

House Passes Bonus Bill by Big Majority

An over-powering house majority Tuesday sped a bond payment bill to the White House, handing President Roosevelt the politically delicate problem of deciding within ten days whether to let the legislation become a law or risk overriding a veto.

For the 3,500,000 World War veterans' payment will mean cash for their vested service certificates nine years ahead of the present maturity date.

The Dawson County Courier

VOL. 5 LAMESA, DAWSON COUNTY, TEXAS, THURSDAY, JANUARY 23, 1936 NO. 1

Nursery School for Dawson Co. Children

A meeting held in the District Court Room last Wednesday evening January 15, in the interest of adult emergency education, it was proposed to establish a nursery school in Lamesa to take care of pre-school children of relief and under-privileged families, such school to be financed principally through federal funds under the W. P. A. Mrs. Minette Fort, Supervisor of Emergency Education in this district was present. Mrs. Fort pointed out the benefits of the school, and the steps necessary to secure one.

The federal government through the Works Progress Administration pays the salaries of those in charge of the school, and provides lunches for the children. The county in which the school is located furnishes the building or buildings, depending on the number of schools allocated, and supplies such as coats, bedding, stoves, cooking utensils, etc. Church and civic organizations can be of great service.

Dawson county and the city of Lamesa could do no finer and no more worth while thing than to establish a school of this kind. Too many of our children are denied the things which are essential to proper physical, mental, and spiritual development because of unfortunate home conditions. Let us remember that 'as the twig is bent the tree is inclined' and then let us recall the words of the Master when He said "Inasmuch as ye have done it unto me."

It is sincerely hoped that every citizen, every church, every organization will become vitally interested and cooperate in making the nursery school possible.

Gus White Announces For Re-Election As Sheriff, Dawson Co.

We have this week been authorized to announce the candidacy of Gus White for re-election to the office of Sheriff of Dawson county, subject to the action of the Democratic primary in July.

Mr. White is well known to the people of Lamesa and Dawson county and will endeavor to see each voter in the county before the election. He will make his formal announcement in the very near future.

New Cells Being Installed In County Jail This Week

The old cells which have served as the County jail for many years, since the Dawson county court house was built, are this week being removed and new cells of saw proof material will replace them. The necessity for this step toward improving the old jail has been very forcibly impressed the last few months when it appeared no hazard for any of the prisoners who felt so disposed to break out of the jail.

The new cells being installed are made of the best material that can be bought and were purchased from the Southern Prison Works at San Antonio.

Work begun Monday of this week and it will take about two weeks to finish it. When completed the jail will comprise of two cells and 12 bunk beds.

A. G. BEARDEN RESIGNS POSITION AS SCIENCE TEACHER IN HIGH SCHOOL

Mr. A. G. Bearden resigned his position, effective Friday, January 17, as Science teacher in the Lamesa High school, after 8½ years service as Science teacher to accept the position of Secretary of the Lamesa Chamber of Commerce.

During the time he has served as a teacher in the Lamesa High School Mr. Bearden was also coach of the track team and has had many years of successful competition. Mr. Bearden has probably contacted and taught at least one thousand different students during his teaching days, and many of them have and are making excellent records in scientific subjects in several colleges and universities.

By virtue of his successful coaching, pupils of Lamesa High School have made an enjoyable record for the institution. Mr. Bearden coached track teams which have won District, Regional and State honors. Last year, 1935, a two-man team ranked fifth in the state wide competition at the annual state meet.

Mr. Charles Hatchett succeeds Mr. Bearden as teacher of science in the high school. The coaching of the track teams will be sub-divided among present faculty members according to their original participation and ability.

SCOUT TROOP 22 HAS MEETING FRIDAY NIGHT

Troop 22 met Friday night, January 17, at their regular meeting place in the court house, with 15 members present. Pirate and Pine tree patrols divided honors in inspection.

Troop business, including the annual kite tournament held during Scout week early in the Spring was discussed. At the next meeting on January 24, Scouts will participate in a treasure hunt. Joe Spikes read the story around which the hunt will be based.

Those present were Earl Jacobs, Durward Schmidt, Edwin Easterwood, F. M. Mitchell, Bob and Richard Crawley, Elton Roberts, Azle McClintock, Skeet Noret, Harold Lambeth, Hardin Easterwood, Ralph Burleson, Jackie Vaughn, Scoutmaster Joe Spikes, and one visitor Rex Palmer, Eagle Scout, formerly of Abilene.—Richard Crawley, Scribe.

TEACHERS EMPLOYED TO TEACH IN C. C. CAMP

This week the Works Progress Administration authorized employment of four teachers to instruct classes at the C. C. C. camp. These subjects will include elementary subjects and also some high school subjects for the benefit of the camp enrollees. This program is being sponsored in this county under the direction of Miss Pauline Bulsterbaum, county school superintendent.

Darwin Spralls underwent a tonsillectomy in a local hospital last Monday. Lloyd Mitchell Marr this week accepted a position as Junior clerk in the Reviewing Department of the National Re-Settlement Administration with the office located in Amarillo. This division is the headquarters for five adjoining states.

Mr. and Mrs. Earnest Barrett and daughters, Ernestine and Geraldine, left early Wednesday morning for Rochester, Tex. upon receipt of a message stating that Mrs. Barrett's grandmother had died.

Basketball Tournament A Great Success

The boys basketball tournament held in Lamesa High School gymnasium last Friday and Saturday, January 16 and 17, ended with the Lamesa Whirlwinds, coached by Henry Norris, winning the championship trophy and Klondike winning the award for placing second in the tournament.

The representatives from the C. C. C. camp were winners of the Consolation trophy defeating the team from Five Mile by the small margin of one point, the final score being 25-24.

Sixteen teams from Dawson and the surrounding counties participated in the tournament and 22 very good, hard fought games were played. The cold affected nothing but the attendance, weather and heavy snow which fell and those who attended the games were well repaid for their efforts in getting there by the interesting games between the well-matched teams.

Several individual trophies were also awarded some of the members of the winning team.

