# Fillies Capture 4 Spots On All-District Team

COACH BUDDY ABLES gives the Fillies some tips as they battle nip and tuck for a bi-district win over Abernathy. However, the Fillies lost the gallant battle with seconds remaining, with the final score at 50-47.

Four district leading Olton Fillies were this week named to All-District honors and one to Honorable Mention, according to their coach, Buddy Ables.

Chosen for the All-District dream team were forwards Susie Culwell and Donna Hodges; choices for guards were Melanie Cowart and Laurie Gallagher. Kim Barnett was singled out for Honorable Mention.

In winning the District crown, for the second year in a row, the Fillies have broken five existing school records.

Susie Culwell posted a 'best free throw percentage for single season' with 81 percent; besting the 80 percent mark set by Gayle Nicholas in 1963.

Another record, 'most points for single game' was set this year against Sudan with 87 points. The former record was 79 points earned in 1967 against Memphis.

In best team 'points per game scoring' a new school record was established with 55.4, as against the standing record of 53.3 points per game set in 1964.

The 1974-75 Fillies record showing 'best team field goal percentage' of 47.2 exceeds the 1969 record of 45.9.

The team's win-loss record of 25-6 for the season, betters the 1964 record of 22-7.

When questioned about the Fillies prospects for another year, the coach stated that the team will lose eight players by graduation. Of these Miss Culwell compiled an enviable record and becomes the second leading career scorer of Olton High School. Miss Nicholas still holds first place. Miss Hodges' efforts earned sixth place for her in the same category. Miss Gallagher closes out her high school career on the hardwood as sixth all-time-rebounder.

The winning coach states that three junior students and one sophomore remain on the varsity team, and that prospects from the ranks of the B-team are very promising for next season.

Coach Ables' win-loss record with Olton rebounders stands at 42-16. His record for ten years in coaching girls basketball is 176-78.

In Bi-District play Monday night in Hutcherson Center on Wayland Baptist College campus, the Fillies bowed out with a heart-breaking 50-47 loss to Abernathy.

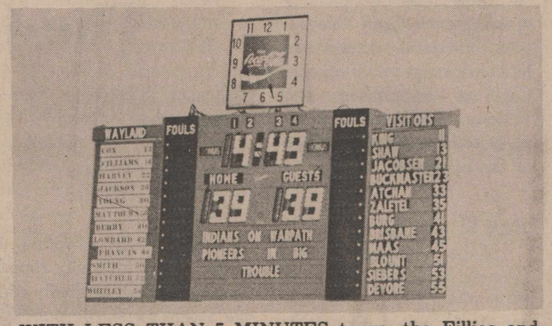

## Donors Named

Addtional contributors (or buyers) who helped make the 1975 FFA, FHA and 4-H Club Stock Show a big success are Elmer Houston, Gerald Elkins, Phil Hughes, Plainview Production Credit and Brown-Jordan Implement of Earth.

If there are others who have still been overlooked, apologies are extended by the Stock Show Board of Directors.

DONNA HODGES, named to All-District team, jumps and shoots as Susie Culwell, another All-District forward, waits for rebound try. Other Fillie in picture is Elaine Rodriguez.

WITH LESS THAN 5 MINUTES to go, the Fillies and Abernathy girls had a brand-new ball game tied up at 39-39.

## Dollar Day Slated By Local Merchants

Bargain hunters will find extra good buys offered by local merchants in Dollar Day Sales Monday, March 3. Shoppers are advised to take note of specials listed in the March 2 edition of the Olton Enterprise.

Hometown businesses will be offering their customers money saving specials for this event. Trade at home, you'll benefit yourself and your home town, too.

Every day prices are also bagains at local businesses. Your home town merchant offers merchandise at comparable prices to those of the larger towns, serves you on a first name basis and depends on your trade in order to be a part in the existence of Olton.

At ORC

## Manager-Pro Named

Recently named Manager-Pro at Olton Recreation Center was Harold Payne of Fort Worth, according to Basil Sherman member of the board of directors of that organization.

"Payne has never previous held the post of course manager" Sherman stated, "But his father was a pro in West Virginia, and Harold grew up on a golf course."

Moving here from Fort Worth, Payne has been in insecticide business and buying and selling golf carts the past eight years.

Mr. and Mrs. Payne will arrive in the city this week. He will assume duties on the local golf course March 1. He will be in complete control of the entire operation of fairways, Pro Shop and concession stand at ORC, but with no responsibility for the swimming pool.

