ACP Payments For County Expected During February

TOTAL AMOUNT OVER $320,000 IN THE COUNTY

Failure of Farmers to Comply In Program Makes 1938 Checks Less Than 1937

Few Forms Incomplete

1938 ACP Checks Will be Paid In Texas During January, February, March

Ochiltree County farmers, who complied with the 1938 agricultural conservation program of the AAA and have completed all forms, should receive their checks within the next six weeks. While no official word has been received as to time of payment in Ochiltree county, it is likely that ACP payments will be received about the same date as last year, which was the middle of February.

In December, C. L. Thomas of Pampa, state AAA committeeman of the Amarillo District, estimated that 1938 ACP payments in Texas would be paid during January, February and March.

Total payments into this county on the 1938 program will be in the neighborhood of $320,000, which is approximately 80 per cent of the ACP payments for 1937, according to E. W. Thomas, county agent. The reduction in amount of benefits for Ochiltree County this year is due to less compliance on the part of producers. ACP payments in the county for 1937 amounted to over $400,000.

Practically all applications for payment have been completed and submitted to the state department. A few forms of absentee land owners have not been completed, but this will not delay the other payments.

NEW YEARBOOKS FOR H D. CLUBS

HOME DEMONSTRATION CLUBS PREPARE 1939 YEARBOOK WHICH WILL BE DELIVERED SOON

The members of the Home Demonstration Clubs of Ochiltree County will receive a new year book this month. This 1939 Yearbook will come off the press this week and will be delivered immediately to the members.

It contains the monthly programs, which promise to be interesting as well as helpful to the club members. Among the subjects listed and to be studied at the bi-monthly club meetings are various phases of yard planning and arrangement of a kitchen.

Six clubs are active in Ochiltree County and under the direction of Mrs. Hazel Martin, home demonstration agent. Club presidents are: Mrs. L. B. Urban, McMillen; Mrs. A. W. Berry, Missouri Ave.; Mrs. Alvin Cohn, New Hope; Mrs. Kirt Williams, Ochiltree; Mrs. Van E. Steed, Waka; Mrs. Lawrence Ellzey, Wolf Creek.

Officers of the County Council are: Mrs. J. R. Stump, chairman; Mrs. J. H. Kershaw, vice chairman; Mrs. Hansit Carter, secretary-treasurer.

TAXES DELINQUENT FEB. 1

1938 TAXES DUE AND PAYABLE AND TO AVOID THE PENALTY MUST BE PAID BEFORE FEBRUARY 1

Taxpayers are notified that their 1938 taxes are now due and must be paid before the first day of February, to avoid penalty. Poll taxes are now due.

J. S. Talley, Tax Assessor, Collector and Sheriff of Ochiltree County, and Mrs. Luther Wade, Tax Collector Perryton Independent School District, have notices in this week's Herald urging prompt payment of all taxes, and avoid penalties.

Mr. Talley states that both men and women are required to pay their poll tax, and unpaid taxes are a lien upon any real or personal property you may own, or come into possesion of. Those who were 60 years of age or more on January 1, 1938, are not required to have an exemption vote; those who have moved into the county since January 1, 1938, are required to have an exemption; those who have become 21 years of age since January 1, 1938, are required to secure an exemption certificate this month. No charge is made for these exemptions.

According to Mrs. Wade penalties on 1938 unpaid school taxes are added at the rate of one per cent per month, Until July 1, 1939, when the penalty is increased to eight per cent and interest charges at the rate of one-half per cent per month.

FINNELL TO BE SPEAKER FOR CHAMBER MEET

Annual Membership Banquet Will be Held Tuesday, Jan. 24

NAME COMMITTEE

Arrangements are nearing completion for the annual membership banquet of the Perryton Chamber of Commerce to be held on Tuesday evening, January 24. The place where the banquet will be served will be announced next week.

H. H. Finnell, regional director of the Soil Conservation Service, has accepted an invitation to appear on the program as the principal speaker. Invitations have been mailed to Chamber of Commerce officials in neighboring cities.

In the absence of W. M. Boston at the Monday meeting of the Chamber of Commerce directors, vice president C. B. Rogers appointed the following committees who will have charge of the banquet.

General arrangements: J. H. Woodward, chairman; Garland Redfern and P. B. Sumpter. Ticket sale: Sam Hergert, chairman; W. B. LaMaster, and E. W. LeMaster. Program: Van W. Stewart. Tickets will sell for $1.00 each.

BRYAN TO HAVE SUPER MARKET

REMODELING AT W. C. BRYAN & SON WILL ENLARGE BY BETTER THAN TWICE PRESENT SPACE

Workmen are busy under the direction of Contractor Clyde Cofer on an enlargement and remodeling program at the W. C. Bryan & Son store that will make this grocery and market one of the super-markets of the Southwest.

The entire space formerly used by the dry goods department just closed out has been added to the grocery department, giving the new supermarket a frontage of fifty feet on Main St. with a floor space more than twice as large. The recessing front on the old-dry goods store has been replaced with the new straight-line front now popular with grocerles and markets.

New refrigerating equipment, meat display counters and vegetable and fruit vending racks will be installed. The mezzanine upon which the business offices were formerly located, has been torn out and the offices in the new store will be on the ground floor. The large refrigerators for the meat department will be located approximately where the shoe department was in the old store with meat warehouse directly to the rear.

The meat display counters and vegetable and fruit department will be along the south wall of the old dry goods department. Modern display racks and counters will be installed with every facility so that customers can either wait upon themselves or use clerk service.

W. C. Bryan, general manager of the store, states that in the new super-market, there will be no drastic change in policy. The delivery service will be continued and every effort will be made to maintain the same friendly and personal service that has made this store a successful Perryton institution.

Announce Realignment of SCS Regions in Great Plains

AMARILLO, Jan. 11—A realignment of Soil Conservation Service regions in the Great Plains to facilitate land-use activities being carried out in cooperation with farmers of the Plains was announced today by the department of agriculture.

Reducing the number of Great Plains regions from three to two, the change places the entire state of Kansas in the Southern Plains region, which previously has included 25 counties of southwest Kansas, the Panhandle sections of Texas and Oklahoma, eastern Colorado, and a portion of eastern Colorado, and a portion of eastern New Mexico. Headquarters for this region will remain in Amarillo.

The larger portion of Kansas previously has been under administration of the regional office at Salina, Kans., along with Nebraska and Oklahoma with exception of the three Panhandle counties. Under the new set-up, the regional office in Salina will become an area office directing service activities in North Central Kansas.

Nebraska will be added to the Northern Plains region which previously has included Montana, North Dakota, South Dakota and Wyoming. Headquarters for this region, now at Rapid City, S. D., will be shift d to Lincoln, Neb.

Oklahoma, with the exception of the three Panhandle counties, will be made a part of the south central region of the service, which now includes Arkansas, Louisana and all of Texas except the Panhandle. Headquarters for this region will remain at Fort Worth.

The shift in areas will place an addition of three demonstration projects, 12 CCC camps, one soil conservation district, one nursery, and two water facilities projects under administration of the Amarillo office.

Convention Speaker

H. H. Finnell, head of the Amarillo region for the Soil Conservation Service, has accepted an invitation to make the principal address at the annual meeting of the Perryton Chamber of Commerce on the evening of Tuesday, January 24. Mr. Finnell directs all services of the SCS in the Amarillo Region which covers parts of the states of Texas, New Mexico, Oklahoma, Kansas and Colorado.

Following the business meeting those present spent the remainder of the evening playing games of forty-two.

