Citywide Thanksgiving Service Set for Nov. 25

The annual union Thanksgiving service will be held at 7:30 p.m. at the Church of the Nazarene, 10th and Amarillo Streets, on the night of Nov. 25.

This service is sponsored each year by the Wellington-Collingsworth County Ministerial Alliance.

"A two-fold purpose is filled by this service: We wish to commemorate the Thanksgiving season by all churches of the area worshipping together. Also we always take up an offering for benevolence which is used to help transient people. It is hoped that we can have a capacity crowd," said the Rev. Jack Durham, president of the Ministerial Alliance.

Preaching the Thanksgiving sermon will be the Rev. Ellis Todd, pastor of First Methodist Church.

Min. Hiram Cassel of First Christian Church will lead the responsive reading and the Rev. R. H. Knight of Trinity Methodist Church will read the Scripture. There will be prayers by the Rev. A. B. Earnest of First Baptist Church and the Rev. Howard Cooper of Faith Baptist Church.

Special music will be presented by First Baptist Church and Mrs. Mack Bush will be the organist.

Clyde Emmert will give the benediction.

Funeral for Mrs. J. W. Adcock to Be at Quail

Mrs. J. W. Adcock, a resident of the county 50 years, died in St. Joseph's Hospital Tuesday, Nov. 17 at 5:20 p.m. She lived for many years in the Quail community. Mrs. Adcock was 91.

Funeral services will be conducted at 2 p.m. Friday, in the Church of Christ at Quail with Minister Grandol Forehand of Wellington officiating.

Burial will be in the Quail Cemetery under the direction of Kelso Funeral Home.

Mrs. Adcock was born Dec. 18, 1872 in Alabama. She was a long-time member of the Church of Christ.

Survivors are a brother, John Dollar of Quail; a sister, Mrs. R. F. Crumley of Paris; three step-sons and a step-daughter: Alpha Adcock and Mrs. Bessie Vernon of Wellington, Milus Adcock and Clarence Adcock of Riverside, Calif. There are nine step-grandchildren.

Nationwide Contest

Beck Wins "Play of Year "Award

Wellington's head coach, Don Beck, was winner for the Southwest district in Du Pont's second annual Play of the Year contest.

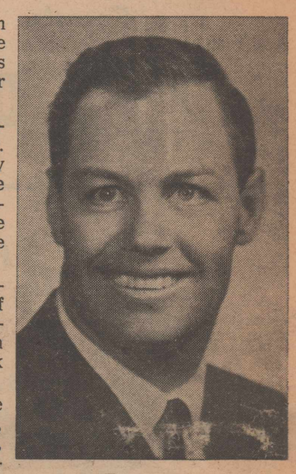

He was honored at the Rocket-Clarendon game Friday, Nov. 13, and presented a two-way walkie-talkie and a certificate by Donald G. Sands of Lubbock, technical representative for Du Pont motion picture films.

This was a nationwide contest, with Charles Halstead of Oakland, Ore., the national award winner. There were seven district winners, of whom Beck was one.

Other district winners were Donald Campbell, Stevens High, Claremont, N.H.; Al Verdel, Bordentown, N.J., Military Institute; Hank Norton, Ferrum, Va., Junior College; Nick Hatzie, Admiral Farragut High, St. Petersburg, Fla.; Anthony Federico, Willoughby, Ohio, South High; Win Brockmeyer, Wausau, Wis., Senior High.

Judges included Dave Nelson of the University of Delaware, Darrell Royal, the University of Texas, Ara Parseghian of Notre Dame, Frank Howard of Clemson, and Jack Curtice of the University of California at Santa Barbara.

Honorable mention winners in the Southwestern district were Donald Mattivi of Gilpin County High School, Central City, Colo.; Ken Bramlett of Prentiss High School, Prentiss, Miss.; Ken Stephens, North Little Rock High School, North Little Rock, Ark.; Darrell Tully, Spring Branch High School, Houston; and Charles Wilson, Wolfe City High School, Wolfe City, Texas.

Banquet to Honor WHS Band Dec. 12

A banquet will be held Dec. 12 at 7:00 p. m. in the Community building honoring the Skyrocket Band members according to C. T. Hubbard, president of Band Parents Club.

Mr. Hubbard stressed the point that this is not a fund raising drive. "We are going to honor these fine young people for their many accomplishments since the beginning of the school year," Hubbard said. The tickets will sell for $2.50 and all band parents will be contacted and given an opportunity to buy their tickets.

Band Sells Fruit Cakes

The Wellington high school band has begun its annual fruit cake sale, James Larson, director, announced this week.

The cakes will be delivered immediately, or for Thanksgiving or Christmas, he said.

Proceeds from the sale will go for band trips, entry fees, and other expenses.

Rockettes to Scrimmage Mangum

The Rockettes, Wellington high school girls basketball team will scrimmage the Mangum, Okla., girls' team here Wednesday, Nov. 18, Coach James Stavenhagen announced.

Play will be from 5 to 6:30 p.m. and Rockette fans are invited to come to the gymnasium to watch.

Defending Champions Begin Work

Rockets, Rockettes Open Play Saturday Night Against Paducah

Wellington Skyrockets and Rockettes, both district 2-A defending champions, began practice Monday, Nov. 16, and their first games, a double header with Paducah, will be played this week end.

The Wellington - Paducah games have been rescheduled for Saturday night, Nov. 21, at Paducah, Coach James Stavenhagen announced. It was originally set for Friday night, but a change was asked for after the Paducah Dragons football team went into bi-district play. The game will start at 7 p.m.

Both the Rockets and Rockettes will be strong ball clubs this year, but they'll have to be, for their competition is stronger, too.

"We will have the best depth on the girls team of any year I have coached them, and this should be the strongest team," Coach Stavenhagen declared.

Leading the nine seniors is willowy 5 foot 10 inch blond Betty Courtney, who averaged about 24 points per game for a total of 691 last year. Joyce Holton, a starter during the latter part of the season, had an average of more than 10.

The other starters are Jan Glenn, who was moved to guard this year, Karen Childress, Beverly Singley, and Susan Sullivan, all starters; Joan James, Glenna Taylor, who lettered last year, and Diane Brownlow.

Betty and Jan are co-captains.

Completing the team are two juniors, Nancy Sanford and Leslie Covey, and four sophomores, Nancy Holton, Becky Brewer, Regina Ferguson and Linda Moore.

Skyrockets

Seven lettermen return to the Skyrockets team, four of them starters last year. However, 1963 star Roger Weems, who has a shoulder injury from football, will not play for at least a month, Coach Stavenhagen said. He averaged around 15 points per game last year.

Also out for the present is Phillip Hughey, another football casualty.

"This will hurt the offense during the early part of the season, but we are depending on such boys at Gary White, Freddy Peters, Ronny Hurst, Wayne Barton and Bill Spillman. All of these should be improved over last year for they've grown a little," the coach said.

The remainder of the squad will be made up of juniors: Freddy Bobo, Johnny Maxwell, Larry Henard, Don Sweat, Jackie Needham, George Leathers, and Danny White.

There are no sophomores on

Hiram Cassel Leaves Ministry of Church Here

Min. Hiram Cassel has resigned as minister of the First Christian Church, and next semester he will enroll in Hayes State College, Fort Hays, Kan., to work toward his master of science degree.

His resignation here is effective Dec. 8.

While attending school, Min. Cassel also will serve as pastor of the Christian Church at Driftwood, Okla. His family will live at Driftwood, and he will divide each week between that town and Fort Hays.

Min. Cassel's master's degree will be in the field of counseling and he has told his congregation that after receiving it, he plans to enter mission work overseas.

He received the bachelor of theology degree from Midwestern Christian College in Oklahoma City.

Builders Club Meets Thursday

The Builders Club will meet Thursday, Nov. 19 in the community building, N. M. Higdon, chamber of commerce manager, has said.

This will be a dinner meeting and will begin at 7:15 p.m.

Guard Unit Inspection Set for Nov. 18

The National Guard unit in Wellington will have its annual general inspection Wednesday evening, Nov. 18 at 7:30 p.m., Sgt. Jack Frost announced this week.

