Big Constellation Plane Crashes In Saudi Arabia

Warning To Satellites Is Sounded

VIENNA (AP) — Soviet Communist party boss, Nikita S. Khrushchev, warned Russia's satellites today attempts to re-establish capitalism would kill the "new life" Russia has granted them in recent months.

He also advised the West that any attempt to help anti-Communist elements behind the Iron Curtain would meet with "immediate and effective rebuff."

Khrushchev's admonitions were given in an interview to the Czechoslovakia Communist party organ, Rude Pravo, and broadcast by Radio Prague.

Khrushchev recalled that a Kremlin declaration two months ago promised greater independence for the satellites.

But there can be no establishment of capitalist regimes, he said.

"To prevent this and to safeguard peace in the world, the nations of the Socialist (Communist) camp must rally together for collective defense," the Moscow leader declared.

Khrushchev said recent events both in Hungary and Egypt showed that "aggressive Western circles are trying to continue the cold war. . .

"Our enemies are using the most slanderous means to destroy the unity of the Communist party while trying to advocate the idea of a so-called 'national communism' on a broad base.

"It is our task to be on guard against such intrigues by the enemies of socialism and to rebuff energetically any attempt to destroy the unity of the workers and the communist party."

"National communism" is a term that has been applied to the new Communist regime in Poland, which has loosened its ties with Moscow, and to the Titoism of Yugoslavia.

In an apparent reference to President Tito's theory that there are "different ways to socialism," Khrushchev said:

"We must also be on guard against those who under the mask of a friend and under the cover of fighters for socialism are trying to place a wedge in the socialist forces, and who thus serve the imperialists knowingly or unknowingly."

ARMED ISRAELI WELDER—An armed Israeli welder connects two lengths of pipe for the Elath-Bersheba oil pipeline, the first link in the new line designed to bypass the Suez Canal with supplies of Middle East oil. The pipeline is located within a few hundred yards of the Israeli-Jordanian border, 20 miles north of Elath, Israeli port on the Gulf of Aqaba. It is scheduled for completion in March 1957.

Five Men To Take New Offices Here

Five men will assume new local governmental offices here tomorrow and three more will begin new terms.

No special ceremonies are planned for the new officials. County Judge Edgar Taylor said all county officials have been informed that they can be sworn in tomorrow morning.

Those taking new offices are Wayland. Holt, George Killam, Geral Greene, Earl Abercrombie, and Charlie Smith. Beginning new terms are Sterling Williams, T. B. Knight and L. L. (Pat) Moore.

Holt will assume duties as district attorney of the 132nd Judicial District, succeeding Renal B. Rosson, who will re-enter private law practice. Holt was formerly county attorney.

Entering the office of county attorney is Killam, who has been in private law practice here several years.

Greene, who has for six years been chief deputy tax assessor-collector, will begin his first term at the head of that office. He succeeds J. Ikard, who did not run because of ill health.

Abercrombie will become county sheriff, succeeding Homer Whisnand, who has announced plans to move to Electra to engage actively in an oil well service business, in which he is a partner.

Smith is constable of justice precinct No. 1.

Officials beginning new terms in their offices are Williams, district judge; Moore, commissioner of precinct 3; and Knight, commissioner of precinct 1.

All these officials will serve four-year terms.

Tomorrow is not expected to be a big day, even with officials beginning new terms. The courthouse will be closed for the New Year holiday.

VICTIM OF HOODED MEN—Camden High School band director Guy Hutchins (above), is resting in the Camden, S.C., Hospital recovering from a beating inflicted by men with hoods over their heads. He said they beat him because they erroneously believed he had made a speech advocating integration of white and negro pupils in the school.

Fog Covers Crash Area

BAHREIN (AP)—Fifteen persons were killed when a U. S. Air Force Constellation crashed on Saudi Arabia's Dhahran airfield in a heavy midnight fog last night, the U. S. Air Force reported here today.

The plane was one of three Constellations which arrived at Dhahran after an 11-hour flight from Tripoli, Libya. The other two flew on to land at Muhrrag Airport, Bahrein.

The crashed plane was reported to have hit sand in the bad visibility 1,000 yards short of the runway and burst into flames. Fifteen were killed outright or burned to death. Twenty seven other persons who were aboard scrambled to safety.

Dhahran is equipped with a ground controlled approach system but the equipment was not operating at the time of the crash.

A Bahrain Airline executive who visited the scene of the crash described the plane as "a complete writeoff."

The U. S. Air Force base at Charleston, S.C., said there were 41 aboard the C121C Superconstellation — a crew of 12 and 29 passengers. The base said 26 persons were hospitalized in the hospital at Dhahran, which is on the Persian Gulf, and the site of a U. S. Air Force base.

Bahrein is an island nearby. It is an independent Arab Sheikhdom under British protection.

The Charleston base listed three dead on arrival at the hospital and 12 missing.

Four of the 12 crew members were listed as among the missing. they were:

Maj Clyde Ellis, the pilot; Lt. Laverne W. Alitz, copilot; Sgt. Frank Lorch and Sgt. Frank A. Rodgers III. All are married and their wives live in the Charleston area.

No other names of passengers or crew members were immediately available, the base said.

Cause of the crash was not determined.

The Charleston base said it would fly an investigation team and litters to Dhahran this afternoon. It said the plane was a total loss.

The base reported the plane carried 29 passengers and 12 crewmen.

A spokesman said a message with a list of survivors was garbled, but he had made out 26 entries in the list. He added that, presumably, there were mostly American military personnel aboard.

Capt. Ervin R. Breslauer, public information officer, said the plane was on a regular flight for the Military Air Transportation Service from its base at Charleston, to Dhahran via McGuire Air Force Base, New Jersey; Lages Field in the Azores, and Tripoli, Libya.

He said his information over MATS wires from Dhahran was that the plane crashed one mile east of the field and burned at 11 p.m. eastern standard time, 3 p.m. Dhahran time.

Breslauer said the plane was due at Dhahran at 2:35 p.m.

Beside American servicemen, MATS is authorized to carry military dependents, civil service personnel and military personnel of allied nations.

Highway Toll Rises Slowly

By The Associated Press

The national death toll from traffic accidents this New Year's holiday climbed higher today but at a rate much slower than the record-shattering Christmas weekend.

With the 102-hour holiday more than half completed, traffic mishaps had accounted for 213 lives. In addition, there were 24 deaths from fires and 37 from miscellaneous accidents for an over-all total of 274.

The accident count began at 6 p.m. (local time) Friday and continues until midnight Tuesday.

The carnage on the nation's highways during the Christmas holiday — also a four-day period —left 706 persons dead. The total cost in lives from all accidents reached 884, also a new record. Fires killed 54 of the 178 non-traffic victims.

Ned H. Dearborn, president of the National Safety Council, said late last night he noted "an ominous trend in the traffic toll."

"We hope the trend can be halted by a resumption of the care and common sense that marked the earlier hours of the holiday," he said.

"The shock and enormity of the Christmas toll," was cited by Dearborn as a primary reason for the lower New Year weekend highway death rate.

However, safety officials said the most deadly time on American roads during the current holiday is New Year's Eve and New Year's Day. Celebrants crowd the highways and the incidence of drunk driving usually increases sharply, they said.

The NSC predicted that 490 persons would die on the highways during the long new year weekend. The record toll is 407, set in the four-day 1952-53 New Year period.

Safety experts estimated that about 35 to 40 million motorists will be on the road during the current holiday. This compares with more than 45 million in the yuletide period, they said.

The impact of the awesome Christmas death toll on public consciousness was taken into consideration in making the prediction of 490 New Year traffic deaths, the Safety Council said.

The grim forecast of 490 highway fatalities actually was fewer than were counted during a so-called normal weekend period a week before Christmas. The Associated Press tallied 500 traffic dead in a nationwide survey from 6 p.m. Friday, Dec. 14 to midnight Tuesday, Dec. 18.

Police Here Nab Suspect In Burglary

A burglary was reported to the city police department at 12:25 a. m. Sunday, and by 5 a.m. the same day police had picked up suspects, one of which has been charged with burglary.

The accused is Howard Lee Van Zandt, 36, of Snyder and other West Texas cities.

The burglary occurred sometime early Saturday at the home of Edward Pitts, 320 Twenty-fifth Street.

Pitts was out of town until about midnight Saturday night, when he reported the burglary, according to T. L. Steele, chief of police.

About $200 worth of electrical appliances and other items was taken from the home. Entry was gained through a window, which was pried open, and exit was through another window.

Police found the stolen goods in a car parked in front of a Snyder residence. All that was stolen was recovered.

Included in the loot: a 17-inch television set, a radio, a suede jacket, a vacuum cleaner, and two electric irons.

Van Zandt had been arrested by the sheriff's department Saturday on a charge of swindle by worthless check. He had been arrested many times previously on similiar charges.

Hungary Expected To Return To U.N.

BUDAPEST, Hungary (AP)—The Communist party newspaper Nepszabadsag said today Hungary plans to return to the U.N. general Assembly Friday.

