Notices of church entertainments where admission is charged, cards of thanks, resolutions of respect, and all matter not news, will be charged for at regular advertising rates.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected if called to the attention of the management.

CLASSIFIED RATES — 5 cents per word first insertion; 4 cents per word each additional insertion. Minimum charge 50 cents per insertion.

Cuba Won't Go 'Way

CUBA WON'T GO 'WAY'

After the commotion in Mississippi has receded into the mists, after the World Series is over and the last word has been written on the magnificent six-orbit ride of Astronaut Walter Schirra — and after Khrushchev, on his UN visit, makes or fails to make a deal to relax Berlin pressures — Cuba will still be right where it has always been, 90 miles from territorial US.

Terrifying now, as a mighty, 40,000 square mile Sino-Soviet invasion base, it will grow even stronger day by day — at least until mid-October. About that time, according to the White House, there will be some discussions about denying US seaports to the ships of our allies and other nations that are engaged in speeding Red arms, material and men to this island fortress which we allowed a verminous bandit to seize for the Kremlin.

Meanwhile, confusing advices from on high are that Secretary of State Rusk told the recent Western Hemisphere Foreign Ministers' Conference in Washington that we had decided to close our ports to such ships, after Under Secretary of State Ball had told Congress that only Soviet ships had carried arms to Cuba since July. Yet the US Maritime Commission reported that 169 free world ships — 76 of them with cargoes from Communist countries — went to Cuba in June, July and August.

And Americans, who had read in their newspapers of the Administration's strenuous efforts to per-

suade our allies to stop ferrying Russian munitions to Cuba, heard the British Chancellor of the Exchequer saying on a US television program that he had not asked his country to withhold its ships from the Cuban arms run — but probably would if we did request it.

What is the explanation of this apparent desire to distract our attention from Cuba and the continuing vacillation in facing this Soviet challenge? Is it possible for responsible statesmen to believe that Khrushchev is creating this vast fortress to aid Castro? Or are the free world leaders agreed on the "better Red than dead" philosophy?

At this late date we can think of no convincing (or effective) act of honorable intent short of blockade.

WHO WANTS RED CHINA IN UN

Thirty-six senators and 223 representatives (111 Democrats and 148 Republicans) have joined forces in issuing a Declaration calling for US defense of Quemoy and Matsu and rejection of any "two-China" policy which would seat Red China in the UN.

The Declaration is in support of the petition of 1,125,000 Americans to the same effect, and in anticipation of a rumored "deal" with Khrushchev to let Red China sneak in the back door if he will remove the heat in Berlin and slow down in Cuba.

The Committee of One Million challenges all candidates for public office to declare their position. Advice to voters: Ask 'em yourself!

"Last year the government stock piled \$81,272 worth of goose and duck feathers, an amount equal to the federal income tax of 246 married men, each with two children, and earning an average of \$4,500 a year."

Office Supplies at the Stockman

Bazaar Plans Occupy Woman's League Meet

The Ozona Woman's League met in the home of Mrs. Eldred Roach Tuesday, with Mrs. James Chapman and Miss Jean Powers as hostesses.

Mrs. Jim Dudley, president, led the group in reading the club Collect and introduced two guests, Mrs. Bob West and Mrs. Graham Childress.

Members answered roll call by displaying objects they have prepared for the club's bazaar to be held in the village shopping center on November 14. A variety of items was shown, including Christmas stockings, aprons, stuffed dolls, Christmas decorations, place mats, doll clothes, smocked pillow, etc.

Mrs. Dudley asked for volunteer to help with the polio oral vaccine drive. Members were asked to help with the registration, giving the dosage, and to assist doctors on the day of the mass inoculation, the first of which is set for November 11.

Mrs. Joe Couch, bazaar chairman, was leader of the day's program. The bazaar theme will be "Happy Holidays." Tickets will be sold on a turkey to be given away at Thanksgiving, a ham at Christmas and a leg of lamb for Easter.

Mrs. Jack Brewer, Jr., gave a demonstration on making bazaar articles. She demonstrated making Christmas tree balls and other Christmas decorations, stuffed dolls, etc.

COMMUNITY CENTER NEWS

The Boy Scouts from Troop 163, sponsored by the Ozona Community Center, attended the Permian Basin District Camporee at the O'Hara Ranch near McCombs last week-end. Two patrols entered the various contests such as fire by flint and steel, water boiling, signaling and physical fitness. The Hawk Patrol won a rating of Standard and the Indian Patrol earned the score, participating patrol.

