KRISTI McGUIRE gets into the spirit of Valentine's Day as she presents her mother, Mrs. Dwain McGuire, with a box of candy.

Kids Celebrate Valentine's Day

Hearts, flowers, hugs and kisses are in the air again. What could this mean but "it's that time of year," Valentine's Day.

According to Webster's Dictionary, St. Valentine's Day is observed in honor of a martyr of the Third Century, but what does it mean today?

A survey of Billie L. Colaw's Kindergarten students indicated Valentine's Day is very similar to Christmas only more fun.

"We get to make cards for our friends with scissors and glue," James Turner said.

"We give them to our friends," Amy Valdez replied.

"It's a fun time when you make friends feel good because you like them," Tonya Lelek said.

Little Belinda Harris thinks Valentine's Day is great because she can give valentines to everyone, not just friends.

Brenda Cleckler's First Grade Class was a little more sophisticated about Valentine's Day.

Aubrey Woodell appreciates Valentine's Day because she not only can give cards to friends but also to 14 cousins.

Jesse Aguilar thinks of mother and daddy and heart-shaped valentine's are cut and pasted. "I like it because it makes me happy," he said.

Amy Moore thinks of Valentine's Day as a holiday. "It's fun to make them (Valentines). It makes me feel good because I'm giving them to people in my class. I made a special one for my girlfriend. It had a girl angel with hearts all around her," she said.

"Kids really relate to Valentine's Day because it's a time for liking people and sharing love," Mrs. Cleckler said.

Students in the Second Grade class of Juan Espinoza have really caught on to what the celebration is all about.

Mary Ann Salazar thinks exchanging Valentine cards with her friends is the greatest. "I gave my teacher one that says 'I Love You' because I really do like him.

Deborah Garcia thinks Valentine's Day is great fun. "We get to eat candy and exchange cards and be happy," she said.

And if there was ever anv doubt about the meaning of Valentine's Day, Second Grader Travici Johnson cleared up the matter.

"Valentine's Day is all about lovingness. I love you mother. I love you daddy and a special Valentine for my honeybunch," she said.

As to where Valentine's Day came from, "Of course, it came from Abraham Lincoln. It was his birthday and he wanted to show everybody he liked them. He wanted to kiss all the girls, so he made Valentine's Day," Travici Johnson stated.

Budget Proposal Includes Three Percent Tax Raise

A proposed budget for 1980-81 was presented to City Council members Tuesday.

"The budget indicates a three percent tax increase and a $1.50 base water rate increase plus a $1 sewer rate increase," City Secretary Brenda Tarter stated.

Total revenues anticipated in the proposed General Fund Budget are $832,625 with $155,000 of that figure indicated as transferred from water and sewer funds.

This compares to the actual 1978-79 figure of $610,500.46 and the estimated figure for 1979-80 of $820,350.

Total expenditures in the general fund are estimated to amount to $823,355. This compares to the actual 1978-79 figure of $691,833.08 and the estimated total figure for 1979-80 of $700,890.

Of this total figure, $25,000 is earmarked for capital improvements; $130,700 for the street department; $57,850 for the fire department and $166,210 for the police department.

This represents an increase in expenses for the police department over the estimated $152,910 to be spent in 1979-80.

It is an increase for the fire department from the estimated 1979-80 figure of $52,810.

The streets department estimated expenditure figure for 1979-80 is $110,630.

The finance department allocation for 1980-81 is $47,530, an increase from the estimated total 1979-80 figure of $39,300.

The sanitation department is budgeted for 1980-81 total expenditures of $84,130 as compared to the 1979-80 estimated figure of $76,740. This does not include purchase of a new land fill site, only labor and equipment.

The Civic Center is designated $35,650 for 1980-81 as compared to the total estimated cost in 1979-80 of $28,415.

The airport east of the city is allotted only $900 and the airport northwest of the city is allocated $5,000. The estimated total expenditures for 1979-80 on the airport east of the city are $2,500 and the estimated total for that same period for the airport northwest of the city is $5,000.

Water and sewer revenues are estimated for the 1980-81 budget to be $519,300. Total expenditures are estimated to be $514,825. This compares to the estimated 1979-80 total revenue figure of $464,300 and total estimated expenditures of $461,085.

The 1980-81 budget becomes effective May 1. The proposed budget presented by Mason is to establish guidelines for Council members as they begin consideration of the new budget, according to Mason.

