NUMBER 22

## Ochiltree County Citizens Will Vote This Saturday On Road Tax Question

### Polls Open At Ten Precincts In County

Polls will be open from 8 a. m. to 7 p. m. in all ten voting precincts in the county Saturday for the road tax election. The question is whether the county shall be able to levy a tax of 30 cents on each \$100 valuation for building and maintaining farm-to-market roads.

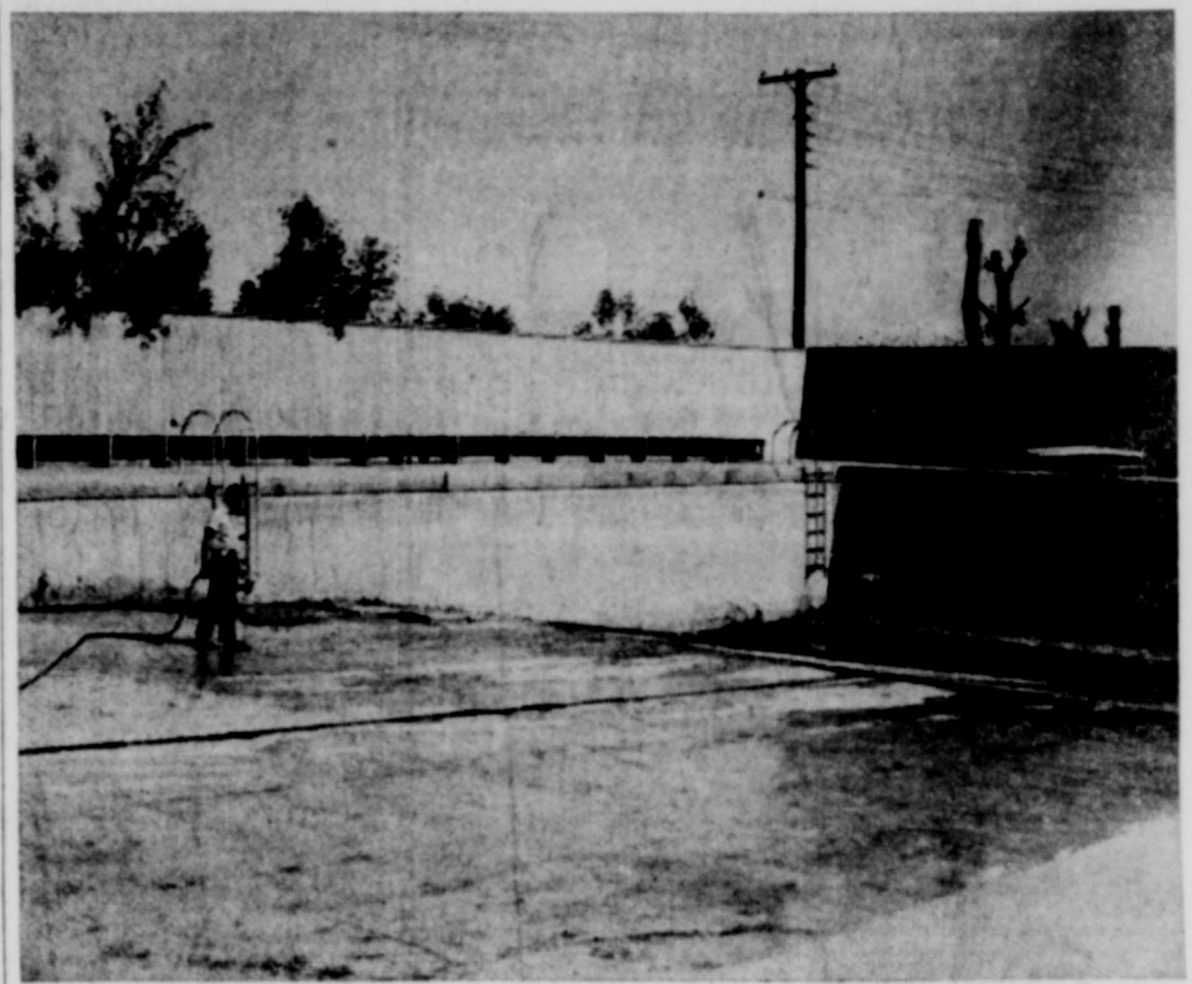

If the election carries, the property owner's tax will not be increased as the county tax will merely replace the state tax which expires this year. Texas voters approved a constitutional amendment in 1948 which provided that the state would levy the ad valorem tax for the last time, in 1950, with the counties to be permitted to collect the tax after that in order to provide more local funds for rural roads and flood control.

A later act by the Legislature added the requirement that property-owning qualified voters must approve the tax before it could be levied.

The tax will not be collected on the first \$3,000 valuation of homesteads.

Voting places, and election judges, for the election are as follows: Courthouse, R. H. Daley, and George Dietrich; Huntoon, Bernard Hurter and D. D. Hummer; Alfalfa School, Roy Linn

See No. 1, Page 8

CLEANING UP—This will be the scene for many happy hours this summer. The Perryton swimming pool is being cleaned and painted in order to be in first class shape for the opening next Tuesday.

### City Spraying Program Will Start Today

All alleys of Perryton will be sprayed with DDT as an insect control measure beginning Thursday morning if the weather permits, city manager J. B. Whigham has announced.

Spraying will be done early in the morning and late in the afternoon, with a pause during the hottest part of the day, Whigham said, because best results will be obtained that way.

With the recent rains, the fly and mosquito population has shown a big increase in Perryton and it is planned to control these insects with a regular spraying program during the summer months.

Whigham said that property owners will derive the most benefit from the spraying if they will cut the weeds and be sure there are no tin cans or other containers that might catch water around their premises.

### Wolf Creek Ball Club Sporting New Uniforms

The Wolf Creek baseball team suited out in their new uniforms last Sunday and have laid plans for a full summer of baseball. J. W. Jines and Bill McLanahan are managers of the team.

Games are played one mile east of the Wolf Creek bridge leading to Lake Fryer and there is no admission charge. All games are played on Sunday afternoon.

Perryton business men purchased the suits, which were ordered at cost by Ellis' Automotive store. The A & B Motor Co. furnished the caps and socks.

Firms buying uniforms include Balko Machine Shop, Best Way, Sibley Jines and Son, Perryton Implement Co., K. A. Lane Butane, Perryton National Bank, Perryton Motor Co., Bryan Oil Co., Andrews and Coon, Powell and Slack, Plainview Hardware, Sanford Drug.

Men's Wear, Equity, First National Bank

See No. 4, Page 8

### Residential Streets Now Being Swept

A regular program of sweeping and cleaning city residential streets has been started, reports city manager J. B. Whigham, with the city sweeper being operated each night.

All paved streets are included in this program, Whigham said.

### Charter Service For Commandery To Be Saturday

The Perryton Commandery will be given its charter at special ceremonies scheduled for Saturday afternoon, June 2. Sir Knight H. B. Bryan, Grand Commander of Texas; Sir Knight W. L. Brown, Grand Senior Warden of Texas; and Sir Knight Harry B. Tuer, Grand Recorder, will be present for the occasion.

The Commandery will be opened at 4 o'clock Saturday afternoon at the Masonic Hall and refreshments will be served at 6:30 p. m., according to W. H. Lance, commander.

All Sir Knights in the Panhandle District have been invited.

### Boyer Elected President of Bar Association

Max W. Boyer, Perryton, attorney, was elected President of the newly formed three county bar association, at an organizational meeting held in the Harvester Room at Hotel Perryton on May 25th. Roy Sansing, Higgins attorney, and Jack M. Allen, Perryton attorney, were elected Vice-President and Secretary-Treasurer, respectively.

The Bar Association is composed of attorneys from Perryton, Pecos and Big Lake.

### Annual Meeting Of Red Cross Is Set June 12

The annual meeting and election of officers for the Ochiltree Red Cross chapter will be held on Tuesday night, June 12, at 8 o'clock. It has been announced by Dr. D. B. Pearson, Jr., county chairman. The next meeting will be held in the Red Cross room in the courthouse annex and the public is invited.

Annual reports will be given of chapter activities, in addition to the election of new officers.

Present officers, in addition to Dr. Pearson, are Virgil Olmstead, vice chairman, Miss Anna Tevis, secretary, and Mrs. Bennie Smith, treasurer.

### Perryton Markets

MAY 31, 1951

Heavy Hens	.23
Cream	.67
Hides	.34
Fryers	.27
Eggs, C. R.	.34

### Rev. Jones Is Returned As ME Pastor

Rev. Lloyd H. Jones, pastor of the First Methodist church for the past two years, was returned to Perryton at the closing session of the Northwest Texas Methodist Conference in Abilene Sunday.

Bishop William C. Martin read the appointment list, and preached to an overflow morning crowd.

Other appointments in the Perryton District included the return of Rev. J. Edmund Kirby, district superintendent; E. R. McGregor, Booker; A. A. Kendall, Canadian; C. T. Jackson, Dalhart; Pine Street; O. B. Herring, Dumas; Robert D. Harris, Darrouzett; J. Waid Griffin, Follett; W. L. Porterfield, Gruver; Cecil Ottinger, Higgins.

O. C. Evans, Morse; H. R. Bennett, Phillips; J. B. Stewart, Spearman; Eugene Matthews, Stinnett; H. A. Nichols, Stratford; Royce Womack, Sunray; C. R. Lemond, Texoma; C. W. Williams, Textline.

Former Perryton pastors who received new appointments include P. E. Yarborough, Rotan; H. L. Thurston, Canyon; W. B. Hicks, Lefors; J. H. Sharp, Tarrants.

See No. 3, Page 8

### Perryton Municipal Pool to Open Tuesday; Free Swimming

Opening day for the Perryton Municipal Swimming Pool has been set for Tuesday afternoon, June 5, and the swimming will be free on opening day. Lynn Hulsey, who holds a senior Red Cross Life Saving diploma and an Instructor's certificate, will operate the pool this summer.

Regular hours of the pool will be from 10 a. m. to 12 noon; from 2 p. m. to 6 p. m. and from 8 p. m. to 10 p. m. on week days and from 2 p. m. to 6 p. m. on Sunday.

Group swimming lessons will be offered each morning from 10 to 12, Hulsey said. The pool may be rented for special parties, he added.

The pool has been painted and the equipment repaired to get it ready for the season opening. City employees have painted the interior of the dressing rooms, the main entrance, the

outside of the building and the inside of the pool.

New diving boards are being installed, and new concrete has been poured at the south end of the pool runway.

The filtering equipment has been checked and found to be in first class condition.

### Red Cross Home Nursing Classes Being Offered

Nineteen students have completed the Red Cross home nursing course and other classes will be offered to those interested, stated Mrs. Jess Cudd, home nursing chairman. All classes are held in the Red Cross classroom at the courthouse annex and are offered in the morning, afternoon and evening.

The complete course lasts 12 hours, with six 2-hour classes. There is no expense, other than the purchase of a textbook.

Home nursing is designed to aid the homemaker in meeting the need for care which so often arises. Most families have illness at one time or another that requires home nursing, Mrs. Cudd said, and the Red Cross course is designed to help fill this need.

It does not provide a substitute for needed professional nursing care and does not prepare a person as a professional nurse. Over 30 skills are taught during the course.

Instructors, all of whom are registered nurses, are Mrs. George Clennan, Mrs. Don Boyle, Mrs. Bertha McAnally, Mrs. Clyde Shepherd and Mrs. Cudd.

New classes will be formed whenever there are as many as 14 persons desiring to take the course. Arrangements may be made by contacting Mrs. Cudd or Mrs. J. F. Cox at the Red Cross room.

Those completing the course, this week include Mrs. Gene Akers, Mrs. E. G. Blackwell, Mrs. Frank Gipson, Mrs. R. L. Kile, Mrs. Ruby Malaney, Mrs. George Rogers, Mrs. Garland Sappington, Mrs. Lester Thurman, Mrs. Joe Schollenbarger, Jr., Mrs. Bernice Wells, Mrs. Lorene Richardson, Mrs. Earl McGarraugh, Mrs. Frank Holdeman, Mrs.

PERRYTON the heartbeat of the Nation

POPULAR WORKERS—These women worked Saturday at the Poppy Day headquarters at Dean's. Many other volunteers who sold poppies all day on the street. A total of \$291.72 was collected today by the Legion Auxiliary. Shown above, sitting, left to right, are Mrs. Robert Barlow, Mrs. Mrs. Beulah Stark and Mrs. Dewey Allen, Mrs. Manse Wood and Mrs. Jack Allen, standing.

### FFA Rodeo Will Open Friday Night at Fair Grounds

The opening session of the rodeo will be held Friday night at the county fair grounds. The rodeo will be the second of a series of events scheduled for Saturday.

The rodeo is sponsored by the FFA chapter, which will have a booth at the fair grounds. The rodeo will be held from 7:30 p. m. to 10 p. m.

The rodeo will include bronc riding, cow milking, potato race, cowgirl contest, bull scramble and pig contest.

### League Ball Will Be Played Monday

Baseball games of the league will be played Monday night at the fair grounds. The games will be scheduled for 7:30 p. m.

The games will be sponsored by the Baptist Fellowship. The games will be played on the fair grounds.

There will be two games each night. The games will be played on Monday, Tuesday and Wednesday nights. There are two teams in the senior and inter-

mediate program. The games will be played on Monday, Tuesday and Wednesday nights. There are two teams in the senior and inter-

### Dollar Day Scheduled For Next Tuesday

Dollar Day, monthly sales event promoted by local merchants, will be held on Tuesday, June 5, with bargains specially priced for this special day. A glance through the advertisements in this issue of the Herald will reveal many of the dollar saving items specially priced for Dollar Day.

Contestants must be a member of a Future Farmers of America chapter and have written permission from their parents to enter.

There will be no entry fee for contestants. Prize money does not go to individuals, but will be given to the winner's FFA chapter.

Keith McLain will be the arena director and Lee Welch will be one of the judges.

The First National Bank and the Rotary Club will give prizes in the greased pig contest.

