Mavs to Close Season Against Clyde Friday

Closing out the 1966 Football Season, the Eastland Mavericks will be at home Friday night in Maverick Stadium, hosting the Clyde Bulldogs.

The Mavericks lost to Cisco last Friday, 40-6, and will be hoping to close out with a big win.

Clyde lost to Granbury, 38-0; whipped Albany, 27-0; beat Hamilton, 23-0; downed Comanche, 14-6; and slipped by Cisco, 9-0.

SPECIAL HALF-TIME Special half-time activities are planned Friday night's football game in Maverick Stadium, it has been announced. Hints are that it might be a little like the Fourth of July. Fans and spectators will especially want to make the Maverick-Clyde game a part of their football weekend.

The big District 7-AA decision will be in Hamilton when the league leaders, both sport-

ing 4-0 records, meet Friday night. Granbury beat Comanche 49-8 last week, while Hamilton was defeating Clyde, 27-24.

The Mavericks have won 3 and lost six for the season; Clyde has won six and lost 3. Eastland has tallied 62 points to their opponents' 232 while Clyde has put together 154 points and their foes' 97.

DISTRICT 7-AA Season			
Team	W	L	T
Granbury	9	0	0
Hamilton	7	2	0
Clyde	6	3	0
Comanche	3	5	1
Eastland	3	6	0
Cisco	1	8	0

Team	District	W	L	T
Granbury	4	0	0	0
Hamilton	4	0	0	0
Clyde	2	2	2	0
Comanche	1	3	1	0
Cisco	1	3	1	0
Eastland	0	4	0	0

7 EHS BANDSMEN WIN ALL-DISTRICT CHAIRS

Some of the Eastland High School band members were in Dublin recently to try out for the All-District chairs.

Those who won places in the band practiced several hours during the afternoon in preparation for the concert which was held that night in the school auditorium.

Playing in the All-District Band were Marilyn Huckaby, fourth chair flute; Mar-

sha Treadwell, second chair alto saxophone; Mary Ann Turner, third chair baritone; Sandra Harp, eighth chair B-flat clarinet; Georgianna Sikes, seventeenth chair B-flat clarinet; Lela Lee, first chair trumpet; and Nancy Copeland, second chair alto clarinet.

These EHS band members will try out for the regional band on January 7.

MAVERICK B TEAM DOWNS CLYDE, 22-14

The Eastland Maverick B team put it on a Clyde B team at Maverick Stadium Saturday morning, 22-14.

Randy Lowrance, a freshman, started the Eastland scoring with a two-yard run over right tackle and came to run over the extra two points.

Thanksgiving City Service Is Set Nov. 23

The Ministerial Alliance met Monday morning at the First Methodist Church, to complete plans for the annual Community Thanksgiving Service, which will be held Wednesday, November 23 at Bethel Baptist Church. The service will begin at 7:30 p. m.

Present Monday were President Rev. Eugene Surface of the First Presbyterian Church; Rev. Bill Goff, Bethel Baptist Church; Rev. Davenport, the host pastor; Rev. Haston Brewer, First Baptist Church; and Rev. James E. Emery of the Assembly of God Church.

Calvary Baptist Revival to Start Monday, Nov. 14

Calvary Baptist Church, 205 North Oak, will hold a Revival from Monday, November 14 through Sunday, November 20.

The Rev. Earl Williams, pastor of the church, said services will be held at 7 each night. Everyone is invited to attend these worship services.

The evangelist will be the Rev. Norman Towles of Weatherford, who has conducted revivals at the church prior to this time. Rev. Towles is an outstanding speaker and has held many evangelistic services. Singing will be led by Rev. Williams.

BREAD of Life

If riches increase, set not your heart upon them—Ps. 62:10. If rich, be not too joyful in having; Too solicitous in keeping; Too anxious in increasing; Nor too sorrowful in losing.

Tower Carries Eastland County By 37 Votes In General Election

3,211 Voters Go To County Polls

Only about half the qualified voters in Eastland County (3,211) turned out Tuesday for the General Election and in the one contested, and very closely-eyed Senatorial race, it was a "horse race" to the wire in this county.

Rarely have such nip-and-tuck races been seen.

Final unofficial returns including all 12 voting boxes and absentee gave Incumbent John Tower a slim margin of 37 votes over Democrat Waggoner Carr. Tower got 1,695 and Carr, 1,658 in the county.

At Kokomo, each got 13 votes; only one vote separated the two at Olden; and the voting was very close in most other boxes. Biggest spread in the unofficial returns appeared to be at Rising Star, which reported 111 for Tower and 224 for Carr.

COUNTY VOTE FOR SENATOR	
	Carr Tower
Absentee	32 39
Desdemona	34 27
Carbon	63 43
Scranton	13 3
Olden	56 55
Cisco	468 463
Kokomo	13 13
Ranger	284 267
Eastland	375 498
Rising Star	224 111
Gorman	117 173
Pioneer	24 8
Nimrod	15 5
Total	1658 1695

Countywide, voters endorsed all amendments but two—voting against No. 4 (conservation districts) and No. 13 (county government authority).

Election workers apparently spent a busy day with the big ballot which carried 16 proposed constitutional amendments in addition to the office races. All returns were in to the County Clerk's office by 11:30 p.m. Desdemona was its usual first; the big (982 votes) box at Cisco was in at

8:30. The Ranger box was in 9 and Eastland followed at 9:15.