The Hungarian delegation, led by Foreign Minister Imre Horvath, walked out of the Assembly Dec. 11, protesting alleged U.N. interference in Hungary's internal affairs. He blamed the United States primarily for influencing the Assembly, which was then about to adopt a resolution concrush the anti-Soviet Hungarian revolt.

Nepszabadsag said the delegation will be led by Endre Sik who remained in New York.

The newspaper estimated foreign aid received after the rebellion at 63 million dollars. It stressed contributions by Russia and Red China but also mentioned 20 million dollars received from the United States and aid from West Germany and Finland.

(The newspaper apparently referred to relief contributions, including Red Cross aid.)

Nepszabadsag announced a new 50-million-dollar loan by Russia to Premier Janos Kadar's government, which needs much more help to rebuild the revolt-shattered economy.

The paper said other East European countries in the Communist bloc have promised help and that "there have been preliminary talks also with certain capitalist countries, and we have already contacted some others."

It expressed hope that "Western countries also will contribute substantial loans to alleviate our economic difficulties."

Some economists say it will take 400 million dollars in hard currency to put Hungary back on its feet. The government is reported to feel it must seek much of the necessary aid from the West because most of the East are having their own difficulties.

Nepszabadsag said the 50 million dollars was in currencies which could be used to buy materials in the West. It indicated Russia may have also provided additional aid in rubles.

Meanwhile, unemployment mounted steadily. Lagging coal production is at the heart of Hungary's crippled economy, and it has been speculated many of the thousands of factory workers on forced layoffs may be put to work in the mines.

U. S. aid to Hungary appeared unlikely as long as the Russian-imposed Kadar government remains in power. Dispatches from Budapest last week reported Kadar hoped to get a 100-million-dollar loan from the World Bank, but the bank's president, Eugene Black, said Hungary was not a member and therefore had no chance of getting a loan.

U. S. Secretary of State Dulles told a news conference Nov. 2 there was not yet satisfactory evidence that American aid to Kadar's government would be profitable.

Another Bus Is Struck By Gunfire Today

MONTGOMERY, Ala. (AP) — Another city bus was struck by gunfire today, the fourth reported shooting since racial segregation ended on the buses in Montgomery 10 days ago.

No one was reported injured in the attack today, but the driver, W. H. Fullilove, is the same operator whose bus was fired on last Friday night when a Negro woman passenger was shot in both legs.

Police Chief G. J. Ruppenthal said Fullilove told officers he heard a shot while meeting an oncoming car and heard something hit the left side of the bus just below the driver's seat.

It was a bullet apparently fired from a pistol or revolver, the chief said, because the hole appeared to have been made by a .38 caliber shot.

The chief said Fullilove was unable to give police a description of the car or the occupants.

The shooting occurred on the same street but several blocks away from the place where a bus Fillilove was driving was fired on Friday night. A pregnant Negro woman, Mrs. Rosa Jordan, 22, was struck in both legs.

A short while later, Fullilove's bus was struck by another missile Friday night, but police said they weren't sure whether it was a bullet.

Two buses were fired on last Wednesday night but no one was hurt. One was struck by rifle bullets, the other by a shotgun charge.

Hartford Has Two Serious Church Fires

HARTFORD, Conn. (AP) — The second serious church fire in Hartford in a little more than 24 hours menaced the huge St. Joseph's Roman Catholic cathedral today.

Two hours after the fire had been discovered, near the end of the 7 a.m. Mass, it appeared that the battle of firemen to save the worship center of the Hartford Archdiocese hung in the balance.

Smoke was billowing from the highest reaches of the roof over the sanctuary and main altar, and was spreading toward the front of the church.

St. Patrick's Roman Catholic church, in downtown Hartford, was all but destroyed in a $250,000 fire that broke about 12:30 a.m. Sunday.

Police Chief Michael J. Godfrey dispatched scores of detectives to search the area surrounding the cathedral. They questioned persons in an effort to get some information as to how the fire started.

Fire Marshal George Kenney said yesterday that arson is one of the possibilities under consideration in an investigation of the fire at St. Patrick's.

Sacristan Martin G. Roach said that when he arrived at the cathedral shortly after 6 a.m. today "I smelled a little smoke and I thought it was the oil burner."

Roach investigated but could find nothing wrong, he said.

Lights Will Be Installed

Three regular traffic lights and two blinker lights are planned for installment by the city within the next few days.

Roy Dunlap, city manager, said this morning that the city council will be requested to approve installation of the new lights at its next meeting, which will be next Monday.

The signals were provided for in the budget, Dunlap said, adding that the formality of specific approval by the council is all that is lacking before the lights are all put into operation.

Installation of these new lights will bring the total number of traffic lights in the city to 26.

The regular traffic lights will be at Avenue Q and Twenty-sixth Street, Avenue R and Twenty-fourth Street, and Avenue R and Twenty-third Street.

The yellow and red blinker lights will be installed at Avenue I and Thirteenth Street and Avenue I and Seventeenth Street.

Training Of Blind Called Beneficial

AUSTIN (AP) — Training of the blind to make their own living pays them and helps the state, the State Commission for the Blind reported today.

Lon Alsup, executive secretary director, said "During the first 11 months of this year, 308 blind men and women began earning a living with the help of vocational rehabilitation services.

"Before rehabilitation, the total weekly earnings of these men and women were $594. After rehabilitation, the total weekly earned income advanced to $5,468."

Home In Snyder Is Damaged By Blaze

A minor fire was put out in a matter of minutes late this morning as volunteer firemen answered a general alarm.

The fire was at the home of B. P. Moffett, 601 Twentieth Street. The house was owned by Estel Land.

Damage was minor, including an innerspring mattress destroyed and some fire damage to the outside of the house. The fire apparently started in the grass outside.

Avalanche Kills 7

FUKUI, Japan — An avalanche swept two mail-passenger trucks off a mountain highway into a river 210 feet below today, killing seven persons.

State Death Toll Advancing Slowly

By The Associated Press

The Texas New Year's weekend violent death toll appeared to be running behind predictions Monday.

Traffic had killed 19 with a total of 29 violent deaths.

The Department of Public Safety predicted 205 violent deaths in the Christmas-New Year holiday. Of these, 115 were expected in traffic.

Some 90 persons died violently in the Christmas weekend.

The Associated Press and the Department of Public Safety started their tabulations at 6 p.m. Friday. The state count by The Associated Press includes all violent deaths while the national survey includes only accidental deaths.

Late deaths included:

Jesus Castro, 69, was killed at El Paso when struck by an auto Sunday.

Alfonso Soliz, 52, of Victoria was killed by an auto as he walked along a highway Sunday.

An auto crash near Bassett Sunday killed Ray Reed, 23, of Paris, Tex., Edward Frazier, 20, of Council Hill, Okla., and William Sharp of Dallas.

Betty Mitchell, 12, of Dallas, hanged herself Sunday after being reprimanded for scorching a piece of cloth while helping with the ironing. Peace Justice Pearce McBride ruled suicide.

Billy Powell 25, of Dallas was killed while working on a disabled bus near Belton Sunday. Powell was hit by an auto.

Elmer Jackson Jr., 30, was stabbed to death Sunday outside a Dallas tavern.

B. A. Rainey, 63, of Beaumont, a Southern Pacific employe, was killed Sunday while switching cars in the yard at Nacogdoches.

Ruth Dennis, 37, of Wharton died Sunday of burns received in a garage fire.

Richard Butts, 40, of San Antonio was killed Monday when his pickup truck overturned.

Burglary Is Probed Here

A break-in at the recreation club at Twenty-fifth Street and Avenue R under Fenton's Dad & Lad Store was reported this morning.

Officers of the sheriff's department and police department investigated the burglary.

Entry to the basement club was gained through a window, where a glass was broken and the latch opened.

Reported missing, according to J. C. Massingill, sheriff's deputy, were three boxes of chewing gum, a few cigars, and five or six pennies from the cash register.

Massingill said appearances were that the break-in was the work of juveniles, since several valuable items were passed up by the burgalars. A rag was used to wipe all fingerprints clean.

Howard Gracey owns the club, Massingill said.

News Blackout Comes For Lockhart Again

LOCKHART (AP) — When something big happens in the life of Charles Chapman Sr., there's a news blackout in Lockhart.

The town keeps pretty well informed, however. In 33 years, he's taken only 3 days off.

Chapman is agent here for several daily newspapers. He took an afternoon off 24 years ago to get married. Six years ago he took off July 4th to take his son, Charles Jr., fishing.

The other day he didn't deliver his afternoon newspapers until the next morning. He attended Charles Jr.'s wedding in Fort Worth.

Ruth Draper Dies

NEW YORK (AP) — Ruth Draper, 72, a leading monologist for more than 40 years who made a generation laugh and sigh in practically every country of the world with sketches from an almost bare stage, died Sunday.

Channel Through Suez Canal Expected To Open By March

PORT SAID, Egypt (AP)—Lt. Gen. Raymond A. Wheeler estimates his U. N. salvage fleet will open a small channel through the Suez Canal by early March and clear a passage for ships of all sizes in May.