The Darrouzett Roping Club's bucking horses will be used, and Carl Carter's roping calves. Tom Harlan of McLean will furnish the wild cows for milking and riding.

Tom Slack is furnishing the pigs and the bull for the scramble contest and Keith McLain is furnishing calves for the cutting horse contest.

Rodeo clowns are June and Roy Devers.

There are six entries thus far in the cowgirl sponsor contest, John Barnes, local FFA sponsor, said Tuesday. Entrants are from Canadian, Spearman and Perryton.

There will be a dance at the Veterans Memorial Building Saturday night following the rodeo.

### Cotton Is Seen As Cash Crop

A number of Ochiltree county farmers have fallen in with their wheat farming Panhandle neighbors and will try cotton this year. A Herald survey reveals at least seven farmers will plant cotton this year, with most of them planning to start right away.

Cotton was grown successfully in Ochiltree county years ago, but with the advent of mechanized wheat farming, cotton went out of the picture as a cash crop. The nearest gin is in Wheeler county and that is probably where the crop will go this fall.

Among those who have announced plans for planting cotton are Charley Jewell, Dewey Allen, George Fletcher, W. W. Blackburn, E. D. Blackburn, Gordon Wright and Weldon Wright.

There will be a dance at the Veterans Memorial Building Saturday night following the rodeo.

SCHOOL'S OUT—and it's time a feller got on toward more important things, like pitching a tent in a vacant lot and practicing Indian fighting or playing soldier. Shown above are some of the small fry who set up camp on a South Main street vacant lot. They are, left to right, Joe Don Shockley, Bob Wright, John Erickson, Harry Drake and George Maberry. The dog is Spike.

See No. 5, Page 8

## Jet Training Program Told In 'Jet Pilot'

The entire process of training a man to become a jet fighter pilot in the Air Force is graphically traced in "Air Cadet," which comes to the Ellis on Friday and Saturday.

The picture, starring Stephen McNally and Gail Russell, was filmed on Air Force training bases and personnel from the Air Force was used in addition to the regular cast.

The story concerns four cadets who arrive at Randolph Field to start cadet training. Alex Nicol wants to get out of the infantry; Richard Long had a World War II pilot brother; Robert Arthur is a wealthy boy who wants to do something on his own; and James Best just wants to fly.

Stephen McNally, an embittered officer, seems to have singled out Long as the man he would like was out. All four

## Robert Stack Learns to be Ace Bullfighter

"The Bullfighter and the Lady," which comes to the Ellis on Sunday and Monday, stars Robert Stack as a flippant young American who becomes friendly with the outstanding matador in Mexico.

In the course of this friendship Stack becomes an accomplished matador, and during his first chance in the ring with a bull, gets into danger through over-confidence. Roland rushes into the ring, saves Stack, and is gored to death himself.

Stack redeems himself with the Mexicans, however, by putting on a benefit performance for Roland's widow, and doing everything in the true spirit of the sport's tradition and custom.

boys eventually get their wings by the time the film ends, however.

CONSULT PRICE SPECIALIST—Ervell Hoots and Mrs. Preston Scott, left, of Burk's, are shown talking things over with Alton Taylor, OPS price specialist from Lubbock. Taylor is a foods specialist and is one of the men the Lubbock OPS office has sent to Perryton each Friday for the past three weeks.

## Seven Resign From Perryton School Faculty

There have been seven resignations on the Perryton school faculty thus far, reports superintendent Gilbert Mize. These include two in high school, two in elementary school and one in junior high, in addition to high school principal O. L. Anderson.

The faculty will be reduced for the 1951-52 school term in order to cut expenses and meet the reduced state aid program to the local schools, Mize said. There will be three less teachers on the faculty and the smaller staff will be made possible by combining some of the small classes in high school, Mize said.

Those who have resigned include Miss Mary Florence Tullis, Mrs. Jack Dunham, Miss Johnnie Williams, Miss Glyneth Armstrong, Mrs. Daisy Cartel, Miss Pat Page and O. L. Anderson.

**NEW TEXAS POET LAUREATE**  
—Dr. A. M. Sample (above), director of libraries at North Texas State College, is the new Poet Laureate of Texas. His appointment was approved by both House and Senate. His works include two books of poems, "This Is Our Time," and "Of the Strong and the Fleet". (UPI Photo)

### Teammates Now

**NEW YORK (AP)**—Joe DiMaggio, the Yankee Clipper, won the American League batting championship in 1939. The same year, over in the National League, Johnny Mize of the St. Louis Cards won the hitting crown. Both are Yankee teammates and are hoping to give the World's champions a third consecutive series victory.

## Shields Attends Service School

Jack Shields, State Highway patrolman stationed in Perryton, attended a one-week service school in Austin last week.

He studied criminal interrogation and had a refresher course in new traffic laws. The school is required of highway patrolmen every two years.

## To Market, To Market, To Buy Just For You

Many Perryton merchants are in Dallas this week buying what you will be wearing this Fall and Winter.

They include: Mr. and Mrs. Bill Sanders of Hurn's; Mrs. Miles Edwards and Mrs. F. A. Edwards of the Orchid Shop; Mrs. Ray McWilliams of Frances Virginia Shop; Harold Malone of Malone's.

## And Charity Benefits

**ATHENS, Pa. (AP)**—The Valley Bowling Association used a novel idea in raising \$260 for the polio fund and \$55 for the Bowlers Victory Legion. Every time a bowler failed to make a strike in the fifth frame of his first game he had to make a donation of at least a dime.

## Dodgers Drew 73,460

**MIAMI (AP)**—The Brooklyn Dodgers drew 73,460 fans for their 18 exhibition games in the ultra-modern Miami Stadium. That's not bad when you consider many of the night games were played in cool weather. However, the average of 4,081 fans per game was far below expectations. The Dodgers hoped to average 7,000 fans per game.

## Hard Riding Job

**LOUISVILLE, Ky. (AP)**—George Moleworth, 40, as a patrol judge at Downs, rode four winners in five mounts in a single first accomplished in Juarez on Nov. 30, 1949, with four of his five mounts.

**E. Murphy**

Elizabeth Ward Murphy of Leon, Kansas on Oct. 18, 1881 to Mr. and Mrs. E. W. Murphy of Perryton, Okla. The family moved to Perryton, Okla. in 1893, at which time she was married to Byron Murphy of Perryton, Okla. They were married at Marshall, Okla. in 1906 when they

**BOYS SHOOT BIG 'GATOR**—These three high school boys posed with their prize after a night of hunting from a speedboat on White Rock Lake in the Dallas city limits. The eight-foot, two-inch alligator was reported seen in the lake and boys finally found him after cruising for several hours. The giant was shot just before swimming for the season was opened in the lake. George Hamilton of Dallas said the alligator was an escaped pet of his. Left to right, the hunters are: John Whatley; Charles Whatley and Johnny Williams Jr.

moved to Booker, to enter the ranching business. In 1908, the family moved to the present home place six miles east of Perryton.

To Mr. and Mrs. Murphy eight children were born: Mrs. P. N. Niswander, Mrs. E. W. Hearn, Galen E. W. A., Mrs. Virgil Olmstead, Mrs. W. R. Slaton, Byron Hamilton, Jr., and Mrs. Glitner LaMaster.

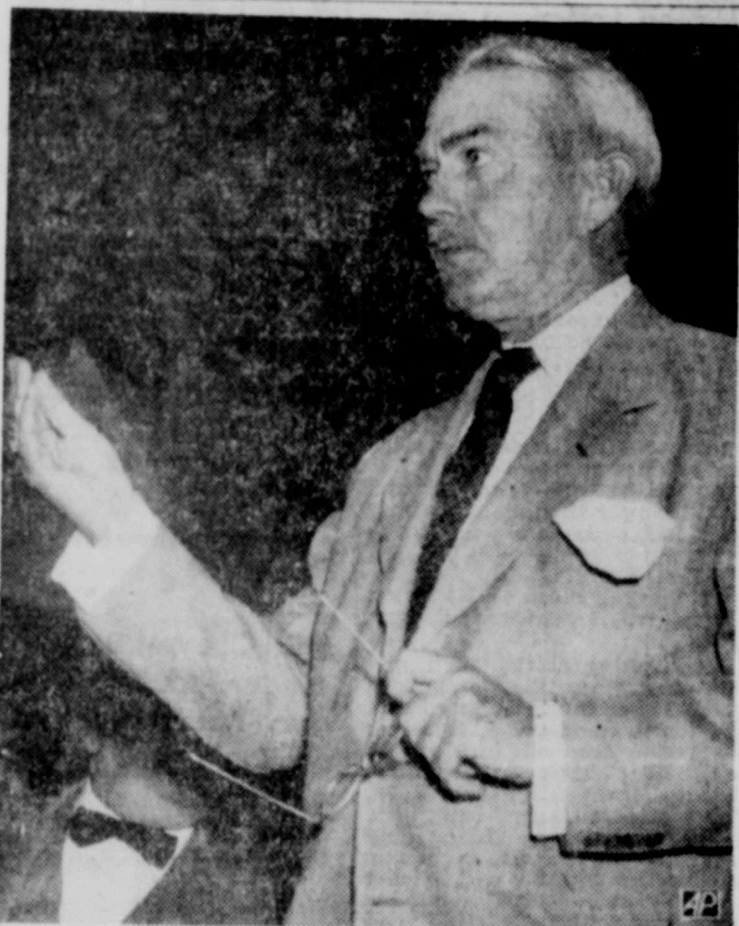

Mr. Murphy preceded Mrs. Murphy in death in 1928. Mrs. W. R. Slaton died October 3, 1950.

Mrs. Murphy is survived by five brothers, C. C. Ward, Guthrie, Okla., Ray Ward, Topeka, Kansas, Bill Ward, San Angelo, Tex., Les Ward, McPherson, Kansas, Sherman Ward, San Antonio, Texas.

Also among the survivors are twelve grandchildren and seven great-grandchildren.

Mrs. Murphy became a member of the Christian Church at Marshall at the age of 15 and transferred to the First Christian Church of Perryton under the ministry of Ward H. N. Gregg.

She was a life member of the Order of the Eastern Star, a charter member of the Sorosis Club and took an active part in Home Demonstration work in the county.

**ATTACK PRICE CONTROL ORDER**—Ray W. Willoughby, San Angelo, Tex., cattleman, is shown as he testified in Washington before the House Agriculture Committee. He said the whole price control order should be thrown out so that more beef could be produced "without our working under shackles." Willoughby is president of the Texas and Southwestern Cattle Raisers' Association. (UPI Photo)

Dr. Lee DeForest obtained a patent as far back as 1904 to put sound on film in a manner that would produce talking motion pictures.

Dave Brain was the youngest member of the Chicago White Sox 50 years ago when the first American League game was played.

**Buy Minerals Now!**

**New Granular Pay-U Mineral—for range animals**

HUNDREDS of stockmen who really know their business—both in sheep country and on cattle ranches—are discovering the new way of feeding the proper minerals. It's the improved granular form now put out by Pay-U Laboratories. Feeding this way has everywhere proven more satisfactory, and a good deal easier to handle.

Wind and water have little effect on this new granular form. It actually "stays put" right where you want it, and right where your animals can easily get it. Livestock consume this granular form better, because it's more palatable than powder. And of course it means better results.

Try it. See for yourself how clean and easy it is to handle—economical and palatable in the feeding. Your Pay-U Dealer can get some today.

## Branding Time

EVERYTHING'S READY—The first branding of the spring on Wolf Creek was held Monday on Roy Linn's ranch, and the above picture shows everything in readiness for the day's work. Firewood is laid out for the branding fire, and the Wolf Creek neighbors are on hand to assist.

PICKING ONE OUT—Roy Linn goes out into the herd to pick out a calf for branding and vaccinating. He says he works the calves in the same pen with the cows, and avoids having to mate cow and calf when the work is done. Avoids so much nervousness on the part of the cattle, too.

READY CALF—Bill Herndon and A. J. Seodig have the calf while Virb Conley approaches with his branding iron. Monday were Lawrence Elzey, Walt Holmes, Lee Welch, Er, Charles Elzey, Laurie Elzey and Mrs. Walt Holmes.

## More Texans Now Till Own Acreage in Southwest U. S.

By ROBERT E. FORD  
Associated Press Staff

The people who actually operate Southwestern farms — who plow, plant and harvest — today own more of the land they operate than at any time since records have been available.

This fact was determined by the University of Arkansas College of Agriculture after exhaustive research.

This definite trend away from tenancy and toward ownership

began between 1935 and 1940. It continued unbroken throughout the war years and into the post-war era.

The federal government has long aimed at making easier the ownership of farms by the farmer. In Texas, where a little different situation exists, the Republic and later the state have taken the same view.

But their efforts sometimes failed badly.

For instance, the federal gov-

ernment attempted to create an owner-operator system in Oklahoma when the territory was opened for settlement.

But in less than one generation—25 years—the Oklahoma land was held predominantly by non-operating owners.

In 1930, only one farmer in every four remained in the owner class. The other states in the region—Texas, Louisiana, Mississippi and Arkansas for the purpose of the study—were in much the same situation.

The published University of Arkansas report states that "from the standpoint of the farmer's financial ability, opportunity for achieving ownership during the past decade perhaps has never been equalled. Farm operators in the region have reaffirmed their true goal of ownership through extensive purchase of land from non-farmers, and through retirement of two-thirds of their land indebtedness.

The report breaks down the figures into four classifications. Possibly the best picture is given by the figures on the landlords.

In Texas, 22.8 per cent of the farm owners in 1930 were land-owners, who rented out all the land they owned. They possessed 27.5 per cent of the land and their holdings averaged 739 acres.

Oklahoma's landlords were more numerous. They comprised 28.3 per cent of the owners with 23.3 per cent of the land averaging 395 acres each.

The other figures in the same order: Arkansas 8.9, 5.9 and 109; Louisiana 8.9 (eq), 8.2 and 94; and Mississippi 9.3, 13.6 and 284.

This report defined the other types of ownership as:

Owner-operator—owns all the land he operates and operates all the land he owns.

