Texas Electric Asks For Increase In Rates Here

Request Goes To Council Monday Night

Texas Electric Service Company has filed a request for a rate increase in Colorado City with city officials.

The request will be taken under consideration by the City Council at their regular monthly meeting Monday night.

The request states that the maximum increase of any residential user would be 32c a month or about 1.1c per day.

In its request to the city, TESCO stated, "After experiencing 9 years of inflation and increasing costs" we must request an adjustment in our rates locally.

The requested increase "is nominal", the request states. It was brought about by increases in costs and materials, increases in taxes and a "substantial increase in the cost of gas fuel."

The request notes that the increase is the first asked since a 1951 increase was requested and granted. That 1951 increase had been the first change since 1946 when the company, anticipating a recession following World War II, lowered their rates.

TESCO, with the requested increase, anticipates a rate of return of 5.57 per cent in 1961. "This is a lesser rate of return in 1961 than the not less 6.7 per cent which we are entitled to earn," the request noted.

City Hall estimates that the requested increase to the city would cost the city about $1,000 a year.

The city has been paying 1c per kilowatt hour for pumping power and 2c per kilowatt hour for lights. The request asks .05c per kilowatt hour increase in each.

Included with the request by TESCO were statements that:

The company's cost to service each individual customer is up 49.6 per cent, from $20.40 to $30.51, in the years from 1950 to 1960.

The cost of electric power has increased as has the cost of living.

Company wages are up 50 per cent for almost every employee over the 1950 salary scale.

And that the fuel costs of the company have increased 132.1 per cent since 1951.

Texas Electric is the second major utility to request a rate increase in the last few months.

Southwestern Bell Telephone currently has a request filed with the city for a rate increase. Acton on that request has been pending for the past 3 months.

First Name Out Of The Hat

Mitchell County Judge Elmer Martin, center, hands the first name drawn from his hat to Mitchell County Clerk Gilbert Leach, right, while Sheriff's Deputy Bob McGuire looks on. The drawing was held Thursday to determine the position on the Mitchell County ballot of candidates for United States Senator in the Apr. 4 election. Harvill O. Eaton's name was the first drawn and will top the county ballot.

AT MIDLAND CONVENTION

West Texas Teachers Elect Mrs. Gordon to Presidency

Mrs. Gerald (Nadine) Gordon, Colorado City High School journalism teacher, was elected president of the West Texas Teachers Association Friday.

She was elected to the top post at the association's annual 1961 convention in Midland.

Mrs. Gordon moved up through the offices of the association and served as vice president last year. Earlier she had been the group's secretary.

"I think it is a very wonderful honor to be elected to the post and I feel it will be an awarding experience, for sure," she stated.

Holder of both BA and MA degrees from Hardin-Simmons University in Abilene, Mrs. Gordon is in her 13th year as a teacher at the local high school. She has also done graduate work at Mary Hardin Baylor in Belton, Texas Tech in Lubbock and East Texas State in Commerce.

The Gordons reside at 1229 Chestnut St. here in Colorado City. Mr. Gordon is in the insurance business locally.

Mrs. Gordon's students have

See TEACHER, pg. 7

MRS. GERALD GORDON . . . 1961-62 President

SHE WINS $10

Ad-Rime Prize to Mrs. Tom P. Barry

Mrs. T. P. Barry, housewife, artist and real estate dealer, turned to jingle writing this week and won the $10 first prize for Colorado City Record's Ad-Rime Contest.

She's the winner for the Ad-Rime's second week of competition a regular feature in the Record for the next few months.

Mrs. Barry, who resides at 144 E. Eighth St., automatically becomes a candidate for the $50 grand prize which will be awarded to one of the weekly Ad-Rme champs at the conclusion of the 26-week contest.

It was an all-women's show, so to speak, in the second week of jingle writing. Second, third, fourth and all honorable mentions except 1—were won by rhymes submitted by women.

Joe Earnest, champion of the first week's competition, won an honorable mention this week to keep the men from being completely shut-out.

Runner-up to Mrs. Barry in this week's judging was Mrs. Gerald Gordon, journalism instructor at Colorado City High and new president of West Texas Teachers Association.

In third place was Mrs. E. L. Henderson, local homemaker who won honorable mention in the first week's judging.

Mrs. J. M. Watson, the Westbrook School teacher who lives at 1612 Dallas, was named fourth by judges. She was No. 3 the previous week.

Entries piled high at Colorado City Record for the second week's competition—far more than the opening week. Some good jingles were disqualified because these were either submitted without the "hidden slogan" being on the entry blank or because the jingle didn't rhyme with the Ad-Rime guideline.

However, everyone gets their third chance for a $10 Ad-Rime prize in this edition of the Colorado City Record.

Winning the $10 first prize for Mrs. Barry was this Ad-Rime jingle:

"Repair service must be near.

"So why buy THERE when service is HERE."

Mrs. Gordon's No. 2 rhyme

See AD-RIME, pg. 7

Fire Destroys 2-Room House Friday Night

A 2-alarm fire Friday night destroyed a 2-room house in an alley between Peach and Plum, near the north end of the streets.

The first alarm was turned at 7:28 p. m. and the second came at 9:02 p. m. The small frame house was virtually destroyed before fireman arrived on the first call.

The firemen were recalled the second time after smoldering bed clothing burst into flame again. The bed clothes, removed from the hull of the house on the second call,

See FIRE, pg. 7

Jerry Haley Earns Cage Letter at LCC

Jerry Haley, former Colorado City Wolf star basketballer, was among the freshmen basketball players to earn a letter at Lubbock Christian College this past season.

Haley, who was honorable mention all-state, all-area, all-district and leading district scorer in his senior year as a Wolf, saw action in 21 of the 34 games for the Pioneers this past year. He scored 79 points, including 21 in one outing.

Haley is the son of Mr. and Mrs. Ted Haley of 305 E. 11th St. He is a nominee for the United States Air Force Academy — nominated by Congressman George Mahon.

Haley was considered one of the best freshmen prospects at the Lubbock school in his initial season. LCC had its best season in history last year with a 21-13 mark.

IN CHAMBER ROOM

5-Night Credit Course To Start Here Monday

A 10-hour course of Colorado City credit and collection management and personnel will be held in the Colorado City Chamber of Commerce Conference Room, beginning Monday, Mrs. Alta Cook, manager of the Retail Credit Bureau, announced this week.

She said that classes would be conducted at night to permit maximum attendance. The course, she said, would be of great importance to all personnel dealing with credit and collections, whether they are owners, managers or employees of department stores, banks, furniture stores, grocery stores, automobile dealerships, drug stores and other types of retail, wholesale, servicing and professional organizational organizations and offices.

The classes will run for approximately two and a half hours each night Monday through Thursday night.

The classes will be under the direction of Lowry M. Carpenter, a retail credit specialist from The University of Texas, Distributive Education Department, who has conducted similar schools in a number of other Texas towns.

The course has been a resounding success in other towns, Mrs. Cook said, and is being brought to Colorado City under the sponsorship of the Retail Credit Bureau and the Colorado City Chamber of Commerce.

All phases of credit and collection procedures and problems will be explained and discussed during the four nights of classes. The course was designed primarily for experienced personnel and emphasis is on advanced training and refresher work in modern credit and collection techniques and procedures. However, new workers in the credit and collection field will find the course just as valuable as the "old hands," Mrs. Cook said.

While the course is primarily for credit and collection management and personnel, any person employed in retailing, wholesaling, servicing or professional offices is eligible to attend and will find much of the information given helpful.

A registration fee of $3.50 is the only expense involved for those attending. Further information about the classes can be obtained from the Credit Bureau or the Chamber of Commerce.

NO NEW CASES

Diphtheria Scare Overflows Clinics

Mitchell County has recorded no new cases of diphtheria since the death of a Loraine child Wednesday from the dread disease.

County residents have flocked to clinics and doctors' offices by the scores since the confirmed case last week. They were spurred on by many rumors of a great number of cases and suspected cases in the county.

Dr. J. Melvin Crymes, Mitchell County Health Officer, stated that there had been no new cases of diphtheria reported in the county since the death.

Dr. Bruce Johnson of Loraine added that there were no new or suspected cases in Loraine or in the Loraine general area. The rumors, he said, were "barber shop and beauty shop talk and gossip."

Nevertheless clinics and doctors reported tremendous increase in persons requesting diphtheria immunizations.

One clinic stated that the increase could be noted by just driving by and observing the number of cars parked in the clinic's parking lot. One clinic reported 30 persons waiting for immunization at

See SCARE, pg. 7

LORAINE YOUTH

Receives Award For Achievement

John Ben Clopton, 17, Loraine High School senior, received the annual $300 European Import Youth Achievement Award at the Houston Fat Stock Show recently.