It will be up to the Egyptian government when ships actually start going through the vital east-west waterway, said Wheeler, the U. S. expert in charge of canal clearance for the United Nations.

U.N.-chartered salvage vessels started clearing the southern end of the waterway Saturday. U. N. salvage work at the uncleared part of the northern end was to start today.

Wheeler said the job would be completed "at full speed in cooperation with Egyptian authorities."

The channel to be cleared in March, he said, will be big enough for ships of 25-foot draft. That would include tankers and other craft of roughly 10,000 tons.

Sometime in May, Wheeler said, the U. N. fleet expects to clear the 103-mile canal to its full depth of 34 feet 3 inches, enabling all ships to use the canal.

"When I finish my job," Wheeler said, "I'll simply tell the Egyptian government the canal now can accommodate shipping traffic. What the Egyptian government does after that is not my affair."

Wheeler told newsmen the U.N. salvage fleet now totals 23 vessels and will be built up to about 30. This is in addition to some British-French vessels temporarily incorporated into the fleet which will continue work under his direction during January.

A Danish-Dutch combine is doing the work under contract with the U. N. there are also salvage craft and experts from Belgium, West Germany, Sweden and Italy.

WEATHER

SNYDER TEMPERATURES: Yesterday's high 70; low 34; with a 35 degree reading at 7:30 a.m. today.

North Central and West Texas—Clear to partly cloudy through Tuesday with no important changes.

South Central and West Texas—Clear to partly cloudy and mild through Tuesday. Moderate to locally fresh southwesterly winds on coast.

IN SOUTH SUMATRA

State Of Siege, War Is Declared

JAKARTA, Indonesia (AP)—President Sukarno tonight proclaimed a state of war and siege over South Sumatra.

That province was the last on the rich island to be affected by political and military unrest over policies of Premier Ali Sastroamidjojo's government.

No explanation was advanced officially for the sweeping action, taken at 7 p.m.

The decree came a week after Sukarno proclaimed a similar state of emergency over two of the three regencies composing North Sumatra.

The proclamation was promulgated by a bloodless coup led by the island's army commander, Col. Maludin Simbolom, in protest against the Jakarta government and the way it handled Sumatran tax money and other affairs. But that coup has since been put down.

Sukarno's new oders include territorial waters of South Sumatra, which means a restriction on shipping.

Interior Ministry officials said they have asked the provincial governor, Winarno Danuatmodjo, to come to Jakarta for consultation.

The rebel commander in Central Sumatra defied orders from Sukarno and the political pot kept boiling.

The Moslem Masjuni party, one of Indonesia's Big Three, pressed demands for a nonpolitical government to replace the eight-party cabinet of Sastroamidjojo, a Leftist Nationalist.

A spokesman for the Christian party Parkindo hinted it will withdraw its ministers from the Cabinet if the government does not resign.

Peace Conference

LONDON —The tabloid Daily Sketch today predicted Prime Minister Eden and President Eisenhower will meet "within the next two months or so" as the prelude to a five-power peace conference including Communist China.

AREA OIL ROUNDUP

Drillstem Test In West Garza

Paul C. Teas of Dallas No. 1-A Slaughter, West Garza County wildcat, five miles southwest of Post unloaded oil from the lower Strawn in a drillstem test at 8,359-79 feet.

The tool was open four hours and 20 minutes. Gas surfaced in eight minutes. When nine stands of drill pipe had been pulled it started unloading oil.

A total of 6,930 feet of oil was unloaded or reversed out of the drill pipe. Recovery was 620 feet of heavily oil and gas cut drilling mud below the circulating sub. No signs of water were reported.

Flowing pressure was between 180 and 1,425 pounds. Shutin bottom hole pressure in 30 minutes was 3,155 pounds. The prospect was to drill ten feet deeper and run another test.

It is 330 feet from north and west lines of section 31, block 1, Jasper Hays survey.

A previous test in the top of the Strawn at 8,150-87 feet recovered 200 feet of heavily oil and gas cut mud, 1,320 feet of oil, and 100 feet of slightly salty water. The tool was open three hours. Gas surfaced in 17 minutes.

The Texas Company No. 1-BS State of Texas, outpost to Mississippi production in the Block 6, East Area of Northeast Andrews County has been abandoned at total depth of 12,126 feet.

It was 17 miles northeast of Andrews and 660 feet from north and east lines of the southeast quarter of section 34, block 6, University survey.

Rowan Oil Company No. 1 Rutherford, South Stonewall County wildcat, seven miles south of Aspermont was abandoned at total depth of 6,315 in lime.

It was 660 feet from north and west lines of section 11, block 1, H&TC survey.

Humble Oil & Refining Company No. 1 Hemphill, one-half of a mile southwest of the lone producer in the Mungerville, East (Pennsylvanian) pool of West Dawson County has been plugged at total depth of 9,454 feet in Pennsylvanian reef lime.

The failure found only water in the reef. It was low to the pool opener. The location was nine miles northwest of Lamesa and 660 feet from north and east lines of lot 31, league 2, Taylor County School Land survey.

Phillips Petroleum Company No. 74 University-Andrews is to be an 8,100-foot wildcat in Southwest Andrews County fo try for production in the Devonian.

It is 660 feet from north and 1,728 feet from west lines of section 36, block 11, University survey and 16 miles southwest of Andrews. A previous report carried this location as being 25 miles northwest of Andrews.

The operation is on the east side of the Embar (San Andres) and Embar (5600) pools.

Champlin Oil Refining Company of Midland and Fort Worth No. 1-L University is to be a 12,500-foot Ellenburger wildcat in Central Andrews County, five miles south of Andrews.

It is 660 feet from north and 1,988.6 feet from west lines of section 5, block 1, University survey and two miles southwest of the Bakke multipay area.

J. C. Barnes of Midland No. 1 Phillips-University, Southwest Andres County wildcat, 16 miles southwest of Andrews completed as a dry gas discovery from the Grayburg for a calculated absolute open flow of 1,600,000 cubic feet per day.

The production is from perforations at 4,020-35 feet, after a 1,500-gallon fracture treatment.

The well is one miles west of Grayburg Oil production in the Fuhrman-Mascho area and 1,980 feet from south and west lines of section 33, block 10, University survey.

SPEAKER for the annual banquet and meeting of the Buffalo Trail Scout Council will be Kenneth K. Bechtel of San Francisco, president of the Boy Scouts of America. The eighth president of the national organization since its organization in 1910, he is the first to have been a Boy Scout. The banquet will be held Jan. 15 at Hotel Scharbauer in Midland.

TODAY'S MARKETS

FORT WORTH (AP) — Cattle 2,500; calves 1,000; steers weak; others steady; good to choice steers 16.00-20.00; common and medium 10.00-15.00; fat cows 10.00-12.00; good to choice calves, 14.00-18.50; common and medium 10.00-14.00; stock steer calves 12.00-18.00; yearlings 16.50 down.

Hogs 500; steady to 25 higher; choice 18.00-25.

Sheep 3,100; weak; good and choice lambs 16.50-19.00; stock lambs 14.00-16.50; ewes 6.00-7.00.

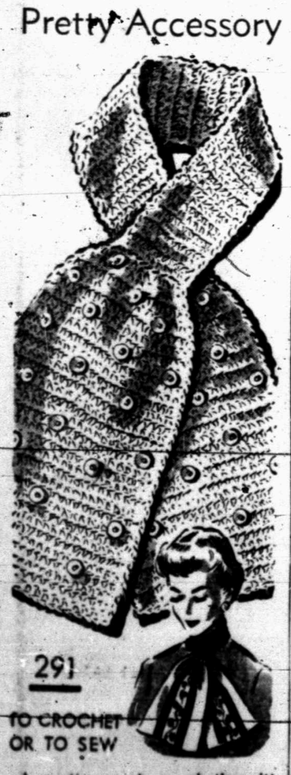

AUSTIN (AP)— Poultry steady. East Texas 2½-3¼ lb 17-19, mostly 18. South Texas active, prices unestablished. Waco 18. Corsicana plant 19.

NEW YORK (AP)—Cotton was 45 to 50 cents a bale higher at noon today. March 34.10. May 34.09. July 33.83.

Taxes Going Up Tuesday

WASHINGTON (AP)—Social security taxes go up tomorrow to affect some 69½ million persons during 1957.

They also will begin to apply for the first time to members of the armed services.

The rate for covered workers and their employers will rise from 2 per cent on each to 2¼ per cent on each, or from a total of 4 per cent to 4½ per cent. This is estimated to apply to about 43 million persons over the course of the year 1957.

For about 6½ million self-employed persons covered by old age and survivors insurance the rate goes up from 3 per cent to 3⅜ per cent.

The taxes apply on the first $4,200 of annual income.

A social security spokesman said the tax increase was voted by Congress to meet anticipated costs of the new program providing disability cash benefits at age 50 for qualified workers.