Carlos Lopez and Porfirio Barboza accompanied the following: boys; Oscar DeHoyos, Buster Reina, Porfirio Barboza, Jr., Victor Villarreal, Joe Martinez, Ray E. Therride, Joe Galan, Pedro Galvan, Jesus Ramirez, Elias Elizondo, John Tambunga, Armando Tambunga and Placido Borrego.

The troop committee members who furnished transportation and visited the camp were Porfirio Barboza, Carlos DeHoyos, Gabriel Longoria and Joe Martinez.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — With 12 indictments already returned in the East Texas slant-hole investigation, there are strong side-currents growing out of the East Texas scandals.

Rep. Charles Ballman of Borger and his fellow House investigators sent a preliminary report to Speaker James A. Thurman and Gov. Price Daniel. They urged "immediate action" on eight changes in or additions to the criminal laws.

They also proposed that a procedure be set up to replace state officials who become ill and unable to handle their duties. This obviously is a reference to Railroad Commissioner Ernest A. Trompson, who has been ill at his home in Amarillo for several months.

A major policy change would be revision of the old "marginal well law" which could be very important to many Texans, particularly in old oil areas.

Present law says that if an oil well cannot make as much as 20 barrels a day, it is a "marginal well" which must be exempt from shutdown days. Thus, a well producing 19 barrels a day will get an allowable of 570 barrels a month. But a well capable of making 1,000 barrels a day will be held to 160 barrels a month — 20 barrels a day ties eight producing days.

Committee recommended that marginal wells be held to the same monthly allowable as a non-marginal well in the same field.

Governor Daniel has been non-committal on the possibility of calling a special session of the Legislature to act on this and other current problem areas.

Commission Shakeup — Texas Railroad Commission is under a reorganization study by the Texas Research League. Already changes in procedures are being put into effect.

Commissioners William J. Murray Jr. and Ben Ramsey named a committee of oilmen headed by James E. Russell of Abilene to advise on revision of rules and procedures which most admit had become too cumbersome and slow.

Padre and Madre — Land Commissioner Jerry Sadler continues his battle against creation of the

Padre Island National Monument. He has charged that the state school land in Laguna Madre did not make bonus offers to the state of passage of the Padre Island. Sadler intends to oppose the land in Laguna Madre for the recreation area.

He has hired Captain C. Russell of Fort Worth, retired as director of the West Division of the Geodetic Survey, to survey the area along the Gulf.

Although the "border lands" law was passed there has not been a battle between Texas and the Gulf where the exact border Russell, whose life work is in coastal surveying, will take that chore.

Cash and Hand — There has been lots of talk about state government being in a really never has been. On August 31, when the year ended, the state had a cash balance of \$219,000,000.

Deficits have been one of the state's 380 or so in the General Revenue Fund the others always have been.

Comptroller Robert C. Texas some charge where \$1,300,000,000 a year. Education took 40 of each dollar, highway 10 cents, public welfare 10 cents, state hospitals 10 cents, 5.16 cents, and all the Legislature, courts, agencies and everything cost 9.04 cents of every dollar.

STRAUS MEDINA BULL

The prominent and known Straus Medina Ranch will sell at the miles west of San Antonio on November 13, 200 head and singles. Included in the sale will be 135 pasture year-old bulls and 65 head yearling bulls.

75th Anniversary Of Baptist W.M.U. Being Observed This Year

The W. M. U. met in the fellowship hall of the First Baptist Church Wednesday morning. After the group sang the WMU song, Mrs. J. T. Keeton read the prayer calendar and gave the prayer.

A program was presented on the organization of the W. M. U. and its history to today. This year is the 75th anniversary of the W. M. U. and the 50th anniversary of the Girls Auxiliary. Those depicting early day characters were Mrs. Harold Shaw, Mrs. Joe Bean and Mrs. Robert Moore. Women of today were Mrs. Elmer Phillips, Mrs. Donald Carr and Mrs. Jim Carpenter. Mrs. George Loudamy was leader.

A short business session followed. Mrs. Doyle Perdue and Mrs. A. G. Walter were welcomed as new members.

Preceding the program, the Round Table Book Club met at the church. Mrs. W. C. Smith gave a resume of "No Garlic in the Soup" by Lenard Wilberley.

HOT TAMALES at South Elementary School cafeteria Saturday, Oct. 13, 12 noon till 6 o'clock. Eat 'em there or take 'em home with you. For frozen tamales, available Friday, call 2-3191.

Tips On Bulb Planting, Fall Garden Reminders For Garden Club Meet

Tips on Spring flowering bulbs fall care of gardens and demonstrations on arrangements were features at the regular meeting of the Ozona Garden Club Monday afternoon in the home of Mrs. Max Schneemann. Mrs. Stephen Perner was assisting hostess.