The award is given each year by the European Import Company to a worthy boy or girl exhibitor at the Houston show. Mrs. J. A. Richardson, board chairman of European Import, made the presentation to Clopton Friday night, Mar. 3, at the show's rodeo performance.

Young Clopton also was an applicant for the Marshall Foundation $600 scholarship. He advanced to the final competition for the scholarship with 13 other applicants.

Clopton has been a perennial exhibitor, for the past 4 years, at the Mitchell County 4-H and FFA Livestock Show. This local show, an agency of the United Fund, gave him his start in showing. He exhibited 2 lambs in the Houston show this year—his third straight appearance there.

The award winner is a top student at Loraine High School and plans to study engineering in college.

Walter Clopton, brother of John Ben, posted a perfect score in swine judging in the Houston show to win top individual honors and a tie clasp.

He was 1 of approximately 450 boys who participated in the judging contest. He also got his showing start in local shows.

The 2 brothers showed champion lambs in the local show in January.

Others attending the Houston show with Loraine High School vocational agriculture teacher Raymond Holt were Mike Dobbs and Stanley Moore.

Dobbs and Moore competed in the swine judging contest with W. Clopton as a team.

New Court Reporter

Larry Marks, new District and County Court reporter is shown at work in District Court. Hon. Eldon Mahon, [illegible] in the background. Marks also serves as secretary to Mahon.

1 NEW SITE, TOO

2 New Oilers in County This Week

Mitchell County reported 2 more producers this week. One in the Westbrook field and the other in the Sharon Ridge (1700) field. Also a new location in the Sharon Ridge (1700) field.

J. J. Travis Trustee No. 1 Gospel Trumpet pumped 73 barrels of 27 gravity oil, with 3 per cent water on initial potential.

The Westbrook field well bottomed at 3,270 feet with casing set to that depth. The pay was topped at 3,016 with perforations between 3,016 [illegible] feet.

The new oiler was acidized with 15,000 gallons. Gas-oil ratio was [illegible]. A dual completion is expected to be attempted.

The new oiler is located [illegible] feet from the north and [illegible] feet from the east lines of section 19-28, T&P Survey.

W. Stanton Barbour No. 1 F. M. Mills pumped 41.36 barrels of 30 gravity oil with 1 per cent water on initial potential.

The new Sharon Ridge (1700) producer was drilled to 1,648 feet and was acidized with 2,000 gallons and fraced with 15,000 gallons. Gas-Oil ratio was nil.

The pay was topped at 1,5[illegible] feet and casing was set at 1,648 feet. No perforations were reported.

It is located 1,150 feet from the south and 330 feet from the west lines of lot 11, block 1, Rieger survey, 8 miles northwest of Colorado City.

Clarence A. Wheeler No. 2 W. Harber and others is the new site in the Sharon Ridge (1700) field. It is projected to 1,700 feet by cable tool.

The new site is [illegible] feet from the south and 330 feet from the east lines of lot 15, J. P. Smith survey, A. A. O'Keefe sub-division, 7 miles southeast of Ira on a 56 acre lease.

Standard No. 1 Dell Barber has been plugged back to 7,680 feet and the operator has reported swabbing the Mississippian between 7,624-7,647 feet.

Early in the week, swabbing recovered 5 barrels of load oil and 18 barrels of load water in 10 hours.

Late in the week, the operator swabbed 3 barrels of load oil and 11 barrels of load water in 5 hours. No shows were reported.

[illegible] is 1,980 feet from the north and 500 feet from the west lines of section 18-28, T&P survey, 4 miles north of Colorado City and [illegible] miles east of the Sharon Ridge field.

AT MONDAY COUNCIL MEET

Commissioners to Ask 5-Year Rural Fire Pact

Mitchell County Commissioners will present a 5-year rural fire fighting contract proposal to the regular monthly meeting of City Council Monday night.

The Commissioners reported Saturday that their proposal to be aired to the council Monday night was arrived at after considering their available finances and their desire to cooperate with the city.

In the proposal, the Commissioners will request a 5-year rural fire fighting contract with the city, commencing with Jan. 1, 1962 and continuing through Dec. 31, 1966.

The Commissioners, under terms of the proposal, will offer to pay to the city $2500 per year for the rural fire protection. (That constitutes a $1,000 per year increase over the former contract between the city and county.)

The Commissioners further proposed that for the balance of 1961, that the current contract extension be extended. The present contract calls for the county to pay a guaranteed $1500 a year to the city plus $60 per call for all fires over a total of 25 during the year.

The present contract lapsed on Dec. 31, 1960, but was extended through Apr. 30, 1961 to allow the Commissioners and the city to work out terms of a new contract.

The Commissioners stated that the additional $1,000 per year offered in the new contract proposal, was to enable the city to acquire special equipment needed to render the rural fire protection.

The Commissioners further said that they realized the need for the special equipment for fighting rural fires by the city [illegible] thus their increase in the proposal. They also stated that they realized a need for a long-term contract between the city and county on rural fire fighting and that was their reason for proposing a 5-year pact.

OUTDOORS IN TEXAS

By VERN SANFORD

Afraid of snakes?

You have every right to be. They are not playthings.

'Tis better to run and scream — than not to be able to run or scream at all.

As the weather in Texas warms you'll see more and more snakes coming out of hibernation and on the move. Keep your eyes peeled for them — and keep out of their way.

They'll keep out of your way if you'll give them a chance!

Most Texas snakes are not poisonous. But enough of them are. So, if you don't know your snakes, be cautious.

When out for an outing, whether it be a picnic, a bit of boating, or just a stroll in the country — beware of snakes. Avoid all rattlers, water moccasins, copperheads and coral snakes, regardless of size. Small ones are poisonous too, if they have a fang. But, the larger the snake, the more dangerous it is.

Be careful where you step and where you reach.

Be equally cautious around rocks, leaves, tall grass, weeds and old lumber.

Be extremely careful when you travel a seldom - used path.

Watch for sleeping snakes as well as crawling ones.

Watch for snakes sunning on warm rocks.

Don't reach or crawl into holes you haven't carefully examined first — especially the dark corners.

Don't get real brave in the water either, for snakes are good swimmers. They can bite while under water or on top.

Our experience with snakes has been such that we now carry with us, at all times, when fishing, boating, or hunting, a pocket-size Cutter snake bite kit.

It consists of a small (1"x3") ribbed-rubber, tubular - shaped container resembling a capsule. It weighs but a few ounces. It is as easy to carry as a fountain pen and takes far less space.

The Cutter Kit has a small, soft-rubber suction cup on the inside. In it is a long piece of strong string; a razor-sharp cutting blade; and a vial of antiseptic. Slipping tightly over the ends of this inside suction cup are two larger cups whch meet to form the firm exterior of the compact kit, thus providing a total of three handy and efficient suction cups.

This cleverly made, small but very potent life-saving kit should be in your pocket whenever and wherever you take an outing.

Here are the progressive steps you should follow in using the Cutter Kit:

First, apply the antiseptic to the cutting blade, to sterilize it. Also spread the antiseptic over the fang marks.

Then with the cutting blade, make an "X" one eight of an inch deep and one fourth of an inch long wherever the fang marks are visible.

Next, tie the red string (lymph constrictor) about an inch and a half above the bites — not too tight — just tight enough to dent the skin.

Liberally moisten the skin surface where you made the cross incisions. Then moisten the mouth of the suction cups. Use water or saliva. This is to improve suction.

Squeeze all air possible from the cup as you apply it. Set its wet edge firmly over the cut, allowing the air suction to hold the cup in place. This sucks out the venom, along with the lymph fluid with which the body tissues dilute the venom.

Use the larger cup where possible, as it will draw more blood. Smaller cup is for fingers or shins.

Steady, continued suction is more important than powerful suction. If too painful, replace the cup and squeeze it less tightly than before.

Remember that immediate action at the fang marks is most important.

Now for a few important DONTS.

Don't get excited. If possible sit down right where you are, but a safe distance from the snake. Don't run, don't even walk back to camp.

Don't get slash-happy with the knife.

Don't take any alcoholic beverages, or stimulants.

Don't tie the lymph constrictor too tight or leave it on too long.

In fact, don't do anything that will increase blood circulation.

Finally, don't be ashamed to be afraid. If you're scared of snakes, you'll very likely be more cautious.

Doings In The Art World

Come international crises, economic recession and cold war tensions the art world continues to spin at its own pace. In Copenhagen, Danish authoress Isak Denesen, left, examines a statue of herself completed by U. S. sculptor Emile Norman. At an artists' ball in St. Louis, Mo., Lee Pope, center, shows up as a living mosaic. And in Paris, France, the resemblance is noted between Annabel Buffet and the painting of her created by her celebrated husband, Bernard.