The 1956 changes passed by Congress also provide for cash benefits to women at age 62 for the first time; for benefits to disabled children of qualified retired or deceased workers, and extended social security coverage to members of the armed services.

Rites For Retired Farmer Held Today

Funeral services were held at 2 p.m. today at Colorado City for James William Tidwell, 82, father of James W. Tidwell, Jr., of Justiceburg.

Mr. Tidwell, a retired farmer, died yesterday afternoon after a long illness. He had been a resident of Mitchell County since 1923.

Survivors other than the son at Justiceburg include another son, Cephas Tidwell of Colorado City, five grandchildren, and four great grandchildren.

Tasmania, part of Australia, consists of one large island and several smaller islands.

BACK at Fort Huachuca, Ariz., after spending Christmas leave in Snyder is Pvt. Joe R. Whitlow, son of Mr. and Mrs. F. S. Whitlow of Snyder. His wife also resides in Snyder. A radio operator in a signal unit there, he is scheduled to go to Fort Polk, La., Jan. 20 for participation in Operation King Cole. He has been in the Army since last June.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

ADMISSIONS: Mrs. John Bishop, Post Road; Mrs. C'Ellen Harrison, Box 1434; Mr. W. R. Ashmore, Ira; Gail Orms, 3003 Forty-sixth; Mrs. L. D. Swaim, 2910 Avenue S; Mrs. Roy Darden, Post Road Route; Mrs. E. A. Smoot, 28-06 Avenue K; Mrs. R. J. Griffith, 301 Twenty-fifth; Mrs. Mattie Minor, 710 Twenty-sixth; Mrs. Otis Kincheloe, 3401 Avenue G; and Donnie Mason, 3804 Noble Drive.

DISMISSALS: Mrs. Roy Coston, Route 2, Hermleigh; Paula Borum, Clairemont Route; Mary McCloskey, 4105 Avondale; Don Thompson, 800 Twenty-eighth; Mrs. M. B. Anderson, Box 1171; Mrs. Bertha Willis and baby, Route 3, Box 202; Jane Beall, 3115 Thirty-ninth; and Mrs. Glenn Stansell, Clairemont Route.

COGDELL MEMORIAL

ADMISSIONS: Leonard Heath, 2421½ Twenty-ninth; Sarah Byram 2300 Avenue Q; Jessie Wilson, Vincent; Marie Taylor, 3715 Avenue U; Dale Gonzales, Lubbock Highway; Erle Feather, 37 8 Dalton Drive; Virginia Yost, 2412 Twenty-eighth; Joan McCorkle, Box 1376; Juanita Willington, 3008 Avenue K; Doris Greenfield, 303 Thirty-sixth; and J. WOMEN

New Baby To Be Born Every Eight Seconds During 1957

During 1957 a new baby will be born in the United States almost every eight seconds. The crop of new babies will again exceed four million in 1957, predicts Dr. Martha M. Eliot, Chief of the U.S. Children's Bureau. Among the highlights of Dr. Eliot's article in a recent magazine issue are:

Baby girls, born in 1957, can look forward to an average life of about 73 years; baby boys to some 67 years.

Greeting the New Year will be 58 million boys and girls under 18 years of age. That's 15 million more than 25 years earlier... Six out of 10 U.S. families with children under 18 have all boys or all girls; 4 out of 10 have both boys and girls.

Large families continue to carry the heaviest responsibility for rearing the nation's children. Families with 4 or more children make up only 8 percent of all families but they have 30 percent of the country's children.

Full orphans become rarer as health and living conditions grow better. In 1955, about 2,700,000 children under 18—one in 20 of the nation's children—had lost one or both parents by death. In 1920, 6,400,000 were so orphaned. Full orphans number only 60,000.

Adoptions continue upward. In the 10 years from 1944 to 1954, adopted children increased 80 percent to 90,000.

School lunches should reach more children in 1957 than in any earlier year, with the boost of nearly 20 percent in funds which Congress voted for this year's U.S. Department of Agriculture school lunch program. For the 1955-1956 school year, $83,000,000 was appropriated; for 1956-1957, the total is $100,000,000.

Better teeth prospects improve as more cities flouridate their water supplies. Between 1955 and 1956, the number of people living in communities with flouridated water rose from 21 to over 30 million.

Accidents continue to be the leading cause of death of children 1 to 19 years old, and accidents on highways continue to overshadow those in the home. The toll is heaviest among youngsters 15 through 19.

Community concern over juvenile delinquency continues to mount as juvenile court cases also climb. Between 1954 and 1955, best estimates of the Children's Bureau put the increase at 9 percent, as against an increase of 3 percent in the number of youngsters of juvenile court age.

The Age Of Jet

Jet jewelry is all the rage in Paris. Five or seven rows of jet form a new neckline or trimming for black suits as shown by Jean Patou and shovel hats as shown by Albouy.

Send 35c in coins for this pattern to IRIS LANE, (care of this newspaper), Box 438, Midtown Station, New York 18, N.Y.

Question Is Raised By Federation

Mrs. A. J. House, Yoakum, President of The Texas Federation of Women's Clubs has requested Texas Clubwomen to cooperate with the General Frederation President, Mrs. R. I. C. Prout in her appeal to clubwomen to answer the cruicial question "Do you favor establishment of a permanent UN police force?"

This question will be discussed by Brigadier General Carlos P. Romulo, Phillippine Delegate to the United Nations Security Council and a panel of General Frederation of Women's Clubs members on the Home Show with Arlene Francis (NBC-TV) at 10 a.m. (EST), Wednesday.

Representing the General Federation's 15,600 American member clubs, 1,000 of which are in Texas, on the program will be Mrs. Prout, Mrs. Zaio Woodford Schroeder of Detroit, Mich., GFWC International Affairs chairman, and state international affairs chairmen: Mrs. Clarence Sicard, Chesire, Conn., Mrs. Thomas E. McGlade, Haddonfield, N.J., and Mrs. George G. Meltrum, Massapequa, Long Island, N.Y. Each will pose questions on behalf of GFWC membership to Brigadier General Romulo, ambassador, stateman and top United Nations leader. Mrs. Prout will relay questions from clubwomen all over the nation.

At the close of the program, Brigadier General Romulo will "turn the tables" on the panel, asking them questions about the American women's role in strengthening the United Nations organization.

Mrs. Prout urges that every clubwoman watch this program, and report their opinions to her immediately which will be compiled into a report of nation-wide feeling of clubwomen and announced on the January 14 morning bulletin of General Federation of Women's Clubs on the HOME show.

Shower Is Given For Miss Steel

Miss Margaret Nell Steel, bride-elect of Mr. Bill Brannon of Lubbock was honored Saturday evening at 6:30 o'clock with a miscellaneous shower.

The home of Mrs. A. W. Scrivner was the scene of the party. Co-hostesses were Mrs. J. T. Sullenger Jr., Mrs. B. A. Moore, Mrs. Bert Sellars, Mrs. Bill McCright, Mrs. Fred Taylor and Mrs. Albert Maddox.

The refreshments table was laid with a lace cloth and silver appointments. The gift table was accented by a bride's doll. Plate favors were miniature suitcases filled with nuts.

There were approximately 45 persons in attendance.

WT Girl Scout Council To Meet In Lamesa On Jan. 8

LAMESA, Dec. 29—Girl Scout Adults from the seven districts which comprise the West Texas Girl Scout Council will gather in Lamesa Jan. 8 for the annual meeting of the organization, it is announced by Larson Lloyd of Big Spring, president of the council.

The meeting will get underway at Lamar Forrest Community Center at noon with a luncheon. Theme for the meeting is "The Wider World," with decorations and awards emphasizing the International Friendship theme. The first West Texas showing of the new Girl Scout Film, "The Wider World," will also be a feature of the meeting.

Miss Gayle Moore of Abilene, Senior Scout who attended the summer Round-Up at Pontiac, Michigan, will show slides and present highlights of her experiences.

J. D. McPhaul, Lamesa district chairman, is general chairman of arrangements for the meeting; L. C. Scott of Lamesa, program chairman; Mrs. H. L. Currie of Lamesa, decorations; and Mrs. John Palmore of Lamesa, evaluation awards.

Chairmen from each of the seven districts will present the annual report for his district, and awards for progress which measure up to the "national yardstick" will be presented. Making the various district reports will be Mrs. Frank Barker of Sweetwater for Nolan County District; Lawrence Robinson of Big Spring for the Big Spring District; J. D. McPhaul for the Lamesa District; Mrs. Ned White of Snyder for the Scurry County district; H. Leo Tucker of Abilene for Taylor County District; Mrs. Jewell Richter of Colorado City for the Mitchell County District; and Don Randolph of Roby for Fisher County District.

As a special award, the Lamesa District, which is hosting the meeting will present a set of International Girl Scout Flags to the neighborhood in the Council which has the most members present for the meeting.

