Texaco Employees Get API Award No Accidents

The employees of Talco, Rodessa and Kildare fields have received from American Petroleum Institute an accident prevention award for one-half million man hours of work without a loss of

time accident. This period includes time from Dec. 30, 1940 through Jan. 1, 1957. On Jan. 1, 1958 another year was added to this, making a total of 17 years without a loss of time accident. The employees of the Talco field are Fred Scarlett, M. J. Davis, Lank Easterling, W. C. Tanner, R. S. Welborn, retired Nov. 1, 1957, from Talco field after 42 years with Texaco.

Bank Resources And Deposits Up At Talco State

Financial statement of the Talco State Bank which appears in this edition of The Talco Times, shows both deposits, loans and resources up from the figures published in the bank's statement at year's end a year ago.

Deposits have increased \$38,679.95, being a total of \$737,913.22 on Dec. 31, 1957, compared to \$699,233.27 a year earlier. Resources climbed \$41,473.17, being a total of \$915,076.02 on Dec. 31, 1957, compared to \$873,602.85 a year earlier.

A bank statement is a very good barometer of the financial affairs of a community, and these would indicate that Talco area is moving right along, financially speaking. From year to year The Times editor figures these comparative statements, and while there is nothing spectacular about Talco State's growth, it is sure, certain and steady. Just Good, reliable country banking with a capital G.

Smith Outstanding Humble Dealer

E. W. Smith, owner of Smith's Humble Service Station entertained the Humble agent, W. R. Killian and other company officials and their wives with a steak dinner at the Alps Cafe Friday night. Smith was presented a nice size bonus check on TBA sales during the past year. He received the fourth largest check earned in the 28 counties in this district. Clovis Cowin, with the TBA department of Tyler, congratulated him on this success and encouraged him to do even better in 1958.

Pictures and home movies were made following the dinner, attended by Mr. and Mrs. W. R. Killian, Mr. and Mrs. Billy Daniels, Mr. and Mrs. Jim Aiken, all of Mt. Pleasant, Clovis Cowin of Tyler and Mr. and Mrs. E. W. Smith of Talco.

At Talco Hospital

These people have been admitted and dismissed as follows: Mrs. Ruth Calquhoun, Dec. 28; Mrs. W. R. McLeroy, Dec. 29—Jan. 1; Victor Lee Morris, Dec. 29—Jan. 3; Greg Godfrey, Dec. 30—Jan. 1; Mrs. Arlene Anschutz, Dec. 30; Tony Sloan, Dec. 31—Jan. 2; J. E. Nelson, Dec. 31—Jan. 2; Mrs. Lucy Walls, Jan. 1—Jan. 2; Libbie Swinford, Jan. 2—Jan. 4; W. M. Sikorski, Jan. 2—Jan. 4; E. H. Emmons, Jan. 2—Jan. 5; Mrs. Mary Kelley, Jan. 4; Mrs. May Posey, Jan. 5—Jan. 7; Mrs. Fred Stephens, C. C. Smith, Gilbert Harper, Jan. 6.

Burglars Enter Norwood Store

Norwood Superette was entered sometime Tuesday night between the hours of 6:30 p. m. and 7:00 a. m. Between \$60 and \$70 dollars in cash was taken and some merchandise. Mr. Norwood reported that the store was entered through the rear window in the feed store.

Titus Grand Jury Returns Thirteen Indictments

Titus County Grand Jury has returned 13 bills of indictment; one for murder in connection with a recent stabbing; three bills for assault with intent to murder; two bills for passing forged instruments; one bill for hog theft; one for swindling with worthless checks; one for burglary; one for arson; two for child desertion, and one for unlawfully carrying a pistol after conviction of burglary.

Bowden said that 76th District Court proceedings would start Monday with District Judge Morris Rolston presiding. The grand jury has recessed until Feb. 6.

W. A. Burton Dies At Mt. Pleasant

Funeral services were conducted at Mt. Pleasant for William A. Burton, 72 former Titus County surveyor and engineer on various projects in this area. Burton, born in Kentucky, had lived in the county more than 50 years.

He was an engineer for the locating of the now-abandoned Paris & Mount Pleasant Railroad. He had been employed by the Southwestern Gas and Electric Company as an engineer in projecting highlines.

He is survived by his wife; a daughter, Mrs. Margaret Gauthier of Baton Rouge, La.; a sister, Miss Mary Lucy Burton, and a brother, J. B. Burton of Owensburg, La., and six grandchildren.

Twin Brothers Honor Birthdays

John Martin and his twin brother, Pick of Kerens, honored their 77th birthday Sunday. There was a pale blue cake with a man in a boat fishing and two candles on top.