The inspection will be conducted by an Army officer of high rank who is a member of the adjutant general's department at Fort Sam Houston, and he will be accompanied by other officers.

Col. Stockton of Wichita Falls, battalion commander, will be here also. Capt. Harry R. Cox of Childress is company commander.

This annual inspection covers administration, supplies, personnel, general appearance of the men and how well they know their jobs, and the overall appearance of the unit.

The Wellington unit is Battery A, second battalion, 131st artillery, 49th division.

Harvest at Standstill

Rainfall Totals Up to Three and Half Inches

Cotton harvesting remained at a standstill in Collingsworth and throughout the Eastern Panhandle at mid-week as fall rains had soaked the county with up to three and a half inches of moisture. This came during a 5-day period, and drizzle was falling again Wednesday morning, Nov. 18.

The official measurement of the Weather Bureau station in Wellington was 1.9 inches to 8 a.m. Wednesday.

The Quail area reported a little more than two inches during the period.

At Dodson 2.2 inches was reported until Tuesday evening, and during the night an estimated three-fourths inch additional was received.

It is believed in this area there will not be a great deal of damage to cotton. Little if any has been knocked out of the boll, and cotton yet to open will lighten the grade.

Around three inches was reported through the Dozier section, and three and a half inches east of Lutie.

Cotton growers in this area have a wait-and-see attitude as to any damage that may result to the already-late crop.

For the most part, county growers are no longer checking their rain gauges, but instead are looking for a break in the clouds.

Campfire Candy Sale Begins

The annual Camp Fire girls candy sale will begin Saturday, Nov. 21 and continue until Dec. 1, Mrs. J. B. King announced this week.

All Blue Birds and Camp Fire Girls will participate.

This is the only public money-raising project conducted by the girls during the year and a percentage of the money remains in the local council to help with expenses.

Speech Students Perform

Wizardry from the Land of Oz Enlivens WHS Stage Nov. 23

"The Wizard of Oz," a fairy tale beloved by children and adults alike, will come to life on the Wellington high school stage Monday evening, Nov. 23 in a presentation by Mrs. Bob McAlister's second year speech class.

Curtain time is 7:30 p.m.

The speech students each winter present a play especially for children, but this is the first time it has been a night performance.

"The Wizard of Oz" requires lighting and special effects that are much more effective at night, Mrs. McAlister explained.

"While we especially want all the children to see this, this fairy tale is so well loved that we invite adults, too," she continued.

This is an all-dramatic presentation, not the familiar musical, it was pointed out.

Adam Garcia, talented artist as well as a speech student, designed and built the sets.

All the familiar characters are present—the lively Dorothy who visits Oz, is ably played by Aleta Owens, and at the end of her quest, she finds the Wizard, Skippy Duncan.

Along the way cavort the fairy-tale characters — the scarecrow, played by Danny White, the tin Woodman, who is Phillip Hughey; and the Cowardly Lion, interpreted by Ray Floyd.

Malinda, the Good Witch of the North, is Karen Childress; and the Munchkin people are Jackie Duncan and Joan James.

Then there are the Poppies, deadly flowers along the way, played by Joyce Holton and Beverly Singley. Verdo, who guards the Wizard, is Raymond Horton, and Jan Glenn, last week's contestant for Miss Teen Age America next week becomes the Wizard's maid.

Belinda, the Wicked Witch of the West, is Anna Kay Kelso, and her cats, Inky, Blinky and Slinky are Susan Sullivan, Glenna Taylor and Connie Null.

Several cast members appear in dual roles. Amber and Topaz, the Winke girls, are Joyce Holton and Becky Davis. And then there are Winkle and Wonkle, who are Dwayne Poteet and Gary White.

Beverly Singley reappears, this time as Glinka, the Good Witch of the South, and her soldiers are Janyth Estes and Freddy Peters.

Max Phipps has done the sound effects for the production and Bill Spillman and Peters were responsible for the lighting. Norman Ray and Kenneth McClendon are in charge of the posters and props.

Quail-Wellington FFA Chapters Win Contests

Two Collingsworth FFA chapters won honors in the Greenbelt District Leadership contest held in Childress Saturday, Nov. 14.

Competition was conducted in four categories which included chapter conducting, radio broadcasting, farm skills and the FFA quiz.

In junior farm skills, Wellington was first and team members were Glen Gilmore, Alfred Allred, Tim White and Andy Henard.

Quail team placed second and members were Cary Don Neeley, Darrell Colson and Jarrell Fielding.

Wellington was also first in the FFA quiz, and on the team were Allred, Gilmore, Donald Wolf and Billy Neeley.

Senior farm skills saw Wellington win third. On the team were Tommy Lindley, Rodney Kane and James Fulcher.

The radio broadcasting team also came in third, and its members were Ray Floyd, Jackie Duncan and Lynn Wolf.

The Wellington senior chapter conducting team was fourth out of a field of nine and the junior chapter conducting team fifth out of seven.

Members of the first place winning junior farm skills and quiz contests will participate in the area contests at Plainview Dec. 5.

Rotary and FFA Begins Christmas Toy Repairs

Wellington Future Farmers and the Rotary Club will sponsor Christmas toy repairs again this year, and the collection of toys is already under way.

Danny Garcia, vocational ag instructor, is in charge and the repair work will be done by boys of the chapter.

Even those toys which have been broken are acceptable, since they may be repaired or used in repairing other toys, Garcia said.

"We would like to have the toys in early so the work can be completed by the time school is dismissed for the holidays," the ag teacher said.

Anyone with toys to give may leave them at the vocational ag building or call Garcia or any member of the Rotary Club and they will be picked up.

Plan Norwood Tourney Sat.

Plans for the Samnorwood invitational basketball tournament will be made and the brackets drawn up at a breakfast Saturday, Nov. 21, Coach Loyd Stephens announced.

The meeting will be at the school cafeteria and will start at 8 a.m. Coaches and administrators of the participating schools will attend.

Eight boys teams and seven girls teams are expected, Stephens said. These will come from Shamrock, McLean, Wellington, Memphis, Clarendon, Canadian, Quail and Samnorwood.

Shamrock Next

Norwood Teams Go on the Road for a Week

The Samnorwood Eagles and Eaglettes will play three games away from home during the coming week, Coach Loyd Stephens announced.

All of these will be double headers.

Friday night, Norwood will travel to Shamrock to meet the Class AA Irish and Lassies, and while this will be one of the better games of non-district play, the Eagles and Eaglettes are expected to hold their own on the court.

Monday night, Nov. 23, the teams go to Briscoe to make up a game postponed because of a death in the Briscoe community.

The Eagles and Eaglettes will meet the Class A Clarendon Bronchos, boys and girls, at Clarendon.

The Clarendon girls are considered one of the strongest teams in this area, and the Bronchos have gained considerable strength with the addition of two experienced colored boys.

Hospital Auxiliary Plans Work for Year, Hears Guest Speaker

Sister Rita Rose, director of St. Dominic's Hospital in Jackson, Miss., was guest speaker at the meeting of St. Joseph's Hospital Auxiliary on Friday morning, Nov. 13.

She spoke of the unusual and close association the local auxiliary and the hospital staff have had, the opportunities both groups have made possible for the growth of this personal relationship.

Mrs. John Sherman, president, directed the business meeting and members voted to continue meeting once each month, but these will be morning rather than afternoon sessions. The new time is 9:30 a.m., the second Friday of each month.

Committees appointed by Mrs. Sherman included:

Auxiliary: Mrs. B. M. Sims, Mrs. Lyndon Crelia and Mrs. Carter Holcomb.

Telephone: Mrs. Quinton Brewer, Mrs. Joe Thompson and Miss Bonnie Willis.

Christmas basket: Mrs. A. L. Elliott, and Mrs. Emory Hunter.

Project committee: Mrs. J. W. Wells, Mrs. Ernest Harwell, Mrs. Ed Henard and Mrs. James Stavenhagen.

