United Way Goes 'Over Top'

Wednesday update

Pilots' Strike Settled

LOS ANGELES (AP)—A tentative settlement has been reached in the 18-day strike by pilots against Continental Airlines, a spokesman for the Air Line Pilots' Association said today.

Continental officials could not be reached for comment, and there was no immediate word when flights would resume. All Continental flights have been canceled through Friday.

Continental Capt. Dave Saas said negotiators hammered out terms of the tentative pact Tuesday night at a meeting in El Segundo, but he said the pact had not been signed by the parties.

US-Vietnam To Talk

WASHINGTON (AP)—The United States and Vietnam are opening talks on the prospects for friendly relations, but U.S. officials say substantive progress is doubtful before the Carter administration takes office.

The talks will begin Friday at an undisclosed site in Paris. The American side will be headed by the deputy chief of mission of the U.S. embassy in France, Samuel R. Gammon. Vietnam is expected to be represented by a diplomat of simmilar rank.

Treaty Inked Soon

MEXICO CITY (AP)—The proposed treaty agreeing to prisoner exchanges between the United States and Mexico probably will be signed before the end of this month, the foreign ministry announced Tuesday night.

And the Mexican Congress, before it adjourns during the first week of December, is expected to approve a bill that would permit the parole of an estimated 200 Americans held in Mexican jails on drug charges.

Oilmen Plan Campaign

SAN FRANCISCO (AP)—America's petroleum industry plans an intense public information campaign to fight congressional proposals to break up oil conglomerates. And it will encourage President-elect Jimmy Carter to forge a national energy policy.

More than 2,000 top oil executives who attended the two-day annual meeting of the American Petroleum Institute here this week voiced cautious optimism about Carter but left little doubt that their goals remain the same.

Audit Of College Is Accepted

Scurry County Junior College District Trustees accepted the annual audit of the college district at a breakfast session this morning in the faculty dining room at Western Texas College.

The audit, which was prepared by Anderson and Anderson, Certified Public Accountants, was made in compliance with state requirements, and Buster Anderson and Larry Anderson of the auditing firm were on hand to answer questions concerning the audit.

The auditors reported that funds administered by the college were accounted for, and the audit indicated that the college district's financial situation is sound.

The auditors called attention to a heavy backlog of work in the WTC business office, and this was discussed briefly by the board. Dr. Robert L. Clinton, WTC president, said the board and administration had been aware of the heavy work load for some time and suggested that a study of this be given top priority. After some discussions, it was suggested that the possiblity of installing a mini-computer be investigated, provided equipment is available that will perform the desired tasks.

Four Booked In Slaying

SHREVEPORT, La. (AP) — Two Shreveport men and two men arrested in Texas have been booked with first-degree murder in the gangland-style slaying of Shreveport bar owner Russell Griffith Jr.

The four, all arrested Tuesday on warrants from Concordia Parish, were Clifton Guevara, 38, and Donald Gardner, both of Shreveport; Jose Ramos, 47, of Elsa, Tex.; and Antonio Gonzales, 36, of Mexico City, Mexico.

Ramos and Gonzales were being held at Edinburg, Tex.

Griffith's body was found Oct. 16 beside his parked car in Concordia Parish. He had been killed by a shotgun blast.

VICTORY REPORT—Joe Williamson and Carol Davis had a victory report ready for Scurry County United Way board members and campaign workers this morning as figures compiled in the final session of the drive revealed that the goal had been exceeded. The total reported this morning was $52,109.18, which is about 109 per cent of the $48,000 goal. (SDN Staff Photo)

Second Year In Row

Victory cries rang out this morning at the final report session for the Scurry County United Way Campaign as co-chairmen Joe Williamson and Carol Davis announced that the drive had surged "over the top."

Williamson read the final figure of the morning, $52,109.18, as board members and workers cheered. This represents about 109 per cent of the campaign's goal of $48,000. Also, it is the second year in a row that the campaign here has exceeded its goal in contributions and pledges.

Also, all divisions were assured of achieving the 100 per cent mark, or better. At the report session today, the oil and industry division needed only $598 to reach its goal of $8,800 and workers said there were enough reports outstanding to meet this easily. The utilities division's goal was amended because some of its prospective contributors went to other divisions after the assignments were made.

Ed Micak, president of the Scurry County United Way, praised the campaign leaders and their workers for the achievement.

Here is the standing of the various divisions as of today: Advance, $20,096, or 118 per cent of goal; branch house, $1,610, or 105 per cent of goal; commercial, $8,320.03, or 109 per cent of goal; educational, $4,153.15, or 102 per cent of goal; oil and industry, $8,412, or about 98 per cent of goal with remainder in sight; public employes, $1,470, or 100 per cent of goal; professional, $1,856, or 112 per cent of goal; rural, $1,752.50, or 111 per cent of goal; utilities, $3,509, or 100 per cent of goal; royalty owners, $847.40, or 425 per cent of goal.

The Scurry County United Way supports the operations of 13 participating agencies. They include the Scurry County Boy's Club, Boy Scouts; Girl Scouts; Snyder Child Day Care Center; Scurry County Unit of the West Texas Rehabilitation Center; Red Cross; Salvation Army; Mental Health Department; the USO; the Southwestern Diabetic Foundation Center, and the Cerebral Palsy center.

PROPOSED BY PRESIDENT-ELECT CARTER

Caution Urged On Tax Cut

By JIM ADAMS
Associated Press Writer

WASHINGTON (AP) — As President-elect Jimmy Carter considers whether to propose a new tax cut in January, key congressional Democrats say it's too early to tell if one will be needed and warn they will approach any proposal cautiously.

Carter said last week that if the economy does not begin improving by January, there is a "strong possibility" that he would ask for a tax cut to stimulate it.

But Congress' chief tax-writer, House Ways and Means Chairman Al Ullman, said Tuesday that Congress should approach any such proposal "with great caution."

"We would be deceiving the American people if they were led to believe they would be getting major tax deduction," Ullman said at a news conference in Colorado Springs, Colo.

In more detailed remarks released through his Washington office, the Oregon Democrat said it is too early to determine whether an additional tax cut on top of the $19 billion tax cut already approved by Congress would be appropriate.

"We should approach an additional tax cut with great caution and should evaluate carefully all of the alternatives," he said.

Ullman said anti-recession job programs and incentives for investments in high unemployment areas "would be more effective in dealing with the problem."

Rep. Robert N. Giaimo, D-Conn., candidate for chairman of the House Budget Committee, said he believes neither Carter nor Congress would approve another tax cut unless the economy gets worse.

Carter said last Thursday that a tax cut "could be a strong possibility if there is no change in the rate of growth of the economy and if economic indicators should show a negative aspect."

But while putting dampers on Carter's talk of a new tax cut, both Ullman and Giaimo said they and other Democratic leaders and the President-elect will work out agreements on such issues.

The SDN Column

Well, the Sweetwater Chamber of Commerce people are going to "pay off" tomorrow evening, we are told. It was agreed during the Chamber of Commerce membership contest between Snyder and Sweetwater that the loser would host the winner at a steak dinner. Moreover, while the winner eats steak, the loser will have beans and cornbread.

But before you shed any tears for the Sweetwater people involved in this thing, let us assure you that they are not going to become undernourished as a result of this contest. If beans and cornbread caused malnutrition, a lot of your middle-aged and senior citizen types never would have made it this far. In fact, many of us have seen the time when beans and cornbread seemed like a banquet.

The steak-beans bit is only one of the gimmicks that have evolved over the years for such things and inter-community contests. For example there is caviar and chili con carne. And if it is top flight, red hot chili, we would not hesitate to take the chili every time in a contest with those stakes.

★ ★ ★

Are you worried about the nation's economy? A lot of people apparently were during the recent political campaigns. At least that is one of the major factors in the ultimate decision, according to the analysts.

Perhaps we have been attacking the problem from the wrong end, or, closing the barn door after the horse is gone, so to speak. We are told that fewer than one-third of all students completing the 12th grade in high school will have had a separate course in economics. This is not merely for Snyder, or Scurry County, but for the entire country. In a simple test administered to more than 21,000 high school students, over half of them did not know the United States economy is based on the free enterprise system.

We might add, that if present trends continue, you will not be able to recognize any free enterprise system at all.

★ ★ ★

Speaking of economics, Jay Massingill, county auditor, sent in a story we published recently about the forms required by a federal agency (they measured about 18 feet in length, as we recall) to Sen. Lloyd Bentsen. The Seantor acknowledged receipt of the correspondence and noted that he was "an original co-sponsor of legislation which created the Paperwork Commission," which was established in 1975 and is now investigating the paperwork burden.

It is scheduled to make recommendations by October of 1977, Sen. Bensten said.

Massingill says he assumes the Paperwork Commission will mail out forms to obtain information for its report.—WACIL McNAIR

Schools Are Considering Own Tennis Court Plans

Snyder School Trustees last night heard a proposal for joint financing of new tennis courts by three agencies and then indicated that they would study the possibility of building their own before joining the city and county in a project.

Dave Harlin Jr. presented the tennis court proposal, which already had gone to the County Commissioners Court and the City Council. Harlin said the group he represented wanted the county, city and schools to get together and work out a plan that would provide additional tennis courts.

"We just want to serve as a catalyst to bring you people together to work out the details," said Harlin.

The original proposal suggested that the county and school district assume 40 per cent of the initial cost each, and the city assume 20 per cent of the cost, It proposed that the courts be built on school property near the junior high school and that the schools assume responsibility for maintenance, with the other two agencies sharing in the cost.

After some discussion, the board voted to study the possibility of the school itself building more courts on school property and then if no decision is reached on such a project it would consider discussing the joint proposal with city and county officials.

