

Wolves Stun Sweetwater, 19-0 For 3rd Triumph

Set Stage For Battle Here Against State Ranked Brady

A Baptist revival couldn't have done a better job. Not a single non-believer left Sweetwater Bowl Friday night.

All 3,589 fans — and a stunned squad of bruised Mustang footballers — had been converted.

They knew for certain, definitely so, Coach Truman Nix's Colorado High Wolves this 1967 season are tough, quick, hard-nosed contenders who bow their heads

to no opponent.

All they did Friday night was to step up into AAA company and kayo Sweetwater, pre-season favorites for District 3-AAA, 19 to 0.

When they trotted happily into their dressing room they left a big portion of the stadium crowd — and most of West Texas — choking on stale pre-game admonitions that the Wolves "will get it this time."

For the third consecutive

weekend they won. For the second consecutive weekend shut out their opponent.

In addition to making believers out of the favored Mustangs, the Wolves assured Colorado City fans they will witness the State's outstanding AA contest of the week when undefeated Brady Bulldogs travel here next Friday night.

How did they do it, this gang of Wolves who now have scored 106 points to op-

ponents' meager 87?

Well, they outgunned a heavier more experienced AAA Sweetwater club in every department of play, drove 64 yards for their first touchdown, 44 yards for their next, then smashed down the Mustangs and jarred 'em into mistakes.

The Mustangs, you remember, are the same team which beat Breckenridge and scored two touchdowns against the Abilene High Ea-

gles in Abilene.

They couldn't do it Friday night against the Wolves.

They couldn't cross midfield until the second quarter. Never moved inside C-City's 20-yard line until the final seconds, then only with a fumble.

Infact, only twice all night did they move farther than the Wolves' 42 yard line.

Dan Steakley led the scor-

ing in the victory attack engineered by Quarterback Randy Parker.

Twice the stellar halfback ran for touchdowns.

The third came from Parker himself, who intercepted a pass and roamed 30 yards down the sidelines.

While these three touchdowns — and an extra point by Benny Lamb — were lighting up the scoreboard, hardrock defensive play

was taking its toll of Sweetwater.

Centers Jerel Graves and Johnny Matthews, Linebacker Kerry Campbell, Tackle Jim Maddox, End Kenny Key, Tackle Sam Parham were leading the charge up front.

They were getting plenty of help, too, with tremendous defensive play from Co-Captain Fullback Ralph Lindsey, Dan Steakley and Halfback Keaton Grubbs.

It was a hard, grueling battle.

Sweetwater was out to avenge a 14 to 12 loss suffered at the hands of the Wolves last year.

But the Mustangs couldn't produce against the surging Wolves.

A dozen times Graves and Matthews either smashed Sweetwater runners alone or joined with teammates to knock 'em down.

Dean Of The Old Settlers

Mrs. Lutie Wilson, who will be 96 in October, was the oldest pioneer attending Colorado City's annual old settlers reunion Friday. Mrs. H.D. Womack, left, will be 89 next month and C.L. Grable, right, was 91 years old last February.

Pioneers' Spirit

250 Gather For Reunion

More than 250 pioneers of Mitchell County met in Civic House Friday morning to observe annual Old Timer Day.

Pioneers from as far away as California and Washington D. C. joined Old Timers still living in the county for

the reception, speeches, western music, memorial tribute, and awards.

Porter Richardson, manager of the local radio station, was master of ceremonies who introduced as speakers, Mrs. Edgar Majors, general chairman of Old

Timer plans this year.

Mrs. Majors, sister of the late Harry Ratliff, expressed pleasure at the capacity crowd and the attendance of numerous out-of-town pioneers here for the reunion, 38th annual event.

County Judge Elmer Martin delivered the official welcome address in which he praised the spirit of Mitchell County pioneers.

Mrs. Witt Hines, historical survey committee chairman, reviewed placing and plans for placing of historical markers in the county.

Johnny Moore, attorney from Sweetwater and a former resident of both Westbrook and Colorado City, made the chief address.

Moore's address was in the form of a review of headlines from microfilm files of the Colorado City Record. His introduction was a brief resume of the county's history beginning before 1880 with old settlers, first merchants, and cattlemen. Beginning with 1902 Moore

Richardson counted and eliminated contestants.

Miss Martha Earnest, daughter of the late Judge and Mrs. C. H. Earnest, won the plaque as the pioneer who has lived continuously the longest in Mitchell County. She was born here 78 years ago.

