Seal Coat Slated on FM 3070 This Summer

SEAL COAT SLATED

A second seal coat will be put down on FM 3070 this summer. That is the final step in construction of the road, and is added about a year after the road is completed.

Bill Hatch Files for Mayor Tuesday

Bill Hatch, owner of Hatch Dry Goods, filed Tuesday morning, February 6, as a candidate for Mayor of Wellington. His action followed the announcement by Mayor John Coleman that he will not seek re-election.

The Council in its meeting Monday night called the city election for Saturday, April 7. Wellington voters will elect a mayor and two councilmen. The terms of Glen Warrick and Bob McAlister expire this year, and neither has indicated if he plans to seek re-election.

The three hold-over councilmen are Ralph Owens, Loyd

Vines and R.L. Mabery.

Mr. Hatch has served on the Selective Service Board No. 20 for 6 years. He is also a past president and currently a director of the Chamber of Commerce, a former chairman of the board of First United Methodist Church, presently its finance chairman and on the Pampa District Board of ministries. He is a former Cubmaster in the Scouting movement.

Sandy Parsons Ends Career in Pharmacy

When Sandy Parsons, Jr., on a frosty day in the winter of 1927, sawed into his thumb while sawing rafters on the new home of Dr. and Mrs. J. Frank Johnson, he couldn't have imagined it would launch him into a career he hadn't even considered and change his life for the next 45 years.

At the time, he was working as a carpenter for his uncle, Dutch Higgins.

"I crawled down off of the roof and went to the Palace Drug to get my thumb tied up," he recalls. "Then you didn't go to the doctor for things like that. You went to the drug

Minatrea on Police Force

Kenneth Minatrea has been added to the Wellington Police Force, effective February 1, Police Chief Jim King has announced.

Minatrea had helped Chief King over the Christmas holidays, but this is his first regular enforcement work.

The 28-year-old officer grew up at Dodson and Wellington and graduated from Dodson High School.

He has done ranch work and was formerly employed by the Texas Highway Department.

He and his wife have two sons, Cameron, three years old, and Keenan, who was born January 30.

AUSTIN -- A contract for seal coat work on 45.5 miles of highways in the Childress district was awarded by the Texas Highway Commission during its January meeting here.

This includes one project in Collingsworth County and another relating to the county, according to O.V. Johnson, resident highway engineer.

A seal coat will be applied to the 8.045 stretch of FM 3070, in the northwest corner of the county, extending from one mile west of FM 1547 to 5 miles south of the Wheeler County Line.

The other road is the 2,079 mile FM 3143 in Donley County, from the Gray County line south of McLean, extending southeast to the Collingsworth County line. Upon completion of the 5-mile gap at the end of FM 3070, it will connect with this road.

Mr. Johnson explained its usual procedure on new projects such as FM 3070, that one coat of surfacing is put down at the same time the road is completed. It is followed with a second seal coat the following summer. Work will begin after April 15.

The work will be under the supervision of District Engineer V.J. McGee. The contract includes work in Briscoe, Childress, Collingsworth, Donley, Knox, Motley and Wheeler Counties.

Cooper and Woodruff, Inc., of Amarillo was awarded the contract with a low bid of \$146,649.75. The work will take an estimated 100 working days to complete. Vance L. Castleberry of Childress is the Highway Department engineer in charge.

store to be doctored.

"All the time Bill Andrews (the pharmacist) was wrapping my thumb he was telling me that pharmacy had a future." (Apparently Mr. Andrews and his partner the late Tom Benghe had their eye on the novice carpenter.)

"He said then was the time to get in, that before long it would take four or five years of study. 'I make more money as a carpenter than I would working in your drug store,' I told him, and he reminded me that carpenters didn't get to work very much in the winter. Finally I said I would go to work and asked him when. 'As soon as you can go home and change your clothes.'"

Three years later, Mr. Andrews was stricken with the illness that was to take his life. Mr. Benghe went down to Wichita Falls to be with him and left the Palace for young Parsons to look after.

Requirements for practicing pharmacy were vague and on his first day behind the counter, Sandy Parsons filled 47 prescriptions.

By that time he was married to the former Lois McMillin and with Mr. Andrews' death, he made up his mind to study pharmacy. He already had attended Southern Methodist University, and in 1930, he entered Danforth Pharmacy School in Ft. Worth. That same year he passed his State Board examination and returned to Wellington.

—See #2, page 12

RETIREES

Sandy Parsons retired this week after 46 years in the drug business, all but 6 months of it in Wellington.

County Fair Week Set for Sept. 3 to 8

The date for the 1973 Collingsworth County Fair Week was set for September 3 through 8, by Chamber of Commerce directors after they were assured a carnival for that time. The Fair itself will be Friday and Saturday, September 7 and 8.

The directors, in a called meeting Thursday, February 1, said Jett Amusement Company of Stamford will return, bringing a similar carnival in the same location, the old East Ward School ground.

Committee reports were heard and President Don Welch appointed Charles Darter chairman of the budget committee, with Bill Spillman as a member. They will pick the third member.

Additional plans were made for the annual banquet Monday, February 12.

Dan Hiett, membership chairman, and President Welch announced a goal of 100 new members between January 1 and the banquet date.

New members during the last week include Fred Cox, Jr., Fabric and Ready to Wear, Robert Valliant, Anonymous, Mistletoe Freight, Bowen Newspaper Service, Phipps Station, P.J. White, Herman Childress Mattress Co., East Side Welding, West Texas Engine Co., Jake Maxwell Garage, Jimmy Brown, DePauw Construction Co., Doc's Cafe, Jerry Stille, Vikki Saunders.

FHA Banquet Plans Made

The Wellington High School Future Homemakers of America met Monday, January 26 in the High School Auditorium for a business meeting concerning the Valentine Banquet (this is a girl invite boy event) scheduled for this month.

Joy Jesse, president called the meeting to order. A decorating committee was appointed with Angie Mitchell and Debra Long, chairmen. Also on the committee are Della Shumate, Renee Mitchell, Kathy Kersten and Patti McAlister. Appointed to a ticket committee were Nancy Graham and Connie Lewis.

The banquet will be at the Cherokee Inn, 7:30 p.m., Tuesday, February 13.

The program chosen by the organization will be presented by Alton Belew and Steve Hunter.

Chamber of Commerce Banquet To Draw 300 Monday Night

One of the Southwest's top men in the field of City development will tell approximately 300 county and area residents how to develop their own towns when he speaks at the annual Collingsworth Chamber of Commerce banquet, Monday, February 12.

He is Keith Winter, a native of Wellington, now executive director of the Amarillo Board of City Development.

The banquet will be in Bura Handley Community Center, beginning at 7:15 p.m.

Tickets will be available until 5:00 p.m. Friday, February 9, at the C-C office or from the directors.

People from throughout the county have bought tickets, and business and civic leaders from neighboring towns are expected, said President Don Welch.

The master of ceremonies will be Bill Spillman, Sandy K. Parsons, the immediate past Chamber president, will present the traditional awards, and he also will introduce the speaker.

Mr. Welch, 1973 president, will present the officers and directors.

Dinner music will be by Mrs. Dan Henard, Jr., and special music by a group composed of Mrs. Hiram Cudd, Mrs. Don Van Pelt, Mrs. Robert Lewis, Mrs. B.M. Sims, Mrs. Paul Schaub and Mrs. P.M. Scott. Mrs. Truman Estes will be the accompanist.

Charles Waugh, minister of First Christian Church will give the invocation.

Since Mr. Winter came to Amarillo in 1970, 24 manufacturers have located in that city.

Scout Emphasis Services Set at First Christian

In co-operation with National Scout Emphasis Week, special services will be held at First Christian Church Sunday morning, February 11.

Plans were announced by Charles Waugh, minister of the church.

Participating will be Boy Scouts, Cub Scouts, Brownies and Junior Girl Scouts, along with their leaders.

All scouts are encouraged to wear their uniforms to the services, said Mr. Waugh.

A cordial invitation is extended to everyone to attend, he added.

Fire Extinguisher Taken at Hospital

A fire extinguisher has been stolen from the office of Collingsworth General Hospital, the latest in a series of items taken from the public areas of the building.

"Whoever took the fire extinguisher had to climb over a desk to get it," said Garner Altom, administrator. "It was there one evening and the next morning it was not there."

It is not the cost of the fire extinguisher but the fact that it could prevent a damaging fire from spreading, said Mr. Altom. He assured that it is being replaced.

Other items that were taken have included three Spanish candle sticks taken at separate times, and several ash trays.

He formerly was executive vice president of the Lawrence, Kansas, Chamber of Commerce, where he was responsible for many new activities, including growth in membership from

330 to 960 in a four-year period. He was the recipient of the 1969 Outstanding Young Man of the Year in Lawrence.

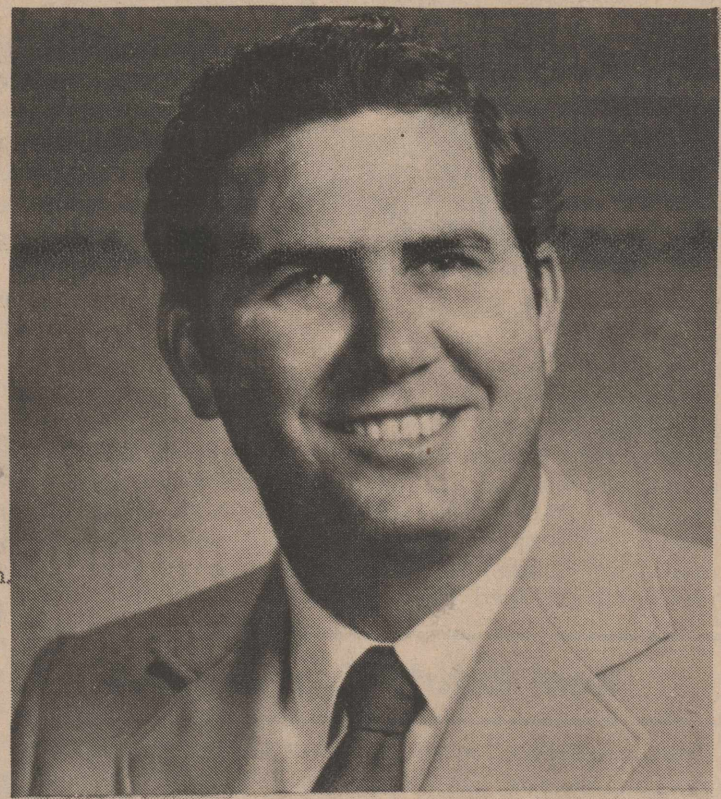

He has graduated from two organizational management

courses at the University of Houston and was selected as one of 30 chamber executives from throughout the United States to attend the Academy of Organizational Management at Michigan State University, where he successfully completed in 1970. He graduated from the Industrial Development Institute in 1967 from Oklahoma University.

Mr. Winter was born in Wellington, the son of Mrs. Arvezene Winter, now of Amarillo, and the late Alvin Winter.

