Miss Pamela Ann Little Is Home Coming Queen

Miss Pamela Ann Little, daughter of Mr. and Mrs. Port Little, was elected homecoming queen for 1971 during the pre-game ceremony Friday evening at Pirate Stadium.

Pamela was given a bouquet of red roses and a crown was placed on her head by Nelson Barre, President of the Rockport-Fulton High School Student Council. Pamela represented the Band and was escorted by Mark Wright.

The second runner-up for this honor was Miss Lucy Griffith, representing the Student Council, escorted by Brad Little.

The third runner-up for this honor was Miss Jeanie Kleypas, representing the National Honor Society, and escorted by Travis Bailey.

The fourth runner-up for this honor was Miss Lisa McDavid, representing the Thespian Society, and escorted by Chris Hunter.

The fifth runner-up for this honor was Miss Jeri Smith, representing the Letterman's Association, and escorted by V. K. Dullye.

A red rose was presented to the runner-up candidates by Joe Pina, Vice President of the Rockport-Fulton High School.

The band furnished appropriate music for the pre-game ceremony.

The classes of 1911, 1921, 1931, 1941, 1951, 1961, and 1971 were given special recognition during the homecoming ceremony.

Local Youth Presumed Drowned

The eight-foot boat belonging to Robert Stephens, 19, missing since Sunday night when he set out to do some floundering, was found Monday afternoon.

Sheriff Bob Hewes said Lynn Wendell and Mickey Casterline discovered the boat in Trout Bayou.

Hewes said the boat contained a lantern which "had evidently blown up." He said a hole had been burned in the boat's bottom.

Stephens launched the boat at Rockport Beach about 9 p.m. Sunday, Hewes said. The boat had neither motor nor oars and Hewes said Stephens apparently was going to pole the boat.

A plane from the State Parks and Wildlife Department and one from the Coast Guard searched around the Rockport area Monday.

Also taking part in the search were a Coast Guard helicopter and four private boats including craft owned by Wayne Lindsey and Kenneth McGary.

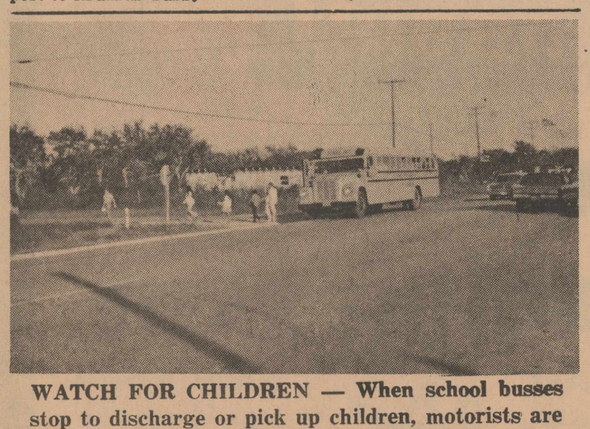

Parks and Wildlife aircraft searched Tuesday from Rockport to Aransas Pass.

Fourteen More Join Tourist Ass'n.

The following businesses joined the Rockport-Fulton Tourist Association this week: Mary Lou Bait Stand, Marie's Bait Stand, Concho Liquor Store, Econowash Company in Victoria, Neubauers Garten, Anders Enco Station, Balboa Charter Boat, Bo-Jac Construction Company, Max's Tackle Shop, Harper Real Estate Company, Valdez Boat Shop, Surfside Motel, Key Allegro Development and Sales Co., and Mom's Bait Stand.

Monday night, Nov. 15 the association will hold their first planned activity at the Paw's and Taws Building. The Chamber of Commerce is paying the rental charge. The purpose of the activity is a Get-acquainted party for the tourists presently in our area. All tourists are cordially invited to come at 8:00 p.m. Refreshments will be served.

Local residents are reminded to send in their slogans for the contest which ends Nov. 15th. Mail entries to Box 1055, Rockport. A cash prize will be awarded and announced in the Pilot.

WATCH FOR CHILDREN — When school busses stop to discharge or pick up children, motorists are urged to obey the law and stop. The new traffic law regarding school busses requires: That when a bus stops to pick up or discharge children, the motorist is to stop and stay stopped until (1) the flashing signal lights are turned off, or (2) the school bus driver signals the motorist to proceed, or (3) the bus proceeds on its way.

Four Arrested In Drug Related Offenses

Sheriff Bob Hewes reported that three adults and one juvenile were arrested here by Aransas County Sheriffs officers for drug related offenses.

One was Don Allen Heald who was arrested for possession of marijuana. Arrested with him was Juan Joe Mentez for no drivers license and unlawfully carrying a pistol. Also detained at that time were three other local youths but they were released after questioning.

This incident happened on Highway 35 North when a car driven by Mentez was stopped by Chief Deputy Sheriff Stautzenberger and Texas Highway Patrolman Richard Brush. Deputy Sheriff Duke also assisted in the arrests.

After this matter was taken care of and the two men were taken before a magistrate and placed in jail, Deputy Sheriff Duke checked his patrol car and found a plastic bag with marijuana in it pushed down behind the back seat.

A constant surveillance was placed on his patrol car and late the next day Deputy Duke parked his patrol car at a local cafe and two Rockport youths and a juvenile were arrested after they had gone into the patrol car in search of the marijuana.

The two arrested were Rickey Cunningham and Armando Martinez. They were placed in jail pending the making of bond which was set at $1,500. The juvenile was released to the custody of his parents the next day by order of the Juvenile Judge. The juvenile was also found with narcotic paraphernalia on him, which carries the same offense as possession of a narcotic drug.

Derelict Oil Rigs To Be Junked

A situation which has distressed residents of the Palm Harbor--City by the Sea area south of Rockport for more than a year apparently is on its way to solution, according to representatives of the Palm Harbor Property Owners Association.

It involves the presence of three derelict oil drilling rigs anchored in Red Fish bay adjacent to the Intercoastal Waterway between Palm Harbor and City by the Sea. These rigs have been stripped of machinery and apparently are to be junked, observers said.

For many months a number of concerned individuals have been attempting to get the rigs removed from public property without results, it is reported.

After checking with the U. S. Coast Guard, U. S. Corps of Engineers and the Parks and Wildlife department, it was determined that the Texas General Land Office has jurisdiction over the bay area in which the rigs were moored.

A representative of the Palm Harbor Property Owners Association then wrote Robert Armstrong, chairman of the Land Office, explaining the situation and pointing out that despite widespread opposition to unsightly automobile junkyards located on public property, the state had tolerated for more than a year the presence of an oil rig junkyard located on public property. Armstrong was urged to take immediate action to correct the situation.

Armstrong at once requested Crawford C. Martin, Texas attorney General, to require the oil rig owners to remove them from state property.

In response, J. Arthur Sandlin, assistant attorney general, wrote owners of the derelict drilling rigs, ordering them to remove the barges not later than Thanksgiving Day or face court action.

Last week the first of the three rigs was towed away, and it is anticipated that the other rigs will be removed in the next week or two, according to Theil W. Sharpe, president of the Palm Harbor Property Owners Association.

CITY HALL TO CLOSE

City Hall will be closed on Thursday, Armistice Day. No garbage pick-up on Thursday. Instead, will be picked up on Friday.

Special Square Dance Saturday Night

The Fourth Annual Fall Frolic sponsored by Ted and Deloris Breske of San Antonio will be held this weekend at Paws & Taws Square Dance Building on Fulton Beach Road and a large number of out of town visitors are expected to attend this annual event.

