Briefly

Combined reunion

The graduating classes of 1943, 1944, 1945 and 1946 of Colorado High School are combining to have a reunion July 5, in the Civic Center.

Saturday's activities will begin with refreshments and a business meeting from 10 a.m. to noon. Everyone will then be on their own until 6 p.m. when there will be a catered dinner until 8 p.m. The day's festivities will end with a dance beginning at 9 p.m. and ending at midnight. There will be a live band. The dinner will cost $6 for each person and the dance will cost $5.50 for each person.

Any friends from other classes are welcome to attend this reunion--just let us know as soon as possible if you plan to join us.

Contact Bob Motley, 2009 Vine Street, Phone (915) 728-2625, in Colorado City, Texas, 79512 for reservations or information.

Bible school

The First Baptist Church, Third and Chestnut streets, will offer Vacation Bible School July 7-11 from 8:30-11:30 a.m. each day.

The program is open to children ages 4 through the fifth grade.

For more information contact the church at 728-5182.

Salvation Army

The Salvation Army has opened a family thrift store on Walnut Street, where the Balloon Boutique was formerly located.

The store is open Tuesday through Saturday, from 10 a.m. to 3 p.m. and offers clothing, shoes and various household items.

Those who want to donate items can stop by the store to make arrangements to have the items picked up.

Reading club

Loraine children have the opportunity to "Celebrate Texas" by participating in the 1986 Reading Club at the school library. The program is co-sponsored by the school district and the Texas State Library.

The reading club is designed for children ages 3 to 12 and includes story-time, movies, games and other activities.

The library is open every Tuesday through July 22 from 9 a.m. to 1 p.m.

'Choo Choo' proves to be runaway hit

By Ray Mayo
Editor

"Colorado Choo Choo", the sesquicentennial production of the Colorado City Playhouse, chugged right into the hearts of opening night theater goers Thursday.

Written by Jim Baum and directed by Baum and Carl Moore, the production provides a humorous insight into the history of Mitchell County and Colorado City. Baum research-

REVIEW

ed actual people and events in historical records as the basis for the play.

Baum is narrator for the play which includes slides of historic photographs from Colorado City's past.

The opening musical number by the "Choo Choo" chorus, comprised of Lonnie Reynolds, Tandy Curlee, B. B. Hardee, Arlene Morris, Walter Hearin, Sherman Hart, Joe Sherrill, Jack Starr, George Womack, Trey Smith and director David Jones, sets the stage for a lighthearted look at the past aboard the "Choo Choo".

Although the play is humorous and downright funny in parts, the audience came away a little more knowledgeable about the history of this area. For instance, did you know that the original Mitchell County courthouse host a little under $20,000 back in the early 1880s and that there were some 27 merchants in the town of Colorado at the time? That's what the audience learned in the re-enactment of the first county commissioners' court meeting of August 10, 1881. Tandy Curlee as the county judge, Ronnie Aston as the sheriff and Cecil Oursbourn, Bill Griffin and Jerry Lumm as the commissioners studied the plans thoroughly before deciding to call a bond election with which to finance the courthouse.

Birdwell's Lone Wolf Saloon provided the setting for the re-enactment of the first sermon in Colorado. What a surprise when Roy Byrd, as the preacher, took on the sins of gambling and drinking as a poker game was underway. The gamblers--Johnny Tammen, Ronnie Aston, Jack Strain and Clayton Finch--were so moved by the sermon that they started a collection for the preacher much to the dismay of the saloon girls played by Virginia Fuller, Linda Hearin and Connie Penland. Elmer Ward, as the cigar-puffing saloon keeper, J. O. Dockrey as the gun-toting sheriff and Mildred Free, Bobbie Steakley and Faye Spivey as the uprighteous citizens, completed the scene.

Another scene, gunfights featured Jack Starr, Elmer Ward, Ronnie Aston, Earl Plagens, Jim Kelly, J. O. Dockrey, Lonnie Reynolds, Cecil Oursbourn, Jerry Lumm, Bill Griffin, Jeanette Lumm, Clayton Finch and Johnny Tammen, provided some of the best "dying" ever seen on the local stage.

The city council meeting of 1882 gave an insight as to how city business was conducted in the early days. The issues they faced were not too different from those today. Streets and the water system were concerns of the council composed of Joe Sherrill, Roy Byrd, Elmer Martin, Trey Smith and Walter Hearin. An ordinance banning opium smoking was approved by the council as well.

The role of the blacks in the development of Mitchell County was featured through narration by Oscar Marshall and the foot-tapping, spiritual music provided by the Mt. Zion Batist Church choir, one of the real highlights of the play, judging from audience reaction.

Jack Starr was the judge, Walter Hearin the sheriff and Linda Hearin, Virginia Fuller and Connie Penland and Johnny Tammen the defendants in the municipal court scene. The defendants each received fines for their various "crimes" with Mrs. Fuller presenting some "key" evidence.

