Tahoka Is Winner In Thrilling Games

One of the most thrilling basketball games ever seen here took place in the gymnasium Tuesday night, when the Tahoka boys team defeated the strong Denver City team 33 to 32.

Denver City took the scoring lead at the opening of the game and remained just a little bit ahead until the last few seconds of the regular playing time. Just before the game ended, Tahoka tied the score at 29-29. An extra three-minute period was added to determine the winner, but when that period was over the score was 31-31. Coach Pace of Tahoka and Coach Brown of Denver City agreed the first team scoring a field goal would be declared the winner. Tahoka fouled and Denver City dropped in a free throw to put her in the lead. But, as the ball was put in play, Earl Adams dribbled down to mid-court, saw that the defense was tight, and took a long shot at the basket. The ball swished through the net—and the crowd went wild. Score: Tahoka 33, Denver City 32.

Preceding this game, the Tahoka girls team completely outclassed the Denver City team in winning 17 to 5, Coach Haynes using every girl he had in uniform.

This was the second meeting of the local teams with the oil field team. In games at Denver City last Friday, the local boys lost a game almost as thrilling 20 to 21 and the Tahoka girls won 24 to 16.

Thursday night Tahoka A team defeated Brownfield A team 39 to 18, and Tahoka B team defeated the Brownfield B team 21 to 14. The games were played at Brownfield.

A daughter weighing 6 pounds and 12 ounces was born at 9:35 Wednesday morning to Mr. and Mrs. Floyd Walters of Levelland, Rt. 4, in St. Mary's Hospital in Lubbock. The parents were reared in this county, Floyd being the son of Mr. and Mrs. M. B. Walters and Mrs. Walters being the daughter of Mrs. R. B. Floyd.

Mrs. R. C. Forrester is much improved at her home here after having returned Sunday from a few days stay in the Lubbock Sanitarium where she had undergone two minor operations, one on each ear. She expects to be back in her office soon.

Mr. and Mrs. Hall Robinson returned last Saturday from Dallas, where they attended market and purchased spring merchandise.

Plans Made For County Meet

By Ruby Nell Smith
Plans for the official 1941 Inter-scholastic League Meet for the public schools of Lynn County were made at a meeting of the executive committee Monday evening in the Tahoka High School building.

March 21-22 was set as the date for the official meet. Preliminary contests will start March 13. Several important changes in the rules were made at the executive meeting. The revised rules are as follows:

1. Date and place of meeting: March 21 and 22 at Tahoka.
2. Playground ball and tennis preliminaries to be completed by March 13.
3. Remainder of schedule to be followed as it was conducted last year. Debate preliminaries on Wednesday night, March 19.
4. Tiny tot story telling to be held again. Last year's rules adopted for use.
5. Judges: Committee preferred critic judges in speech contests.
6. Softball: Decided to use 14 inch (Continued on Back Page)

Some Cotton Is Being Ginned

Some cotton is still being ginned in Lynn county. A few bales come in almost every day when the weather permits gathering.

Up till Thursday morning, 7,163 bales of the 1940 crop had been ginned in Tahoka. Of course most of the cotton ginned since the middle of December has been of low grade and brings a comparatively low price. But it pays to gather it, and quite a few bales are expected to be brought in yet.

In Lynn county, 36,364 bales had been ginned prior to January 16, according to the report of the Department of Commerce at Washington as furnished us by E. W. Holloway, special agent.

Up to the same date last year 59,291 bales had been ginned from the crop of 1939.

McMurry Chanters In Program Here

Directed by Mrs. Ted Sullivan Wylie the McMurry Chanters appeared in a delightful program of music at the Methodist Church here last Sunday.

This chorus of twenty-one well-trained voices held the rapt attention of the congregation throughout the entire concert. Only compositions of sacred music of the highest order were rendered.

McMurry College is rendering a distinct service to the church people of this section of the state by sending out each year this fine chorus made up of young men and young women students to give these devotional and inspiring musical programs.

ENTER AIR CORPS

Grady Herrin and A. F. (Frank) McGlaun Jr., sons of Mr. and Mrs. A. F. McGlaun, have joined the U. S. Air Corps, and are stationed at Brooks Field, San Antonio.

Questionnaires Are Sent To 25 More

The Lynn County Draft Board this week sent out twenty-five additional questionnaires to registrants, bringing the total up to and including Order No. 305.

Four men are to be drawn from this county for induction into the selective service training on February 10, with the possibility that one of the four will be a man now in this county who registered in another state and who is making request for induction.

In addition to the seven volunteers whose names we published last week, one other Lynn county man has volunteered, Tom Jefferson Coalson, who lives on Route 1 out of Tahoka. Of the eight volunteers, however, only four passed the medical examination. It is evident that the call for four men will be filled by volunteers. It has not been necessary for the Lynn County Draft Board to draft a single man yet.

The names of the four men who will go from this county will not be given out by the board until next week.

Car Tire Thieves Visit O'Donnell

A thief or thieves stole five spare tires from motor vehicles parked on the streets of O'Donnell on last Friday night, according to Sheriff B. L. Parker. Two were taken from pick-ups and three from Chevrolet cars. No arrest has been made yet.

On Wednesday night of this week Mr. Parker went down to Big Spring to investigate two men who had been arrested there. A number of stolen tires were found in their possession, some of them taken from Lamesa cars, but they had none of the O'Donnell tires. The two men are being held for theft in Dawson and other counties.

Brownfield Ranch Is Being Sold Out

The portion of the Brownfield Ranch lying adjacent to the Brownfield-Tahoka highway just over the line in Terry county and extending west almost to the city of Brownfield has been placed on the market in section and half-section tracts, according to Robert Noble, a former citizen of Lynn county who was reared near this ranch.

This ranch was founded in 1900 by the late M. V. Brownfield, well known cattleman of this section. It is one of the last ranches in Terry county to fall under the plow, Mr. Noble states.

Only one large ranch still remains untouched by the plow in Lynn county also, the T-Bar Ranch of 110 sections lying west of Tahoka, established by Cass Edwards in the early eighties.

Mr. and Mrs. M. H. Ragle of Lockney were here during and following the funeral of Mrs. C. C. Barnes, which was held Monday. Mrs. Ragle is a sister of Mrs. Barnes and is still here.

Corbin Douthitt and his sister, Mrs. Gladys Collings, Lynn county students in Texas Technological College, both made the Honor Roll during the last semester. They expect to receive their degrees in the spring.

Claude Conway, among many others, has employment at Abilene.

Two Well-Known Women Die

Mrs. M. L. Short, Grassland, Dies

Funeral services were conducted in the Methodist Church at Grassland at 4 o'clock Monday afternoon for Mrs. M. L. Short of that community, who died Sunday night following a prolonged illness.

Officiating were Rev. D. W. Reed of Garnolia and Rev. Jesse E. Young, pastor of the Grassland Methodist Church. Burial was made in the Grassland Cemetery under the direction of the Harris Funeral Home of this city.

Pall bearers were H. B. McCord, E. A. Thomas, M. C. Thomas, Carlisle Edwards, Loyd Edwards, and J. A. Propert.

Surviving are the husband, M. L. Short, and two sons, Cleveland Short of Richmond, Virginia, and C. E. (Bert) Short of Grassland, all of whom were present. Cleveland had come by airplane from Richmond a few days preceding her death.

Mrs. Short was nearly 74 years of age, having been born March 28, 1867 near Hot Springs, Arkansas. She came with her parents to Hunt county, Texas, in 1875. She was married to M. L. Short in Hunt county in the fall of 1881, her maiden name being Arla Belle Vansickle. She and her husband celebrated their fiftieth wedding anniversary nine years ago. They came from Baylor county to Lynn county in 1917 and had resided near Grassland in this county ever since.

Mrs. Short was a devoted member of the Christian Church, having been baptized in 1906. She enjoyed the esteem and affection of a large circle of friends and relatives, who were grieved at her departure.

Quality Egg Market Sought

The News has been requested to announce again the meeting to be held in the court house here Saturday afternoon, February 1, at 2:00 P. M. for the purpose of discussing ways and means of finding a market for quality eggs.

Some of our readers last week failed to note the date and came in last Saturday expecting to attend the meeting, according to Miss Maurine McNatt. All farmers, farm women, and poultry raisers are invited.

