar of Hollis, Sept. 2.

Richard Edmiston of Amarillo and Mary Jo Buckmaster of Hollis, Sept. 20.

Band Parents Meet Oct. 4

A meeting of Wellington Band Parents has been called by the president, Jerry Nix, for Monday, October 4, at 7:00 p.m.

This will be in the band house at high school.

All members are urged to be present, to take care of several items of business, Mr. Nix said.

Indian Jewelry Showing on Sat.

A showing of turquoise and silver Indian jewelry is scheduled at Nancy's Place Saturday, October 2, from 10:00 a.m. to 2:00 p.m.

The collection is brought here by A.D. Turquett of Albuquerque, N.M., a dealer in Indian jewelry.

The Wellington sponsors are Mrs. Bill Lindsey and Mrs. John Alf Thomas.

#1—continued from page 1 when he heard the shooting, he said.

Eddie Jones told the court that Moore said he had been cheated in the game and that he (Eddie) offered Moore \$7.00 of his own money, the district attorney said.

Larry Tennon testified to the shooting itself.

He said that after he and Davis were outside the cafe, Moore fired a warning shot in the ground, and that Davis was trying to find his car keys when Moore told him not to bring a gun out of his pocket. Davis came out with his hands straight up and started toward his car when he was shot by Moore, according to Mr. Darter.

"Larry edged off, David told him where did he think he was going, Larry kept on easing off, finally he took off running. David fired two shots and missed," said Mr. Darter. Further testimony brought

out that Tennon said he saw Moore go to the C.B. Roland residence, go in the back door, he heard a shot and saw David come out and start back toward his own home.

Dr. Carter Holcomb testified as to the course of the bullet in Davis' body, and gave the opinion that death was from massive bleeding caused by the bullet wound.

Sheriff Rainey told of the call from Nash, said he went down to the area, and saw Moore walking toward his house.

Moore transferred the gun to his left hand, opened it up and emptied one shell and one cartridge and gave them all to the sheriff, according to testimony. At that time the sheriff did not know anyone was hurt. He then discovered both bodies.

Testimony of two members of the Department of Public Safety followed.

Jackie Gunnels, now of Dimmitt, told of taking the revolver, slug from Davis' body and shells to DPS headquarters in Lubbock for analysis.

C. Glenn Johnson of that office testified the slug from Davis' body was fired from the gun turned over to Sheriff Rainey by Moore.

Tom Priolo, attorney for Moore, is building his case around a plea of insanity at the time of the murder. He called

three witnesses Tuesday, Mrs. Frankie Moore, mother of the defendant; his sister, Betty Moore, and brother, Herman Moore of Amarillo.

Their testimony was almost identical, and brought out that Moore had been withdrawn and had delusions. He wouldn't eat and was afraid he was being poisoned, they said. He was suspicious of anyone who came to the door, Mr. Darter reported their testimony.

The defendant's army service was reviewed. He entered the army in 1971 and served in Germany, where he was hospitalized. Back in San Antonio, he was treated and released and served out his enlistment at Ft. Dix, New Jersey. He returned to Wellington in December 1974. A psychiatrist who interviewed Moore was due to take the stand Wednesday morning.

#3—continued from page 1

going into the game here. Their only loss was 27-0 to Sunray, the team picked to win their district.

The Wildcats defeated Shamrock 22-20, a team Wellington will meet in district play. Canadian has won over White Deer 13 to 7.

The only team by which comparison can be made is the Canadian 13-0 win over

Norwood Baptists Announce Revival

Revival services will begin at Samnorwood Baptist church Monday, October 18, and continue through the following Sunday, October 24, the Rev. Bill Rushing, pastor, has announced.

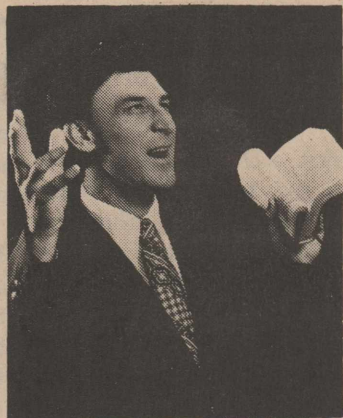

Services will be at 7:30 each evening and these will be preceded by prayer services at 7:00 p.m.

The evangelist will be the Rev. Don Jopling of the Ft. Worth area, who will be appearing in this part of the state for the first time.

Ewell Darrow will lead the singing and Mrs. Darrow will be the pianist.

Rev. Joplin was licensed to preach at Sagamore Hill Baptist Church, Ft. Worth in 1953 and ordained at Calvary Baptist Church, Brownwood.

He was graduated from Howard Payne College, Brownwood, with a B.A. Degree in 1954. As a student he helped to organize the

DON JOPLING

athletic group, Jackets for Jesus. Rev. Jopling received a bachelor of divinity degree from Southwestern Baptist Theological Seminary, Ft. Worth, in 1958.

He served three pastorates of Southern Baptist Churches in Texas, Fostepco Heights, Ft. Worth; First Baptist Church, Anna, and East Cisco Baptist Church, Cisco on two occasions.

An athletic coach as well as clergyman, he was at three central Texas high schools, Hubbard, Crawford and Coolidge, winning championships in football, baseball and track.

During 9 years as a full-time vocational evangelist, Rev. Joplin has conducted 360

crusades across America and preached in a United crusade in Calcutta, India. He has seen over 20,000 decisions for Christ made publicly in these crusades.

Rev. Jopling is an active member of the Fellowship of Christian Athletes.

College Student Names Requested

The Wellington Leader will shortly publish a list of area students who are enrolled in college.

Anyone with a student in the family, or who knows of students, is urged to call the newspaper, 447-2414, and give the name of the student and the parents, and the college or university or trade school in which the student is enrolled.

It doesn't matter when the student graduated. More Collingsworth area adults are taking college work than ever before and The Wellington Leader would like to give them recognition.

First Sunday Singers Meet At Dodson Sun.

The First Sunday Singing Convention will be held Sunday, October 3 at the Dodson Church of the Nazarene.

Singing will begin at 2:00 p.m. and continue until 4:00 p.m. Mrs. Roy Tisdale reports. Anyone who enjoys good singing is urged to attend and participate.

PTO Announces Plans For Halloween Carnival

Plans for the annual Elementary School Halloween Carnival were begun by the Parent-Teacher Organization members in their meeting Wednesday, Sept. 22.

This will be in the elementary school building Saturday evening, October 23.

A 23-channel mobile CB radio unit has been given PTO by City State Bank to use in this year's fund-raising pro-

ject, Mrs. Eddie Maxwell, president, reported. This will be given away at the carnival, which is the major fund-raising event of the school year.

Mrs. Leamon Bawcom, Halloween carnival chairman, reported the game plans were finalized and each room will receive its games to be conducted at the carnival. Mrs. Glenn Warrick is the

assistant chairman.

Mrs. Maxwell also announced that donation cards have been distributed among PTO members.

Members also voted to collect Post box tops, which under a plan sponsored by that company, can be exchanged for such equipment as baseball bats, balls, gloves, bases and a playground swing set.

The president also told members that Bill Long, Glenn McLain and Brent Long had aided PTO to complete the chain-link fence along 15th Street. The fence was installed during the summer.

Mrs. Bill Estes and Mrs. Jack Campbell's rooms received the \$5.00 awards for having the most mothers present.

The meeting was dismissed with a reminder to members to continue bringing games, books and stamps to Elementary School for rainy days.

Community Closet Helps Area Needy

The Community Closet, located at First Baptist Church, is open to anyone in need, church members have announced.

It is open from 9:00 a.m. until 4:00 p.m. on week days, and it will be opened at anytime for emergency reasons, by calling Mrs. Jimmy Forrester, 447-2831.

Community Closet offers free clothing, shoes and canned goods to anyone who has a need," explained Mrs. Bill Billington, one of those working with the project.

"Everyone in our community is cordially invited to come and freely take any clothing or canned goods. Our church secretary, Judy Forrester, will be happy to show where the

Closet is located and help in any way," she continued.