Mrs. Elizabeth Jonas Is Claimed by Death

Mrs. Elizabeth Jonas died last Thursday, January 16 at the home of her son, E. A. Jonas, following a lengthy illness. She was born September 21, 1862, being 73 years old at the time of her death.

Funeral services were conducted at 2:00 o'clock P. M. Friday at the Higginbotham Funeral home with Rev. M. M. Beavers, Methodist pastor officiating. Interment was in the Lamesa cemetery.

Survivors are: two sons, E. A. Jonas, Lamesa and R. L. Jonas, Kerrville; two brothers, Wm. J. Nash, Brownwood; and H. W. Nash, Brownwood; and two sisters, Mrs. J. B. Rice, Brownwood, and Mrs. L. A. Joyner, Brownwood.

FORMER LAMESA WOMAN IS SERIOUSLY ILL

Word reached here Thursday morning that Mrs. J. R. Lowry was very seriously ill in a hospital at San Angelo, suffering from a burst blood vessel on the brain. Her condition is so serious that the relatives have been summoned to her bedside. Mrs. Lowry is well known here, having resided in this section for many years. Mr. Lowry is a former mayor of Lamesa, the family moving to San Angelo a little over a year ago. Mrs. Lowry has many friends here who are sorry to hear of her illness and are hoping for her recovery in the near future.

DAVIS HATCHERY INSTALLS NEW 35,000 EGG INCUBATOR

Mr. Dewey H. Davis, owner of the Davis Hatchery, located in the Kelly Building, has this week installed a new Tobbin Electric Incubator with an egg capacity of 35,000. This new type incubator is one of the best that can be bought. It has a separate hatchery department which is one of the latest features in artificial incubation.

Mr. Davis states that his setting days are on Tuesday and Friday of each week. He is urging all his friends and customers to pay him a visit and inspect his new equipment. Look up his ad on another page of this issue and read what he has to say.

O. H. MORRIS HOME IS COMPLETED

The O. H. Morris home, located 2½ miles east of Lamesa has been completed and Mr. and Mrs. Morris and family moved to their new home on Wednesday of this week. It has six rooms with a bath and is complete and modern in every respect, being piped with natural gas for heating and lighting purposes. It is one of the most attractive and up-to-date farm homes in Dawson county.

FIRE DAMAGES FRUIT STAND MONDAY EVENING

About 7:00 o'clock Monday evening fire broke out in the Fruit and Hamburger stand located on South First Street just east of Nore's Army Store. The fire department reached the scene and extinguished the blaze before the building was damaged much, but the fixtures and stock were damaged considerably. The building belongs to A. L. Boyd.

Edwin Forrest Returns to School Friends of Edwin Forrest who have been so anxious over his condition since the automobile accident Halloween night in which he was seriously injured, will be happy to know that his condition has improved sufficiently that he was able to return to school Monday of this week and resume his school activities.

PREACHING AT WHITES CHAPEL T. H. Tarbet Jr., of A. C. C. at Abilene will fill his regular appointment, next Sunday, January 26, at White Chapel.

James D. Dyer Resigns Postmastership Here

After having served as postmaster here for more than twelve years, James D. Dyer announced this week that he had offered his resignation to the Postmaster General, effective February 1, or as soon thereafter as he may be relieved. Mr. Dyer has served three four-year commissions, having first been appointed by President Coolidge in the fall of 1923, and again by him in 1927, and by President Hoover in January 1932. Mr. Dyer was not an applicant to succeed himself at the expiration of his third commission.

Remarkable growth has been experienced in the business of the local office during the time Mr. Dyer has served as Postmaster. Gross receipts for the calendar year ending December 31, 1922 were \$7,719.78. In 1929 they were \$22,325.01, and for the year ending December 31, 1935, they were \$20,059.45. Great improvement in the rural and star route service has been made, more than five hundred miles aggregate travel in distribution of Lamesa mails being made daily now. City delivery service, employing two full time carriers and one substitute, has also been secured. It is understood that Owen C. Taylor is to become acting Postmaster. Mr. Dyer has not announced his plans for the immediate future.

Owen Taylor Chosen Acting Postmaster

Owen C. Taylor was this week chosen acting postmaster of Lamesa. Mr. Taylor will take over the duties from James D. Dyer, who retires after 12 years of service as the Lamesa postmaster.

Mr. Taylor is well known over the territory, having been at one time county Clerk of Dawson county, and is at present co-owner of the Taylor-McCall Drug Co. He is active in civic and commercial affairs of the city and will make the city an excellent postmaster.

PIANOS AT SCHOOLS BEING TUNED AND RECONDITIONED

Mr. Howard, Baldwin factory trained piano technician, is this week tuning and reconditioning in general the two pianos in the Grammar school and High School auditoriums. The Baldwin piano in the High School auditorium has been in use for 11 years and the Ellington piano in the Grammar school auditorium has been in use for the past 18 years. Both of these pianos will be put in excellent condition and ready for several more years of service.

MARRIAGES SHOW SLIGHT INCREASE DURING 1935

According to figures made available this week by Mrs. W. H. Bennett, county clerk, there were more marriages in 1935 than during 1934. One hundred and fifty-four licenses issued last year as compared with 130 for the preceding year. June is still a popular month for brides but was surpassed last year by both December and August. December was far in the lead with 42 out of the 154 for the entire year.

MORRIS-CLEVELAND DRUG TO BUY GOLD SATURDAY

The Morris-Cleveland Drug Store is announcing this week that they will buy old gold all day Saturday, January 25, at their store. They will pay \$32.00 an ounce for all gold purchased. They also state that a liberal discount will be allowed on all jewelry purchased at their store Saturday.

Everyone having old pieces of gold jewelry that they do not want are urged to bring it in Saturday and receive this good price for it. Look up the Morris-Cleveland ad on another page of this issue and read about their splendid offer for Saturday.