The Paynes are parents of four children. One son is married and makes his home in West Virginia; another son is a college student in the same state. A third son is graduating senior and a daughter a sophomore in a Fort Worth high school. Both will remain in that city for the remainder of the school year.

Under direction of Gilbert Roberson, president, and the board of directors, the Manager's home on the Club grounds has been completely redecorated and made ready for the newcomers.

Payne's arrival for work here will signal a new business for Olton, since he will introduce a Golf Cart Sales and Repair Shop, to serve the entire area.

Area stops are anounced for Friday and Saturday, Feb. 28 and March 1, for the High Plains Bookmobile according to Mrs. Lorene Sooter, librarian.

The Bookmobile will stop in Hart Camp and Fieldton Friday from 1:45 to 2:30 and 2:45 to 3:30 p.m., respectively. The local stop for the traveling library is Saturday from 9:30 to 11:45 a.m.

## Farm Welding Course To Be Held In March

A farm welding short course for adult farmers will be held March 3-6 under the sponsorship of the Olton High School Vocational Agriculture Department, according to Joe Turner, Superintendent, and Tommy Hancock and Lee Moore vocational agriculture teachers.

Royce Hart, welding specialist with the Vocational Agriculture Division of the Texas Education Agency, and the department of Agricultural Engineering at Texas A&M University, will be instructor. He is headquartered at Texas A&M University.

Hart is a native of Upshur County, Texas, and was reared on an East Texas farm. He received a B.S. Degree in Agricultural Engineering from Texas A&M in 1960. He was owner-manager of a truck and tractor company in Gilmer for a number of years and four years was involved in sales, planning, and installation of feed handling and storage equipment. Prior to joining the Agricultural Education Adult Specialist Program Jan. 1, he participated in an intensive welding training program.

The short course is scheduled to be held each evening at 7 p.m. in the vocational agricultural building. During the dates the short course is in progress, Hart will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Hancock and Moore.

Farmers interested in attending the short course should contact Hancock or Moore. An entry fee of $10 will be charged. Farm Arc Welding Short Course Certificate will be presented to each enrollee who attends all the training sessions.

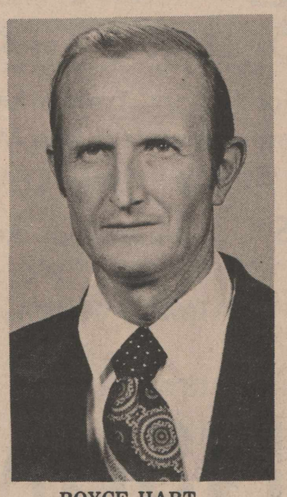

Hart states that the short course will be adjusted to wishes and interests of farmers enrolled but that he expects to cover such subjects as safety in welding, factors controlled by the operator in running a bead and striking an arc, types of electrodes, preparation of joints, distortion, cutting, hard-surfacing, and pipe welding.

"Short courses in welding, as well as in other areas, are now available to farmers throughout the state under a cooperative program between the Texas Education Agency and Texas A&M University," stated Bob Jaska, associate professor, Department of Agricultural Education at Texas A&M University, who coordinates the program of Texas A&M.

"This cooperative program," states Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people.

Specialists are available in the fields of beef cattle, farm wiring and safety, farm electric motors, farm arc welding, swine production, tractor maintenance, oxy-acetylene welding, and pasture improvement.

The maximum number of persons allowed in the short course will be sixteen. Applications will be accepted on a first come, first serve basis.

## Official Named For TUCO, Inc.

Charles W. Tandy has been elected president of TUCO Inc., Southwestern Public Service Company fueld subsidiary, effective March 1. Tandy has been vice president of the oil division of Ozark-Mahoning Company since 1961 and head of the oil division, which he established in Amarillo, since 1958. He was an Amarillo resident from 1958 until moving to Tulsa in 1971.

"The employment of Charles Tandy as president of TUCO Inc. signifies an important change in emphasis. TUCO will have the prime responsibility of providing all the fuel requirements for Southwestern Public Service Company, including gas previously purchased directly by Southwestern from gas distribution companies. This responsibility will go beyond oil and gas to embrace coal and, ultimately, nuclear fuels. In addition, TUCO will market feed stocks and petroleum by-products produced in conjunction with assuring a firm fuel supply for the utility," Berl Springer, executive vice president of Southwestern Public Service Company, said.

Tandy is a native of Utah and earned his mining engineering degree at Wisconsin Institute of Technology in 1949 and a bachelor of science in mining geology at the University of Arizona in 1950.

