Highways 15 Gaps Soon to Be Closed

DELEGATIONS AT MEET HERE PLAN FUTURE

Highway Official Cheers Group with Review of Big Allotment Set Aside for Scurry Work

East-West Highway Association attendants here Friday afternoon from Fort Worth on the east to Carlsbad and Artesia, New Mexico, on the west were told by Floyd Jones of Breckenridge, president, that all gaps in the vital East-West route across Texas had been completed except in Borden, Scurry and Fisher Counties.

Jones was renamed president of the East-West Highway Association during the business session, A. J. Roach of Seminole, Gaines County judge, vice president, and Ernest Maxwell of Breckenridge, secretary-treasurer.

Victor L. Mintor of Carlsbad was elected secretary again for the New Mexico East-West group. Conventioneers voted to make the county judge in each county that touches Highway 15 an association director.

Resolution committee members named were Robert Lee Johns of Lamesa, Miss Ollie Clark of Albany and Jesse R. Smith of Breckenridge.

Pat Bullock, representative of the 118th District, Charles J. Cotten of the Fort Worth Chamber of Commerce and A. J. Roach of Seminole were named members of the nomination committee.

First event on program for the East-West group was a steak dinner, prepared just back of the city hall under direction of Chamber of Commerce and City of Snyder officials. Will Clay, R. J. Randals and others had charge of cooking the tasty and tender meat for the occasion.

Invocation given just before the dinner was pronounced by Rev. I. A. Smith, local Methodist pastor. The feed consisted of steak, potato salad, pickles, onions, bread, coffee, lemonade and ice cream for dessert.

Music through the lunch hour was furnshed by Son Newby and his Happy Hitters.

Business session of the East-West group was called to order at 1:15 o'clock Friday afternoon, in the rec-

Council of Women's Clubs Map Future Activities of Group

Total of eight county Home Demonstration Clubs were represented Saturday afternoon at a meeting of the Scurry County Home Demonstration Council, held in the office of Estella Rabel, county home demonstration agent.

Mrs. Albert Smith, Mrs. Guy Stoker and Mrs. Roy Hargrove were named members of the council's exhibit committee, and have a well rounded plan of activities already mapped. These three ladies will have charge, for example, of Scurry County's booth at the Lubbock Fair.

Mrs. Paris McPherson was appointed chairman of the pantry committee for the county's annual Products Show in October.

Members of the council voted, during the business session, to pay the room rent of $6 for the county 4-H Club girls who attended the A. & M. College Short Course.

Council members voted unanimously Saturday afternoon to bend all efforts toward assisting with the county-wide aluminum drive now underway, and sponsored by the local Will Layne American Legion Post. The aluminum drive is expected to be concluded in the county this week-end.

Who's New In Scurry County

William Herbert, seven-pound four-ounce son of Mr. and Mrs. William E. (Billy) Cauble, arrived at the local hospital Tuesday night, 9:55 o'clock. Cauble is working in Wichita Falls for the national defense program, and Mrs. Cauble is the former Leta Gay Hartman.

A son, Ronnie, for Mr. and Mrs. Esse Lindsey Ryan, Tuesday night, 10:52 o'clock, weight six pounds six ounces.

Mr. and Mrs. Copus O. Boyd (she is the former Acie Dell Morton), a daughter, Judy Carolyn, last Thursday evening, 7:07 o'clock, weight seven pounds 12 ounces.

The Elmer Prathers, Route 3, a six-and-a-half-pound daughter, Janice Merlene, at Snyder General Hospital, Sunday morning, 12:57 o'clock.

Boosters on Air

News flash received just as The Times goes to press reveals that Scurry County's rodeo boosters will go on the air Tuesday afternoon in Abilene.

Portion of the booster program will be broadcast Tuesday afternoon from 2:15 to 2:30 over Station KRBC, Abilene. Scurry County folks are invited to tune in and see how the home boys are doing when they rate a 15-minute program on the radio.

CITIZENS WEAR SHOW REGALIA OR GO TO JAIL

Jaycees Will Conduct Court Next Week to Prosecute Violators of Rodeo Garb Decree

"On the basis of evidence submitted in this here court, showing that the culprit is guilty of a misdemeanor, with malice aforethought, I hereby decree that he shall be remanded to the hoosegow for a period of 20 minutes without bail. Next case, sheriff."

This is part of the rehearsal for court action by Judge Lima Bean (Jimmie Billingsley), Law East of Deep Creek, next week when folks in the business section caught without some semblance of rodeo regalia are arraigned in the Junior Chamber of Commerce court at the courthouse bandstand. A calaboose will be stationed in the bandstand, presided over by Sheriff Al Simpson.

Lack of rodeo equipment will be considered a crime by the Jaycees in view of Rodeo Week celebration in Snyder as part of the get-ready for the Scurry County Rodeo, scheduled for the week-end at Wolf Park. Wearing of the rodeo garb will be required beginning Monday morning.

Court sessions will not be conducted until Wednesday morning because of the booster trips being made in this area by the Jaycees and other interested Snyder boosters Monday and Tuesday. Sessions will be conducted Wednesday and Thursday at 9:00 a.m. and 3:00 p.m., Jaycees announce.

Brud Boren will be chief deputy under Sheriff Simpson, and other deputies for the court will be all other members of the Jaycees organization.

Junior C. of C. officials point out that business women, as well as men, will be required to wear the rodeo outfits or be liable to arrest.

At least a 'kerchief, boots, hat, shirt or other article will be required, Judge Bean declares, to escape the fury of his court.

Applications for FSA Purchasing Should Be Filed

Farmers who desire Farm Security loans to buy their own farms are urged to hurry and file their applications by H. P. Winter, farmer and chairman of the county purchase committee.

Winter states that his committee is trying to hasten the work along so that every farmer will be on his newly-owned farm without interfering with his next year's work.

Loans which bear only 3 per cent interest and are repayable over a 40-year period may still be applied for by worthy tenants, sharecroppers and farm laborers who have the equipment with which to farm. Preference will be given to families who have an adequate supply of livestock and equipment.

Farmers to whom these loans are made choose the farm they hope to own and are not restricted to those which are fully improved. The loan may include funds to repair or build the home, barn and other buildings.

Applications for these loans should be made to the local Farm Security Administration office, upstairs over Bryant-Link Company, within the next few days.

Bi-Monthly Singing Set Sunday at Church

Walter Holmes, president of the Tabernacle Baptist Church singing class, states the regular bi-monthly singing of the class will be held Sunday afternoon, beginning at 2:30 o'clock.

Plenty of the new convention books, Pilgrim Songs, will be on hand for the occasion, Holmes states. The afternoon program of songs will be arranged to include several quartet numbers.

$3600 IN COTTON STAMPS PUT IN COUNTY TILLS

More Than 250 Families Presented Stamps This Week in Program That Is Effective Friday

Attaches at the county AAA office reported Wednesday afternoon that 256 Scurry County families have already earned $3,600 worth of stamps under the 1941 Cotton Stamp Program.

Shipment of slightly over $5,000 worth of the attractive cotton stamps were received at the county Triple A office ony recently—indicating that county farmers are "Johnny on the spot" when it comes to earning their quota of cotton stamps.

Estimates gathered by the county AAA office indicates that approximately 650 farm families in the county will earn an estimated $8,000 this year under the Cotton Stamp Program.

Operation of the Cotton Stamp Program is simple. When a farmer reduces his cotton acreage below his allotment, and in compliance with the Supplementary Cotton Program, he may earn cotton stamps in proportion to the acreage so reduced.

There is a limit, of course, set on the amount of money a farmer can earn under the Cotton Stamp Program. No farmer may earn over $50 worth of the stamps.

When county families are buying clothes or articles for the home, the local AAA officials say these pointers will help spend cotton stamps wisely:

Be sure to take your list when you go shopping.

If you don't know the prices of things you need, get them. Don't hesitate to ask questions.

Read carefully the labels on the articles you buy.

Remember that good quality material generally means a saving since it lasts longer and stands hard wear better.

Don't let a "bargain" lead you into buying something you don't really need.

If you buy goods at sales be sure to check the price and quality with values offered regularly and in other stores.

Snyder Men Attend Reunion at Seymour

In Seymour Saturday and Sunday for a reunion of the Faver-Brazeal families were the T. A. Faver, G. R. Faver and T. B. Faver families of Snyder.

The reunion attracted more than 100 related men, women and children, and was one of the most successful yet staged by the Faver and Brazeal relatives.

Pictures Wanted

Local and county residents who have pictures relating to any of the previous floods that have hit Snyder were urged this week by the Chamber of Commerce to bring the pictures immediately to the Chamber of Commerce office.

"These pictures," Chamber of Commerce officials state, "are needed as soon as possible in the preparation of briefs for submitting Snyder's proposed flood control project to the proper officials."

Pictures showing flood waters covering part of the town, fields or crops ravished by water or any of the county creeks out of banks are vitally necessary in preparation of documents relating to a local flood control project.

If you happen to have any flood pictures at all, won't you bring them in right now, while you think of it?

OIL ACTIVITIES IN AREA SPEED UP RECENTLY

Operations in Nearby Pools Add to Interest Experienced with New Seismograph Soundings

Considerable play in nearby counties to Scurry is causing the oil front to assume a broad aspect these days.

First in point of interest, of course, is Shell Oil Company's No. 1 J. H. Vaughn wildcat in southwestern Fisher County, and south of the Hobbs community, that was drilling at 487 feet after setting 15-inch surface casing at 235 feet. Location is in Section 205-3-H&TC Survey.

Shell's No. 1 Vaughn is a scheduled 7,250-foot Ellenburger wildcat test, and is attracting considerable interest among Scurry County operators.

Some of the crew members working on the Shell No. 1 Vaughn are residing in Snyder.

Shell Oil Company's No. 1 A. D. Patterson Jr., Western Stonewall County wildcat in Section 357-D-H &TC, resumed drilling below 2,200 feet after landing 10-inch casing at 2,030 feet.

Snyder has been counting the results of increased activities on the oil front the past month, and is greatly encouraged by the present outlook.

One seismograph crew, with 12 families here, is adding considerably to the town's income through the summer, and prospects are that another seismograph crew will be in the county within the near future.