Other scenes included a courtroom trial presided over by Dell Barber as judge with the jury composed of Cecil Oursbourn, Earl Plagens, Sheila Plagens, Jack Strain and Bill Griffin, favoring the "home-town" defendant, although Strain "slept" through the entire proceedings.

The city council meeting of the 1890s included two present-day council members - Elmer Martin and Tom Lovell - along with Joe Sherrill, Arlene Morris and Jack Starr and Trey Smith.

Other scenes included prohibition, 1896 and reincorporation, 1905.

The finale, a musical "happy birthday" to Mitchell County, was performed by the entire cast.

Music was written by Margaret Baum and the musicians were Mrs. Baum on piano, Frank Bassham guitar, Porter Richardson, bass, and Doug Baum, drums.

"Colorado Choo Choo" is the type of entertainment that proves local humor can be some of the best. Hopefully, we'll see more of this kind of production

Torch runners sought

Colorado City residents will have a chance to carry the Olympic Torch this Saturday as the symbol of the Olympic games visits Colorado City on its way to the U.S. Olympic Festival in Houston.

Charles Walker, chairman of the local committee in charge of obtaining volunteer runners for torch, said the visit is a promotional effort held in conjunction with the Houston event which is sponsored through the U.S. Olympic Committee.

The torch will be carried more than 5,000 miles and through some 250 cities in Colorado, New Mexico and Texas. The run started Saturday in Colorado Springs, Colorado and will begin its Texas trek in El Paso on Thursday, June 26.

Walker said the torch will be coming to Colorado City from Sweetwater on Saturday and should be here about 5:30 p.m.

The local committee is scheduling runners to carry the torch from the city limit on Interstate 20, south on Hickory Street to Second, west on Second to the Civic Center where a short program and reception will be held. From there, the torch will be carried east on Second and then to the south city limits on Highway 208. The torch will be carried through Silver and Robert Lee before making its way to San Angelo on Sunday morning.

Walker said that volunteers wishing to carry the torch should contact the chamber of commerce office at 728-3403 by Thursday. He noted that the number of runners will be limited and special consideration will be given to those who call in first.

It doesn't cost anything to carry the torch, but participants must be registered and must be wearing an official T-shirt provided by Shell.

The run itself is being paid for by a $100,000 contribution from the Shell Companies Foundation. The run is not being conducted as a fund raiser, but is planned solely to promote the U.S. Olympic Festival.

The torch to be carried is the same commemorative flame carried across the United States to the Los Angeles Summer Olympic Games. It is on loan from AT&T.

Making brief remarks at the "Run Through Texas History" ceremony at the Civic Center will be Colorado City Mayor Elmer Martin. A representative from the U.S. Olympic Festival will also be on hand to make brief comments.

The U.S. Olympic Festival will be held July 25 to August 3 in Houston and is considered the premier amateur sporting event in the United States. The Festival will feature past and future Olympians in 34 summer and Winter Olympic and Pan American Game sports. The major annual event of the United States Olympic Committee, the Festival is held in all non-Olympic years.

The Festival is designed to showcase the talents of all of

THE KWAHADI DANCERS, a Boy Scout Explorer Post from Amarillo, will be performing authentic Indian dances today (Sunday) at Wolf Stadium at 2 p.m. Sponsored by the Tumbleweed Lioness Club, proceeds will be used to renovate the Scout Hut at Ruddick Park. Tickets at the gate are $3.50 for adults, $1.25 for children under 12. Children under 5 will be admitted free. In case of bad weather, the program will be moved to Wolf Gym at the middle school.

Appeal hearings slated

The Mitchell County Appraisal District has scheduled meetings to hear appeals on values placed on mineral, real estate and personal property tax rolls, Lee Woods, chairman of the appraisal review board, said.

On Thursday and Friday from 9:30 a.m.-5 p.m., the board will hear and determine taxpayer appeals on values placed on real estate and personal property. The appeals will be heard at the curriculum room of the administration building for the Colorado Independent School District, 1132 Hickory.

On Monday, June 30, the board will be in session to hear appeals on values placed on the mineral roll starting at 9 a.m. in the curriculum room.

Woods said the board will examine and equalize the appraisal records of the chief

Youth arrested in burglaries

A 15-year-old Colorado City youth was taken into custody by the Colorado City Police Department in connection with three recent residential burglaries.

Police Chief Bobby Sparks said the youth's arrest should clear up three burglaries within the last six weeks in which power tools, hand tools, yard tools, electric motors and fishing equipment were taken.

Sparks said the youth has been turned over to juvenile authorities.

4-Hers go Hawaiian style

By Debbie Christian
County Extension Agent

Eighteen 4-Hers participated in the Mitchell County 4-H Fashion-Hawaiian Style. Set around the pool at the Colorado Country Club, 4-Hers modeled both constructed and ready-to-wear garments. A morning judging and interviewing session resulted in the following winners:

In the Ready-to-Wear competition 4-Hers model a selected outfit of their own or one chosen from Anthony's. They are judged on fit, versatility, and accessorizing. Wearing a denim skirt and chambray blouse accessorized with a wooden cutout necklace, Caasi Smith received a $50 gift certificate from Anthony's as winner in the Best Dressed category.