"The Community Closet welcomes any donation of good clothing or food. You can leave your donations in the church office, at the Closet, or we will be happy to pick up any donations. Simply call our church office and we will arrange a pickup.

"If anyone knows of a family that we can help, please notify us. If anyone needs help and for whatever reason cannot come to the Closet, please contact our office and we will gladly bring help to you. Our phone is 447-5771.

"It is our desire to freely help. Why? Because Jesus loves you," Mrs. Billington said.

Injured Family Now Improving

Members of the Oliver Wischkaemper family of Dozier are improving from injuries received in a two-vehicle collision during rain near Pampa Sunday, Sept. 19.

Their pastor, the Rev. Bill Rushing, visited with the family Monday night, Sept. 27, at Northwest Texas Hospital, Amarillo.

Mrs. Wischkaemper, who was hospitalized for a bruised kidney, has been released, but is remaining at the hospital with her husband and son.

Mr. Wischkaemper has broken ribs on both sides, next to his backbone. He was reported as doing "very well."

Thirteen-year-old Mark Wischkaemper has a head injury. "He is recuperating slowly but coming along," said Rev. Rushing.

He added that Mr. and Mrs. Wischkaemper send word that they are deeply grateful for the concern and prayers of their friends.

West Side Square Wellington

'77 Olds on Display at Kendrick's

Lansing, Mich. - A new generation of more fuel-efficient family cars and a long list of engineering improvements highlight Oldsmobile's 1977 lineup.

The division is covering the market in six distinct car lines-Starfire, Omega, Cutlass Eighty-Eight, Ninety-Eight and Toronado-with 28 models, six less than last year.

New for 1977 are the Cutlass Supreme Brougham colonnade hardtop sedan, Delta 88 pillar coupe, Delta 88 Royale pillar coupe and Toronado XSR. Discontinued are the Cutlass Supreme Cruiser, Cutlass Salon sedan, Delta 88 hardtop coupe and hardtop sedan, Delta 88 Royale hardtop coupe and hardtop sedan and Toronado Custom coupe. In addition, three Custom Cruisers have been discontinued as separate models, but are available as 1977 options.

Following are highlights of each car line.

The completely-redesigned family-sized Delta 88s, Ninety-Eights and Custom Cruisers are of a more fuel-efficient design while offering excellent interior roominess, riding comfort, good handling and the latest safety features.

Occupant roominess has been helped by more efficient use of interior space and redesigned front and rear seats. Rear seat kneeroom and legroom have been increased.

The Delta 88 and Delta 88 Royale series include a two-door pillar coupe and four-door town sedan. The frontal view features a two-segment grille with horizontal bars, dual rectangular headlamps and matching dual horizontal park and turn lamps. Eighty-Eights and Royales have specific front end emblems. The Royale has a standup rocket emblem.

Royale side treatment maintains the colored side molding as standard equipment and it has an extended rocker molding on the rear quarter. The sail panel emblem is new.

At the rear, the 88 and Royale feature wide horizontal tail lamps that extend across to the license plate pocket with backup and side marker lamps as an integral unit at the outer ends. New Oldsmobile block lettering is on the deck lid and Royale models have a swing lock cover.

New inside are the instrument panel, seats, door trim panels and steering

1977 OLDSMOBILE DELTA 88 ROYALE TOWN SEDAN

wheels.

The 321-cubic-inch V-6 engine and Turbo Hydra-matic transmission are standard on all 88 and Royale models. Optional are three lightweight V-8s...the 260, the 350 and the 403. The 260 is not available in California or in high-altitude areas.

Also standard are power assisted front disc and rear drum brakes, power steering and radial ply tires.

The Ninety-Eight lineup includes four models...a two-door coupe and a four-door sedan in both the Luxury and Regency series.

All Ninety-Eights have a large chrome-plated grille with a small eggcrate pattern separated in the middle by a recessed "98" emblem.

Ninety-Eights have dual rectangular headlamps mounted above dual park and turn lamps.

Luxury and Regency models have specific sail panel identification and the Regency sedan includes an exterior sail panel light for an added

touch of elegance.

Vertical tail lamps mounted in the rear quarter end caps include a rocket emblem in the lens. A long horizontal backup light with rear reflex extends to the license plate pocket on each side. New Oldsmobile block lettering is on the deck lid.

Inside, Luxury and Regency models feature an all-new instrument panel with controls and gauges relocated for excellent access and readability. A wide selection of trim material and interior color combinations is available. A new 55-45 divided front seat with dual controls is standard on the Regency and available on Luxury models.

The 350-cubic inch four-barrel V-8 engine and Turbo Hydramatic transmission are standard on all Ninety-Eights. The 403 V-8 is optional. Also standard are front disc and rear drum brakes with power assist, steel-belted radial ply tires, electric windows and power steering.

The Custom Cruiser station

wagon is offered as a two-seat model with the rearward facing third seat optional. Either version is available with optional body side moldings or the deluxe option with woodgrain treatment.

The Custom Cruiser shared the Delta 88 Royale front end and has the same 116-inch wheelbase, 11 inches less than 1976 models.

The full-carpeted load floor is over four feet wide. The lower sidewalls and floor in the cargo area are carpeted as standard equipment.

The Custom Cruiser tailgate is new for 1977. It can be opened like a regular door with the glass up or down for passenger convenience, or it can be hinged down after the glass is lowered to make a flat area for loading ease. The electric tailgate window operation is standard.

Sell it with a Classified Ad.

Everybody Plays As Firecrackers Down Memphis

Wellington Firecrackers scored so many touchdowns against Memphis eighth grade Thursday night, Sept. 23, that the coaches almost lost count of who made them. But there was no doubt about the score—50-0 for Wellington.

The second team played most of the time after the first quarter.

Tim Anderson carried the ball only 6 times and scored three touchdowns, all from mid-field.

Chris Lynch had one score on a run of about 30 yards.

Darrell Thomas had two touchdowns on runs of about 10 yards and on one of these he scored on the extra point.

Tony Glover went in from the 5-yard line, and he also made the extra point.

Taylor Pauls accounted for the other touchdown, also from the five.

"You could just give the boys the ball and they would run the play and make a touchdown," said Coach Bruce Dollar. "We never did have to drive the ball.

"This is the best they have played since they started in football," Dollar continued. "I knew they had the talent to do it, but you have to wait till they figure out what is going. When they do figure it out, there's no way to stop them."

Memphis failed to make a first down against Wellington's starting line-up, he said.

Juan Granados, halfback on the second team, was cited for his fine job of running during more than half of the game.

"Everybody got to play quite a bit, and this always helps the football program. When you have a game where everybody gets in on the action, they work harder," Dollar commented.

Starters were Jody Coleman, quarterback; Tim Anderson, halfback; Chris Lynch, fullback; Darryl Thomas, wingback; Channy Wood, left end; Joe Saldana, left tackle; Terry Winegeart, left guard; Darryl Vernon, center; John Morris, right guard; Paul Estes, right tackle; Jackie Fowler, right end.

Others playing were Eddie Aguilar, Cody Anglin, Lennox Archie, Clint Bergvall, Tommy Binford, Stoney Blades, Timmy DeVoss, Mark Fourmen-

Mrs. J.D. Wilson, Son Here from Dallas

Mrs. J.D. Wilson and her son, Dr. Jean Wilson, were here from Dallas Thursday until Sunday, Sept. 23 to 26.

They were Sunday luncheon guests of Mrs. Paul Starr. Mrs. Wilson has been in

tin, Tony Glover, Juan Granados, Sidney Herring, Jack Lennon, Scottie Ingram, Jerry Lee,

Taylor Pauls, Doug Riley, Harold Scott, Delmar Turner, Steven Vassey, Thomas Wolf, and Julian Ybarra.

Dallas since first undergoing major surgery more than six months ago. Later, she underwent two additional operations.

Friends report that Dr. Wilson says she is improving slowly. She is convalescing at his home and is taking speech therapy at Southern Methodist University.

Weekend guests of Mr. and Mrs. Mack Saied, Jr. were their children, Mary Saied and Jimmy Saied of Lubbock, Bobby Saied of Quanah and Richard Morgan also of Lubbock.