He attended grade school in

KEITH WINTER

Heart Fund Benefit Game Set Feb. 17

A Heart Fund benefit basketball game is slated at Skyrocket Gym for Saturday night, February 17, Mrs. Stephen Schmidly, county chairman, has announced.

Meeting on the court, and Playing to "Beat the Big One - Heart Attack" will be the Wellington Lions Club and the KGNC Floor Flushers, she announced.

Game time will be 7:30 p.m.

Tickets will go on sale Monday, February 12, and may be purchased from members of the 1924 Study Club or the

Wellington Lions Club. Tickets will also be available at the door, and all proceeds will be donated to the Heart Fund.

"The Heart Fund game is part of the February drive for funds to support the Heart Association's program of cardiovascular research, education and community service," said Mrs. Schmidly.

County Men, Firms Give to Calf Fund

For the second year, a group of Wellington business men and county ranchers and farmers have put their money behind the 4-H Club boys and girls who represent the county on the livestock show circuit. All these teen-agers are showing beef steers.

Under the Collingsworth County plan, this money is paid to the young owners who sell their calves in the show sales, enabling them to receive premium prices, and in a measure to repay them for some of the work and expense they have put into their projects.

Dee Coleman, Bob Weatherly and Frank Coleman, Jr., spearheaded the drive and collected the funds, which totaled almost \$500.

This program enabled three

exhibitors who sold calves in Amarillo to realize 52¢ and 53¢ per pound for their animals rather than the 42¢ they otherwise would have had.

Those who exhibit at other shows, Ft. Worth and Houston, will receive help with their expenses.

Collingsworth County contributors to the Club Calf sales were Pete Nipper, Black's Automotive Service, Walter Camp, Holton Butane, V.K. Orr, Jr., Mrs. D.C. Camp, Owens & Scott Thriftway, Parsons Drug, Tiny's Auto Parts, J.W. Maxwell, Ralph Owens.

Wellington State Bank, Barney Glenn, Frank Coleman, Jr., City State Bank, Wells and Wells Insurance, The Wellington Leader, Spillman & Spillman Attorneys, C&H Pharmacy, Sears Catalog Store (Mr. and

Taylor Goes to Shamrock Police

Art Taylor, Collingsworth County deputy sheriff since September, has resigned to join the Shamrock Police Department, Sheriff John Rainey reported.

He will work principally as a night officer under Police Chief George Hooten.

Taylor's parents live at Shamrock, and that was his home before coming to Wellington.

Price Asks Legislation on Disaster Loans

In answer to the appeals made by his constituents in the 13th Congressional District of Texas and those from other parts of the country who have suffered extensive losses as a result of adverse weather conditions during the last several years, Congressman Bob Price announced today that he has introduced legislation to correct this situation by reinstating the old emergency loan program of the Farmer Home Administration. Price's action came as a result of the recent decision announced by the Department of Agriculture aimed at terminating the Emergency Loan Program of the Farmers Home Administration. "If this decision is allowed to stand," Price announced, "It will have a severe effect on many of our Nation's farmers."

The Price bill would repeal the \$5,000 "forgiveness" clause and the 1 percent interest provision established by the "Hurricane Agnes" legislation since the continuation of this procedure would require considerably more funds than there are available at this time. However, the Texas Congressman's legislation provides that all loans made by the Farmers Home Administration be insured or guaranteed and makes clear the intent of the Congress that the Secretary of Agriculture make disaster area declarations for areas which meet the specifications set out in the Consolidated Farm and Rural Development Act. Furthermore, the Price bill would make 3 percent loans available for up to 40 years on real property and for up to 12 years on personal property.

Stating that he believes his legislation will meet with the approval of the Congress and the Administration, Price concluded, "I hope that the Committee on Agriculture meets next week they will hold hearings on an report this bill to the House Floor for action as quickly as possible."

Palm Sunday's Palms. The palm used by churches on Palm Sunday is usually from the cabbage palm, also called palmetto, and from low, shrubby palmettos in Florida. Ashes from the burned palms of the previous year's Palm Sunday are used in Ash Wednesday ceremonies.

Vehicle Tags Available by Two Methods

AUSTIN — Texas motorists can pick up license plates for the faithful family car starting February 1 at the county tax office or substation in the county in which they live.

The motorist may register his vehicle in person at his county tax office or substation by bringing in the entire handy three-part form he received in the mail from the Texas Highway Department. It takes only a few minutes to process the form, collect the fee and send the motorist on his way with new plates.

Drivers also can get new plates by mail if they send in complete three-part form, the registration fee plus one dollar for each vehicle to their county tax office prior to March 1.

After March 1 it will be necessary to go to the county tax office or substation in person as 30 days are required for mail delivery. In any case, owners will save themselves time and trouble by using the computerized forms.

With the form, a certificate of title and last year's registration receipt are not needed.

Whether the driver uses the mail or applies in person -- the important thing for him to remember is to be very careful NOT to separate the three-part form. The entire form must be mailed or taken to the county tax office or substation. A stick-down strip showing the new license number is attached to all sections of the form. The tax office separates the form, returning part of it as a receipt

Hospital Notes

Mrs. Larry Tennon, surgical, January 29 to February 1.

Mrs. W.A. Golliugh of Quail has been a surgical patient since January 29.

Bobby Langford medical, January 29 to February 5.

Mrs. Oris West has been a medical patient since January 29.

Riley Dunson, medical, January 29 to February 2.

Mrs. Verna Savage, surgical, January 29 and 30.

Mrs. Kenneth Minatrea, obstetrical, January 30 to February 1.

Korean Vet Deadline Due

May 31, 1974, is a crucial date for most Post-Korean veterans who haven't started using their GI bill education benefits.

That's the date their benefits expire, and Jack Coker, Waco VA Regional Office director, points out that unless they begin training soon, they could lose part or all of their benefits.

The deadline reminder applies to Post-Korean veterans discharged from military service between January 31, 1955, and June 1, 1966. Benefits for these veterans were not authorized until enactment of the current GI Bill on June 1, 1966; thus, they must complete training within eight years of release or by the May 31, 1974 deadline, whichever is later.

The deadline does not apply to veterans interested in flight training, apprenticeship and on-job and farm cooperative training, however. These particular veterans have until August 30, 1975, or eight years after discharge, whichever is later, to complete training. This

is because these training programs were not available until October 1967, Coker explained.

Big Eater

The elephant, a strict vegetarian, must feed almost constantly to support its enormous body. Its daily requirements are about a quarter-ton of green fodder—or about 150 pounds of hay—and 50 gallons of water.

MRS. NORMAN DEAN HARDER

Miss Sherry Arnold, Norman Harder, Marry Saturday at Arkadelphia, Ark.

Miss Sherry Gaye Arnold, 703 10th Street, and Norman Dean Harder of Hereford were married in Shiloh Baptist Church near Arkadelphia, Arkansas, Saturday, February 3, at seven in the evening. This is the church where the bride worshipped as a child, and the candlelight ceremony was performed by her former pastor, The Reverend Tommy Cupples, now of Park Hill Baptist Church in Arkadelphia.

The bride, who was Collingsworth County Extension Service agent, is the daughter of Mr. and Mrs. Fred Arnold of Route 1, Arkadelphia, while the bridegroom's parents are Mr. and Mrs. Ernest Harder of Route 1, Hereford.

Church decorations were centered by a foliage-covered arch, with spiral candelabras at each side. The kneeling bench completed the setting.

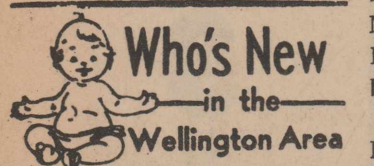

Wedding music was by James Holder of Kilgore, who was both vocalist and musician. Mr. Arnold gave his daughter in marriage.

Her formal gown of silk organza had a molded lace bodice, and long organza sleeves capped with lace. Matching lace edged the mantilla, which swept to chapel length. The bride's bouquet was a colonial cascade, centered with butterfly orchids.

The bride's attendants were Miss Sherry Reynolds of Dallas, maid of honor, and Mrs. Peter Rieck of Berkeley, California, Mrs. Terry Hughes of Arkadelphia, and Miss Cathy Overbey of La Mar, Arkansas, the bridesmaids.

Their floor-length dresses were in empire style, with scooped necklines and long sleeves. They carried colonial bouquets.

Kerry Struve was the best

Who's New in the Wellington Area

Mr. and Mrs. Adolf Schmidt of Emden, West Germany, are the parents of a son, Frederick Clinton, born in an Emden Hospital February 1. He weighed six and three-fourths pounds. The grandparents are Mr. and Mrs. L.C. Hill and Frau Meta Schmidt of Emden.

Mr. and Mrs. Bob Weatherly announce the adoption of a son, Rodney Jack, who was born December 11 and weighing six pounds and six ounces. He came to their home Friday, February 2.

Mr. and Mrs. Kenneth Minatrea are the parents of a son, Matthew Keenan, born January 30 in Collingsworth General Hospital. He weighed seven pounds, twelve and one-half ounces.

man, while groomsmen were Gerald Harder and J.D. Harder, brothers of the bridegroom, and Glen Thomas. All are from Hereford.

Ushers, who also lighted the candles, were the bride's brother, Mike Arnold, and Robert McCallum of Arkadelphia.

After the ceremony, Mr. and Mrs. Arnold were hosts at a reception in the Oakland Community Building.

The bride's table was covered with a white cloth, with a net overlay, and the flowers were in a colonial bouquet arrangement.

Members of the house party were Mrs. Charles Todd and Miss Marsha McMillan of Arkadelphia, and Miss June Bollen of Vega.

Upon returning from their wedding trip, the couple will be at home in Hereford.

The bride was graduated from the University of Arkansas with a degree in home economics education. She was with the Texas Agricultural Extension Service in Wellington, until the time of her marriage. The bridegroom, a senior in West Texas State University, studying agri-business, is also employed by Imperial Livestock Supply in Hereford.

JFF Club Hears Philippine Songs

Four staff members of Collingsworth General Hospital who are here from the Philippine Islands presented the program for members of the JFF Club Thursday evening, February 1. Mrs. Dick Sweat was hostess and Mrs. Herman Belew, president, was in charge of the meeting.

Dances and songs traditional to their home were presented by the four nurses, Miss Myran M. De Venecia, Miss Louella R. Cabel, Miss Lilian P. Quiambao and Miss Rebecca Reyes.

The dances included La Jota Mocadena, Tinkling, and Itik-Itik. In their own language, they sang "Dahil sa Iyo," "Dalagang Pilipina," "Silayan" in English, "It's Nice to Be With You," "Yesterday," and "All My Love."

Guests were Mrs. Garner Altom and her mother-in-law, Mrs. E.F. Altom of Eastland, Mrs. Buster Hughs, and Mrs. Ray Peoples.

Members attending were Mrs. Howard Holton, Mrs. Don Jones, Mrs. Drury Lacy, Mrs. Hubert Leach, Mrs. James Masten, Mrs. R.T. Savage, Mrs. Alton Wilkins, Mrs. Woodrow Wood, Mrs. Belew and the hostess, Mrs. Sweat.

