

Fidel Offers Inspection Deal

Still Wants Guantanamo

By GEORGE ARFELD
HAVANA (AP)—The Castro government offered today to allow inspection of Soviet withdrawal of offensive weapons from Cuba if the United Nations confirms dismantling of bases from which counter-revolutionaries are operating against the Castro regime.

The government also repeated that Prime Minister Fidel Castro's five-point package, including U.S. abandonment of the Guantanamo naval base, remains "indispensable to a true and definitive solution of the crisis."

The government issued the statement as Soviet First Deputy Premier Anastas I. Mikoyan prepared to return to New York from Havana today. The Soviet Union has said it already has withdrawn 42 missiles and has promised to pull out 30 jet bombers that can carry nuclear bombs. The United States has lifted the naval blockade it imposed in October when the Soviet offensive weapons were discovered in Cuba, but Castro has continued to refuse to admit international inspectors to verify the Soviet claims.

The Cuban statement said: "Cuba demands that the United Nations verify in the territory of the United States, Puerto Rico and other sites where aggression against Cuba has been prepared the dismantling of training camps for mercenaries, spies, saboteurs and terrorists, or centers where subversion is prepared and the bases from which pirate ships sail against our shores."

The statement added that unless the "United States and its accomplices of aggression against Cuba accept this inspection by the United Nations on their territories, Cuba will not accept by any concept inspection" on its soil.

Castro originally had rejected any foreign inspection on Cuban soil. Then Mikoyan sent Mikoyan to talk with him, and Castro began to speak of opposition to "unilateral inspection." Sources at the United Nations said the Cubans and Soviets, in discussions of a Soviet-Cuban proposal for settling the Cuban crisis, were talking of inspection "on a basis of reciprocity" to check on all aspects of any settlement.

The Cuban statement, some 2,000 words long, said that if an agreement along Castro's lines is reached "Cuba would not have need of strategic weapons for its defense, foreign military personnel would be reduced to a minimum, and conditions would be created for a normal development of relations with the hemisphere's nations."

The statement added, however, that Cuba reserves the right to acquire arms of any type for its defense against a normal development of relations with the hemisphere's nations.

Signed by Castro and Premier Osvaldo Dorticos the document laid out American policies warfare and insolent and declared that "U.S. aggressions" against Cuba forced the country to arm.

It added that while the U.S. naval blockade has been lifted, the economic boycott still in effect "contains the germs of an aggressive and provocative policy against our country."

Soviet sources said Mikoyan wants to find out first-hand what has been said at the United Nations and in the United States

while he was spending 24 days with Prime Minister Fidel Castro. He probably will leave for Moscow Tuesday after talks with U.N. Cuban and U.S. officials.

Mikoyan had a dinner date tonight with acting U.N. Secretary-General U. Thant.

U.S. chief delegate Adlai E. Stevenson was expected to tell Thant in advance of the dinner session that the United States rejects such Soviet-Cuban demands as a withdrawal of U.S. forces from the Guantanamo naval base and an end to the economic boycott of Cuba.

Mikoyan, in a farewell appearance on Havana television Sunday night, again voiced Soviet support "by all possible means" for Castro's so-called five guarantees against U.S. intervention.

"When Castro speaks, the Soviet Union listens and supports his words," Mikoyan said.

He also warned the United States it would wage its last war if it ever attacked the Soviet Union.

In addition to the Guantanamo and economic points, rejected by U.S. officials ever since Castro made them, the 14-point Soviet-Cuban proposal is said by Communist sources to embody much already done to settle the acute crisis which erupted in October with discovery of Soviet offensive weapons in Cuba.

Communist informants said the proposal contains President Kennedy's and Premier Khrushchev's agreement of Oct. 27-28 that the Soviet Union would pull its offensive weapons out of Cuba upon inspection by the United Nations. The United States would lift its naval blockade of Cuba and promise not to invade the island.

Since then, the Soviet Union has said it withdrew 42 missiles and his promised to pull out about 30 jet bombers that can carry nuclear bombs. The United States has lifted the naval blockade, but Castro still refuses to admit international inspectors to Cuba.