The general fund at the end of January reflects a balance of $85,420.83. This figure includes $12,905.60 transferred from the water and sewer fund, bringing that fund to a zero balance and does not indicate the final payment of $18,835.62 to City National Bank to pay off a note for $100,000 borrowed by the city last year to solve a deficit budget problem.

Police Chief Fred McWhorter made two appearances before Council members during the meeting.

His first appearance was to answer questions about automobiles being considered for purchase by the city for that department.

Representatives from Jay Adams Chevrolet and Hutchins Ford also assisted in explanations.

Council members decided to advertise for two bids on two compact cars, with and without police packages (heavy duty equipment).

In a public hearing held during the meeting, Chamber President Brad Rose gave a brief summation of Chamber activities during the past year and requested Chamber placement on the city's priority list for Motel Occupancy Funds. He requested $4,000 for use in promoting Chamber sponsored American Junior Rodeo Association Rodeo and the Arts and Crafts Roundup.

Gene Blassingame, representing the Optimist Club, requested placement on the list for 1981 funds to help promote the RV and Recreational "Summer Fun Show." He requested $500.

Mac McKinnon, representing the Girl's Softball Association, requested $3,000 from the fund. He noted the Association hoped to hold the State Tournament in Colorado City this year.

McKinnon also requested $500 for the Colorado City Record. These funds would be used to place regular editions of the Record at Lake Colorado City. This would be done in an effort to interest out-of-town travelers in visiting downtown businesses.

McWhorter's second appearance before the Council was to give the annual police department report. In this report, he indicated total adult arrests made in 1979 to be 309 persons.

There were 53 juveniles handled last year. A total property crimes value was set at $78,607 with $59,336 of that figure recovered.

A civil defense annual conference will be held March 18 at 7 p.m. in the Civic Center. This conference is to be attended by members of all governing entities within the county, as well as representatives from utility companies.

Councilmen Elmer Martin, Sammy Parham, Macca Findley and Jesse Munoz requested any remuneration which was to be paid to them for their services as Council members should be donated to Woodland School.

Council members will meet again Thursday at 9 a.m. to open bids on the high pressure water machine.

It was also suggested by Munoz that Council meetings would be more convenient if held the second Monday of each month at 9 a.m. Council members will consider this change.

School Board Takes Action On Bus Discipline Problems

The Colorado School Board, in a short two hour session Monday night, approved the 1980-81 contracts of four school principals, four supervisors and athletic director Tom Ramsey with a 7.1 percent salary increase for each and also approved the details of the upcoming April 5 school board election.

The contracts of High School Principal Jerry Reynolds, Middle School Principal Doyle Lowrance, Hutchinson Principal Dell Riley and Kelley Principal Bobby Lemons were all approved with the 7.1 percent increase.

This includes an annual 2.0 percent increase for the yearly step up in grade and the 5.1 percent increase in salary passed in the last session of the Texas State Legislature.

The same increase was also given to Ramsey, Business Manager and Tax Assessor-Collector J.S. Craddock Jr., Transportation Supervisor Coy Adams, Maintenance Supervisor Henry Ring and Cafeteria Supervisor Christine Cooley. In addition Mrs. Cooley was given an extra $100 per month increase in salary to bring it in line with the salaries of the other supervisors.

The details of the April 5 school board election are as follows. The terms of Board members Fleta Lewis, Eddie Piland and Edward Roach will be expiring and the election will be held to fill those positions.

Mrs. Lewis has announced she will not be a candidate again. Prior to Monday night Piland had filed to run again and Roach filed Monday night. Candidates have until March 5 to file in the Administration Building.

Absentee voting for the election will be held from March 16 to April 1 at the Administration Building and will be supervised by Craddock.

The election judge on April 5 will be Bob Reily with Mary Molina serving as alternate judge.

In other matters, the board officially approved the appointment of Don Chandler as Colorado Middle School band director for the remainder of the year replacing Bob Newman who is on leave of absence due to illness.

For the past three years, Chandler has been in private business in Ben Wheeler, Texas. Prior to that he was head of the music department at Sul Ross

Sheriff Bill McGuire and his deputies will soon be driving two new 1980, eight cylinder, Ford Granadas as a result of the Mitchell County Commissioners' Court meeting Monday.

Commissioners opened three bids on two new automobiles for the department.

Hutchins Ford Sales offered the lowest and best bid with a total retail cost of $14,328 for two Ford Granadas, offered $2,570 as trade-in value on a 1978 Ford LTD currently used by the department for a total bid of $11,758.