The main language spoken in Austria is German and the monetary unit is the schilling. It averages about 226 persons per square mile.

La Paisana Chapter, DAR, Installs New Officers Thursday Afternoon

The La Paisana Chapter of the National Society of the Daughters of the American Revolution was organized Thursday February 1, at a meeting held in the dining room of the Cherokee Inn of Wellington with Mrs. Hubert Bowen, organizing regent, hostess. It is the first chapter of the city.

Mrs. Ernest Scott Brainard, state recording secretary, conducted the installation with Mrs. John Glenn Eckel, state chairman of organizing; and Mrs. John Scott, regent of the Arredondo Chapter, assisting with the installation and confirming call to the Organizing Secretary General's office in Washington, D.C. Mrs. Scott, regent of the Arredondo Chapter was guest speaker.

Mrs. Brainard installed La Paisana officers and members: Mrs. Hubert Bowen, regent; Mrs. Earl Lynn Bartlett, vice regent; Mrs. Jack Davis, librarian; Mrs. Clyde Drake, recording secretary; Mrs. Frank Fourmentin, treasurer; Mrs. John R. Henard, Sr., parliamentarian; Miss Zacharita Lowrie, corresponding secretary; Mrs. Melvin Seale, chaplain; Miss Hattie D. Wells, historian; Mrs. W.L. White, registrar; Mrs. Gary D. Lee of Tulsa, Mrs. Clay Henry of Floydada, and Mrs. Jack Kassahn, of Bovina.

The officers and members were installed before a table bearing an arrangement of red carnations and small crossed American flags accented with red, white, and blue ribbon. Before the arrangement featured the words "La Paisana" the charter chapters name. The guests, new members and officers were seated at the table covered with white cloth with red, white and blue runners. The centerpiece was a cake colored and shaped in the form of the American flag which was flanked by silver hurricane lamps containing red tapers. The meeting was then adjourned until the March meeting.

The National Society Daughters of the American Revolution was organized in 1890 by patriotic American women. They believed that the descendants of those men and women who helped to establish our government had the awesome responsibility of preserving the heritage of a free American so valiantly won by their forebearers.

The Society, incorporated under the laws of the District of Columbia in 1891 and granted a charter by the United States Government in 1896, chose the motto "Home and Country" and adopted a three-fold program, (1) Historical, (2) Educational, (3) Patriotic. The objects of this Society are to perpetuate the memory and spirit of the men and women who achieved American Independence. And, above all to cherish, maintain and extend the institutions of American freedom, to foster true patriotism, love of country, and to aid in securing for mankind all the blessings of liberty.

Any woman is eligible for

Dinner Honors Five at Center

A birthday dinner Wednesday, February 21, honored five residents of Wellington Nursing Center who had birthdays during December and January.

These were Judge C.C. Bishop, Grady Graham, Miss Iva Davidson, Mrs. Elizabeth Grooms and Mrs. Edna May.

They were presented gifts and pictures were made. A poem, "Birthday Wish", was written by Mrs. Helen Hardin, administrator, and read by her. Other residents of the center sang "Happy Birthday."

membership in the National Society Daughters of the American Revolution who is not less than eighteen years of age, and who is descended from a man or woman who, with unflinching loyalty to the cause of American Independence, served as a sailor, or as a soldier or civil officer in one of the several Colonies or States, or in the United Colonies or States, or as a recognized patriot, or rendered material aid thereto; provided the applicant is personally acceptable to the Society.

The new chapter was named for the roadrunner. In Mexico, the roadrunner is known as La Paisana, the peasant or country woman, because she's shy and likes to live out in the brushland. The bird was called roadrunner in New Mexico because of her habit of running down or across the road when horses or buggies came along. She's also called the chaparral cock because she likes to make her nest and home in the chaparral.

"West Learns More of East" Theme Of International Luncheon Thursday

"West Learns More of East" was the theme for 1924 Study Club's traditional International Luncheon. Co-hosts were Mrs. George Henry, Mrs. Steve Schmidly, and Mrs. Roy Jeffrey, Jr. Welcoming the members and guests was the club president, Mrs. Don Van Pelt.

A table grace from India was read by Mrs. J.B. King. Tables for four were laid with white linen and lace cloths accented with single stems of red carnations in white vases. A bouquet of red carnations centered the buffet with foods depicting a foreign flair. This varied array represented these tast treats: breads from Germany, France, Austria; salads from Ireland, Mexico, Holland;

Baby Shower Given Monday

Mrs. Bob Weatherly and her newly adopted son were honored with a baby shower Monday evening, February 5, in the home of Mrs. Frank Coleman Jr.

Co-hostesses with her were Mrs. Troy Gene Thomason, Mrs. Carroll Nunnelle, Mrs. W.L. Green, Mrs. Bill Black, Mrs. Jack Needham, Mrs. Kenny Brown and Mrs. Larry Gollighugh.

The gifts were presented to Mrs. Weatherly who opened them and showed them to the guests.

Refreshments were served to approximately 35.

Questions People Ask About the Catholic Church

Q. Where is the largest Church in the United States?
A. In Washington, D.C. It is the Shrine of the Immaculate Conception of the Blessed Virgin Mary, who is the patroness of the United States. It is the seventh largest church in the world, capable of holding 8,000 people at one time. It is close by the Catholic University of America at 4th and Michigan.

Q. When did Catholic missionaries first come to Texas?
A. About 1541. They came with DeSoto and Coronado, two very famous names in early Texas history. The most famous shrine in the whole State, the Alamo, was once a Catholic Church, run by the Franciscan Fathers. It was built first in 1744.

Q. Has there ever been a Catholic on the Supreme Court?
A. Actually there have been seven: Taney, White, Butler, Murphy, Brennan, and Minton. Of these, only Justice Brennan still lives.

Our Mother of Mercy Catholic Church

Father Pat Burke, Parish Priest

MR. AND MRS. J.A. LANCASTER

Mr. and Mrs. J.A. Lancaster Observe Seventieth Wedding Anniversary

An occasion that comes to only a few married couples was marked by Mr. and Mrs. J.A. Lancaster, 205 Graham Street, recently.

This was the observance of their 70th, or Diamond Wedding anniversary.

Friends and family honored them at a reception held in the Community Building Sunday, January 28, in Bura Handley Community Center.

It was, indeed, a day-long celebration for the 92-year-

old retired farmer and his 86-year-old wife.

Nine of the 11 living children, along with grandchildren great grandchildren, great-great grandchildren and other relatives gathered in the morning for worship services.

Mr. and Mrs. Buck Lancaster of Turkey led the song service and their son, the Rev. Elmer Gene Lancaster, a Baptist minister from Texline preached.

This was followed by dinner for the members of the family, then at 2:30 friends and other relatives began calling. When the day was over, approximately 150 had called during the visiting hours.

Members of the family greeted visitors, and there followed reminiscing and visiting with the guests of honor.

Besides the 9 children, there were 16 grandchildren, 8 great-grandchildren and three great-great grandchildren, in addition to nieces and nephews.

In keeping with the diamond theme, the reception table was decorated in all-white. The centerpiece of white stock in a bowl was the gift of a niece. Crystal appointments were used, and granddaughters and great-granddaughters alternated in serving the guests.

Mr. and Mrs. Ross James and Mike of Wichita Falls visited Sunday afternoon with his aunt and cousin, Mrs. J.L. Burt and Mr. and Mrs. Jack Ford.

Mrs. D.E. Fulton spent last week with her children, Mr. and Mrs. Monte Davis and Mr. and Mrs. Quince Fulton of Ft. Worth; and Mr. and Mrs. Ralph Fulton in Dallas.

Ice, snow and high winds can cause an electrical failure by pulling down wires and the only thing you can do about it is to wait sensibly until the utility company restores service.

Sensible waiting means staying a way from the downed wire if it is near your home, posting warnings and barricades to keep others away.

Girl in Action at Nursing Center

Girls in Action from First Baptist Church visited Wellington Nursing Center Wednesday evening, January 31, to honor 11 residents whose birthdays fall in January and February.

Those having January birthdays were Judge C.C. Bishop, Grady Graham, Mrs. Edna May and Miss Iva Davidson.

Having February birthdays are Mrs. Verlin Brown, Mrs. Maggie Cass, Mrs. Sallie Duckworth, Mrs. Mable Graham, Mrs. Irene Hemphill, O.W. Peoples, and Mrs. Alice Young.

Girls in Action is a group of 7 to 12 years of age, who have adopted this as a bi-monthly project. They will visit both Thomas Nursing Home and Wellington Nursing Center to honor the residents.

It is a missionary project as well, explained Mrs. Don Van Pelt, a sponsor. "We are teaching girls we have a job here to the people who need help or a friend, just as missionaries do overseas," she said.

Wednesday evening, the girls sang then were joined by the residents in singing hymns.

Birthday cards, which the girls made, were presented to each guest of honor.

Girls visiting the nursing center were Tracy Gassiot, Teresa Hodges, Cindy Roberts, Carla Seitz, Robin Amoret, Jennifer Pendleton, Melanie Pendleton, Kathleen Reeves, Katrina Atkinson,

Leigh Myrick, Debbie Cleveland, Valerie Van Pelt, Maria Langford, Linda Brooks, Lisa Hartman. The leader was Mrs. Don Van Pelt.

Joe Thompson Has Birthday

Joe Thompson celebrated his birthday this week, when he and Mrs. Thompson were hosts to their children at the family home.

Attending were their three daughters and families, including Mr. and Mrs. Floyd Dickey of Dimmitt; Mrs. Leta Hitchcock of Amarillo and Mr. and Mrs. Emory Hunter.

Grandchildren present were Mr. and Mrs. Tommy Beam and children Cameron Brent, Leigh Ann and Lenda of Amarillo, and Steve Hunter.

Heads Officers' Wives

Mrs. Jimmy Campbell, right, is the newly elected president of Vanderbilt Law Wives, Nashville, Tenn. The others, from left, are Mrs. Christopher Edgar, treasurer, Mrs. Haynes Roberts, secretary, and Mrs. James C. Cambron, vice president. Mr. Campbell, a second year law student

in Vanderbilt University, recently was named editor-in-chief of the Vanderbilt Journal of Transnational Law. She is employed in the personnel office of First Baptist Hospital in Nashville. Both formerly attended Texas Tech.

Mrs. Charles Cason Elected New Head of Wellington Garden Club

Mrs. Charles Cason was named president of the Wellington Garden Club in the recent election meeting. She, along with the other new officers, will be installed in the March meeting, said Mrs. Silas Crawford, the outgoing president.

Other new officers elected were Mrs. O.B. Raburn, first vice president; Mrs. G.L. Jones, second vice president; Miss Glenda Kiker, recording secretary and reporter; Mrs. Joe Thompson, corresponding secretary and treasurer; Mrs. Ray Club, historian and Mrs. Crawford, parliamentarian.

