Russia Hints She Won't Sign Treaty; West Sees Early End

POLE PROTESTS DURING TALK

While Kenneth Younger, chief British delegate talks, Stefan Wierblowski, Poland's top delegate to the Japanese Peace conference in San Francisco, continues protesting to acting conference chairman, Secretary Acheson, upper left, that Poland as a sovereign nation, was entitled to speak for more than five minutes.

British Money Troubles Up For Discussion

WASHINGTON, Sept. 6, (AP)—Britain's current financial troubles came up for top level discussion today at the beginning of a series of international conferences which will cover the whole range of the free world's problems.

Hugh Gaitskell, British chancellor of the exchequer, arranged a talk with Secretary of the Treasury Snyder. The British are having difficulties in paying mounting prices for goods they must import.

Friday, preliminary U. S.-British-French talks will get under way, to be followed by a session of the Big Three foreign ministers on Monday.

Lower-echelon experts of the three governments are to meet at the State Department in an effort to agree on the main points of a postwar settlement wih the West German republic.

Secretary of State Acheson, British Foreign Minister Herbert Morrison and French Foreign Minister Robert Schuman are to review whatever decisions their experts make and to tackle unsettled German issues at their conference here on East-West strategy.

Arriving in the U. S. Wednesday, Gaitskell said prices of Britain's imports have gone up 40 per cent since last year. He forecast a 1951 deficit in British balance of payments with the rest of the world.

He left open whether the U. S. will be asked to waive the first annual interest payment of $76 million due this year on the $3.75 billion loan this country extended in 1946 to help pull Britain out of a postwar economic crisis.

Gaitskell, known as a troubleshooter in the Attlee government, said he would discuss with Snyder the whole range of British economic problems, including Britain's continuing trade with Russia and the Soviet bloc.

Britain has taken the position that the increasing cost of imports, due in large part to Western rearmament, is imposing as great a burden as the British share in the build-up.

MOVIE PEOPLE HAVING TROUBLE WITH COLLECTORS

HOLLYWOOD, Sept. 6. (AP) — Hollywood is having its money troubles, too.

Errol Flynn's last yacht (he's down to one) is the basis for a demand by Los Angeles County for $3,230.01 in back taxes and penalties. The county claims that Flynn hasn't paid taxes on the yacht, Zaca, for 1950. The vessel was assessed for tax purposes at $49,880.

The Zaca is reported to be anchored at Kingston, Jamaica, where the actor spends some of his time.

Joan Bennett filed a suit of her own, Wednesday. She asked the courts to prevent the Bank of America from foreclosing on her $150,000 Holmby Hills residence and selling it.

The actress said the bank has no right to levy on her property because a mortgage on her house was not given for a $570,000 loan the bank made to her husband, Producer Walter Wanger, to make a picture in which she was starred.

Gov. Earl Long Steers Clear 'Defame' Case

LAKE CHARLES, La., Sept. 6. (AP)—Gov. Earl K. Long declined to step into the case of five Lake Charles newspapermen charged with defaming 15 parish (county) officials and three admitted gamblers.

The governor said he didn't think he had the power to suspend Sheriff Henry Reid of Calcasieu Parish and District Attorney Griffin T. Hawkins.

Reid, Hawkins and 11 members of the police jury (parish governing body) were the officials allegedly defamed.

The People's Action Group, an organization of citizens joining the Lake Charles American Press in a crusade against gambling had asked that both be suspended.

Long told newsmen in Baton Rouge Wednesday:

"They have a recall law. If a sufficient number of names certified by the proper authorities is submitted to me from that parish I will follow the law and call the (recall) election."

The governor defended freedom of the press:

"If it were left up to me, I wouldn't try to hamstring the newspapers. I would let them run wild."

His stand drew criticism from Attorney James Dewey O'Brien, a 30-year-old officer of the PAG. O'Brien said:

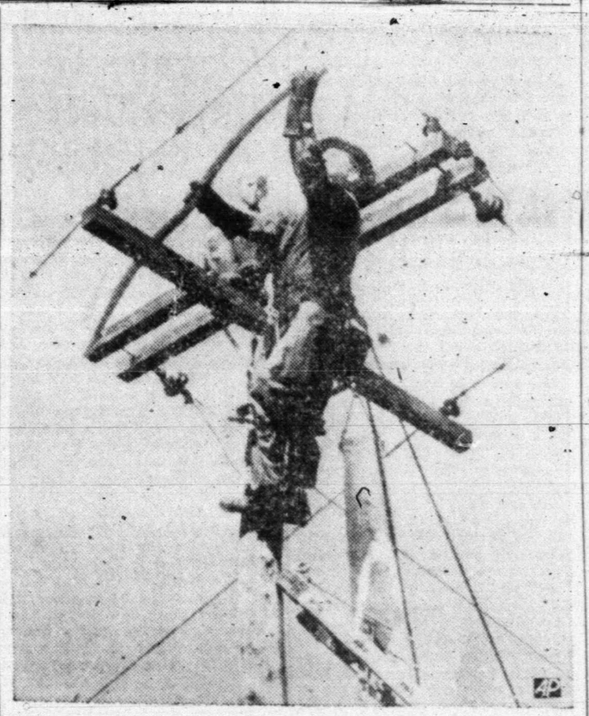
"That sounds like more double-talk. If he doubts his power to institute proceedings to remove or suspend the sheriff and district attorney he should read the Constitution more carefully."

The case involves managing Editor Ken Dixon and four others on the American Press. Dixon, an organizer of the PAG, was indicted on charges of defaming district attorney Hawkins by using the phrase "legal double talk" in commenting on a statement on gambling made by one of Hawkins' assistants.

Long elaborated on his ideas concerning newspapers with:

"I know a lot of times they go beyond reason. Still I think they should be permitted to blackguard anyone, say anything they want to. All of them don't but some do.

"Whatever they believe in, they put on page one. If a man answers it, they leave half of it out and put that on page 66. That's the kind of privilege newspapers have always enjoyed. Those kind of tactics are what made me governor."



HIGH-POWERED PERCH

Ten-year-old Dick Dear climbed this 35-foot high-tension power pole in Massena, N. Y., to rescue his cat. The cat climbed down unassisted and left Dick trapped between four 4,800-volt power lines. An unidentified power company employe is about to rescue Dick from his precarious perch. The lineman carried the boy past the wires and down a ladder.

Walkout, Or War Threats Are Possible

By JOHN HIGHTOWER

SAN FRANCISCO, Sept. 6. (AP)—Soviet Russia, crushed Wednesday in her big move to stall the Japanese peace conference, angrily denounced the Japanese peace treaty sponsored by the United States and Britain and indicated she would not sign it.

But the Western powers, jubilant with their unexpectedly swift victory over the three-power Communist bloc, predicted the conference now will roll along steadily to the treaty signing Saturday, as scheduled.

Representatives of 10 nations were listed to speak in two working sessions today the second full day of the historic meeting.

Russia's Andrei Gromyko called the treaty "an aggressive military alliance with the United States" and branded it a "preparation for a new war in the Far East."

He took such a battering on every move he made Wednesday that some Western delegates believed he might be seeking new instructions from Moscow.

WAR THREAT POSSIBLE

Anything from a walkout to new and stronger threats of war in the Far East was considered possible for the Russians, and their Polish and Czech satellite delegations, in view of the situation which has developed here with extraordinary speed.

Gromyko told the conference that what the United States and Britain are sponsoring "is not a treaty of peace but a treaty for the preparation of a new war in the Far East."

Instead of providing for withdrawal of foreign (that is, American occupation) troops, he went on, "it insures the presence of foreign armed forces on the territory of Japan and the maintenance of foreign military bases in Japan even after the signing of a peace treaty."

"Under the pretext of self-defense of Japan," he said, "the draft provides for the participation of Japan in an aggressive military alliance with the United States."

CHANGES REQUESTED

Gromyko wound up his speech with a proposal of 13 major amendments to the British-American draft. These included provisions to force American troops out of Japan, bring Red China into the peacemaking, and give Formosa to Red China. Only such changes, he declared, would make the treaty acceptable to Russia.

He got isolated applause from the Communist delegates and advisers — and a loud explosion of "boos" from the spectator sections. The spectators were reprimanded by conference vice president Percy C. Spender of Australia as Gromyko stalked to his fifth row seat.

Altogether the day was one of the roughest a Soviet delegation ever experienced in a public session of a major ineternational meeting. In only two hours at the outset Gromyko lost the rules fight that had been expected to last all day at least.

In short order, after lunch, Ambassador John Foster Dulles, speaking for the United States, and Kenneth Younger, minister of state, speaking for Britain, extolled the proposed treaty. They said it opened a new era in the history of Japan and bolstered prospects for peace in the Pacific.

Flood Danger Eases Along Kansas River

KANSAS CITY, Sept. 6. (AP)—A flood threat to metropolitan Kansas City's industrial districts eased today as rains dinimished and the rampaging Kansas River dropped steadily upstream.

The industrial areas remained on the alert, however. They are still recovering from a July flood that caused an estimated $2.6 billion damage in Missouri and Kansas.

President Truman, spending a brief visit in his home state after attending the Japanese peace treaty conference in San Francisco, planned to tour the flood-harrassed districts late today.

Army engineers expressed "reasonable confidence" no new flooding would occur but continued around-the-clock work on dikes.

The weather bureau lowered its crest prediction from 31 to 29 feet and the dikes are believed capable of containing the Kansas River at that figure.

Businessmen in three threatened districts — Argentine, Armourdale and Central — took precautions, however. Merchandise and machinery were moved to upper stories. Railroads moved their freight cars to higher ground.

Two major packing plants, — Armour and Wilson — suspended operations. The Kansas City stockyards placed an embargo on all livestock shipments.

West of Kansas City, the Kansas River spilled out over some farmlands.

At Topeka, the state capital, the river fell steadily. Approximately 2,500 residents of North Topeka had been evacuated as a precautionary measure, but the river did not overflow there.

Some towns were partially flooded. Waters from the Jarias des Cygnes River spread over three business blocks in Ottawa, about 60 miles southwest of Kansas City.

At Salina dry creek spilled into a north Salina area.

Two Haskell Wildcats Set Near Stamford

Locations for two wildcats have been staked near Stamford in Haskell County.

Hunter & Hunter of Abilene will drill the No. 2-E Pardue five miles northeast of Stamford. Drillsite is 660 feet from the most westerly east line of section 6-5-H&TC. That puts it 2,880 feet northeast of the No. 1 Pardue. The new test will drill to 3,500 feet.