Plaque for the pioneer who traveled the longest distance to attend the reunion went to Lavenia Wren Cooper.

Always a favorite feature on Old Timer Day, traditional prizes of plaques were presented by Porter Richardson, master of ceremonies.

Proper Stripping Pays Off

Specialists List 'Key' Factors

Proper use of cotton strippers and the right conditions for harvesting were emphasized at a meeting at the Lone Wolf her Friday night, according to Bobby Lemons.

Speaking on machine harvesting of cotton for maximum efficiency and quality preservation was B. G. Reeves, cotton ginning and mechanization specialist with

the Texas Agricultural Extension Service.

Other featured speakers were Dr. Bob Metzger, Extension Service agronomist, and Fred Elliott, Extension

service cotton specialist. More than 95 per cent of the Texas cotton crop was machine harvested last year, pointed out Reeves, and a 98 per cent efficiency should be obtained with the use of strippers, the mainstay in this area.

Many factors affect operating efficiency, but two important items are the speed at which the stripper is operating and the height at which the stripper headers are running.

The plant lifters within the header should be checked thoroughly before harvesting begins to make sure they are in top operating condition, Reeves said. When harvesting starts, these should be checked again to assure they are running below the bottom bolls on the cotton stalks.

Harvesting should not begin until moisture conditions are right, the specialist emphasized. Moisture in the lint should not be more than eight per cent and relative humidity at boll height should be 60 per cent or less.

A simple method of checking the lint to determine if it is ripe for harvesting is to collect several samples from throughout the field and squeeze them in the hand. If the lint fluffs out, it is dry enough to begin harvesting. However, Reeves added, if it balls up or sticks together, harvesting should be delayed.

Timing is also important if a desiccant has been applied, said the specialist. The leaves and stems of the cotton plant should be brittle before harvesting is begun. Usually, this will be a week to 10 days after the desiccant is applied.

Main advantages of using a desiccant is that it permits earlier harvesting and more efficient mechanical harvesting.

In further discussing desiccants and defoliant, Elliott pointed out that these harvest-aid chemicals "do not work well when night temperatures range below the 60 degrees mark. Proper timing in using these chemicals is all-important, he added, since lint yield, quality fiber, oil content and seed viability can be affected.

The best guide to follow if a desiccant or defoliant is to be applied is to check the field for the per cent of open bolls, Elliott stated. At least 60 per cent of the bolls should be open before a defoliant is applied and 80 per cent or more if a desiccant is to be used.

Turning to environmental factors — humidity, temperature, moisture, light, etc. — which affect fiber development, Metzger pointed out that as the season advances, more time is required for cotton bolls to mature. Cotton that blooms by July 20 will normally have mature

42-0 Romp Over Sands

Loraine High Bulldogs, bolstered by a sturdy defense, continued its upsurge in this 1967 football season Friday night by decisively beating Sands (of Ackerly), 42 to 0.

Coach Donald Byran's club scored in every quarter, controlled the ball for the most part and cemented their defense when necessary.

It was the second triumph without a loss — only one tie — for the Bulldogs, now looming as a definite threat in District 4-B, who have scored 98 points while allowing opponents only 6.

Wingback Terry Brewer and Fullback Ronnie Finley set the pace for Loraine, on defense as well as offense, before hometown fans.

Brewer, who is so valuable as a blocker, most of the ball carrying chores go to his teammates, struck for two touchdowns and traveled 79 yards in 4 tries for a 17.5 average.

Finley also scored double in the touchdown department and added a two-point conversion. Along the way, he ripped the Sands defense for 133 yards in 129 carries, averaging 4.2 yards per effort.

When the Bulldogs were

not keeping the scoreboard busy, Finley and Brewer were leading the defensive charge, too.

Between 'em, the two linebackers accounted all or in part for 31 tackles — Finley with 4 unassists and 13 assists, Brewer with 2 unassists and 12 as-

Don't get the idea, however, the Loraine triumph

was a two-man show. Not if the least.

The Bulldogs cranked up their offense at least three times for sustained drives longer than 60 yards — churning out the yardage mostly with short gains on scissors and sweeps.

When they fumbled and handed the ball over to

ROSCOE MAN FACES FELONY THEFT CASE

A felony charge alleging attempt to enter a pickup with intent to commit theft has been filed here against a Roscoe man.

Richard Johnson is named in the complaint filed Friday in Precinct 1 Justice of Peace Leonard Henderson's Court.

Johnson, who was placed in jail in lieu of \$1,500 bond, was arrested Thursday night by Assistant Police Chief Bill Henderson and Patrolman Nick Martinez.