Featured Caller will be Johnny Beaird, of Dallas, assisted by Cecil Dunman of Dallas, Kenny Slough, of Corpus Christi, and other guest callers. Round dancing between tips will be under direction of Anne and Don Fuller of San Antonio.

The festivities begin with a matinee square dance from 2 to 5 Saturday afternoon. The night square dance opens with the grand march at 8 p.m. There will be a challenge dance at 10 p.m., after party at 11 p.m., and the weekend of fun will conclude with coffee and doughnuts and a farewell square at 9 a.m. Sunday.

The regular Friday night dance will be held with Club Caller Blackie Hardy at the mike, beginning at 8 p.m. Many of the out of town visitors are expected to arrive in time to join our regular dancers Friday night.

Several Paws and Taws members attended the Wurstfest square dance in New Braunfels last Saturday night. From the number of San Antonio area dancers who indicated they would be in Rockport this weekend, a large contingent of visitors is expected.

Ted and Deloris Breske, who sponsor this annual event, are editors and publishers of Square and Round Dance News, a monthly publication distributed all over South Texas.

October Rainfall Totals .91 Inches

Weather Observer Paul Clark Sorenson's records for October revealed that 5.91 inches of rainfall was recorded during the month.

The rain fell as follows: Oct. 4, 0.16 inches; Oct. 5th, 1.12; 8th, 0.01; 9th, 0.15; 16th, 2.10; 17th, 1.15; and 20th, 1.22.

High temperature during the month was 88 degrees on Oct., 1, 2 and 3. Low temperature was 53 degrees on Oct. 11.

SOCIAL SECURITY REPRESENTATIVE TO VISIT ROCKPORT

A representative of the Social Security Administration will be at the Courthouse in Rockport on Tuesday, November 16, 1971, at 9:00 a.m.

You may obtain information about your rights and duties under the Social Security Act. Eligible persons can secure assistance in applying for old-age, survivors, or disability insurance payments, and for Medicare benefits, from the representative at that time.

One of the most popular employees at Aransas County Courthouse is Miss Mary A. "Gussie" Deane, acting county auditor. Before assuming her present position she worked for two years as assistant to former County Auditor Bob Mosier.

Born here, Gussie graduated from Rockport High School and is a member of the Methodist Church and the Rebekah Lodge. For 26 years, she worked for the Johnson Fish Company.

Pirates to Play for Dist. Title

The Pirates of Rockport-Fulton will be seeking to put the icing on the cake as they play the Calallen Wildcats in Calallen tomorrow night.

The game will again be important to the Pirates because if they win, they will be the undisputed champion of District 30-AA, and they will have the right to replay the Refugio Bobcats in a Bi-District contest. All of that could be wiped out if the Pirates drop their guard and lose to the Wildcats.

Calallen does not have a great amount of seating space, so it would be advisable for all of Rockport and Fulton to go early and sit as a group on the press box side so that the Pirates will hear their fans shouting on both sides. Game time is 8:00.

OLD FOLKS RODEO NOV. 13

The Old Folk's Rodeo will be held November 13 at 7 p.m. at the Aransas County Riding Association arena on Hwy 35 No.

There will be 11 events, first place trophies, hard luck trophy, best all around woman and best all around man trophy will be given.

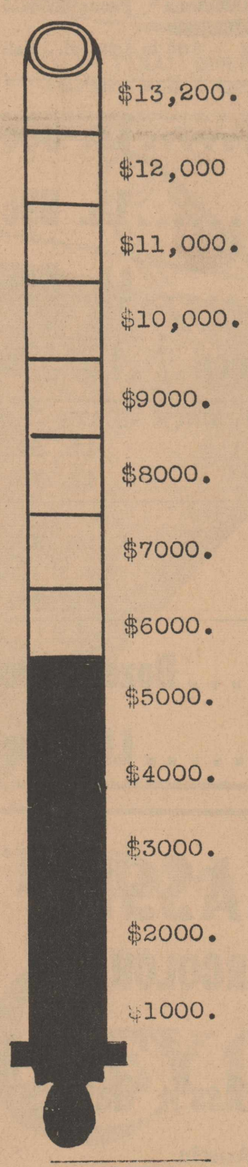

Events include relay race, egg race, rescue race, saddle race, suitcase race, figure 8 barrels, cloverleaf barrels and poles. The events are $1 each. Roping events include tie down, break away, and ribbon roping. All roping events are $2 each.

This rodeo is sponsored by the Youth of the A. C. R. A. and all profits will be set aside for an electric timer for the arena. There will be a concession stand on the grounds and everyone is urged to bring the entire family out for good food and an evening of fun.

The old Folk's Rodeo is for members and guests 21 years and older. See you Saturday!

United Fund Reaches $5,094

United Fund leaders announced Tuesday that collections in the current campaign had reached $5,094. The goal is $13,200. All residents of Aransas County are urged to give generously. The funds raised will be allocated to a dozen worthwhile agencies.

Turkey Shoot Set for Nov. 21

The American G. I. Forum will hold its annual turkey shoot Sunday, Nov. 21 beginning at 8 a.m., on Highway 35 South at the G. I. Forum Hall.

There will be three firing ranges, one for 50 yards, one for 75 yards and one for 100 yards. Either .22 long or short ammunition may be used. Contestants may bring their own .22 rifles or use rifles furnished by the Forum. No scopes on rifles.

Audubon Society Officials Meet

National Audubon Society officials from around the country were meeting here Monday through Friday to discuss the conservation organization's priorities for 1972.

About 16 persons attended the session at the Sea Gun Inn. Those attending included the Audubon Society's nine regional representatives, its Washington correspondent, representatives of the organization's research and sanctuary departments, some New York staff members and executive vice president Charles Callison of New York.

John L. Spinks Jr. of Austin, southwest regional representative, said he will discuss with Callison and staff members a controversial proposal to drill a gas well near Bird Island, a bird sanctuary in the Laguna Madre.

The Audubon Society and other conservation groups have protested the plan and B. M. Rankin Jr., president of McMoran Exploration Co., has said his firm would be willing to abandon the original drilling site and move to a point about 2,000 feet north of Bird Island.

Spinks said the Rockport session will be "an in-house type meeting." The group took the whooping crane boat tour of Aransas Wildlife Refuge Wednesday and may visit the Welder Wildlife Refuge near Sinton on Friday.

UNITED FUND HELPS U.S.O.

This is another in a series of articles about agencies that will benefit from the United Fund Campaign now in progress here. This article tells about the USO, United Service Organizations.

The USO, which was originally established as a temporary organization "for the duration" of World War II, continues operating today with more overseas facilities than at any other time in its 28 year history.

Although the highest concentration of facilities is in Vietnam, most overseas USO Clubs and Centers are widely scattered throughout the world.

Of the organization's 55 points of service outside of the continental United States, less than 1/3 are in Vietnam.

Overseas, USO operates at the invitation of the Department of Defense in locations the Department designates. The Department has requested USO to establish new clubs in Vicenza, Italy; Taegu, Korea; and Binh Thuy, Vietnam. At the same time, four clubs have been established in Thailand, the latest in the capital city of Bangkok.

The reason the organization is so active is that USO programs and services have been found to be extremely important even in non-combat areas. A good example are the many operations carried out in behalf of naval personnel in the Mediterranean and the Caribbean.

In foreign ports frequented by American Naval Forces, USO provides important assistance for military personnel unfamiliar with the local language, customs and currency. It also provides many comforts and facilities that are otherwise unavailable in the foreign community.

Overseas USO Centers also help to minimize the disruptive impact on the community when thousands of servicemen are suddenly cast upon the shores. As a result, the organization makes a significant contribution in helping to avoid incidents that might be detrimental to America's image in these communities.