The Senate race was the only seriously contested race and the Democratic nominees, on the state, district and local level were elected as predicted.

County voters generally approved the amendments, with a few exceptions. Both Rising Star and Ranger voters okayed all 16 and Eastland and Cisco went for all but one each — Eastland nixed No. 4

and Cisco said "No" to No. 13. Voting fell short of the estimated 3,500, and far below the qualified estimated total of 4,500 in the county in this off election year.

TOTAL COUNTY VOTE	
Absentee	76
Desdemona	63
Carbon	108
Scranton	17
Olden	117
Cisco	982
Kokomo	24
Ranger	543
Eastland	755
Rising Star	279
Gorman	295
Pioneer	31
Nimrod	20
Total	3,211

Vote recorders noted great differences — the governor's race appeared to draw the most votes as local posts were given fewer, and the totals on the amendments were way below, indicating that a lot of people simply ignored the choices on the amendments. (Continued on Page 8.)

500 Enthusiasts at Local Auto Show

The 1966 Eastland Automobile Show, held Saturday, has been declared a success on every count by its sponsors, the Eastland new car dealers and the local bank, as well as, by the general public.

Approximately 500 people visited the show, held in the 100 block of East Commerce St., under a beautiful autumn sky — inspecting all that's new in the 1967 automobiles and trucks and not just a few lucky winners, claiming \$100 in prizes.

Each auto dealer gave a \$10 cash prize and the bank gave a Savings bond at 5 p. m.

Winners were:

1 p. m. — \$10 — given by King Motor Co. Mrs. Jewell

White, Eastland.

2 p. m. — \$10 — given by Rushing Motor Co. — Dovie Gregg, Eastland.

3 p. m. — \$10 — given by Fullen Motor Co. — Mrs. Joe Stephen, Eastland.

4 p. m. \$10 — given by Pipkin Motor Co. — Roy Wells, Ranger.

5 p. m. \$10 — given by Muirhead Motor Co. — Mrs. G. J. Brashears, Eastland.

The \$50 Savings Bond, given by Eastland National Bank, was won by Mrs. Grace B. Funk of Eastland.

In recent years, Eastland has become established as the "Car Capital" and members of the New Car Dealers Association, here, all declared themselves "Well pleased," with the showing, and the public benefits by getting to see the new models at one location, in addition to the "show-time," carnival-atmosphere of an auto show.

Grover Hallmark, vice president Eastland National Bank, handled arrangements and served as general anchor man for the show. The bank and all the local dealerships had representatives present to answer questions and distribute information material about the new cars.

Airman Purdom In AF Training

SAN ANTONIO — Airman Larry D. Purdom, son of Mr. and Mrs. Luther G. Purdom of Rt. 1, Carbon, Tex., has been selected for technical training at Sheppard AFB, Tex., as a U. S. Air Force aircraft maintenance specialist.

Mrs. Merrill Is Buried In Rites At Desdemona

Funeral services for Mrs. Brownie Joe Merrill, 66, of Desdemona were held Monday afternoon in the Desdemona First Baptist Church. Burial was in Desdemona Cemetery.

Mrs. Merrill died Sunday morning, following a heart attack in her home. She was born July 29, 1900 in Somerville, Texas, and married Brownie Joe Merrill in 1919 at Rockwall. She belonged to the Desdemona First Baptist Church and Eastern Star Lodge.

Survivors are her husband; one son, Brownie Joe, Jr. of Fort Worth; two grandchildren, Melinda and Mike; three sisters, Mrs. Lawson Kemp of Goldwaite, Mrs. Elmer Hughes of Gorman, and J.E. Houser of Weatherford; and one brother, Jesse Sparkman of Desdemona.

Palbearers were Bill Greenhaw, Floyd Moore, Joe Alton Merrill, Fay Merrill, and Pug H. Guthery.

Local's Brother Is Buried Monday In Glen Rose

Funeral services for Marshall A. Holden, 53, of Glen Rose, were held Monday afternoon in the Carter Funeral Home Chapel in Glen Rose. Burial was in Glen Rose Cemetery.

A Glen Rose building contractor, Mr. Holden was a former resident of Breckenridge.

Survivors include three sons, Don M. of Houston; Larry of Victoria, and Jimmy of Freeport; a daughter, Mrs. Maurice Holly of Fort Stockton; two brothers, Hal of Eastland and Dawson of Glen Rose; three sisters, Mrs. O. H. Clemmer of Texas, Mrs. W. M. Mins of Dallas and Mrs. D. O. Garrie of Corpus Christi.

2,443 Texas Families Obtain Farm Home Loans During Year

More than 2,443 Texas families — some 70 percent more than that of the previous year — during fiscal 1966 used \$16,787,364 of Farmers Home Administration credit for construction and improvement of homes, L. J. Cappelman, the Agency's State Director, with offices at Temple, Texas, has reported.

Some \$1,733,590 of this amount was advanced directly to Texas Senior Citizens for improved housing facilities, a 400 plus percent increase over credit extended the previous period to rural residents of 62 years or over, Director Cappelman explained.

Rural housing loans to Texas individuals other than Senior Citizens totaled \$15,053,714 during 1966 — 66 percent more than that of the previous twelve months.