Part owner-operator—operates all the land owned and rents additional acreage.

Owner operator-landlord — owns all the land operated and

rents acreage to others.

Of the five states studied, Texas ranked only ahead of Oklahoma in owner-operator percentage, probably because of a whopping 15.9 per cent of the land owned by corporations. This corporation ownership is a hold-over from the early days, when the gigantic cattle ranches, many owned abroad, were developed and when huge grants of land for specific purposes were made. Later oil companies and other types of firms became large land owners.

In Texas, 39.9 per cent of the farmers were owner-operators, compared with 70.9 in Arkansas. The other figures: Louisiana, 64 per cent; Mississippi 62.7 and Oklahoma 35.8. The regional percentage was 48.7.

When acreage is considered, the spread in owner-operator figures even wider. Texas ownership held only 18.4 per cent of the land, slightly ahead of Oklahoma, which reported 18.3 per cent. Arkansas again led with 60.2 per cent of the acreage owned by the farmers, Mississippi reported 51 per cent and Louisiana 45.3.

But Texas owner-operators held larger acreages on the average. The figures: Texas 282 acres, Oklahoma 195, Arkansas 140, Mississippi 139, and Louisiana 74.

The Arkansas report, which was made with the cooperation of the farm agencies of the other states and the U. S. Department of Agriculture showed that "part-owner-operators" in Texas accounted for 8.1 per cent of the owners with 10.8 of the land, Oklahoma 13 and 7.9; Arkansas 6.3 and 10.5; Louisiana 6.3 (eq) and 2.4; Mississippi 3.4 and 1.7.

The owner-operator-landlord figures are: Texas 29.9 per cent of the farmers with 43.3 per cent of the acreage; Oklahoma 22.9

and 44.5; Mississippi 24.6 and 31.7; Louisiana 20.8 and 44.1 and Arkansas 13.9 and 23.6.

The black bear uses the same routes over and over again and hunters often find it by watching the trails.

### ROAD NOTICE TO NON-RESIDENT LAND OWNERS

STATE OF TEXAS  
OCHILTREE COUNTY

We the undersigned Jury of Freeholders, citizens of said Ochiltree County, Texas, duly appointed by the Commissioners' Court of Ochiltree County, Texas, at its March Term, 1951, to view and establish a first class Road commencing at a point on the Spearman Cut-off (the same being a public road) being the N. W. corner of Section 400 and the N. E. corner of Section 399, both being in Block 43, H&TC Ry. Co. Survey, Ochiltree County, Texas, and containing a strip of land thirty (30) feet wide across the entire east end of Sections 399, 394, 311, 306, 223 and 218 and containing a strip of land thirty (30) feet wide across the entire west end of Sections 400, 393, 312, 305, 224, and 217, all of said section being in Block 43, H&TC Ry. Co. Survey, Ochiltree County, Texas,

and ending at the old Perryton Canadian Highway, such point being the S. W. corner of Section 217 and the S. E. corner of Section 218, both in Block 43, H&TC Ry. Co. Survey, Ochiltree County, Texas, in Precinct No. 4, the whole distance being six miles. And having been duly sworn as the law directs, hereby give notice that we will, on the 2nd day of July, 1951 assemble at beginning point of said road and thence proceed to survey, locate view, mark out and establish said road.

And we do hereby notify: Anna J. Johnson; William Johnson as guardian of Bernhard Johnson; Philipp; Peter Frederick Johnson; Onnie J. Johnson; Heye J. Johnson et ux; Emma J. Ideus

et vir; Tena Evers, et vir; John J. Johnson; Mary J. Johnson; Esther Patten Dickinson et vir; Lizzie Pinckard; Bragg Hoover; Dan B. Hoover; Ed Hoover, Jr.; Louise Hoover; Vashti Hoover Garner, and any and all persons owning lands through which said road may run, that we will at the same time proceed to assess the damages incidental to the opening and establishment of said road, when they may, either in person or by an agent or attorney, present to us a written statement of the amount of damages, if any, claimed by them.

Witness our hands, this 29th day of May A. D. 1951.

**Allen Services Held Thursday At Booker**

Funeral services were held Thursday, May 24, in the Booker Methodist church for Abram Levi Allen, a former Perryton resident, who died May 22 at his home in Booker. He was 82 years of age.

Mr. Allen came with his family from Missouri in 1905 and settled near Miami, Texas. He lived there until 1916, when he purchased a farm in Ochiltree county. He retired from active farm and ranch life in 1941.

Except for two years spent with his daughter in California, Mr. Allen spent 36 years in Ochiltree and Lipscomb counties. He returned to Booker in 1946.

He was the son of Moses W. and Mary Allen, born August 14, 1868 in Union Star, Missouri. He was united in marriage to Jane Elizabeth Holland in 1889 and to this union one son and three daughters were born.

The son, Audie, died in 1941. His wife Jane Elizabeth, passed away in 1943.

During 1946 he was married to Mrs. Minta Fowler. Mr. Allen was first a member of the Baptist church and in later years changed his membership to the Full Gospel faith.

Rev. Raymond Campbell conducted the final rites assisted by Rev. H. E. Cook.

Active pallbearers were Ralph Talliaferro, Elmer Smith, Bill Campbell, George Henton, Harry Mountcastle and Coy Merydith. Honorary pallbearers were Billy Brown, Bert Marsh, J. B. Burner, W. C. Deming, Sherman

Flower girls were Mrs. Verla Henry, Mrs. Seda Lyle, Mrs. Stella Kerns, Mrs. Lee Comer, Mrs. Helen Bowdler, and Mrs. Rachel Merydith.

Survivors include his wife, Nell Minta Booker; three daughters, Mrs. Wanda Anderson, San Leandro, Calif., Mrs. J. B. Cartwright, Jr., Booker; Mrs. Loyd Furnish, Beaver; eight grandchildren, 15 great-grandchildren.

Interment was in the Ochiltree cemetery.

Visitors in the home of Mr. and Mrs. Tom Ellzey on Wolf Creek this week are Mr. and Mrs. Charles Ellzey, Mr. and Mrs. M. J. Glainer, Carolyn Glainer and Kathryn Glainer of Raymondville, Texas. Mr. and Mrs. Glainer are parents of Mrs. Charles Ellzey.

**Short Losing Streak**

MUSKOGEE, Okla. (AP)—The longest losing streak by a minor league club occurred in 1923 and the dubious honor goes to Muskogee of the Southwestern League. Only the close of the season halted this streak at 38 straight losses.

Omar (Turk) Lown, rookie pitcher with the Chicago Cubs received his nickname because he likes to eat turkey.

Count Turf, winner of the 1951 Kentucky Derby, ran part of the race at Churchill Downs with a loose hind shoe.

The barn or screech owl catches and eats many mice. Cabbage comes in three colors—white, red and green. In a forfeited baseball game, the final score is 9-0. Lobsters can live for more than 40 years.

**Waka News**

By Mrs. J. R. Stump

Bible school is going strong! The highest attendance was 61 with 45 attending the first day's program. Much enthusiasm is shown among the children.

The closing program of Bible school will be Friday night at 7 o'clock when awards will be given for perfect attendance of 10 and 5 days and creative work will be displayed. An interesting mission project will be exhibited.

Mr. and Mrs. Harley Elledge attended the graduation exercises at Darrouzett, Thursday evening.

Mr. and Mrs. Dean Leighnor and family and Mr. and Mrs. LeRoy Reeves and family enjoyed a trip to Miami Sunday afternoon.

Mr. and Mrs. C. D. Burger of Adair, Okla., visited Saturday and Sunday in the home of his father and brother, I. S. Burger and G. A. Burger.

Mrs. D. B. Stump and Maud returned Friday from Plattesburg, Mo., where they were visiting with relatives.

Mr. and Mrs. Philo Butler and family and Mrs. Mae Newingham and Billy visited relatives in Arkansas over the week end. The Butlers visited with his parents, Mr. and Mrs. Fred Butler of Bentonville, Ark. and the Newinghams visited with their daughter and sister, Mr. and Mrs. T. C. Murray of Sulphur

Springs. Glenda Butt spent Sunday with Judy Stump.

There was an attendance of 38 at Sunday School. We were glad to see LaVerne Burger and Curtis Leicht home from college.

The County home demonstration chorus met Monday in the home of Mrs. James Hardy. Those attending from here were Mesdames Dean Leighnor, Harley Elledge, LeRoy Reeves and J. R. Stump. The next meeting will be with Mrs. Elledge on

June 11.

Marilyn Roe of Chicago, Ill., came home with LaVerne Burger from college to spend a few days. They left Thursday for Chicago where LaVerne will spend the summer working.

The Home Demonstration Club will meet June 6 in the home of Mrs. Allen Dennison. "Stretching the Food Dollar" will be demonstrated by Mrs. Mary Watson Jones.

Wilma Fletcher was out Tuesday finishing up her school re-

ports and other business plans to leave Thursday for Chicago. From there she will enroll in Hester College, Heston, Kansas, for the term.

It is estimated that 25 percent of the nation's steel is produced in Pennsylvania, mostly in industrialized western part of the state.

100 percent Increase in Production

Larger Flowers

Disease Free Plants

STATEMENT OF MR. EDWIN FERRIS, FERRIS GREEN HOUSE DENVER, COLORADO.

In connection with the use of Calfide 104 which I have used in my green house in an experimental state for the past five months I am pleased to submit the following concerning the results of its useage.

My green house consists of twenty eight benches approximately one hundred and sixty feet in length. I applied Calfide 104 to the soil in one bench. In these benches we grow carnations and the carnations on which Calfide 104 was applied were much larger; the stems were stronger; the production was increased at least 100%; the flowers were much healthier in general.

Following the use of Calfide 104 there was no indication of any disease. I have never employed the use of any fertilizer nor any soil conditioner that rendered such fine results. You may be certain of my continued future use of Calfide 104.

*Edwin Ferris*

**Simpler Pricing Method Will Be Given Small Retailers**

LUBBOCK—Hundreds of small retail stores in the Far West Texas district of the Office of Price Stabilization will be given the option of continuing to price under the general ceiling-price regulation, rather than under the retail regulation, CPR 7, the Lubbock district office announced.

The office said many small retail stores with limited book-keeping facilities and clerical help would get this option under the amendment which was scheduled for issue early this week.

The Office of Price Stabilization, in announcing that the amendment was forthcoming, reminded that all other retailers selling items controlled by CPR 7 and its amendments must file their pricing charts by May 31 if they want to continue to sell legally after that date. There will be no extension of that deadline, OPS emphasized.

The amendment, according to advance information, will provide that stores selling housewares, notions, sporting goods, silverware, china, glassware, jewelry, watches and clocks may elect to price these particular items under the GCPR under either of two conditions:

1. The first provision, designed to help the smallest stores, gives the election for these items to any retailer whose overall net dollar volume of sales of everything in his store is less than \$100,000. Total dollar volume for this purpose, OPS emphasized, is figured on the sales not only of the housewares, notions, etc., but of the store's entire stock of goods.

2. The other provision, which will meet the situation of the store doing a relatively small volume of business in housewares, notions, sporting goods, sil-

verware, china, glassware, jewelry, watches and clocks gives the election to price those articles under GCPR to any retailer whose net dollar volume from sales of those items is less than \$60,000 annually, irrespective of his volume of sales in other lines of merchandise, and even though his total volume of sales is over \$100,000.

A third provision, which retains a principle incorporated in CPR 7 as first issued, gives the option to any retailer whose sales of apparel, apparel accessories, shoes, beds and bedding, furniture, yard goods, floor coverings, lamps, radio and television sets, phonograph records, musical instruments, luggage, etc., (all CPR 7 and a few amendments 2 items) are less than \$20,000 annually in net dollar volume.

The retailer who elects to remain under the GCPR does not have to notify OPS. The retailer who makes the election simply lets that deadline go by without filing a chart. In the event OPS asks for information, however, the retailer must be prepared to show that he was entitled to make the choice.

**ON .400 Batters**

NEW YORK (AP)—Only 29 batters have hit .400 or better in the history of the major leagues. Cap Anson was the first to turn the trick. He batted .407 in 1879. Ted Williams was the last to reach that charmed circle. He hit .406 in 1941.

In Australia, the bald eagle is said to follow white men who are hunting, expecting to feed on the offal from the kill; but it will not follow black hunters because they use the offal from their kills.

MISSING PICTURE—Edinburg, Tex., held a special celebration to receive an autographed portrait of Princess Elizabeth and Princess Ann. The gift was in appreciation of a bale of cotton sent Princess Anne by the Texas City. A crate arrived just in time to be opened at the party. But it contained only excelsior. The surprised men unpacking the crate are (left to right) Frank Brackney, Dock Boyle and Dale Austin, all of Edinburg. The missing picture turned up later in London and is being sent to the Valley city. (UPI Photo)

### July 25 Final Date To Start Vet Training

July 25, 1951 is the final date for World War II veterans to start training under the GI Bill, county service officer Tom Davis said this week. There is no time limit for disabled veterans to start, he added.

Veterans discharged before July 25, 1947 must start training either in a school or on-the-job training by the July 25 deadline, Davis said. Veterans discharged after July 25, 1947 must start within four years following the date of their discharge.

Davis said that he has two openings for on-the-job trainees in Perryton at present.

### No. 6 Continued from Front Page

posed of the attorneys of Hansford, Lipscomb and Ochiltree Counties. The Perryton attorneys entertained the visiting attorneys and wives at a dinner, at which Judge Jack Allen presided. After the dinner, the ladies were entertained by Mrs. Max Boyer at the Boyer residence in Perryton.

The next meeting of the bar association will be held in Higgins in July, at which time the lawyers and wives will be guests of Mr. and Mrs. Roy Sansing at the Sansing ranch.

Flinty, Roman writer (23 to 29 A. D.) describes tooth powders made from ashes of such things as dog teeth, deer antlers, hare or mouse heads and pastern bones from livestock.