Attorney Dan Cotton reported to the board that research had disclosed that the Fluvanna School District owned 28½ lots at Fluvanna, and that there were no restrictions on the property. The board had asked Cotton to check out the title to the Fluvanna School and before the Snyder district makes any plans for disposal of any of the property that it received in the annexation of the district last August. Cotton said one 10-foot by 10-foot plot, which is the site of a water well, reverts to the owner of the adjacent land, but otherwise there are no strings attached to the Fluvanna School land.

Cotton also reported that he and County Attorney George Killam are following up on the Travis School demolition project where the contractor has not fulfilled his contract.

Bethel Oil Co. was the successful bidder on a propane tank the school had offered for sale. Its quotation of $2,110 was the highest of seven received. W. J. Fuller had the top bid on a stock trailer, which was accepted. His bid of $1,053.57 was the highest of 17 received.

Revisions of several school policies were presented to the board for first reading. These will be up for adoption at the December meeting.

Wanda Hudgins, a teacher at North Elementary School who taught in Sheffield, England, as an exchange teacher during the 1975-76 school year, gave a slide presentation on her experiences in the English school system.

Textbook Panel Is Appointed

A textbook committee for 1976-77 was approved Tuesday night by the Snyder School Board.

The local committee will study textbook offerings and consult with other teachers and staff members in preparing its recommendations, said Supt. Bill J. Hood, who automatically serves on the committee.

In addition to Hood, the committee members and their subject areas are: Dr. Thomas H. Scannicchio, administrative office, curriculum; Phyllis McGinnis, West Elementary, dictionaries; Laura Greene, junior high, spelling and dictionaries; Margaret Corkran, junior high, spelling and dictionaries; Carla McCollum, high school, journalism; Lynn Fisher, high school, mathematics; Virginia Grove, high school, mathematics; Roy Burk, high school, science-chemistry-physics; Rita Carter, high school science-biology; Peggy English, high school, social studies; Albert Lewis, high school, social studies; Eddie McAnally, high school, foreign language; Mary Killam, high school, commercial; Patsy Williams, high school, commercial.

Service Set For Jim Light

Funeral service has been set for 2 p.m. Thursday at the Bell-Seale Chapel for Jim Light, 83, of Inadale. Mr. Light, a retired farmer, died early Tuesday in Odessa where he was visiting a daughter.

The Rev. Rex Reynolds will officiate at the funeral service, and burial will be in the Pyron Cemetery, under direction of Bell-Scale Funeral Home.

Mr. Light was a native of Hamilton County, but had lived most of his life in Scurry County. He was married on Oct. 22, 1916, at Pyron to Miss Stella Mae Wade. She preceded him in death last Feb. 23.

Surviving are four daughters, Mrs. Wilma Campbell of Lamesa, Mrs. Stella Mae Hignight of Hobbs, N. M., Mrs. Mabel Riggs and Mrs. Velma Tolbert, both of Odessa; two sons, Wade Light of Big Spring and Carroll Light of Crane; a sister, Mrs. Eula Jowell of Houston; a brother, Floyd Light of Fort Worth; 13 grandchildren and 21 great-grandchildren.

CLEAR WEATHER

SNYDER TEMPERATURES: High reading Tuesday, 75 degrees; low reading, 41 degrees; reading at 7 a.m. today, 41 degrees.

West Texas: Fair today and tonight. Partly cloudy Thursday turning colder north. Highs today upper 60s north to near 80 southwest. Lows tonight 30s mountains and north to near 50 south. Highs Thursday 50s north to near 80 southwest.

Local Veterans Plan Celebration

Some agencies celebrated Veterans Day on Oct. 25, but veterans organizations in Snyder and the county government will observe it on the traditional date tomorrow.

The Scurry County Courthouse will be closed for Veterans Day, and both the American Legion and Veterans of Foreign Wars have special events planned for the day. Both Snyder banks and the Snyder Savings and Loan Association also will be closed for the holiday tomorrow.

Nov. 11 this year is the 58th anniversary of the signing of the Armistice that officially ended World War I. It subsequently was designated by Congress as a national holiday to honor the men and women who served in the uniform of the United States in that war. A few years ago, Congress changed the official holiday to the last Monday in October in a move to put more federal holidays on Monday.

Layne-Kite Post No. 181, American Legion, will serve breakfast Thursday morning at the American Legion Home, located at 1802 Avenue R. All veterans and their families are invited. Serving will begin at 6 a.m.

Veterans of Foreign Wars Post No. 8231 will serve a barbecue dinner Thursday evening to all veterans who have 1976 membership cards in any veterans organization. Members of the American Legion, VFW, Disabled American Veterans, World War I Veterans and Amvet Posts are especially urged to participate in the Veterans Day events.

Gas Leak Kills Two

SAN ANGELO, Tex. (AP) — A man and his grandson died today after apparently being overcome by fumes from a leaky stove in their trailer home just outside this West Texas city, authorities said.

The victims were identified as Antonio Dominguez and his grandson Gary Maginness, 6.

Gary's 7-year-old sister, Jane, was rushed to a San Angelo hospital.

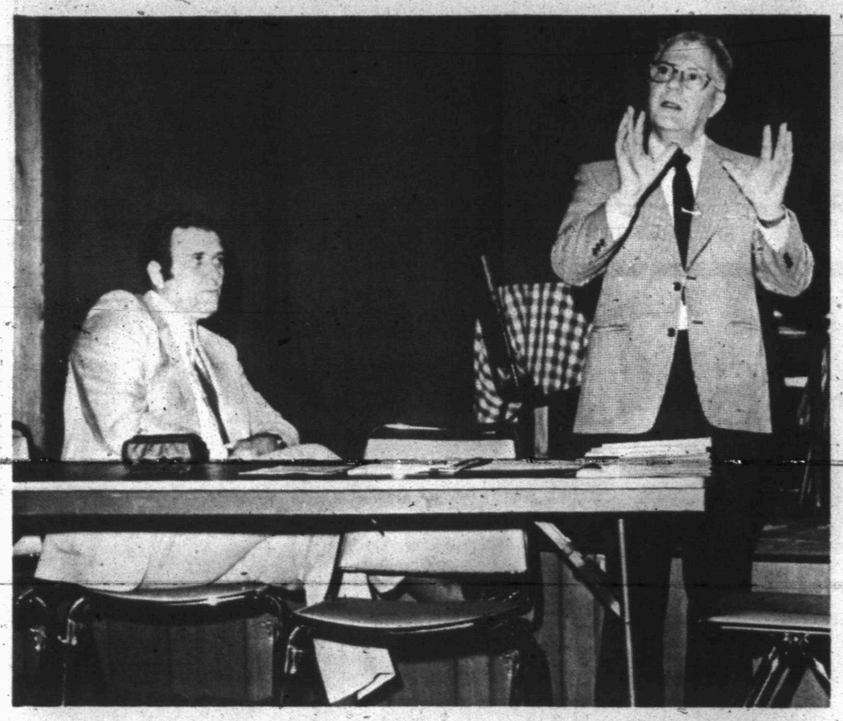

Eight Share Week's Prize

It was a black week for contestants in the Snyder Daily News Football Contest. Scores on the contest entries soared higher than those of some of the underdogs in the weekend games.

Ultimately, seven contestants finished in a tie for the week's prize money, and the best they could do was eight misses.

Sharing the week's prizes were Mark Preston, 2701 Thirty-eighth Street; Florinda Suarez, 1908 Coleman, Apt. 4; Bill J. Hood, 3001 Thirty-fourth Street; Dewey F. McAnear 308 Thirty-sixth Place; Geral M. Greene, 2600 Thirty-fifth Street; Bill Boles, 202 Thirty-third Street; and Una Boles, 202 Thirty-third Street.

Another contest begins today, and the list of games may be found in sponsors' advertisements on the football contest page of this issue of The Snyder Daily News.

SHOPLIFTING SEMINAR SPEAKERS—Approximately 125 local business owners and their employes crowded into the Fine Arts Theater at Western Texas College Tuesday night to attend a shoplifting seminar sponsored by the Snyder Chamber of Commerce and the Small Business Administration. Featured speakers at the seminar were Chief of Police William Stone (left) and County Attorney George Killam. (SDN Staff Photo)

Old-Fashioned Yule Exhibit Is Planned

The Scurry County Museum is planning an old-fashioned Christmas exhibit, and is seeking help from local residents in putting the exhibit in place.

The requests for help fall into two catergories, Sharon Sutton, museum director, said. First, the museum would like to borrow Chirstmas decorations to be used on a tree and in other places throughout the museum. A display of Chirstmas cards will be placed in an exhibit case if enough of them can be secured for a display.

Anyone who has items to loan for the Christmas exhibits may bring them to the museum any week day or between 1-5 p.m. on Sunday.

Second, the museum would like ideas for using the decorations and Christmas stories that would help museum workers re-create the Christmas atmosphere from years past. These might include stories about a community party at a church or school, a favorite gift, an unusual gift, or family customs.

People who have a memorable Christmas to recall may contact Mrs. Danny Lunsford at her home, 573-0680, or Mrs. Ruth McClurg, museum secretary, by calling Western Texas College, 573-8511, extension 210, or 573-6107.

A Christmas social is planned in the museum on the afternoon of Dec. 5, and a cedar tree is to be decorated during that gathering. The public is invited to attend, and decorations may be brought to that social.

The Scurry County Museum is on the south side of the Western Texas College campus and visitors may park in the West Parking Lot.

Astro-Graph

Bernice Bede Osol

For Thursday, Nov. 11, 1976

ARIES (March 21-April 19) Keep domestic problems within the confines of the family today. Outsiders will only complicate matters.