Mrs. Jess Marley spoke on bulbs and their planting, demonstrating and recommending the use of plenty of peat moss and sand for bulb beds and care in planting bulbs the right depth. Now is the time for planting bulbs, she told the group.

Mrs. N. W. Graham gave some timely and experienced reminders for the fall care of gardens.

Mrs. W. T. Bradbury showed and explained her mass arrangement. It was made of pink coccinella, pink balsam and roses and buds shading from pink to white. These were set off with fronds of dusty miller. The arrangement centered the tea table where coffee and cookies were served by the hostesses.

Mrs. L. B. Cox, Jr., president, held a short business session. The civic chairman, Mrs. Jess Marley suggested a fall cleanup to beautify the town for the winter holiday season.

An invitation from the Iraan Garden Club to attend their fall show October 23 was read by Mrs. Glenn Sutton, secretary. Mrs. Ralph Jones exhibited the pretty Christmas paper and gift wrapping materials for sale by the club.

Attending were Meses, Jess Marley, Dub Pettit, J. B. Miller, A. S. Lock, Bailey Post, Floyd Henderson, N. W. Graham, Leonard McCrary, Lloyd Sherrill, Perry Hubbard, Cecil Hubbard, V. I. Pierce, W. O. Mills, O. D. West, Ivy Mayfield, L. B. Cox, Jr., Paul Perner, Glenn Sutton, Tom Ed Montgomery, W. T. Bradbury, Ralph Jones, Max Schneemann and Stephen Perner.

HOMEMAKERS CLASS

The Homemakers Class of the First Baptist Church met last week in the home of Mrs. A. G. Walters for its monthly meeting. Mrs. E. B. Nicholson gave the opening prayer and the closing prayer was by Mrs. Ernie Boyd. Others present were Mrs. O. H. Goodman, Mrs. R. C. Pitts and Mrs. Dudley McCary.

Mr. and Mrs. Hack Leath and Mr. and Mrs. Fred Hickman were in San Angelo Saturday night to see the ACC vs Fresno State game.

Accurate and Complete

RANCH RECORD

Are More Important

Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

EDITORIAL

By Ronnie Houston

One of the greatest problems among American high schools today is the increasing number of persons who drop out of school before graduation. Although many girls also drop out of school, a great majority of those who do not finish are boys.

Statistics show that an average high school graduate earns considerably more than one who did not finish school. No doubt, there are many exceptions to this but, as stated, they are the exception rather than the rule.

Certainly many persons have valid reasons for dropping out of school, but most drop out simply because they are "tired of school!" This is not a justified reason.

Although a person may seem to spend a great deal of his time with matters that concern school, he will probably find that if he graduates, the time he spent in high school was surely not wasted and seemed to fly too fast.

Each high school student must keep a goal of graduation in mind. This may seem a long way off, but surely one can wait four years for a better chance at success. Each should make the most of his diploma and be proud of this accomplishment.

FRESHMEN DAYS

By Andie Elliott

To the immense relief of all OHS frosh, Freshman Week is over.

In addition to the customary wearing of clothe wrong-side out and backwards, the freshmen were required to perform various errands and tasks for their masters, such as carrying books, shining shoes, and holding doors open.

A few of the funnier incidents are mentioned here.

De De Beauchamps, freshman (a boy) appeared in class wearing a dress and a Miss Universe sash, while Fred Baker was decked out in a baby bib, bonnet, and pacifier.

Jackie Meadows wanted to see Penn Baggett's hairy legs. (She didn't get it!)

Marriage proposals were very popular, to the great embarrassment of many freshmen and upperclassmen.

Many of the freshmen were required by their masters to declare their loyalty to their owners classes by appropriate yells. Friday afternoon, as the final bell announced the end of Freshman Week, there went up from the halls of OHS a thunderous roar of yea freshmen!

The upperclassmen are pretty well satisfied that the frosh have been properly initiated, and the freshmen are already laying plans for next year's newcomers to high school.

MRS. CARSON PRESENTS ASSEMBLY ON SUMMER TRIP

Mrs. Ira Carson presented the assembly program Wednesday in the high school auditorium.

Mrs. Carson showed slides taken on her trip to the Hawaiian Islands. She and Mr. Carson were there during the first 2 weeks of June of this year.

The program consisted of 100 slides and lasted about 30 minutes.

Last year Mr. and Mrs. Carson went to Alaska and stayed six weeks.

Mrs. Carson showed slides on Alaska in an assembly program last year.