'ICE MAN' IN MAY—These youngsters at the Hendrick Home for Children at Abilene, Tex. tried their hand at constructing an ice man of hailstones piles in the corner of the building. The window behind them contains several of the 800 window panes that were broken by the storm. Left to right are: Bobby Jean McKinney, 6; Dale Hooks, 6; and Don Sedberry, 4.

### Local Board to Receive Results Of College Tests

Induction of all college students will be postponed until the local selective service board receives scholastic standings or results of college qualification tests, according to information received this week by Mrs. Norma G. Phelps, clerk of local board 99.

The order, issued by Maj. Gen. Lewis B. Hershey, national Selective Service director, will give students time to furnish necessary information local boards will need in considering student deferments.

In the order, the national director set forth that in no case of postponement will the induction be postponed beyond August 20, 1951.

It was explained that this deferment plan is merely designed to let as many young men as possible, who would normally go to college, carry out their plans and then put in their obligatory service.

College graduates who secure employment in critical occupation in essential industry can be considered for deferment by the local board. This procedure was followed in January, when a one-month postponement from induction was granted to 25,000 students graduating from college. At the end of that month, about 10 per cent of those were able to prove to their local boards their essentiality in civilian pursuits. The remainder were drafted.

Mrs. Phelps said that those college men who took their selective service aptitude tests last Saturday will have to wait a month or longer to find out their scores. The scores will be reported directly to the local board at that time. Other tests will be given June 16, June 30 and July 12.

The Merino sheep was considered so valuable in Spain at one time that anyone attempting to export one was put to death.

MEET THE YOUNGSTERS—Fern Jeanette Janzen, age 2, daughter of Mr. and Mrs. Jona Janzen. Her maternal grandparents are Mr. and Mrs. F. B. Kile and her paternal grandparents Elizabeth Janzen.

### Farm Storage Loans Extended

Loans to farmers to construct farm storage buildings for grain has been extended to June 30, 1952, reports Elliott Lee, county PMA secretary.

The farm storage loan program is available to producers of wheat, corn, oats, rye, barley and grain sorghums.

Loans are made at 85 per cent of the cost of the structure and are payable in five annual installments.

was one of those deals that you get one chance at and it was too good to pass up."

He came here in 1947 from Lubbock for his initial instructor's position and was made high school principal in 1948, the same year that Mize succeeded J. A. Anderson as superintendent.

### Mrs. J. M. Bull Dies Ashland, Alabama

Word was received in Perryton yesterday by Compton C. Bull announcing the death of his mother, Mrs. J. M. Bull, at her home in Ashland, Alabama. Mrs. Bull, age 80, had been in very poor health for a number of years. Final rites and interment are being held in Ashland this afternoon.

Mr. and Mrs. Bull were residents of Ochiltree county for many years. They came to old Ochiltree several years before the birth of Perryton in 1919 and engaged in the teaching profession. Both Mrs. Bull and her husband were educators and over the years taught in the Ochiltree and rural schools of the county. Mr. Bull was also an attorney and after retiring from teaching practiced law in this city and served several terms as county attorney. They left Perryton about eight years ago.

Mrs. Bull was a life long member of the Methodist church. She was very active in church and club work while a resident of this community.

Surviving are the husband; one daughter, Mrs. W. L. Fair of Ashland; two sons: C. C. Bull of Perryton, and Fred Bull, a retired army man now residing at San Antonio.

### Blue Sox Meet Follett Sunday

The Perryton Blue Sox will go to Follett Sunday for an important Texas-Oklahoma league game. Perryton and Follett are currently tied for the lead in the league, with four victories and no defeats.

There were no league games played Sunday, as the teams participated in the Beaver tournament. The Blue Sox did not go.

In Oklahoma, several hundred thousand acres of grassland have been freed of sagebrush by application of 2,4-D from the air.

## Wed to Sergeant Medlin Ring Ceremony May 19

Miss Rose Marie Peil and Sergeant Cam Medlin were wed May 19 in St. Paul's Lutheran church at Darrouzett, O. Rhode officiating. The bride is the daughter of Mr. and Mrs. Christ Peil of Follett, S. Okla. The groom is stationed at Fort Sill, Okla.

Arrangements of pink gladioli banked the gift table and the table which held the three-tiered wedding cake embossed with pink and green roses. Assisting in serving was Mrs. Victor Miller.

Miss Leona Miller was in charge of the guest book. A graduate of Follett high school, the bride attended Draughton's Business college in Amarillo and formerly was employed by the Amarillo Lawrence Agency. The couple will reside temporarily in Fort Sill.

## Newlyweds Are Honored at Shower

Friends of Mr. and Mrs. Don Tucker gathered at the home of Mrs. Tucker's parents, Mr. and Mrs. Willis Hardy, Saturday evening, to honor the young couple with a gift shower and charivari.

Mrs. Warren Gum and Mrs. Sam Justice were hostesses for the affair. Before her recent marriage Mrs. Tucker was Miss Mavis Hardy.

Punch and cake were served to the following: Mr. and Mrs. George Yates, Mr. and Mrs. Warren Gum and family, Mr. and Mrs. Sam Justice and family, Mr. and Mrs. Clem Flowers and family, Mr. and Mrs. H. B. Urban, Mr. and Mrs. John Hardy and daughter, Mr. and Mrs. Kenneth Edwards and son, Mr. and Mrs. Charles Trev and family, Mr. and Mrs. Vrtle Faries, Mr. and Mrs. Ellis Matthews and children, Mr. and Mrs. Paul Hardy and family, Mr. and Mrs. Clyde Herrington and family.

Mr. and Mrs. Willis Hardy and son, Mrs. James Hardy, Mrs. Eliza Winfrey, Mrs. Vada Szeemore and daughter, Miss O'Leenmore and daughter, Corrine Flowers, Louis Flowers, Corrine Flowers, Donald Flowers, Lynnold Flowers, Dean Mayberry, Carol Ann Gibson, Mr. and Mrs. Ben Hardy of Laverne, Okla., Mr. and Mrs. Leon Brown and family of Pampa, Mr. and Mrs. Thurman Trev and sons of Alton and the honoree's Mr. and Mrs. Tucker.

Those unable to be present but sending gifts were Mr. and Mrs. C. B. Trew, Mrs. Allie West, Mr. and Mrs. Andrew Milledge, Mr. and Mrs. Roy Johnson and Mrs. Pauline Slavin.

## Mr. Rutherford Is Guest Speaker At Convention

Bill Rutherford, editor of the Moore County News of Dumas, was guest speaker at the Convention of Hub Clubs, May 26, at Booker. Mr. Rutherford spoke on "Peace Within Ourselves."

Perryton Hub Club members present at the convention were Mrs. Ellis Kelly, Mrs. Frank Holdeman, Mrs. Gene Akers, Mrs. Lester Thurman, Mrs. Earl McGarrugh, Mrs. Edward Schroeder and Mrs. John Huston.

Mrs. George Cutler returned home Wednesday from Waurika, Okla., where she had visited in the home of her son and family, Rev. and Mrs. Addison Cutler and Miss Madolyn, since May 18. Mrs. Cutler attended the graduation exercises of her granddaughter, May 22. Rev. Cutler brought his mother home and attended a conference meeting in Oklahoma until Sunday when he returned to his home.

Members present were Mrs. Warren Gum, E. G. John Huston, Kenneth Skinner, Mike McGarrugh, C. E. Elledge, J. E. Haden, and Mary Watson.

Members present were Mrs. Warren Gum, E. G. John Huston, Kenneth Skinner, Mike McGarrugh, C. E. Elledge, J. E. Haden, and Mary Watson.

Members present were Mrs. Warren Gum, E. G. John Huston, Kenneth Skinner, Mike McGarrugh, C. E. Elledge, J. E. Haden, and Mary Watson.

Members present were Mrs. Warren Gum, E. G. John Huston, Kenneth Skinner, Mike McGarrugh, C. E. Elledge, J. E. Haden, and Mary Watson.

MR. and MRS. GALE MILLER

## Elma Pipkin and Gale Miller Wed May 27 at Spearman Church

Union Church at Spearman was the setting May 27, at 4 o'clock, for the marriage of Elma Pipkin, daughter of Mr. and Mrs. Knox Pipkin to Gale E. Miller, son of Mr. and Mrs. W. C. Miller of Hardesty.

Rev. Albert Durham of Wichita, Kansas read the impressive double-ring service. An arch entwined with greenery and peach gladioli, flanked by large baskets of peach gladioli and branched candelabra formed the decorations at the altar.

Donald Dibbens, soloist sang "As Years Go By" and "O Perfect Love." The traditional wedding marches were played for the processional and recessional.

Given in marriage by her father the bride wore a gown of white satin fashioned with a fitted bodice, high neckline and yoke of illusion outlined with a ruffle of Chantilly lace. The long fitted sleeves tapered into points over the hands. A ruffle of lace formed an apron effect on the full skirt which fell in a chapel train. Her finger-tip veil of illusion fell from a dainty lace half hat and she carried a bouquet of red roses tied with white satin streamers.

Misses Wilburta and Emburta Miller, twin sisters of the bridegroom, lighted the candles. Their dresses were of pastel pink taffeta. They wore wristlets of white carnations and wreaths of white carnations in their hair.

White Wilma Spearman was bridesmaid. She wore a gown of pale yellow taffeta and carried a nosegay of orchid carnations. Flower girl was little Miss Pauline Pipkin, a niece of the bride. Her dress was a replica of the bride's dress.

Ring bearers were Arlene Fullbright and Yvonda Pipkin who were dressed in rose and aqua net over taffeta. James Martin was train bearer.

Leslie Banks served the bridegroom as best man. Mrs. Pipkin chose for her daughter's wedding an afternoon dress of navy crepe. Her corsage was of yellow carnations. The bridegroom's mother wore beige crepe and a corsage of orchid carnations.

Following the ceremony a reception was held in the home of the bride's parents.

A three-tiered wedding cake decorated the bride's table, which was laid with a lace cloth. Sisters of the bride served cake and ice cream to approximately one hundred and fifty guests.

For a wedding trip through the Western states, Mrs. Miller wore a navy crepe dress with pink and white accessories and a corsage of pink roses.

Mr. and Mrs. Miller will be at home on a ranch near Hardesty.

## Mavis Hardy and Don Tucker Wed May 21 at Memorial Chapel

Miss Mavis Hardy, daughter of Mr. and Mrs. Willis Hardy became the bride of Don Tucker, May 21, at 3 o'clock, in Memorial Chapel of West Texas State College at Canyon. The bridegroom is the son of Mr. and Mrs. Joe Tucker of Throckmorton.

Elder J. B. Hardy, grandfather of the bride, officiated for the exchange of vows. Miss Ruth Ann Soll, organist, furnished the music, preceding and during the ceremony.

Miss Nettie Lou Lindsey of Borger was maid of honor and wore a dress of aqua organdy fashioned with a fitted bodice and full skirt.

Mr. Hardy gave his daughter in marriage. Her gown was of white chantilly lace over white satin, designed with a fitted bodice and full skirt of demitasse length. Her short veil was attached to a Juliet cap trimmed with orange blossoms. She carried a bouquet of white camellias and gladioli.

Frank Wise of Coleman was best man and Jack Tucker of Canyon and Deane Wright of Spur were ushers. Immediately following the ceremony a reception was held at the home of Dr. and Mrs. Ples Harper of Canyon.

The bride's table was laid with an embroidered linen cloth and the centerpiece was of peach and blue iris. Miss Edna Graham presided at the guest book and recorded names of seventy-five guests. Among the out-of-town guests were Mr. and Mrs. Willis Hardy, Elder J. B. Hardy, mother, father and grandfather of the bride, together with her three brothers and four sisters and families; Mr. and Mrs. Joe Tucker and Mrs. J. L. Tucker, mother, father and grandmother of the bridegroom, together with his three brothers and their families from Throckmorton; Mrs. W. W. Brooks and Mrs. R. R. Lindsay of Borger.

Both the young people received their degrees from West Texas State College May 21. The bride graduated from Perryton high school in 1947. In college she was a member of Mary E. Hudspeth, junior honor society; Buffalo Masquers; Home Economics Club; Kappa Omicron Phi fraternity and Kappa Tau Phi, social sorority. She was Homecoming queen in 1949 and is listed in Who's Who in American Colleges and Universities.

Mr. Tucker graduated from Throckmorton high school in 1947 and was a member of the Buffalo football team at W.T.S.C. 1948-51. He was a member of the Buffalo "T" club and is listed in Who's Who in American Colleges and Universities. He was chosen the outstanding Male graduate of 1951.

After a wedding trip to south Texas the couple will return to Canyon for the summer.

Ochiltree Community Party Held May 25

The Ochiltree community party was held at the club center Friday evening, May 25. Mrs. Dewey Allen and Mrs. C. A. Thompson were hostesses for the evening.

A covered dish supper was enjoyed and party games and games of pitch were played throughout the evening. In the games of pitch high scores for women were held by Mrs. J. H. Woodward and Margaret Thompson. High scores for men were held by A. K. Wilson and Sam Justice.

Those attending were Mr. and Mrs. F. A. Talley, Mrs. Mike Downey and Arla, Mr. and Mrs. A. K. Wilson and Virgie Lou, Mrs. J. C. May, Mr. and Mrs. J. H. Woodward, Mrs. Mary Dodson, Miss Jeanne Sutor, Mr. and Mrs. J. B. Cartwright, Sr., Norman Allen, Mr. and Mrs. Sam Justice and children, and Mr. and Mrs. C. A. Thompson and family and the Dewey Allens.

Phyllis Huston Is Honoree at Party

Phyllis Marie Huston celebrated her fifth birthday, May 19, with a party at the home of her parents, Mr. and Mrs. John Huston.

Those present were Jay and Jerry Kemp of Lockney, Richard and Billie Reames of Homestead, Okla., Joyce, Jim, Russell, Edna V. and Karen Slough of Dawn, all cousins of the honoree. Other children present were Judy Reimer, Jeannie and Ricky Huston.