Brazilian Liner, Light Plane Collide

SAO PAULO, Brazil (AP)—A Brazilian air liner and a light private plane collided and crashed in a remote area of Sao Paulo state today, the air force rescue service reported. All 23 persons aboard the air liner and three persons in the light plane apparently perished.

Wreckage was reported sighted about 65 miles north of here.

The airliner, a two-engine Scandia of VASP airlines, left Sao Paulo as part of the Sao Paulo-Rio airbridge service.

The small plane was believed to be one belonging to a Rio department store reported missing earlier in the day on a flight to Sao Paulo.

The air force said there was no sign of life near the wreckage, sighted in an extremely rough area near the town of Paraitinga, but that paratroopers would be dropped to check.

JFK Visits Troops In Southeastern U. S.

By JACK STILLMAN
HINESVILLE, Ga. (AP)—President Kennedy inspected troops and tanks of the 1st Armored Division in a quick visit today to Ft. Stewart, first of four stops at key points in the recent military buildup stirred by Soviet missiles in Cuba.

Kennedy arrived at 10:18 a.m. by helicopter from Hunter Air Force Base, Savannah, Ga., where the presidential plane landed minutes earlier.

His visit to the South carried him to four Army, Air Force and Navy bases in Georgia and Florida.

Elements of the 1st Division were moved to Ft. Stewart last month when it appeared that the United States might be heading for an armed clash over the presence of missiles in Cuba.

Kennedy received a 21-gun salute on his arrival at Ft. Stewart, a sprawling base covering 280,000 acres and used for training in tanks and aircraft artillery.

A White House spokesman said Kennedy's 2,500-mile trip was for a personal call on fliers, soldiers and other U.S. military men who have been shifted into forward defense areas.

Kennedy was met at Hunter by the commanding officer, Col. John W. Kline; Col. A. W. Tyson, Ft. Stewart commander, and U.S. Rep. Carl D. Vinson, D-Ga., chairman of the House Armed Services Committee.

The presidential party then got into five helicopters for the 20-minute trip to Stewart.

Many of the soldiers and other military personnel whom Kennedy visited were scheduled for return to their home bases during the coming days, the White House said.

This indicated that the huge military buildup is about to be dismantled, now that the Soviet Union has removed its long-range missiles from Cuba and is expected to pull out more than 30 jet bombers within the month.

Accompanying the President are the nation's top military chiefs, headed by Gen. Maxwell D. Taylor, chairman of the Joint Chiefs of Staff. Also going along is Adm. Robert L. Dennison, commander of the Atlantic Fleet and the man who conducted the arms blockade of Cuba.

First stop was Hunter Air Force Base, near Savannah, Ga. The President was to be joined by Maj. Gen. Ralph E. Haines Jr., commander of the 1st Armored Division, before boarding a helicopter for a brief hop to Ft. Stewart, Ga.

Here, the Army lined up troops and tanks of the crack armored division for the President to review and inspect.

The 1st Armored normally is based at Ft. Hood, Tex., but elements moved to Ft. Stewart last month when it appeared the United States might be heading for an armed clash over the presence of deep-striking missiles in Fidel Castro's Cuba.

Two secret briefings were set up for Kennedy at Homestead Air Force Base, 30 miles south of Miami, Fla., one in a building where reconnaissance pilots make their post-mission reports. Kennedy had an opportunity to talk there with some of the pilots who have flown surveillance over Cuban territory.

The services will be held at the 2 p.m. Tuesday for Thomas Lawrence Bowen, 41, of Hermleigh.

Mr. Bowen, a brakeman for the Texas and Pacific Railroad, was killed Sunday night in Sweetwater about 7:30 when he was caught between the couplings of two railroad cars. Mr. Bowen also operated a farm near Hermleigh.

The services will be held at the 2 p.m. Tuesday for Thomas Lawrence Bowen, 41, of Hermleigh. He will be assisted by the Rev. Thomas Taylor. Burial will be in the Pylon Cemetery under the direction of Bell Funeral Home.

Mr. Bowen was married in Hermleigh in 1950 to the former Miss Helen Simmons. They had one son, Gary Lynn, 10, both survive.

Also surviving are his mother, Mrs. Myrtle Bowen of Hermleigh; two sisters, Mrs. Nova Henderson and Mrs. Katherine Wemken, both of Odessa; and one brother, Fred Bowen of Hermleigh.