One and one-half miles northwest of Stamford, E. K. & E. Burt and others of Wichita Falls have spotted the No. 2 Swenson Brothers. Location is 1,320 feet from north and 330 feet from west lines of section 13-1-BBB&C.

The new location is 900 feet south of the No. 1 Swenson, a dry hole. The No. 2 Swenson will drill to 3,100 feet.

FAILURE

Woodley Petroleum Corp. and W. W. Walton No 1 Minor Alexander, Southeast Stonewall County wildcat, has been plugged and abandoned as a dry hole at 3,617 feet in the Swastika.

That zone was topped at 3,510 feet.

The failure is 2,200 feet from north and 330 feet from east lines of section 10, William Vardeman survey, and one and one-half miles northeast of the Moutray - Moore field.

RECOVER OIL

Operator is now running electric log surveys at the C. L. Norsworthy, Jr., No. 1 G. G. Wright, Jr., and others, Northeast Dawson County wildcat, after recovering oil, drilling mud and a little salt water on a drillstem test in Spraberry sand and shale.

The drillstem test was run from 7,314 - 7,323 feet. With tool open 10 hours, recovery was 4,790 feet of oil, 110 feet of drilling mud and 10 feet of salt water. Gas was at the surface in 24 minuutes.

An earlier drillstem test was run at 7,290 - 7,310 feet. Tool was open two and one-half hours. Recovery was 30 feet of slighly oil cut mud.

Surveys are now being run to 7,323 feet.

The project is a north offset to the James H. Snowden No. 1-30 Carrie S. Dean, a Spraberry discovery. It is 12½ miles northeast of Lamesa in section 19-1-t6n-J, Poitevant survey.

DAWSON COUNTY

Greenbrier Oil Co. No. 1 M. C. Lindsey, Central - West Dawson wildcat, is drilling in lime and shale below 9,008 feet. It was started to dig to 13,500 feet to test the Ellenburger. Drillsite is 13 miles west of Lamesa in section 132-M-EL&RR.

Mercury Back to 100

The mercury climbed to 100 degrees here yesterday as summer heat continued to hold the state in a strong grip. The low recorded before dawn today was 70 degrees, but the temperature had started upward to reach 74 degrees by 7:30 this morning.

Draft Call To Be Increased

WASHINGTON, Sept. 6. (AP)—The Defense Department raised its October draft call today from 41,000 to 44,600 men.

The additional 3,600 men will go to the Marine Corps which has asked for 8,600 in October. The remaining 36,000 will go into the Army.

The department also asked for 33,700 draftees in November. The Army will get 29,000 and the Marine Corps 4,700.

Since the draft resumed last September, it has been asked for a total of 712,480 men, including the October and November calls.

The Marine Corps resorted to the draft in August for the first time since the war. Its requests for draftees through November total 26,480 men.

Neither the Navy, nor the Air Force has asked for draftees since the outbreak of the war in Korea and the raising of the military power goal to about 3.5 million men.

Scurry Farmers Urged To Attend Railroad Hearing on Feed Rates

If Scurry County livestock growers are interested in obtaining emergency feed rates, they should send a representative to the Railroad Commission hearing at 9 o'clock Sept. 13 at the Driskill Hotel, Austin, O. M. Fowler, county agent said today.

Fowler received a letter from Charles A. Stewart, traffic counsel of the Livestock Traffic Association, Fort Worth, which urged those interested to be in attendance and present their cases.

If a county fails to have a representative at the hearing, it will be presumed that no need exists for such emergency rates, the letter stated.

Cottonseed meal cake is being extensively used for feed in this area by livestock growers, and such reduced rates would be of much benefit to them, said Fowler.

Allies Fight Out of Trap

EIGHTH ARMY HEADQUARTERS, Korea, Sept. 6. (AP) —Thousands of tank-supported Chinese surrounded an Allied unit in a surprise attack today on the Western Front. The Allies fought their way out in an 18-hour battle.

United Nations infantrymen and supporting airmen said they killed more than 400 of the 3,000 attacking Chinamen.

On the opposite end of the front North Korean Reds drove U. S. Marines back 400 yards on the northern edge of the Punch Bowl, 20 miles north of the 38th Parallel. The Leathernecks counterattacked and regained the lost ground.

Chinese attacking on the long-quiet Western Front, seven miles north of Parallel 38 were supported by eight tanks. One intelligence officer said 20 Russian-type tanks were seen in the area.

Postal Receipts Drop Under August, 1950

August postal receipts here dropped $1,209.87 under the same month in 1950, H. D. Moreland, postmaster, said yesterday.

Total receipts for August were $7,604.95, as compared with $8,814.82 in August of 1950.

Non-Defense Use of Metals Slashed Again

WASHINGTON, Sept. 6. (AP)—The government today cut still farther its allowances of three vital metals — steel, copper and aluminum —for use in making ordinary consumer goods. The new cuts become effective Oct. 1.

An order from the National Production Administration (NPA) directs that manufacturers of such goods must limit their steel use to 58 per cent of the pre-Korean War level. This compares with a 70 per cent limit now for household appliances and 65 per cent for automobiles.

Copper use was ordered cut from 60 to 54 per cent, and aluminum from 50 to 46 per cent.

Manly Fleischmann, NPA administrator, said that if the copper strike continues there will have to be further cuts in output of passenger automobiles, radios, washing machines and other consumer items.

Thousands of items, ranging from piano wire to safety pins, come under the order holding steel use to 58 per cent for household products. But larger allowances are permitted for many items which NPA regards as industrial or semi-industrial although classed as consumer goods.

For instance, steel for electric light bulbs was set at 90 per cent; furniture for hospitals, doctors and dentists, 70 per cent; hospital utensils, 75 per cent; license plates, 100 per cent; clothing and uniform fasteners, 65 per cent, and food machinery, 76 per cent.

Senate Authorizes Transfer Of Ships

WASHINGTON, Sept. 6. (AP) — Legislation to authorize transfer of 24 destroyer escort ships to friendly nations was passed by voice vote in the Senate Wednesday, sending it to the White House.

Fifteen of the ships have already been transferred — six to France, eight to Brazil and one to Great Britain. Under the measure, France would get two more, Denmark and Uruguay would get two each and Peru would get three.

The recipient nations would pay refitting costs.

Special Farm Loans Sought

The County agricultural Mobilization Committee has gone on record asking that Scurry County be placed on the disaster area list because of the prolonged drouth, it was announced today by Elsworth Jones, secretary of the committee.

B. C. Drinkard, administrator for the Farmers Home Administration office here, has been designated to ascertain from local banking institutions if they concur in the opinion of the committee.

If Scurry County is designated as a disaster area, farmers could obtain drouth emergency loans through the Farmers Home Administration, provided they were unable to obtain such loans from other sources, Jones said.

The application for disaster area designation will be sent to the FHA state office at Dallas, but final word would have to come from the Washington headquarters.

Guy Glenn is chairman of the committee here.

Careless Worms Add To Farmers Misery

First the drouth, then the careless worm.

Scurry County cotton farmers, facing the worst crop failure in a decade because of the drouth, have in the last few days suffered another blow — an invastion of careless worms.

"The infestation was first noticed last week," O. M. Fowler, county agent, said. "It has now invaded even the plant life in Snyder. Much of the cotton which was able to survive the drouth in the northern, southern, and eastern portions of the county has been infested by the careless worm."

"Whole fields north of Snyder have been devastated by the worm," Fowler reported after an inspection made yesterday.

Other areas around Fluvanna have been hard hit by the pests, which lay the fields bare.

"Many of the farmers whose cotton would not have yielded much are just letting the worms have it, because of the expense of dusting or spraying the fields," the county agent reported.

To combat the worms, which are stripping the foliage from many of the county's cotton fields, Fowler offered the following instructions:

For dusting, use 2-10; 3-5-40; or 2-10-40.

And for spraying, 2-1, which calls for four pounds of toxadine and two pounds of DDT per gallon.

Additional information on dusting and spraying is available at the county agent's office in the courthouse.

Back-to-Work Order Given

DENVER, Sept. 6. (AP)—A back-to-work order went out today to 8,000 members whose strike virtually shut down domestic production of copper, lead and zinc.

John Clark, president of the Independent International Union of Mine, Mill and Smelter Workers, telegraphed all locals to have their members back on the job as soon as possible.

His order late Wednesday night followed a district court move to halt the strike.

U. S. Circuit Judge Alfred P. Murrah of Oklahoma City, sitting for District Judge Lee Knous, granted a restraining order at the request of U. S. attorneys Wednesday. President Truman asked the Justice Department to take action under the Taft-Hartley Law and a request for the injunction was flown to Denver from Washington, D. C.

Says Highway Deaths To Be More Than '50

ABILENE, Sept. 6. (AP) — Capt. J. O. Musick, general manager of the Texas Safety Association, predicted today that the state's highway death toll this year would top last year's 2,410.

Lack of education and lack of superior law enforcement contribute to the carnage he declared. Disregard for human rights on the part of the individual motorist also is a factor he added.

He said the present 450 highway patrolmen are "far from enough."

Musick said drunken driving, high speed and violation of rights-of-way were main causes of the 45 Labor Day traffic deaths.

"It seems we're powerless to do anything about it," he added.

Heat Drops in Several Parts of State, But Others Still Simmer

(By The Associated Press)

A lot of Texas places are having relief from 100-degree weather.

Quite a few points have fallen into the nineties the past few days. Wednesday, for instance, Wichita Falls had only 99, Dalhart showed 87, Houston 88 and Beaumont 89.

Some places went right on melting. Presidio had 106, Cotulla 102, Laredo 101 and Fort Worth, Del Rio, Alice, Childress, Salt Flat and Mineral Wells 100.

Scattered showers and breezes from the south and southeast cooled off many places.

The forecast was for scattered showers today.

Iran's Parliament Hung On Ultimatum

TEHRAN, Iran, Sept. 6. (AP)—Premier Mohammed Mossadegh's proposed ultimatum to Britain on the stalled oil talks struck a snag today when more than half the members of the lower house of parliament boycotted a session called to approve the premier's policy.

The ultimatum would give the British two weeks to reopen talks on the nationalization of the billion-dollar Anglo-Iranian Oil Company's properties. If they refused, Iran would expel 350 British technicians remaining at the company's giant refinery at Abadan.

After vainly trying to round up the missing deputies for two hours, Mossadegh postponed the session until Sunday.

