Wartime Training Courses For Store Workers To Be Taught Here By Expert

Miss Laura Wilson with The University of Texas, Retail Training Division, is returning to Lamesa to conduct another series of retail training courses for local merchants and their employees. Her work here is sponsored by the Lamesa schools and the Chamber of Commerce.

Wartime training courses are to be stressed by Miss Wilson. This series will include:

Wartime-Emergency Training for New Store Workers—which is a part-time employment replacement training program to provide trained workers to replace those who have entered military service or who have gone into defense industries.

Special Wartime Training for Experienced Store Employees—to familiarize them with the war regulation and adjustments affecting the sale of merchandise and the services of stores and the maintenance of customer morale.

A Training Program for Store Supervisors and Department Heads and Store Managers—to assist them in the induction and in-service training of the large number of new persons who are entering retailing as replacements, and to train experienced salespersons to serve customers in a wartime period.

Miss Wilson will be in Lamesa beginning August 3. She will be glad to give further information concerning these wartime courses. Call her at the Chamber of Commerce office.

"There Ain't Gonna Be No Bargain Days, Either"

For the information of all Courier subscribers who have been putting off renewing their subscriptions, with the thought in mind of waiting for the usual Bargain Days Announcement, we bring the sad news that, "There Ain't Gonna Be No Bargain Days."

The reasons for the abandonment of Bargain Days are far too numerous to mention, and we do not intend to burden our readers with a lot of sympathetic argument in favor of increased prices.

Subscribers are again reminded that, "There Ain't Gonna Be No Bargain Days," and are urged to renew their subscriptions at the earliest convenient time, in order that they may not miss a single copy of the paper. New government regulations make it necessary that all subscriptions be dropped from the list at time of expiration.

R. Lee Snider New Supt. At Sparenberg

R. Lee Snider of Abernathy has been elected as superintendent of the Sparenberg School, and has moved with his wife to that place to make their home.

Mr. Snider for the past two years has been superintendent of the Abernathy schools. Under Mr. Snider's guidance at Abernathy the school added a number of new features, among them were journalism, band music, and football. He also started a manual training course for boys in the Abernathy schools. Supt. Snider was born and reared in Erath County. He was graduated from Huckabay Academy, attended John Tarleton College two years and graduated from North Texas State Teachers College, Denton in 1922. Mr. Snider did advance work on his degree at Boulder University in Boulder, Colo., and in 1927 received his Bachelor of Science degree from NTSTC, Denton. He took his Masters degree from the University of Oklahoma in 1933.

In public school work for 36 years, Mr. Snider has been superintendent of seven schools during the past 32 years.

According to Mr. Snider the Sparenberg school building is being painted inside and out, and will soon be ready for the school term. The school will have 11 or 12 teachers this coming term and expect 325 students.

President Urges People Of Nation To Cooperate In Salvage Scrap Drive

Warning that many shortages directly affecting the people lie ahead, President Roosevelt Tuesday made a general appeal for the fullest possible cooperation in the scrap metal drive now going on over the nation.

The president declared that the scrap salvage drive now on should drive home to all people the necessity of turning in every piece of scrap they can find, because it would mean more planes, guns and tanks.

He asked that cellars, attics and backyards be ransacked for old metal, rubber and rags and that waste fats be turned in at meat markets. And in case of doubt whether a particular article would be of help to the war effort, he said the citizen should assume it was needed, adding that it probably was.

The people generally realize the seriousness of the situation, Mr. Roosevelt said at a press conference, but as yet it has made no impact upon the lives of many individuals. The scrap salvage drive he regarded as a test and an opportunity for them to take a personal part in the war effort.

He said that the problem of raw materials was in many ways a seriously limiting factor where war production was concerned, and that the supply of scrap iron had a tremendous effect on actual production. The more scrap that is turned in, he added, the greater will be the output of planes, tanks and guns.

There had been a shortage of steel and most other things for a year, he added, a shortage that was continuing, because we are making more things and consequently the need for materials is greater.

Local Soldiers To Soon Have USO Recreation Bldg.

Soldiers at the Lamesa Glider School will soon have a USO recreation building. The place decided on this week was the Presbyterian Recreation building at 310 South Third Street. Mrs. Tom Woods has been appointed chairman.

The building will be put in order as soon as possible, and anyone having any of the following articles that they would loan the committee would appreciate it. The articles needed are: reading chairs, couch, small tables, table lamps, small rugs, stationary, radio, victrola, and ping-pong table. These things would all be returned to their owners after approximately three months. Anyone having these may call the Chamber of Commerce or Mrs. Woods.