IN FRIDAY MEETING

Parliamentary Procedure Topic of Club Discussion

A program on parliamentary procedure was presented last Friday in the home of Mrs. Johnny Latty by Mrs. Ruth Airhart to members of Carr Home Demonstration Club.

Mrs. Airhart talked about keeping order in parliamentary procedure and pointed out that it is impossible for an assembly to transact business in a satisfactory manner and to adjourn on time unless order is preserved. Therefore, she said, it is the duty of a presiding officer to have a thorough knowledge of parliamentary law.

She said that one should be able to receive a motion, call for and direct a discussion of the motion in a tactful way to keep the discussion directed to the topic under consideration.

"The presiding officer may wish to hurry the action by asking "Are you ready for the question?" A note on the motion will then be made and result of the vote announced."

"Members of an association have duties and responsibilities as necessary of observance as those of the officers. Members must not enter into conservation with another member but address all remarks to the chair; must not interrupt a member who is speaking except for those things one may do without securing the floor; must not intrude his private affairs or the business of any other society in which he is interested on the attention of the group; must not call "question" at any time."

Mrs. Tom Jackson, president, opened the meeting with a quiz game for recreation and Mrs. Latty spoke the opening prayer.

Roll call was answered with "my poorest buy."

Mrs. Jackson appointed Mrs. J. L. (Bill) Rees and Mrs. Gerald Rollins to attend a leaders training meeting on refinishing furniture. This meeting will be conducted Mar. 21, 24, 27 from 2:00 p.m. to 4:00 p. m. Place for the meeting will be announced later.

Mrs. President appointed Mrs. T. A. Rees and Mrs. Louis Rees to attend a leaders training program on "Salads," which will be conducted Mar. 28 from 2:00 to 4:00 p. m. in the Lone Wolf Electric Co-operative building.

"Meat Cookery," a program which will be conducted in the home of Mrs. Charley Thompson Mar. 30 from 10:00 a. m. to 12:00 noon, will be attended by Mrs. Toon Sweatt and Mrs. F. A. Langley.

Next meeting will be in the home of Mrs. McKenney Mar. 17 at 2:00 p. m.

Mrs. Chesney Leads Class Devotional

Mrs. W. J. Chesney presented the devotion to Daughters of the King Class of First Methodist Church which met Thursday afternoon in the home of Mrs. Tom Phillips for their regular business and social meeting.

Mrs. Chesney read and discussed the 11th chapter of Hebrews.

Speaking the opening prayer was Mrs. W. M. Miller. Class sang "Faith of Our Father" and roll call was answered with "readings of faith." Minutes from the previous meeting were read and approved.

Class made a motion to send Mrs. Maggie Bush and Mrs. J. E. Ketner Easter gifts and cards. Courtesy chairman reported that there had been five cards sent out since last meeting.

Presiding during the meeting was Mrs. W. H. Garrett, president.

Refreshments of pie, mints and coffee were served to one guest, Mrs. Lessie Costin, and to Mrs. Garrett, Mrs. L. A. Costin, Mrs. Miller and Mrs. Walter King.

Mrs. W. J. Chesney, Mrs. Rube Hart, Mrs. H. T. Coles and Mrs. J D Norman

Also Mrs. H. L. Jameson, Mrs. Pearl Durham and the hostess.

Hostess for the next meeting Apr. 13 will be Mrs. Durham.

McMurry Students Pledge Sorority

Gloria May, daughter of Mr. and Mrs. Ell May, pledged Gamma Sigma, women's social club at McMurry College during spring rush week activities at the Abilene school.

New pledges of McMurry's ten clubs will be admitted to full membership after a ten-week pledging period.

Miss May, a freshman physical education major is a member of the Chanters, college choir.

Pledging Chi Omicron, social club at McMurry, were Mack Coker, son of Mr. and Mrs. T. B. Coker and Bob Grant, son of Mr. and Mrs. Tom L. Grant.

Both boys are freshman chemistry majors.

T. A. parliamentarian, and Don Hairston.

LAVENDERA AND MACKEY SPEAK

Talks on Famous State Natives Highlight Texas Day Program

"Texas Designers" and "Texas Authors Who Have Enriched Our Culture" were topics of discussion for 1921 Study Club which met with Mrs. E. L. Dorn last Friday afternoon.

Roll call was answered with "myths and customs of the Indians."

Minutes were read and approved and Mrs. Sam L. Majors read the County Federation report.

Mrs. Lee Lavendera, corresponding secretary, read an anniversary greeting from Mrs. H. B. Broaddus, who is spending the winter in California.

A leave of absence was granted Mrs. R. H. Ratliff for the remainder of the club year. Club voted to make a contribution of $15 to the Mitchell County Museum and to bring a contribution for "Dollars for Scholars," the general federation of club's Latin - American scholarship Fund.

Talking on "Texas Designer" was Mrs. P. K. Mackey.

She mentioned such designers as Tom Brigance, the Waco-born fashion designer, who studied and worked at fashion designing in New York, Paris and London. After military service overseas during World War II, he returned to New York and has been a steadily rising name in the fashion industry.

She told members of Marion Phillips, another Texas designer, who is famed for her sport clothes in crisp cotton. Mrs. Phillips' gift for dramatizing everything she touches has pushed many simple styles into the limelight of high style. Liking to work with cottons best, Marion Phillips sees them as the smartest and most practical fashions from early spring to late fall. All of her designs are suited for women who wear them around the clock.

John Moore, designer for Matty Talmack, is noted for town costumes, afternoon and cocktail fashions, which will be seen in the special fashion showing. He is from Alice.

In her talk about "Texas Authors Who Have Enriched Our Culture," Mrs. Lavendera spoke of many writers from our state. Giving brief historys of such authors as John Graves, Tom Lea, Walter Prescott Webb, Eugene Cambell Barker, Grace Nowell Crowell and Roy Bedecheck, she recognized J. Frank Dobie as the unofficial dean of Texas letters.

Dobie came by his Texas heritage naturally, Mrs. Lavendera said, for he is the 3rd generation of Texans. Both his father and grandfather were natives of the state and spent their lives as ranch men and trail drivers. He was from a ranch in Live Oak County and was the eldest of six children.

Attending were Mmes. Pete Ainsworth, W. L. Doss, W. C. Hooks and Lavendera.

C. L. Root, Sam L. Majors, A. O. Hickman and J. T. Pritchett.

Also M.J. Dawson, Ed Jones and Dorn.

Next meeting will be Mar. 17 and will be entitled "St. Patrick's Day." Hostess will be Mrs. V. R. Trulock and roll call will be answered with "Irish Joke or legend."

Elect President

Girl Scout Troop 269 elected Gloria Richardson as president of the troop when they met in the home of Mrs. E.J. Stockton recently.

Other officers elected were Mary Jane Murphy, vice president; Janet Woods, secretary and treasurer; Marsha Wood, parliamentarian; Susan Pritchett, reporter; Jennifer Halbert, program chairman; and Margaret Carter and Ann Watson, helpers.

"Whodunit" Presented at Junior High

In observance of Public School Week, Junior High students presented the play "Whodunit" to students and the public Thursday afternoon in the school auditorium.

Setting for the play is a lonely old mansion. Time is evening and the wind wails mournfully during the play. Purpose of the play by Anne Coulter Martens is to show how ridiculous most of the murder mysteries are presented.

Characters of the play include the following:

Pete Thursday, a detective, David Bearden; Mr. and Mrs. South, also detectives, Judy Carter and Manuel Garcia; Miss Fancy Blue, a teenage detective, Brenda Price; Junior, who wants to be a G-Man, Andy Rivera; and Alice, a sweet young girl, Alice Whatley;

Grandma, a gentle old lady, Lee Ann Moore; Malcolm, a handsome young man, David Kendrick; Harriet, the gloomy housekeeper, Ethel Ramage.

Also Featherstone, a proper and imperturbable butler, Jim Latham; Jake, a sinister character, who is summoned on a mysterious errand, Hollis Mize; Uncle Eben, a bad-tempered old man, who holds the purse strings, Perry Millsap; and the nurse, Martha Cooley.

Following the play, the public was invited to visit classrooms and the exhibit in the library.

3:15 p. m.—Zetagathian Study Club meets with Mrs. John Brand. Leader will be Mrs. Bennie Franks and roll call will be answered with "current literature which I recommend." Mrs. Elton Mahon will present the program.

3:45 p. m.—Maranatha Study Club meets with Mrs. Lawrence Rudlick. Leader will be Mrs. R. S. Crabtree and officers will be elected.

7:30 p. m.—Primary Parent-Teacher Association meets in school cafeteria. Mrs. Arnel Smith's speech class will present a play "Wilbur's Honey Bea." Public is invited.