SPRUELL IN SCHOOL

Clyde Spruiell, attendant at the Boyd Smith station, left Tuesday night for Fort Worth, where he will take 30 days training in a Gulf Service school.

Included in the study will be lubrication, and car servicing.

Mrs. H. C. Story and daughter, Ruth Evelyn, are leaving today for Austin, where they will make their home. Mr. Story having accepted a position a few weeks ago in the office of State Comptroller George H. Sheppard. Mrs. Story has long been active here in club work and in social circles and many friends regret that she is leaving.

P. Coleman is now at Fort Bliss, El Paso, where he is employed part time as a carpenter. The camp there is being enlarged.

Singing School Starting Tonight

All singers of Lynn county are invited to a district singing to be held at Tahoka High School auditorium Friday night beginning at 7:30.

"Colonel" D. C. Roberts of near here is sponsoring the meeting at which there will be much singing and discussion of plans for the holding of a singing institute here for West Point, Pleasant Valley, New Lynn, Grassland, and Midway singing classes. If such an institute is held, "Bub" Warren of Spur, director of the annual Lubbock institute, would be teacher.

Among the more prominent singers who will be here for the meeting Friday night will be Clyde Burleson and his quartet from Lubbock, Carson and Stevens quartet of Ropes, and Austin Williams' quartet from Tennessee.

The meeting is not only for these singing classes but is for all singers of Tahoka and all Lynn county. The Colonel says.

Noted Shakesperian Dramatist Coming

By Ruby Nell Smith
Continuing a series of Artist Course numbers sponsored by Tahoka High School, the brilliant Shakespearean comedy, "The Taming of The Shrew" will be presented Monday night, February 3 at 7:30 o'clock in the high school auditorium.

Jack Rank, dramatist and playwright, will portray ten widely different characters by means of lightning quick changes in costume and voice. Mr. Rank has been rated by critics as one of the foremost platform artists of his time in the interpretation of great plays. At the age of five he made his first appearance on the stage. He attended college at the University of Nebraska where he later served as a member of the faculty. Mr. Rank has also appeared in numerous stage plays on Broadway in New York.

School Exhibit In Downtown Section

Exhibits of the work being done by pupils in the first, second, and third grades of the Tahoka schools are on display in the show window of the Jones Dry Goods Company here, and the patrons of the school and other citizens are invited to inspect this work.

Exhibits of the fourth, fifth, and sixth grade pupils will be displayed following the removal of the exhibits now on display.

Mr. and Mrs. F. A. Robinette left for their home in Corpus Christi Monday after a visit here for a few days with Mrs. Robinette's mother, Mrs. W. E. Taylor, and with her sisters, Mrs. H. A. Maassen and Mrs. Leroy Knight.

Mrs. W. E. Taylor of Sand, Dawson county, is here at the home of her daughter, Mrs. Henry Maassen, recovering from an attack of pneumonia. After spending several days in a hospital in Lamesa, she was able to be brought to Tahoka Saturday.

Mrs. C. C. Barnes Buried Monday

Mrs. C. C. Barnes, after suffering a long illness, died at her home here in East Tahoka at 7 o'clock Sunday morning. For more than a year she had been confined to her bed with an incurable malady, bearing her suffering with marvelous patience and fortitude.

Funeral services were conducted by Rev. Geo. A. Dale, assisted by Rev. Geo. E. Turrentine, in the Baptist Church at 3 o'clock Monday afternoon in the presence of a great congregation of her friends and relatives. The body was laid to rest in the Tahoka Cemetery under the direction of the Harris Funeral Home.

Besides the husband, C. C. Barnes, she leaves surviving her one daughter and one son, Mrs. R. W. Fenton, Jr. of Tahoka and Clarence N. Barnes of Clovis, New Mexico; her aged mother, Mrs. E. N. Weathers of Tahoka; five brothers and two sisters as follows: L. E. Weathers of Tahoka, S. N. Weathers of Lubbock, Sam. R. P. and Louie Weathers, all of Tahoka, Mrs. H. O. Perkins of Celeste, Texas, and Mrs. I. L. Burk of Fruitland, Idaho; and three grand-daughters, Peggy and Mary Beth Fenton of Tahoka and Eva Clair Barnes of Clovis, besides many other more distant relatives.

Mrs. Barnes' maiden name was Lillie Belle Weathers, being a daughter of Mr. and Mrs. E. N. Weathers. She was born at Celeste in Hunt county May 29, 1880, and at the time of her death was 60 years of age. She was married to C. C. Barnes at Lockney in August, 1904. Coming with her husband and the Weathers family to Tahoka in 1910, she had been a resident of Tahoka for more than thirty years.

Having become a Christian and a member of the Baptist Church in early life, she was a devoted and active church worker until the condition of her health became such as to preclude further activity. Aside from her purely church work, Mrs. Barnes was ever busy doing good, and by her generous, sympathetic spirit and her sacrificial service she won the affection and admiration of all who knew her. Having resided in Tahoka almost from its very beginning, she has had a vital part in building the religious, moral, and civic spirit of the town. She has been greatly missed during the period of her prolonged illness and she will be even more greatly missed now that she is gone.

New Supervisor In Local Office

Miss Myrielle Cannon, whose home is at Idalou, came Wednesday to begin work here as F. S. A. home supervisor, succeeding Miss Argen Hicks, who was recently transferred to Levelland.

Also here this week is Mrs. Juanita G. Butler of Lubbock, district home supervisor, who is assisting Miss Cannon in acquainting herself with the work.

Miss Cannon has been teaching at Swenson, and this will be her first experience as a home supervisor. She is thoroughly competent to do the work, however, being a graduate of Texas Technological College and having majored in subjects that will be helpful to her in this character of work.

Miss Cannon will likely run a brief column in this paper each week pertaining to F. S. A. activities in this county, as Miss Hix did.

Ladies Gym Class Starts Next Week

The ladies' gym class will hold its first session next Wednesday night at 7:30 at the school gymnasium, Mrs. J. W. Sinclair announced this week Coach Leo Jackson will direct.

Any woman interested in gymnastics is invited to join. There are no charges. About forty women have already enrolled.

Mrs. A. F. McGlaun has been confined to her home the last ten days with a stubborn attack of asthma.

Boxing Contests Draw Large Crowds

Two of the biggest crowds that have ever gathered in the Tahoka gymnasium were present last Thursday and Friday nights when the preliminary tournament of the Golden Gloves was held. Fighters and fans were present from all over the South Plains. The contestants furnished plenty of action in the ring, and the fans were exceedingly well pleased. The tournament was handled by Coach Leo Jackson under direction of the Lubbock district Golden Gloves committee.

The fights were too numerous to report in detail, but the following are the results:
Thursday Night
Townsend, Slaton won a TKO from

Alvin Gehris, Tahoka, in the second round. They were flyweights.
Herbie Booth, Post flyweight, lost to Sport Pendleton, T-Bar, technical KO in the second.

Sonny Kyser, O'Donnell, decisioned Howell Jones, Post. Both were flyweights.

Johnny Mallouff, Post flyweight, received a technical KO from Tahoka's Robert Warren in the second.

W. D. McCarty, Littlefield, 1940 district bantamweight champ, won a decision from Wayland Hughes of Tahoka.

P. Yenez, Littlefield CCC bantamweight won a decision from Fred Splawn, Slaton.

Melvin Proctor, O'Donnell feather-

weight, registered a technical KO over Jack Lytle, Morton, in the second round.

Albert Mills, Littlefield featherweight, won a technical knockout over Charlie Lee, Post, in the first. Buford Bradshaw, Littlefield, a featherweight, stopped Olen Harper, Tahoka, in the first round.

Buster Driver, Tahoka featherweight, won a decision from B. P. Puttman, Post.

Red Hightower, Texas Tech, won a technical KO from Mutt Sessums of Tahoka in featherweight class.

Harry Bell, Slaton, stopped Porter, Post lightweight, technical KO in the first.

Roy Adams, Slaton won a decision

from Buck Thurman of Littlefield. Both were lightweights.

Maurice Lytle, Lockney, decisioned Bertram Hatchell, Tahoka mid-dleweight.

Middleweight John Taylor, Littlefield CCC, decisioned A. D. Weir, Lubbock.

Lubbock's Jack Loven cooled H. Sherrod, Tahoka in the first. They were middleweights.

Fats Mitchell, Lockney heavyweight, knocked out Tahoka's Raymond Knight in the first round of their heavyweight fight.