Ask A Soldier To Your Home For Sunday Dinner

Lamesa people are urged to ask a soldier for Sunday dinner and all who will should call Mrs. McCall at the Chamber of Commerce office and leave name and how many you would like to have this Sunday or any Sunday in the future.

Local people now have an opportunity to make the soldiers at the Lamesa Glider School feel at home by asking them to be guests at dinner Sunday.

The soldiers may be picked up at the Glider School headquarters, about 10:30 each Sunday morning. This early hour will enable all to attend church services.

Remember to ask a soldier this coming Sunday, or any Sunday. If you call the Chamber of Commerce office call before noon each Saturday and state how many you would like to have.

Soft Ball League To Be Organized

A meeting will be held in the District Court Room on Monday August 3 at 8 p. m. for those interested in sponsoring teams for a proposed soft ball league for Lamesa. The American Legion will sponsor the league.

Everybody here interested in organizing a Soft Ball League is urged to be present Monday night.

In Run-Off For U. S. Senate

Senator W. Lee O'Daniel and James V. Alfred will meet August 22 in a run-off primary for the Democratic senatorial nomination according to late figures released by Texas Election Bureau which gave O'Daniel a vote of 473,522 to Alfred's 315,078. Senator O'Daniel lost one-tenth of one per cent and James V. Alfred gained a like amount in Wednesday tabulation of Saturdays ballot. The O'Daniel percentage dropped from 48.42 last night to 48.32 today while Alfred's rose from 32.05 to 32.15. With 226 of 254 counties complete, the vote stood at 473,522 for O'Daniel; 315,078 for Alfred; 176,733 for Dan Moody and 12,584 for Ryan. The total counted was 979,917.

Dawson County Asked To Furnish 15 Navy Volunteers For The Next Two Months

Enough men to equal the crew of two submarine chasers now building will be enlisted from the Big Spring Navy recruiting district each month during August and September, Chief S. L. Cooke recruiter in charge of this district, announced today. The district includes, Gaines, Andrews, Winkler, Ward, Ector, Dawson, Martin, Midland, Borden, Howard, Glasscock, Scurry and Mitchell counties.

Sponsoring the campaign to enlist at least 138 men from this district each month will be American Legion Posts and civic organizations in each county. Committees have been organized and supplied with Navy recruiting literature. Individual members will be designated "Volunteer Navy Recruiter."

A monthly quota of volunteer enlistments for naval service has been assigned each county, based on population. Exact figures on complete lists of naval vessels are secret. Chief Cooke said, but certain figures may be used for recruiting purposes. In the Houston Navy recruiting district, comprising the Southern half of Texas, a recent slogan was "Wanted, 1,000 Volunteers for Replacement of the Cruiser Houston."

Dawson County with a population of 14,868 is asked to furnish 15 volunteers each of the two months. The recruiting slogan for this county is "Dawson County Enlistment Shall Equal Two Gun Crews."

Howard County with a population of 20,392 and a quota of 18 men per month will have for a recruiting slogan, "Howard County Navy Enlistment Shall Equal Two Gun Crews." Other counties will have appropriate recruiting slogans based on their monthly quota.

New Boy Scout Executive For This District

G. M. Unger, former Scout Executive of the Black Beaver Area Council, Boy Scouts of America, with headquarters in Chickasha, Oklahoma, has been selected to fill the vacancy of Scout Executive of the South Plains Council, which position has recently been resigned by Jack O. Stone, who has been commissioned a Second Lieutenant in the Army Air Corps. Mr. Unger comes from a Council comparable in size to this and has had years experience in Scouting.

He is expected to arrive in Lubbock, headquarters for the South Plains Council, the 20th of August and will bring his wife, and two children, Nancy, 5 1/2 years old, and John Allen, 2 years old, to make his home here.

Next Monday August 2 is First Monday and many of the merchants of Lamesa are offering extra special values for the day.

Your attention is called to the ads in this issue wherein special prices are quoted for Monday shoppers.

This monthly feature, inaugurated in Lamesa several years ago, has gained in popularity, both with the merchants, as well as the buyers of the entire trade territory.