Anderson Motor Company bid a retail cost of $13,156 on two Plymouth Volares with a trade-in value of $300 on the Ford LTD for a total bid of $12,856.

Jay Adams Chevrolet offered a bid of $15,310.76 on two Chevrolet Malibus with a trade-in value on the Ford LTD of $3,415.76 for a total bid of $11,895.

Commissioner Paul Hunter made a motion that bids be accepted on two automobiles since the previous motion had been to accept bids for only one car.

He stated the second car would be necessary to replace one wrecked by the department several months ago for which a settlement had been offered this week by the insurance company.

Commissioners voted in three separate motions to change the request for bidding from one vehicle to two with one trade-in; to accept the insurance settlement of $2,675 from the insurance company and to accept Hutchins Ford Sales' bid on the two cars.

In other business, Commissioners voted to advertise for applications for the office of Veterans' Service Officer.

It was noted in the past 15 months 610 veterans' cases have been handled and the office was a necessary county position.

Salary for that position was set at $270 a month plus $50 a month for gasoline allowance.

It was suggested that the position be on a one half day, five days a week basis, with appointment being for a two year term. Closing dates for applications was set for February 19.

Representatives from Woodland Center, Dona Reed, Elmer Martin and Loretta Owens, appeared before the court to request assistance for

Ladies' Night Is Delayed

The annual Ladies' Night for the Colorado City Noon Lions Club scheduled for Friday night has been postponed until a later date due to a conflict of schedules.

Instead, the Noon Lions will meet at their usual time at noon Friday in the Civic Center.

Merchants Create Fair Committees

Ideas and suggestions flowed freely through the Chamber of Commerce Office as the Chamber Merchants' Committee, headed by Betty Williams and Chris Hubbard, met Monday.

The purpose of the meeting was to propose goals and special promotions to benefit area merchants.

More than fifty percent of merchants invited by letter to participate in the affair attended the gathering.

A seven item agenda included two items on the Annual Arts and Crafts Fair.

Merchants discussed possible promotions for the Fair which included a Merchants' Packet. A committee was formed to be headed by Co-

the center.

Martin explained to the court the center had been operating under federal grant monies since its inception three years ago and those funds are no longer available.

"We have to have some help from somewhere, if not, the center will have to cease operations," Martin said.

Mrs. Reed explained the grants had been the only source of operating funds. She noted the teacher's salary is supplied by the Abilene State School.

Money from the continuing garage sale, sponsored by the center, goes to sponsor students wishing to attend summer camp for retarded persons.

"We have tried to raise funds by holding special events, however, people just don't come out. We made a profit of $19 from the last Jamboree," Mrs. Reed said.

Expenses total about $300 a month, including utilities and gasoline, according to the representatives.

The center began as a school for retarded students. This was before the Title I program was established, allowing the students to attend public school, Mrs. Reed said.

It now houses 39 students who are a "group of people who can not compete in the world," **Martin said, "and allows them to be self sufficient to some degree."**

These people work for and are paid by companies which contract with them and furnish the necessary materials and supplies for their work. They package plastic eating utensils and clean thread spools, Mrs. Reed explained.

"I feel we would like to help in some way. However, our budget is tight and we must be able to find a place to cut expenses in some other area in order to assist the center. We do need to consider the matter," Hunter said.

Several other business matters were discussed by the court including another plea for an additional employee in the County Clerk's Office by County Clerk Joan Beach.

One employee was cut from the office under the 1980 county budget.

"We are not doing our job, we are falling behind," Mrs. Beach said.

"I don't feel you have given it enough time. I haven't heard any complaints," Commissioner Johnny Shackelford replied.

"That's because we stop what we are doing to wait on customers. They don't see what we are leaving undone. But, when I have to close my doors to catch up, I'll have them call you to ask why, then you'll have some complaints. The law states my office must do these things whether or not I have time, so I'll have to make time. somewhere," Mrs. Beach said.

No action was taken by the court in the matter.

Several items of interest were mentioned during the meeting. Hunter indicated he had contacted the county's insurance agent in regard to the black powder demonstration planned by the Optimist Club in March.

Hunter explained there were no objections from the company to the demonstration.

Judge Bill Carter told commissioners he had been in contact with Texas Electric officials and they had indicated their intent to discontinue the practice of paying their taxes the last week in October and begin paying them in January. This would allow the company to invest the money and draw the interest.