Miss Kiker was hostess at the election meeting. Members answered roll call by telling the size of their homesite.

Miss Sherry Arnold, county extension service agent, presented the program, "First Things First; the Plan." Literature on landscaping was distributed.

Members present were Mrs. John Henard, Mrs. Coy Vaughan, Mrs. Raburn, Mrs. Clubb, Mrs. Thompson, Mrs. Jones, Miss Kiker, Mrs. Crawford, and Miss Arnold.

Visiting Mrs. Hornsby this weekend, were Mrs. Dewey Branch of Borger, Mrs. Clay Henry of Floydada, Mrs. Marcell Addams of Dumas.

Solar System

The solar system is the sun with its group of celestial bodies which, held by its attraction, revolve around it. This group includes, so far as is known, nine major planets with 31 satellites, minor planets or asteroids and, also, comets and meteors.

Personal

Mr. and Mrs. Jack Sanford spent the week end in Wichita Falls with their daughter and son-in-law, Mr. and Mrs. Jim Marks.

Visiting Mr. and Mrs. Sid Bell over the week end were her daughters, Mrs. Virgie Gosnell of Cisco and Mrs. Billy Seale and Darla of Vega; and her grandson, Mr. and Mrs. Don Gosnell, Cindy and Bonnie of Cross Plains. Mr. Gosnell was transferred by the Texas Highway Department of Public Safety from Wellington to Cross Plains last year.

Mr. and Mrs. John King, Mr. and Mrs. T.W. Loveless and Tana, all of Dumas and Arlie Green, of Borger spent the past weekend here with friends and relatives.

"CARE for those you LOVE"

1200 15th Street Wellington, Texas

Sixty-two Girls in Four-H Sewing Program Make Dresses, Pantsuits

Sixty-two girls are enrolled in the 1973 4-H Club sewing program, making dresses or pantsuits which they will model in spring and summer style shows.

This year, it is sponsored by Sears, and is one of the few 4-H Clubs in the area to be selected for the program.

Arrangements were made by Mrs. Clifford Christian of the Wellington Sears Catalog Store and Miss Sherry Arnold, before she resigned as Home Demonstration Agent.

Each girl received material for her dress or pantsuit, and the use of a machine on which to make it. Four-H adult leaders work with groups of girls ranging from five to thirteen in number, and the cutting, sewing and fitting is done at regular meetings. Some of the older girls who already sew, work on their own initiative.

All are sewing knit material.

In the early spring, these 62 girls will participate in the 1974 Study Club Annual Style Show, and this, too, will be an entirely new feature for that organization.

Next summer, the girls also will model these garments in the annual 4-H Club Dress Revue.

Participating in the program are these girls:

Red Raiders, Miss Glenda Kiker and Mrs. James Boswell, leaders: Robin Amonett, Beverly Orr, Kelly Covey, Callie McDonald, Gail Rudy, Teresa Hodges, Laura Gragson, Tami Boswell, Rosa Benton, Cynthia

Church Women Give to Mission

The Christian Woman's Council of First Christian Church met in the home of Mrs. Charles Waugh Monday evening, February 5.

During the business meeting, directed by Mrs. Raymond Neeley, plans were made for the bake sale at Parsons Drug Saturday, Feb. 19. Proceeds from this and other sales will go toward repairing the fellowship hall.

Mrs. Zook Thomas, treasurer, reported that the 1972 Council missionary money was sent to Gilbert Forrest, a former minister here, for the Kiamichi Mission in Oklahoma.

Small gifts were brought to be presented to Mrs. Bill Anders, who will enter the hospital soon for surgery.

The program, "Lydia" from "All the Women of the Bible" was given by Mrs. Charles Darter.

Mrs. Benny McDanel will entertain the March meeting with Mrs. Glenn McLain in charge of the program.

Members attending were Mrs. Sandown Smith, Mrs. Kenyard Poteet, Mrs. Claud McMillin, Mrs. A.Y. Bell, Mrs. Jack Sanford, Mrs. Jess Wilson, Mrs. Darter, Mrs. McDanel, Mrs. Neeley, and Mrs. Waugh.

Group at WTSU Banquet Sunday

Two Wellington girls, members of Zeta Tau Alpha sorority at West Texas State University, had parts in preparing for the annual banquet, held Sunday in Amarillo.

They were Carey Lewis and Linda Williams. The latter was master of ceremonies.

Parents are invited to the banquet, and attending were Mrs. Robert Lewis and Don and Mr. and Mrs. Billy D. Williams and Dee Ann.

Young Matrons Study Ceramics

Sammorwood Young Matrons met in the home of Mrs. Douglas Coleman Thursday, February 1.

This was an all-day meeting with the members working on ceramics. Mrs. Ernest Rountree helped with this.

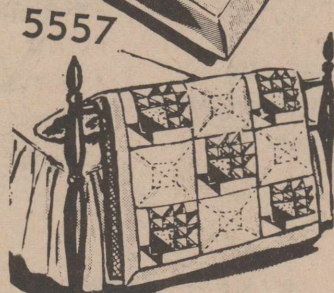

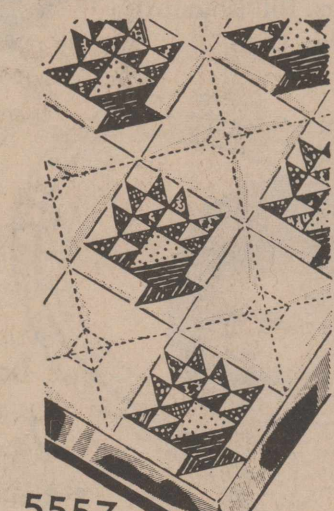

Each member took a salad for the luncheon.

Members present were Mrs. Rudie Tate, Mrs. John Birkey, Mrs. J.H. Oldham, Mrs. Rex Peoples, Mrs. Oliver Wischkaemper, Mrs. John Drew Knoll, Mrs. Donald Coleman and Mrs. Richard Bentley, and the hostess, Mrs. Douglas Coleman.

Needle Arts By NANCY SEWELL

Flower Basket Quilt

A smartly styled quilt with geometric flower baskets to adorn your bed. Make it from left-over sewing fabrics. Pattern No. 5557 has pattern pieces; full directions.

TO ORDER, send 60¢ with name, address with Zip code, pattern number and size to NEEDLE ARTS, P.O. Box 5251, Chicago, Ill.

Fix-It Tip

You can have light switches that are silent, that glow in the dark, that dim or brighten the light and even switches that consist of a single large button which you can hit with your elbow when your hands are full.

They are all installed just like the old push-button switches presently still in use in many homes.

When replacing the switches, make sure the electricity is turned off. Remove the two screws holding the outer plate. Next remove the two screws holding the switch in the metal wall box. Remove the wire from the switch. Attach the wire to the new switch, making sure the wires go around the screw clockwise.

Put the switch in the way you removed the old one.

WHS Splits Final Two With Valley, Clarendon

Wellington Skyrockets and Rockettes each won a game and lost one in the final two contests of the 1973 season.

Playing Clarendon there Tuesday, January 30, Wellington girls were victors 51-21, but Wellington boys lost 49-34.

In the final game, Wellington Skyrockets won over Hedley 52-47 in the only overtime game they have played this year.

Valley girls, who finished second in District 2-A, were able to squeeze only a three point victory, 40-37, over the Rockettes.

In Conference play Memphis boys and Claude girls have taken the district 2-A crowns.

CLARENDON - WELLINGTON
Wellington girls had an easy time against the Clarendon Bronchoettes, leading 33-7 at halftime and continuing their

Farm Bureau Stock Purchase Program Told

Ray Custer, area field representative of Texas Farm Bureau met with a group of county FB members Thursday, February 1, to explain the livestock purchasing program of the Texas Agricultural Marketing and Development Association.

This organization, generally known as TAMDA, is a Texas-chartered marketing Association developed by the Texas Farm Bureau.

Mr. Custer explained that the major objective of the program is to establish a purchasing service for Farm Bureau members that will move livestock from the seller directly to the purchaser.

TAMDA was set up by the Texas Farm Bureau delegates in April 1972.

Details of the costs and responsibilities of those in the TAMDA program were discussed by Mr. Custer.

Carroll Chalupka, Director of District 1, and also vice president of the Texas Farm Bureau, spoke briefly on the meeting he had attended with more than 100 legislators and 20 senators relating to the appointment of a committee to rewrite the Texas Constitution. Farm Bureau has been asked to submit nominees for this committee, he said.

Both Senator Max Sherman and Representative Phil Cates attended the meeting, Mr. Chalupka said.

Accompanying the two speakers was Vernie Glasson, the new area field representative.

Susan Oney on Tech Honor Roll

Susan Oney has been listed on the Dean's Honor Roll for the College of Arts and Sciences of Texas Tech University, according to an announcement by Lawrence L. Tarver, dean of the college.

A requirement of a student to be listed on the honor roll is a grade point average of 3.0 or better. Susan's GPA was 3.33.

In addition to carrying a full scholastic load, Susan works part time at Suits Me, a men's clothing store.

ALAN FIRES

Fires Assistant Lubbock County Extension Agent

Alan Fires of Wellington has been named assistant county Extension agent for Lubbock County.

The joint announcement was made by Lubbock County Judge Rod Shaw, and Billy C. Gunter, district Extension agent with the Texas Agricultural Extension Service.

Fires will assume his duties February 1 and replace Jimmy Vanstony who was transferred to Briscoe County January 21 as county Extension agent.

The new assistant agent is a native of Wellington, Collingsworth County and is a December graduate of Texas A&M University with a B.S. degree in agricultural education. At A&M Fires graduated as a distinguished student and Collegiate officer of the FFA Chapter.

Fires also attended Clarendon College and Texas Tech University where he was on the Dean's Honor Roll. He is a graduate of Wellington High School where he was active in FFA and 4-H club work, and attained the Lone Star Farmer degree. He grew up on a ranch

THE WELLINGTON (TEXAS) LEADER
Thursday, February 8, 1973

AUSTIN, Tex. -- This city lost a part of its "Personality". Most Austin Citizens acted sophisticated about the fact that President Lyndon Baines Johnson was seen frequently at public events . . . but this personality gave the entire area a certain glamor that will be lost with his passing. He had made frequent appearances recently -- the Cotton Bowl, Civil Rights forum, Governor Briscoe's inauguration, and an economic seminar at San Marcos. Yes, Austin and Texas will miss LBJ.

He did not try to dominate the show when he appeared publicly, did not make "News" by voicing opinions on everything, but his influence was felt in many important ways. During last year's political campaigns in Texas, he was on the phone raising money, offering advice -- supporting those who had been loyal to him during his political career. The Texas Democratic party will miss LBJ. Although it will not be listed in his biography, Lyndon Baines Johnson was a journalist.

He wrote a book. He helped write and produce several television news specials. Most of all, he "made" news during his entire lifetime. His daughter, Mrs. Luci Nugent, likes to point out that her father was "surrounded by journalists."