At 10 a.m. members of the Council Board of Directors will hold a meeting in the director's room of the Chamber of Commerce office. It is expected that plans will be made at that time to commence construction on a caretaker's lodge and counselor's retreat, and a troop-camp house at the council camp, Boothe Oaks, near Sweetwater. Plans for the buildings were approved by the board at a previous session.

Also meeting at 10 a.m. in the Chamber of Commerce will be the Senior Girl Scout Planning Board. Members of the board, comprised of one member from each Senior troop in the Council, will be installed for the coming year, according to Harriet Redwine, Senior Planning Board Sponsor.

Members of the board of directos in addition to Lloyd include the district chairmen and the following council officers: H. Leo Tucker, vice president; Mrs. Elroy Miller, Snyder, secretary; J. S. Craddock, Colorado City, treasurer; Herman Seale, Sweetwater, camp chairman; Mrs. H. Leo Tucker, Abilene, Juliette Low chairman; Mrs. Will Minter, Abilene, staff and office; Mrs. Neliz Dooley, Roscoe, expansion; Mrs. W. A. Stephens, Lamesa, public relations; Morgan Jones, Jr., Abilene, membership-nominating; John Palmore, Lamesa, Melvin Newton, Snyder and H. L. Davis, Rotan, members-at-large.

WHAT'S GOING ON

Visiting in the home of MR. AND MRS. GEORGE WEMKEN Sunday were, MR. AND MRS. EDGAR WEMKEN and family, MR. AND MRS. DOYLE WEMKEN and sons of Hermleigh, MR. AND MRS. W. L. WEMKEN and son of Sweetwater, and MR. AND MRS. LLOYD WEMKEN and daughters of Morton.

• • •

Holiday visitors in the home of MR. AND MRS. J. D. SCOTT, 3600 Avenue U, were MRS. W. M. SCOTT of Ruidoso, N.M. and the Scott's son JOE DAVE SCOTT from Dallas.

On the $100 million dollar suspension bridge connecting Michigan's upper and lower peninsulas, western cowbells are used to warn machinery is in motion.

Reserved for PEACE AND PROSPERITY

This is the time when old friends meet to usher in the New Year — the gayest holiday of all. And though it has been said many times before, we'd like to repeat our wish that every one of you will have a New Year filled with happiness and prosperity!

NEWS EVENTS OF 1956 IN PICTURE REVIEW

BY THE ASSOCIATED PRESS

DEATH OF OCEAN QUEEN — The Italian liner Andrea Doria sinks hours after colliding with the Stockholm off the Massachusetts coast in July. Harry Trask of the Boston Traveler made this dramatic picture as the ship sank. Copyright 1956 by Boston Traveler.

ARMED ESCORT — Rifle-bearing National Guardsmen escort Negro student from Sturgis, Ky., high school in September where resistance was encountered to school integration.

QUICK BUT RUINOUS — War raged only briefly in Egypt in November but it left its scars. A large section of Port Said lay in complete ruin after an Anglo-French attack started fires in the city at the northern terminus of the Suez Canal. A cease fire followed.

BUSY MAN — United Nations Secretary-General Dag Hammarskjold was very much in the limelight in 1956 as he tried to resolve the Middle East crisis and Hungarian revolt.

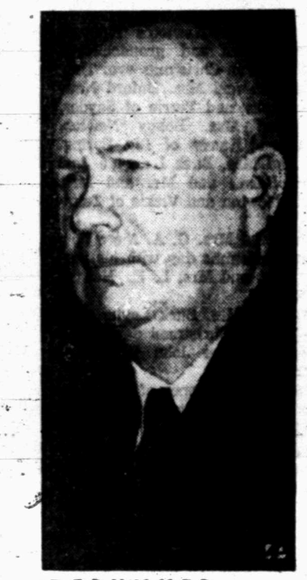

FACE OF TRAGEDY — Aged Hungarian woman tearfully accepts refreshment at Austrian border station following November escape from her revolt-torn Hungarian homeland.

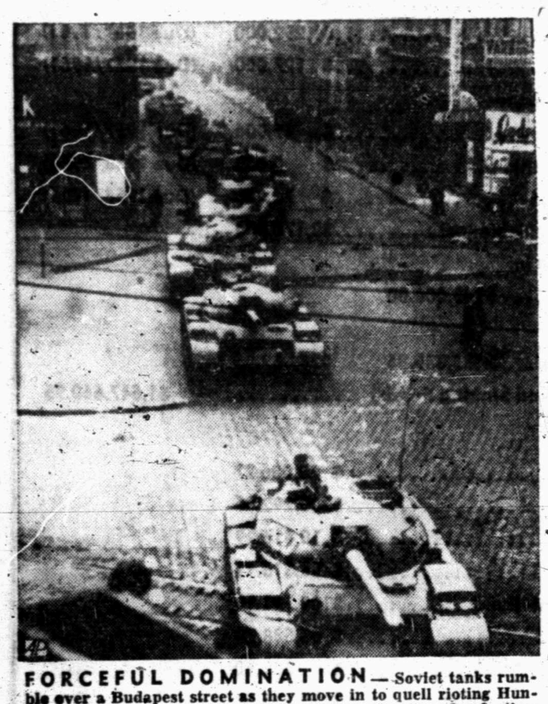

CAIRO MEETING — Soviet Foreign Minister Dmitri Shepilov shakes hands with Egypt's President Nasser in June Cairo meeting. Weeks later Nasser nationalized the Suez Canal.

WEDDING OF YEAR — Prince Rainier of Monaco places ring on finger of his bride, the former movie queen Grace Kelly, during religious marriage ceremony in Monaco last April.

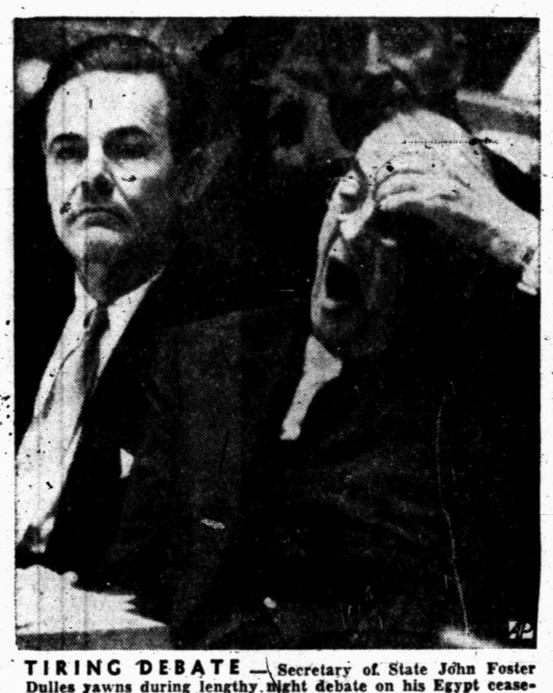

DEBUNKER — Soviet Communist Party boss Nikita S. Khrushchev started a trend in Communist world by his startling denunciation of Stalin during a February Moscow speech.

FORCEFUL DOMINATION — Soviet tanks rumble over a Budapest street as they move in to quell rioting Hungarians during November uprising against Russian domination.

GUILTY — Marine Matthew C. McKeon, who led a disciplinary march that cost six recruits' lives, was convicted in August of negligent homicide and drinking on duty.

TIRING DEBATE — Secretary of State John Foster Dulles yawns during lengthy night debate on his Egypt cease-fire resolution at the U.N. At his side is Henry Cabot Lodge.

BLINDED — Labor columnist Victor Riesel was blinded by an acid-hurling thug in New York in April. The attack followed his radio denunciation of labor racketeering.

WATERWAY BLOCK — This partially-submerged ship was one of many vessels found blocking passage through the Suez Canal after the Anglo-French attacks on area in November.

THE WINNERS AND WIVES — President Eisenhower and Vice President Nixon are joined by their wives as they acknowledge the cheers of fellow Republicans at Washington headquarters on Election Night after Democrats' Adlai Stevenson conceded the 1956 election.

HAPPY RETURN — Wladyslaw Gomulka, having led the Polish "break" from Russia, is honored by his countrymen at a frontier rail station upon return from Moscow in November.

A PACIFIC LANDING — This dramatic picture, taken from a U.S. Coast Guard ship standing by, records life impact as a distressed airliner lands on Pacific more than 1,000 miles from San Francisco. Plane sank but all 31 aboard were rescued by the ship in October.

SPORTS

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

YOU CAN'T BREAK ANY resolutions for the New Year unless you make some so guess we better get busy and make a few.

Here are some things we resolve:

(1)—Miss no football predictions during 1957.

(2)—Say nothing but good things about Oklahoma University's football team.

(3)—Refrain from "blasting" rival sports writers for various and sundry incidents.

(4)—Tell nothing but the truth in this corner.

(5)—Accept Charles Milstead as a good football player.

(6)—Overlook the various phases of "bad sportsmanship" displayed by Sweetwater in sports circles.

(7)—Refrain from trying to pursuade the band to play at Tiger basketball games.

Well, please don't hold it against us if we should happen to break these resolutions during the year.

Most Post Season Honors For Tiger Gridders

Post season honors continue to pour in for the Tiger footballers.