Another important aspect of 4-H is record keeping. Jody Dockrey received the top award for Best Project Record.

Brooke Moore's poise and confidence merited her for the Best Model Award. Receiving Honorable Mention were Bridgett Bridgford and Christi Blair.

Michael Moore, Caasi Smith, Bethany Bridgford, and Kristi Flanagan advance to District competition in the junior division for their constructed garments.

Michael constructed matching jams and shirt in a "surfin USA" bold print. A purchased tank top completed his outfit.

Caasi utilized more advanced skills in her paisley print top and blouse accented with Seminole Patchwork detail.

Bethany's ensemble consisted of mid-calf length pants and a wrap around shirt for which she made her own pattern.

A pullover top with scoop neckline and tapered shorts were the winning combination for Kristi.

In the Intermediate Division, Brooke Moore and Christi Blair gained first place.

Brooke's first place entry was a 3 piece ensemble composed of a floral chintz jacket, cropped pants, and brightly colored T-shirt.

Lined pastel tropical print jams and shirt were Christi's selection for her winning sewing project.

They also advance to District along with Nikki Holman, winning senior entry. Nikki's entry was a solid skirt and blazer in tropical print.

Each winner received a rosette ribbon donated by Mitchell County Extension Homemakers. In addition each participant received a ribbon based on quality of work and individual prizes, also donated by the Extension Homemakers.

Other participants and their awards were: Blue Ribbon Awards--Brittany Bridgford (alternate to district), Jody Dockrey (alternate), Amber Blair, Bridgett Bridgford (alternate), and Tammy Loving.

Red Ribbon Awards--Carrie Blair, Lori Dockrey, Justin Herrington, Dawn Butler, Cody Loving and Bonnie Herrington.

Special acknowledgements go to Colorado Country Club for providing the facility and Greenhaven Nursery and Leada Wood for plants and decorations; also, the judges, Mary Ellis, Jessie Mae Merket, Sheila Plagens, Kit Lovell, Sandy McDonald (Sterling City), and Kathryn Roberts (Snyder). A special thanks to the commentator Dawn Chaney, former Mitchell County 4-H member and past State Fashion Show participant.

Lions club installs new officers

The Colorado City Sundown Lions Club installed officers for the 1986-87 year at its meeting Monday, June 9.

Installing officer was District 2A-1 Governor George M. Beard.

The officers include Shorty Pace, president; Mack Simpson, first vice president; Walter Staats, second vice president; Syl Monks, third vice president; Burt Swanson, secretary-treasurer; Charles Goodlett, tail twister; J. W. Hicklin, lion tamer; and Russell Bird, A. W. Phillips, Charles Goodlett and Joe Martin, directors. Immediate past president is Roland Rickard.

The occasion was declared "Ladies Night" and the Sundown Lions were accompanied by their wives.

Beard, also accompanied by wife, told the Lions to remember that team effort is all important.

He noted that Lionism exists in 161 separate countries in the free world with a membership of 1.3 million, making Lions Clubs International the largest service organization in the world.

MEMBERSHIP OR FELLOWSHIP?

John Taylor - Pastor — **Plainview Baptist Church**

What are people in the world looking for today? Membership or Fellowship!

Our Lord Jesus Christ established that through his church we should love the people around us. There is no club, team, school, society or group that can replace the fellowship that should be present in the heart of a child of God. People can become members of all the clubs that they want to, but until they learn that Christ has a better way they will never understand what real peace is. That peace brings about the body of Christians that is called a church. The love of God in Christ Jesus our Lord can only give that peace that passeth all understanding.

If you are a Christian, are you active in church today? If you're not a Christian your membership in the world will never get you the fellowship of peace and love. Matt. 16:18, and I say also to thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it.

EIGHTY JUSTICES of the peace from Region 9 attended a 20-hour seminar May 27-30 in San Angelo conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcos. Topics covered include justice court venue, defensive driving, forcible entry and detainer statutes, license and weight laws and new game and fish laws. New legislation relating to the justice court that was passed by the 69th State Legislature was also reviewed. Attending were, left to right, Pauline Stout of Big Lake, Reagan County, Precincts 1 and 4; Joan Merket of Loraine, Mitchell County, Precinct 4; Ruby Sweatt Claxton of Westbrook, Mitchell County, Precinct 2, Place 1; and Billie Forbes of Colorado City, Mitchell County, Precinct 3, Place 1.

Driving course to be held

A defensive driving course has been scheduled for June 24-26 at the Wallace Center in Colorado City sponsored through Western Texas College in Snyder.

The classroom sessions offer pointers in preventing accident in spite of the incorrect actions of others and adverse driving conditions.

The course will have two sessions on Tuesday and Thursday nights from 6-10 p.m. Films and other visual aids will be used to demonstrate how to improve driving skills.