"My father had to live with journalists all of his life," she said recently. "My mother was a journalism graduate of the University of Texas. My sister wrote for major magazines, and I've enjoyed doing some writing."

Men who influenced him on many major decisions were journalists . . . Bill Moyers, George Christian, Tom Johnson and many more. He confided in many Texas newspaper editors, Art Kowert, Bob Jackson, Bill Hobby and others. Texas Journalists will miss LBJ.

He refused to let his illness slow him down. His last public appearance was a tree planting ceremony near his home with Lady Bird. He had spent an active Christmas holiday with his wife, daughters, their children and husbands. He attended the funeral of the 14 young people who had been killed in the bus-truck accident and the funeral of President Harry S. Truman less than a month ago.

His family will miss LBJ. President Johnson's political career will continue to be an inspiration to young people interested in government and politics. He came from a family of public servants, but hundreds of college students in this state look at his career and contemplate the "path to the presidency."

He was first a young school teacher, then youth administrator, aide to a Congressman, Congressman, Senator, vice-president and President of the most powerful nation in the world. Yes, Lyndon Baines Johnson made history interesting for Texas. Texas will miss LBJ.

Keith Winter to Talk in Terms of Towns Our Size

As speaker for its annual banquet Monday, February 12, the Collingsworth Chamber of Commerce brings home one of its own sons who has become outstandingly successful in the field of city and industrial development.

Keith Winter, executive director of the Amarillo Board of City Development, is one of our fine young men who deserves the sincere congratulations of all of us.

Without giving away any of his talk, he has told friends he will have some things to say that will interest people in small towns. It will be practical, down to earth information that is within the capability of Wellington and its neighbors to achieve. But Mr. Winter has added that what he will suggest cannot be accomplished without hard work.

With Wellington as part of his background, Keith Winter is giving the town more than a banquet talk. The next morning he will meet with directors to give them added benefit of his abilities.

Because the economy of Collingsworth County and Wellington are so close intertwined, what helps one will aid the other. All of us stand to benefit from Keith Winter's talk Monday night.

Other Editors Say . . .

For Salable Skills

Gov. Dolph Briscoe seeks to repair a real weakness in our educational system by his desire to establish vocation-technical education "as a full partner with our academic programs."

The governor, speaking to a Communications Workers of America convention in Austin, said that career-oriented educational programs in high schools, at Texas State Technical Institute and in community junior colleges must be designed to meet the labor needs of business and industry. "I will not be content until every adult in Texas has the opportunity to learn a salable skill," he added.

This is a departure from the common thinking of past years when the objective was to provide college degree opportunities for all, without concern as to how the college education would be applied after graduation day.

The result of that objective was to exalt the degree holder and to degrade the worker who simply possessed a skill but no diploma to hang on the wall.

With America's work force growing at a rate of approximately a million persons a year through this decade, it is necessary for vocation and technical education to become a vital part of our education complex.

What is needed is a real appreciation for both academic and technical education, as the governor suggests.

Out in the Cold

Meditations

What? Was man made a wheel-work to wind up,
And be discharged, and straight wound up anew?
No! grown, his growth lasts; taught, he ne'er forgets:
May learn a thousand things, not twice the same.
— Robert Browning

Is not true leisure
one with true toil?
— John Sullivan Dwight

Yes! but there's something greater
That speaks to the heart alone:
'T is the voice of the great Creator
Dwells in that mighty tone.
— Joseph Edwards Carpenter

Poets are all who love,
who feel great truths, and
tell them; and the truth of
truths is love.
— Philip James Bailey

The smallest effort is not lost,
Each wavelet on the ocean tost
Aids in the ebb-tide or the flow;
Each rain-drop makes some floweret blow;
Each struggle lessens human woe.
— Charles Mackay.

How cruelly sweet are the
echoes that start when memory
plays an old tune on the heart!
— Eliza Cook

My highway is unfeathered air,
My consorts are the sleepless stars,
And men my giant arms upbear —
My arms unstained and free from scars.
— William Ellery Channing.

Grace is given of God but knowledge
is bought in the market.
— Arthur Hugh Clough

Be good, sweet maid, and let who will be clever;
Do noble things, not dream them, all day long:
And so make life, death, and that vast forever
One grand sweet song.
— Charles Kingsley

Inclination snatches arguments
to make indulgence seem judicious
choice.
— Marian Evans Cross

No: by the names inscribed in History's page,
Names that are England's noblest heritage,
Names that shall live for yet unnumbered years
Shrined in our hearts with Cressy and Poitiers;
Let wealth and commerce, laws and learning die,
But leave us still our old nobility.
— John James Robert Manners,
Duke of Rutland

Endurance is the crowning quality,
and patience all the passion of great
hearts.
— James Russell Lowell

In this broad earth of ours,
Amid the measureless grossness and the slag,
Enclosed and safe within its central heart,
Nestles the seed perfection.
— Walt Whitman

Pride is at the bottom of all
great mistakes.
— John Ruskin

We do not what we ought,
What we ought not, we do,
And lean upon the thought
That Chance will bring us through.
— Matthew Arnold

was named to protect her identity, won her case, but had the baby.

Gov. Dolph Briscoe asked Texas Atty. Gen. John Hill for an elevation of the ruling and for alternatives open to Texas in light of the high court decision. Lt. Gov. Hobby, however, said that "the best solution is one in which the state is neutral on the subject . . . I believe the medical profession of Texas will respond to the decision and will treat abortion as a medical matter in a responsible way."

ENGINEERS OFFER LEGISLATORS PROFESSIONAL ADVICE -- Legislators last week were offered the expertise of a group of engineers on "broadly defined areas of environmental protection" and other areas of public concern.

The Texas Society of Professional Engineers told Texas House and Senate members that 700 members of that association were available for "factual presentations" before committee hearings on air pollution, water pollution, liquid and solid wastes, insecticides and pesticides, health, safety and many other categories.

TOO MANY SCHOOLS? -- Texas may be expanding educational facilities to the extent that the quality of education may be diluted, while the taxpayer keeps digging deeper in his pocketbook to pay the bills.

Opinion was expressed here by Wales Madden, an Amarillo attorney, who is a member of the Coordination Board, Texas College and University System. Madden told CB members "educators know that increased funding is dependent upon growing enrollments. With institutions planning independence and on ad hoc basis for enrolling the same students, and with there being fewer students to spread among the colleges, we may endanger the critical mass of students, faculty, facilities, equipment, and libraries established at such high cost and hard effort in our existing institutions."

Madden placed part of the blame on local pressure on state legislators, who feel duty bound to try to create by statute a junior or senior college or technical training facility in their communities. Madden urged CB members to moderate the present expansion trend "until we determine fully what the needs are and where we are going."

NEW CLASS OF CHILD CARE WORKERS -- Texas, under federal funding, will be the first state to start a training program for a new category of professional child care workers -- the Child Development Associate. (CDA).

The CDA program, a brainchild of the Office of Child Development in the federal Department of Health, Education and Welfare, will be administered at the state level by the Office of Early Childhood Development, Texas Department of Community Affairs.

Four contracts have been awarded to Texas colleges and universities to organize the training programs based on proven competency in working with children rather than academic course work.

Schools holding the first four contracts are: 1. Tarrant County Junior College of Fort Worth; 2. Stephen F. Austin State University of Nacogdoches, Texas Christian University of Fort Worth and Texas Women's University of Denton; 3. Texas Southern University of Houston and 4. Texas A&I University of Kingsville and Pan American College of Edinburg.

UTILITY REGULATION HELP OFFERED CITIES -- The Texas Municipal League has set up a special advisory council to assist cities across the state with increasingly complex responsibilities of utility regulation.

TML President Jamie Clements announced establishment of the Texas Utility Advisory Council to help prepare municipalities for responses to utility rate increases and related utility matters which affect local consumers.

Clements, Mayor of Temple, appointed Dan Matkin, Mayor of Irving, to serve as council chairman. The council will function under auspices of the Texas Municipal League and rely on the support of the TML's 734 member cities. Public utility rate experts from major Texas cities will lend technical support.

SHORT SNORTS -- Mrs. Mary Elizabeth C. Brown, journalism teacher in Houston's Stephen F. Austin High School, is one of five national finalists in the selection for 1973 Teacher of the Year.

About 20,000 Texans are enrolled in 700 Defensive Driving Courses being offered this month in all sections of the state,

the Texas Safety Association reports. Graduates are entitled to a 10 percent reduction on automobile liability, collision and medical payments insurance.

Legislation has been introduced in the 63rd Legislature to make President Lyndon Johnson's birthday, August 27, a state holiday.

Short Takes

Snappy Product
There are about 225 pounds of rubber products used in the average passenger automobile -- only about 100 pounds of this being in the tires, with the remaining pounds being used to make up over 750 component parts.

Much Mocha
Coffee is consumed, either as a hot or cold drink, by about one-third of the world's population in amounts believed larger than for any other beverage.

It's the Berries
Strawberries have more vitamin C than an equal quantity of lemons, and one handful of fresh strawberries supplies an adult's daily need of vitamin C and more vitamin A than the same weight of raisins.

First Magazine
In 1740, the first magazine to be published in North America appeared in Philadelphia. The publisher, Andrew Bradford, put his American Magazine on sale three days ahead of Benjamin Franklin's General Magazine.

Now a Park
The original farm of Thomas Lincoln, three miles from Hodgenville, Ky., is now the Abraham Lincoln National Park. A memorial encloses the log cabin reputedly Lincoln's birthplace.

War to End War
The expression "A war to end war" was popularized by U.S. President Woodrow Wilson, but it was originally coined by English novelist H. G. Wells.

CROSSROADS REPORT

Dear Editor:

I see where there is a drive on to bring back capital punishment, but only in cases where policemen, firemen and other officials such as senators, are murdered.

This would leave the season open on all other people, such as taxpayers, and wouldn't even put a bag limit on us, which seems like very shortsighted law-making.

After all, our social order produces a vastness of officials but for many years now has been limping along with an insufficiency of taxpayers.

D.E. SCOTT
Crossroads, U.S.A.

Strictly Fresh

It's easy to say "I told you so," but much more difficult to say "you told me so."

Every time we visit someone in a hospital we come away with all the symptoms of at least six major pathological irregularities.

Considering how tight money is getting, many of us are now making mortgage payments each month.

The only fisherman's story we'll believe is the one about the fish that got away.

How to make your home more comfortable while you lower your energy costs.

Like to enjoy barefoot comfort in your home all year long?

Like to cut heating costs as much as a third?

Like to cut air conditioning costs as much as half?

The secret is through insulation.

Your home probably has some insulation already. But, thorough insulation includes an adequate amount in the ceiling, in the walls and under the floor. It also includes weather stripping, storm doors and storm windows or double glazed windows.

Once you have good insulation, you can forget about cold floors, cold walls and chilly corners. You'll be more comfortable and enjoy your home more.

The cost will vary, depending on the style of home and amount of insulation already in it. But, one important fact to keep in mind is that insulation is the only comfort improvement you can make in your home which requires no maintenance, yet pays for itself through lower energy bills.