TAURUS (April 20-May 20) You'll lose momentum today if you team up with someone whose aims are not in harmony with yours. Select coworkers carefully.

GEMINI (May 21-June 20) Your chances for gains today will come from that which you earn from the sweat of your brow. Don't look for it elsewhere.

CANCER (June 21-July 22) You're likely to treat casual acquaintances far more friendly than you will persons you're intimately involved with. Show consideration to all.

LEO (July 23-Aug. 22) It will be difficult today to keep to yourself something told to you in confidence. You may talk to the wrong person.

VIRGO (Aug. 23-Sept. 22) In activities today where friends are involved, try to do things that won't cost money. Pleasures with a price tag will be less fun.

LIBRA (Sept. 23-Oct. 23) Your chances for success today look good if something material is at stake. Commercial conditions awaken your clever instincts.

SCORPIO (Oct. 24-Nov. 22) Your first ideas are apt to be your best ones today. The longer you deliberate, the less you're likely to appreciate your brainchild.

SAGITTARIUS (Nov. 23-Dec. 21) Someone who offered you something is likely to rescind the proposal if you bring others into the act. Keep it just between yourselves.

CAPRICORN (Dec. 22-Jan. 19) You will have to be extremely diplomatic today with business associates, or someone is going to feel they got the short end.

AQUARIUS (Jan. 20-Feb. 19) Use your imagination today where your work is concerned. Experiment with new methods. Alternatives could work.

PISCES (Feb. 20-Mar. 20) Before becoming too deeply involved with someone you've recently met, try to learn more about this person. She may not be all she seems.

Your Birthday

Nov. 11, 1976

Take advantage of any opportunity you have this year to gather new knowledge that could help you regarding your work or career. Later, you'll put it to a profitable use.

MARKETS

By The Associated Press

FORT WORTH, Tex. (AP) — Livestock prices Wednesday.

Cattle and calves 500. Slaughter cows and calves steady. All feeder cattle and calves weak in a clean-up type trade. Demand moderate and buying attendance near normal. Slaughter cows: cutter 18.00-21.70, canner and low cutter 16.00-18.00. Slaughter calves: good and choice 300-500 lbs 26.00-28.25. Feeder steers: Choice 300-500 lbs 33.75-36.00, good 350-550 lbs 32.25-35.00, standard 400-500 lbs 26.50-32.60. Feeder heifers: Good and choice 400-500 lbs 24.50-27.25.

Hogs 250. Barrows and gilts firm to 50 higher. 1-2 200-250 lbs 31.00-32.00, 2-3 200-275 lbs 30.00-31.00. Sows steady. 1-3 270-550 lbs 23.00-24.00. Boars 500-600 lbs 20.00.

★★★

AMARILLO, Tex. (AP) — Carlot meat prices Wednesday.

Demand for steer and heifer beef continued very light, not enough either class for adequate price trend. Cow beef firm to 1.00 higher. Steer beef: Choice 4 600-800 lbs 56.50. Choice 4 800-900 lbs 55.50. Cow beef: Utility breaking 3-4 42.00-42.50, utility boning 2-3 43.00-43.50, canner and cutter 1-2 45.00.

★★★

NEW YORK (AP) —Cotton futures No. 2 were lower in midday dealings today.

Evening up operations prior to release of the government's cotton crop estimate after the close today caused futures prices to drift lower. Many traders expect the report to show a reduction from the October estimate of 10.3 million bales.

The average price for strict low middling 1 1-16 inch spot cotton declined 25 points to 78.61 cents a pound Tuesday for the 10 leading markets, according to the New York Cotton Exchange.

Midday prices were $1.60 to $2.10 a bale lower than the previous close. Dec. 82.25, March 83.15, and May 83.20.

Dear Abby

Abby Scored for Sexist Reply

By Abigail Van Buren

© 1976 by Chicago Tribune-N. Y. News Synd, Inc.

DEAR ABBY: CHICAGO CHICKEN said he was afraid he'd feel like less of a man if he had a vaseetomy, and you said, "If you're afraid you'll feel that way, the chances are you WILL." You then suggested that he place the burden of birth control on his wife!

Abby, you blew it on a number of counts:

1. Since when is being a father the ultimate sign of manhood? What does that make males who desert their children?

2. Since when should women bear the full responsibility for birth control so the male can feel like a "man"?

3. Using your logic and his, does his wife become less of a woman after she loses her ability to bear children?

Abby, how could you?

D. K.

DEAR D. K.: It was easy. Old attitudes die hard. Having been taught by a loving mother that "Papa comes first," my response was automatic—and admittedly sexist and thoughtless. My apologies to women everywhere who are striving for equality with men.

I'll take 20 lashes with a copy of the Equal Rights Amendment.

DEAR ABBY: You printed a letter recently from a well-intentioned woman who suggested that volunteers occasionally take occupants in nursing homes for an "outing" instead of visiting them amid the same four walls they stare at day after day.

My own mother went into a nursing home at age 91, and remained there until she died at 96.

Every Sunday when I took her for a long ride, I'd fill up the car with other residents. Then one day, a nurse asked me if I realized that I would be vulnerable to a lawsuit were I to have an accident with one of the old folks in my car, or if one fell getting in or out of it.

After that, even though my heart went out to the old people, I stopped taking them for rides, but I did visit with them as often as possible.

There is just no good answer to the problem of loneliness there. Mama used to sit outside the door in a rocker, and once when I drove up, I said, "Mother, what are you doing out here? It's cold!"

She answered, "I'm just waiting for you." I kissed her and asked, "How did you know it was Sunday?" She answered, "I didn't. I wait for you every day."

G. W.

DEAR G. W.: Volunteers who visit nursing homes if only to talk with the residents there are offered places of honor in my pantheon of heroes.

DEAR ABBY: Somewhere in a modest home is the luckiest woman alive, and I'm sure she isn't even aware of it.

The OTHER WOMAN usually writes a tale of woe. I am the OTHER WOMAN but I have no "tale of woe" because of a decision I have just made. This wife I speak of is lucky because her children are healthy and well-behaved. They have a pleasant, middle-class home, with good food, good clothes and a good car.

Their lives are secure. Her husband is with her and he always will be. If I could tell his wife one thing, it would be to LOVE her husband and let him know it.

He wanted me, and I wanted him, and only God knew how much. But when people are basically good, they refuse to hurt innocent people, especially children. He's the man I've been searching for all my life. I love him and he knows it. But he is HER husband, and THEIR father. And he has integrity. I wish he were mine. But he's not and he never will be.

Thank you, Abby, for letting me say this. I feel better now.

Top Awards Common For Scurry Historical Unit

Bringing home Distinguished Service Awards from the annual state Historic Preservation Conference has become a tradition for the Scurry County Historical Commission (SCHC).

The SCHC was honored with its eleventh DSA at the 1976 conference in Galveston recently. On hand to receive the award were Mrs. Edith Whatley McKanna, chairman of the SCHC, and Hugh Boren, Jr., vice-chairman. They were accompanied by Mrs. Boren.

In presenting the award, the Texas Historical Commission chairman, Mrs. Wesley Blankenship of Lubbock, cited the SCHC for the continuing excellence of their preservation activities. Both Mrs. McKanna and Boren have expressed their appreciation to the members of the local group for the work they do throughout the year which enables the SCHC to earn its Awards and which makes this county among the most widely recognized in the state in preservation work.

One of the best known activities of the SCHC has been the preparation of markers at historic sites throughout the county. Fifty-four markers have been prepared and placed thus far, and work is underway on another one. County historical commissions must meet 16 requirements to receive the DSA.

In addition to their work with the SCHC, Mrs. McKanna and Boren have been appointed to membership on the board of directors of the Texas Historical Foundation. Other directors from this area include Katharyn Duff of Abilene, Mrs. Blankenship, Clifton Caldwell of Albany, John Ben Shepperd of Odessa and J. Conrad Dunagan of Monahans.

The Foundation serves as a clearinghouse for the organizations, agencies institutions and museums with an interest in the preservation of the historical heritage of Texas, among many other functions. Membership in the Foundation is open to all persons interested in helping to preserve the state's heritage and cultural resources.

The Texas Historical Commission works closely with the Foundation. Its responsibilities are to carry out projects as recommended by the Foundation. The Foundation and Commission sponsor the annual Historic Preservation Conference each year, and all interested persons are invited to attend the programs on various preservation topics.

Other members of the SCHC are Harold Bennett, Evelyn Boone, Mrs. Wayne Boren, Drew Bullard, Henry F. Clark, Mrs. Jess Everett, Mr. and Mrs. W. C. Fargason, Mrs. J. W. Headstream, Mrs. R. A. Irving, Mrs. Jack McGlaun, John Portis, Mrs. Travis Rhoades, Ernest Sears and Sharon Sutton. County Judge Preston Wilson and the county commissioners, Hassie Sneed, Jess Everett, Eldon Perry and Charlie Yoast, serve as ex-officio members.

2 Represent WTC At Meet

Dr. Robert L. Clinton, president of Western Texas College, and R.C. Patton, member of the college board, returned Tuesday night from Amarillo where they attended the 36th annual convention of the Association of Texas Junior College Boards and Administrators.

Principal speakers at the two-day session included R.L. Thornton Jr., chairman of the board of the Dallas Community College District; Joe D. Fordyce, of the College Entrance Exam Board; Dr. Lorrin G. Kennamer, dean of the College of Education at the University of Texas, and Dr. Kenneth Ashworth, Commissioner of Higher Education.

A number of topics of interest to junior college administrators and board members were discussed at the convention.

Burglary Is Under Probe

City police officers are continuing their probe into the burglary of the Robert Ayers residence in the 3700 block of Austin Avenue.

