Board votes to fill vacancy of Intermediate principal

The Board of Trustees of the Sonora Independent School District met in special session at noon May 8 to canvass votes and administer the Oath of Office to the two newly elected Board Members, Jim Garrett and Mike Smith.

Superintendent James Bible informed the Board that the current student insurance carrier had projected a one hundred percent increase, from \$75 per person to \$150 for next year's coverage. He added that this portion of the athletic budget was increased somewhat to cover the greater cost. He also observed that the cost of employee health insurance would probably increase substantially due to heavy user rate, and was instructed to prepare for the bidding process during the summer.

Bible informed the Board that bids on abatement of asbestos-containing material were due May 9 and would be opened by a committee and possibly awarded at

the May 9 regular meeting. He added that the grant request prepared by Kiser Engineering for federal funds to help pay for this abatement had been denied.

The Board granted permission to the Chamber of Commerce to hold a tennis tournament on the district courts in June and to the basketball coaches to hold a basketball camp in July.

High School Principal Charles Russell told the board that there were a number of good applicants for the vocational agriculture teacher to head the department which will be in place at the beginning of the 1989-90 school year, adding that interviews would begin within the next ten days.

In closing the special meeting, a plaque was presented to outgoing Board President Julio Samaniego, Jr. Samaniego thanked his fellow Board members, building principals, and the central office staff for their help during his

tenure. Sutton County Sheriff Bill Webster appeared before the Board in their regularly scheduled meeting May 9 to request permission to have his department provide a self-teaching drug education program, "DARE", to the 5th graders for one or two hours each week. The program is privately funded from local sources. Following a brief discussion, the Board granted permission.

Carl Weaver read a prepared statement which supported retaining the position of principal at the Intermediate School, stressing the importance of good administrative leadership in the education of good of children and lauding the efforts of departing principal Miguel Ramos.

Intermediate teachers Louise Barlemann and Edwina Friess spoke in support of retaining the position. Board member Joe Garcia agreed with the teachers, and thanked Mr. Ramos for his excellent leadership and accomplishments during his six-year tenure as principal.

Board member Scott Shurley expressed the opinion that failure to fill the vacancy would result in lower test scores and lack of guidance, both for the faculty and the students. Board President Garrett called for a motion with Scott Shurley moving to fill the vacancy by the usual methods. The vote was unanimous.

Principals reported enrollment as follows: Primary-278; Intermediate-250; Junior High-226; High School-300; for a total enrollment of 1,054.

R.W. Hampton to appear in Sonora

by Ann Cates

The Outdoor Drama Group is extremely pleased to present R.W. Hampton in concert at the Sutton County Steakhouse on Saturday, May 27. Hampton's appearance is made possible as a cooperative effort with the sponsors of the Cowboy Campfire Cookin' and Pasture Roping to be held in Eldorado May 26, 27 and 28.

From Raton, New Mexico, Hampton's fame is widespread. A true cowboy balladeer, he is one of four cowboys featured on the cover of Kenny Rogers book of American photography. Hampton has also appeared in numerous movies,

Levi's 501 commercials, and the Cowboy Poets Gathering in Alpine.

As a working cowboy, Hampton's songs are written from experience and sung from the heart; some are light and playful and others, sentimental and touching; all are superb!

To make reservations for the show, call the Sutton County Steakhouse, 387-3833. Tickets for the show are \$6 and dinner may be ordered from the menu.

Having seen Hampton perform, I can assure you that you certainly won't want to miss him!

Surveys to provide production information

Beginning June 1, representatives from the Texas Agricultural Statistics Service will be contacting farmers and ranchers across the state to help set the 1989 planted acreage estimates and midyear livestock inventories.

"Information from these surveys will provide Texas producers with solid facts and figures they can use when making their production and marketing plans for 1989," state statistician Dennis Findley explained.

"The continued dry weather this spring and the changes in the national farm program may have altered producers' plans for 1989, and this survey will be the first accurate measure of midyear

livestock inventories and acreage estimates," he added.

Individual reports will be combined with other reports to set state estimates. Results of the confidential interviews, conducted by telephone or in person by field enumerators, will be published later this summer. The 1989 acreage forecast will be published July 12, and the midyear cattle inventory will be published July 28.

"Remember, these are sample surveys, so if you are contacted it is important to provide the requested information, since your one report represents similar operations of the same size and type. Our estimates can be no better than the numbers producers provide," Findley concluded.

Municipal pool to open May 29

The Municipal Swimming Pool is scheduled to open on Monday, May 29 with longer hours than in past years. The swimming pool will be open every day, except Wednesday and days of inclement weather, from 12 noon until 6 p.m.

A fee of \$1 will be charged for use of the swimming pool and 50¢ for use of the baby pool.

The pool is available for private parties for a fee of \$40 for a two-hour party and all parties are on a pre-pay basis.

Trained lifeguards will be on duty at all times. Swimming lessons and other fun events will be scheduled throughout the summer.

For more information or pool rental you may call the swimming pool at 387-5377 or Melissa Teaff at 387-2773.

Wanted: 4-Her's and leaders

The Sutton County 4-Her's had a successful workday last Friday on their "Adopt-a-Mile" clean-up project. Twenty-three 4-Her's and eight 4-H leaders cleaned the north bound portion of the highway project.

We will clean the south bound portion this Friday, May 19. Interested 4-Her's should meet at the 4-H Barn at 4:30 p.m. We will return to the barn at 5:30 p.m.

All help, 4-Her's and adult leaders is needed and greatly appreciated.

Play Day for all ages

The Family Play Day to be held in conjunction with the annual Chamber of Commerce Hoot 'n Holler and Trade Days, will offer something for everyone.

Play Day will begin at 10 a.m. Saturday, May 20 at the County Arena and will include poles, barrels, break-away roping, tie-down roping, ribbon roping and hair pulling. The two age divisions will be 15 years old and younger and 16 years of age and older. Cost is \$5 per event and an award will be presented to the family with the most points at the end of competition.

Team roping will immediately follow the Play Day events, with three for \$10 and contestants may enter four times.