# Chairman Identifies With Cause

"We almost lost her" Mrs. Fred Stockdale remembers sadly, "Lizann was born with a hole in her heart. You would hardly believe it now that she is a picture of health."

"This is why it is such a privilege for me to help with the Heart Fund Drive, and to serve as Memorial Chairman through the year. We are one Olton family whose loved one lived through the early "trial-error" open heart surgeries that we so terrifying back in July, 1964 when Lizann was almost five years old.

"Today, thousands of people have the same surgery with little thought as to survival. This comforting fact is due to progress gained in research made possible by monetary donations."

Mrs. Stockdale tells her story of appreciation to point out the fact that February is not only known for valentines and special remembrance of loved ones, it is also official "Heart Fund Month."

Lamb County is an affiliate of the American Heart Association. Her citizens need to be made aware of the many facilities which are made available because of individual contributions to this wonderful program. These funds make possible many life saving techniques as well as finance research involved in open heart surgery.

"We all know an acquaintance, loved one or special friend in Olton who has been subjected to a heart attack, heart failure, or open heart surgery," she continued, "It is through donations, however small they may be, that research has made it possible for some of us to have all of our family with us today."

Lizann's open heart surgery was performed at Texas Children's Hospital in Houston by the operating surgeon, Dr. Cooley, world-known heart specialist of that day. The ordeal took place then the girl's father was band director of Pampa High School.

The fund chairman is anxious that schools, civic clubs, businesses and individuals be informed as to the many things available through the American Heart Association. Workshops and film strips are available upon request.

"Any civic club wishing to acquire knowledge in the art of saving or preventing someone from possible heart failure, should contact me at the Bank," Mrs. Stockdale stated. "I can contact the Lubbock office for needed help."

Some very concerned and very considerate volunteer workers have already been making contacts for donations. Other calls will be made before the month is over.

All citizens of Olton, businesses or churches who may have been missed in the canvas of the city are asked to contribute to the Heart Fund campaign at Olton State Bank, attention Jo Stockdale. Checks may be made payable to American Heart Association, Lamb County Affiliate.

Grateful for the help she has received in making the fund drive, the chairman states: "I'd like to make Olton aware of those citizens who care enough to contribute their time and effort to call upon residents and solicit contributions this year, and to thank them publicly. These workers are Doris McCoy, who took more than her share; Coleen Gregory, a grateful heart victim who is a willing worker; Joyce Garvin, a young mother who cares; Sue Peters, a newcomer to Olton whom everyone should meet; Barbara Faver, an active participant in all drives; Sylvia Taylor and the Farm and Ranch Wives Study Club; Janis Loafman and representatives of the Young Homemakers Club; Janice Sivley and Betty Hall, my co-workers who always do more than their share."

As she closed her interview, Jo requested "Let's all prayerfully remember the family of Scottie Wilson, the four-year-old poster child of our region, who lived in Lubbock. Son of Mr. and Mrs. Rus Wilkinson, 3604 46th Street, the little heart victim died Wednesday, Feb. 12."

## 'Pet' Peeved

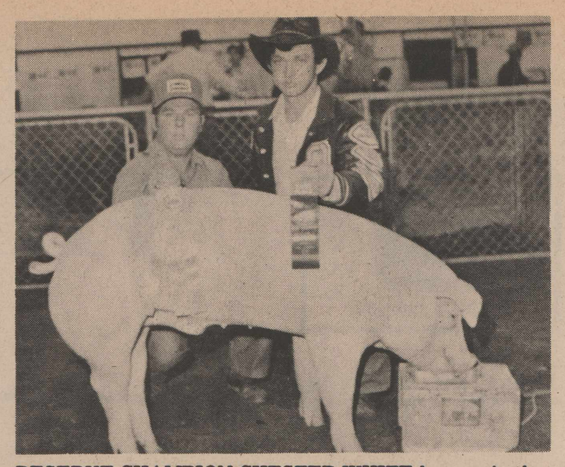

I concede that every boy needs a dog and that every dog needs a boy. But it looks as if the dog population is fast exceeding boys. They aren't caring for them as they should. So I am afraid they don't need the dog!

I and others in this town are supposed to walk for health reasons, but are fearful of being bit as we go down the street. I have been nipped twice and I'm not afraid of them and try to ignore them as much as possible. But you hate for one to run out barking, to soon be joined by one to four others. And should we have to put up with this. We have laws regulating these nuisances and a council elected to enforce it and uphold city laws which they agreed to when elected and promised to do before election.