Carter also told commissioners the city might be interested in bidding for one of the dump trucks no longer used by the county. Loraine might also be interested, according to the court members. Commissioners will consider taking bids on the trucks in the future.

Commissioners granted permission for the tax assessor-collector to return the payment rendered by Lo-Vaca Gathering Company as payment in full for assessed taxes. The check was for $6,292.44 and the amount of assessed taxes was $14,147.29. This amounted to an underpayment of $7,854.84.

February 19 at 2 p.m. was set as the date for commissioners to meet with the Department of Public Health officials at the county courthouse.

Fire Marshall Mike Mikle reported that repairs on the old fire truck transmission would be about $400. Mikle noted this was for parts only and there would be no labor cost, Carter said.

NEW VENTED GAS SPACE HEATERS.
Available Now at Lone Star Gas in Colorado City.

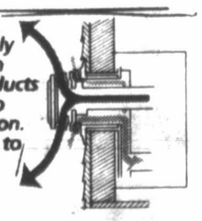

The ideal replacement for unvented gas space heaters. Sensible, economical source of heat for add-on rooms, garages, workshops. Excellent supplementary heat for central heating systems in new and older homes.

• Safe • Reliable • Can be installed in frame or masonry exterior walls • Vents directly outside • Uses only outside air for combustion chamber • Requires no special flues or chimneys • Automatic heat regulation • Works with or without the optional forced-air blower for one-energy reliability

Financing Available
Lone Star sells and installs these vented gas space heaters. Terms are available. Phone us for more information. Or visit our office and see these new heaters on display.

Direct vent heaters require only an outside wall through which concentric tubes vent the products of combustion and allow air to enter for support of combustion. Heated room air is not vented to the outside.

Limited time only—special trade-in allowance on your unvented gas space heater. Now at Lone Star Gas Company.

Police Report

The Police Department handled two accidents Saturday evening.

Officer Jimmy Roundtree answered a call at 8:30 p.m. concerning an accident in the 1200 block of Hickory Street.

Julie Feaster, 340 E. 3rd Street, in a 1976 Chevrolet, was westbound on 12th Street when she was collided with by James Light, 899 E. 8th, westbound on Hickory in a 1976 Honda. The Chevrolet recieved damage in the left rear quarterpanel and the Honda received damage to the front end. Total damage to both vehicles was about $250.

While Roundtree was covering this accident, James D. Neff, 979 E. 15th, pulled up behind a 1979 Chevrolet pickup to wait for the road to clear.

Behind Neff was Ruby Epperson of Loraine in a 1977 Chevrolet. The Loraine woman hit a patch of ice and skidded into the rear end of the vehicle driven by Neff.

The department also handled a case of criminal mischief early Sunday morning at the Trucktown parking lot on Interstate 20. Eddie Dawson, 940 Austin Street, reported that a metal object had been thrown through the back window of his 1975 Chevrolet at around 2 a.m. Damage to the vehicle was estimated at $300.

a little bit more.... from Safeway!

In everything we sell...

Quality is one of the Safeway characteristics that keeps you coming back. That's why we trim extra fat off of our meat so you pay for what you eat, not what you throw away. And our bread! Squeeze it gently. It is so fresh you'd think we bake it ourselves. We do. For you. Produce — our buyers go where the crops are picked in their quest for the best. Try us, you'll come back for our quality in food and everything else we sell.

Records Course Dates Changed At WTC

The dates for a Farm and Ranch Records course at Western Texas College in Snyder have been re-set for Feb. 18-28 to avoid a conflict with the Scurry County junior livestock show scheduled the preceding week.

Kent Mills, assistant professor of Farm and Ranch Management at WTC, will teach the course. Classes are to meet from 6:30 to 9:30 p.m. on Feb. 18-21 and 25-28.

Fees will be $25 per person for the 24 hours of instruction. Persons planning to enroll are to call the Community Services office at 915 573-8511, extension 240 to reserve space in the class and are to make reservations in advance. A minimum of 10 will be required to form the class.

The course will include instruction in types and uses of records, how to set up a record system, keeping records, analyzing records, farm budgeting and planning and income tax.

Akikido Offered

Beginning Aikido will be offered in a Community Services course starting Feb. 11 at Western Texas College in Snyder.

Aikido is the art of self-defense, Dr. Shel Hillis, instructor, said. Classes will meet from 7-8:30 p.m. on Monday nights through April 21 with the exception of March 17 which is during the WTC spring break. Ed McDaniel and Jan Holley will assist Hillis with instruction.