USO is a uniquely American institution. The organization receives no financial support from the government but derives its income from contributions by the American people, 93% through local United Funds

Navigation District Holds Meeting

The Board of Navigation and Canal Commissioners met Nov. 2, with Chairman Richard J. Fox presiding. Present were Commissioners David Maguglin, R. W. Landrum and F. M Rouquette; Attorney Ellis L. Clark and Harbormaster B. C. DeForest.

Minutes of the October 5 regular meeting and October 15 special meeting were read and approved. The Treasurer's report was reviewed and placed on file. October bills were approved and checks signed.

A study was made of delinquent dockage accounts. Suits will be filed on these accounts.

There was discussion of need for replacing warning markers in Lydia Ann Channel where broken piling are a hazard to navigation. Commissioner Maguglin made motion that contract in amount of $200 be awarded H. N. Gilliam of A & A Diving Service for marking the hazard, using two 55 gallon 12 or 16 guage steel oil drums. Motion was seconded by Commissioner Rouquette and vote carried.

The Board discussed damaged concrete bulkhead in Blevins Harbor, which is a hazard to navigation. Commissioner Landrum will contact Blevins, owner of the property, for written authorization for the District to remove the bulkhead. Commissioner Maguglin made motion that Harbormaster be given authority to contract for removal of bulkhead. Motion was seconded by Commissioner Rouquette and all voted "aye."

Approval was given Texas Water Development Board to set up temporary weather station on Rockport Beach near Navigation office building.

The Harbormaster reported that repairs of Tropical Storm Fern damage are progressing on schedule.

The Board unanimously passed a resolution that members individually and on behalf of the Navigation District express their appreciation for the services of the late Thomas D. Piction to the District during the years he served on the Board, from October 14, 1953, to December 31, 1959, and for his continued support of the Navigation District and its policies until his death on August 24, 1971.

Mrs. Corinne Crabb Named Librarian

Mrs. Corinne Crabb has been appointed librarian of Aransas County Public Library, effective Jan. 1, succeeding Mrs. Clara Brymer who is moving out of town.

Mrs. Merrily Eickbusch, who had been appointed by Aransas County commissioners, decided not to take the job.

In another action at Commissioners Court this week, October fee reports of $2,618.85 from the county-district clerk and $556.77 from the sheriff were accepted.

Litter Bags at First National

As a contribution to reduction to litter on streets and highways, First National Bank is distributing litter bags to be used in automobiles, it was reported this week by Eddie Ratliff, assistant vice president.

The bags, made of heavy plastic material, are designed to be hung on instrument panel knobs. Because of their sturdy construction, they can be used indefinitely. Use of an automobile litter bag is a matter of establishing a habit and can result in a substantial reduction of litter on public thoroughfares.

The bags are available free on request at First National.

Daniel Dominguez Conviction Upheld

Austin - An Aransas County man's contention that his April, 1970, conviction in 36th District Court should be overturned due to grand jury discrimination against Mexican-Americans was rejected last week by the Texas Court of Criminal Appeals.

Daniel Dominguez was assessed a 10-year prison sentense in the Aransas County district court for robbery by assault committed on an employe of the Texas Parks and Wildlife Department.

Terry J. Cody testified that Dominguez and another man assaulted him as he walked along Fulton Beach road in September, 1969, and took his billfold containing about $75.

The court of criminal appeals noted in a written opinion that Dominguez' argument that grand juries in the county discriminate against Mexican-Americans would be rejected since the grand jury that indicted him had three Mexican-American members.

His second ground for error, that the trial court should have instructed the jury that if the panel had a reasonable doubt as to Dominguez's intent to rob it should acquit him of robbery and find him guilty of simply assault, was also rejected.

Cochran Recommends County Engineer

Some of the needs of the Rockport area if it is to realize its full potential as a popular recreational area were discussed by M. W. Cochran, local real estate appraiser and urban engineer, at a luncheon meeting of Rotary club November 3 at Corky's Restaurant.

Cochran declared that planning for the distant future is necessary, but it is even more important to make provisions for civic improvements in the immediate future. He urged that the younger generation whose members have been dissatisfied with the "establishment" be brought into the planning program. "After all, it is really their world that we are talking about. They will be living in it after we have departed", he added.

Cochran asserted that our many natural assets far outweigh our occasional difficulties with high winds and water. "People are investing in this area because they believe in its future, because they are confident that their investments in it will prove profitable", he said.

According to Cochran, the area's most pressing problem is inadequate drainage. He asserted that it was no longer feasible to determine proper grades by visual sighting. He added that mosquito control is closely linked with proper drainage, and that severe road and street damage is caused by lack of drainage.

Cochran recommended employment of a full-time county engineer to supervise expenditures on drainage projects. Further, it was his suggestion that a county-city citizens' committee be set up to work toward consolidation of the two governments in the interest of efficiency and economy.

For the immediate future he recommended consolidation of duplicating county and city services so as to get more for the tax dollars spent.

Junior Varsity Beats George West

Rockport-Fulton's Junior Varsity stormed past the George West Longhorns 30-6 on their way to their fourth straight district victory last Thursday evening in George West.

The Pirates showed plenty of offense as halfback Rickey McLester collected 233 yards rushing to bring his six game total to 973 yards. McLester used the blocking of the Pirates' interior line to open the way for three touchdowns, including long runs of 37 and 79 yards.

The Pirates scored five TD's in all, and allowed the Longhorns only one score as the Pirates were caught on an end around play for an 86-yard six-point play. Although the George West TD did cut the Pirate margin to 12-6 at the time, the Pirates dominated the remainder of the game.

Fidel Herrera got the Pirate scoring under way in the game with a six-yard run on the Pirates' first possession of the game, after tackle Scott McCaskey recovered a Longhorn fumble. Later in the first half McLester climaxed a 66-yard drive in 15 plays by going over from the two-yard line to put the Pirates up by 12-6.

The Pirates would have put the game out of reach earlier, but the ball was fumbled on the Longhorn 2-yard line to end the threat. Four plays later, the Horns scored their only TD of the evening.

The JV defense held the remainder of the game, giving up only 12 yards on the ground and 36 through the air. Sparking the defense was linebacker Danny "Whitey" Cox who led the team in tackles and also added an interception to his credit. All of the members of the defense were stars as well.

In the third quarter the Pirates used McLester's 37-yarder to jump to an 18-6 score, and from that point on the game was out of reach.

Quarterback Billy Beasley then crossed into paydirt on a 10-yard run to move the score out to 24-6.

Closing out the scoring, McLester followed perfect blocking and set sail on a 79-yard run.

The Pirates are now 4-2 for the season and 4-0 in district play.

Tonight the Freshmen and JV go against Calallen. At this time both JV squads are undefeated in district play. This means that the JV District Championship will be decided at Pirate Stadium tonight after the Freshmen game which begins about 5:30 p.m.

Besides overseas areas in which facilities are maintained, the USO Shows Program brings the agency's banner to hundreds of military installations around the golbe. In 1968, 1,200 entertainers gave approximately 5,600 performances -- before a military audience of 7,500,000. There is never a charge for attendance.

Outstanding success of the Pacific Hospital Circuit, in which entertainers are brought before wounded servicemen from Vietnam, has resulted in a request from the Department of Defense for USO to double the number of celebrities participating in this part of the shows program.

In the continental United States, USO maintains 136 domestic operations. These include clubs, information centers and lounges. As part of an extensive program to upgrade existing facilities and services, 1968 saw two new operations opened, one in California and one in Texas, and the relocation of eight additional operations to improve facilities.