BASKETBALL GIRLS TO HAVE MEETING

All girls interested in playing basketball are invite d to attend a meeting next Monday, October the fifteenth, in the girls' gym. Coach Murdock will hold the meeting at 3:45.

NEW STUDENT

There is an additional new face who has been seen in our school halls.

The sophomore in question is

from Roswell, New Mexico. He is Lawrence Gerald (Jerry) Colcord. Jerry was born on November 10, 1946 in Roswell, and he has attended Roswell schools all of his life.

When asked what he thought of Ozona High School, he reported that he enjoyed it very much, especially study hall. The reason he likes study halls best is because he did not have a study hall in Roswell.

Good luck and best wishes go to this new OHS sophomore.

MUM SALE

October 15 is the starting date for the Junior's mum sale. The mums will be delivered November 9.

The mums are being sold for the Eldorado game. The price are \$2.50 for mums with numbers and \$1.50 for mums without numbers.

The Junior are starting the sale early in order to secure as many sales as possible.

WOOL CONTEST

"Make It Yourself with Wool" contest will be held in Ozona again this year.

According to Home Economics

WE ARE WORKING FOR YOU, THE PRODUCER
Phone 2-2125 Jim Carpenter, Mgr.

teacher Miss White, the garments will be made at home because the H. E. classes are too large for the contestants to work at school.

The garments will be made of American loomed wool.

Girls wishing to enter should send their applications to the Denver office. They will be sent entry blanks which they will send to district, state, and national, contest. Mrs. Mahlon Robertson is the County Director. If contestants wish to know anything about the contest, they should contact Mrs. Robertson.

The contestants should have their garments finished by the first week in December.

ACHIEVEMENT TESTS

The first achievement tests to be given at Ozona High School will be the Flanagan Aptitude Test for Freshmen only. This test gives the aptitude of each person in 27 career fields. The test will be given October 29 and 30th in the Cafeteria.

The second test will be the Iowa Test for Educational Development. It will be given to all students, November 6th and 7th in the High School building.

The 3rd test will be the National Merit Scholarship Examination. It will be given to Juniors

only on March 9th in the High School building. This test is voluntary and will cost \$1.00.

About the middle of March, San Angelo College will give the Kuder Preference test to Seniors only. This test will be given in the cafeteria.

See four entirely different kinds of cars at your Chevrolet dealer's... Chevrolet, Chevy II, Corvair and Corvette
See the "New Reliabilities" now at your Chevrolet dealer's!

smooths bumps better
than a bulldozer

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) The '63 Bel Airs, Biscaynes and Impalas are equally easy going on upkeep. Brakes are self-adjusting. New Delcotron generator s-t-r-e-t-c-h-e-s battery life. Even the rocket panels on the Body by Fisher are self-washing and ventilating to cut down on rust. Your dealer's waiting to tell you lots more.

FUN WITH THE FISH By Joel Huff

We are crazy,
We are crazy,
We are nuts,
We are nuts,
Stupid little freshmen,
Stupid little freshmen,

This is the song heard through-

out the halls of OHS last week

during the freshmen days.

It was not to only song however.

There were other poems, rhymes,

and dances that the 'fish' learned

and sang for the entertainment

of their masters.

High school was thought to be

for fairly mature people, but this

theory was disproved by the ap-

pearance of baby bottles, rattles,

and pacifiers — all "Freshmen E-

quipment."

Among other things the poor

freshmen were instructed to climb

the fire escape and proclaim the

superiority of their master's class.

The freshmen athletes were giv-

ing quite a workout last week. It

was proven that "bear walking"

(walking on the hands and feet)

up the stairs backwards was not

impossible. Other events included

push-up contests, crab-walking

aces, and duck-walking races.

It was observed that boys and

girls alike were fighting off fresh-

men who had been instructed by

their masters to kiss a certain up-

perclassman.

Oh well, freshmen week is over

for this year. Upperclassmen can

start planning more diabolical

stunts for their poor slaves next

year.

THE PARTY LINE

"There is only one thing in the

freshmen, or was it from the so-

phomores, Saturday night?

Kay Noelke welcomed her 'sweet

sixteen' birthday by a trip to the

Sonora Caverns.

Anybody interested in Interschol-

astic League Literary events

should talk to Mr. Leath.

It seems that certain group of

individuals have recovered enough

from Freshmen week to pose as

sophomores, when it comes to col-

lecting boxes.

Paul Perner has his seventeenth

birthday today. Congratulations,

Paul!

Enjoyed Mrs. Carson's slides on

Hawaii. Don't you seniors think

that Hawaii would be a nice place

for a senior trip?

Wonder what Freshmen girl

think "dear" season is already here

and is after a certain upper class-

man?

