Contributions Urged For Red Cross Work

Fisher County citizens are urged to return their American Red Cross drive letter which they recently received. The response has been very slow with only some 50 being returned to date.

Several emergencies have occured in the nation recently and funds are needed to assist people in these areas.

Small donations will count up to giving a good report for Fisher County on this important work, but these should be made immediately.

Relative of Mrs. Little Dies in Lubbock

Mrs. John Little received word Tuesday that her brother, John Brasell of Lubbock had passed away of heart attack.

Mrs. John Little and Mrs. Lee Ward attended the funeral in Lubbock, Wednesday.

Two Girls Win Trip To Nazarene Insitute

Nominations Made For Woman of Year

Nominations for Rotan's Woman of the Year were made last week by the secret committee of nominations. These nominators are leading citizens who will eventually select one outstanding woman to receive this recognization.

This committee is making an outstanding effort in canvasing the women of Rotan from all fields of endeavor, including: service, cultural, civic work, homemaking, business, church, and other community activities.

One of these nominations will be named Woman of the Year, 1964, at a banquet honoring her which is hosted by Beta Sigma Phi. This banquet will be May 1. Who will she be?

Watch next week's paper!

Stewart To See AFB Tactical Operations

College Station--Jerry R. Stewart son of E. M. Stewart, 412 Beaugard, Rotan is among 24 Texas Aggies who will observe tactical fighter operations at Cannon Air Force Base near Clovis, N. M. Friday and Saturday. The students are advanced cadets in the Air Force Reserve Officer Training Corps program of Tevas A and M Univesity.

"These base orientation visits permits students to relate classroom instruction to the environment of an active military base," Col. James F. Starkey said.

The professor of air science and head of the Air Force ROTC program at Texas A and M said students will be airlifted Friday by C-119 of the 446th Troop Carrier Wing of Ellington Air Force Base.

The Aggies will visit the 474th Tactical Fighter Wing at Cannon AFB to observe F-100 tactical fighter operation. The tours will include simulator operation, mobile control at the runway, control tower and flight briefings with the fighter pilots, Colonel Starkey said.

The students also will have dinner Friday night with pilots.

Mrs. Gid Senn of Brownwood is visiting with her daughter, Mr. and Mrs. Alton Jones and other relatives and friends here this week.

C of C Officials Attend Abilene Meet

Rotan Chamber of Commerce was represented at a meeting of C of C officials in Abilene last Wednesday by president George Field and secretary Mrs. Mamie Lois Johnson. The meeting held at Tradewinds Resturant was sponsored by Abilene Chamber of Commerce and the Area Goodwill Committee of that organization.

By working together to bring in new industry rather than competing blindly, Abilene C-C President C. E. Bentley said, the towns can avoid "unreal expenditure."

Visiting and chamber heads were quick to agree with him and pointed out further that an industry in one town will give an economic boost to every other town.

Problems dicussed - common to each town - ranged from water supply, congressional redistricting, taxes and housing, development of natural resources.

The group committed itself to make a study of congressional redistricting. They will make a concerted action to be grouped according to common economic interests when election for congressional realignment is undertaken by the leglature next January.

In discussion on problems of each town represented Field said his town, too, is making itself more attracting to industry, After years of wrestling with a water problem, it has now secured an unlimited amount of pure water from Snyder, he said. Also, a new motel has been built, and more than 100 blocks of streets paved.

D. J. Smith Co. Is Improving Building

D. J. Smith & Co., are making major improvements to the store building this week.

Major charnge is lowering the ceiling and ducting air conditioning over the entire store.

This will greatly add to comfort of customers of this popular store.

Carriker Caravan Plans Completed

Fisher County Supporters of M. Carriker, Democratic Candidate for Congress, met Monday night and announced final plans for a "Carriker Congressional Caravan". Neighbors and supporters of Carriker are planning to tour the district Friday and Saturday in support of Max. Al Finch, chairman of the planning committee announced that the caracan was due in Rotan at 9:00 o'clock on Friday April 17th.

The caravan, equipped with the candidate, sound truck, signs and red-white-and blue decorations, will visit Hamlin, Stamford and Anson Friday morning. Lunch will be a fried checken dinner in Albany at noon. Friday afternoon the caravan will tour Moran, Cisco, Eastland, Ranger and Weatherford. Friday night will be spent in Mineral Wells where the group will attend a Carriker-for-Congress barbeque which is being sponsored by Palo Pinto County Carriker supporters.

Saturday morning the caravan will tour Mineral Wells business sections and depart for Stephenville at 9:30. Towns on Saturday's schedule willr include Hico, Hamilton, Dublin, De Leon, Comanche, Rising Star, Cross Plains, Baird and Clyde. The caravan will disperse in Abilene shortly after five Saturday afternoon.