The lack of a quorum was in sharp contrast to Wednesday's session of the Senate which gave the premier a vote of confidence without a dissent after he said he would throw the remaining British out of Abadan if Britain refused to reopen oil talks.

The boycott of the Majlis was the most serious expression of opposition to Mossadegh since he came to power last May. It was clear the deputies feared to vote openly against the nationalistic Mossadegh on the oil issue, but by staying away they avoided committing themselves.

Mossadegh is expected to whip up his supporters to bring pressure on the absent deputies before the Sunday session. The bazaars and shops of Tehran closed down today as a demonstration of support for the premier.

Lines of blue-clad police turned out in front of parliament and several trucks filled with armed soldiers stood in the square in anticipation of possible disorders. However, only about 1,000 orderly spectators gathered in front of the building.

They cheered "long live Mossadegh" as he drove out of the parliament gates after vainly waiting for a quorum to arrive for the session.

Ridgway Says Truce Talks Can Be Resumed Only at New Site

TOKYO, Sept. 6. (AP) — Gen. Matthew B. Ridgway told the Reds in a stinging note today that if they want to end the shooting in Korea they should agree to start truce talks anew somewhere else.

The United Nations Commander also brusquely told the Communists to stop their "constant deceit and treachery" in manufacturing incidents for "false and malovolent" charges against the Allies.

Almost simultaneously with delivery of Ridgway's sharp note, Chinese Communists launched a heavy, tank-supported attack on the Western Front. A front-line officer said it could be "a prelude to a major offensive."

The Red assault on the long inactive front was only 25 miles from Kaesong, site of the disrupted armistice negotiations.

UP TO COMMUNISTS

Ridgway left it completely up to the Communists whether negotiations are resumed. But the U. N. commander made it clear the talks won't be at Kaesong.

Ridgway's information office said Kaesong is not a suitable site for armistice discussions because "it is within Communist lines."

A release by the information office said the situation has reached a point "where the question of the neutrality of the Kaesong zone has overshadowed the original purpose of the meetings."

The Reds broke off the talks Aug. 23 after charging the U. N. violated the neutrality zone. Ridgway reiterated Thursday that that charge, and others that followed it, were "without the slightest basis in fact."

SITUATION CHANGED LITTLE

His proposal to set a new locale for negotiations actually changes the situation of the stalled talks only slightly.

His proposal contains a big "if." He said if the Reds are ready to start negotiating a cease-fire again, their liaison officers could talk about a new site. The Communists have said repeatedly they would resume negotiations only when Ridgway admitted responsibility for their long list of charges, which Ridgway called "baseless and intentionally false."

If Communist commanders — North Korean Premier Kim Il Sung and Chinese Gen. Peng Teh-Huai — agreed to go ahead with negotiations now they would in effect be admitting their charges false.

Ridgway's note indicated he doubted the Communists really want peace.

U. N. command truce negotiators in Tokyo showed no indication they expected discussions to be resumed soon. A source close to Vice Adm. C. Turner Joy, chief Allied delegate, said he had "no immediate plans" to return to his Korean headquarters southeast of Kaesong.

WEATHER

WEST TEXAS: Clear to partly cloudy tonight and Friday. Not much change in temperature.

EAST TEXAS: Partly cloudy tonight and Friday with widely scattered afternoon thundershowers in East. Not much change in temperature.

NEWS FROM FLUVANNA

By MRS. TENNIE J. CREEK

Mrs. Buster Robertson and children have returned home after spending a few days with Mrs. Robertsons parents in Vernon. Guests in the Robertson home over the week end were her sister, Mrs. Lloyd Yarbrough, and Mr. Yarbrought from Altus, Okla., two nephews, Charles and Mark Linn from Wichita Falls and Mr. and Mrs. Bill Hunter and daughter, Clydine Newsom, from Snyder.

Mrs. Eula Odom Smith of Los Angeles visited Mr. and Mrs. A. L. Odom and Mr. and Mrs. Buster Robertson recently.

Sgt. and Mrs. John Henry Roddy of Wichita Falls spent the week end with Mr. and Mrs. A. M. Lindsey here and Mr. and Mrs. J. L. Roddy in Snyder.

Mr. and Mrs. Pork Hamilton and her parents from Snyder, Mr. and Mrs. D. G. Hoy of Roscoe, and George Ramage of Snyder spent Sunday in the W. H. Hamilton home.

R. L. Lightfoot of Sweetwater and his son from New Mexico visited here Tuesday.

Mr. and Mrs. Herman Curry of Tacoma, Wash., are visiting relatives here this week.

Mr. and Mrs. Sipes and Mrs. B. J. Phillips of Loraine visited in Fort Worth last week.

Mrs. Edna DeShazo and children of Hereford visited in the Boatman home last week.

Mr. and Mrs. Roy Reeder visited friends and relatives in Lubbock Sunday.

Mr. and Mrs. Joe Landrum plan to leave this week for a visit with relatives in North Carolina, Washington, D. C., Baltimore and Columbus, Ohio. Mrs. Snodgrass' granddaughters, Donna and Martha Pinnax, will return to their home in Columbus after visiting here several weeks.

Mr. and Mrs. J. C. Pylant, Mr. and Mrs. R. B. Pylant, and Mr. and Mrs. H. O Kelly of Van Nuys, Calif, have returned home after visiting Mr. and Mrs Dee Pylant here. Other guests in the Pylant home recently were Mr. and Mrs. Lester Pylant of Fort Worth.

Mrs. Lee Lavender visited her son and family in Big Spring Monday.

Mr. and Mrs. Mack Greenhaw and son of Dallas visited her parents, Mr. and Mrs. John Stavely, over the week end.

Mr. and Mrs. Joe Holder and Mr. and Mrs. Marshall Gleghorn and daughter visited Mr. and Mrs. Bob Blanton in Big Spring Saturday.

Mrs. Clyde Smith of Big Lake visited Mr. and Mrs. Horace Carmichael and Mr. and Mrs. Smith over the week end.

Mr. and Mrs. Harvey Johnston and children of Dumas, N.M., and Mr. and Mrs. Marion Tarter and children of San Angelo visited friends and relatives here and in Snyder Sunday.

Mr. and Mrs. Alford Browning and Mrs. Clyde Bankston and sons visited Mr. Bankston in San Angelo Sunday. He has been confined to the hospital there and is reported recuperating satisfactorily.

Billy Joe Browning returned to Snyder Hospital to receive treatment for a hand injury.

Mrs. C. E. Kellner has as guests this week her daughter, Mrs. Chester Banta, and baby of Odessa.

Mr. and Mrs. H. H. Benson are the grandparents of a son born to Mr. and Mrs. Junior Benson of Longview.

Alford Browning and E. C. Browning made a business trip to Tulia Tuesday.

Mr. and Mrs. Tom Davis and children of Colton, Calif., visited Mrs. Ruth Lanham and Mrs. Ruth Smith last week.

Mr. and Mrs. Bob Browning were guests of Mr. and Mrs. A. J. Dyess for dinner Sunday.

Mr. and Mrs. Jimmie Dyess and daughter of Snyder and Barbara and Judy Tarter of San Angelo visited in the home of Mr. and Mrs. A. J. Dyess Friday night.

J. R. Jones attended the cattle auction in Sweetwater Wednesday.

Mrs. Alice Clary of Lubbock visited Mr. and Mrs. Leslie Boatman and children last week.

Mrs. C. E. Kellner and daughter, Mrs. Chester Banta, visited relatives in Ropesville Wednesday.

Mr. and Mrs. Frank Farquhar, accompanied by Mr. and Mrs. Tommie Farquhar of Big Spring, have returned from Missouri where they visited Mr. and Mrs. Jessie Browning, Mr. and Mrs. Ezra Fulford and other friends.

Mrs. J. J. Belew and son, Burl Belew, made a business trip to Colorado this week.

Mr. and Mrs. J. W. Hughes are the parents of a daughter born Aug. 25 in Snyder Hospital.

Mrs. Faye Hurley and Mr. and Mrs. Brud Boren of Paducah and Mr. and Mrs. Cecil Boren of Snyder visited Mrs. J. I. Boren and other relatives here this week end.

Mr. and Mrs. W. T. Holder and son, Roy Lee, of Lamont, Calif., visited their son, Sandy Holder, and family here recently.

Mr. and Mrs. Raymond Montgomery of Columbus, Ohio, are visiting relatives this week.

Mr. and Mrs. McIntyre of Abilene visited Mr. and Mrs. B. B. Forehand over the week end.

Jackie and Cecil Holder have returned home from Manitou Springs, Colo., where they spent the summer.

Mr. and Mrs. Harley Carmichael spent the week end in Waco where Mr. Carmichael visited ex-service friends.

A guest of Mr. and Mrs. Alton Milliken Tuesday was Mr. Millikens mother from Snyder.

Mrs. Jake Warren of Big Lake spent the week end with Mr. and Mrs. Robert Warren.

Mr. and Mrs. Cyrus Landrum made a business trip to Temple this week.

Mr. and Mrs. Pat Jones and Mrs. Will Beavers have returned from Chicago, where they visited Mrs. Beavers' daughter, Mrs. J. D. Stines, and family.

Mr. and Mrs. Fowler Mathis and Wayland Mathis attended a family reunion in Wharton Sunday.

Mrs. Wayland Mathis had as a guest over the week end her mother and sister from Lubbock. She returned home with them for a visit.

NEWS FROM UNION—

By MRS. J. B. ADAMS

Mr. and Mrs. T. C. Hogue, Jr., and Mr. and Mrs. Carl Hogue of Brownfield spent the week end in the Howard Hogue home here.

The Rev. and Mrs. Jack O'Neal and family left Monday for Fort Worth where Mr. O'Neal will enter a seminary. The Rev. L. V. Ratliff of Tyler will replace him as pastor of the Union Baptist Church.

Mr. and Mrs. M. R. Shinn spent the week end in Odessa.

Mr. and Mrs. R. L. Jones of Hermleigh visited Mr. and Mrs. Virgil Jones Saturday.

Visitors in the home of Mr. and Mrs. Howard Hogue Sunday night were Mr. and Mrs. Marvin Lemons of Fort Worth, Mr. and Mrs. Homer Bentley and daughter, Nancy, from Cleburne, Mr. and Mrs. David Connell and son, Randy of Hobbs, N.M., and Mrs. W. B. Lemons of Snyder.