The burglary was reported to policemen about 9 p.m. Tuesday and netted the burglar some $85 in cash and coins. Policemen reported that a rear window of the house had been broken out, a screen torn on another window, and the back door had been damaged as the burglar was attempting to gain entry to the house.

A minor traffic accident occurred about 2 p.m. Tuesday in the 2400 block of Avenue R. Involved in the collision were a 1973 Ford driven by Debra Stansell and a 1963 Ford driven by Helen Walker.

A relatively dense Wednesday morning fog was apparently the cause of a minor collision today about 7 a.m. A 1968 Chevrolet driven by Weldon Chitsey collided with a 1973 Chevrolet driven by Roy Hines.

The "Dog Days" of July and August — when Sirius, the Dog Star, rises with the sun — were blamed by ancient Romans for summer sickness, drought, and the death of farm animals.

RTA To Have Thanksgiving Program Nov. 11

The Scurry County Retired Teachers will meet in regular session for their Thanksgiving program at Colonial Hill Baptist Church at 2 p.m. Nov. 11. Mrs. Travis Rhoades is program chairman. Members of the association will participate in the program by quoting their favorite scripture at roll call.

All members are urged to attend. Members will be informed of the law which is to be presented to the lawmakers in January concerning a 14.5 percent raise.

Members are urged to bring guests who will be prospective members of the Retired Teachers Association.

Briscoe Plan Is Discussed

HERMLEIGH—Discussion of Gov. Dolph Briscoe's school financing proposal was the main item on the agenda at the Hermleigh School Board's meeting last night.

The board and administration are studying the governor's proposal to determine what effect it would have on the Hermleigh district.

Bills submitted for payment were approved by the board.

Opening lead — K ♠

By Oswald & James Jacoby

Here is a hand that proves nothing except that bridge is a remarkable game.

South thought of opening with a forcing two bid, but decided his hand was just a trifle too weak for that action. So he settled for one heart. West stuck in one of those preemptive jump overcalls and North decided to jump to four hearts.

This gave South a chance to move into high gear. He Blackwooded to four and five notrump and went to seven when North showed one ace and two kings. Somehow or other he had forgotten about the queen of trumps when he bid the grand slam.

West opened his king of spades. South took his ace and, after a brief period of study and silent prayer, led a trump to dummy's king. He then finessed for East's queen on the way back, picked it up and claimed his grand slam, since he could chuck his last spade on the king of diamonds.

"What a silly bid and silly play," said West. "Who ever heard of bidding a grand slam when you needed a finesse."

Actually, seven hearts was the right bid. South would make seven if he picked up the queen of trumps. He would only make five if he didn't. Furthermore, West's jump overcall had indicated great length in spades and shortness somewhere else so South was correct in playing for a trump finesse rather than trying for a drop.

Ask the Jacobys

A Florida reader wants to know how to score an unfinished rubber. The answer is that a side with a game is credited with 300 points; a side with a part score on an unfinished game is credited with 50 points. This procedure is the same as in party bridge.

(Do you have a question for the experts? Write "Ask the Jacobys" care of this newspaper. The Jacobys will answer individual questions if stamped, self-addressed envelopes are enclosed. The most interesting questions will be used in this column and will receive copies of JACOBY MODERN.)

COMMUNITY CALENDAR

WEDNESDAY

Sparkle City Squares workshop at National Guard Armory, 8:30 p.m.

THURSDAY

Retired Teachers Association will meet at 2 p.m. at Colonial Hill Baptist Church Fellowship Hall.

Twilight Garden Club will meet at 7:30 p.m. at Martha Ann Woman's Club with Mrs. Clyde Key as hostess.

Snyder Palette Club will meet at 9 a.m. at the Airport Terminal Building. Dick Cheatham of Lubbock will give a demonstration in oils.

Snyder Newcomers Club will meet at 10 a.m. at the Snyder Savings and Loan Building. The program will be "Sewing Techniques for the Holiday Season" presented by Dorothy Dortch.

FRIDAY

Open duplicate bridge at 1:30 p.m. at Snyder Country Club.

SATURDAY

Musical Coterie will have a Love Feast at 12 noon at the Sear's Building of First Baptist Church. Each member is to bring 2 guests.

Square and Round Dance Festival, at Scurry County Coliseum; Round Dance workshop 1-3 p.m.; Square Dance Workshop 3-5 p.m.; Festival, 8 p.m.

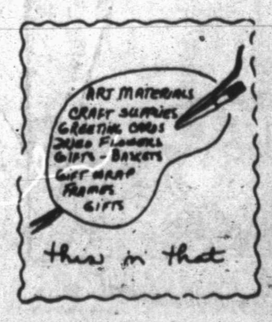

SUNDAY

Snyder Palette Club Annual Tea and Exhibit at Martha Ann Woman's Club.

Open duplicate bridge at 1:30 p.m. at Snyder Country Club.

Scurry County Museum open, 1-5 p.m. Special exhibit of paintings by June Harbin of Big Spring.

For calorie-watchers: Use a large lettuce leaf instead of a tortilla for enclosing a portion of a chili-flavored meat mixture. Have the lettuce icy-cold and the meat mixture hot for an interesting taste contrast.

STITCHIN' TIME

Crochet Set Of Warm Companions

By JUDY LOVE

Two may be company but three is never a crowd - when it comes to crocheted fashions.

Once you've completed a cuddly-warm sweater jacket you'll want more - in the form of a coordinated scarf and cap. Together, they'll give you fashion's layered look without bulk or weight.

The jacket is crocheted in two colors. Use either a solid or a tweed effect for the main color and add a contrasting shade to form a border all around the jacket and for the trim on cuffs and pockets.

The scarf features the accent color in four stripes worked at each end. The, top off your outfit with the cap in a solid shade. Since the hat is fast to make, you might want two - one in each color used in the jacket.

Your three fashions can be crocheted in plenty of time for winter weather. They're worked with a size K crochet hook. Using a yarn like Bernat's Big Berella Bulky, you'll zip right along completing two inches with fives stitches.

Instructions for crocheting all three fashions are available for sizes small, medium and large, covering the size range from 8 to 18. For your copy of the directions, just send 50 cents to Stitchin' Time, Box 503, New York, New York 10019. Ask for leaflet No. 460 and include your name, address and zip code.

CROCHET FOR WINTER—Crocheted Jacket shares spotlight with a coordinated scarf and cap. These allow layering for the winter scene but are lightweight.

KNIT-KNACKS

Dear Judy Love: I had a problem which I think some of your other readers may have and I would like to share the helpful hint that I received from a friend with them. Whenever doing the stockinette stitch my pearl row would be much tighter than my knit row. My friend suggested that I use a size larger needle for the pearl row, making the stitches more loose and tension even with the knit row. Since every other row is a pearl row there is no problem keeping the pearl row on the larger needle. Hope this helps someone else as much as it did me.—A.H., New York

DEAR A.H.

Thank you. I'm certain other knitters have solutions to knitting problems they would like to share with readers of Stitchin' Time.—Judy Love.

Dr. Lamb

Taboo exam: prostate gland

By Lawrence E. Lamb, M.D.

DEAR DR. LAMB—My husband died in November of last year of prostate cancer. Previous to his death in three visits to the doctor he didn't receive a prostate examination until the last examination - one out of three and that one too late.

Doctors don't like doing the exam. Men don't like getting the exam. If someone could get the doctors to insist I am sure the fatalities would drop.

DEAR READER—At the risk of irritating some of my colleagues I must say that if prostates were breasts they would be examined more often. You are absolutely right that many doctors neglect to do a rectal examination. In view of the high rate of cancer of the prostate (third most common cause of cancer death in men) and rectal and colon cancer in both men and women (second most common cause of cancer deaths) such an omission is inexcusable.

Medical schools have long tried to teach this. A common teaching expression was that "if you don't put your finger in it you put your foot in it." The efforts have been only partially successful.

When the doctor doesn't do a complete examination the only recourse is to ask him why not. Then if he still does not do a rectal examination you should think about getting a different doctor.

It is not all the doctor's fault. Many patients simply do not want the examination. Many men in particular avoid any medical examination at all. Here is where wives can really help. By insisting that the man have an annual checkup and that it be complete examination she can help him avoid disaster. I know it should not be necessary for a mature individual to be reminded that he needs to take steps to look after his own health but when a man does not act in a responsible way such measures are about all that are left.

A man with the responsibility of loved ones and a family also has the responsibility to his loved ones to look after his health and regard it as one of the family's most important investments.

The simple truth remains that more than half of the deaths from cancer of the prostate can be prevented by early detection and proper treatment.

Those who want more information on the Prostate Gland can send 50 cents for The Health Letter number 1-6. Send a long, stamped, self-addressed envelope to me in care of this newspaper, P.O. Box 1551, Radio City Station, New York, NY 10019.

DEAR DR. LAMB—I just wanted to comment on your article about split fingernails and nail polish. I used to have problems with split fingernails but now my nails are long and healthy since I quit using nail polish. I stopped using nail polish last year because the remover made my skin break out in eczema. When I went back to using the polish again for a short while my nails started splitting so I decided that either the polish or remover was causing my nails to split. When I use nothing at all they grow long and seldom break.

DEAR READER—Thank you and all the other readers who have written in to comment on how their nails have done after eliminating nail polish. While this will not solve everyone's problems with splitting nails it is the most obvious and sensible first step. So if any more of you out there are having nail problems stop the polish for a while and you may be surprised how your nails improve.

IF WINE COMPANY ACQUIRED

Methodists May Sell Coke Stock

CHARLOTTE, N.C. (AP) — "Coke Adds Life," goes the soft-drink ad. Now Coke wants to add a wine company, and it may lose the United Methodist Church as a shareholder if it does.