OLDSMOBILE 1977

MORE THAN JUST BETTER CARS THEY'RE BETTER OLDSMOBILES

In our search for a new measure of excellence, we've strived to make every Olds a better Olds for 1977. Our new Ninety-Eights and Delta 88s are more space-efficient, more weight-efficient and fuel-efficient than last year. (EPA test results below are estimates; your mileage depends on how you drive, your car's condition and its equipment. California EPA estimates are lower.)

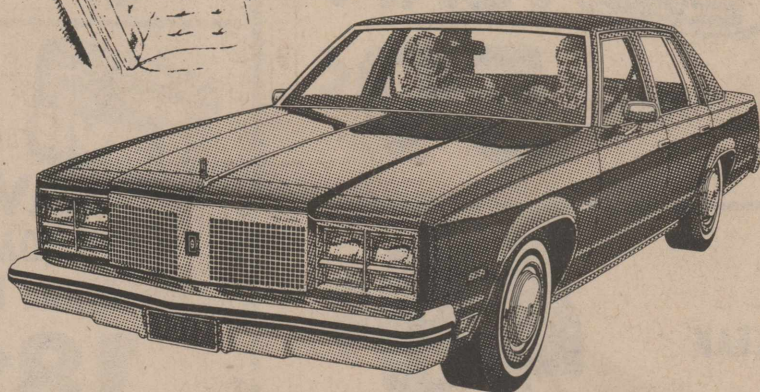

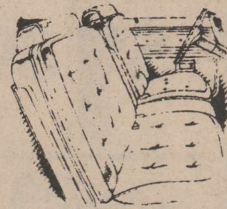

There's lots more, too. Redesigned Rocket V8s... beautiful new interiors in many models... a new Cutlass Supreme Brougham 4-door with a luxurious 98 Regency-type interior... a new Toronado XSR so dramatic in design it causes excitement wherever it is seen. So read our news, then visit your Olds dealer. He's got the Olds that fits your needs and lifestyle!

Oldsmobile

CAN WE BUILD ONE FOR YOU?

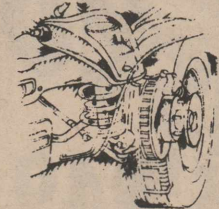

98 Regency. A remarkable new kind of luxury.

Only a completely new car could do everything a luxury car must do in 1977. So here's the room, comfort and splendid luxury you expect in a Regency... plus the unexpected luxury of good gas mileage: an estimated 21 mpg in the EPA highway test; 16 mpg in the city test, with the standard Rocket 350 V8! You've got to experience its driving ease to believe it!

Delta 88 Royale. New idea in family cars.

Now you don't have to sacrifice the room, the comfort, and the great ride you want—to get the kind of good gas mileage you need! There's new headroom and legroom in the rear, new suspension systems for the smooth, big-car ride you like. Yet Delta 88 mileage is dramatically improved: 23 mpg, highway; 17 mpg, city test, with available Rocket 260 V8.

Which kind of Cutlass is the right Cutlass for you?

Salon: The "grand touring" Cutlass. With 260V8, 5-speed transmission, 2.73 axle, EPA estimates are: 26 mpg, highway; 17 mpg, city. Hatch roof available.

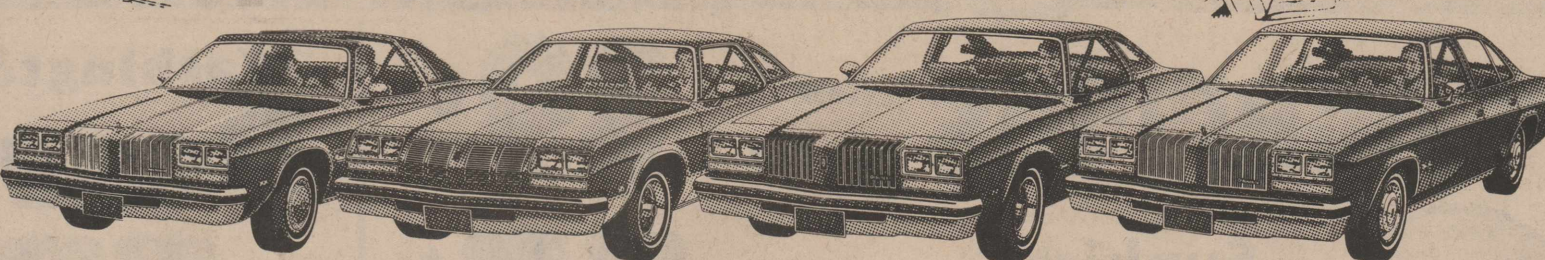

4-4-2: The legend lives on! Bold, sporty looks. FE2 rallye suspension. EPA estimates with available 260 V8, 5-speed transmission, 2.73 axle: 27 mpg, highway test; 17 mpg, city.

Cutlass S: Classy Cutlass look, ride, and comfort in the lowest-priced Cutlass of all! Plus an EPA highway rating of 26 mpg; 16 mpg, city, with standard 231 V6 engine and manual transmission.

Supreme Brougham: Big-car luxury interior, practical size in coupe or new sedan! EPA estimates: 25 mpg, highway; 18 mpg, city, with 231 V6, available automatic, 2.73 axle.

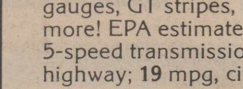

Toronado XSR. New concept in personal luxury cars.

Twin sliding roof panels, wraparound rear window, a new classic look. New Rocket 403 V8 with computerized MISAR electronic spark timing. EPA estimates: 19 mpg, highway; 13 mpg, city.

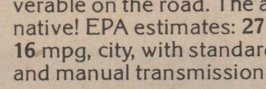

Starfire GT. The joy of driving is alive and well!

See what's in Starfire with the available GT package: buckets, floor-shifter, tach and gauges, GT stripes, rallye wheels—and more! EPA estimates with available 231 V6, 5-speed transmission, 2.56 axle: 34 mpg, highway; 19 mpg, city. Sensational!

Omega Brougham. Economical answer to expensive European sedans.

Our impressive "import fighter." Roomy, luxurious feeling, inside; compact, maneuverable on the road. The affordable alternative! EPA estimates: 27 mpg, highway; 16 mpg, city, with standard 231 V6 engine and manual transmission.

Peggy Holland

Seventh Grade Blanks Memphis 20-0 Thursday

Wellington seventh grade team, both offense and defense, turned in the best performance of the year and was rewarded with a 20-0 victory over Memphis Thursday, Sept. 23.

The game was at Powell Field.

Raymond Mackey accounted for all three of Wellington's touchdowns.

The first came early in the game when he took a quick pitch around left end and scored from 55 yards out. He then took the ball over for the two extra points.

The next score came not long before halftime, when the Wellington defense held and the ball went over on downs. This time Mackey went around

Phipps Service Held at Friona

Several members of the Phipps family were in Friona Saturday, Sept. 25, to attend the funeral of Charlie Mayo Phipps, 51, who died Thursday in a Hereford hospital. Services were at First Methodist Church and burial was in Parmer County Memorial Park.

Mr. Phipps was the son of Mr. and Mrs. Charlie Phipps, Friona and grew up in the Stegall community. He had been a farmer-rancher in Westway Community and served in the Navy during World War II.

Survivors are his widow, Mrs. Roxie Phipps; two sons, Dewain of Quanah and Gary of Hereford; three brothers, E.J. of Friona, J.S. of Denver, and Virgil of Johnson, Kansas; six sisters, Mrs. Jane Houlette, Mrs. Daisy Jameson and Mrs. June Collier of Friona, Mrs. Mary Bandy of Panhandle, Mrs. Geraldine Ferguson of Ft. Worth, and Mrs. Mildred Williams of Goodland, also three nephews whom he and his wife reared.

Going from here were Mrs. Kate Newman, Dan Guthrie, Jack Phipps and Mr. and Mrs. Dudley Phipps.

Ray Daugherty and his mother, Mrs. R.L. Daugherty, of Amarillo were here Saturday to attend the funeral of T.E. Lennon of Dodson. They are former Dodson residents.

You can Bank on it!