Miss Marion Price visited Monday in the Aaron Diehl home.

SLOW DOWNPOUR LETS EVERY DROP SOAK INTO GROUND; IS FOLLOWED BY SPRING WEATHER

Moisture During 1938 Was Above Normal; First Normal Year of Rainfall Since 1929; 1938 Total Was 21.26 Inches

BEST CROP PROSPECT IN MANY YEARS

A search back through the official government rainfall records fails to find a record of such a wonderful rain as fell over the Panhandle Saturday night and Sunday. The official precipitation at the Perryton station was 1.73. Practically every part of the Texas Panhandle received as much or more. Thu rain was lighter to the north. Liberal reported .87 in. with slightly more at Elkhart, Kansas, and Boise City, Okla.

The rain started Saturday night and continued through most of the day, Sunday, falling slowly, allowing practically every drop to soak into the ground with very little run-off.

This moisture will be of inestimateable benefit to the small grain crops. Wheat in the Perryton area was in excellent condition before this rain, the one-half inch of moisture from the snow in December putting it in shape to carry-on until in February without serious need of moisture. County Agent E. W. Thomas compares conditions as of a year ago with today as follows, "Wheat as a whole over the county even before the rain Sunday was at least fifty per cent better than at the same time last year.

It begins to look like the dry cycle of years was over for the Panhandle. After seven straight years of subnormal moisture, 1938 broke the dry era and exceeded the average rainfall for this county. The 1938 rainfall totaling 21.26 inches was distributed as follows:

January	.00
February	1.32
March	1.47
April	3.00
May	4.28
June	2.13
July	4.03
August	1.42
September	2.20
October	.62
November	.19
December	.60
Total	21.26

In the "Climatic Summary of the United States" issued by the Department of Agriculture, the average rainfall in Ochiltree county for the years 1910 to 1930, inclusive, with the exception of a skip in records for the years 1919 to 1922, inclusive, and parts of the years of 1918 and 1923, is 19.88. This figure of an average rainfall of 19.88 has been lowered by the sub-normal years of 1931 to 1937 inclusive. The annual average for the years 1924-1937 is 18.42 inches.

JAYCEES PLAN A PRESIDENT'S BIRTH PARTY

Gage Brewer's Orchestra To Play for Ball On Mon. Jan. 20

PARTY AT SCHOOL

Scott Amend, general chairman for the President's Birthday Parties in Perryton, announces that plans are being made for an extensive observance of this event. The Junior Chamber of Commerce is sponsoring the program again this year.

Chairman Amend announces the appointment of the following committees: Dance: Miles Edwards, Walter Nies, and "Jake" LeMaster; Special program; O. A. Bush, R. T. Shindler, and J. H. Woodward; Finance: W. R. Cayler, Glenn McGibbon, and Walter LaMaster; Publicity: Van W. Stewart, J. H. Brashears, and Jack Todd.

The dance committee has signed Gage Brewer and his orchestra to provide for music for the President's Ball. It will be held at the Donley Hall and the admission will be $1.50.

The President's Birthday Party program will be held at the school auditorium with the P. H. S. Band participating in the proceeds on a thirty-five per cent basis. The band will contribute to the program under the direction of the committee-in-charge. Admission to the program will be $1.00. Admission tickets will be sold for either the dance or the program and will be good only for the event for which they are purchased.

Move Highway Office

Reading and Assistants to Office In Canadian While Working On Highway 83

CANADIAN, Jan. 7—G. K. Reading, resident engineer from Perryton, has established his office in the basement of the Hemphill County courthouse. He will be here during construction work on U. S. 83, to Horse Creek from the junction with U. S. 60, north of the Canadian river bridge.

With Mr. Reading in the resident engineer's office are J. E. West and V. J. McGee, assistant engineers. They report grading work on the project is about completed. The road is to be paved with concrete slab for a distance of 6.4 miles. About 64 men were employed on the job the first of last week.

Mrs. B. W. Ruthrauff, Hutchinson, Kans., came in Friday for a few weeks stay with her daughter, Mrs. Frank Teague.

ORDER HIGHWAY WIDENED

ROAD 15 MILES SOUTH CONNECTS WITH NEW NO. 4 AND TO BE WIDENED TO 100 FEET

The Ochiltree County Commissioners at their regular meeting Monday ordered the widening of the east and west to Spearman at the old Map Sign, 15 miles south, now continues east to the new highway No. 4, just recently hard surfaced.

Citizens along the route, west of old Highway No. 4, have donated sufficient land to make this a 100 foot right-of-way to the Hansford County line. Judge Dave Shanks announced that WPA labor will be used to move the fence back, and that this work would be done as soon as WPA employees are available from other projects.

Monday was the first session of the Commissioners Court for this year and was the first meeting for three new members on the Board: B. H. Peckenpaugh, A. E. Devers and R. L. Flowers. Fred Tarbox, the other member, was reelected.

In addition to the regular routine, he Commissioners also ordered a mile of road opened south of the Geo. Perry place, upon petition of Ben Graham et al.

Excavator of Ruins of "The Buried City" Dies in Boston

Perryton and Ochiltree residents learned with regret Friday of the death in a Boston hospital Thursday night, January 5, of Dr. Warren Knight Moorehead, 72-year-old nationally known anthropologist and archaeologist. It was Dr. Moorehead's excavations that proved "The Buried City," located on the Sam Handly land on Wolf Creek, to be pre-historic Pueblo communal dwellings.

Dr. Moorehead's investigations some 25 years ago led to the uncovering of the Panhandle's prehistoric civilization. He was particularly interested in the excavations made in the Canadian River Valley, and for many years he followed this work and study. He made five separate trips to the Panhandle to work and study with archaeologists of this region in ferreting out information on the area's pre-historic civilization.

Floyd V. Studer of Amarillo, outstanding among southwest archaeologists, under whose direction much of the excavation in this area in recent years has been done, writes to Kennedy N. Clapp, member State Parks Board, as follows about the "Buried City" of Ochiltree County: "In the spring of 1907, my science teacher, Dr. T. L. Eyerly of Canadian Baptist Academy, selected a number of his students to help him make excavations at the "Buried City" in an attempt to determine its origin. We found a well planned and well built stone communal house of Indian origin.

"Some ten years later Dr. Eyerly's report on this particular location came to the attention of Dr. Warren K. Moorehead of Phillips Academy, Andover, Mass. (Dr. Moorehead is known to this day as the Dean of American Archaeologists, and has made five trips to this area studying and observing these most interesting Pueblo type homes). Dr. Moorehead organized an expedition which was financed by Eldridge B. P. Johnston, who was at that time president of the Victor Phonograph Company, to make a survey of the Arkansas Valley. Much of Mr. Moorehead's time was spent on the Wolf Creek ruins. The date of his expedition was the summer of 1917. Dr. Moorehead determined they were the remains of a house-building Indian Culture. His report was published in his "Archaeology of the Arkansas River Valley," published by Yale University in about 1929."

Leveling Hummocked Field

The first step in restoring a vegetative covering to a field which has been damaged by blowing is the leveling of hummocks or soil drifts. Often during periods of high winds an unprotected field becomes so cluttered with drifts that tillage is impossible. After the field is leveled, it can be listed in preparation for planting a cover crop. This cooperator of the Soil Conservation Service is leveling his field by pulling heavy steel rails with a tractor

Dramatic Story of Winning of the West Showing Here

The Western comes into its own in a brand new locale in "Stand Up and Fight," wth Wallace Beery and Robert Taylor teamed for the first time as protagonists of a new type of outdoor action drama which bids fair to set a percedent in film cycles.