FRIDAY

3:00 p. m.—Self Culture Club meets with Mrs. Earl Brown for anniversary party. On the entertainment committee are Mr. L. A. Stain, Mrs. Willie Whitmore and Mrs. R. M. Red.

3:00 p. m.—Hesperian Study Club meets with Mrs. Cal Wright. Theme for the program will be "Fine Arts—Painting and Music in the Southwest." Leader will be Mrs. G. O. Thawer.

3:30 p. m.—1921 Study Club meets with Mrs. V. R. Trulock. Roll call will be answered with an Irish joke or legend. On the program will be Mrs. J. C. Pritchett, Mrs. W. C. Hooks and Mrs. W. R. Martin.

SUNDAY

2:30 p. m.—Beta Epsilson Chapter of Delta Kappa Gamma meets in Loraine School cafeteria. Program chairman will be Miss Edith Wilkerson and hostesses will be Mrs. Floyd Cope, Mrs. Russell Cope, Mrs. Drew Givins, Miss Wilkerson and Mrs. Cora Johnson.

Committee Sets Date For Workshop

County Housing and Home Furnishing Committee has set the date Mar. 21, 24 and 27 for a workshop on re-finishing furniture.

According to the chairman, Mrs. Bruce Byrne, the workshop will be conducted from 2:00 p. m. to 4:00 p. m. at the concession building at the livestock show ground.

Workshop is open to all homemakers in the county that are interested in this program. Those interested may call the county home demonstration office for further information and leave their name and address. This information must be in her office not later than Mar. 18, Mrs. Byrne said.

Workshop will be conducted by Mrs. Cricket B. Taylor, county home demonstration agent.

Gets 3 Days

Pilar Medrano entered a plea of guilty to charges of driving while intoxicated in County Court last week. He was sentenced to 3 days in county jail and fined $100 and court costs.

Colorado Steam Laundry

Since 1951...

There has been no increase in Texas Electric Service Company's prices for electric service since 1951. In the meantime prices of almost everything else you buy have gone up.

We are proud of our record of holding the price line in the face of nine years of continued inflation, during which the costs of nearly everything we use in our business, as well as wages, have increased. Since most folks are using more electricity today, many of them don't realize that the average price paid for a kilowatt-hour of electric service by our residential customers is lower now than it was in 1950.

Skilled employees and bigger, more efficient power generating units and application of new processes—along with increased sales of electricity—have helped us keep the price of electric service low.

But these efficiencies and savings are not offsetting today's higher costs of doing business, and Texas Electric is asking for a nominal adjustment in rates for electric service.

The new residential rate schedule, which does not include the old demand feature, provides a special low rate for electric hot water heating. Another attractive feature is a low rate for electric household heating in the winter months.

Electric service will continue to be the biggest bargain in your family budget.

4,000 PARTICIPATE

Colorado City Teachers Attend Annual Convention

Teachers in the Colorado City school system were among the approximately 4,000 teachers from 14 West Texas counties participating in the 26th Annual Convention of the West Texas Teachers Association Friday in Midland.

President of the association is Sam Anderson, assistant superintendent of schools at Big Spring. The association is the District IV branch of the Texas State Teachers Association.

Main item Friday for the teachers were sectional meetings in their teaching fields. Seventeen such meetings began at 10:00 a. m. and 21 began Friday afternoon at 2:30 p. m.

Twenty out-of-town speakers met with sectional groups, including nine persons from colleges and universities.

Sectional topics ranged from the use of the electronic computer (for mathematics teachers) to a science fair (for fourth grade science teachers) to a projection of the employment outlook in the United States during the next 20 years (for school counselors, one of whose duties is vocational counseling.)

Thursday night a House of Delegates session in Hotel Scharbauer was attended by 160 persons, Anderson said. Election of officers for 1961-62 and revision of the association constitution were on the agenda. Each local unit of the association sends delegates in proportion to its total membership.

Dr. Vernon V. Sisney, chief of the clinical psychology section at the Veterans Administration Hospital in Oklahoma City was main speaker at a general session Friday in the Midland High School Auditorium. Approximately half of the teachers heard Sisney in the morning while others attended sectional meetings. The general session was repeated in the afternoon for those who were unable to attend the morning meet.

Two breakfast meetings and 12 luncheons were part of the day's schedule. Speaker for a leadership breakfast was L. P. Sturgeon, director of the Division of Public Relations of the Texas Teachers Assocaton.

Fourteen counties sending teachers were Andrews, Borden, Crane, Dawson, Ector, Gaines, Glasscock, Howard, Martin, Midland, Mitchell, Scurry, Upton and Winkler.

Among the group attending the convention from Colorado City were E. M. Findley, president of the county unit; Miss Jane Merrill, Mr. and Mrs. Frank Wilson and Mrs. Gerald Gordon. Accompanying the group was J. B. Cushing, superintendent of the Loraine School.

Theme for the meeting was "Today's Students—America's Future."

Mrs. White Hosts Sara Class Social

Mrs. Lessie White hosted members of Sara Bible Class of Calvary Baptist Church for a business and social meeting Monday afternoon.

Opening prayer was said by Mrs. T. A. Rankin and Mrs. Hester Keeling presented the devotion. She read and discussed the 14th chapter of John.

Mrs. Sallie Stewart, class president, presided during the business session at which time the secretary read the minutes from the previous meeting. Greeting cards were signed to be sent to absentees and shut-ins.

Closing prayer was spoken by Mrs. Stewart.

Refreshments were served from a lace-covered table to one visitor, Mrs. Linda Horn, and to the following members:

Mrs. Una Hooks, Mrs. Stewart, Mrs. H. V. Sorrells, Mrs. W. B. Ponder and Mrs. Nona Letcher.

Also Mrs. Mary Tiller, Mrs. Ranking, Mrs. Keeling and the hostess.

Next meeting will be in the home of Mrs. Steward Apr. 3. A covered dish luncheon will be served.

Mrs. Ellis Hosts Class

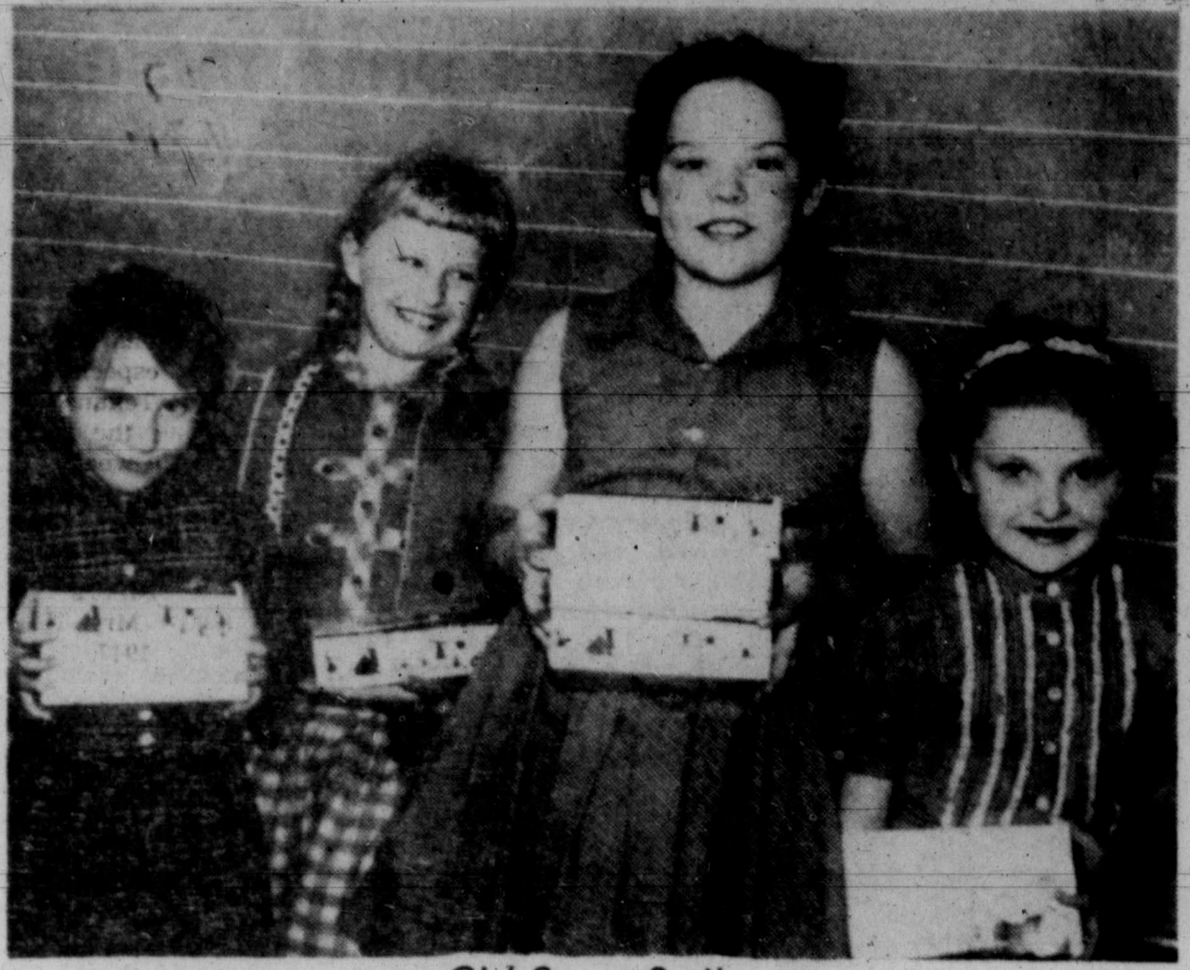
Mrs. Dock Ellis was host to the Martha Sunday School Class of Calvary Baptist Church Tuesday night.