DRIVE TO POOL ALUMINUM TO BE OVER SOON

Response by Snyder People Results In Accumulation of Hundreds of Pounds in "Hitler Pen"

More wrinkles and gray hairs will be added to Hitler's crown by Scurry County folks when he hears of the cooperation accorded the drive for scrap aluminum staged the past week.

Hundreds of pieces of discarded utensils, machinery parts, tubing and numerous other articles have been thrown into the picket-fence pen located on the northeast corner of the courthouse square since it was placed there first of last week by Will Layne Post of the American Legion, under direction of Commander Henry Rosenberg. County Judge Sterling Williams is county director for the drive.

Snyder Boy Scouts have cooperated with Rosenberg and Legion officials in a city-wide canvass, having gathered a large portion of the aluminum last week-end in the canvass. In order to make collection of the precious metal as universal as possible, drive promoters urged citizens to make another survey of their premises in efforts to locate additional articles needed in salvaging of metals for manufacture of equipment vital to the defense program.

Notifying any Snyder Boy Scout by people in the city limits will bring collectors to homes, Rosenberg announces.

Leaders in the metal drive announce that they hope to bring the collection to a close this week in order to facilitate shipment of the aluminum to pooling points. Snyder's contributions will be transported to Abilene by Johnson Motor Lines without charge, Abilene being the region's concentration point.

Gathering of aluminum was being conducted in other sections of the county this week, County Chairman Williams told The Times yesterday.

Lloyd Mountain Will Close Revival Sunday

Announcement was made Tuesday that the Baptist summer revival now underway at Lloyd Mountain will be brought to a close Sunday afternoon at 2:00 o'clock.

Rev. Vernon F. Shaw, local pastor in charge of the meeting, states excellent crowds have been present for each service of the revival. People from Snyder and Plainview have been helping with the meeting.

Baptizing of new additions to the church will be held Sunday afternoon, 4:00 o'clock, at the local First Baptist Church.

Flood Project May Soon Be Arranged

County Agents Will Attend Area Session At Lamesa Aug. 9

Edward S. Hyman, county agricultural agent, and Estella Rabel, county home demonstration agent, will head a delegation of county representatives who will be in Lamesa Saturday, August 9, for a feed and food meeting of land use planning groups.

The general public is invited to attend the gathering, which will attract delegates from Borden, Lynn, Dawson, Gaines and Terry Counties—in addition to Scurry.

Jennie Camp of the Texas Extension Service will give a demonstration of interest to county people, and J. F. Rosborough, also with the extension service, will address attendants on feed and food conservation with land use practices.

Following the Lamesa gathering, a meeting will be held in Scurry and the other counties named to determine what feed and food policies should be locally adopted.

Sentell on National Poultry Committee

C. F. Sentell, local Rhode Island Red poultry breeder who has copped more prizes than any other breeder in this entire territory, was named a member of the American Poultry Association's resolution committee at Kansas City, Missouri, last week.

Sentell left last Friday afternoon for the national gathering, and was accompanied by Pat Cooper of Abilene, who was named president of the new show management of the American Poultry Association.

Sentell returned from the poultry conclave Friday night, and reported that hundreds of poultrymen, association officials and others from all points of the United States were present at the meeting.

REMISSION OF STATE TAX TO PAY COST PLAN

Three-Fold Program Would Relieve Flood Peril, Assure City Water And Conserve Soil of Area

Preliminary work on a flood control and soil conservation project for Snyder is making such rapid headway local civic leaders expressed the opinion Wednesday afternoon that the project would be in operation within the near future.

Blue prints have already been made on Dry Creek by government engineers and submitted to proper officials for approval.

Blueprints, similar to those made of Dry Creek, are being made of Deep Creek and will be ready for submission within the next few days.

The City of Snyder and County of Scurry are cooperating in a three-fold plan to provide soil conservation for Snyder and adjacent communities, adequate flood control measures and an abundant water supply at all times.

It is pointed out that present underground water supplies are adequate, but that surface water supplies have been sadly neglected.

Plans are being worked out this week, whereby local costs of such a project would be matched with federal funds. City and county officials will ask for a remission of state taxes in the proposed flood control district so that local costs could be met.

Government engineers have been vitally interested for the past three or four years in a flood control project for Snyder—a flood control project that would permanently answer the question of Upper Colorado watershed conservation and water control.

Court of Honor for Snyder District Set Thursday Evening

Postponed from Monday evening, regular monthly court of honor for the Snyder Boy Scout district will be held this (Thursday) evening at the city hall.

S. P. Gaskin of Sweetwater, executive for the Buffalo Trail Council, will be in general charge of the gathering.

First event on program this evening will be a watermelon feast for Boy Scouts of the Snyder District and their parents. It is urgently requested that the parents of each Boy Scout in the district be present for the festive occasion.

Following the watermelon feed, the regular court of honor, with awards of advancements and merit badges, will be held.

The Snyder District has been marking up an unusual record the past three or four months, S. P. Gaskin, trail council executive, states, in the number of advancements made at each court of honor.

Attendance of the parents of Boy Scouts at this (Thursday) evening's gathering will make possible the keeping of court of honor sessions at a high plane of progress, H. L. Wren, chairman of the Snyder District, states.

Perry Harmon Buys Fine Jersey Animal

Perry Harmon, prominent stock farmer of the Union community, purchased this week a registered Jersey bull from the Terrell State Hospital at Terrell as another step in herd improvement.

According to records of the American Jersey Cattle Club, the animal Harmon purchased is King of Brampton Royal 421905, and has been considered one of the outstanding herd bulls around Terrell.

MORE THAN 20 AUTOS SLATED TO MAKE TOUR

Bud Miller and Lois Adams Prime Snyder Citizens for Best Rodeo Tooting Journey Staged

Monday morning, at 6:45 o'clock, Scurry County's Rodeo Boosters will leave on a two-day goodwill trip that will take from 20 to 25 carloads of boot-wearing, spur-jingling boosters to every principal town in this entire trade territory.

R. C. Miller Jr. and J. L. (Lois) Adams, who will be in charge of the Monday-Tuesday tour, stated late Wednesday afternoon that everything was "primed for what promises to be one of the most beneficial booster trips yet undertaken by Scurry County."

Snyder's Junior Chamber of Commerce will be in charge of getting enough people to go on the two-day trip. The Jaycees are out to round up the boosters before 6:45 o'clock Monday morning.

The caravan of automobiles making the trip will leave the square Monday morning at 6:45 o'clock. A schedule will be adhered to so towns listed on the "master sheet" can be visited at a set time.

The goodwill trippers wil take with them 2,500 extra copies of The Times Rodeo Edition so people in the towns visited will be given full details about the county's Fifth Annual Rodeo, August 8 and 9.

Both Monday and Tuesday evening, when the boosters get back to town from their jaunts, a brief, snappy rally will be held on the courthouse lawn.

Those interested in furnishing cars for the Monday-Tuesday booster trip are urged to call R. C. Miller Jr. or J. L. Adams at telephone No. 400 Friday or Saturday.

Complete itinerary for the Monday-Tuesday booster trip will be found in an adjoining column.

Leaving Party to Be Held for Army Boys

R. McClure, publicity man for the Brownwood Chamber of Commerce, stated Wednesday that the Brownwood CC will sponsor a "Leaving for Louisiana" party Saturday evening, 8:30 to 10:30 o'clock, for all the soldier boys at Camp Bowie.

Scurry County folks are extended an invitation to attend the party that will be held for Company G boys and others of the 36th Division.

Major General Claude V. Birkhead, commander of Camp Bowie, states four blocks of Brownwood's Main Street will be roped off for the street dance Saturday evening.

Following the Camp Bowie party, members of Company G and other 36th Division units will leave for summer maneuvers in Louisiana—biggest peacetime maneuvers yet to be staged for men in the 36th.

Home Ec Defense Club Perfected by Women of County

Perfection of the Scurry County Home Economists Defense Club was announced this week by Mrs. Jacqueline Crosby, local FSA home management supervisor, following a meeting of home economists and home makers at the residence of Mrs. Horace D. Seely.

Mrs. Jack Patrick was elected president of the home economists club, Thelma Leslie vice president, Mrs. Horace D. Seely secretary-treasurer and Mrs. Leon Guinn reporter.

Following naming of officers, it was pointed out there will be no dues of any kind in the new organization. Each member pledges to work in the interest of national defense from the standpoint of home needs and education for homemakers.

The following committees were appointed:

Development of School Lunch Room—Mrs. J. M. Glass, chairman, Mrs. Roy O. Irvin, Mrs. Minnie Land and Mrs. Horace D. Seely.

Clothing and Budget Committee—Mrs. Dan Gibson, chairman, Mrs. A. E. Duff Jr. and Mrs. J. D. Mitchell.

Nutrition and Diets—Estella Rabel, chairman, Hazel Arnold, Mrs. J. D. Mitchell and Mrs. Jacqueline Crosby.

Food Production and Preservation—Mrs. Crosby, chairman, Ima Dora Richards, Mrs. Leon Guinn and Mrs. Jack Patrick.

Recreation and Community Improvement—Mrs. Hubert C. Travis, chairman, Ima Dora Richards and Mrs. Jack Patrick.

Membership Committee—Mrs. A. E. Duff Jr., chairman, Mrs. Horace D. Seely, Thelma Leslie and Mrs. Leon Guinn.

Yearbook and Program Committee—Mrs. Horace Seely, chairman, Mrs. Jacqueline Crosby, Estella Rabel, Mrs. Hubert C. Travis and Mrs. Leon Guinn.

It has been requested that the chairmen of respective committees call their committees together for a meeting within the next 30 days and be ready to report when the president calls the next gathering.

The newly formed organization has the backing of both state and federal governments to study conditions as they exist in each county.

Information received from R. E. Metcalfe, commodity supervisor of WPA for this district, indicates that WPA will lend every effort possible in the establishment of a school lunch room in county schools, provided school trustees and parents are interested in such projects.

Transferred to Langley Field

Joel H. Tinker, son of Mrs. Edna B. Tinker, is now at his permanent air corps station — Langley Field, Virginia. Tinker enlisted at Randolph Field, was sent from there to Jefferson Barracks, Missouri, and received his special training in parachute rigging at Chanute Field, Illinois. His record in special work at Chanute Field was oustanding in that he ranked third highest in a group of 85 United States Army Air Corps men taking the parachute rigging course. At present he is engaged in field maneuvers with the 96th Bombardment Squadron at Langley Field.