Glad to see Ronnie Mason back

in school.

Heard that some of the Junior

masters were not satisfied with

their freshmen slaves.

Seems that Mr. Green is a Cas-

anova. How about it Mr. Green?

oOo

ELIGIBILITY

Each year many students move

from one school to another. Some

of these participate in football,

basketball, and many other sports.

When a student moves, he may

forfeit a year of eligibility. If a stu-

dent plays football or basketball

in one school and then moves to

another school, he must attend this

school for one year before he may

participate in either of these two

sports. However, a student may

participate in track, baseball, or

any other spring sport after at-

tending the school for thirty days.

Another situation that may arise

is that a person may have partici-

ipated in a spring sport, move

to another town, and wish to par-

ticipate in a winter sport, football

or basketball. In this situation, a

person may participate in the win-

ter sport.

Eligibility is not only concern-

ed with moving, but it is also con-

cerned with scholastic work.

A student must be passing three

or more solid subjects with an

average of above seventy to be el-

igible.

In many schools, the average

grades of the students are checked

each week to make sure of stu-

dent's eligibility.

In Ozona High School, the a-

verage grades are checked on a

each six weeks.

oOo

BAND TO ATTEND CONTEST

For the first time in several

years, the Ozona High School Band

under the direction of Mr. Eddie

Green, will attend the Interschol-

astic League Marching Contest.

The contest will be held on Sat-

urday, November 17, at Fair Park

Stadium in Abilene.

The Ozona band, consisting of

70 members, will be judged ac-

cording to class standards, which

allow as many bands as are capa-

ble to receive first ratings. The 12

class A bands competing must de-

monstrate 5 maneuvers while

marching and playing.

The twirlers will compete in an

ensemble routine besides march-

ing with the band. Each twirler

will also prepare a solo to be pre-

sented before judges.

oOo

PTA PLANS MEETINGS

The Parent Teacher's Associa-

tion will hold its meetings at 7:30

every third Monday night of each

month. The meeting in April will

be moved to the fourth Monday

because of the Easter Holidays.

The programs for this year are:

May — Student Awards;

This year's officers are: Presid-

ent Mrs. Boyd Baker, First vice-

president, Mrs. Roy Killingsworth.

Second vice-president, Mrs. Harold

Shaw; Third vice-president, Mrs.

Tom Mitchell; Treasurer, Mrs. Joe

Couch; Secretary, Mrs. Fred Hag-

elstein; Historian, Mrs. L. R. Len-

ington, and Parliamentarian, Mrs.

R. L. Bland, Jr.

Pumpville News

By Mrs. Andy White

Hobby Club Meets

The "Hobby Club" honored Mrs. Newman Billings with a birthday surprise party. Dinner was served at noon, each member bringing a covered dish. Fried chicken, string beans, macaroni and cheese, green salad, cauliflower, cake, pie, coffee and tea constituted the menu.

After dinner, Mrs. Billings opened her gifts, and Mrs. Andy White took movies of members.

A business meeting was held at 3 p. m. Mrs. T. H. Eastman, president of the club, called the meeting to order. Mrs. Susie Montgomery opened the meeting with prayer.

The Hobby Club will have a game night Nov. 10 at the school house in Langtry, Texas, beginning at 7 p. m. Admission is 50 cents, which will include the games, coffee and doughnuts. The public is cordially invited.

A new member, Mrs. Anne Harrison, was welcomed into the club.

After the business meeting, Mrs. Susie Montgomery presented Mrs. Eastman with a set of stainless steel silverware, the gift of the club in appreciation for her service as president. Mrs. Lois Green won the door prize. Mrs. Montgomery dismissed the club with prayer. A social hour followed, with cake and coffee for refreshments.

Members present were Meses. W. H. Arledge, Lois Green, Hazel Gurley, Bee Henderson, Newman Billings, Susie Montgomery, Harvey Hall, Emmett Cain, Jim Powers, Harve Eastman, Andy White, Dewey Ward, Anne Harrison, E. P. Bradford, Robert Pavillea, and Charles Schnaubert. Also present were Messrs. W. H. Arledge, Andy White, Harvey Hall, Harve Eastman and Emmett Cain.

Mr. and Mrs. Newman Billings of Pumpville, Texas, were guests of their son-in-law and daughter, Mr. and Mrs. Johnny Clark, Jr.,

of Olton, Texas. Mrs. Clark's son, Johnny said he was doing fine and wished to say hello to all his friends.

Mr. and Mrs. T. W. Hooten left for their home in Lometa, Texas. Their daughter, Mrs. Emmett Cain, took them home.