By BILLY MOSELEY
President
CITY STATE BANK

Federal Reserve Banks were created not from the depression but from desperation.

In an effort to put an end to the money panics that plagued this country almost from its beginning, Congress passed the Federal Reserve Act. It was signed into law by President Woodrow Wilson on Dec. 23, 1913.

The Act, which created the Federal Reserve System, provided for the establishment of Federal Reserve Banks throughout the nation. Since 1914 there have been 12 Federal Reserve Banks. Those are located in Boston, New York, Philadelphia, Cleveland, Richmond, Va., Atlanta, Chicago, St. Louis, Minneapolis, Kansas City, Dallas and San Francisco.

The system is under the supervision of the Board of Governors of the Federal Reserve System, headquartered in Washington, D.C. There are seven members on the Board of Governors, each of whom was nominated to the post by the President, and confirmed by the Senate. Governors are appointed for 14 year terms, with one term expiring every two years.

One of the important functions of the Federal Reserve System is the issuance of currency in the form of Federal Reserve notes, constituting almost 100 percent of the paper currency used in the United States.

"The more you know
about our business, the
more we can help you!"

right end from 30 yards out to score. Try for the extra point failed and the score was 14-0 at the half.

The teams exchanged a

series of punts, then in the third period Mackey scored on a 20 yard run. Again the try for extra point failed.

Memphis got inside the

Wellington 15 yard line late in the game. Taking a kickoff, they got to the 20, then worked the ball an additional 5 yards. The Wellington line held and

Memphis had to give up the ball on downs.

"The whole defensive team did a job," said Coach Ronnie Glenn. "Backs Bruce Alexan-

der and Jeff Barnett almost intercepted four passes. The offensive team played exceptionally well."

This gives the seventh

THE WELLINGTON (TEXAS) LEADER
Thursday, September 30, 1976

Tour Shows Farm Research Vital to Our Agriculture

What happens in the Northwest Texas Research Demonstration Program in Collingsworth County has a bearing all over Texas, wherever there is soil with qualities similar to ours.

The demonstration program is 20 years old this year. Its contributions to agriculture are impressive, although to the general public, its results may have been taken for granted. Often they become a part of a whole body of information used by the program's sponsors, the Texas Agricultural Extension Service and Texas Agricultural Experiment Station, in cooperation with the county Extension Service.

On Thursday morning, during the crops tour, the public will have the opportunity to see this year's test plots. It has been a hard year, weatherwise. But then their purpose is to find crops that work best for agriculture in this area. We need to know the varieties that produce in bad years as well as good. When we see yields that at some tour stops are not as high as the sponsors and landowners would like, we are looking at varieties that may be yielding best in a less than favorable year. We have many like that.

Every person in Collingsworth County is a part of agriculture, no matter how we make a living. The tests we will see Thursday are our concern.

Congratulations are due the sponsors of this tour, The Extension Service and Salt Fork Soil Conservation Service, along with the ASCS.

Other Editors Say . . .

Voting Ignored

This country should be gripped with presidential election fever right now, with the general election not far off, but most people are taking a ho-hum attitude and it is becoming increasingly doubtful if they will even turn out to cast a ballot on November 2.

This situation has been the subject of many an editorial and is the cause of a lot of concern on the part of those running for office. But what can be done to make people vote if they are too unconcerned or disinterested to do so?

The more elections we witness, the more we become convinced that the average would-be voter is ignorant of issues as well as the candidates. This opinion has been reinforced recently with published results of man-on-the-street interviews and some television segments in Amarillo shopping centers where the response to simple political questions is astoundingly ignorant.

Some of those interviewed don't even know who is running for U.S. Congressman from this district and in one interview, not one of the five people questioned could tell who is running for the U.S. Senate.

Apparently a great many people, knowing that they don't know anything about who's running for what, take the safe course and ignore the entire elective process. This is probably good for the nation.

The next President of the United States will almost certainly take office with the knowledge that over 70 per cent of his fellow citizens of voting age did not vote for him.

A recent survey from Washington shows that in the last eight years as many as 10 million Americans have dropped out of the political system.

Pollster Peter D. Hart has estimated that only 46 per cent of voting age Americans will vote for president this fall, quite a drop from the 55.4 per cent which voted in 1972.

If less than 50 per cent take part in the presidential election, it will be the first time participation has dropped below 50 per cent since only 43.9 per cent turned out to elect a president. Guess when this was? It was in 1924 when Calvin Coolidge went into office.

You would think that with as much emphasis upon education as we have made since 1924 we would have produced an electorate that is alert, informed and interested in the political process which affects their everyday life as nothing else does. But we haven't seen this come about. We are about as ill informed as ever.

We are rapidly moving to the point where we have a "miniocracy" or rule by organized minority groups which vote together and control elections while the vast majority sits on its collective hands.

—The Perryton Herald

STATE CAPITAL Highlights AND Sidelights by Lyndell Williams TEXAS PRESS ASSOCIATION

AUSTIN — Massive efforts are under way to make 1976 a record year for voter eligibility in Texas in spite of apparent apathy in most areas of the U.S.

Secretary of State Mark White Jr., who is coordinating the statewide drive, predicts that as many as 6.2 million will be registered by the October 3 deadline for eligibility to vote in the November 2 election.

That figure would be about 75 per cent of the total eligible by age and residence and would represent a jump of a million voters from 1972, the previous high.

About four million application forms have been prepared for distribution to labor unions, employers, institutions, drivers' license offices, churches, civic clubs, beauty shops and grocery stores.

Cooperating organizations include labor unions, the Democratic party and a variety of minority groups.

Changes in the election laws last year made it easier to register in Texas than in any other state, according to White.

Voters who have received their blue certificate cards from county tax assessor-collectors, already are registered and don't need to rush to the courthouse or look up a registration deputy.

Those who have no blue card and are U.S. citizens, at least 18 years old and residents of the state can still become eligible to vote in the presidential election if their applications are delivered to a deputy before midnight October 3.

White thinks voters are, at last, beginning to get interested in politics this year, and that a warming presidential campaign will boom the election day turnout.

out.

Bond Fight On

A major battle is developing over the proposed \$400 million water bond issue to be voted on November 2.

Gov. Dolph Briscoe recently named Paul G. Veale of McAllen to head a statewide committee working for passage of the bonds. Briscoe maintains the bonds are necessary to meet Texas water requirements.

A coalition of environmentalists has opened a campaign against passage of the bond amendment to the constitution, claiming there is no real justification for a "crash program" and that interest rates would be unlimited.

Credit Good

Texas cities and counties in general have good credit ratings, according to Texas Advisory Commission on Intergovernmental Relations.

Of 27 largest Texas cities, 25 have bond ratings of "A" or better. Austin, Dallas and Houston have the highest ratings — Aaa. Forty-one counties have "A" ratings or better, and 45 counties have no long-term debt. Credit ratings are an indication of financial health of local government.

New Approach Charted

Texas Animal Health Commission has ordered a new approach to the brucellosis program in Texas to control and eradicate the dread livestock disease.

The new program would seek to raise immunity to the disease through an all-out calfhood vaccination program for five years and then return to a "test and slaughter" program hopefully amended by better diagnostic tools perfected by research.

SOD HOUSE PART OF COLLINGSWORTH SCENE

This sod house in the Abra community was the comfortable home of Mr. and Mrs. W.H. Groves and their children in the years just before and after the turn of the century. The picture, made in 1901, shows Mr. Groves holding his daughter, Dora, then Doll and John, and Mrs. Groves. John Groves, to whom this picture belongs, lives in Shamrock. Doll married Granville Riley and they are deceased; Dora married the late Ed Morgan and now lives at Altus. Mr. Groves came to Abra in 1887 from Denton County and the family first lived in a half-dugout. John Groves remembers the house as being warm in

winter and cool in summer. Using a sod plow, Mr. Groves plowed a strip of land near where the house was to be built. He wielded a cane knife to cut the blocks the desired length. Mud mortar was used to put them together. Grass extended on the outside of the sod blocks, and the family's cattle would come to the house and graze. For several years after the house was built, following rains that moistened the walls, green grass sprouted, only to be grazed down again. Mr. Groves remembers several other sod houses in the Abra area at that era.