Persons completing this course will be eligible for a reduction in insurance premium rates, also for possible ticket removal. The fee for persons 65 and over is $15. Others will pay a fee of $22.

You may register at the Wallace Center or WTC by June 20. For more information, call 728-2392, Community Education Office in Colorado City.

Food preservation "fads" could be unsafe

By Debbie Christian
County Extension Agent

Every year there are new fads in home food preservation. Should you come across a new method be sure to check for safety and recommended practices. Perhaps the following will answer a few questions you may already have:

Sun Pickles: The sun dill pickle recipes are quite simple—cucumbers are placed in jars, a brine is mixed (not heated) and poured on the cucumbers in the jar. The jar is then closed with lid and ring and set in the sun for a few days.

The sun, however, does not replace heat processing. The "sun treatment" serves no purpose in preserving the pickles and often results in a bleached, pale, and unappetizing product. Home food preservers are encouraged to use approved pickle recipes and process them in a boiling water bath.

Steam Canners: Steam canners came on the market a few years ago and are being sold in some areas of the state. They are not safe according to USDA and cannot be recommended because the heat treatment is not adequate.

Sugar Free Jams, Jellies, Preserves, etc.: Follow a recipe developed for the specific type of sugar replacement you wish to use and expect a product that is more similar to a gelatin fruit dessert than a true jam or jelly. A better suggestion might be to make a fruit butter which contains much less sugar (and calories), great flavor and fiber.

Publications and recipes are available in the Extension office by canning, freezing, drying, jams, jellies, preserves, and pickling. Call or come by for your copies.

Computer school slated

Computer training for elementary children in grades 3, 4 and 5 will be held at the Colorado Middle School with Debbie Goforth as the instructor.

Several sessions will be offered. The second session will be June 23 through June 27 from 1-2 p.m. daily. Other sessions will be offered at later dates in July.

Tuition for the course is $20 per person. The course is designed to teach the very basics of computers and how to operate them. The class is limited to 10 persons.

Registrations are being taken at Wallace Center.

Anderton to present carillon recital June 22

Carillonist Arla Jo Anderton, formerly of Colorado City, will offer a recital Sunday, June 22 at 3:15 p.m. from the west bell tower of the administration building on the Texas Tech University campus. Admission is free.

Mrs. Anderton holds two geology degrees from the University of Texas at Austin, and is currently completing her master's degree in percussion performance at Texas Tech. She is director of the handbell choir and children's choirs at Forrest Heights United Methodist Church.

Her carillon study has been primarily with Judson Maynard of the Texas Tech music facility, as well as Jacques Lannoy of Dijon, France, and Albert C. Gerken, University Carillonneur of the University of Kansas.

A student member of the Guild of Carillonneurs in North America, she will play her advancement recital to gain full membership on July 10 at the Peace Tower Carillon of the Houses of Parliament in Ottawa, Canada. Tonight's recital will consist of most of the works she has prepared for the July 10 examination.

Mrs. Anderton has chosen three works which she will play on both recitals: "Andante Largo" by Fernando Sor, arranged by Maynard; and two original works for carillon, "Sonatina I for Carillon" by Flor Peeters and "Hemony Suite" by Albert de Klerk.

Other selections which she will play, and which she might be asked to play by the judges on July 10, are the menuett from Franz Joseph Haydn's "Flute Clock" of 1793, in a transcription by Gerken; a "Ceciliana" by Joannes de Gruytters; and John Pozdro's 1960 work, "Landscape for Carillon," the first of two such works composed for the carillon at the University of Kansas.

The recital will also include several selections specially arranged by Mrs. Anderton, a "Sesquicentennial Medley" consisting of "Yellow Rose of Texas," "Green Leaves of Summer" from the movie "The Alamo," and "Texas Our Texas."

Mrs. Anderton is a graduate of Colorado High School. She is the daughter of Addie V Payne of Colorado City.

TV TIPS

While browsing thru my journals recently, I came across an article on how to watch television without harming your eyes.

Here's what vision experts recommend:

Position the set at least six times the width of the screen away from the place from which you plan to view it;

Place the set at eye level, so that you don't have to look up or down;

Don't watch TV in a dark room. The room should have soft over-all lighting so that the contrast between the screen and the room's light is comfortable to the eye;

If you have eyeglasses which are prescribed for distances beyond two feet, be sure to wear them while watching TV;

Avoid glare or reflections on the screen from lamps or windows or other bright objects in the room.

And if you've seen a commercial a dozen times before, just rest your eyes by listening without looking.

MATHEMATICS

FRACTIONS

A fraction is a way to say that we have less than or only a part of one whole thing. When we have a whole dozen eggs, we have all 12 eggs. Suppose that 2 are broken. We don't have a dozen anymore. Out of a possible 12, we only have 10. A short way of saying that is $\frac{10}{12}$. The bottom number, the denominator, tells how many equal parts are possible to make a whole. The top number, the numerator, tells how many of these equal parts we really have. If we need a pound of hamburger for a recipe, but we only have 13 ounces, then instead of a possible 16 ounces, we have 13, or $\frac{13}{16}$ of a pound. Thinking of time in fractions, a normal work week is 5 days out of a possible 7, or $\frac{5}{7}$ of a week.