J. L. MORRIS TO HAVE AUCTION SALE TUESDAY

J. L. Morris will stage an auction sale on Tuesday, January 28, at the O. H. Morris farm one-half mile north and 2 miles east of Lamesa. The sale will start promptly at one o'clock. Mr. Morris will offer for sale all kinds of good livestock. H. H. Barron will be auctioneer and E. E. Barron, clerk. Look up Mr. Morris' ad on another page of this issue and read what he has to offer, and attend his sale next Tuesday afternoon.

LAMESA HIGH SCHOOL ORCHESTRA GIVES PROGRAM

The High School Orchestra, under the direction of Conway King and Mrs. Frank Hardesty, which was organized soon after school started and has been rehearsing and practicing since that time, is rounding into excellent form and is now ready for public appearances as was proven by the good musical program rendered by them in Assembly, Monday of this week.

The orchestra is composed of some 40 or more school students who under the direction of their able instructors render some very fine music.

NATIONAL FARM LOAN ASSOCIATION MEETING

The annual meeting of the Lamesa National Farm Loan Association which was held at Lamesa, Tuesday, January 14, was one of the best meetings in the history of the association. Directors present at the meeting were: W. V. P. Baker, C. A. Barron, C. M. Burton, J. P. Gibson and W. C. Speck, all of Lamesa.

MARRIAGE LICENSE ISSUED

During the past week marriage licenses were issued to the following: Robert Wylie Mitchell and Ruby Lee Latham, January 16; L. T. Wilson and Edith Bailey, January 18; O. T. Thorp and Pauline Singleton, January 18; K. S. Farris and Cleo Petty, January 20.

Mrs. J. W. Arnett is seriously ill with pneumonia.

'Lamesa Day' To Be Observed At Texas Centennial Aug. 24

August 24 has been named as 'Lamesa Day' at the Texas Centennial Celebration in Dallas beginning this year in June.

An executive meeting of the County Centennial Committee was held in the Chamber of Commerce office on January 16th. J. D. Dyer, county chairman, presided over the meeting. Sam Richardson who represents the local Chamber on the West Texas District Board, was present also, as was A. G. Bearden, recently elected secretary of the Lamesa Chamber of Commerce.

Mrs. E. R. Yates pledged her support as musical director to make a study of ways of gaining recognition through musical interests. Mesdames Rountree and Morgan have in their charge essays to be written. Mesdames Avriett and Lindsey have already chosen the flower to represent this locality, and Mrs. Townsend asks for information regarding historical facts of interest.

Much discussion prevailed regarding the most appropriate date for Lamesa and Dawson county to combine forces in making its chosen day one to be remembered and August 24 seemed most logical. Mayor W. L. Marr approved the date.

Mr. Dyer asks for the support of every citizen in taking advantage of this opportunity to make Texas and our own county an envied spot in which to live and serve.

Scout Officials Elected Wednesday Night

Wednesday night those persons in Lamesa and surrounding territory interested in the Boy Scout movement, met in the Dawson county court house for the purpose of electing the different officials necessary to carry on the work.

Earl M. McClure, Scout executive of the South Plains Council, was present at the meeting and helped in making plans for Scout Week and in developing an organization for carrying on the program of Scouting.

W. K. Crawley, member of the South Plains Council Executive Board, was elected District Chairman over the district which includes Dawson and Lynn counties; Dr. J. C. Loveless was elected vice-chairman. Others elected were: C. E. Cameron, Finance Chairman; J. R. Williams, camping; Dr. J. J. Meadows, Activities; Philip Yonge, Court of Honor; L. P. Stark, Leadership, Training and Organization; A. G. Bearden, Publicity and Reading; J. R. Flaniken, Rural; Louis Reed, Jamboree; Mr. J. D. Dyer is District commissioner.

Former Residents Injured in Car Wreck

Word was received here Sunday night that Mr. and Mrs. Jim Terral, former residents of this place, had been seriously injured in an automobile accident which occurred Sunday afternoon near Albuquerque, N. M. They were taken to St. Josephs hospital for treatment.

Mrs. M. E. McQueen and Miss Alberta McQueen left early Monday morning for Albuquerque to be at their bedside. Mrs. Terral is the daughter of Mrs. McQueen and a sister of Miss Alberta. Mr. Terral is the brother of Herb and Quillen E. Terral of this place and the couple also has other relatives living here. They have many friends in this vicinity who are sorry to hear of their misfortune and wish for them a speedy recovery.

Jail Breaker Caught at Hood River, Ore.

Word was received here Thursday from Hood River, Oregon, of the arrest of Grady Tipton, 19, who broke jail here in late November. Tipton was arrested at the Oregon town by Bob Raney a State Policeman and charged with transporting an automobile stolen at Durant, Oklahoma.

Tipton and Clarence Baldwin were charged here with the stealing of a car belonging to Elmer Cope in late October, were arrested in Lebanon, Missouri, several weeks later. They were brought here, but broke jail. Baldwin has since been re-arrested. Tipton will probably be brought back here in the very near future for trial.

KLONDIKE ORGANIZED FOR LEAGUE ACTIVITIES

University of Texas Interscholastic League work is well under way at the Klondike school. Teachers and pupils are enthusiastic and have set their aims for the most successful year that Klondike has ever experienced.

Supt. W. C. McKenzie will be directly responsible for teams in debate, spelling, one act play, volley ball and girls basketball (non league event).

Coach Wayne Webb has charge of high school declamation, spelling, basketball and track.

Miss Ona Webb has charge of high school English and the Spanish teacher will be responsible for extemporaneous speech and ready writers in the high school.

Mrs. W. C. McKenzie, sixth and seventh grade teacher has charge of the events in which these grades participate. They are arithmetic, declamation, music memory, Ready Writers, spelling, volley ball and basketball. Miss Kathryn Sowell, second and third grade teacher will have the Story Telling contest and one of the play ground teams.

Mrs. Mildred Wood, fourth and fifth grade teacher will coach Choral singing, declamation, picture memory, tennis and spelling.

Miss Flora Chaffin, primary teacher will have direct charge of the spelling team from Mrs. Woods room and assist Mrs. Wood in declamation.

Material is on hand for all the contests and the greater part of the work is moving along nicely.