Presenting the devotion was Mrs. Del Yoakum.

Members planned an auction sale for their next meeting with proceeds going into the building fund.

Attending was one guest, Mrs. J. V. Howard, and Mrs. Paul Stewart, Mrs. Yoakum, Mrs. Alton Myers and Mrs. Vernon Ratliff.

Also Mrs. A. A. Free, Mrs. M. C. Bynum, Mrs. Harvey Humphrey and Mrs. Lon Robertson.



Girl Scout Smile

These girls of Girl Scout Troop 280 will begin their annual cookie sale Monday in Colorado City. Proceeds will go into the council fund for scout camp improvements in Sweetwater. From left to right, the girls are, Mary Louise West, Brenda Bozarth, Elizabeth Sherman and Linda Everett.

Miss Kjerulf Speaks to Group of 35

Thirty-five attended the program sponsored by the Homemaker's Club at the Loraine Lion's building Thursday afternoon.

Mrs. Howard Tartt, club president, introduced the speaker, Miss Thorunn Kjerulf, foreign exchange student from Iceland.

Talking on "Life in In Icelandic Home," the speaker told of how life in Iceland was different from that in America.

She explained that school children in Iceland go to school six days a week instead of five and most of them walk to the school.

She described her home, which is a 13-year-old building that is built on two levels with a basement. The house includes a kitchen, dining room, living room, bedroom, laundry, store room and workshop. She said that the dining room was the most "lived-in" room of the home.

Thorunn's father is a government official and works for the price control. Her family includes her parents, one brother and two sisters.

Following the program, refreshments of coffee and cookies were served from a table covered with a white linen cloth and complimented with a bouquet of plum blossoms. Recorded music was played during the afternoon.

The club will meet again Apr. 13.

Annual Scout Cookie Sale Begins Here

This week is the starting date for the tenth annual Girl Scout Cookie Sale in Colorado City, Johnnie Ammons, council president, announced.

Girls in the 13-county council area will be selling cookies to help the council camping program.

Proceeds from the sale will become a part of the capital fund of the council; in 1960, a net amount of $8,313.78 was added to the fund. Past cookie sales have provided the money to buy, build and equip Camp Boothe Oaks near Sweetwater. Permanent installations on the site now are a swimming pool, dining hall, troop lodge, crafts cabin, four tent units and caretaker's house. Camp committee of the council has planned to build an infirmary and install new latrines and showers in all four units with the 1961 proceeds.

Because of these cookie sales, Camp Boothe Oaks has the facilities for the year-round camping program, Mrs. Thomas Allen, who is in charge of Colorado City sales, said.

The sale will be door to door and local troops will receive a 3c profit from each box of cookies sold, Mrs. Allen said.

CHAPPEL SPEAKS

Key Club Hosts Youth from Odessa

Colorado High School Key Club, which is sponsored by the local Kiwanis Club, conducted its regular night meeting this past Wednesday in Civic House with a supper entertaining Key Clubbers from Odessa High School. The local Key Club is headed by its president, Jerry Jamison, senior student in Colorado High.

Other officers are Tommy Humphrey, secretary; Mickey Redwine, treasurer; Johnnie Brown, Roger Richards and Don Hairston, directors.

Members other than the above officers are Dois Pace, J. L. Soles, Foy White, Joe Dean, Douglas Fite, Gary Gresham, Billy Harris, Jimmie Costin and Bob Loyd.

Local Kiwanis Key Club, hosting fellow Key Clubbers from Odessa, listended to Bobbie Chappel of Odessa make his bid for the office of Lt. Governor of the Division of Key Clubs of Texas-Oklahoma District. President Jamison announced that 8 members of the local Key Club would travel to Odessa Sunday (today) to attend the Spring Rally and vote for the new Lt. Governor. The local club had 3 votes in this election. President Jamison also announced that plans were being made for members of the Colorado High Key Club to attend the 1961 Texas-Oklahoma District Key Club Convention to be conducted in Waco April 7, 8 and 9.

Kiwanis Club President, Martin Weaver, and Kiwanis Club Chairman, Mike Smith, will accompany the key clubbers to Odessa today to attend the Spring Rally.

Dr. Jauncey Speaks To Local Teachers

Dr. James H. Jauncey of El Paso addressed Classroom Teachers and patrons of the school at Primary cafeteria last Thursday night.

As a part of Public School Week, President Bob Merket set the dinner meeting to prelude the week of activities.

Dr. Jauncey spoke on "Tomorrow," which he visualized for the audience from first-hand knowledge of the use of the atom for peace.

He stressed that the uniquencess of America lay in its free enterprise system. Free enterprise was an undertaking of early America. It was a bold project calling for intense endeavor, he said. America is holding back, by tremendous taxation, the more industrious, perservering. "I hope the time will come when the enterprising will not be taxed so heavily," Dr. Jauncey said.

"We give our children more than any other people of the world give theirs. May they never become so soft that they hold out their hands for the government to take care of them."

America still stands as a beacon for those who wish to fulfill an innate desire to attain, unhampered by government control. The way our government is set up makes it the only government in the world which affords a man his dignified pursuit of happiness, Dr. Jauncey continued.

Every sum we spend on space is a guarantee against aggression. If we stay strong and protected, Russia will not dare to attack. We can get off the ground in case of surprise attacks, not just from one point but many, he assured.

Dr. Jauncey is a scientist of renown. He was an engineer and consultant on a scientific project at White Sands Missile Range, N. M. He has professional standing in the British Psychological Society and a Fellowship in the Royal Geographical Society. He has earned ten academic degrees.

Mrs. Gerald Gordon, past president of Classroom Teachers and vice president of District 4, Texas State Teachers Association, introduced Dr. Jauncey.

Rev. Rush Barnett, minister of First Christian Church, spoke the invocation.

Approximately 200 people were in attendance.

Loraine Visitors

Mrs. W. C. Wood visited her daughter and family, Mr. and Mrs. Russell Dunn, in Loraine Wednesday night.

* * *

Kathy Ray of Midland is guest this week of her grandparents, Mr. and Mrs. O. N. Laster Jr.

A Stroll to the Beach?

Maybe it's a little early, but Jane Ann Burt wants to be ready for summer when it comes. She chose this two-piece play suit by Fawn from Landau's to model in the 1949 Study Club's style show March 17. The suit is made of 100% cotton with rick-rack aplique trim. Jane Ann is the 3 year-old daughter of Mr. and Mrs. Mike Burt.

New Officers Elected by Jaycee-ettes

Meeting Thursday in the Civic House, the nominating committee of the Jaycee-ettes presented the following list of candidates which were accepted by acclamation officers for the coming year:

President, Mrs. Royce Beights; first vice president, Mrs. Perry Elwood; second vice president, Mrs. Alvin Orr; and secretary, Mrs. Don Womack.

Assistant secretary, Mrs. Wayne Worley; treasurer, Mrs. Larry Moffatt; reporter, Mrs. Rick Taylor; historian, Mrs. Thomas Bob Long; and parliamentarian, Mrs. Danny Majors.

Directors, Mrs. Harold Olliver, Mrs. Orbie Ray Linder, Mrs. Bill Erwin, Mrs. Drew Ballard, Mrs. Don Benson and Mrs. Cummins Wood; and state director, Mrs. Wian Talley.

A report was presented on two called meetings. It was reported that the club bought a bus ticket for a woman so that she might return home from the hospital in Galveston where her daughter is undergoing eye surgery.

Installation banquet is tentatively set for May 2. The club will sponsor a candidate for the Tumbleweed Queen Contest. Following the business meeting, decorations were made for the D. S. A. Banquet.