Plans and projects for the year were discussed. Mrs. Sherman announced that the purchase of high-lo hospital beds will be the next Auxiliary project. These beds of adjustable height are being installed in the more modern hospitals throughout the country. A few rooms at St. Joseph's are now furnished with them.

DKG Committees Attend Workshop

A committee workshop for Gamma Kappa Chapter of Delta Kappa Gamma was held on Saturday, Nov. 14 in Clarendon.

Committee members were given information on their duties and plans were formulated for committee activities at the chapter level. These were then presented to the chapter in reports.

Reporting were Mrs. Barney Walker of Samnorwood, on achievement awards; Miss Esta Elrath of Memphis, ceremonials; Miss Irene Kirby of Childress, constitution; Mrs. Charley Hill, Wellington, membership; Mrs. Rufus Sweat of Wellington, personal growth and services; Mrs. Brunetta Morris of Memphis, professional affairs; Miss Zady Belle Walker of Memphis, publicity; Mrs. Marjorie Bain of Turkey, research; Mrs. Velma Weaver of Clarendon, scholarship; and Mrs. Lucile Naylor, Clarendon, scrapbook.

Miss Inez Blankenship of Clarendon, president, conducted the business session.

Mrs. Audrey Tribble of Memphis, first vice president and program chairman, introduced the program, "Our Guiding Lights," in which the recently elected international officers were presented. Participating were Mrs. Jack Lowry, Miss Maudie Coffee, Mrs. Walker, and Mrs. Hill of Wellington; Mrs. Tribble, Miss Margaret McElreath of Memphis and Mrs. Weaver.

A luncheon followed the program.

Attending from Collingsworth county were Mrs. Hill, Mrs. Lowry, Mrs. Sweat, Mrs. Walker and Miss Coffee.

Mrs. Duffy in Honor Society

Mrs. Loyal Duffy, the former Betty Durfey, daughter of Mr. and Mrs. Merritt Durfey, was recently installed as a member of Gamma Delta Kappa, honor society for girls with a B average or better.

Mrs. Duffy and her husband are seniors in Southwestern State College at Weatherford, Okla., and will receive their degrees in the spring.

Mrs. Duffy is majoring in elementary education with a minor in art. Duffy is a social studies major, minoring in industrial arts.

Camp Fire Girls

The Knoc-a-wana Camp Fire group met Tuesday, Nov. 10 in the Camp Fire Hall.

During the business meeting Darlene Houser was elected president for the next two months; Doris Tingle vice president; Marcia King secretary-treasurer; and Paula Kiker reporter.

Karen Maxwell served refreshments to 12 members and the leaders, Mrs. J. B. King and Mrs. Leroy Hoffarth.

The Fourth Grade Camp Fire group met Friday, Nov. 13 in the home of one of the leaders, Mrs. Carl Shumate. Mrs. Marshall Peters is the other leader.

A short business meeting was held. Officers elected at this time were Connie Bearden, president; Janet Kay Word, vice president; and Landi White, secretary.

The group voted to have a suggestion box, which will be constructed by Debbie Smith and Kathy Bartlett. Each meeting the box will be opened and a suggestion for the group's activities will be drawn out by Katie Sullivan and Debbie Nall.

Earlier in the year the girls started making individual quilts in which they will include one square made in honor of the 1924 Study Club, the group's sponsor.

Gwen Hedger served refreshments to Debbie Smith, Mitzi Pendleton, Debbie Nall, Janice McGill, Connie Bearden, Judy Peters, Nancy Shumate, Kathy Bartlett, Lillie Rogers, Landi White, Patty Manley, Janet Kay Word, Mrs. Peters and Mrs. Shumate.

Mother Reared Here

Susan Allred Sings In Young Americans

Miss Susan Allred, 17, of Covina, Calif., has been selected as a member of The Young Americans, an organization of young singers selected through audition from recommended students. In selecting 18 girls and 18 boys more than 3000 applicants ere auditioned. They represent over seventy high schools and colleges in the Los Angeles area. The members are chosen for their combined vocal, instrumental and dancing abilities, as well as for personality, scholarship and character.

The Young Americans' foremost goal is to tour foreign countries as youthful ambassadors of good will. By the medium of music, the young people plan to show the cultural heritage of America to other nations.

Miss Allred, who is a senior at Northview high school in Covina, will appear on the Andy Williams television show on Dec. 21. She is the daughter of Mr. and Mrs. J. M. Allred. Mrs. Allred is the former Willie Clyde O'Briant, who grew up at Wellington.

NEWS OF MEN IN SERVICE

ABILENE.— Airman Second Class Jimmie L. Simpson, son of Mr. and Mrs. Byron H. Simpson of Mobeetie has been selected Outstanding Airman of the Month in his Strategic Air Command (SAC) squadron at Dyess AFB.

Airman Simpson, an aircraft structural repairman, was chosen for the honor in recognition of his exemplary conduct and duty performance. He is assigned to the 516th Field Maintenance Squadron, which supports the SAC mission of keeping the nation's intercontinental missiles and jet bombers on constant alert.

The airman, a graduate of Mobeetie high school, entered the Air Force in August 1962.

His wife, Nancy, is the daughter of E. A. Turnbow of Shamrock.

USS PROCYON.—Parker E. Turner, chief machinist's mate, USN, son of Mr. and Mrs. C. W. Turner of Wellington is serving aboard the refrigerated stores ship USS Procyon operating out of San Francisco.

Procyon has the mission of providing food and fresh vegetables to units of the fleet enabling them to stay at sea for longer periods of time, independent of permanent land bases.

Corpus Christi First in Planning

Corpus Christi became the first metropolitan area in the nation to complete a comprehensive transportation plan in compliance with the Federal Aid Highway Act of 1962.

Study was conducted by the Texas Highway Department in cooperation with the City of Corpus Christi, Nueces county, and the Bureau of Public Roads. It pinpoints present and foreseeable traffic problems in the area and provides a basis for development of highway routes, city streets and county roads serving the Gulf coast city over the next 20 years. Nineteen similar plans are due to be developed in 22 Texas urban areas over 50,000 population this year.

Bookkeeping, Tax and Accounting Service

I have opened a complete bookkeeping, tax and accounting office to serve the business men and farmers of the Wellington Area.

I have had 5 years experience as partner in a business of this type on the South Plains and I am well acquainted with the needs of an agricultural town in this field. Each account will receive my undivided attention and the benefit of my experience.

This is also my invitation to visit my office and learn the many ways I can serve you.

Everybody benefits

when Rural Electrics help power the war on poverty

The self-respect of a community must be measured by the dignity of its poorest family.

That's why America's consumer-owned rural electric systems, as responsible enterprises in the nation's rural communities, are taking a leading role in the war on poverty.

More than half of the people below the poverty line live in rural America, although it has fewer than one-third of the nation's total population.

The twenty million men and women who make up America's rural electrics know from experience what cooperative enterprise, working with government, can do to develop area resources and raise living standards. With the help of Rural Electrification Administration loans, rural electrics have brought vital electric power to the countryside at rates everyone can afford. They have worked to make the best use of local resources and open up new areas of economic and social opportunity.

Today the same local leadership which electrified rural America is helping to create new opportunity in many of our country's most depressed areas. New industry furnishes jobs to local people and income to local communities. With these resources, the people of rural America are developing the institutions and building the facilities they need for a better life.

In this way experienced community leaders from the rural electrics are serving in the war on poverty . . . and everybody benefits.

SKYROCKET CONVERSION

Skyrocket Olan Moore, No. 45, went through the left end of the line for the two-point conversion after the Rocket's second touchdown. Just a little too late on the tackle is the Clarendon Broncho tailback, John Grady.

Coaches Happy With B Team Season Record

"We're real pleased with this year's Skyrocket B team; they have a real desire to win," Coach James Stavenhagen summed up the ingredients that have gone into the achievements of this year's squad.

The B team has won eight games, lost one and tied one this year, and it is third consecutive year they have had a good season.

In 1962, their record was 8 won, 0 lost, 1 tied; the 1963 record was 6 won, 1 lost, 3 tied.