Last year early one morning I had to rush out and kick a pack of dogs away from an elderly woman. They would have bitten her and possibly injured her. She was so frightened that she was sick the rest of the day. I told city law and the mayor about it. I told them whose dogs they were. We can't get anyone to catch and kill them. I had a garden ruined last year by a pack of dogs and is getting that time of the year again. There has been a pack around here the last week. If I should shoot them, I would be fined for shooting in town, condemned by the citizens for such an inhuman act and maybe kicked out of church.

If anyone will speak to me after this and you brother to print it, I have more pet peeves.

MRS. BILLY DAVIS

## Cook Of The Week

A resident of Olton for just little more than one year, Mrs. Billy Davis, shares recipes that have been asked for by friends. The fruit cake cookies are more appropriate at another season, she says, but she offers that recipe because it's a requested one.

Sylvia and Billy moved to Olton from Abilene when he became manager and part owner of the local International Implement business. Both grew up in Wichita Falls.

Parents of a daughter, Andra, 10, and a son, Anthony, seven, the Davises are also foster parents. They have not had a foster child since before Christmas but have cared for six babies and two toddlers.

"It's contagious," Sylvia says of caring for foster children. She finds that being a foster parent is worth the pangs that come when it's time for one to leave their home.

Sylvia finds there's not much time for hobbies but her newest interest is oil painting. She is taking lessons from Jean Green. A "beginner" at painting, she says she prefers landscapes as her subjects.

Aware of how few "volunteers" there are in activities today, Sylvia readily ageed to be chairman of this year's Girl Scout Cookie Sale when asked.

FRUIT CAKE COOKIES

½ c brown sugar
¼ c margarine
2 eggs, beaten
1½ c flour
1½ t cinnamon
1½ t allspice
1½ T milk
8 oz candied cherries
8 oz candied mixed fruits
8 oz dates
3-4 c pecans
¼ c grape juice

Cream sugar and margarine. Add eggs and sifted dry ingredients, alternately with milk. Chop fruit and mix with little extra flour. (this will keep fruit from sticking together) Add fruit, pecans, then grape juice. Drop on greased cookie sheet and bake 20 mins. in 350° oven. Mixture is very thick.

BANANA SPLIT CAKE

CRUST:
1 stick margarine
2 c graham cracker crumbs

Mix well and press into 9x13 pan.

FILLING:

2 sticks margarine (COLD)
2 eggs
1 t vanilla
1 t butter flavoring
1 lb powdered sugar

Beat 15 mins. on high speed in electric mixer. Spread on crust and chill. Take 4 bananas, cut lengthwise and put on top of filling. Spread over 1 lge can crushed pineapple, drained. Cover with 1 lge container of Cool Whip. Top with chopped nuts and cherries on top.

Many calories, Sylvia says, but very good!

GREEN ENCHILADA

1 lb lean ground meat
1 med onion, diced
1 t salt
1 t garlic powder
1 t oregano
1 can cream of celery soup
1 pkg tortillas (12)
1 c grated cheese
1 c. chopped green chilies

Brown meat with onion and spices. Add soup and chilies. Alternate with layer of tortillas and layer of meat mixture. Top with grated cheese. Bake about 30 mins. in 350° oven.

DINNER GUESTS

Mr. and Mrs. Joe Roberts hosted a dinner party Sunday for their daughters and families, Mr. and Mrs. Pete Timmons, Brad and Steve of Odessa, Mr. and Mrs. Don Sanderson, Donna, Debra and Bryan of Earth and Mr. and Mrs. Daryl Huguley, Cody and Misty of Cotton Center.

FRIDAY GUESTS

Mr. and Mrs. Ira Foster had as guests Friday his nephew-in-law and niece, Mr. and Mrs. George Brazzel of Desdemona.

LUNCHEON GUESTS

Friday luncheon guests of Mrs. Freddie Mae Hysinger were Mrs. M.T. Bagley, Mrs. J.C. Ogletree and Mrs. Roy Carder.

## Mrs. Gilbert Roberson, Women's Golf President

Some sixteen members and guests were in attendance Tuesday at a Guest Day luncheon hosted by Olton Women's Golf Association in the club house lounge.

Atmospheric chill made the planned table games of the afternoon preferable to the fairways. Mrs. Larry Garvin, game chairman, directed the afternoon session.