Parade Plans and Street Decoration Being Worked Out

Hugh Taylor and A. W. Arnold, local Chamber of Commerce president, are two men who have been working diligently this week on the forthcoming street parade of Scurry County's Fifth Annual Rodeo.

Arnold and Taylor contacted a number of business men around the square Wednesday afternoon in regard to closing their stores for the street parades at 1:00 o'clock Friday and Saturday afternoons, August 8 and 9.

Business section of Snyder has assumed a festive air this week in preparation for the August 8-9 rodeo. Flags and banners, recently purchased, have been placed in front of a number of business firms.

Present plans call for having Avenue S from the square's northwest corner to Stimson Camp Ground draped in flags and banners by Friday, August 8.

Flags, banners and other appropriate signs of festivity are expected to be placed in front of each business house around the square by the time the opening street parade of the rodeo is held.

Responding to the general theme of "whooping it up" for the rodeo, local stores are displaying cowboy and cowgirl regalia in their window fronts — everything from handkerchiefs to boots, hats, cowboy pants and lariat ropes.

PRE-RODEO CELEBRATION WILL OPEN SEASON SATURDAY NIGHT

Heralding the advent of the 1941 rodeo season for Scurry County will be a pre-rodeo rally, to be staged Saturday evening, 8:00 o'clock, on the south side of the courthouse lawn.

Hundreds of people, attired in colorful rodeo regalia, are expected to attend the rally from all parts of the county. The festivities will be informal and in the nature of a pep session for the advents ahead next week.

Word received Wednesday afternoon from directors of the Scurry County Rodeo Association indicates everything is set for the curtain to rise Friday, August 8, on Scurry County's Fifth Annual—and greatest—Rodeo.

Event formally leading up to the rodeo will be a street dance that will be staged Thursday evening, August 7, on the square's south side. Musicians have been engaged for the occasion and arrangements made to have the south side of the square roped off and cleaned up by 8:00 o'clock Thursday evening.

Friday, August 8, will be the red letter day with rodeo fans and contestants. For Friday at 1:00 o'clock, the opening street parade of the county's Fifth Annual Rodeo—a gay, colorful and exciting event—will be held.

Officials of the Scurry County Rodeo Association, cowgirl sponsors, both community and outside, Chief Quanah Parker and his Indian troupe from Oklahoma, floats and contestants will be gathered Friday, August 8, at the city tabernacle by 12:30 o'clock.

The street parade, beginning at 1:00 o'clock, will traverse the business section of town and allow everyone to get to the rodeo grounds at Wolf Park by 2:00 o'clock—formal opening hour of the rodeo.

Daily performances of Scurry County's Fifth Annual Rodeo will be held at 2:00 and 8:00 o'clock. Admission prices will be 55 cents for adults and 30 cents for children—no tax attached.

Good word with rodeo officials for the people of this trade area is that the rodeo is "ready to go." Chutes, arena, judge's booth, new grandstand seats and other details have been worked out, and officials are marking time by the wall clock until the first Brahma steer can be turned out of the chute.

This year's rodeo will be wild and wooly, and conducted at a faster pace than any previous rodeo in the county's history. Once the opening gun is fired, events will be telescoped into a fast moving panorama —truly the "fastest rodeo in the west."

An entirely new feature in conjunction with the rodeo will be a fine gaited horse show put on by C. T. McLaughlin of the Diamond M Ranch and Frank Kelley of Colorado City.

The fine blooded animals exhibited at the rodeo will be shown only at nice, since unusually hot weather precludes working the keenly trained animals during the daytime.

So, wherever you are, or whatever you are doing, why not plan to pack your things up in the old saddle bags and be here Friday, August 8, for the rodeo that will make history?

Shaws Honorees At Lawn Party by Baptist Group

Rev. and Mrs. Vernon Shaw and their son, Kenneth, were named honorees at a delightful lawn party given at the H. H. Eiland home recently when the Young People's Department of the First Baptist Church entertained. Approximately 50 young people and leaders enjoyed the picnic supper and evening's entertainment.

Mr. and Mrs. Eiland were hosts for the evening, and the receiving group included: Mrs. W. R. Bell, department superintendent; Mrs. Joe Graham, Mrs. Ethel Eiland, Mr. and Mrs. Myron Roe and Leslie Kelly, teachers.

The group was served iced punch as they arrived early in the evening, with Nell Verna LeMond and Thelma Coleman pouring. The punch bowl was banked with ferns, cannas and other flowers. The lawn setting was indeed colorful with Indian blankets, gliders, lawn chairs and swings for convenient seating of the guests.

An enormous table in the backyard groaned under the food prepared for supper—huge platters of fried chicken, rolls, vegetable and fruit salads and iced tea. Rev. Shaw gave the invocation.

An address of welcome to the new pastor and his family was given by Leslie Kelly, and the minister responded with words of appreciation for the cooperation of the young people's group. Mmes. Joe Graham and Myron Roe directed the games, which formed the remainder of the evening entertainment.

Special guests for the affair were Dawson Moreland, L. A. Crenshaw and Shelton Holmes of Camp Bowie, Brownwood, who were formerly members of the department. The three attended in uniform.

61st Anniversary

Mr. and Mrs. W. B. Stanfield, who have been residents of Snyder for the past 45 years, observed their 61st wedding anniversary at their home here Tuesday. The two are natives of Nashville, Tennessee.

Among other souvenirs and family treasures, Mrs. Stanfield exhibits, when asked, a diary, in which she has written daily since 1896. She started keeping the diary when the family moved here that year, and she has continued through the years.

Mr. and Mrs. Stanfield were married at Mansker Lake, Eastland County, 61 years ago. They have only two living children—Mrs. Gertie Smith of Snyder and Scott Stanfield of Monahans.

Observance of the anniversary was quiet this year, with only Mrs. Smith and her son, Emory Smith, his wife and their two children with Mr. and Mrs. Stanfield.

But local people will continue to remember the prominent part the Stanfield family has played in the history of Snyder and Scurry County. Mr. Stanfield is an early-day rancher, with extensive ranch holdings in Scurry and Kent Counties.

Patriotic Theme Used in Decorations

A patriotic motif in red, white and blue was emphasized in decorations and favors Wednesday when Mrs. W. W. Hull honored her son, Bobby, at his sixth birthday party. Party hours were from 4:00 to 6:00 o'clock in the afternoon.

Helen Jo Graham and Nelda Belle York directed indoor and outdoor entertainment for the youngsters until tea time. The pretty birthday cake was served with sandwiches, mints in pretty mint cups and iced punch to the guests.

Favors for the girls were dolls dressed in patriotic red, white and blue, and the boys were given ships and airplanes. Guests brought attractively wrapped birthday gifts for young Bobby.

Invited guests were the following: Rose Marie Roe, Camille Cloud, Ila Ruth Newton, Annetta Jeanne Jones, Carolyn Ann Sears, Ethel Lynn York, Ann Fish, Lynelle Martin, Billy Harpole, Jay Fish, Norman Inman, Donald York, Dub Popnoe, Billy Wayne Williams, P. W. Cloud Jr., Gene Browning, Billy Don Snider and Kenneth Shaw.

Grownups attending were Mrs. W. E. Holcomb, Mrs. J. M. Newton and Mr. and Mrs. Hull.

Nellon Minix left Wednesday afternoon for a two-week vacation from her place at the Texas Electric Service Company. She will visit in DeLeon, Cisco and Clyde. She will spend most of her vacation with her parents, Mr. and Mrs. T. N. Minix Sr., in Clyde.

HOME DEMONSTRATION CLUBS

Estella Rabel, County Home Demonstration Agent

The Pyron Home Demonstration Club met at the lovely new home of Mrs. Thedo Soules. Mrs. O. C. Hess made a report of her trip to A. & M. College Short Course. Plans were made to attend the encampment Wednesday at Von Roeder orchards.

Club members meet at the home of Mrs. Wayne Rogers at 3:00 o'clock Wednesday afternoon to go to the encampment. A luncheon cloth was auctioned off and sold at $1.12.

A delicious refreshment plate was served to Mmes. Wayne Rogers, O. C. Hess, C. A. Clifton, Herman Stahl, Marvin Farmer, John Rowland, Lee McMillan and the hostess.

The Bison Home Demonstration Club met Friday at the home of Mrs. Zack Evans.

Mrs. Melton Davis, the Bison club's delegate to the A. & M. Short Course, gave an interesting talk on the trip to A. & M. College, and some high points of the actual short course.

Members of the Bison club voted unanimously to have the county club council encampment over within the near future.

Next regular meeting of the Bison Home Demonstration Club, originally scheduled for Friday, August 8, has been postponed since such a gathering would conflict with the county's fifth annual rodeo. Nearly all club members plan to attend the rodeo.

A called meeting of the Bison club will be held Friday, August 15, at the home of Mrs. J. D. Oxsheer.

Club members decided Friday afternoon to set the next regular meeting of the Bison women for September 12 at the residence of Mrs. Scott Hickman.

Members of the Ennis Creek girls' 4-H Club met Tuesday afternoon, 2:'0 o'clock, at the home of Allene Davis.

For roll call each one had made some special thing. Some of the things made included aprons, slips and hemmed cup towels. All articles made were exceptionally attractive.

Following the business session of the meeting, several songs were sung and a round of games played. The following were present:

Virginia Robertson, Vivian Davis, Pattie Jean Hart, Charlene Prather, Weldon Davis, Allene Davis, Mrs. H. S. Hart and Mrs. Allen Davis.

Next meeting of the Ennis Creek girls' 4-H Club will be held at the home of Vivian Davis, Tuesday, August 5, at 10:00 a. m.—Reporter.

The season for canning peaches is now in full swing!

So said Estella Rabel, county home demonstration agent, Tuesday, after receiving reports from home demonstration club members that nearly everyone is busy now canning peaches for use through the winter months ahead.

But in selecting peaches, Miss Rabel points out, women of the county shouldn't let a "skin they love to touch" mislead them. This is not always a dependable guide in determining sweetness and good quality in peaches.

It is interesting to note, Miss Rabel points out, that peaches of the finest quality have a fresh appearance, and when broken open are thoroughly ripe around the seed as well as under the skin. Care must be taken with ripe peaches, as they deteriorate quickly and should be canned or eaten as soon as possible after picking.

