## County Gets Up to Two Inches of Rain, Oct. 24

Rain which measured from .8 to approximately two inches fell over Collingsworth county Saturday and Saturday night, Oct. 24.

Wheat farmers found the moisture just what they needed. Many over the county who did not get their wheat drilled early found they had waited untli the ground was too dry. Others wtih wheat up said they, too, needed the rain.

On the whole, there will be little if any damage to the cotton, most growers believe.

The Weather Bureau station at the Highway Department recorded 1.31 inches from the rain Saturday night and the

Dozens of characters, looking much like these, will walk the streets of Wellington Saturday evening, Oct. 31 to observe Halloween. Behind the fierce Frankenstein suit is Larry Wright, while his black cat companion is really his older brother, Gary. They are the sons of Mr. and Mrs. Lynn Wright. Their silver jack-o-lantern has green peppers for ears and tomatoes for eyes and nose. Gary made his cat mask as part of a Cub Scout project.

# General Election Tuesday Due to Draw Heavy Vote in County

From the presidency to the precincts, Collingsworth county voters will mark their choice in the general election Tuesday, Nov. 3.

One of the heaviest votes in recent years is expected.

Polls will open at 7 a.m., one hour earlier than the usual time, Lorene Jenkins, district-county clerk announced. "We believe this will give everyone an opportunity to vote, even though they may be going to the fields early," she said. The polls will close at the regular hour, 7 p.m.

Nor will any Wellington voter be without an opportunity to go to the polls. The American Legion and Explorer Scouts will operate the Explorer bus throughout the day on all north and south streets that are named, Trusten Thomas, Legion commander, announced. The bus will pick up voters, bring them to the voting place, the court house, pick them up there later and return them to their homes. The bus will begin its run at 7 a.m.

Ticket splitting is anticipated and it is pointed out that in order for a split ticket to count, the candidates of all other parties in that particular race must be marked out.

Republican candidates for high state offices have visited Wellington: George Bush, candidate for United States Senator; Bob Price, candidate for Representative of the 18th Congressional District; and John A. Matthews, candidate for commissioner of the general land office.

Walter Rogers is the only state Democratic candidate to visit here.

One write-in campaign has materialized within recent weeks, that of W. C. Harwell for commissioner of Precinct 3, opposing the Democratic nominee, J. C. (Clyde) Emmert. Because he is a write-in candidate, Harwell's name does not appear on the general election ballot.

Here are the candidates on which Collingsworth voters will make a choice:

For president and vice president—Democrat: Lyndon B. Johnson and Hubert Humphrey; Republican: Barry Goldwater and William E. Miller; Constitution: Joseph B. Lightburn and Theodore C. Billings.

United States Senator—Democrat: Ralph W. Yarborough; Republican: George Bush; Constitution: Jack Carswell.

Congressman at large—Democrat: Joe Pool; Republican: Bill Hays; Constitution: W. A. (Bill) Johnson.

## T. J. Bowling of Dodson Dies Suddenly Friday

T. J. Bowling, a Dodson resident 27 years, and a devoted civic and community worker until his retirement, died unexpectedly at his home about 5:45 a.m. Friday, Oct. 23.

He had been in ill health a number of years. Mr. Bowling was 71.

Mr. Bowling was station agent for the Missouri-Kansas-Texas Railway at Dodson from the time he moved there until the line was discontinued, and prior to that, he was with the line three years in Wellington, coming here from Jennings, Okla.

Thomas Jackson Bowling was born Nov. 27, 1892, in Braden county, Okla., the son of H. V. and Ada Glisson Bowling.

He was a member of the Dodson Masonic Lodge and served as its secretary for many years. He also was a Veteran of World War II.

Mr. Bowling was married to Miss Esther Flager on April 1, 1919, at Stillwater, Okla.

Funeral services were conducted Saturday at 1:30 p.m. at the Church of Christ in Dodson, with the Rev. Maurice Moore, pastor of the Church of the Nazarene, officiating. Burial was in the Dodson Cemetery with Masonic rites. Kelso Funeral Home was in charge of the arrangements.

Pallbearers were Lee White, A. V. Lowrie, J. C. Howell, Tom Birchfield, Kenneth Hudson and Truett Holland.

Surviving Mr. Bowling are his wife, of the home; three daughters and a son: Mrs.

*National Competition*

## Jan Glenn Competes as Miss Teenage America

DALLAS.— Miss Jan Glenn, 17, of Wellington, has been selected as a candidate-at-large in the fourth annual Miss Teenage America Pageant.

She will compete in Dallas Nov. 7-13 for the 1965 Miss Teenage America title, and appear on the nationwide coronation telecast Friday, Nov. 13 on CBS-TV at 10 to 11:30 p.m. EST and PST; 9 to 10:30 p.m. CST; 8 to 9:30 p.m. MST.)

The daughter of Mr. and Mrs. Barney Glenn, she is a senior at Wellington high school.

She and her chaperone have won an all-expense trip to Dallas, according to Bedford S. Wynne, board chairman of Teen America Associates, Inc., Dallas, which conducts the youth program.

Grand prize in the national competition is a $10,000 four-year college scholarship to the school of the winner's choice.

Judging is based on personality, poise, intelligence, talent and good grooming, Wynne said. The teenage contest is not a bathing beauty competition.

Other prizes awaiting the new Miss Teenage America include a 1965 Comet Caliente

## Mrs. J. F. Elliott Dies Suddenly on Friday

Mrs. J. F. Elliott of 1106 Childress Street, a long-time Wellington resident, died in St. Joseph's Hospital Friday, Oct. 23. Although her health had not been strong in recent years, her passing was unexpected.

Mrs. Elliott, with her husband and small children, came here 47 years ago from Vinson. They lived on a farm a few miles west of Wellington until after her husband's death, when she moved into town.

Born at Dalton, Ga., April 26, 1889, Mrs. Elliott was the former Doshia A. Hill, daughter of W. I. and Susie Rymer Hill. She and Mr. Elliott were married at Winnsboro Oct. 28, 1906, and later moved to Vinson, Okla.

Mr. Elliott preceded her in death May 16, 1944.

Mrs. Elliott became a member of the Baptist Church early in life, and she was devoted to its work and to the various women's activities in it.

Funeral services were conducted Sunday at 4 p.m. at First Baptist Church. Officiating were the Rev. A. B. Ear-

*$229,811 Proposed Project*

## Samnorwood Water Group Accepts Report Monday

The steering committee of the Samnorwood Water Supply Corporation Monday night accepted the engineer's report submitted by Ed Biggs of Biggs and Matthews, consulting engineers of Wichita Falls.

The report reveals that the cost of the proposed system is $229,811; and the proposed total loan will be $225,000. The difference of $4,811 will be made up by the corporation, through its charge of $50 per meter to users.

The project now calls for two well sites, along with two storage tanks of 60,000 gallons each.

The Dozier area, and the remainder of the project area west to the county line will be served by a 50-gallon-per-minute well drilled at Lone Mound. Samnorwood and Lutie, along with the area to the east, will be served by two wells approxmately two miles north of Samnorwood, according to Don Jennings, county supervisor of the Farmers Home Administration, through which financing is sought.

The next step, Jennings said, will be submission of the report, probably within the next week, to the state FHA office and from there it will go to the national FHA for approval.

After it is approved, the Samnorwood Water Supply Corporation will be legally formed and the charter drawn up. Before the loan is closed, the well will have to be drilled, tested and accepted by the State Department of Health. These wells will be drilled according to the regulations set forth by that department.

*Two Top Teams*

## Rockets Meet White Deer Here Friday

The Skyrockets return to their home field Friday night, Oct. 30, to meet the White Deer Bucks, playing this year for the first time in Class 2-A, and leading the district this week.

Game time is 8 p.m.

This will be a crucial contest for the Rockets.

"We must win this ball game to have a chance to win the district championship and represent the district in the playoffs," Coach Don Beck declared. "Coach Raymond Kauffman and I feel the team that wins the game Friday night will go into the playoffs.

"White Deer has a real fine football team and we feel that they are the most sound defensive team we have faced in the past three years, with the exception of Tulia's last year's ball club," he continued.

The Bucks have about six backs they alternate all the time, and each one is regarded as a fine running back.

## Funeral for Mrs. C. E. Hightower Held Saturday

Mrs. C. E. Hightower, for many years a church leader at Dodson, and a resident of that area since before the founding of the town, died in a Hollis hospital Friday, Oct. 22 at 7:05 a.m.

Besides her leadership in the Church of the Nazarene, Mrs. Hightower was active in other parts of the area's life, including its schools and those other activities that would benefit the community. At the same time her neighborliness and her capacity for friendship endeared her to those whose lives she touched.

Born at Waxahachie on Jan.

## Band Parents Club to Meet

A meeting of the Band Parents Club has been called by C. T. Hubbard, president, for Monday night, Nov. 2 at 7:30 at the band hall.

"We are asking that the parents of all band members be present," Hubbard said.

## Miss Hulsey Dies Tuesday

Miss Mildred Hulsey, beloved English teacher in Wellington high school during the 1930s, died in Tulia early Tuesday, Oct. 27. Funeral services were scheduled for Wednesday at 2:30 p.m. at First Presbyterian Church in Tulia.

She had been in failing health for several months, nevertheless only a month ago she came here for the 50th anniversary luncheon of the 1924 Study Club, and to visit with friends.

Additional information concerning the services were not available here.

*Benefits Needy Children*

## Kiwanis Gives Annual Pancake Supper Friday

The Wellington Kiwanis Club will hold its annual benefit Pancake Supper Friday, Oct. 30, at the school cafetorium, B. F. Chance, president, announced this week.