Mr. and Mrs. W. H. Arledge attended the Texas Sheep & Goat Raisers Assn. meeting in Ft. Stockton.

This is real news — The Pumpville and surrounding territory had a nice, slow rain. Always need more —

Mr. and Mrs. Charles Steele from Rockport, Texas, were guests of Mr. and Mrs. Andy White. The Steeles visited relatives in Seattle Wash. They had been gone about a month.

Mrs. Cam Longley is visiting her daughter, Mrs. Calvert Curry in Lubbock. She is expected to be home on her ranch soon.

Mrs. Lois Green has been visiting her sister, Mrs. Hazel Gurley of Langtry. Mrs. Green and Mrs. Gurley plan to visit their brother, W. B. Gunn of Midland for about two weeks. Mrs. Green will then return to her home in San Diego, Calif.

GARDEN NOTES

Pansy seed should be put in now in order to have plants for early Spring bloom. Buy the best available.

Roses in containers can be selected in bloom now as many varieties produce the best bloom in the fall. Prepare the hole to receive the plant as carefully as is recommended for the bare root stock.

Likely to receive top attention every fall are the tried and true chrysanthemums. Try some of the cushion mums that bloom earlier than other forms, starting as early as June and continuing until frost. They do not need staking.

LAMB RECIPES

LAMB-APRICOT-CURRY KEBABS

(yield: 8 to 10 servings)

3 pounds Lamb Leg
2 tablespoons butter
1 medium onion, chopped fine
1/2 clove garlic, chopped fine
1 pound, 14 ounce can apricots, drained, (reserve liquid)
2 tablespoons brown sugar
1 tablespoon curry powder
1 teaspoon salt
Dash of cayenne pepper
3 tablespoons vinegar
1 cup liquid drained from apricots (add water to make one cup)

Trim lamb and cut into 1 1/2 inch cubes, place in bowl. Melt butter in heavy skillet. Add onion and garlic, cook until soft. Stir apricots and remaining ingredients to skillet. Mix thoroughly. Cover. Simmer about 10 minutes, adding water if mixture becomes too thick. Cool. Pour over lamb cubes. Refrigerate for several hours or overnight. Drain meat and thread cubes onto long metal skewers, allowing space between for thorough cooking. Broil. Turn frequently to brown. Kebabs will be done in about 20 minutes. Heat the marinade. Serve with kebabs.

Mrs. Georg Montgomery

WOMAN'S GOLF-BRIDGE ASSN.

Mrs. Joe Clayton was hostess last week for the Woman's Association of the Country Club.

Mrs. Jess Marley won low putts and also low net on the club trophy play in golf.

High score in bridge went to Mrs. Eldred Roach, second high to Mrs. Evert White, low to Mrs. John Childress and cut to Mrs. Jack Williams.

Others members attending were Mrs. Gene Williams, Mrs. Dempster Jones, Mrs. Lloyd Sherrill, Mrs. Carl North, Mrs. George Bunker, Mrs. Armond Hoover, Jr., Mrs. Gene Lily, Mrs. Brock Jones, Mrs. W. T. Bradbury, Mrs. J. M. Baggett, Mrs. P. C. Perner, Mrs. V. I. Pierce, Mrs. C. O. Walker, Mrs. Joe Couch, Mrs. J. S. Pierce, III, Mrs. Byron Williams, Mrs. Mike Clayton, Mrs. Lee Fawcett and Mrs. Joe Pierce, Jr.

Miss Joyce Stegmoller of Ozona spent the weekend with her parents at their home in Indian Gap, Texas.

Woman's Society Holds Second Study Session

Meeting Wednesday morning in the Methodist Church, the Woman's Society of Christian Service met for their second session on the study "Responsible Adults For Tomorrow's World" by J. M. Ault, under the direction of Rev. Morris Bratton.

The worship service was led by Mrs. W. O. Mills, Jr. Topics discussed were "You Are Accepted" by Tillich and "The Christ of History". The scripture was from Luke 14: "The Faith That Motivates Us" was the theme from the text.

The study will be continued next Wednesday at the church, with discussions on "The Church As a Family of God" and "Renewal In The Church" and "The New Biblical Theology In Parish Life."

Those attending were Meses. Ruben Whitehead, C. F. Brown, Morris Bratton, L. B. Cox, Jr., Joe Tom Davidson, Floyd Henderson, John R. Hunnicutt, S. M. Harvick, R. A. Harrell, Ralph Jones, L. D. Kirby, V. I. Pierce, W. O. Reeves, Joe Williams, Leon Patterson, Jack Baggett, Paul Perner, Bailey Post, W. D. Cooper, John W. Henderson, B. B. Ingham, Sr., Keith Mitchell, Evert White, Bill Groves, Bill Y. Friend, Joe Pierce, Jr., Charles Williams, Sr., L. B. Cox, III, Clinton Whitl and Dick Henderson.