The pictue, showing Sunday and Monday at the Ellis Theatre, presents to film goers western Maryland in the 1850's with the bitter struggle between the railroad and stage coach lines forming the theme of a stirring story which combines all the elements of the best of the always-popular Westerns with an authentic historical background.

Moving at breathless pace, with hand-to-hand battles, gun fights, wagon wrecks, jail dynamitings and saloon brawls studding the action, "Stand up and Fight" lives up to the vigorous connotation of its title. Beery and Taylor are in fine fettle, Beery typical in a made-to-order role as the hardboiled manager of the stage coach line, and Taylor combining the romantic and the two-fisted.

A new leading lady for Taylor, Florence Rice, proves herself once and for all a most charming and able actress in this, her finest opportunity to date. The dry wit of Helen Broderick and villainy of Charles Bickford and Barton MacLane add notable flavor, while such others as Charley Grapewin, John Qualen and Robert Glecker are memorable in support. W. S. Van Dyke's dircetion is incisive.

In New Series

"Nancy Drew, Detective" Opens A Series of Crime Thrillers With Juvenile Stars

Beginning a new Warner Bros. series based upon the exploits of the heroine of the enormously popular Nancy Drew books by Carolyn Keene, "Nancy Drew—Detective" shows at the Ellis Theatre Saturday, January 14, with Bonita Granville in the title role and Frankie Thomas as Ted Nickerson, her favorite boy friend.

The plot of the first picture in the new series, devised by Kenneth Gamet, is a typical mixture of the exciting melodrama and adolescent humor that have made the Nancy Drew books so successful.

Nancy's first exploit as a motion picture heroine is the rescue from the hands of kidnapers of a wealthy old spinster who has disappeared the day after she announced a gift of $250,000 to Nancy's school. In solving the mysterious disappearance young Miss Drew has the courageous and clever assistance of Ted.

The youngsters make use of carrier pigeons, an airplane, an old X-ray machine which Ted cleverly converts into a wireless sending set, and Nancy herself even resorts to gunplay when she and Ted are in what looks like a mighty tough spot.

The cast headed by Bonita and Frankie include John Litel, James Stephenson, Frank Orth, Renie Riano, Helena Phillips Evans, Charles Trowbridge and Dick Purcell. William Clemens directed.

Benny's in the Dough!

Jack Benny "takes the cake" and comes up smiling in this scene from his new comedy, "Artists and Models Abroad," Paamount hit showing at the Ellis Theatre, Thursday and Friday, January 19-20. Joan Bennett, his new screen sweetheart, Mary Boland, George P. Huntley and Joyce Compton look on.

Melodramatic Hit

Kay Francis and Humphrey Bogart Appear in "King of the Underworld", at Ellis Theatre

As the leading lady in "King of the Underworld" Kay Francis is given the most melodamatic and action packed vehicle in her career. Costarring with Humphrey Bogart they will bring to Perryton theatre-goers Tuesday and Wednesday, January 17-18 what might be described as a hair raising thriller.

In the story Miss Francis and her husband, John Eldredge are surgeons. Performing a difficult operation on a mobster they come to the attention of Bogart who decides to add Ellredge to his "staff". The natural complications build up a story of intense emotional punch. The undercurrent of the film is similar to that found in "Crime School" and "Dead End".

Included in the supporting cast are James Stephenson, Penny Singleton, Pierre Watkin, Frank Reickey and Fran Praylen among many others. The picture was released by Warner Brothers.

Famed Ranch Locale

"Going Places" Story of Racing Horses Set to a Hilarious Tempo Starring Powell

One of the world's leading race horse breeding farms makes its motion picture debut in "Going Places," the Warner Bros. farce featuring Dick Powell and Anita Louise which shows at the Ellis Thearte, Thursday and Friday, January 12-13.

It is the famed Conejo ranch, 10,000 acre estate of the Janss family and is located in the California foothills some 40 miles north of Hollywood. In the picture, it is seen as a Maryland breeding farm.

Among the 101 blue-blooded thoroughbreds on the estate are Top Row, Boxthorn, Special Agent, Naishapur and other makers of turf history. And, matching the caliber of the stock, equipment of the ranch is as complete and modern as any to be found in the world.

Stock, stables and practice track of the estate all were employed to give authentic background and atmosphere for "Going Places," which reaches its action climax in a thrilling steeplechase race in which Dick Powell rides the music-mad horse, "Jeepers Creepers," to victory.

Mr. and Mrs. L. D. Stinson and son, Gene, were Sunday over night guests of Mr. and Mrs. W. E. Bowen and family. The Wheeler Times.

Heavy Schedule Revealed by a Glance at 1939

King George and Queen Elizabeth of England, who will visit the U. S. this summer after a trip to Canada.

AS 1938 fades into history, the approaching year is already full of important dates and engagements which ensure its being as eventful and even more important than the 12 months retreating.

Here are some sign posts which may chart the year's course.

FOREIGN AFFAIRS: Prime Minister Neville Chamberlain will leave England for a visit to Mussolini on January 15. The Tunisia situation will loom tall in their talks. President and Mrs. Lebrun will leave France to repay the visit of the King and Queen of England early in March.

NATIONAL NEWS: President Roosevelt will have two, perhaps three, new faces in his cabinet in the early months of the year. [illegible]

SPORTS: John Henry Lewis and Joe Louis will meet in Madison Square Garden on Jan. 25 to open the year's fights. Lou Nova, who looks like the best of the coming crop of heavyweights, will fight Bax Baer some time in early summer.

AMUSEMENTS: The biggest fair year in history will start on Feb. 18 when the curtain rises on San Francisco's Golden Gates Exposition. New York's World Fair of Tomorrow will make its bow on April 30.

RELIGION: The long-awaited union of various branches of the Methodist church may take place at the [illegible]ual convention of the groups in Kansas City in April. The general assembly of the Presbyterian church meeting in Cleveland in May will probably have an opportunity to vote upon uniting with the members of the Episcopal church.

PERSONALITIES: Dr. Eduard Benes, former president of Czechoslovakia, will become a visiting professor at the University of Chicago, Feb. 15. Al Capone is due to be released from Alcatraz prison but he may spend another year there. Capt. F. F. Frakes, stunt flyer, will attempt to fly 1000 hours, refueling in the air over Love Field, Dallas, Texas, in June. [illegible]

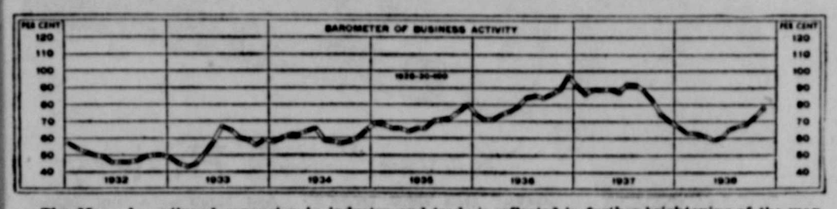
Continued Expansion in Trade is Reflected

This map represents current business conditions as compared with a year ago. It appears in the January issue of "Nation's Business", official publication of the United States Chamber of Commerce.



The Map: A continued expansion in industry and trade is reflected in further brightening of the map. The Barometer: In contrast with the sharp down trend at this time last year, business activity has moved upward for the sixth consecutive month, lifting the current level above the comparative 1937 period for the first time this year.