The supper will begin at 5:30 p.m. and end at 7, hours that will prove convenient to those wishing to attend the football game, the Kiwanians point out.

Jimmie Kelso is general chairman, and all members of the club are working under his direction.

The supper will include pancakes with butter and syrup, bacon, and a drink. Tickets may be had from members of the club.

Proceeds from the supper go into a fund the club uses to buy glasses, shoes, and other items for needy children.

While most of the money is used to help the needy, there are other activities that benefit all children, such as the annual Easter egg hunt and the picture show at Christmas, sending a boy to Boys State, and a contribution this year of $200 to the kid baseball program, Chance said.

Kelso has named these committees to help him put on the supper:

Purchasing and greeting: Rufus Sweat and B. F. Chance; pancake mixing: the Rev. Jack Durham; bacon: Bobo Castleberry, the Rev. A. B. Earnest Jr., and Lyndon Crelia;

Cooks: Cal Hurst, Jake Leach, C. A. Crawford, Mack Saied, Jim Martin and L. B. Bratten; servers: J. L. Harper, John Coleman and Lynn Carter; securing syrup and butter: Sam Adams, Clyde DeMoss, Steve Owens, J. B. Stevenson and Paul Spillman;

Tables: John Brown, James Sullivan and Cicero Gulley; seating: Raburn Smith and Bill Black; tickets: Dee Burba; coffee and milk: John Holton and George Shadid; and dishwashers: Hubert Mauldin, Denver Powell and Kelso.

## Elder Newman to Preach Here

Elder Jerry Newman of Duncan, Okla., will preach at the Primitive Baptist Church on Graham Street on Thursday night, Oct. 29.

Preaching service will begin at 8 p.m., but the singing will start as soon as the crowd gathers.

"Come early and let's have a nice song service. Everyone is invited to meet with us and hear this young man preach," said Mrs. Aubrey Stuckey, who is helping with plans.

## WHS Band Wins Top IL Rating

The Wellington High School Band received a Superior Rating, or first place, in the Interscholastic League Marching contests held in Canyon Tuesday, Oct. 27. This is the first phase of the Interscholastic League participation.

As far as records at the school show, this is the first time the band has made the top rating in this competition.

"And we made it the hard year. This is the hardest contest I've been to," declared Director James Larson with pride in his voice.

"I was never so proud in my life. These are a most deserving group of students."

Thirty-seven Panhandle bands competed in all classes, and 12 in Class A with Wellington.

Judges were Melvin Montgomery of Snyder, Texas; J. R. McEntyre of Odessa Permian high school, and Harold Jackson of Sul Ross State College at Alpine.

These were some of the judges' comments:

"The band marches very well."

"Overall nice performance. Band has good step."

"The band marches with a great deal of enthusiasm and spirit."

"Their music is full and accurate. All parts are well balanced. Their knee lift is outstanding."

"A very good show, well-balanced and well executed."

*For CROP*

## Trick-or-Treat Set by City Church Youth

Boys and girls of Wellington churches will observe Hallowe'en with their Trick-or-Treat for CROP Saturday evening, Oct. 31, and it is expected that a large number of junior high and high school age students will take part.

The group will leave First Baptist Church at 5:30 p.m., and in each car there will be one adult and four workers.

"They will wear identification tags and carry sealed coin containers that will not be opened until they return to the church," said Mrs. Gorman Owens, one of those helping with the project.

The Trick-or-Treaters will knock on every door, and donations will be accepted in any amount.

All money will be turned over to the CROP program.

CROP is the Community Resources Appeal of Church World Service which collects farm commodities and cash, through volunteer workers, for the overseas relief and rehabilitation programs of the churches. Gifts to CROP are put to use under church supervision strictly on the basis of need.

Contributions received thru this youth effort of concern will be used to help provide for the handling and distribution of government donated foods of the Food for Peace program as well as to provide other assistance—high protein foods, emergency supplies, agricultural tools, seeds—not otherwise available to the overseas programs of the churches. In some cases the contributions will help the local farm canvass to make commodity shipments.

## P.T.O. Carnival Saturday Offers Fun and Food

The Wellington Parent-Teacher Organization is sponsoring a Halloween Carnival Saturday night, Oct. 31. The food booths will open at 6:30 and the game rooms will open at 7:30.

"We are inviting everyone to come have supper with us. We will have all kinds of sandwiches, chili, pies, and potato chips. We will also have homemade cakes, cookies, candies, and pies. One booth will have coffee and cold drinks of all kinds," said Mrs. Ed Henard, chairman.

The children are urged to wear their Halloween costumes.

"The game rooms will have the cake walk, fishing pond, and target games," Mrs. Henard said. "Don't miss the cup capers and the fortune telling."

## P. W. O'Brien, Retired Arlie Pioneer, Dies

P.W. (Pete) O'Brien, retired Arlie farmer who lived almost an entire lifetime in that community, died in the Hollis Hospital at 4:15 a.m. Sunday, Oct. 25. He was 73.

Mr. O'Brien was the son of the late Tom and Ollis Hunsaker O'Brien, who came from Vashti in 1891, as one of the families that formed a settlement in the vast rangeland of the southeast Panhandle. He attended the schools in that area.

During most of his adult life, Mr. O'Brien farmed at Arlie,

## Marsh New Deputy Sheriff

Sheriff John Rainey this week announced the resignation of Kenneth Hodge as deputy sheriff and the hiring of Troy Marsh to replace him.

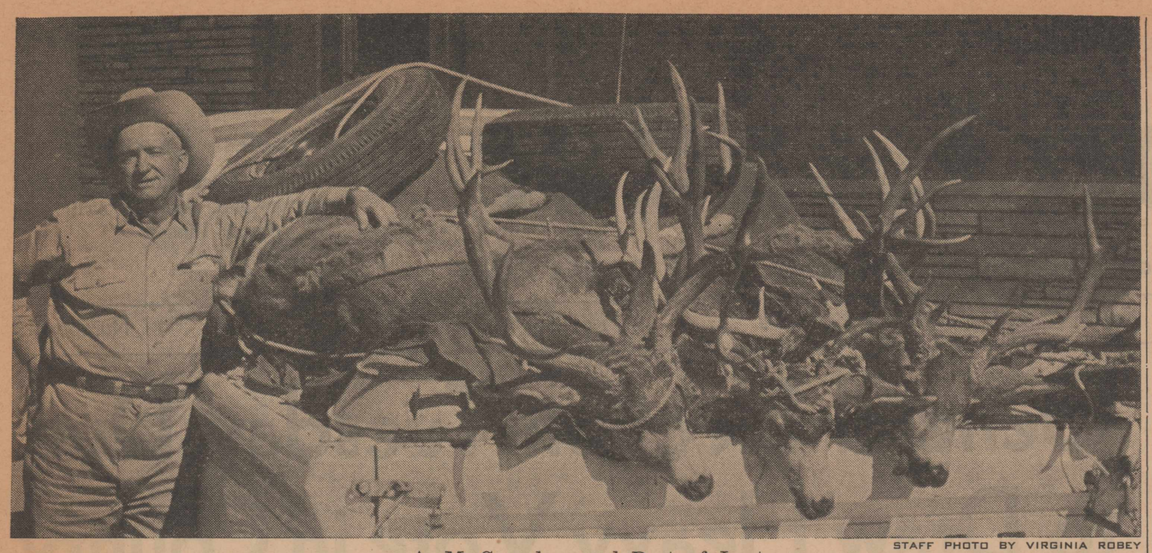

Marsh, former Wellington police chief, has been with the Border Patrol since June and recently has been stationed at Laredo. He has completed the Border Patrol Academy at Los Fresnos.

His family had remained here while Marsh was in South Texas.

## Rockets Win Game with Canadian Fri.

By JACK FORD

The Wellington Skyrockets kept the flame alive in the district race, with a close win over the fast Canadian Wildcats 9-6 at Canadian Friday Oct. 23, before an estimated 500 fans.

The injured and sick Rockets really had to work to win this one. The Rockets' defense, without the services of Chester McLain and Joe Rudy, plus the limited use of Gary White, rose to the occasion to stop the fast Wildcats when the chips were down.

The Rocket fans again saw the great running of Wayne Barton, the bull-like charges of Neal Roberts and Olan Moore, and the fine running of reserve Jackie Duncan, moved the ball consistently against the Wildcat defense.

The defensive line of Johnny Maxwell, Jim Rudy, Freddie Bobo, Skippy Duncan, Mike Smith, Lynn Wolf, Larry Henard, Ray Floyd, Steve Trapp, plus the defensive backs of Andy Bell, Jackie Needham, Don Sweat, Wayne Barton, Neal Roberts and Olan Moore time and again stopped the Wildcats' drives and also made good holes and gains in the Wildcat defense.

Probably the best play of the entire game was made during Wayne Barton's 80-yard run for the TD; Barton picked up Ray Floyd as a blocker at about the Wildcat 40, and Floyd had two Wildcats to handle, about 5 yards apart, trying to get at Barton. Floyd went back and forth bumping the Wildcats out of the way while Barton followed right on Floyd's heels, went all the way into the end zone. It was a great job of convoying a ball carrier by Ray Floyd.

The start of the game, the Rockets received after winning the toss, and for the first quarter it was a see-saw battle between evenly matched teams.