Adults present were Mr. and Mrs. Fred Huston, Mickey Huston, Mr. and Mrs. Harry Reimer, Mr. and Mrs. J. T. Middleton of Alexandria, La., and the host and hostess.

Hi-Bid Club Is Entertained In Tucker Home

Mrs. L. T. Tucker was hostess to the Hi-Bid bridge club, May 25, in her home at 913 S. Drake. Spring flowers decorated the living room for the occasion.

Mrs. Charles Taylor and Mrs. R. B. Orrill were guests of the club. Members present were Mrs. Fred Turner, Mrs. W. L. Herndon, Mrs. A. J. Kelly, Mrs. C. E. Woods, Mrs. F. B. Sumpter and Mrs. A. V. Goff.

MR. and MRS. CALVIN COOK

## Steryl Tucker and Calvin Cook Marriage Read in Home Ceremony

Solemnized, May 20, in the home of Mr. and Mrs. H. K. Shepherd of Dallas was the marriage of Steryl Tucker, daughter of Mr. and Mrs. A. J. George and Rev. Calvin Cook, Jr., son of C. B. Cook of Austin.

Rev. Graham W. Pugh of Dallas read the marriage ceremony. Miss Lola Williams played a program of nuptial music and accompanied Mrs. Doha Tucker Barker of Katy, as she sang "I Love You So" and Elmo Jiles of Dallas who sang "Because."

The bride wore a gown of yellow embroidered eyelid organdy designed with a moulded bodice and "V" neckline. The skirt was full and ballerina length. She wore a halo of net and delicate yellow flowers and carried a white Bible topped with white carnations and a shower of satin streamers.

Miss Claudia Ann Tucker attended her mother as maid-of-honor. Her dress was of pink frosted organdy and her halo was of matching net and flowers. She carried a nosegay of blue carnations with blue satin streamers.

The bridegroom was attended by Lynn Tucker. Following the ceremony the bridal party was honored at a wedding breakfast.

Guests at the wedding included relatives and close friends of the couple. For a wedding trip to Mexico City the bride wore a grape colored silk jersey dress with Navy duster. Her accessories were navy and white.

Rev. and Mrs. Cook will be engaged in evangelistic and missionary work.

Miss Joan Bryan Is Complimented

Miss Joan Bryan, bride-elect of Tommy Fletcher, was honoree at a shower-tea Monday afternoon in the home of Mrs. Aldon Bell, 818 S. Baylor. Hostesses for the courtesy were Mrs. O. C. Shearer, Mrs. J. W. Sims, Mrs. Jim Depew, Mrs. Rupert Allen, Mrs. Dempsey Malaney, Mrs. Clarence Neufeld, Mrs. Gertrude Tallman and Mrs. Bell.

Arrangements of spring flowers decorated the receiving rooms. Hostesses alternated at receiving and registering the guests. Miss Roberta Fletcher presided at the guest register.

The tea table was laid with a cut-work linen cloth and appointed with crystal. An arrangement of blue and white daisies flanked with yellow candles centered the table. Dainty tea napkins imprinted with "Joan and Tommy" completed the table decorations. Mrs. Louis Bryan and Mrs. Paul Fletcher presided alternately at a crystal punch service.

Approximately one hundred called during the afternoon.

Copper Tooling Is Studied By McMillen Club

Copper tooling was demonstrated by Mrs. Vrtle Faries at the meeting of the McMillen home demonstration club, May 24, in the home of Mrs. Paul Hardy.

Each member completed a picture. Those present were Mrs. Eliza Winfrey, Mrs. James Hardy, Mrs. L. B. Faries, Mrs. Clyde Herrington, Mrs. Lester Barnes, Mrs. Ralph Pattison, Mrs. Ellis Matthews, Mrs. Frank Gipson, Mrs. E. G. Blackwell, Mrs. Willis Hardy and Mrs. Paul Hardy.

(Society Continued on Page 2)

## B. and P. W. Club Meets Thursday

The regular monthly program of the Business and Professional Women's Club was held in the Harvester room of the Hotel Coffee shop on Thursday evening.

The theme for the program was "Measure up to B&PW." The program opened with the B&PW club song. The group then sang an "Opening Prayer," which is sung to the tune of "Now The Day is Over." A poem, "This One Thing I Know," by Hilda Jane Walters was read by Maudine Leslie, program leader. Bertha McNally, representing the education and vocations committee, gave an interesting talk on "Beauty Contest Features Brains and Talent" and also discussed "Educating Women for What." These articles were from the Independent Woman magazine.

Mary Watson Jones gave an interesting talk on mental health. An article, "Legislative Lagniappe," by Geneva F. McQuatters was presented by Maudine Leslie.

Dorothy Wilson spoke on "A Woman Banker Looks at Women and Their Money."

The meeting closed with a round table discussion of "A Community-Club Analysis of our town." Employment problems versus local industry was discussed also what our girls ages 14 years and up in school and what could be done to make them like school.

Those present were Maudine Leslie, Hulda Schmidt, Nellie Bryan, Moira Caldwell, Winnie Young, Celta Anderson, Mary W. Jones, Nan Perry, Nancy Lee, Mozelle Parr, Bertha McNally, Genivieve Clennan, Dorothy Wilson and a guest, Mrs. Billing who is a Red Cross nursing instructor.

The next club meeting will be Thursday, June 7 at 6:30 p. m. at the Hotel Coffee shop. This will be a combined business and

## McMillen-Waka Clubs Meet May 23

Nine members of the McMillen home demonstration club were guests of the Waka Club Wednesday, May 23, in the home of Mrs. C. J. Frantz, Jr., with Mrs. Jack Hendrix and Mrs. Carl Scroggs, co-hostesses.

Following the business, recreation was led by Mrs. Marvin Groves. She presented some very interesting and varied games. Mrs. Alvin Klotz gave a comical reading on "Taking a Trip."

An exhibit of handgadgets in the home was studied. Several new ideas were discussed.

Delicious refreshments were served to Mesdames Frank Gipson, L. B. Faries, Lester Barnes, Ralph Pattison, Ellis Mathews, James Hardy, E. G. Blackwell, LeRoy Reeves, Allen Dennison, Alvin Klotz, Marvin Groves, Irvin Molesworth, Jack Hendrix, Harley Elledge, J. R. Stump, Carl Scroggs and the hostesses.

The Waka club will be guests of the Modern Priscillas in the home of Mrs. Leonard Barlow June 13. Everyone is urged to attend.

program meeting with a chart on World Affairs to be presented by the club committee chairman. Also there will be entertainment. Members are asked to bring guests.

Mrs. J. H. Nagel, Follett, is visiting in the home of Mr. and Mrs. Louis Seedig, 1305 South Eton.

## Eleven Receive Exemplar Degree Wednesday Evening

On Wednesday evening, May 23, in the home of Mrs. G. L. Kengle, 902 S. Grinnell St., eleven members of the Beta Phi Chapter of Beta Sigma Phi sorority, received their Exemplar degree and were made members of the Xi Lambda Chapter of the sorority.

The ritual table was covered with a ritual cloth and decorated with the sorority flower, yellow roses flanked by yellow candles in black holders.

Mabel Halsey conferred the Exemplar degree.

At this meeting officers for the coming year were installed. The new officers are: Pauline Woodward, president; Helen Hergert, vice president; Jean Blank, secretary; Maurine Bostick, treasurer.

Following the installation of officers refreshments were served from a table centered with white peonies in a silver bowl and silver candelabra holding yellow tapers. Mrs. D. D. Shanks, an honorary member, presided at the punch service.

Attending were Barbara Austin, Lena Mae Brillhart, Dorris Chase, Ruby Hocking, Doris Harlow, Jane Hudson, Polly Holmes, Betty Shackelford, Wilma Schuster, Billie Taylor and Gwen Wade, new members.

Honorary members present were Mrs. D. D. Shanks, Mrs. H. C. Sanford and Mrs. A. J. Kelly. Others present were Opal Ar-

cher, Mabel Halsey, Viola Miller, Eulene Brillhart, Pauline Woodward, Violet Hergert, Helen Hergert, Maurine Bostick, Juanita Brillhart, Moira Caldwell, Sylvia Boxwell, Glenna Bell, Nelda Rose Sanford, Jessie Sims, Helen Watson, Leona Headie, Beth Fuelscher, Marcella Hoyt, Mary Jane Luthi, Carol Jines, Lorene Richardson, Alta McGarraugh and Hazel Pearson.

## Modern Priscilla H. D. Club Has Weiner Roast

Members of the Modern Priscilla home demonstration club and their families enjoyed a weiner roast, at the County park, Saturday evening.

Those attending the evening were Mr. and Mrs. Leonard Barlow and children, Mrs. John Huston and children, Mr. and Mrs. Harry Reimer and children, Mr. and Mrs. Harold Frank and children, Mr. and Mrs. Troy Derryberry and children, Mr. and Mrs.

# KAS POLL Texans Agree With Mac Chinese Situation

JOE BELDEN  
The Texas Poll

General MacArthur's views that hitting the Communists outside of the Korean peninsula is likely to bring Russia into the fight. But the Truman administration estimates that spreading the risk of spreading the war to Korea. A public opinion poll of the most-debated question of the day was just completed by the Texas Poll reveals that the state has not a degree of apprehension. President and General MacArthur and Bradley have pressed. Only one out of five adults believes one of General MacArthur's views would provoke the conflict. To opinion on the debate by the dismissal of the interviewers asked a series of people, first, six steps we should take. Last week, in the series of reports, the reported that the ma-

majority of Texans would extend military operations further than the United States and the United Nations have been willing to go, although not as far as MacArthur advocates. Then the interviewers asked:

"Now, some people say that if we did some of those things we would provoke the Russians into a war against us. Aside from what you told me we should do, which of these actions by the United Nations forces do you think would cause Russia to get into the fight?" Here are the statements the respondents had before them, and the percentage saying each would provoke the Soviets:

- a. "Take all our forces out of Korea and stop the fighting there," 4 per cent.
- b. "Continue fighting in Korea only, until we win or can reach an agreement with the Chinese Communists," 6 per cent.
- c. "Order our naval and air forces to keep war supplies from reaching or leaving Chinese ports," 10 per cent.
- d. "Give supplies and materials to the Chinese Nationalists on Formosa so they can attack the Communists on the mainland of China," 9 per cent.
- e. "Have our air forces bomb Chinese cities and supply bases, but not with the atom bomb," 13 per cent.
- f. "Use the atom bomb against the Chinese," 32 per cent.

None of these would provoke Russia, 19 per cent.  
Don't know, 23 per cent.

Some persons singled out more than one of the above steps. Steps c, d, and e are approximately what MacArthur proposes, and 26 per cent of the people pointed to one or more of these three as likely to get us into a war with Russia. The survey had to be completed before Marshall and Bradley had told Congress that they believe such steps too dangerous at present. The influence of their testimony on the public will be measured by subsequent surveys.

As the Poll indicated last week, the great majority of Texans condemned Truman's dis-

CONCRETE FOR SWIMMING POOL—Among the improvements being made at the Perryton swimming pool this week is the replacement of the runway at the south end of the pool with new concrete. Above is Johnny Ferguson, of the Ferguson Ready-Mix Co., supervising the pouring of the concrete. The pool will open next Tuesday.

missal of the Far Eastern Commander, but disapproval of the President's action does not mean the general's ideas are accepted by the same majority. In fact, only a minority would go along completely with MacArthur.

Again, approval or disapproval of the dismissal does not necessarily make people side with Truman or MacArthur on how far it is safe to go in Korea. Among those who approve of the firing, 36 per cent think Russia will jump in if we do what MacArthur wants; among those who disapprove of the firing a smaller number, 24 per cent, believe the general's proposals would provoke Russia. So it is obvious that the difference is not great; that up to the time of the survey most people thought some extension of the Korean conflict would not bring on a major war, regardless of their opinion of Truman's removal of MacArthur.

Russian propaganda has been insisting that the United States is filled with warmongers. And there is evidence that even in nations friendly to this country, many people seriously believed Americans "want war," our actions in Korea apparently being a demonstration of this desire.

This survey produces some interesting results that expose the absurdity of such an idea—even among Texans, who tradition and public opinion surveys have usually branded as somewhat more belligerent than their fellow-Americans. The poll shows that only 25 per cent want to blockade China while at the same time believing that would cause war with Russia; only 24 would aid the Chinese on Formosa thinking that would bring on such a war; and only 23 per cent would bomb the Chinese outside of Korea while believing it would cause such a war.

## To Produce Own Eggs

McNARY, Ariz. (AP)—The federally operated Williams Creek trout hatchery here is planning to produce its own trout eggs beginning next year. For many years this hatchery, as well as State hatcheries, have depended on eastern trout hatcheries for their supply of eggs. The new arrangement is expected to reduce cost and provide eggs that are becoming scarce. Brown and rainbow trout will be produced.

## Who's Fooling Who?

There are some thoughtful paragraphs in T. E. Johnson's column in the Amarillo Times, currently taking apart the rate increase application in Amarillo by the Southwestern Bell Telephone Co. We think some of these matters should be considered by the city council in Perryton's rate increase application.

There are increases, as proposed by the Southwestern Associated Telephone Co., affect only the regular telephone subscriber and not the toll or miscellaneous charges.

Perhaps the company needs a rate increase. Every other utility across the country is asking for one, and Perryton is probably no exception. We don't believe the council will grant the terrific boost that the company asks, however. Amarillo recently granted a 43 per cent increase, which was less than the 55 per cent asked for, and Wichita Falls ended up with a 28 per cent increase instead of 50.

The telephone company, according to a statement of annual net income filed with the city council, had \$37,534.83 in total operating revenue under the present rates. By boosting the local service revenue \$20,500 per year under proposed rates, and leaving toll service revenue and miscellaneous charges as is, the company wants to boost the total operating revenue to \$107,934.45.

In doing this, the total operating expense would rise from \$81,099.68 to \$90,793.51, leaving a net operating income of \$17,140.94 instead of the present figure of \$6,435.15.

Here is the part that interests us: The only item of operating expense expected to be raised under the proposed increase is the matter of federal income tax, which would go from \$1,366.35 to \$10,860.18.