'Plant to Prosper' Family and Home

A Memphis newspaper started the "Plant to Prosper" campaign in the south. This year's sweepstake winner was H. L. Majure of Poplar Grove, Ark. He is shown with his family, upper. The new home on the 40-acre farm, lower.

ANNOUNCE LEGISLATIVE AIMS

LEGION AND AUXILIARY SUPPORT FIVE-POINT LEGISLATIVE PROGRAM AT NEXT CONGRESS

Protection for widows and orphans of World War veterans is the first point of the five-point legislative program which the American Legion Auxiliary will support when Congress convenes in January, Mrs. Jack Allen legislative chairman of the local Auxiliary Unit, has announced.

The other points in the program, adopted as the major legislative program for 1939 by the National Executive Committee of The American Legion are: Adequate national defense; Unversal Service; Creation of a separate United States Employment Service under the Department of Labor; Strengthening of immigration, naturalization and deportation laws.

"For a number of years the Legion and Auxiliary have been urging that widows and orphans of World War veterans be given the same protection by the government as is extended to those veterans of other wars. Progress has been made until now widows and orphans of veterans ten per cent disabled in war service receive protection. We are seeking to bring to all of the mothers and children left dependent by the death of a World War veteran the aid of the government he served.

"The Auxiliary always has been a leading advocate of adequate national defense as a safeguard for peace. At this time strengthened defenses are essential to the security of our country and our organization is working with increased energy in this cause.

"Enactment of the principle of Universal Service into the laws of the United States has been sought ever since the World War. The law we are asking would remove the profiteering motive from war and would provide equal service for all citizens in event of a conflict. We believe it would be a strong peace measure and would greatly strengthen the national defense. The Auxiliary will urge passage of the Sheppard-May Bill during the coming session of Congress.

"We will also recommend passage of legislation to establish a separate United States Employent Service, under the Labor Department, with separate funds allocated to it to maintain efficient employment services for unemployed veterans and all unemployed.

"We also will urge tightening of immigration, naturalization and deportation laws to protect the United States from undesirable aliens."

Christ's Glory as Peter Saw It

The International Uniform Sunday School Lesson for Jan. 15.
Text: Matthew 17:1-9, 14-18.

• • •

THE story of the Transfiguration seems to suggest that some unusual experiences are necessary to gain religious faith and experience.

Why should this be true?

I suppose it is because if there were no such experiences one would tend to become discouraged through not seeing things in their right perspective, and getting the sort of vision that is only possible where one ascends to some place that is above the ordinary level.

• • •

WHY did Jesus take with Him only James, Peter and John? Why did He not take with Him all the disciples? The answer is that if He had taken them all, it would have lacked the quality of unusual experience.

He took these three because they were the three who either most needed this vision from the heights and from the heights of experience, or because they were the three most forceful disciples who, if their own faith was strengthened and inspired, would be most calculated to strengthen and inspire others.

The very fact that Peter was so impulsive, and that James and John were so filled with ambition, made these men open to the temptations that beset the impulsive and that are apt to overwhelm men who set for themselves very high goals when they do not seem to be attaining their object.

The mountain-top experience may seem strange to us. We do not know just what happened. We call it the transfiguration, and Jesus in some way was glorified before these disciples in such a way that His very appearance became illuminated and splendid. Also there appeared with Him in the vision the great leaders of Israel, Moses and Elijah. They also heard the voice proclaiming Jesus as the Beloved Son.

• • •

IT was no wonder that they fell on their faces, and that fear came upon them. Perhaps it was awe rather than fear. At any rate, they were restored by the human touch as Jesus came and touched them, and bade them arise and be not afraid. Then came the return to normal experience as they saw Jesus only, and came down from the mountain top to relate the magnificent story.

CHRISTIAN SCIENCE

"Life" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, January 15.

The Golden Text is: "In the way of righteousness is life; and in the pathway thereof there is no death" (Proverbs 12:28).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Lord, thou hast been our dwelling place in all generations . . . For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night" (Psalms 90:1, 4).

The Lesson-Sermon also includes the following passage from the Christian Scince textbook, "Sciexce and Health with Key to the Scriptures" by Mary Baker Eddy: "The days of our pilgrimage will multiply instead of diminish, when God's kingdom comes on earth; for the true way leads to Life instead of to death, and earthly experience discloses the finity of error and the infinite capacities of Truth, in which God gives man dominion over all the earth" (page 202).

Health Inspection

Dr. Cox Emphasizes Importance Of Yearly Health Inspection For Public's Good

AUSTIN, Texas—At this season of the year business men are balancing their accounts for 1938 and preparing budgets for 1939. Dr. Geo. W. Cox, State Health Officer, asks that everyone look into their health account and see if it is in balance. No doubt most persons have overdawn their health accounts in many ways and as a result must retrench if their bodies are to escape health bankruptcy.

The best thing to do is go to your family physician and have him give you a thorough examination. Diabetes, Brights disease, heart trouble, tuberculosis, anemia, internal tumors and syphilis are among the diseases sometimes discovered in examinations of supposedly well persons. After such an audit your doctor will assist you in making a health budget. This should include plenty of rest, fresh air, exercise, proper food, and modeation in the items used to excess in the past. If this is done you will not only add years to your life but will make these years more worth living and enjoyable.

Great strides have been made by health agencies in lengthening man's span of life. There is much yet to be done but the health departments need the cooperation of everyone and each citizen should become acutely interested in his own health. The State appropriates five cents for each person's health. This must be tripled and health made a personal matter before Texas can say that it is the healthiest State in the Union.

Mrs. J. H. Stephenson and sons joined Mr. Stephenson in Perryton last week and are making their home at 409 Northeast Ave. They have been living in Canadian this winter. Mr. Stephenson is connected with the Perryton Lumber Company.

NAZARENE HOLD SONG SERVICES

INAUGURATING SINGING CONVENTIONS TO BE ATTENDED BY PANHANDLE CHURCHES EVERY TWO WEEKS

S. R. Brannon, pastor of the Church of the Nazarene of Perryton announces that a large number of out of town visitors, from Borger Canadaian and other surrounding towns are expected to attend a singing convention to be held at the church Sunday, January 22 at 2 p. m. Frank Herndon, congregation song leader, will lead the singers. Special numbers by quartets, trios and class singing will compose the program of the afternoon.

Members of the local church to appear on the program are the following: Frank Herndon, Jack Herndon, S. R. Brannon Jr., Marvin Walker, quartet; Mildred Walker, S. R. Brannon Jr., Frank Herndon, trio. The Young People's mixed quartet will also appear on the program.

The public and all church denominations are invited to attend and join in on the singing to make the convention, one of the first ever to be held in Perryton, successful. Present plans of the church include singing conventions every two weeks in the future.

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation to the many friends and loved ones who were so kind and considerate to Ruth during her last illness. And to all those who have tried to lighten our sorrow in any way, we are indeed grateful. The floral offerings were beautiful.

Spearman Man Dead

Father of Judge Barkley Dies In Spearman at 97 Years; Was Civil War Veteran

The Spearman Reporter gives the following account of the death of O. G. Barkley, father of Judge A. F. Barkley of Spearman.

"Death came to Grandpa O. G. Barkley at the home of his son on Thursday evening December 29, at the age of 97 years, 5 months and 18 days. Funeral services were held Friday afternoon at the Union church in Spearman.

"O. G. Barkley was born at Princess Ann, Md., July 12, 1841. He was reared under the guidance of strict English parents, attaining a good education and wholesome christian training. While a young man he enlisted in a reserve department of the Army during the war between the states.