W. Barton did run 22 yards for a Rocket TD, late in the first quarter, but a penalty nullified the play.

It was early in the second quarter when Barton took a Wildcat punt on the Rocket 20 and went to the east side of the field, then behind some fine blocks, especially by Ray Floyd, and a great job of running by Barton, went all the way for a Rocket touchdown. The try for extra point failed.

The Wildcats came right back, and in 13 plays went 65 yards for a Wildcat TD. The try for extra point failed. At half time the score was Rockets 6, Wildcats 6.

The second half was a Rocket defensive battle. The Rockets rose up to a man to stop the Wildcat offense. A pass interception by F. Bobo stopped one drive, and a fumble recovery by Mike Smith stopped the last determined drive.

The third quarter was again a game of positioning with neither team getting close to scoring, and the Rockets finally put the game on ice in the fourth quarter.

In that period the Rockets took over on their own 20 yard line. On runs by Barton, Duncan, Roberts and Moore, moved the football to the Wildcat 10. At this point the Wildcat defense stiffened, Barton then kicked a 20-yard field goal. Final score Rockets 9, Wildcats 6.

Again the Wildcats came right back, moved to the Rocket 20 yard line, where M. Smith recovered a Wildcat fumble to stop the drive.

The Rockets then moved the ball on the ground to the Wildcat 38 yard line, where the game ended.

This week the Rockets play the White Deer Bucks here in Wellington.

*82-Year-Old Gets His, Too*

## Deer Hunters Report Good Luck in Colorado

A hunting party, which included a Wellington man, returned Friday, Oct. 23 from the Glade Mountains near Cortez, Colo., with 11 deer.

A. M. Saunders, who bought multiple licenses, reported that he killed four. Other members of the party were Hubert Saunders and Carl Owens of Amarillo; Ray Killian of Bloomfield, Colo.; Bill Damron and Tom Damron of Big Spring; Hubert Clay of Muleshoe, Saunders' brother-in-law; and the oldest member of the party, Jim Tebb, 82-year-old Bay City man. He is an uncle of Mrs. Saunders.

A veteran hunter, Tebb killed his deer this year, too, Saunders said.

The Wellington man said this is his thirty-first consecutive year to hunt deer in that area and that this one was the "best I ever had."

The largest deer killed weighed approximately 350 pounds and had 12 points. The others ranged from 200 to 350 pounds and had 7 to 13 points.

## High Courts Make Rulings

Effect of a US Supreme Court decision concerning admissibility of confessions as evidence was debated before the Court of Criminal Appeals in San Antonio and Houston cases.

Bexar County Dist. Atty. Jas. E. Barlow said the high court's finding may have upset all guidelines of Texas courts on proper methods of introducing confessions. Supreme Court said persons other than the convicting jury should make a finding of facts as to whether a confession is voluntary or not and whether it is admissible.

State Supreme Court upheld rulings favoring the City of Temple in a suit brought by a former fire alarm operator who charged he was fired without sufficient reason or due notice.

53rd District Judge Herman Jones is due to make a decision soon on the City of Big Spring's suit against the Board for State Hospitals and Special Schools. In 1937 when the city was competing for the state hospital now located in Big Spring, it contracted to furnish water for the hospital at 10¢ per 1,000 gallons.

A few years ago the city decided the arrangement was untenable since it costs 32¢ per 1,000 gallons to provide the water that earns 10¢ per 1,000 gallons. But State attorney generals have ruled that the Board cannot re-negotiate on the "perpetual contract".

State Supreme Court refused to review a blind widow's appeal to take over her late husband's vending stand in Dallas. Texas Commission for the Blind assigned the stand to another.

State Supreme Court also rejected annexation by the City of Irving of land in two Dallas county levee improvement districts and left in effect a ruling by the Court of Civil Appeals that Bexar county commissioners were not obligated to call an election on proposals of a county home rule charter drafting body.

## Accreditation Team Visits City School

An accrediting team from the Texas Education Agency at Austin visited the Wellington schools Monday, Oct. 26, Supt. J. L. Harper reported.

Members of the team were Calvin Hibbs, Miss Rubye Bennett and Jerry Barton.

This is the first accreditation check for the school in several years, the superintendent said.

These teams examine in five main areas and their reports determine the accreditation of the school checked. Weaknesses found are pointed out to the school superintendent, with suggestions for their correction.

The five principal areas of study are (1) the plant and its facilities; (2) instructional aids, including equipment, school library, science laboratories, visual and audio aids, and others; (3) instructional program, including the subjects offered, the staff preparation for teaching, its guidance and counseling program, student activities, lesson plans, text books and others;

(4) School records, including the students' records, placement, follow-up work and community data; and (5) administration, including the school finances, district tax structure, self-evaluation procedures, supervisory practice and inservice program.

The reports of this accreditation team will be sent to Supt. Harper and to the president of the school board.

## Hatchs Attend Spring Market

Mr. and Mrs. Bill Hatch of Hatch Dry Goods will attend the annual Spring Fashion Market to be held Oct. 25-30 in Dallas.

During this market, buyers from all over the Southwest select spring fashions from over 3,000 lines, assuring their customers of up-to-the-minute fashion-right apparel.

Sponsored by National Fashion Exhibitors of America and the American Fashion Association, Dallas Markets are one of the top three fashion markets in the nation. Four major markets are held there annually, with the October market featuring clothing and casual wear for the spring season. Merchandise selected at this market will be on sale in retail stores in late winter and early spring.

The Dallas Market, normally held in advance of New York and West Coast Markets, is one of the most complete fashion displays in the nation. Many manufacturers use it to test acceptance of new designs before major production on a style has begun. The general feeling is that if a new item is well accepted in Dallas, it will be a success all across the nation. Southwestern buyers literally set the national pace.

In addition to many lines of high fashion coats, suits and casual ensembles, jewelry, accessories and lingerie will be displayed during the spring Fashion Market.

# Nunnelley Describes Police Work for Rotary

Wellington Police Chief Donald Nunnelley was guest speaker at the Rotary Club luncheon meeting Tuesday, Oct. 20, when he defined the work of police officers and traced the history of this branch of law enforcement, emphasizing the work of local officers.

"The idea of having a police force," Nunnelley said, "to protect lives and property and to keep law and order is a fairly new one. As late as colonial times, it was every man's responsibility to look out for himself, and to protect himself and his family from thieves, robbers and other threats to his life and property.

"During the opening of the American frontier, the only policemen in the west were town marshals, who were often self appointed, and whose duties were rarely clearly defined.

"There were Roman police in the time of the Emperor Augustus, but the first groups of policemen were organized not to protect the people but to oppress them.

"They helped to collect taxes, and saw to it that the common people kept to their work and their places in life, but offered no service to the people themselves. The first police forces of France and England had the same responsibilities as did the Roman police.

"Today, however, every civilized community recognizes the obligation to provide police protection for its citizens. The kind of protection that police departments afford, and the methods they use are constantly being expanded and improved. The modern policeman is more than a guardian of property and a hunter of criminals. He is a specialist, technician, psychologist, and often a scientist, using many skills in the performance of his duty."

Devoting the remainder of his speech to local law enforcement operations, Chief Nunnelley said:

"Until 1953 the local law enforcement of Collingsworth county and the city of Wellington was just about that: local, unless he was called by phone or received mail from other departments on wanted persons or crimes, he worked only his local problems.

"Then with the two-way radio equipment added here in 1953 the county and city became a part of a chain. The officers now know what is happening in Shamrock, Childress and area towns as fast as their local officers, and if need be, can stop vehicles or persons as well as have vehicles and persons stopped.

"We do not have radio operators here as do the other towns around us, but my wife works a radio from our home and the sheriff's wife works one from their home, for which they do not receive any pay. Sometimes this is late at night or maybe for the biggest part of the night, and in the day when we are away from the office.

"This is the part of a chain, because all radio work is not local; it is done by calling one department and having them to relay your message on to still another.

"All that is done by police is not crime investigation. Travelers leave their purses or billfolds at service stations, and a call is put to the next town to advise them to return for objects left. Travelers get separated on trips and ask for their friends' car to be stopped and advised where they are, or where they will spend the night, to locate each other the next day.

"Personal emergency messages are sent or delivered as the case may be.

"Some of the duties of an officer are (1) Information: Know every person, because even in a city of 100,000 a person will ask where somebody lives; (2) Travel service: know all towns, counties and states, and the highways and types of accommodations; (3) be an expert repairman on any type of property; (4) be a mechanic, to help people with their needs; (5) be a lawyer, know the law, as you will be asked and he may pay a lawyer $50 to look it up, but an officer should know the law;

(6) Be a doctor; you may have to do anything from put on a band-aid to delivery of a baby; (7) Be a minister: you will have to deliver death messages or talk to a kid who has run away from home because nobody cares.

"In general, know everything about any walk or way of life; you will use it some day.

"Being a policeman is sometimes a lonely life. For some reason everyone has some little resentment against a policeman, until they need him, and for some reason he is not allowed the same life as other people, nor is his family. He is expected to police his family in a way that no parent does.

"At one time there were only three requirements to being a policeman: (1) be a big man; (2) have a big fist; and (3) have a big bluff. Now they are policemen, working to be professionals, and receiving the respect of the people.

"The policeman didn't write the laws for you and me to live by; if he had there would be only ten laws for the people of the world instead of the 32,000 laws that we now have, with more coming.

"Let us take one law: Thou shalt not steal. But man is much wiser; he says theft under $5, or theft under $50, or theft over $50. But of all laws written, the Ten Commandments are the best ten ever written and much easier to remember than 32,000 laws that have come from the first ten."