Junior McLaurin, O'Donnell's state TAAF welterweight champion, decisioned Pete Jolly of Tahoka.

New Information On Income Taxes

Due to the lowering of the personal exemptions of single individuals from \$1,000 to \$800 and for married couples from \$2,500 to \$2,000, the Deputy Collectors of Internal Revenue for the Second District of Texas will be required to assist a much greater number of individuals in the preparation of 1940 income tax returns than ever before.

Under existing regulations set forth by the Commissioner of Internal Revenue, no Deputy Collector of Internal Revenue is required to prepare any income tax returns. He is only required to advise with any taxpayer relative to items of income and deductions to be included on the returns.

In order that the deputy collectors of the Second District of Texas shall be able to assist as many people as possible during the coming income tax filing period, it has become necessary that their assistance be limited as follows:

1. No corporation, estate or gift tax returns will be prepared. Only advice will be given relative to the filing of these classes of returns.
2. No complicated individual tax returns disclosing incomes from various sources in excess of \$10,000 will be prepared.
3. No return will be prepared for any individual who does not have available all complete information.
4. No individual return will be prepared which requires additional schedules (such as stock market transactions). In no instance will any schedules be prepared.

Truck Industry Pays Big Taxes

Exclusive to The Lynn Co. News
AUSTIN, Jan. 30.—The Texas trucking industry last year paid taxes to Lynn County amounting to \$39,261.47, Lynn B. Shaw, general manager of the Texas Motor Transportation Association, reported today.

Shaw said the amount represented \$30,685.07 for highway construction and maintenance, and \$8,576.40 for the public schools of Lynn county. For each scholastic in the state, the truckers paid \$2.80, an increase of 31 cents over the previous year. An amount equal to the school fund was distributed to counties to absorb bonds for road building purposes.

For highway and school purposes alone, the Texas trucking industry last year paid taxes in excess of fourteen million dollars.

Newmoore Infant Died Saturday

The five-months old baby of Mr. and Mrs. Luther Lee Williams of Newmoore died at the family home in that community on Saturday night, after an illness of eighteen days. Death resulted from pneumonia.

Funeral services were conducted at Newmoore at 10 o'clock Sunday morning and the body was taken to Dunn, Scurry county, for burial Sunday afternoon, the parents having formerly resided there.

Little James Orville Williams was born on September 8, 1940, and was therefore less than five months old at the time of his death.

The parents have the deepest sympathy of many friends in this sad bereavement.

A homemaker can figure on about 12 servings from a pound of prunes.

Making Crop, Feed Loans Here

Emergency crop and feed loans for 1941 are now available to farmers in Lynn County, and applications for these loans are now being received at The First National Bank Building by Fred N. Warren, Field Supervisor of the Emergency Crop and Feed Loan Section of the Farm Credit Administration. Mrs. Lucille Knight Committee Clerk will be at the office each day to take applications.

These loans will be made, as in the past, only to farmers whose cash requirements are small and who cannot obtain a loan from any other source, including production credit associations, banks, or other private concerns or individuals.

As in former years, the money loaned will be limited to the applicant's necessary cash needs in preparing and cultivating his 1941 crops or in purchasing or producing feed for his livestock.

Borrowers who obtain loans for the production of cash crops are required to give as security a first lien on the crop financed or, in the case of loans for the purchase or production of feed for livestock, a first lien on the livestock to be fed.

PETTY 4-H CLUB MEETS

"Fruits should be included in the daily diet," said Miss Maurine McNatt, home demonstration agent, at the meeting of the Petty 4-H Club Tuesday, January 21, at the school. The new members were Lois June McClellan and Edith McClellan.

Elwayne Nevill, and Walthall Littlepage who recently enrolled at Randolph Field were home to visit their parents over the week-end. The boys are liking their work.

Tahoka Second In Ropes Tourney

Tahoka boys won second and Tahoka girls gave a good account of themselves in the annual Ropes basketball tournament held Wednesday to Saturday, inclusive, of last week. Thirty-two teams participated in this tournament, which has for many years been considered one of the best in West Texas.

The boys team lost to friendship 17 to 27 Saturday night in the finals, and therefore received the tournament trophy for second place. The trophy is a 20-inch bronze statuette mounted on an ivory base. Tahoka's ten squad members also received miniature silver basketballs.

Opening their tournament play, Tahoka boys met the strong New Deal team Thursday of last week. At the end of the game the score was tied at 34-34, but during the 3-minute extra period Tahoka came out on top 42 to 36. Much credit must be given to Owens, Tahoka diminutive forward, who was in the game only a short time, during which he shot 7 goals out of eight ties.

In the semifinals, the boys won over Meadow 26 to 25 in another hot contest. Coach A. L. Pace says the boys were just outplayed in the final game with New Deal. At that, though, there is little doubt but that Tahoka has one of the top teams on the South Plains this year.

Tahoka girls, coached by Hope Haynes, met with hard luck in their first game in drawing the strong New Deal team with New Homestead 14 to 9. Also, in the consolation game with New Home they lost by the narrow margin of 13 to 12. Though they lost at Ropes, Tahoka girls team is possibly the best this town has ever produced and likewise is one of the top girls teams of the South Plains.

The boys team is composed of Earl Adams and Truman Hines, guards; Roy Botkin, Clyde Owens, and Wayne Shawn, forwards; Floyd "Cotton" Davis, center, all of whom are starters; Kelly King and "Slick" Wells, guards; and Clyde Briley and Cecil Curry, forwards.

The girls traveling squad is composed of: Mary Louise McDonald, Mary Jo Anderson, Lenora Sargeant, and Carolyn Chandler, guards; Joan Owens, Kate McMillan, Nieto Stevens, Clara Jean Scruggs, Gladys Carter, Ima Lou Newman, and Dolly Gatzki, forwards.

AID TO ENGLAND

The American Legion Auxiliary held its regular fourth Tuesday business meeting at the Hall Tuesday at 7:30 P. M.

We voted to send Mrs. Wynn, Mrs. Richardson, Mrs. Hare, and Mrs. Patterson as delegates from our Auxiliary to the American Legion convention being held in Plainview February 8-9.

The Red Cross has offered the Auxiliary the opportunity to sponsor Lynn county's quota of finished garments and surgical supplies for English relief together with necessary articles needed for recreational centers in our own army camps.

The Legion Hall is headquarters for materials. They are furnished by the Red Cross. The Hall is open on Fridays 2:30 to 6:00 to any club or individual in the county wishing to help. We need all of you.

Let's be the first county in the district to complete our quota.—Auxiliary Reporter.

Mr. and Mrs. W. T. Kidwell went to Rochester last Sunday and spent several days in the home of his parents, Mr. and Mrs. O. L. Kidwell.

Mrs. Ed Hamilton underwent tonsillectomy Monday morning.

MISS WILLIE KING WEDS HART MAN

Although reported late to The News, a marriage of interest to friends here was the marriage of Miss Willie King, daughter of H. J. King of Dixie, to Fred Hankins of Hart. The wedding took place in the home of a Baptist minister in Plainview and was attended by only a few relatives and intimate friends of the couple.

The bride was a student in Wayland College, this being her second year there and has been active in religious work both there and here in her home county. The groom, we understand, has attended Wayland and is a Baptist minister. The couple will live on his wheat farm at Hart.

PRESBYTERIAN CHURCH

Rev. W. Bristow Gray will fill his regular appointment as pastor of the First Presbyterian Church next Sunday.

Sermon topic for the 11 o'clock service: "The Evangelistic Church." Topic for the evening service at 7:15: "What Man Is Best?" The public is cordially invited.

Among Lockney people here Monday attending the funeral services for Mrs. C. C. Barnes were Messrs. Clate and Hop Weathers, cousins of deceased, and Mesdames Matthews, Kendall, and childress, long-time friends of hers.

D. B. English returned Friday from Dallas, where he had gone to attend the funeral of J. I. Roberts, Manager of the National Theatre Supply Company, who was killed in an automobile wreck. Mr. Roberts was well known throughout the country in Motion Picture circles.

IVEY-OLIVER

Charles Oliver, son of Mr. and Mrs. C. T. Oliver, and Miss Bettie Lou Ivey, daughter of Mr. and Mrs. T. T. Ivey, popular young High School students here, accompanied by some of their friends drove over to Portales and were married on January 17, returning here to make their home.