John Martin is the father of Charles Martin of Talco. Children attending the celebration were Mr. and Mrs. Charles Martin and boys, Mr. and Mrs. Shelby Barger and girls of Talco, Mr. and Mrs. R. D. Martin and family, Mr. and Mrs. Thurman Lanham of Arp, Mr. and Mrs. John Frank Lanham and family of Tyler, Mr. and Mrs. Willy Martin, Mr. and Mrs. Glen Rose and family, Mr. and Mrs. Loyd Martin, Mr. and Mrs. Albert Hofert and family, all of Houston. Fifty-eight attended the occasion along with the Pick Martin family and friends of Arp.

Red River, Lamar Counties Get Tests

J. K. Wadley, Texarkana, has revealed plans to drill two 3,500-foot tests four to five miles northeast of Clarksville. The No. 1 B. D. Andrews was staked 330 from the north and east lines of a 169-acre tract in the S. F. Moore survey. The No. 1 C. W. Andrews was spotted 330 from the west and 1116 from the north lines of a 305-acre tract in the BBB&C survey. They should test the Travis Peak.

Drilling is underway by J. B. Walling, Wichita Falls, on No. 1, W. C. Ratliff, a planned 5,000-foot test 13 miles east and north of Paris. Drillsite falls 660 from the south and 5,100 from the east lines of a 660.8-acre lease in MEP&P survey. Depth should take the hole to the Paleozoic.

The above start followed abandonment of Walling No. 1 Mack Carr, L. W. Tinnin survey, 15 miles northeast of Paris. It went to 1,735 feet.

Abandonment is reported for E. A. Carter and B. A. Kaemmerer No. 1 Alfred Pogue, S. G. Chandler survey 2 1/2 miles west of Birthright. Hole went to around 5,500, apparently testing the Paluxy.

Lions Club Duck Reported Sick

Talco Lions Club has come up with an idea as novel as it is unique, to promote membership and attendance in 1958.

The club owns a very large mallard duck. From meeting time to meeting time this duck passes into the hands of any absent member, who must board it and give all the delicate care that such duck may need. There is a rumor that the duck has lost weight and it may have become since the last Lion's Club meeting in December, 1957, according to Earl E. Smith, publicity chairman.

Since no one may want the care of a duck, especially a sick one, it is most likely that all Talco Lions will make great effort to be present at the next club meeting Tuesday, Jan. 14, 1958, and for each meeting during the year.

Another way to be sure not to have the board and care of the duck is to add a new member to the Talco Lions Club.

Dun & Bradstreet Business Report

Using the Dun & Bradstreet Reference Book listings as a guide, it is interesting to review what has happened in communities in this area during the past seven years. Businesses listed are:

Town	1957	1950
Bogata	34	45
Clarksville	136	168
Detroit	25	23
Mt. Pleasant	249	271
Talco	35	41
Deport	28	34
Paris	567	512

The Reference Book, incidentally, only lists manufacturers, wholesalers and retailers. It does not include some of the service and profession businesses such as barber and beauty shops, stock and real estate brokers.

Titus Co. Collects 83% of 1957 Taxes Rendered

Titus Countians paid 83.78 percent of taxes levied on them for 1957, Wallace R. Fields, assessor-collector, reports.

Gross collections amounted to \$210,928.74, he said. This figure, less \$5,588.23 in discounts allowed, brought net collections to \$205,340.51.

His office handled a total of \$480,662.59 in 1957, his report disclosed.

This figure in addition to property taxes already mentioned, included \$2,981.67 in delinquent taxes, and \$108.37 in supplemental taxes collected for the year.

License plate sales for 1957 through Dec. 31 amounted to 8,081, Fields said. He estimates an additional 350 plates for 1957 will be sold before the present registration year ends April 1.

These 8,081 license plates (there were 7,700 in 1956 for the same period), produced \$117,809.66 in revenue for Titus County during the calendar 1957, Fields said. The state received \$68,677.74 from sale of plates in the county.

During 1957 the office collected \$44,651.93 in motor vehicle sales taxes, Field said. Of this the county retains five per cent or \$2,232.60 with the remainder going to Austin.

Adams Announces For Representative

James V. Adams, superintendent of Titus County schools, has announced in the Bogata News and Talco Times as a candidate for Representative in the Legislature. The district is composed of Red River, Titus and Camp Counties.

George Ford of Bogata is the present incumbent. He has not announced his intentions regarding re-election.

Three million dollars is quite
 a sum of money but more than
 that is on deposit in the three
 banks at Deport, Bogata and Tal-
 co. Exact figures are \$3,048,531-
 28. These three small towns—
 only 15 miles distance between
 the three—had an increase in
 deposits during 1957 that amount-
 ed to \$235,078.67. Some small
 towns may be on the decline, but
 not Deport, Bogata and Talco.