Three Tigers have been picked for the All-South Plains football team for the '56 season by the Lubbock paper. This team was picked from all classes.

Tigers making the first team were tackle Wiley Denson on the defensive team and end Milton Ham and quarterback Powell Berry on the offensive team.

Center Joe Reaves of the Tigers was named on the second team offense.

With Berry in the offensive backfield were Tommy Jackson of Lamesa and Max Morris of Littlefield.

Six other Tigers were listed on the Honorable Mention list. They were end Robert Dabbs, tackle Billy Mark Phillips, guard Gary Hill, and backs Bill Fowler, Bobby Pollard and Tommy Prichard.

Congratulations are in order to these fellows for this honor.

Last '56 Trip Down Crystal Ball Lane

Tomorrow's bowl games will put the finishing touches on the 1956 football season. When there's football games to be played, then that means some guys make fools of themselves in trying to forecast the outcome.

We come under the latter category so here's the way we see 'em for tomorrow:

Rose Bowl—Oregon State 14, Iowa 13 (just a reverse of the previous meeting of the two clubs).

Cotton Bowl—TCU 20, Syracuse 14.

Sugar Bowl—Baylor 14, Tennessee 7 (going against the odds.)

Orange Bowl — Colorado 20, Clemson 7.

Sun Bowl—Texas Western 27, George Washington 13.

Tangerine Bowl — Mississippi Southern 27, West Texas State 20. (Only Texas team to lose in tomorrow's bowl tilts).

Looks like one of our above resolutions is already in danger.

Before bidding you all ado for 1956, allow us to wish everyone a:

HAPPY NEW YEAR.

The longest winning streak in major league history is 26 straight triumphs by the Giants of 1916. All of these games were won at home. But the New Yorkers didn't win the pennant. They finished fourth.

Bill Opposing Hike In Loan Rates Set

WASHINGTON (AP) — Rep. Patman (D-Tex) and Sen. Humphrey (D-Minn) said yesterday they will introduce legislation when Congress convenes aimed at heading off a possible increase in GI home loan interest rates.

They proposed to make available three billion dollars in federal funds for purchase of GI mortgages at par.

Humphrey said such a plan would prop up "the sagging GI home loan market" and avoid any possible need to increase the present 4½ per cent interest rate.

The interest rate on mortgages insured by the Federal Housing Administration was recently hiked from 4½ to 5 per cent.

Sugar 11s In Top Strength

NEW ORLEANS (AP) — Poised Baylor and proud Tennessee romped through final pre-Sugar Bowl drills today in an air of relaxed confidence spiced by anticipation.

Trainers reported both teams in top condition for tomorrow's battle as the teams worked out the final kinks at Sugar Bowl stadium. The weatherman predicted fair and mild weather for the sellout crowd of 82,000 expected for the 1 p.m., CST, kickoff.

Both squads concentrated on defenses during the bowl preparations, although both were among the nation's stingiest in giving up touchdowns.

Coach Sam Boyd, who flew in with his Baylor squad yesterday, said many of his players had never even seen a single wing, the formation Tennessee used to roll over 10 opponents during a perfect season.

Coach Bowden Wyatt, who arrived with his Tennessee team last Wednesday, said Baylor had a series of T formation plays that none of his 10 opponents had used during the regular season.

The game, which will be broadcast and televised nationally, ABC is expected to produce an offensive show despite the defensive tone of workouts.

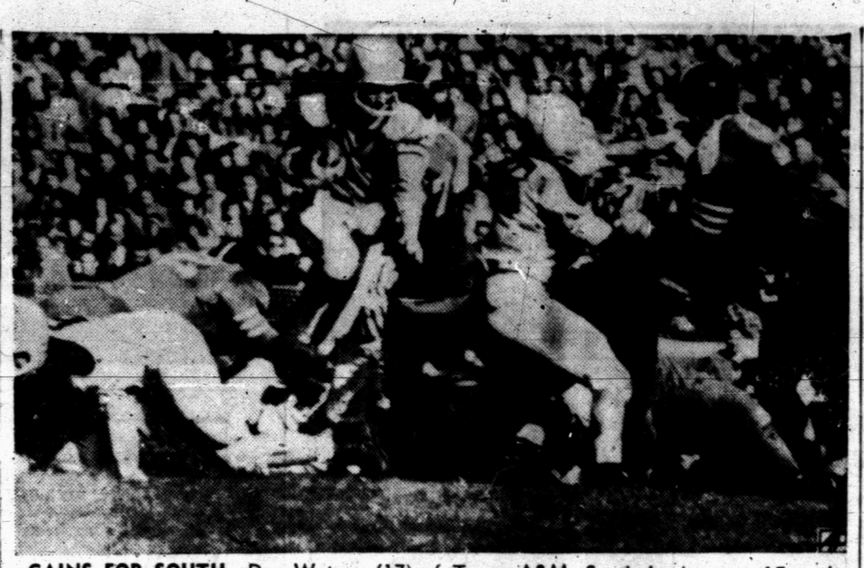

"Our running game has looked good during the season and we got better with each game," Boyd said. "We gained a lot of yardage with the speed of halfback Del Shofner and the power of our fullbacks. And we have running plays that allow the option of passing."

Boyd said Bobby ones would start at quarterback, with passing ace Doyle Traylor available for spot duty. Traylor went out at mid-season with a broken leg and still favors it somewhat in twisting and pivoting.

Tennessee, the No. 2 team in the nation in the final Associated Press rankings, and a 7½-point favorite, has an attack geared around tailback Johnny Majors.

"He's a smart player and can run and pass with the best," said Wyatt in praise of his All-America ace.

Baylor, the No. 11 team in the final rankings, has a weight advantage in the line, where All-America tackle Bill Glass spearheads operations. The first line, averaging 211 pounds per man, has some fast boys but doesn't figure to have the speed of the lighter Tennessee forwards.

GAINS FOR SOUTH—Don Watson (17) of Texas A&M, South back, goes 15-yards through the center of the North line in the first quarter of the Blue-Gray game at Montgomery. Watson was stopped by Tom Saidock (right) North guard from Michigan State.

Mississippi Quints Stage Walk Outs

OWENSBORO, Ky. (AP) — The University of Mississippi walked out of the All-American City basketball tournament here last night to follow Mississippi State in quitting out-of-state tournaments because of Negro players on opposing teams.

The University of Mississippi was scheduled for a consolation game today against Iona College of New Rochelle, N. Y., a team which has one Negro player, guard Stanley Hill of New York City.

Mississippi State withdrew from the Evansville, Ind., Invitational tournament a short time before it was to appear Saturday night in the championship game against Evansville.

State's withdrawal was ordered by Athletic Director C. R. Noble who telephoned Coach J.H. McCarthy after reading news stories of the school's Friday night victory, 69-65, over the University of Denver, a team with two Negro forwards.

At Starkville, Miss., Noble said, "it's always been our policy that our teams would not compete against Negroes. That's traditional with our institution."

The action here followed a meeting of tournament officials at which the University of Mississippi was represented by the school's coach, B. (Bonnie) L. Graham.

Tournament committee chairman Gus E. Paris, a professor at Kentucky Wesleyan, the host school, announced, "we regret that the University of Mississippi must withdraw from the All-American City tournament. The tournament will continue with such adjustments as necessary."

The All-American tournament opened Friday night with the finals set for tomorrow night. A local team will replace the University of Mississippi for today's game. Iona tomorrow will face the winner of the Georgetown, D.C.-Montana State consolation game set for this afternoon.

Cotton Bowl Tilt Rate About Even

DALLAS (AP) — The Cotton Bowl teams, Syracuse and Texas Christmas, held final drills today and looked toward their big battle tomorrow with the word of the sports writers that they would enter the game on even terms.

A poll of representative writers showed a tie — they felt that either team was likely to win. Only two writers thought the margin would be more than one touchdown.

Meanwhile, the coaches worried and fretted over how to defense the other's team.

Coach Abe Martin of Texas Christian said the wing-T with unbalanced line to the right as employed by Syracuse was threatening to give him ulcers. "It means we will in fact be trying to stop the power of the single wing for the first time in two years and we're going to have plenty of trouble."

His boys had been only moderately successful in containing the wing-T in practice and Martin shuddered when he thought about it being run with the massive im Brown, Syracuse's All-America halfback who weighs some 222 pounds.

On the other hand, Coach Ben Schwartzwalder of Syracuse said his defensive problems was fully as big as Martin's because "TCU has a well-balanced attack and you have to defend against everything."

Schwartzwalder also worried because he said there was too wide a gap between his first and second teams while TCU's second unit had shown to advantage in the recent campaign.

The Syracuse coach was anxious to know what the weather held in store. He said if it was hot his team would be at a distinct disadvantage because he would have to put in his second unit to relieve the tiring regulars.

Prospects were that it would be clear and dry with temperatures of 60 to 70 degrees. "What I would like is 50 degrees," said Schwartzwalder.