Students will pay fees of $25 each.

Funeral services were Feb. 7 in Lake Charles.

He married the former Evelyn Crow and was a resident in Mitchell County until two years ago when he moved to Lake Charles, LA.

He is survived by his wife; two daughters; three sisters, Helen Simpson of Amarillo, Mary Wilson of Andrews and Lula Mae Sale of Stanton and two brothers, Bill Bassham of Seguin and Roy Bassham of Midland.

He was the cousin of the late B.D. Bassham of Colorado City.

Thompson Dies Here Friday

Sam C. Thompson, 84, of Colorado City died at 1:25 p.m. Friday in Root Memorial Hospital.

Funeral services were Monday at 10 a.m. in the First Baptist Church of Colorado City with Rev. Glenn Roenfeldt, pastor, officiating.

Burial was in the Clairette Cemetery in Erath County under the direction of Kiker-Seale Funeral Home.

Born Oct. 6, 1895 in Erath County, he lived in Colorado City several years prior to World War I and he served in the U.S. Army during the war. He was a member of the Rainbow Division.

He moved back to Colorado City after the war in 1939 and was a Commissioner of Precinct 1 in Mitchell County for 12 years, a constable and lake patrolman and was also a retired farmer.

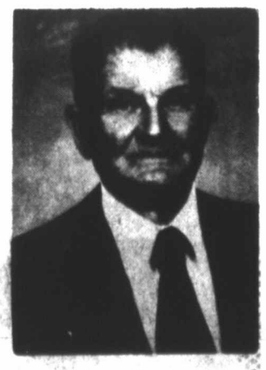

He was a member of the First Baptist Church where he was a member of the Amigos Sunday school class.

He married Linnie Lee, June 6, 1917 in Clairette in Erath County. She died Feb. 9, 1970. He later married Vera Mayfield of Abilene Jan. 8, 1977 in Abilene.

He was a 32nd Degree Mason and past Grand Master of the Masonic Lodge in Stephenville.

He is survived by his wife; a daughter, Mrs. E.J. (Sue) Mathis of Casper, WY; three stepdaughters, Mrs. G.W. McDonald of Houston, Mrs. James Griffin of Lubbock and Mrs. John Compere of Bowie, MD; a brother, Lawrence Chaney of Abilene; several cousins, nieces and nephews; two grandchildren and one great-grandchild.

The family requests any memorials be made to the First Baptist Church in Colorado City or the Clairette Cemetery in Erath County.

Girls Sweep District Crown

The Westbrook Wildcat girls' basketball squad grabbed the District 10-B Basketball Crown in Ira Tuesday night as they featured a balanced scoring attack, a sticky defense and some good free throw shooting to ease past Highland 62-58 in a rock 'em sock 'em two fisted cage contest.

It may have been girls playing but the game was still no place for the faint hearted, as both teams went at each other with everything they had. When you add a rowdy crowd to two such teams, it makes for an exciting evening.

Led by the outside shooting of Teresa Dorn and the inside shooting of Sharla Rollins, the Wildcats took an early lead and held it throughout the first quarter. At the end of that frame they had a 12-10 margin.

About midway through the second frame the momentum began to switch to Highland and they took their first lead 18-16 with 4:16 left in the second quarter. Highland maintained the margin for the rest of the half, leading at one time by as much as five points.

The halftime score was 28-27 in favor of Highland.

The Wildcats began to come back in the third quarter and in the first four minutes of that frame the lead changed hands seven times. Finally with 4:31 left, Westbrook took a 35-34 lead and they never trailed after that, although the score was tied once.

Rose Lopez began to find the range for Westbrook in the third quarter and the Wildcats pulled into a 47-40 lead at the end of that frame.

They stretched the margin to 51-42 with 6:58 left in the last quarter and it looked like they had the game under control. Highland wasn't quite through, however, as they came rolling back to score seven unanswered points and tie the contest at 53-53. That was they best they coul do, however. Westbrook outscored them 9-5 over the last three and one-half minutes to ice the contest away.

It was an ecstatic group of girls and fans and a happy Coach Bill May that heard the final buzzer sound indicating that they were the District 10-B Champions.

Lopez led Westbrook with 22 points. Rollins had 15 while Dorn and Beth Geiger had 12 each. Jana Shackelford had one.

The Wildcats hit 18 of 27 free throws during the contest including one stretch in which Geiger hit six of six.