According to Department of Defense sources, the number of military personnel stationed in the United States is expected to remain approximately the same for the foreseeable future. In order to meet this continuing demand, the conversion of outmoded facilities to bright, colorful, 'home-like' surroundings will be further accelerated in the coming months.

ACCENT ON HEALTH

One of the most common ailments in America, at least one everyone hears a great deal about from relatives and friends, is arthritis. Actually, arthritis is only one of several diseases in the family of rheumatic ailments--arthritis, gout, rheumatic fever, and a host of allied ailments that affect joints and muscles.

Today arthritis and other rheumatic diseases are among the greatest causes of chronic disability in the United States.

"The total number of victims is as great as the total population of the State of Texas," said Dr. James E. Peavy, Texas Commissioner of Health. "Of the 12 million estimated to be ill, over a quarter-million are completely disabled."

Arthritis and rheumatism alone cause the loss of more than 115 million work-days annually, a figure equivalent to 470,000 persons out of work for the entire year. This amounts to more than a billion and a half dollars annually in lost wages.

Arthritis also drains away $200 million in subsistence allowances to arthritics unable to support themselves, and $200 million in lost income taxes.

Two types of arthritis, rheumatoid and osteoarthritis, account for about 70 percent of all the misery from the rheumatic diseases.

Of every 100 patients who come to doctors or to clinics because of rheumatic diseases, it is estimated that 30 to 40 have rheumatoid arthritis, and 25 to 30 osteoarthritis, a type of joint disease due to wear and tear and old age. Ten to 20 have rheumatism of muscles or other tissues, 7 to 10 arthritis brought on by injury, and 3 to 5 suffer from gout. One has rheumatic fever, 2 have arthritis following infection with gonorrhea, and 3 to 5 have other miscellaneous forms of rheumatic disease.

There are many theories as to the cause of these diseases. One is infection, but the guilty viruses have not yet been identified.

Another is that it is a change in metabolism--the way your body uses foodstuffs and carries on its work. A breakdown in the complex balance of body hormones also is suspected.

According to other theories it is a disease of blood vessels in the affected areas, a disease of the nervous system, an emotion--spawned or psychogenic disease, or some kind of hypersensitivity or "allergy."

"Many things are known about these diseases, but we do not yet have all the facts. Much more work and research is still to be done. The important thing is to diagnose and treat the disease early," Dr. Peavy says.

Seafood Makes Dieting Almost Seem Easy

Austin - Almost everyone nowadays seems to be dieting.

But unfortunately for most of us, a low-calorie diet is more conversation piece than actual practice.

Most dieters lack the self-discipline required to stay on a rigid diet for long, but Texas Parks and Wildlife Department Seafood Marketing specialists point out that there are ways to help stay in line without too many hunger pangs.

One of the ways is seafood.

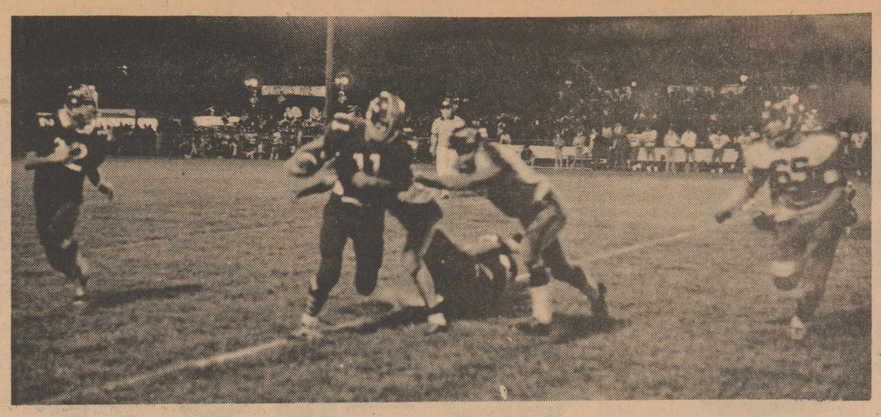

Fish is a protein-packed food which will give the most nutrition with few calories. The protein in fish builds and replaces body tissues, but doesn't promote fat.

Fish also is low in fat, ranging from one to five percent. That puts fish into about the same category as skim milk and cottage cheese as low-fat foods. And the fat in fish is polyunsaturated.

BAKED FLOUNDER
IN WINE SAUCE

2 pounds flounder fillets or other fish fillets
1 - 1/2 teaspoon salt
Dash pepper
3 tomatoes, sliced
1/2 teaspoon salt
Dash pepper
2 tablespoons flour
2 tablespoons butter or margarine, melted
1/2 cup skim milk
1/3 cup dry white wine
1/2 teaspoon crushed basil
chopped parsley

Sprinkle fillets on both sides with salt and pepper. Place fillets in a single layer in a greased baking dish, 12x8x2 inches. Arrange tomatoes over top of fillets. Sprinkle with salt and pepper. Blend flour into butter. Add milk gradually and cook until thick and smooth, stirring constantly. Remove from heat and stir in wine and basil. Pour sauce over top of tomatoes. Bake in a moderate oven, 350 deg., for 25 to 30 minutes or until fish flakes easily when tested with a fork. Sprinkle with parsley. Serves six.

Pirates Beat George West 6-0

By Bob Crawford

With heart failure and racked nerves, the spectators at Friday night's 6-0 Pirate victory over George West were treated to a full course of excitement as the Pirates scored early and held on to trim the defending champions of District 30-AA at Pirate Stadium.

The Pirates pushed across a score in the second quarter which proved to be the margin of victory at the final gun. The entire game was filled with turnovers and great defensive plays.

The Pirates took the opening kickoff and moved from their own 28-yard line to the George West 19 before Longhorn linebacker Roger Wilson stepped in front of a Pirate pass for the interception to stop the drive.

Then on the Pirates' second possession, the Pirates mounted an 85-yard drive in 19 plays with quarterback Craig Thornton going the last yard for the touchdown. Thornton had set up the score with a crucial 4th down pass to split receiver Freeman Lamar at the one-yard line to give the Pirates a 1st and goal at that point. The try for the extra points fell short as Fullback Travis Bailey was knocked out of bounds just short of the flag after taking a Thornton pass.

Following the Pirate kick-off, George West make a valiant effort to break into the scoring column as Reg Grant broke on a run that seemed to be certain Longhorn TD, but Pirate defensive halfback Mark Wright came all the way across the field to knock Grant out of bounds with a leaping tackle. Grant was knocked out of bounds on the Pirate 30 after he had run for 55 yards.

The Longhorns moved on to the Pirate 20 where they attempted to pass which was picked off by Pirate defensive halfback John Vick to halt the George West chances on that attempt for a score.

The Pirates marched into Longhorn territory again only to lose the ball on a fumble. Three plays later Nelson Barre, Pirate defensive end, pounced on a loose ball to give the Pirates the possession once more.

Late in the first half George West got close enough to try a field goal, but a strong rush by the Pirates' Jerry Picton caused the ball to be off the mark, sending the Pirates to the dressing room at the half with a 6-0 lead.

The second half proved to be a defensive duel with each team recording only three first downs. In the third quarter the Pirates traded interceptions with the Longhorns as Pirate safetyman Steve Arispe pulled in a Longhorn aerial, but four plays later Lynn Hoskins snatched a Thornton pass to return the ball to George West.

In the fourth quarter the Pirates were forced to punt, but the George West player misfielded the pigskin and Oscar Pina and Jerry Picton recovered the ball to put the Pirates in business again.