Ask an insulation dealer for advice and a free estimate, or call WTU for more information.

WHAT COSTS LESS NOW THAN IN 1952?
The average cost of a kilowatt hour of electricity used by a residential customer served by WTU cost 29% less than it did twenty years ago. . . . (1952 - 1972) and . . . in 1972 the average customer used over three and a half times as much electricity as he did in '52."

A Record of Service Through the Years

On this page you will find four financial statements covering the last 15 years. They provide a record of service as well as a record of growth. It has been our policy to provide a complete banking service for every type of business and every individual in this community. We believed these statements provide eloquent testimony as to how well this service has been performed. We appreciate your support and friendship that has made this growth possible.

Amarillo, Fort Worth Steer Winners Named

Fat Calves from Collingsworth County which won in the Amarillo and Ft. Worth Livestock Shows were announced by County Agent Don Reeves.

Highest in the two shows were the third place heavy-weight Hereford exhibited by Joel Ross of Quail at Amarillo, and the following week, the second place heavy Brahman which Joe Baumgardner showed at Fort Worth. Ross kept his calf and will show him at Houston. Baumgardner sold his steer for 66¢ per pound.

Other exhibitors whose calves placed were:

Keith Davis, fourth place

middleweight Angus; Linda O'Neil sixth place light weight Angus; Bart Patterson, 11th lightweight Angus; and Cathy Patterson, 8th middle-weight cross bred steer.

Jim Bob Nall had a middle-weight cross and Baumgardner a heavy weight cross which were in the top 20 of the crossbred division.

Linda, Joe Baumgardner and Cathy sold their calves at Amarillo.

In Ft. Worth, Nall also placed 14th and Jenny Earnest 16th in the heavy weight short-horn division.

Mr. Reeves said he considered the Amarillo show tougher than that at Ft. Worth. Six or seven calves and their young owners will exhibit at Houston late this month.

College Names Faye Murphy

FORT WORTH - Thirty-six members of the Tarrant County Junior College faculty have been granted tenure status by the Board of Trustees.

Of these, 22 are members of the South Campus faculty and 14 are from the Northeast Campus.

One of those from the Northeast Campus is Faye Murphy, Assistant Professor of Child Development.

The former Faye Lacy, she is the daughter of Mrs. Robert Lacy and was graduated from Quail High School and holds degrees from Texas Woman's University.

Tenure statuses becomes effective September 1, 1973.

Rev. Wilson Goes to Pampa

The Rev. Billy Wilson, pastor of First United Methodist Church in Hedley, has been moved to the pastorate of a church in Pampa.

He and his family will move there soon.

The church at Hedley honored them recently with a fellowship hour, when a money tree was presented.

Rev. Wilson was pastor of Trinity Methodist Church in Wellington before going to Hedley, and Mrs. Wilson was a nurse in St. Joseph's Hospital.

Cotton Harvest Near Final Stage Throughout Area

Clear weather prevailed over the Memphis, Texas area this week and allowed cotton harvesting to advance to near final stages," said W.E. Cain, in charge of the USDA, AMS, Cotton Classing office in Memphis.

The Memphis Cotton Classing Office graded 21,950 samples this week to bring the season total to 165,200. This compares to 134,550 on the same date a year ago.

The predominant grade classed this week was Strict Low Middling Light Spotted (42) with 32 percent followed by Middling Light Spotted (32) with 27 percent and Strict Low Middling (41) with 15 percent.

The predominant staple classed this week was 32 with 68 percent followed by staple 31 with 16 percent and staple 33 with 13 percent.

Micronaire, or fineness and maturity, readings showed 57 percent miked in the desirable range of 3.5 to 4.9. The 3.3 to 3.4 range accounted for 19 percent and the 3.0 to 3.2

Thomas, Hartman Attend Meeting At Texas A&M

County Judge and Mrs. Zook Thomas and Mr. and Mrs. Cliff Hartman left Tuesday to attend the 15th annual County Judges and Commissioners Conference on the campus of Texas A&M University. Mr. Hartman took office January 1 as Commissioner of Precinct 1.

The meeting will be in session Wednesday and Thursday, February 7 and 8, sponsored by the Texas Agricultural Extension Service and the County Judges and Commissioners Association of Texas.

Financing will be one of the key topics.

The officials will hear Governor Dolph Briscoe discuss "Roadmap for the Future" Wednesday morning.

Other discussions will include:

"Who Holds the Keys to the County Jail?" "Do We Have a Hole Card in Austin"

range accounted for 18 percent.

Pressley, or strength, tests showed 66 percent tested 75, 000 psi or higher. The average for the week was 77,000 psi.

The cotton market in the Memphis, Texas area continued active. Prices dropped on-half to one cent per pound last weekend but firmed up early in the week and continued fully steady through Friday. Some average prices were: Strict Low Middling (41), 31 staple and Middling Light Spotted (32), staple 31, 28.00 to 28.50 cents per pound, and Middling Light Spotted 32 staple 32, 29.00 cents per pound. This was for cotton miking 3.5 to 4.9.

The average price paid farmers for cottonseed at the gin was \$52.00 per ton.

Patterson on Bethany List

Eddie Patterson has been listed on the honor roll of Bethany Nazarene College at Bethany, Oklahoma.

To be on the honor roll, a student must have completed 12 hours of work and must make a grade point average of at least 3.4 on a 4.0 scale.

Patterson is a senior physics major and a graduate of Wellington High School. He is the son of Mr. and Mrs. Harry L. Patterson, 1202 Childress St.

"The Ad Valorem Tax Crisis," "Future Land Use -- Whose Decision", "Revenue Sharing -- Friend or Foe."

Judge Robert "Bob" Barnes of Nueces County is president of the Texas Association of County Judges and Commissioners.

Mrs. Thomas and Mrs. Hartman will attend programs on foods, flowers, fashions and finances, planned for the women by the University.

If you don't need it any longer, sell it through a want ad in The Leader.

Leaders Go to Workshop for C-C Officials

ABILENE - Claude W. Brown, President of the West Texas Chamber of Commerce has announced that the organizations Annual Leaders Workshops will be held in three different cities on consecutive days, "to give Chamber leaders from throughout West Texas an opportunity to attend the one nearest them." The Workshops will be conducted at the Agriculture Building in Plainview on Tuesday, February 13, at the Midland County Club on Wednesday, February 14, and in the Student Union Building at Tarleton State College on Thursday, February 15.

Chamber of Commerce leaders from Wellington who will attend the Workshop in Plainview are: Don Welch and Dan Hiatt.

The program is being organized by the Community Development Committee of the West Texas Chamber of Com-

merce under the leadership of Frederick B. Tyler, Executive Vice President of the Midland Chamber of Commerce. Tyler, who will preside at the three meetings, explained, "the purpose of the Workshops is to better orient the Chamber of Commerce leaders as to their responsibilities, and to inform them on the latest proven operational techniques."

The program will begin in all three cities at 10:00 a.m. with registration at 9:00 a.m. The keynote speech at Plainview will be given by Dr. J. Edwin Becht, Dean of Management at the University of Texas at the Permian Basin at Odessa; at Midland by Dr. Thomas K. Kim, President of McMurry College at Abilene; and at Stephenville by Mr. J.C. Pace, President of the Fort Worth Chamber of Commerce.

Three separate "How-To" sessions will be conducted in the morning for Presidents and Board Members, Chamber Executives, and Committee Chair-

men and their members.

Following lunch the participants will have an opportunity to attend three out of the five discussion groups being offered. The discussions will be on retail trade stimulation, membership retention and finance, area communications, program - priorities - results, and relations between business and government.

Wilkersons to Make Home Here

Mr. and Mrs. Louis Wilkerson have moved back to Wellington to live, after making their home in Cleveland, Tenn.

A former resident, Mr. Wilkerson will be farming with his father, T.L. Wilkerson. The couple will live two and one-half miles north of town, on Mrs. Oneta Fike's farm.

Wilkerson has been with a chemical company insulating new plants.

Sell it with a Classified Ad.

Announcing the Purchase of Parsons Rexall Drug by Mr. and Mrs. Lyndon Crelia

Effective February 1, we purchased Parsons Rexall Drug from Mr. and Mrs. Sandy K. Parsons, Jr.

It is indeed gratifying to come home to this store and to Wellington, again serving the people of the area in your drug needs. It fulfills a dream of long standing.

The traditions of 36 years under one ownership will be continued. There will be no change in policies of the store, its operation or its name.

You will continue to find one of the finest and most complete drug businesses in the Panhandle. The pharmacy will remain the heart of the business, serving the health needs of this community.

The other departments — gifts, cosmetics, the fountain, fine china, crystal and silver — will continue to receive careful attention.

Sandy Parsons will be at the store to assist one or two days each week, and at other times when he is needed.

The Pharmacy

The pharmacy will continue to serve you 24 hours a day, 7 days a week, with the finest drugs, skillfully compounded.

FARM MACHINERY

1—600 Case tractor, wide front end, 1967 model motor on butane, good tires.

2—35 Ferguson 1955 tractors, good condition, no oil used on butane.

2—M International tractors on butane, motor and tires ready to go.

1—H International tractor on butane, motor and tires excellent.

1—3-ft. tandem John Deere Disc nearly new with 3-point hitch.

1—3-row International marker

1—10-ft. Case oneway, nearly new, on rubber.

1—John Deere 8-ft. grain drill on rubber, complete with fertilizer box, nearly new.

1—3-row lister with 3-point hitch.

2—roll lister with 3-point hitch.

1—9-ft. spring tooth harrow.

1—3-row dragtype lister.

1—No. 22 International cotton stripper, good as new.

1—factory made crust master govtors with 3-point hitch nearly new.

1—6-ft. Ford oneway, good as new.

1—International 5-ft. shredder.

1—Hoeme with 7 chisel with 3-point hitch.

2—4-row govtors

1—Ferguson plow with 7 chisel 3-point hitch, nearly new.

1—4-row stalk cutter with 3-point hitch.

3—4-row drag type stalk cutters

1—250-gallon propane tank

1—120-gallon propane tank.

4—filler hoses complete with valve.

2—large galvanized water tanks, nearly new.

1—12-ft. tandem stock trailer with good tires.

1—190-gallon spray tank mounted on rubber.

1—4-row cultivator with 3-point hitch

1—4-row lister and planter complete for International tractor.

1—4-row cultivator.

1—house jack

2—sets of helper springs for tractors

1—blacksmith anvil

1—post vise

4—2-row listers.

2—2-row cultivators.

1—3-disc International with power lift.

1—lot of lister bottoms, good lister points, lots sweeps, grease guns.

2—John Blue fertilizer attachments.

2—2-bale cotton trailers, good tires, ready to go.

2—Belt pulleys for International tractors.

2—spindle housing for wide front end International tractors.

1—Super M TA Tractor on butane, motor and tires are good, ready to go.

1—warm up for M Tractor, good as new.