# Rocket B Team Plays Thursday at Shamrock

The Skyrocket B team will travel to Shamrock Thursday night, Oct. 29 to meet the Irish B in what is expected to be one of the better games of the season.

The Rockets defeated Shamrock earlier this year 14-10.

"We'll have to play real good ball to win," Coach James Stavenhagen declared.

The coach urged parents and other B team boosters to attend, as it is one of the closer non-home games, and the presence of fans has been a big factor in the morale of the boys all season.

"A lot of our kids are making improvement, especially the freshman boys," Stavenhagen added.

Nevada is the driest and the least populated state.

# Ranchers Still Prefer Branding

FAIRFIELD.— A system of identification is a necessity when production testing cattle and may become a real problem in a large herd. Freestone county ranchman Joe Richards believes his system has merit.

Richards operates a 2,000 - acre, 300-cow spread with the help of his sons, Jerry and Burt.

He uses brands rather than tags or neck chains in his identification system. The reason, of course, is because the brands will never be pulled off by brush or fences.

On the Richards' ranch, they can mark the owner of the cow (both boys own cows in the herd) and give her age and number with only 11 different branding irons. The system was suggested by Freestone County Agent J. H. Pritchard.

They identify the cow's owner with one brand used in three different ways. "It's a diamond with a tail on it," says Richards. "The direction the tail points tells who owns the cow."

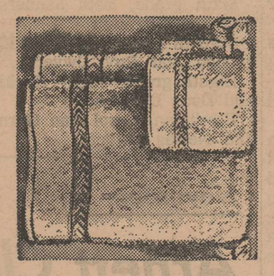

To tell age and number of the cow, they use three-number combinations. The first number tells the year the cow was born. The other two numbers set her apart from other cows born the same year. The three number system can be used with up to 99 replacement heifers each year. Every cow has a number like 309 or 471.

"Another advantage is that you can tell the boys to check old 512 and they'll know the cow to find," he said. "It works better than telling them to check the old roan with the white spot on her left hind leg."

# Arnett Class Plans 'Annie Get Your Gun'

On Thursday evening, Nov. 5 the Arnett Juniors and Seniors will present as their annual play "Annie Get Your Gun," the Broadway hit. This is a fast moving, rip-snorting western, centered around the life of Annie Oakley.

The play has been produced on Broadway a number of times. A New York World-Telegram critic said, "For verve and buoyancy unslakening, there has seldom if ever been a show like it."

Marsha Graves plays the leading role of Crackshot Annie Oakley, and David Jones is Frank Butler, her shooting opponent.

Other characters are Sitting Bull, played by Ronnie Jones; Buffalo Bill, Duane Dodson; and Dolly, a bossy young woman ,played by Lorrain Hatcher.

Annie's little brother and sister, Little Jake and Jessie are played by Jerry Kite and Dian Wilhite. Buffalo Bill's manager, Charlie, is played by Pete Disterlic.

Other students taking part are Glenn Crow, Janie Bell, Gael Smith, Lavern Bennett, Jimmy Strickland, Edna Argo, Rita Wadley, Janette Coward, Gayland Kellison, Janice Kuykendall, JoAnn Jones, Mary Ellen Wood, Wayne Muckelroy, Charlotte Carter and Joyce Woods.

Directing the play is the Junior sponsor, Mrs. Hightower, assisted by Bill McCamon, the Senior sponsor. Marvin Bennett is in charge of the stage.

Curtain time is 7:30. "If you want to enjoy an evening filled with colorful western thrills and spills, love and laughs, don't miss 'Annie Get Your Gun'," the sponsors say.

## Mrs. Hightower

—*from page one*

5, 1898, Mrs. Hightower before her marriage was Miss Jewell Bynum. She came to the Dodson area in 1906.

Funeral services for Mrs. Hightower were conducted at the Church of the Nazarene in Dodson at 3:30 p.m. Saturday, with the Rev. Maurice Moore, pastor, officiating. The Rev. J. E. Perryman of Childress, a former pastor, assisted. Burial was in the Dodson Cemetery under the direction of Coley Funeral Home.

Pallbearers were Thurman Crownover, Joe Orr, Charles Grimes, Louis Patterson, Arnice Lewis and Walter Camp.

Honorary pallbearers were Tommy Lewis, T. E. Lennon, Jess Bogle, J. C. Howell, Bill Owens, F. L. White, Murray Dodson, Grover Graham, Fred Covey, Oscar Lewis, Clarence Black, H. C. Burge, G. T. Owens, Jr., Benson Hernandez, Albert Adkins, M. L. Johnson, Art Kane, Harry Lowell Patterson, John Aaron and Merlyn Carter.

Surviving Mrs. Hightower are her husband; two daughters and a son: Mrs. Sherrell Beanland of Hollis; Mrs. Melvin Cardwell of Pampa, and Garland Hightower of Dodson. Another son, Bynum Hightower, preceded her in death.

# 200 Hear Church Leader Here Monday Night

Dr. G. B. Williamson of Kansas City, Mo., who is one of the six general superintendents of the Church of the Nazarene, brought a challenging message on the subject of World Missions to a crowd of about 200 at the local Church of the Nazarene Monday night. Dr. Williamson gave interesting experiences he has had on the different mission fields of the world where he has visited.

Rev. Raymond W. Hurn of Lubbock, district superintendent of the Abilene district accompanied Dr. Williamson. The Abilene district is composed of the north half of West Texas.

"The goal for the Thanksgiving offering for world missions for the little over 300,000 Nazarenes is to raise $1.5 million. Next Easter, the goal will be the same, to apply on the $5 million they plan to raise for world missions each year. The goal for this purpose the next four years is $20 million, which is $2 million more than was raised the past four years," Rev. L. P. Durham, pastor, announced.

"I HAVE VOTED IN FAVOR OF EVERY SOCIAL SECURITY ACT SINCE ENTERING THE SENATE"

...BARRY GOLDWATER

"I pledge, as I have pledged before, my unqualified support of the Social Security System. On this, my record is clear. I have voted in favor of every Social Security Act since entering the Senate. I voted for the acts of 1954, 1955, 1956, 1958 and 1961. In fact, I had the opportunity of presiding over the United States Senate on the day the bill was approved bringing farmers under Social Security for the first time. And that change had my active support.

"I want to see every participant receive all the benefits the system provides. And I want to see these benefits paid in dollars with real purchasing power."

## Lynn Wolf President of Greenbelt FFA

The Wellington Chapter's Lynn Wolf is serving this year as president of the Greenbelt District, Future Farmers of America. He is a fourth year agriculture student and the son of Mr. and Mrs. Bill Wolf of the Loco community.

Lynn was president of the chapter last year, and vice president of the Greenbelt District.

As Greenbelt president, he will help plan the district activities this year and preside at district meetings. Two upcoming events are the district leadership contests to be held Nov. 14 and the annual Greenbelt district banquet in Clarendon in mid-December.

Graduation next spring will not end Wolf's participation in the work of Future Farmers. He will be a candidate for area office and he will seek his Lone Star Farmer degree, highest offered on the state level.

"Lynn is a student who has shown outstanding leadership all through high school," his vocational ag instructor, Danny Garcia, said.

As a Future Farmer, Wolf has represented the chapter by speaking at Rotary and Kiwanis Clubs; he was president of the chapter conducting team three years and has served as chairman of the auditing committee. As a freshman, he was Greenhand president.

"His project program has improved tremendously in the last two years and now includes crops, stocker cattle and hogs," Garcia said.

Wolf ranks high scholastically and is in his fourth year as a member of the Beta Club.

Another facet of this youth's personality is his love for sports. He has played on the Skyrocket football team four years and is team chaplain.

He is a member of the Student Council.

## New Buses and Repair Work Due at Norwood

The purchase of two new school bus chassis for the Samnorwood school district was announced this week by Supt. Robert Dwight.

Mounted on these will be two older bodies which will be completely reconditioned, and the buses, each having a 48 passenger capacity, are due to be in operation in about three weeks.

The new buses were bought through the State Board of Control at Austin and will be delivered in Sweetwater. The old buses will be driven there for renovation and remounting the bodies.

A number of improvements are being made at the school, Supt. Dwight said. New window shades were installed in four rooms. This fills only part of the need, and replacement of the shades comes under the school's long range plans.

Vocational agriculture students have painted the front of the gymnasium, laid sidewalks on the campus and put in concrete porches at some of the buildings and renovated the front of their own building. They are now removing several trees whose roots are clogging sewer lines or damaging foundations.

Robert Young, a former resident of the Samnorwood community, has been employed as a bus mechanic to assist Charley Bradley. Young has been in construction work a number of years.

## Area Cotton Harvest Slow In Starting

With near perfect weather prevailing during the week ending Friday, Oct. 23, cotton-harvesting in this section of the Panhandle continued to lag, according to the USDA's cotton classing office in Memphis.

Due to the lateness of the crop, and the desire of farmers wanting to wait for a killing frost before harvesting are the chief reasons for the small volume of sample receipts.

During the week, 2700 samples were classed, compared with 3200 last week, said K. E. Voelkel, in chirge of the Memphis classing office.

For the season about 6,000 sample have been classed compared with 15,000 as of the same date last year. This reflects the delay in harvesting even though a large percentage of the cotton is open.

The quality of cotton classed during the week was slightly lower than the week earlies. 46% of the total samples classed fell in the White grades and 54% was Light Spotted and Spotted. This compared with 60% and 40%,respectively, last week.