The church, which opposes use of alcohol, said Tuesday that it may sell its nearly $1 million worth of Coca-Cola Co. stock if the multi-billion-dollar firm, based in Atlanta, goes through with plans to acquire Taylor Wine Co. of New York.

A Coca-Cola spokesman in Atlanta said only one person on the corporate staff was authorized to discuss the matter, and he was not available.

The Rev. Mr. Lupo said he did not know the exact amount of Coca-Cola stock held by the church because the council's treasurer is on vacation. But he said 12,800 shares is "probably the ball park figure."

The stock closed on the New York Stock Exchange Tuesday at $77.50 a share, making the church holdings worth more than $990,000.

The Rev. C.J. Lupo Jr. of Greenwood, S.C., chairman of the United Methodist General Council on Ministries' investment committee, said Tuesday that the proposed acquisition of the wine company came up at a recent Methodist world division meeting at Denver.

He said the church drafted a letter urging the company not to go through with the merger and warning that if the deal were consummated, the church would sell its stock. He said the stock is part of the denomination's $50 million investment program.

The Rev. Mr. Lupo said he did not know whether the company had responded to the letter.

"It's been the stand of the Methodist Church as long as I can remember, for total abstinence," said Leslie E. Barnhardt of Charlotte, a member of the council.

"Not all Methodists abide by this, but it has been a policy...," she said. "I'm sure there will be complaining...(but) there will be a lot who support the sale."

Former Resident Dies In Mishap

Word has been received here of the death of Edward Lewis (Chicken) Draughan, 26, of Odessa. A former resident of Snyder, he was killed about 3 a.m. today in a truck accident in South Carolina.

Services are set for 2 p.m. Saturday in Kermit.

Among the survivors are his mother, Mrs. Ruby Lee Powell Jackson of Odessa; his stepfather, M.C. (Pete) Powell of Lovington, N.M.; a brother, M.C. Powell, Jr., of Dallas; three uncles, Willie Draughan and Sammy Lee Draughan, both of Odessa and Elmo Powell of Snyder; an aunt, Mrs. Earnest Brandon, of Snyder and his stepgrandmother, Mrs. Mary Powell of Snyder.

An opossum at birth is about the size of a honey bee.

TSTA Unit Discusses Guidelines

Mrs. Jewel Harris of Abilene, a TSTA leader, met with local TSTA members Monday night to discuss the guidelines for the TSTA local association structure. This structure should provide opportunities for the teacher, administrator, etc., to express opinion on issues, initiate action, represent members, facilitate unity of action by all groups and affiliate with TSTA and NEA.

Each plan was discussed and these plans will be voted on later. A film, "A Teacher is Forever," was shown to the members. This film is introducing TSTA's long range campaign across the state to bring local recognition to the classroom teacher. The film emphasizes the rewards of the profession and is available for clubs and organizations to order.

TSTA's legislative program for the coming year was discussed by Mrs. Harris. A teacher must be knowledgeable of the TSTA legislative program because the outcome affects teachers, students and the educational process.

What's in it for you, Lisa Barnes?

"The human interest stories." "That's what makes the Reporter-News such an interesting newspaper to me. I like it!"

"There's so much more I like in the paper, too. The front page tells me what's happening here and around the country. Ellie Rucker's Action Line gives me a lot of interesting information. I read the Living Section and even the advertising, especially on Thursday.

"That little column that lists all the coupons in the newspaper is a good idea. It helps me make sure I don't miss any of the money-saving coupons.

"But if I had to pick out one thing I like especially, it's this. The Reporter-News hits a happy medium of reporting local and national news."

The Abilene Reporter-News. There's something in it for you.

With our connections, we can supply all the gas you'll need.

Lone Star's existing gas reserves will meet the requirements of all of our customers for the next 12½ years, based on 1975 consumption rates.

What about the thirteenth year – and beyond – when these reserves are depleted?

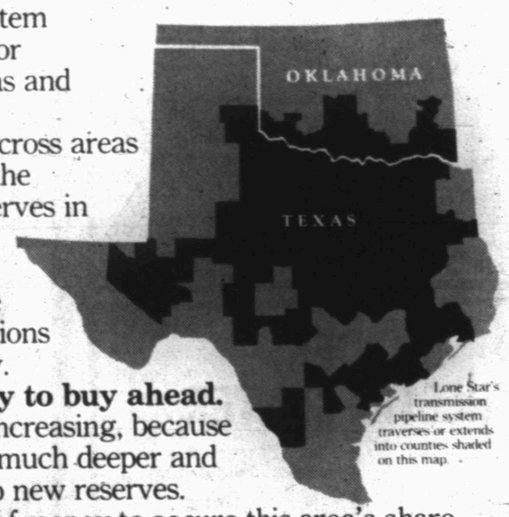

Fortunately, Lone Star is in a position to buy new gas reserves that could last our customers far into the 21st century.

We're in the right place at the right time. And we have all of the right connections.

Lone Star's pipeline system enters eight of the nine major gas producing areas in Texas and Oklahoma.

Our transmission lines cross areas which contain over 50% of the remaining on-shore gas reserves in the continental U.S.

This strong network puts Lone Star in one of the most favorable buying positions of any natural gas company.

Lone Star's transmission pipeline system traverses or extends into counties shaded on this map.

All we need is the money to buy ahead. The price of gas will keep increasing, because producers will have to drill much deeper and more costly wells to develop new reserves.

It's going to take a lot of money to secure this area's share of these reserves. Unfortunately, Lone Star's ability to bid successfully for new reserves hinges greatly on the existence of adequate rates for the gas we sell.

The time to begin an aggressive resupply program is now, while we have a competitive buying edge and while economical gas is available.

With a fair return on our necessary investment, we can make the long-term financial commitments that will assure our customers all the natural gas they'll need for decades to come. And we will.

In each advertisement on this page you will find the contestants in a prominent football game being played in the country this week-end. Get an entry blank from one of the merchants who are helping sponsor this contest and whose messages is on this page. Fill in your selection of the WINNING TEAM only...opposite the name of the firm on the entry blank. Then send your complete blank to FOOTBALL CONTEST EDITOR, THE SNYDER DAILY NEWS. Entries must be in the hands of the editor by 12 o'clock noon, Friday. Games ending in a tie must be specified as a tie or else it will be considered a miss.

If there is a tie for first place the winners will divide the cash money of $17.50 and no second prize will be given. If there is a first place, the second prize winners will divide the money for the place. If more than two persons tie for second place, no second prize money will be awarded and the cash will be added to next week's prize. Tie for perfect score will split $100. There will be fun for the entire family. Only one entry blank will be permitted from any one person. More than one will disqualify all of the person's entries. Scores listed on the entry blank will have no bearing on the choice of the winner. Sign your entry blank and list your address and phone number--and watch for the story on next Wednesday's front page for the winners. Hurry now, and get your entry blank from one of the merchants on this page. The contest blank must be in your own handwriting. Employes of The Snyder Daily News and their families are not eligible to enter.

ABSOLUTELY NO PURCHASE NECESSARY!

ENTRIES MUST BE IN BY NOON FRIDAY!

Alabama Favored Over Notre Dame

By HERSCHEL NISSENSON
AP Sports Writer

NEW YORK (AP) — Bear Bryant is about to visit Notre Dame for the first time and it is questionable whether college football's book of legends can stand the strain.

"I've been to South Bend," Bryant notes, "but I've never been in the arena. I'm looking forward to it. Notre Dame is probably the football capital of the world."

Whoa there, Coach. Isn't Tuscaloosa the football capital of the world?

"Only in Alabama."

Alabama and Notre Dame have met twice — in the 1973 Sugar Bowl and the 1974 Orange Bowl — with Notre Dame winning both by a total of only three points. For that little difference, plenty was accomplished. Notre Dame won a national championship and may have cost Alabama two of them.

Right now, 'Bama is on a 5-0 upgrade after a sluggish 2-2 start — "We've let other people do the coaching the last five games," Bryant says — while Notre Dame struggled to beat Navy and lost to Georgia Tech after beating five consecutive opponents without allowing a touchdown.

Will it be Bryant the legend or Notre Dame the legend? Let's try...Alabama 17-13.

Last week's score was 46 right, 20 wrong and one tie for a .697 percentage. On the season, it is 431-177-11—.709.

Ohio State at Minnesota: Might the Buckeyes be looking ahead to Michigan and might they suffer the same fate that befell Michigan at the hands of Purdue? "There isn't a chance in the world of that for one reason, and you're looking at him," says Woody Hayes...Ohio State 31-14.

Missouri at Oklahoma: With all their troubles, the Sooners still have an outside shot at the Big Eight crown and the Orange Bowl. "We have an opportunity to take it down to the finish against Nebraska," says Coach Barry Switzer...Oklahoma 27-21.

Texas A&M at Arkansas: The Razorbacks ruined the Aggies' perfect 10-0 season a year ago with a 31-6 rout and there is a little revenge motive here...Texas A&M 20-10.

West Virginia at Pitt: The Mountaineers won last year on a last-second field goal. Anything can happen in this neighborhood rivalry, but Pitt is feeling its oats as the new No. 1 team in the land ... Pitt 35-14.

UCLA at Oregon State: Will the Bruins be looking ahead to Southern Cal? Probably, but no matter...UCLA 38-6.

Washington at Southern California: Will the Trojans be looking ahead to UCLA? Probably, but no matter...USC 38-6.

Illinois at Michigan: Will the Wolverines be looking ahead to Ohio State? They'll probably be looking back to Purdue, and Illinois will suffer the consequences...Michigan 41-7.