Six of this year's games were won when the Rockets came from behind in the last three or four minutes of the game, Coach Stavenhagen said.

"We felt when they started the season that if we won three games we would do a good job, but they just didn't want to get beat," he declared.

Elbert Moved to Lovington

West Texas Receives Deserved Attention as a Tourist Area

The Panhandle, long seen in an unfavorable light by tourists, is receiving some of the recognition it deserves.

Travel writers representing 30 publications in the United States, western Europe and Japan, recently saw this area as part of the tour sponsored by Texas Tourist Development Agency. Their stops were in Amarillo, Canyon and at Palo Duro Park.

From this visit will result tens of thousands of dollars worth of favorable national publicity, for Texas is being billed as an "undiscovered" vacationland.

The Panhandle and West Texas is important to the overall tourist industry of the state because it is so different from Texas' other attractions. Much Texas history and geology is to be found in West Texas.

Pointed out to the travel writers were Amarillo as a trade center; Palo Duro Canyon; Boys Ranch at Old Tascosa, a ghost town put to modern use; and the Alibates Flint Quarries on the Canadian River, a proposed national monument.

True, none of these is in the immediate vicinity of Wellington, and we will not benefit directly from them, but anything that brings tourists to the Panhandle area will benefit us indirectly.

We, who know so well this part of the southwest, forget that people from other sections and other nations find it a strange and fascinating land.

CROSSROADS REPORT

Dear Editor:

I see where the Republicans are busy accusing each other of throwing the game, and figuring on how to dig up a winner for 1968.

The New York Yankees faced this same problem when the Cardinals whipped them in the World Series, but they didn't waste any time crying. They just up and hired the Cards' manager.

Of course, it might take some very spirited persuasion to get LBJ away from the Democrats, but the Republicans could afford to pass him up if they could get Lady Bird.

The papers say the people over in England also voted for bigger government handouts, free doctoring and the like, and are already getting same.

They also got the bill: 42¢ a gallon gasoline taxes, higher income and other taxes, and promises that next spring the price will go up some more.

Too bad for the British that their officials haven't got in the modern mainstream yet, where you just witch up a tax cut when government funds are prodigaled out, and plaster another generation with debt.

The living computers that we keep at the tax trough have decided the late election was settled on the issues of prosperity and peace.

Which seems highly logical, considering that (a) we must be real prosperous, because poor people couldn't ever get this deep in debt.

And (b), Washington swears we are at peace. And while there is considerable getting shot at and shooting back, over in Vietnam, you couldn't hardly call it War, because we haven't even got a War Department any more.

Immorality is said to be growing here lately, because some of the clergy quit fighting the Devil and took out after the Republicans.

Which sort of gave Satan a breather, and time to mend his fences and think up some new commercials to help sell his moral disarmament program.

But now that the country has been made safe from solvency, Old Lucifer can look for the morals wardens to come at him again, and their combat experience in the political ring may have taught them a lot about dirty fighting.

Mack Saied Wins First Table Tennis Tourney

Mack Saied Jr. was winner of the first open table tennis tournament, held Tuesday, Nov. 10, defeating his younger brother and business partner, Fred Saied, to win the honor.

E. W. Clement won the consolation trophy in a victory over Clyde DeMoss.

Approximately 30 Wellington business men were entered, although several were unable to attend.

Table tennis jumped into popularity here only during the late summer months, although it has been played by a small group during the last year.

In the first round of the first bracket, Paul Guthrie defeated James Richardson; Cliff Stafford won over Dick Pendleton, Don Jennings over Duggie Jameson, and Min. Hiram Cassel over DeMoss. Dan Warrick, Mack Saied, Don Roark and John Barjenbruch drew byes.

In the championship bracket, Stafford defeated Guthrie, Warrick won over Jennings, Mack Saied over Roark, and Cassel over Barjenbruch. Stafford then defated Warrick and Saied to win over Cassel, with Saied defeating Stafford in the semi-finals.

In the consolation bracket, second round, Pendleton won over Richardson and Jameson and DeMoss drew byes. Jameson and DeMoss were winners in the third round and DeMoss won the semi-finals.

The second bracket, first round, saw Carl Daves defeat Bobo Castleberry, Jack Sanford win over W. T. McAdams, Lonnie Roark over Lyndon Crelia, and Fred Saied over Clement. Eddie Slay, Don Lacy and Bob McAlister drew byes.

In the campionship division, Daves won over McAlister, Sanford over Lacy, Roark over Slay and Saied drew a bye.

In the semi-finals, Daves defeated Sanford and Saied won over Roark.

The second round of the consolation bracket saw Castleberry win over McAdams and Clement over Crelia. Clement then defeated Castleberry in the semi-finals, and later won over DeMoss in the finals.

Winners of the two brackets, the Saied brothers, played off the finals in the championship bracket.

Quail Teams Play Arnett-Wellington

The Quail Bobwhites and Quails will meet the teams from Arnett, Okla., in a doubleheader basketball game in the Quail gym Friday, Nov. 20. Game time is 7:00.

Then on Tuesday, Nov. 24, the teams will be hosts to the Rockets and Rockettes from Wellington high school. Game time for this one is also 7:00.

"We know little about the Arnett teams but are expecting two real hard games. We do know a little about the Wellington teams that won two district championships last year. We know we will have some hard fought games and invite all basketball fans in the area out to Quail to see these games," Don Lacy, Quail coach said.

First application for a patent on making condensed milk was turned down on grounds it had no usefulness.

Cotton Harvest on Increase Late Lats Week

Classing of cotton during the week for growers of the 57 gins in this 18-county territory was considerably less than a week ago, according to USDA's Agricultural Marketing Service in Memphis. Harvesting and ginning is far behind last season. The seasonal total of samples classed through Friday, Nov. 13 was 16,000 samples, compared with 50,000 as of the same date last year.

The strong winds, with gusts of 30 to 40 miles an hour, on Wednesday were conducive to the drying of the cotton plant and soil from the rains of a week ago. As a result, the tempo of harvesting increased during the latter part of the week. Receipts on Friday amounted to more than 2500 samples compared with daily receipts of 500 prior to this time.

K. E. Voelkel in charge of the Memphis classing office said that the grades were lower and the staple lengths were shorter as compared with the week earlier. The micronaire readings were practically unchanged from last week.

Based on samples classed this week, White grades decreased from 39% to 30%, and Light Spotted and Spotted grades increased from 61% to 70%. Middling was the predominant grade in the White cotton with 16%; and Middling Light Spotted prevailed in the colored cotton with 38%.

Staple length averaged shorter than last week, but 15/16 inch was still the predominant length with 57%. Other lengths were: 29/32 inch and shorter, 18%; 31/32 inch, 21%; and 1 inch and longer, 4%.

Mike readings, which reflect the fineness and maturity of the cotton fiber, continued to be high, with 98% reading 3.5 and above. Only 2% read less than 3.5.

The fiber strength of cotton tested by the Pressley instrument continued to show the cotton of the Memphis office territory to rank higher than any other active harvesting section in the state. Pressley results showed 22% tested 95,000 pounds per square inch and above; 46% tested 85,000 to 94,000; and 32% was 84,000 and less.

Eastern Panhandle cotton was in good demand. Cotton with a mike reading of 3.5 and above, based on uncompressed, mixed lots in warehouses, brought the farmers the following average prices: Strict Low Middling, 15/16, 27.25; Strict Middling Light Spotted, 15/16, 28.35; Middling Light Spotted, 15/16, 27.85; Strict Low Middling Light Spotted, 15/16, 26.85; and Middling Spotted, 15/16, 26.25.

Cottonseed prices received by farmers were $45 and $47 per ton at gin points.

The rate for pulling cotton was $1.75 and $2.00 cwt, delivered to the gins.

"If you're under 40 you won't remember your grandmother straining her back over this old fashioned washing apparatus. It's hard to believe that a washing machine like this actually existed and yet this 1905 model was the first one put on the market. In only 59 years, washing machines have improved to the point of complete automation. All the modern young housewife of 1964 does is put the clothes and detergent in her automatic, press a button, set a dial, and forget it. Isn't modernization remarkable?

