Good relief headquarters at Baton Rouge were notified that the water had nearly reached the top of the dike and army engineers expected the water to break out from the dike and flood waters would be cascading over the top if a crevasse did not occur before then.

DALLAS GAS BLAST, IN WHICH SIX DIE, IS INVESTIGATED

(By The Associated Press)
DALLAS, May 12.—Investigation of the cause of the disastrous explosion which killed six and injured 43 persons and wrecked a two-story building here last night revolved today about two mysterious "gas meter inspectors" who are said to have tampered with the gas meter prior to the explosion.

H. M. Maxey, owner of a grocery store and meat market in the wrecked building, told police that two men called late yesterday to "look at the gas meter" and that he saw them "inker" with it, but thought nothing of it at the time.

Gas company books fail to show a record of such an inspection and officials deny that any of their employees had been sent to the building.

More than a decade ago Von Luckner, as commander of the German raider "Sea Eagle" earned the favor and respect of Pacific shippers by sinking 20 Allied ships, was so polite about it that a life was lost in the whole of his operations. Often he took the crews of doomed ships aboard the sea raider, wine and dined them and took them to safety.

Yesterday he arrived here on a visit. Mayor Rolph, who owned two of the ships which were sunk, was on the reception committee. They talked and laughed about the ships that Von Luckner sent to Davy Jones' locker.

ATTICUS WEBB TALKS OF DRY LAWS IN CITY

ANTI-SALOON CHIEF IS TO SPEAK IN TOWNS AROUND LUBBOCK

Enforcement of the 18th United States constitutional amendment and the Texas statutes designed to regulate sale of intoxicating liquor, is not such a bug-a-boo as some people would have the public believe, and depends almost entirely on the attitude taken by peace officers of the state toward the situation. In the opinion of Rev. Atticus Webb of Dallas, head of the Anti-Saloon League of Texas, who was here today en route to Hale Center, where he is to speak Friday night.

Webb commented the action of County Attorney L. A. Howard in his stand against the "home brew" industry, and said Lubbock county is one of the few counties in the state whose officials have taken this attitude toward the law that the people both state and national in regard to the sale of ingredients and equipment for manufacture of "home brew."

Itinerary Is Given
Rev. Webb will not speak at Lubbock on his itinerary of this part of the state, but will spend the balance of this week and all of next week at several towns in this part of the state. His program calls for an address tomorrow night at Hale Center, Sunday morning at Lamesa, Sunday night at Tahaoka, Monday night at O'Donnell, Tuesday night at Post, Wednesday night at Littlefield, Thursday night at Amherst, Friday night Levelland, and Sunday of next week two addresses at Crosbyton, which closes his itinerary in this vicinity.

His lectures, he said, are designed to disclose to the people the situation which prevails regarding the liquor question.

In connection with the sale of malt and kindred products, he said a law was designed for introduction, at the regular session of the 40th legislature, and probably will be introduced at the special session, prohibiting sale altogether of the malt, etc., and that the "home brew" situation is not anything like as serious as some would have the public think.

Breaking into the bank they moved the safe to the door and by the use of heavy timbers loaded the safe, which weighed two tons, onto a truck.

GIANT SLUGGERS DRIVE HAINES FROM HILL TO LEAD LEAGUE

Abilene Entry Leads In West Texas Golf Tournament

PLUVIUS IS GOOD TO BUCS AND PHILLIES

HORNBY AND RUTH HIT FOR CIRCUIT; CUBS DROP TO FIFTH

(By Associated Press.)
Big league standings, today showed the effects of something like a baseball earthquake. The scores were particularly severe in the National League where the Giants reappeared at the top of the heap in place of the Cardinals.
While the Cards' ascent up in second place the Chicago Cubs who had been booming along in third position found themselves two steps down in fifth when the shaking down was over. The Phillies and Braves advanced a rung apiece.
All this resulted from a series of games between well matched rivals who were close together in the percentage column.
Giants Beat Haines
With their lead at stake, the Cards put forward their best pitcher, Jesse Haines, against the Giants. Although Haines had won five straight games previously it took the Giant sluggers just three innings to blast him out of the box on their way to a 10 to 1 victory. Hornby drove out a homer which made his total 5 for the year.
Frank Frisch, whom the Giants traded to St. Louis for the Babe, failed to make a hit.
Another game which played havoc with the rankings was the Philly victory over the Cubs. The heavy hitting Chicago clan was out hit 9 to 7 and out scored 5 to 2.