In additiron to Fisher County people who will be in the caravan, cars from Scurry and Nolan will join the caravan in Rotan, Taylor county people will join at noon in Albany, and others will join as the caravan moves eastward.

Max Carriker said at the meeting Monday night that he "was deeply touched by the large turnout." "When your neighbors back you so wholeheartedly and so enthusiastically," Carriker said, "I know that we are on the road to victory." Al Finch, who chaired the Monday night meeting said, "This large turnout testifies to the good service that Max Carriker has given his district in six years in the Texas Legislature."

NEWS from County Agricultural Agent

Texas A. & M. College Extension Service

Screwworms are on the move again in Texas, and livestock producers must take precaution in handlink their livestock if they do not want the insects to spread across the State, James S. Norman, County Agricultural Agent, warned.

Norman reported that several infestations have already been detected in various parts of the State, and, with the coming of spring weather and an increase in livestock management practices, few areas can be counted completely safe from screwworm attack.

Five screwworm infestations were confirmed last week -- three in Starr County, one in Hidalgo and one in Medina County. With the discovery of a second screwworm infestation in Medina County last week, and a case confirmed in Val Verde County April 6, ranchers in the Edwards Plateau and South Texas Plains areas should be alerted to the potential danger from screwworm develment and migration in that region and rsping shearing is in full swing.

Spring is an ideal period for screwworms because of the mild, moist weather, the county agent indicated. In addition, such activities as calving, farrowing, and shearing, along with routine surgical operations, provide thousands of wounds that are open invitation to screwworm infestation.

He expressed alarm that many farmers and ranchers are reported not using smears, sprays, or other screwworm preventatives, and are allowing their animals to go unchecked and treated. This practice could quickly result in an explosion of screwworm cases in the county and throughout the State, he said.

Norman pointed out that although the statement recently released by the Southwest Animal Health Research Founrdation, the United States Department of Agriculture, and the Texas Animal Health Commission that screwworms have been eliminated from the over-wintering areas of the Southwest, he warned that screwworm cases could occur because of insects migrating into the United States from Mexico. Cases caused by migratory flies if not detected and treated promptly, could permit the screwworm to become reestablished in Texas.

To prevent this from happening, Norman urged producers to inspect their livestock frequently, treat wounds and festations, collect larvae samples, and report cases immediately so that emergency measures can be taken. Sterile screwworm flies will again be dropped near all cases reported, the county agent said.

Visiting Mrs. J. W. House last week end was Mr. and Mrs. R. L. House of San Antonio.

Worship with us and you will feel at home--Welcome

IT is God who "healeth all my diseases." At the divine touch of the "Great Physician," a man who was born blind was *"able to see."* He saw a new world for the first time ... he saw good and bad.

How much can you see? Your vision may be 20-20, but can you see the order and beauty of the universe in the star-lit sky?

Can you see Him in the bursting rosebud and the ripening grain? Can you see the church on the corner? Can you always see the difference between right and wrong? *Can you?* If the scales have started to form over your eyes, if your vision for good things is getting blurred, you better stop in at church this week. *You'll be able to see.*

You In The Church... The Church In You—

Form a combination for good. Every man, woman and child needs the influence of the CHURCH. Be a faithful worker. Attend every service.

"God Speaks Through His Ministers"

D. S. Moore, Jr. Pastor, Cross Roads Baptist Church

CREATE CLIMATE

Ye are the salt of the earth: Matthew 5:13

Ye are the light of the world. Matthew 5:14.

One of the aims of a church is to develop conditions in a community that permits the church not only to exsist but also to grow, to enjoy freedom of expression, to win people to Christ, and to draw support from the area. In the language of weather this is "creating climate."

Notice the temerature. The coolness of the church hinders and delays progress; the frost of indifference and apathy blights results; and the frigidity of disdain and scorn damages, if not destroys the church's effort to survive. On the other hand, the temperature can be too hot. The church can be wilted by resentment, scorched by malice, and incinerated by violent opposition.

People sometime hear the term "high pressure" applied to methods of influence. This concept can be compared to barometic conditions commonly referred to as high pressure and low pressure.

High pressure refers to a concentration of air in a given area. This usually menas fair weather. The flow of air is outward and the climatic condition within the area affects that of neighboring areas. High barometric pressure can be compared to strong, good internal conditions in the church.

Another factor in climate is humidity, which is the moisture content of the air. Unfavorable community attitudes can be compared to conditions of humidity. On one hand are the sterile attitudes so dried and hardened that no new idea can penetrate them. On the other hand are the dank attitudes which nourish evil and destroy moral discernment.