The staple lengths ranged from 13/16 inch to 1 1/8 inches. The various lengths were as follows: 13/16, 7/8 and 29/32 inch, 18%; 15/16 inch, 62%; 31/32 inch, 12%; and 1 inch or longer, 8%. The predmoninant qualities were: Strict Middling, Middling, Strict Middling Light Spotted, and Middling Light Spotted, 15/16 inch.

Classification of cotton in the past meant assigning grade and staple length to a sample, but now for the third season, a third quality factor is available. It is the measuring of fiber fineness and maturity by use of an air-flow instrument called the micronaire. Of the 57 gins served by the Memphis office, 56 have applied for this testing service under the US Testing Act at the cost of 6¢ a sample.

Micronaire readings did not change from the previous week as only 4% of the cotton classed read less than 3.5 and 96% had a mike reading of 3.5 and above.

The Pressley test results continued to show that the cotton of this section of the Panhandle showed good fiber strength with nearly 75% reading 85,000 pounds per square inch and above which is Strong to Very Strong.

The prevailing rate for pulling cotton was $1.75 and $2.00 cwt delivered tc the gin. Cottonseed, generally was bringing the farmer $45 per ton at gin points.

# Many Children Need Mental Health Services

COLLEGE STATION.— Four out of every 100 school-aged children of Texas can be diagnosed as emotionally disturbed, says Patsy Reynolds, Extension specialist in family life education.

These startling statistics were revealed in a recent study conducted by Dr. Fred Crawford of Austin, research chief of the State Mental Health Planning Committee.

The 1960 census showed approximately 3,600,000 children under 18 years of age in Texas. Using these figures as a basis, there are an estimated 140,000 emotionally disturbed children in the state, Miss Reynolds says.

"In our 254 counties, there are only 15 mental health centers for diagnosis, evaluation, and treatment of children. In fact, in a study of mental health resources in various comumnities in the country, 61 of the lowest ranking 94 counties of the entire nation were in Texas," the specialist adds.

Hospitalization is not always the answer, however, Miss Reynolds says. Action and facilities are needed in local communities. Recommendations by the Mental Health Planning Committee, under the leadership of Judge C. L. Abernathy of Hale county, are nearing completion.

Further information about the new state plan for mental health services can be obtained by writing to the Office of Mental Health Planning, 410 East Fifth Street, Austin.

# Winterize Your Farm Machinery

COLLEGE STATION.— Whether you own a two-horsepower lawnmower or a 20-foot combine, a good job of preparing the machine for storage will pay off in longer service and lower repair bills, according to an agricultural engineer at Texas A&M University.

"Parking the machine in a building is just a small part of good winter storage," says Beverly Reeves, Extension agriculture engineer. "You need to make sure it won't rust or deteriorate while it sits idle."

No matter what kind of machine you store, Reeves says there are three things you need to do to get it ready for storage: Clean it. Lubricate it. And eliminate any stress on parts.

The agricultural engineer suggests removing trash, lint, dirt and dried grease either by washing the machine with kerosene and rinsing it with water or by steam cleaning.

The machine should be lubricated and then run a few minutes. Chains and adjustment bolts should be coated with a rust preventive oil.

Motor preparation takes 8 steps, according to Reeves:

1. Clean the air cleaner and fill the oil cup to the proper level with new oil.
2. Change the oil and oil filter; then idle the engine for 15 minutes.
3. Add permanent anti-freeze or drain the radiator and engine block. If you drain the motor, leave the radiator cap loose and the drains open to let condensation drain. Reeves also suggests putting a tag on the machine that says "Don't use. Cooling system drained."
4. Drain the gas tank to avoid buildup of gum and residue in the fuel line and carburetor jets and passages. Flush diesel tanks with a diesel flushing oil and white kerosene. All fuels tanks except LP Gas should be left empty during storage.
5. Put two tablespoons of oil through the spark plug openings. With the plugs removed, crank the engine several revolutions to coat the combustion chambers with oil, then replace the plugs.
6. Seal the exhaust, air cleaner intake and crankcase breather with tape to prevent the entrance of foreign matter or moisture.
7. If the motor has a clutch, depress the pedal and fasten it to keep the flywheel from sticking to the clutch plate.
8. Store the battery in a cool dry place. Do not place it on a concrete floor because cold tends to make it discharge faster.

Weather and strain hurt rubber parts, Reeves said. If the machine is stored in a building, release tension on belts and block up the machine to take weight off of the tires. If it is stored outside, remove all belts and place them in a cool dry place. Although few people do it, Reeves said you should remove and store tires of heavy machines that are left outside.

The last step is to make a list of needed repair parts and order them during the winter.

## LETTERS from the People

Chamber of Commerce,
Wellington, Texas

I would like to express my thanks to your organization and your local newspaper for the help you extended in locating descendents of Martha Gambrell Johnson.

Yesterday I received two letters from great granddaughters of Martha Johnson, who was a great aunt of mine. They are Mrs. Russell Hill and Mrs. Roland Mayhugh of your city. This is the direct result of the publication of my letter in your newspaper. With their help I can now establish a substantial number of the descendents of that branch of my grandfather's family.

Please accept my humble thanks for the courtesy you extended in helping to locate these descendents.

# Deck's DIDACTICS

—By Deskins Wells

By this time next week this hectic election will be over and a lot of people will be relieved for the charges and counter charges have reached the saturation point as far as influencing voters is concerned. This does not mean that people are not gravely concerned over what may be the most important election in our nation's history and they will go to the polls in unprecedented numbers. It does mean, however, that most people have had their minds made up for days and probably weeks and they are not talking and they are not listening. The flood of publicity and advertising undoubtedly serves a useful purpose in holding the line and in getting more people to the polls but it is not expected to change many votes at this late date.

**Thus far we have heard of no neighbors falling out over the election and this is as it should be for it is ridiculous for friends to fall out over politics, religion or any number of things that play a vital role in our lives. We all have our beliefs and convictions and most of us are going to stick to them.**

Writing in The Dallas Morning News, Frank X. Tolbert reports on a poll in Crosby county. The pollster asked a young cotton picker: "Who is your choice for president?"

"Senor," replied the lad, "I have vote many months ago for El Presidente. I vote for Gustavo Dias Ordez, new presidente of Mexico. Why you ask?"

This paper is full of bargains of almost every kind and description listed for the week end. You can save time and money by starting your shopping in the pages of this issue.

**This coming Friday night is the most important date on the Skyrocket calendar for the year. At that time they will meet the White Deer Bucks who are undefeated in conference play up to the present. A win could mean another district crown for the Wellington boys and a loss would mean that they still had a chance to finish in the upper brackets. Playing on their home field will be some advantage, but it is not much when two fairly evenly matched teams meet to play. Besides about as many Wellington fans attend the out of town games as go to the ones here at home. These loyal rooters will be out at Powell Field Friday with their colors flying.**

Wellington is about the only town I know where the visitors sit on the best side of the field. Some towns have facilities where the seats are just as good on one side as the other; but such is not the case here or in Shamrock, Memphis, Canadian, McLean or Clarendon. When we go there we sit on the bleachers but here we sit on the wooden seats while the visitors take over the more modern seats on the west which are cooler on a hot afternoon and warmer on a cold night. However, the Wellington people have gone to the east side of the stadium for so many years that there is no thought of changing. The Rocket boosters would rather fight than switch.

Texas Tech played in another downpour last Saturday. It was the first time that I ever heard of a game being held up on account of hail. Sitting in front of the radio listening to the game I was quite content not to be in Jones Stadium.

**We have had some unusual weather for October. Ordinarily we do not receive much moisture in this month and when it comes it is not the May type rains the area experienced last week. The rains did no damage to the cotton that we have heard of and the moisture was most beneficial to the wheat. Every week that a killing frost holds off means more cotton and a better quality of cotton.**

Overheard at the Busy Bee: Last September some of the boys took Ike Rogers to the races at Raton. Since their favorite motel was full they decided to go to a hotel where the following conversation is reported to have been heard:

Ike: "I'm not going to pay good money for a room like this—it's too small and besides there is no window. Just because I'm from the country—"

Bell Boy: "Get in Buster, this is the elevator."

Mr. and Mrs. Hubert Mauldin and Charles visited this past week end in Stillwater, Okla., with their son Richard, who is attending Oklahoma State College there this year.

## Rockets Meet

—from page one

pound fullback Eddie Kleibrick while the line is headed by 230-pound tackle Danny Lane.

They also have a talented running back in Vernon Marlar, and Donnie Powell and Randy Elliott are also outstanding.

The Bucks also have last year's all-district end, Monty Hawpe.

"They also have the best lineman we have seen this year in a tackle named Charles Smith. They don't do anything real fancy, they just play good tough football and run a lot of power sweeps and power up the middle," the Wellington head coach said.

"They don't have any of the real fast backs we have met the past three weeks, although they do have backs with a little bit better speed than ours, but not a whole lot."

The Rockets may be at full strength this week, but Coaches Beck and Kauffman are not sure. There is still a question mark on Joe Rudy and Chester McLain.

Coach Beck returned briefly to last week's game with Canadian to praise the work of the younger Rockets who played in the game—he started 9 sophomores and juniors. Only Wayne Barton and Ray Floyd are seniors.

This team saw Freddy Bobo and Johnny Maxwell as defensive ends; Skippy Duncan and Ray Floyd, defensive tackles; Jimmy Rudy, middle guard; Neal Roberts and Mike Smith, linebackers; Tommy Yarbrough and Andy Bell, corners; Wayne Barton and Jackie Needham, safeties.

VOTE FOR THE TEXAN WHO LEADS THE FREE WORLD!