Police were notified at 2:35 a.m. Friday by Mrs. W. D. Ramsey, 1635 Hickory, that her husband had just surprised a man in the Ramsey pickup and the suspect

was walking away on Hickory.

A lawn mower in back of the pickup had been taken out of the vehicle and damaged.

Named in another felony case filed in Justice Henderson's Court is William A. Stevenson of Odessa, accused of subsequent offense driving while intoxicated.

The complaint was filed after Stevenson was arrested Sept. 16 by State Highway Patrolman Jim Mauldin. It alleges that Stevenson previously was convicted of DWI in June 1950 in Howard County.

Bond was set at \$1,000.

CONVERSATION CORNER

"SHOULD old acquaintance be forgot and never brought to mind?" Not if you live now — or have ever lived in the past — in Colorado City, Mitchell County, Texas.

Old Timer Day in Civic House Friday morning proved that again. The crowd, bigger than anybody dared hope for, was made up of old acquaintances, old friends, old schoolmates, old neighbors.

Sitting there part of the time by Mrs. N. F. Hall of China Grove, part of the time by Mabel (Mrs. Stewart) Cooper, the rest of the time shaking hands all over like like that old time religion, decided again that the friendliest, dearest, nicest people in the world live near, live here, or lived here once upon a time.

HAD the downright fun of conversation with Bob (Robert A.) Shepherd and his charming, chic little wife Opal, here from Houston for the reunion.

It was Mr. Shepherd and his brother the late Jim Shepherd, both prominent Houston attorneys, who were honored here several years ago during Tumbleweed Festival. The Shepherds grew up here, Opal, like some of the rest of us Mitchell County pioneers, grew up in East Texas. At Atlanta.

Leonard Simon, born and reared here, was in C-City for the day. He lives in Big D. Dallas.

SAW, too, Stansel Whipkey, son of the late A. L. Whipkeys, brother of Lela Price, Irene Robertson, and Bob Whipkey, Big Spring publisher, and the former Lois Whipkey with her husband Rush Moody, Sr.

Stansel lives at Splendor, near Houston. The Moodys, now retired, live at Brazoria.

Elder Moody daughter Jimmie and her husband both teach in a college at Sacramento, Calif. Daughter Marilyn, her husband and five children live in Rosenberg. Son Rush Moody, Jr., his wife and six children live in Midland where he is an attorney.

HOMETOWNERS there included Mrs. W. R. Motley, Sr., Mrs. Oscar Majors, Mrs. Tom (Emily Dulaney) Barry, Mrs. Harry Ratliff, Mrs. Sam L. Majors, Mrs. Otto Jones, Mrs. Edgar Majors, Elizabeth Kirkpatrick Jones (Mrs. Jesse L.).

The John Hales, Bill Mrs. Mary S. Tiller, Mrs. H. T. Coles, Mrs. H. B. Cook, Ruth Hightower, The Tom Pritchett, Ralph Lees, The Will Berrys, Ethel Dawson, Mae Fuller, Ida (Mrs. Jim) Watson, The De Bynums, Mrs. H. D. Womack, Kitten and Jack Richardson.

Talked a minute to Frances Lupton Young who has moved back to C-City and her sister Corine Morgan.

FAMILIAR FACES, some place, belonged to the Blaine Morgans, Keith Miles, Otis and Harvey Mills of Lorraine, Gillian McEntire in a pretty tangerine hat, Mrs. Colyn Smith, Margaret Mann Hudson (Mrs. E. O.) Mrs. J. Ed Richardson, Evelyn (Mrs. Ross) Daniels, Don DeLaney, Jim Hestand, Leonard Henderson, Dan Majors. Also quite Ann Morrison and her husband Tommy Violet Mosser, Naomi (Mrs. Everett) Stagner, Mrs. Sims Palmer, Mrs. Manford Hordgreve.

Met vivacious Daisy Adams Brown of Ft. Worth, Hattie G. Rice, retired teacher of Midland, and Frances McMurry Hamblet of Los Alamos, N. M. an old classmate of Lottie (Mrs. Cap) Slagel. Lottie had an afternoon party for her old class after their luncheon at the Villa.

THERE'S something about a reunion that is fine, fine, fine. Punch was cold, coffee was hot, cookies were delicious, doughnuts appetizing.

Roses all over Civic House were beautiful and colorful. Speeches were just right.