"Following the close of the civil war, Mr. Barkley became associated with his uncle of Kansas City, Mo., in what was known in that day and time as "Freight Wagon Trains." He was in charge of a large crew that freighted merchandise from Kansas City, Mo., to Sante Fe, New Mexico. In line of duty, Mr. Barkley became acquainted with Miss Ellen Connor of Socoro, N. M. The friendship blossomed into a romance and in 1865, Mr. Barkley relinquished his freight business, married and settled down at Socoro. He lived at Socoro, engaging in the milling business until his two boys, W. L. Barkley and A. F. Barkley, became of school age.

"The family moved to Independence, Md., for a number of years, later moving to Seymour, Texas, where Mr. Barkley was engaged in the milling business. Death came to Mrs. Barkley in 1889. In 1912, Mr. Barkley came to Hansford County, where he has made his home until death.

"His active mind and outstanding memory in the declining years of his life were near phenominal. He could recall incidents with colorful details and exact dates that happened 75 years ago.

"The deceased was survived by two sons, W. L. Barkley of Morse, and Judge A. F. Barkley of Spearman."

LICENSES ON SALE FEB. 1ST

1939 CAR LICENSE PLATES ON SALE FEBRUARY 1 AND ALL AUTOS MUST HAVE NEW PLATES APRIL 1

Ochiltree County's 1939 automobile license plates will begin with Number 924-001 and go to 925-300, according to Fred Huston, deputy tax collector. The 1,300 passenger car plates are 100 less than the number apportioned the county for 1938.

Plates will go on sale February 1, and can be used on March 1. All cars must have 1939 license plates on by April 1.

The new passenger license plate for Texas is a bright orange background with dark blue figures. These colors make a plate that can be easily read.

In addition to the 1,300 passenger plates, the county will receive 200 for commercial vehicles, 450 for farm trucks, 10 for motorcycles, 30 for trailers and 15 for automobile dealers.

Many favorite numbers have been requested reserved by car owners. Lloyd Spears, teacher in Perryton schools, has asked for the first number. For the past several years, O. A. Gibson, who lived just east of Perryton, secured the first number for the county, but Mr. Gibson recently moved to his farm near Plainview, Texas.

To date, 1,226 passenger car licenses for 1938 have been issued in this county. And 423 farm licenses for 1938 have been issued.

Hold First Meeting

Ochiltree Ass'n in First Session On January 6, with the Next Meeting February 3

The first meeting of the Ochiltree Community Agriculture Association for the year was held Friday evening, January 6. The election of new officers was postponed until the next meeting on Friday, February 3.

A humorous reading by Bennett Thomas opened the program, and was followed by a well presented report of the National Convention of the Farm Bureau Federations at New Orleans by W. M. Deck.

In his talk, Mr. Deck gave an outline of the work accomplished at the convention, calling particular attention to the delegates' resolution of approval of the existing farm program. In addition, the convention expressed its approval of processing taxes as a means of rasing revenue to continue the farm program. Mr. Deck also spoke briefly on noted historical spots of New Orleans, one of our oldest cities.

E. W. Thomas, county agent, discussed the importance of farmers' keeping accurate accounts of items of income and expenses. Mr. Thomas stressed the advantages of trench silos as an effective way of carrying feed over from a good year to a bad crop year.

Boyers to Austin

Representative Boyer for Regular Session of Legislature For Five Months

Representative and Mrs. Max Boyer left Saturday for Austin for the convening of the regular session of the 46th legislature. It is expected that the Legislature will be in session for five months.

Boyer has prepared several bills which he expects to introduce at the first of the Session. He was noncommital on his opinion as to the outcome of this year's program but stated that he was going to cooperate with the new Governor in every reasonable way but would be guided by the wishes of the people upon each important question of policy.

At the time of Mr. Boyer's departure for Austin, he issued a statement inviting all citizens to write to him upon any measure and to give their full and complete views upon all proposed legislation.

Cagers Lose Sunday

Jaycees Lose Basketball Game To Borger Lions Sunday Afternoon By Small Margin of 28-29

The Perryton Jaycees lost by a small margin to the Borger Lions in a basketball clash at Borger Sunday afternoon. The game ended in a thrilling finish with a 29-28 score. With less than one miute to play Lions Guard E. W. Jones, who was high pointer with a total of 15, sank a free shot for the victory. His field goal only a few seconds before had broken a 26-26 deadlock in the rough and tumble contest. Guy Allen made a field goal desperately attempting to recover their lead held for 39 minutes but the game ended before Perryton could score again.

Catfish Smth scored 13 points for the Lions with nearly every one of the Perryton players scoring, with Nathan Newman scoring 8 points.

A return match has been arranged between the two teams for a game to be played at Spearman, January 15.

The lineups were as follows: Perryton, Alvis Morris, Wayne Gyger, Nathan Newman, Guy Allen, Enzlow Copeland and George Lewis; Borger, Smith, Knowles, Finger, Jones, Trother and Brock.

Perryton's Jaycee team has entered two teams in the Darrouzett Independent Tournament to be held January 12-14. Another game coming up on the schedule which promises to be good is the match between Perryton and the Westerfield Truck Line team on January 16.

Basketball Friday

Perryton Meets Spearman in Conference Game here Friday January 13, 7:30

Rangers and Rangerettes, Perryton basketball teams, will meet the Spearman boys and girls in a conference game on Friday evening, January 13, at 7:30, in the Perryton gymnasium. The girls game will be played first. There will be a small admission charge.

The Perryton teams have been unable to capture the winning score in most of the recent games. Both teams played at Phillips Tuesday night and lost to Phillips.

On Tuesday evening of last week, the Phillips teams played Perryton here and the Rangers won with 20-17 count. The Phillips girls won over the Rangerettes.

In the Spearman tournament last week-end, the Spearman boys won the tournament over Phillips, 32-16. The Borger girls defeated Spearman girls in the finals. Perryton Rangers lost to Darrouzett by 18-15. The Rangerettes were defeated by the Phillips girls.

Perryton fans are hoping that the Rangers and Rangerettes will be able to stack up a winning score at the Friday games with Spearman.

New District Manager

Robinette, Guymon, Promoted and New District Head Takes Charge This Month

S. A. Robinette, Guymon, District Manager for the Southwestern Associated Telephone Company, has received a promotion and will be transferred from this area. Succeeding Mr. Robinette is G. T. Sims, of Carlsbad, N. M.

Mr. Robinette and Mr. Sims were in Perryton Tuesday and Wednesday and announced that Mr. Sims would take full charge of the district affairs about January 24. Mr. Robinette did not know where he would be sent.

Headquarters for this district are at Guymon. Other exchanges of the Southwestern Associated Telephone Company in this district are located at Balko, Beaver, Boise City, Gate, Goodwell, Guymon, Knowles and Texhoma in Oklahoma; Booker, Channing, Dalhart, Darrouzett, Perryton, Spearman and Stratford, Texas; and Elkhart, Kansas.

Observe Anniversary

Program on Townsend's Birthday And Club Anniversary On Friday, January 13

The Perryton Townsend Club will observe and celebrate the birthday of Mr. Townsend and the anniversary of the Townsend plan on Friday, January 13, 7:30 p. m., at the Courthouse. W. G. Hooper, Greeley, Colo., will give an address and entertain the crowd with Swiss Bells.

Other program numbers are also being arranged, according to O. E. Bruner, president of the Perryton club, and J. R. McLarty, who is in charge of the details. Members are urged to attend and the public is invited.