Born Sept. 20, 1921 in Hermleigh, Mr. Bowen was a veteran of service with the United States Navy in World War II.

Pallbearers will be Joe Roemisch, Jr., Guy Joyce Adams, H. R. Zenke, Doyle Wemken, Joe Richards, Kenneth Sprake, A. E. Sturdivant, and Kenneth Bonner.

India Rejects Key Provision

By ALAN KENNEDY
NEW DELHI (AP)—An Indian spokesman rejected today the key provision in Communist China's proclamation of a cease-fire in the Himalayas and withdrawal of Chinese troops.

Peking's withdrawal plan would leave its troops deep in Indian territory, the spokesman said, and India cannot allow China "in reward of aggression to extend their unlawful control of Indian territory."

Since the cease-fire was put into effect by China last Wednesday, Indian troops have observed it. This was the first direct comment on the Chinese proclamation, although there have been government indications that its terms were unacceptable.

The spokesman said after reading a prepared statement that the Chinese proclamation is still under consideration. But his statement appeared to leave no room for India to accept it.

India is believed to be stalling for time to rebuild its badly smashed army before rejecting or openly violating the terms of the proclamation and thus ending the cease-fire.

Prime Minister Nehru has been reported as saying there is no reason for Indian troops to fire when the Chinese have promised to withdraw toward the border on their own. Peking has said the withdrawal will begin Saturday.

The trouble is, the spokesman said, that the Chinese want to set the border at a point inside Indian territory.

Even as he talked, huge U.S. transport planes were airlifting Indian supplies toward border areas as part of the efforts to help Indian forces during the lull.

STYLE SHOW LUNCHEON—A holiday parade of fashions is scheduled Wednesday at the Martha Ann Woman's Club luncheon at noon. Six models will show beautiful holiday wear from a local merchant. The program will be presented by five members of the Snyder Garden Club, Mrs. S. L. Terry, Mrs. Forrest Sears, Mrs. Gene Best, Mrs. Richard Brice and Miss Myrtle Harell, demonstrating simplicity, beauty, and imagination in flower arranging. Holiday adornment will be included. Above, Mrs. Badger Robertson, Mrs. Thomas Hartley and Mrs. Wiley Brice are trying to decide on a surprise dessert for the menu. They have included ham rolls, piquant green beans, relishes, hot breads, etc. on the list of tempting foods to be served. They also would like to remind members and their guests that reservation deadline is Tuesday afternoon.

GIFT TEA—Miss Clovis Ann Terry, bride-elect of Richard H. Mathews was honored with a gift tea Friday afternoon at the Snyder Country Club. Individual tables were laid with white organdy cloths and centered with an American Beauty rose. The tea table was beautifully laid in an embossed white organdy cloth, floor-length, and held appointments in silver and crystal. The center piece was a white basque cupid holding a lovely arrangement of American Beauty rose buds, interspersed with pale pink carnations, carrying out the honoree's chosen colors of American Beauty and white. Twenty-one local women hosted the affair. Pictured above from left as they received guests are: Mrs. Harrison A. Mathews of Austin, mother of the prospective groom, Miss Terry, and her mother, Mrs. Clifford C. Terry. The couple will exchange vows on December 22, in the Thirty-seventh Street Church of Christ.

Nine Former Champs Still In Playoffs

Nine former state champions, including three defending titles, are left in the field of 64 teams for playoff rounds of Texas schoolboy football this week.

San Angelo, Austin and Brackenridge of San Antonio make up the championship elite in Class AAAA, which for the first time in years is short of Wichita Falls, one of the biggest winners of them all.

Wichita Falls, the 1961 champion, fell in its district race and is succeeded in the playoffs by Irving, a newcomer with an undefeated, untied record. Irving goes against Berger, another team with a perfect record, Saturday.

San Angelo last won the championship in 1947. Austin was king in 1942. Brackenridge came through in 1943.

Classes AAAA and AAA begin the playoffs this week. Classes AA and A are in their second round with both defending champions among the survivors. Donna, 1961 champion of Class AA, tackles unbeaten Sinton Friday. Albany, 1960-61 champion of Class A, takes on Munday in the second round.