One of the most cheering climatic factors to the human spirit is sunshine. Sunlgiht is necessary for growth and productivity.

Sunshine and light may be compared to enlightenment and knowledge. A church needs to inform the community of its work as freely as the sun shines upon the earth.

Churches are not to be themometers merely registering the prevailing tempeature of the times, not adjusting to the situation, but rather they should be thermostats in touch with a greater power by which they can "create climate" of the times.

Christian Science Service Sunday

"Doctrine of Atonement" is the subject at Christian Science churches next Sunday. Golden Text: "All things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation" (II Cor 5:18).

The following citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read:

"Jesus aided in reconiling man to God by giving man a truer sense of Love, the divine Principle of Jesus' teachings, and this truer sense of Love redeems man from law of matter, sin, and death by the law of Spirit, -- the law of divine Love" (p. 19).

Ms. Roland Trout and Mrs. J. E. Van Loon assisted by Mrs. Vergil Weems took the kindergarten pupils on a field trip last week. They visited the farm of Mr. and Mrs. Lon Weems and saw farm machinery and equipment, animals and ther interesting things about a farm. Of special interest to the children were baby kittens and a new colt.

Saundra Kay Nelson Married In Lubbock

Lubbock Avalanche Journal

"Wearning a sheath gown of bouquet taffeta, Miss Saundra Kay Nelson descended the aisle of Second Baptist Church at 7 p. m. Saturday to become the bride of David Allen Aston. Double ring vows were read by the Rev. Robert J. Hearn.

The bride's paents are Mr. and Mrs. Allen Hillmer Nelson Jr. of 2144 53rd St. The bridegroom's parents are Mr. and Mrs. Edgar Allen Aston of Coweta, Okla.

Wedding selections were furnished by Dr. Judson Maynard, organist, and Doug Blackburn, soloist.

Flower girl was Kim Nelson, sister of the bride, and ring bearer was Jeffery Giffith.

The bride's father gave her in marriage. Her gown was designed with a sweetheart neckline and petal-point sleeves. Appliques on the bodice and sleeves accented with pearls and iridescent sequin-studded Chantilly lace further enchanced the gown. A redingote-styled chapel train featured a scalloped front appliqued with jeweled lace. A bow at the back accented the waistline. A pearl tiara held a fingertip veil of silk illusion. The bride carried a bouquet of white gardenias and stephanotis.

Mrs. Don Bartley was matron of honor. Miss Terry Nelson of Canyon, sister of the bride, and Mrs. Leon Fails also attended the bride Attendants wore dresses of yellow cotton satin overlaid in silk organza. They were designed with fitted bodices, scoop necklines, brief sleeves and bell skirts. Matching headpieces were crowns of yellow velvet and seed pearls with veils of yellow silk illusiorn. Cascade bouquets of white daisies completed the attendants ensembles.

Best man was William Sandlin. Goomsmen and ushers were Jerry Williams and Mack Powell.

A reception in the church parlor followed the ceremony.

The couple is honeymoning in Amarillo. For the trip, Mrs. Aston selected a pale pink silk shantung rsuit with pink accessoies and a corsage from the bridal boquet.

A graduate of Hammond High School in Alexandria, Va., the bride is a senior elementary education major at Texas Tech.

Her husband is a graduate of Coweta High School and is stationed with the U. S. Air Force at Reese Air Force Bace.

Mr. and Mrs. Aston will reside at 2214 3rd St."

The bride attended Rotan High School in 1953 and is a granddaughter of Mrs. W. F. Edwards who attended the wedding as well as Shirley Edwards, Mr. and Mrs. Al Finch and Mr. and Mrs. Ernest Kolb of Aspermont.

4-H Club Selling Toothbrushes

The Fisher County 4-H Club have started their sale of the new Family-Pak of toothbrushes. Profits from the sale will be used to pay the expenses of club members of contests, camps, an help finance county wide 4-H activities.

Gary Schubert, chairman of the Fisher County 4-H Council and of the Family-Pak project, says that over half the toothbrushes in use are worn out. Dentists say that toothbrushes should be replaced every three months. "Dental health is important to everyone," says Gary, "and we of the Fisher County 4-H Clubs are glad to put emphasis on this problem while conducting our fund raising project. Many people who need a new toothbrush just do not go out and buy it. We are going to take the brushes to them."

The toothbrushes in the Family-Pak are made of top quality DuPont nylon bristle. They are manufactured by the same company that make the popular Dr. West toothbrush and other outstanding brands. Each Family-Pak contains two adult and one child's toothbrush.