Westbrook will play either Klondike or Borden County in the bi-district playoff. The date and site of that game has not yet been determined.

In the opening round of the district tournament Monday night, the Westbrook girls rolled over Hermleigh 59-34.

Teresa Dorn and Rose Lopez led the way for the Wildcats in scoring with 20 and 14 points respectively.

Westbrook took a 15-6 lead after the first quarter, stretched the margin to 32-18 at halftime and held a commanding 48-22 lead at the end of the third quarter.

College Students Honored

More than 4,000 students at Texas Tech University qualified for the Dean's honor rolls during the fall semester. Among them were 13 from Colorado City.

Qualifying from Colorado City were John H. Boyd, Jane A. Burt, Shari L. Copeland, Dan M. Feaster, Gerald M. Hill, Timothy W. Love, Alan R. Marcom, Leslie L. Moore, Kelley D. Roach, Cynthia G. Sheen, Clark A. Sweatt, Vikki L. Uselton and Dorothea Westbrook.

To qualify for a Dean's honor roll a student must have a grade point average of 3.0 or more on a 4.0 scale and must have taken as many as 12 semester hours of work.

Mrs. Roy Wells Is Is Chosen For Trip

The north Loraine H.E. Club met in the home of Mrs. Roy Wells in a regular meeting Feb. 6.

Mrs. Raymond Wheeler, president, presided and led the club prayer.

In the business meeting it was voted to give a donation of five dollars to the County Museum. Mrs. Wells was nominated as prospective delegate to attend the District meeting to be held in Llano on April 3.

An announcement was made that the county clubs will meet at the C.C. Thompson Room in Colorado City March 13 and hear a presentation by J.W. Hicklin. He is a lab technologist at Root Memorial Hospital and will talk on various types of blood diseases. This will be the annual health program for clubs.

Members filled out the new year books before closing their business and going in a group to the County Museum in Colorado City where they spent an hour. Museum curator, Mrs. Evelyn Rose, showed them many new items that have been added to the collection there and told of future plans for the museum.

Present were Mmes. Clifton Henderson, Wheeler, Hubert Meadows, Bud Shepherd, Jack Linam, J.M. Templeton, Lola Fay Bennett and Wells.

Valentine Luncheon In The Preston Home

Members of the Baumann H.E. Club met at the home of Mrs. Vada Preston Feb. 5 for their annual Valentine luncheon and business meeting.

The table was laid in white cloth and centered with an arrangement of red candles and red flowers.

After the meal Mrs. Floyd Griffin presided over the business meeting. Roll call was answered with "Mistakes I'll Never Make Again." Pauline Smiley led the club prayer and read minutes of the last meeting. Mrs. Mable Givens gave the treasurers report and Lynne Compton reported on the council meeting.

Mrs. Bernice Hallmark reported on the health meeting she had attended in Colorado City when plans were made for all county clubs to meet on March 13 for this health program.

Members discussed whether to attend the District meeting in Llano on April 3 or to plan to attend the state meeting in San Antonio October 14-17. Mrs. Clara Butler was nominated as prospective delegate to attend the District meeting.

The following chairmen were elected: Mrs. Vada Preston, recreation; Mrs. Lester Webb, education, expansion and exhibits; Mable Givens, finance; Bernice Hallmark, 4-H; Mrs. Harvey Leach, publicity; Clara Butler, health and Pauline Griffin and Mrs. Charlie Harris, special events.

Members filled out the new year books and the president welcomed the two visitors, Mrs. Daisy Bowlin and Mrs. Nola Bennett.

Secret Pals exchanged Valentine gifts.

Present were Mmes; L.E. Crutcher, Harris, Thomas Vest, Gladys Payne, Givens, Butler, Bernice Hallmark, Pauline Smiley, Griffin, Leach, Lynne Compton, the hostess and two guests.

Birth

Mr. and Mrs. J.R. Preston of Salado would like to announce the birth of a baby girl, Amber Lea born Feb. 9 in Salado. She weighed 8 lbs., 6 ozs., and was 20 inches long.

Maternal grandparents are Mr. and Mrs. Floyd Gibbs from Central Texas. Paternal grandparents are Mr. and Mrs. W.C. (Toby) Preston of Salado, formerly of Colorado City.

Paternal great-grandparents are Mrs. Lee Strain of Colorado City and Mr. and Mrs. Ed Preston of Loraine.