FARM NEWS **FOOD**
from **TEXAS EXTENSION SERVICE**
YOUR COUNTY AGENT FOR **TOP FREEDOM**

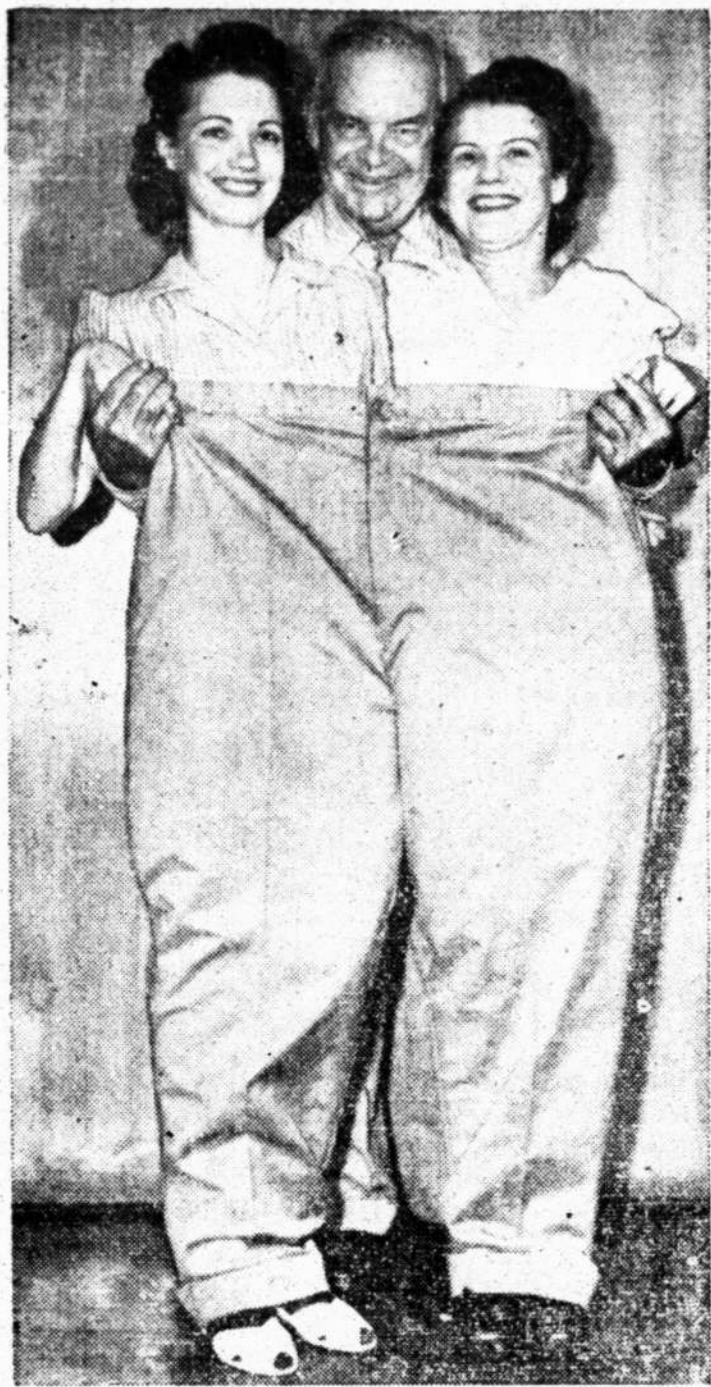

FARMERS ASKED TO INCREASE PRODUCTION OF FOOD-FEED
Texas farmers are asked to increase their production of food and feed as well as fibre crops as part of our War efforts. Why? Because in ONE year ONE U. S. Soldier eats: 253 pounds of potatoes; 24 pounds of dried beans; 142 pounds pounds of tomatoes and citrus fruits; 142 pounds of green and yellow vegetables; 312 pounds of other kinds of fruits and vegetables; 525 eggs; 287 pounds of meat, poultry and fish; 215 pounds of flour and cereals; 133 pounds of fats, oils, bacon and salt pork; 114 pounds of sugar, syrups and preserves; and 403 quarts of milk.
That is a lot of food. With over 4 million men in the armed forces it takes the efforts of all farmers to keep these men supplied with food. Raise more hogs, and fatten them to heavier weights. Produce more eggs. Feed out more cattle to heavier weights. Produce more milk.
FIGHT THE FLIES
Flies are one of the worst as well as most common pests that we have states B. J. Baskin, county agent, of the Texas A. and M. College Extension Service. To carry out our war efforts to a successful conclusion, we must keep our bodies strong, free from disease and produce clean foods for consumption at home and in trade channels. To do this we must control the flies.
How? By doing the following:
1. Destroy all breeding places.
2. Screen all windows, doors and chimneys.
3. Keep all premises clean.
4. Have a sanitary type toilet.
5. Trap flies before they get into the house.
6. Swat the FLY WHEN HE GETS IN THE HOUSE. Use sprays.
7. Get every member of the family to help.
WHY FARMERS ARE ASKED TO PRODUCE MORE HOGS
"Why are we asked to produce more hogs?" is a question asked many, many times, states B. J. Baskin, County Agent of the Texas A. and M. College Extension Service.
According to figures just released by E. M. Regenbrecht, swine husbandman of the Extension Service, the 1942 requirements for export are fully 2 billion pounds of pork and 800 million pounds of lard. In 1941 we exported only 400 million pounds of pork and 300 million pounds of lard.
To produce this heavy expansion in exports American farmers must feed more hogs. These hogs must be fed to heavier weights. To do this calls for (1) more feed, (2) more labor, (3) more equipment, and (4) greater risks of market fluctuations, etc.
Present supplies of hogs, demand for pork, low cost of feed on the farm, etc., have made it possible for farmers to feed out hogs to an advantage. However, with the heavy fall farrowings in sight it will be much harder to make the same "easy" money next spring. Better management, better feeding and close watching of markets are required, states Baskin.