In a short business session the following new officers were named for the Association: Mrs. Gilbert Roberson, president; Mrs. Harlan Carson, vice-president; Mrs. Garvin, secretary-treasurer; Mrs. Ray Kinnison, tournament and handicap chairman; Mmes. Roy Thurman and Bill Weaver, telephone committee; and Mrs. Elmer McGill, reporter.

Plans were made for a luncheon honoring members of Hale Center and Littlefield Country Clubs as guests sometime in the near future.

Decision was made to help finance needed repairs and redecoration in the lounge interior. Plans were initiated for Open House honoring the new golf Pro and his family, soon to arrive in the city.

## Mrs. H. Cooper Hosts Meeting

Springlake Home Demonstration Club met Thursday afternoon in the home of Mrs. Herman Cooper who brought devotional thoughts on the theme "Let Me Give." Mrs. James Packard demonstrated the art of using decals.

Refreshments of cherry pie, chicken-broccoli casserole and lemon-strawberry jello were served to visitors Mrs. Florence Gover of Earth, Mrs. B.L. Skinner and Melanie Boone and club members Mmes. T.V. Murrell, Marvel Caruthers, Myrtle Steinbach, Ed Biles, Elmer King, W.R. Boone, Bruce Higgins, Keith Boone and Packard.

## Feathered Friends Shown For Garden Club

In a timely meeting, with the return of spring birds to the area, pictures were shown Thursday to members of Olton Garden Club. Mrs. Jack Estes, program leader, made a presentation of slides showing all kinds of birds.

The mocking bird, chosen as emblem of the State of Texas, was discussed by Mrs. Ruby Brown. Robins, harbingers of spring, were described by Mrs. Lester O. Kennedy.

Presiding over a short business meeting of the event held in Woman's Club House, was Mrs. L.G. Elkins. Devotional thoughts were shared by Mrs. C.E. Bley. An arrangement of February wild plants was displayed by Mrs. Juanita Adams.

Hosting the meeting were Mmes. Maude Lambright and Royce Collins. Members present included Mmes. Jack Allcorn, Linnie Campbell, Athol Light, Doyle Pinson, Pearl Schreier, May Silcott, Elkins, Bley, Estes, Brown and Kennedy and Adams.

## LaDuke Family To Be Honored

Mr. and Mrs. Roy LaDuke and family will be honorees Friday, March 7, at Open House to be held in their new home on West Seventh Street.

Friends and relatives are invited to call after 7 p.m.

## Appliance Safety Urged For Olton HD Members

Mrs. Ross Carty was hostess Wednesday for a regular meeting of Olton Home Demonstration Club. Presiding at a short business session was Mrs. Alva Kersh, president.

Devotional thoughts were presented by Mrs. O.T. Crosby under the title "My Friend." Roll Call was answered by the statement "I Wish Somebody Would Invent ————————." The group voted to sponsor a meeting of Olton Senior Citizens Club Thursday, Feb. 27.

A program covering hints of appliance safety was presented by Mrs. Melvin Souter and Mrs. Kersh. They called attention to the fact that over four and one-half million people are injured each year in home accidents. Nine out of ten of these could be prevented, the speakers stated. "Many accidents are caused by lack of knowledge, especially of electrical appliances. Look for hazards, check frayed cords and replace them; and always carefully read instructions for operating," they cautioned.

"Never let your carelessness be the cause of an accident," one warned, "Many appliances should not be used in the bath room, certainly not around a tub filled with water."

Refreshments of appetizers, assorted cookies, coffee and soft drinks were served to one visitor, Mrs. Jewel Long, and members Mmes. Ray Gabehart, Homer Curry, V.O. Harrod, Crosby, Souter, Kersh and the hostess.

Next meeting will be in the home of Mrs. Souter. Agent Mrs. Dorothy Powell will provide the program.

GRANDCHILDREN VISIT

Guests of Mr. and Mrs. Joe Chester are their children, Jeffrey and Velvet Roden whose parents are Mr. and Mrs. Don Roden of Amarillo.

## Card Of Thanks

We wish to express our appreciation for the flowers, food, cards and words of kindness during the loss of our loved one.

# HOW'S The Electric Company DOING?

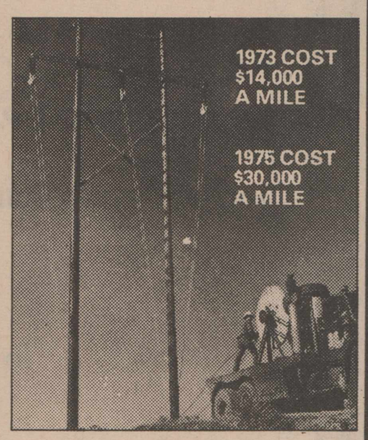

**Let's ask Don Webber, transmission line foreman . . .**

"What's going on here, Don?"