Here, the county home demonstration agent states in reply to numerous inquiries, is the accepted way to can peaches:

Immerse the peaches in boiling water until the skins will slip easily. Plunge into cold water. Remove skins, cut peaches in halves, discard pits. To prevent darkening and the loss of Vitamin C, drop the halves immediately into a solution made by dissolving two tablespoons salt and two tablespoons vinegar in one gallon of water. Rinse fruit with clear water.

Make a light sirup by boiling for five minutes, three measures of water to each measure of sugar. Peaches may be packed raw, but a better pack is obtained if the fruit is first simmered in the sirup four to eight minutes, depending on the texture of the peach. Use a kettle or pan large enough to prevent stacking the halves. Do not cook until too soft to handle. Pack at once, placing the halves in overlapping layers, the concave surface of each half being downward. Fill container with boiling sirup. Process in water bath; quart and pint glass jars and No. 2 and No. 3 plain tin cans 15 minutes.

When packed raw, exhaust the air before sealing by placing the filled containers in a boiling water bath deep enough to come within two inches of the top of the container. Cover the water bath to hold in the steam. Count time from the time the space above the cans is filled with steam. Exhaust five minutes. After air has been exhausted from fruit, take one container and finish filling others removed from water bath to seal and put back for processing. This method retains more vitamins and gives full packs. Process in water bath 25 minutes if fruit is firm, and 20 minutes if it is soft.

Crushed Peaches

Skin ripe peaches and prepare as above for canning. Pass the halves through food grinder with end perforated with large holes (better one-half inch holes). Pack at once into cans and to each gallon of fruit add sirup made by one and one-third cups sugar and two cups water boiled together five minutes. Exhaust (as above) 10 minutes. Seal at once and process in water bath 15 minutes for pints and No. 2 cans, 20 minutes for quarts and No. 3 cans.

The fruit can be heated in the sirup to 165 degrees F. and packed hot into the cans and sealed at once and processed in the water bath as for canned peaches. This is an excellent way to utilize peaches that have a good flavor but that are undesirable from size, spots that have been cut out, or that are a little too ripe to keep their shape well. Crushed peaches are suitable for serving at any meal.

Peach Butter

Well ripened freestone peaches are best to use for making butter. To peel the peaches, dip in boiling water for one-half minute until the skins slip, put into cold water and peel. Cook the peeled peaches with very little water until soft; put through a colander sieve. To each measure or pound of pulp, add half a measure or one-half pound of sugar. Cook slowly and stir frequently until the product is of the desired consistency. While still hot, pack in sterilized jars and seal.

Peach Preserves

Peaches not too ripe that will hold their shape but ripe enough to give a good flavor may be used. Peel and prepare the peaches as for canning. If clingstone peaches are to be used, cut flesh from pits. To each pound or measure of fruit, add three-fourth pound or measure of sugar. Combine sugar and fruit in alternate layers and allow to stand overnight to extract the juice. Stir gently while heating slowly to boiling. Or prepare a sirup by adding one-half cup water to each one and three-fourths cups of sugar. Add fruit and boil rapidly. Cook until fruit is tender and clear. Pour into hot sterilized jars and seal. Clean and label jars before storing in a cool, dark, dry place.

Peach Pickles

2 gallons peaches
1 gallon sugar
1 quart vinegar (strong)
2 sticks cinnamon bark
1 tablespoon cloves
1 tablespoon allspice.

White clingstone peaches are preferable. Select firm fruit. Wash well. Remove the thin skin carefully. Cook spicy sirup until thick and pour over fruit and let stand over night. Drain off juice and boil until thick. Then add fruit. Do not stir but keep under sirup until tender and pack hot into sterilized jars. Cover with sirup. Seal, polish and label. Store in a cool, dry place.

Mrs. McElyea Gives Party for Mother

Mrs. Audie McElyea gave her mother, Mrs. T. W. Ward, a surprise party Monday afternoon at her residence, 1100 28th Street, on the occasion of Mrs. Ward's 73rd birthday.

Party attendants first gathered at the Crowder home, then crossed the street to the McElyea residence with a basketful of gifts.

Following presentation of gifts to the long-time county resident, iced orangeade and cake were served the following:

Mmes. G. R. Austin, Pearl Cole, Johnnie Cole, J. W. Burleson, T. H. Crowder, W. L. Voss, D. M. Pogue, Morris Sanders, B. H. Connally, M. V. Bland of Stamford, E. A. Smoot, H. V. Williams, the hostess, and Mary Dove Pogue. Martha Lou Holmes, Mmes. B. P. Moffett, E. R. Butts, Walter Holmes and Collins Lary, unable to attend, sent gifts.

Visit of Friends Is Pleasant Surprise

One of the most pleasant surprises recently for Mrs. B. G. Johnson came last Thursday afternoon, when four of her Baird school friends drove here for an over-night visit with the Johnson family—Mr. and Mrs. Johnson, their daughter, Bobbie, and son, Basil. The group returned to Baird shortly before noon Friday.

The visitors were: Mrs. Neal McCowell of Houston, Mrs. Lewis Williams of Putnam, Mrs. Olton Poole and Mrs. Raleigh Ray of Baird. Also in the group was Mrs. Williams' young daughter, Gayle, who was entertained by Bobbie and Basil, while the women chatted.

Mrs. Trimble Returns Home

Mrs. Mattie B. Trimble is home from a two-month vacation that took her through most of the Eastern States, Canada and Old Mexico. Her vacation party (which included her son, Homer Trimble, his wife and their sons, Homer D. and Charles, of Austin) traveled 6,430 miles by automobile. Several days were spent in Houston, New Orleans and Pensacola, Florida, before turning northward through Alabama, Tennessee and the old family home in Marion, Virginia. They spent a week in Washington, D. C., a week in New York City, several days in Canada and drove back to Niagara Falls and to Texas. The local woman also enjoyed a brief visit to Old Mexico, across from Del Rio, before returning home.

Nieces Guests of Louders

Guests of Mr. and Mrs. Earl Louder this week are Mrs. Louder's nieces, Evelyn Boyd of Abilene and Maxine Boyd of Waynesboro, Tennessee. Evelyn is a daughter of Mr. and Mrs. C. H. Boyd of Abilene and her younger sister, Marion, has already been visiting in Snyder this summer. Maxine's parents are Mr. and Mrs. Ralph Boyd, and she will spend probably six weeks in Texas, dividing her time between the Abilene Boyds and the Louders here. Mrs. Louder and her guests and Ruth Line were in Sweetwater Tuesday to visit friends and enjoy a swim in the Municipal Pool.

Dress Shop Opens August 8

Mrs. Trudy Williams and her young son, Bobby, arrived in Snyder early last week, and Mrs. Williams will soon open a new dress shop here. The new shop will be located, Mrs. Williams says, in the former location of Winnie's Dress Shop, just west of Marinello Beauty Shop. Redecoration of the shop is taking place now, and the new owner hopes to open by Friday, August 8, her "Fashion Shop."

Former Hermleigh Couple Wed Saturday

Marriage of Winnie Mae Ayers of Lubbock, daughter of Mrs. Mealy Ayers, to Wiley C. McMillan of Lawton, Oklahoma, son of the A. A. McMillans of Hermleigh, took place Saturday night in the home of Rev. G. W. Parks in Roscoe.

Rev. Parks read the service, and were the only attendants. Mrs. Mr. and Mrs. Van Voss of Roscoe were the only attendants. Mrs. Voss is the twin sister of the bridegroom.

The bride was wearing a frock of navy sheer crepe with white trim and a matching picture hat. Her corsage was of yellow rosebuds. Graduate of Hermleigh High School, Mrs. McMillan has also attended the Junior College of San Diego, California. At present she is employed in the offices of F. W. Woolworth & Company in Lubbock.

McMillan graduated from Hermleigh High School, also, and he is now employed with Western Electric in Lawton, Oklahoma. Both Mr. and Mrs. McMillan are former Hermleigh residents and were prominently connected with athletics and music in the school there.

Lee T. Stinson Home Setting for Meeting

Members of the Methodist Woman's Society of Christian Service were guests Monday afternoon, 3:00 o'clock, at the Lee T. Stinson home. Mmes. Stinson, P. W. Cloud, Herman Doak and A. C. Preuitt were hostesses, and 25 members attended.

Mrs. Harry S. Lee, president, called the meeting to order following prayer by Mrs. H. W. Williams. Mrs. T. M. Howle was elected delegate to the summer educational retreat at Cedar Canyon, with Mrs. Lida M. Hardy as alternate.

Leader for the afternoon's worship program was Mrs. D. P. Strayhorn. Opening music was by Mrs. C. V. Morris, pianist, and Mrs. Kenneth Eades gave the meditation. Topics of Mmes. M. W. Clark and I. A. Smith, program directors, centered on "Investing Our Heritage in Methodist Missions Around the World." Mmes. Lee, Ivan Hill and Ed S. Hyman also gave program parts.

Sherbet and cookies were served at the close of the program to the members.

Rosenbergs Hosts For Store Supper

Mr. and Mrs. Henry Rosenberg and son, Sam Bernard, were hosts recently in the backyard of their home to employees of the Economy Dry Goods Company for a store supper. Fried chicken and other eatables formed a delightful supper menu.

Present were: Mr. and Mrs. E. E. Thompson and son, Leslie, Hazel Lewis, Herman Elkins, Mrs. Elmo Crowder and son, Jimmy, Mrs. Bryon McPherson and the Rosenbergs.

Woolever Family Enjoys Sixteenth Reunion with Three-Day Gathering

Relatives and friends from a wide radius gathered Friday morning at the E. E. Woolever home, five miles west of Snyder in the Union community, for a three-day family reunion.

The triple-day reunion was held in honor of Mrs. Ann Woolever's 76th birthday and marked the 16th annual week-end reunion of the Woolever family.

High point of the entertainment menu was provided by volley ball and baseball games. The best team of volley ballers was coached by Marvin Bishop—a team that copped all honors Saturday evening.

The Woolever boys played the Independence team Saturday afternoon in a hotly contested softball game, whipping Independence by a score of 12 to 6.

Albert Miller and Ben Thompson furnished music Saturday evening for a family musical.

Barbecued meat, with trimmings, was served each day of the reunion by a colored cook. Food was served on long tables spread under shade trees on the lawn.