These loans ranged from small amounts for minor repairs to loans for building modest, but adequate homes. Some of the funds were used to improve or construct essential farm buildings.

"Farmers Home Administration's rural housing program has resulted in untold benefits to scores of Texas communities as well as to the hundreds of rural people involved," Director Cappelman emphasized. "That is only part of the story, for improvements made by borrowers to their homes have increased the tax base which

makes it easier for local communities to finance schools, road improvements and other needed community facilities."

More than 90,000 rural American families throughout the 50 states, the Virgin Islands and Puerto Rico have borrowed more than \$799.1 million since the program was expanded five years ago.

"It is important to note that many Farmers Home Administration rural housing loans are repaid ahead of schedule to the extent that payments of principal and interest throughout the nation

equal 104 percent of the total amount due since the program began," Director Cappelman pointed out. "Losses on rural housing loans are less than two one-hundredths of one percent of the total loaned since the program started."

Farmers Home Administration housing loans are made to applicants unable to obtain credit from private lenders at reasonable rates and terms. They are tailored to individual needs and accompanied by assistance in farm and financial management.

ENTRIES INVITED FOR COUNTY PECAN SHOW

Growers from throughout Central and West Texas have been invited to have entries in the 14th Annual Eastland County Pecan Show at Rising Star on December 9th and 10th according to an announcement from A. D. Ellington, Cisco, president of the pecan growers organization.

Mr. Ellington, whose organization together with the Rising Star Chamber of Commerce are co-sponsoring the show, said that they would welcome entries of nuts from any grower outside of the county.

A total of 40 nuts of any variety constitutes an official entry. They may be mailed to the Chamber of Commerce office in Cisco or Rising Star or to the county agents' office in Eastland for entry.

If an entry wins, first, second, or third place in the

county show it will then be sent to the regional show to be held in Abilene at a later date. A total of ten nuts are used each time an entry is judged to determine kernel content, percent of meat and etc. Native seedlings as well as named, improved, paper shell varieties may be shown.

The pecan queen contest will be held in the Rising Star high school gym on Thursday night, Dec. 8, according to Mrs. George Steele, president of the Saturday Club, who will have charge of this event to kick off the show activities. The

girl chosen queen must be from the county. She will be entered in the state contest in 1967.

The pecan bake show and centerpiece division featuring pecans will be under the direction of Miss Janet Myers, County Home Demonstration Agent and the County Home Demonstration Council. These events will be held in conjunction with the show.

Mrs. Lee Burkhead and the North Star Home Demonstration Club will have charge of the luncheon honoring the new pecan queen at noon on December 10th.

Eastland Native Cited Recently As Granbury Editor-Publisher

Mrs. E. B. Crawford, a native of Eastland, Texas, was recently cited as Granbury Editor-Publisher. She is the former Norma Josephine Kelly, a native of Eastland. Her grandparents, Mr. and Mrs. John T. Townsend, were among the seven families who came here from Kentucky by covered wagon in 1803. Mrs. Crawford is a cousin of Mrs. John Kinberg of Eastland and the late Dr. E. R. Townsend.

Mrs. E. B. Crawford stated that Norma's father was killed in an Eastland accident, and some years later, Norma's mother married Henry Zweifel in Eastland. The family moved to Granbury, where Mr. Zweifel still lives.

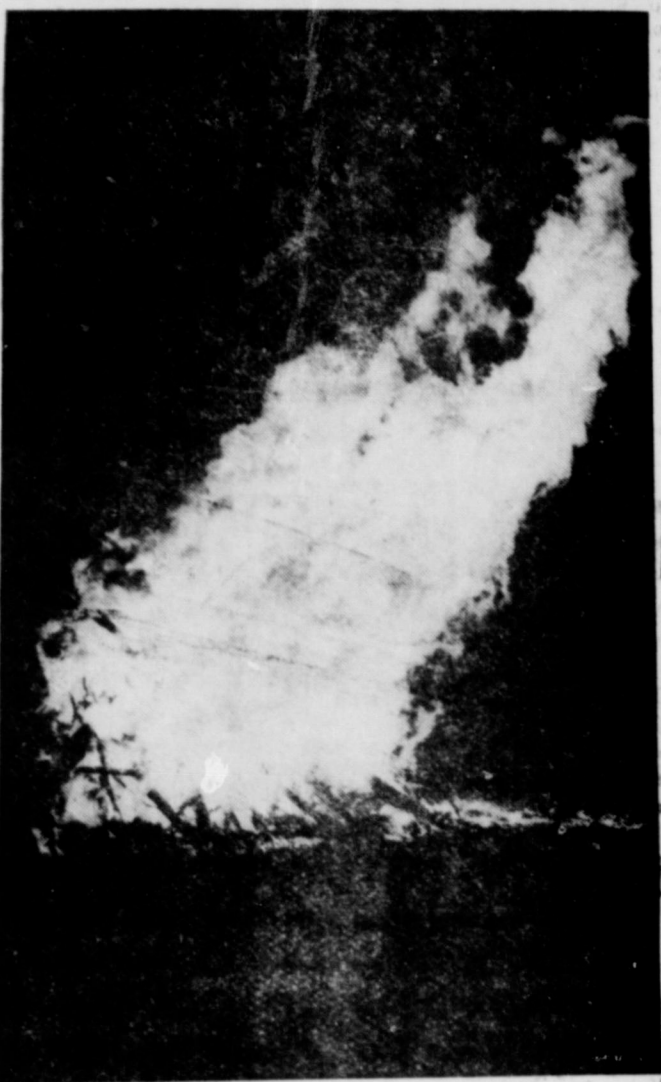

Norma received her B. A. and B. M. degrees from Texas Woman's College, now Texas Wesleyan at Fort Worth. She also attended Christian College in Columbia, Missouri, and the University of Texas, where she met A. B. Crawford of Missouri.