Have one protest only. Next time Owen Lee Montgomery and his string combo play I insist that somebody

CIRCUIT RIDERS PROJECT

C-City Volunteers Visit Big Spring State Hospital

Eight Colorado City volunteers made the trip to Big Spring in the "Circuit Riders" station wagon, Wednesday, to assist in the Volunteer Service program at Big Spring State Hospital.

They were the first volunteer working group to report at the hospital under the new Volunteer Grant Program being organized through the Governor's Commission on Aging.

Volunteers from Stanton, however, organized their own group about a year ago and have been visiting the hospital as volunteer aides since.

Mrs. Mildred Bennett, program specialist in a six-county area, accompanied the "Circuit Riders" from Colorado City.

They were Mrs. Jewell Richters, first Colorado City woman to volunteer her services, Mrs. Clifford Farmer, Miss Effie Copland, Mrs. Jim Jones, Mrs. E. T. Strain, Mrs. Roxie Witten, Mrs. Ethel Hardegree, and Mrs. Tom Grant.

"Circuit Riders" group left their new office quarters at Rhode-Cowan Clinic at 9:30 a.m.

At 10:30 a.m. they were interviewed for a taped TV news sequence on KWAB.

Orientation lectures for workers in the new volunteer project began at 11 a.m. with Walter Wicker of the hospital staff discussing social services, followed by Mary Cochran of the Volunteer Coordinating office.

After the lunch hour the eight volunteer workers from Colorado City hosted a party

for about 20 patients in Unit 3. Refreshments of iced punch and cup cakes, made by the local volunteers for the occasion, were served to the patients.

At 3 p.m. Lowell Grabau, psychologist of the Volunteer Grant office, spoke to the group about the program's purpose and possibilities.

The volunteer services program has been initiated to give older patients some social contact with visitors interested in their welfare and eventual recovery.

Volunteers may offer to make visits to the hospital on a regular basis or a "sometimes" schedule. Women wanting to take part may call Mrs. Richters until the local office, housed in the clinic, is officially opened and staffed.

Volunteers may choose from a list of services needed ranging all the way from serving as a chaperone on Christmas shopping trips to town or for church, to serving on the local telephone committee.

Many of the older patients at Big Spring, Mrs. Bennett noted, appreciate help with letters to families and friends.

Two Register At Cisco Junior College

Registering at Cisco Junior College for the 67-68 fall semester were Ronnie Lambson of Mr. and Mrs. S. O. Lamb, and Joyce Lewey, daughter of Mrs. Martha Lewey.

ds; enjoy a monthly bingo party at the hospital with small prizes arranged for by volunteers; would be happy with a birthday celebration; need a partner for a game of cards, dominoes, etc.

Also suggested for willing volunteers is the conducting of a monthly "singalong," help with crafts, help with grooming.

One interesting phase of the program is the "Buck a Month" club. People not able to visit the hospital, personally, can remember one or more lonely patient at the hospital with \$1 each month to be used for car-teen books to buy soft drinks, personal supplies snacks.

Grads Of 1919 At 48th Reunion

Unique celebration — held after the Old-Timer reunion program — Friday morning was a luncheon for the Colorado High School graduating class of 1919.

Luncheon — marking the 48th annual reunion of the class was held in the party room at Villa Inn Restaurant.

All six of the surviving members attended. Class of '19, which was graduated the year after most young men had been busy fighting World War I, was made up of eight "young ladies."

The only class of '19 member still living in Colorado City is Lottie Landers Stager who is Mrs. H. P. Slater, 845 Hickory.

Here from — Los Alamos, New Mexico, for the event was Frances Virginia McMurry, Hamblet.

Addie Ruth Watson was here from Lubbock to join her classmates.

Daisy Adams Brown came to the party for "the girls," from her home in Ft. Worth.

All the way from El Paso came Elma Louise Quimby Clark.

Nancy Xenia Smartt Richardson, who lives in Weatherford, drove to Colorado City for her class reunion.

Guest — at the luncheon and reminiscing program was Miss Mabel Smith, retired teacher whose identification card bore the date of arrival in Colorado City 1898.

Class of '49 members were

students in her classes, the second year, Miss Smith taught at Colorado High School.

Two other members of the class, now deceased, were the late Emora Dulaney Brown and Myrtle O. Butler.

WCS Program By Mrs. Messimer

WESTBROOK — The Woman's Society of Christian Service met at Methodist Church, Monday.

Mrs. L. R. Messimer presented the program "Modern Woman's Struggle for Personal Identity."