BUSINESS WOMEN'S CIRCLE

Several young business women met in the home of Mrs. J. K. Applewhite Tuesday evening and organized a Business Women's circle of the Baptist W. M. U. Meetings will be held each Tuesday night.

Mrs. Applewhite was elected circle chairman and Miss Lorene Reese co-chairman. Following the business meeting a social hour was enjoyed. Sandwiches, hot punch and doughnuts were served to Misses Reese, Nell McLeary, Viola Ellis, Valerie Wells, Lou Verne DePriest, Robbie and Joe Belle Milliken, Mrs. Geo. A. Dale, and the hostess, Mrs. Applewhite.

THANKS

As it may be some time before we can thank our many friends personally for the cards, letters, flowers, and good wishes sent us while we were in the sanitarium, We are taking this means of saying "Thank

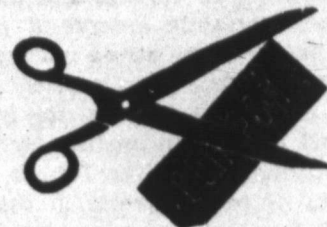

You"—Mr. and Mrs. H. B. McCord and H. B. Jr.

Mrs. Ruth Assiter, who has been ill for several weeks, finally developing a case of pneumonia, is said to have successfully passed the crisis.

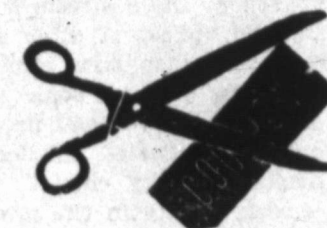

Mrs. R. H. Bates of New Home, who has been critically ill of pneumonia, is now recovering, to the delight of many friends.

Fred McGinty is being treated for a minor ailment in the Dupre Hospital in Levelland this week.

According to all signs, Adolf Hitler is now engaged in the task of benevolently assimilating Germany's former axis partner, Italy. Entering the war at the behest of Hitler by stabbing France in the back, Italy has met with defeat and disaster on every front. She threw an army into northern Africa with the purpose of mopping up on Egypt and seizing or rendering useless to Great Britain the Suez Canal; and a large part of her army has already been captured by the British and the rest of it is on the run. She invaded Greece, and so far the Greeks have whipped her to a frazzle. Only Germany's big war machine can save her forces in Albania from capture or total destruction. Instead of gaining mastery of the Mediterranean, her navy has tucked its tail and run for some port

every time a British ship has showed up. So, Hitler had a conference with Mussolini the other day. The world doesn't know what they talked about but our guess is that Hitler told old Mussi that if he couldn't do any better than that and had to have Hitler's help to save his skin every time he got into a fight then he expected to take charge and direct the fighting. At any rate, a few days ago, the controlled Italian press announced that henceforth Germany and Italy would act as one nation—and of course Germany will be that one. Already it has been asserted but denied that German troops have poured into northern Italy. It has also been reported and denied that there have been serious riots in Milan and Turin, industrial centers in northern Italy. Whether this is true or not, Hitler obviously is now pressing the buttons and turning on the power that makes of Italy only a puppet state of Germany. In other words, after administering a soothing anesthetic to make his political demise as painless as possible, Hitler has led old Mussi to the hot chair, and now we are witnessing his political execution. "Heil Hitler!"

Senators Wheeler and Nye want the United States to demand that the warring nations of Europe shall make public their war aims. If the Senators don't know, we believe that almost any country editor could enlighten them. Germany's aim is to finish gobbling up Europe, plant one foot on the heart of Africa and the other on the heart of Asia and dominate the entire Eastern Hemisphere, blast all Gehenna out of England and then take over or destroy her powerful navy, dismember or swallow up piece by piece the great British Commonwealth of nations, fill the countries of South America with their Hitler Hellers and tell the governments of those countries

where to head in, raise the Swastika over every land and on every sea, and then tell the United States to go jump in the lake and shoot it full of holes as it jumps. That's the "New Order" that Hitler hopes to set up in the world. England's war aim, if we understand it, is to fight like a demon to save its skin. If Senators Wheeler and Nye can not understand our slang, we'll be perfectly willing to explain it to them in plain English.

Mayor Deen Nowlin and our city council certainly deserve a pat on the back for the street paving campaign that has been carried almost to a conclusion. The hot tip is to be placed on the unfinished paving in the spring. This gives Tahoka many blocks of paved streets in the residential section and a number of additional blocks of paving in the business district; all of which is a great convenience to our citizenship and a great asset to the town. Furthermore, it enables the city council to use the funds formerly required for the upkeep of these streets for the grading and upkeep of other streets in the town. Just now some fine work is being done on some streets that heretofore have been necessarily somewhat neglected. All honor to our mayor and city council, whose pay consists mostly in the praise or the cursing that they may get. And, lest you may have forgotten, our city council consists of the mayor and the following councilmen: Dr. K. R. Durham, Joe Bovell, W. O. Thomas, N. C. Rainey, and A. J. Mullins.

Certain individuals and organizations in this country profess to be greatly alarmed at the prospect of our President becoming a dictator over the people of this country when there is no possibility for him to become such, but they seem little concerned over the ambition of dictators in Europe who have drenched that continent in blood, subdued already almost a dozen unoffending nations, and have expressed the purpose of setting up a "new order" in the world, a purpose which can mean nothing else than the use of every power at their command to extend their sway throughout the world. This they propose to accomplish by propaganda, by deception, by threats, and by force when that is deemed necessary and advisable. We are not afraid of any President in this country seeking to become a dictator; what we fear is the machinations, the ambition, and the perfidy of dictators in Europe who, unless stopped, will in time give us plenty of trouble.

Whatever we may think of the ability of Wendell Willkie and whatever we may have thought in the recent political campaign about his fitness for the office of President, it must be said that he is not showing the short-sightedness and cussedness of some of the Republican leaders. He is big enough and honest enough to put his country above any party and to give his whole-hearted support to President Roosevelt in his endeavors to give all possible aid to the democracies of Europe who are now in such dire peril from the dictators and the plunger-bund nations of Europe and Asia. We are gratified that Mr. Willkie has gone to England to get some first hand information and to assure that country that the United States is going to give it "all the aid possible in its struggle for free men all over the world".

For about the sixteenth year Lubbock was recently adjudged the cleanest city in Texas. That is a record of which any city or town should be proud. Tahoka does not have the same neat and clean appearance that it has had in times past. With our new paving in business and residential districts, Tahoka could easily be made and kept one of the cleanest and neatest towns in all this section. Let's do it, folks. Property owners, and especially vacant lot owners could help a lot.

One tree can make a million matches; one match can destroy a million trees.

Need Laxative? Take All-Vegetable One

Don't let impatience lead you into harsh measures for the relief of constipation!

There's no use, for a little spicy, all-vegetable BLACK-DRAUGHT, taken by simple directions, will gently persuade your bowels.

Taken at bedtime, it generally allows time for a good night's rest. Morning usually brings punctual, satisfying relief from constipation and its symptoms such as headache, biliousness, sour stomach, no appetite or energy.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative" which helps tone intestinal muscles. 25 to 40 doses, only 25c.

Dodge A Winner On All 6 Counts

We asked 5,000 Dodge Buyers to wire what they like most about their New Dodge

Read their praise of Fluid Drive® and other Dodge Features

AFTER all, there was only one sure and convincing way to find out what owners like most about their 1941 Dodge...and that was to ask them! So that's exactly what we did.

And what a response we got! Hot off the wires...from all over America...came hundreds of enthusiastic telegrams!

Just listen to this typical wire from New York... "Delighted with my fifth

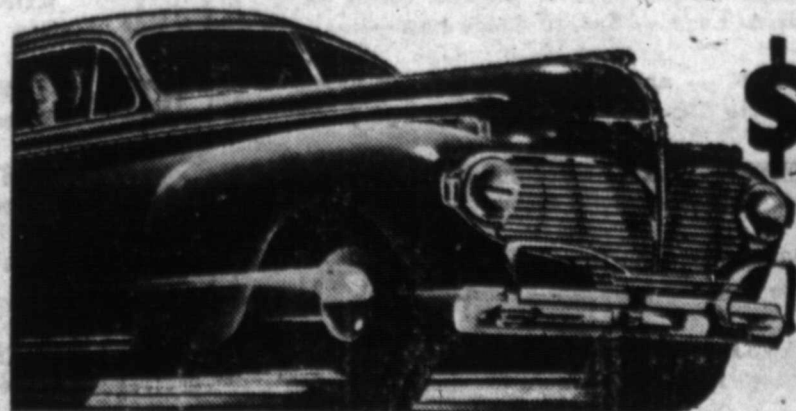

Dodge...certainly got my money's worth in this big car...Dodge Fluid Drive is great stuff. Nothing like it in city traffic."

