

NICHOLS' WORTH

By: Nanalee Nichols

Raise your hand if you are self-conscious and embarrass easily. Of course, if that is the case, you're too embarrassed to raise your hand...right?

Somewhere in the hazy mists of time, I can recall being easily embarrassed. I can recall lying awake after saying something really stupid and worrying about the matter.

I remember when I was embarrassed to be seen making my way to a public restroom, and having difficulty ever striking up a conversation with strangers.

The newspaper business broke me of all that years and years ago.

Events such as barging in on people to do an interview, and finally finding out that I was in the wrong house tend to boil a little of the shyness away.

The first time I ever had to walk down the sideline at a basketball game to take pictures, I was sure every eye in the gym was pinned on me.

A few months of that and I realized I was flattering myself...no one cared if I was run over by the players as long as I didn't interfere with the course of the game.

After a few years of climbing up on fire trucks, laying down on the grass or crawling up on top of my car to get the best camera angle while bystanders looked at me strangely, I completely forgot that there was anything embarrassing about the situation.

The person who wouldn't raise their voice at a public meeting vanished somewhere along the line, to be replaced with someone who could bellow at a line up of "antsy" teenagers, "Don't move, don't even breathe until I tell you to...stay where you ARE".

I learned to interrupt meetings to ask questions, to speak in public without blushing beet red and to stand in the middle of a football field to take homecoming pictures without feeling conspicuous.

It's excellent training. I may even consider starting up a course to help people develop their own self-confidence.

Through the years I've learned that being chewed out over the phone, or having an irate citizen yell at me in anger because they disagree with me isn't fatal. I've figured out that everyone is going to have a side...and no matter what we say, sometimes we're going to find that both sides think we're against them!

Somewhere along the line I figured out that everyone has to go to those public restrooms...and when they aren't available, just head for a nice clump of bushes.

Oh, yes, I've changed a whole lot over the years.

But my husband says I may have aged a tad too far. When we were in Oklahoma recently with friends, he nearly died of embarrassment when my friend and I stationed ourselves in a handy, close to the door parking place and proceeded to turn attempted parkers away, calmly saying "I'm sorry, we are holding this for someone." The guys brought the car around and took the parking space, but they were both so bright red they glowed!

Dimple Reservoir Vote To Be Recounted

Ballots cast in the September 19 election to approve Dimple Reservoir will be officially recounted on Thursday, October 1, the Red River County Water District Board decided in an emergency meeting September 28.

The Board's action was in response to a petition for recount filed by Joe Bearden of Avery on behalf of the "Red River County Committee

Against Unfair Taxes."

The Board approved eight members named by James Vaughan, Jr., President of the Water District Board, in his capacity as Recount Supervisor. Four of the eight members of the official Recount Committee for recount of Confirmation, Bond and Maintenance Tax Election were suggested by the group that had

petitioned for the recount.

The committee will begin its work at the Red River County Courthouse, in chambers underneath the office of the County Clerk, at 8:30 a.m. on October 1, the Water District Board decided after consultation with the petitioning group.

"Petitions for recount are allowed when the voting margin is less than

ten percent," said Vaughan. "We have received such a petition, and are proceeding under the recount procedures laid down in the Texas Election Code."

Don Cole of Avery, vice-president of the Water District Board and a proponent of the recount, said after the meeting that "the purpose of the recount is to determine whether there

were any errors of addition that we would regret for twenty-five years."

Named members of the Recount Committee by Vaughan and approved unanimously by the Board were Alton Kennedy of Annona, Chairman; Jorene Carpenter of Detroit; Charles English of Annona; Charles Fry of Clarksville; George Giddens of the Negley area; John Howison of Bogata; Dan St. Clair of Detroit and Willie Jo Warren of Avery.

Dear Friend:

Your story in the Bogata News was very interesting to me. I went to school where you did and spent a night with your sister, Annie Mae. I have lived next door to Agnes, your wife. Now, this is a puzzle I want you to work with only a few clues. It calls back about 60 years of time passed. I love to turn back pages of time. Your story has traveled from the Prairies of Texas to the Gulf of Mexico. I am enclosing my phone number. If you guess who I am, call the number and ask for me by name. I am very busy. I do a lot of sewing and have a garden. As far as I know I am in good health, thank goodness! Time is passing fast. Guess Who and Good Luck.

(This letter was received by Herman Guess in response to the article about the 90 year old family chair in the Sept. 17 issue of the Bogata News. Mr. Guess has been quite busy doing detective work. He hasn't come up with a name yet, but is still investigating.)

RULES OF THE GAME

CLIP OUT THIS PAGE AND MARK YOUR CHOICE OF WINNERS OF THE GAME THAT APPEARS IN EACH OF THE ADS ON THIS PAGE.

GUESS BOTH THE WINNER AND THE SCORE FOR THE GAME MARKED "TIE-BREAKER", THAT APPEARS ON THIS PAGE.

Tie-breaker game winner will be counted with other games but tie-breaker game score will be used only to break ties among contestants, with the game winner first, margin of victory second, total game points third and total points by winner fourth. If still tied, the prize money will be divided equally.