BASIC TERMS FOR FRACTIONS:

PROPER - A fraction with the numerator (top number) smaller than the denominator (bottom number). Example: $\frac{2}{3}$, $\frac{21}{32}$, $\frac{7}{9}$

IMPROPER - A fraction with the numerator (top) larger than the denominator (bottom), or both the same. Example: $\frac{4}{3}$, $\frac{32}{21}$, $\frac{7}{7}$

MIXED NUMBER - A whole number plus a fraction. Example: $3\frac{2}{5}$

CHANGING FRACTIONS

Fractional answers that are improper must be changed to either a mixed number or a whole number. Divide the numerator by the denominator.

Examples: $\frac{24}{12} = 12\overline{)24}^{\,2}$

$\frac{21}{4} = 4\overline{)21}^{\,5\frac{1}{4}}$

$\frac{7}{7} = 1$

PROBLEM 1. Change $\frac{15}{1}$

PROBLEM 2. Change $\frac{8}{2}$

PROBLEM 3. Change $\frac{17}{4}$

REDUCING FRACTIONS

Reducing to lowest terms is another way to change fractions. In order to change the fraction $\frac{5}{12}$, divide the numerator and denominator by the largest number that will divide evenly into both. 5 and 12 = 1

PROBLEM 1. Reduce to lowest terms $\frac{6}{20}$

PROBLEM 2. Reduce to lowest terms $\frac{12}{24}$

ADDING AND SUBTRACTING FRACTIONS

When adding and subtracting fractions with like denominators, add the numerators only. Change and/or reduce answers to lowest terms if necessary. Examples:

$\frac{1}{5} + \frac{2}{5} = \frac{3}{5}$ $\quad \frac{9}{10} - \frac{6}{10} = \frac{3}{10}$

PROBLEM 1. $\frac{9}{21} + \frac{2}{21} + \frac{6}{21} + \frac{3}{21} =$

PROBLEM 2. $\frac{19}{12} - \frac{6}{12} =$

CHANGING DENOMINATORS

When adding or subtracting fractions, it is often necessary to do the opposite of reducing fractions, that is, to change a fraction to an equal fraction with a larger denominator. Suppose we want to change $\frac{3}{5}$ to a fraction with a denominator of 20ths.

$\frac{3}{5} = \frac{?}{20}$ $\quad \frac{3}{5} = \frac{12}{20}$

STEPS TO CHANGE DENOMINATORS

1. Divide the old denominator (5) into the new denominator (20).
2. Multiply the result times the old numerator (3).

PROBLEM 1. Change $\frac{2}{3}$ to 15ths.

PROBLEM 2. Change $\frac{5}{7}$ to 56ths.

FINDING LOWEST COMMON DENOMINATORS

Denominators must be alike when adding or subtracting fractions. When all the denominators are not alike, change them to the lowest denominator possible.

Example: $\frac{2}{3} = \frac{10}{15}$

$+ \frac{4}{5} = \frac{12}{15}$

$\frac{22}{15} = 1\frac{7}{15}$

PROBLEM 1. Add $\frac{3}{10} + \frac{3}{10}$

$\frac{1}{5} + \frac{2}{10}$

PROBLEM 2. $\frac{1}{2} + \frac{2}{7} =$

PROBLEM 3. $\frac{11}{12} - \frac{1}{4} =$

ADDING AND SUBTRACTING MIXED NUMBERS

When adding and subtracting mixed numbers, always add or subtract the fractions first, then add or subtract the whole numbers.

Examples:

$5\frac{1}{3} = 5\frac{4}{12}$ $\quad 7\frac{5}{8} = 7\frac{5}{8}$

$+ 8\frac{1}{12} = 8\frac{1}{12}$ $\quad - 1\frac{1}{4} = 1\frac{2}{8}$

$13\frac{5}{12}$ $\quad 6\frac{3}{8}$

PROBLEM 1 PROBLEM 2

$9\frac{1}{8} + 7\frac{2}{3} =$ $\quad 12\frac{7}{9} - 9\frac{2}{3} =$

REDUCING MIXED NUMBERS AND IMPROPER FRACTIONS

When the fractional answer needs changing, be sure to do so. If an improper fraction becomes a mixed number, add the whole numbers together. Example:

$4\frac{4}{8} = 4\frac{4}{8}$

$6\frac{3}{4} = 6\frac{6}{8}$

$\textcircled{10}\frac{10}{8} = \textcircled{11}\frac{2}{8} = \textcircled{11}\frac{1}{4}$

1. $\frac{10}{8} = \textcircled{1}\frac{2}{8}$
2. Add the whole numbers $\textcircled{1}$ and $\textcircled{10} = \textcircled{11}$
3. Reduce $\frac{2}{8}\ (\div 2)\ \frac{1}{4}$
4. The answer is $11\frac{1}{4}$

PROBLEM 1. PROBLEM 2.