By The Way...

By PAULINE CORNUTT

Seems as if some people in Colorado City have all the luck . . . especially MR. and MRS. J. C. NORTHCUTT.

West Texans dream of a vacation spot where they can go during the summer and leave behind work and unpredictable weather.

The Northcutts made this dream come true once again Saturday when they left Colorado City and headed for Riverbank, Calif., where they will stay until October.

This isn't a new thing with the couple either . . . overheard Mrs. Northcutt say this had been an annual trip since 1947.

* * *

Wish everyone could have been out to the Garden Club's tasting tea Friday afternoon.

Never have I seen such a display of food . . . all made from different recipes . . . and by different cooks.

Members had arranged the tables in a "u" shape with the food classified in sections of casserole, salads, bread, low-calorie food, dessert and drinks.

I think this is something a little special for Colorado City since there is only one hosted annually by the club members.

Also think these women deserve a round of applause because other than being active club members and housewives . . . they can cook, too!

* * *

Listening to the conversation of two women attending the tea, heard one remark that it looked as if the low-calorie food was being left behind by most of the women . . and nearly everyone was heading for the sweets department.

Heard the other one say that she would probably end up with the recipes for the non-fattening food . . . after she got through with her dessert.

We learned Saturday that JANE MERRITT, daughter of Mr. and Mrs. D. M. Merritt, had been one of 12 people initiated into Texas Technological's chapter of Pi Delta Phi, national French honorary society.

Miss Merritt is a Junior student at the Lubbock College.

* * *

News also reaches us from McMurry College in Abilene that MISS ANNELLE HOLMAN, daughter of Mr. and Mrs. A. M. Holman, will be enroute to Fort Worth March 16 to serve as a delegate to the state convention of the Student Education Association.

We found out that Miss Holman has been elected president of the college chapter of the SEA for 1961-62. She is also an officer in Delta Beta Epsilon social club, Wah Wahtaysee service club and secretary-treasurer of the junior class.

Annelle is a Junior elementary education major.

Ready S. S. Class Names New Leaders

Mrs. Jackie Pylant was elected social chairman and Mrs. Bob Chalker class scrapbook chairman of the Ready Sunday School Class of Calvary Baptist Church which met with Mrs. Gloria Crowder last Thursday night.

The group had a small business meeting and Mrs. Darrell Shurtleff presented the devotion, "Holy Bread."

Mrs. Neal Rogers led the group in prayer.

Games were played and green shamrocks were pinned on members in observance of St. Patrick's day.

Refreshments of cake, punch and coffee were served to one guest, Mrs. Evonn Kirgan, and to Mrs. Orvel Griffith, Mrs. Pylant, Mrs. Hubert Harris and Mrs. Roland Powell.

Also Mrs. Jane Bolin and children, Stevie and Lisa, Mrs. Chalker, Mrs. Rogers, Mrs. James Herm Mrs. Shurtleff and Mrs. Crowder.

Home of Mrs. Emmett Banks Jr. will be the scene of the next meeting Apr. 6.

Lodge to Conduct Meet

There will be a called meeting of Mitchell Lodge No. 563 A F & A M, Mar. 14 at 7:30 p. m.

Members will work in F.C. Degree and there will be an official visit of D. D. G. M. Members are urged to attend and visiting Brothers are welcomed, Ben D. Elliott, said.

Disney's New Film To Show At Palace

In his brilliant Panavision-Technicolor version of "Swiss Family Robinson," Walt Disney has his most exciting, most expensive motion picture to date.

All the elements of top entertainment, in the best Disney manner, are there: adventure, romance, humor, a multitude of animals, and one of the strongest casts in Disney production history.

Starring are John Mills, Dorothy McGuire, James MacArthur and Janet Munro, with Sessue Hayakawa, Tommy Kirk, Kevin Corcoran and Cecil Parker co-starring.

Mills is the dean of British actors, one of the higest paid and often voted the most popular in England. Miss McGuire ranks among Hollywood's most accomplished actresses, intermittently specializing in mother roles such as the one she now plays so well in Disney's fabulous version of the Johann Wyss classic.

Janet Munro, a young and beautiful import from England, and James MacArthur, talented actor-son of Helen Hayes, provide the love interest and help with the incessant action, too — particularly MacArthur, in the latter case, as the eldest and most aggressive of three sons.

Tommy and Kevin are on familiar ground as the two other sons, portraying brothers as they did in "Old Yeller" with Miss McGuire, and in "The Shaggy Dog."

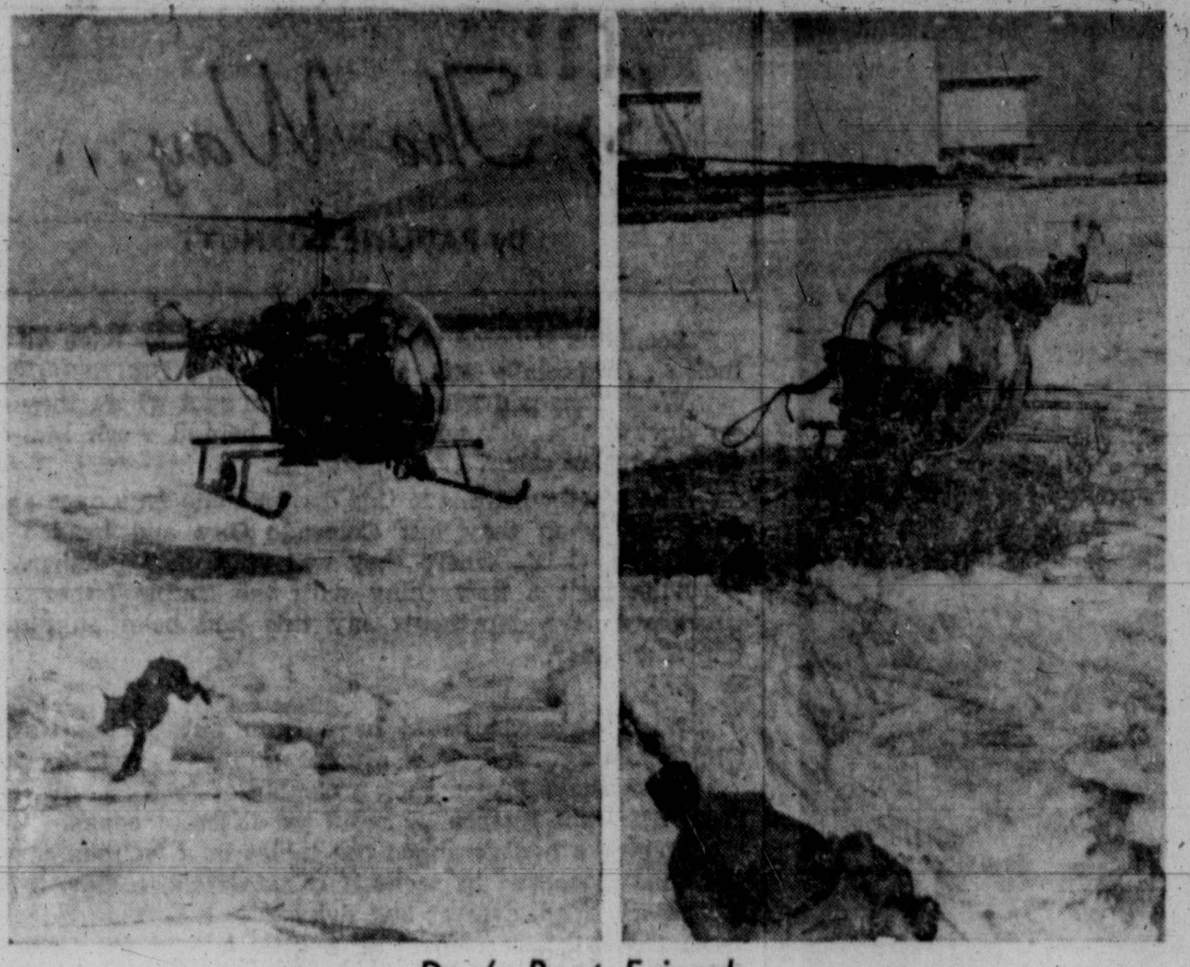
Hayakawa, a star and character actor for nearly half a century, has never played a role with more gusto than that of a marauding pirate chief, while Parker, known for his sophisticated comedy, turns somewhat sobersides to play the merchantman commander who undoes Hayakawa.

Disney spent upward of $5,000,000 to produce the most excitingly realistic castaway story possible, searching half the tropical world before he found Tobago in the West Indies, a primitive island perfectly suited to the script.