The price of only $1.00 per pack is based on a price of 50c each for the two adult brushes. The child's brush is free. Members of the County 4-H clubs will be calling on homes in the area in the next few days.

Local Angus Breeders Cattle At Lubbock Sale

The annual Spring sale of the West Texas Angus Association will be held at Lubbock on Friday, April 17.

Breeders from the local area who have cattle consigned to this sale are James Cave of Roby and Tarlton and Jack Willingham of Rotan. Sue Brumfield of Roby will have a 4-H project animal in this sale.

Mrs. Phil J. Malouf and Mrs. Cecil Lotief returned home Thursday from Dallas where they attended the funeral of Mrs. George Coury, who died at her home in Snyder, Saturday morning. Mrs. Coury was the sister of the late John Malouf, who lived here several years ago, before moving to Dallas.

Annie Mae Hughes, Bertha Allen, Josephine Martin, Joyce Noles, Jewel Malouf and Bob Allen attended a meeting of the OES in Sweetwater Friday night.

Revival Activities At Highland Home

On Wednesday night the Highland Home Baptist Church met for the first service of the Spring Revival. The people knew the meeting was to be short, for it was to end Sunday night. This caused the people to pray harder and to attend better. Rev. Ira Harrison brought some very sincere and soul stirring messages. When he stood to preach the congregation knew that he knew where of he spoke, for he has been preaching more than forty years. He spoke with a broad field of experiences. Some of the ones that listened best and seemed to really enjoy the dedicated man speak was the young people. During the week Rev. Harrison was able to make some contacts with some old fiends here in Rotan and to make new friends everywhere he went. The spirit of the Revival really burned here on Thursday and Friday nights. Two young women were converted and one man joined the Church by transfer of membership. On Friday night it was decided by the Church to have Family Day on Sunday and to have lunch at the Church.

On Sunday morning there were 76 in Sunday School. Following the Sunday School hour Brother Eugene Baker, a Highland Home deacon was leading the music with Brother Alton Smith playing the piano. The spirit of worship was good and the people were brought face to face with the God who ownes us. Following the worship service, about 75 remained at the Church to have lunch and fellowship together. Sunday night Rev. Harrison brought a message on the "Dedication of the Home." He carried many of our people back to the days when it was common to cout in the buggy or parlor. He almost made some of the olden days be relived in that service. He rchallenged ou minds with the changing times, and left this thought in the minds of all who were present 'the man is the head of the home and that the home should be dedicated to the highest Christian living.'

While Revival fires still burn in our hearts, this Sunday night the Church will observe the only two Church ordinances. Following the Training Union service at 7:00 p. m. the ordinance of Baptism will be administered by the Church to the two new converts. and following a short message by the pastor on The Purpose of the Ordinances, the Church will observe the second and final ordinance, that of the Lord's Supper. The public is invited to attend all services and members of Highland Home are urged to be in attendance for this baptismal and memorial service.

Mr. and Mrs. Laurence Sparks, Norma and Mr. and Mrs. Otis Sparks visited Capt. and Mrs. James W. Porter and Mr. and Mrs. Ray Leeman in San Antonio last weekend.

Mr. and Mrs. Frank Sawyer had all their children and all but 2 grandchildren with them Saturday for the first time in 15 years. They were, Melvin of Farmington, N. M.; Weldon and family of Andrews; Willie Ray and family of Graham; Mrs. Joe Seaton and family of Jyton and George of the home.

Mrs. Joe Roberts recently talked with her brother, Carl Undehill in Mize, Mississippi. He is at home and recovering very well.

Mrs. Willia McWhirter of Roby and Mrs. E. W. Permenter of Starksville, Miss. visited Mr. and Mrs. H. C. Shelton Tuesday.

Mr. and Mrs. M. E. Herron visited Don Rollins Sunday.

Tip Tops Go Visiting

Several members of the Tip-Tops Club went to Snyder Tuesday night to visit with the Topperettes of that city.

Members of the Snyder Club entertained by telling about the Tops State Recognition Day held in Lubbock, April 11. The Rotan Tip-Tops were recognized as a new club at the convention.

After the meeting Tuesday night the Topperettes treated the Rotan group to a salad at a Snyder resturant.

Velez Being Moved To Iran With Army

(AHTNC)--Army PFC Richardo G. Velez, son of Mr. and Mrs. Esteban Velez, Rotan, is part of an Army brigade of 101st Airborne Division paratroopers from Fort Campbell, Ky., being deployed to Iran to participate in Exercise DELAWAR, April 12-15.