For the first time in the 21-year history of the Cotton Bowl the Southwestern writers were defecting enough to the enemy camp to give Syracuse an even chance of victory.

Swink Wins Nelson Award

BOSTON, Dec. 29 (AP)—James Edward Swink—the 1955 All America who cheerfully accepted the role of decoy for Texas Christian this year—today was named the winner of the 11th annual Swede Nelson Award for sportsmanship in football.

Swink, 185-pound senior halfback from Rusk, Texas., was selected by a 15-man committee of the Gridiron Club of Boston for deeds in the games with Texas A&M and Alabama as well as for his seasonal sacrifice.

The award is given "to the player, who, by his conduct on the gridiron, demonstrates a high esteem for the football code and exemplifies sportsmanship to an outstanding degree."

Nelson is a former Harvard lineman and widely-known sports booster.

Lone Star Conference Begins Play For Keeps

By The Associated Press

They start playing for keeps in Lone Star Conference basketball this week with undefeated Stephen F. Austin taking on Texas A&I (7-2) in one of the conference openers.

Austin, which last week won the McNeese Tournament at Lake Charles, La., and ran its record to 10 straight victories, and A&I battle at Kingsville Saturday.

East Texas and Southwest Texas play at San Marcos while Sam Houston and Sul Ross meet at Huntsville in other conference tests Saturday.

Stephen F. Austin nosed McNeese 44-41 for the championship of the McNeese tournament.

Ranger Coach Quits

RANGER Tex. (AP)—Boone Yarbrough coach of Ranger High for three years will become assistant high school principal and will be succeeded as coach by Harold Barrett who has been his assistant.

All Gulf Coast 5s Return To Action

By The Associated Press

All Gulf Coast Conference basketball teams return to action this week.

Abilene Christian, which didn't play last week, meets Howard Payne at Brownwood Friday. The Christians, with a 3-5 record, are barely ahead of Midwestern, which won two out of three last week, one of those being a 74-73 decision over fellow conference member Trinity.

Trinity and Midwestern played in the Elks Tournament at Dallas without notable result while North Texas took a double lieking in the holiday doubleheaders at Canyon. West Texas beat North Texas 75-62 and Texas Western clipped the Eagles 87-69.

Giants Rip Bears For Pro Crown

By JACK HAND

NEW YORK (AP)—The New York Giants were red hot and the Chicago Bears and 56,836 were frozen stiff. That's the story of the 1956 National Football League championship playoff in a nutshell.

The Giants skipped over the frozen turf of Yankee Stadium in their white basketball shoes yesterday on the way to a shocking 47-7 victory over the Bears who went into the game three-point favorites.

Striking for a touchdown and field goal in the first five minutes, the Giants amassed a 34-7 halftime lead. The Bears, who had rallied to tie the Giants 17-17 in a regular season game, Nov. 25, never were able to get back into the ball game.

"They were up. We were down," said Paddy Driscoll, completing his first season as head coach of the Bears. There's nothing you can say about a defeat like this. We just didn't have it."

Saturday's snow and the frigid temperature that swung from 18 to 22 degrees kept the crowd below the expected 65,000. Despite the cold and the strong wind, the partisan crowd enjoyed the rout of the mighty Bears.

The Giants, crowned for a title since 1938, had little mercy after their 18 years of bitter frustration. Although Giant Coach Jim Lee Howell did send his reserve into action in the final period, they never slacked their relentless attack.

The basketball shoes gave the Giants solid footing on the hard field and they broke away fast. The Bears wore similar shoes but they had rubber cleats.

"We had just as suitable shoes as they," said Coach Driscoll of the Bears. "They ran on it (the frizen field). We didn't."

Giant fullback Mel Triplett who gained 71 yards in 13 carries, smashed through the middle for 17 yards and the first touchdown, gowling over umpire Sam Wilson. End Andy Robustelli's recovery of Rick Casares' fumble set up Ben Agajanian's first field goal, a 17-yard kick. That made it 10-0 at 4:59 of the first period.

Agajanian booted a 43-yard field goal later in the first period after Jaim Patton intercepted an Ed Brown pass. Alex Webster scored twice in the second period on short runs, the second coming shortly after a 49-yard pass play from quarterback Charlie Conerly.

The Bears had picked up their lone touchdown in the second when Casares went nine through the middle but Webster's second score and Henry Moore's end zone recovery after Ray Beck blocked Brown's punt made it 34-7 at the half.

Conerly threw nine yards to Kyle Rote for a third period score and hit Gifford on a 12-yard play in the final period. Agajanian added five placements but missed one, his first as a Giant.

Loop Play Starts In SWC This Week

By HAROLD V. RATLIFF
Associated Press Sports Editor

SMU, boasting one of the nation's best records and already champion of the Southwest Conference Pre-season Tournament, starts its drive for a third straight title this week.

The Methodists, winners of 10 out of 11 with an 82.5 scoring average, take on staggering Baylor at Dallas Wednesday.

The nationally sixth-ranked Methodists are favored.

There'll be another conference test Wednesday when Rice and Texas A&M get together at College Station.

Rice takes an 8-4 season record into conference play while A&M is 4-3, just a half-notch ahead of cellar-dwelling Baylor and its 3-8.

Saturday Texas, Arkansas and TCU open the race. The former plays Baylor at Waco, Arkansas battles A&M at College Station and Rice and TCU collide at Houston.

SMU won its third pre-season tournament in five years last week as the Methodists beat Arkansas 64-60 in the finals. Rice won third place with a 66-44 triumph over A&M while Texas finished fifth by beating TCU 59-54. Baylor wound up seventh in the tournament by downing Navy, the guest team, 76-67.

Jim Krebs, the giant SMU center, was the big man of the tournament. He scored 78 points in three games and was voted the outstanding player. Krebs also held onto his lead in conference scoring, bringing his total to 274 points.

Ray Downs, the Texas hotshot, outscored Krebs in the tournament with 81 points in three games, but he still is 26 points back for the season.

The conference teams enter championship play with a 50-50 intersectional record. They won 21 and lost 21.

Weekend Tourneys Muddle College Conference Outlooks

By DON WEISS
The Associated Press

Their holiday tournament capers just about over, the nation's college basketall teams now can turn their full attention to the conference races that, for the most part, determine the "play-for-keeps" tourney lineups in March.

The backlash of a frantic four or five days of Christmas week activity that saw a nationwide assortment of more than 50 tournaments come and go was a distinct impression that nothing is so certain in the college game as its uncertainty.

A few favorites won in the major competitions but there were just enough upsets to promise the best set of conference races in several years.

And the best of them all could turn out to be in the leagues where the two current national stickouts, Kansas and North Carolina, perform.

The top-ranked Kansas Jayhawks, for all of Wilt (The Stilt) Chamberlain's capabilities and the team's victory in last week's warmup tournament, have plenty to fear in the Big Seven Conference.

Iowa State, for instance, shackled Wilt with a meager 12 points and came within a late desperation shot of whipping the No. 1 team in The Associated Press poll. Colorado, too, can be a threat when it is at full strength. The Buffs were minus two key regulars when the Jayhawks rolled away in the Conference tournament finals, 80-54 Saturday night.

Coach Frank McGuire of North Carolina's second-rated Tar Heels says frankly he is surprised his club remains unbeaten, now 11-0 after a sweep through the Dixie Classic at Raleigh. The Tar Heels have played and won three games within the Atlantic Coast Conference but McGuire says from what he has seen, any of the league members is capable of beating the other on a given night.

Here's the way some of the other major conferences look:

Southern—West Virginia looked to be head and shoulders above the rest until the Mounties were spilled in all three of their Dixie Classic appearances. Furman, 3-0 with West Virginia in early conference play, and Washington & Lee, 3-1, are possibilities.

Missouri Valley—Oklahoma A&M and St. Louis, the perennials, are again formidable but Wichita and Bradley have won some important inter-sectional games and Detroit has to be watched after its surprise victory over Northwestern in the Motor City Classic final Saturday.

Ivy—Columbia, with Chet Forte one of basketball's best little men, is the favorite. Harvard and Dartmouth have the best early records of the others.

Big Ten—Where a 10-point favorite regularly has trouble winning on the road. Illinois and Purdue, both 6-1 in non-conference games, off to good starts but no clear cut leader.

Pacific Coast—Oregon State in the North and UCLA in the South, but another league where the home court evens the odds.

Skyline—Utah (9-2) for the season) with Brigham Young capable of top-grade efforts.

Of the others, only the Southeastern, whrre Kentucky has resumed its reign, and the Southwest, where Southern Methodist has been trampling all comers, appear in the shoo-in class.

HANGS UP FAMOUS NUMBER — Cleveland Indians Pitcher Bob Feller, passes a large portrait of himself in the front office of the Club in Cleveland, O., on announcing his retirement after 17 seasons with the club. He'll devote his time to business.