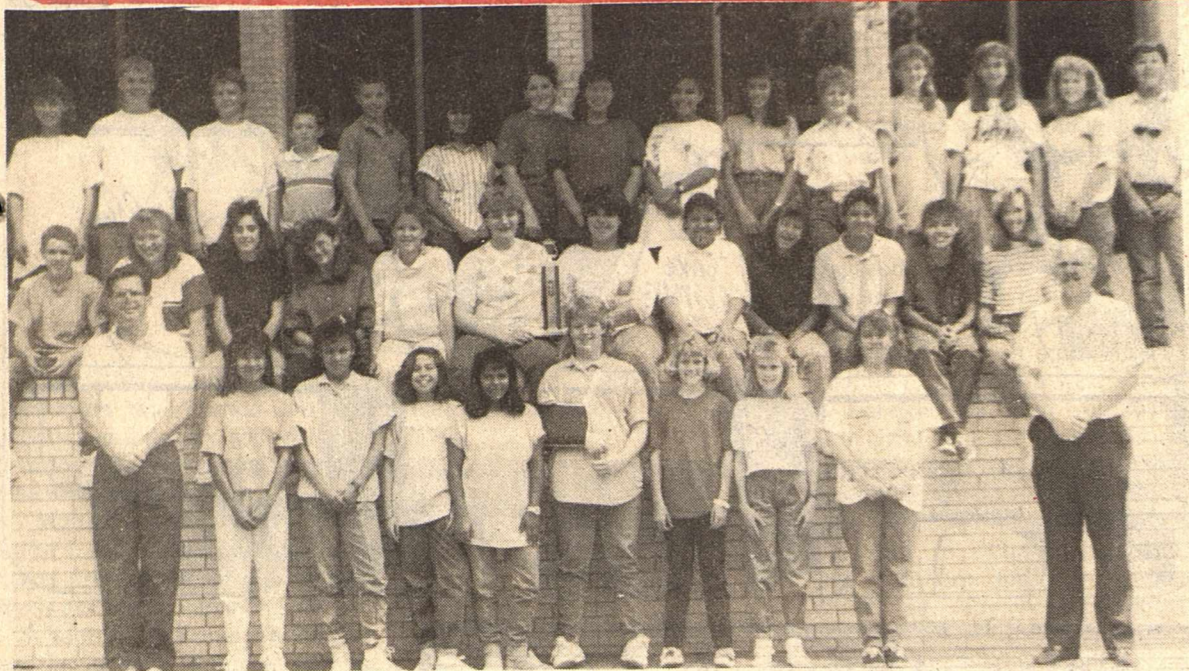

For more information call 387-2793 or 387-2952.

Mother of the Year . . .

Nancy Taylor was selected as the Senior Center Mother of the Year during the special Mother's Day celebration at the Center last Friday. As the winner, Mrs. Taylor was the recipient of a beautiful corsage given by Jane's Floral and Gifts and a gift certificate from Food Center.

Seventh Grade Band wins sweepstakes at Snyder...

On Saturday, May 13, members of the Sonora Junior High seventh grade Colt Band traveled to Snyder to compete at the Snyder Band Festival. In the concert portion of the contest, the band performed two selections, *Silvergate Overture* by John Edmondson and *Australian Rhapsody* by Eric Osterling, for two judges. The band then moved from the auditorium to the band hall to sightread a selection for one judge. The band received, 1st division rating from all three of the judges to win the Sweepstakes Award, the highest honor awarded at the contest.

Mr. Nelson and Mr. Harris would like to express their thanks to these students for their hours of hard work and for a job well done last Saturday. Staff photo/Noema Escobar

ONE MAN'S OPINION

by T. Driskell

The 900 Area Code on the national telephone network has always been an exceptionally remunerative network. During the early 1980's it was employed to relay undesirable erotic information to children, adolescents, and some adults until pressure was put on the various telephone companies.

The 900 Area Code is still alive and well, and most of the information is valid data. The governmental invasion of the fields of privacy and individual prerogatives have generated some heated disputes, almost approaching riots, and perpetuated the end-of-the-rainbow aura of the 900 Area Code, by providing a fertile field for entrepreneurs extract funds from the unwary.

The fertility of this field is the huge nationwide group of citizens who operate on an emotional plane, demonstrating sufficient laziness to engage in a logical approach to a problem. A clear recipe evolves to extract funds from these people who react emotionally and immediately and the 900 Area Code is an available tool.

The ingredients required by the recipe are: First: A very emotional issue in which there is a nationwide interest and heated controversy such as Anti-Abortion versus the Pro-Choice factions. Second: Two hungry actors or actresses (who will perform for a percentage of the final take.) Third: The capability to produce, or have produced a telephone vision tape. Fourth: Enough funds to have the tape aired

on a national network. Fifth: Two 900 Area Code numbers.

Processing the recipe's ingredients requires great care. The issue must be selected for great national interest and the heat it generates. The actors must be selected with great care, if by appearance alone to antagonize the opposition to whichever side of the issue they are to portray. The third, fourth and fifth ingredients are fairly straight forward.

The actors, for the tape, present their side of the argument in an antagonistic and emotional manner as is possible, and are taped. The tape is aired with the two 900 numbers, one for those in favor of the proposition and the second for those against it, and the assurance that the votes will be tabulated and sent to the President. This is done with the full knowledge that the President does not control congress, has no control over the Supreme Court, has no legislative powers (other than influence), and that any such poll is likely to be ash-canned by a presidential secretary.

The straw vote has cost the irate voter \$2.00. The net to the entrepreneur is hard to pin down. Remembering that the "smut" merchants is the early 1980's did quite well on \$2.00 for the first minute there must be a net. Firms that want to get data in your hands charge from 50 to 70 cents per call. A good round assumption would seem to be somewhat over \$1.00 per call. If the operator could generate 7500 votes per day as it has rumored that an early poll did, it

would become remunerative.

The polls, irritating as they may be, can be beneficial if you have a strong opinion, express it to the three people most interested in what you think. Your Congressional District Representative, and your state's two Senators. A hand written letter (even though it appears you wrote it with your foot) will call their attention to you opinion and they have the power to do something about it. The net cost if you scrounge three sheets of paper is about eighty-five cents. Somewhat cheaper than two dollars, and it can produce an effect, other than increased wastepaper.