75 Barrel Well in North Part of Collingsworth

A 75-barrel oil well was reported during the week by El Dorado Oil and Gas Company in the north part of the county, and a location was staked for another site by El Paso Natural Gas Co.

Work continued at the Texaco No. 1, Mrs. C. B. DePauw location north of Quail, but this is a tight well and no information has been given out.

The Eldorado well, No. 1 Smith, was drilled in section 14, block 13, and was spudded Oct. 7. It was completed Oct. 13 and the test completed Nov. 7.

The well was treated and pumped 75 barrels of 38 gravity oil plus 40 per cent water. Perforations were from 2095 to 2174 feet, and the total depth to which the well was drilled is 2250 feet.

The location is the El Paso Natural Gas Co. No. 2-A Bell, 2000 feet from the north and 900 feet from the west lines of section 14, block 13, in the north edge of the county. The proposed depth is 2050 feet.

SALT FORK SOIL CONSERVATION DISTRICT NEWS

The Collingsworth County Great Plains Conservation Program Committee met in the Soil Conservation Service office Friday, Nov. 13 to set average costs to be used for those conservation practices on which cost-share is paid, Douglas Lowe, SCD work unit conservationist, reported.

During the year, cost data are obtained from producers who carry out conservation work. These costs plus quoted prices and prices for the same practices carried out in adjoining counties are obtained, and the average provides the basis for settling realistic practices for cost-sharing practices.

Members of the committee are also responsible for selecting practices for which cost-share will be offered during the 1965 program year. These practices are selected from a list of practices approved for the state.

Those present for the meeting were Lowe, Millard P. Brown, Cecil Regier, Don Jennings, W. C. Harwell and W. O. Vaughan.

Fifth Grade Students Visit Bouchelle Farm

The 60 fifth grade students of Wellington elementary school visited one of the area's most modern farms, the Pat Bouchelle place at Loco, Thursday, Nov. 12.

The boys and girls visited his sugar beet field and watched the cotton picker in operation. Mr. and Mrs. Bouchelle discussed the operation for the youngsters.

They inspected Bouchelle's sheep, one of the few flocks in the area, and were delighted to find twin lambs.

Mrs. J. I. Morgan and Mrs. A. A. McQueary, the teachers, sponsored the group and Supt. J. L. Harper and Elementary Principal C. A. Crawford drove the buses.

Children going were Michael Belew, Jennifer Bouchelle, Jerry Bowen, Carole Cochran, Clyde DeMoss, Loretta Foster, Doyle Furgason, Mike Jackson, Deborah Green, Steve Jennings, Debbra Johnes, Dickie Judd, Pam Kersten, Paula Kiker, Karen Maxwell, Marcia King, Elsio Molino, Leigh Nall, William Nation, Leon Parker, Kenneth Porter, Robert Saldana, Mary Saied, Cozetta Sietz, Kenny Stallings, Doris Tingle, Louis Gonzales, Raymond Aguirre, Sherry Blount, Jackie Brock, Jane Campbell, Trinidad Cantu, Denny Carter, Janie Christoph,

Winterize Your Driving, Too

We are heading into the winter months Our vehicles need winterizing. But in the words of Highway Patrol Supervisor J. W. Wilson, "Don't winterize your car alone—winterize your driving, too."

Get the jump on bad weather by having your vehicle safety inspected by an authorized garage to assure its good performance in the months ahead. Then check to see than antifreeze, snow tires or tire chains and ice scrapers are handy, for "today's inspection is tomorrow's protection."

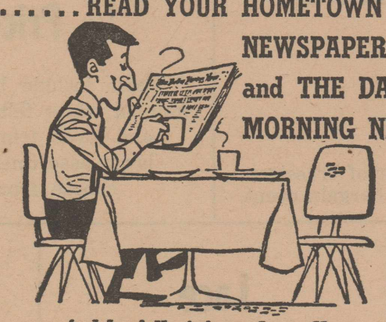

We cannot regulate the weather but we can regulate our driving. The Sergeant suggests in snow and ice to:

1. Slow down and leave more space between cars.
2. Keep windows clear—turn on lights to help others.
3. Extra slow on turns, intersections, crest of hills.
4. When braking, pump to avoid locking wheels in skid. If skidding, turn wheel in direction of skid, don't slam on brakes, slow down easily.

Rockeet B Over Childress

Victory Comes by a Fraction of an Inch

A field goal that bounced off the crossbar and rolled useless preserved a victory for the Skyrocket B team over the Class AA Childress B Thursday night, Nov. 12 on the Bobcat field.

A few minutes later the game ended 8-6 for Wellington and the B team closed the season's play.

The first half was pretty much a defensive game for both teams, Coach James Stavenhagen said. Once in the second quarter, Childress threatened to score, but Wellington was able to stop the drive on their own 10 yard stripe.

On the last play before the half ended, Wellington also threatened, when Tim White attempted a field goal that failed, and the teams went to the dressing rooms with the score 0-0.

The second half was almost a repetition of the first until the latter part of the fourth. Childress scored first, on an off-tackle play from a yard out and on fourth down.

Childress recovered a fumble on the Rocket 20 to set up this score, then pushed the ball on down field. The try for extra point was no good.

Wellington received the ball and moved it but not enough and had to kick on a fourth down situation.

Childress started downfield with the ball again, but on the Wellington 30 fumbled and the Skyrockets recovered.

With about three minutes left in the game, and on the third play from scrimmage, Freddy Mayhugh threw a pass to Andy Henard, who was behind the Childress defenders. He outran them for the touchdown. The toss and run together were good for about 70 yards. Marion Barton made the extra points on a sweep right.

The Wellington kick to Childress was short and with about two minutes left, Childress started a drive from mid-field. They picked up a first down and Wellington was assessed two 15-yard penalties to put the Bobcats inside the Wellington 10.

On a fourth down and with five yards to go, Childress attempted a field goal but the ball hit the crossbar and bounced back, to save the game for the Rockets.

From that point on, Wellington simply held onto the ball to run the clock out.

A majority of the B team saw action. The full team includes Andy Henard, Johnny Harris, Dan Hatch, Michael Gilmore, Rodney Kane, Doyle Stewart, Paul Jones, Freddy Mayhugh, Tim White, Marion Barton, Jimmy Black, Randy West, Gary Martin, Donald Wolf,

Alfred Allred, Kent Clark, Larry Pippins, Jim Lindsey, Jim Henard, Stevie Davis, Ronny Davis, Jimmy Campbell, Doug Cole, Billy McKinney, Billy Neeley, Nat Holton, Henry Wells, Sandy Covey, Jimmy Neeley and Ronny Hill.

One Rural Wreck Checked in October

There was one rural traffic accident in Collingsworth county during the month of October, according to Sgt. J. W. Wilson, Highway Patrol supervisor of this area.

From this crash, one person was injured and an economic loss due to property damage amounted to $1,500.

Summarizing rural traffic accidents from January through October of 1964, the picture shows nine wrecks, six persons injured and $6,435 in property damage.

The accident record for October in surrounding counties was given also.

Childress county: 6 accidents, none injured or killed; property damage $1,135.

Cottle: 2 accidents, 2 injured, $830 property damage.

Donley: 3 accidents, 1 injured, $27,275 property damage.

Gray: 16 accidents, 18 injured, $6,920 property damage.

Hall: 6 accidents, 1 injured, $1,950 property damage.

Screwworms in Area May Be County Threat

Screwworms detected in the area Saturday, Nov. 7 could pose a threat to Collingsworth county, County Agent Cecil Regier declared this week.

The screwworm infestation was reported five miles southwest of Clarendon in Donley county. This was the furtherest north screwworms have been found this year, and the closest to Collingsworth county, where the livestock pest has been absent during 1964.

An infestation discovered in Briscoe county in late September broke a 53-day screwworm-free period for Texas.