USE SHADE FOR LIVESTOCK
Continued hot weather is proving the good that comes from using shade for livestock, states B. J. Baskin, County Agent of the Texas A. and M. College Extension Service.
Shade lowers the loss of water from the body tissues of the animals, lowers the body temperatures and tends to keep the production of milk, eggs, or fat at nearly the normal levels.
F. P. KING NOW HAS DUSTING MACHINE WORKING
"I have my dusting machine rolling right now," stated F. P. King Route C, Lamesa. "The flea hopper is working on my young cotton. With cotton prices as favorable as they are; with costs of production as low as they are compared to 1941; and with the prospects so bright for a good yield if the insects are controlled, I am going all out to make my crop produce every pound of lint per acre I can possibly produce. I have my new dusting machine — tractor powered — in action today (Wednesday, July 29). I am putting out about 7 pounds of sulfur per acre, and in seven days I am going back over it again."
USES TRACTOR POWERED DUSTING MACHINE
"Some folks will tell you that dusting of cotton will not work in West Texas," says Jack Broyles, a farmer living in the Munger Community. "but I used my tractor-powered dusting machine in 1941 to control leafworms. The results I obtained were excellent."
"Now I am dusting my cotton with dusting sulfur to control the flea hopper. I am putting about 8 pounds per acre. In seven days I am going right back and dust it again."

CONSTITUTIONAL AMENDMENTS

H. J. R. No. 1 A JOINT RESOLUTION

proposing an amendment to Article III of the Constitution of the State of Texas by adding a new section thereto to be known as Section 49a requiring all bills passed by the Legislature on and after January 1, 1945, appropriating money for any purpose to be sent to the Comptroller of Public Accounts for his approval, and fixing the duties of the Comptroller with reference thereto, authorizing the Legislature to provide for the issuance, sale and retirement of serial bonds, equal in principal to the total outstanding, valid, and approved obligations owing by the General Revenue Fund on September 1, 1943, providing for the submission of this amendment to the voters of this State, prescribing the form of ballot, providing for the proclamation and publication thereof, and providing for the necessary appropriation to defray necessary expenses for the submission of this amendment.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto, immediately after Section 49a, a section to be known as Section 49a, to read as follows:

"Section 49a. It shall be the duty of the Comptroller of Public Accounts in advance of each Regular Session of the Legislature to prepare and submit to the Governor and to the Legislature upon its convening a statement under oath showing fully the financial condition of the State Treasury at the close of the last period and an estimate of the probable receipts and disbursements for the then current fiscal year. There shall also be contained in said statement an itemized estimate of the anticipated revenue based on the laws then in effect that will be received by and for the State from all sources showing the fund accounts to be credited during the succeeding biennium and said statement shall contain such other information as may be required by law. Supplemental statements shall be submitted at any Special Session of the Legislature and at such other times as may be necessary to show probable changes.

"From and after January 1, 1945, save in the case of emergency and imperative public necessity and with a four-fifths vote of the total membership of each House, no appropriation in excess of the cash and anticipated revenue of the funds from which such appropriation is to be made shall be valid. From and after January 1, 1945, no bill containing an appropriation shall be considered as passed or sent to the Governor for consideration until and unless the Comptroller of Public Accounts endorses his certificate thereon showing that the amount appropriated is within the amount estimated to be available in the affected funds. When the Comptroller finds an appropriation bill exceeds the estimated revenue he shall endorse such finding thereon and return to the House in which same originated. Such information shall be immediately made known to both the House of Representatives and the Senate and the necessary steps shall be taken to bring such appropriation to within the revenue, either by providing additional revenue or reducing the appropriation.