SNYDER BUSINESS NEWS

WEBER SERVICE STATION, just east of Snyder's city limits, handles Premier products and all major brands of oil. In conjunction with the station, Weber operates a modern trailor court, which can be seen in the background. (Lee Watson photograph)

Webber Among Those Using Premier Products In Area

One of seven service stations here serving Snyder area residents with Premier Oil Co. products is Weber Service Station.

The station, located just east of the city limits on U.S. Highways 84 and 180 and State Highway 208, is operated by C. A. Weber.

Weber, who first opened the station in 1952, also operates at that location one of the most modern trailer courts in Snyder, complete with a large television tower and plug-ins for each trailer.

The station, which has plenty of highway frontage, is easily accessible to traffic headed in both directions and is also convenient to residents of Snyder, especially those living in the east part of town.

In addition to handling all Premier products, the Weber station has all brands of oil for the convenience of customers. Also available at the stations are numerous accessories and tires.

The station does lubrication work repairs flat tires, charges batteries, and does other services with efficiency.

Aiding Weber at the station is his wife and Joe Reaves.

The station is part of a constantly-expanding system of Premier products stations throughout Texas and in Louisiana and Oklahoma according to A. K. (Smitty) Smith, Premier distributor here.

All of them honor Premier courtesy cards, which can take the driver for many miles in Texas at lower rates. Smith said any resident is invited to check into Premier's credit system and apply for a card.

One of the local stations is Smitty's at Avenue R. and Twenty-fourth Street, where the Premier distributor's office and warehouse are now located.

Other's include Duncan's on the Big Spring highway, featuring 24-hour service; Frank's on the Lubbock highway, which features wash and grease and polish work; Page's at the circle on U.S. Highway 180 east of Snyder, Lewis Bros. on the Lamesa highway, Ferrell's on the Lamesa highway, and the W. G. Mayo station at Hermleigh.

The Premier distributor offers complete oilfield service for gasolines, deisels, oils, and greases.

CANYON ELECTRIC—One of West Texas' leading electrical firms is pictured above. It is Canyon Electric, located at 1919 Twenty-sixth Street, across the street from the Snyder city hall. The firm specializes in residential, commercial and industrial electrical wiring and contracting as well as offers almost all electrical services such as motor rewinding, repair, and constructural supplies. (Lee Watson photograph)

Canyon Electric Urges That Wiring Of House Be Checked

If you received an electrical appliance for Christmas, or a major electric appliance was purchased for your home as a family Christmas present, there may be a definite need for having the wiring in your house checked by a qualified electrician.

Dick Watson, one of West Texas leading electricians and head of the firm of Canyon Electric, 1919 Twenty-sixth Street, says that continued addition of electrical appliances to the regular electrical circuits in most houses overload the circuits to the danger point.

"Especially is it important to have the wiring checked when a major appliance which uses a large amount of current is added in the home," Watson said.

"A few minutes is all that is required for a qualified electrician to check your wiring and recommend any changes which are necessary to take care of the additional load of the new equipment," he said.

"And the few minutes might save the life of occupants of the house," he said.

"Houses which were adequately wired for the limited use of electricity of a few years ago probably do not have adequate wiring for today's heavy use of electrical appliances and gadgets," he added.

In the most houses additonal wiring circuits can be added with little trouble and at nominal cost.

In the past six years Canyon Electric has done the wiring in a large number of the new houses built in Snyder; 57 houses in Nobie Heights, 53 houses in the Kittrell Heights, and 39 houses in the Cullum addition in southeast Snyder. In addition to th houses in those three additions, the firm has wired more than 100 other new houses here.

The firm specialies in industrial electrical wiring as well as residential wiring, electric motor rewinding and repair, and retail and wholesale contractors supplies, and fixtures.

The firm has one of the most complete stocks of light bulbs of all types available in West Texas.

"We attempt to keep all types of unusual light bulbs to provide our customers a place where they can secure replacements for bulbs for all their lighting fixtures," Watson said.

Top Fugitive Is Captured By FBI Agents

CHICAGO (AP) — FBI agents last night seized Joseph James Bragnola, one of the nation's most 10 wanted fugitives, who has been sought for five years in the hold-up-slaying of a New Orleans used car dealer.

Bragnola, 40, was described by the FBI as a hired gunman who was involved in the murder of Henry Stern during a $50,000 hold-up in 1950. He will be arraigned today before U. S. Commissioner C. S. Bentley Pike.

Agents said Bragnola surrendered meekly in a cocktail lounge on Chicago's South Side. He was unarmed.

Stern was pistol-whipped by a gang of thugs who invaded his home. He died a short time later. His wife was left trussed in their upstairs apartment while the holdup men raided it for money and jewelry.

The FBI said the holdup was planned by a New Orleans robbery gang. Bragnola was one of three gunmen imported from Chicago to carry out the robbery, the FBI said, because the plotters feared they might be recognized by their intended victim.

J. Edgar Hoover, director of the FBI, said in Washington that six persons were allegedly involved in the crime. Bragnola is the last to be located, Hoover said.

Bragnola carried documents when arrested indicating he was using the name Joseph A. Starnic and had been working as a cook in Chicago.

Services Set For Retired Lumberman

CORPUS CHRISTI (AP)—Funeral services were set today for W. G. Blake, 84, a passenger on the first airmail flight ever made in South Texas.

Blake died Saturday.

The retired lumberman rode in a biplane which flew from Corpus Christi to Port Aransas in March of 1912. He held the mail in his arms as he sat next to the pilot in the open cockpit plane.

Survivors include his daughter, Mrs. Bill Barnard, wife of the Texas Associated Press Chief of Bureau in Dallas.

Pool's Plan For Election Is Explained

DALLAS (AP) — State Rep. Joe Pool said yesterday his proposal for a special Senate election runoff was intended "to prevent a minority group from getting an unfair advantage."

Pool said an objection by Thad Hutcheson, Republican candidate for the post, was putting "cold-blooded" politics above the democratic electoral process.

Hutcheson said Saturday Pool's proposal was an "immoral and probably illegal" attempt to prejudice Hutcheson's chances.

Pool's proposal was for a change in the Texas Election Laws providing for a runoff in the special election to choose a successor to Gov.-Elect Daniel.

Pool added:

"While my purposes in introducing a bill providing for a runoff in the special Senate race was to permit an expression of the majority's will, Hutcheson has interpreted it as an attempt to prejudice his chances in the race.

"No prejudice was intended. I only want to prevent a minority group from getting an unfair advantage in the special Senate race under the present plurality statutes. Many persons, Democrats and Republicans, have agreed with my proposition.

"Hutcheson is viewing my proposition purely from a cold-blooded political standpoint, without regard for an expression of majority will of Texas citizens."

Pool said a "sudden death" special election with four or five Democrats facing one Republican has encouraged Hutcheson "to think he has the advantage, since it only takes a plurality to win under existing laws.

"He overlooks the fact that he may not poll a substantial vote in the race and that some other minority candidate, possibly one supported by the NAACP, would win this important Senate post on a mere plurality," Pool said.

Fog Drifts Over Section Of Big Fire

MALIBU, Calif. (AP) — A cool, moist blanket of fog drifted in early today across the fire-seared Santa Monica Mountains, where three disastrous fires glowed only as embers.

Fire officials last night declared the blazes "under control." Equipment — massed from local agencies and from half California's 58 counties — rumbled homeward during the night.

Only scattered embers remained within the perimeters of the fire here, the one centered a dozen miles north of Zuma Beach, and a third over the crest of the mountains, adjoining the Zuma fire, in the Lake Sherwood area.

Between them they burned over more than 60 square miles. Sixty-seven homes were destroyed. One man was killed and two firefighters seriously injured.

Several other fires broke out but were quickly conquered. Biggest of these was the 840-acre blaze, also controlled last night, which flared up near an oil field in Piru Canyon.

As fog replaced the dry, gusty winds that fanned flames for four days, hundreds of persons who fled from the fire returned to the scorched area. Some found only a chimney standing.

The fires ruined Christmas for many families, driving them from their homes and wiping out all that was left behind, blistered cycles and wagons stood starkly in the wreckage.

'Mona Lisa' Is Damaged

PARIS (AP) — The Louvre says only slight damage was done by a Bolivian who hurled a stone at one of the world's most famous paintings, Leonardo da Vinci's Mona Lisa.

The attack was made by Hugo Unjaga Villegas, 42, who had been living in a Salvation Army shelter. He said he "had a stone in my pocket and suddenly decided to throw it."

The rock shattered the glass protecting the painting and chipped some paint from the figure's elbow. The museum said the damage "can be repaired easily."

Unjaga Villegas was charged with defacing public property and violating the law limiting alien residence in France.

Autopsy Scheduled

SUGAR LAND, Tex. (AP)—An autopsy was scheduled today into the death of Francis Campbell, 18, a Houston high school student whose body was recovered from a small lake near here last night. Peace Justice W. T. Gandy withheld a verdict, partly because the youth was subject to epilepsy.

Mrs. Horton Dies

GREENVILLE, Tex. (AP)—Mrs Fred Horton, 74, whose husband and son owned and published the Greenville Banner for many years, died yesterday. Services were set today.