The Crawfords worked on newspapers in Bartlesville, Oklahoma, and Clarksville, Arkansas before buying the Hood County Tablet in 1937. Later they bought the Granbury News and consolidated them. This News was founded in 1888, making Mrs. Crawford's weekly the oldest continuous business in Hood County.

Mr. Crawford was State Senator from Hood County. Mrs. Crawford has two daughters, Mrs. Johnny Hill of Big Spring and Mrs. Bill Schuster of Denver City, and four grandchildren.

Mrs. Crawford belongs to the First Baptist Church in Granbury, Eastern Star, American Legion Auxiliary, and several other groups. She has served as director of both the Chamber of Commerce and the First National Bank. She is currently president of her church women's circle, and is past president and life member of the Woman's Wednesday Club.

In 1962, her paper was cited for having published the best soil conservation edition during the past year and in 1963, Mrs. Crawford received the Margaret Caskey "Outstanding Texas Woman Journalist" award from Theta Sigma Phi.

MAVERICK BONFIRE — Traditionally Eastland High Schoolers work feverishly each year to assemble material for a bon fire in the clear area between the Little League Field and the football practice field 'down behind' High School Hill. And usually it gets ignited a night early; this year was no exception, but working hard, a new structure of debris was assembled, and the students had their bon fire on Thursday evening.

RUSH CREEK PROJECT TO DRY 8,000 ACRES

The Rush Creek watershed project, located in Comanche, Eastland and Brown Counties, has been approved for Soil Conservation Service assistance, according to H. N. Smith, State Conservationist, SCS, Temple, Texas.

"Watershed projects such as Rush Creek are initiated and carried out by local organizations," Smith explained. "Technical and financial help from SCS are authorized under Public Law 566."

Thirteen flood prevention dams, one multi-purpose dam, channel improvement and land treatment are included in the Rush Creek project. The multi-purpose lake will include locally financed irrigation storage for a group of landowners and operators. All dams will be in Comanche County.

The 188,000 acre project will reduce flood damages on 8,000 acres of land now subject to flooding.

Rush Creek flood damages now average about \$110,000 each year. This includes damages to roads, bridges, crops, bottomland and other property including silt damage to Proctor Reservoir. The project is expected to reduce all flood damages by 70 percent.

SCS engineers estimate that the Rush Creek project when completed will keep about 65 acre-feet of mud and muck out of Proctor Reservoir each year.

Local sponsors will secure easements permits and rights-of-way needed for construction. They will also administer construction and vegetative contracts as well as operate and maintain completed dams.

The Upper Leon and Brown-Mills Soil and Water Conservation Districts and the Comanche County Commissioners Court are sponsoring the Rush Creek project.

Landowners will be encouraged to speed-up land treatment needed in the watershed during the next five years. About 50 percent of the land treatment needed has been applied, but the goal is 80 percent within five years.

SCS, conservation districts, Agricultural Stabilization and Conservation Service, Farmers Home Administration and the Extension Service will cooperate in this effort.

Financial help in developing the Rush Creek Work Plan was provided by the Texas State Soil and Water Conservation Board and the SCS.

The project is expected to yield about \$130 in benefits for each \$1.00 in costs.

School Nurse Describes Job To Rotarians

Mrs. Tip Arther, County School Nurse, described her duties for Eastland Rotarians and guests at the regular Rotary meeting Monday.

She was introduced by Pearson Grymes, program chairman.

Visiting Rotarians were V. L. Clements of Abilene; Randy Slaughter, Jr. of Laredo; and Roy Huffmyer, Kay Jackson, Chuck Wilson, and Bill Wright, all of Cisco.

Others visiting were Bill Jackson of Cisco; W. Q. Verner of Eastland; and Donna Seabourn, student at Eastland High School.

Helen Godfrey Wilson et al v. Dearing, Inc. Agreed motion for extension of time to file briefs.

MOTIONS GRANTED
R. E. Mize v. Elbert Laverder. Appellant's motion for rehearing.

MOTIONS GRANTED
Mr. and Mrs. Claude Maynard were in Abilene Saturday to attend the wedding of their granddaughter, Miss Kay Davis, and Jerold Dunlap.

CWF Distributes Clothes to Needy

The CWF of the First Christian Church met Monday in the church annex. Mrs. Neil Day, CWF president, presided during the regular meeting.

Members reported the recent rummage sale was very successful. The club has completed a mission project, mailing two large boxes of clothing to Mississippi, one to Korea, and distributing clothing to local families who needed it.

The Thanksgiving fellowship for November 16 was discussed.

A program titled "Gossiping the Gospel" was presented by Mrs. R. T. Magness. The worship program was led by Mrs. Joe T. O. W. and Mr. W. L. Thundersley.