WELAWAR -- Persian of courageous -- is a combined Iranian-U. S. military training exercise designed to improve the defense capabilities of the Central Treaty Organization (CENTO) of U. S. allies.

Velez and other paratroopers of the Army brigade will conduct a simulated reinforcement of Iranion forces in the Dezful area.

The 26-year-old soldier, a rifleman in Company A, 1st Battalion of the division's 327th Infantry at Fort Campbell, entered the Army in March 1959.

He attended Rotan High School.

L. D. Sumerlin has returned home from Alaska where he was employed by an oil company. He was enroute to Alaska at the time of the earthquake and felt tremors and reported that the ground cracked around him. Her adds that he has had enough of Alaska for a time.

Mr. and Mrs. Wilbur Lee Gruben of Lubbock visited their parents, Mrs. Alvin Gruben and Mr. and Mrs. Jimmy Walker over the weekend.

Out of town visitors in the Nazarene church Sunday were Mr. and Mrs. W. E. Morris and family of Cisco, and Claude Bell and family, of New Mexico.

Lotief Answers Dallas News Article

I notice on front page of your Sunday paper your unfair article about Senator Ralph Yaborough where you say Billie Sol Estes gave him $50,000 cash. We all know this is not true. If Billie Sol Estes has $50,000 he could have paid off some of his debts instead of giving it away. Billie Sol Estes has been convicted in both State and Federal courts and is facing two terms in the penitentiary. How come Estes to make statement in Austin? He does not live in Austin. Was it done to get his time in the penitentiary shortened or for some other reason? This charge against Senator Yarborough is untrue and unfair. The News waited four years to get together with Billie Sol Estes just 20 days before the election to try to destroy Senator Yarborough politically.

We need him to work for all Texans and cooperate with our native son President Lyndon Johnson to keep this nation in peace in prosperous.

Fisher County 4-H Leaders Attend Clinic

Seven 4-H adult leaders from Fisher county attended the District three adult leaders workshop at Lake Brownwood Christian Retreat March 24, 25, and 26.

The workshop was sponsored by the Texas 4-H Youth Development Foundation. Each 4-H adult leader attended the general assemblies and then joined different work groups taught by specialists from the Texas Agricultural Extension Service of Texas A&M University.

The purpose of the workshop was to develop a greater understanding of the expanding role of adult leaders in the 4-H movement in Texas and to use this knowledge to help and expand the 4-H club work in the county. We hope to develop a deeper appreciation of 4-H club work as a method of youth education.

The leades attending were Mr. Thurman Terry in citizenship, Mr W. P. Schubert in recreation, Mr. Morris Guelker in beef, Mr. W. D. Cleveland in crops and soils, Mrs. Thurman Terry in foods and nutritions, Mrs. A. A. Smith in housing and home furnishings, and Mrs. W. D. Cleveland in clothing. They were accompanied by Miss Alice Kemp, county home demonstration agent.

We will carry out plans for expanding the 4-H club work in the county and developing a clearer understanding of adult leaders in 4-H club work. It was a pleasure to be in the workshop. Our interest will be in helping 4-H boys and girls to improve themselves and develop into good citizens.

Mr. and Mrs. Donald Fritz and daughters, Chris and Cate attended the birthday celebration Sunday of Mrs. Fritzs' mother, Mrs. Alvin Clark. The Fritz family had been vacationing in Arizona and visiting Mr. Fritzs' parents in Scootsdale, Arizona. They returned home to Arlington Sudnay aftenoon.

Mr. and Mrs. Lon Adams visited his sister, Mrs. Treadwell in Stamford, Sunday.

Mercer-Rhodes Wedding Vows Said

Norma Sue Mercer became the bride of Larry Gene Rhodes in double ring rites in the First Methodist Church Saturday evening.

The candlelight service was read by the church pastor, Rev. Carl McMaster.

The bride is daughter of Mr. and Mrs. John D. Mercer of Rotan. She is a graduate of local schools and is attending West Texas State College.

Rhodes is son of Mr. and Mrs. E. W. Rhodes of 1118 Vogel, Abilene. He is graduate of Abilene High School and has been attending the University of Texas.

Wedding music was by Pat Riley. Songs were by Mmes. Bart Strayhorn, Robert Phillips and Paul Heathington.

Candles were lighted by brothers of the couple, Alva Mercer and Kenny Rhodes of Abilene. Ushers were Gary McWright of Lubrbock and Leoy Hill of Abilene.

The bride was given in marriage by her father. She wore a gown of white silk with long sleeves of chantilly lace. The bouffant skirt was shirred silk with floor length ruffle.

Her headdress was a jeweled queen's crown, holding a triple veil of siilk illusion. She carried an orchid and white rosebuds on a white Bible.