For the past eleven months, for the first time in our history, a native son has led our nation and the free world. And every Texan can take pride that President Johnson has met the awesome burdens of the office with courage, wisdom and restraint.

THE ISSUE TUESDAY IS SIMPLE: WHO CAN BEST LEAD OUR NATION IN A TIME OF CHALLENGE AND PERIL?

To which man do you feel most comfortable entrusting the security and well being of yourself and your children for the next four years—

A man who wants to turn back the clock of achievement . . a man who has worked consistently against progressive measures in the Senate . . . a man virtually untested in a time of crisis?

Or a man who has dedicated his entire life to public service . . . who has demonstrated, under five administrations, progressive leadership in working for a better way of life for all Americans. A man who has proved his courage under fire . . . has demonstrated his unwavering strength to meet any aggressor with firmness, yet restraint?

PRESIDENT JOHNSON HAS PROVIDED RESPONSIBLE LEADERSHIP FOR MORE THAN A QUARTER OF A CENTURY

For almost three decades, President Johnson has been a pillar of strength for Texas and the nation. As Congressman, as Senator, as Majority Leader, as Vice President, and now as Chief Executive, he has written a proud record of progress.

ONLY TEXAN PRESIDENT LYNDON JOHNSON OFFERS THE EXPERIENCE, THE PATIENCE, THE WISDOM, AND THE STABILITY NEEDED BY THE NATION AND THE FREE WORLD IN THESE CRITICAL TIMES!

**They'll Trick-or-Treat for CROP**

On Halloween Night, Saturday, October 31, the Wellington Ministerial Alliance will sponsor Trick-or-Treat for CROP. Boys and girls of the member churches, wearing identification tags or armbands, will knock on every door and ask for money donations. All funds collected will go to CROP, the overseas relief and rehabilitation program of the Church World Service. In the picture above, Aleta Owens, left, holds sealed coin containers the boys and girls will carry; Beverly Singley adjusts Marsha Tyler's CROP identification Arm Band. Karen Childress, right, holds the official CROP poster.

## Crackers Play at Skellytown Thurs. at 4:30

The Wellington Junior High Firecrackers will travel to Skellytown Thursday, Oct. 29 for a game with that junior high team, scheduled for 4:30 p.m.

Coach Carroll Nunnelley said Skellytown has scouted the Firecrackers twice this year, and this should be one of the harder fought games of the season.

Don Bates is coach.

The Firecrackers will be without Don Martin, 13-year-old son of Mr. and Mrs. J. Y. Martin, who received a badly sprained right ankle in the game Friday.

## Kiwanians Hear Speech Students

Six boys and girls, students in the Wellington high school speech class, have presented the Kiwanis Club programs for the Oct. 16 and 23 meetings.

Their speeches were original and were judged among the best presented for those assignments.

At the meeting Friday, Oct. 23, Mickey Carter discussed "The United States Flag," Jimmy Campbell, "Sinking of the Titanic," and Don Sweat "The Young Student and What Is Expected of Him."

Three girls presented fictional speeches Friday, Oct. 16. These were Joyce Holton, Anna Kay Kelso and Aleta Owens.

John Holton was program chairman.

## Mental Health Plan Completed

A statewide citizens committee has approved a new program of mental health services in Texas.

Earlier a steering committee had recommended creation of a single agency—Texas Department of Health—to administer state-financed mental health facilities.

Missing pieces in the Texas plan included facilities, financing and administration.

Hale County Judge C. L. Abernethy, chairman of the 112-member general planning committee, said efforts will be stepped up between now and next January to inform the public and officials about the recommendations which will be submitted to Gov. Connally and the 59th Legislature.

An English brewery offered to help the Red Cross blood donor drive by exchanging beer, pint for pint, for blood.

## Three Youths Win State Fair Ribbons

Three Wellington youths won ribbons on calves exhibited in the junior livestock division of the State Fair of Texas in Dallas, County Agent Cecil Regier reported.

Mark Killian received a blue ribbon, indicating prime grade, on his Angus calf.

A red ribbon went to Keith Martin, indicating his Angus calf graded choice. This was the reserve champion at the Collingsworth County Youth Project Show.

A white ribbon, indicating a grade of Good, was given the Hereford calf belonging to Gary Killian.

The Killian brothers are sons of Mr. and Mrs. J. B. Killian, while Keith is the son of Mr. and Mrs. Wayne Martin.

The calves were sold Friday for 23.75¢ per pound and the premium paid by the Fair will amount to an additional 10¢ a pound.

Gary Killian represented the Wellington FFA chapter; the two younger boys entered as members of the Collingsworth 4-H Club.

### Texas Has More Urban Counties

Texas has more metropolitan centers of 50,000 or more population than any other state in the country—22 urban areas.

The Texas Highway Department is not engaged in transportation studies in each of these urban areas to meet traffic needs of even 20 or 30 years from now.

These include studies designed to analyze land use, population trends, traffic flow, economic impact and other vital highway and urban information.

### Rates on Workmen Compensation Up

After a public hearing, workmen's compensation insurance rates probably will go up an average of 2.3%, effective on Dec. 1, says the State Board of Insurance.

Indicated changes by groups are: manufacturing, up .4%; contracting, up 3.8%; oil, down 0.9%; all other, up 1.4%.

## Marvin Garret Dies at Irving

Marvin Garrett of Irving, a frequent visitor here for more than 35 years, died Friday, Oct. 23. He was the husband of the former Vivian Pierce and son-in-law of Mrs. H. L. Pierce, now of Arlington.

Mr. Garrett was about 70.

For many years he was associated with a bottling company in Irving. He was active in the Methodist Church, in civic work and the Rotary Club.

Funeral services were conducted Saturday at 10 a.m. in Kirkwood Methodist Church in Irving.

Relatives here are Ernest Pierce, Ben Farmer and Mrs. Jewell Donnell, all cousins of Mrs. Garrett. Mr. Farmer and his daughter and son-in-law, Mr. and Mrs. John Carson, attended the funeral.

## Clarendon Exes Meet Nov. 7

Homecoming at Clarendon high school has been set for Saturday, Nov. 7, with registration from 10 a.m. to 3 p.m. when a business meeting will be held. Day-long activities will be climaxed by a banquet and dance at 7:30 p.m.

Tickets for the banquet are $1.50 each and should be purchased in advance from Genella Eads or Basil Smith of Clarendon, no later than the morning of Nov. 7. There will be free baby sitting from 10 a.m. to 9:30 p.m.

Friday evening, Nov. 6 there will be the Clarendon-Memphis football game, crowning of the football queen, and following the game, sandwiches, Cokes and coffee will be served at the Canteen.

The Pony Express in 1860-61 operated between St. Joseph, Mo., and Sacramento, Calif.

*At McAdoo*

## Quail Teams Play McAdoo on Friday

The Quail Bobwhites and the Quails will journey to McAdoo Friday night, Oct. 30 to play the Eaglettes and Eagles for the second time this season. In the games played at Quail two weeks ago, the Bobwhites lost to the McAdoo girls 33-46 and the Quails won their game 65-59.

"We feel like our girls have a good chance of beating McAdoo if they play their best," Coach Don Lacy said. "Our boys really had their hands full with McAdoo up here and we expect them to be even tougher down at McAdoo," the coach continued.

"We think our boys have improved some since the McAdoo game and feel like, with a good effort, we can beat them again," Lacy said.

**For Club Women . . . A Work Session**

**Women from clubs that form the Top of Texas District met in Wellington recently for a day-long workshop. Group sessions covered most departments of club work. Chatting at one of the morning sessions, pictured at left, are Mrs. Bedford Harrison of Shamrock, formerly of Wellington, standing, and Mrs. Everett Osborn of Pampa. Three top echelon club members are in the center picture, taken at the luncheon. At left is Mrs. R. T. Lindsey of Canyon, district president. Mrs. Guy Crawford of Borger, center, is first vice president, and lived in Wellington a number of years ago, when she taught in the Wellington schools. Mrs. Lola Munday of Shamrock, right, has long been a leader in federated club work and the Lola Munday scholarship fund is named in her honor. At right are Mrs. Ray L. Johnson of Summerfield, left in the picture, and Mrs. Jack Allen of Perryton, right, a past president of the district. In the background is one of the younger district clubwomen, Mrs. Avent Lair of Canyon. She is the former Helen Ramage, and as a girl she frequently visited in Wellington.**

## Mrs. Stowell Club Hostess

The Belles Lettres Club met Tuesday evening, October 20, with Mrs. J. M. Stowell as hostess.

Mrs. E. F. Bartlett was director of the program, "Tomorrow Is Here."

Roll call was answered by noting the changing times.

Refreshments were served to Mrs. Bartlett, Mrs. A. B. Clark, Mrs. Bryan Denley, Mrs. F. A. Hatch, Mrs. S. B. Owen, Mrs. Dick Richards, Mrs. Howard Riggs, Mrs. Hurshel Tyler, Mrs. Coy Vaughan, Mrs. J. H. Wood and the hostess, Mrs. Stowell.

## Teen-Age Accordionist Plays for Music Club Members at Meeting

In the home of Mrs. John Holton the Wellington Music Club held its first regular meeting of the '64-'65 season. Co-hostess was Mrs. Bill Bradley.

"A World's Fair of Musical Progress," this year's theme, was given emphasis on Oct. 20 with "Music and Ceremony" used in parades in various countries; thus special significance of the United Nations anniversary was noted musically. The National Federation of Music Clubs is the only music organization with a representative to the UN.

Commentary was by Mrs. Bernice Welch.