These Dodge owners told us 6 vital ways in which Dodge leads in 1941! Here they are...Velvet-Smooth Ride...Genuine Hydraulic Brakes...Beautiful Lines...Fluid Drive...Ease of Handling...World Famous Economy. And all these are for only a few dollars more than for low-priced cars!

Why don't you try a Dodge Fluid Drive tomorrow? Then ask your dealer about the Easy Budget Terms.

METHODIST CHURCH

We wish to thank the large congregation that filled the auditorium and overflowed into the balcony Sunday evening when the McMurry Chanters sang. Last Sunday morning the congregation showed a most welcome increase. Now that we have shown what we can do and how good it makes us feel when we get together in large numbers, let us resolve to be there each Sunday. We call your attention to the well manned Sunday School awaiting the faithful attendance of each of you.

A meeting of the Board of Christian Education and Workers Coun-

cil last week was followed by a Christian Workers Institute Monday evening. The Rev. W. E. Hamilton and Rev. I. E. Walker accompanied by our Presiding Elder O. P. Clark showed us where we are still lacking in doing our full part in the work. We are resolved to take our work more seriously and strive to build up our attendance as we increase our effectiveness.

Services at 11 and 7:15 Sunday as usual.
Mr. and Mrs. Jack Minor of Seagraves spent Sunday and Sunday night with relatives here.

FOOD CONSERVATION IS DISCUSSED WITH WAYSIDE CLUB

"To preserve the nutrition values is a job for a nation of people and in it there is a job for each of us", stated Miss Maurine McNatt, home demonstration agent, at a meeting of the Wayside Home Demonstration Club at the home of Mrs. R. W. Jackson January 23, with one visitor and five members present.

"We can work for low cost ways of selling milk and fruits and vegetables so that those who have to pinch can buy a greater abundance of them."

"We can support the Food Stamp Plan now in 150 cities, and help needy families to use and understand it."

"We can grow foods that we can not buy, preserve the foods we can not immediately use, and plan for balanced meals throughout the year."

"We can urge our merchants to sell Government-graded foods; we can also know what our local, state, and national governments are doing to help get safe meats to more people."

Mrs. Doris Lee and Mrs. Leon Jennings were elected president and vice-president respectively to take the places of the president and the vice-president who have moved away.

SURPRISE BIRTHDAY PARTY

"Happy Birthday to You", sung by about 35 children and adults greeted Miss Elizabeth Preston when she returned home from a visit Tuesday evening. Unknown to Miss Elizabeth these friends had gathered with gifts and a big birthday cake to express their good wishes to her. Several who could not attend sent gifts.

After the gifts were opened and admired by all, refreshments were served, then Miss Elizabeth took her place at the organ and the group spent some time singing hymns.

Those attending included: Misses. Ella Davis, H. L. McMillan, C. F. Latham, G. Pennington, J. L. Jolly, Norman Warren, E. I. Hill, G. W. Simmons, Beula Atkins, Chester Connolly, Mrs. Charles Terry, Mrs. Othell Freeman and Mrs. Moore, E. B. Galtner, T. B. Burrough, J. M. Scott, A. P. Reagan, Misses Mary Preston, Joyce Jolly, Floyce Sherrod, and Elizabeth Preston; Messrs. J. M. Scott, A. P. Reagan, E. B. Galtner, Othell Freeman, William Paul Bennett and Bentley Jr., Gwendolyn and Wanda Galtner, Carl Lee and Norman Dewey Warren, H. L. Carl Henry and Jimmy Ray McMillan, Maurice and Darrell Reagan.

CARD OF THANKS . . .

We wish all our friends to know that we keenly appreciate all the countless kindnesses shown Mrs. Barnes during her long illness and the numerous tokens of love and esteem for her expressed in word and deed when she passed away. We can never forget the faithful ministrations of physicians and nurses and friends. We thank you all—C. C. Barnes, Mr. and Mrs. R. W. Fenton Jr. and daughters, Clarence N. Barnes and family, Mrs. E. N. Weathers and the sons and daughters.

MISS PRESTON THANKS FRIENDS

Words cannot express my gratitude for the lovely gifts and the sweet spirit that my friends and neighbors have shown in remembering me on my birthday. May God bless you, one and all. Sincerely, Elizabeth Preston.

Miss Melba Evans will enter Texas Tech as a freshman at the second semester Monday. She plans to major in business administration.

Mr. and Mrs. Ira Doak of Amarillo and their daughters were here Monday attending the funeral services of Mrs. C. C. Barnes.

Way "Build-up" Helps Will Interest Women

The cause of a woman's periodic suffering from headache, irritability, cramp-like pain, may be functional dysmenorrhea due to malnutrition, a condition that is often helped by CARDUI.

Principal way CARDUI helps is by stimulating appetite and the flow of gastric juices. Thus it may aid digestion; help build up a woman's strength, energy and nerve-force; so increase physical resistance to periodic discomfort.

It also helps reduce periodic distress for many who take it a few days before and during "the time." Your confidence in CARDUI is invited by its 50 years of popularity.

Judge Reed Speaks To B - P Women

Judge Louis B. Reed of Lamesa was guest speaker Tuesday night when the Tahoka Business and Professional Women held their monthly dinner meeting in O'Donnell. His subject was "Legislative Procedure".

After explaining that having no experience in legislation himself he therefore felt unqualified to speak on the subject, Judge Reed proceeded to deliver a most instructive lecture.

This was the second guest lecture to the club this year on governmental problems. The year's study topic is "Business Women in a Democracy".

Other guests present were Mrs. Reed, Mrs. Sloan of O'Donnell, and Mrs. J. W. Griffith of T-Bar.

EASTERN STAR

Paying her "official visit" to the Chapter, Mrs. Alice Mae Stewart of Slaton, District Deputy, saw the local chapter initiate 4 candidates into the Order last Friday night. Tahoka Chapter now has 70 members, the greatest number at one time since its organization in December, 1923.

Visitors were present from both Slaton and Post.

A gift from the Chapter was presented a long time member and Past Worthy Matron, Mrs. Loreta Story, who is moving to Austin, January 31.

WETSELS HOLD FAMILY REUNION

Mr. and Mrs. Jim Wetsel went down to Penwell Sunday, where their family held a reunion in the home of a daughter and husband, Mr. and Mrs. P. A. North. Also present were Miss Margaret Wetsel and Mr. and Mrs. Don Tackett of Odessa.

MISS McNATT SPEAKS ON GUIDANCE PROGRAM

By Iris Dean Cade
Miss Maurine McNatt, home demonstration agent, was guest speaker of the Junior class guidance program Wednesday, January 29, in the high school auditorium from 9:00 until 9:45. Her talk was based on business, personal, and social etiquette.

Introduction at dances, dinners, in a group, introducing oneself, dates made by telephone, returning gifts, how to dress when applying for a job, and how to collect a bill, were discussed.

Miss McNatt stated that etiquette is merely good common sense and it

simplifies the rightness and fitness of things.

Members of the senior class were guests of the juniors.
Junior class sponsors are Mrs. Pauline Walker and Mr. Leslie Browning.

METHODIST FORWARD MOVEMENT IN EVANGELISM AND MISSIONS

During the month of January there were held in Lubbock two conferences which were part of the church-wide movement to extend the borders of the Kingdom both at home and abroad. The missionary conferences in North West Texas Conference accepted as a special over and above their regular acceptances on benevolences the support of the training among the various classes of the local Church Schools. The departments in Tahoka Methodist school will be asked to have some part in this work which is dependent upon the generosity of our Conference alone.

The high point in the conference was reached this past week-end in Lubbock First Church when the workers of Lubbock District were inspired by the forceful speeches and evangelistic fervor evidenced by each of the speakers in this conference. Dr. O. P. Clark opened the first session and was followed by Mr. Harry Denman, a layman, and former assistant to Dr. Geo. Stuart of Birmingham, Ala. The unconventional style and complete mastery of the assembly both in speaking and conducting the open forum of discussion was much in evidence while Mr. Denman was in charge. The main contribution he made was in urging upon us the necessity of personal evangelism which he brought home to our hearts and consciences by relating his own personal experiences.