Purdue at Iowa: What can the Boilermakers do for an encore? Would you believe the Upset Special of the Week...Iowa 23-16.

Florida at Kentucky: Despite the loss to Georgia, the Gators can capture a share of the Southeastern Conference crown for the first time with a victory here. Does there always have to be a first time? Second Upset Special...Kentucky 24-17.

Georgia at Auburn: "Champions win their own titles," says Georgia's Vince Dooley. "The Southeastern Conference championship game is at Auburn next Saturday, and that's a tough spot to play." But the Bulldogs can make it to the Sugar Bowl with a win...Georgia 34-17.

Nebraska at Iowa State: "We're a long way from the Orange Bowl," says Nebraska's Tom Osborne, "but we're closer than we were last week." The Cornhuskers will have to put the clamps on Iowa State's explosive offense...Nebraska 27-13.

Colgate at Army: The Red Raiders still are undefeated but the Cadets may be unkind enough to spoil next week's looming battle of the unbeatens with Rutgers...Army 24-17.

Other games:

South — Maryland 28, Clemson 7; South Carolina 29, Wake Forest 27; Lafayette 21, Davidson 7; East Carolina 33, Furman 14; Louisiana Tech 27, Southern Mississippi 17; Memphis State 23, Louisville 14; Penn State 30, Miami, Fla. 21; Louisiana State 21, Mississippi State 20; North Carolina 28, Virginia 14; North Carolina State 34, Duke 24; Southwestern Louisiana 42, Northwestern Louisiana 10; Virginia Tech 29, Richmond 16; Tennessee 23, Mississippi 17; Vanderbilt 20, Air Force 17; William & Mary 22, The Citadel 12.

Midwest — Oklahoma State 23, Kansas State 16; Colorado 30, Kansas 20; Ball State 30, Western Michigan 20; Bowling Green 28, Southern Illinois 24; Cincinnati 25, Ohio U. 7; Tulsa 45, Drake 14; Eastern Michigan 27, Illinois State 13; Wisconsin 25, Indiana 20; Miami, O. 23, Kent State 9; Central Michigan 27, Northern Illinois 6; Michigan State 30, Northwestern 13; Toledo 20, Marshall 18; Wichita State 22, Indiana State 15.

Southwest — Texas Tech 36, Southern Methodist 14; McNeese 35, Lamar 10; North Texas State 21, Florida State 18; Baylor 33, Rice 27; Arkansas State 24, Texas-Arlington 17; Texas 30, Texas Christian 20; West Texas State 23, Northeast Louisiana 13.

Far West—Arizona 31, Colorado State 24; Arizona State 36, Utah 30; California 38, Washington State 28; Fresno State 29, New Mexico State 22; Hawaii 26, Montana State 16; Idaho 31, Montana 21; Long Beach State 35, Fullerton State 14; Brigham Young 38, New Mexico 21; Stanford 35, Oregon 20; San Jose State 41, Pacific 7; San Diego State 30, Utah State 17; Wyoming 27, Texas-El Paso 13.

Atwood Wins City Crown

Atwood Construction defeated Grimmett Brothers-Haberdashery, 12-7, in a defense battle last night to win the city championship.

Late in the first half, Dave Ratliff hit end Bill Philen on a 20 yard pass for Atwood's first six points.

Grimmett Brothers-Haberdashery was unable to get any points. Midway through the fourth quarter Marvin McClannahan threw a 50 yard pass to Steve Grimmett for Grimmett Brothers score, and then made the conversion going ahead 7 to 6.

With two minutes remaining, Atwood Construction took over the ball at midfield and in three plays, Dave Ratliff hit Eddie Eicke for a touchdown and the winning score.

Grimmett Brothers-Haberdashery threw a long pass but Eddie Eicke intercepted the ball.

Atwood was unable to move the ball and Grimmett Brothers took over with only seconds remaining. Marvin McClanahan threw another bomb and Eddie Eicke intercepted again. On the first play, Ratliff ran the clock out to wrap up the city championship.

Next Tuesday night Grimmett Brothers-Haberdashery will play Bunch Oil. The winner of that game will also go to the regional playoffs in Amarillo Dec. 4.

Lake View Can Wrap Up Crown

Lake View continues to set the pace in the District 3-AAA football race. The Chiefs are 5-0 in district play and have a perfect season record at 9-0.

The only team that stands in the Chiefs path for an outright claim to the title is the Lubbock Dunbar Panthers. The two teams collide at 7:30 p.m. Thursday night in a showdown battle. Lake View can wrap up the crown with a victory. Should Dunbar win the two teams would be co-champions, and Dunbar would represent the district in the playoffs.

Last week, Lake View thumped Sweetwater 40-0 while Dunbar was taking a 14-6 decision over Snyder. In the other district game last week, Estacado shut out Lamesa, 12-0.

Dunbar, Snyder and Estacado have won more games than they've lost this season. Dunbar is 6-1-2 for the season while Snyder and Estacado each are 5-4. Lamesa finished the season with a 5-5 record. Sweetwater and Brownfield both have lost more games than they've won.

Dunbar is second in the district race with a 4-1 mark while Lamesa is third with a 4-2 record. Snyder and Estacado are tied for fourth with 2-3 marks while Brownfield is 1-4 and Sweetwater is 0-5.

In other district games this week, Snyder will be at Brownfield and Sweetwater meets Estacado in Lubbock in Friday night affrays.

SEASON RECORDS

TEAM	W	L	T	PTS	OPP
Lake View	9	0	0	280	24

Estacado	2	3	0	57	68
Brownfield	1	4	0	26	140
Sweetwater	0	5	0	54	118

Jim Palmer Wins Third Cy Young Baseball Award

By KEN RAPPOPORT
AP Sports Writer

NEW YORK (AP) — Baltimore's Jim Palmer, an All-Star Game reject last July who reversed his field in the second half of the season, won the American League's Cy Young Award today for the third time.

The Orioles' right-hander joined Sandy Koufax, formerly of the Los Angeles Dodgers, and Tom Seaver of the New York Mets as baseball's only triple winners of the coveted pitching award.

Palmer, also named the American League's best pitcher in 1973 and 1975, was an easy winner this time over runner-up Mark Fidrych, Detroit's flashy "Birdman" who took baseball by storm in his rookie season.

Palmer received 108 points on 19 first-place votes, four seconds and one third from the Baseball Writers Association of America. His total more than doubled that of Detroit's young right-hander, who had 51 points based on five first-place votes, seven for second and five for third.

Points are awarded on a basis of five for first place, three for second and one for third.

California's Frank Tanana was a distant third with 18 points, while Ed Figueroa of the New York Yankees finished fourth with 12. Others who received votes were LUIS Tiant of the Boston Red Sox, with 10; Vida Blue of the Oakland A's, 8; Minnesota's Bill Campbell, 7, and Rollie Fingers of Oakland and Wayne Garland, Palmer's teammate at Baltimore, 1 each.

Palmer had a losing record for most of the early season, but by the time of the All-Star Game, was pitching well and improved his record to 11-8. However, he voiced his displeasure when Boston Manager Darrell Johnson did not select him for the AL All-Star team.

"I felt that if Catfish Hunter (of New York) was picked with the same record, I should have been selected, too," Palmer told The Associated Press Tuesday night. "But, really I never felt I should have been on the team. The whole thing was blown out of proportion.

"My point was that the American League never seems to send its best players to the All-Star games...."

Palmer led the American League in victories with a 22-13 record and had an earned run average of 2.51 despite a desultory start. The reason he pitched well in the second half of the season was that the Orioles played better over-all ball, he said.

"Our club played very well after June 15," said Palmer. "We had a better record than the Yankees after that. The club has to play well for you to pitch well."

Palmer's latest triumph leaves him with few new fields to conquer.

"I'd just like to pitch about five or six years longer and stay healthy," he said.

Fidrych had a 19-9 record and the best ERA in the American League with 2.34.

NEW YORK (AP) — Here is a list of previous American League winners of the Cy Young Award:

1975—Jim Palmer, Baltimore
1974—Jim Hunter, Oakland
1973—Jim Palmer, Baltimore
1972—Gaylord Perry, Cleveland
1971—Vida Blue, Oakland
1970—Jim Perry, Minnesota
1969—Mike Cuellar, Baltimore, and Denny McLain, Detroit
1968—Denny McLain, Detroit
1967—Jim Lonborg, Boston
1966—Sandy Koufax, Los Angeles
1965—Sandy Koufax, Los Angeles
1964—Dean Chance, California
1963—Sandy Koufax, Los Angeles
1962—Don Drysdale, Los Angeles
1961—Whitey Ford, New York Yankees
1960—Vern Law, Pittsburgh

Trent Girls Nip Ira 63-51

IRA—Trent's girls defeated the Ira varsity girls 63-51 here last night. Freeman led the visitors with 39 points while Brenem contributed 17. For Ira, Ronda Corbell was high point girl with 43 points.

Trent leaped into a 19-8 advantage in the first period and boosted the score to 44-20 at halftime. The third quarter was a 14-14 standoff, and Ira held a 17-5 advantage in the fourth quarter.

The Trent Junior High girls defeated Ira, 25-23, led by Sipe with 22 points. House tallied 11 for Ira.

TRENT (63)—Hammer 1-0-2; Freeman 19-1-39; Brenem 7-3-17; Bryan 0-1-1; Jackson 1-2-4; totals 28-7-63.

IRA (51)—Autry 1-0-2; Corbell 16-11-43; Layne 2-2-6; totals 19-13-51.