Mrs. Virgil Jones and daughters visited Mr. and Mrs. E. M. Boles in Lamesa this week.

H. W. Adams and family of McCamey spent the week end visiting the J. B. Adams family.

Fines in City Court Higher

Fines totaling $4,402 were collected in corporation court from arrests made by the city police department last month, the monthly report to the city council showed.

That was an increase of $1,657 over the previous month's total fines.

In all there were 131 persons arrested by the department and booked into the city jail. Charges placed against them were classified as follows: Reckless driving 20, intoxication in automboile 13, intoxication 74, driving while intoxicated five; disturbing the peace eight, escape from state hospital one, vagrancy three, indecent exposure one, resisting arrest two, and one arrest for the sheriff's office.

A combined total of 7,629 miles was covered by the motorized radio equipment of the department. Most of the time only one patrol car was available for duty. Thirty - one quarts of oil and 546.8 gallons of gasoline were used by the motor vehicles.

A total of 186 traffic violation tickets were issued, making a grand total of 316 charges filed against those jailed and cited during August, the report showed.

The report was the first made by Ray J. Keenan, who has been police chief for one month.

2 Men Held on Charge Of Possessing Liquor

Al R. Vessell, 34, who lives on the Lamesa highway, and Bernard L. Michalak, 26, who gave his address as Jack's rooming house, East highway, pleaded innocent today when arraigned before Robert R. Patterson, special county court judge, on charges of possession of intoxicating liquors.

Both were held under $500 bonds for trial at a later date.

The pair was arrested on the Lamesa highway by Lloyd Merritt, sheriff, and O. O. Dever, deputy sheriff. Merritt said they confiscated several pints of whisky on the premises.

Dr. and Mrs. W. W. Mikeska have moved to a suburb of Houston. Dr. Mikeska, a dentist, came to Snyder late in June, 1950, from Houston, and had an office for many months in a trailer behind the Snyder Hospital.

BLASTS AIMED AT REDS IN FRANCE

PARIS, Sept. 6. (AP) —Night attacks against various Paris buildings—apparently the work of anti-Communists — continued today with an explosion that wrecked the front of the Worms Bank, in the center of the city.

The explosion also shattered windows in the nearby Printemps Department Store, familiar to thousands of American tourists.

An explosion Wednesday wrecked the front of the Banque Commercial Pour l'Europe du Nord, where the Communist Party is believed to keep its funds.

A month ago similar explosions wrecked five Communist printing plants and book shops.

Kiwanis Picks Delegates To District Meet

Harold Grant, Ford Kenner, and Frank Stephenson will represent the Kiwanis Club at the Texas-Oklahoma Kiwanis International district meeting Oct. 7, 8, and 9 at Oklahoma City, it was announced yesterday at the club luncheon at the Sage and Sand restaurant.

Three alternates will be named later.

The club also voted to hold a picnic Monday for members and their families at the Colorado City park. A motor caravan will leave Snyder at 6:30 o'clock at night.

Ford Kenner was named chairman of the local club's participation in National Kid's Day, Sept. 22, with the net proceeds going into the underprivileged children's fund.

On Oct. 10, the club will be entertained with a "telephone program" under the auspices of the Southwestern Bell Telephone Co. A movie depicting the vast operation of the telephone business will be shown.

Tommy Guthrie, well - known teen - age singer of cowboy melodies, with his guitar, entertained the Kiwanians with a number of songs.

Barrett Case Is Dismissed

Upon motion of Bob Davie, district attorney, the case of Francis A. Barrett, 35, being tried on a charge of theft by bailee in 132nd district court yesterday afternoon, was dismissed. Judge Ben F. Thorpe excused the jury until 9 o'clock tomorrow morning.

Ford Caperton has testified that he traded a 1951 Pontiac to Barrett for a 1950 Ford club coupe and that he, Caperton, was to receive $700 difference.

Testimony showed there had been a legal transaction and that no crime apparently had been committed.

House Entered, Money Taken from Trousers

Four dollars were taken in burglary of the Jack O. Greenfield house at 3101 Avenue U Tuesday night, police said today.

The thief entered the house by picking the latch on a west screen door and entering a bedroom.

A two - dollar bill, and two one-dollar bills were taken from the pocket of a pair of Greenfield's trousers, investigating officers Sergeant H. N. Bjornsrud, and A. Williams said.

PERMIAN OIL NEWS

Spraberry Discovery North Of Big Lake Completed On Pump

A new Spraberry producing area has been opened in Northwest-Central Reagan County by Lloyd H. Smith, Inc., and James H. Snowden and Associates.

Their No. 1 O. L. Greer was finaled on the pump as a Spraberry discovery for 28 48 barrels of 39-gravity oil plus 20.0 barrels of water.

Production is from open hole at 6,05-6,130 feet. That section was treated with 2,250 gallons of Hydrafrac. Pay was topped at 6,090 feet.

This new pilot is seven and one-half miles northeast of established production of the Spraberry trend and four and one-half miles west of Stanolind Oil & Gas Co. No. 1 Wade, a small pumper which was recently completed for five barrels of oil daily.

No. 1 Greer is at the center of the northeast quarter of the northwest quarter of section 43-A-L&SV, and 23 miles north of Big Lake.

* * *

Gaines County Test To Try San Andres.

E. C. Hitchcock & Son and J. H. Elder of Midland have spotted a San Andres wildcat in Southwest Gaines County as their No. 1 P. S. Dunbar.

Location is 2,310 feet from south and 330 feet from west lines of section 25-A-12-psl and 25 miles southwest of Seminole in the vicinity of the Jenkins field.

Contract depth is 4,500 feet to test the San Andres. No. 1 Dunbar is to be drilled at once with combination cable and rotary tools

It is one mile west of a depleted Spraberry producer and a mile south of a Devonian failure which was plugged and abandoned at total depth of 8,535 feet in 1948.

* * *

No. 25 C. V. Thompson Flows 262 Bbls. Daily

R. E. Smith No. 25-B C. V. Thompson, Sharon Ridge - Canyon field location, has been completed for a daily flowing potential of 262.84 barrels of oil.

The potential was based on an actual 24 - hour flow. Gravity of the oil was 44.2 degrees. Gas - oil ratio was 718-1. No water was present. The well was acidized with 4,000 gallons.

Pay was topped at 6,643 feet. Five and one-half inch casing is set at 6,694 feet, with casing perforated at 6,674-6,678 feet and 6,684 - 6,693 feet. Total depth is 6,694 feet.

Location is in section 120-25-H&TC.

* * *

Well in Sharon Ridge 1700 Pumps 30 Barrels

Robert W. McKissick and others No. 2 Dora Hall, Sharon Ridge 1700 field location pumped 24 hours to make a potential of 30 barrels of 29 gravity oil with no water.

Gas - oil ratio was 300-1. The well had been acidized with 10,000 gallons. Top of the pay was at 1,741 feet. Total depth is 1,755 feet.

The No. 2 Hall is in the southwest quarter of the lease in section 2-33-K&F survey.

* * *

Crockett Offset Set

Malco Refineries, Inc., and others of San Angelo staked a northeast offset to its No. 1 George Bean, opener and lone producer in the Betty Grayburg field in Crockett County.

No. 2 George Bean will be 990 feet from south and 2,342.2 feet from west lines of section 34-UV-GC&SF.

Projected depth is 1,700 feet with cable tools. Operations are to begin by September 6.

* * *

No. 5 R. G. Parks Will Be Drilled Near Here

J. L. Collins & Co. of Corsicana has filed application for a permit to drill the No. 5 R. G. Parks in the Kelley - Snyder field nine miles north of Snyder.

Drillsite is 330 feet from south and west line of the southwest lines of the northwest quarter of section 442-97-H&TC.

* * *

Sharon Ridge 1700 Location Is Made

S. B. Roberts of Abilene has filed application to begin drilling immediately on the No. 14 C. A. Williams in the Sharon Ridge 1700 field.

Location has been made 990 feet from north and 330 feet from east lines of section 4-1-J. P. Smith survey. That is about three and one-half miles southeast of Ira. Cable tools will be used to drill to a possible bottom of 1,800 feet.

Stock Market Edges Up In Today's Opening

NEW YORK, Sept. 6. (AP) — Stocks had an upside tilt today at the opening.

The higher edge was modified by the large number of minus signs throughout the list.

The spread of prices was fractional.

American Telephone was up ⅛; Anaconda Copper up ⅛, Chrysler unchanged, Armour unchanged, and U. S. Steel up ⅛.

Fort Worth Plant To Build Frame Of Atom Powered Airplane

FORT WORTH, Sept. 6. (AP) — First work of developing the frame of an atomic-powered airplane will be done at Consolidated Vultee Aircraft Corporation here.

The Air Force contracted with Consolidated Wednesday to do this work at the plant where the B-36 bomber is built.

The plane's nuclear power plant is being developed by General Electric.

The plane may take several years to build. The problems are exceedingly complex.

An a-plane might be able to fly several times around the world without landing and at a speed faster than sound.

August C. Esenwein, manager of Consolidated's Fort Worth division, said it will be concerned principally with developing the a-plane's airframe.

Aztec Calendar Replica Will Be Given El Paso

EL PASO, Sept. 6. (AP) — A replica of the ancient Aztec calendar stone will be presented to El Paso today. The actual stone will be brought here after a fair at Juarez is over.

Mayor Victor Manuel Ortiz of Juarez will make the presentation for the oil industry of Mexico. Mayor Fred Hervey of El Paso will accept it.

Masons to Confer Master Degrees Friday Night

The Scurry County Lodge AF&AM No. 706 will meet at the Masonic Temple Friday night at 7:00 o'clock for the purpose of conferring a Master's degree. All visiting Masons are welcome.

Walter C. Brown Will Go on Trial Tomorrow

The trial of Walter C. Brown, 56, charged with assault with intent to murder A. D. Lewis, 60, of Lewis Courts on March 24, is slated before a jury in 132nd district court tomorrow.

Brown is charged with having shot Lewis with a .38 calibre revolver following a dispute just off the square. After the shooting Brown surrendered to Lloyd Merritt, sheriff.

John Ford is attorney for Brown.

Bank President's Rites

KINGSVILLE, Tex., Sept. 6. (AP)— Services will be held today for Sam Fimble, Jr., 59, president of the Kleberg First National Bank. He died Wednesday of a heart attack.

NEWS FROM IRA

BY MRS. MABEL WEBB

Mrs. D. E. Clark spent this week visiting her son, Jack Clark, and family, in Dallas.