In other words, on an additional \$20,000 income, the company expects to pay out an additional \$9,500 in federal income taxes. Since they paid less than 2 per cent of their operating revenues out in federal income tax this year, we can't see why they would pay out nearly half of the new revenue in income taxes.

## Educators vs Private Enterprise

Perryton schools lost another outstanding young educator this week to private business. Jack Anderson, principal of our high school is entering a Clovis N. M. business firm.

Seems to us that though our present pay schedule and benefits are above average for qualified school men, that we may have to start competing with business to draw from them individuals of worthy character and educational background to maintain our scholastic standing.

## Common Sense Should Teach Us

Old man summer sun is making his appearance more prolonged, each day. Now is a good time to review a few common sense rules against sun burn and heat stroke.

It's a known fact that too much sun-bathing is very harmful and the same applies to too much hard work in the sun without proper dress and diet.

Let's enjoy the sun this summer and not suffer from it.

## Veterans Forum

Q. I am a teacher, and I took a graduate course last summer under the GI Bill. This summer I want to take another, but it won't start until after the July 25 cut-off date. Will I be permitted to do so?

A. Yes. Since you were in training in the Summer of 1950, you may start your second course at any time during the Summer of 1951—either before or after the cut-off date. However, teachers beginning GI Bill summer schooling for the first time in 1951 must be in training by the

## Wants International Banking Adopted

(Ed. note: The Wolf Creek Philosopher discusses banking again this week, a subject as foreign to him as hard work.)

Dear editor:  
For a long time now I've been admiring the international system of banking and have repeatedly wondered why we can't have some like it here in Ochiltree county.

This mornin I picked up a copy of a newspaper which my dog brought in from my neighbor's house. I been training that dog for four years to retrieve papers and while he's brought in everything from tin cans to plow points, this was the first time he turned up with a newspaper and I took it out to the shady side of the barn and read the latest thing on the international banking system.

According to this article, Russia owes the United States two and a half billion dollars and has since the last war when we was allies. Four years ago the U. S. started negotiations, suggestin Russia pay up. Well, the thing has now dragged along them four years and we ain't no nearer a settlement now that we was when we started. Wantin to do the right thing, we cut the price from two and a half billion to one and a third billion, no use been hard-headed. Russia didn't budge. So then we went into a diplomatic huddle and cut it to one billion, droppin

cut-off date, if they want to continue during succeeding summers.

Q. I went to a private hospital to get treated for a service-connected ailment, and I paid the bill myself. I did not have instructions from VA to report to the private hospital. Is it possible for VA to reimburse me for my hospitalization expenses?

A. The only way in which you could be reimbursed would be if all three of the following conditions had been met: treatment for the service-connected condition must have been rendered in a medical emergency; government facilities must not have been feasibly available, and delay in providing treatment would have been hazardous.

Q. I want to get a GI loan to buy a four-unit house, and live in one of the units. May I do so under the GI Bill?

A. Yes. You may purchase up to a four-family house, provided you live in one of the units.

## He Doctored the Ball

NEW YORK (AP)—Roger (Doc) Crater, one of the great outfielders in the history of the major leagues and a member of the "2000 Hit Club," once led the Blue Ridge League in batting. That was in 1929 when Doc was a member of the Martinsburg team. He batted .404.

the third, and then, figurin maybe the word billion was undiplomatic, we cut it to 800 million. But Russia just sits tight, sayin 240 million is all she'll pay, says the stuff she bought with that money is now depreciated almost down to nothin anyway, and the two countries is still arguin about it.

Now what I want to know is why some bank around here don't rise up to the international level? Say I borrow \$100, on account of me and the bank is allies in the fight against weeds and I need the money desperately to hire hands. Then this fall when the note comes due, the bank would start international negotiations with me, and after four years of this would cut the loan down to \$50, then down to \$30, and make a final offer of \$15, while all the time I was holdin out for payin only \$2.50, pointin out the weeds the original \$100 was used to get rid of has long since come back and is now ranker than ever and no right-thinkin man would expect me to pay in full. Come out and look at the weeds, if you don't believe it.

I tell you, the international system would be the salvation of a lot of people. It may be hard on the lender, but it sure is fine for the borrower.

Yours faithfully,  
J. A.

## From The SIDELINE with HAROLD HUDSON

Beyond a doubt, the Southwestern Associated Telephone Company has the poorest public relations of any corporation within our knowledge. A sample of this is the heated public reaction in Perryton to the application for rate increases locally.

When the Community Public Service Co. asked for rate increases on electricity, which, incidentally, were considerably less than the telephone company's, there was little discussion to be heard on the street.

When the telephone company asked for a rate increase, there was plenty to be heard and much of it not available for print.

Why is this? We don't know. Perhaps it is because the company rocked along in Perryton for 25 years without giving any service at all (hand-wound phones) and that even with the new efficient dial system, the people still have a bad taste in their mouths.

A story last week told about the help the Air Force at Amarillo gave Boys' Ranch during the heavy rains when the ranch was cut off from the road without food supplies. A lieutenant and three enlisted men drove two trucks through the high water, over dirt roads, to carry supplies to the boys. The thing that struck us was that the executive officer of the base, Colonel A. J. Mason, was praised for sending the trucks, but the shavetail and three enlisted men didn't even get their names in the papers even though they were the ones that did the hard work. That's the way we always found it in the Army.

Capt. Bill Cone, recently called back to the Air Force, visited us Saturday and for the benefit of other reservists, says it's the same old Air Force. The day he arrived at Tinker Field, he heard latrine rumors that his outfit was being shipped out. About the only difference he can detect in the Air Force is that they've re-num-

bered some of the AR's.

A popular theme running through the ladies magazines that keep turning up at home is that a successful man usually has a pleasant home, and a loving, helpful wife to help him be successful in business.

Our observation is that this ain't necessarily so. We would be willing to bet that a large percentage of "successful" men, such as corporation presidents, etc., have a nagging wife and an unpleasant home. It is this kind of guy who will do almost anything even to hanging around the office at night, to avoid going home.

In the course of putting in so much overtime, the man with the unpleasant, nagging wife, winds up as president of the company in no time at all. The old boy with the ever loving wife who beats it home at the stroke of the clock at the end of the day is apt to wind up in the same old position from now on.

One of the ladies magazine Friday.

has as its slogan, "Never Underestimate the Power of a Woman." We'd say, "Don't Overestimate It, Either."

We have here a news release from the U. S. Department of Labor saying that wage rates for farm workers may go up to 95 cents an hour or the equivalent to that amount at piece rates without becoming the concern of the Wage Stabilization Board. How nice.

## Winner All the Way

PINEHURST, N. C. (AP) — The North-South Open golf championship of 1948 at Pinehurst will go down as a milestone in the golfing career of Julius Boros. He finished as low amateur and tied with Sammy Snead two strokes back of Tony Penna's winning total. At this tournament Boros also met Ann Cosgrove who is now Mrs. Boros.

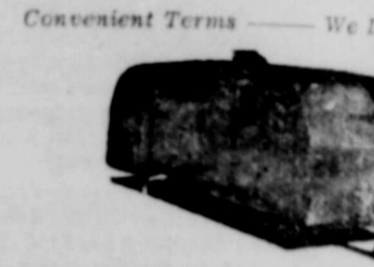

Mrs. Beulah Stark and her grandchildren Billie and Gary were at Carlsbad, New Mexico last week from Tuesday until Friday.

Mrs. G. W. Lindley of Amarillo was a guest in the J. H. Stephenson home Wednesday and Thursday.

Mr. and Mrs. J. G. Cook of San Antonio visited friends in Perryton Thursday and Friday. Mr. and Mrs. Cook and family are former Perryton residents.

● East of Boyd

We have been having pleasant weather with a few light showers last week. There was some hail damage to wheat in a rain Monday evening.

The Bible School at Anthony last week was well attended and the children presented a nice achievement program Saturday night.

Some of those shopping in Liberal Saturday were Mr. and Mrs. Johnnie Davis and sons, John Davis, S. A. Boileau, Mr. and Mrs. Lewis Whittle and children, Mr. and Mrs. Earl Watkins and girls, Mrs. Aldeen Rodgers and sons, Mrs. Marilyn Rowbotham and daughter.

Miss Rosalee Gift, Beaver, has been visiting with her great uncle and great aunt, Mr. and Mrs. John Winter. Rosalee graduated from the eighth grade recently at Beaver.

Neal Gift, who has been working for Earl Watkins, spent Sunday at his home in Beaver.

The Kingwood Oil Co. has begun to move in machinery at the site of the new oil test located about four miles northeast of Boyd.

Mr. and Mrs. George Kirton and Jerry visited in Woodward Sunday.

John Beck and daughter, Helen, and Mrs. Marilyn Rowbotham and Patricia came from Beaver Thursday and visited at Aldeen Rodgers. Mrs. Rowbotham and Patricia had been visiting in Beaver for ten days.

Mr. and Mrs. Arthur Stiekler and family are the proud owners of a new Mercury which they bought at Perryton Saturday.

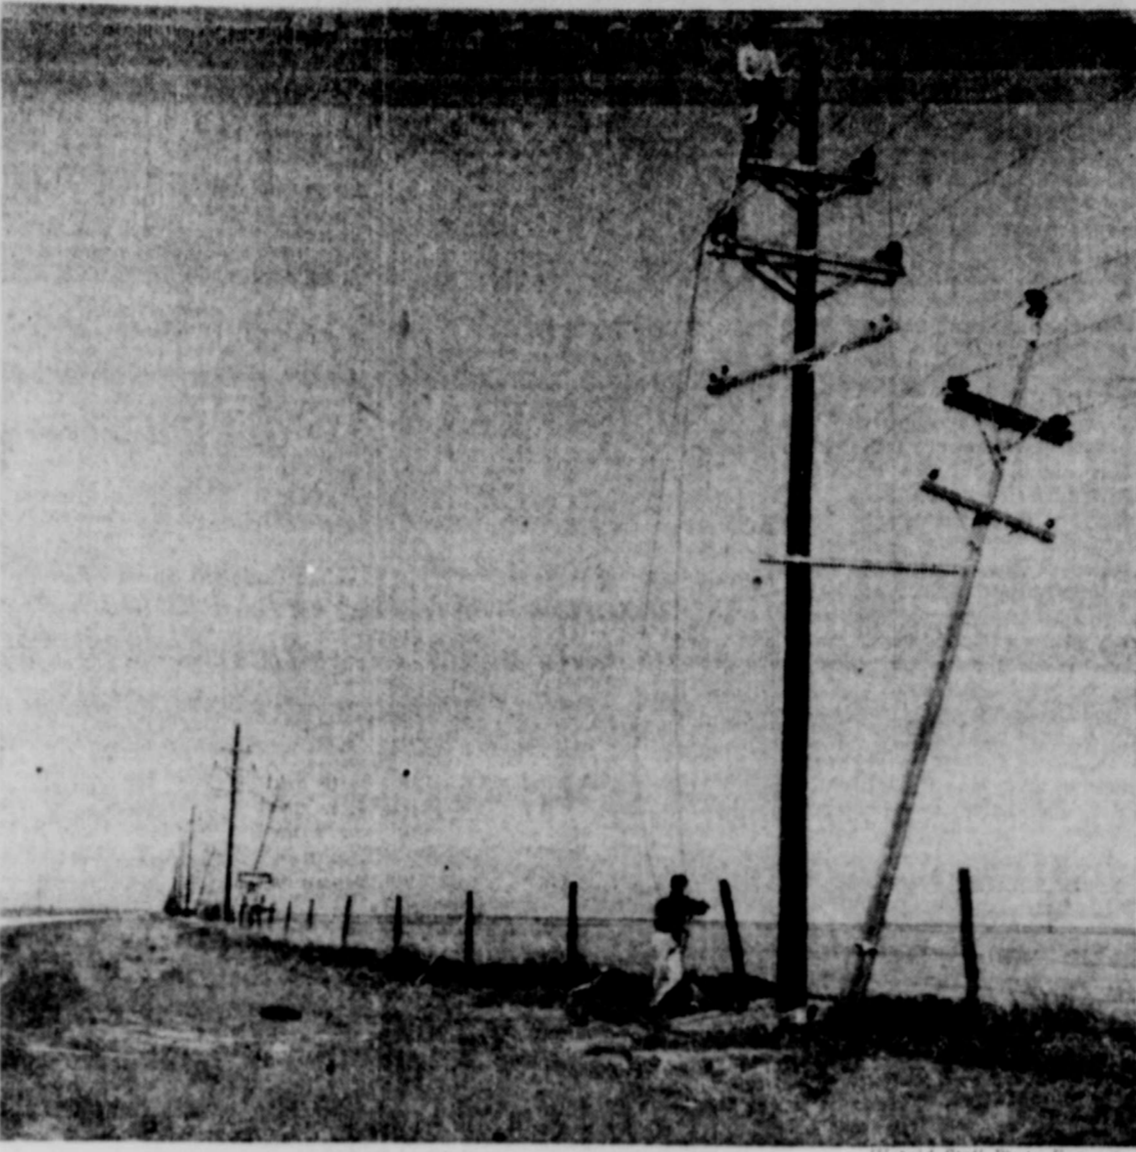

Mr. and Mrs. John Winter and Rosalee Gift shopped in Perryton Thursday.

Mrs. George Kirton was in Beaver Friday.

Mr. and Mrs. Lester Janzen, who have been attending college in Goodwell, will spend the summer at home.

Miss Barbara Law, a former resident of Boyd, was among those who graduated last week from Liberal high school. She is the youngest daughter of Mrs. G. H. Law and the late Mr. Law, for many years residents here.

We were also glad to hear of the graduation of Faye Marie Beck of Perryton who is a grand-

NEW POWER LINE—Royce Morris, on the pole, and Verl Powell, standing, are Community Public Service Co. employees engaged in erecting a new transmission line east from Perryton. The new poles and lines east of town are a continuation of the project started last year by the company between Perryton and Spearman. Better power service to Booker, Darrrouzett, Follett and other points east will result when the lines are completed.