An offering was given and the meeting closed with the Missionary Benediction.

The Rebekah Group was hostess for the fellowship hour which followed the meeting. Coffee, cakes, nuts and mints were served from tables decorated with arrangements of mums.

Sgt. Herridge Viet Nam Bo

Sgt. David Herridge, 9th Infantry, son of Mr. and Mrs. Herridge of Eastland, home on leave prior to barking for South Vietnam. Twenty-year-old David attended the Berlin, during 1965-66.

You Don't Need Much Advice —

... but it is valuable now and then. For example when you go to buy a policy of insurance, don't select any kind of a policy or any kind of an agent. There is a big difference. You will likely never use your insurance anyway, but if you do your agent will be the key person in any settlement you make with the insurance company. It is sound advice to buy only from local agents who have long records of successful performance in adjusting insurance claims.

ey, Kansas. Eugene, who is in the 9th Infantry
son, Sgt. David Herridge, will leave soon for
iet Nam.

el that his poem is especially appropriate for
er 11, because it expresses feelings common to
en of any generation.

ur hope that the words may serve as a reminder
urage of our newest generation of adults.

Sincerely,
Mr. and Mrs. Bert Herridge.

"THE LONELY SOLDIER"

is a lonely man
e helped, if he's to serve his land
way places he must sometimes go,
will have to face many foe.
e many things he'll do without
akes them in stride, and never pouts.
er his job, whatever it may be,
it well, to keep men free.
ings get hard and really rough
count on him to do his stuff.
hear this man complain alot,
reason he's here, he hasn't forgot.
say the same, while back in the states?
let him know it's not too late?
er too late to let him know
ar love is with him, wherever he goes
imes he'll appear just a little loud,
is you can tell, he is always proud.
f country, family and wife,
of these he'll lay down his life.
ne things free people hold dear,
be without for a very long year.
ever forgets; while he is apart,
s them close, and warm in his heart.
very tired, at the end of each day,
s thoughts of home, he'll never sway
a companion, close to his side
ely for home this he cannot hide.
r really asks for so very much,
for his loved ones to keep in touch.
he may laugh, but he looks very pale,
lerk cries out, "Sorry — No Mail".
ne this happens he almost dies,
pain, too, he must keep inside.
e you retire and turn out that light
a pen and remember to write . . .

ORTAGE OF NURSES OMPTS NURSE WEEK

ber 6-12 has been
ated, as "Nurses
nd is being observed
t the state of Texas.
tours and seminars
g conducted for Fut-
ses Clubs and other
1 persons.

dispose of this obser-
two-fold — to give
on to the army of
in white, and to
e the desperate
more young people,
and women to con-
carter in this field.

on a nation-wide
he ever-increasing
of nurses in hospi-
convalescent homes
threat to the high
of service they
render. Yesterday's

quota will not meet today's
requirements.

The past half-century has
witnessed a drastic change
in the treatment of sickness.
Fifty years ago, hospital beds
held only those patients re-
quiring surgery of those des-
perately ill and births and
deaths in homes were the
rule rather than the excep-
tion. Today, with improved
facilities and various forms
of insurance, America avails
itself of hospitalization for
all forms of illness.

Two avenues of preparat-
ion are open to prospective
nurses: the two-year college,
three year hospital training
period which, upon complet-
ion and passing of State
Board Examination, the can-
didate becomes a Registered
Nurse; and the one year
intensive course open to
those holding a high school
diploma or it's equivalent
(exceptions made with ad-
ults) of class work in col-
lege and training in approved
hospital, passing a state
examination and thereby be-
coming a Licensed Vocation-
al Nurse.

A well known educator of
a decade ago warned a class
of prospective students against
two errors in evaluating
the career: Making the
glamour of the white cap and
uniform the dominant mo-
tive; or seeing only the hard
work and long hours involv-
ed. Recognizing the exist-
ence of both factors, he set

EPIDEMIC NEARS END

Screwworm epidemic in
Texas appears headed for an
end. Only 97 cases were
confirmed to the Animal
Health Commission during
the week of October 22-28,
compared to 197 three weeks
before, at the height of the
infestation.

Dr. S. B. Walker, executive
director of the commission,
said the geographic area of
the epidemic seems to be
narrowing, too. Most serious
areas are in Dimmitt, Val
Verde and Maverick Coun-
ties. At the crest of the in-
festation, the southwest one-
third of the state was invol-
ved.

Blinn Upsets R. J. C. 27-6

It was Homecoming for RJC — but Blinn could have cared less as they scored three touchdowns in the second quarter and one in the fourth to defeat the Rangers 27-6 Saturday in the Ranger Stadium.

Blinn received the opening kickoff, made a first down, but couldn't keep the drive alive and had to punt.

Rangers took over on their own 20, picked up three quick first downs before losing the ball on downs at Blinn's 9 yard line.

Blinn was unable to move against a strong defense and the Rangers took over on Blinn's 37, picked up two first downs, moving the ball down to the 20 yard line, four plays yielded no yards and Blinn took over with a first and ten on their own 20.

They put away two first downs before punting to the Rangers 9 yard line. Rangers picked up two yards and it was the end of the first quarter. Unable to pull a first down, they punted to the Blinn 43.