Sidney Duncan, teenage accordionist, played "The Ranger." Sidney, an individual member of the Texas Federation of Music Clubs was presented an enamel pin with musical motif by his teacher and accompanist, Mrs. L. W. Wells.

A three-part arrangement of Schubert's "Marche Militaire" was performed by Mrs. Sam Thompson, Mrs. Mack Bush, and Mrs. B. M. Sims.

America's John Philip Sousa was represented with a vocal arrangement of "Stars and Stripes Forever." The trio included Mrs. Bradley, Mrs. Bush, Mrs. Orville Vaughan, and Mrs. Sims at the piano.

A piano duet of "Pomp and Circumstance" by Elgers was played by Mrs. Bush and Mrs. Sims.

A recording of Sibelius' "Finlandia" showed further contrast in the composer's militant environment.

Presented as this year's first Junior Musician of the Month was Karen Childress, a senior in Wellington high school and the daughter of Mr. and Mrs. Herman Childress. Mrs. Thompson gave a biographical sketch on Karen and then awarded her a certificate of the occasion. A student of Mrs. Bush, Karen sang selections from "My Fair Lady." Currently, Karen is president of The Vibratos, of Ti-i-ca, and is a member of the Rockettes A team, FHA, FTA, and Beta Club. She is the new Collingsworth County Fair Queen and is a near-graduate of beauty school. She is also an active member of the Church of the Nazarene.

Group singing of the hymn of the month was led by Mrs. Bush with Mrs. Wells at the piano.

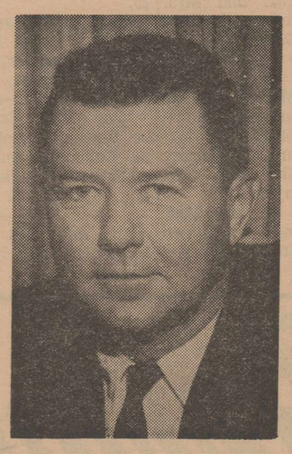

The festive refreshment table was covered with an elaborate cloth adorned with fall leaves in vibrant tones. Brass accessories were used which included a large footed urn filled with fall flowers and tea servers from Saudi Arabia.

In attendance were Sidney Duncan, Johnny Holton, Karen Childress, and Mrs. Herbert Duncan, Mrs. Bush, Mrs. Hiram Cudd, Mrs. Claude Groves, Mrs. Sims, Mrs. Thompson, Mrs. Vaughan, Mrs. Velman Warrick, Mrs. Wells, Mrs. Welch, Mrs. Bradley, and Mrs. Holton.

Mrs. George Jones returned last week from several days visit with her son, Mr. and Mrs. Harvey Jones and family in McLean.

When the house is closed up... and the kitchen's soot free

Flameless Electric Cooking is all it could be

During the winter months when the house is closed up, a flameless electric range is almost a necessity. Only an electric range can prevent the ugly, oily film on windows, walls, cabinets...everything in the kitchen and adjacent rooms, because there's no combustion. Since heat is delivered directly by metal-to-metal contact with the bottom of the utensils, you don't have to clean soot from pots and pans. There's no doubt about it...electric cooking is clean, accurate, fast, and by putting the heat into the food, not into the air...you don't have to pay for dissipated heat.

Visit an electric appliance dealer soon and bring home an electric range so you, too, can have a bright and shiny kitchen.

FREE WIRING — An extra for WTU customers. If you are a customer of WTU and purchase your flameless electric range from a local appliance dealer, WTU will install the wiring at no charge to you.

## Workshop Sessions Cover Many Types of Federated Club Activity

A record attendance was present at the Top of Texas district board meeting and workshop in Wellington recently. More than one hundred and fifty clubwomen and guests representing the ninety-two clubs in this district were hosted by the Wellington City Federation of Women's Clubs.

The district president, Mrs. R. T. Lindsey of Canyon, gave the call to order in the Church of the Nazarene.

In the business session the executive board announced the selection of Mrs. E. R. Bell of Spearman as district junior director to replace Mrs. William Davis of Canyon who resigned.

Mrs. Kermit Lawson of Pampa, district third vice president in charge of extension, presented "diamond jubilee" lapel tabs to the members of the newest club, the Terra Study Club of Spearman.

Director of the workshop and district first vice president, Mrs. Guy Crawford of Borger, led the programs and projects discussion.

A past district president, Mrs. R. R. Lindsey of Borger, directed the leadership aids workshop division.

Other leaders of workshops were Mrs. A. A. Meredith of Borger, conservation; Mrs. Mack Bush of Wellington, education; Mrs. Roy B. Carroll of Dumas, fine arts; Mrs. Morris Bennett of Canadian, home life; Mrs. John Bookout of Hartley, international affairs; Mrs. Roland Allen of Borger, council of international clubs; Mrs. Carl Hall of Lefors, public affairs; Mrs. Olene Carraway of Stratford, Texas heritage.

Special projects were presented by Mrs. Emmet Osborne of Pampa, Congressional Medal of Honor grove; Mrs. O. H. Finch of Dalhart, arthritis and rheumatism foundation; Mrs. Olin Sheets of Spearman, CARE.

Projects for junior clubs presented were Mrs. Charles Brasher of Canyon, CARE; Mrs. Earl Wheatly of Hedley, S.S. Hope; Mrs. Wayne Bullard of Sunray, march of dimes; Mrs. Bill Riffe of Stratford, stamps for veterans.

Representing the Panhandle Heritage Foundation was Mrs. Ples Harper of Canyon.

From West Texas State University came Mr. Milton Morris, co-ordinator of the Opportunity Plan. Accompanying him was the recipient of the Mundy scholarship, a Top of Texas District project. This scholarship honors Mrs. H. P. Mundy of Shamrock.

The method of reporting to be used for this administration was explained to the assembly by Mrs. R. T. Lindsey and Mrs. B. M. Sims of Wellington, district second vice president and chairman of reports and dean of departments.

After lunch and prior to the reconvening of the session, several clubwomen indulged in what they called "further American studies"—listening to the World Series on its all-exciting last day.

On that October 15 the clubwomen kept informed of the changing world situation via radio and exemplified the meeting's theme, "Today's Community Promotes America's Tomorrow."

## 1954 Club Hears Youth Speakers

Mrs. Harley Hatch was hostess to the 1954 Study Club on October 22. The club collect was said in unison.

The business meeting was presided over by Mrs. Paul Spillman, president. Mrs. Palmer Campsey was welcomed as a new member in the club.

The finance committee reported on the securing of water fountains for the city park. This is the project of the club for the year, and cookbooks are being sold, with proceeds going for help with this. One water fountain is to be purchased now and installed. Contributions are to be made to the penny musical, penny art, Latin - American scholarship, and headquarters maintenance ane endowment funds.

Mrs. E. W. Clement, program chairman, introduced Ronnie Hurst and Bill Spillman, who told the club of their trip to Boys State. They explained the purpose and objectives of Boys State, which is sponsored by the American Legion of Texas.

The motto, "Learn by Doing," was proven as the boys learned how our state government is run. They told of how the boys ran for office, the conventions, elections and inauguration of the Governor. The trip had its lighter moments, but was an interesting experience.

Those attending were Mrs. E. W. Clement, Mrs. Paul Spillman, Mrs. R. L. Templeton, Mrs. Sam Adams, Mrs. Lynn Courtney, Mrs. Denzil Lacy, Mrs. A. J. Fires, Mrs. Calvin Hurst, Mrs. James Richardson, Mrs. Sam McGill, Mrs. Eddie Slay, Mrs. Leon Hartman, Mrs. Palmer Campsey, a guest, Mrs. Douglas Lowe, and the hostess, Mrs. Hatch.

## Fidelis Class Has Halloween Party

The Fidelis Sunday school class of First Baptist Church met Tuesday night, Oct. 13, in the home of Mrs. Coy Vaughan for a Halloween party. Group I was hostess.

The monthly business meeting was presided over by Mrs. Tom Caterlin. Plans for the Christmas meeting were discussed.

Mrs. A. B. Earnest Jr., brought the devotional, "Being Grateful."

Games were enjoyed and refreshments were served to Mrs. Riley Dunson, Mrs. C. T. Hubbard, Mrs. Caterlin, Mrs. Ray Clubb, Mrs. John Brim, Mrs. Rolan Bryan, Mrs. W. F. Harbin, Mrs. O. R. Spear, Mrs. Homer Ingram, Mrs. A. B. Clark, Mrs. Emmett Cook, Mrs. Ben Wilhelm, Mrs. Howard Riggs, Mrs. J. M. Stowell, Mrs. Willie Smith, Mrs. Vaughan, and two visitors, Mrs. W. H. Britton of Odell and Mrs. Earnest.

## Lillie Club Meets with Mrs. Haralson

The Lillie Home Demonstration Club met in the home of Mrs. Elmer Haralson Wednesday, October 21.

Roll call was answered with "Hints for Entertaining." Mrs. Haralson gave the devotional, and also showed slides which her son, Marcus, made while in the Marines. The slides included scenes in New Orleans, Cuba, Florida, England and many other interesting places.

Refreshments were served to Mrs. Dudley Phipps, Mrs. Zook Thomas, Mrs. Haskell Manuel, Mrs. Mac Horton, Mrs. C. A. Wright, Mrs. John Thomas and LaVonda and the hostess.

Several members of this club attended the Rural Homemakers Day in Amarillo Thursday, October 22.

The noon luncheon was held at the Amarillo Country Club and the main speaker was the wife of the governor of Oklahoma, Mrs. Bellmon. She spoke on "Life in the Governor's Mansion."