"For the purpose of financing the outstanding obligations of the State and placing its current accounts on a cash basis the Legislature of the State of Texas is hereby authorized to provide for the issuance, sale, and retirement of serial bonds, equal in principal to the total outstanding, valid, and approved obligations owing by said fund on September 1, 1943, provided such bonds shall not draw interest in excess of

to set aside into a special fund annually at the beginning of each fiscal year until all of said bonds shall have been paid off and discharged, a sufficient amount of the first moneys coming into the Treasury of the State and the General Revenue Fund not otherwise heretofore obligated to the payment of bonds and interest, a sufficient amount to pay the interest becoming due and the bonds maturing during such fiscal year. From said fund, the Treasurer shall pay the interest on said bonds as it comes due, to the credit of the Available School Fund; and shall pay off said bonds as they become due and deposit the amounts, so paid to the credit of the Permanent School Fund. The power hereby granted to issue bonds is expressly limited to the amount stated in this section, and after the adoption of this grant by the people."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified voters of the State of Texas at an election to be held on the third day of November, 1942, at which election all voters favoring said proposed Amendment shall write or have printed on their ballots the words:

"Against the Amendment to the Constitution of the State of Texas authorizing the investment of not more than Two Million Dollars (\$2,000,000) of the Permanent School Fund in bonds of the State of Texas to be issued for the construction of a State office building or buildings and providing for the repayment of the said sum of money to the Permanent School Fund."

Those voters opposing said Amendment shall write or have printed on their ballots the words: "Against the Amendment to the Constitution of the State of Texas authorizing the investment of not more than Two Million Dollars (\$2,000,000) of the Permanent School Fund in bonds of the State of Texas to be issued for the construction of a State office building or buildings and providing for the repayment of the said sum of money to the Permanent School Fund."

Section 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and to have the same published as required by the Constitution and existing laws of the State.

Sec. 4. The sum of Eight Thousand Dollars (\$8,000), or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of said publication and election.

S. J. R. No. 21 A JOINT RESOLUTION

proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to appropriate Seventy-five Thousand Dollars (\$75,000) or so much thereof as may be necessary to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college, and to authorize the Legislature to pay for building constructed for John Tarleton Agricultural College."

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That the Constitution of the State of Texas be amended by adding a new section, as follows: "The Legislature is authorized to appropriate so much money as may be necessary, not to exceed Seventy-five Thousand Dollars (\$75,000), to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college, and to authorize the Legislature to pay for building constructed for John Tarleton Agricultural College."

"Against the constitutional amendment authorizing the Legislature to pay for building constructed for John Tarleton Agricultural College." Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, A. D. 1942, at which all ballots shall have printed thereon:

"For the constitutional amendment authorizing the Legislature to pay for building constructed for John Tarleton Agricultural College."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Article V of the Constitution of the State of Texas be amended by adding thereto a new section to be known as Section 22-a and reading as follows:

"Section 22-a. The Legislature shall have the power, by local or general law (without the necessity of advertising any such local law), in counties having a population in excess of two hundred thousand (200,000) inhabitants according to the then last Federal Census, to create other courts having either exclusive jurisdiction or concurrent jurisdiction with the county court in civil, criminal or probate matters."

Those voters opposed to such Amendment shall have written or printed on their ballots the following: "Against the Amendment to the Constitution providing that the Legislature may in certain counties create other courts having either exclusive jurisdiction or concurrent jurisdiction with the county court in civil, criminal or probate matters."

If it appears from the returns of said election that a majority of the votes cast is in favor of the Amendment, the same shall become part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and to have it published as required by the Constitution and existing laws of this State.

Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary is hereby appropriated out of the State Treasury to be known as Section 22-a and reading as follows:

Section 22-a. The Legislature shall have the power, by local or general law (without the necessity of advertising any such local law), in counties having a population in excess of two hundred thousand (200,000) inhabitants according to the then last Federal Census, to create other courts having either exclusive jurisdiction or concurrent jurisdiction with the county court in civil, criminal or probate matters."

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified voters of the State of Texas at a special election to be held on the first Tuesday after the first Monday in November, 1942, at which time all voters favoring such proposed Amendment shall have written or printed on their ballots the following:

"For the Amendment to the Constitution providing that the Legislature may in certain counties create other courts having either exclusive jurisdiction or concurrent jurisdiction with the county court in civil, criminal or probate matters."

Miss Lola Tolbert Exchanges Vows With Oran D. Watson At San Diego, California

Miss Lola Tolbert, daughter of Mrs. Texie Tolbert, became the bride of Oran D. Watson of San Diego California, Saturday July 18. The wedding took place in the chapel at Old Town, San Diego California.

The altar on either side was decorated with large baskets of Pink Gladiolus and Baby Blue Larkspurs. In the center there were two small baskets of White Shasta Daisies. Preceding the wedding the organist played "Because", "Oh Promise Me" and the traditional wedding marches.

The bride wore a floor length dress of White Chiffon with a shoulder length veil set with a crown of pearls. She carried a colonial bouquet of White Gladiolus and pink roses. For Something Old and Something Borrowed she carried a white handkerchief which Rev. I. J. Burnett carried at her wedding 35 years ago in Sidney, Australia.