The state brucellosis study committee report will be sent to the U.S. Animal Health Association Brucellosis Committee as a guideline for negotiating support of USAHA for a Texas program following recommendations laid down by the study panel.

AG Opinions

Information on cost, type and use of electronic eavesdropping equipment used by police is public, Atty. Gen. John Hill said.

In other recent opinions, Hill concluded:

A member of the Dental

Laboratory Advisory Board vacates his office when he moves his residence outside the state.

Brenham State School is not entitled to a share of the state available, county available or county permanent school funds.

Rate Hike Delay

As expected, Texas Public Utility Commission suspended for 120 days effective date of Southwestern Bell's proposed \$298.3 million telephone rate increase.

The company asked an October 7 start-up for the new rates.

The rate hearing will begin November 1.

Commissioners approved classification of 107 intervening parties into four interest groups to present their positions on the rate request. Cities, companies and consumer groups may set up still-other groups to express their opposition to the various rate proposals. Cities were ordered to present their overall case jointly with Atty. Gen. Hill who represents state agencies.

Urges Permit

Gov. Dolph Briscoe called

on the U.S. Corps of Engineers to grant a permit for the Limestone Reservoir project on the Upper Navasota River.

Texas Parks and Wildlife Department and the U.S. Fish and Wildlife Service recommended purchase of 15,000 acres of land to provide wildlife habitat (at a cost of \$8 million) near the area to be flooded by the lake.

Briscoe said the permit should be issued immediately without further delay over the wildlife habitat issue and evaluations.

Extension Has Solid Base

The Texas Agricultural Extension Service has learned to meet the needs of the people of this state and therefore has a solid base on which to build, said Dr. Daniel C. Pfannstiel, director of the state agency at the biennial State Extension Conference.

The single most important thing we can do, he challenged the 1,000-member professional staff, is to continue to strengthen the direct involvement of people in the design and execution of Extension educational programs.

He also stressed the team approach of county agents (generalists) supported by subject matter specialists and the use of the result demonstration method of

AMBULANCE SERVICE VEHICLES

The three ambulances which serve Collingsworth area people, through the Volunteer Ambulance Service, are not often out together, but here they are in downtown Wellington recently. The ambulance purchased only this year is at front. Manning them are

volunteers, many of whom are trained and certified Emergency Medical Technicians. Standing are Bob Watson, back to camera, president of the Volunteer Ambulance Service, Tom Anderson, co-ordinator and King Bowen, member.

teaching as a key tool for effective education.

Mrs. Wilkins Visits Children

Mrs. T.B. Wilkins, Sr. returned recently from a two week visit with her 5 children. In Amarillo she visited Mr. and Mrs. T.B. Wilkins, Jr., and family.

She was a guest of the Lloyd Wilkins family in Shawnee, Oklahoma for several days and enjoyed a boat ride on Lake Texhoma. Her next stop was in Carrollton to visit Mr. and Mrs. Pat Wilkins and family. While there she attended her first professional football game with Pat. The Dallas

Cowboys and Philadelphia Eagles were playing. The Cowboys won.

The Glenn Wilkins were hosts for Mrs. Wilkins' Fort Worth visit. Here she toured several points of interest including an art museum and the Chinese Botanical Gardens.

In Aubrey she visited her grandson, Mr. and Mrs. Charles Cason, III and their new son, born Labor Day. From there her trip continued to Abilene for a visit with her daughter and son-in-law, Mr. and Mrs. Charles B. Cason, Jr.

Hospitals buy food, electricity, equipment, drugs and supplies. They also have payroll and benefit expenses for professional, technical and other personnel.

Prices hospitals pay for needed goods and services are rising 50% faster than the overall cost of living.

Like you, hospitals do a lot of cost comparisons. But they can't cut quality.

Look at your GROCERY bills . . .

Hospitals need milk, sugar, bread & everything to serve three meals a day in bed.

Look at your ELECTRIC bills . . .

Hospitals need power 24 hours a day, seven days a week.

Look at your TELEPHONE bills . . .

Every room, department & nursing station needs a phone.

Look at your INSURANCE bills . . .

Hospitals face increased bills averaging 300 to 700 percent.

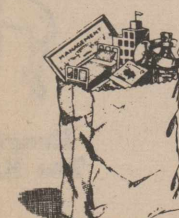

Hospitals must spend more money for everything they need to provide the services physicians order for you. They also must buy new, expensive life saving scientific and technological equipment. Physician and public awareness of medical advances creates a demand for new or expanded services.

Whether or not they are beneficial to the patient, new government regulations force the hospital to spend money for new management procedures or required construction work.

Government programs (Medicare & Medicaid) pay hospitals less than the actual cost of the care provided and the paying patient or insurance company must make up the difference. Hospitals also need government postal services. Stamps have gone up 100% in ten years.