While eradication workers are confident cold weather will diminish any serious threat from further screwworm activity in the Panhandle, they are treating the infestation area through release of sterile flies. The first airdrop of flies was to take place Tuesday, Nov. 10.

However, the danger may not be past. A continuation of the unseasonably warm weather experienced in the Southwest could present some spill-over of screwworms into nearby areas. Therefore livestock producers in the Texas Panhandle and in Oklahoma counties adjoining the border are asked to stay alert for screwworms.

Animal wounds should be treated with preventive smears and livestock should be examined regularly for infestations. When infestations are found, larvae should be collected from deep within the wound and placed in water or alcohol. This specimen should be taken to the county agent or mailed directly to Box 969, Mission, Texas. There, at screwworm eradication headquarters, the sample is positively diagnosed and arrangements for sterile fly drops are made if screwworms are found to be present.

Norwood Splits With Quitaque

By NANCY HILL

The Samnorwood Eagles and Eaglettes split a pair of games with the Quitaque boys and girls Friday, Nov. 6.

The Eagles lost 70 to 57, after maintaining a lead through the first quarter of play.

The high pointer for Norwood was David Kindrick with 22, while Warren Merrell was high for Quitaque with 13.

The score by quarters:

Norwood	16	22	42	57
Quitaque	12	31	56	70

The Eaglettes trailed during the first quarter but pulled ahead and took a 65-50 victory.

Kay Purkey scored 25 points, high for Norwood, while Suzy Bentley shot 21 and Jo Nell Breeding 17. Pat Bronson was high pointer for Quitaque girls with 21.

The score by quarters:

Norwood	11	33	51	65
Quitaque	14	27	42	50

Final Game of Season

Rockets Top Bronchos 25-6 Here Friday

By JACK FORD

The Wellington Skyrockets finished another winning season, with a 25 to 6 victory over the fast Clarendon Bronchos at Powell Field Friday, Nov. 13. The Rockets ended the season with 5 wins, 4 losses, and 1 tie.

This being the last game of the season, all the seniors were co-captains. This writer noticed a sort of nostalgia come over many of the Rocket fans when Wayne Barton, Chester McLain, Gary White, Ray Floyd, Skippy Duncan, Roger Weems, Phillip Hughey, Joe Rudy, Lynn Wolf, Jackie Duncan, Olan Moore, and Adam Garcia went to the center of the field to start their last football game for Wellington. These boys played great ball as Rockets, many starting varsity ball as freshmen, and all the Rocket fans wish them the best in the years ahead.

Wayne Barton played his last game as a Rocket. This young man, who quarterbacked the Rockets for the last two years will rank as one of the best quarterbacks that ever wore a Rocket uniform. Wayne can run, pass, kick, and play defense, the four virtues of a great football athlete and quarterback. Here's hoping some college gives this young man a chance; I believe they'll get a fine quarterback for college football.

In this game against the Bronchos, the Rockets played a great game of team effort. The Rocket defense did yeoman service in stopping the fast Bronchos running and passing attacks. The Rockets recovered fumbles and intercepted passes all over the field most of the game.

Skippy Duncan ran at the fullback spot, and did a great job, considering it was his first game to play at this position. Johnny Maxwell's interception of a Broncho pass and trying to drag the whole Broncho team down field, but all he could do was drag everyone for 7 yards. Had some great pass catching by Freddie Bobo, Jackie Duncan, Don Sweat and Larry Henard.

Considering all the injuries this year the Rockets came off better than a lot of the fans thought was possible. Congratulations to Coaches Don Beck and Raymond Kauffman for a great job done. Also congratulations to Coach Beck for being one of the winners in the national football contest.

Gary White started the Rockets off on their first TD, when he fell on a kickoff fumble by the Bronchos on the Clarendon 23 yard line. O. Moore, J. Duncan, W. Barton and S. Duncan moved the ball to the 11. Then a fine pitchout by Barton to J. Duncan who did a great running job, carried the ball into the end zone for the Rockets first 6 points. The try for extra point failed.

The rest of the first half was a game of positioning. Pass interceptions by Barton and Maxwell stopped two determined Broncho drives. The Rockets had a drive stopped by losing a fumble on the Broncho 25. At the end of the first half the Rockets were again on the Broncho 25.

The second half was all Rocket. The Rockets took the kickoff on their own 20 and runs by W. Barton, J. Duncan, O. Moore and S. Duncan moved the ball to the Broncho 15. Then Barton faked a handoff, went to his left, cut back to the middle of the field and went into the end zone for another touchdown.

O. Moore scored the two extra points. Rockets 14, Bronchos 0.

The Rockets scored again about midway through this quarter. They recovered a Broncho fumble on the Broncho 46. Runs by S. Duncan, W. Barton, J. Duncan, plus a Barton to D. Sweat pass moved the Rockets to the Broncho 6. Skip Duncan then took the ball and bulled his way into the end zone for the last Rocket TD. S. Duncan also scored the 2 extra points. Rockets 22, Bronchos 0.

The Bronchos scored their only touchdown early in the fourth quarter on a 29 yard pass play. The try for extra point failed.

The last scoring for the Rockets, and the game, came near the end of the game. They drove to the Broncho 9 yard line, where the drive stalled. J. Maxwell came into the game and kicked a 19-yard field goal for 3 more points. Rockets 25, Bronchos 6. Three plays later the game and season ended.

See you all next season.

Lake McClellan Is Renovated

SAN ANGELO. — Because Lake McClellan, 65 miles east of Amarillo, is exclusively populated with rough fish or stunted game fish, fisheries crews are giving it a thorough overhaul.

"Complete kill" techniques are being used to eliminate the predominate carp, buffalo and bullheads. The remaining 10% comprised mostly undersized white crappie and sunfish.

Following the renovating processes, Parks and Wildlife department aquatic biologists will supervise the release of 10,000 2-inch large mouth bass and 70,000 2- to 6-inch channel catfish obtained from Federal fish hatcheries.

Quails and Bobwhites

Quail Teams Win From Chillicothe, Quitaque

The Quail girls and boys basketball teams won all their games this past week and all were played away from home.

On Thursday night, Nov. 12 the teams played at Chillicothe with the Bobwhites winning 44 to 32 and the Quails score was 54-48.

The following night the Bobwhites beat Quitaque 36-32 and the Quails won 79-73,

Quail at Chillicothe

The Quail Bobwhites got off to their best start of the year and jumped to an early lead of 13 points in the first quarter. The reserves played most of the second period and the Chillicothe girls cut the lead to six points by half time.

The Bobwhites then started playing good again and increased the lead to 10 points at the end of the third quarter and won the game by 12 points.

All five Bobwhite forwards got in on the scoring, led by Sue Breedlove with 16 points, Shirley Horton had 12, Lonetta Neeley 10, Linda Peters 4, and Judy Campbell 2.

Starting the game at guard was Mary Conner, Mary Lindsey and Patricia Kimbro. Other Bobwhite guards are Dianne Moseley, Rosie Baker and Mary Cummings. High pointer for the Chillicothe girls was Marilyn Waythe with 21.

The Quail boys got off to a very good start against the larger Chillicothe boys and were leading by 10 points at the end of the first period, and by 16 points at halftime.

The second half was close with the Quail reserves playing most of this half, and the Quails were six points ahead as the game ended. All 12 Quails that made the trip played and seven of these got in on the scoring, as follows: Dale Morris 15, Paul Gollihugh 11, Joe Harris 10, Bruce Ward 6, Smokey Mitchell 4, Royce Mitchell 4, Coy Stephens 4, Other Quails who played were Don Morris, Reed Souder, Luther Needham, Jarrell Fielding and Robert Blevins. Smith was the leading point producer for the Chillicothe team with 18.

Quail at Quitaque

The Bobwhites did not play as well as they did the night before but managed a 4 point first quarter lead and led by 2 at the half.

The much taller Quitaque girls gained the lead by one point as the fourth period opened but the Bobwhites were determined to win the game and were 4 points ahead as the game ended. Sue Breedlove scored 22 points, Shirley Horton had 8 and Lonetta Neeley 6. The starting guards were Mary Lindsey, Mary Conner and Dianne Moseley. Barbara Reagan scored 14 followed by 6'2" Pat Brunson with 12 to lead the Quitaque girls.