Miss Harriet Chandler was matron of Honor. She wore a Turquoise Blue Chiffon dress and carried a bouquet of Pink Gladiolus, Yellow Roses and Blue Larkspurs.

After the wedding a reception was held at the Lanier Hotel where Cake and Coffee were served to about fifty guests.

Following the reception the couple left on a brief wedding trip to Warner Springs California.

Mr. and Mrs. Watson will be at the Lanier Hotel where he is manager.

Time Extended For Tire-Tube Sellers To Aug. 1

J. E. Barron, Chairman of the Dawson War Price and Rationing Board, announced today that automobile tire and tube sellers have been granted an extension of time from July 25 to August 1, in which to file with the local board an inventory of all tires and tubes, both new and used, that were on hand as of June 30.

This is the second extension of time granted for this report. Barron explained, because of the late arrival of the necessary forms. These reports must be filed by all persons who sell new or used tires and tubes and retreaded or recapped tires of whatever kind, not mounted on a vehicle. The purpose of the inventory is to provide a fund of information to assist in charting the future course of rationing.

Similar reports must be made by each tire seller in each calendar quarter hereafter. Mr. Barron explained, but in the future, the reporting forms will have to be obtained from our local board office by the tire dealer. They will not be mailed to the dealer hereafter, as they were for this report.

New Restrictions For Rationed Tires And Tubes

J. E. Barron, chairman of the Dawson County War Price and Rationing Board, announced today that new rationing restrictions have tightened the list of eligibles for new tires, tubes and re-capping.

"This provision was an obvious necessity," he said, "and it will help to relieve the critical rubber tire situation."

The new amendment to the rationing regulations, Mr. Barron said, makes it plain that only vehicles engaged in service essential directly to the war effort or to the public health and safety are to be eligible. This will cut out from eligibility for tires all privately operated trucks carrying alcoholic beverages, soft drinks and similar beverages, tobacco products, confections, candy, flowers, toys, novelties, jewelry, furs, radios, phonographs, musical instruments or other luxury goods much less the transportation of such things is only incidental to the main service performed by the vehicle.

Also dropped from the eligibility list are private carriers providing transportation for incidental maintenance such as the cleaning of office buildings, or for repairing portable household effects, or providing materials or services solely for landscaping or beautification of any construction project or establishment.

"The new amendment to the regulation gives our Board the responsibility of sifting applications with this yardstick: Does that truck or vehicle contribute directly to the war effort, or to the public health and safety," Mr. Barron said. "We know that the vehicles working on war projects must be served first. All others will have to wait."

League Football To Be Played As Usual This Fall

Interscholastic League Football will continue on schedule this fall except in those areas where tire rationing makes it impossible. Roy Bedichek, director of the University of Texas League headquarters, announced this week.

He said the State Executive Committee and League Advisory Committee agreed that "no attempt will be made to enforce contracts on schools unable to travel because of tire-rationing," but added that "in many districts schedules can be maintained without appreciable use of tires, since commercial transportation is available."

Other League events — basketball, track and field, public speaking, journalism, dramatics, art, commercial and other activities — will also be continued unless travel becomes more restricted, he said.

In the meantime, however, the Victory Physical Fitness Clubs, organized under the auspices of the League, are being formed in every area of the state, and the League is placing increased emphasis upon intramural activities of all kinds.

Football eligibility blanks and contracts will be mailed to member schools on August 25, Bedichek pointed out.

HOWARD HUMPHREYS, County Clerk, Dawson County, Texas. Dawson County, Lamesa, Texas. 29 day of July, 1942. 58-60 chg

TO THE VOTERS OF DAWSON COUNTY:

I wish to thank the voters for the fine support I received Saturday in the Primary. It was a splendid expression of confidence on the part of the whole citizenry. Since no particular group is backing me, I will have no other obligation than the best service I can render for the benefit of all alike.

I am deeply and profoundly grateful, and indebted, to the people of the county. I earnestly solicit the continued effort of my supporters in my behalf, and request you who helped another candidate in the Primary to support me in the Run-off. You may all feel assured of the best service I am capable of rendering as County Judge.

Sincerely,
KILMER B. CORBIN
For County Judge.

TO THE VOTERS OF PRECINCT ONE

I would like to take this method to thank each and every person in precinct one and Dawson County for your splendid cooperation during the election ending last Saturday. I certainly appreciate every vote and the influence shown to keep me high man in the Commissioners race, and I want to kindly ask each and every one for your kind consideration and support into the next election on August 22. If you can see fit to help me again, I will surely try hard to cooperate with you and serve you to the very best of my ability. Thanks again.