Mr. and Mrs. Jessie Loper and daughter, Jean, and W. R. Loper and sons visited in the H. L. Loper home of Petersburg Thursday. Mrs. W. R. Loper returned home with them after a week's visit there.

Mr. and Mrs. H. H. Hill of Newsom spent Monday night with sister, Mrs. Grady Suiter, and family.

W. T. Falls of Wichita Falls returned home Thursday after a week's visit in the Rea Falls home.

Mr. and Mrs. J. J. Eades and children attended church services at Cuthbert Friday night.

Mr. and Mrs. S. D. Hays of Bethel attended church here Sunday and were dinner guests of Mr. and Mrs. Pat Falls and family.

Mr. and Mrs. Charles Bussy of Big Spring and Mr. and Mrs. A. N. Jackson and daughter of Lamesa spent the week end with their parents and grandparents, Mr. and Mrs. J. Z. Carruthers.

W. C. Eades and daughter of Snyder and Mrs. W. O. Webb made a business trip to Colorado City Friday.

Mrs. Maye Parrott of Knapp and Mrs. Tee Griffin of Vincent visited Mr. and Mrs. P. J. Moran the first of the week.

Mrs. Doyle Mebane and children returned to their home in Englewood, Calif., Sunday after a week's visit with her parents, Mr. and Mrs. L. L. Eubank. Mrs. Eubank returned with her for an extended visit.

The Rev. and Mrs. C. J. Smith and children spent Wednesday night and Thursday with relatives in Roscoe.

Mr. and Mrs. E. D. Sipes returned home Saturday after a two-week visit with her parents, Mr. and Mrs. Brown, in Lamesa.

Pvt. Bob Norred, who is stationed at Fort Ord, Calif., spent 10 days with his parents recently.

Mrs. Lannett Patterson of Fluvanna and Mrs. E. A. Crowder of Snyder spent the latter part of last week in the Jack Crowder home.

Odis White of Portales, N. M., visited friends here Friday.

Mrs. W. O. Webb spent Saturday with her sister, Mrs. W. C. Eades, in Snyder.

Mrs. Pat Moore accompanied her mother, Mrs. Pearce, to Waco last week and visited her brother and other relatives while there.

Mr. and Mrs. Edgar Eades visited Mr. Eades, uncle, Criss Eades, and Mrs. Eades Wednesday night while they were guests in the Neal Henley home in Snyder.

Mr. and Mrs. Jack Bryant of Sweetwater spent Sunday with his parents, Mr. and Mrs. M. J. Bryant.

Mr. and Mrs. S. R. Clements and children, and Mr. and Mrs. Newt Burleson and son attended a family reunion in Abilene Sunday. Other relatives and friends attending were from Colorado City, Big Spring, Sand Springs, Ozona, Odessa, San Angelo, Stamford Midland, Eastland and Carbon.

Mr. and Mrs. Edgar Eades were in Colorado City Monday to be with their daughter Mrs. Leonard Lankford, who underwent surgery in Root Memorial Hospital.

Velma Smith arrived home from Colorado City Sunday. She has been working in the hospital there, but plans to attend school here this fall.

Mr. and Mrs. Grady White and children of Dunn visited in the J. L. Byars home Sunday night.

Sterling Taylor of Snyder visited here Sunday afternoon.

Mrs. J. C. Carruthers and children of Des Moines, N.M., visited part of this week with Mr. and Mrs. J. Z. Carruthers.

Janice Eades of Cuthbert is attending school here. She will stay with her grandparents, Mr. and Mrs. W. O. Webb, until her parents move here.

Mr. and Mrs. Tee Griffin of Vincent and Mr. and Mrs. Weldon Watson and son of Snyder visited Mrs. P. J. Moran the first of this week.

Mr. and Mrs. I. H. Suiter had as a guest Sunday afternoon a friend from Winnsboro.

G. H. Bishop returned Sunday after a two - week visit to Brownwood, Austin and other points in Texas.

Mr. and Mrs. Jessie Loper and daughter attended a reunion of Mrs. Loper's parents' family in Durant, Okla., part of this week.

Mr. and Mrs. Lloyd Webb and Mrs. Des Bryant and sons returned Sunday after a trip to Port Isabell and Brownsville.

Mr. and Mrs. T. A. Echols of Dunn attended church here Sunday night.

Mr. and Mrs. Mack Kruse have returned after a trip to Phoenix, Ariz.

Conant Doubts War Will Come

NEW YORK, Sept. 6. (AP) — No atomic world war, nor any other kind of world war, was the prediction made to the American Chemical Society today by Dr. James B. Conant, president of Harvard.

We shall come close to a world war. There will be smaller wars. But the turning point has been passed already. It came in 1950 when the free nations decided to rearm.

Dr. Conant's subject was "A Skeptical Chemist Looks Into the Crystal Ball." He was one of the wartime top scientists in making A-bombs.

"I see in this crystal ball," he said, "neither an atomic holocaust nor the golden abundance of an atomic age.

On the contrary, I see worried humanity endeavoring by one political device after another to find a way out of the atomic age.

"The year 1984, for example, does not glare with menace in my crystal ball. Paris, London, Berlin, New York, Moscow, still stand physically undamaged by any enemy action since World War II."

Dr. Conant made some non-military predictions. He said our power would come in another half century from the sun's rays rather than atomic fission. Fresh water will be produced from the sea.

THE STARS

By BOB THOMAS

HOLLYWOOD, Sept. 6. (AP) — "They don't make love today the way we used to."

The man speaking was House Peters, the romantic star who fluttered many a heart in the roaring '20s. Now grey and ristinguished he is performing his first screen role in 23 years and he paused to reflect on the quality of movie love-making today.

"The screen lovers of today just don't have the finesse with a woman, he sighed. They look at a woman as though they were going to attack her. They have no consideration for the subtleties of romance.

"In the silent days, we were in no hurry when it came to making love on the screen. There are so many nice things you could do merely by holding a girls hand or touching her face. It is the preliminaries that count.

Peters admitted that the screen lovers of his day had one distinct advantage — the long kiss. Today's idols are limited to only a few seconds for their smacks.

"Of course, I was never overly romantic type of lover like Valentino and the other Latins," he continued. I was too manly-looking for that. I got a laugh the other day by looking through an old magazine. There was a letter from a woman who said I was the only clean American lover on the screen."

Inquiry Into Paper Supply

NEW YORK, Sept. 6. (AP) — A Congressional committee — armed with questions American publishers want answered about newsprint — was in Montreal Wednesday to get Canadian views on the shortened paper supply situation.

Rep. Lindley Beckworth (D-Tex), head of the House Interstate Commerce Sub-committee on Newsprint, and other members of his group met earlier in New York with some American publishers.

At the closed, informal session, Beckworth said the publishers presented questions they would like to have answered by Canadian officials and manufacturers to clarify the future picture.

In an interview after the meeting, Beckworth said he understood the publishers could not get all the newsprint they needed from Canada because some of it was being diverted to Europe and some woodpulp was being used for products other than newsprint.

Beckworth stressed that the problem was being approached amicably by both the Americans and Canadians.

The Texan said the publishers wanted information on such questions as these:

How much Canadian newsprint will be produced next year?

What will be done with it?

What reductions or diversions are planned?

How much newsprint will be available to American publishers?

The American newsprint market depends heavily on Canada, producer of five times as much newsprint as the United States.

A mutuality of interests, Beckworth said, would be one topic discussed in Canada. He said that while Canada has most of the newsprint, the U. S. is a major supplier of sulphur, an important ingredient in newsprint production.

TALK OF THE TOWN

By SUE HOLMES

Solid mahogany and ebony furniture, orchids growing wild and avacados for one cent each are among the things a missionary may leave at home when he returns to the United States.

Mrs. MILFORD HOWELL, a representative to Nigeria of the Southern Baptist Convention, had gathered many things to tell about during her recent three - year term in the West African territory.

Arriving here yesterday for a speaking engagement last night at the First Baptist Church she talked with us in the home of her brother-in-law and his wife, Mr. and Mrs. Wilson Howell, 507 Twenty - eighth Street.

She, her husband and their six-year-old daughter, Mary Katharine are spending a year's leave in the states, where Fort Worth is headquarters. The Howells were appointed to Sapele, Nigeria, in 1943, but because of wartime conditions, it took them from December, 1943, to the next March to reach their mission.

The Rev. Milford Howell, who supervises 40 churches and 31 day schools, is attending the Baptist seminary in Fort Worth during his year in Texas. The family flew to the states in May, after stopping in Rome, Paris, London, the Netherlands, Dublin and Zurich. They found they could fly for the same amount as the steamship tickets. And even better, they were able to stop throughout Europe at no extra expense. Mrs. Howell described their delight in arriving in Holland just in the tulip season, allowing them to add some very colorful slides to their 35 millimeter collection.

Housekeeping in Sapele consists mainly of supervising native boys who do the cooking and cleaning for about nine or 10 dollars a month. As in most cases, telling others how can be harder than doing the work oneself, Mrs. Howell said.

Many natives still worship their "jujus" or native gods. Missionaries find many natives accept the Christian God readily enough, only to add Him to their list, as just another deity, she said. They converse with the independence-hungry natives mainly in pidgin English, although the English language is taught beginning in the third grade. Polygamy among natives is being fought by the ministers, while medical missionaries are combatting the 50 per cent infant mortality rate, the brunette visitor said.

Seasons as we know them do not exist in Nigera, but during the rainy season from April to October the average rainfall is 120 inches. Enough to make any West Texan envy the West Africans! But in Nigeria mosquito nets are standard equipment, because of the potential danger of malaria.

Beef is hard to get, since the tsetse fly causes sleeping sickness among the cattle. What cows the missionaries do get must be walked down from the northern part of the country. "You can imagine how thin and tough the cows are after the long journey," Mrs. Howell exclaimed.

Bananas at a quarter per stalk, avocados, mangoes, papayas and citrus fruits grow abundantly in the tropical climate. Corn and black - eyed peas are also native-grown, and Mrs. Howell said almost any vegetable could be raised from seed. "We order seeds from Burpee's and other U.S. concerns, since the African markets do not furnish good seeds," she explained. Marketing in Sapele involves much wrangling and bartering, and Mrs. Howell admitted she was only too glad to let the huose boys, who love the task, do it.

Young Mary Katharine, who was born in Nigeria, will be allowed to chose between American and British citizenship when she is 21, though Mrs. Howell is fairly confident it will be the former.