In Class AAAA, San Angelo plays El Paso Austin. Berger tackles Irving at Denton. Fort Worth Eastern Hills plays Dallas Samuell. Sherman engages Lufkin and Houston Bellaire jousts with the favorite for the title—Spring Branch.

Beaumont South Park plays Galena Park. Austin moves against the surprise of the Rio Grande Valley—Brownsville—and San Antonio Highlands plays Brackenridge.

Bo Winger Wins Tourney

ORLANDO, Fla. (AP)—Bo Winger won the \$35,000 Orlando Open Golf Tournament with a gamble, but he had an ace in the hole.

After it was over Sunday, he told the crowd around the 18th green of the Rio Pinar Country Club that there's an old axiom on the PGA tournament circuit that "you can't beat an injured player."

On Friday, after his second round of par golf, Winger went hunting, caught his thumb in the leading mechanism of a shotgun and sliced it open. Less than two hours before he teed off for his final round, he broke a tooth while eating breakfast.

The 40-year-old Oklahoma City pro then went out and shot a under-par 67 for a 72-hole total of 274, one stroke ahead of 30-year-old Bert Weaver of Edgewater, Gulf, Miss.

Season Over For Half Of SWC 11s

By HAROLD V. RATLIFF

Associated Press Sports Writer

Half the Southwest Conference teams have finished the season with two-Texas and Arkansas—only taking time out for a brief rest before resuming practice for bowl games.

Champion Texas meets Louisiana State in the Cotton Bowl Jan. 1. Arkansas, the runner-up, plays in the Sugar Bowl, probably against Mississippi.

The other four conference members, one with bowl ambitions, have games to play before putting an official end to the regular campaign.

Third-place Texas Christian, which has announced that it is agreeable to play in somebody's bowl, winds up against Southern Methodist at Dallas Saturday. At the same time Rice and Baylor will be closing out at Waco.

There's nothing left to decide except fourth place in the final standings and Rice has the best chance of that. The Owls can clinch it by beating Baylor.

Texas wound up champion with an unbeaten season by clouting Texas A&M 13-0 on Thanksgiving Day. The Longhorns have a 9-0 record. Arkansas whipped Texas Tech 34-0 to finish with 8-1, the Tech only loss to Texas. Texas Christian clinched third place with a 20-7 triumph over Rice.

Baylor got back into contention for a tie for fourth place as the

Bowls Filled, But Nation's Grid Title Still Undecided

By ED CORRIGAN

Associated Press Sports Writer

While most of the major bowl berths have been securely nailed down, the national college football championship won't be decided until next Saturday when Southern California, already the Big Six winner, meets Suringe Notre Dame.

Southern Cal has been tapped for the Rose Bowl berth against Wisconsin of the Big Ten, and a victory over the Irish would virtually insure the Trojans' first national title since 1956. They have won all nine of their games so far.

Jim McKay's club had to come from behind and score two touchdowns in the final period to defeat UCLA, 14-3, Saturday to make its Rose Bowl bid certain.

Wisconsin also had to come from behind to beat Minnesota with a touchdown in the final quarter for a 14-9 decision and wind up its most successful season since 1912.

Here is how the major bowl picture now shapes up:

Rose Bowl—Southern California (9-0) vs. Wisconsin (8-1).

Sugar Bowl—Arkansas (9-1) vs. Mississippi (8-0).

Cotton Bowl—Texas (9-0-1) vs. Louisiana State (8-1-1).

Orange Bowl—Oklahoma (7-2) vs. Alabama (5-1).

Gator Bowl—Penn State (9-1) vs. Oregon State (8-2).

Bluebonnet Bowl—Georgia Tech (6-2-1) vs. Missouri (7-1-2).

The Gotham Bowl in New York and the Liberty Bowl in Philadelphia won't have to look too far for teams Miami (6-3) probably will get one of the Gotham Bowl spots even in the face of its 29-0 loss to Northwestern last Friday.

Boston College (7-2), Texas Christian (5-4), Duke (8-2) and West Virginia (8-2) also are possibilities for either the Gotham or Liberty Bowls.

Southern Cal doesn't figure to have things all its own way against Notre Dame, which has piled up four victories in a row after losing four straight. The Darryle Lamonica to Jim Kelly passing combination appears to

'Old' Giants Up To Their Older Habits

By JACK CLARY

Associated Press Sports Writer

Those so-called "old" New York Giants are up to their even older habits today — that of grabbing titles in the Eastern Conference of the National Football League.