This area was visited by just
 the tail end of that great snow
 storm that whipped Northwest
 Texas Sunday and Monday and
 almost drowned the Rio Grande
 Valley and South Texas with
 great rains. It was cold here
 Tuesday night, but a warm sun
 soon had the temperature above
 freezing Wednesday morning.
 We repeat again—we live in a
 most favored spot of all Texas.

**Cold Wave Drops
 Mercury to 16
 On Wednesday**

One of the coldest waves of
 the season was experienced this
 week when frigid air out of the
 northwest moved across this sec-
 tion dropping the mercury to 16
 degrees at Cox Field Wednesday
 morning. This was one of the
 lowest readings this season.
 This part of the state was
 cloudy the first of the week but
 no moisture fell, while other sec-
 tions were digging out of snow
 storms and flood waters.

**James V. Adams
 Mt. Pleasant For
 Representative**

To the People of Camp, Red River,
 and Titus Counties:

The people of Titus County
 have twice honored me by elect-
 ing me to the office of county
 superintendent. Serving in this
 capacity for the past seven years
 has been a valued and pleasant
 experience. I shall always be
 humbly grateful to you for af-
 fording me this opportunity for
 public service.

Since announcing that I would
 not try for a 3rd term as county
 superintendent many of my
 friends have encouraged and urged
 me to run for State Representa-
 tive. Also, I have long consid-
 ered it a great honor and high
 privilege to serve the people of
 this area in the legislature of the
 Great State of Texas. I there-
 fore announce as a candidate for
 State Representative of this dis-
 trict comprising Camp, Red River,
 and Titus Counties.

In making this announcement
 I also wish to respectfully re-
 quest your support in an unusual
 way. To those of you who know
 me I would greatly appreciate
 any favorable comment from you
 to any of your friends and rela-
 tives, more especially those in
 Camp and Red River Counties.
 To all others I would invite you
 to make whatever investigation
 of me you feel necessary to cast
 an intelligent vote in this elec-
 tion.

Titus County has been my
 home for nearly all my life.
 Midway, Cookville and Mt. Pleas-
 ant provided my public school
 education. I attended Sam Hous-
 ton State and East Texas State
 Colleges earning my Bachelor of
 Science and Master of Education
 degrees from the latter. My em-
 ployment includes service with
 the Texas Department of Public
 Safety, the Navy during World
 War II and the Texas Public
 Schools for twenty-three years.
 The present position has provid-
 ed the opportunity to observe
 closely the work of the Texas
 Legislature which I have done
 with great interest. Considering
 my background training and ex-
 perience, I sincerely feel that I
 am qualified to serve you as your
 State Representative.

If elected I promise to keep
 myself completely honest at all
 times and to deal with you in a
 courteous and considered man-
 ner on all matters which you
 bring to my attention. On the
 issues where there is a principle
 of right or wrong involved I shall
 try to always be on the side of
 right. On other matters I shall
 adhere to democratic principles
 and try to represent the wishes
 of the majority who live in my
 district. I shall also use the full
 influence of the office for the

Wolves had been causing con-
 siderable losses in the area and
 bombs which are baited for them,
 were put out. The bird dog took
 the bait, the bomb exploded and
 Westbrook shot the dog to kill it
 instantly and put it out of its
 misery.

Jim has had hard luck with his

NOTICE

Since 1902, the Coca-Cola Bottling Works has pro-
 duced and sold its product at a price that enabled you
 to buy a bottle of Coca-Cola for a nickel. Efficient
 production and volume sales have made this possible.
 Today, however, the constant pressure of increasing
 costs makes it impossible for us to maintain this
 price.

Therefore, effective January 6, 1958, the wholesale
 price of Coca-Cola was increased.

A retail price of 6c per bottle and 31c per 6-bottle car-
 ton generally prevails in other cities where the whole-
 sale price has been increased a like amount.

The wholesale price of the economical 26-ounce Fam-
 ily Size bottle will remain the same, therefore, no in-
 crease in retail price is anticipated.

In either size—6½-ounce or 26-ounce—Coca-Cola is
 still the world's best soft drink value.

EXAMINES PREDICTIONS FOR NEW YEAR BUT IS PUZZLED

Editor's note: Achin Alcorn philosopher on his Johnson grass farm on Sulphur takes a look at 1958, but he can't seem to see any better than a lot of others.

Dear Editor: The new year is already well underway, I know, but I've just now gotten around to a stack of newspapers I'd been saving the last few days and have now checked over the predictions by the experts for 1958.

First, take the economic outlook.

According to them, the economic situation is going to be both good and bad, first we're going to have a dip, then a climb, or it may be the other way around—either the first half of the year will be better than the last half, or the last half better than the first.