The Pirates moved to the George West 10-yard line where the Longhorns held and Arispe attempted a field goal for the Pirates that fell short. Only a few minutes later, Arispe fell on a loose ball to give the Pirates possession with only 2:59 remaining in the game.

After a fake punt attempt by the Pirates, George West moved steadily into Pirate territory, with the big play being a 27-yard pass reception by Grant who had Pirates all over him. The play set the Longhorns up with the ball on the Pirate 13.

Three plays later after the Pirates defense stiffened, John Vick again pulled in a Longhorn pass for the interception on the goal line and returned the ball to the eight-yard line.

The Pirates then ran out the clock as the fans shouted the second-by-second countdown of the clock.

The Pirate offense collected over two hundred yards, with Sudden Sam Morgan getting 96 of those yards and Glyn Landrum adding another 61, but the story of the game was the defense which recorded its fourth shutout of the year, three of those in district play.

The game netted the Pirates a mention as the "Team of the Week" by the Corpus Christi Caller, and Vick and Linebacker Robert Schendel were listed as candidates as the "Back and Lineman of the Week" as well.

Those young men who will put their efforts to work to try and give the Pirate offense the ball in the game with Calallen tomorrow night are defensive ends--Nelson Barre and Jerry Picton; defensive tackles--Abel Salazar, Bob Gillis and Clifford Mixon; linebackers -- Robert Schendel, Travis Bailey, and Charles Cruser; Rover--Clay Gillis; defensive backfield men--Steve Arispe, John Vick and Mark Wright.

Woman's Club Holds Meeting

The Woman's Club of Aransas County met Tuesday for their monthly meeting. Mrs. Fred Cubbage presided at the business session and gave the invocation followed by the pledge of allegiance.

Mrs. Jones Christian, program chairman, presented Mrs. James C. Cruser, school dietitian, who gave an interesting talk on the school lunch program menu planning.

Following the program, there was a brief business session with reports from the officers. After the meeting was adjourned a coffee hour was enjoyed.

CONGRATULATIONS

Mr. and Mrs. Scott Washko are the proud parents of a six pound, eleven ounce baby boy.

WOMEN IN GOVERNMENT are more numerous in Rockport than in most cities this size. A typical example is Ettoil (Duck) Harrist Eller, who has been Aransas County Treasurer since 1950.

She was born here, graduated from Rockport High School after which she worked in various county offices until being elected county treasurer. She is a member of the Methodist Church and Eastern Star. Her husband is Lynwood Eller.

THE WAGE-PRICE FREEZE — Questions and Answers — Internal Revenue Service

This column of questions and answers on the Wage and Price Freeze is provided by the U. S. Internal Revenue Service and is published as a public service. The column answers questions most frequently asked about the Wage and Price Freeze announced August 15 by President Nixon.

Q: Will exemptions from the freeze be granted for persons with low income?

A: While the Cost of Living Council has not granted formal exemptions for low income persons, it has stated that, during the freeze, the following are allowed: increases that are necessary to bring wages into line with minimum wage legislation; increases that eliminate discriminatory wage practices; increases in welfare payments; and increases in coverage or benefits under Social Security.

Q: How can a customer be sure that a seller's ceiling price for a particular item is not in violation of the freeze?

A: Under the law, the retailer must maintain and have available for public inspection a list of his ceiling prices. The consumer can request to see these ceiling prices if he has a question.

If the consumer believes that the price charged is in violation of the ceiling, he can request that the seller produce supporting records that must be maintained. If the seller does not supply supporting records, the consumer may complain to the Internal Revenue Service, which will review the complaint and follow-up as appropriate.

Experience has shown that when local IRS officials review a complaint, it frequently leads to a telephone discussion with the businessman to acquaint him with the requirements of the law. In virtually all cases, the problem has been solved amicably.

Q: Does the freeze cover dividends?

A: No. However, the President requested that American corporations voluntarily put a ceiling on their dividends.

To comply with the spirit and intent of the President's request, corporations should not declare dividends on their common stock at a rate exceeding the effective rate declared in the most recent dividend period prior to August 15, 1971.

If, for each of the last three years, a company has either declared extra dividends at a particular time of year, or followed a pattern of variation in dividends throughout the year, it may increase its dividends according to past practice. The extra dividends, or the level of dividends declared in a fixed pattern, must not exceed those declared last year. In addition, the practices must be documented upon request.

The Cost of Living Council has emphasized that it will continue actively to scrutinize and monitor dividends declared by companies.

Life Insurance For Certain Disabled Vets

Under a law in effect only since August, $71,000 will be paid on life insurance claims of six severely disabled veterans who died before paying premiums, P. J. Mims, VA Regional Director at Houston reported today.

Insurance officials explained that the law, PL 92-95, automatically provides up to $30,000 in mortgage life insurance protection for certain severely disabled veterans who are recipients of VA grants for specially adapted housing ("wheelchair homes" with ramps, etc.). The insurance pays off the veteran's first mortgage should he die before it is paid.

Although the veterans on whose insurance the $71,000 claims are based had paid no premiums before their deaths, beneficiaries will be asked to pay only a few dollars in back premiums and the first mortgage on their homes will be paid, VA said.

At the same time, P.J. Mims asked 10,000 eligible disabled veterans to indicate in writing whether they want the mortgage protection. They have been asked to return VA application or declination forms mailed to them.

P. J. Mims pointed out that disabled veterans are not provided mortgage protection if they elect in writing not to be insured, or if they fail to "timely furnish" information on which their premiums can be based.

The veteran, if he wishes, can have premiums deducted from monthly disability compensation checks he receives from VA.

Ten players competed in Ladies Day golf at Live Oak Country Club Tuesday. In the first flight Lou McCleese finished first with a net 34 and Mildred Miller with net 39. In the seconf flight Stick Vance and Chris Larsen tied with net 37.

Dial Direct to Mexico City

Southwestern Bell customers in Texas are now able to dial calls direct to Mexico City.

"The new service promises new speed and convenience for many customers," said H. D. Schodde, vice president of Southwestern Bell operations in the state. "Texans place an average of 9,000 calls to Mexico everv business day."

Schodde said dialing direct to Mexico City would be similar to dialing station-to-station calls to points in the United States. "Both seven and eight-digit telephone numbers in Mexico City may be called from any phone with 1 plus (Direct Distance Dialing) capabilities," Schodde explained.

"To reach a seven-digit telephone number in Mexico City, just dial 1, plus 905, plus the seven-digit telephone number.

"To place calls to eight-digit numbers in Mexico City," Schodde continued, "all the customer has to do is dial 1, plus 90, plus the eight-digit number. That's all there is to it."

Church of Christ

Question: Can a Christian drink beer and still have a clear conscience? Does not drinking patronize an evil industry?

Answer: Drinking beer or wine is in one sense a matter of the individual Christian conscience.

There is another factor which was not so in Jesus day, namely, an organized liquor industry whose one purpose is to make more money by pouring more beer down more human throats. This industry is a vicious unprincipled enemy of human welfare. It robs families of daily bread, peace of mind, despoils young people of all sence of decency and self-control. It debases man to a level below the beasts of the field.

Why should any Christian want to support such a system of evil by exercising his Christian liberty?

Life With the Rimples

Johnsons Observe 50th Anniversary

Mr. and Mrs. B. A. Johnson, of Oakland Road, San Antonio, spent their 50th wedding anniversary, Saturday, November 6, at their bay home on Shell Ridge in Rockport. During the day they enjoyed visits from friends and relatives, and a seafood dinner at Corky's Restaurant.

Mrs. Johnson is the former Anna Ruth Allen, grandaughter of Eugene Logan of Dalhart, Texas and Logan, New Mexico, an early Texas Ranger who earned the reputation and was referred to in writings as a "town tamer".