"We're putting in a new 115,000 volt line . . . gives us another feed to back up our dependability . . ."

"Cost us about $14,000 a mile just two years ago, now it's running $30,000 a mile."

**Higher costs to keep your electric service dependable . . . part of the reason your electric bill may be higher these days. But without dependability, electricity wouldn't be worth much . . . would it?**

# A ding-a-ling orders Gas air conditioning now.

A telephone call to Pioneer Natural Gas brings an air conditioning specialist to your home for a free survey and cost estimate at no obligation to you. He'll answer all your questions, and tell you what it will take to install GAS air conditioning in your home. It's the first easy step toward having your dependable GAS air conditioning installed before the first hot, windy days are here.

A GAS air conditioning system is ruggedly built to cool quietly and efficiently. There are fewer moving parts, and no compressor to break down or wear out. Heat from the steady blue flame circulates a refrigerant through the system to cool the air. It's this simple principle that gives GAS air conditioning its long life with no loss of cooling capacity and easy maintenance.

Install GAS air conditioning now. You'll avoid the rush, and be enjoying the quiet, cooling comfort of GAS air conditioning while everyone else is waiting. Give us a ring . . . a-ling.

## In The Ring

By Dick Watson

As I sit here on George Washington's Birthday writing about our Olton Champion, I shall endeavor to tell the truth, the whole tuth and nothing but the truth. Danny Garcia is winning championships faster than this slow talking auctioneer can tell about it. Just two weeks ago, the fine young Olton representative captured first place trophy in the ninety pound Senior Division of the West Texas AAU Junior Olympic Championship Tournament at Amarillo which is sponsored by the Amarillo Lions Club and Chevrolet Division of General Motors Corporation.

In the semi-finals, Dangerous Dan whipped the sox off his good friend, Bobby Mendez of Levelland, to win an easy decision; then he treated tough Jeff Warrick of Stinnett even worse to latch on to the first place trophy and a chance to compete at the Regional AAU Tournament in Beaumont this June. That tournament will feature boxers from several states trying for a chance to go to the National tournament at Cleveland, Ohio. Danny will travel to Beaumont in a bus provided by the West Texas AAU Club. He will travel to Cleveland on a feather pillow provided by coach Wayne Phares, and that's the truth! Wayne will probably be going to Danny's house on cold nights to be sure he is covered up and warm.

But, do you think Danny was satisfied with just winning the AAU tournament? Oh, no.. He went to Lubbock last week and won the 90 lb. Senior Division of the West Texas Regional Golden Gloves Tournament. This division is for boys from 12 to 15 years of age. Danny is twelve. Danny took the semi-finals with a win over Reynaldo Rojas of Muleshoe and Washington's Birthday forces me to admit that it wasn't an easy victory. Rojas hit Danny a couple of times also. The championship bout was easier. Garcia floored Martinez in the second round by rolling under a left jab and socking him with a sizzling straight right that kept him down for a count of eight. Martinez displayed exceptional fortitude by staying in the ring for the balance of the bout. About 4,000 fight fans were on hand to see the finals. Television cameras caught Garcia's action Friday night but ignored former star Phares. Coke Hopping, son of Mr. and Mrs. Clifford Hopping formerly of Springlake, won the High School 125 lb. novice division for Lubbock Monterey High School over Manuel Madrid of Lubbock High with a second round T.K.O.

Olton has been invited to a three night trophy tournament at Canyon this week. Several Olton boxers are expected to enter.

IN CALIFORNIA

Mrs. Freddie Mae Hysinger came home recently after being in California more than two weeks. She was a guest of Mrs. Mary Lou Wood who lives in Yarba Linda. In Placentia Mrs. Hysinger visited her nephew and family, Mr. and Mrs. Don Carson and children and a cousin and her husband, Mr. and Mrs. Don Clark.

IN LIVINGSTON

Mr. and Mrs. O.E. Patterson were recent guests of their son and daughter-in-law, Mr. and Mrs. Ottis Neil Patterson of Livingston. The Oltonites were in Houston with Patterson's sister, Mrs. Fannie Ola Lawson.