The Giants, whose alleged old age is more often mistaken for proven experience, all but stashed away their second straight conference title Sunday and fifth in the last seven years with a 42-24 victory over the Washington Redskins, who dropped from second to third in the Eastern race.

New York needs only a victory in one of its final three games to get the title and head for what is hoped will be a title rematch with the Green Bay Packers.

Green Bay, whose 37-0 victory over the Giants in the title game last year made them look even older than they are reputed to be, holds a one-game edge over Detroit in the Western Conference. Both were idle Sunday.

Cleveland (6-4-1) moved into second in the East by beating fourth-place Pittsburgh (6-5) 35-14 while the surging Chicago Bears (7-4) kept their Western lead hopes alive with a 57-0 wallop of the Baltimore Colts (5-6). The Giants and Bears face each other next Sunday in Chicago.

In other NFL games, Philadelphia upset the Dallas Cowboys, 24-14; San Francisco defeated St. Louis, 24-17; and the Los Angeles Rams and Minnesota Vikings played a 24-24 tie.

In the only scheduled American Football League games, Houston defeated San Diego, 33-27, and the Dallas Texans beat winless Oakland, 35-7.

The Giants (9-2) once more used the perfect blend of experience and youth in beating Washington (5-4-2) for the second time.

Quarterback Y. A. Tittle, 36, threw three touchdown passes to end Del Shodor, 27, and Johnny Oatis, 23, ran back the opening kickoff 90 yards for a touchdown. Tittle set a club season record of 25 touchdown passes, 10 coming against the Redskins. He is only eight away from breaking the NFL mark of 32.

Washington suffered from injuries and the bruising play of the Giants defensive team, six of whose members are over 30. Skins' quarterback Norm Snead, who bombed the Giants with four touchdown passes last month, got

only one and finally retired in the final period for rookie Gale Hall, who tossed a pair to Dick James.

Continued improvement by quarterbacks Frank Ryan and Billy Wade sparked both the Browns and Bears. Ryan, who took over for the injured Jim Ninowski last month and has kept the Browns in contention, tossed three TD passes and picked up 294 yards through the air.

He had help for the second straight week from fullback Jimmy Brown, now recovered from a wrist injury. Brown scored three times and upped his TD total to 15. He picked up 110 yards rushing for a season total of 787, well below the Packers' Jimmy Taylor, who leads with 1,168.

Wade all but drove the Colts out of Baltimore's Memorial Stadium, throwing three scoring passes and racking up 225 yards passing after being criticized last week as the prime reason for his team's dismal season.

The Eagles (3-8-1) mapped a seven-game winless streak with Sonny Jurgensen hitting Tommy McDonald with one TD pass and racking up 225 yards passing after being criticized last week as the prime reason for his team's dismal season.

Houston didn't catch up until Blanda came back. He connected on a 16-yard touchdown play then passed for a two-point conversion to tie it 27-27 before adding the winning margin on field goals of 22 and 39 yards.

Dallas, on the verge of ending San Diego's two-year stranglehold in the West, had a much easier time against Oakland. Dawson threw his 25th and 26th touchdown passes of the season and scored one touchdown.

Haynes ran for two touchdowns, equalling a league record of 18 for a season. He has three games in which to break the mark. Haynes scored on runs of 33 and 19 yards, breaking his own league record of 10 touchdowns scored by rushing.

New York edged Denver 46-45 Thursday and Boston whipped Buffalo 21-10 Friday.

Houston's triumph kept the Oilers a one-half game in front of Boston in the East, while Dallas clinched at least a tie for the top in the West. The Texans have a 9-2 record, second-place Denver 7-5. One more Texas victory or Denver loss will secure the title for Dallas.

Blanda, who could complete only one of nine passes in the first quarter, was benched in favor of young Jack Lee. San Diego quickly established a lead as rookie John Hadl threw touchdown passes of 32, 26 and 12 yards.

Sunday Revolt In Guatemala Crushed

By ALVARDO CONTRERAS
GUATEMALA (AP)—The Guatemalan army quickly crushed a Sunday morning revolt in which the government said pro-Communist air force rebels strafed the presidential palace and an army barracks with machinegun and rocket fire from two command-er warplanes.