The oyster supper, announced for this date has been postponed.

Rev. and Mrs. S. R. McClung, Mrs. J. M. Grigsby and Miss Belle Marie Wright were in Canadian, Tuesday attending an all-day meeting of the Baptist Workers Conference.

Loyd Cowan is a patient in the Perryton hospital, suffering with pneumonia.

Pay Your School Taxes!

Taxes for 1938 in the Perryton Independent School District are due and must be paid before February 1, 1939, to escape the burden of additional penalties and interest charges.

The officials of the Perryton school district appreciate the general attitude of the taxpayers toward the importance of keeping the schools functioning. We know that many have sacrificed in order to make their school tax payments.

Due to this splendid spirit of cooperation on the part of the taxpayers of the district, the Perryton schools have not only been maintained at a high rate of efficiency, but the standard of the school has actually been raised during the past few years.

DELINQUENT PENALTIES!

Pay your 1938 taxes before February 1, 1939, and avoid the addition of extra penalties and interest charges. Remember that penalties on 1938 unpaid taxes are added at the rate of one per cent per month, until July 1, 1939, when the penalty is increased to eight per cent and interest charges at the rate of one-half per cent per month are charged.

KEEP THE SCHOOLS OPEN!

The school system is the greatest asset that we have in the Perryton school district. They are the means whereby our children are given an education and prepared for the struggle of life. Don't fail them. Make every effort to pay your school taxes and keep the schools open for the full term. It can be done if everyone will do their part just as they have so unselfishly done in the past.

"Friendly Neighbors" Change Meeting Date

Mrs. J. H. Key will be hostess for the all day meeting of the Friendly Neighbors club at her farm home five miles northwest of Perryton Wednesday, January 18.

All members are asked to remember the regular monthly date has been changed from the third Friday to the third Wednesday.

Attend Family Reunion

Mr. and Mrs. Ike Sharpe accompanied by his brother and family, Mr. and Mrs. Mark Sharpe, Kenneth and Lesta Lee of Follett returned last week from Weatherford, Okla., where they spent several days in the home of the men's mother, Mrs. Lucy Sharpe.

On New Year's Day a family gathering was held at Godfrey's Chapel as a surprise for Mrs. Sharpe, who is 86 years of age.She is one of the pioneers of the county, moving to the community soon after her marriage in 1873. Of the ten children born to this union, all are still living, and all except one daughter were present at the homecoming. Mr. Sharpe passed on in 1906.

The day was spent in glorious fashion. At noon a bountiful turkey dinner was spread and a happy hour of feasting was enjoyed.

Enjoy Afternoon

The ladies of the Christian Missionary society met Friday afternoon in the home of Mrs. Debs Riley, eight miles northwest of Perryton, for a special gathering.

HOBBY CLUB NEWS

The Hobby club met Thursday during the club period. The period was spent in discussing the Hobby Lobby Program. The first report given was about a man whose hobby was staying young. He was seventy-five years old and did not look to be over twenty-five years old. He was a scientist and studied the human body. He could stop his pulse from beating by saying "stop" and start it beating again by saying "start". He could draw all the blood out of his body by drawing it into his stomach, and then drawing it out of one arm. This was the way he kept looking so young.

The next report given was about a man whose hobby was collecting hand cuffs for crimnals. He had several different ones and he could escape from all of them.

The last report given was about a man whose hobby was raising white frogs. The first pair was named "Adam and Eve". He has raised several of them and they average one pound each in weight.

Health Program

Texas State Health Department Faces Critical Period For Program Expansion

AUSTIN, TEXAS— "The Texas State Department of Health is facing one o fthe most critical stages in the history of its existence," states Dr. Holman Taylor, Secretary, State Medical Association of Texas.

"The rapid expanse of the public health program during the past few years in Texas has been due in part to the increased interest of the citizens in the need for a more adequate program of health protection and a more emphatic demand that these services be given through the State Department of Health", Dr. Taylor further states.

"If these demands are to be satisfactorily met and the people in all parts of the state gain the reasonable health protection to which they are entitled, the following fundamental needs of the Department should be met for the next biennium.

1. A substantial increase in the amount of funds fo the support of the central administration. 2. Adequate appropriation for the promotion of a successful anti-venereal disease program. 3. The passage of a new up-to-date sanitary code in line with the national code. 4. Sufficient monies to be used as an equalization fund for the promotion of local health work in the financially weaker cities and counties.

5. An increase in the number of public health districts from 6, the present number, to 12 with adequate personnel to carry forward an effective program of communicable disease control. 6. A separate appropriation for both Malaria Control and Pnuemonia typing. 7. A Constitutional Amendment to permit counties to levy and collect a special tax to support local health work if their general revenue funds are inadequate or overdrawn. 8. Establishment of a division of mental hygiene to reduce the number of mentally ill.

"If these eight vital needs are met by the incoming 46th Legislature, I feel confident that the Texas State Department of Health will be enabled to render the type of service that will be reflected in a constantly decreasing death rate from these diseases that are preventable," concluded Dr. Taylor.

Rev. and Mrs. J. M. Sibley and children, Anita, Betty Sue and Melbourne, who were here Monday for the funeral services of Ruth Shotwell, were guests for the night in the J. R. Thomas home.

Mr. and Mrs. K. H. Platt and children spent Saturday evening in Spearman attending the basketball tourney and visiting in the homes of his brothers, Coach and Tad Platt and Mr and Mrs. Ray Platt.

A son was born to Mr. and Mrs. Elmer Rupprecht at their home, 311 Southeast Second street on Monday, January 9. The name, Walter Clarence, has been chosen for the young man who tipped the scales at eleven pounds.

AMATEUR PHOTOGRAPHY SHOW

FIRST ANNUAL MEET OF PANHANDLE-PLAINS AMATEUR PHOTOGRAPHERS HELD DURING JANUARY

CANYON, Tex., Dec. 21—The first annual Panhandle-Plains Salon of Photography here January 18-31 will draw entries from amateur photographers representing a wide range of interests, and including those of Ochiltree county.

Since amateur photography—the hobby of princes and paupers alike in Europe—has captured the interest of persons in all professions in this country in recent years, it is to be expected that the local exhibit shall reflect this breadth of interest, it is pointed out by Olin E. Hinkle, director of the salon.

Floyd C. Studer and Hermon Pipkin of Amarillo, insurance man and lawyer, were among the first to ask for details of the salon. Members of the Pampa camera group, which includes many business men, were first to urge the exhibit. In Plainview, Marion F. Peters, gas company executive, is one of the best known advanced amateurs who is preparing prints for the salon.

In this exhibit, any amateur photographer may enter up to four prints, and there is no entry fee. From he hundreds of prints to be entered, several score will be selected by a competent jury for hanging.

Photographers who expect to send prints to the salon are being urged to write to the director for an entry blank. The salon is sponsored by the departments of art and journalism at West Texas State College, and the exhibit will be hung in the Mary E. Judspeth art room of the Panhandle-Plains Historical Society museum on the campus.

Mrs. H. C. Sanford, accompanied by Mrs. Bruce Sheets of Spearman, left Thursday morning for Norman, Okla., to take her mother, Mrs. Anna Obuch, who will remain for a visit in the home of her son, W. A. Obuch. Mrs. Sanford and Mrs. Sheets will return on Friday.

Mr. and Mrs. Jack Blue, Albuquerque, N. M., were guests for the week-end with Mr. and Mrs. S. S. Dodson.