The Quitaque boys were really up for this game. They moved down the court very fast in the first quarter and were really hitting the basket as they hit eight of their first 10 field goal attempts while the Quails hit on only 2 of their first 10 tries.

This, along with some free throws gave Quitaque a 20-4 lead midway in the first quarter. The tide then began to change as the Quails started hitting and the Panthers began missing and the first quarter ended with the Panthers still 9 points ahead.

The Quail boys were warmed up good by this time and they overtook the Panthers and were leading by two points at the half.

The third quarter was similar to the start of the game as the Panthers came out with fire in their eyes. They again overcame the Quails by five points early in this period but the Quails came back strong in the last half of the period and were leading by 12 points starting the fourth period.

Two of the Quails fouled off early in this quarter and the Quitaque boys were still fighting hard but the Quails managed to hang on to a 6 point lead as the game ended.

Four of the five Quail starters hit in double figures and the fifth man had 9 points. Dale Morris had a fine night and hit 32 points; Bruce Ward scored 13, Paul Gollihugh had 12, Joe Harris 10, Smokey Mitchell 9 and Don Morris 3.

Other Quails on the A team are Royse Mitchell, Luther Needham, Coy Stephens, and Reed Souder. Leading the Panthers was Eddie Monk with 30 points and Jamie Johnson with 21.

The Quails record is now 7 wins and 1 loss; the Bobwhites have won 4 and lost 4.

Deck's DIDACTICS

—By Deskins Wells

The jubilation over the unusual November moisture of the people on the high plains and the mountain country to the west is not shared precisely by those in the cotton country. In the long run it will be a good thing for us considering the wheat and the elimination of a subnormal moisture condition that was going into the fifth year; but the fact remains that our cotton harvest is six weeks later than this time last year.

In talking to the Hollis editor, Dick Dudley, last week, I learned that the ginning in Harmon county was only one third of what it was at that time in 1963. The Memphis Democrat reports the same situation in Hall county and I understand it is also true of the cotton harvest on the South Plains.

Contrary to some observations the cotton is not being ruined. Give us a few sunny windy days and white middling cotton will be going to the gins. The main damage will occur when some growers try to gather the crop while it is still too wet. Even now the length and strength of the fiber is improving up to this late date of November 18.

People are talking about the greenness of the grass all over town. It is a refreshing sight to see the yellow, red and golden-brown leaves shining on the emerald lawns. It is gone now but for two weeks the giant pecan tree on the courthouse lawn was a joy to behold and even now there is a cottonwood tree on Bowie Street that is a glowing yellow shining against the leaden skies. The foliage this fall has been so beautiful it makes me wish I could paint.

Hunters who went out for quail last week end came back with some disappointing tales and very few birds. The sixty days of dry 100 degree weather or thereabouts may have taken its toll of the young quail, but I feel that they are still there. The dense growths of weeds and grass and the absence of a killing frost make hunting difficult. If you are planning on hunting in other counties you had better check with the hunting guide put out by the Texas Parks and Wildlife Department. Although the season is open here, quail shooting does not open until Dec. 1 in most of the state. The goose season has been open since Oct. 31; but the duck season does not open until Nov. 25. It is reported that Throckmorton and Shackleford counties have the largest quail crop in the last four years; but it should be remembered that the season does not open there until Dec. 1.

Despite wholesale changes in Congress particularly among Republicans, the newspaper contingent fared rather well. Of 25 House members, 23 survived. In the Senate races one newspaper man was returned, Harry F. Byrd, and one was defeated. The defeated candidate was Pierre Salinger, who went out to California to run and it is just as well that he got beat.

A comedian in Chicago is singing "Ragtime Hubert" about Sen. Humphrey's recent horseback riding on the LBJ Ranch. It goes like this:

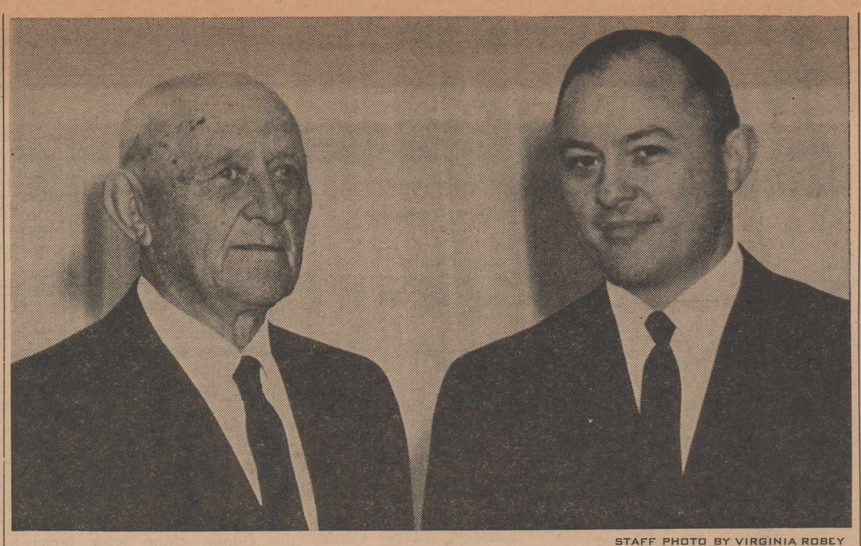

Hey there look
(He sure looks shook)
He is, of course,
First time on a horse.
Maybe its kinda rude,
Laughing at a Yankee dude,
A guy gets kinda rattled,
First time in the saddle.
He's just a high-faluting,
Rooting-tooting son of a gun

Sanford Pledges Kappa Alpha

Bob Sanford, architecture student in Texas Tech, has pledged Kappa Alpha fraternity, which next year will observe the 100th anniversary of its founding.

Kappa Alpha was founded at Washington and Lee University in Lexington, Va., and has a rich tradition of southern hospitality. In the century, it has grown into one of the larger fraternities, with 88 chapters stretching through the South. Conceived in the minds of several young Confederate officers, Kappa Alpha is dedicated to the principles exemplified in the life of Robert E. Lee, then president of the University.

Sanford is the son of Mr. and Mrs. Jack Sanford and a graduate of Wellington high school.

Frank Hatch Founder

Hatch Dry Goods Has 25th Anniversary

Hatch Dry Goods, founded by a man who didn't intend to come to Wellington in the first place, and having come, planned to stay only a month, is observing its 25th anniversary of service to the people of this trade area.

F. A. Hatch was the founder and several years ago he turned the business over to his son, Harley W. Hatch — Bill to Wellington people — the present owner.

This week, Mr. Hatch recounted the slender thread of coincidence that decided his home for the next quarter century.

"I had sold my store in Eldorado, Okla., and was out looking for a location to put in another store. Having visited a number of towns in Oklahoma, Texas and New Mexico, I rented a building in Hereford and was on my way back to Oklahoma to make preparations to move.

"I came through Wellington and stopped to rest. While walking around the square, I went in the Stubblefield store, where they were having a close-out sale. I made them an offer for their store and they accepted it."

Mr. Hatch planned to continue the sale about a month and take the remainder of the stock to Hereford.

But in those four weeks . . . but this is how he says it:

"We got to liking Wellington as a town of good water, schools and hospitable, friendly people, so we have completed 25 years in Wellington." He chuckled as he recalled how two merchants came by and told him how poor business was. Neither of them is here now. Hatch Dry Goods is.

Billy Hatch was 16 and a junior in high school when the family came to Wellington. He graduated in 1941.

"I went to Washington, D.C. that summer and worked in the Senate Office Building as messenger and file clerk for the Special Committee to Investigate the National Defense Program, or as it was called, the Truman Committee. Senator Harry S. Truman was chairman.

"I worked in the senate and capitol that year. It was an educational job for me, because I was there when World War II started and I learned so much about the workings of the government," Bill Hatch continued.