Trent 19 25 14 5—63
Ira 8 25 12 14 17—51

★★★

The remaining schedule for Ira follows:

Nov. 11—McCaulley, 6:30 p.m.
Nov. 16—Grady, 6:30 p.m.
Nov. 23—Gail, 6:30 p.m.
Nov. 30—At Gail, 6:30 p.m.
Dec. 2-4—Forsan Tournament.
Dec. 7—Hermleigh, 7 p.m.
Dec. 9-11—Hermleigh Tournament.
Dec. 14—At Grady, 6:30 p.m.
Dec. 16-18—O'Donnell Tournament.
Dec. 21—At Hobbs, 7 p.m. X
Jan. 4—Loraine, 7 p.m. X
Jan. 7—At Westbrook, 7 p.m. X
Jan. 11—At Roby, 7 p.m. X
Jan. 14—Highland, 7 p.m.
Jan. 18—At Hermleigh, 7 p.m. X
Jan. 25—Hobbs, 7 p.m. X
Jan. 28—At Loraine, 7 p.m. X
Feb. 1—Westbrook, 7 p.m. X
Feb. 4—Roby, 7 p.m. X
Feb. 8—At Highland, 7 p.m. X

(X - Denotes district games).

Dusters Open Season Tonight

The Western Texas College Dusters, college women's basketball team, will inaugurate the 1976 season at 6 o'clock tonight in Hunt Field House on the McMurry College campus.

Coach Sid Simpson's Dusters have won the Western Junior College Athletic Conference championship in each of the past two seasons. Last year, the Dusters compiled a 23-4 record. All four teams that beat them were ranked 5th or higher at the national tournament.

Coach Simpson said he is concerned about depth on this year's squad, he also said he likes the team's attitude. They have what Simpson calls "Team cohesiveness." He says shooting should be improved this year as well as overall team quickness.

Probable starters for the Dusters tonight are guards Rosemary Scott and Temi Baker, forwards Debby McIvor and Pam Tatum and post Janice Verden.

Rosemary and Temi both are 5-8 sophomores. Rosemary hails from Slaton, and Temi comes from Knox City. Both made All-State in high school.

Debby and Pam are freshmen. Debby, 5-11, comes from Ft. Stockton, and Pam, 5-8½, comes from Happy. Janice, 6-1, is a sophomore transfer student from Wayland Baptist College.

Other girls ready to answer Coach Simpson's call are Barbara Denman, 5-9 sophomore forward from Hobbs; Marketa Sisson, 5-2 sophomore guard from Van Horn; Jamie Branch, 5-3 sophomore guard from Aspermont; Cindy Luttrull, 5-10 freshman forward from Laverne, Okla.; Brenda Jurecek, 6-1½ sophomore post from Eola; and, Cathy Minton, 5-6 freshman from Snyder.

Simpson said he is proud of his freshmen. They have real ability and seem to be eager to play.

3 Local Teams Play This Week

Three Snyder football teams will see action this week.

The 8th grade Gold team hosts Lamesa at 5:30 p.m., followed by a 7 p.m. contest between 8th grade Black and Stamford. Both games will be held Thursday in Tiger Stadium. Friday night, the varsity Tigers visit Brownfield for a 7:30 encounter.

Elsewhere in District 3-AAA, Lake View takes on Dunbar in Lubbock Thursday night while Estacado hosts Sweetwater Friday night.

The area Six-Man teams has completed their season.

Volleyball Girls Win

LUBBOCK—The varsity volleyball girls of Snyder High School defeated Lubbock Dunbar, 15-8, 15-8, here last night to remain unbeaten in second half play. The Snyder girls earlier had sacked up the District 3-AAA championship.

On offense, Kathy Harrell averaged 67 per cent. Andra Crenshaw and Shelly Nutt both also looked good on offense.

On defense, Della Braziel had the best game. Shelly Nutt also looked good.

Coach Joyce Elrod said both the offense and defense were "down considerably." She said the girls have been hampered by injuries.

The junior varsity closed their season with a 15-2, 15-8 victory to boost their season record to 25-5.

The varsity hosts Colorado City at 6:30 p.m. Saturday in the Snyder High School gym.

SITTIN' ON THE SIDELINES

By BUCK SITTON

We talked with Dr. Sid Simpson the other day. He's athletic director at Western Texas College, and he often officiates football games in this area.

Anyway, Sid suggested we read the rule book before we write our next column. He informed us that we made a couple of boo-boos in our column last week about the two trick plays we told about. For one thing, Sid says, it is no longer legal to throw a forward pass on the kickoff. You can lateral the ball on a kickoff play, but you can't throw a forward pass.

Another thing, the "hidden end" play was just about done away with by a rule which requires everyone on the offense team to be lined up within 15 yards of the ball.

Sid said he has seen the "swinging gate" play worked successfully twice this season. The last time he saw it used was by Albany against Roscoe. Prior to the game the Albany coach cleared the play with the officials, one of whom was Sid. Before the kickoff, the other coach came up to the officials and asked if "that play Dunbar used against Snyder the other night was legal."

They assured him it was, and then a few moments later it was used successfully against his team. In the second half, Albany planned to pull the play again. Only this time the center who was lined up as an end was supposed to go out for a pass. One of the defenders on the Roscoe team sensed something was wrong, and he fell on the ball.

"I had to penalize his team five yards, but it probably saved them a touchdown," Sid said.

We received a composite basketball schedule from Snyder High School Athletic Director Roy Carter. It lists some 240 games to be played from grades eight through 12, boys and girls. Each week of the basketball season we plan to run a composite schedule for the following week in Sunday's paper. That way, you can make your plans in advance to attend the games. There are 20 basketball teams in the local school system. There will be 11 boys teams and 9 girls teams. Boys teams include varsity, junior varsity, sophomore, two ninth grade teams, two eighth grade teams and four seventh grade teams. Girls teams include varsity, junior varsity, freshmen, two eight grade teams and four seventh grade teams.

Chiefs Are Rated 5th

By The Associated Press

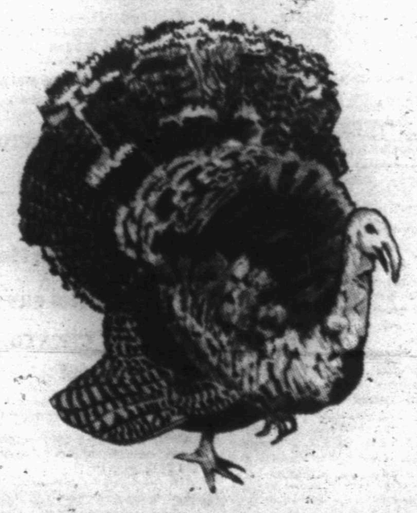

The McGregor Bulldogs, who assumed the No. 1 ranking in Class 2A of The Associated Press Schoolboy Football Poll this week, don't have time to enjoy their new status.

Here is The Associated Press Schoolboy Football Poll with first place votes in parentheses, season records and points:

Class 4A		
1. Houston Kashmere (12)	10-0	192
2. Longview (4)	9-0	160
3. Port Neches-Groves (2)	9-0	153
4. Killeen (1)	9-0	143
5. Spring Branch Memorial	9-0	103
6. Sherman	8-0-1	80
7. Temple	9-0	70
8. Brazosw ood	9-1	67
9. San Antonio Churchill	9-0	43
10. Baytown Lee (1)	8-1	22
Class 3A		
1. Beaumont Hebert (15)	10-0	191
2. Brownwood (4)	8-1	161
3. Gainesville (1)	9-0	157
4. Humble	10-0	138
5. San Angelo Lake View	9-0	118
6. Gregory-Portland	9-0	100
7. Dickinson	9-0	70
8. Andrews	9-0	60
9. Sibbee	8-0-2	42
10. Perryton	9-1	21
Class 2A		
1. McGregor (11)	9-0	185
2. Bowie (3)	9-0	174
3. Comanche (3)	9-0	149
4. Childress (2)	9-0	147
5. Ozona (1)	9-0	110
6. Rockdale	8-1	81
7. Columbus	8-1	70
8. De Kalb	8-1	55
9. Anahuac	8-1	40
10. Commerce	9-0	19
Class A		
1. Aledo (20)	9-0	200
2. Groveton	9-0	171
3. Seagraves	8-1	134
4. Barber's Hill	8-1	130
5. Tatum	9-0	111

New York Times says... "Hilton Inn is the best place to stay in Dallas."

In a special story on Dallas, The New York Times named three Dallas hotels and said, "Hilton Inn is the best place to stay in Dallas. It is centrally located and has two fine restaurants – Trader Vic's and the rooftop Harper's Corner." We thank The New York Times and invite you to enjoy the Hilton Inn, too. Great rooms, food and drink, tropical garden pool and direct Surtran service from D/FW Airport. We care.

66 Cranes At Refuge

PORT ARANSAS, Tex. (AP) — An initial count of whooping cranes indicates 66 of the rare waterfowl have safely navigated 2,500 miles from Canada to the Aransas Wildlife Refuge along the Gulf Coast.

"That's a record," refuge biologist Bill Hawthorne said Tuesday. "Last year we had a total of 57. Of course, this is only the initial count and there's always the possibility of duplication but we're confident that the total is correct."

Hawthorne said the count showed 54 adult birds and 12 young in their annual winter residence. He said this is the first year the refuge has had more than 10 young birds.

"Honey, do you think it would look like we 'sold out' if we got a suit with a vest now?"

FOR TEXAS METROPOLITAN AREAS

Costly New Air Rules To Be Weighed Next Month

DALLAS (AP) — The Environmental Protection Agency says new air quality regulations will cost approximately $91 million annually in six Texas metropolitan areas.