Blinn secured a first, but had to punt, putting the ball on the Rangers' 1 yard line.

The Rangers ran one play for a yard and then punted out to their own 35 yard line.

Blinn three plays later crossed the goal with 7:20 left in the second quarter, the kick for extra point failed.

Rangers fumbled on the first play after kick-off giving Blinn the ball on Ranger's 34. Blinn picked up a first, which put them on Ranger's 26 and three plays later they completed a pass for 15 yards and another TD. The kick for extra point was good this time and they lead 13-0 with 5:36 left in the half.

Rangers have first and ten on their own 33, and can't

move the ball so Blinn takes over on Ranger's 42. They pick off two first downs ending up on Ranger's 16 yard line with less than a minute to play in the half. It takes only one play for them to score again—the kick is good and the first half ends with Blinn 20, and Ranger 0.

Rangers took the third period kickoff and used nine plays to move 66 yards and a TD with Forbus going over from three yards out. Try for extra points failed.

Blinn took over their own 36, picked up 9 yards, tried a pass play and a power play, but was unable to get the needed yard for a first.

RJC picked up two first downs, landing on Blinn's 10 yard line with a first and ten. At this point Blinn intercepted a Ranger pass, giving them the ball on their own five yard line.

Unable to move the ball, Blinn punted out the Ranger's 35.

Rangers tried three pass plays, which went exactly no where and they punted to Blinn's 24.

Rangers defense threw them for a two yard loss, then a pass play turned in 7 yards and another pass was no good, so they had to punt, giving the Rangers first and ten on their own 41 yard line.

RJC moved 8 yards in two plays but couldn't go the distance for the first as two pass plays failed.

Blinn took over on Ranger's 49, passed three times for 40 yards and punted. RJC fumbles a pass reception and Blinn recovers on Ranger's 13 yard line and three plays later drives in for their fourth and last TD of the evening—the kick is good leaving the score 27-6.

WELCOME TO TOWN—Bernis Coapland, left, manager of Safeway in Eastland for the past 13 months, welcomes Bill Wofford to Eastland as new manager. Coapland has been transferred to Breckenridge where he will manage the Safeway store there. Wofford comes from Wichita Falls, and has been with the grocery firm for about ten years.

TO PLAY CISCO

Ranger Junior College will play their last conference game of the 1966 season Saturday night November 12 when they take on the Cisco Wranglers. The game will start at 7:30 p. m. and will be played in Cisco.

The Wranglers beat the Rangers in the Peanut Bowl, played earlier in the season at Eastland, by a 3-7 score and will be trying to turn the trick again Saturday.

Cisco has a fine quarterback in Robert Pearce who does a real good job operating off the "T" offense. Top ground gainer Henry Smith and big fullback Basil Shields have been turning in good games all season.

Coach Duval said that the Rangers made up their mind to beat Cisco after the Peanut Bowl and they are still determined to do just that.

Mrs. Earl Lewis Honored By Lone Star for 25 Years Work

Mrs. Earl (Ruth) Lewis, clerk in the Eastland office of Lone Star Gas Company, has received a ruby-set service pin for twenty-five years of service.

Her husband joined Texas Electric's Quarter Century Club in 1960 and last year received a diamond pin, for thirty years' service.

The couple has had "His and Hers" yard lights for years, and they are now in the process of converting one unit to another, so that they may have two alike. The two companies do not sell lights which are made exactly alike.

The daughter of Mr. and Mrs. W. M. Bagley of East-

Patrol Services Of State Need 231 Men In Jobs

AUSTIN — The Texas Department of Public Safety announced today it has 231 vacancies in its uniformed patrol services and recruited interested men between the ages of 21 and 35.

Examinations will be held on October 22 for the next cadet training school scheduled to begin January 3.

Col. Homer Garrison, Jr., DPS Director, said vacancies exist in all four of the uniformed services — Highway, Patrol, License and Weight, Driver License, and Motor Vehicle Inspection. Most of the openings are in the Highway Patrol Service.

"These opportunities for careers in the public service offer many and varied advantages for qualified young men," Garrison said. "Men who would like to dedicate their lives to helping people can at the same time enjoy a livelihood with security and opportunity for advancement."

He pointed out that effective September 1, higher salaries and the five-day week went into effect for all DPS uniformed personnel. He said cadets at the DPS Law Enforcement Academy in Austin will receive \$400 per month while in training, and will be off Saturdays and Sundays. The training period will last approximately 18 weeks, including 13 weeks of basic training. The remainder of the period will be devoted to specialized training in the service to which the cadet is to be assigned.

The cadet's choice for a particular service will be granted, consistent with vacancies existing at the time, and the Department will make every effort to station a man within 150 miles of his desired location.

Upon graduation, cadets will be commissioned and assigned to the field, with salaries ranging from \$468 to \$484, depending on service assignment.

District Governor Lions Club Speaks

GOV. BILL LONGLEY

District Gov. Bill Longley of Stamford was special guest and speaker for the Eastland Lions Club at noon Tuesday.

"If a person doesn't want to serve his community, he should join another service club besides Lions," he said, as he outlined the progress

Members of Student Council, Ranger High School, attended the annual meeting of the Oil Belt Student Council District held in Abilene on Saturday, Nov. 5.

During the business meeting, Ranger High School was named Vice-president of the District.