All of Grandmother Woolever's sons but one, E. V. Woolever of Slaton, were present for the Friday through Sunday festivities. Those attending the reunion included:

Mr. and Mrs. E. H. Woolever of Idalou, Mr. and Mrs. E. E. Woolever and family of Snyder, Mrs. J. W. Dixon and children of Snyder, Mr. and Mrs. O. M. Miller and son of Ira, Mr. and Mrs. P. M. Davis and children of Snyder, Mr. and Mrs. T. J. Sterling and children of Knapp;

Mr. and Mrs. C. R. Bishop and children of Ralls, Mr. and Mrs. M. E. Bishop and children of Snyder, Mr. and Mrs. Lee Myers and daughter of Idalou, Mr. and Mrs. Claudie Woolever and daughter of Odessa, Mr. and Mrs. Edgar Woolever and daughter of Seagraves, Mr. and Mrs. Weldon Bills and children, Mr. and Mrs. Jack Davis and children of Snyder;

Mr. and Mrs. O. C. Wooleyer of Dalhart, Mr. and Mrs. Elvis Bishop and children of Ralls, Mr. and Mrs. Earl Smith and children, also of Ralls; Mr. and Mrs. Charles Clanton and children, Mr. and Mrs. Morris Clanton, all of Vealmoor; Mrs. I. O. Fannin of Odessa, Mrs. Alvie Wilson of Colorado City and Mr. and Mrs. Woodrow Wilson and son of Ira.

Reunion attendants parted late Sunday afternoon, with tentative plans set to meet in July of 1942 at the Big Spring Park.

YWA Enjoys Monday Night Costume Party

Young Women's Auxiliary of the First Baptist Church enjoyed the first costume party of the season Monday evening, and prize for the most appropriate costume went to Marva Nell Curtis. The party was held at the home of Rev. and Mrs. Vernon Shaw.

Among those present were: Marva Nell, Daurice Worley, Ruth Letcher, Maxine Jones, Velma Lee Edmonson, Martha Lou Holmes and others.

Stopping for a brief hello-and-goodbye to Bill Fink and family Monday afternoon were Myal Greene and son, Jim, Will Lee and son, all of Arkadelphia, Arkansas, and Buddy Junkin of El Dorado, Arkansas. The party was returning from a trip to the West Coast.

These Scurry County Merchants Will Accept Cotton Stamps In Trade For AMERICAN-MADE Finished Cotton Goods!

Give Cotton a Lift!

Join the farmer, the Government and us by getting more manufactured cotton goods into circulation.

Cotton is the South's biggest cash crop. With export markets disrupted by the European war, cotton farmers are hard-pressed. So the Government is paying farmers who made an extra 1941 acreage reduction with Cotton Stamps with which they can buy American cotton goods. The general public is requested to aid in this program by buying more goods made of cotton.

Items Which Are Exchangeable for Cotton Stamps:

1.—Cotton picking sacks to be used by the purchaser on the farm. These sacks, however, are not to be resold either directly or indirectly as containers used in the sale of other products.

2.—Mop heads made entirely from domestic cotton, if detached from the handles and having no attachments.

3.—Thread made from 100 per cent American grown cotton and made entirely in the United States. (A great many of the threads on the American market are made of Egyptian cotton and, therefore, would not be acceptable in exchange for stamps).

4.—Printed or dyed cotton cloth or that which has been painted with stripes.

5.—Batting or mattresses made wholly of 100 per cent American grown lint cotton (not linters).

6.—Any other item made in the United States and entirely from cotton produced in the United States.

Cotton stamps serving a dual purpose of rewarding farmers for reducing their cotton acreage and digging into the cotton products surplus, will be distributed steadily during the next few weeks in Scurry County.

The stamps, in 25-cent denomination, and ranging from $5 to $25 for each producer, or a maximum of $50 for the owner of several farms, will be as good as money in purchasing cotton products of any kind at cooperating stores—and cooperation is expected to be general.

The stamps are issued on the basis of 10 cents a pound on the normal yield up to $25 for each producer on each farm. The reduction is that no cotton planted below the specified acreage or produced below the allotment.

The Scurry County merchants listed below—wishing to cooperate in any plan that will aid our farmers and the government—understand this new Cotton Stamp Plan and will be happy to accept your Cotton Stamps in exchange for any article made 100% of American-grown cotton, as prescribed by the conditions of the plan set forth by the Secretary of Agriculture.

For new, highest quality, finished cotton fabrics and garments you and your children need, trade your Cotton Stamps at any of these stores:

Bryant-Link Co.
Frank's Department Store
J. H. Sears & Co.

Bob Adams Dies Sunday Following Ten-Day Illness

Friends from Scurry and several nearby counties gathered Tuesday afternoon at Hermleigh school gymnasium to pay final respects to Bob Adams, 57, former semi-professional baseball player with several Texas League teams and present Inadale gin manager, who passed away Sunday evening, 6:55 o'clock, in the Veterans' Administration Hospital, Amarillo, following a 10-day illness.

A World War veteran, Adams served as a private first class in the Medical Department, 34th Infantry, and had 15 months service overseas with the Army of Occupation in the Rhine district.

Prior to World War service, Adams served with General John J. "Black Jack" Pershing in Old Mexico, when Pershing was ferreting out Pancho Villa from his hiding places.

A long-time Mason, Adams was a former deputy grand master and past master of the Hermleigh A. F. & A. M. Lodge No. 987. He has, at one time or another, filled every office in the Hermleigh lodge.

Most county people remember Adams as a "spark plug" baseball player, starring most of the time on second base. Adams pitched for many a game between county teams, and had a host of baseball fans around Arlington and Fort Worth.

Born February 5, 1884, in Syerly, Georgia, Adams moved to Hillsboro, Hill County, in 1908, to Tarrant County for a brief period and to Scurry County in the latter part of 1909.

Adams had been manager of the Inadale Cooperative Gin for the past three years, and had managed the Hermleigh Gi nfor 12 years.

Body of Adams rested in state Tuesday at the Charkon Adams residence in Hermleigh until time of the funeral.

Rev. G. W. Parks of Roscoe, assisted by Rev. S. A. Sifford of Hermleigh, conducted final rites.

Surviving are three sisters, Mrs. Ella Adams of Inadale, Mrs. J. T. Holladay of Commerce and Mrs. S. T. Shuttlesworth of Lindale; and four brothers, J. B. Adams of Snyder, B. H. Adams of Waco, C. M. Adams of Hermleigh and J. W. Adams of Quinlan.

Discharge papers Adams received from the army were signed by F. A. Logan, colonel of field artillery, and showed that Adams was in the infantry that was demobilized at Camp Bowie.

Hermleigh A. F. & A. M. Lodge No. 987 was in charge of graveside rites.

Maples Funeral Home was in charge of funeral arrangements, with interment in Hermleigh Cemetery.

Pallbearers for final rites at the gymnasium were James Ammons, Jim Light, M. U. Vernon, Walter McMillan, Bill Etheredge and Russ Layman.

Masonic pallbearers for graveside rites were Dave Ammons, Bill Rea, Dave Hess, Lee McMillan, Schley Adams and Elmer Louder.

Leota Ammons, Evelyn Higginbotham, Pearl McMillan, Eloise Pauline Vernon, Opal Etheredge and Myrtle Etheredge were in charge of floral offerings.

Funds for More REA Lines Get Approval

Announcement was made this week in Washington that a loan of $130,000 has been approved for the Lyntegar Electric Cooperative to build 230 miles of REA lines in Borden, Garza, Dawson, Hockley, Lubbock, Lynn, Martin, Terry and Yoakum Counties.

Rural Electrification Administration officials stated that several other applications for REA funds were on file, including one from the Midwest Electric Cooperative, with headquarters at Roby. The new line Midwest is contemplating will serve parts of Scurry, Fisher, Mitchell and Stonewall Counties.

Mr. and Mrs. Fonzo Eades and son and Mr. and Mrs. A. W. Eades and small daughter, all of Dallas, visited here during the week-end with their uncle and aunt, Mr. and Mrs. J. W. Eades, and children.

Mr. and Mrs. Elmo Crowder and son, Jimmy, are home from a vacation trip to points in New Mexico. They visited with the Grady Fergusons at their Encino ranch during the New Mexico visit.

County Drive

Even the Scurry County Home Demonstration Council has become aluminum minded this week.

Members of the county's home Demonstration Council are joining whole heartedly in the drive to help the local Will Layne American Legion Post gather discarded aluminum pots and pans to aid defense work.

Since the county-wide aluminum drive will close this week-end, council members are urging that members of county Home Demonstration Clubs bring their discarded aluminum articles to town Friday and Saturday and toss them in the collection pen on the square's northeast corner.

Members of county Home Demonstration Clubs are urged to bear in mind the fact that every pound of aluminum collected makes the security of this nation several hundred more pounds secure. Aluminum, as most folks are aware, goes into airplane parts, accessories, and the major part of army and navy equipment.

Leads Revival

Shown in this picture is Bro. J. Woodie Holden, Church of Christ evangelist from Abilene, who will begin a meeting Saturday evening at the Hermleigh Church of Christ. Well known to soldier boys of this area, Holden is minister of the Camp Barkeley Church of Christ near Abilene.

J. P. White Dies At Canyon Home, Funeral Set Today

Death claimed J. P. White, 71-year-old county resident, Wednesday morning, 10:30 o'clock, at his home in the Canyon community following a three-week illness.

White had resided one and a half miles west of Canyon School many years, and had lived in Scurry County since 1923. He was born June 16, 1870.

Funeral services for the veteran Canyon farmer are scheduled to be held this (Thursday) afternoon, 3:00 o'clock, at Canyon School.

Rev. R. E. Bratton, Baptist minister of the Canyon community, will officiate.

Pallbearers will be Lewis Smith, Ed Taylor, Robert Gregory, Judson McGaha, Tom Fambro and John Anderson.

Surviving are the widow, two sons, Emmitt White and Jessie White of Snyder; two daughters, Mrs. Oma Brown of Edgewater, Colorado, Mrs. Imagene Sharp of Bakersfield, California; a brother, G. W. White of Llano; and two sisters, Mrs. Will Rea and Hassie White of Kempner.

Odom Funeral Home will be in charge of funeral arrangements, with burial in the Canyon Cemetery.