Since the British children live far across town from the Howell's cement block house, the child's playmates are mainly native children whom she entertains in a grand manner when her mother gives her the ice the defrosted refrigerator sheds.

Baptists in Rule and Haskell gave the Howells a car, which carries camping equipment necessary each time the minister goes on a preaching tour. Roads are of mud, but adequate.

A mahogany table with its base carved in the shape of an elephant, a gift to the Wilson Howells, brought up the question of wild animals. "The area is thickly populated, and I've never seen a wild animal, though my husband saw elephant tracks once in a nearby village," she explained.

The visitor will return to Fort Worth today. She is anticipating their return to Nigeria next summer with a stock of supplies to star them ca another three-year term in that land just off the Gulf of Guinea.

* * *

We noticed a new use for the colored aluminum tumblers so popular for summer drinks. Mrs. ARTIE BURZLAN, dietitian and manager of the Snyder school cafeterias, brightened the tables at the northwest elementray school lunchroom with the fuchsia, green, gold, chartreuse, blue and purple metal tumblers filled with flowers. The occasion was the Tuesday breakfast and general faculty meeting.

Tickets Still Available For Fashion Show

Tickets to the Beta Sigma Phi style show are still available from members, Mrs. J. G. Byer, president, said. Information regarding the tickets may be had from Mrs. Byer at 659-R.

Four local stores are participating in the show at 2 o'clock tomorrow at Sage and Sand. Herbert Ingram, owner of the restaurant, will be commentator for the show, which is to follow a luncheon. Stores joining in the showing of fall fashions will have as their models the following Snyder women: Mildred's, Mrs. Lawrence Thompson, Miss Betty Chandler and Mrs. Jack Craft; Hollywood Shop, Miss Jane Gilmore, Mrs. Forrest Beavers, Miss Marybelle Weathersbee, Miss Louise Taylor, Miss Elsie Ramsdale and Mrs. J. G. Byer; Gray's Style Shop, Miss Anne Bucy, Miss Mary Edith Scarborough, Miss Durelle Stokes, Mrs. Arel Faver and Mrs. Jim O'Neil; Dunlap's, Miss Susan Houston and Miss Jane Houston, Miss Frances Leath, Miss Pat Bowie and Miss Sue Blakey.

Plate favors will be given by Bel'ls Flower Shop, with City Floral and Friendly Floral providing decorations for the room, the president said.

Five groups of fashions, including dormitory lounging clothes, casuals, suits and coats, dressy dresses and 'after 5' dresses and formals are to be shown.

Cher Amie Meets At Village Restaurant

Mrs. Warren Richardson was high scorer at the Cher Amie Bridge Club meeting Tuesday afternoon at the Village.

Mrs. E. L. Kownslar and Mrs. G. C. Lefler were hostesses at the regular meeting. Mrs. Jack Morgan was second high scorer, and Mrs. H. W. Sanders won the bingo prize. One guest, Mrs. J. C. Bucy, was present.

Others attending were Mrs. H. D. Jones, Mrs. F. W. Hinkle, Mrs. J. T. Burrows, Mrs. Wade Pipkin, Mrs. Terry Holcomb and Mrs. Ben Turner.

Mrs. Pipkin and Mrs. Jones are to be hostesses at the next meeting Sept. 18.

ASK MILDRED

Send your questions to "Ask Mildred", Snyder Daily News, or to County Home Demonstration Agent, County Court House.

Why will Oct. 7 to 13 be called Fire Prevention Week? Our club has received much literature but the literature does not answer this question? Mrs. A.M.

According to the Fire Underwriters National Board, the date, the week, in October which commemorates the Great Chicago fire of Oct. 9, 1871— is used as the starting point for year - around fire prevention campaigns in many cities.

* * *

My iron got a pretty bad scratch and dent when it fell from the ironing board. The iron is old and there is no guarantee. Will you tell me how to get it fixed? M.B.W.

Write the manufacturer of the iron for instructions on the nearest place for you to send the iron for a new sole plate. That is about the only remedy for a badly scratched or dented iron.

* * *

When is the first average frost in this county? I am sure looking forward to it because the heat this summer has been so miserable. J. D. L.

First average frost date for this area, according to John Hutchison, Extension Horticulturist, is around Nov. 10.

* * *

Dear Mildred—Where can I find "Mysteria" bulbs? I read about them in a magazine advertisement, but failed to get the address. These mysteria bulbs are supposed to grow and bloom without water or soil, just place the bulbs in an empty dish. Mrs. B. L. L.

I believe I read the same article that you did or a very similar one. The address I have is Marie Kruse Nurseries, Dept. 8030, Blomington, Ill. I have never seen the bulbs perform.

* * *

Will you give me a few facts about Beet sugar as compared with cane sugar and why is it that very little beet sugar is found on the market. Also give me the names of some brands we might find. Mrs. A.H.

Sugar is sugar (C-12-H-22-O-11) regardless of source. Some of the leading brands are Garden City sugar, G. W., Holly, Mountain, Spreckels, Sun Valley, W&I, Union, and White Satin. There is one Beet sugar mill in Texas, in the Pahandle.

PERSONALS

Mr. and Mrs. Billy J. Bruce, route No. 1, are the parents of a son born Aug. 27 in Big Spring Hospital. The baby weighed eight pounds at birth and has been named William Dale.

Mr. and Mrs. Walter Dixon of Knapp are the parents of a son born last night in the Snyder Hospital. The baby weighed six pounds and four ounces.

Mrs. Ella Cooper, 3007 Avenue S, and Mrs. A. J. Towle, 2802 Avenue U, left this morning for a tour of the Northwestern states. They expect to be gone three or four weeks and visit parts of Wyoming, the Dakotas and Colorado.

Mr. and Mrs. J. B. Newton and son, James, 1603 Avenue S, returned home Monday night from a two weeks' vacation in Fort Worth, Galveston and Houston.

Mr. and Mrs. C. C. Miller, 2807 Avenue T, visited their daughter and son-in-law, Mr. and Mrs. Jack Taylor of San Antonio, from Friday until Tuesday of this week.

Mrs. E. L. Noble and daughter, Pat, of Texas City arrived in Snyder yesterday for a few day's visit in the home of Mr. and Mrs. C. L. Noble, Thirty - seventh Street.

Indian Hitters Push Team Into First Place As Yankees Lose

(By The Associated Press)

Al Rosen and Luke Easter, Cleveland's classy one-two punch are using their big bats to deflate the theory that the Indians are a "no hit, good pitch" club.

Rosen and Easter were the big guns Wednesday night as the Indians defeated the Detroit Tigers, 5-2, and regained first place in the American League. Each walloped a home run with a man on base to help the Tribe back up its 16th victory in 17 meetings with Detroit.

The Indians wrested the lead from the New York Yankees, who dropped a 4-2 decision to the visiting Boston Red Sox. The triumph moved the third place Sox to within three games of the defending champions and left them four behind Cleveland. Boston trails the Tribe by only one in the important "lost" column.

New York's Giants refuse to give up their fight to overhaul the National League leading Brooklyn Dodgers. A sweep of a doubleheader from Boston, 3-2 and 9-1, enabled them to cut Brooklyn's lead to five and a half games. The Dodgers whipped the Philadelphia Phils, 5-2.

Philadelphia's Athletics took two from Washington, 4-1 and 9-6; Cincinnati defeated Pittsburgh, -3, and the St. Louis Cardinals and Chicago Cubs split. The Cubs won the opener, 8-2, in 11 innings and the Cards grabbed the nightcap, 6-5.

Brilliant pitching by Leo Kiely and Maurice McDermott, a pair of young southpaws, helped Boston to its 10th victory in 15 meetings with the Yankees.

Billy Goodman's two-run double in the first inning, Ted Williams, 28th homer in the third and Bobby Doerr's single in the fifth, accounted for the Red Sox runs. All came with two out.

A grand slam homer by Gil Hodges, the sixth of his career, gave the Dodgers and Ralph Branca their victory. It was Hodges' 37th circuit clout and Branca's 13th triumph.

Sal Maglie pitched his first victory over the Braves and Sheldon Jones hurled his first complete game of the year as the Giants made it 23 wins in their last 26 games.

Perfect batting days by Billy Hitchock who got four for four in the opener and Ferris Fain who hit five for five in the second game featured the double win by the A's who moved into sixth place past Washington.

Herman Wehmeier gained his fourth win for Cincinnati, three of them over Pittsburgh, despite giving up Ralph Kiner's 38th home run of the season.

Sizable Injury List Already Noted Among Southwest Teams

(By The Associated Press)

It's slam-bang and don't spare the heads as Southwest Conference football squads push through the first week of fall practice.

They're at it in all the camps and the injury list shows how tough it's getting.

Arkansas has centers Jimmy Smith and Charles Ramey, End Frank Fischel, Fullback Lew Carpenter, Tackle Jim Sperring and Guard David Lashle among casualties.

Texas A&M couldn't use Charlie Hodge, starting end, and Guard Bob George, and Yale Lary, the team's top punter, hasn't been able to work out all week. Neither has linebacker Van Hetherly.

SMU welcomed Jerry Norton, sophomore runner, back Norton has been out with an injured ankle.

Otherwise, there were only bumps and bruises.

Rice had its first scrimmage Wednesday. Cooler weather was the reason — the boys could put on the pads and othre regalia necessary for the rough stuff.

Several camps worked on punting and punt formations. Among them were the Aggies. And while Lary watched from the sidelines, four other fellows were doing a good job of boothing the ball. They were quarterbacks Roy Dollar and Ray Graves, Center Hugh Meyer and Halfback Bob Shaeffer.

Texas worked on punt returns and extra points attempts. June Davis and Bull Johnson, guards, and Walter Bond, end, did the extra point work. Bobby Dillon and Bob Raley worked as a double safety.

Gil Bartosh sparked the workouts at TCU. The talanted quarterback went 65 yards for one touchdown and set up another with his passing as the frogs continued their vigorous scrimmage schedule.

Baylor did away with morning practice but the boys had a scrimmage in the afternoon.

Coach Otis Douglas of Arkansas liked Ralph Troillett, a junior college transfer, who showed he would fight veteran Jim Rinehart for his quarterback job.

Interest Added To Women's Tennis With 16-Year-Old Girl

FOREST HILLS, N. Y., Sept. 6. (AP)—Women's tennis has been on the dreary side since the war, really not worth watching, and followers of the game were beginning to wonder if they ever would see the likes of Helen Wills or Alice Marble again.