Maid of honor was Ann Tillotson; Connie Hill was bridesmaid.

They wore red silk shantung dresses featuring bell shaped skirts and low, round necklines. They wore white pillbox hats, and carried nosegays of white carnations.

Elwood Leonard of Abilene was best man. Randy Rhodes of Abilene, brother of the bridegroom, was groomsman.

Receptrion was in Fellowship Hall.

The couple will live at 2105 2nd Avenue in Canyon, where they will attend WTSC.

Rehearsal dinner was hosted in the Mercer home Friday night by Mr. and Mrs. Rhodes and Mr. and Mrs. Victor Hill.

Those attending the Order of the Eastern Star School of Instruction in Abilener Satuday were, Mattie Key, Jewel Malouf, Josephine Martin, Joyce Noles, Gladys Adams, Edna Morgan, Jonnie Morgan, Alvis McArthur, Bertha Allen, Estelle Acker, Bob Allen and Ted McArthur. 8 A certificates and 2 B certificates were received by the group.

Mrs. Annie Gardner and Mack Royalty of Abilene, Willie Paulk of Roby, Jesse Paulk and daughters of Buffalo Gap, visited Nig Hartsfield in Callan Hospital Sunday.

Burleson Makes Formal Announcement

Omar Burleson, veteran Congressman from the 17th District is conducting a vigorous, active campaign for the Democratic Primary nomination for reelection.

In seeking reelection, Burleson states he is basing his campaign on his record of nearly 18 years service in Congress.

"In that time, I have never been a rubber-stamp, but have fulfilled my responsibility to vote on each issue for the best interest of my Country, my State, and my District," Burleson said.

"I do not think the people of the 17th District want or deserve anything less."

Burleson, at 53, is already one of the senior members of the U. S. House of Representatives in point of service.

His seniority has carried him to the Chairmanship of the potent House Administration Committee, and to the third ranking position on the powerful House Foreign Affairs Committee. In addition, Burleson serves on two important Joint Committees formed from senior members of the House and Senate, as Chairman of one and Vice Chairman of the other.

"In all my years in Congress," Burleson said, "I have followed two guilding principles: First to know the views of my constitueants and reflect their sentiment to the greatest degree possible in my actions as their Representative. Second, to inform and advise as closely as I can on those issues which affect my District, by State, and the Nation.

Burleson termed his approach to government as one of "common sense," gained through his years of public service.

A former Special Agent for the Federal Bureau of Investigation, Burleson is former County Attorney and County Judge of Jones County, and served three years during World War II with the Navy in the Pacific.

As a leader in Congress, Burleson has consistently urged the return to a sounder fiscal policy, and the cutting of unnecessary and extravagant federal spending.

"I have tried to see that your tax money is spent as wisely, and as frugally, as you would have spent it had you been in my place," Burleson said. "The record will definitely show that on my occasions I have found myself in the minority - especially on needless spending of the taxpayers' money. I am proud that I have never failed to exercise the right to vote and to do as I thought best."

"At every session of Congress, I have voted for expenditures below that recommended by the Executive Department, and far below that actually appropriated by the Congress, except in the field of National Defense," Burleson said.

"When it comes to the defense of this Country, I have always voted for those things calculated to make and to keep our Nation stronger than any other in the world," he said.

Burleson has been an implacable foe of the constant enroachment of the Federal Government into the area of State and local affairs.

"As the Federal Government has grown to its colossal proportions, the threat of centralized power in Washington has increased," Burleson pointed out. "To this, I am opposed, as my actions have proved."

"Big Government and high taxes are the result of many activities of the Federal Government which should be reserved to the States. Big government with its far-flung operations has created needless waste and extravangance."

Burleson stated he was proud of the "trust and the confidence placed in me by the people who send me to Congress -- and to violate that trust in any respect would be unthinkable."

He urged residents of the 17th District not familiar with his background of service to investigate the record he has made -- "And if you believe I have been faithful to duty and worthy of your continued support, then your active participation in my campaign will be greatly appreciated."

Well-known throughout Texas, Burleson is a native of the 17th District. He was born and raised on a farm between Anson and Stamford in Jones County. He attended rural school, and graduated from Anson High School. Following graduation, Burleson attended Abilene Christian College, Hardin-Simmons University, and graduated from Cumberland Law School. Later, he studied postgraduate law at the University of Texas.

Burleson married Ruth DeWeese, daughter of Reverend R. D. DeWeese, who pastored Baptist Churches in West and South Texas.

Need More Time?