Present were Mes-simer, John W. Hawkins, O. T. Bird, Frank Oglesby, and L. E. Gressett.

Mrs. Price Hendrix will direct the next lesson, Monday, September 25.

Clayton Williams, Sweetwater businessman and lay worker for the Cancer Society, presented to Lawrence Ruddick, Mitchell County president, a certificate of continuance when the society met Thursday night in the community room of City National Bank.

This certificate is recognition by the American Cancer Society that the Mitchell County unit is doing its share of work in three divisions: research, education, and service. Mr. Williams is a state and National committeeman.

Bill White, District consultant, Texas Division of Cancer, San Antonio, Midland, was introduced by Ruddick.

White stressed the value of the service committee after he announced that 20 Mitchell Courtians died of cancer last year. Doctor's permission must be granted before aid may be given by the service group.

The film showed that chronic bronchitis and cancer were linked with smoking.

Plans were announced to have a mobile unit here for the 1968 Mitchell County Fair.

The film, previewed Thursday, will be shown later to young people.

Mrs. Bennett Scott, service chairman since the local organization was founded, sent her report which was read by Mrs. Don DeLaney. One person is being served at the present. Mrs. Scott

WESTBROOK — Members of the Homemakers Sunday School class of Baptist Church met with Mrs. B. D. Taylor, Tuesday, Sept. 19.

Mrs. Hoyt Roberts, a new member of the class, led the opening prayer and Mrs.

Sands — the field was slippery and wet from Friday's rain — all hands turned to and chilled the visitors. Only once did Sands move inside Lorraine's 20 yard line. Tailback Stanley Hackfeld, whose dad is recovering from a serious heart attack, scored a touchdown and averaged 6.4 yards on 22 carries with total runs of 142 yards. He also contributed a two-point conversion.

Quarterback Tim Hamilton joined the scoring also with a touchdown and two-point conversion.

Brewer started the victory romp in the first quarter with a 44 yard touchdown run. Hackfeld added the two-point conversion and the Bulldogs were in control the rest of the night.

Hamilton's one-yard sneak was the first of two second quarter touchdowns. He set up the score with a 40-yard punt return. Finley added two points for a 16-0 lead.

No. 2 in the second was a 35-yard touchdown jaunt by Hackfeld around end.

Instead of tiring against the big, hefty Sands team, Lorraine kept moving farther ahead in the second half.

Brewer traveling 18 yards in the third for a touchdown, followed by a pair of touchdowns by Finley in the fourth.

"It takes a long time to grow an oak tree, and it takes a long time for a person to grow into a mature person. A Challenge

In her address, Mrs. Nagel challenged the women to look forward to the opportunities for service to the community, state and the affair of the nation as well as the entire world. She stated that through our united effort comes a feeling of accomplishment as we aid worthwhile causes.

The program was presented by Mrs. Ridley who shared the accomplishments of Mary Stewart who wrote the well-loved "Club Collect" treasured by all club members. The author, according to the speaker, felt that women working together with wide interest for large ends was a new thing under the sun and that perhaps they had

need for special petition and meditation of their own. The prayer was offered for publication under the title "A Collect for Club Women." The "Delin-eator," a woman's magazine no longer published, but at that time nationally popular. About 1909, Paul Elder and Co. of San Francisco printed it as a wall card. The first women's organization to use it was the General Federation of Women's Clubs. Since then it has been reprinted in many forms in many lands. Closing the program the Club Collect was read in unison.

Project

Mrs. Nagel announced that the club would have a part in the Texas Federation of Women's Clubs projects including assistance for a student taking Vocational Nurses training. She also announced that a donation has been given to the state charitable and educational fund.

MIRA REPLACEMENT
SAN FRANCISCO (UPI)—The San Francisco Forty Niners Friday re-activated Wayne Swinford, a three-year veteran defensive back whose talents will be used for pass catching rather than defense.

Swinford, who played his collegiate ball at the University of Georgia, took George Mira's place on the San Francisco roster. Mira was placed on the injured waiver list Thursday.

OLAF SOUTH JOHN WHITE

FTC Hears Educators

The Future Teacher Chapter of Sweetwater High School with approximately 100 members have attended two meetings since the beginning of the 1967-68 school year.

An orientation of prospective members featured John White, principal of Sweetwater High School, as speaker.

Tony Brown, president of the club, presided and introduced advisors, officers and committee chairmen of the organization.

White told the prospective members that "teaching is the most important profession in the world because all other professional people such as lawyers, doctors, scientists and countless others first had to sit in the classrooms and learn from teachers."