1—H International Tractor on butane, motor & tires good.

3-point hitch complete with H. D. cylinders.

2—4-row lister & planter

2—4-row International cultivators.

1—12-ft. John Deere Tandem disc 22" disc on rubber, nearly new.

1—8-ft. John Deere oneway on rubber.

1—4-row govtor, good.

1—6-ft. oneway on rubber with lift.

1—2-row lister, International.

2—John Blue fertilizer boxes

2—2-row cultivators, International.

1—8" Case mill

1—Late model wide front end for International tractors.

Approximately 2000 pounds Lankart No. 57 delinted cotton seed.

Approximately 500 pieces pure junk iron.

CATTLE

1—Angus cow about 6-year old with heifer calf about 350 pounds.

1—Red Motley cow about 6-year-old with heifer calf, weight 300 lb.

1—Black cow about 6-year-old with steer calf, weight 200 lb.

3—Angus big cows about 6-year old heavy springers.

Girls B Team Downs Clarendon

Wellington Rockette B team outdistanced Clarendon girls B team 41-14 in a meeting at Broncho Gym Tuesday, January 30.

Wellington guards allowed Clarendon only two points during each of the first three periods, and at the same time ran their own score up to 31. With Wellington reserves on the court, the game was fairly even during the last period.

During the game, Coach Jimmy Forrester changed the girls in their positions to let everyone have an opportunity to shoot goals. The Wellington players made 33 per cent of their free shots; Clarendon never did get a free shot during the game.

Doris Thomas led Wellington's scoring with 12 points; Lucy Sullivan had 8, Sheri Peeks 6, Rita Shrubs 5, Renee Mitchell four, Toni Taylor and Lana Lacy two each.

Other players were Kathy Kersten, Stacey Neeley, LaDonna Jones, Pam Vines, Glenda Norman and Evelyn Gragson.

Hardin, Hastey and Turner each scored four points for Clarendon and Butler two.

December Bond Sales \$1,356

December sales of United States Savings Bonds in Collingsworth County were \$1,356, according to County Bond Chairman J.T. Forbis. Sales during 1972 totaled \$39,880 which represents 40% of the yearly sales goal of \$100,000.

Texans purchased \$17,451, 392 in series E and H Bonds during the month. Total bond sales for 1972 amounted to \$211,662,879 for 107% of the 1972 sales goal of \$197.5 million. One hundred three counties and thirteen districts in Texas achieved their 1972 sales goal.

Simpson Home From Hospital

C.E. Simpson returned Saturday, February 3, from St. Anthony's Hospital, where he underwent exploratory surgery.

Mr. Simpson was transferred to Amarillo from Collingsworth General Hospital Tuesday, January 30.

Four sons and daughters-in-law have been here with Mr. Simpson, Mr. and Mrs. Charlie Simpson of Pueblo, Colorado, Mr. and Mrs. Larry Simpson of North Glen Colorado, Mr. and Mrs. David Simpson and Mr. and Mrs. Robert Simpson of Vancouver, Washington.

They also visited their sisters Miss Sandra Heisler and Miss Doris Simpson.

Fulcher Injures Hand Monday

Albert Fulcher received a badly injured left hand Monday morning, February 5, when his glove caught in the moving part of a cotton stripper he had stopped to check.

He received emergency treatment in his doctor's office, then Mrs. Fulcher took him to Amarillo. He underwent surgery in High Plains Baptist Hospital Monday afternoon, according to his daughter, Jenny Earnest. She said his doctors there believe his arm may also be broken above the wrist.

John Justice's Health Improved

John Justice of Clarendon, who has been in failing health, is now much better than he has been in the last four years, his wife said recently.

"He is now able to get in his wheelchair and just about take care of himself. He appreciates friends coming to see him," she said.

Mrs. Justice works in the library at Clarendon College.

Collingsworth County FARM NEWS

By Don Reeves
County Agricultural Agent

Beef prices continue steady across the nation despite increased production and increased livestock marketing. The main reason is the increased demand for beef due to the continued growth in the United States population and rising per capita disposable income.

The U.S. population increased by 2.2 million from July 1, 1970 to July 1, 1971 and that per capita disposable income rose 7 percent during that same period from a year earlier. This has placed all sorts of demand on the only slightly higher total meat production.

Prices for feeder cattle continue up due to good feed grain crops during the past year and the continued expansion of large commercial feedlots in the Texas High Plains and in the Midwest.

Citing figures from the U.S. Department of Agriculture, Uvacek notes that cattle numbers have changed relatively little from 1966 to 1970. Beef cows and heifers have increased by about 3.5 million while dairy cows and heifers have decreased by some million. The average value per head of all cattle rose from \$133 to \$179.

In Texas dairy cow and heifer

fer numbers remained stable during the four-year period while beef cows and heifers increased only about a half million. The average value per head of all cattle in Texas increased from \$115 to \$155.

The real striking statistic as far as beef cattle are concerned is the growth in the cattle feeding industry in Texas. Cattle feeding jumped 58 percent during the short period from 1969 to 1972.

Cards of Thanks

May we express our sincere appreciation to each of you for the sympathy extended us at the passing of our loved one.

We are especially grateful to Dr. Holcomb, the staff of Collingsworth General Hospital and Wellington Nursing Center, to all those who sent flowers or brought food, and to everyone who in any way sought to bring us a measure of consolation.

May God bless each of you.

The Family of
F.H. (Pete) Melton

It is with humble hearts we say thank you to the many people who gave consolation and help to us during our sad hour at the loss of our husband, father, son and brother, Carl W. Morris Jr.

We cannot adequately express in words our appreciation for the visits, cards, letters, food, floral offerings and memorials. Your kindness have consoled and lifted us up. Our prayer is that each of you will be comforted in your sad hour as we have been in ours.

May the blessings of heaven be yours always.

Dorothy, Sonny, Tommy and Jerri Morris
Carl and Pauline Morris
Jim and Carolyn Brock and Girls
Dale and Paulena Morris and Girls
David and Carolyn Morris and Children

May we express our appreciation to our many friends for the comfort and consolation you brought at the passing of our loved one, Lloyd Woodridge. The care of the doctors and nurses, the food, flowers, prayers, and every expression of your sympathy, extended in so many ways, has made our bereavement easier to bear.

May God bless each of you.

The Family of
Lloyd Woodridge

The Collingsworth Chamber of Commerce Supports the Farmers

We Urge All Farmers to Support the Chamber of Commerce

Deck's DIDACTICS

—by Deskins Wells

SECY. BUTZ says that increased prices for agricultural products in 1973 will more than offset any decline in payments from federal programs. He is optimistic about better times for the farmers during the year and there is sound ground for his confidence. The price of grain sorghum, wheat, cattle and hogs are of primary concern to us and all of these will continue at a high level in 1973.

IT IS not the present year, however, that concerns the farmer the most. It is the agricultural prospects for 74 and future years that give him concern. Russia will make another low wheat crop in 1973; but they might start making bumper crops in 74 and 75 and that would take care of the price of wheat and perhaps grain sorghum.

PROSPECTS for cattle raising and cattle feeding seem good for years to come just as they have been for some years past. But the price of feeder stock is so fantastically high that it gives experienced operators cause for concern. The price that is being paid for light calves plus the high cost of feed provide hazards that can put the squeeze on marginal feeders and traders quickly.

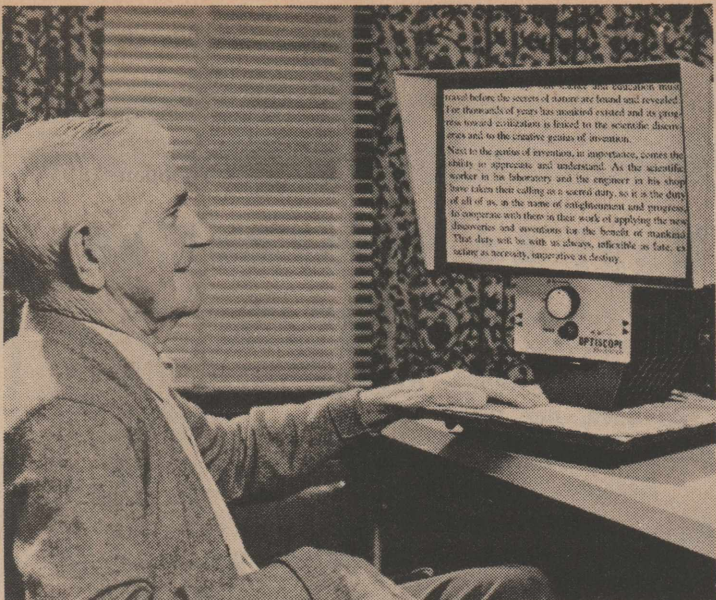

CATTLEMEN are still talking about their luck in coming through the bad weather with minimum losses in this area. Tom Wilson says the absence of high winds during the wet cold spells made the difference. One week end in January the wind did hit 60 and 70 miles an hour in gusts here in Wellington. If that had been a cold snowy period it would have been too sad.

WE HAD LUNCH the other day with Margaret and Jesse Coleman who were returning from Hollis with a load of lightweight calves. (Margaret cautioned me to remember that they went to Hollis to buy calves.) Jesse would not tell me what he paid for the stock; but he indicated it was high enough to put his teeth on edge. Like Tom Wilson, he came through the three cold wet months in excellent shape; but he fed a tremendous amount of supplement, grain and 18,000 bales of home grown alfalfa hay to accomplish the task.

JESSE is a genial fellow; but don't mention sheep to him. He bought some once to curb the brush on his ranch and the financial outcome was unpleasant. On the other hand, Pat Bouchelle down at Loco, has been raising sheep profitably for years. He says sheep will eradicate sagebrush completely and where land has been cleared of mesquite they are very useful in keeping down the young tender shoots and seedlings that could reinfest the land.

MRS. Vannie Mae Godwin, the daughter of the late W.W. White, has been busy looking after her two sections of land in the Quail area. While in Singley Mill & Elevator the other day, she remarked that she gathered 165 bales of cotton and left 165 on the ground. Jones was explaining how this cotton could be salvaged with special equipment. She rejected the idea and said she would plow it under for fertilizer. Jones face lighted up with one of his polite grins and he said -- that is pretty high priced fertilizer this year.

TWO remarkable exhibits of Indian artifacts are on display in the window of Wells & Wells Insurance. They were collected and arranged by W.A. (Gus) Allen. One panel is of arrowheads ranging from the smallest used for birds to the largest used for bison or some

AIDS "LEGALLY BLIND"
This instrument, the Optiscope Enlarger, allows many persons with low-vision capability who may be considered blind by legal standards (20/200 vision or less) to read ordinary books, magazines, newspapers, letters and other printed or graphic material. The patient has a larger viewing field than with high magnification glasses.

Home Ec Class Has Play School For Tiny Tots

A play school by the Home and Family Living Classes was held, Monday and Tuesday, February 5 and 6, with Mrs. P.M. Scott, sponsor.