Health Care

God answers prayer

Not all healing occurs in hospitals.

Many of you know that on Friday night, May 5, while my son Sean was taking friends home from his senior prom, he was struck by an oncoming vehicle—a young man, with both alcohol and drugs in his veins—was driving the wrong way on the Riverside Freeway just outside of Los Angeles.

My son was in critical condition when he arrived at Long Beach Memorial Hospital. By the time he had gotten there, he had lapsed into a coma.

The doctors told me it would be weeks or even months before he might regain consciousness. They also told me he had a 60% chance of living.

I am not mad at the man who hit him. I feel no wrath. I seek no revenge...In fact, there are a lot of things I'm "not" about this. But what I am...is grateful. I'm grateful to all the people who have prayed for his recovery.

They prayed in ritual form, in recited prose. They prayed in English and in Spanish, they prayed in tongues. They prayed in prayer circles and prayer groups, prayer meetings and in church services. They prayed at the side of their beds and they prayed at work.

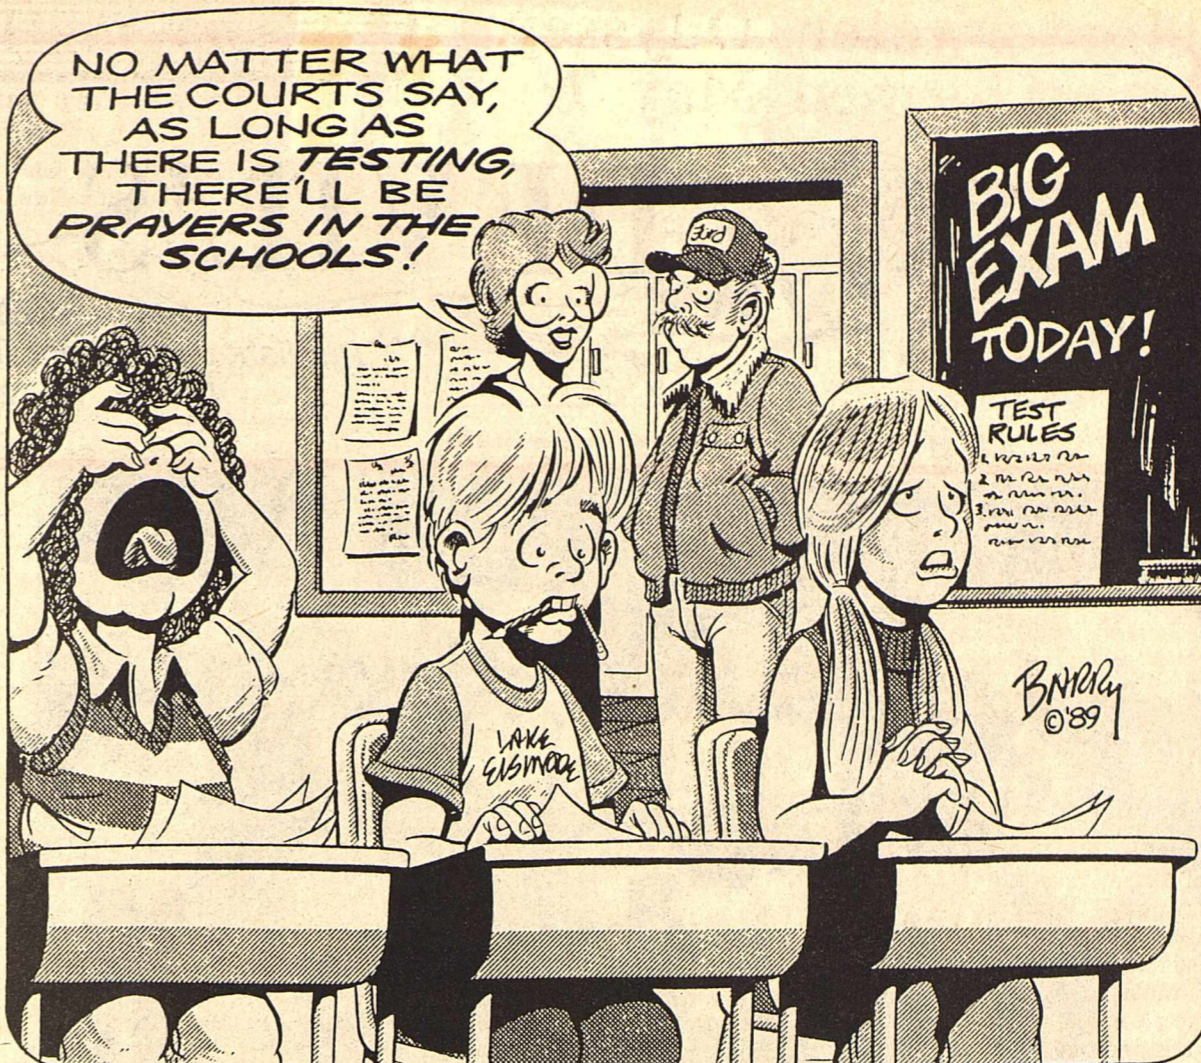

I prayed too. I prayed in tears and in fear. I prayed at odd moments and I prayed in guilt.

During the first two days after the accident, the only movement of Sean's body was in response to the seizures that wracked his brain. On the third day he began to respond to strong pain stimuli. On the fourth day, his hand moved to strike at a nurse pinching him. On the fifth day, his hand had to be restrained because they were trying to pull out the tubes in his nose and mouth.

I write this on the sixth day...1500 miles from my flesh, my blood. Sean's nurse tells me that he opens his eyes on command, and can squeeze her hand—oh, so lightly--on command!

I praise God for the Wonder he has done. I thank the beautiful people of Sonora and Terrell and elsewhere—who have given me comfort in this difficult hour.

There are still many hills left to climb—but my son who was lost, has returned.

Local administrator "speaks" to judges

Teri Williams, Court Administrator for the 112th District Court, serving Crockett, Pecos, Reagan, Sutton and Upton counties has returned from an Austin-Huntsville trip this past week. As Chairwoman of the Texas Association for Court Administration she traveled to Austin to lunch with the Chief Justice of the Texas Supreme Court, the Honorable Tom Phillips, as well as Justice C.L. Ray of the Supreme Court. Justice Ray will serve on the Judicial Advisory Board for the Texas Association for Court Administration along with Judge Brock Jones of the 112th District Court.