Bishop Holt proved himself still to be worthy successor to the prophets by summing up world conditions and the best methods of reaching the spirit of this age for Christ. Dr. Roy Langston said we must take the church to the people, showing by his own experience how this can be done successfully. Rev. I. E. Robinson of First Methodist Lubbock also brought us a helpful message, and Rev. Finis Crutchfield of Vernon inspired us still more. Many went away from these Conferences inspired to more sacrificial service, and after having received a blessing that enabled them to consecrate their services more fully unto the Lord.

The Evangelistic conference was attended by the following from Tahoka: Geo. E. Turrentine, pastor, W. E. Suddarth, W. E. Smith, W. S. Anglin, Mrs. W. E. Smith, Mrs. R. H. Gibson, Mrs. W. D. Smith, Mrs. J. D. Donaldson and Mr. and Mrs. J. C. Wood.

CARD OF THANKS . . . With the deepest sincere thoughts, we thank each and every one for the help and kindness shown us during the sickness and death of our dear wife and mother; also for the beautiful flowers which words are too few to express. May each be blessed as you go on.—M. L. Short, Cleveland Short and family and Bert Short and family.

Among those here for the funeral of Mrs. C. C. Barnes last Monday were Mrs. G. E. Lockhart, Mrs. J. B. Walker, and Mrs. C. M. Whipp of Lubbock.

NEW LYNN 4-H CLUB MEETS

"Every person should include a leafy green and yellow vegetable in the diet every day," Miss Maurine McNatt, home demonstration agent, told members of the New Lynn 4-H Club Thursday, Jan. 23, at the school.

"Leafy green and yellow vegetables contain vitamin A, which is needed to protect the eyes, nose, and throat. The leafy green, and yellow vegetables are: lettuce, asparagus, English peas, greens, carrots, pumpkin, and yellow squash."

The following members were elected: President, Lois Dean Jester; Vice President, Iva Jeanne Steele; Secretary, VaNell Walker; Garden Fruit Demonstrator, Oleta Gary; Yard Demonstrator, VaNell Walker. There were nine member present.

WARRICKS RETURN FROM RIO GRANDE VALLEY

Mr. and Mrs. J. W. Warrick of Grassland returned Tuesday from Harlingen in the lower Rio Grande valley, where they have spent the last two months or more wintering. Mr. Warrick says that the valley had a terrible overflow shortly after they arrived there and that he had learned that it had another almost immediately after he left.

While Mr. Warrick thinks that is a wonderful country, he did not invest in any property while there. He says the citrus fruits certainly do grow fine when the orchards get plenty of water at the right time.

The News this week received a communication from Miss Argen Hix, who recently went from here to Levelland as Home-Makers Supervisor for Hockley county, advising that she greatly missed the first issue of the News after her departure from Tahoka, which failed to reach her. Miss Hix is very appreciative of the courtesies and cooperation given her here and she likes Lynn county. We are sure that she will promptly win the same cooperation from the people of Hockley county, longer.

If she hasn't done so already. Her work here won universal commendation.

Mr. and Mrs. M. C. Richey of the Grassland community have been at Harlingen in the Valley several weeks, where Mr. Richey is helping to take care of his brother, M. W. Richey, who is critically ill. The prospects are that they will remain there at least two or three weeks longer.

Tahoka Entrants In Golden Gloves

(Exclusive To The Lynn Co. News)
LUBBOCK, Jan. 29.—The fifth annual Lubbock District Golden Gloves tournament will get under way Wednesday night (Feb. 5) at the Cotton Club, four miles from Lubbock on the Slaton highway.

Lynn county fight fans who saw the recent Tahoka Invitation tournament bouts will not want to miss the district tournament, for all the champions and many of the defeated boxers who staged such a swell show at Tahoka, will be entered in Lubbock, battling with boxers from all over the South Plains for the eight championships and the right to enter the state meet at Fort Worth.

The eight Tahoka champions entered in the Lubbock meet are: Rhea "Fats" Mitchell, Texas Tech, heavyweight; J. B. Florence, Draw, Light heavyweight; Jack Lovin, Texas Tech, middleweight; Junior McLaurin, O'Donnell, welterweight; Harry Bell, Slaton, lightweight; G. W. White, Tahoka, featherweight; Red Hightower, Texas Tech, bantam weight; and Wayne Townsend, Slaton, flyweight.

In addition, the following Lynn county boxers have indicated they will enter: Ralph "Sonny" Kaiser, flyweight from O'Donnell and Sport Pendleton, also a flyweight, from T-Bar.

Several other Tahoka and Lynn county boxers, including some who made good showings in the tournament there but failed to win championships, are expected to enter the district meet before fight time.

Tickets for the three-day district tournament are on sale in Lubbock at the Avalanche-Journal, A. & L. Drug and Hotel Lubbock Drug. Reservations by phone, wire or mail will be accepted at the Avalanche-Journal.

Boys who plan to enter the tournament should send in their entries to Golden Gloves editor, Avalanche-Journal, Lubbock at once if they have not already done so.

All fighters are to meet at the downtown gymnasium in Lubbock, 1014 Broadway in the building formerly occupied by Sherrod Hardware, at 3 o'clock Wednesday afternoon.

The tournament was originally scheduled to begin Feb. 6, but dates

D. W. Gagnat To Bring New Hollywood Picture To Tahoka

"MELODY COMES TO TOWN" Will Be
Big Attraction In Farmer Day Program

Free to farmers, in this and neighboring communities, is the big John Deere Day Movie Program to be held in Tahoka on Thursday, February 6.

According to D. W. Gagnat, local John Deere dealer, this year's John Deere Day Movie Program will appeal to every one who has anything to do with farming. Mr. Gagnat extends a cordial invitation to every farmer, farmer's wife, and farm boy to come to this big day of entertainment and education.

The main attraction, "Melody Comes to Town," as a sparkling, all-talking picture with a popular Hollywood cast. It's an appealing story of a rural community rallying to the

support of a worth-while cause. Packed with sentiment, laughs, and thrilling music, this heart-warming picture will long be remembered by those who see it.

The capable cast includes lovely Jean Parker, who plays the part of Melody, and her troupe of charming girl musicians. Jackie Moran... Edward McWade... Sarah Padden... Joe Brown Jr... Natalie Moorhead... Frank Faylen... Charles Phipps... and stuttering Roscoe Ates.

In addition to "Melody Comes to Town," four other new, all-talking pictures will be shown. They include "The Road to Happiness"—an inter-

esting story of John and Claire Blane, a typical small-farm couple who eliminated many long, hard hours of work and found a new happiness in farm life... "The Sheppards Take a Vacation"—an educational picture depicting the change in harvesting methods that's taking place on small and medium sized farms throughout the country... "The Control of Quality"—an enlightening picture that takes you "behind the scenes" in the building of modern farm tractors... and a short news reel of "What's New in Farm Equipment for 1941."

A according to Mr. Gagnat, admission to the John Deere Day Show will be by ticket only. Any farmer who has not received tickets can get them by inquiring at his store before the day of the show.

car was completely wrecked and turned upside down over him. Alec managed to crawl out with only some bruises and a gasoline bath. It seems almost miraculous that there was no fire. Alec and his father-in-law, Mr. Riley are working on the Army Camp at View. Mrs. Alec Nevill accompanied them and remained with her husband and father.

Formby Is Given Committee Places

AUSTIN, Jan. 29.—Eleven Committee appointments for the session of the 47th Legislature have been assigned to Senator Marshall Formby of this District. The assignments were made by Lt. Governor Coke Stevenson.

Senator Formby of McAdoo was named as a member of the highly important Finance Committee, one of the two most important Committees in the Senate. The Finance Committee, known as the Appropriations committee, passes on appropriations for schools, colleges and other appropriations for the entire State.

Governor Stevenson appointed Formby, who is not an attorney, but 160-acre farmer, as Chairman of the important Committee on Stock and Stock Raising, and as a member of the Agriculture committee.

Other Committees Formby was named on besides Finance, Stock and Stock Raising, and Agriculture, include Contingent Expense, Counties and County Boundaries, Criminal Jurisprudence; Vice Chairman of the Federal Relations Committee; Public Building and Grounds; Public Debts, Claims and Accounts; State Institutions and Departments, and Penitentiaries.