The housewife of the *Young Married Set* is involved with so many activities, she needs all the time she can lay her hands on. A Gold Medallion Home is the answer! It provides so many time-saving conveniences, it's just like adding more days to the ordinary 7-day week. For instance, the electric clothes dryer alone saves 3 hours weekly and even the electric dishwasher saves 7 hours a week...why, that's 10 hours already! Not to mention that the electric range is so automatic, it's like having a hired cook to do all the watching. And the electric water heater provides hot water instantly upon demand. Heating and cooling systems are automatic too... the thermostat is set at the start of the season and forgotten until the season changes.

This is just a smattering of the many ways the total electric Gold Medallion Home saves time for the *Young Married Set.* Oh yes, with a *flameless* total electric Gold Medallion Home, there's one less bill to pay each month.

ROTAN SCHOOL NEWS — PUBLISHED WEEKLY

What's New in Jr. Hi

Junior High teachers have recently gone in for Teacher's Pets. The Teacher's Pet, the easy way to average grades is a handy, lightweight, light tan-colored computer invented and manufactured by R. T. Smith of San Angelo. The machine operates in the same manner as a telephone--just dial the numbers to be averaged and read the average on the scale below. For instance, if four numbers are to be averaged, dial the four numbers, then read the average under the center line on line four. According to Marshall Hill, Principal, "The machine cuts down averaging about one-half."

Interested in something new in recipes? This one calls for one cup flour, one cup salt, and enough water to yield the desired consistency. This recipe comes from Coach Jim Jackson, who teaches a seventh-grade Texas Geopraphy class: the class is using Coach Jackson's recipe to make salt maps of Texas. Divided into three groups in each of the two classes, one group in each class will illustrate the mountains and basins of Texas; another will illustrate all the major rivers, a third will show the eleven different regions of Texas. In the latter case, a dash of food coloring is added to show the different regions.

Flag pole sitting is a new accomplishment in Junior High, Tuesday, April 7, Larry Van Loon and Sonny Rector (8th graders), Armando Garcia (7th grader), and Ricky Bailey (senior) climbed the flag pole on the Junior High campus to replace the rope in the pulley which raises and lowers the flag daily.

Fisher County Teachers' Meeting Held Mon. Nite

Monday night, April 6, the Fisher County Teachers' meeting was held in the Rotan High School building. Between 7:00 and 7:30 p. m. a social was held and punch and cookies were served to the teachers. Teachers from Hobbs, McCaulley, Roby and Rotan attended this meeting. For entertainment, the winning one-act play of district 6A was presented. This play will be given at regional contest in Lubbock on April 24.

Officers for the school year 1964-65 were elected at a businessr meeting held after the play. Those elected are: Marshall Hill, President; Mrs. K. C. McCasland, first Vice-President; Mrs. Charles McCall, second Vice-President; Mrs. Callan, secretary and Mr. Ray Womack, Treasurer.

The first meeting for the 1964-65 school year will be held the first Monday in October at Hobbs.

Rotan Represented In Regional Literary Con.

The following students will represent Rotan High School in the regional literary contest in Lubbock, April 24 and 25.

The One Act Play cast: Jim Nowlin, Robet Patton, Dwayne Underhill (stage manager), Norma Sparks, Pat Riley, Carroll Ann Patton, Susan Weatherman, Rebecca Petty, Sharon Puryear (make-up and sound effcets), Mary Lou Neeley (make-up). In debate are David Canfil and Jimmy Heathington. In poetry interpretation, representing the girls is Mary McDonald and representing the boys is Steve Edwards. In typing is Linda Brown; in science, Judy Whitefield; in persuasive speaking, Ann Klepper; and in the slide rule, Robert Patton.

--Gary Courtney.

Senior Invitations Arrive

The Seniors of 1964 have received their invitations. They are white with Senior-1964-Class written on the front. Inside is the name card with Graduate under it. This folds out and printed on the inside is: "The Senior Class of Rotan High School announces Commencement Exercises Friday evening, May twenty-second, Nineteen hundred sixty four, eight o'clock, High School Auditorium, Rotan, Texas. Along with the invitations, the seniors received a memory book and a souvenir invitation. The seniors believe these are the prettiest yet.

Kangaroo Court Tomorrow

Twirp season will be over tonight at midnight, and tomorrow the REAL fun will start. Kangaroo Court will be held tomorrow, and for no-telling-how-long, girls will be walking around on hands and knees, climbing up stairs backwards, and stopping to bow when any member of the jury, or the judge approaches.

You see, during Twirp Week, the girls ask the boys for dates and must furnish all transportation and entertainment. If something goes wrong with the car, the girl must fix it and the boy shall not leave the car unless necessary.