Attending from Ranger were Richard Lebrede, Randall Mahaffey, Dowell Hartsfield, Bob McKelvin, Kathleen Cole, Linda Mann, and Kenneth Jameson.

Mr. and Mrs. N. A. Robertson spent the weekend with friends in Fort Worth.

'Frontier of Fashions' Is Theme Of Style Show Held by Las Leales

Mrs. Floyd Robertson of Altman's Style Shop presented "Frontier of Fashion" at the Las Leales Club's annual fall style show Monday night at the Woman's Club House.

Mrs. Robertson pointed out the lack of trim on even party dresses. "The emphasis is on the woman, not the dress," she stated. "Never before have women been able to dress to fit their individual personalities and figures and still be in fashion," as well as they can today.

Las Leales President Mrs. Wendell T. Siebert welcomed club members and guests and introduced Mrs. H. L. Hassell, hostess for the evening. Mrs. Hassell read the quotation from Gibber: "As good use out of the world as out of the fashion."

Co-hostesses were Mrs. Rudolph Little, Mrs. D. E. Frazer, and Miss Verja Johnson. The room was decorated throughout with fashion accessories and arrangements of fall flowers.

Coffee and cookies were served following the show.

Models for the coats, slacks, party dresses, "Let Set" flight ensembles, and casual wear were Mrs. E. J. Turner, Bennett Jagsdale, J. T. Carter, Harold Price, Winford Parr, Warren McFall, Sandy Holliday, and Misses

Shelley Siebert, Lana Parks, Teresa Herridge, Donna Haynes, Cindy Goodwin, Kathy Gregory, Sharron Herridge, and Janie Miller.

Mrs. Ima Ruth Taylor, pianist, presented background music throughout the style show.

Guests at the party were Mrs. Bert Herridge, Ina Bean, M. H. Perry, M. G. Cartwright, R. Pat Miller, Bobbie Wood, Ben Mathews, J. V. Harbin, Susie May, Gene Haynes, Laverne Wingate, J. F. Beatty, Aileen Raymond, Jess Siebert, O. O. Mickie, Allen Rushing, Frank Hightower, Hildegard Everett, Victor Cornelius, Eugene Green, James M. Smith, E. S. Perdue, Ruth Poe Herring, Pat Crawford, J. F. Collins, L. C. Brown, Jack Arrington, Dick Johnson, Mike Collins, Bill Goff, Warren Chapman, Jim H. Parks, W. A. Leslie, Misses Judy Hassell and Janet Meyers, the models and Mrs. Taylor.

Las Leales members present were Mrs. M. S. Dry, John L. Hart, J. T. Gregory, Betty Cooper, Anne Patterson, Vernon Mahan, Wayne Caton, Thura Taylor, Theron McKinzie, Gene Rhodes, James Horton, Gene Boney, Don Kincaid, Robertson, Siebert, Hassell, Little, Frazer, Misses Johnson and Esther Groth.

ELECTION —

(Continued from Page 1.)

The heavy vote in the governor's race can be expected to strengthen the county's total delegate strength two years from now, however.

RACE-BY-RACE

COUNTY TABULATION

Leader Named For ACC Drive In 15 Counties

ABILENE — JOHN A. Wright, Abilene banker, has been named chairman of the 15-county Abilene region for the Community Gifts campaign of Abilene Christian College's \$25.7 million Design for development.

Wright, president of the First State Bank of Abilene, which includes Callahan, Coke, Coleman, Eastland, Fisher, Haskell, Jones, Nolan, Runnels, Scurry, Shackelford, Stephens, Stonewall, Taylor, and Throckmorton Counties.

The Design for Development, initiated in 1965, is a 10-year program to raise \$25.7 million for academic, physical, and endowment expansion. The Phase I three year target of the campaign is \$10.4 million, and currently over \$3 million has been raised.

The Community Gifts campaign will be conducted among the alumni, parents and friends of ACC in 24 Texas cities. The effort will reach between 30 and 40 thousand persons, seeking three-year gifts or pledges up to \$3,000 during the first half of 1967.

SGT. ARSENEAU

WITH U. S. COMBAT AIR FORCES, Viet Nam — Technical Sergeant Galen L. Arsenau of Rt. 3, St. Anne, Ill., on duty at Cam Ranh AB, Viet Nam. Sergeant Arsenau, a photographic technician, is a graduate of St. Anne Community High School. His wife Shirley, is the daughter of Mr. and Mrs. R. T. Simon of Gorman, Texas.

DEER SEASON IN COUNTY WILL OPEN SATURDAY

The hunting season on deer will open in Eastland County Saturday, Nov. 12. The season on wild turkey will also open that date.

According to a news release from the Texas Parks and Wildlife Department, the kickoff for most counties where wildlife resources are managed by the Texas Legislature will be Tuesday, Nov. 16, the traditional opener.

There are many deviations from these dates, according to the department including the popular Trans-Pecos 16-day season beginning Saturday, Nov. 26.

Every indication points to a tremendous harvest of deer. And that is the fervent wish of game management authorities. Their successful efforts over the years have raised the once sparse whitetailed deer herds to such enormous proportions that only a record harvest will avert a possible over-population crisis.

Likewise, the wild turkey prospects were reported substantial.