He returned home and attended Texas Tech until February, 1943, when he entered the Army. He served three years with the 740th Tank Battalion in England, Wales, Belgium, France and Germany. He was in the Battle of the Bulge.

Returning to Wellington in 1946, Hatch was married and the couple have three children, Bryan, Dan and Carlos.

The civic and church work Hatch has to his credit marks him up as one of the town's most active workers. Now president of the Chamber of Commerce, he has been vice president and treasurer also. He has been on the official board of First Methodist Church five years and was chairman. He is now chairman of the finance commission.

Bill Hatch has been Cub Scoutmaster three years and he is a district committee member of the Comanche District. He teaches Sunday School in the children's department and is a member of the Collingsworth county draft board.

Merchandising is in the Hatch blood. F. A. Hatch learned the business from his father, one of the early merchants of southwestern Oklahoma—the Indian Territory when he came there.

They traveled to St. Louis twice a year to buy merchandise. A milliner was an important member of the store personnel, and each spring and fall, she had a showing of her hats, then made hats for the women of the town. Farmers came in twice a year to buy the family clothing.

Women bought silk stockings but wore them only to weddings and funerals.

All these and many more facts of merchandising that belong to the pioneer era were recalled by Mr. Hatch.

Billy Hatch learned the dry goods business from his father, as did his brother, Frank Hatch Jr. of Eldorado, Okla. His own three sons also work in the store, their work depending on their age.

The building originally occupied by Hatch Dry Goods, near the northeast corner of the square, is now part of City Grocery. When Enis Schaded sold The Hub and moved to Tyler, the Hatchs moved into his building, nearer the center of the block.

They have remodeled both the exterior and interior, with a considerable amount of work being completed this summer. Bill Hatch has added consistently both to the amount of merchandise carried and the lines—something he will continue to do.

Retreat for Spanish Draws Nearly 200

A six-hour retreat for the Spanish people of the area was held at the community building Sunday afternoon, Nov. 15 which opened with the recitation of the Holy Rosary at Our Mother of Mercy Catholic Church. Later there were addresses by Cursillo professors from other parts of the Diocese of Amarillo.

Between 150 and 200 people attended, including visitors from as far away as Memphis, Plains and Lubbock, said Father Burke, priest of Our Mother of Mercy Catholic Church.

According to Father Burke, these Retreats may be held as often as three or four times a year, in order to stimulate interest in the Cursillo movement in this section of the Amarillo Diocese, and to consolidate those people who have already become members.

Father Burke also expressed pleasure at the general interest in church attendance in Wellington and praised the idea of the "attendance thermometer" set up on the courthouse square by the Ministerial Alliance.

Since Sunday, Nov. 22 is the first anniversary of the death of President Kennedy, the parish Mass in Wellington will be offered for the repose of his soul, Father Burke said, and he has written Mrs. Kennedy that this has been done.

The Eaglettes won 55 to 22, jumping to a big lead as soon as the game opened. Lakeview scored only two field goals during the first half. They came back, however, to outscore the Norwood girls 10-5 in the third quarter. Every member of the Eaglette team got to play in this game.

Jo Nell Breeding was high scorer for Norwood with 26 points, while T. Payne with 12 was high for Lakeview.

The score by quarters:

Norwood	**23**	**37**	**42**	**55**
Lakeview	**2**	**7**	**17**	**22**

The Eagles won their game 59 to 40, with David Kindrick accounting for 22 points and Lloyd Stice 17. Rodney Sams was high for Lakeview with 13.

Norwood reserves played for about half of this game.

Score by quarters:

Norwood	**11**	**34**	**48**	**59**
Lakeview	**8**	**23**	**28**	**40**

Workers Named for 1964 Census of Agriculture

Enumerators have been named in Collingsworth county for the 1964 Census of Agriculture, Crew Leader Mrs. Louise Henard said this week.

Enumerators in Collingsworth county belong to a force of 23,000 throughout the nation employed temporarily by the U.S. Bureau of the Census for this year's Census of Agriculture.

Enumerators are key workers in an agricultural census. It is the enumerator's responsibility to locate every farm within an enumeration district assigned to him or her, determine if the operator of the farm has answered all questions on a questionnaire that will be mailed to the farmer by the Census Bureau, help the farmer complete any unanswered questions on the form, check answers for accuracy, and deliver the form to the Census Bureau.

A Census of Agriculture is taken every five years in the years ending in "4" and "9" to gather needed, up-to-date information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U.S. economy. Data gathered include the number and size of farms, acreage, and harvest of crops, livestock inventory, information on farm equipment and improvements, farm products sold, and on some production expenditures. Information also will be collected on use of fertilizers, insecticides, and herbicides.

The enumerators will be trained in a special 4-day home study course designed to prepare them for the farm census, their crew leader said.

The following persons have been appointed: Mrs. Emma Tate, Mrs. Trudie Peters, Mrs. Juanita Henry, and Mrs. Avyrilla White.

Cavenar New Manager of Ritz-Bronco

Jim Cavenar of Altus, Okla., has been transferred to Wellington by Video Theatres as manager of the Ritz and Bronco Theatres.

He succeeds Mrs. Wayne Gray, who resigned to move to Grand Prairie, where her husband is employed by Lone Star Gas Co.

Cavenar, who calls Altus his home town, has been with Video 12 years, beginning his work in the Altus theatre. He also has worked for that company in Norman and Oklahoma City, Okla., and Refugio, Tex.

In Oklahoma City, Cavenar was in Video's art and printing department.

The new Wellington manager is a graduate of Altus high school and attended the University of Oklahoma. He is a member of the Methodist church.

As for his hobbies, he describes himself as "an electronics bug." He also has worked as production superintendent in a large bakery.

Relatives Go to Graham Funeral

A group of Wellington relatives were in Greenville for the funeral of Charley Graham, conducted Wednesday, Nov. 11 at Coker Mathews-Peters Funeral Chapel. The Rev. R. J. Bell and the Rev. Noble McGann officiated. Burial was in Memorial Park at Greenville.

Mr. Graham, a retired farmer, lived in Collingsworth county 46 years before he and Mrs. Graham returned to Greenville his former home, a month ago.

Mr. Graham was born in Mississippi Oct. 12, 1892, and came to Greenville in infancy.

He was married to Miss Julia D. Hill Dec. 7, 1913 in Hunt county.

Mr. and Mrs. Graham lived in the Lillie and Midway communities, and after he retired from farming, they made their home in Wellintgon.

He is survived by his wife; four brothers and a sister: Oscar Graham of Fort Worth; Grady Graham and Cleve Graham of Wellington; George Graham of Greenville, and Mrs. Willie Alexander of Pampa.

Attending the funeral from here were Mr. and Mrs. Cleve Graham, Grady Graham, and Mr. and Mrs. Grover Graham.

the team as Coach Stavenhagen is giving them more action on the B team.

"We have some real competition this year," the Rocket coach commented. "We tried to get a rough schedule and we did."

White Deer, playing basketball in 2-A for the first time, will have strength in both the boys and girls teams. Clarendon lost only one girl from last year's starters.

As for the boys, Memphis has all its players back from last year and McLean has a majority.

Clarendon integrated this year and has two colored boys who have had basketball experience with Morningside School at Memphis, Stavenhagen said.

Banquet

Shermans Attend Art Foundation

Mr. and Mrs. John Sherman were in Amarillo Saturday evening, Nov. 14 to attend a meeting of the Area Art Foundation, held at Dord Fitz's studio.

He was also exhibiting works of Clyde Johnson of California, including visual landscapes and abstract paintings based on the landscapes.

A students' exhibition is now hanging upstairs in the studio, and includes works by Mr. and Mrs. Sherman and Mrs. L. C. Hill. These are abstract problems interpreting space, and were done in Fitz classes here.

One of Fitz's pictures was bought recently by a car dealer in Amarillo and given to the Area Art Foundation.

During the meeting Saturday night, Fitz announced to the group that Elaine De Koone, one of the United States' leading artists, will be here in the spring to work with his students.

Miss de Koone was here year before last.