Rain Halts Pirates
Rain flooded out the Pittsburgh-Easton game in the last of the eighth when the teams were locked 4 to 4. Two of the Braves' runs came in the nick of time just before the sides opened.
At the bottom of the league, the Cincinnati Reds were up at the top this time last year and finished second last fall were pushed further into the depths by Brooklyn, 7 to 5.
American League interest was centered at Detroit where Tyrus Raymond Cobb, celebrated his home coming to the banners of his old team, the Tigers, by helping his new team, the Athletics, to beat them. The Mackmen made it two in a row by getting a 3 to 1 verdict. One of the runs was scored single handed by the Georgia Peach who doubled, stole third, drew a wild throw to the bag, and so went home.
Ruth Hits One
George Herman Ruth, whose talents came at a price even higher than Cobb's, helped his Yankees to a 4 to 2 decision over the St. Louis Browns by slugging one of Ernie Nevers' pitchers for his 11th home run of the season with a man on base.
For the Browns the defeat meant dropping back a step to seventh place.
A 4 to 1 decision over the Senators was added to the winning streak of the White Sox who thereby staked a stronger claim to second place, behind the Yanks.

Pinch Batter

JOE HARRIS

Here's a veteran who won his job with the Pittsburgh Pirates because he was the batting hero of the 1925 world series for Washington against the Pirates. He is Joe Harris, now serving as the leading pinch batter for the Bucs. Harris' work in the 1925 series was so impressive that Barney Dreyfus refused to let him get out of the majors when he was asked to join him. Dreyfus thinks Harris will win many a ball game for the Bucs with pinch swats.
Philadelphia's hits were piled and timely, especially a double by Ed Coyle Williams, in the seventh which counted two runs.

COBB-SIMMONS ARE FINED BY LEAGUE PREXY

CONNIE MACK SCORED BY JOHNSON AFTER BOSTON ROW

CHICAGO, May 12.—Elliott Johnson, president of the American League, fined Cobb and Simmons, ranking stars of the Philadelphia Athletics \$200 a piece as further punishment for their conduct in the Philadelphia-Boston game a week ago that ended in riotous disorder.
President Johnson, in a letter to Connie Mack, manager of the Athletics, demanded that the fines be paid by personal checks of the players within 48 hours, or further suspension would follow. Johnson fined the suspensions of Cobb and Simmons Tuesday, allowing the Georgia Peach to participate in the "homecoming" celebration staged in his honor in Detroit.
The American League executive placed responsibility for the situation, terminated in the throwing of "murderous" punches and required police protection for the entire "Red" team, on the shoulders of Manager Mack. The Philadelphia manager, Johnson declared, displayed "lack of fairness, intelligence and true sportsmanship."
Cobb was fined, Johnson said, for his "lack of intelligence" in bumping the umpire. Simmons was characterized by Johnson as "a young outfielder, plainly lacking in knowledge of the American League's established customs."

PRESSERS WIN FROM LAUNDRY

The Pressers of the City Loop jumped on three washer pitchers yesterday afternoon at the Merrill park and heaped a score of 19 to 4 on the City-Laundry aggregation. The Postal clerks and Tailors rapped out twelve hits in the four frames while the Laundry men only connected with McLain's offerings for two bingles. Eight errors chalked up against the Laundry men in the game accounted for many of the unnecessary runs piled up by the Tailors.

Hotston Buffs Are Now Within Limits

HOUSTON, May 12.—The Houston Buffs are now within the 15 player limit. President Fred Anderson Thursday announced that pitcher John Shubert was sold outright to the St. Louis Cardinals. Louzon, an infielder was returned to the Vicksburg Cotton States league club.

His Double Wins For Teddy Lyons

TED LYONS

Alexander Ward, Chicago White Sox keystone pitcher, was not good enough for the Yankees but he did a good job for Ray Schalk yesterday. Ward came to the box in the sixth frame with the bases loaded. He doubled off the good right-hand shot of Pitcher Lumbie and the Sox, with Ted Lyons on, beat the Senators, 3 to 1. Lyons held Washington to four scattered singles. He is a former "A. T. right hander."