Mr. Johnson is the grandson of Captain Peter A. Johnson, who settled on St. Joseph Island in 1841. Perhaps it was this early tie that accounts for the affection the family feels for this area.

Mr. Johnson was executive vice president of the First National Bank in Refugio from 1927 until his retirement in 1953. He went to work for the bank while still just a boy, in 1913, became executive vice president fourteen years later and held that position for twenty-six years.

Mr. and Mrs. Johnson have two daughters, Mrs. Ann Van Vooren of Houston and Mrs. Kathryn Vaught of San Antonio; one son, Bernard A. Johnson, Jr., of San Antonio; and eight grandchildren.

Girl Scout News

Junior Groop 469 met on Wednesday, Nov. 3. We had an opening and patrol leader investature, then we went to our patrol corners. The various patrols worked on their badges. The cat patrol did a skit on telephone calls. The Snappers did a skit on proper posture and on care of hands, nails, feet and hair. Then the Flying Saucers did a skit on honor to parents. We had a closing and cleaned up, then left.

Troop Scribe, Wynne Armstrong.

Rockport Lions News

The Rockport Lions Club again will sell fruit cakes beginning about Nov. 15. These delicious fruit cakes, weighing three pounds, will sell for $3.50 and may be purchased from any member of the Rockport Lions Club. Proceeds will be used to aid needy blind people and other needy persons with physical disabilities.

*

Principal speaker at the Club's luncheon meeting at the Sandollar Colony Room Nov. 4 was Sgt. Ray Holub, who is stationed at Sinton headquarters and is in charge of this area for the Texas Department of Public Safety. He gave an interesting talk on recent changes in traffic laws and answered many questions on the subject.

Oil News

Coastal Production Co., Houston, has gained location for a deep Aransas County wildcat 5.5 miles southeast of Rockport in Aransas Bay.

Projected to 10,500 feet, the No. 1 State Tract 208 spots 2,685.4 feet from the north line and 467 feet from the west line of the 315-acre state tract, just west of St. Joseph Island.

SERVICE NEWS

Marine Sgt. Thomas E. Johnson, son of Mr. and Mrs. Leonard Bone, and husband of the former Miss Jo D. Rodon, has reported for duty with the Second Marine Division at Camp Lejeune, N. C. He is a 1968 graduate of Rockport Fulton High School.

REAL ESTATE NEWS

Mrs. Ana Wishert and Mrs. Nan Irwin successfully completed Course III, earning the designation G. R. I. (Graduate Realtors Institute). Mrs. Fay Henderson successfully completed Course II and William L. Hunter finished Course I. They took the Texas Real Estate Institute courses in San Antonio.

CONGRATULATIONS

Sgt. and Mrs. Jack Russell of Newport News, Va., are the proud parents of twins born Nov. 1. They are William Ernest, 6 pounds, 11 ounces, and Tine Carol, 6 pounds, 5 ounces. Maternal grandparents are Mr. and Mrs. W. W. Tickell of Waco and paternal grandparents are Mr. and Mrs. Ernest Russell of Rockport.

Woman's Club Tourist Party

The tourist party was given by the Woman's Club of Aransas County Monday afternoon at the Woman's Club building. The tea table was beautifully decorated with a floral centerpiece in autumn colors.

Mrs. Blanche Harris, Mrs. George Rhoades, and Mrs. John Tennent were hostesses and Mrs. E. T. Page, Sr., Poteet, presided at the tea service.

There were 11 tables of bridge and 4 tables of canasta. High score in bridge was made by Mrs. Bert Hooper and second high was Mrs. Earline Ballou. In canasta, first prize was won by Mrs. Hugh Stump, Wahoo, Nebraska, and second prize was won by Mrs. E. J. McElwain, Beloit, Kansas. The finale prize was won by Mrs. J. D. Houston.

There will be another party for tourists next Monday afternoon. Refreshments will be served at 1:30 p.m., followed by canasta and bridge and all ladies are invited to attend.

VFW Auxiliary Holds Meeting

The Ladies Auxiliary of VFW Post No. 3904 held its regular meeting November 2 at their new hall adjacent to the VFW hall.

President Mrs. Nina Garrett presided. Attending were Mesdames Lorene King, Ionie Budd, Lucy Davis, Velma Malchar, Lee Pruett, and Esther Decker. Two new members were initiated. They were Mrs. Esse Demory and Mrs. Catherine Snapp. It was voted to make a drive for handcraft things for the mentally retarded school in Corpus Christi.

Refreshments were served and new members welcomed. Mrs. Esse Demory won the door prize.

The next meeting will be December 7 and will be at Los Amigos at 6:30 p.m. for their annual Christman party. The next business meeting will be January 4, 1972.

Cub Scout News

Cub Scout Pack 340 held a pack meeting on November 1 at the High School cafeteria with thirty eight members and their families present. Sixteen new Bobcat Cub Scouts were inducted and five Webelos were graduated to Boy Scouts.

In keeping with the theme of the month of conservation, Dens 1 and 2 staged anti-pollution marches carrying posters urging everyone to stop pollution and to help keep America beautiful.

The following boys graduated to Boy Scouts: Rickey Vannatter, Troop 280; Robert Ramos, Steve Stafford, Philip Colling, and Raymond Wilcox, Troop 281. Chester Barre, and Scoutmasters Melvin Mills and Ottie Mundine performed the ceremony.

The following boys received the Bobcat award: Scott Tanner, Dennie Hull, Mark Layshock, Stuart Brust, Mark Vigna, John McClain, David Torres, James Torres, Eric Ebel, Preston Matthews, Earnest Gonzales, Robert Cowen, Kenneth Smith, Willie Rice, Russel Wayne Cole, and Robert Roaldson.

The following boys received the Webelos award: Tony Buenano, III, Gaspar Pena, Philip Colling, Raymond Wilcox, Chris Mills, and Rickey Vannatter.

Cub Scouts Dane Peterson and Stuart Brust were graduated into the Webelos den, and the pack and Webelos den also welcomed David Cothran who has transferred from Pack 455 in Houston.

Jonh Manuel Garcia received the Athlete activity badge and Recruiter ribbons were presented to Mark Vigna and Dane Peterson.

The pack appreciates the fine work of all the den mothers and assistants, and extends a warm welcome to the two new den mothers, Mrs. Richard Dominguez, Den 3 and Mrs. Jim Ebel of Den 4.

The next pack meeting will be held on November 29.

Many of the Cub Scouts need uniforms. You may help these boys by donating used Cub Scout uniforms to the Pack. Please call 729-7157 to make your donation.

Mrs. Tiney Gayle visited her son and daughter-in-law, Mr. and Mrs. "Sonny" Gayle and family in Portland last week.

'Manch' Brundrett 100 Years Old

At the Cartwheel Lodge in Taft on Nov. 5, one of the oldest natives and settlers of Aransas County, Mrs. J. W. "Manch" Brundrett, celebrated her 100th birthday among relatives, friends, gifts and flowers.

Her daughters, Mrs. Fred Mires, Taft, Mrs. George Sorenson, Port Lavaca, Mrs. William Kell, Mathis Lake, Mrs. D. L. Kight, Mrs. Ingle Turner and Mrs. Lloyd Smith of Rockport were hostesses.

The group stood around her singing old favorite hymns with her joining in under the leadership of Rev. Cecil Lang of the First Presbyterian Church.

After the singing, a beautiful birthday cake, marking her 100 years, and coffee were served to those gathered around to make this occasion so special to her.