Yours truly,
OLEY SHOEMAKER, candidate for Commissioner Precinct number one

TO THE VOTERS OF DAWSON COUNTY

I want to sincerely thank every one who honored me with their vote in my unsuccessful race for Justice of the Peace.

J. E. HARDESTY.

CARD OF THANKS

By this medium we want to thank our friends and neighbors for their every kindness and help during the illness and death of our dear mother. We are indeed grateful for every expression of love and sympathy and pray that we may be of service to our friends in their time of need.

Mr. and Mrs. W. K. Crawley and family.
Mr. and Mrs. J. R. Arnold and family.
Mr. and Mrs. R. R. Townsend.
Mr. and Mrs. Victor Crawley and family.

TO THE VOTERS OF DAWSON COUNTY

I wish to thank each and every one for your support, and loyalty in the recent campaign. Though I did not win, yet I appreciate the opportunity it gave me to meet old friends and make new ones. I shall take defeat with a smile, and wish for every one success and happiness.

Itc.
Mrs. H. M. Meek

CARD OF THANKS

I want to thank each of you who voted for me in the past election. I have enjoyed being your Commissioner for the past two years and I appreciate the co-operation you have given me.

Sincerely,
G. C. ATEN.

TO THE VOTERS OF DAWSON COUNTY

Friends that supported me in my race for Sheriff I sincerely thank you for the efforts you put forth in my behalf I shall always be grateful.

To you who didn't vote for me I still have the utmost respect and I hold no ill will toward any one. If at any time I can be of service to you call on me.

Sincerely,
LAWRENCE W. WEST

TO THE VOTERS OF DAWSON COUNTY

Thanks, more than a thousand times for your support in Saturday's Primary. It takes more time for an old boy to learn a lesson, but he remembers it longer.

So, in the future, I shall love you and serve you, but you must find out things for yourselves. I shall always be on the job, and I'll render the best service that I know how.

Yours,
W. W. PETTEWAY.

TO THE VOTERS OF DAWSON COUNTY

I wish to take this means of expressing my thanks to you for the favorable vote given me in the Primary Election, July 25.

With a continuation of the co-operation you have given me in the past, I will do my very best to make you a better Sheriff, for the next two years than I have in the past. I will try to show you my appreciation for the majority vote you gave me by my conduct in office, and will always welcome suggestion on methods of operation from you.

I want you to know that the Sheriff's office is available to you any time, and it is my desire that all of you feel welcome to call on any or all of us, any time, whether it be day or night, and if you need us we will be ready to serve you the best we can.

Thanking you again, I remain your Sheriff,
A. M. (Buck) BENNETT.

THANK YOU

I wish to thank you my friends for your loyal support you gave me last Saturday. The I did not get enough votes to get in to the run off, they are appreciated, just as much so as if I had been the leading man. To you who voted other wise I do not feel you voted against me, you only voted your best judgment, every thing else taken into consideration I thank you too.

Respectfully your friend,
CLAUD F. GOWEN, chg

THANKS TO VOTERS OF PRECINCT NO. 3

From the depth of my heart I do appreciate the fine support you gave me at the polls last Saturday. I find no bitterness in my heart toward no one, and feel no one has toward me. I hope for and expect the same hearty cooperation that I have had in the past.

Thanks a million,
J. F. O'BRIEN.

TO THE VOTERS OF PRECINCT NO. 1

I want to take this method of thanking each and every voter in precinct 1 for the splendid support and consideration accorded me in the primary election last Saturday. I hope to see each voter in the precinct before the second election in August and hope that you will take this as a personal solicitation for your vote and influence.

Production Credit Ass'n Now To Sell War Bonds-Stamps

By recent action of the U. S. Treasury Department, the Sweetwater Production Credit Association has been authorized to issue Series "E" War Bonds.

Under the new arrangement, just approved by the association's board of directors, War Bonds will be sold in the central office at Sweetwater and in the field offices located at Snyder, Colorado City, and Lamesa. The association, serving 1285 farmers and ranchers in Nolan, Fisher, Scurry, Borden and Dawson counties has sold War Stamps to members and other farmers in this vicinity during the past nine months.

"Because many farmers in this part of the State," reports Mr. Berry, Secretary-Treasurer, "have inquired about buying War Bonds through our association, the board of directors has agreed to make this service available. Our members and their neighbors are realizing greater incomes as they increase production of needed farm items. With this excess income, they are purchasing War Stamps and Bonds—actually helping Uncle Sam and helping themselves by building up their own financial security for the future."

Through monthly reports to the Federal Reserve Bank, each county will receive credit on its quota for bonds bought through the association by members who reside in the county, regardless of the town where the bonds are issued.