They can relax. She's here — an apple-cheeked 16-year-old from San Diego named Maureen Connoly who is destined to be one of the game's most glamorous figures here and at Wimbledon and wherever they can get her to play for a lot of years to come.

In defeating Shirley Fry 6-1, 1-6, 6-4 in Wednesday's women's final to become the youngest winner in the history of the championships, Maureen brought a new and genuine interest to the women's division.

She showed she was a very human little girl by losing her wondrous control and dropping her only set of the tournament to Miss Fry. But that appeared almost to have been window dressing as she came back in the third set to outfight and outlast a campaigner who was good enough to win this year's French championship.

All Maureen lacks is a "big" service, but that is something all girl players up to this point have lacked and no real hope is held out that there will be a real point-winning delivery in the women's ranks.

Everything else the stocky, smiling youngster has, including an exceptionally winning court personality. She hits a harder, flatter drdrive off either side than I ever saw a woman hit before, and the amazing thing is that she's willing to hit it from anywhere, including the service line.

She was forced to volley very seldom in her championship matches, because she had the sheer power to control the game from the back court, but on the few occasions Maureen was forced to go in she smached the ball away with great finality.

Minors Said In Good Shape

COLUMBUS, Ohio, Sept. 6. (AP)—Minor League Baseball is in a robust condition.

So said red-haired George M. Trautman, president of the National Association of Professional Baseball Leagues today as he looked back at the year's operations and forward to the 1952 season.

"We started the 1951 season with 59 leagues," Trautman said, "and we'll end it with 49. I dont know of any other business or sport in the country that lost only one member."

Minor league baseball reached its peak in 1949 with 59 loops.

"When you consider that some 1,500 minor league players are in the armed services, and hundreds of others have taken jobs in defense industry, you can see why we've dropped off a bit. You could construct 75 clubs of 20 men each from the absentees, which is just about the number we are shy from the 1949 figure.

"Major laegue teams erased about 50 working agreements and that has had some effect.

"But the outlook is rosy for 1952. To protect its territory for 1952, each club must pay a fee ranging from $50 to $500 to the national association. Of the 354 teams which operated this year, 330 have paid their protection fee and there is still more than a week to go before the deadline. That shows we'll have plenty of baseball next year. Those who have not paid their fee are all in the lower classifications of B, C or D leagues.

Trautman said all minor league player deals must be completed by Oct. 15 after which a lull will exist until the minor league draft which takes place Dec. 15 in Columbus.

Softball Tournament Goes Into Semi-Finals

GREELEY, Colo., Sept. 6. (AP)—Five games are on tonight in the semi-finals of the international softball league's world tournament here.

The schedule includes a 7 p.m. CST) — Haok Packers of Fresno, Calif. — Murrell Furniture of Plainview, Texas.

Scat Harrah struck out 11 Wednesday night as the Coldwater, Ohio, New Idea Implements beat Amarillo, Graham-Hoeme, 2-0.

Young birds at times eat more than their own weight in a day, according to the National Geographical Society.

JUMP CALLED OFF

NEW YORK, Sept. 6. (AP) — Patrolman Joseph McClellan reasoned and cajoled today with the middle aged woman, trying to stop her from jumping, but she kept moving closer to the edge of an east river pier.

Finally, changing his tactics, McClellan told her curtly: "All right then, but that water is dirty and nasty. It's full of filth."

The woman gave up. She was taken to Bellevue Hospital.

Tigers Tackle Midland Here Next Saturday

The scrimmage of scrimmages will be held here Saturday afternoon when the Tigers meet the Midland high school team for a pre season tussle.

The contest was scheduled early this week at Midland's request, Speedy Moffett, Snyder coach, said.

"We won't play a regulation game, but will give each team 15 downs with the ball to see who can make the mast yardage in the 15 downs," Moffett said.

"Midland requested the contest so that they could test their offense, and we were glad to get the chance to see how we can stack up against a strong team," Moffett added.

"Of course it will be a test for our offense, too, and I believe we will surprise some people in that department," he added.

The Tigers so far have scrimmaged Hermleigh twice and Roscoe once this season with a slight edge over the former, and about an equal tug-o-war with the Plowboys.

It will probably be two years before Snyder will be matched aganist Midland in conference play although it could be possible next season, Moffett said.

Snyder is expected to jump to Class AAA next season, where Midland now is, and Midland will probably move up to Class AAAA —but it is possible that Snyder, too, will move up to Class AAAA next season to be pitted against some of the State's leading high school football teams.

At any rate, Saturday afternoon's scrimmage will be good experience for the Tigers.

Winter - summer temperatures in Madrid, Spain, vary between 10 and 110 degrees.

Madrid is Spain's largest city and its transportation center.

Williamson Makes Forecast On Six Pre-Season Grid Contests

By Paul B. Williamson

EXPLANATION: Team in first (left) column is picked by the Williamson System as the winner. It is also the home team unless its opponent in second (right) column is starred (*) to mean the expected loser is the home team. (Ratings earned this fall will follow respective opponents, in prediction releases after September 24. The Williamson System rates and predicts on the basis of performance in the current season, not on last year's records.)

SATURDAY, SEPT. 8

WINNER	LOSER
Air Pac	El Toro Marines
East Carolina	Cherry Pt. Mar.
Gus. Adolphus	Augustana S.D.
Mexico Poly.	Mexico Y.
St. Ambrose	*St. Norbert
S. Dakota State	*St. Cloud

NOTE: All games are at night except the first one.

SLIM START

Probably a few other games may be slated for the very start of this season. If so, they will be among small institutions nearly always late in completing their schedules each fall.

This is the smallest number of games in several years scheduled for the first week end of September.

East Carolina has been touted to lead the North State Conference this fall, but could come a cropper before Cherry Point Marines. St. Ambrose versus St. Norbert fair. It could go either way. The will be a hammer and tongs affother four games are more or less in the bag as predicted by Williamson.

Sinton Oilers Heavily Favored To Take Their First Semi-pro Title

WICHITA, Kas., Sept. 6. (AP)—The Sinton, Texas, Oilers are heavily favored to win their first National Semipro Baseball Tournament title tonight.

The undefeated Texans meet once-beaten Atwater, Calif., Packers.

Atwater moved into the finals by beating the Lafayette, Ind., Red Sox, 5-3, Wednesday night.

If Sinton should lose tonight another game with Atwater will be played Friday to determine the titlist. The California club's one defeat was at the hands of Sinton.

Mike Blyzka, a former Western League hurler, will pitch for Sinton. Blyzka hurled a no-hitter during this year's tournament — the second nine-inning no-hit game in the 17-year history of the meet.

The finalists are survivors of a 32-team field.

Price Of Milk Rises In Dallas Section

DALLAS, Sept. 6. (AP) — Three Dallas dairies have boosted the price of milk two cents a quart. The retail cost now is 25 cents. The are Borden, Cabell and Oak Farms.

Reasons for the price increases are the drouth and keen competition from other milk market areas, Ted Robinson, local district manager of The Borden Company, said.

Top Clubs Fall In Big State

(By The Associated Press)

The one-two clubs in the Big State League playoffs are trying to get back into the picture. Both went down Wednesday night in their own parks.

Gainesville fell to Austin and their ace southpaw, Stumpy Jones, 6-4. Temple used three hurlers in an attempt to stop Sherman-Denison Twins but lost 9-6.

Big Bud Lively turned the truck for the Twins. He gave up 13 hits but left 11 men stranded. He had a single, double and home run to figure in the Twin scoring.

Jones silenced the Gainesville bats. He gave the Owls only four hits.

Gainesville and Austin switch to Austin tonight. Sherman-Deinson and Temple will play again in Temple.

Presidio County Land Under Long Term Lease

HOUSTON, Sept. 6. (AP)—A 10-year commerical lease on the 0-1 ranch in Brewster County has been signed by the Gulf Oil Corp. It includes 217,000 acres.

Lykes Steamship Company, owner of the ranch, is to receive a 25-cent per acre annual rental. The tract was described as a "wild, wildcat proposition." A company spokesman said there were no immediate plans for oil exploration.

The land lies along the east coast of Presidio County, about 10 miles south of Alpine. It once was owned by W. W. Turney of El Paso, who ran cattle on it under the 0-1 brand.

High Scoring Games In Amarillo - Pampa Double Header Play

(By The Associated Press)

Pampa and Amarillo players brought out their big bags Wednesday night in a West Texas, New Mexico League double-header. A total of 54 runs were scored in the two games and 59 hits fell all over the Amarillo park.

Amarillo took the first game, 18-11, but Pampa won the second, 16-9.

Albuquerque defeated first place Abilene, 7-1; Lubbock beat Borger, 7-3, and Lamesa downed Clovis 8-4.

Jerry Folkman won his sixth straight game for Albuquerque. Ed Arthur turned in a neat seven-hit job for Lamesa.

Lubbock and Borger met in a battle of errors.

Italian Leader In Paris

PARIS, Sept. 6. (AP) — Premier Alcide de Gasperi of Italy arrived in Paris this morning on the first leg of a trip to Canada and the United States.

Labor Government Is Asked To Nationalize Distribution Of Food

BLACKPOOL, England, Sept. 6. (AP) — The Trades Union Congress today urged the Labor government to nationalize the buying, marketing and distribution of basic consumer goods — particularly food.

Prime Minister Attlee's government already has made tentative approaches looking toward changing the food distribution system. A resolution approved unanimously by the 917 delegates to the TUC expressed concern at the rapid rise in the cost of living.

Propagandists Needed

OXFORD, Eng., Sept. 6. (AP) — A British Methodist minister told the World Conference of Methodists here today that the denomination needs "more Christian propagandists."

Scurry Gains Four Locations; 134 Tests Are Staked in Area

Twenty-seven West Texas Counties shared locations during the week of Aug. 19 to 25 for 134 tests for oil, including 17 wildcats. The preceding week listed 91 tests, including 22 wildcats, in 24 counties.

Totals for the first 34 weeks in 1951 became 3,670 for proven areas and 668 for wildcats, a grand total of 4,338. This is a weekly average of 127.59, up from 127.39 through the 33rd week.

District 7-C gained 12 wildcats and 29 field tests; District 8 added five wildcats and 22 field projects.

Crockett County led in wildcats with four, Runnels added three, Andrews two, Dawson, Glasscock, Kimble, McCulloch, Pecos, Reagan, Schleicher, and Tom Green one each.