On conclusion of her Austin business, Ms. Williams traveled to the Criminal Justice Conference at Sam Houston State University in Huntsville. There she spoke to an audience of some 300 judges on "Moving Criminal Cases" through the courts.

CHAMBER CHATTER

By Debbie Farrar

Time is upon us. The Hoot-N-Holler Goat Cookoff is well underway. We are having a good response so far. Its going to be a busy weekend. Starting off Friday there will be a Free DJ Dance by KHOS. Then beginning on Saturday we will have a live remote from 10:00 to 4:00 out at the Cook-Off.

The Arts & Crafts Booths are coming into Butch daily. The play-day is going to be in the Rodeo Arena all day Saturday for all ages. The Non-Profit Local Organizations will be having food booths out there, so there will be fun, entertainment, music and food for everyone. Then Saturday night we will have LIVE the West Wind Band out of Odessa. Admission will be \$5.00 per person. Horseshoe pitching will also be a big hit. So come on out-Bring the family and enjoy a family oriented day at the Sutton County Park Area. See you there.

I would like to Thank each one of you that contributed to the Precia Miller fund for the Miss Texas USA Pageant. We would also like to thank Camille Green and Patricia Johnson for their extra effort in getting the community involved. The Miss Texas USA Pageant will be live Monday June 26. Please mark your calendar and watch Precia represent Sonora.

The Tennis Tournament will be Saturday June 3. We are receiving calls daily requesting entries. This will be our fifth annual tennis tournament. If you are planning to participate, please contact the Chamber or call Carol Sessom at 387-5797. The chamber number is 387-2880.

The Hunting Guide is still a big hit for our community. We are getting request daily for leases. If you would like to list in our 1989 Hunting Guide, please call 387-2880 and we will add you to the Guide. It works for YOU!

Letters

Dear Editor,

I want to say "Thanks" to everyone who supported and voted for me in the May 6 election. I sincerely appreciate the help and encouragement throughout the campaign and will do my best to represent each of you in our City government.

Sincerely,
Butch Campbell

Que tal?

Again I want to thank everyone that helped with the "Tardiada".

Thanks to Mr. Sergio Gutierrez for donating his time and equipment (we'll pay you with money one of these days!) Ruben and Connie-Thanks again! Also Mr. Chaldo Salazar-Muchas Gracias.

To all the people that have been cooperating with us, I want you to know that I really appreciate your support. If you ever feel that I can help you in anyway--don't hesitate to ask.

I am writing this letter in the first person because I have something to say to a few people and I want to make sure they understand that this is coming from me and not anybody else....

To all those people that keep cutting us down, to all those people that wish us the worst, to all those people that keep saying that they will not help a bunch of "marijuanos"-I have this to say: You are ignorant! You are ignorant of what I am trying to accomplish here and you are too damn lazy to ask me. I am not forcing anybody to do anything against their will! If you don't agree with me why do you show up at all? Do me a favor and stay away next time-I don't need you! You know who you are and if you want me to tell you this in person call me, my number is 387-2749.

Because for everyone of you I know I have ten or more behind me--and these are the people I am doing this for.

Again I want to thank La Raza that has cooperated with me. As the saying goes "Ahora por Mi, mañana for Ti."

Gracias,
Ernest C. Barrera

To all customers of Southwestern Bell Telephone Company:

Public Notice

On March 14, 1989, Southwestern Bell Telephone Company filed with the Public Utility Commission of Texas an application which proposes to revise its Toll Restriction Tariff in Section 21 of the General Exchange Tariff. The Commission received the application as Docket No. 8700.

The application proposes to reduce the monthly rate for Toll Restriction residence service from the current \$15 a month to \$5 a month per residence access line. This proposed application will affect approximately 2,487 residence customers who presently subscribe to toll restriction. It is estimated that the proposed rate schedule will reduce the Company's annual revenues from this service by approximately \$298,000, which is less than one percent of the Company's total intrastate revenues. If the application is approved, the effective date of the rate reduction will be set according to the Commission's Order.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A deadline to file motions to intervene has been set for May 30, 1989. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Information Office at (512) 458-0223 or (512) 458-0221, teletypewriter for the deaf.

Underwater Odyssey performed May 7

Sunday, May 7, the high school auditorium was turned into an Underwater Odyssey with colorful glittered fish, a sunken treasure, coral reef and giant clam.

Maidens April Spiller, Julie Jones, Laura Barlemann and Lesa Harris dreamed of an Underwater World and turned into mermaids.

School Marm Laura Barlemann lead her school of Purple velvets Anna Hickmann, Cassandra Torres, Tera Johnson, Nikki Casillas and Megan Shannon. Then Sea Anemones Adriana Cabezuela, Romy Castaneda, Jennifer Stroud, Kristie Wallace, and Kelly McKnight danced a dance with ribbons attached to their arms followed by Golden Starfish Haley Jardee, Kayla Shurley, Afton Browning, Lorena Lopez, Linda Hernandez, and Johanna Wade.

Julie Jones performed a dramatic dance as a Shark which was followed by lovely Angel Fish Ashley Browning, Kristen Shurley,

Cara Jackson, Cassie Jackson, Ashley Brockman, and Monique Favila.

Perky Lobster Laura Barlemann danced around a coral reef. Lesa Harris as Mother Damsell and Baby Blue Damsells Jackie Crawford, Amy King, Kassadie Farrar, Katrina Hernandez, Dacey Fawcett, and Emily Lind performed.

Graceful Ocean Pearl April Spiller emerged from her clam with the help of Ashley Brockman and Kristen Shurley. Seas got stormy and Jazz Waves Lori Jardee, Romy Castaneda, Ashley Browning, Christie Blackman, and Julie Jones performed a jazz dance with ten foot streamers.

The Corps de Ballet performed the Finale to *Music Box Dancer*, a tradition for Carolyn's Recitals.

Many of these girls can be seen June 16 in the opening night performance of the Covered wagon Dinner Theater.

Eat to live

The American Cancer Society is offering a free brochure to alert the public to nutritional guidelines, the risk of developing some cancers.