CROCKETT HOSPITAL NEWS

TEXAS HIGHWAY DEPT. NOTICE TO BUILDING CONTRACTORS

Sealed proposals addressed to the State Highway Engineer of Texas, for the construction of a General Maintenance Building to be located on the property of the Texas Highway Department on State Highway 163 North of Ozona, State Project MC-7-F-8 in Crockett County, will be received at the office of the State Highway Engineer, Austin, Texas until 2:00 p. m., October 18, 1962, and then publicly opened and read.

The building consists of approximately 7,140 square feet including an attached service station canopy. The Building is constructed of lightweight concrete tile, open web joist roof framing, built-up roofing and a concrete foundation and floor.

Plans and specifications including minimum wage rates as provided by Law will be furnished to any Contractor desiring to submit a bid and must be secured from the Chief Engineer, Maintenance Operations, (File D-18), Texas Highway Department, Austin, Texas or from Mr. J. A. Snell, District Engineer, Texas Highway Department, San Angelo, Texas. Usual rights reserved.

Mrs. J. M. Baggett is spending this week in Austin visiting her daughters Mrs. Jerry Pace, and Mrs. Hiram Brown, and their families.

Notes From The County Agent's Office

By Pete W. Jacoby

Fine wool ewes that have one dry season may deserve another chance, says a new Progress Report 2238, Lamb Series 34, of the Texas Agricultural Experiment Station.

Such ewes that do not lamb in their first season may become as good producers as those that lamb every season. The report explains that under range conditions some ewes may not have sufficient development by their first breeding

season to lamb and yet it would not be economical to replace them before they have a chance to develop. However, ewes under farm type conditions should have the necessary growth and should be culled if they do not lamb.

The report points out that mature ewes that had dry years either on range or farm conditions are less satisfactory breeders the following year. The report again recommended that ewes on the range should not be culled for economic reasons but that the ones on the farm type management should be removed from the flock.

The report says that ewes that have twins under either condition were better producers the following seasons.

Therefore, the decision as to whether to cull or not depends on the conditions under which the animals are raised, the number of ewes available for culling, the cost of the replacements, and the age of the ewes.

For more information on the relation of one dry season to the later productivity of fine wool ewes, write the Agricultural Information Office, College Station, and request the Progress Report 2238, Lamb Series 34.

HOT TAMALES at South Elementary School cafeteria Saturday, Oct. 13, 12 noon till 5 o'clock. Eat 'em there or take 'em home with you. For frozen tamales, available Friday, call 2-3191.

RE YESTERDAY IS GONE - - - - TODAY IS HERE!

Yesterday was the 10th — the day that all member merchants expect to receive their pay for purchases made the month before. Did You Pay Yours?

Nowadays, charge accounts and installment buying make it possible for people with regular incomes and good references, to spend a great deal of money which they have not yet earned. Sometimes credit — for buying now and paying later — is all too easy to get.

Remember, first, that you will eventually have to pay for what you buy or lose it and if you cannot pay for what you buy you will lose your credit and your good name. You would do well to think twice before availing yourself of all the credit privileges that are offered to you.

The local Retail Merchants Association — your credit bureau — is one of the vital nerve centers of the community, because it is their business to investigate the reliability of the people who apply for credit to our merchants. If you have conducted your affairs efficiently and in good faith, you need not fear for your own credit standing.

The credit bureau can be a great help to you and to the merchants when you make application for buying merchandise for which you wish to charge.

You will find that a good paying record and a good reputation will go along way in enabling you to get credit when you need it.

will be sufficient to continue the sterile fly program until February 7 but unless more funds are made available then, federal matching funds will be withdrawn and the program will come to a halt.

"I don't believe the livestock people of Texas will let the program die with success in sight," Kincaid said. "Had all the other counties of the state done as well as the Edwards Plateau counties, we would have had more than \$4 million instead of the \$1.8 million raised. But they didn't organize as thoroughly as did we in this area and evidently didn't get the story across to their people as well as the committees in these counties did."

"Unless we have the \$3 million from the livestock people by the time the legislature meets next January, we will not be in position to ask the state to match that amount to meet the federal government's matching \$6 millions which will be needed to finance the eradication program. And unless these funds are forthcoming, the program is going to come to a halt on February 7th."