President Miguel Ydigoras Fuentes charged that the abortive coup was "one of the many" directed at his republic by Cuban Prime Minister Fidel Castro.

Two civilians were reported killed. Mrs. Philip Snare, of Buffalo, N.Y., wife of the political attaché to the American Embassy, was among some 30 persons injured. A bullet struck her in the arm as she stood by a window.

Most of the other injured, including a number of children, were struck by bullets from the

rebel planes attacking the barracks. Antiaircraft batteries downed one plane. The pilot was presumed killed.

Ydigoras, 67-year-old army general, said his office and the bedrooms of his grandsons received several direct hits. The president and his grandsons were in other rooms when the shooting started at 9:30 a.m.

About 2½ hours later all shooting ceased and the government reported the situation was well under control.

Several rebel air force officers were arrested by army troops. Other rebels, including four colonels, the government said led the surprise uprising, fled or took asylum in foreign embassies.

Ydigoras told the nation in a broadcast "this revolt is one of many directed us by Senor Castro."

He said that Arnulfo Parada Tovar, former director of the Guatemalan University Students Association, had received \$300,000 from Cuba to finance the uprising. Ydigoras has blamed Castro sympathizers or Communists for other riots, revolts and plots that have plagued this Central American since he became president in 1958.

Anti-government activity increased after Ydigoras announced last January that some of the Cuban exiles in the ill-fated Bay of Pigs invasion of 1961 had trained in Guatemala.

Police patrolled the streets Sunday night but Ydigoras said in a telephone interview "it is not necessary to suspend constitutional liberties." Civilians resumed normal activities.

Four Die In Auto Crash

WYNNEWOOD, Okla. (AP)—Four persons were killed Sunday night in a two-car collision on a fog-shrouded highway near here.

The victims were David Garrett, 25, of Wynnewood; George Moore, 31, and Frank Humes, 46, both of Ardmore; and Nell Ream, 32, of Oklahoma City. Moore and Humes were in a car driven by Garrett. The woman was in a car driven by Clarence Davey, 54, of National City, Calif. Davey suffered chest and knee injuries and was listed in serious condition.

The Highway Patrol said the car driven by Garrett pulled out from a private driveway into the path of Davey's car. The accident occurred on U.S. 77, four miles south of here in southern Oklahoma.

Texas Tops Nation In Violent Deaths

By The Associated Press

More people died violently in Texas than in any other state during the Thanksgiving holiday weekend.

Traffic accidents took 43 lives and other causes welled the grim toll to 65 in the period from 6 p.m. Wednesday to midnight Sunday.

Several auto crashes were laid to highways left slippery by rain. There were four deaths in two plane crashes, near Palfurris and Fredericksburg.

Among the latest victims were: Linda Hawkins, 10 months old, was killed Sunday when she fell from a car driven by her mother, Mrs. Maude Hawkins of Conroe. The vehicle ran over her before the mother could stop. The accident occurred 8 miles east of Conroe.

Alfred Withrow Jr., 22, of Dallas, a junior at Texas Tech, was killed Sunday in a two-car collision 6½ miles east of Benjamin in West Texas on U.S. 82.

Garland Pittman, 43, of Shreveport, La., plumbing contractor, was shot and killed Sunday in a hunting accident 15 miles north-

east of Marshall. Harrison County Deputy Sheriff Kenneth Goldman said Pittman stepped outside a hunting lodge as a deer rifle being cleaned by a companion, H. E. Simpson, accidentally discharged. The bullet penetrated a wall of the lodge.

Tom Bowen, about 40, a switchman for the Texas & Pacific Railroad, was crushed to death Sunday between two box cars at Sweetwater.

A car struck and killed Minor Kent, 38, Rt. 1, Alapaha, Ga., Sunday night as he walked along U.S. 281 just south of Burk Burnett in Northwest Texas. Officers said the driver told them the lights of other vehicles blinded him and he could not see Kent.

Mrs. Elizabeth Richardson, 44, of Vidor was thrown from a car and killed at Loebe, 3 miles north of Beaumont, as two autos side-swiped Sunday night.