$9\frac{9}{16} + 16\frac{1}{2} =$ $\quad 7\frac{7}{10} + 14\frac{1}{2} =$

BORROWING

Always subtract fractions first because it may be necessary to borrow from the whole number as one would borrow when subtracting whole numbers. Remember that when you borrow, you borrow one whole number. A whole number is expressed as a fraction with the numerator and denominator the same. A whole dozen eggs is $\frac{12}{12}$. One whole number can be written $\frac{5}{5}, \frac{3}{3}, \frac{20}{20}, \frac{379}{379}$, etc. In the following problem, there is no fraction from which to subtract the fraction $\frac{3}{10}$. We must borrow one whole number from 6. Why not borrow the whole number in the form of $\frac{10}{10}$, so that the denominators will match? When you borrow one whole number from 6, it leaves 5.

Examples:

$6 = 5\frac{10}{10}$ $\quad 1 = \frac{3}{3}$

$- 2\frac{3}{10} = 2\frac{3}{10}$ $\quad - \frac{2}{3} = \frac{2}{3}$

$3\frac{7}{10}$ $\quad \frac{1}{3}$

PROBLEM 1. PROBLEM 2.

$26 - 4\frac{5}{8} =$ $\quad 1 - \frac{7}{10} =$

When borrowing from a whole number, the borrowed fraction must be added to the existing fraction. Example:

$17\frac{1}{8} = 16\frac{8}{8} + \frac{1}{8} = 16\frac{9}{8}$

$- 9\frac{2}{8} = - 9\frac{2}{8}$

$7\frac{7}{8}$

PROBLEM 3. $12\frac{1}{5} - 4\frac{1}{4} =$

PROBLEM 4. $8\frac{2}{3} - 5\frac{4}{5} =$

WRITING SKILLS

CAPITALIZATION

When writing sentences, use the following capitalization rules:

First word of:

1. A sentence. Ex: Boys love hotdogs.
2. A direct quotation. Ex: Jack said, "Who did that?"
3. Every line of poetry. Ex: Roses are red, Violets are blue....

Names of:

1. People, initials, schools, towns, cities, states, countries, ships, languages, nationalities, streets, avenues, rivers, lakes, seas, oceans, mountains.
2. Months, days of the week, special days. Ex: Next Friday, December 25, 1981, is Christmas.
3. Events or periods in history. Ex: the Vietnam War, the Dark Ages
4. Sacred figures, sacred books, religious denominations. Ex: God, Bible, Baptist.
5. Sections of the country, but not referring to direction. Ex: John lives in the West. The wind blows from the west everyday.

Salutation (Dear Sir:) and closing (Sincerely yours,) of a letter.

The words I and O when they are used as words. Ex: I like the hymn, "O For a Thousand Tongues to Sing".

Official titles used with a name or a title used in place of a name. Ex: This is Doctor Jones. Mr. President, I have a question.

The first, last, and all important words in titles of books, poems, stories, and songs.

PROBLEMS.

Capitalize where necessary.

1. charles and i go to the laundromat with my uncle.
2. we go to six flags over texas whenever we can.
3. the canadian river begins in new mexico.
4. roses are red.
   violets are blue,
   i can capitalize
   better than you.
5. my aunt mary came down with the measles last thursday.

White Sox shut-out Lions, 10-0

The VFW Post 9178 White Sox blitzed the Colorado City Noon Lions 10-0 Thursday night to remain undefeated in Texas Teenage League hardball and the Matlock Farm Supply Barves bombed the Kiwanis Colts 22-3.

Sox left fielder Spencer Taylor hit a double in the second inning and was scored by right fielder Bobby Silva. The Sox added six in the third off Lions pitcher Mark Molina.

Scoring in the inning were Mark Alvidrez, Sam Garcia, Mark Russell, Ray Rivera, Elias Gutierrez and Taylor. Gutierrez hit to score Russell and Rivera in the fourth and Russel was scored again in the fifth by Rivera after hitting a double.

Sam Garcia again got the victory for the Sox and faced only four extra batters in six innings. Garcia struck out only four but had defensive back-up from his teammates.

Ken Land pitched in the Braves win over the Colts.

Land allowed only three hits and got four hits himself while driving in five runs.

Rene Silva was the first of five Colts pitchers.

Sweetwater teams blitz girls here

Sweetwater won all three United Girls softball games at Ruddick Park Thursday.

Sweetwater's Funks Punks edged the division I Cougars 12-11 with two runs in their last bat. In another one run game, the Blue Meanies beat the division II A's 11-10 with four runs in their last bat.

A division III game ended in a 25-5 victory for the Sweetwater Bad Babes over the Colorado City Chulas.