Junior Girls Beat Sophomore Players

The Sophomore and Junior girls of the Lubbock high school played a five inning ball game yesterday afternoon at the Merrill Park and the Juniors won with a score of 43 to 2. Mary D. Shelly, pitcher for the Sophomores, allowed plenty of hits but was backed with a miserably organized infield. La Quana Hanna tossed the game for the Juniors and she was stingy with her hits.

Stalnakor Blanks Opposing Undertakers By Count Of 6 To Nothing

The Auto-Barbers took a strong grip on the 1000 per cent yesterday afternoon and set the fix crew down with a shut out game at the Tech park. The score was 6 to 0. Stalnakor, flashy tosser, was in with his strike out ball at the mound for mechanics yesterday afternoon and struck out seven of the undertakers in the four innings he worked. The Undertakers touched the strike out demon for three hits, but they came one an inning.
Manager Sanders of the Undertakers used "Lefty" Smith on the mound but was soon bumped out with the terrific drives of the Barbers. Smith was relieved by Ridge.

Yesterday the visiting aggregation got to "Big" Tex, Walker, right hander of the Matador staff, for sixteen bingles and eight runs to defeat the Matadores with a score of 8 to 6. The homebats started things off in the right way scoring four runs in the first innings on the Daniel Baker recruits. Again in the second frame the Tech hitters got over a couple more runs and gave Walker a six run lead. In the third inning the visitors bunched five hits off of Walker and scored four runs.
Then came the eighth inning, the frame that Walker has not gotten through this season without the opposing clubs scoring and making 31 outs of him. The Billies put over two runs to tie the score on Walker, 6-6. Again in the ninth the Billies tallied two runs and won the game 8-6.

Eddleman To Mount Hill For Tech In Final Home Game For Matadors

DANIEL BAKER AGAIN ROMPS ON FREELAND AGGREGATION

This afternoon the Matador baseball aggregation will present its final showing on the home grounds with the last of a three game series with the Hill Billies of Brownwood. The Matadors have a two game card with the N. M. M. I cadets of Roswell on next week and after these games the Tech nine will pack away their tops until another year.
Eddleman, who has successfully turned back the A. C. C. Wildcats and the W. T. S. T. C. Buffs in the games he has pitched will mount the Hill this afternoon for the Freeland machine and try his hand at stopping the Billies. Coach Blair will likely use Witherspoon, who has been in the center garden for the two previous games, in the box for the visitors.

SAINT AND SINNER

Copyright, 1926 NEA BY ANNE AUSTIN

"Long" Lane's pretty, kind-hearted little bride, was setting the table for breakfast on Wednesday morning when Faith staggered into the dining room, lurched to the empty old, sideboard, gripped it with shaking hands and stood swaying drunkenly.

"Oh, Faith, what in the world is the matter?" Faith cried, horror-stricken, as Faith collapsed in her arms. "You're sick! Your cheeks are scarlet with fever, and your breathing is all a doctor! Long! Daddy Lane!" she shrieked, as Faith collapsed in her arms.

NEW ORLEANS COTTON
NEW ORLEANS, May 12 (AP)—Better Liverpool cables and generally unfavorable crop reports and a bullish influence in the cotton market today and prices were on the upgrade during most of the session. The opening was 6 to 8 points up and the market gradually advanced during the morning on continued lack of rain in West Texas. Prices continued the upward movement after mid-session on reports of rain in North Texas and on fears that rain in the northern portion of the central belt would prolong the flood period. On this advance 30c traded up to 15.85; October 15.90 and December 16.14, 21 to 23 points above the previous close. Near the end there was a slight reaction from these levels on profit taking.

Futures closed steady at net advance of 14 to 17 points.

FOR WORKING PEOPLE
The best of workers get out of shape when the liver fails to act. They feel languid, half-sick "blue" and discouraged and think they are getting lazy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Hering's. It is just the medicine needed to purify the system and restore the man and ambition of health. Price 50c. Sold by HALL-BENSON DRUG CO.

NEW YORK, May 12 (AP)—Directors of General Motors corporation today declared an extra cash dividend of \$2 a share on the common stock, in addition to the regular quarterly dividend of \$2.