What this means to me is that I'll probably be trying to climb when everything is dipping and dipping when everything is climbing. I've never found an expert yet who could tell me when the economic picture is going to change, although they all are pretty good at finding out what took place after it's already happened, which is something I've been doing on my own for years. I've never had to read a newspaper to find out whether times were good or bad out here on this farm. There are some things a man ought to know without being told.

Or take the international situation.

Some of the experts say the situation is fraught with uncer-

tainty, but I don't agree with this. The foreign situation is fraught with certainty. It's going to be mad like it always is.

For example, Washington leaders expressed the New Year's hope that the new year will bring "a better understanding between the Russian and American people."

I don't know about the Russians, but you can't get a better understanding than we've already got of them. We understand the Russians thoroughly, and on that basis we're working night and day on our defenses. Our understanding of the Russians is like a pioneer's understanding of the Indians. He didn't know what they were up to, but he knew it wasn't good for him.

On the farm front the experts are a little vague, they can't make up their minds what's going to happen, but I have a pretty good idea. The farm situation in 1958 will be about like it was in 1957, which was about like it was in 1956, etc. It never is as bad as it could be or as good as it ought to be. However, since nothing else is either, I intend to take my chances right here without worrying. There's no use in me and Congress both worrying about it. Yours faithfully, A. A.

Fine Arts Study Civil Defense

"Texans on the Alert for Civil Defense" was the timely topic of discussion Tuesday afternoon when the Fine Arts Club met at the home of Mrs. Sidney Frugia. Acting program chairman, Mrs. G. N. Anderson, quoted from the club's yearbook in stating that "The vast reservoir of organized women's organizations existing in every community must be enlisted to provide leadership in planning, organizing, recruiting and training for the civil defense task." Bulletins from the Federal Civil Defense Administration were used as source material for the discussion by Mrs. M. E. Jones pertaining to "Texas Women in Defense and Disaster Relief" and by Mrs. Anderson on "Your Civil Defense Action Program" as to "What You Can Do" and "Facts About Fallout."

All members participated in answering roll call on the subject "In Case of Attack." This bulletin explained the CONELRAD system of communication devised by the broadcasting industry and the government. Working together they have devised a special system of AM (Standard) radio broadcasting to bring you official information in time of emergency. The system is officially entitled "Plan for Control of Electromagnetic Radiation"—CONELRAD for short.

It should be remembered that only "CONELRAD" will be on the air during any widespread emergency, to be found at 640 or 1240 on your radio dial—standard, battery or car.

Mrs. Howard Johnson presided during the business session. She read a letter from Mrs. Sally Gage, director of Beauticians of Northeast Texas, Unit 75, asking the club to select a local girl to participate in an elimination contest for National Beauty Salon Queen, first session to be held at Sulphur Springs, Jan. 12.

A book presented to the club by Miss Ilene Westmoreland has been placed in the Talco School Library as a memorial to Mr. C. C. Collins, who died recently. Miss Westmoreland is President, Third District, Texas Federation of Women's Clubs, and Mrs. C. C. Collins holds an office in Third District, that of District Chairman in the Public Affairs Department. The book presented is "Up the Trail From Texas" by J. Frank Dobie.

Jan. 21, Mrs. S. O. Loving will be hostess for the club's annual meeting and its Federation Day program. Mrs. Frugia, Mrs. Anderson and Mrs. Ingram will present the program. Semi-annual reports will be read, and election will be held to select officers for the 1958-59 club year.

During the social hour delicious refreshments were served from the tea table by the hostess. Members present were: Mmes. G. N. Anderson, Sidney Frugia, F. B. Haynes, Howard Johnson, M. E. Jones, R. J. Ross, J. C. Stewart, J. H. Weatherall

Mrs. John Parr and Mrs. C. B. Harris made a business trip to Paris Friday.

Mr. and Mrs. A. T. Blalock and P. B. Harris visited Mrs. W. P. Pittman and daughter of Bogata, Sunday.

Mr. and Mrs. Virgi Wilson and Frances of Argo, Mr. and Mrs. Kenneth Baxley and boys of Mt. Pleasant, Mrs. Dessie Buchanan of Maple Springs, spent Sunday with Mrs. Emma Jones.

TOO FAST FOR WORDS

One day a factory worker was caught in a huge wheel, whirled around, then thrown clear. A fellow worker rushed to him and cried, "Speak to me, Jack! Speak to me!"

"Why should I?" the man replied in a dazed voice. "I just passed you three thousand times and you never spoke to me."

Portable ELECTRIC Heater

When you need extra warmth for comfort, a portable electric heater quickly chases away the chill. Just plug in, flip a switch and you'll bask in radiant, sun-like warmth. It's the convenient way to warm up those "cold spots" around your home . . . and for supplementary heat in bathroom, sickroom or nursery. For extra warmth when you need it, see your appliance dealer for a portable electric heater.