SHAVE—Little Georgie Murphy, 2, Wichita Falls, found that this big buzz saw was not a proper plaything. He cut the structure of the saw for 45 minutes. Assistant Fire Division (left) and Chief Thurston Harvick did a dismantling of the machinery as City Detective O. B. Mullins held the boy's leg while he was released unharmed.

From where I sit... by Joe Marsh  
Just "Can't Get Over" Easy's Fence

Some time ago, Easy Roberts had the idea of hedging his property line. He was getting pretty tired of the idea. He had plenty of people who would drive by Easy's place and look at those roses. Most of them thought you ever saw. The hedge is a foot high now, and at the foot thick—even a shoat can't get through that prickly shrubbery. Best of all, it cost less than ordinary fencing. (Might be well worth your while looking into.) From where I sit, there's no sense in looking down on something just because it's different from what we like. For instance, some people think ice-cold lemonade's the best "cooler-offer" on a hot day. Some of us would rather have a glass of beer. The important thing is not to "hedge ourselves in" against other people's ideas and preferences.

Joe Marsh

daughter of Mr. and Mrs. R. C. Pyle of Boyd, her mother being the former Bernice Pyle.

Mrs. Melissa Rainey has been staying with Mrs. George Barr in Liberal. Mrs. Barr is a former resident of northeast of Boyd. She has been seriously ill this spring but is somewhat improved. She is unable to do her household work.

Richard Barnes, grandson of Mrs. Mabel Barnes, arrived at Boyd Friday. He has seen several months of service in Korea and was wounded last winter.

Mr. and Mrs. Emmitt Nichols and Elta Mae and Patsy visited in Perryton with relatives Sunday.

Mr. and Mrs. Harvey Stiekler, Mr. and Mrs. Roy Stiekler, Jr., and Bruce of Turpin visited at Arthur Stiekler's Sunday. Royce Rodgers also visited with Arthur Stiekler, Jr.

Callers at Aldeen Rodgers Sunday were Mrs. Arthur Stiekler, Joan and Teddy, Mrs. Roy Stiekler, Jr., and Bruce, Mrs. Harry Stiekler, Mr. and Mrs. Emmitt Nichols and family, Mr. and Mrs. W. H. Williams.

Lucky 13th  
EAST LANSING, Mich. (AP) — When he annexed the 167-pound NCAA wrestling championship, Gene Gibbons became the 13th national champion produced by Michigan State mat coach Pendley Collins.

Mr. and Mrs. Carl Ellis and Mr. and Mrs. Drew Ellis and Carl Wilson flew to Ft. Worth Saturday to attend the graduation exercises of Danny Ellis. Danny will receive his degree from T.C.U. Monday evening.

Wild Potato Origin Is Mystery

VANCOUVER (AP) — Indians in the British Columbia interior harvest a wild potato small and slender, and sometimes called lady fingers. The flesh is yellow and the flavor resembles the sweet potato.

W. A. Faulkner of Lytton says that apparently centuries ago natives of Chile and Peru journeyed northward in their canoes to what is now British Columbia.

They brought their native foods and vegetables and introduced them to Indian tribes.

However, Dr. V. C. Brink of the University of British Columbia says he believes the potatoes were introduced about 1850-60 by Scandinavian trappers and miners.

Mrs. O. C. Rogers, Linda Rogers and Mrs. Rogers' mother, Mrs. J. M. Mullin of Borger visited in Amarillo Saturday and Sunday.

Good Health In Hot Weather Is Personal Choice

AUSTIN, Texas—“Good health in hot weather may be largely a matter of personal choice,” according to Dr. Geo. W. Cox, State Health Officer, as he called for Texans to take life as it comes in summer and live with it as comfortably as possible.

“These modern scientists can drop ice from airplanes to make rain, and they can forecast weather several days in advance, but nobody has figured out a way to keep the thermometer from rising sky high in a hot summer afternoon,” Dr. Cox said.

“Therefore, Dr. Cox continued, “a few common sense practices will help us to live with summer and like it. Texas summers are hot and the hottest part is still ahead, so one needs to remember certain things that are good hot weather practices.

“For example: drink plenty of cool (not ice) water; eat moderately of simple, but a wide variety of foods, exercise daily in the fresh air and have plenty of air in sleeping rooms; take a fair amount of salt to replace large losses through perspiration; avoid alcoholic drinks, get plenty of sleep; keep clean; don't worry. Do not overeat.

“One of the essentials of summer comfort is the daily bath to wash away perspiration and with it body wastes eliminated

through the pores, and to relax tired muscles and strained nerves. There is nothing better than a leisurely bath followed by a short rest.”

Derby Day is A May Day

LOUISVILLE, Ky. (AP) — Since 1932 the Kentucky Derby has been run on the first Saturday in May each year, except in 1945. In that year the date was June 9, resulting from a temporary blackout of racing because of the war. In only one other year has the Derby been run in a month other than May. In 1901 the race was run on April 29.

Public Cordially Invited  
Christian Science denounces all evil as unreal in its explanation of the Lesson-Sermon titled "Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced" to be read in all Christian Science churches on Sunday, June 3.

The Golden Text for the week is from the sixteenth chapter of Romans: "I would have you wise unto that which is good, and simple concerning evil. And the God of peace shall bruise Satan under your feet shortly."

Further emphasizing the theme is this command from Jeremiah, "But this thing commanded I them, saying, Obey my voice, and I will be your God, and ye shall be my people; and walk ye in all the ways that I have commanded you, that it may be well unto you."

The Lesson-Sermon will also include this statement from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "The Christian Scientist wisely shapes his course, and is honest and consistent in following the leadings of divine Mind. He must prove, through living as well as healing and teaching, that Christ's way is the only one by which mortals are radically saved from sin and sickness" (page 458).

## A SHRINKING RESOURCE—II Gas Bargain Has Seeds of Regret

AUSTIN, Texas — Old timers described the treeless Texas plains as a place "where the wind draws the water and cows chop the wood."

This was a way of saying how poor were the fuel supplies. Windmills still draw water. But most folks now just turn a handle on the gas stove to get all the fuel they want. Some even have devices to turn the stoves on automatically.

The cowchip burners are scarce now.

Texas has become a natural gas state. With gas has come the golden era of Texas industry.

Now, some who recall the state's fuel poverty are worrying that it could happen again.

Natural gas is like a will-o-the-wisp. Once released from captivity, it is gone forever.

Already, Texas' gas-fired industrial boom is slowing down. Plant owners in recent months have looked in vain for new gas supplies along the coast, where industry has invested billions of dollars.

Gas is Texas' trump in the industrial game.

If it ever plays out—Pennsylvania miners might sell us coal. They might even send back artificial gas through the pipelines now hurrying Texas gas to market.

Much Texas gas goes to the Appalachian country, which has

coal enough for 2,000 years. Industries and housewives there prefer Texas gas, when they can get it. And they are getting it just as fast as lines can be laid.

Some day Texas may regret it. Four years ago, the experts figured the United States gas supply would last forty years. Now they estimate twenty-seven years. The expected limit on present Texas fields is twenty-five years.

This life span is shrinking in the face of increasing discoveries of natural gas. Texas reserves, now estimated at 102 trillion cubic feet, are double the 1940 total. Still, the expected span of the Gas Age declines steadily.

The situation is like a man burning his candle at both ends. If Texas produced two trillion cubic feet of gas a year from a 100-trillion supply, it would last fifty years. The same supply would last ten years if the production hit the trillion feet.

Five years ago, export pipe lines took 421 billion feet of gas from Texas. This year, they plan to remove 2,000 billion.

Gas industry spokesmen say there is nothing to fear.

But listen to Chairman Olin Culberson of the Texas Railroad Commission:

"If I were building an industry today I would put it in Pennsylvania or New York—at the

## Truckers Pay \$82,500 Fines During April

AUSTIN — County and State highway funds were enriched by more than \$82,500 during the month of April, according to the monthly activities report just released by Kent Odom, Chief of the Department of Public Safety's License and Weight Division.

The report shows 2,147 truck owners paid fines during the month for overloading, operating under-registered vehicles, using unsafe and faulty equipment on the highways and for miscellaneous offenses. There were 1,973 arrests during the month of March, 1951.

Since September, 1950, the beginning of this fiscal year, 16,086 arrests have been made by the Public Safety Department's 33 license and weight inspectors and more than \$668,000 in fines and additional registration fees have been collected. Over \$228,000 of this amount was collected from truck operators whose more weight than the law has been licensed to haul.

Pte. Charlie Brown and Merle Cudd visited trucking friends in Perryton last week end.

Since September, 1950, the beginning of this fiscal year, 16,086 arrests have been made by the Public Safety Department's 33 license and weight inspectors and more than \$668,000 in fines and additional registration fees have been collected. Over \$228,000 of this amount was collected from truck operators whose more weight than the law has been licensed to haul.

"The most damnable part is that export lines are tying up Texas reserves. Some day this state will wake up to the fact that its gas supplies are being tied up for fifteen, twenty years or longer by pipe lines serving other states."

"It will be a sad day for Texas when it can't buy enough gas for its home folks, because interstate lines bought up the supplies."

## Methodist Church Installation Set

The First Methodist church will hold an Installation Service at the regular Sunday morning service on June 3 for the incoming officers of the Board of Stewards and Women's Society of Christian Service.

The service will be one of deep significance to the life of the church for the coming year, and a service of dedication to those who will be installed, stated Rev. Lloyd H. Jones, pastor.

The public is invited to attend.

## Receives Degree

Mrs. F. A. Records received her bachelor of business administration degree on May 21 from Texas Technological College.

She is the former Miss Marjorie Thompson of Borger.

Her husband, son of Mr. and Mrs. Paul Records of Perryton, will receive his engineering degree from Tech in August.

Mr. and Mrs. O. W. Dunkle and sons, Steve and David were week end guests of Mrs. Dunkle's parents, Mr. and Mrs. C. R. Patton of Higgins.

**"Blessed Are the Peacemakers"**

JESUS went up into a mountain, and His disciples came to Him. And He taught them, saying:

"Blessed are the poor in spirit: for theirs is the kingdom of Heaven.

"Blessed are they that mourn: for they shall be comforted.

"Blessed are the meek: for they shall inherit the earth.

"Blessed are they which do hunger and thirst after righteousness: for they shall be filled.

"Blessed are the merciful: for they shall obtain mercy.

"Blessed are the pure in heart: for they shall see God.

"Blessed are the peacemakers: for they shall be called the children of God.

"Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of Heaven.

"Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake.

"Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you."

## How can you Tell till you Try It?

**T**HE days and weeks are slipping by — and what have you done about it?

What have you done to find out how it feels to handle a high-powered and high-spirited '51 Buick?

We'll tell you this. In all the years that Buick has been building fine automobiles, there's never been the match for this one.

This is a car that likes to be compared—for power, for performance, for ease of control, for ride, and room, and comfort.

We can tell you its valve-in-head Fireball power sinks you back in the cushions at the touch of your toe.

We can tell you it's nimble-footed in traffic, or that it conquers hills with smooth and exultant momentum.

We can tell you it hugs the road and holds the curves as if it were drawn by an invisible magnet.

We can tell you that it has big, soft coil springs on all four wheels—or that its gas mileage will put a smile on your face.

We can tell you that Dynaflo Drive\* will spoil you for any other type of power transmission.

But you'll never know till you try for yourself what all this really means.

How about coming in for a sample? Once you've experienced all this for yourself, the modest price tags on Buick SPECIALS, SUPERS or ROADMASTERS will look like a double bargain.

\*Standard on ROADMASTER, optional on other Buicks.

Equipment, accessories, trim and models are subject to change without notice.

When better automobiles are built BUICK will build them.

Optional equipment, accessories, trim and models are subject to change without notice.

### News From ANTHONY

Mrs. Carl Carter (Two Weeks)

Mrs. John Morris and Mr. and Mrs. Jim spent Mothers Day in Morris home.

It rained all week so we did much visiting. Records we had from 8 days of rain out our way. Had another washout. The culverts and bridges are again. We can plant crops now though.

Mrs. John Davis went on Thursday visiting. It is impossible to get to Perryton over there because of the waters.

Howard of Douglas, visiting in the home of Mrs. Lester Pyle, of Perryton, attended school with Mrs. Pyle.

Ralph Bobbitt returned to Perryton after a week's stay at the home of his grandmother, Mrs. Peck, who has been very ill.

proved. Many of this community remember Mrs. Peck as she has spent several summers in the Bobbitt home. She is living in Pawnee, Okla.

Mr. and Mrs. Carl Carter and family were in Perryton Friday visiting home folks. They called on the O. E. Carters, Mrs. Lorena Kutch, and Mrs. Bill Bridges, Mr. and Mrs. Leroy Richardson, and Syble Phares. Mr. and Mrs. Billie Bridges left the next day for California. Mrs. Richardson is the former Mrs. Estelle Phares. The Carters visited Mrs. Merton Smith, who is in the Perryton Hospital.

Mrs. Leon Morris and Judy attended the Iris show at Liberal Saturday. The show was in the Warren Hotel, and in spite of the rains the flowers were beautiful. Mrs. John Davis attended the show in the late afternoon.

Mr. and Mrs. Lavern Davis and Sue, Mr. and Mrs. Blum Morris, Judy and Jack, and Mr. and Mrs. Carl Carter and Cleta, spent the day in the Jim Wallace home Sunday.

Howard Carter had some of the Perryton FFA boys up Sunday practicing their roping. Those who were here were Laurel Lovett, Don Dietrich and Gene Dev-

RELUCTANT GROOM—Little girls think up the darndest things when vacation comes, and Dale Eldon Barnes, center, was pressed into service this week as a reluctant groom in a play wedding. On the right is the bride, Carol Ann Lovett. Attendants are, left to right, Jeanette Warren, Burley Gee Glasscock and Vonita Rose Glasscock, who performed the ceremony.

Others roping were, Charlie Helton and Billie, Onas Littleton, Floyd Vandeburgh, J. R. Akridge, B. Williams and the Carters.