According to Kent Kepler, President of the Sutton County Unit of the American Cancer Society, there is evidence linking diet to certain cancers.

"We are just beginning to understand how a person's eating habits and the amount of specific nutrients he or she consumes fit into the very complicated question of cancer risk," Kepler said. "No one would say we have all the answers yet, but we know enough to make basic recommendations."

The ACS nutrition guidelines are as follows:

1. Avoid obesity: Obesity has been linked to risk of uterine, gallbladder, breast, and colon cancers.

2. Cut down on intake of fats: A high-fat diet increases risk of developing breast, colon, and prostate cancers.

3. Increase intake of fiber (the "roughage" Mom praised so highly): A high-fiber diet may reduce the risk of developing colon cancer.

4. Add foods rich in vitamins A and C: These vitamins may help

prevent cancers of the esophagus and stomach. Citrus fruits and green leafy vegetables, especially those from the cabbage family--brussels sprouts, broccoli, kale, cauliflower, and cabbage--will provide these vitamins, as well as some fiber.

5. Drink alcoholic beverages in moderation: The risk of liver cancer may be reduced by drinking in moderation.

6. Limit amounts of salt-cured, smoked, and nitrite-cured foods: Cancers of the stomach and esophagus are more common among people who consume large quantities of these foods.

And, Kepler said, "People should try to follow these guidelines not just in the home, but when dining out as well."

"If you smoke," he said, "changing your diet may reduce your cancer risk, but you still are a prime candidate for lung cancer, regardless of what you eat or drink. Smokers should make quitting their first priority in bettering their odds against cancer."

The Society's nutrition guidelines are available in a pamphlet entitled, "Eat to Live," and can be obtained without charge from the Society's Sutton County Unit. The pamphlet contains recipes for a variety of main courses and snacks that offer a tasty way to add more cruciferous vegetables to your diet. "The cream of broccoli soup is easy to make, is

Thank you to Evelyn McDonald and Tina Gallegos for the attractive May Day Baskets of miniature carnations. We enjoyed them a long while.

We extend our sympathy to the family of Neal Coleman, who passed away in Hudspeth Hospital on May 6, 1989.

Residents enjoyed an Ice Cream Social given by the Junior Hospital Auxiliary on May 6. Sponsor Virginia Epps and Social Activities Director Lilia Gonzales served marbled ice cream and cookies.

There were wall to wall people in the lobby during the May 13 Tea given by the Hospital Auxiliary honoring mothers. Tables were covered in pastel colored cloths and centered by vases of flowers. Corsages for the residents were furnished by Irene's and Petals. Sandwiches, punch and delicious cake by Clara Brooks were served by Lura Sawyer, Joan Cusenbary, Ruth Spaulding and Louise Hearn. Entertainment was by pianist Charlotte Wilson and vocalist Maxine Locklin. "Happy Birthday" was sung to Della McLaughlin, Dan Cauthorn and Winnie Lou Whitehead, they were presented miniature cakes with one candle.

Lucy: Uh-Oh! Baby brother is crying again.

Mother: Yes, I guess I will have to change him.

Lucy: Good! While you are at it why not change him for a cocker spaniel?

We were having a gab fest in the lobby Thursday when one of the ladies looked out the window and said "Here comes the Devil". Everyone laughed and when Melvin Glasscock walked in the door with papers under his arm he asked what was so funny. We told him, and he

said "she is exactly right" and handed her a Devil's River News!

"The Waddling Ducks", attired in daffodil hued costumes, performed for us on May 15, greeted us with hand clasps and were generally adorable.

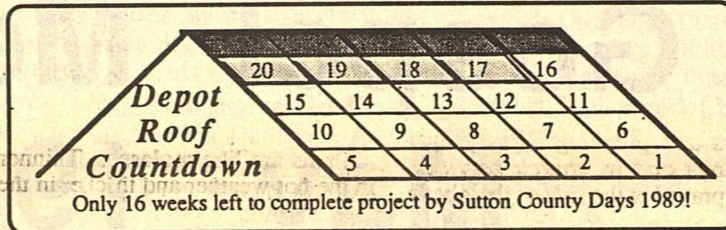

Joe E. Garcia, and a group of ladies from St. Ann's Catholic Church were here for devotional on Sunday afternoon. Their prayers were much appreciated.

Thank you to Virginia Epps for the beautiful arrangements of red gladiolas in the lobby, and to Vivian Crites for the magazines. We also remember Lunetta Morgan, who is in Hudspeth Hospital, in our prayers.

Guests registered were: John Dan Eaton III, D.D.S., Dianne and Tom Eaton-San Angelo; Shane Hearn, Uvalde; Sherry Martin, San Angelo; Bud Smith, Del Rio; Violet Jarrett, Del Rio; Josephine Curry, Del Rio; Thelma Puckett, San Antonio; Ellen Ray, and Bill and Charla Ray, Eldorado; Etta Adams and Elsie Brown, San Angelo; Louise Glasscock, Austin; and Mr. and Mrs. Tuffy Whitehead and Amy, Del Rio.

SELF CONTROL

by J. Michael Fish

Controlling the 'monster'

Termed "the green-eyed monster," jealousy is a state of being with which most of us are familiar. Many accept it as a quality within their character, often peaking emotions to monstrous proportions and runs its course uncontrollably. Others feel they don't have a 'jealous bone' in their body. Almost everyone has or will feel

jealous at one point or another during their lives. Contrary to the "monster" it can be; it is a great teacher, revealing things about one's self not known before. To this end I, for one, am quite grateful and much the wiser.

Personal experience within its grip has shown me how we unwittingly create fictitious

realities, robbing ourselves of the peace and harmony that would otherwise be ours. By taking notice of the doubts, fears and emotions brought about in our jealousy we can take stock of the short-comings in our character. Through strengthening these areas, in effect we take control of this 'monster.'

The list of possible repercussions when allowing this covetous, envious and suspicious behavior to go unchecked is endless, be assured it will arrest the soul, alienating it from life's main-stream.