RECIPIENT OF FIRST AWARD James McNeill, right, receives the first Donald F. Sopher Fund Award for use in further study in industrial education at West Texas State University. Haley Haynes, left, makes the presentation. (Photo courtesy, WTSU)

## WTSU Student Receives 1st Memorial Award

The first **Donald F. Sopher Memorial Fund Award** was presented to James H. McNeill of Canyon at an Industrial Education departmental meeting, Feb. 5. McNeill is the son of Mr. and Mrs. R.C. McNeill of Wayside and was a 1971 graduate of Happy High School. He is majoring in Industrial Arts Teacher Education and plans to do graduate work in preparation for college level teaching in the area of engineering drafting.

Haley Haynes, a former student and friend of the Sopher family, presented the award and a check for $100 to McNeill. The award, in memory of Don Sopher, is presented to an outstanding student majoring in Industrial Education. Factors in selection of the recipient include academic record, ability, attitude, initiative and concern for fellow students.

Sopher was a former student and graduate teaching assistant in the Industrial Education Department at WTSU. A perpetual fund has been established by the faculty, students and friends of the family to provide an ongoing award presented to the student who most consistently exhibits the potential and personal qualities recognized in Donald Sopher. Sopher earned a bachelor's degree in Industrial Education in 1972 and was a graduate assistant in 1973-74 while working toward a Master of Education in Junior College teaching.

# Write In The Groove

BRYAN ALLCORN AND FREDDY STOCKDALE

Well, everyone knows about the great achievement the girls made last Thursday at the West Texas State Field House against Friona. In case you didn't, they won. Bet you couldn't guess that one, huh? The district win matched them against the Abernathy "what ever you call 'em" at Hutcherson Center in Plainview. The Fillies beat the Squaws 63-44 with Susie Culwell netting 27 points. Following close behind was Donna Hodges with 25. Congratulations on your district win.

At Plainview, Abernathy nipped Olton by a score of 50-47. The Fillies played a tough, close game all the way till the final buzzer. Donna Hodges led the Fillies with 27 points with Susie Culwell netting 16. Elaine Rodriquez followed with 4. The Fillies ended the season with an impressive 25-6 mark.

Well, most everyone bought a Valentine. Some even bought one for someone else. And everyone wants to know who was Valentine Heart and Heartress?? Well, it is------to be announced, Someday. Going back to the Fillies, we wrote a little poem for you on your district win, and hope you like it. And heeeerrreee it is!----

FILLIES ARE NUMBER ONE

The sight was at Canyon,
In the campus field house;
to draw to a decision,
of who was woman and mouse.
Our stands had many,
Even John Gipson was there:
And we can't help but remember,
The man with red hair.
The game began,
At a slow moving pace;
Until Quarter number two,
When they hit seven of eight.
They widened the margin,
On through the game;
And the shooting percentage,
Was always the same.
Of course you can guess,
Who came out on top;
Because of their rebounding,
And the way that they shot.
We're proud of Our Fillies,
As proud as can be;
And send you congrats,
From W.I.T.G.

A JOKE FOR TODAY---
"I wish I had enough money to buy an elephant."
"What on earth do you need an elephant for?"
"I don't. I just need the money."

Well that's about it for this week. Good luck everyone on your skiing trip this weekend. Remember to stay out of English and Write In The Groove.

# Career Education Program Needs Help

A newly initiated program in Olton Public Schools, career education, is receiving enthusiastic response by students as they visit local businesses or interview individuals to learn of trades or hobbies that might some day be available to the students themselves.

Carl McClure, Olton Junior High Principal, joins with those directing the program in asking the cooperation of local citizens in the program.

The program is designed to aid students in becoming aware of the many occupations that may be found within the local community.

Persons who are willing to devote a small amount of time to students by explaining something about their business or occupation, are asked to fill in the accompanying questionnaire and mail or bring it to McClure's office.

Directors of the program will furnish guidelines to anyone willing to allow such an interview. This will aid the volunteer in his presention to some student who may be interested in this area of work.

McClure points out that this can be any concerned citizen's contribution to a grass roots effort to renew the dignity and importance of work in our troubled nation.

SKI TRIP

Spending the weekend holiday on the ski slopes of Red River was a party of Oltonites. Making the trip were Messrs. and Mmes. Dale Cary, Ken Burgess, Lauis Hair, Joe Hall, Alan Brown, Dale Haynes, Larry Garvin, Stephen Smith, Steve Spain and Mrs. Rachel Ruthart and Miss Dixie Griffin.

# Public Schools Week To Be Observed Here

This year March 3-7 will be observed as Texas Public Schools week. Officials of Texas Public Schools Week observance in Olton invite all parents and concerned citizens to visit schools in the community during the week and gain firsthand knowledge of their operation and scope. The officials feel that a well-informed public is vital to the maintenance and improvement of educational quality in the area, and statewide.