WALL STREET REPORT
NEW YORK, May 12 (AP)—The more important changes were in an upward direction at the opening of the stock market today. Nickel Plate advancing 2 1/2 points to 198, a new high for the year. Messages on foot to correct oil over-production were reflected in a sharp rise in Phillips Petroleum and Houston Oil and Gas. Truett-McCormick and Coca-Cola also displayed strength. Weakness was apparent in a number of shares, particularly Foundation, which opened down over a point.

THE SUCCESS OF THE \$20,000,000 New York City financing and other recent decisions by railroad and industrial corporations, indicative of the huge volume of money seeking investment, and prospects for an extended era of cheap money rates had a strong influence in causing active buying in the early dealing. Large accumulations of the Van Swearingen railroad shares was in progress. Nickel Plate touching 200. Erie common and first preferred and Chesapeake and Ohio also made considerable headway. Motors were again absorbed freely. Chrysler touching its highest for the year while General Motors and Hudson

reflected retirement of short contracts. Considerable strength also was manifested by recent strong shares. Union Bag and Paper going up another 2 points. Colorado Fuel, Tobacco products, Detroit, Edison and Reading were prominent in the early upward swing. Foreign exchange opened firm, with demand sterling quoted around \$4.85 1/2-16 and French francs just below 3.32 cents.

STOCKS AND MONEY
FOREIGN EXCHANGES
NEW YORK, May 12 (AP)—Foreign exchanges easy. Great Britain demand 4.85 1/2-16; cables 4.83 1/2-5; sixty-day bills on banks 4.82 1/2-5. France demand 2.31 1/2; cables 2.31 1/2-5. Italy demand 3.42; Belgium 12.89; Germany 23.67 1/2; Tokyo 47.62; Montreal 100.00 1/2.

Grollman's 'Regular Prices' advertisement. Includes store hours (8 a.m. to 6 p.m.), address (Broadway at Avenue J), and a large illustration of a man and woman. Text: 'Grollman's determination to build this business firmly upon the foundation of VALUES—everyday values—is reflected in the regular prices at which the entire enormous stock is marked. At all times we will and do keep our regular prices down to compare most favorably to our advantage with merchandise of same quality handled by our good competitors. Such consistent LOW PRICING is building more confidence with our patrons who can buy freely at any time and know they are getting a generous measure for their money.'

Friday and Saturday FOR MEN and FOR WOMEN. Lists various clothing items and prices. For men: 'MEN'S ATHLETIC UNION SUITS in genuine broadcloth, plain and fancy—also in fine mercerized crepes—each suit \$5.9c'. For women: 'LADIES' FIBRE SILK HOSE, made strong to last long—per pair \$4.9c'. Includes 'HAT SALE' and 'Vogue Emporium' mentions.

FRIDAY AND SATURDAY—EXTRA ATTRACTIONS. SPECIAL SALE PRICES! SO LOW THAT NO ONE COULD POSSIBLY CALL THEM REGULAR.

LADIES' HATS All This Summer Styles. Values that are selling regularly up to as much as \$10.00—Friday and Saturday, only—\$2.98.

HERE'S WHY WE HAVE 'SALES'. There's no secrets in the policy of Grollman's store—no desire to do things that would destroy rather than upbuild your confidence in us. Our intimate knowledge of this business comes from a lifetime of study and practice, from association and connection with both retailing and wholesaling. When we can make a GOOD BUY—better than usual—by buying a LARGE quantity or for many other reasons, we often do so and have 'Sales' to dispose of the goods quickly and in a bigger way than our regular every day sales. Then too we are human enough to still make our part of mistakes in buying (and who doesn't)—but we take our medicine promptly by 'Sales.' Sometimes we need CASH for a BIG CASH PURCHASE we have in mind, or to take care of our obligations—and down goes the prices to raise it in 'Special Sales.' We have Sales ONLY WHEN THE PRICES SPEAK FOR THEMSELVES—and have them for a GOOD purpose when we do.

Nordyke Sentences Three Men To Jail

As an aftermath to a charge of theft, filed in county court last week when three youths, arrested by city officers, pleaded guilty to entering a suburban store and a residence here, A. S. Cannon, 20 W. H. Frasier and J. L. Smith, both 17 years old, were today sentenced to serve short terms in the county jail in a hearing before Judge Charles Nordyke.

Taking into consideration the immature ages of the boys Judge Nordyke passed a 60 day sentence upon Cannon, 45 days upon Smith and 10 days upon Frasier. The sentences were begun today.