As with any 'shock' to our emotional constitution, real or imagined, the best defense and means of taking control is to become a "self-fulfilled person." Maxwell Maltz, M.D., F.I.C.S.; author of *Psycho-Cybernetics*, describes the self-fulfilled person as follows:

1. "They see themselves as liked, wanted, acceptable and able individuals."
2. "They have a high degree of acceptance of themselves as they are."
3. "They have a feeling of oneness with others."
4. "They have a rich store of information and knowledge." Additionally, Dr. Maltz offers; "It is the person who feels undeserving, doubts his own

capabilities and has a poor opinion of himself who become jealous at the drop of a hat. It is the person who secretly doubts his own worth and who feels insecure within himself, who sees threats to his ego where there are none, that exaggerates and over-estimates the potential damage from real threats."

Self-fulfilled people have a tough emotional 'skin' to absorb insults to their ego, shocks to their emotions, but does not harden them to future chances of happiness. They are "too big to feel threatened" because they are at-ease with who they are and what they represent.

In fact, rather than the situation itself, we deal with our responses to the situation. Our feelings, doubts and reactions are all responses. These result from mere perceptions or assumptions we formulate concerning the actions of others. Need I tell you how often assumptions are absolutely incorrect?

Therefore, relaxing or choosing to do nothing until all the facts are in enables us to react in a more sensible and positive manner. It is impossible for anyone to feel any negative emotion when they are relaxed. Try it.

In cases where our fears and doubts are realized; the self-fulfilled will more readily accept the situation, endure the pains and losses gracefully assured they were true to themselves. Though emotions are injured, they are strengthened for future occasions but their self-esteem and ego remains intact.

Self-esteem is to the ego as food is to the body or fuel for the car. Without it we go nowhere and are held securely in the grip of the green-eyed monster that feeds on the weaknesses of our character and self-concept.

DEATH NOTICES

Joseph Theodore Decker

Joseph T. Decker, 69, of Menard passed away early Wednesday morning, May 10th, in Saint John's Hospital and Health Care Center in San Angelo.

Funeral services were held at 10:30 a.m. Friday in Sacred Heart Catholic Church in Menard with Father Steve Hicks of Abilene, Father Mueller of Eldorado and Father Bill Hubmann of Menard officiating. Interment was in Resthaven Cemetery with Heritage Mission Funeral Home in charge of arrangements.

Mr. Decker was born February 29, 1920 and was a lifetime resident of Menard County. He was graduated from Menard High School in 1938 and was married to Lou Emma Woolf August 31, 1949 in Menard. He served in the Army Air Corps in World War II and was a member of American Legion Post No. 378. He and his wife owned and operated Decker's Grocery for 25 years and were active in community affairs.

He was preceded in death by his parents, John F. and Helen Scholz Decker; a sister Agnes Decker Willbanks; two brother, Clarence and Melvin Decker.

Survivors include his wife, Lou Emma Decker of Menard; two sons, Larry and his wife, LaRonna Decker, of Abilene, and Douglas Decker of Houston; three daughters, Susan and her husband, Wade Stokes, of Boerne; Lisa and her husband, Felix Esquivel, of San Angelo and Judy Decker of Houston; four grandsons, Cody and Matt Stokes, Steven Davis and Cameron Decker; one brother and sister-in-law, Johnnie and Dulce Decker of Talpa; one sister, Pauline Thompson of Sonora; one sister-in-law, Elizabeth Decker of Menard; and eleven nieces and nephews.

Nephews served as pallbearers.

AT&T MultiQuestsm Service

AT&T Communications of the Southwest, Inc., (AT&T) announces its intent to introduce within Texas on July 14, 1989, AT&T Multi-Quest Service, a new interactive 900-type telephone service. Since February 19, 1989, this innovative service has been available to Texas businesses only on an interstate basis. With AT&T MultiQuest Service, Texas business customers (otherwise known as sponsors) may offer value-added information services to callers originating long distance calls from Texas or elsewhere in the United States over AT&T's public switched network. A Texas caller, accessing the service by dialing the sponsor's 1-900 plus seven-digit number, can obtain recorded and/or live information by communicating with attendants, voice messaging equipment and computer data bases. Flat-rate, time sensitive usage charges will be billed to the caller for the sponsor's service.

AT&T is offering AT&T MultiQuest Service within Texas in response to requests by its business customers for a service that offers intrastate as well as nationwide interactive voice & data transport capability. Potential sponsors include entrepreneurial companies entering into new ventures that are information intensive, local mass announcement sponsors who want statewide as well as national coverage coupled with interactive capability and other information service providers.

The Texas intrastate AT&T MultiQuest Service will be tariffed as an "add-on" offering to a sponsor's existing interstate AT&T MultiQuest Service. The intrastate AT&T MultiQuest Service costs will be recovered from sponsor usage charges set forth in AT&T's intrastate tariffs. The usage charges billed to the caller are determined by the sponsor as appropriate to the service being offered and are not tariffed charges.

For more information about AT&T MultiQuest Service please call your AT&T Account Executive or AT&T's business consultants toll free on 1 (800) 552-0212. They can answer your questions regarding this service and how it can be of benefit to you.

AT&T intends to file a tariff to offer this service with the Public Utility Commission of Texas on June 13, 1989, effective July 14, 1989. Persons who have questions regarding this tariff filing may contact the Public Utility Commission's Public Information Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf, or write to them at 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757.

Intrastate AT&T MultiQuest Service is projected to generate \$1.1 million in the first year of its offering or .1% of AT&T's total gross service revenues in Texas.

BRONCO TAILS

News from Sonora High School
by Cynthia Kenler

Athletics came to a close Monday night with the annual Sports Banquet. All of the athletic teams were recognized by their coaches and awards were given out. Awards winners are: Nathan's Award (Football)-Decky Spiller; Boy's Basketball Award-Michael Harris, Girl's Basketball Award-Christie Adkins and Wheless Baker; Girl's Track Award-Vonna Pierson; Boy's Track Award-Leeroy Sanchez; Tennis Award-Wayne Tyler and Jesse Lynch; Golf Award-Eddie Virgen. Also recognized were the winners of the FCA scholarships-Decky Spiller and Wheless Baker. I would like to thank the cheerleaders and Mrs. Kordzik for the great decorations. I would also like to thank Reggie Williams and the GAA members on behalf of the senior athletes for their work on the scrapbooks.