Day for Donating of Oil to Britain to Be Postponed for Time

After consultation with operators in the Sharon Ridge oil field and other fields in the state, members of the Texas Railroad Commission announced Tuesday the indefinite postponement of the "Oil for Britain" day in the state. Postponement was made necessary because details for gathering and transferring the oil were not complete.

Commissioners Jerry Sadler and Olin Culberson informed The Times that a new date would be set when arrangements have been completed. The commission had designated August 10, one of several statewide shutdown days, as a special day in which operators voluntarily could produce their basic allowables and present the oil to Britain.

Governor W. Lee O'Daniel has designated August 10 as a special day for gathering national leaders at Corpus Christi for special ceremonies signifying transfer of the oil to the British empire.

Funds Still Coming in In County USO Fund

Lee T. Stinson, county USO chairman, and William Fuller, local USO chairman, announced Wednesday that the county-wide United Service Organization drive is still underway in Scurry County.

Through Wednesday, total of $450 had been collected in the USO drive, a figure still short of the goal set for the county as a whole.

"We are still receiving donations for USO benefits," Stinson states, "and will graciously receive contributions of any amount. People have responded wonderfully to the drive, but still don't realize the urgent need of sending their donations in immediately."

Mrs. Dougherty Attends Opera

Lucile Strayhorn Dougherty, local piano instructor, returned home Saturday from a two-week stay in Cincinnati, Ohio, where she attended normal method lecture classes in music conducted by Madame Daies at the Cincinnati Conservatory of Music. Mrs. Dougherty also attended three enjoyable performances of the Cincinnati Opera.

Veteran Rancher Hurt When Horse Throws Him Off

J. J. Koonsman, prominent county rancher and president of the Scurry County Rodeo Association, was reported resting well late Wednesday afternoon in a local hospital following a severe head injury received Saturday afternoon, near sundown, when a horse turned too quickly and threw Koonsman against a corral fence at the Koonsman Ranch.

Koonsman had driven up some heifers and put them in the corral preparatory to feeding. The prominent rancher rode into the corral horseback—as was customary—and was preparing to dismount when a yearling started out the gate.

The horse Koonsman was riding turned too quickly and threw the veteran rancher against the corral fence, his head striking a board in the fence.

He was rushed to a local hospital unconscious, and did not regain consciousness for several hours. Mrs. Koonsman just happened to see her husband when the accident occurred and promptly summoned help in getting the rodeo association official to a local hospital.

Koonsman's many friends join in wishing him a speedy recovery, and hope he wil be able to attend the August 8-9 rodeo, of which he is director-general.

Mr. and Mrs. A. J. Riley had as week-end guests Mr. and Mrs. Edgar Spindle of Phoenix, Arizona. Mr. and Mrs. Spindle were en route from Kentucky to Colorado, and left a sample of Kentucky tobacco and roasting ears with Mr. and Mrs. Riley. The Arizona couple also visited relatives at Sweetwater.

Quick Thinking

Not everyone gets a medal these days for an act of cool, level-headed bravery!

Such was the case Saturday afternoon when a lady motorist driving along the west side of the square, saw a tousled-headed, eight-year-old girl dart in the street right ahead of her automobile.

Instead of wringing her hands and yelling for assistance, the lady motorist whipped the car into a vacant parking place next to the curb, and not only saved a life but won the respect of those who happened to see the near-accident.

Of course a little concrete was smashed, and a right front fender damaged, but what are small amounts of concrete and steel compared to a young life? And the lady's name? That part is beside the point—for the important thing to think of is that a little girl is happy and well today because a passing motorist had the cool, concise judgment to use the best way out of the situation.

ABOUT FOLKS YOU KNOW

Mrs. M. V. Bland of Stamford is visiting in Snyder with her daughter, Mrs. B. H. Connally, and family.

Mr. and Mrs. Rex Smith and daughter, Betty, of Abilene visited the D. P. Strayhorns here Sunday.

Margaret Dell Prim and Mary Anne Webb are back from a 10-day visit with their grandmother, Mrs. Della Hailey, and aunts, Miss Jo Hailey and Mrs. Ida McClary, on their farm at Lott.

Mrs. H. H. Eiland and son, Billy Jay, and J. R. Meador left today (Thursday) for a week's vacation visit with the Royce C. Eilands at Childress, her sisters in Quanah and relatives in Denton.

Eileen Coble of Amarillo is a guest here of Geneva Glasscock at the home of her parents, the J. O. Temples. Misses Coble and Glasscock met at Phillips University, Enid, Oklahoma, several years ago when the local girl was a student there.

Elmo Faver, son of Mr. and Mrs. G. R. Faver, recently had a promotion at Fort Bliss. He is now in general charge of the barns for the cavalry division of the army group in the camp. He was visiting with his parents here early in July.

Mrs. Georgia B. Egerton and daughters, Dorothy and Virginia, all of Fort Worth, visited here Monday with Mrs. Egerton's mother, Mrs. G. C. Buchanan, and her sisters, Mmes. Mattie B. Trimble and Mary B. Shell. They were en route to Canyon for a few days' visit with relatives, and to Pampa for Dorothy's marriage today (Thursday) to Robert Farley.

Out-of-town visitors in the Roy R. Jones home the past week were: Mrs. W. R. Robinson and daughter, Reata, of Griffithville, Arkansas; Mr. and Mrs. L. D. Hendrixson, Mr. and Mrs. J. C. Hendrixson and daughter, Artheth, all of Judsonia, Arkansas; Mrs. J. T. Gortney and children, Margaret and Charles Levine, of Little Rock, Arkansas; Mr. and Mrs. G. R. Ball of Rising Star; Mr. and Mrs. J. D. Pagan of Sterling City. Mrs. Lucy Blythe and Nancy Jones of Snyder were week-end visitors.

Mr. and Mrs. David Strayhorn spent Friday in Abilene.

Nathan Rosenberg is vacationing in Hot Springs, Arkansas.

The Grady Fergusons are here from their ranch home at Encino, New Mexico.

Mr. and Mrs. Clayton P. McCelvey of Lubbock were here Sunday as guests of the J. S. Lewis family.

Mr. and Mrs. J. J. Eades and children of Abilene visited part of this week with his parents, Mr. and Mrs. J. W. Eades, here.

Mrs. Willard Jones and daughter, Annetta Jeanne, and son, June, left Wednesday for a 10-day visit with Mrs. Jones' mother, Mrs. M. H. Fox, at Decatur.

Mrs. Henry Clements and Mrs. John Wesley Norred and baby son, David, of Sweetwater, all former Snyder residents, visited local relatives and friends Friday.

Mrs. Bob Davenport and young son, Sammy, of San Angelo came Monday for a week's visit with Mr. and Mrs. L. D. Green and Tippy Burns. Davenport came Wednesday night.

Drive for Newspapers For USO Still Going

Collection of discarded newspapers, magazines and rags is going forward this week at a satisfactory level, Mrs. J. W. Woody, co-operator of the Palace Sandwich Shop, states.

Proceeds derived from the sale of old papers, magazines and discarded clothing and rags will go to the United Service Organization. When a sufficient quantity is obtained, Mrs. Woody states that the bundles of papers, etc., will be sold to the American Paper Company of Dallas.

"We are still soliciting donations of discarded papers, magazines and clothes," Mrs. Woody reports, "and will appreciate donors bringing the bundles to the Palace Sandwich Shop. It is urgent that we collect as much material as possible immediately—if we are to help with USO collections."

Former Snyder Boy On Way to Cuba Base

En route from Honolulu, Hawaii, to Quantico Base, Cuba, Rev. Beecher Bennett, former Tiger squad football star and graduate of Snyder High School, stopped last Thursday to visit Mr. and Mrs. W. M. Davidson of the Dunn community.

Rev. Bennett, a chaplain in the U. S. Navy for a number of years, was accompanied by his wife and two children, John and Betty. He is due to be in the navy's new base at Cuba by mid-August.

A state to prosper, must be built on foundations of a moral character; and this character is the principal element of its strength and the only guaranty of its permanence and prosperity.—Jabez Curry.

Borden Road Ready For Final Acceptance

Road work on the 14.8-mile strip of Highway 15 in Eastern Borden County is virtually complete.

So announce Cocke & Braden representatives, who expect the State Highway Department to accept their work on the East-West roadbed this week-end.

The roadbed in Eastern Borden County was given a thorough sprinkling with water early this week and the select material ironed out with heavy rollers. Traffic is expected to be transferred to the new roadbed as soon as acceptance is given by the highway department.

Freezing of Japan's Assets in U. S. Not To Affect Lint Mart

Speaking for the benefit of cotton farmers in Scurry and nearby counties, Robert Mayer, head of J. Kahn & Company, Dallas cotton merchant, said Tuesday that freezing of Japanese assets by the United States government should have no effect on the cotton outlook here or in other parts of the state.

Local cotton buyers and ginners voice the same opinion, since American cotton consumption has been greatly stepped up within the past three months by the defense program and increased purchasing power of the public.

The cotton yield of the 1941 crop has been tentatively set at about 12,000,000 bales—one of the shortest cotton crops estimated in many years.

While pointing out the greater domestic market for the staple, Mayer at the same time minimized the value of the present cotton export trade to the Orient.

Mayer points out that up to date in the season from last August 1 to the end of July, shipments to Japan and China have totaled only 215,000 bales. Japanese purchases have accounted for about three-fourths of this amount.

Mr. and Mrs. F. L. Pierce and Mrs. W. Norred returned home Saturday from a vacation trip to the Gulf Coast. The Pierces joined Mrs. Norred, who had been in Lampasas more than a month, at the home of Mr. and Mrs. Munger Y. Lewis for a several-day visit before going on to Texas City and other points on the coast. They were guests in Texas City of Mrs. Norred's granddaughter, Mrs. Ben Brandenburge, the former Marguerite Higginbotham of Abilene, and her husband.

INSURANCE ON 1942 LINT CROP BEING SLATED

Biggest Percentage of Average Yield May Be Assured Under Setup With Note for Premium

Under the 1942 cotton insurance program, announced this week, Scurry County cotton farmers will be able to insure 50 or 75 per cent of their average yield, Ross Williams, chairman of the county agricultural association, states.

Details of the U. S. Department of Agriculture crop insurance program have been perfected by the Federal Crop Insurance Corporation in Washington, and Scurry County growers will be able to insure their next year's crop before seeding, Williams continues.

The insurance will protect from all unavoidable hazards, such as drouths, insects, including boll weevils, flood, plant disease, wind, fire and hail.