Kincaid pointed out that the program is working in the Rio Grande valley where sterile flies are being released to destroy the fly in its overwintering area. Winter is expected to help out in killing the fly in areas further north and the real test of the program will come next spring when an all-out battle will be waged to keep the screwworm fly confined south of the Mexican border and prevent his annual migration northward to bring an annual 100 million dollar loss to the livestock industry in the southwest.

Kincaid took occasion to assure the assembled ranchmen that not one penny of their funds had been used to date for any other purpose than in the actual battle against the screwworm, all administrative costs having been met out of other funds.

Football —

(Continued from Page One)

the play was completed and then scoring on the same play to the other side.

The Lions, battling hard to contain the bigger Sonora team, added to their margin early in the second quarter when Dubbie Scrivner, running the same play on which Montgomery had scored earlier, broke into the open and raced 53 yards before being overtaken on the Sonora 14 yard line. The Lions quickly punched over the score with Scrivner banging over the last three yards. The attempt for 2 points was no good and the Lions led 14 to 0.

Ozona fans began to feel the Lions had a chance but Sonora quickly got back into the game as they took the kickoff and drove 61 yards for the score. The big play in the drive was a pass from

Primo Gonzales to Mike StClair, good for 30 yards. Gonzales sneaked over from the one to get the score.

Leading 14 to 6, with little time left in the second period, the Lions still seemed in good shape but disaster struck when a fumble on the second play after the kickoff, the only one the Lions committed all night was recovered by the Broncos on the Lion 21 yard line.

With Little Bobby Castillo, who was the Sonora star all night, leading the way, the Broncos pushed over a second tally in short order and this time a pass from Gonzales to Johnny Merck was good for the two points and the two teams went to the intermission tied 14 to 14.

Following a halftime intermission which saw both high school bands perform very well, the Lions came back and once again seized an early lead.

The Lions, taking over at the fifty yard line mid-way of the third period, drove the 50 yards in just five plays with the big gainer a pass from Cooper to Semmler for 30 yards. Pete Montgomery punched over from the one and the Lions led 20 to 14 after failing to get 2 points on a run.

The fourth period was about halfway gone before the Broncos using the speed of Bobby Castillo,

and the growing fatigue of the Lions, scored the tying marker. Castillo pushed over from the five yard line. The try for points failed and the score was tied.

The Broncos, much to the distress of the Lions fans, quickly scored the clincher as they drove 80 yards following a Lion punt and scored again with just five minutes left. Castillo, was almost the whole show as he darted through the Lions and finally crossed over from the one. The try for points was smothered and the final score read 26 to 20 Sonora.

The scoring was over but Ozona gave its supporters one final thrill as they took the kick and drove to the Sonora 14 before losing the ball on downs. Big play in the drive was really an oddity. As the Lions tried a long pass, the throw was short and Primo Gonzales was in excellent position for an interception. However, just as he caught the ball, the Lions' Richard Vargas showed up and promptly took the ball away from the surprised Bronco defender for a 30 yard gain.

The game was a personal triumph for Little Leroy Cooper who directed the Ozona attack in a near flawless manner. Pete Montgomery racked up 172 yards rushing to be far and away the game's leading

ner, wound up second in yards rushing and his sub, Dubbie Scrivner, gained in the game with 110 with the Broncos' Castillo third with 106.

First downs were 15 for the Lions and 13 for the Sonora and the final summary read 321 rushing and 65 passing for the Lions with Sonora gaining 186 rushing and 75 passing.

The Lion air game was not as effective as usual. They completed only 3 of 12 efforts. However, the three completions plus the two-point conversion which really made it 4 of 13, set up one score and put the Lions in scoring position late in the game.

One of the prime reasons for the Lions lack of success in the air, of course, was a hard rush the Sonora team put on but also early in the contest the Lions were trying to throw short passes with all eleven Broncos within six yards of the line of scrimmage. As soon as the locals raised their sights they hit two of their last five. One interception near the Sonora goal possibly cost the Lions a score but on the other hand they gained their position on the field by intercepting a Sonora air try just two plays before.

Van Miller, a student at TCU, was a visitor in his parents home in Ozona this weekend.

meet Tempest '63...today!

how's this for exploding the myth that cars have to be expensive to look it! Tempest '63

Maybe you can tell the difference between Pontiac's Tempest (especially that Le Mans) and the high-priced jobs. Besides having a 4 cyl. acts like a V-8, Tempest sports a new 260-hp V-8* that acts like nothing you ever got your hands on before. And besides its beautiful balance, Tempest has Wide-Track this year. And self-adjusting brakes and a tachometer* and fetching style and all kinds of niceties that make your Tempest smoother and tougher. About all it doesn't have is a big fat price tag. Vive la difference! Pontiac Tempest