The band has certainly been in the news this past week! Tryouts for drum major, flags, and twirlers were held last Friday in the gym. The 89-90 auxiliary units are: Head Drum Major, Raina Newbury; Assistant Drum Major-Brittany Kemp; Twirlers-Kim Covington, and Olga Chavez, Flags-Chris Bolt, Lindsey Wentworth, Erica Martinez, Vicky Anderson, Sheri Franklin, Jessica Johnson, Julie Jones, Angie Stewart (lieutenant), and Sheryl Wallace (captain). Congrats to all three girls and good luck next year.

The band also held their Spring Concert last Thursday with a surprise-new uniforms! Yes, the new uniforms arrived to the delight of everyone. Now the Mighty Bronco Band has given you a new reason to come out and watch-see how spiffy they look. The John Phillip Sousa Award was also

presented to Chuck Harris during the program.

One of the great "athletic" traditions at SHS is the Junior-Senior Softball game. The games were held last Tuesday night, and true to my predictions, the seniors dominated! The juniors played three very close games, two of which were decided in the last inning. Scores were girls: Seniors 9, Juniors 5; Boys: Seniors 7, Juniors 5, and mixed Seniors 6, Juniors 5. Way to go Seniors!

I would like to take a special time out now to invite everyone to the Awards Ceremony, Friday, May 19 at 10:00 in the high school auditorium. This is your chance to see and give recognition to those who excelled in their studies this past year!

The Semester Exam Schedule for finals will be Tuesday-7th period, Wednesday 2nd, 4th, and 6th periods (Seniors only), Thursday-1st, 3rd, and 5th periods (everyone) and Friday-2nd, 4th and 6th (underclassmen). These count for a fifth of the semester grade so study hard.

Seniors received their caps and gowns this past Monday. I have never seen a more excited group! Baccalaureate Services will be held at 8:00, Sunday, May 21, in the high school auditorium. Commencement exercises will be held at 8:30, Friday, May 26, in Bronco Stadium (weather permitting). Escorting the seniors will be Fernie Jimenez, Keith Wallace, Tammie Adams and Aby Samaniego. Look out, world! The Class of '89 is coming!

Next week will be my last column as the Bronco Tails writer. Watch it for the name of next year's writer!

Hire a high schooler...

While they still know everything

Summertime is just around the corner, and Sonora High School houses some of our community's greatest natural resources...It's teenagers. Many of these young people will have lots of time, energy, and talent on their hands this summer that they would be willing to trade for minimum wages.

Our students have many skills that they have learned in school: our students can type, cook sew, operate computers, dance, sing, teach youngsters, care for elderly, mow lawns, build fences, and any number of other things.

Consider, could you use some boys to do yard work, help do heavy lifting and steam-clean carpets for you? Does your cedar need chopping, your livestock need

rounding up? Do you need summer tutors for your kids? Maybe entertainment for a child's birthday party? Someone to do some baking for you or help you prepare for a party? Is there an elderly person who would enjoy someone to read the newspaper to them or just spend some time with them?

We are really proud of our kids at Sonora High School and we feel like we have some services that we can provide for our community at a reasonable cost. If you need one student or several students for a day, a week, or a month, please call the high school at 387-6533. Mrs. Fields, the school counselor, will try to match you up with just the right teenager for your needs. Resumes with summer addresses may be available upon request.

Students participate in CPR classes

High School Health classes participated in a three day CPR class May 1, 2 and 3. Lenora Pool, Sutton County Emergency Management Coordinator instructed the class.

Treva McReynolds, Leslie Thorp, and Jody Luttrell helped with the skills portion of the class.

Principal Charles Russell and Health teacher Gwen Kordzik arranged the class as a regular part of the High School Health Class.

The classes were a success and all participating students received an American Heart Association CPR card.

The students were: Cindy Galindo, Norma Gutierrez, Angie

Samaniago, Monica Gonzales, Melissa Fuentes, David Medina, Arturo Hernandez, Alfonso Villanueva, Gina Gamez, Ricardo Samaniago, Gladys Zamora, Adam Richter, Adam Youngblood, Hollye Gryder, Danny Mata, Jessica Mora, Dawn Keese, Sonia Gonzales, Michelle Lozano, Diana Tabarez, Sonia Castaneda, Isabelle Villanueva, Rosa Maria Madera.

Gloria Perez, Melissa Guerra, Robert Gallion, Jay Landers, Russell Conger, Rex Love, Rosalinda Contreras, Tammie Reed, Michelle Escalera, Bobbie Reed, Amy Reston, Julie Jones, Mack Wardlaw, Paul Adams, Chris Garza and Jericho Thorp.

Scouting News

Last Tuesday on May 2nd instead of having our regular meeting we had a Court of Honor. The advancements are for Tenderfoot-David and James Varner, and Jon Jon Zook; for 2nd Class Rodney Conger and Gilbert Vara; for Star Casey Thorp and Robert Zook and for Life, Jericho Thorp.

The boys have also been busy working on merit badges and skill awards. The following awards were presented: Blake Adkins-golf merit badge; Rodney Conger-cooking, hiking and physical fitness skills; Joel Cox-citizenship in the community sports, swimming and personal fitness merit badges; James Jones-cooking skill; Bruce Morgan-traffic safety merit badge; Casey Thorp-art, and personal fitness merit badges; Jericho Thorp-cooking, golf, general science and theater merit badges; David Varner-citizenship and hiking skills; James Varner-citizenship and hiking skills; Gilbert Vara-family living, hiking and physical fitness skills; Jon Jon Zook-citizenship, family living, hiking, physical fitness and swimming skills; Robert Zook-art, personal fitness and sports merit badges.

It takes time and work from these boys to earn these badges. Some of the requirements are met through

their school work. Other requirements are met by learning how to make something or by participating in certain activities. Through all of this they gain knowledge and experience that will help them throughout their lives.

Softball tournament to be held June 3-4

The fifth annual Men's/Women's Softball Tournament sponsored by Target and the Three Rivers Umpire Association is slated for June 3-4 at the Rio Concho Softball Complex in San Angelo. Proceeds will benefit West Texas Rehabilitation Center.