Mr. and Mrs. John Davis, Mr. and Mrs. Johnnie Davis and sons, and Mrs. Harold Davis and little son went to Goodwell Sunday to visit the Lester Janzens.

Mr. and Mrs. Earl Watkins of Juneau, Alaska have been visiting relatives here this week. They visited with their Aunt and Uncle Mr. and Mrs. R. C. Pyle, their cousins families, Mr. and Mrs. Lester Pyle and daughter, and Mr. and Mrs. Glen Myers, and family.

Anthony Bible School Anthony Vacation Bible School started Monday, with an attendance of 34 children and 13 teachers and instructors present. Rev. Ralph Renfrow and Mrs. Renfrow are assisting with the school. Today, Tuesday there were several other mothers and helpers present with 2 more children on the roll too. Those who have started were not bluffed any by the storm clouds and rain. We hope to be able to report a good average next week.

Rev. and Mrs. Renfrow enjoyed staying in the various homes of the community during their teaching in the Bible school last week. They stayed in the Carl Carter home Monday night, had lunch with the Leroy Bobbitts at noon Tuesday, stayed in the Vernon Ratzlaff home Tuesday night, had lunch in the Johnnie Davis home Wednesday noon and stayed in the Glen Myers home Wednesday night. Thursday

noon they had lunch in the Vern Davis home but went home Thursday evening so as to have prayer meeting in their own church that evening. Friday noon they had lunch with the Ralph Bobbitts. Saturday evening they had the evening meal with the John Davis, before the final Bible school program in the evening. Anthony not only enjoyed the Ralph Renfrows but the Renfrows enjoyed being in the Anthony community they told us.

The Ralph Bobbitts and the Leroy Bobbitts and Leslie Bobbitt had their cattle tested and neighbors helped them work them Thursday.

Friday was the last day of the vacation Bible school at Anthony for this year. The week closed with an average attendance of 57 teachers and children combined, and a total of \$26, which will be sent to Boy's Ranch of Amarillo, Texas, as has been the custom every other of the three years of the school. We all feel it was a great success. The children enjoyed a weiner roast Friday evening after the classes had dismissed. The achievement program was set to be Saturday night. All the parents and friends were invited and, we had a house full. The different classes of children gave their memory verses and at least two songs which they had learned during the week. The awards of merit were given out at the close of the program. The children are already talking of what they will learn next year at Bible school.

Mr. and Mrs. Carl Carter, Cleta and Howard, were visitors in the Merton Smith home Sunday. During the day they went out to the Peckenpaugh lake to see the terrible body of water that has taken the old family home over. Some rode up to the house in the motor boat that Charles Peckenpaugh, Jimmie Hall, and Mr. Peckenpaugh were taking household items out in. That is quite a feeling to ride down the road in a boat that is usually traveled by car. The water has gone down some 9 or 10 inches in the house but is still between 8 and 9 inches in there. There were several cars of people from over the country there at the beach.

Other visitors in the Smith home during the day were, Mr. and Mrs. Kenneth Kutch and children of Berger, Mrs. Lorena Kutch of Perryton, and Mrs. Sharpless and Mrs. Hargrove of Fort Worth, who are visiting in the Herman Hargrove and John Doores homes in Farnsworth. In the evening the group gathered in the Herman Hargrove home to see the moving pictures that Dudley Hargrove has sent home from Korea.

The ground has dried enough to be in the fields for the first time in weeks so the tractors are really humming today. There

will be lots of grain sorghum planted again this year, but not as much as last year, as there are more fields of wheat in this county now than last year.

Mrs. Carl Carter and Mrs. Leon Morris attended the Meeting of the Beaver Garden club Monday night. The club is the Iris Unit and met in the home of Mrs. Ralph Rector of Beaver. The leader for the evening was Mrs. Lester Conner, and the lesson was on "Flower Arrangements."

Roll Call was answered with "An Iris I Would like to have." Mrs. J. N. Day gave a demonstration of an arrangement of roses.

Mrs. Rector served refreshments to the following members: Mesdames Herman Altman, Roy Bridwell, Dean Calhoun, Carl Carter, Lester Conner, J. H. Curfman, J. N. Day, Rodney Engard, Harry Evans, Kenneth Hartford, Lavern Henson, Ted Lehman, Leon Morris, Eldon Nelson, Ralph Rector and Delmer Shook.

Packard Patritian '400'—most advanced motor car in America. Car details as shown are subject to change without notice.

Newest of them all... and built to stay that way!

Everywhere you look, it's not only the newest new car of the year... but the car most likely to stay that way! Or study automatic drives. Packard—and Packard alone—offers the unequalled smoothness and efficiency of Ultramatic Drive. And here again, there's service-free simplicity that puts this Drive in a durability class of its own. Look into the rattle-proof rigidity of Packard Armor-rib body construction... the lastingly smooth firmness of Packard's own broad-beam suspension system... look deeper than you've ever looked into a car before! You'll know, then, why Packard holds motordom's most consistent durability record. Of all the Packards built—in the last 52 years—over 50% are still in service! Let that be your final clue to the most far-sighted good buy in the automotive field today!

It's more than a car—it's a PACKARD. ASK THE MAN WHO OWNS ONE. FOOTE TRUCK-TRACTOR CO. North Main — Perryton "Come Out Our Way — Trade Your Way"

# ON THE HOUSE

By DAVID G. BAREUTHER, AP Real Estate Editor

If you don't want to go bug-house in a few weeks, this is a good time to start getting your screens ready. That means a paint job, unless you were wise and did it last fall.

Almost all screens need painting. About the only exceptions are those made of aluminum or plastic mesh—both of which are expensive and now going the way of the dodo under defense restrictions.

Iron-wire mesh—the most common type—whether galvanized or not, needs paint to prevent it from rusting. Galvanized will stand up much longer without paint. But why take chances. A single break in the mesh can ruin an entire screen and rust will do just that.

Copper and bronze screens call for paint to prevent stains resulting from corrosion. Rain dripping from these screens can cause permanent stains if your house paint contained zinc. On straight lead paint, it is possible to wash off the stains with ammonia, but that's another job. Prevention is better.

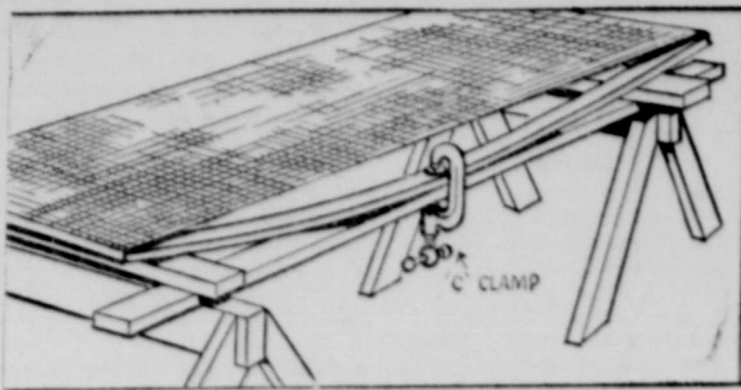

If you want to lighten up your house try a thin coat of white paint on any screen. It will stay white longer on copper if the mesh is varnished first.

Before painting a screen it should be carefully cleaned. Whisk off all loose dirt with a stiff brush. Then wash the mesh by brushing it with strong soap and warm water. Rinse it thoroughly with clear water. Dry

well with a cloth and let stand for further drying.

Some painters wash the mesh with benzine. If you do this, do it in the open! Don't smoke! It's dangerous as blazes.

For painting iron mesh use a good grade of screen enamel. You can get this at your hardware store or local paint supply house. The best time to paint iron screens is in the fall when you take them down, because this will protect them from dampness through the winter and save you the job now when

How To Replace Screen Mesh

To replace broken wire cloth on a screen is not difficult. Remove the molding that holds the old mesh and remove all old tacks. Place the frame on a rack formed in this manner.

Lay two boards or 2x4s a little longer than the screen across two saw horses. Place two shorter 2x4s across these boards directly above the saw horses so the ends of the screen will rest on them. With a C-clamp bend the center of the stiles, or side members of the frame, downward so the screen is bowed. Then tack the new mesh snugly along both end rails.

When the clamps are removed and the screen frame springs back into shape, the mesh will be pulled taut. Then tack the mesh along the stiles, replace the molding. Trim off any protruding wire.

Mark Your Sash

Since no window measures exactly the same, and screens and storm sash usually are planned for tight fits, it is important to number each frame and each window. You can get large headed tacks indented with numbers at your hardware store. Get three of each number, one for the window frame, one for the storm window and one for the screen.

Use I.P.A. Ointment for Impetigo, Pimples, Acne, Eczema, Ringworm. Stops itching at once. Acts like Magic.—at your Drug Store. Guaranteed.

## Anthony Rural Neighborhood Club Meets

ANTHONY—The Anthony Rural Neighborhood Club met Wednesday in the community building for the May meeting which had been postponed due to rain the week before.

Rev. Ralph Renfrow led the group in prayer to open the meeting. Chairman Glen Myers introduced a Liberal veterinarian as guest speaker for the program.

The veterinarian gave a discussion of the Oklahoma state program of vaccination and test for brucellosis of cattle.

The Purina Feed Company sponsored the showing of a picture on the correct way of feeding poultry, hogs and other farm animals.

The guests and community families were served refreshments by Mrs. John Davis and Mrs. Walter Hyatt. Those attending were Mr. and Mrs. Jim Wallace, Mr. and Mrs. Ralph Bobbitt and children, Leon Morris, Vernon Ratzlaff, Mr. and Mrs. Mack McCormick, Leroy Bobbitt, Mr. and Mrs. Floyd Myers, Mr. and Mrs. Carl Carter and family, Mr. and Mrs. Glen Myers and family, Mr. and Mrs. Billie Wilson, Mr. and Mrs. John Davis, Mr. and Mrs. LaVern Davis and the guests.

visitations to member clubs throughout Texas during the year.

## Texan Candidate For National Jaycee President

GRAND PRAIRIE (Sp1)—L. D. Whiteley, Lubbock, President of the Texas Junior Chamber of Commerce, announced the candidacy of William G. McDanel, Dallas, immediate Past President of the Texas Junior Chamber of Commerce, for office of the president of the United States Junior Chamber of Commerce.

His colorful Jaycee career began in Denison, Texas, in 1947, where he served as president of that organization. He served as a member of the Board of Directors of the Dallas Junior Chamber of Commerce in 1948, and in the same year was Vice President of the Texas Jaycees. In the year 1949-50, McDanel was elected to the office of National Director of Texas and United States Junior Chambers of Commerce, and was cited at the close of that year as the outstanding Texas state Jaycee officer and was awarded the Clint Dunagan

Memorial Award in Chicago at the National Jaycee Convention last year, which denoted him as one of the 5 most outstanding National Directors in the United States. In April of 1950, he was elected to the office of President of the Texas Junior Chamber of Commerce, and completed 260

Screen flat—on the floor, on a large table, or across saw horses. One method is to pour the enamel or varnish in a broad, shallow pan. A pie tin often is used. Hold this pan under the screen, or place it under the screen on floor or table. Dab the brush through the mesh into the paint. As the brush works up and down the screen is painted.

Another way to get the paint on evenly and economically is to use a screen applicator. If you can't get one at your paint store you can make one out of a block of 2x4 about the size of a big cake of soap. Tack a piece of carpet over one face of the block with the nap out. Place the tacks in the overlapping ends to keep them from tearing the screen. The applicator is dipped into the paint and brushed over the screen. If you brush both sides, using care not to use too much paint, the mesh should not clog.

Screen frames need painting only every three to five years—about the same as your house.

GAMBLING BILL SIGNED—A Texas taboo went on punchboards as Governor Allan Shivers signed a bill aimed at driving the gambling devices out of the state. At right is Sen. George Nokes of Corsicana, author of the bill. At left is Rep. Jimmy Adams of Mexia, sponsor of the measure in the House. The new law makes it a misdemeanor to own, operate, or exhibit a punchboard. It carries penalties of \$100 to \$1,000 fine or up to one year in jail or both.

## Mellowed With Age

(P) Newsfeatures  
SAN ANTONIO, Texas—At the age of 67 and after more than a half century on the links, Mrs. Edna Lapham is seeking another Women's Texas Golf Association championship.

She plays in the senior division and will be defending champion in that class May 21-26 at Lubbock.

One thing she likes about playing in the senior division is that she finds out how many of her friends admit to 50 years or more. Those under 50 must play in the regular championship class.

Mrs. Lapham has lost count of the exact number of times she has played in the women's tournament and isn't sure whether she has won five or six state titles. But she knows she won her first in 1916 and her last in 1928.

During her 53 years of golf, Mrs. Lapham has seen the game develop from something only for the country club set to a sport for everybody. And she figures the game is 10 strokes better

than when she started her championship play.

Mrs. Lapham still plays 18-hole flights at the Antonio Country Club and has an average in the mid-80s. Her only concession to age use of one of those "Special" scooters used by her around the course.

Mr. and Mrs. A. J. Gaudin attended the wedding at 10:30 a.m. at the home of Mrs. Gaudin.

"I got the story on 50,000 Miles-No Wear and changed to New Conoco Super Motor Oil"

5000 Marshall Rousseau Police Sergeant Harlingen, Texas

"Driving at all kinds of speeds, I've piled up 30,000 miles. I've used Conoco Super in my personal cars, and have had absolutely no engine trouble of any kind."

"50,000 Miles-No Wear!" Proved Here:

After a punishing 50,000-mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

TRAVELING SALESMAN

"55,000 hard, fast miles have been put on my Pontiac, with new Conoco Super," says David Brown, Salesman, Salt Lake City. "That car is still like new—excellent gasoline mileage, oil consumption slight, and no engine repairs."

PIKE'S PEAK TOURS

"Our car makes 2 or 3 trips to the top of Pike's Peak every day during the summer," reports R. P. Finney, Sight-Seeing Service, Colorado Springs. "We use Conoco Super and never have to add oil between 1,000-mile drains."