Emmanuel Church Of Christ To Have Meeting

Rev. H. S. Williams, pastor of the Emmanuel Church of Christ at North 2nd and Garfield Streets, announces a revival meeting beginning at that church on Saturday, August 1.

The Evangelist is Bro. J. E. Nolan and wife from Kerrville, Texas according to Rev. Williams, Evangelist Nolan and wife are both good preachers and are well known throughout South Texas for their success in Evangelistic work.

The public is invited to attend each service nightly and enjoy the good music, singing, and old fashioned preaching.

Mrs. E. J. Bartlett Died July 30

Mrs. Pauline Bartlett passed away at her home in the Mt. Olive Community on Tuesday morning, July 28, following an illness of three years.

Funeral services were held on Wednesday afternoon at 3 o'clock at the Methodist Church with Rev. John Eldridge of Levelland officiating. Burial was made in the Lamesa cemetery.

Mrs. Bartlett was born on December 5, 1906, being 35 years old at the time of her death.

Those Securing Sugar For Canning Must Conform To Government Regulations

Sugar secured by application for canning sugar must be used for canning only and on a basis of one pound per each member of the family unit for jellies, jams, preserves or butter and for put up 4 quarts of finished fruit, and if sugar secured for canning purposes is used on any other basis, or for any other purpose, it is in violation of the regulations and persons violating these regulations are subject to prosecution under Federal Statute, and are subject to being denied any other commodity that might be rationed.

If you have secured sugar for canning purposes and have decided not to do any canning, you should return the sugar purchase certificate which were issued to you. Return these to the War Price and Rationing Board and have them canceled or if you have purchased

sugar with them you should report to the local Rationing Board the amount of sugar you have and adjustment will have to be made on your War Rationing Book, and the sugar you have purchased for canning purposes will then have to be used on a rationing basis, and stamps removed from your War Rationing Books to cover the amount of sugar secured to you for canning purposes but was not used for that purpose.

If you have secured sugar for canning purposes and have decided not to use any or all of the sugar for canning purposes, we urge that you get in touch with rationing office and we will explain what is necessary for you to do so there will not be any violation of the regulations.

Farmers To Save \$51,266 Through Low Int. Rates

Farmers and ranchmen of this territory served by the Lamesa National Farm Loan Association will save approximately \$51,266 during the next 2 years through continued low interest rates on Federal Land Bank and Land Bank Commissioner loans.

Mr. J. E. Butcher, Secretary-Treasurer of the association, reported Wednesday.

The saving, Mr. Butcher explained, results from legislation recently passed by Congress which cut rates through June 30, 1944, the 3-1/2 percent interest rate on long-term Federal Land Bank and Land Bank Commissioner loans.

The Lamesa National Farm Loan Association has approximately \$1,709,555 in loan outstanding.

TO THE VOTERS OF DAWSON COUNTY

I wish to thank each and every one for your support, and loyalty in the recent campaign. Though I did not win, yet I appreciate the opportunity it gave me to meet old friends and make new ones. I shall take defeat with a smile, and wish for every one success and happiness.

According to L. L. Johnson, state boys' club agent of the Texas A. and M. College Extension Service, beef cattle, hogs, sheep and poultry the boys now have on feed substantially outnumber the livestock and poultry projects of last year, and field crops and Victory garden show corresponding, or even greater, increases. Through May 6,039 Victory gardens were being grown, compared with 1,471 in 1941.

Texas 4-H CLUB boys have carried forward their rifle training work, and many are taking first aid training, Johnson says. Some counties have organized labor patrols, which are helping with farm work in their communities and home counties.

The boys have taken an active part in all salvage campaigns including collection of scrap rubber, but totals for rubber are not yet available. Other achievements in connection with the war program, based upon reports from 129 counties, follow: Scrap iron collected,

PLAYING BOTH ENDS AGAINST THE MIDDLE

GIG HARBOR, Wash. (AP) Fire Chief Dick Thurston ordered his volunteer fire department out for a few practice runs after the showing

The difference is used for door prizes in the form of defense stamps.

There's NO such thing as an off season for the Dry Dock. When big dances or sports events take the crowds away, the club just closes its doors. Donovan doesn't worry. He knows they'll come back—bigger and merrier.

HIS PET'S A LAMB

LONDON (AP)—Crowds thronging Piccadilly Circus stared in astonishment when an Indian soldier walked calmly along the street with a tiny lamb trotting at his heels. The soldier adopted the lamb when its mother died.

CALHOUN City, Miss. (AP) — Mrs. Martha Jane Stewart, who celebrated her 100th birthday June 11, has six children, 49 grandchildren, 118 great grandchildren and 33 great great grandchildren.