Deadline for entries is Monday, May 29. Entry fee is \$65 per team plus two approved USSSA softball.

Fees and team rosters may be mailed to WTRC Tournament, 1926 Koberlin Street, San Angelo, Texas 76905.

The 3-2 slowpitch tournament is

Security exercise held

A National Security Exercise for local officials was conducted Wednesday, May 10, 1989. The exercise was limited to activity in the Emergency Operating Center, but the long range effects could be felt by everyone in Sutton County and Sonora. Participating in the exercise included: Carla Fields, County Judge; Billy Gosney, Mayor; Joe Fincher, Chief Deputy Sheriff; Brent Gesh, Chief of Police; Kyle Donaldson, Fire Chief; Treva McReynolds, EMS; Joyce Chalk, County Treasurer; Jim Garrett, Public Works Director; and Pete Gildon, City Manager.

Also taking part in the exercise were Leslie Thorp, EMT and Lenora Pool, Emergency Management Coordinator.

The exercise is designed to give city and county departments the opportunity to study the strengths and weaknesses in the present Sutton County/Sonora Emergency Plans

USSSA sanctioned, and the top 25 percent of teams in the men's division will automatically qualify for the state tournament scheduled for August 26-27 in San Angelo.

Trophies will be awarded to first, second and third teams, first and second individual winners and ten all tournament winners.

A new event added to this year's tournament is the homerun derby in which entrants hit from second base and are allowed 10 pitches from the pitcher of their choice.

For tournament information call Jim Schafer at (915) 653-5779.

Bob Jackson makes a hole in one

On April 27, 1989, local golfer, Bob Jackson made another hole in one. This one was made on the par three-212 yard 8th hole at the Inn of the Mountain Gods Golf Course in Ruidoso, New Mexico. Bob used an eight iron to hole out.

Not only did he make a hole in one, but on the previous hole (par four-358 yards) he made an eagle two.

Bob is currently setting up seminars to teach the art of making a hole in one. All inquiries please call 1-800-Duffers Anonymous.

COWBOY ASTROLOGY

By Mary Ellen Doty

ARIES (March 21-April 19)

Need a friend, Aries? I reckon you need a new friend. Findin' that friend may be hard as findin' a wood-tick on solid rock in the dark of the moon. But some of your friends ya got now are so crooked they could swaller nails an' spit out corkscrews.

TAURUS (April 20-May 20) Last month you sprouted like spring grass on the south side of a holler log. Now it's time t' go back under that log and contemplate your naval. A love affair becomes intense and threatens t' lay you out flat as a wet leaf. Let it.

GEMINI (May 21-June 20) You're smart as a cow whip this week, Gemini - unlike the other signs whose saddle is slippin'. You got more ideas than a dog has fleas, but they're like so much thin air unless you write them down.

CANCER (June 21-July 22) Coverin' your backside financially is a skill you Cancers have down - but sometimes this is done through someone else's efforts! Now I'm not sayin' you're a leach, so don't get your tentacles bent out of shape. This week financial action done solitary reaps mammoth rewards.

LEO (July 23-August 22) You've got an everyday habit that's enough to make someone in your life eat the sights of a six-shooter. Ask for honesty from that little chickadee.

VIRGO (Aug 23-Sept 22) This week "Mother" and your child-

hood are makin' ya holler than the horse side of a saddle blanket. There's a left-over from all that that is starting to stink. Throw out the resentments and call home.

LIBRA (Sept 23-Oct 22) The stars are callin' you to take a chance. Got some gambler in ya somewhere? This probably has to do with a woman, but if a small risky investment comes up, go for the longshot. Ya-hoo!

SCORPIO (Oct 23-Nov 21) Now, diggin' post-holes is OK, but couldn't ya hire it done? That would free you up for more important jobs - stuff nobody else can do. You know what I'm talkin' about. Keep yourself unrooted for 3 more weeks.

SAGITTARIUS (Nov 22-Dec 21) Everybody loves a lover - and there's no lover like a Sag - if the back door t' the bunk-house is left open. It's time t' stop flirtin' and start committin' cause your sweetie is close t' walkin'!

CAPRICORN (Dec 22-Jan 19) You poor Capricorns have really gotten the double whammy this year. Do you feel like life has sorta thrown you in the back of a buckboard and you're just along for the ride? This week that "helpless" feelin' gets strong. There's somethin' a-dyin' in you that you don't need anymore. Kiss it good-bye.

AQUARIUS (Jan 20-Feb 18) Freedom is your by-word, Aquarius. That's spelled e-s-c-a-p-e. Take a trail ride away from lovers and routine. And don't go phonin' home!

PISCES (Feb 19-March 20) There's somebody in your immediate ambience (that's New York lingo for "bunkhouse") that's screwin' up. You been watchin' this scene for nigh on 6 months now. It's time you stood up and straightened that old boy out.

Board . . .

con't. from page 1

the resignation of Annabel Gomez from the teaching staff of the Intermediate School was regretfully accepted.

Nathan Kiser, project engineer for the district's asbestos abatement work, reviewed the bids received for the removal of asbestos-containing materials. Four bids received were from: Certified Abatement Systems, Houston, \$115,971; Assoc. Asbestos Abatement, Inc., Odessa, \$162,811; J&J Insulation, Corpus Christi, \$218,203; and Texas Environmental Control, Inc., Houston, \$389,750. Kiser said he could not recommend the low bidder because of the existence of several OSHA citations for infractions of basic safety rules in the course of abatement work.

Following a discussion, the Board authorized the superintendent to contact the low bidder and set up a hearing process to allow him the opportunity to refute the safety violations charges. Should the firm fail to do so, the Board expressed its intention of awarding the bid to the second lowest bidder.

The Board unanimously approved the co-curricula budgets for 1989-90. Approved budget amounts are as follows: Athletics \$84,810; Band \$26,699; Choir \$6,535; U.I.L. Literary \$6,346; Speech and Drama \$10,378; Jr. High U.I.L. Lit. \$1,000; Intermediate U.I.L. Lit. \$1,000 for a total of \$136,768.

It was pointed out that the athletic budget may have to be amended because of the increased cost of student insurance for the football program, and that the \$6,000 increase in the band budget would come from the Band Boosters.