In Tuesday's contests one run for the Comets in the third made the difference in an 11-10 win over the Eagles. The Boppers defeated A's 18-11 in another Tuesday game.

Pirates still out front in league

The Little League Pirates continue to lead the Freshman League standings and added to their victims this week by defeating the Astros and Indians.

Richard Gomez pitched in the Pirates' 14-2 win over the Astros Thursday night--allowing only five hits. The Pirates jumped on the board with four runs in the first. Gomez and third baseman Chris Molina hit a double and a single in the inning, respectively, and second baseman Gabe Salazar followed with a homerun.

Chris Beaty and Jub Stephens scored for the Astros to make it 4-2 in the top of the third. Michael Humphrey, Molina and Michael Mayes scored for the Pirates in the fourth to make it 7-2, then the Pirates added seven in the fifth. Zack Findley pitched for the Astros. Gomez struck out seven for the win.

Pitching for the Pirates in a Tuesday night win over the Indians was Molina. Losing pitcher Jason Lawson held the Pirates scoreless until the fourth inning where the Pirates scored seven to erase a 1-0 Indians lead on a third inning score by catcher Cade Proctor.

John Fuller and Jeff Haggerton got the other two Indian runs in the bottom of the fourth. The Pirates got a homerun from Salazar in their seven run fourth and doubles by Gomez, Molina, Pete Rivera and Jesse Espinoza. Gomez, Molina, Salazar and Mark Monroe hit in the fifth to add three runs.

That Tuesday contest followed a 9-7 Rangers win over the Dodgers. Winning pitcher was Jason Blassingame and taking the loss was Ruben Gonzales. Catcher James Franco collected three hits and two runs for the Rangers along with Blassingame.

Center fielder Darren Emerson hit a homerun for the Dodgers, who came up two runs short in a last inning rally that scored five runs. Gonzales, Doug Conner and Terry Simon hit consecutive doubles in the inning.

Thursday's first game saw the Minor League Blue Sox, defending champs, defeat the Lions 14-1.

Church league action

Christian Temple, St. Ann's, the Calvary Scrubs and the St. Ann's Cruzaders came up with wins in Mitchell County church league softball play Thursday night.

The Scrubs, atop the league standings with an undefeated record, posted two wins by defeating the Presbyterian Rough Riders 15-5 and the Ira Dogooders 25-5 in a make-up game.

The Rough Riders opened the game with two runs in the first inning but were not able to score again until the final inning where they got three. The Scrubs tied the game at 2-2 with one run in the first and second innings and broke the game open with seven runs in the third.

Rover Jeff Hammond reached base every time for the Scrubs, Gary Marsh, Woot Griffith, Yardy Powell and Doug Chitsey failed to reach base just once.

Joey Ritchey, Joey Wright and Niel Ginkinger led Presbyterian with two for three hitting.

The Scrubs victory over Ira was the last contest of the night and turned into a run-away with six runs the first inning, seven in the fourth and eight in the sixth. The Dogooders scored three in the second and two in the bottom of the second. Jeff Hammond, Gary Marsh and Woot Griffith went five for six for the Calvary team and accounted for ten runs.

Charles Guyer and Alan Hamilton went two for three for Ira and scored one run.

The opening game saw Christian Temple beat Calvary 23-2. Jerry Lelek went four for four for Temple while Gary Matlock, Bobby Matlock and Clayton Cannon came up one hit short of a perfect night at the plate.

Scoring for Calvary, playing with eight instead of the regular ten players, were Jim Petty and Bim Ritchey. Steve Light hit three for four for Calvary.

St. Ann's got a victory by limiting First Methodist to one run in the third, fifth and seventh innings in a 10-3 game. Ruben Rivera and Tos Reyes reached base for St. Ann's every time and going three for four was Dan Smith.

Bill Baum hit .500 to lead the Methodists.

Prior to their loss to the Scrubs, the Ira Dogooders also fell 7-5 to the St. Ann's Cruzaders. Ira led off with three runs but the Cruzaders answered with four in the bottom of the first.

Ira center fielder Chip Roemisch tied the game at 4-4 in the third but again the Cruzaders scored to keep the lead. Two for three hitters for St. Ann's were Sam Rivera, Light Rivera, David Rivera and Gollo Rodriques.

Scott Kesner, Mark Harless and Alan Hamilton led the Ira Baptist hitting.

Calvary is responsible for the field this week.

Bluebonnet research could lead to beautiful gardens

COLLEGE STATION--The Texas Agricultural Extension Service is working hard to tame Texas' most stately and beautiful wildflower, the bluebonnet.

If these efforts prove fruitful, the state flower of Texas may one day adorn yards and gardens rather than just the countryside in early spring.

The Extension Service is studying the bluebonnet with the hope that the flower will be able to be grown commercially, thanks to a special three-year $30,000 grant by The Worthington Hotel in Fort Worth.