He moved in thousands of tons of building material and equipment, built roads, parking lots, a vast studio, kitchens, dining rooms and storm shelters in addition to the complex and unprecedented sets such as the three-level treehouse and a life-sized wreck copied from Captain Cook's famed "Endeavor."

At times, including local labor, skilled and unskilled, it required nearly a thousand persons to support the progress of two camera units in their mammoth job, hampered by daily rains, two hurricanes, and illness over the six-month production period.

"Swiss Family Robinson" was produced for Disney by Bill Anderson. Ken Annakin directed the Lowell S. Hawley screenplay. The feature production is released by Buena Vista.



Dog's Best Friend

After the female German shepherd had been marooned on the Lake Michigan ice for a day, humane officers took to the air. Using a helicopter, they shepherded the shepherd to the Chicago short, left. But not far from land, the ice gave way. Using a lasso, officer plucked dog from the water, right, and airlifted it to safety.

Lone Star Gas to Honor R. J. Porter

R. J. Porter, Colorado City district manager for Lone Star Gas Company, will be recognized for outstanding performance in the field of management during 1960 at a dinner to be held Mar. 31 at the Statler Hilton Hotel in Dallas.

Eleven other Lone Star district managers in Texas and Oklahoma will receive similar recognition, according to M. L. Bird of Dallas, vice president in charge of the gas company's General Division of Distribution. All of the division's 55 district managers and their wives have been invited to attend the dinner.

The principal address will be given by L. T. Potter, Lone Star president. Joe C. Darrow, vice president in charge of distribution operations, will preside. Mr. Bird will present awards.

The managers will represent first, second and third place winners in four area groups of the General Division, Bird said. Porter, winner of first place in Class C. districts, also won first place in 1957, 1958 and 1959 management achievement competition. He is the only manager to win first place awards during each of the four years the competition has been held.

IN TRACK MEETS

Freshmen Gather 2nd and 5th Places

Colorado City's Freshmen Junior Wolves placed 5th and 2nd in their 2 opening track meets of 1961.

Saturday Coach Winn Talley's charges copped the 5th slot in the Hamlin meet with 42 points. They placed behind Abilene, Stamford, Winters and Breckenridge in that affair.

Tuesday the local "Little Wolves" rolled to a 2nd place finish in the Snyder meet. Lamar Junior High of Snyder copped the top spot in that meet and Travis of Snyder and Post finished in that order behind C-City.

In the Hamlin meet, Junior Wolves placing in event finals were:

T. J. Davis, 4th, and Richard Smith, 5th, 100-yard dash.

Smith, 5th, 75-yard dash.

Bill Boren, 6th, 50-yard dash.

Michael Adams, 5th, 330-yard dash.

Smith, Freddy Fox, Bill McGuire and Davis, 3rd, 440-yard relay.

Peter Garrett, 5th, pole vault.

Melvin Morgan, 2nd, 43'3", McGuire, 4th, and Boren 5th, shot put.

McGuire, Adams, Fox, Coye Conner, 1320-yard relay.

The Junior Wolves placed in the finals of 11 events in the Snyder meet. Results were:

Davis, 3rd, and Smith 4th, 100-yard dash.

Davis, 4th, 220-yard dash.

Adams, 3rd, and Freddy Fox, 5th, 330-yard dash.

Smith, Fox, Boren, Davis, 1st, 440-yard relay.

Herman Ornelas Louis Franco, Adams and Fox, 2nd, 1320-yard relay.

Smith, 2nd, 120-yard low hurdles.

Morgan, 3rd, shot put.

Morgan, 1st, discuss with a 129'.

Fox, 1st, 19'3", and Boren 6th, broad jump.

Fox, 2nd (tie), high jump.

Garrett, 1st, 5'4", pole vault.

Fined for DWI

Noel K. Smith entered a plea of guilty to charges of driving while intoxicated in County Court last week.

He was fined $100 and court costs of $27.50.

Will Wilson

a winner for Texas

STRENGTH IN EXPERIENCE

District Attorney, Dallas County, two terms, 1946-50; Associate Justice, Supreme Court of Texas, 1950-56; Attorney General of Texas, 1956 and now serving.

ACCOMPLISHMENT

Won in 1960 for Texas school children clear title to their two million acres of Tidelands; Chosen the outstanding attorney general of the nation in 1960 by National Association of Attorneys General; Received nationwide acclaim for his war against loan sharks, quack doctors and syndicated gambling, anti-trust violation and organized crime.

BACKGROUND

In combat during World War II commanded field artillery battalion in the Philippines; decorated for leading volunteer patrols behind enemy lines; accepted surrender of General Yamashita's forces.

for U.S. SENATOR

(Pol. Adv.—Paid for by the State Committee for Will Wilson, Wayland Rivers, Chairman)

Prayerful Landing

A shiprecked family gives thanks for its survival in Walt Disney's Panavision-Technicolor feature, "Swiss Family Robinson." Left to right, they are Francis (KEVIN CORCORAN), Father (JOHN MILLS), Ernst (TOMMY KIRK), Mother (DOROTHY McGUIRE), and Fritz (JAMES MacARTHUR). The $5,000,000 production is released by Buena Vista.

HOW TO WIN AD-RIME PRIZES

The arrow points to the "Guideline"

AD-RIME lines must tie in and rhyme with the Guideline. Your entry MUST carry the "Hidden Slogan." Find it among the ads—one word in each column in Italics starting at the left. You don't have to buy anything to win prizes but MUST find and write the Hidden Slogan. Preference is given to AD-RIME lines that tie in well and BOOST LOCAL TRADE. Get the swing—the two lines are a "jingle." One which can't win is:

THESE STORIES WIN IN EVERY TEST

but you must write original ones. Good luck—and keep trying.

Read the Following Carefully for Good Rhyming Words

▲ ▲ ▲

This wee jingle is no jest,
bearing truth so manifest!

▲ ▲ ▲

Now we earnestly suggest
— that you enter this contest
with an Ad-Rime to attest
Why you Trade at Home with zest.

Local firms by every test
prove that you are richly blest.
When each dollar you invest
Helps improve your own home nest.

READ THESE CONTEST RULES

1. AD-RIMES are impartially judged and a cash prize of $10 will be awarded each week for the best rhyming line; and $50 for the best of the 26 weekly winners.
2. Bring or mail entries on card or plain paper to The Record.
3. Everyone is eligible except employees of this newspaper. No limit on number of lines submitted by any person.
4. The HIDDEN SLOGAN must appeared on every entry (see Description).
5. All entries must be in Newspaper office by 5:00 p. m. Wednesday.
6. Identical duplicate prizes given for all ties. Decision of judges is final.

AD-RIME—

Continue from pg. 1

emphasized:

"Repair service must be near . . .
"Buy at home and allay all fear."

Losing out to the No. 1 and No. 2 jingles by a close split-decision of the judges was this third-place rhyme by Mrs. Henderson:

"Repair service must be near.
"We tried the other and now buy here."

Plenty good enough for fourth-place was Mrs. Watson's jingle:

"Repair service must be near.
"Time lost in waiting costs many a tear."

Selected for honorable mention were the Ad-Rime jingles by Mrs. J. B. Magill, housewife, 1320 Austin; Marillyn Albert, 1465 Oak; Mrs. J. D. Gibson, housewife of Route 3; Mrs. W. E. Seward, homemaker at 727 Cedar; Mrs. Charles Stubblefield, housewife of Route 3; Mrs. O. D. Carter, business secretary and housewife at 854 E. 14th St., and Mrs. George Sweatt, Westbrook.

Mrs. Sweatt added an entire poem along with her entry—although only the jingle rhyming with the hidden slogan is considered by judges.

Her poem, though, stressed the hometown shopping in this manner:

"Repair service must be near,
"For those appliances we prize so dear;
"Can we depend on one we don't know
"To come through ice, rain or snow?
"To befriend us in a time of trouble,
"When the cost might be double.
"No, let's buy our HOMETOWN LINE,
"It's quicker and cheaper every time."

All the winners in the second week's Ad-Rime contest listed the hidden slogan — "Consider Service guaranty before you buy."

Don't forget there's another new contest in today's Record on page 6. And it has a $10 cash first prize, too.

So enter the Ad-Rime fun this week and every week. Just be sure each entry is on a separate postcard or sheet of paper showing (1) the hidden slogan that is printed in the Ad-Rime advertisements, (2) your Ad-Rime jingle line rhyming with the Ad-Rime guideline, (3) your name and address, (4) your occupation.

TEACHER—

Continue from pg. 1

advanced to the Interscholastic League Press Conference in Austin 7 times in the past 10 years.

She succeeds Sam Anderson, assistant superintendent of schools in Big Spring, as president of the association.