He suggested that all high school students who plan to teach should make good use of the present by observing good teachers in their effectiveness to teach and to deal with students in the classrooms in Sweetwater High School.

Mrs. David Bridgford and Miss Laura Sheridan, co-advisors, explained various projects and functions of the club.

It was explained that due to the large present membership of the club that no freshmen could be invited to join. New members were invited by friends who had expressed a desire to join the club.

Olaf South, superintendent of Sweetwater schools, spoke at the initiation of 40 members when the chapter met Tuesday in the visual aid instruction room of the school.

Tony Brown, president of the club, presided during the initiation service and introduced South. The speech was one to inspire members of the club to consider teaching seriously.

South pointed out that not only is there a need for teachers, but that the profession offers more rewards than in the past. He reminded his listeners that teacher salaries in Texas are getting nearer to the national average and that better schools are providing improved equipment to make teaching more interesting and effective. He spoke enthusiastically about the 20 regional material centers in the state which offer services in visual aids and counseling to schools in all areas. He challenged members of the club to take an active part in encouraging their classmates to stay in school and urged all future teachers in the club to aspire to be good teachers so that the dropout problem might be solved in the schools.

FIRST PRESBYTERIAN CHURCH

E. 14th and McCaulley Sts.

The word, "hypocrite," is one of those words that strikes a hard blow at human self-confidence and security. When a person is called a hypocrite, he is being accused of being basically dishonest. Webster's New Collegiate Dictionary defines hypocrite as "one who affects virtues or qualities he does not have." The word, "hypocrite," in various forms, appears in the Bible about forty times. It is frequently used to refer to those who play the role of God or presume to make judgements for God.

Occasionally today one can hear non-churchgoers refer to churchgoers as hypocrites or members of one religious group refer to members of another religious group as hypocrites. This is always an attempt to point out a basic dishonesty in the position of a person or group, just as Jesus pointed out the hypocrisy of the scribes and Pharisees. The danger in this, of course, al-

ways lies in the pot's calling the kettle black; for often it is grossly hypocritical to label someone else a hypocrite.

Perhaps it is wisest to view the church as a fellowship of confessed hypocrites. This does not mean that church people are cured of hypocrisy; but it does mean that they have confronted the folly of this hypocrisy, confessed it, and accepted God's forgiveness. Doubtless, part of the problem is that the hypocrisy of those who take a position of faith is more visible than the hypocrisy of those who do not.

Hypocrisy is a part of the universal human condition of separation from God. Its only cure is forgiveness; and this forgiveness, the church affirms, is received through the only non-hypocrite who ever lived, whom Christians call "Lord."

c/o SWEETWATER REPORT
CITY

Saluting One Of Sweetwater's Essential Industries . . .

The Simmons Memorial Hospital was built in 1935, following a favorable bond issue voted on February 11th, 1935. At this time, L. L. Armor was Mayor and Sam Bothwell was City Manager.

The hospital was originally named the Sweetwater Memorial Hospital and the name was later changed to Simmons Memorial Hospital when it was decided to be a joint operation between the City of Sweetwater and Nolan County.

The hospital serves Nolan County and adjacent areas with a capacity of 108 beds. Approximately 180 employees serve the needs of the hospital patients and this figure includes 16 registered nurses and 60 licensed vocational nurses. The annual payroll for the hospital employees will approximate \$500,000.00.

The hospital is staffed with seven doctors as well as any specialist who may be called upon to attend a patient.

Seven hospital board members govern the operation of Simmons Memorial Hospital; three are appointed by the city, three by the county and one is appointed by both the city and county. These board members are; representing Sweetwater, Davis Clark, Sam Reeves, Watson Moore and Joe Liner; representing Nolan County, from Roscoe, Arthur Duncan; from Blackwell, Louis Sweet and from Nolan, Emmett Bennett.

The hospital is under the management of Joseph F. McWilliams, who has had twenty years of experience in the administration of hospitals. Other hospital officials are: Roger L. Hattom, Business Manager; Mrs. Hattie E. Shelley RN, Director of Nurses; Margaret Simmons, RN, Anesthetist; Ruby Merritt Lee RN, Anesthetist and Morgan Causey, A.S.C.P., in charge of the hospital lab and X-Ray Dept.

The National Bank of Sweetwater gives a well-deserved salute to this institution of healing so essential to our citizens and to its dedicated staff of doctors, nurses, hospital employees and board members who always stand ready to serve our community with their unselfish services of Simmons Memorial Hospital.