Punch and cookies were served. The children painted, played with blocks, drums, airplanes, etc. A play house was also constructed by the Home and Family Living class' boys of large cardboard boxes.

The children ranged in age from 17 months to five years. Students and the youngsters they brought included:

Alton Belev - James Finley; Dan Fires - Stacey Fires; Earl Hartman - Bobby Wilkerson; Nancy Shumate - Janna Nunneley; Rex Van Meter - Paula Nunneley; Rocky Hill - Suzanne Floyd; Gary Wright - Soni Clement; Bruce Oney - Bryan Van Pelt; Randy McKinney - Kimberlea McGill; Barry Long - Robi Lou Mabery;

Joy Jesse - Darrin Jesse; Connie Bearden - Stephanie Barton; Susan Lowe - Dudley Owens; Judy Peters - Tim Hartman; Mike Savage - Mike Myrick; Lillie Rogers - Randy Wheeler; Billy Carter - Stacey Fires; Gary Cummings - Lety Guerra; Elena Romo - Tina Guerra; Lesley Bailey - Patti Powell; Dennis Powell - Brenda Powell; Roszell Outley - Mary Ann Outley; Landi White - DeJon Lindsey; Jan McGill - Kay Lynn Bartlett; Steve Hunter - Sherri Gassiot; Cecil Parker - Mark Myrick.

#3—continued from page 1
Mrs. Clifford Christian), Steve Owens, Farmers Cop Gin, John Nash Texaco, J.C. Hartman, Warrick's Inc., Singley Mill, Greenbelt Electric Co-operative, Inc., Doneghy Ranches, Collingsworth County Farm Bureau, Wellington Livestock Commission, Langford Brothers Conoco, Wellington Lions Club.

larger more ancient animal. The other is of tomahawks, skinning knives and other hunting and domestic flints. It is an exhibit that would be prized by any museum in the nation.

I AM ON my way to Houston to see if the M.D. Anderson buildings are still there and if the blue geese and the snow geese are still grazing on the rice fields. Thus far no reader has made any comment on my story last October about the Canadian geese flying northward in disorder after a jet plane few overhead. Later they turned south again and formed into two natural flights of geese. It seems odd that I was the only person who observed the incident since it happened just east of Wellington.

THIS should be the year for a tremendous fruit crop. Your trees should have been trimmed before this; but there is still plenty of time.

#2—continued from page 1
ton, already in the depression, to work for The Palace.

"A registered pharmacist made \$100 a month, and you could hire them in droves for \$65 and \$70," he recalls.

In the mid 1930's, Sandy and Lois Parsons moved to Shamrock where he worked 6 months for Hubert Tindall. It was the only time they left Wellington.

In 1936, he returned to buy the Joe Hardy Drug. Mr. Tindall was a silent partner for 8 years.

Considering how far pharmacy has come in the years he has known it, Mr. Parsons recalls that when he went into the business, most medicines were mixed in the drug store. There were few chemicals. Calomel was a big seller. The aloes, used since Bible times, was still one of the popular purgatives. Senna and aspirin and various oils were much used. Only aspirin remains a top seller.

The sulfa drugs made history in the late 1930s followed by penicillin during World War II. Since then, the antibiotics have come, one after the other. "They are all very potent and very effective. That is the reason we cannot refill a prescription without your doctor's approval. We do it for your protection," Mr. Parsons explained.

There has been much to Sandy Parsons life outside the drug store.

"Mr. Scouting" for more than a quarter of a century, he serves on the Executive Board of the Adobe Walls Council and is still the institutional representative for Boy Scout Troop 32. In 1952 he became the first Wellington man to receive the coveted Silver Beaver Award. He was a charter member and former president of Rotary and holds the distinction of being the only Wellington man to serve three times as president of the Chamber of Commerce -- an organization he and J.W. Wells helped to form out of World War II need. He is the immediate past president. Mr. Parsons is an elder and chairman of the board of First Christian Church.

One of the services he has rendered pharmacy is the number of young men he has encouraged to study in that field -- the list is long.

Sandy and Lois Parsons have three children. Their son and two sons-in-law followed him into the profession. Sandy K. Parsons III owns a drug store in Dimmitt, Bill Lockhart at Memphis, and now Lyndon Crelia here.

Born in Bennington, Oklahoma, Mr. Parsons has lived in Wellington since he was four years old, coming with his parents, Mr. and Mrs. S.K. Parsons. "I love this area and I love these people, and I am going to stay here," he said Monday of his retirement.

Largest Meteorite
Largest meteorite ever discovered on the mainland of North America is Bacubirito, with an estimated weight of 27 tons. It was unearthed in northern Mexico and still lies in the same spot.

Wellington Pee-Wees Win Tourney Places

Wellington No. 1 Pee-Wee girls basketball team won the Quail invitational Pee-Wee Tournament defeating Hedley girls 15-4 in the finals Saturday night, February 3.

Lakeview boys A team won their division with a victory over Hedley boys.

Both the Wellington No. 2 boys and girls teams won the consolation trophies.

Game results were announced by Quail Coach Bill Wilson. The tournament was sponsored by Quail Lions Club with proceeds going to finance their youth projects.

In the first round of the girls Division, Wellington No. 1, defeated Quail 26-18; Samnorwood won over Lakeview B team 10 to 2; Arnett was victorious over Lakeview A team 20-8 and Hedley defeated Wellington No. 2.

In the second round, consolation play, Quail girls defeated Lakeview A 11-9; and Wellington No. 2 won over Lakeview B team 10 - 1.

Playing on the championship side, Wellington No. 1, was victorious over Arnett 18-16

Hardy Retires From United Gas

Mr. and Mrs. Gerald Hardy of Liberty and his daughter, Miss Helen Jo Hardy of Houston came early this week for a visit with his mother, Mrs. P.K. Hardy. Helen Jo Hardy also visited with her other grandmother, Mrs. R.S. Montague and other relatives.

Mr. Hardy retired from United Gas Co., after more than 30 years service. He was honored with a luncheon by his company

Mr. and Mrs. Hardy have a home on Lake Livingston about 50 miles north of Liberty, where they plan to make their home. He began work for United Gas in Wellington, before the company sold its properties in this area to Lone Star Gas. He remained with the company and transferred to southeast Texas.

#4—continued from page 1
Wellington and graduated from Amarillo High School. In 1953, he received a degree in geology from Baylor University. After spending a year in South America with an oil reservoir engineering company, he entered the United States Army. Upon completion of his military obligation, he started his chamber work at Hamilton. Later he was at Angleton.

Mr. Winter is married to Betty Hancock of Clarksville, Tennessee and they have two sons, Kent, 11, and Jeffrey, 8. His wife and mother will accompany him to Wellington.

C-C officers along with Mr. Welch this year are Dan Hiatt, vice president, Robert Owens, secretary and Mr. Spillman, treasurer.

New directors are Charles Darter, Mack Saied, Jr., and Lynn Jenkins.

Holdover directors are C.T. Hubbard, A.J. Fires, Bobo Castleberry, Robert Lewis, John Coleman, Billy Moseley, Bill Hatch, Jimmie Kelso and Garner Altom.

Mr. Parsons also is the West Texas Chamber of Commerce Director and George Shadid is the water board representative

Besides Mr. Parsons, retiring officers are Mr. Welch, vice president, Mr. Hiatt, secretary and J.L. Harper, treasurer. Retiring directors are Jack Sanford, Mr. Owens and Mr. Shadid.

#1—continued from page 1
told Mr. Daniel to file suit to collect them.

The purchase of a new street sweeper was approved at a cost of \$5,000.

The airport lighting project was discussed and Mr. Daniel said the contract will be let shortly. General Telephone Company will dig the trench for the lines, he said.

in one of the better games of the tournament, and Hedley defeated Samnorwood 15-6.

Wellington No. 2 girls took the consolation title over Quail 22-16, with Zulema Bueno scoring 10 points for Wellington and Donna Langley four for Quail.

The game was tied at 6-6 at the end of the first period and only two points separated the teams at the half and third. In the final period, Wellington picked up four points and Quail failed to score.

BOYS DIVISION

In the first round, Wellington No. 1 boys defeated Samnorwood 22-7, Lakeview A won over Quail 34-7, Arnett beat Lakeview B 33-2 and Hedley won over Wellington No. 2 17-7.

In second round play of the consolation bracket, Samnorwood won over Quail 22 to 7 and Wellington No. 2 took a victory over Lakeview B 24-3.

Championship second round play saw Lakeview defeat Wellington No. 1 by 31 to 24 and Hedley won over Arnett 14-9.

FINALS

Wellington No. 2 boys took the consolation finals from Samnorwood boys 15-10 after the game was tied 7 all at the third. Lowry Schaub was high point man with 9, while Hall made 6 for Wellington.

Wellington No. 1 girls had an easy time in taking the championship from Hedley 15-4. The game was tied 4-4 at the end of the first period and that was all Hedley scored for the entire game. Wellington's Leslie Doty was also the high point player of the game with 7. Lindsey scored four for Hedley.

"We need a little more competition like these games, but it's a little late in the season to work it out," said Wellington Coach Lester Guesby.

Communities where Pee-Wee basketball is played find it entertaining for both players and spectators. Games bring lots of enthusiasm and competition, usually not a great deal of scoring, and noisy, enthusiastic support by the fans of all ages.

Crelia's Buy Parsons Drug February 1

Announcement was made this week that Mr. and Mrs. Sandy Parsons have sold Parsons Rexall Drug to their daughter and son-in-law, Mr. and Mrs. Lyndon Crelia.

For the young pharmacist and his wife it is a return to the store where he formerly worked, and in which she grew up.

The sale was effective Thursday, February 1.

The store will continue to operate under the name by which it has been known for 36 years, Parsons Rexall Drug.

After receiving his degree from Southwestern State College, Weatherford, Oklahoma, in 1962, Mr. Crelia, was pharmacist in Parsons Drug 5 years, until he bought a drug store in McLean, which the couple operated another 5 years. For the last 6 months, they have lived in Arlington.

The couple has two daughters, Belinda and Cathy, 8 years old and in the second grade.

Mr. Crelia grew up at Eldorado, Oklahoma, and came to Wellington in 1954. He attended Clarendon College before going to Southwestern.

At McLean, he was a member of the Lions Club, and since coming here, he has resumed membership in Kiwanis.

He belongs to Phi Delta Chi pharmaceutical fraternity and to the Texas and the American Pharmaceutical Associations.

Mrs. Crelia was active in Pharmacy Wives fraternity and Pharmacy Wives at Weatherford, in First Christian Church here and First United Methodist Church at McLean.

Mr. Parsons bought the Joe Hardy Drug Store in 1936 and he and Mrs. Parsons have operated it since then.

They will continue to make their home in Wellington, devoting more time to things in which they are interested.

Mr. Parsons will continue to assist in the store when he is needed.

TO PROTECT YOUR BUSINESS

You stand to lose more with inadequate insurance than through theft. Check our Workman's Compensation; Fidelity Surety Bonds; Health and Accident Policies, and protect yourself.