Premiums and guaranteed yields will be figured in terms of pounds of lint cotton and the premiums will be based on the crop loss history of individual farms adjusted to reflect the crop loss history of the county. Yields and crop loss averages will be figured on the basis of historical or appraised productivity over a period of years.

Premiums for individual cotton growers, the AAA official continued, will be figured on a lint cotton basis. Payment of premiums will be made with a commodity note which each grower will be required to sign, guaranteeing payment of the premium on or before maturity date. The maturity date is about the time cotton is picked or about the time indemnities are usually paid.

In paying the note, Williams pointed out, it may be paid either in cotton or the cash equivalent. In the event the note is not paid when it matures, the cash amount of the premium will be deducted from the indemnity paid the grower, or from the first government payment he receives. These payments include cotton loan, parity payments and AAA payments.

Booster Band for Post Stampede in Snyder Monday

Post's Rodeo boosters, some 45 strong, arrived here Monday at 12:55 p. m. to whoop up business for Post's Rodeo and Stampede Friday and Saturday.

Eddie Warren, Post publisher, Giles Connell and others narrated around the square the good word that Post's boots and bridle festival will open Friday noon with a colorful mile-long street parade.

Scurry County will send a large delegation to the Post Rodeo—cowgirl sponsors, contestants and fans.

Beauteous Billie Lou Thompson, daughter of Mr. and Mrs. Whit Thompson, will be in Post as Snyder's official cowgirl sponsor, rodeo association officials announce.

Julia Mae McDonnell, attractive daughter of Mr. and Mrs. T. J. McDonnell, will be in the cowgirl's sponsor contest for the ZT Ranch.

Dorothea Merket, daughter of Mr. and Mrs. Jim Merket of China Grove, will be in the cowgirl's sponsor contest, as will several others from this county.

The first rodeo performance at Post will open Friday afternoon at 2:00 o'clock when eight chute gates are opened, and as many riders, four on Brahma steers and four on bareback broncs, ride out in the "mad scramble."

The Post Stampede, Inc., has posted in excess of $1,300 in cash prizes, two $115 hand-made saddles and other merchandise prizes for contestants in various events.

Afternoon rodeo performances will begin at 2:00 o'clock and evening performances at 8:00 o'clock.

Rattler Seeks Entry In Polar Home As Boys Play on Porch

Two-year-old B. A. Ford and his one-year-old brother, Arlon Dale, sons of Mr. and Mrs. Burl Ford of the Polar community, had a narrow escape last Wednesday afternoon from a large diamond-back rattlesnake. It happened in an unusual way.

Mrs. Ford states she left the two boys on the back porch to play, while she was engaged in sweeping the floors of the residence.

In a few minutes Mrs. Ford began to hear the two boys whimper, and was only mildly surprised when B. A. told her to walk out on the porch and see what Arlon was playing with.

Mrs. Ford's expression changed to one of horror when she reached the back porch, for there between the two boys was a large rattler, seemingly trying to get in the house.

Although very excited, Mrs. Ford pushed the screen door open, which went over the snake but pushed the baby boy—Arlon—out of harm's way by catching him between the door and the wall.

Mrs. Ford says she pushed B. A. over with her foot, then kicked at the snake. The rattler began striking, but instead of biting the Polar woman or either of her children, began shortly to crawl off the porch. Why the snake didn't bite a member of the family is a mystery.