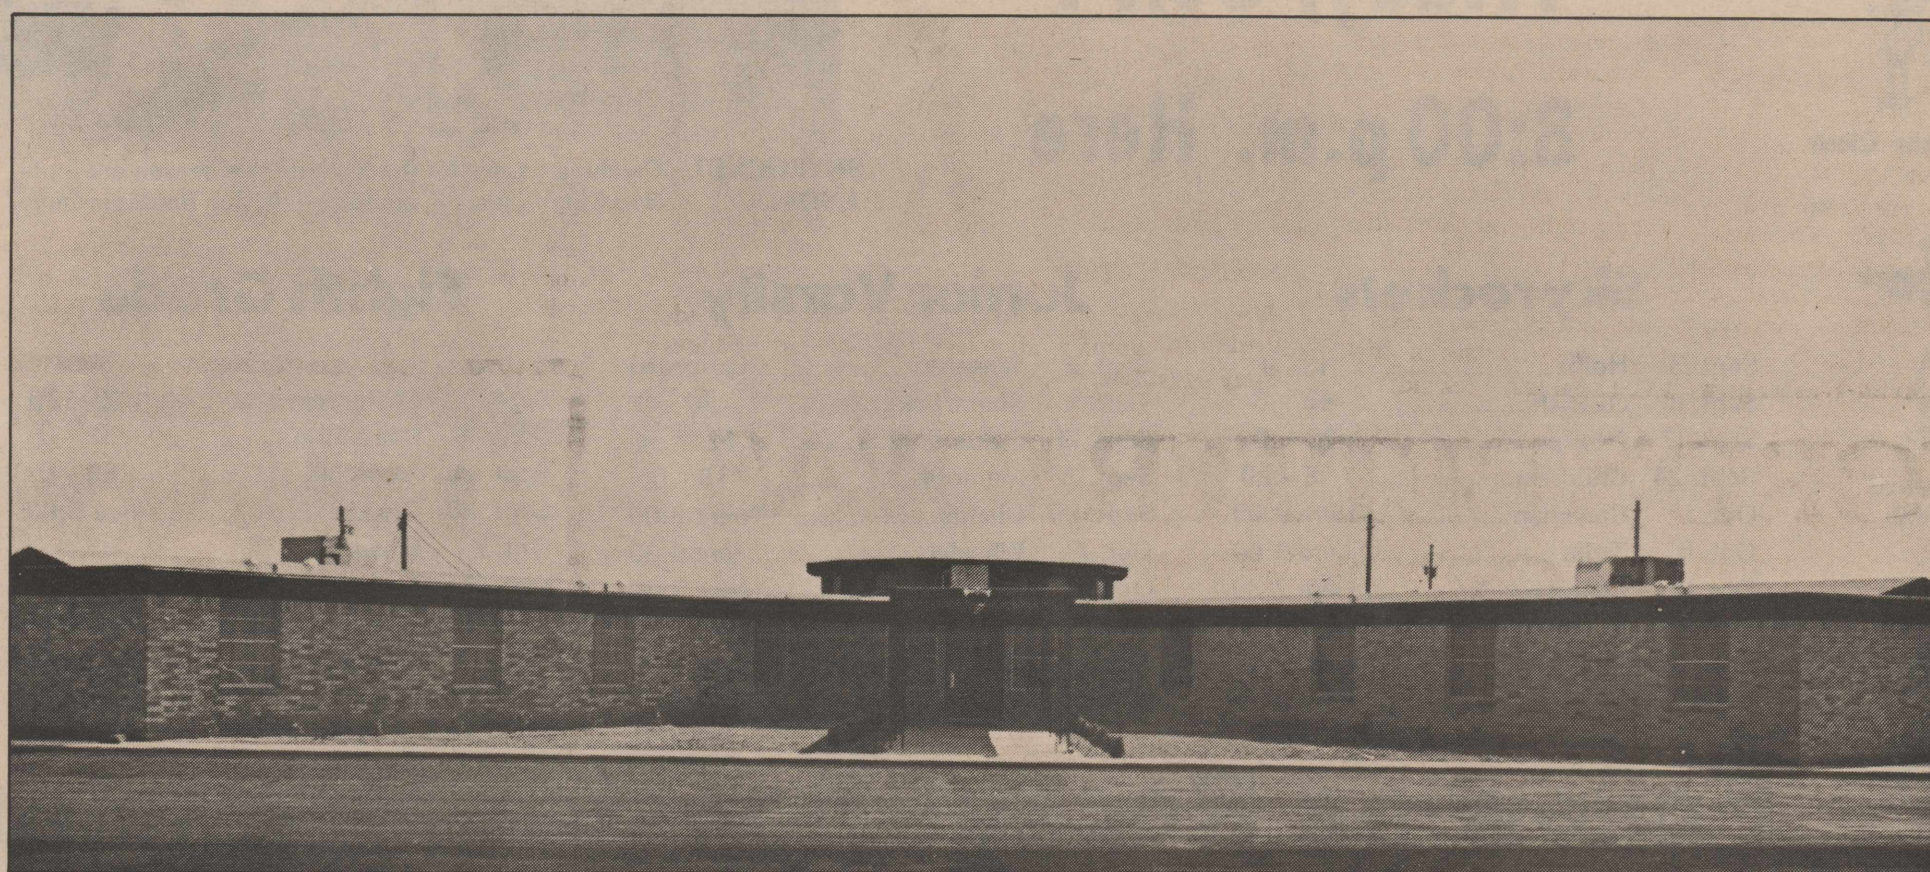

Hospitals are trying to control costs through management engineering techniques, coordination of services, monitoring how long you stay in the hospital, group purchasing and programs to provide alternatives to in-patient care. Hospital trustees, management officials and medical staffs want to keep the price of health care down without reducing the quality of care. Your comments or questions are welcome.

Meet new friends, enjoy life more at the beautiful Leisure Lodge Nursing Center of Childress.

Ardella Lorene Benson: Administrator.

Who says a nursing home has to be dark, stuffy, cramped and no fun? At Leisure Lodge Nursing Center, we certainly don't think so! As a matter of fact, we've gone all-out to make our home a place to LIVE. You'll love the bright, cheerful colors, the drapes, pictures, furniture and home-like surroundings. But most of all, you'll love our people — because they'll love you!

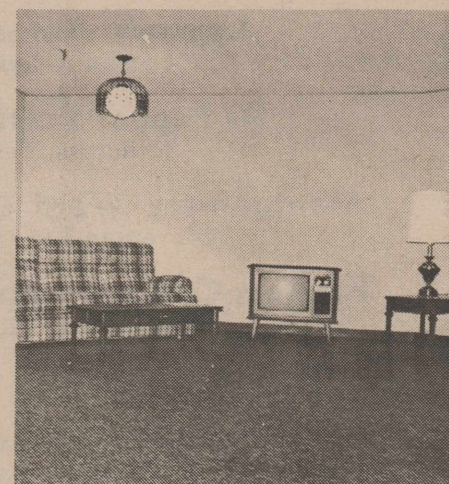

Guest rooms in Leisure Lodge Nursing Centers are large, comfortable, well-furnished, light and cheerful.

Compassionate, conscientious nurses who truly care about our guests are a trademark of every Leisure Lodge Nursing Center.

We have everything you'll find at any nursing home, plus a whole lot more. First of all, we have Licensed Nurses on duty around the clock. The regulations don't require us to have a Nurse on duty at night, but we want it that way. We have good food, and plenty of it. If your doctor says you need a special diet, we see that you get it. Our guests eat together, at regular dining tables, in a regular dining room, and enjoy the fun and fellowship of people their own age. We have planned and supervised activities, scheduled by a full-time Activities Director. And we have religious services, too. But what we have the most of, is FUN, and that's why our guests like it so well here.

At Leisure Lodge, spacious and well-appointed living rooms are a center of activity, where guests gather to visit, read, watch television.

It doesn't cost any more to live at Leisure Lodge than any other home. Don't let our nice building and grounds and our pretty decor fool you. It may look like an expensive place to live, but it isn't. In fact, it doesn't cost a bit more to live here than at any other nursing home. We're approved by the State Welfare Department, licensed by the State Department of Health, and we're approved for Medicaid. Regardless of where you live now, you can easily move to Leisure Lodge Nursing Center. And we know you'll like it here!

Anyone who has ever eaten a meal at a Leisure Lodge Nursing Center knows that the food is good, lovingly prepared, and that there's plenty of it.

We'd love to have you visit our home anytime, at your convenience. We're proud of Leisure Lodge Nursing Center, and we'd like for you to see it anytime. And especially, if you are in need of professional care; if you are living by yourself or with some family member who is unable for any reason to give you the attention and help you need; if you're just lonely for companionship; or if you know anyone in one of these categories — call or come by Leisure Lodge Nursing Center. Find out how much FUN living can be. You'll be glad you did!

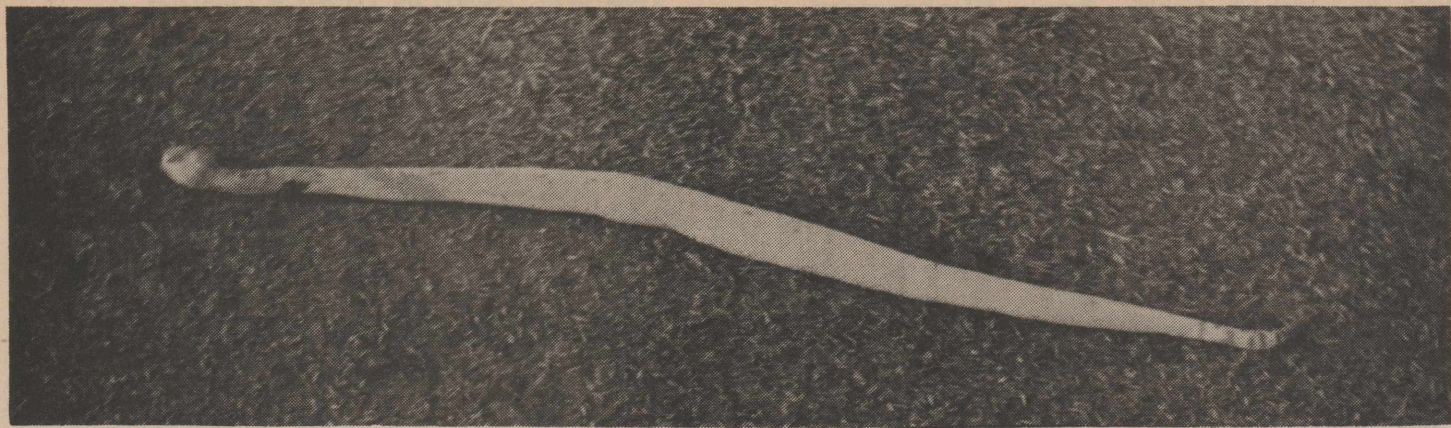

Handcrafts and other activities are a large part of the program of rehabilitative care which is typical of every Leisure Lodge home.

ALBINO RATTLER

This albino rattlesnake, the first that even old-timers recall having been reported in Collingsworth County, was killed on the Lewis Green farm east of Lutie recently by Kenny Tunstall. He, along with Tommy Campbell and Kirby Campbell, were helping Cliff Campbell hunt stray steers. The snake was not especially large, about three and one-half feet long,

with seven rattlers. The diamond back markings were barely visible, but the reptile's pink eyes helped identify it as a true albino. Tunstall killed the snake with a rope. Bill Wilson, Quail School principal, preserved the skin and has it mounted on his barn.