METHODIST NOTES

Welch Circuit
 services at Hancock Sunday were largely attended, yet both were very profitable. The most of the ones usually make up the consolation on unfavorable days like last night. Not all the faithful ones were for some are too aged and to be out such a cold day. Others were sick and others were looking the sick and feeble ones. We are the Lord had a way of carrying message to the hearts of these ones and that each received a blessing. We are almost sure that many have been here who did not attend. The enemy of souls made them not be worth the effort. Of the Lord has no way of giving blessing to such people. The finances of the church are better for in a most satisfactory way. We are praying that we may be worthy of their confidence and next Sunday, January 26, we will have a special service and worship with—

TIME PAYMENTS ANNOUNCED BY FORD

The Motor Company announced several days ago the beginning of a \$25 month time payments on a new UCC cent finance plan. Lamesa Motor Company, local dealers, are anxious to explain the plan in detail to prospective car buyers. The \$25-a-month time payment makes you to buy a new Ford on low monthly terms. W. P. Avants outlined yesterday. "After the down payment is made, \$25 a month is all you have to pay for any new car, including insurance financing." The plan applies to cars and commercial units but not trucks.

COMPLETE SANITATION URGED DURING CENTENNIAL YEAR

San. January 20.—If Texas is to entertain millions of visitors during the great Centennial celebration, every citizen must insist on complete sanitation, declared Dr. John W. Brown, State Health Officer. Citizens should see that their water systems are free of contamination, that sewerage facilities are available, and that all public eating places and homes are spotlessly clean. "Every owner should start now to clean and beautify their yards, this would include also sanitating of water supply and having proper toilet facilities. The State Department of Health will furnish plans upon request. As many counties have secured labor for malaria control and rural sanitation. It is hoped that full advantage will be taken and that cities kept sanitary in order that the celebration of one hundred years of independence will not be marred by an epidemic."

FINANCIAL COMPANY SHOWS HIGH DEGREE OF LIQUIDITY

Financial conditions of the past five years have had a marked effect on the investment portfolios of life insurance companies. While few companies have used in size, measured by total income in force, changes in the character of assets of some of the companies are apparent. A brief analysis of the balance sheet of Southwestern Life, the first of the large Texas companies to publish its annual statement, shows a high degree of liquidity. The company's ability to policyholders is less than 27 million. The company owns assets valued conservatively at 30 million. Of this amount 15 million is invested by U. S. Government bonds and the highest grade State, county and municipal obligations. These could be sold on today's market for million dollars more than the

amount at which they are carried in the balance sheet. The remaining 15 million is invested in first mortgage loans on Texas real estate. In addition the Company owns real estate, including the home office building, worth about 3 million.

Five years ago Southwestern Life had only about one-ninth as much invested in bonds, but owned one-third more real estate mortgages than it does today.

The gain in insurance in force for 1935 is approximately the same as for 1934, and the company is now larger than at any time previous in its history, with a total of 288 millions of insurance on the lives of approximately 140,000 Texas citizens. During recent years the amount of the average policy has decreased slightly. The rate of mortality for 1935 among Southwestern Life policyholders was almost the same as for the previous year. Lapses are steadily decreasing and loans against policies have remained at about the same level.

Increased liquidity of assets has resulted in lower interest earnings, but the net return for 1935 was 4 1/2%, which the company considers highly satisfactory under present conditions.

ON TEXAS FARMS

From Brown county come reports that soil conservation work was carried on affecting 417 acres on 11 farms in December. Road machinery built terraces 24 feet wide and 1 1/2 feet high on 8 farms at a cost of \$1.57 per acre. A tour was arranged on which 33 farm-ers and 4-H club boys visited four of these soil conservation demonstrations. In Comanche county there is a 207 acre pasture demonstration which has been in progress for 8 years, during which underbrush and woods have been removed. A profit of \$10 per acre from this pasture in 1935 was found after totaling the receipts from cattle, hogs, turkeys and pecans and deducting the cost of maintaining the pasture. A 4-H club boy of Mills county pro-

duced 210 pounds of lint per acre on his 5 acre cotton demonstration. The average for his community in 1935 was 120 pounds of lint per acre. Six terracing demonstrations totaling 110 acres were given in December in Palo Pinto county. Three of the terraced fields will be planted to orchards. In Runnels county 4-H club boys are feeding 20 beef calves, 32 lambs, and 17 pigs for the March livestock shows. There are 150 club boys enrolled for 1936.

Tenants Forced To Farm Poorer Land

Tenant farmers of Dawson county have been shifting to poorer land during the past five years, according to analysis of Census Bureau figures made this week by Tom J. Finley, local supervisor for the Resettlement Administration.

The number of share croppers in this county has been reduced by 190 in the past five years, the supervisor said, and many of them have become landowners, but they have settled on much poorer land than their status is no better than before, if as good. "There are now 225 families of share croppers in this county, as compared with 415 families in 1930," the supervisor said. The total number of farms, both tenant and owner operated, is now 1,946 as compared with 2,218, a decrease of 272.

Ellis county was cited as an outstanding example of the shift of share croppers away from good land. Ellis county land is valued at \$55 an acre, three times the average value of farm land in the entire state. There are only 1232 share croppers in Ellis county now, as compared with 2,573 five years ago, a decrease of 1341. Owners of this good land have found ways of operating more acres with fewer men. Much land has also been turned to pasture. Many of the tenants thus forced to seek new location have gone to other counties, where land is cheap, but less productive. The record of one such county shows that the land there is valued at only \$17 an acre, and there has been an increase of 715 in the number of farms.

"Many of those forced to seek new locations have been able to get a start as managing tenants, with funds loaned them by the Resettlement administration to buy teams, tools and supplies," Finley said.

It has been previously announced that seventeen projects are now being studied in Texas and Oklahoma for assisting farmers toward ownership of good land. These projects will care for only a limited number of farmers in a few selected counties. Action on a much larger scale would be provided under the direction of the Bankhead-Jones farm tenancy bill now before Congress.