Classrooms at all levels, elementary through high school, will be open for public inspection during the week. The work of individual students will be displayed in many rooms and several schools are planning special presentations.

Parents are encouraged to talk to teachers, and seek answers to their questions on the educational system.

To stimulate participation in the observance, some schools are sending invitations home with children for Texas Public Schools week events.

MOTHER VISIT

Mr. and Mrs. Raymond Motley have as a guest his mother, Mrs. Iris Motley of Chico.

**Please fill out this questionnaire and submit to Carl McClure, principal of Olton Junior High School, to aid in training for Career Education students.**

TEXAS TALK
By
Billy Davis

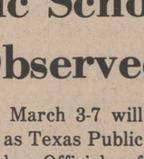

COTTON PLANTING - Temperatures, even when considerably above freezing, severely limit the growth of cotton. This is especially true for planting time. It is generally agreed that cotton emerges faster and grows better when the seeds are not planted until the soil temperature 8 inches below fthe surface stays above 60 degrees fahrenheit for at least ten days. Depending on who is running the figures, average planting time for cotton on the Plains of Texas is either May 3rd or 4th.

MAJOR GROUPS - Formal designation of the three major cotton groups is described by authorities as; Asiatic Diploid, American Diploid and American Amphidiploid. Polynesian hubrids are generally grouped with the American Amphidiploid. Diploid refers to the composition of the cotton cell. Hybrids are developed to improve staple qualities, shorten growing season and enhance drought resistance.

### T.R.Davis

Funeral services were conducted at 2 p.m. Monday in First Baptist Church of Hart for Thomas Rayford Davis, 79, father of Bob Davis.

Officiating were the Rev. Elra Phillips, pastor of First United Methodist Church, and B.B. Harding, minister of Hart Church of Christ. Burial was in Hart Cemetery under the direction of Parsons Funeral Home.

A retired farmer and resident of Hart since 1922, Davis died Friday at his home in Hart. He was a member of First Baptist Church and served on the Board of Directors of Hart Cemetery.

Survivors include his wife, Cora; one other son, Doyle of Hart; two daughters, Mrs. Helen Sweatt of Jal, N.M. and Mrs. Peggy Clay of Nara Visa, N.M.; two half sisters, Mrs. Stella Cheaunett of San Antonio and Mrs. Josie Crockett of Harlingen; one half brother, Elvis Davis of McAllen; 13 grandchildren and 15 great-grandchildren.

### R.L. Smith

Last rites were held at 2:30 p.m. Friday in the Church of Christ in Loop for R.L. "Uncle Bob" Smith, 95, father of Ollie Smith.

Interment was in Loop Cemetery under the direction of Brownfield Funeral Home.

A native of Montgomery County, Ark., Smith came to Gaines County in 1924 from Oklahoma. He lived in Gaines County until the death of his wife in July, 1962. He moved to Brownfield in 1970.

Other survivors include four other sons, Jesse of Loop, Fred of Whitharral and Everett and Owen, both of Brownfield; one daughter, Mrs. Stella Chitwood of Loop; nine grandchildren; 20 great-grandchildren and two great-great-grandchildren.

### C.R. Cato

Funeral services for C.R Cato, 76, were held Frida morning in Boxwell Brothers Funeral Home, Amarillo. He was the brother-in-law of C.T. Lokey and the uncle-in-law of O.E. Patterson.

Interment was at 3:30 Friday afternoon in Slaton Cemetery.

Mr. and Mrs. Lokey and Mr. and Mrs. Patterson attended last rites.

### C.L. Ogletree

C.L. Ogletree, 60, died Feb. 5 in Veteran's Hospital at Vancouver, Wash. He was the son of Mrs. J.C. Ogletree and the brother of Malcom Ogletree.

Military funeral services were at Ft. Sill, Okla., Monday, Feb. 10.

Survivors are his wife, Veda of the family home at Lawton, Okla.; his mother, two sons, Chuck of Grisham, Ore. and Gary of Mayhill, Wash.; two brothers, Luther of Mountain Grove, Mo., and Malcom of Olton and one granddaughter.

Mr. Ogletree was born in Chatsworth, Ga. in August, 1914. He lived in the Olton area a number of years before enlisting in the army in which he served thirty four and one half years.

Mr. and Mrs. Malcom Ogletree and Darrell attended last rites.