Senator Formby recently was honored by being appointed on the Inauguration committee and by being appointed by the Dean of the Senate on the Patronage committee in the Senate.

Our good friend O. B. Davis, who lives several miles out on the Lubbock highway, dropped in Monday to set his figures a year ahead and to give the editor a friendly poke or two in the short ribs. O. B. may get off the right track politically a little bit now and then but he is one of Lynn county's best citizens. We need still more of his kind.

Harry Slattery, national administrator for the Rural Electrification Administration, has written a book titled "Rural America Lights Up."

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables functional dysmenorrhea to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI's principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

MISS McNATT DISCUSSES FRUITS IN THE DIET

"Each person should have 300 pounds of fruit per year", stated Miss Maurine McNatt, home demonstration agent, at the Tahoka 4-H Club Wednesday, Jan. 22, at the grade school.

"This would amount to about fourteen servings per week. Garden fruits, which include watermelons, cantaloupes, rhubarb, and tomatoes, grow well in this county. To obtain the quantity of these fruits, the farm fruit plot should include the following plantings per acre: 200 tomato plants, ten hills of cantaloupes, twelve hills of watermelons, three rhubarb plants."

There were 39 members present. The club will meet January 29 with the sponsor, Mrs. A. L. Pace, in charge.

BAPTIST W. M. U.

At a business meeting at the Baptist Church Tuesday afternoon the Baptist W. M. S. committee made reports and made plans for an all day meeting for the purpose of study. On Monday, February 16, an all day meeting will be held in the Church when "Trail of Seed" will be studied.

The Southwestern Exposition and Fat Sock show at Fort Worth next March 7-16 will offer livestock prizes of \$31,760.

CARD OF THANKS...

We wish to thank our neighbors and friends for the many acts of kindness and favors, expressed in any way during Mrs. Bates' recent illness. Especially do we wish to express our gratitude to Dr. Sinclair for the kind and courteous services rendered.—Mr. and Mrs. R. H. Bates and son.

Mrs. I. M. Draper has been slightly indisposed the past few weeks.

Halsey Is Given Committee Places

AUSTIN, Jan. 28 (Special).—Appointments to membership of four committees was received today by State Representative Hop Halsey of Lubbock, representing the ninth county 119th district in the House of the 147th legislature.

Committee announcements were made this morning by Homer Leonard, of McAllen, speaker of the House.

Halsey, although a freshman member of the House, drew three particularly important committee assignments, including the powerful Committee on Appropriations which allocates funds for all state institutions. His other three committees will be Highway and Motor Traffic, Legislative and Congressional districts, and Public Health.

Of Particular Importance

Of particular importance to Halsey's district are the committees on Appropriations, Highway and Motor Traffic and Legislative and Congressional districts. The young representative already has a bill in the hopper calling for legislative redistricting essential to giving West Texas a fair representation in the legislature. At present, West Texas especially Halsey's home district, is badly discriminated against in the matter of representation.

With a change in truck laws in the office, the Committee on Highway and Motor Traffic will be one of the busiest, "on the hill," observers here believe.

NAZARENE SERVICES ANNOUNCED

Mrs. K. Hawley Jackson of Kansas City, Mo., who has traveled all over the United States and many foreign countries, will be heard at the Church of the Nazarene here Sunday night, February 2. Everybody invited to attend.

Also it has been announced that the Lamesa Zone will hold an all-day meeting Saturday of this week at O'Donnell. Rev. John L. Knight of Abilene and Mr. and Mrs. K. Hawley Jackson will be the principal speakers at this meeting.

DRAW YOUTH GOES TO THE PHILIPPINES

Woodward Moore, son of Mr. and Mrs. L. D. Moore residing three miles west of Draw, was accepted for service in the army for a period of three years Thursday. He will be 19 years of age Sunday.

He was assigned to the Coast Artillery and was sent to San Francisco, where he will embark soon for the Philippines.

BAPTISTS AT NEW HOME HAVE NEW PASTOR

Rev. Collin Webb, late of Monument, New Mexico, has accepted the call of the Baptist Church at New Home.

He moved into the Church Parsonage on Monday of this week and began work immediately.

MOYERS-WALLER WEDDING (Delayed)

Mr. Leroy Moyers and Miss Lula Margaret Waller were united in holy matrimony at the Methodist parsonage at Draw on January 8 by the pastor, Rev. Jesse E. Young.

Leroy is the son of Mr. and Mrs. A. H. Moyers, who have lived in this community several years. Leroy is one of the community's outstanding young men, being a good farmer, a musician, and a lover of his community and church, ready at any time to answer the call of his church.

Margaret is the daughter of Mr. and Mrs. Waller who live in the community southwest of O'Donnell. The Draw community gives her a hearty welcome, as they are to make this their home. We wish them a long, happy, and successful life.—Contributed.

Dr. A. B. Conner, director of the Texas Agricultural Experiment Station, will be honored by the Southern Agricultural Workers' Association at a banquet in Atlanta, Georgia early in February.

Congratulations

Horn to Mr. and Mrs. Boswell Edwards in the Lubbock Sanitarium at 5:30 o'clock Thursday morning a boy, who has been named Lowrey Strain.

Slaughter supplies in the fed-lamb marketing season this season may show a moderate increase over last year's market during the December-April season, according to the Bureau of Agricultural Economics.

People of Gilmer and Upshur County have already a site of 26 acres for construction of a REA generating plant which would energize lines in approximately 35 East Texas counties.

NEW BOOKS RECEIVED BY THE LIBRARY

"The Life of William Lyons Phelps" has been donated to the Lynn County Library by Mrs. Bess Hall Pearce of Abilene and Mrs. Miriam Hall Lismann of Dallas in memory of their aunt, the late Mrs. T. M. Dobbins of Roscoe. Mrs. Dobbins was the mother of Mrs. G. M. Stewart, a leader in the local library movement.

Other new books at the library are: King's Row by H. Bellaman, Rehearsal by F. Paxson, Gypsy by R. Godden, For Whom the Bell Tolls by E. Hemingway, Fielding's Folly by F. P. Keyes, On the Long Tide by K. Roberts, Stone of Chastity by M. Sharp, and Rescue of Captain Leggatt by H. M. Townsend.

VEGETABLES IN DIET STUDIED BY NEW LYNN CLUB

"A vegetable salad should be attractive, appetizing, and crisp," stated Miss Maurine McNatt, home demonstration agent, at the New Lynn home demonstration club on January 28 in the home of Mrs. P. K. Fleming.

"The vegetables in the salad should be colorful. In order to get the distinct flavor, it's best to use not more than three vegetables. These materials should be cut or diced in large pieces rather than shredded. Bacon fat and lemon juice are inexpensive dressings and are liked by most family members."

Mrs. Alton Fleming volunteered to be Food demonstrator.

There were ten members and two visitors, Miss Mezzie Mae Baker and Mrs. John Fleming, present.

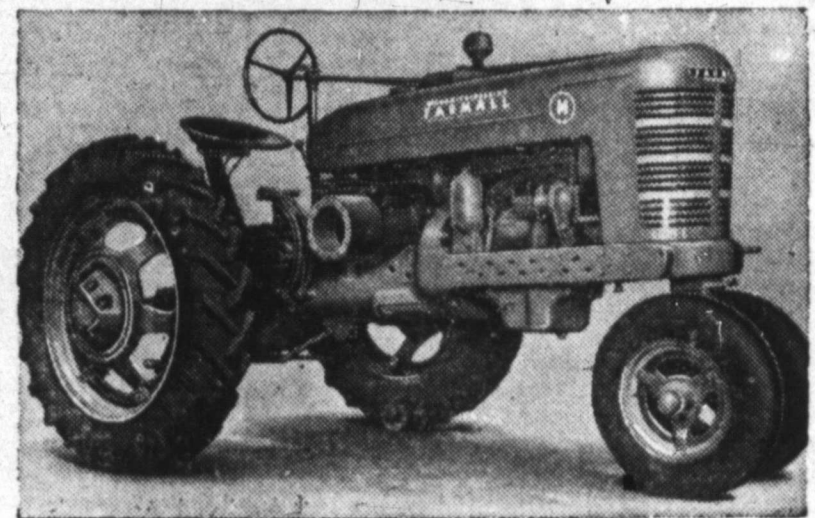

The club will meet with Mrs. Newman Bartley on February 4.