Hospital Notes

Visiting Hours: 2:00 to 4:30 p.m.; 7:00 to 8:30 p.m.

Jackie Nelson, surgical, was admitted Sept. 20.
Mrs. Margaret Helen Ford was a medical patient from Sept. 21 to Sept. 24.
Omar Mullen, medical, was hospitalized Sept. 21 and Sept. 22.
Waymon Moody, medical, was admitted Sept. 22 and dismissed Sept. 24.
Mrs. Juanita Judd, medical, was a patient from Sept. 22 to Sept. 26.
Pernell Outley was a medical patient Sept. 22 and Sept. 23.
V.K. Orr, Jr., medical, was admitted Sept. 22 and dismissed Sept. 24.
Clyde E. Alexander has been a medical patient since Sept. 23.
Lela Owens, medical, was admitted Sept. 23.
Mrs. A.C. Boverie, medical, was admitted Sept. 23.
Omar Mullen, medical, was hospitalized Sept. 24.
Lelon Downs was a medical patient Sept. 24 to Sept. 26.
Mrs. Dallas Holland, obstetrical, was admitted Sept. 24.
Charles McIntosh, medical, was admitted Sept. 25.
Mrs. Corean Washington was a medical patient Sept. 25 and Sept. 26.
Patients admitted earlier and dismissed since Sept. 20: Mrs. Lillie Mae Green, Sept. 21.
Howard Geer, Sept. 22.
Mrs. Elmer Haralson, Sept. 22.
L.J. Armstrong, Sept. 23.
Mrs. Bernice Brown, Sept. 24.

Riding Club Meets Sunday

The first meeting of the Riding Club will be held Sunday, October 3, at 2:00 p.m. in the Youth Show Barn Arena.
Everyone interested in belonging to the Riding Club, or who wants to come out and see what is going on is welcome.

Bill and Mary Ann Lowe are co-chairmen, and anyone wishing additional information should contact one of them.

Mr. and Mrs. Lee Cason of Borger were guests of Mrs. J.C. Cason last weekend.

ROCKET ACTION

Jessie Davis, 42, leaps over a Bobcat defender, during the game Friday, Sept. 24 against Childress. Tony Martinez, 81, is at right.

Thomas Nursing Center News

Many of the residents participated in the activities of the week, which included crafts, dominoes, horseshoes and bingo. Mrs. Sara Harris was game winner.

Thursday was our monthly Birthday Party. Those honored were Mrs. Vivian Waggoner, Mrs. Ella Cubine, Mrs. Edna Bourland, Mrs. Fern Lewis, Mrs. Lelah Redford, Mrs. Martha Reeves, Mrs. Jennie Rose Powell and Mary Kelly. The program was presented by Rev. Ken Johnson, pastor of the First Christian Church. Assisting in serving were Mrs. Sandown Smith, Mrs. Tommy Powell, Mrs. Jack Sanford, Mrs. Ken Johnson and Mrs. Raymond Ross. Thanks to all that helped in any way with the party.

Mrs. Merl Carter is in High Plains Baptist Hospital, Amarillo. Her room is 362.

Mrs. Lucille Gilmore is a patient in the local hospital.

Mrs. Bertha Barton has returned from the hospital.

We have a new patient, Mrs. Maxie Caperton from Dozier. Her room is IIC.

Visitors over the weekend were:

Mr. and Mrs. Loyd Graham visited his mother, Mrs. Jennie Rose Powell.

Billy Powell visited his mother, Mrs. Jennie Rose Powell.

Dr. and Mrs. J.B. Hollis from Mangum visited her sister, Mrs. Zora Dial.

Mr. and Mrs. O.W. Pendleton of Wheeler visited Ira Passons.

Mrs. Grace Johnson had her grandson, Wayne Johnson of Lela visit her.

Visiting Miss Verda Raburn was her nephew, Mr. and Mrs. Tim Raburn from Anaconda, Montana.

Visiting with Mrs. Emma Lowe were Mrs. Leitha Brownlee from Amarillo, Mr. and Mrs. Don Martin and family from Olton and Janie Lowe from Shamrock.

Mrs. Lettie Sheppard from Panhandle visited Mrs. Andy Bell.

Visiting with Mrs. Nina Beard were Mrs. Kathy Romo from Perryton, and her granddaughter, Mrs. Barbara Bruton and sons from Cheyenne, Okla.

Mrs. Ida Belle Killian visited in the home of her son, Mr. and Mrs. J.B. Killian.

Mr. and Mrs. Fred Brown visited in the home of their daughter, Mr. and Mrs. Palo Cummings.

Mrs. Alma Clement recently visited with her daughter, Mrs. Opal Dunn in Amarillo.

Trio Returns From California Trip

Mr. and Mrs. R.H. Isbell and his brother, George Isbell of DeRidder, La., reached home Friday, Sept. 24, after an extended trip to California.

Most of their visiting was at Bakersfield and Oildale. They were guests of a brother, Mr. and Mrs. Ted Isbell and family who formerly lived here. At Oildale, they visited Mrs. Don Isbell, widow of their nephew.

At Bakersfield they also visited Mrs. R.H. Isbell's niece, Mr. and Mrs. Tom Thomas. A nephew, Mr. and Mrs. C.B. Coleman of Los Angeles joined them for a week end.

On Sept. 16, the Ted Isbells honored Mrs. R.H. Isbell with a party on her 80th birthday.

En route to California, the trio stopped at a tame deer farm in Arizona, and on the way home they drove north from Williams, Arizona, to visit the Grand Canyon.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective October 7, 1976.

It is expected that the requested rate schedule will furnish an 18 percent increase in the company's intrastate gross revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the company's public business offices in Texas.

FORD'S BETTER IDEAS FOR 1977... HERE TODAY.

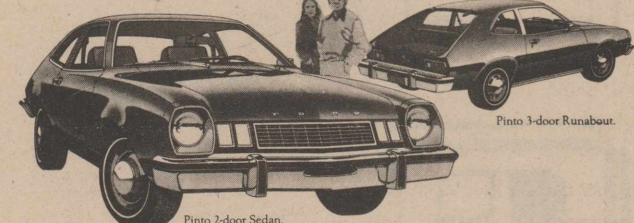

A completely new Thunderbird \$5434* as shown.

Leaner, cleaner and 10 inches trimmer in size—the '77 Thunderbird still has the special luxury features and appointments that make Thunderbird famous. The sleeker price of the Thunderbird above, even with optional vinyl roof, body-side moldings, white-wall tires and more, is an unbelievable \$5434. This is the kind of Thunderbird you might very well buy. Even for the base sticker price of \$5063, you get power front disc brakes, power steering, automatic transmission, 302-cubic-inch V-8 full wheel covers, AM radio, electric clock and steel-belted radials at no extra charge. So, you can see that Thunderbird luxury is more than ever within reach. *Sticker price (as shown) including title, taxes and destination charges.

1977 Granada now with overdrive standard!

The 1977 Ford Granada, at your Ford Dealer, looks like cars costing many times more, yet it's designed to be functional. And practical. That's why this year Granada gives you as standard equipment, efficient 4-speed manual overdrive transmission. Plus steel-belted radial tires. And it's one of the few U.S. cars to offer 4-wheel disc brakes (optional). Look into an elegant interior with room for five adults and a vacuum-sealed trunk that holds eight assorted pieces of luggage. Look into the Ford Granada, America's success car, now in a brilliant 1977 edition. *Price available in California or high altitude areas.

A brand-new Pinto look for '77.

A new Pinto has been born for '77. With a highly spirited fresh look, front and rear. Sporty handling. And winning performance. And, new options you can enjoy—a glass third door, flip-up removable open air roof, 4-way manual driver's seat, and Sports Rallye Package for the best handling Pinto's ever had. This new Pinto has spirit you can feel. It comes from a strong and proven 2.3 liter 4-cylinder engine and responsive four-on-the-floor manual transmission (automatic is optional). For more spirit, choose an optional 2.8 liter V-6 engine with automatic transmission. And the '77 Pinto brings you built-in durability with the electro-dip prime coating of the entire unit-body construction.