Lubbock District Methodists Plan Series of Meetings

The Reverend Dr. W. M. Pearce, presiding Elder of the Lubbock district of the Methodist church has recently announced a series of Group Christian Education Institutes which will provide training for every church in the district, to be conducted during the period from January 30 through February 7.

These institutes, according to the local pastor, Rev. M. M. Beavers, will be one of the most important features of the district training program for 1936, and will be conducted for pastors, local preachers, officials and teachers, group leaders, and any others interested in each church. The same program will be conducted at each of the all-day institutes, with a number of charges taking part in each meeting.

The Lamesa church will have its institute on February 7 at Lamesa, with churches of O'Donnell, McCarty, Mt. Olive, Liberty, Ballard, Higginbotham, Munger, Welch, Patricia, Hancock, Dr. Pearce will preside at all these institutes. Each program will have some visiting speakers, but will be conducted mostly by persons included in the institute. The general program will be as follows:

- 10 A. M.—Worship; theme, Evangelism.
- 10:20 — How to revive and sustain interest in the church school.
- 10:30 — Relation of one's conversion to Christian education.
- 10:40 — Church boards of Christian education and workers councils.
- 10:50 — Sources of programs of work—how do we get them?
- 11:00 — Pre-Easter plans; value and how planned and how conducted.
- 11:10 — Essentials of a successfully working board of stewards
- 11:20 — Importance and best ways of using lay speakers.
- 11:30 — A Christian Education sermon.
- 12 noon to 1:45 — Lunch.
- 1:15 to 2:30 — Division groups, meeting separately. Children workers meeting with Mrs. Pearce or some one

designated by her as leader; young people with Miss Lucille Lilljedahl or someone designated by her as leader; adults with J. R. Griggs or some one designated by him as leader.

- 2:30 — Points of emphasis in WMS work in this quarter.
- 2:45 — Relation of church school to total finance of church.
- 2:50 — Church school records; importance and essentials of a good record.
- 3:00 — Why an every-member-weekly-pay plan.
- 3:10 — Keeping up with the calendar—special days, weeks, seasons, etc.
- 3:20 — Resume and announcements.

Second Snow of Season Falls Here

The second snow which has penetrated this far south this season fell here Friday night and Saturday, following several days of spring like weather. Friday was balmy as April or May, and a number of local people spent the day working in rose gardens and flower beds.

Soon after dusk, however, a northerly blow down from the Panhandle with its customary whistle and bluster, and by eleven o'clock the temperature was decidedly uncomfortable, unless one happened to be a polar bear. Saturday morning the ground was covered lightly with snow and sleet, much of which appeared to have been blown in from regions farther north. Heavy snow began falling about eight-thirty or nine o'clock, continuing through most of the day.

For the most part, this change in weather was greeted with favor by residents of our section. The ever-present question of moisture for this year's crop had begun to come to the front, and it is believed that this snow will be of more benefit, perhaps, than would have rain, as the snow fell and melted, soaking into the ground rather than running off, as a rain might have done.

The greater part of the crops, even the last of the grains, have been harvested, and stock is generally in good shape to withstand the rigors of a cold spell. So, barring the discomfort always incident to extreme cold, the snow and norther have been pleasing to most Lamesa folks.

And if it hadn't been pleasing, we hardly know what any of us could have done about it.

Mr. and Mrs. Clyde Backenstoss attended the Johnson murder trial in progress at Big Spring last Tuesday afternoon.

Substitute Farm Plan Decided Upon By National Leaders

President Roosevelt, Secretary Wallace and other administration leaders conferred all last week with representatives from the various departments of the AAA, outlawed by a decision handed down by the Supreme Court two weeks ago, in an effort to bring some order out of the chaos left in the wake of the decision. Seventy or more representatives spent most of the week in Washington with the President and his counselors, and the result of their deliberations was published Friday in a substitute plan which hopes to carry out at least a part of the aims of the AAA.

The White House conference plainly labeled the plan as immediate 'temporary farm legislation' for the purpose of continuing federal payments to farmers. While details still remain to be worked out, the general plan will incorporate the following steps:

1. Crop production will be adjusted through retirement of acreage as a soil conservation and erosion measure.
2. Farmers will be reimbursed for land thus retired through Federal 'rental' payments.
3. Such authorization as is necessary will be sought through amendments to existing laws rather than new ones.
4. An appropriation of \$300,000,000 to \$400,000,000 will be asked to finance the programs estimated cost in 1936.
5. An additional appropriation of about \$300,000,000 will be requested to reimburse farmers under the invalidated 1935 adjustment contracts.
6. A permanent program may be sought later this session or deferred until next year.
7. Provisions of the AAA untouched by the Supreme Court's decision will be strengthened and more fully utilized.

Mr. T. E. Musick and family, who reside out on Star Route 2 are moving this week to Hobbs, N. M. to make their home.

Last Saturday afternoon O. T. Thorp of Klandike and Miss Pauline Singleton of Patricia were happily married with Rev. W. M. Whately, Baptist minister, reading the ceremony at his home.

Miss Commie Zell Barnes who was absent from her Commercial classes in the local high school several days last week, due to the illness of her mother

in Austin and her sister in Memphis, Tenn., has returned home and resumed her duties Monday of this week. We are glad to report the condition of her relatives as improved.

Mr. and Mrs. Charles Hatchett announce the arrival of a baby girl weighing 8 1/2 pounds. She has been named Robbin Annever. Both mother and babe are doing nicely.

Little Alice Joyce Green, daughter of Mr. and Mrs. Joe Green, who received serious injuries when hit by automobile last week, is much improved. Alice Joyce developed a slight pneumonia the first of the week but is thought much better at this time.

SOCIETY

MISS LEE STURDIVANT MARRIES OTIS WINBORN

Last Sunday, January 16, Miss Jimmie Lee Sturdivant became the bride of Otis Winborn in a ceremony performed at Lovington, N. M. by the Methodist minister at that place at his home. George Sturdivant, brother of the bride and Miss Dovie Nell Frank accompanied the couple.

The bride wore navy blue with harmonizing accessories.