Other officers elected at the convention were vice president, Cleo Tarter, superintendent of schools at Lamesa; secretary, Jo Gentry of Crane Public Schools; and treasurer, Jerome Snyder, director of personnel and in-service education for Midland schools.

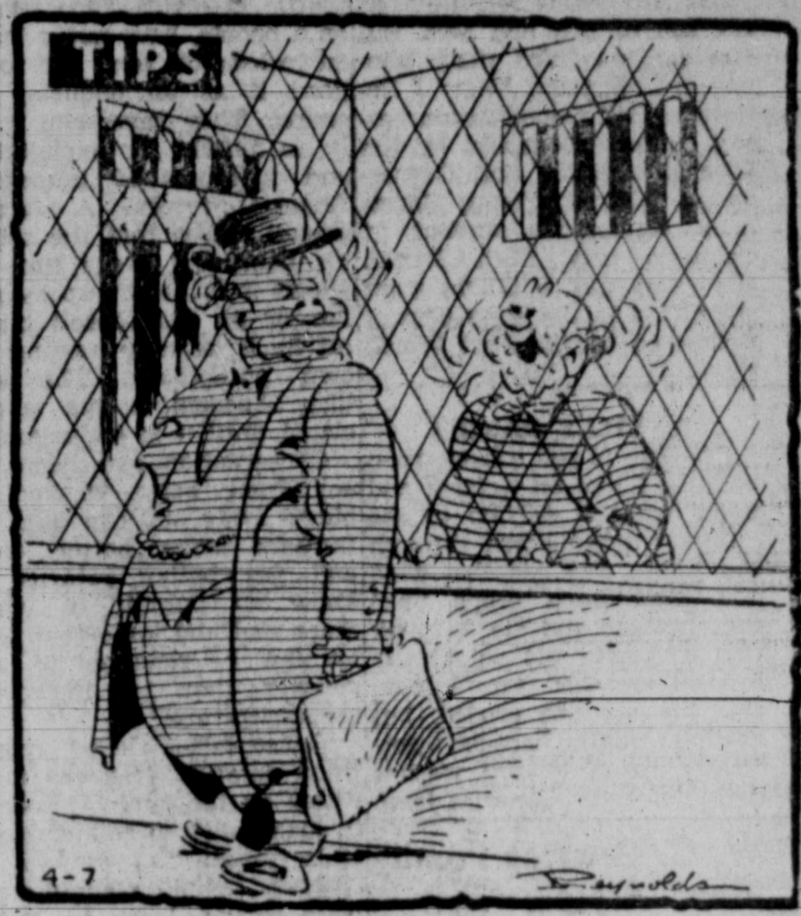
Anderson was selected as a new member of the State Executive Committee.

Approximately 1,000 teachers from 14 West Texas Counties participated in the convention.

Also attending from Mitchell County were Mr. and Mrs. Frank Wilson, E. M. Findley, superintendent, J. H. Cushing of Loraine and Miss Jane Merritt.

Garcia Visits

Sgt. Mac Garcia of Brownwood visited in the N. F. Hall home recently in Westbrook.



". . . We almost convinced them that I got that used car in the Want Ads—didn't we!"

SCARE—

Continue from pg. 1

1 time Saturday morning.

Crymes reported that there was no shortage of the diphtheria toxoid in the county or in the city. He reported he had an ample supply for local use. One clinic reported to be nearing the end of its supply obtained from a local drug store, but said that Crymes would be contacted if more was needed.

Crymes also said that if a shortage resulted in the city or county, that the State Department of Healh could furnished he toxoid from Austin in a very short time.

He listed these pointers to all county residents concerning diphtheria and immunizations:

1. There has been 1, and only 1, reported case of diphtheria in Mitchell County. None have been reported since the Wednesday death and that is the only 1 reported thus far.

2. If your child is under 3 years of age, give routine immunizations and boosters as advised by your physician.

3. For those over age 3 who have been immunized, boosters are given every 3 years or upon direct contact with a known case of diphtheria.

4. All, both children and adults, who have not received an initial immunization series and who are not known to be immune to diphtheria should consult a physician.

FIRE—

Continue from pg. 1

were still smoldering early Saturday morning.

Fire Chief Ewell Henderson, Fire Marshall Virgil Eaton and City Patrolman Selma Dickson investigated the fire. They reported that the cause of the fire was undetermined Saturday morning. But that evidence pointed to the fact that the fire may have been caused by a small bond fire some children had buil near the house. It is surmised that the bond fire may have been abandoned by the children and the flames then blew under the house.

Reports Finding Child's Glasses

Mrs. Ruthis Harvey, 044 E. Marshall St., has found a pair of child's eyeglasses.

Mrs. Harvey descirbed the glasses as having round frames of a brownish color. She said that they apparently belong to a person who is extremely near-sighted.

Mrs. Harvey can be reached at RA 8-3735.

STATES STUDENT

Soil Erosion Hurts Individual, Nation

EDITOR'S NOTE:—Billy Harris, son of Mr. and Mrs. Bill Harris, was third place winner in the recent "Why I Believe in Soil Conservation" essay contest sponsored by the Mitchell County Soil Conservation District. Young Harris is a sophomore student at Colorado City High School. His essay and 6 others were submitted to the state contest sponsored by the Fort Worth Press.

* * *

By **BILLY HARRIS**

I believe in soil conservation because I live on a farm and know what it is like to see gullies washed down through the fields and see the wind and sand burn crops until they wither and die. I think that a person not only hurts himself and his farm by letting his land be eroded, but also his country because every time a grain of soil washes down the river, America loses a little in worth. "Americans, as a people, have never learned to love the land and to regard it as an enduring resource. They have seen it only as a field for exploitation and a source of immediate financial return. A farmer should realize that the soil is his bank and every time he allows it to be cut up by gullies or all the topsoil blown off he is actually hurting his own pocketbook. The soil, like Freedom, is not appreciated until it is endangered.

Conservation can keep the soil from being washed or blown away and can help the farmers make better crops and get better returns. "I know no pursuit in which more real and important service can be rendered to any country than by improving its agriculture."

Conservation helps reduce flood damage. It keeps more water on the land by making it soak into the soil and controls run-off.

Every man, woman, and child should learn to understand that the land is by far our most important natural resource.

Man only lives on earth a short time but soil is enduring, therefore we should do our part to make the land as beautiful, and worth as much for the generations to follow as is possible.

The Soil Conservation is one of the most important organizations in any country because it restores and saves the soil and soil is priceless.

W. C. Greaves Family Plans Artesia Visit

Mr. and Mrs. W. C. Greaves and Roxy plan on visiting the Roy Lee Beachs of Artesia, New Mexico, on Saturday and Sunday of next week.

The Beach children, Vicki and Susie, will return to Colorado City with the Greaves family where they will visit in their home and also the home of their grandmother, Mrs. Grady Beach. The Beach children will return to Artesia after a two-week stay in Colorado City.

Miss Wilam Prince of Snyder was a dinner guest of Ronny Hall Wednesday night.

IN MIDLAND

County EPC Heads Attend Area Meet

John Russell, chairman, and Jack Burkhalter, deputy chairman, of the Mitchell County Emergency Planning Committee attended a special area EDC conference in Midland Tuesday and Wednesday.

They attended a 2-day training meeting for about 50 county officials of the West Texas area.

A. V. Sheppard and Wayne Worley are the other members of the Mitchell County EDC which is a defense planning body and would become a defense planning board in case of attack upon the nation.

Principal emergency job of the local group, and all others, would be to assure the production and orderly flow of food from the farmer to the consumer.

Specific assignments would be to stimulate food production, protect crops and livestock, including poultry, against biological and chemical warfare, protect all agricultural resources from radioactive fallout and prevent and control fires caused by an enemy attack in rural areas.

Emergency planning committees have been established in 248 Texas counties during the past few months. The Midland session was 1 of a series of 11 training meetings to be held in the next 2 months.

Dr. John L. Wilbur, chairman of the state EPC, emphasized county committees will work closely with city and county government officials in carrying out their responsibilities.

Gold Bond Opens Center In Big Spring

Gold Bond Stamp Company is opening a West Texas gift center in Big Spring, Gordon A. Pearson, Dallas Division Manager of the trading stamp firm, announced this week.

The gift center at 1206 Gregg, Big Spring, was opened for business Monday, Mar. 6.

Some 1,500 items, redeemable by filled Gold Bond Savers Books, will be available in the gift center. The new center is equipped with the most modern and convenient fixtures for customer shopping, Pearson said.

Safeway Stores and other retail outlets such as service stations, drug stores and dry cleaning establishments in the Big Spring trade area offer Gold Bond Stamps.

Plea of Guilty

Pete Lujan entered a plea of guilty to charges of sale of beer and wine in a dry area in County Court last week. He was fined $175 and court costs.