Through the grant, the Worthington Bluebonnet Development Program has been established in honor of the newly-named Worthington Bluebonnet, a rare pale blue selection recently segregated by Extension Service horticulturists Dr. Jerry Parsons and Dr. Don Wilkerson. The program will support more intensive investigations into the bluebonnet's germination, pollination and color variations.

"Our role is to continue studying the plant's germination characteristics," Parsons points out. "We hope to eventually unlock the secrets of the bluebonnet's blooming cycle to make commercial production of seeds for garden annuals both efficient and reliable."

Bluebonnet transplants are becoming more readily available at local nurseries, notes Parsons, but too many variables remain that hamper full production of the flower for home gardening.

"A lot of mystery still remains to the bluebonnet's blooming cycle," says Wilkerson. "One possibility is that of 'forcing' blooms at a designated time, similar to the blooming poinsettias at Christmas and lillies at Easter.

"We also have identified and segregated several new color selections, such as the lighter blue Worthington bluebonnet. We know have varieties that are pink, white and very dark blue," notes Parsons. "But we remain several generations away from firmly establishing their final hues and mass production."

The horticulturists are hopeful that one day gardeners will be able to select, mix and match their favorite bluebonnet shapes, just as they do now with pansies, petunias and other annuals.

A big question regarding bluebonnets continues to be seed scarification and pollination. Since the seed coat is hard, most seeds are unproductive. In fact, commercially-produced seed currently have only a 30 to 40 percent germination rate, but Parsons is optimistic that this rate can be increased to as high as 90 percent through use of chemical abrasives.

Pollination studies are being intensified to enhance future breeding efforts, add the horticulturists.

"In many ways, the bluebonnet remains a mysterious flower, but we hope our efforts will unlock some of its secrets," says Wilkerson. "Since it is the state flower, we hope to make it available to all Texans so that they can enjoy it in their own yards and gardens rather than just in the wild."

Individuals wishing to contribute to these studies to domesticate the bluebonnet may do so by making checks payable to the Texas Agricultural Extension Service and sending them to the Worthington Bluebonnet Development Program, 200 Main, Fort Worth, Tex. 76102.

Porter hosts "Ruth Class"

Mrs. Frances Porter, teacher of the "Ruth Class" of First Baptist Church of Loraine, hosted the class in their June meeting at 2:30 p.m., Thursday, June 12.

Clara Butler presided and led the opening prayer.

Ida Baird directed several games during the recreation period.

Eathel Mearse read minutes of the last meeting and Pauline Smiley gave the treasurer's report. Group ladies Vada Preston and Teance Hayes gave their reports.

The class voted to skip the July and August meetings. The next meeting will be at the regular time in September.

Mmes. Pearl Preston, Agnes Haney and Pauline Smiley were appointed to revise the year book, and name hostesses for the new year.

Mrs. Smiley read Psalms 96 in bringing the devotional. She spoke on the priviledge we have to pray for our missionaries, and give praise to God for them.

The hostess served refreshments of ice cream and lemon pound cake.

The Happy Birthday song was sung to Ida Baird, and the meeting was closed with the group joining hands and singing "Blest Be the Tie that Binds."

Those present were Mmes. Pearl Preston, Clara Butler, Vada Preston, Lis Hobbs, Ida Baird, Agnes Haney, Pauline Smiley, Teance Hays, Stella Harris and Eathel Mearse.

Letter to the Editor

Dear Editor,

On behalf of all the people connected with the county commodity distribution program, I want to take this means to publicly thank the Kiwanis Club for transporting the commodities from San Angelo to Colorado City.

A very special thank you goes out to Mac and Steve Morris for the extra work they have done and to the Cook family for all the trips they made.

I hope the public realizes what a real service this club has been to the people of our county.

We are truly blessed to live in a community that cares for their fellow man.

Sincerely,
Bertie Kidd
Volunteer Co-ordinator for Commodity Distribution.

Few seats still available for Panhandle mini-tour

The Wallace Center is sponsoring a mini-tour to the Texas Panhandle on July 14-15. We will see one of the nation's greatest outdoor dramas, the Palo Duro Canyon presentation of "Texas", a musical drama of panhandle history--staged in the splendor of the wide-open West Texas Canyon. The trip is limited to 39 persons on a first-come, first-served, basis.

The cost of the tour will be $55 per person. This price includes bus travel, double room, barbecue chuck wagon dinner on grounds, and choice seats at the performance. A deposit of $25 must be paid by Tuesday, June 24, with the balance to be paid by July 3. The deposit may be transferred to another, but cannot be returned.

Exciting stops on the trip will include: lunch at Westgate Mall in Amarillo, Panhandle Plains Museum, tour of the canyon by bus or miniature train, and barbecue and pageant in Canyon. In Lubbock we will visit the Llano Estacado Winery and other popular places.

We will leave from the Villa Inn Restaurant at 7:45 a.m. on Monday, July 14 and return around 7 p.m. Tuesday, July 15.

Other information will be given one week before the trip. Please call the Community Education Office for more information, 728-2392.