Mrs. Brundrett was born Lydia McRae, November 5, 1871 in historic Old Lamar. She has 20 grandchildren, 43 great grandchildren and two great-great-grandchildren.

Copanoakers Meet

The Copanoakers of Holiday Beach met November 3 at Holiday house with seventeen members present. Mrs. John Willetts joined as a new member and Mrs. Jackson was a guest.

Mrs. Joe Everitt, the speaker, had a display of rocks, petrified woods and drift woods she and her husband collected throughout the nation. Some of the rocks and wood were cut and polished. She also showed how to make a tabletop using liquid glass and cut rocks.

Business session was planning for the annual bazar. Each member is making lovely gifts and there will be good food for sale at Lee H. Miller Recreation center, Holiday Beach, December 2, 3 and 4, 9 a.m., to 9 p.m., except Saturday.

CARD OF THANKS

We wish to thank all the friends for the concern and kindness shown to Mrs. Leslie "Cora" Carroll during her illness and to the family in the loss of our beloved mother.

Shower Honors Tira Scritchfield

Miss Tira Scritchfield, bride-elect of Linny Landrum, was honored with a miscellaneous shower given at the home of Mrs. James Gillis Saturday afternoon.

The serving table was laid with a white cloth with a white net overlay trimmed in pink and lavender. The centerpiece was pink carnations and lavender holly flanked on either side by pink candles in silver holders. The cake was decorated in shades of pink and lavender and was served with pink punch. Mints and nuts were in pink antique compotes.

Alternating at the serving table were Misses Cynthia Rouquette, Connie Littleton, Joy Kathleen McLead and Pam Hill. The guests were greeted at the door by Mrs. Gillis, Mrs. Robert Landrum and Mrs. John Scritchfield. Alternating at the register were Misses Laquita Balderee and Denise Washburn. Helping the honoree with the gifts were her sister, Deredith, and Linny's sister and grandmother, Mellinee and Mrs. Tom Shults.

Hostesses for the shower were Mesdames Norman McLead, Wesley Morgan, Neal Griffis, Charles Brisbin, Gene Hutchins, Jack Washburn, Del McLain, Jerre Ledbetter and James Gillis. About sixty five guests called during the afternoon.

MRS. DAVID ELLISON DIES

Mrs. David Ellison, 59, died Nov. 3 in a Corpus Christi hospital after a long illness.

She had lived in Rockport two years, coming from Marysville, Mich. She was a member of the First Baptist Church here. Her given name was Evelyn.

Funeral services were held Nov. 5 in the First Baptist Church with burial in Rockport Cemetery under the direction of Marshall Funeral Home.

Surviving are her husband; three sons, David James Ellison of Chicago, Ill., Charles Ellison of Lafayette, Ind., and Edward Ronald Ellison of Philadelphia, Pa.; her mother, Mrs. Hulda Braysher of Philadelphia; one brother, Lloyd Braysher of Detroit, Mich.; and eight grandchildren.

Investigator Club Holds Meetings

The Fifth Grade Investigator Club of Rockport Elementary held two important meetings in October. Four new program chairmen were elected. They are Julie Miller, Bryan Bracht, Tony Buenana and Debra Bell.

On program was the subject of change in the elements. Interesting experiments were done by Mary Ballou, Laurence Miculka, Bryan Bracht, Bobby Isaacs and Tony Buenana.

The October 29th program concerned the solar system. Interesting posters and investigations were presented by Mary Ballou, Julie Miller, Jackie Arthur and Stacey Shipman.

Guests were Mrs. Epps' students who viewed our science corner.

Reporter - Mary Ballou.

Cancer Society News

There will be a Board meeting of the Cancer Society Friday noon, Nov. 12, at Corky's Resturant.

W. W. Janecek, crusade chairman, will give a talk on year-end gifts. These donations are tax deductable and are for a worthy cause to fight against cancer.

*

There was a District Crusade meeting Oct. 20 at Refugio. Vice president, Roy Smith, attended the workshop. Discusion for 1972 programs for general campaign was held. The 1972 goal for the state of Texas was 37% per capita; 1971 was only 32%.

Mrs. Ophelia Harrell visited her daughter, Mrs. Richard Cummings and family, also Mr. and Mrs. Larry Wright, of Lake Jackson, over the weekend.

MRS. CARROLL DIES

Funeral Services were held November 5 for Mrs. Leslie "Cora" Carroll 73, of Yoakum with burial in Hebron Cemetery.

She is survived by three sons, Bernal of Yoakum, Cecil and Doug Carroll of Rockport, one grandson, Jay of Rockport, 2 sisters and three brothers.

Mrs. Carroll was a frequent visitor to Rockport.

CONGRATULATIONS

MRS. MANCH BRUNDRETT 90

Mrs. Lydia Brundrett, better known to her friends as "Mrs. Manch," was honored on her 90th birthday by her children. The party was held at the home of Mr. and Mrs. Elmo Brundett and their daughter, Billie, in Lamar.

"Mrs. Manch" was born on Lamar Peninsula and remembers the days when Indians used to cross through there and cross Long Reef to reach St. Joseph's Island.

CHURCH WOMEN ELECT OFFICERS

At a World Community Day meeting, the following officers were elected: Mrs. J. D. Donaldson, president; Mrs. Cecil Cole, vice president; Mrs. J. R. DeForest, secretary; and Miss Winona McFall, treasurer. The three churches of the Council (Presbyterian, Methodist and Episcopal) are represented by the officers.

*

COMMITTEE SEEKS CONSERVATION DISTRICT

The newly formed Aransas County Development Committee, appointed as an advisory board to the Commissioners Court, lost little time in recommending formation of a countywide reclamation and conservation district.

Chairman James H. Soreonson, Jr., said one of the first concerns of the committee should be development of an adequate fresh water supply, together with a suitable disposal system, and proper drainage.

Another obvious "must," he said, is suitable protection of our area from rising tides, but this matter is under study by the U. S. Corps of Engineers and interested members of our community.

JUDGES NAMED FOR 'AMERICAN WAY' CONTEST

Judges to select the local winner of the Crosley "American Way" contest have been announced by B. W. Hamblin, owner of Rockport Electric Company.

Travis Bailey, Miss Katie Lee Clarke and Roy Woods agreed to act as judges to pick the winning statement of 50 words or less on "What the American Way of Life Means to Me." First prize will be a $300 Crosley merchandise certificate to the writer and $100 in cash to the recognized charity of his, or her, choice.

CITY CLERK NAMED

Mayor Travis Bailey called a special meeting of the City Council to appoint a city clerk to succeed Mrs. Bonnie Townsend, who resigned. The Council appointed Mrs. Theo Johnson.

*

WORLD COMMUNITY DAY

The annual World Community Day was observed at the Methodist Church. Mrs. N. F. Jackson and Mrs. John Haynes welcomed the ladies at the door and Mrs. Weldon Cabaniss was in charge of registration. Mrs. B. W. Hamblin presided at the silver coffee service and Mrs. H. L. Teegerstrom, Mrs. A. C. Glass and Mrs. W. B. Allen assisted in serving.

Plank-Haveman Wedding Held

The Church of Christ Christian in Wilmington, Ohio was the setting November 6 for the candelight wedding of Miss Karen Sue Plank and Dr. Carl Wayne Haveman. The bride is the daughter of Mr. and Mrs. Maurice B. Plank of Midland, Ohio and the groom is the son of Mr. and Mrs. Clarence O. Haveman of Kenedy, Texas, and grandson of Mr. and Mrs. F. O. Mauer of Rockport.