Home Demonstration CLUB NEWS

OCHILTREE CLUB

Mrs. Jack Dodson

"There are four main points to be remembered in landscaping a yard," stated Mrs. Hazel Martin, home demostration agent, at the meeting of the Ochiltree Home Demonstration Club which met in the home of Mrs. Lloyd Black, Friday, January 6.

"These points are sod yard, smooth lawn, trees for shade shrubs planted near house and wind break. The first year plan your yard and sod. Plant shrub near the house and plant permanently. There are many native trees and shrubs which will grow successfully at little expense," further remarked Mrs. Martin.

There will be training school for the second meeting January 16 in Mrs. Martins' office.

The club drew names for "sunshine friends" for the coming year. Mrs. Jim Dodson drew the "guess what" Those present were: Mrs. Ross Thurman, visitor; Mesdames Kirt Williams, Claude Crouch, Jim Dodson, Chas. McCartney, Arlo Williams, Eli Goucher, Jack Dodson, Hazel Martin and Lillian Williams.

OCHILTREE H. D. CLUB TO MEET ON JANUARY 20 A. M.

The Ochiltree Home Demonstration Club will hold their next meeting in the home of Mrs. Ray Jennings at 10 a. m. Members are requested to bring their thimbles and visitors are welcome.

WOLF CREEK CLUB

Mrs. S. J. Handly, Reporter

"Landscaping is an art. Three things required for a beautiful home include a well sodded lawn, a background of lovely trees and a foundation of planting shubs that gracefully tie the house with the surrounding territory," stated Mrs. Hazel Martin, home demonstration agent, to the Wolf Creek Club in the home of Mrs. Bill McLanahan on January 5.

"Also a profitable and fortunate feature of planting trees is that they form a haven for birds. Birds with their songs and their movement give color to any landscape.

It is also known that the destruction of insects by birds permit an increase of crop production, so for this reason birds are a practical as well as a beautiful addition to any home," further remarked Mrs. Martin.

Refreshments were served to: guests, Mrs. Wayne Lovett, Mrs. Vernon McLanahan and Mrs. Barlow; members, Mrs. Lawrence Ellzey, Mrs. Daniels, Mrs. Pearson, Mrs. S. F. Handly, Mrs. J. H. Calliham, Mrs. Hazel Martin and Mrs. Bill McLanahan the hostess.

WOLF CREEK H. D. CLUB TO MEET ON JANUARY 19, 2 P. M.

The next meeting of the Wolf Creek Home Demonstration Club will be held in the home of Mrs. S. J. Handly, Thursday, January 19 at 2 p. m. All members are urged to be present and visitors are welcome.

BUSY BEE CLUB

Marie Carlson, Reporter

"Every girl who sews should have a well equipped sewing box," stated Mrs. Hazel Martin, County Home Demonstration Agent, at the regular meeting of the Busy Bee Club in the agent's office on Saturday, January 7.

The girls will begin their work in clothing construction by making a scarf, dish towel or apron. Every girl is expected to have her sewing box ready for the next meeting.

Demonstrators selected for the coming year are: Mary Ellen Jennings and Nadine Deck, poultry; Vivian Williams and Marie Carlson, clothing. Mrs. Jack Dodson is the new sponsor for the club.

Present were: Nadine Deck, Vivian Williams, Josephine Carlson, Marie Deck, Mary Ellen Jennings, Thadene Deck, Burl Dodson, Marie Carlson, Mrs. Jim Dodson, Mrs. Hazel Martin, and Mrs. Jack Dodson.

NEW HOPE CLUB TO MEET WEDNESDAY, JANUARY 18

The New Hope Home Demonstration Club will meet Wednesday, January 18, at 10:00 a. m., in the home of Mrs. Albert Ackley. Visitors are always welcome.

NEW HOPE CLUB

Mrs. B. B. Lee, Reporter

"Plan your yard as you want it. Then plant your flowers and shrubs where they will look best," states Mrs. Hazel Martin, home demonstration agent, at the meeting of the New Hope Club held in the home of Mrs. W. G. Yeary on January 4.

"There are four fundamentals to planning your yard. First, an unplanting; third, trees, and shrubs; fourth, screen planting or a windbreak. Do not plant so much you can't take care of it," further stated Mrs. Martin.

At the business session, Mrs. R. E. Taylor was elected finance chairman, and Mrs. C. R. Cudd, yearbook and expansion chairman. Two quilts were almost completed.

A turkey dinner was enjoyed by the following: Mesdames Hazel Martin, Carl Carter, W. L. Lovett, J. E. Yadon, John Budock, C. R. Cudd, O. E. Carter, R. E. Taylor, Fred Furnish, Albert Ackley, C. J. Frantz, B. B. Lee, M. M. Cudd, M. F. Hethcock, L. H. Isley, Dorothy Hargarves, Ben Jones, E. L. Cain, Clarence Clement, J. W. Smith, Anna Budock and Misses Lucille and Esther Cudd, and the hostess, Mrs. Yeary.

WAKA CLUB

"The foolish man sees happiness in the distance, the wise man grows it under his feet," said Mrs. Hazel Martin as she talked on landscape gardening at the regular meeting of Waka Home Demonstration Club which met with Mrs. J. R. Stump, Tuesday, January 2.

"Rest, peace and quiet can be secured when the farm home is surrounded by green expanse of well sodded grass lawn, a back ground of lovely trees and foundation plantings of shrubs that gracefully tie the house into the surroundings. Landscape gardening can do this for a home," Mrs. Martin continued.

Roll call was given by each giving plans for their yard this year.

Committee chairmen are: Mrs. G. A. Burger, finance; Mrs. J. R. Stump, program; Mrs. Marvin Groves, exhibit; Mrs. John Luthi, year book; Mrs. Fred Butler, Expansion; Mrs. J. R. Stump, yard demonstrator.

WAKA CLUB WILL MEET TUESDAY, JANUARY 17

The next meeting of the Waka Home Demonstration Club will be in the home of Mrs. Van Earl Steed on Tuesday, January 17. Members are requested to attend. Visitors are welcome.

CLUB WOMEN TO PLANT SHRUBS

INTEREST BEING SHOWN IN A PERMANENT PLAN FOR THE BEAUTFICATION OF THE FARM YARD AND FIELD

Ochiltree county home demonstration women feel that their homes need the added beauty of trees and shrubs. They want to plan their yards and plant them for permanent beauty and comfort. This year the clubs are beginning this work. If progress continues with the present enthusiasm, a real change will be evident in a few years. The difficulties in growing trees and shrubs where the natural rainfall and wind are not favorable has only stimulated the desire to succeed in planting and improving the farmstead.

Except along stream beds and in the breaks where hackberry, cottonwood and shrub cedar are found, this country is void of native trees. The early ranchmen in this area realized the importance and value of tree planting and many of the old ranch headquarters are among the best planted home-sites to be found. These early pioneers took advantage of the protection, comforts and pleasure of trees.

It is an easily demonstrated fact that farmstead and field can be greatly improved for man, beast and crops by protection from the wind. Farms having the protection and beauty of trees and shrubs command a better sale value than farms without this asset.

The comfort and attractiveness of the far home can be enhanced more easily and economically by extensive planting of trees and shrubs than in any other way. Realizing that this form of farm improvement is one that increases in value and satisfaction with each passing year the home demonstration club women are planning their yards and expect to plant them in the spring.

Arnot Escapes Injury

Beaver County Commissioner's Home Fired Upon by Unknown Person or Persons

County Commissioner C. F. Arnot seemingly was the intended victim of a person or persons Friday night when three shots were fired at the door of his home.