Mrs. Winborn is the daughter of Mr. and Mrs. S. I. Sturdivant of the Higbotham community near Lamesa. She attended the Lamesa High school graduating with the class of 1933. She has been employed for the past several months with the North Side Beauty shop.

Mr. Winborn has lived in Lamesa 10 years, coming here from Rotan. He is now employed with the Plains Gin.

The couple will make their home in Lamesa at the Johnston rooming house on North Dallas Street.

They have a host of friends in this community who extend to them hearty congratulations and best wishes for a happy married life.

MR. RICHARDSON IS THE SON OF MR. AND MRS. J. W. WHITE WHO LIVE IN THE SHUMAKE COMMUNITY. SHE GRADUATED FROM THE LAMESA HIGH SCHOOL WITH THE CLASS OF '29 AND ATTENDED JOHN TARLTON COLLEGE AT STEPHENSVILLE FOR THREE YEARS AND TAUGHT SCHOOL IN ERATH COUNTY FOR TWO YEARS. SHE IS NOW EMPLOYED ON THE FACULTY OF THE SHUMAKE SCHOOL AND WILL CONTINUE TEACHING.

Mr. Richardson is the son of Mr. and Mrs. H. Richardson who also reside in the Shumake community recently moving there from Tahoka. He graduated from the Tahoka High school with the class of '32. He is now employed with the Texaco Oil Co. in Lamesa, where they will make their home.

Both of these young people are well known in this vicinity and have a host of friends who wish for them a long and happy married life.

MRS. WILLIAM A. WILSON HONORED LAST FRIDAY

Complimenting Mrs. William A. Wilson, who will leave this week to make her home in Olney, Mesdames C. O. Stone, A. C. Woodward and Jess Waller entertained last Friday evening at the Waller home on South 4th Street.

On arriving the guests were ushered into the dining room where Mrs. Jud Watson and Mrs. Henry McQuien presided. A refreshment course consisting of hot tea, tuna sandwiches, cake and salted nuts were served.

The following very interesting program was presented: An original poem written by Mrs. M. C. Lindsey was read and enjoyed. The guests then all wrote wishes to the honoree which were presented to her. Mrs. W. J. Beckham sang two songs, "The End of a Perfect Day," and a song composed especially for the occasion. Mrs. Wilson was presented with many beautiful and useful gifts at the conclusion of the program.

The guest list included Mesdames D. O. Blackmon, Carl Rountree, Will Norris, M. E. McQuien, R. R. Sellers, W. B. Henry, Lee Carroll, W. J. Beckham, C. E. Cameron, W. L. Marr, V. Z. Rogers, Jud Watson, H. McQuien, Miss Alberta McQuien and the hostesses.

Four tables of bridge were in play throughout the evening and at the conclusion of the games Mrs. Rufus Pruitt was awarded high score prize for the ladies and W. E. Cox Jr., received the high score prize for men.

At the refreshment hour a delicious salad course was served with hot tea to Messrs and Mesdames Rufus Pruitt, Johnnie Boyd, W. E. Cox Jr., Rupert Austin, Lester Gregg, Leonard Scott, Davie Jones and the host and hostess.

SUZANNE GOEN CELEBRATES FIFTH BIRTHDAY

Last Monday afternoon, January 20, little Miss Suzanne Goen celebrated her fifth birthday with a party at the home of her parents, Mr. and Mrs. Earl Goen, on North Travis Street.

When the guests had arrived several popular games were played and enjoyed after which they were ushered into the dining room where a beautifully lighted birthday cake centered the table. The cake was cut and served with ice cream to Nancy Hollingsworth, Betty Ann Serface, Nancy Nell Scott, Jean Stanfield, Dick Echols, Nolan Harris Cope and the honoree.

SPECIAL MUSICAL PROGRAM AT C. C. C. STUNT NIGHT

The Lamesa band under the direction of Conway King will have charge of the program next Friday night, January 17, at the C. C. C. camp stunt night. A very good program is expected and all the townspeople are cordially invited to come and enjoy it.

Three of the enrollees of the C. C. C. camp, James W. Cole, Archie Mohler and Arlyn Stevens, have entered the Lamesa High School and will take courses enabling them to graduate with the Senior Class at the end of the term. The Commanding officer, Lt. Cain and Educational Advisor, John I. Dean, arranged it so that they may carry on their work at the camp and attend school also.

The fifty boys transferred a short time ago from the local C. C. C. camp to the spur camp at Big Spring are being returned next Saturday to the Lamesa camp.

RE-ELECTED DIRECTORS IN PRODUCTION ASSOCIATION

Roscoe Holton of Lamesa and G. S. Barnes of Sylvestor were re-elected to the Board of Directors of the Sweetwater Production Credit Association at the annual meeting of the Association held in Sweetwater January 22. These directors, together with the rest of the Board and the Secretary-Treasurer will serve the borrower members of the association in the conduct of the PCA business in 1936.

A record breaking attendance at the meeting, which was the second annual meeting since the organization of the association, reflects the interest the farmers and stockmen of Texas are

taking in this new cooperative credit system, according to O. H. Berry, Secretary-Treasurer of the Association.

Mr. Berry reports that the Sweetwater Association made loans to the amount of \$473,357 to the farmers and stockmen of Nolan, Fisher, Mitchell, Scurry, Borden and Dawson counties. The volume of loans made by all the production credit associations in Texas in 1935 amounted to more than 12 million dollars.

PERSONALS

In addition to reports of the manager and directors of the association, Virgil P. Lee, vice president of the Production Credit Corporation of Houston spoke at the meeting. Mr. Lee invited the non-members to investigate the many advantages of production credit and urged the members to take an active interest in the affairs of their association.

MISS MATTIE RUTH HARRELL IS LEAVING THE LAMESA HIGH SCHOOL SENIOR CLASS THIS WEEK TO MOVE WITH HER FAMILY TO ALBUQUERQUE, NEW MEXICO, WHERE THEY WILL MAKE THEIR HOME.

Mr. and Mrs. L. P. Houston announce the arrival of a baby girl born Friday morning. The young lady weighed 7½ pounds and has been named Jane.