The Rev. Arthur Merkle officiated at the double ring ceremony before the altar bordered by goblets of white chrysanthemums and ice blue tipped pompons. A candelabrum holding 15 lighted candles cast its glow upon the couple as they exchanged their vows. A wedding candle given to the couple by Rev. W. R. Menke of Kenedy, Texas was lit during the ceremony and later placed by the guest register.

The bride, given in marriage by her father, wore a wedding gown and mantilla of her own design and creation. The imagery of an old fashion floor length gown was achieved by a high stand-up collar with gathers of lace and accented by an ivory rose brooch, a gift of the groom. The full bishop sleeves were cuffed with satin edged by pearls and miniature satin covered buttons detailed the cuff closures.

The tailored bodice of white bubble knit was graced in front by crystal pleats of lace edging with strands of pearls centering the midline. From the lifted waist line, accented by a pearl edged satin belt, bubble knit elegantly flowed over the satin underskirt. The theme line of an old fashion dress was further exemplified by the bustle effect of a satin bow tied with pearls and streamers of satin ribbon flowing down the back. A scalloped headpiece of white embroidery flowers with seed pearls as their centers held the Chapel length mantilla and blusher of imported illusion.

The maid of honor, Miss Debbie Plank, sister of the bride, was attired in a floor length gown of midnight blue velvet and twilight blue chiffon.

Best man was Mr. Curtis Haveman of Maryland, brother of the groom. The ushers were Dr. Lynn Gracey of Columbus, Georgia and Mr. Philip Young of Dayton, Ohio.

Before leaving the reception, the bride threw her bouquet and garter to the assembled guests. A corsage of white carnations shouldered the bride's going away outfit of a beige jersey dress with a matching crushed velvet coat and complimentary accessories. Upon their return from their honeymoon, Dr. and Mrs. Haveman will reside at 1211 S. Main St., Altus, Ohlahoma.

The new Mrs. Haveman was a 1968 graduate of Wilmington High School. She attended Wright State University where she was a senior majoring in Biology. Dr. Haveman is a graduate of Kenedy High School, class of 1963, and attended Texas Lutheran College for three years. He then entered the University of Texas Dental Branch of Houston and graduated June 1970 with a D.D.S. degree. Dr. Haveman completed a one-year rotating dental internship at WPAFB, Dayton in June and is presently stationed at Altus AFB, Oklahoma.

Baptist WMS Holds Meeting

The WMS of the First Baptist Church met November 2 at the church educational building for a business meeting. Mrs. Virginia Stewart was in charge.

After the business meeting, Mrs. Roach read the names of missionaries who had birthdays in October. Prayers were said for those missionairies and for the WMS members who are ill. Refreshments of coffee, punch and cake were served to thirteen members and two visitors.

All ladies of the church are urged to attend the meetings the first and third Tuesday of each month.

O. M. HAGAN DIES

MRS. MARY SHULL DIES

Mrs. Mary Lee Shull, 91, a Rockport resident since 1949, died in a Port Lavaca hospital Saturday after a long illness.

Graveside services were held Monday in Millett Cemetery in Millett. Marshall Funeral Home of Aransas Pass was in charge of arrangements.

Survivors include a daughter, Mrs. Flossie Wright of Rockport; two grandsons and two great-grandchildren.

Wesleyan Guild Bazaar-Supper Nov. 17

A work session was held recently by the Wesleyan Service Guild to complete plans and items for a bazaar and salad supper on Wednesday, November 17th from 4 to 8 p.m. in United Methodist Fellowship Hall.

The supper will consist of a wide variety of salads served buffet style (5 to 8 p.m.) with assorted crackers, butter, cookies and iced tea or coffee. Price will be $1.25 for adults and 75 cents for children under 12. Mesdames Matthew Scott, Lee Roy Young, J. B. Herrington and Jack Horton will be in charge of table arrangements.

Mrs. Tom McClung and Mrs. W. W. Stubbs will be in charge of the bazaar arrangement of household items, handwork, beads, Christmas decorations, wreaths, gifts, dolls and pot plants.

Mrs. B. W. Hamblin will be in charge of a special food bazaar where homemade jellies, preserves, pies, cakes, candy and fancy breads may be purchased. There will also be a "white elephant" table.

Other committee members are Mesdames Russell Eastridge, John Knoche, Sam Harris and Tom Jessee. The entire membership of the Women's Society of Christian Service and the Guild is working to make the affair a big success.

CONGRATULATIONS

Sgt. and Mrs. Douglas Bennett are the parents of a baby daughter, Dawn Christine, born Sunday at Ft. Devens, Mass., and weighing eight pounds 15 ounces. Maternal grandparents are Mr. and Mrs. Vernon Kleypas. Paternal grandparents are Mr. and Mrs. Floyd Bennett of Victoria.

Sowers Family Holds Reunion

Mr. and Mrs. Harold Sowers had as house guests last week Mrs. Sowers' sister and brother-in-law, Mr. and Mrs. Daniel Boon from Boonsboro, Md. A family reunion was held at the Sowers home on Tuesday, attended by Mr. and Mrs. Glenn Sowers and their four children from Corpus Christi, Mr. and Mrs. Roy Hooper and their four children from Mathis, Mrs. Gene Parker, Edna, Mr. and Mrs. Loyd Oliver and their three children from Aransas Pass and Mr. and Mrs. Jack Sowers and their two children from Port Lavaca. From Rockport, the Boons went to Edna with Mrs. Parker and Mrs. Oliver and spent a day with Mrs. Parker and her family.

The Boons have been traveling extensively, having gone as far as Juneo, Alaska. They spent one day in San Antonio and were told in that city by several people they talked to about what a beautiful town Rockport is. Mrs. Boon said it is even prettier than she expected and intends to return for visits.

The Kinsey Report

I came across a beautiful and inspiring prayer which goes like this:

"Almighty God, Who hast given us the gift of time that it may be filled with purpose and life; All thanks be to Thee for the gift of a Son in whose coming we may be spared the tragedy of living our lives a little too late! All praise be to Thee, O Lord of our histories Who hast called us forth in a time when we can sing while the dawn is dark! Thou has ordained us to be vessels of light.

"As our Lord's birth, crucifixion, and resurrection took place in the dark, grant us a portion of His courage that we may live as those who are at the edge of things, not at the end of things. O Christ, Who wast believed dead, but could not be destroyed; as those who think themselves part of a dying civilization, help us to give birth to shining new values.

"Make of us a peculiar people who have the courage to rise out of the dust of doubts and fears to shake off the grave clothes of apathy, to overcome our pride and prejudices. Strengthen us at week's beginning that we might announce the dawn, that we might rise and affirm

the beauty of decency,
the glad joy of courtesy,
the indispensibility of integrity.

"As the sons of God wait in a darkened dawning for the coming again of Thy Son, grant that we may be found faithful servants whose light may never be put out. Through the Light of the World we pray. Amen."

Mrs. S. F. Jackson has returned home after spending two weeks with Mr. and Mrs. Bruce Davis and daughter.

Jim Beam—making news for six generations

Generation gap? We never heard of it.

CLERMONT, BEAM, KY.

Six generations ago Jacob Beam started distilling Beam Bourbon here in Kentucky. It is still being distilled here today. And still by the Beams.

The quality of the Jim Beam Bourbon of today owes much to the careful preservation and adherence to the original formula. But it owes even more to the fact that today, as for over 176 years, it's the Beam family who distills Jim Beam.

Every glass of today's Jim Beam Bourbon holds the best from nature and the pride that has been passed on from Jacob to David to David M. to Colonel James to T. Jeremiah to Carl to David, Baker and Booker—over 176 years.