The regulations aimed at improving air standards in Beaumont-Port Arthur, Corpus Christi, Dallas-Fort Worth, Houston-Galveston, San Antonio and El Paso will be discussed at hearings next month before they are put into effect, the EPA said Tuesday.

A spokesman for the EPA said the cost of implementing the regulations would be borne mostly by the affected industries. Some transportation-related control measures may have to be paid for by cities.

The interim regulations deal basically with hydrocarbons emissions control and are the result of a decision by the 5th *U.S. Circuit Court of* Appeals at New Orleans that apparently has cleared the way for the enactment of old and revised regulations, the EPA said.

In addition, some new information shows some cities have failed to maintain quality standards recommended by the EPA in 1973.

The standards were never established because the state of Texas and private industries took the EPA to court. In some cases, the EPA said, peak levels of pollution in several Texas cities were up to four times the national standard.

The interim regulations, the agency added, will be adopted within the next few months and will be followed by a long-range plan to phase-in additional controls as needed.

The regulations propose the following for the Texas metropolitan areas:

—Beaumont-Port Arthur: New regulations for reduced emissions from large fixed roof storage tanks used for crude oil. EPA said that further reductions will be required eventually in the area before control levels are maintained at or below the EPA standards.

—Corpus Christi: Additional controls to reduce emissions from large roof storage tanks used for crude oil. Here, too, the federal agency said, further requirements will be necessary to maintain required levels.

—Dallas-Fort Worth: Controls to regulate vapor recovery for gasoline marketing, crude oil storage controls, and transportation control measures. EPA said all reasonable available controls have been applied in the area but because of the severity of the problem, even the interim measures will not be enough to attain the desired control standards.

—Houston-Galveston: Controls for gasoline marketing vapor recovery, crude oil storage controls, ship and barge vapor recovery, organic solvent degreasing, and transportation controls. Houston also faces additional measures when updated information is available on the contamination levels.

—San Antonio: Gasoline marketing vapor recovery, organic solvent greasing control and transportation controls.

No specific recommendations were made for the El Paso area.

Hearings are scheduled for Houston Dec. 14, San Antonio Dec. 15 and Dallas Dec. 16.

Skip signals saving lives

By Ink Dipper

(EIDTOR'S NOTE: Ink Dipper (KYZ-3916) is the handle of the editor of The CB Times-Journal.)

CBers are saving the lives of people hundreds of miles away, thanks to "skip," a phenomenon caused when radio signals bounce off the earth's atmosphere.

The Federal Comminications Commission has a regulation prohibiting CBers from talking to anyone more than 150 miles away. But is has taken no action against people involved in these long-distance rescues.

Skip fluctuates during the year, usually peaking in the summer months when the atmosphere picks up extra energy and becomes refelctive.

But skip can also be caused by sunspots, eruptions on the sun's surface which grow more intense every 11 years. The sunspots shoot out extra ultraviolet rays, charging the atmosphere with more energy and making it reflective.

Sunspot activity is just around the corner. The high activity, which will last three to five years, starts in 1978 and will probably peak in the early 1980s.

More people in trouble will be relying on skip to contact emergency aid.

One of the most dramatic skip-related rescues came recently when a group of North Carolina CBers monitored a distress call from a sinking pleasure boat in the Bahamas.

The boat, with four persons aboard, was going down fast when Jocelyn "White Widow" Goodwin picked up the call. She and other CBers, sometimes straining to understand the weak signal, were able to relay the information, via telephone, to the U.S. Coast Guard. The Coast Guard was able to save all aboard the boat.

Skip signals often crowd out local communications, and some CBers will find themselves unable in emergencies to contact nearby CBers. They will be forced to "shoot skip," as it is called by CBers, and make contact with a distant person who can relay the message to the proper authorities.

A CBer, before he shoots skip in an emergency, should ask himself if the end justifies the means. Is the situation dire enough to justify breaking the law and bothering people hundrends of miles away?

A flat tire on the interstate wouldn't qualify, but an automobile wreck - with injuries - would if there was no other way to send for help.

CBers shooting skip in emergencies should forget everything they know about 10-codes and slang expressions. Both vary from state-to-state and even county-to-county, so a person six states away might use different codes and slang.

Skip signals are fickle, so messages should be short and clear, giving the nature of the emergency, location, extent of any injuries and who to telephone for help.

The police in the nearest town are usually the best people to suggest for sending help. Even though the emergency may be out of their jurisdiction, the police would know to whom the message should be routed.

Like any other call for help, a skip call should be made on channel nine, the emergency channel. If no one can be raised on channel nine, other frequencies might be tried, but with frequent rotation back to nine. People trained in handling emergency calls monitor channel nine from Maine to California, so no matter where a skip signal falls, there's a better chance on channel nine of finding someone who knows what he or she is doing.

Skip should always be a last resort. Try to contact someone locally so the message can be relayed by a person familiar with the geography and who to call in emergencies.

Constantly punching away on skip might break through to a local CBer, and no matter how weak his signal is, he's still a better bet than skip.

Approach On 'Fat' Different

BOSTON (AP) — A psychologist says he's helping fat people lose weight by showing them subliminal images of slender people and insects crawling through calorie-filled treats.

"We are trying to make fat people think 'normal,' which they don't know how to do. They think 'fat,'" said Hal C. Becker, director of the clinical and behavioral engineering lab at Tulane University in New Orleans.

Becker said Tuesday that his patients attend 90-minute sessions each week, during which they watch videotaped messages on diet and nutrition. During the tapes, background images are flashed on the screen too quickly to be consciously noticed.

The images are of slim, handsome men and women in attractive surroundings, interspersed with others of insects and devils scampering over foods the dieter is supposed to avoid.

At the end of each dietary message, the background images become clearly visible, Becker told a convention of the Alliance for Engineering in Medicine and Biology.

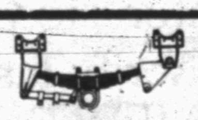

Dieters also are videotaped from the neck down and as they lose or fail to lose weight are shown the tapes of themselves, he said.

Schell Accepts Small Role In Julia

PARIS (AP) — Oscar winner Maximilian Schell, accustomed to starring roles, accepted a brief but important role in "Julia" as part of a reciprocal deal with director Fred Zinnemann.

"It's only a three-day part," said Schell, who is appearing in the 20th Century-Fox film starring Jane Fonda, Vanessa Redgrave and Jason Robards. "I told Fred I would do it if he appeared in my next picture." Schell is planning his fourth film as a director.

Taste Science Succeeds.

'Enriched Flavor'™ breakthrough brings unprecedented taste to low tar smoking.

By "cracking" cigarette smoke down into separate ingredients, researchers at Philip Morris discovered very special "key" flavor units that deliver taste way out of proportion to tar.

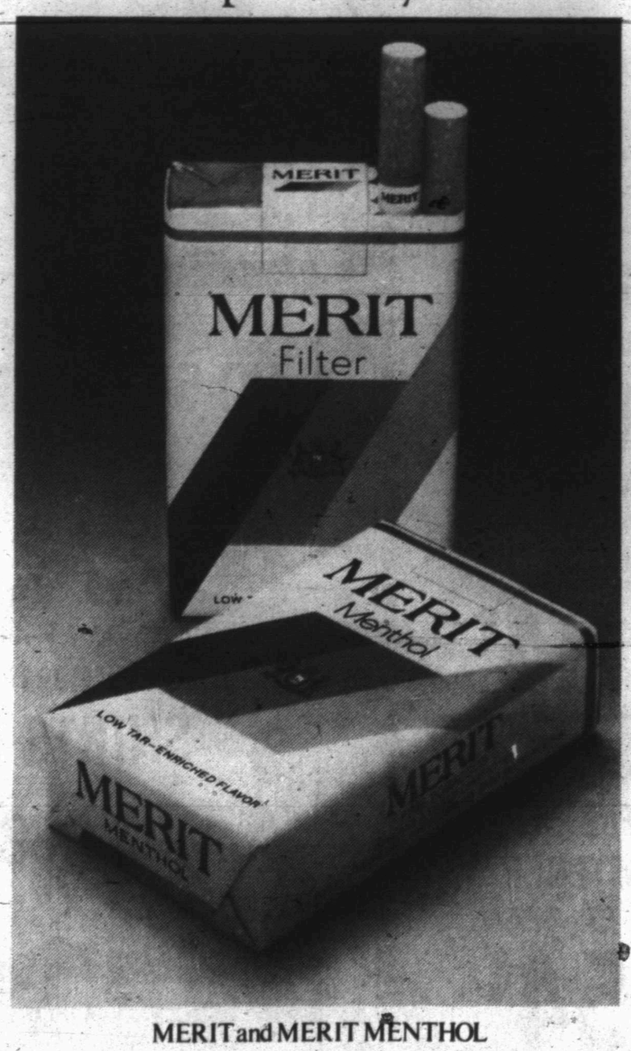

The discovery is called 'Enriched Flavor.'

The cigarette packed with 'Enriched Flavor' tobacco is MERIT. At 9 mg., one of the lowest tar levels in smoking today.

Yet, MERIT actually packs the taste of cigarettes having *more* tar.

Up to 60% more tar.

If you smoke, you'll be interested.

MERIT and MERIT MENTHOL

Tests Verify Taste

9 mg. tar MERIT was taste-tested against current leading low tar cigarettes ranging from 11 mg. to 15 mg. tar.

Thousands of smokers were tested. The majority reported that even if the cigarette tested had up to 60% more tar than MERIT, MERIT delivered as much—*or more*—taste.

You've been smoking "low tar, good taste" claims long enough.

Now smoke the cigarette.

MERIT

© Philip Morris Inc. 1976

9 mg. "tar," 0.7 mg. nicotine av. per cigarette by FTC Method.

Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health.