Mrs. Annabeth Trammell Skipworth of Santa Fe, N. M. visited friends and relatives in Lamesa several days last week.

Mrs. J. L. Coffee returned home Saturday from El Paso where she spent several weeks visiting in the home of her daughter, Mrs. Frank Lowe and family.

Mr. and Mrs. Clyde Backenstoss, Mrs. J. A. Wheeler and Miss Lucile Wheeler made a business trip to Lubbock last Sunday. Mr. and Mrs. Backenstoss purchased a new Oldsmobile sedan and drove it home.

King Cotton's Price Depends on Supply and Amount Used

COTTON consumption and industrial production move together. The rate of cotton consumption in this country is influenced more by the general business situation than by cotton prices. Cotton consumption in the United States was the highest for this November than for any November since 1932. This increase in consumption reflects an increasing industrial and retail demand, Government purchases, and the existence of a large volume of reserve orders.

The chart in the lower right corner shows that excessive world supplies of American cotton depress prices and that prices recover with reduced supplies. The supply in 1932-33 was 25,961,000. With that large supply on the market, cotton prices could not recover. As contrasted with such excessive supplies, the World supply of American cotton in 1934-35 was 20,270,000 bales, and prices improved.

"POWER ON PARADE"

The Wonder Talking Picture of the Farm Industry.

Charley and Dan, leading characters "POWER ON PARADE," the new M-M Farm Picture.

This Frankenstein handles an electric torch in one of the dramatic factory scenes.

"Power on Parade" is a good lesson in Modern Power farming and shows farm operations in every section of the country.

"POWER ON PARADE" MODERN FARM PICTURE TO SHOW HERE

Nuts, bolts, screws, gears, and some of the world's largest and most modern factory machinery... together with one of the largest symphony orchestras ever assembled for this purpose... play the leading parts in the new dramatic farm picture, "Power on Parade", showing here Friday, January 24, at 2:30 P. M. at the Hart and Cox building on North First Street next door to the Courier office. Free to all farmers and families.

Crude Ore to Finished Tractors

"Power on Parade" gives you an entirely new idea on how interesting and dramatic a modern factory can be, according to Hart and Cox, our local Minneapolis-Moline dealers.

Power Theme Used Throughout

Power is the idea of the picture, and it starts right in with gigantic shovels digging crude ore out of the world's largest open pit mines in northern Minnesota less than 200 miles from the Minneapolis-Moline Tractor factories.

Then you see the same crude ore go through roaring furnaces, and through a skillful process of manipulation by men and almost human machinery at modern plant, where Twin City Tractors are manufactured.

Praised by Movie Critics

To give you something entirely different and entertaining in a factory and farm picture, an entirely new motion picture technique was used in producing this story of modern farming. In the dramatic factory scenes giant cranes, molten metal, roaring blast furnaces, and interesting modern machinery do the acting. This is accompanied by dramatic music, especially

written for the picture "Power on Parade". The fast moving factory scenes, set to modern music has won the praise of critics and expert movie men wherever it is shown.

Portrays Modern Farming

The power idea is carried right on to the modern farm in "Power On Parade", showing the latest ideas on power farming. This is something every farmer should see because it is not only instructive but shows farming and power operations in other parts of the country. You see most of the "Parade" of new, modern M-M machinery in action.

Modern Farming Via Airplane

No, we don't use airplanes for farming now, but in "Power on Parade" we travel from one part of the country to another by airplane to see farming in your own as well as other sections. The newest Lockheed "Electra" air liner is used, the same as you see on the big passenger lines.

Harvester Film Also in Show

Another big feature is added in "The Harvester" a talking film showing the world's most modern combine in action. This picture had wide acclaim last year wherever farmers saw it. "The Harvester" shows you practically every method used in cutting and threshing from the old hand methods up to the modern "Harvester", the newest and most popular combine development on the market today. This is both interesting and instructive and every grain farmer should see it.

Every Farmer Invited

Every farmer is cordially invited to attend, free of charge. The show is sponsored by The Minneapolis-Moline Power Implement Company and

Lets Talk about Clothes

TEXAS STATE COLLEGE FOR WOMEN (CIA)

Denton, January 20.—How many women give no thought and very little attention to the appearance of their eyes? So many have remarked, "Eyes are just eyes, and there's nothing you can do to improve them" that the minds of people, and the idea of using eye makeup seems frivolous.

Of course we wouldn't want all women in the world to wait around with beaded lashes and slathers of vivid shadow, but a bit of discreet eye make-up does more for the average face than any beauty aid save perhaps lipstick. "Paleness" about the eyes, by which we mean the effect when eyes are not striking is a beauty ill of which you're apt to be unconscious.

Use mascara by all means if the lashes are colorless, and don't be completely wary of shadows. A tiny bit, deftly blended in the right shade, is in perfect taste and plenty attrac-

tive. Your mascara can be brown or black if you're conservative; after the start you can work in more exciting blends for evening.

Girls at Texas State College for Women (CIA) maintain that eyebrow grooming does wonders. Not plucking to a thin, harassed line, but simply making the most of the natural line. Messy brows make a face look grimy in some mysterious fashion; shaping and clearing the space just above the nose spruces up the entire facial effect.

Much has been said relative to eye make up, but the care of the eyes is also extremely important. When they are tired washes will give soothing effects and help to bring back the sparkle. At night apply oily creams to stimulate growth and make the lashes soft.

HIGH SCHOOL NOTES

Mr. Charles Hatchett, a graduate of Texas Technological College in Electrical Engineering, has been elected to succeed Mr. A. G. Bearden as teacher of sciences in the local high school. Mr. Hatchett has been teaching for three years, has a permanent high school teachers certificate and was for several seasons laboratory assistant in the science department at college. He began his new work last Monday morning.

Mrs. Mildred B. Wood has succeeded Miss Evelyn Creath, resigned, in the primary grades of the Lamesa Public schools. Miss Creath has gone to her home in Big Spring. Mrs. Wood began her work on Monday.