A bullet from a .22 rifle struck Frank Salcido, 19, of Odessa in the head and killed him Sunday night at Pecos. The shooting occurred at the home of Victor Catano, 17, quoted by officers as saying he was "just fooling around" with the weapon. County Atty. Darrell Glover said it was an accident.

Gary Thulis, 6, son of Mr. and Mrs. William Thulis of Irving, died in a Greenville hospital Sunday of injuries suffered Thanksgiving Day in a collision 3 miles west of Farmersville in Collin County. His mother and a Dallas girl, Betty Perry, 14, were killed in the crash.

Miss Willa Cook, 21, of Geneva, Tex., a student at Texas College in Tyler, was killed Sunday in a collision on Highway 59 about a mile south of Carthage. Five other persons were injured.

Ex-German Chief Leads Simple Life

By ARTHUR RISTAU

NORWICH, Vt. (AP)—He is an old man now, alone with his memories in a simple cottage on a knoll overlooking this picturesque Connecticut River town.

Thirty years ago Dr. Heinrich Bruening, soldier, politician and scholar, held in his hand the destiny of a mighty country. Bruening, 77 years old today, was chancellor of Germany during two tumultuous years when he led an unsuccessful struggle to maintain a democratic government in that strife-torn country.

His resignation was forced on May 30, 1932, during the last desperate months of the German republic.

Seven months later the chancellorship was entrusted to the man who would bring an end to a 12-year attempt to make democracy work in Germany—Adolf Hitler.

Bruening was leader of the Catholic Center party when he assumed the chancellorship. He had won the Iron Cross as a machine-gunner captain during World War I. Less than two years after leaving office he was marked for murder by Hitler and was forced to flee in disguise to this country as a political refugee.

Bruening first came to Norwich a year after leaving Germany to deliver a series of lectures at nearby Dartmouth College. He moved here several years later after retiring as Littauer professor of public administration at Harvard.

His last public appearance, friends say, was made four years ago at Dartmouth. He called then on former President Theodore Hues of West Germany, who came there to receive an honorary degree.

He lives almost complete obscurity, spending most of his time in a small, book-crammed library which also serves as a living room in his little house. He is writing his memoirs.

Bruening refrains from making public political observations and declines newspaper and television interviews.

James H. Meredith has returned to the University of Mississippi campus to start his ninth week of classes. The Negro student, who had been away since Wednesday for the Thanksgiving holiday, was accompanied to the Oxford, Miss., campus by seven federal marshals in three cars.

Pope John XXIII, celebrating his 81st birthday, says "Any day is good day to be born and any day is a good day to die."

The pontiff made the remark at the Pontifical University of the Congregation for Propagation of the Faith in Rome. He said: "We are at the start of our 82nd year. Will we arrive at the end of it? We are not excessively concerned. Any day is a good time to be born and any day is a good time to die."

It was the second time within a month that Pope John had spoken of his advancing age and his readiness to meet death. He told a general audience on Oct. 31 that he was growing old and added: "I always think of the other shore and submit to the will of the Lord, whether he decides to keep me here or call me to him."

Physicist Robert J. Satory, employed in Wallingford, Pa., until recently, left the United States with his wife and 18-month-old daughter to escape nuclear fallout.

"I believe it is best to get to the Southern Hemisphere where the amount of fallout, by test, is only one-tenth that in the Northern Hemisphere," said Satory, 37, before he and his family departed from Miami by ship to start a new home in New Zealand.

Kilroy Not Here Anymore

BOSTON (AP)—James Kilroy, 60, who became a World War II legend, with the slogan "Kilroy was here," died Saturday night. The words "Kilroy was here," coupled with a sketch of a man peering over a wall, appeared all over the world, wherever American soldiers went.

The Kilroy legend had an unpretentious beginning.

Kilroy went to work as an inspector at the Bethlehem Steel Co.'s shipyard in Quincy two days before the Japanese attack on Pearl Harbor, Dec. 7, 1941.

In the course of his duties, Kilroy started marking "Kilroy was here" on equipment to show test gangs he had checked a job.

But soon the words caught on at the shipyard and Kilroy began finding his slogan written all over the installation.

It wasn't long before the phrase spread far beyond the bounds of the shipyard and the name Kilroy became one of the most famous to come out of the war.