The full-size car that kept its size... Ford LTD.

This year, some car makers are making their full-size cars shorter and narrower. Ford believes that people who want a full-size car should have that choice. So the '77 Ford LTD hasn't been reduced by a single inch! Ford LTD has a longer wheelbase than the down-sized Olds 98, Buick Electra, and Chevrolet Caprice and Impala (which have shrunk to the length of the mid-size Chevrolet). And LTD still gives you its traditionally smooth, quiet ride, interior spaciousness, deep-well trunk, and 3½ ton towing capacity (with optional Trailer Towing Package). See the new Ford LTD at your Ford Dealer.

BETTER IDEAS...YOUR FORD DEALER'S GOT A LOT OF THEM.

Pinto Wagons America's best-selling wagons to date with every sign of continued success. Great new styling. A refined suspension. Easy loading and handling. And easy to buy!

Full-size Wagons For '77, Ford's better idea is choice. Pick Ford LTD, the full-size wagon that kept its size. LTD II, a new trim-size wagon at a trim-size price. Or the popular Club Wagon.

Mustang II Sweet handling. Even in styling makes that clear. Behind the wheel, you'll discover it yourself—in a Hardtop, Club, 1+2, Mach I or Cobra II. Some fun! And it's yours at your local Ford Dealer.

Maverick A favorite among compact buyers for years. It's dependable, family sized, low priced and has low scheduled maintenance. See Maverick in 2 or 4 door models.

FORD

When America needs a better idea, Ford puts it on wheels.

A new car: LTD II. Quality like an LTD. Sporty like a Mustang II.

For a 4-passenger car that's trimmer in size and price than LTD, look at Ford's LTD II. It combines LTD's high level of workmanship with a unique sporty spirit all its own. And LTD II, like Ford LTD, comes with V-6, automatic transmission, power steering, power front disc brakes, steel-belted radials, DuraSpark ignition system, and more... standard. At your Ford Dealer now.

Test-drive one of Ford's better ideas for '77...and compare.

We're confident that when you measure Ford's better ideas for 1977 against the best that competition offers, you'll put Ford out front for value. And there's no better yardstick for comparison than to see the cars and take a revealing test drive. Come in today.

Welcome to the AGRICULTURAL TOUR

THE ANNUAL CROP TOUR AND FIELD DAY, TO BE HELD THURSDAY, SEPT. 30, IS AN OPPORTUNITY FOR EVERYONE IN THE COUNTY TO LEARN ABOUT THE BACKBONE OF THE COUNTY'S ECONOMY—AGRICULTURE.

IT'S ALSO AN OPPORTUNITY FOR OUR FRIENDS AND CUSTOMERS TO CHECK EXPERIMENTS WHICH CAN BE BENEFICIAL TO THEM IN THE FUTURE.

WE ESPECIALLY INVITE YOUR ATTENTION TO THE FERTILIZER RATE DEMONSTRATION PLOT ON THE BARTLETT FARM NORTHWEST OF TOWN.

THERE WILL BE CROP VARIETY DEMONSTRATIONS, SOIL CONSERVATION PROGRAMS, AND CROP ROTATION DEMONSTRATIONS.

THE TOUR STARTS AT 9 A.M. THURSDAY ON THE COURTHOUSE SQUARE. WE HOPE TO SEE YOU THERE.

Agricultural Research Program In County Now Twenty Years Old

Farm leaders of the southeast Panhandle were long aware that there was no major research program into crop varieties and changing methods of agriculture carried out especially for this area.

In the fall of 1956, farmers and ranchers of Collingsworth and Hall counties, working with their county agricultural agent and their legislative representatives, held meetings to organize their needs and see what could be obtained.

Lefty Thomas, Collingsworth county agent, was instrumental in formulating the program as it was put into practice and still exists. His counterpart in Hall county was W.B. Hooser. Thomas came home to Collingsworth when he retired and now lives southwest of Samnorwood.

The proposed program was explained in a meeting held in Wellington. Representatives of the Texas Agricultural Extension Service and the

Texas Agricultural Experiment Station met with agricultural leaders of the two counties, members of the two commissioners courts, State Senator Andy Rogers of Childress, and State Representatives Grainger W. McIlhenny of Wheeler and Will Ehrl of Childress, and a number of interested citizens.

The purpose was to discuss problems and formulate a tentative program.

Out of this meeting came a joint agreement between the Texas Agricultural Experiment Station which carried the official designation Northwest Texas Research Demonstration Program. For many years it was more informally called The On-the-Farm Research program.

Main points of the program were:

1. It would cover a three-year period ending in 1959. It was later extended to become a permanent part of our farm situation.

2. The two services would share equally in the total cost of this project, contingent on funds available.

3. Research personnel of the Experiment Station, with the assistance of certain Extension specialists would provide detailed planning and technical assistance.

The Northwest Texas Research Extension program was initiated in the two counties in March 1975, when the Extension service employed Dwane L. Scott of Wellington as farm Demonstration Assistant to conduct the actual work under the general supervision of Thomas and Hooser, the agricultural agents.

In 1958, Lefty Thomas became Deaf County Extension Agent and he was succeeded by Robert F. Lynch. Cecil Regier succeeded Lynch in 1963, and Sammy Helmers succeeded Regier in 1965.

Don Reeves followed Helmers and has guided the

program longer than any single agricultural agent in Collingsworth County.

Scott, highly regarded on both local and state levels in the experiment program, retired two years ago and was succeeded by Tim Detweiler.

Hooser served Memphis county for many years, and the present agricultural extension agent is Dr. Darrell E. Renfro.

Wheeler County came into the program in 1958, and the work was supervised by Bryan W. Swain, who was succeeded by Charles D. Jackson in 1962.

Max Hatter followed him.

Some of the earliest experiments concerned cotton varieties, hybrid grain sorghum, alfalfa varieties, weed control, herbicide control of johnson grass, also fertilizer demonstrations, wheat varieties, mesquite control.

In the mid 1960's there were demonstrations on furrow fumigation for nematodes in

cotton, broadcast and double row spacing for cotton, double row spacing with herbicide use in cotton, cotton weed control with pre and post-emergence herbicides, guar variety tests, Sand Shinnery Oak control.

More recent demonstrations have included Ermelo love grass grazing demonstration, chemical weed control in cotton and grain sorghum, alfalfa varieties.

Some of Collingsworth County's leading farmers have cooperated with the program. Among the first were Jim Ray, N.E. Childers, Elvis Crawley, Goat Hopper, Olan Farris, Jim Wood, C.E. Pitts, Fred Bourland, now of Ennis, George Lewis, the late Woodrow Wilson, the late Hugh Painter, James Doneghy and Richard Fourmentin.

Names appearing in the list of cooperators 10 years ago included Childers, Dwane Scott, John Brim, David Baumgardner, J.C. Hartman, Earl Lynn Bartlett, L.A. Davis, Wayne Martin and Troy Thomason.

Later, Lefty Thomas, Dick Sweat, Murl Lacy and Cliff Hartman and Jerry Nix joined

Mrs. Coleman To USMA Panel

Mr. John Coleman recently was appointed by Congress-

the group. The soil conservation tour, to be held Thursday morning, Sept. 30, will tell the continuing story of efforts to improve agriculture in Collingsworth County and other counties like it.

THE WELLINGTON (TEXAS) LEADER
Thursday, September 30, 1976

8B

man Jack Hightower to serve on the United State Military Academy Selection Committee of the 13th Congressional district.

Mrs. Coleman is county Democratic chairman and has a long record of work with young people.

Also serving on the

committee are Louise Evans and James Alfonte of Amarillo, Jerry Sims of Pampa, Col. John Childs of Canyon, Truman Quillim of Vernon, George Jennings of Tulia, Tom Crane, Pete Martinez, Prof. C.E. Jackson, Dr. Isabelle Hunt, Joe Tom White and Connie Eparks, chairman, all of Wichita Falls.