Approximately fifty pupils entered the local schools at the beginning of the second semester, thirty of them in the elementary grades and the remainder in the high school grades. The total enrollment is increased by this number but the net or actual attendance has not been increased quite so much because of some moving away of pupils. The office staff has not yet had time to make a detailed count of the number attending. It is reported that several classes and grades show an increase.

The basketball calendar for next week calls for games with Tuscola, Taylor County Champions for Friday night; Sweetwater High on Saturday night; Forsan, Howard county champs on next Tuesday night and Simmons University freshmen on Friday and Saturday nights of next week. All games of this list are in Lamesa.

Travis Kidd, a high school senior and member of the Tornado basketball squad underwent an operation for appendicitis last week. He is reported as doing well and expects to return to classes in the near future.

The Golden Tornadoes played the Forsan High School team at Forsan Tuesday night and had to extend themselves to win by a score of 27-26. Forsan had the game 24 all at the end of the third period, obtained a lead of one point just before the games end. Bristow sank a shot from the floor to place the Lamesa representatives in the lead for the final play of the game. Forsan will play on the Lamesa court on next Tuesday night.

Considerable interest is being shown in the liquid air demonstration to be given in the high school auditorium Friday afternoon by Mr. Elliot James. Local teachers, Messrs. Stark and Huddleston, report having seen these demonstrations at the Chicago Exposition and that they attracted large crowds four times daily. Rural school pupils and their teachers have requested to send in their spare requirements so that room may be provided for all.

The Dawson county teachers will meet in an informal program on Friday night. The meeting has been announced at the American Legion Hall.

Next Sunday is regular preaching day. Everyone is invited to be there.
Pinkie Tyler is here visiting home folks from Fort Bliss, where he has been in the Army for the past three years.

Mr. and Mrs. Duke spent Sunday evening with Mr. and Mrs. John Pruitt. Dr. W. D. Shoultz and wife visited Sam Leamon and family a while Friday evening.

The Five Mile basketball boys played ball at Klondike Wednesday night and won.
Mr. Shaffner and family spent this week in Brownwood.

The girls played basketball at Klondike Thursday night. The seniors played Patricia and won. The Juniors played Klondike and lost.

Wilson Scott and Bart Leamon of the Lamesa C. C. C. camp spent the week end at home.

AUTO DRIVERS WILL NEED LICENSE APRIL 1

No Charge for Non-Profit Vehicles, but Must Have Card

Motorists soon will be stepping forward to apply for the drivers' licenses each person must hold after April 1, before he can drive an automobile on the streets or highways of the state.

Application forms to be filed by license seekers are expected to be received this month by the county tax assessor-collector, who will act as agent for the State Department of Public Safety. Issuance of the license is expected to begin about February 15.

The new law, designed as a traffic safety measure, prohibits any person from driving a motor vehicle on the highways of the State after April 1 without either an operator's or a chauffeur's license. Operators are defined as ordinary automobile drivers, chauffeurs as those whose principal employment is driving an automobile or who drive motor vehicles for hire.

No license will be issued to persons under 14 years old without authorization of the county judge, and minors under 18 must have the consent of parent or guardian before license will be issued to them.

Licenses will not be issued to habitual drunkards, drug addicts, feeble minded or insane persons, those physically or mentally unable to exercise reasonable control of a motor vehicle, or anyone unable to understand highway warnings and direction signs in the English language. Persons denied a license may appeal to the county court.

Eligible persons who make application will be issued an operator's license without charge. Chauffeurs will receive both an operator's and a chauffeur's license and a badge he is operating a motor vehicle for hire. The annual fee for a chauffeur's license is \$3.

To be valid, the license certificate must bear the signature of the recipient. An operator's license will be valid for three years, a chauffeur's for one year. Operators must be ready to display their license at the request of any peace officer. But the law provides production of a valid license in court will be a defense against a charge of driving without one.

The penalty for driving without a license is a fine of not more than \$200 for each separate offense. For driving while the license is suspended, a person is liable to imprisonment in the county jail for two days to six months and a fine of not more than \$500.

Licenses automatically will be suspended when a driver is convicted of negligent homicide resulting from an automobile accident, driving while intoxicated, hit-and-run driving, two separate convictions of aggravated assault by means of an automobile, any felony in connection with the motor vehicle laws of the State, or three convictions within one year's time of violating the laws of the road. The suspension for the first offense is six months. For the second and succeeding offenses the suspension is one year.

It will be a misdemeanor, punishable by a maximum fine of \$200, for a person to possess or display a fictitious or cancelled license, to use a false name in applying for a license, or to permit the use of his license by someone else. Duplicates for lost or destroyed licenses will be issued upon payment of a fee of 25 cents.

Exempted from obtaining licenses are operators of road or farm machinery, non resident drivers who hold valid licenses issued by other States, or drivers who hold licenses from the Texas Railroad Commission. The law requires police and other law enforcement officers, hospital superintendents and ambulance operators to report automobile accidents and in-

juries to the Department of Public Safety. On the basis of those reports, the department every two years will submit recommendations to the Legislature for decreasing highway accidents.

"HERE'S TRUE ECONOMY"

Says the Golden Traffic Cop

Whether you believe it or not, a high anti-knock gasoline is the MOST ECONOMICAL fuel you can use in your car or truck.

True, the first cost may be a few cents more... BUT... when you consider the wear and tear on your cylinders... slow pick-up... carbonized spark-plugs... loss of power and miles per gallon... an anti-knock gas will really SAVE YOU MONEY.

And the PEER of anti-knock gasolines... the gasoline that is refined to 70 OCTANE rating without the use of any adulterants or artificial stimulents is

COSDEN HIGHER OCTANE GASOLINE

Watch for the Cosden Traffic Cop and the COSDEN HIGHER OCTANE sign... drive in and fill up the tank today and you'll really experience "true economy" in motor fuel.

The Cosden Traffic Cop sez:

Watch railroad crossings carefully—remember, any time may be train time and the right-of-way belongs to the train—DON'T TRY TO BEAT THE TRAIN TO THE CROSSING—you can lose this sort of a race only once.