Wheeler Presides At Meeting Feb. 7

The women of the First United Methodist Church of Loraine met Feb. 7 in the home of Mrs. Wiley Walker for their regular monthly business meeting and worship service. Mrs. Raymond Wheeler, president, was in charge and Mrs. Percy Bond led the opening prayer.

The hymn "What A Friend We Have In Jesus" was led by Mrs. Frank Crownover and the devotional was taken from the book "Wisdom from Women in the Bible," by Edith Dean. Mrs. Lily Bennett talked on the life and writings of Edith Dean, mentioning 50 women who reflect modern women. She also said it was hard to write about the sameness of women in the Bible.

Mrs. Roy Wells gave a talk from the fourth chapter of Genesis which tells about the birth of Cain and Abel and of Cain's slaying Abel. Mrs. Bond talked on the life of Eve and referred to scriptures in Psalms 46:103, John 16:22 and Ecclesiastes 4:5, quoting "Tribulation to Joy" and "Let Nothing Ever Grieve Thee."

Mrs. James Bennett closed the worship time with prayer.

During the business meeting, Mrs. Bruce Johnson gave an interesting talk on McMurry College and the fund raising drive for the institution.

The group made a contribution to the college. A thank you note was read from the J.G. Bruce family for a memorial and for the contribution to the McUrdy School of Missions. Members also voted to purchase shades for the fellowship hall at the church and a love gift was sent to the Waco Orphans' Home.

The next meeting will be in the home of Mrs. Crownover with Mrs. Bond leading in the study.

Present were Mmes. S.E. Meadows, Lily Bennett, J.M. Templeton, Bond, Harold Martin, Nola Bennett, Bruce Johnson, Wheeler, Wells, Ruth Blair and Lola Fay Bennett.

Here's why it takes *fuel* to make electricity.

It takes fuel to make electricity.
A lot of people don't understand that, but it's true.
Most of the power plants in this country require steam to generate electricity. To make steam you must boil water, and that requires a lot of heat.
That's why we have to buy and burn large amounts of fuel, such as lignite coal and natural gas, every month. The steam we make with it turns the generators that make your electricity, which we distribute to you right when you need it.
The fuel we use costs money. And the cost of the fuel to produce *your* electricity is shown separately on your bill. At Texas Electric, we want you to know what you're paying for. And to remember: it takes fuel to make electricity.

FAIR, From Page 1

leen Palmer and Mildred Free to create a packet including discount coupons, advertisements for giveaway programs and "Shop Colorado City" letters.

The purpose of the project is to help acquaint persons attending the Fair with what Colorado City has to offer.

Plans for the packet will be presented to the entire Merchants Committee for final acceptance.

One definite idea which came out of the meeting was a suggestion box to be placed in the Chamber Office. This box will be designated for ideas, suggestions or complaints about Chamber operations or functions.

Merchants appointed Leslie Perkins to head a committee to study a proposal submitted by Betty Williams, utilizing "Colorado City Dollars." This idea was submitted as a continuing promotional program.

Gay Houston was appointed to be a chairman of a committee to work up quarterly promotionals on a continuing basis.

Hubbard was chosen to head a committee to gather information on the number and affect of persons utilizing Lake Colorado City during the summer months.

In relation to this study, a welcoming and contact letter to persons making advanced reservations at the lake was suggested.

After information is gathered by Hubbard's committee, the project will be brought before the entire Chamber for consideration.

"There was a lot of interest and enthusiasm among the merchants attending the meeting," Chamber Manager Starr Greenblatt announced.

"From this point on, the meetings will be held on a 'need to' basis.

BUS, From Page 1

State University in Alpine, Texas.

The school board also approved and amended a number of regulations, one of which concerned the conduct of students on school busses.

Briefly, the rule states that when a student is guilty of misconduct on a bus, the driver will make an effort to correct the problem. If this effort fails, the driver will turn the problem over to the student's principal who will use his judgment as to the appropriate action which should be taken to prevent the reoccurrence of the incident.

The student may be suspended from one da to two weeks the first time and subsequent suspensions may cover the remainder of the school year.

Craddock said at the meeting that on Feb. 4 he had received a check from the Lo-Vaca Gathering Company for the amount of $10,866.71 which they said was payment in full for the taxes assessed them in 1979. Craddock went on to say that the check had been returned to Lo-Vaca, since the amount assessed them had been $24,628.28, and telling them that partial payment could not be accepted and penalty and interest on the 1979 taxes would begin on Feb. 1.