The response by sportsmen seems adequate. Department headquarters personnel report unprecedented requests for hunting licenses that apparently will far exceed last year's 745,000 overall total.

60 New Museums Are Being Built By Texas Groups

AUSTIN — Would you believe that Texas—which already has a nation-breaking record of 243 museums—has 60 new museums a building?

Spurred by the historical renaissance nurtured by growing pride of counties and communities in their own local heritage, museums are springing up like wild flowers in spring.

From tip to stern and the width and breadth of Texas, 57 counties—many of which already have museums—soon will have new museums to tell the story of Texas history in depth.

In some, the plans are just the gleam of an idea in the eyes of history buffs. Others are searching for a building to house collections. Buildings are being constructed; historic homes restored. Some are nearly ready to open their doors, others are starting to collect.

Here's where the Texas State Historical Survey Committee arrives on the scene. Most of the new museums are small, and their staffs have no place to turn for professional guidance. Large museums at best can offer suggestions only by correspondence or telephone.

Hence TSHSC—with the Smithsonian Institution as its co-sponsor—will conduct its first official Texas Institute for Small Museums at Woodville Sept. 30 and Oct. 1-2. Anyone interested in museum development and operation may attend; 200 already have registered.

This is the first institute of this type that the Smithsonian has co-sponsored with a state agency. Frank Taylor, director of the Smithsonian's U. S. National Museum, will head the faculty. Gov. John Connally will give an address at the sessions on Oct. 1.

The Texas State Historical Survey Committee has long encouraged the development of county historical museums, and the museum institute will expand its services in offering professional guidance.

Museums in Texas have increased from 82 in 1964 to 243 today, a total unequaled by any other state.

Civil Service To Hold Exams On Summer Jobs

WASHINGTON, D. C. — Congressman Omar Burleson (D-Texas) announces that the Civil Service Commission is now receiving applications for the 1967 competitive examination for summer employment with the United States Government. The examination leads to eligibility for appointment to most temporary summer jobs at Grades GS-1 through 4.

Those who are interested in the summer jobs covered may apply to take the written test on or before three filing dates — October 21, 1966, December 9, 1966, and January 9, 1967. The test will be given at more than 1,000 cities throughout the country on November 26, 1966, January 7, 1967, and February 4, 1967. Should the candidate fail to apply by the first filing date, he may select either of the two later dates. Congressman Burleson stressed the fact that January 9, 1967, is the final date for applying to take the test and closing date of the examination. Applications filed after that date cannot be accepted. The Congressman noted

Ammunition dealers report sales so brisk that their supplies of certain kinds of rifle bullets have become limited.

From the ranges comes word to the department that deer have never been so numerous and generally are in good condition, all because of the food supplies. The surplus is so great in many counties that a third, or bonus, antlerless deer is authorized under the permit system.

The weather provided a pre-season bonus in some places, with rain to moisten the tender - dry range, lush with heavy vegetation, plus cool temperatures to hasten defoliation of brush areas to improve hunters' visibility.

The setting was so ideal that the department could add only the suggestion that sportsmen inform themselves on various regulations involving bag limits and dates in different areas. A specially prepared Hunting Guide long ago was sent to license agents and field forces to be distributed on request.

'MAin 9' Out, '629' To Be In For Telephones in March, '67

All telephone number prefixes in Eastland will change from MAin 9 to 629 in March 1967.

Charles Wilson, manager for Southwestern Bell, said about three-fourths of the telephones in the United States have already been converted to All Number Calling. The change to a new numbering system is

necessary because of the tremendous growth in the number of telephones. Telephone companies would eventually run out of suitable numbers if they did not convert to All Number Calling, he said.

Mr. Wilson explained that for Eastland customers the prefix is the only part of their telephone number that will change. He noted, too, that the location of the all-number prefix on the telephone dial will be the same as the present prefix, meaning, of course, that the telephone users will continue dialing

exactly as they do now. Telephone directories listing the new numbers will be distributed when the change-over is made.

Giving an example of the new all-numeral numbers, Mr. Wilson said the Southwestern Bell business office number will change from MA 9-2691 to 629-2691.

"All telephone users in Eastland will be notified of the conversion to All Number Calling, and their new number, by letter," Mr. Wilson said. "Persons who plan to order stationary and other

printed material on which telephone numbers are carried should keep in mind that their number will change in 1967."

The changeover to all numeral numbers in Eastland is part of a Southwestern Bell program to convert all telephones in the states served by the company to All Number Calling gradually over the next few years.

"With All Number Calling, telephone numbers in Cisco will be the same type as most phone numbers throughout the country," Mr. Wilson

said. "This standardization makes it more convenient for the telephone user when he travels on business, makes vacation trips or moves to another city."

"Without All-Number Calling, Southwestern Bell and other telephone companies would eventually run out of telephone number prefixes," Mr. Wilson explained.

"Within a few years the number of dial combinations using two letters and five digits, such as present local numbers, will have been exhausted in many parts of the

nation. Although this is not likely to be true in this immediate area, it is nevertheless a factor because no two telephone numbers can be alike in the same numbering plan area now that Direct Distance Dialing is in widespread use," he said.

He said All Number Calling is the best solution to this problem. "All number telephone numbers allow us to expand the possible combinations of dial pulls by about 50 percent in each numbering plan area," he said.

Mr. Wilson noted that all-