Arnot said that he was sitting in the front room reading when he heard a car horn honking in the street and quickly following there were three shots fired at his door.

He quickly ran outside but could see no signs of anyone and on an investigation of the door he found that two shots had gone through the screen door which was swung back away from the house and one bullet had lodged over the door.

Arnot was at a loss as to who would have fired the shots at his home. Officers were called to the home but no trace could be found of the guilty person or persons.—The Herald-Democrat, Beaver, Okla.

Monday dinner guests in the home of Mr. and Mrs. Clyde Cofer were Reverend and Mrs. J. M. Sibley of Sweetwater.

FUNERAL RITES SPOKEN MONDAY

SERVICES HELD AT BAPTIST CHURCH FOR RUTH ELAINE SHOTWELL; BURIAL AT OCHILTREE

Sorrowful last rites for Ruth Elaine Shotwell, twelve year old daughter of Mr. and Mrs. H. E. Shotwell, were held Monday afternoon, 2:30 o'clock at the Baptist church. Rev. J. M. Sibley, Sweetwater, former pastor, and Rev. S. R. McClung conducted the services.

A mixed quartet, Mrs. Howard Holt, Mrs. O. A. Bush, I. R. Buchanan and A. K. Wooten, with Mrs. A. P. McCelvey Jr. at the piano, sang "Does Jesus Care," "Someday He Will Make It Plain," and the "Christian Goodnight."

The Girl Scouts of which Ruth was an active member, and her seventh grade classmates marched in a body for the services. The flowers were many and beautiful and spoke of the high esteem in which this sweet life, so full of promise, was held. They were carried by Scout members, Louise Lynch, Mary Katherine Allen, JoLayne Allen, Eulene Wade, Norma Lawrence and Peggy Jane Thomas.

The remains were laid to rest in the family lot at the Ochiltree cemetery by the side of a brother, who was born to live only a few hours on November 5, 1932.

Pallbearers were Robert Lawrence, Tom Denman, H. C. Graham, Paul Bowen, C. B. Rogers and Harry Nail.

Obituary

Ruth Elaine was born to Hugh and Vallie Shotwell at Canyon on October 31, 1925. The family came to Perryton in 1930, where Mr. Shotwell is connected with the Perryton post office as city carrier.

Ruth entered the Perryton schools and at the time of her death was a member of the seventh grade class. At the age of nine, she made a profession of faith and united with the Baptist Church during the pastorate of Rev. J. M. Sibley. Because of ill health, Ruth was compelled to drop her school work in October and remained at home where she made a desperate effort to regain her health. On last Wednesday she was transferred to a hospital in Amarillo, where she passed away, Saturday morning, eight o'clock. Her going has brought sorrow to many for she will be greatly missed not only by her relatives but by many friends at school and church.

She is survived by her parents; two grandparents, Mr. and Mrs. K. A. Britt, Canyon; nine uncles; eleven aunts; and a host of other loving relatives.

PLAN BANQUET MONDAY NIGHT

ORGANIZATION TO SUBSTITUTE BANQUETS FOR REGULAR THIRD MONDAY MEETINGS IN FUTURE

The Junior Chamber of Commerce will hold a banquet and entertainment program at their next meeting Monday night, January 16 at 7:30 p. m. in the Hotel Perryton. The entertainment is being planned by Fred Nies and Claude Shearer.

In charge of ticket sales are E. W. LeMaster and "Chub" McGibbon. The tickets are seventy five cents per plate.

At the last meeting of the organization it was voted to stage one banquet each month at the regular third Monday in lieu of the regular meeting heretofore conducted at that time.

NO. 1—Continued From Front Page Front Page

In checking the records, we find that January has been a dry month in most years. In many years, not even a trace of moisture has been registered in January. In only one year, 1936, has there been as much as an inch of moisture since 1923. The 1936 January moisture was 1.03 inches.

Amarillo moisture records start in 1892. Their records show that in 1897 and 1921, the moisture was slightly over two inches. The records of the Canadian station available since 1906 show the January 1921 precipitation was 2.71. According to memory of local people, the 1921 moisture came from snowfall, so it appears that the 1.73 inch rain of last weekend will go down in history as a record breaking rain for the Panhandle, insofar as the memory of man and official recods can be checked.

Soil-Water Week

Observe Soil and Water Conservation Week in Texas On January 8-14

In furtherance of Soil and Water Conservation Week, January 8-14, set aside by the Texas legislature, C. Hohn, Extension Specialist in Soil and Water Conservation, College Station, requested the cooperation of all county agents. Service clubs throughout Texas were asked to observe this week in their regular meetings.

The Perryton Lions Club devoted its Tuesday meeting to proper observance. E. W. Thomas, Ochiltree County Agent, was principal speaker at the luncheon and discussed the history and principles of soil and water conservation. Music was furnished by three enrollees of the Perryton CCC camp.

Ministers throughout the state were also invited to preach a sermon on January 8. Many of the ministers accepted the invitation.

Offers $75 Salary

Community Service Club Will Pay President $75.00 for A Week's Service

The Community Service Club sponsored by the American Legion will again offer its president for next week a salary of $75.00. There was a $75.00 salary last week but the member elected president Saturday was not eligible to serve as dues had not been paid for the current week.

However, another election was held immediately and J. W. Payne was elected to serve for a week at a salary of $25.00.

As the first member elected last Saturday could not qualify, because his dues were unpaid, a salary of $75.00 is available to the first member elected Saturday, January 12. If first member elected cannot qualify then a second election will be held and the president elected will receive a salary of $25.00.

It will be wise for every person to pay his dues in order to be eligible te serve in case of election. All members are urged to attend the elections which are held every Saturday at four o'clock at the American Legion Hall.

All proceeds from the Club dues are being used for welfare work in this community. Help in this worthwhile cause by paying your ten cent dues each and every week. You may pay in advance.

ENTER CALVES IN STOCK SHOW

FOUR BOYS IN COUNTY FATTEN CALVES FOR THE AMARILLO FAT STOCK SHOW IN MARCH

Four Ochiltree County boys are busy these days fattening calves, which they will exhibit during March. Five calves are being fed as follows: Charles Peckenpaugh, Dudley Hargrove, Billy Herndon, each have one calf, and Clair Brillhart has two.

On Wednesday, the boys purchased 3,880 pounds of grain, which they consider sufficient to finish feeding he calves. A special ration was worked out by E. W. Thomas, county agent, and H. C. Brillhart, Baby Beef Club leader for the county, and the grain, consisting of milo, corn, barley, wheat, oats, commercial sweet feed and cotton seed meal, was mixed and ground.

The boys purchased these calves and began feeding them in May of last year. After the County exhibit, the calves that are well finished will be entered in the Amarillo Fat Stock Show, March 6-9.

All of the calves are Herefords except one, which is black. Each boy is working and doing all in his power to make his calf the prize winner at the Fat Stock Shows.

Mr. and Mrs. H. E. Shotwell went to Amarillo Wednesday to take her sister, Mrs. C. K. Chamberlain, who caught the train for her home in Nacogdoches.

Mrs. Kermit Johnson and Mrs. A. A. Johnson left Wednesday for Lone Wolf, Okla., for a few days visit with the parents of Mrs. A. A. Johnson.

Want ads in the Herald are widely circulated.

J. N. Conley returned home Sunday from Mineral Wells, where he spent the past month at the Milling Sanatorium. Tuesday he went to Darrouzett to teach a Masonic school.