Craddock added that Lo-Vaca is now three years behind in the payment of their taxes and, including the penalty and interest added to those taxes, they owe the school about $84,000.

The school currently has a civil court case in progress against Lo-Vaca.

Superintendent Charlie Uselton also announced after the meeting that he had received a written resignation from Kelley Elementary School Music Teacher Quinn Thornburg effective as of March 7 and that this resignation would be acted upon at the March school board meeting. Mrs. Thornburg will be replaced by Mrs. Kathy Terrell.

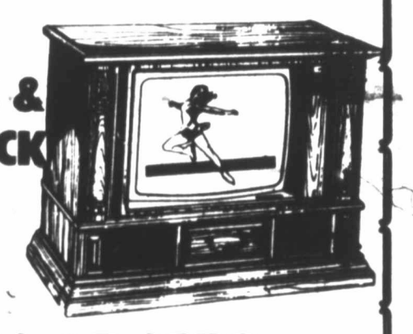

Drivers' License Office Closed

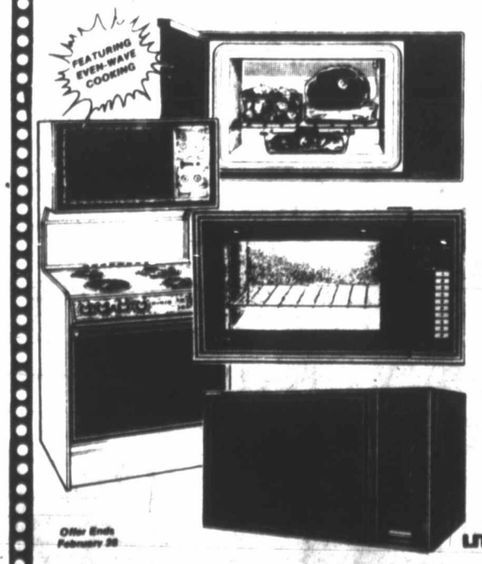

The Texas Department of Public Safety Drivers' License Office will be closed Monday, Feb. 18 in observance of Washington's birthday.

"There was a lot of interest and enthusiasm among the merchants attending the meeting," Chamber Manager Starr Greenblatt announced.

INSTRUCTIONS TO BIDDERS

1. Sealed Proposals addressed to Mr. Ronald D. Bruce, President, Board of Trustees, Loraine Independent School District, Loraine, Texas, shall be received in the Library in the Academic Building until 3 p.m., Thursday, March 13, 1980, at which time they shall be publicly opened and read aloud for the furnishing of all labor, materials, equipment and performing all work required for the Additions and Renovations for the Loraine Independent School District, Loraine, Texas, in accordance with plans, specifications and contract documents as prepared by Huckabee and Donham Architects and Planners, Andrews, Texas.

2. Lump sum proposals will be received for the General Construction which will include Plumbing, Heating, Air Conditioning and Electrical Work.

3. A Cashier's Check, Certified Check or acceptable Bidder's Bond payable to the Loraine Independent School District in the amount of not less than 5 percent of the largest possible total for the bid submitted must accompany each bid.

4. Attention is called to the fact that the contractor must comply with all Federal, State and Local Labor Laws.

5. The successful bidder will be required to enter into a contract with the Loraine Independent School District, Loraine, Texas, and furnish a Performance and Payment Bond in the amount of not less than 100 percent of the contract price, conditioned upon the performance of the contract.

6. Attention is called to the fact that the Owner is exempt from the payment of the State Sales Tax normally levied against material costs. In order to take advantage of this exemption, material and labor costs must be identified by the successful bidder. In developing this division of labor and material costs, the bidders are cautioned to include all costs and allowances not representing direct material costs with labor. The contract sum, as identified by the Base Bid shall not include any allowance for the payment of State Sales Tax on materials required to complete the work. The successful bidder, upon award of the contract, will be furnished with a permit number which will enable him to purchase the required materials without payment of such taxes.

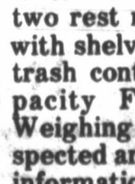

7. Specifications and plans may be obtained from the Architect in accordance with the stipulations set forth under Deposits and Refunds.

8. The bidder acknowledges the right of the Owner to reject any or all bids and to wiave any informality or irregularity in any bid received. In addition, the bidder recognizes the right of the Owner to reject a bid if the bidder failed to furnish any required bid security, or to submit the data required by the bidding documents, or if the bid is in any way incomplete or irregular.