Mrs. H. B. McCord, who underwent a most serious operation in the Lubbock Sanitarium a few weeks ago and who was so critically ill for a number of days, is said to be steadily improving at her home here. She was brought home from the hospital more than a week ago and is now beginning to sit up.

Mr. and Mrs. Ronald Sherrill and Mr. and Mrs. H. T. Loyd spent the week-end in Carlsbad, going through the cavern Sunday and returning home Sunday night.

Odds and Ends See Eye, the Elder

Strange as it may seem, there was one full term during which the United States did not have a Vice-President.

Franklin Pierce of New Hampshire and William Rufus King of Alabama were Democratic running-mates for President and Vice-President respectively in the November election of 1852, and the Democratic electors received a vast majority of the vote cast. Thereafter, these electors met at the proper time in accordance with law and cast their votes for Pierce and King.

But before inauguration day arrived, according to the best authority available, King died. He was never inaugurated as Vice-President. In such case, the Senate elects a President Pro Tempore and proceeds with its business. But such officer does not bear the designation of Vice-President, and thus for four full years during the Pierce administration the country managed to get along without a Vice-President.

At first blush it would seem that there must have been something incongruous in a team for the Presidency and Vice-Presidency made up of two men coming from two strongly antagonistic sections of the country, one a "blue-bellied yankee" from New England and the other a native son of the deep South, at a time when the passions that brought on the Civil War were being fanned into flame. Frank Pierce was born and reared in New Hampshire, and Bill Rufus King was a Tar-Heeler by birth and an Alabamian by adoption.

But contrary to the general impression that now prevails, a big minority in the North were not Abolitionists and many of them never became Abolitionists until the war broke out; and likewise, a powerful minority in the South were not Secessionists and did not become Secessionists until their respective states seceded.

In 1852 the Wings and Union Democrats still constituted a big majority in the South.

Franklin Pierce of New Hampshire was a States Rights Democrat who was more in sympathy with the pro-slavery Democrats in the South than he was with the Abolitionists in the North, and William Rufus King was an ardent supporter of States Rights but he also loved the Union and was willing to go far to extinguish the spreading embers of Secession.

Neither the Abolitionists in the North nor the Secessionists in the South had become strong enough at that time to offer formidable opposition, and so the Democratic ticket was elected by an overwhelming majority.

Almost forgotten throughout the country now except perhaps in his immediate section, William R. King nevertheless was a mighty man in the councils of the nation in his day. He was a brilliant youth.

Born in 1786 in North Carolina, he had graduated at the University of North Carolina, had studied law and been admitted to the bar, and was elected to the legislature before reaching his twenty-first birthday. It is presumed that he had become twenty-one before the legislature met.

At twenty-four, he was elected to Congress, although the Constitution requires a man to be twenty-five years of age before he is eligible to sit in that body. Six years later, he became secretary of the United States legation in Naples. Soon he was transferred to St. Petersburg, now Petrograd, as secretary of the U. S. legation there.

At 32 he returned from St. Petersburg. Attracted by the lure of the rich cotton lands of Alabama just then being settled, he acquired a plantation down on the Alabama River near Selma and became a cotton farmer. Of course he had his slaves. He had been in Alabama scarcely a year when that state was admitted into the Union, December 1819, and he was elected one of the United States Senators. He had been a member of the convention that framed the Constitution of the state. He seems to have remained in the Senate continuously until 1844, being a contemporary with Calhoun and Webster and Clay, and he was an active participant in the stirring debates that were heard in the upper house of congress during that period.

Then he was sent as minister to France to persuade that country to raise no objection to the admission of Texas into the Union, as it was feared she would do, and his mission seems to have been successful.

When William Yancey of Alabama, the greatest orator of the South in his day, began to fan the flames of secession, King favored a more conservative course, and he and those of the same mind were still in the ascendancy in Alabama and throughout the South when the Democratic convention met in Baltimore in June, 1852. Pierce was nominated as a dark horse for the Presidency and King seemed to be the logical man as his running-mate. So King was nominated, and the ticket was overwhelmingly elected in the fall.

A very distinguished statesman was William Rufus King of Alabama, but he died before inauguration day on March 4, 1853, and the country had to struggle along without a Vice-President for the next four years.

SOUTHERN COOKING

DOLLY VARDEN CAKE
Cakes that melt in your mouth are almost synonymous with Southern cookery. At meal time on old plantation homes it was a frequent occurrence to find half a dozen varieties of cakes on the table. Here is one of the best of them—
Dolly Varden Cake

2/3 cup margarine
2 cups sugar
3 eggs
3 cups flour
2 teaspoons baking powder
1 cup milk
1 teaspoon vanilla flavoring
Cream the cottonseed oil margarine, add the sugar gradually and cream well. Add well-beaten eggs, and mix thoroughly; add flour, sifted with baking powder, alternate with milk. Add flavoring. Divide the batter into two parts. Bake one-half of the batter in two 8-inch layers. Into the other half mix the following ingredients:

1 tablespoon molasses
1 teaspoon cloves
1 teaspoon nutmeg
2 cups chopped raisins
1 teaspoon cinnamon
nuts if desired
Make two 8-inch layers of this batter and when baked put the dark and light layers together alternately with white icing. Yield one 4-layer cake.

Boy Scouts Will Celebrate Birthday

Boy Scouting's 31st birthday, to be celebrated February 7-13, will give action to the 2200 Boy Scouts and Cubs of the South Plains Council, comprising 20 counties, L. R. Grimes, council chairman, said today. "Actually February 8 Scouting will be 31 years old."

All over the council Troops, Packs and communities will commemorate the founding of Scouting in America with pot-luck dinners, banquets, parent meetings, Courts of Honor, programs and the like.

On February 8, at 6:30 p. m. central standard time, President Roosevelt will speak from the White House to the 1,600,000 men and boys in Scouting and all the nation in his annual talk. With him will be Dr. James E. West, chief executive, and Walter W. Head, president of the Boy Scouts.

That day, Saturday will be a big day for South Plains Scouts. In most every town, Scouts will "take over the reins of the city" in handling the government, learning by doing. Many gatherings will be held to hear the nation-wide broadcast over NBC, CBS and MUTUAL. Sunday, February 9, is Scout Sunday during which time Scouts and Cubs will attend church in units. Sermons will be built around the Scout theme.

The council has urged Courts of Honor, school, civic club programs and the adoption of the Troop and Pack Pledge for 1941, which pledge the unit sets up goals to shoot at during the year. Troops and Packs fulfilling all requirements will be awarded plaques and the Scoutmaster Cubmaster and wife will be guests at the 1942 Annual Council banquet.

Lubbock's big pot-luck dinner, sponsored annually by the Optimist Club, will be staged February 10, Monday at the old city auditorium with 1250 persons expected. Others will be held also.

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lazy bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

BOXING ...

(Continued from Page 1)
Friday Night

Rae (Fats) Mitchell, Lockney won the heavyweight championship by a technical knockout over Jesse Ramsey of Littlefield in the third round.

J. B. Florence of Draw won the light heavyweight championship by decisioning Woody Culpepper of Littlefield.

Jack Lovin, Lubbock, won a TKO over Red Lytle, Morton in a semi-final bout, and won the final bout by default from John Taylor of the Littlefield CCC.

Junior McLaurin, O'Donnell, won the decision over Dale Odam, Lubbock High quarterback in the welterweight finals.

Slaton's Bell won the lightweight title by forfeit from Roy Adams, also of Slaton, who had registered a technical knockout over Sidney Keeton, Lubbock, earlier.

Red Hightower won the night's final bout by the TKO rout over O'Donnell's Melvin Proctor. Proctor had earlier in the evening knocked out Buster Driver in the first round. Hightower had won a decision over Albert Mills in the semi-finals.

G. W. White, Tahoka, won the bantamweight title by winning over P. Yenez, Littlefield CCC. Earlier in the night G. W. had eliminated W. D. McCarty, Littlefield, district bantamweight champion. White's superior boxing skill was the determining factor in both fights.

In the flyweight finals, Wayne Townsend, Slaton, barely managed to win a decision over another fine Tahoka boxer, Robert Warren. Previously in the evening, Townsend had decisioned Sport Pendleton of T-Bar, and Warren had eliminated Sonny Kyser of O'Donnell.