Any girl or boy who violates any of these rules will be brought before Karngaoo Court, and tried by a FAIR jury. The jury will suggest measures of punishment to the judge, and he will sentecne the violator.

Boys have been on the look-out for any violators, and the court should have a busy day tomorrow!

--Bryce Browning

Birthday Greetings

Birthday greetings to the following students from April 10-23: Sandy McCombs, Connie White, Eddie Stuat, Travis McDonald, Larry Singley, Obie Gene Kelley, Jusus Lopez, Terry Polk, Rebecca Petty, Tommy Paske, Beverly Randolph, Ronnie Clawson, Armeda Partin, Cheribeth Crawford, Lovonia Dickerson, Robert Flores, Lucia Garcia, Vera Decker, Elva Quintanilla and Ann Klepper.

Reverend Nunn Speaks At Assembly

Rev. Carl Nunn of Silverton, revival pastor for the Methodist Church presented an assembly for High School, Friday, April 3. His inspiring message was based on having courage to accept a challenge.

Tennis UIL District Contest Held at H-SU

The annual UIL District Tennis Contest was held Tuesday, Aprli 7, at Hardin-Simmons University in Abilene.

In the high school division Rotan was a three-time winner with Linda Brown, senior girls' singles, Janice Aldridge, junior girls' singles and Jimmy Heathington, senior boys' singles, all winning first place. The, senior girls' doubles Billie Jo McKinney and Bobbie Kerns, were beaten the first round as were the junior girls' doubles, Jeannie Bollinger and Brenda Head. The senior boys doubles, Wayne McCombs and Charles McCall, also lost the first round. Stanley Edwards, junior boys' singles won second place.

In Junior High, Armeda Partin won second in girls' singles and John Witherspoon and Monty McKinney placed second in boys' doubles.

RHS School Band Clinic Means Contest Near

Monday, April 6 all members of the RHS band went through a thorough work-out preparing for contest, which will be held April 18 in Abilene. The clinic was directed by Mr. Gann, band director from Winters. Mr. Ganns drilled the band over all three of the contest numbers, which are "Praeludium for Band," "Sir Greg" and "Irish Folk Song Suite." The clinic lasted from six til ten and much was learned during this short time.

Five weeks, One Day To Go

Five weeks and one day may seem like a long time to some people, but it doesn't to the students of Rotan High School. This is the length of time that is left in the school year of 1963-64 to get in a little more knowledge. Everyone will strive to make his last six weeks' profitable, especially those who plan to be exempt. One would see much hustle and bustle about the halls of Rotan High duing these last few days.

RE-ELECT THE QUIET MAN WHO GETS THINGS DONE

OMAR BURLESON

Born and raised in Jones county.

Is a lawyer. Served as County Attorney, County Judge, Special Agent FBI and in U.S. Navy, WW II.

YOUR CONGRESSMAN FOR 18 YEARS. ELECTED WHEN 40.

Married, lives in Anson, Texas.

INCOME TAX REDUCTION
The income tax reduction bill that became effective in April of 1964 had the vote and support of OMAR BURLESON who has long felt that tax relief for the public was one of the most important issues before Congress.

LIMITED BEEF IMPORTS
OMAR BURLESON introduced a bill in Congress to limit the imports of beef from foreign countries. With a 25% wholesale price decrease caused by foreign imports this bill would provide a broader market for the ranchers and cattlemen. Retail pices remain high.

REDUCE FEDERAL BUDGET
Long an advocate for lower federal spending, OMAR BURLESON, in his 18 years in Congress, has voted to reduce the federal budget from three to 13 BILLION dollars each of his nine Congressional terms. He has never voted to reduce defense expenditures.

CUBAN EMBARGO
During the Cuban affair OMAR BURLESON introduced a bill for a complete embargo on trade with that country. He voted against the sale of wheat to Russia, recognizing that it would encourage our allies to sell to Cuba which they have done in fact.

CIVIL RIGHTS
Because the present form of the Civil Rights bill contains provisions to limit the freedoms of all Amerians, he voted against it. He is for the constitutional guarantees for all Americans regardless of status.

LIMITED OIL IMPORTS
In 1949 OMAR BURLESON introduced the first bill to limit oil imports, and then voted for the bill that gave the President of the United States power to limit or abolish oil imports.

REDUCE COMMITTEE BUDGETS
As chairman of the House Administration Committee, OMAR BURLESON has consistently reduced the spending of congressional committees. He reduced Adam Clayton Powell's committee spending budget by 50%.

FOREIGN AID
OMAR BURLESON has voted against foreign aid since the late 1940s. The recent reaction in Congress as to drastically reducing foreign aid and discussion about abolishing it proves him correct.