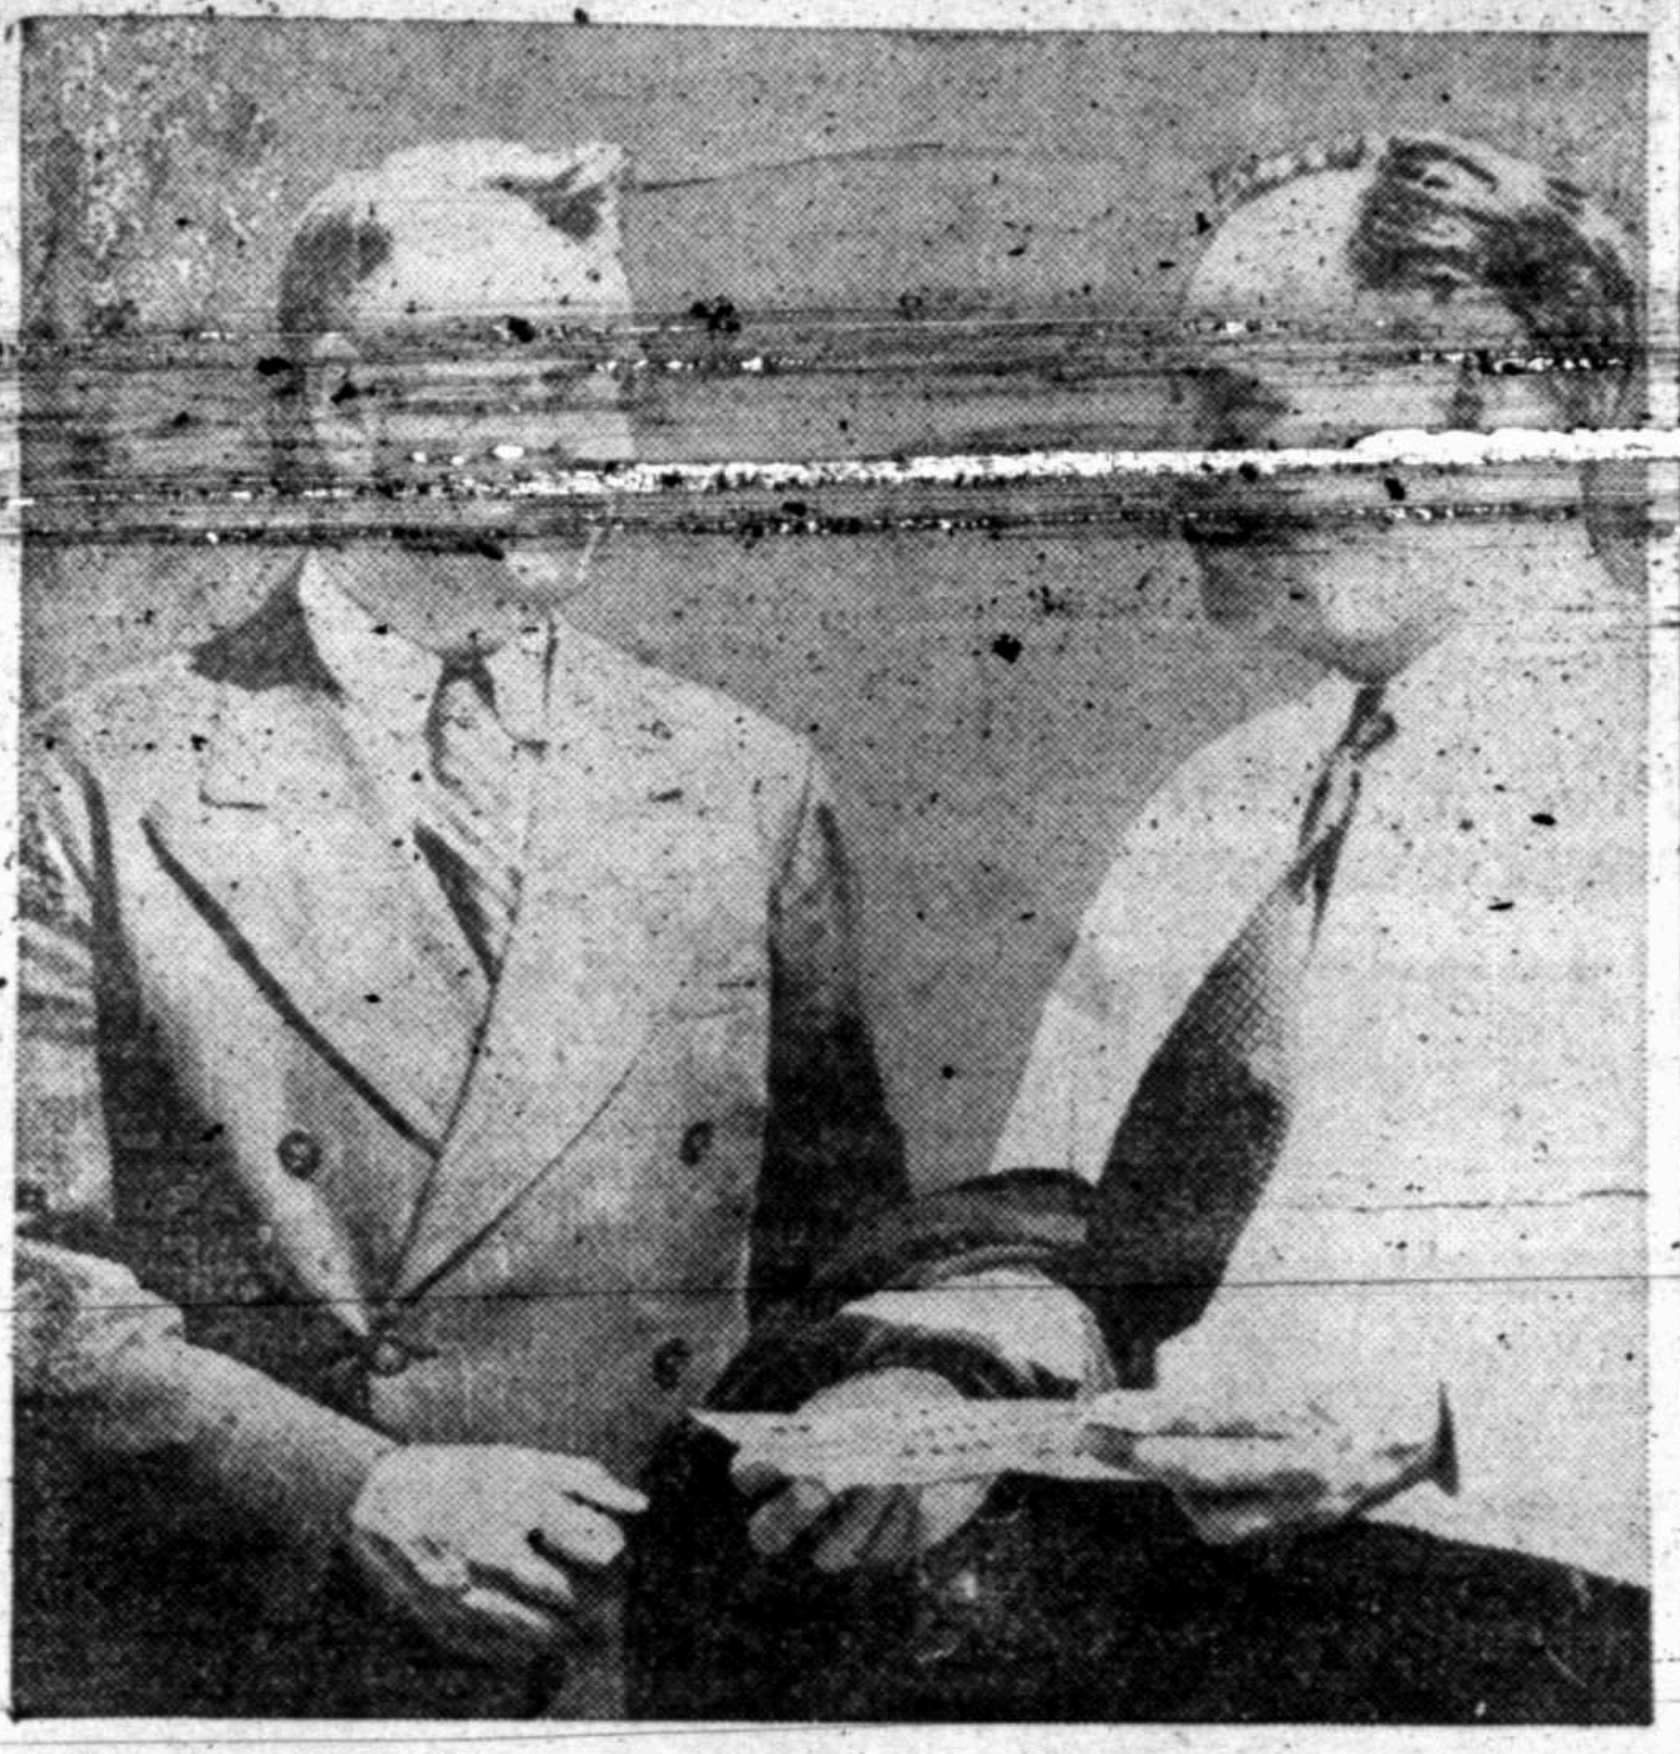
Cash for USO from Oil Field



Roustabouts, drillers, producers, farmers and town people chipped in their change and put Hutchinson County more than $500 over its quota for the United Service Organizations. Here J. C. Phillips (left), editor and manager of the Borger Daily Times, director of the USO drive for Hutchinson County, is handing E. B. Germany, Dallas, Southwestern regional chairman, a check for $2,000. Germany flew to the Panhandle city to receive the check and to thank the County committee.

Dillard Reports Hold Interest of Lions at Session

Chamber of Commerce Manager R. G. Dillard made a report of so many interesting projects now underway in the county that attendants at the Tuesday session of Snyder Lions Club realized plenty of action for the area is is in the offing.

Center of Snyder interest for the next two weeks, of course, is the rodeo, Dillard stated. He pointed to the booster trips for Monday and Tuesday, spirited outside and community sponsor contests, Parker Indian attraction, city decoration and parade for the opening of the rodeo as major activities.

The CC manager declared that as a result of the Friday meeting of the East-West Highway Association in Snyder major improvements to practically complete Highway 15 within the next several months is promised.

Flood control, soil conservation and future supply of water for Snyder will result, Dillard said, from projected channel and dyke improvements on Dry and Deep Creeks, which converge in Snyder. These streams have been constant threats to the city for years, it was pointed out to government officials who made preliminary surveys several days ago. Remission of state taxes to care for portion of the cost of such a project is contemplated, Dillard declared.

I. W. Cox was recognized as a transfer member from the Denver City club at Tuesday's meeting. W. B. Zedler of Houston was a guest. Lieutenant Roy O. Irvin, stationed at Camp Bowie, was present.

Musical numbers were rendered for the Lions by Beverly Johnston, Margie Arnett and Margry Brown.

Program committee for August was announced by President Herman Darby, composed of Marcel Josephson, W. A. McGlaun and W. R. Bell.

It was voted by the club to dispense with next Tuesday's meeting in view of the proposed rodeo booster trips that will take many of the members out of town.

Free Picture Show For Farm Families Slated Friday, 2:00

Scurry County cotton producers and their families were extended a cordial invitation this week by Edward S. Hyman, county agent, and Estella Rabel, county home demonstration agent, to attend a free picture show Friday afternoon, 2:00 o'clock, at the Texas Theatre.

Friday afternoon's program, made possible through the courtesy of P. W. Cloud, Texas Theatre manager, will consist of films on 4-H Club work, home demonstration work, soil conservation work and other subjects of interest to county farm and ranch families.

For the convenience of farmers and ranchers in the edge of the county, the same show as given at the Texas Theatre will be given Friday evening, beginning at 8:30 o'clock, in the district courtroom.

Included in the free movies will be comedies which both children and adults will enjoy.

Scurry County farmers, ranchers and their families are urgently requested to remember the time—the Texas Theatre Friday afternoon, at 2:00 o'clock and the district courtroom at 8:30 o'clock.

Daren Benbenek Gets Army Radio Diploma

Reminded that they are members of "one great team whose slogan must be teamwork," Private Daren L. Benbenek, son of Mr. and Mrs. Pete Benbenek, and 280 other young men comprised the latest class last week to receive graduation diplomas at the U. S. Private Benbenek completed the 22-week radio operators and mechanics course at the department of communications, and will be assigned to some air corps station, qualified for duty with tactical units, Colonel Wolcott P. Hayes, commandant, states.

13% Loss Shown In Valuations for Hermleigh Area

In spite of a reduction in valuations of 13 per cent for the school district, Hermleigh School District last week set its tax rate for the ensuing year at only $1 per $100 valuation. This action was part of the business transacted by the school board of the southeast county school at its Tuesday night session.

Valuations for the Hermleigh district were reported at the $842,816 figure after rendition rolls of the tax assessor were canvassed by the board, according to Superintendent A. C. Bishop Jr.

Sulphur and German districts, which were consolidated with the Hermleigh Schools, have a combined property valuation of $121,000 in the two areas, which valuations are not included in the Hermleigh total. According to agreement made by the Hermleigh Schools at the time of merging the school districts, the $1 rate will also be maintained in these two districts, Bishop says.

Contract for gasoline and oil for the school busses was awarded the Gulf Oil Corporation by the Hermleigh board at the Tuesday meeting.

Superintendent Bishop announces that Hermleigh Schools will probably open about September 1, which is about two weeks earlier than usual. This early opening will permit the school to close for a two-week period at the peak of the cotton picking season, if necessary.

Number of Snyder Boy Scouts Plan to Go to Mertzon Camp

H. L. Wren, chairman of Snyder's Boy Scout district, stated Wednesday that a nice sized delegation of Snyder and Scurry County Boy Scouts will attend the summer Scout camp at Camp Louis Farr, near San Angelo, from August 11 through August 16.

From 150 to 200 Boy Scouts from Scurry and other counties that compose the Buffalo Trail Council are expected to attend the Louis Farr encampment. There will be an adult leader for each 10 scouts, as has been the policy of the council for several years.

The camp is located close to Mertzon, and has many attractions. The camp has a dining and recreation hall, first aid building, showers, handicraft lodges, library, gymnasium and other facilities.

Detailed information on the summer scout camp can be secured from L. H. Butler, scoutmaster of Troop 35, Jesse Clements, scoutmaster of Troop 36, or by contacting E. L. Farr, chairman of camping and activities for the Snyder district.

The demonstration will be held on the second floor of the Bryant-Link Company building, in the space used as a store room. Mrs. Jacqueline Crosby, local FSA home management supervisor, will be in general charge of the demonstration.

Estella Rabel, county home demonstration agent, will discuss the place frozen food lockers occupy in the home food preservation plan.

Mrs. Leon Guinn will speak on "Getting the Most from Investments in Food Lockers." Mrs. Crosby will demonstrate the preparation of various foods for a frozen food locker and give recipes helpful in preparation of such foods.

Some of the foods demonstrated will be prepared for tasting and inspection by attendants. In this way county residents can get an idea of how frozen foods should be properly cooked.

Both the preparation of foods for frozen plant lockers and the cooking of such foods will be discussed in detail. The demonstration will be open to the public.

Big Peach Crop Emphasizes Food Value of Fruits

Tasty, appetizing peaches, good to eat and good for you, will be the central attraction on most Scurry County tables through the month of August.

During this month, Edward S. Hyman, county agricultural agent, and other attaches at the county agent's office, will conduct a county-wide campaign calculated to increase the consumption of fresh peaches, of which there is an abundance in this territory.

"We are not eating enough of the basic health protecting foods of which we have ample supplies in this country," Hyman points out. "More than 40 per cent of our people are actually suffering from malnutrition in this land of plenty. And today, more than ever before, America needs strong, red-blooded men, women and children.

"We have always relished peaches, and this delicious fruit now takes a new rank as a healthful food. Recent research has revealed that peaches, for example, are rich in Vitamins A, B, C and G, necessary for good health," Hyman concluded.

In urging all homemakers to eat more peaches at this time, in cooperation with the county agent's office, is Robert M. Moss, area supervisor of the Surplus Marketing Administration. Home canned peaches, Moss emphasizes, provide a splendid supply of basic health protecting foods and a thrifty home supply, too.

Fluvanna VA Boy Wins Star Farmer Award for Record

H. L. Parks Jr., prominent junior in Fluvanna School, added another laurel to his list of honors in recent years when he was awarded the recognition this week of Lone Star farmer.

Young Parks has been coached in his school work by Buford Browning, Fluvanna vocational agriculture instructor.

In order to win the ranking of Lone Star farmer, Parks had to earn more than $250 on his club projects, and his grades in Fluvanna School had to be in the upper 40 per cent bracket of judging.

Youths who win the coveted Lone Star farmer award also have to possess leadership and ability, as well as qualities of good citizenship.

Parks was voted last year the outstanding boy citizen in Fluvanna School, Browning reports.

Parks is president of the Snyder Future Farmers of America district, and secretary of this area FFA district, which comprises one-tenth of the state.