Rebels Scalp Indians

By Stan Anderson

The Rivercrest Rebels grabbed their first win of the 1987 football season by knocking off the Carlisle Indians in Jhntown last Friday. The Rebs used a powerful running attack and a near flawless passing game, overpowering the Indians 40-13.

Rivercrest began its scoring frenzy six minutes into the first quarter when Reb defender Jimmy Lewis intercepted an Indian pass on the Rivercrest 49-yard line. Then as in last week's game, tailback Scooter Brown made quick work of the Indians defense, racing 51 yards for the first touchdown of the contest. The PAT attempt was no good, but Rivercrest had an early 6-0 lead.

The Indians returned the ensuing kickoff to their own 45-yard line and quickly chewed off 25 yards before the Rebel defense forced the Indians hand on a fourth down and inches attempt. The Rebs threw Carlisle quarterback Steven Searcy for a one yard loss and took possession on their own 45-yard line. The hard-running efforts of fullback Geary Savage and Scooter Brown pushed the ball to the Carlisle 32-yard line. The Rebs then opted to pass on a second down but were unsuccessful. But on a third down and eight play, quarterback Bradley Woods hit split end Marvin Anderson for a 31-yard completion. Fullback Geary Savage did the honors from there, carrying the ball over from the one yard line. An attempt at a two-point conversion failed as the Rebels led 12-0.

The next Rebel score was set up by a swarming Rebel defense that backed the Indians up to their own 22-yard line before recovering a fumble on the 14-yard line. Reb quarterback Bradley Woods again went to the air, finding tight end Dennis Ewing alone in the endzone for the third TD of the evening. Donald Combs booted the Rivercrest extra point attempt through the uprights giving the Rebels a 19-0 score.

The Indians decided to pass on their next possession but found the Reb defense airtight and were forced to punt the ball back to Rivercrest.

The Rebels continued to pour it on the Indians though as backup quarterback Donald Combs scrambled free from the clutches of the Carlisle defense to complete a 34-yard pass to

sophomore split-end Jeremy Abshire, giving the Rebs a first and goal on the one yard line. Clint Tidwell carried

the ball in on the next play, the point after was good and Rivercrest took the 26-0 lead into the locker room at halftime.

The Indians were on the war path in the third quarter, pushing the ball to the Reb 4-yard line before a brilliant goal line stand had the Indians out of the endzone and gave the Rebels possession at their own four. But disaster struck the Rebs two plays later as they fumbled the ball back to Carlisle on the Rebel 17. The Indians wasted little time taking advantage of the Reb miscue when quarterback Steven Searcy hit Glen McElroy with a 15-yard scoring strike, making the score 26-6.

Once again the Reb offense stalled and was forced to put the ball back to Carlisle. The Indians had excellent field position at the Reb 31-yard line. Running back Kenneth Gill needed only one play as he scored from 31 yards out. The Indians made good on the PAT kick and only trailed 26-13 going into the final quarter.

Rivercrest was still full of life as the Rebs answered with another big play of their own as sophomore Marcus Savage weaved his way through Carlisle defenders for a 39-yard TD. Now, Rivercrest had a substantial 33-13 lead.

The Indians next possession was a futile attempt, netting them one yard before punting.

Again the Rebs took over near midfield. This time mainly with JV players. But even the junior varsity players would not be stopped as they marched downfield with freshman fullback Shane Beers scoring the final touchdown of the evening as the Rebels routed the Indians 40-13.

The Rebels will be at home this week to face the Redwater Dragons for the Rivercrest Homecoming game. The homecoming ceremonies will begin at 7 p.m. and game time is set for 7:30 p.m.

SURROUNDED-Jimmy Lewis finds nothing but hostile Indians at the end of this running play against Carlisle. The Rebels evaded the Indian attacks, however, and won their first victory of the season decisively, 40-13. (Staff Photo by Stan Anderson)

There's a better way to save.

When you put your hard earned money in a mattress, all it does is sleep. What you want is to put it to work for you, earning interest, and that's where our many savings plans, money market accounts, IRAs and CDs come in. They're all high interest-earners

and each offers the added protection of being insured by the government for up to \$100,000. (That's something your mattress won't do.) We have savings plans that will fit your needs and budget and we'll be glad to tell you about them. Stop in anytime.

If you smell gas, here's what to do.

You can't smell gas in its natural state, so Arkla adds a distinctive odor to make leaks easier to detect. Natural gas is clean, safe and efficient, but, if you smell gas in your home, there are certain things you should do.

If the odor of gas is **light**, the source of the leak is probably one of your gas appliances. Occasionally pilot lights will blow out, so first check each of these. While you're doing that, make sure each of the burners of your range and oven are turned completely off. In most cases, these two checks will solve the problem.

If the odor **grows stronger** and you can't locate the source, here's what to do:

- **ventilate** your home by opening all windows and doors. Doing this will prevent a concentrated build-up of gas in your home.
- **extinguish** all open flames. Don't use matches. Don't turn on light switches or use electrical or battery-powered equipment that might create a spark.
- **get out** of your house and call Arkla from an outside phone. Wait there until our service representative arrives.
- If you know where your meter is located, **turn off** the gas to your home by using the shut-off valve at the meter.

Tear this out and keep it in a safe place for future reference. Natural gas has an excellent safety record, and by following these suggestions, you can help keep it that way.