Midland County led in field starters with 21, Ector, 17, Glasscock and Upton 14 each, Runnels eight, Cochran six, Loving five, Andrews Crockett, and Scurry four each, Gaines and Pecos three each, Reagan, Terry and Ward two each, Crane, Dawson, Garza, Hale, Hockley, Howard, Irion and Yoakum one each.

CROCKETT COUNTY

Continental Oil Co. No. 4-A J. M. Shannon, 668 from south, 2,068 feet from west line of section 22-UV-GC&SF; 7,400 feet, rotary, Elkhorn Ellenburger field.

Harry Holbrook Visits Sister in Greenville

Harry Holbrook, Sunset Courts, returned Tuesday from Greenville. He was notified Sunday that his sister, Miss Bertha Holbrook, was seriously ill following a heart attack.

Miss Holbrook, who was a Snyder visitor last month, is still in serious condition, but her physicians have given encouraging reports to the family, Mrs. Holbrook reported.

State Needs Teachers Trained To Handle Mentally Retarded

AUSTIN, Sept. 6. (AP) — Texas needs more specially trained teachers for its school-age children who are "different."

The "different" children in this case are those whose intelligence is below normal, or those who are physically handicapped.

Public education programs are now available for both groups.

Six years ago special education classes for the physically-handicapped were set up. Next week, school doors will swing open for just 600 of the 25,000 mentally retarded youngsters under a law passed by the 52nd Legislature.

BIG HITCH

The law provides that the State Education Agency will pay teachers [illegible] these children [illegible] that provide proper classrooms and other facilities. A similar arrangement brought the physically handicapped into many schools.

The big bitch in both programs is a shortage of trained teachers.

The emphasis is on "trained." Just any teacher won't do. The teachers must be deeply interested in the children who are different and they must also know the specialized techniques, says Dr. H. E. Robinson, director of special education for the Texas Education Agency.

Only the University of Houston, East Texas State Teachers College and Southwest Texas State Teachers College offer courses for teachers who want to instruct the mentally deficient, Robinson said. He hoped other colleges would add such instruction.

HUNDREDS NEEDED

Neither the program for the physically-handicapped or the mentally deficient can begin to serve adequately until hundreds of teachers are available for this work.

Children who were slow to learn have trailed along in school, attempting to compete with those of normal or above-average intelligence. They have been failed, or "retained," Robinson said, but the result has been a general slowing down of the entire public school program.

Under the new system, the children will be taught in separate classes, but they will mix with the others in the lunchroom, auditorium or playground. The effort will be to train them so they can become independent and useful units in society, despite their handicap.

TEXAS BRANDS

RAL

By JOHN W. HENDRIX

Another man who was able to form a brand that would indicate his name was P. Rahl of Lampasas, San Saba, and Mills Counties, who adopted RAL as his brand in 1873. The brand has been kept constantly in use by some member of his family of seven sons.

BEAUTIFUL NEW HOMES

Have you investigated the fine, sturdy construction in the KITTRELL HEIGHTS HOMES? This construction features plenty of built-ins, closets and storage spaces.

There are only 4 plans left from which to make your selection of these fine homes. Call us today.

BOTH FHA AND GI FINANCING
JACK AND JACK REALTY
Phones 462 and 174 35th and Ave. C.

BETTER TERMS--

On repairs, remodeling and additional room.
Yes, the terms are now 36 months, which means better terms than you may be able to get on almost any other item you buy for the home.
For example: You may do $200.00 in repair work to your home, rent property or business for the very reasonable monthly payment of $5.75. And the amount under this plan may be as much as $2,500.00.
You may do the work yourself, or we will furnish you with competent, courteous workmen to do the task. Call us for free estimate.

San Francisco Conference Is Show Of Power In Fancy Pants

By JAMES MARLOW

WASHINGTON, Sept. 6. (AP)—This is a coldblooded business, dressed in a cutaway, at the Japanese peace treaty session in San Francisco. No one is being kidded, least of all those taking part.

It's surrounded by all the usual trappings of high diplomacy. But it's the raw and naked power of the United States meeting the raw and naked power of Russia, head on. It's deadly without shooting.

This time the United States has Russia over a barrel. And it's taking full advantage of that fact. Both sides recognize it. But for appearances' sake they go through the diplomatic song and dance.

The case can be stated in short order:

U. S. GAINS ALLY

The United States wants this treaty because it gains a powerhouse ally in the Pacific to block any Russian moves: Japan will be allowed to rearm and the United States will have troops there. For these same reasons Russia is against the treaty.

There are only three Communist delegations at the treaty session: Russian, Polish, Czechoslovakian. But the treaty hall is packed with this country's friends and allies. They can swamp the Communists at every turn on any question with their votes.

At Wednesday's first full session, when the Communists tried to mess up the works, they were politely allowed to talk in relays for a couple of hours. Then they were voted down.

But everyone in the hall knew the outcome, before the start, including the greatly outnumbered Gromyko. It was a diplomatic show, rigged by the Americans and British. They did it by drawing up beforehand a set of rules under which all the delegates would have to do business.

GIMMICK IN RULES

And there was a gimmick in the rules: they put a time limit on talk by any delegation, a device with one purpose only: to stop the Russians if they tried any monkey business, which is why they went there.

Calm and reasonable settlement of differences between the United States and Russia has become next to impossible. Both now have resorted to force: The United States is trying to build a ring of armed allies around the Communist world which is arming and trying to expand. Japan will be an important link in the American ring.

And the San Francisco meeting is just part of the power struggle, except that it's dressed up fancy.

Researcher Cleared Of Blame In Deaths Of Human Guinea Pigs

VERMILLION, S. D., Sept. 6. (AP)—Dr. Louis Michalek, bespectacled young medical researcher, today stood cleared of blame in the deaths of two "human guinea pigs" at the University of South Dakota.

A coroner's jury reported Wednesday, "we find there is no evidence of culpable or intentional negligence. Therefore we conclude that the deaths were not felonious."

Dr. Michalek, 28, earlier admitted he had injected methadon by mistake during an experiment in which he meant to test demoral another sedative, as a pain killer. Two laboratory employes, Jack Clifford and Mrs. Ardys Pearson, died 24 hours after receiving the injections.

LEGAL NOTICE

THE STATE OF TEXAS,

TO R. W. Collum, L. A. Gamble, J. R. Boyd, H. E. Gasaway, E. L. Acker, Flossie Gurley, D. P. Fox, if living, and if dead, the unknown heirs and legal representatives of said persons, and the unknown heirs and legal representatives of said unknown heirs. Defendants in the hereinafter styled and numbered cause:

YOU are hereby commanded to appear before the District Court of Scurry County, Scurry County, Texas, to be held at the Court House of said County in the Scurry County, State of Texas, at or before 10:00 o'clock a.m. of the first Monday after the expiration of 42 days from the date of issuance hereof, being Monday, the 15th day of October A.D. 1951, and answer the Plaintiff's Original Petition in cause numbered 5469, Styled Abel Barrientes Et Al, Plaintiff vs. J. P. Cruse Et Al, Defendant filed in said Court on the 30th day of June, A.D. 1951, the nature of Plaintiff's demand being as follows, to-wit:

Suit in Trespass to Try Title, and for title and possession of the following described real property to-wit: Lot No. 5, Block No. 3; Lot No. 6, Block No. 8; Lot No. 11, Block No. 3; Lot No. 12, Block No. 3; Lot No. 14, Block No. 3 and Lot No. 1, Block No. 4, all in the Gross Subdivision of the Scarborough Addition to the Town of Snyder, Scurry County, Texas, and being a part of Section 180, Block No. 3, H. & G. N. Ry. Co. Survey, Scurry County, Texas.

Plaintiffs sue for title and possession of said property, for damages and for costs of suit and for general relief.

HEREIN FAIL NOT, but of this writ answer as the law requires.

WITNESS: Eunice Weathersbee
Clerk of the 132nd Jud. District Court
Scurry County, Texas.
SEAL
By: Ima Lee Lammert, Deputy

GIVEN UNDER MY HAND AND SEAL OF OFFICE, at Snyder, Texas this 29th day of August, A.D. 1951.

Last Two Days In Longhorn

(By The Associated Press)

The Longhorn League clubs switch sites today to begin their final two games.

Pitchers figured prominently Wednesday night.

George Abbott shut out the San Angelo Colts, 3-0, but failed in an iron man stunt. He worked 6-1-3 innings of the seven inning second game but was hit hard to lose 10-8.

Roswell bested Big Spring, 6-3. Odessa shaded Sweetwater, 5-4, and Midland defeated Artesia, 8-4.

A walk and two singles loaded the bases and an infield out brought across the run that gave Odessa its margin.

Ray Hill, Roswell right fielder, had two home runs and turned in two great catches.

Corpus Lags In 1st Playoff

(By The Associated Press)

Corpus Christi, leaders in the Gulf Coast League almost from the first of the season, found themselves playing catch up today. The Aces trail by a game in the first round playoffs.

Fourth place Laredo spotted the Aces five runs, then prevailed 10-9 Wednesday night.

Second-place Harlingen beat third-place Brownsville, 9-8, in the other first round game.

Earl Caldwell, the third Harlingen pitcher, stopped Brownsville in the ninth inning to preserve an early Capital lead.

The clubs remain in the same parks for second games tonight.

Fort Worth And Dallas Fighting For Playoff Spots In Texas League

(By The Associated Press)

The Fort Worth Cats have fought to within a half game of the Texas League playoff bracket with four games to go.

Dallas needs only one victory to cinch a playoff berth.

The Cats crowded close to Beaumont Wednesday night with a 2-0 victory over Dallas. Beaumont was losing to Shreveport, 3-2.

Houston and San Antonio already have clinched for playoff spots, San Antonio defeated Houston, 7-1, Oklahoma City took a 4-2 verdict over Tulsa.

Men Not Allowed At London Fashion Show

LONDON, Sept. 6. (AP)—A London department store banned men from its fashion shows today because they were crowding out the women.

An official at C. and A. Modes said all 600 seats will be reserved for women.

"If a man arrives with his wife or girl friend, he will be politely asked to wait outside," he said.

Ramapo Deep, between Iwo Jima and Tokyo, at 34,038 feet, is second only to Cape Johnson Deep as an ocean depth.

Mt. Katmai, Alaska, showered dust 900 miles away when it erupted in 1912.

Relatively quiet since 1912, Mt. Katmai, Alaskan volcano, showed some activity in 1914, 1920, 1921, 1929 and 1931.