Club members attending were Mrs. Henry Langford, Mrs. Elmer Haralson, Mrs. Mack Horton, Mrs. Haskell Manuel, and Mrs. John Thomas.

---

Mr. and Mrs. Arlon Williamson and Vickie and Jan Blain were in Amarillo Sunday to visit Jan's mother, Mrs. L. E. Ward, who is in the hospital there. They also visited in the home of Mr. and Mrs. Jack Brisbin.

## Ti-i-ca Presents Three Pledges and Twelve Seniors Saturday Night

On October 24 Ti-i-ca presented its 1964 pledge chapter at the community building.

Mindful of their American heritage, Ti-i-ca chose the theme "Stars and Stripes."

A tradition with Ti-i-ca is its fine arts concert, co-ordinated to the presentation theme each year. With the exception of the spotlight on the unfurled United States flag, the house lights were off as the following numbers were performed: "I Am Old Glory," a musical reading by Anna Kay Kelso; "Pledge of Allegiance to the U.S. Flag," a vocal arrangement by Karen Richardson, Linda Richardson, Patricia Wilson, Aleta Owens, Jan Lindsey and Jan Glenn; "Let There Be Peace," a double duet by Karen Richardson, Karen Childress, Patricia Wilson and Jan Lindsey; "God Bless America," saxophone solo by Marsha Tyler; "You're a Grand Old Flag," vocal sextet. At the piano was Virginia Patterson.

The stage curtains had slowly opened in the dark and now the spotlight illuminated the towering official shield of the United States of America. A clever and heart-stirring military tap of "Stars and Stripes Forever" was performed by Sandra McGill, Carey Lewis, and Kathy Singley.

Mrs. Jimmie Light Strickland was master of ceremonies.

The three new stars that Ti-i-ca added to its roster were presented individually on the huge turntable, backed with the U.S. shield, resplendent in its red and white stripes and topped with silver stars in a field of patriotic blue. Flanking the rotunda, which was motivated by Mary Lou Holton and Jo Nell Christoph in Uncle Sam costumes, were slender columns of red and white stripes topped with patriotic blue. A military drum cadence by Wynona Jones and Sharon Daves preceded each individual entry on the turntable.

Descending the luminated red and white staircase were these honored pledges: Joy Chandler, daughter of Mr. and Mrs. Floyd Chandler, escorted by Chris Hubbard, son of Mr. and Mrs. C. T. Hubbard; Cherry Lewis, daughter of Mr. and Mrs. Carthel Lewis, escorted by David Lynn Groves, son of Mr. and Mrs. Claude Groves; Nancy Thomas, daughter of Mr. and Mrs. Zook Thomas, escorted by Earl Lynn Feemster, son of Mr. and Mrs. Elmer Feemster.

Each pledge wore a red, white and blue diplomat-type banner which was accented with a gardenia badge. Each escort had a red, white and blue accent in his white jacket pocket.

Also presented were these senior stars, who formed an arc across the auditorium floor: Glenna Taylor, escorted by Dwayne Poteet; Aleta Owens, escorted by Raymond Horton, Jr.; Jan Lindsey, escorted by Jackie Duncan; Joni James, escorted by Gary White; Wynona Jones, escorted by Wayne Barton; Jan Glenn, escorted by Bryan Hatch; Karen Richardson, escorted by Gene Sweat; Marsha Tyler, escorted by Dennis Leeper; Anna Kay Kelso, escorted by Skippy Duncan; Betty Courtney, escorted by Bobby Hudson; La Velle Harper, escorted by Leamon Bawcom; and the Ti-i-ca president, Karen Childress, escorted by Herman Childress.

Each senior girl carried a single, long-stemmed red rose and, with her escort standing behind her, sang the finale, "My Own America."

Decorations for this patriotic presentation included swags of red, white and blue bunting, clusters of red, white and blue balloons, large tissue balls suspended from the ceiling and an over-sized Uncle Sam hat. Banquet tables held upright shield replicas and white tapers accented with red, white and blue streamers.

Upon arrival, guests were registered on a shield-shaped book. They were then asked to "mark your ballot" by the "election chairman," Mrs. Ted Brock. The ballots were placed in a "locked" container. At the end of the formal presentation the election chairman posted the "returns" near the refreshment area, which resembled the portico of the White House. Amid the white columns draped with bunting was the refreshment table aglow with white tapers in a contemporary centerpiece of red, white and blue. "Patriotic Punch" and star-spangled cookies were served to more than 160 guests.

Sponsors of Ti-i-ca are Mmes. Strickland, Heber Brantley, Calvin Hurst and B. M. Sims.

## Mrs. Motsenbocker Midway Hostess

The Midway Home Demonstration Club met Wednesday, October 21 in the home of Mrs. Jesse Motsenbocker.

Two members of the club had attended the Rural Homemakers luncheon in Amarillo recently and they discussed the meeting.

After the business meeting there was a Tupper Ware showing.

Refreshments were served to Mrs. Harold Caldwell, Mrs. Russell Hill, Mrs. M. C. Cleveland, Mrs. Roscoe Land, Mrs. W. M. Horton, Mrs. Emmett Cook, Mrs. Ben Brewer, Mrs. Pat Bouchelle, Mrs. Hurshel Tyler, a new member.

Also these visitors, Mrs. Mattie Koen, Mrs. Terry Bouchelle and daughter from Amarillo, and Karen and Eugene Caldwell.

## B&PW Members Appear on Program of Fall Conference at Wichita Falls

Business and Professional Women from twelve clubs in District 10 gathered in Wichita Falls for their annual fall conference. Going from this county were 15 members of the Wellington club.

The purpose of the conference was to introduce the program for the coming club year, to elect a district director, a member and alternate to the state nominating committee. Graham was selected as the conference site for the fall of 1965. A member of the Graham club was elected district director. Alyeen Ater of Childress will represent district 10 as member to the state nominating committee, and Marie Cook of Wichita Falls is alternate. Mrs. Modell Scruggs, state president, was banquet speaker on Saturday evening. She is a former Wellington resident.

On arrival, guests were entertained with a reception from 4 to 6 in the Bounty Room of the Tradewinds Motel.

The Wellington B&PW Chorus, "The Choraleers," appeared on the "late, late show" for conference guests after the banquet. They sang several numbers in keeping with the theme of the Federation, by stressing equal legal rights and the workshop for Sunday.

The local club president, Mrs. Byron Duncan conducted the memorial service on Sunday morning. She was assisted by the Club Chorus. The Wellington Club also won the traveling gavel, which is given to the club with the highest percentage of its membership present at the conference.

The district director, Eva Mae Weaver, presented the Wellington club an award for second place on their scrapbook, which had been entered in the state contest at the end of the last club year.

Mrs. John Coleman was the workshop chairman for the conference, using the theme of "Every Member Participating."

Thirteen members of the Wellington club participated in the workshop by giving an orientation for new members.

The highlight of the conference was a luncheon Sunday, with Mrs. Macon Boddy of Henrietta, a member of the late President Kennedy's Commission on the Status of Women, as luncheon speaker.

Members going from Wellington were Mrs. D. C. Lacy, Mrs. H. L. Jenkins, Mrs. R. H. Isbell, Mrs. Bura Handley, Mrs. John Coleman, Mrs. Byron Duncan, Mrs. Dudley Phipps, Mrs. Lowell Wells, Mrs. Rufus Sweat, Mrs. Ernest Harwell, Mrs. Steve Owens, Mrs. Raymond Patton, Mrs. Otis Emmert, Mrs. Buford Comstock, and Mrs. Zook Thomas.

# Ticket Splitting Big Factor in Election

Close observers of Texas elections down through the years expect an unusual amount of "ticket splitting" in the General Election Nov. 3.

Members of both major parties will be affected; that is, "regular" Democrats may find that they want to cross the party lines to vote for one or more, but not all, Republican nominees, and vice versa.

In the 1960 general election, at least half a million Texans voted "split tickets." This estimate comes from comparing the total vote received by the Kennedy-Johnson ticket with the Democratic and Republican votes for governor and other state offices.

The courts have held, in effect, that there is no legal bar to ballot-splitting. Each voter has the right to make his individual choices, regardless of party, and this right cannot be limited by party action.

The mechanics of ballot-splitting are less complicated than the average voter realizes. To vote for a particular candidate for a particular office, whether on a paper ballot or on a voting machine, the essential thing is to leave his name and mark out the name or names of his opponents in the other columns. In counties that use voting machines, the voter is entitled to receive technical information as to how he can make his vote count as he wants it to count.

Voters using paper ballots need to be reminded that there are other columns than the Democratic and Republican, and that these columns must not be overlooked. The final result must be, simply that only one name is left (in whatever column) for each office. Otherwise the vote for that office cannot be counted.

## Goose Hunt Opens Oct. 31 for Texans

AUSTIN.— Waterfowl hunters will fire the first fall salvo in Texas at sunup Saturday, Oct. 31, when the season on geese and brant opens, said E. A. Walker, assistant director for wildlife for the Parks and Wildlife Department.

The second section of the waterfowl shoot—that on wild duck and coot—will open at sunup, Nov. 25 to continue through Jan. 3.

Walker said the goose and brant season, which extends through Jan. 13, apparently will provide some "average to good hunting."

He observed that the bulk of the goose hunting will be in the coastal plains where rice fields provide feed for hundreds of thousands of the big birds which winter in Texas after spending the summer in the Arctic regions.

Shooting hours for geese are from sunup to sundown.

The goose and brant possession limits are: Daily and possession limits, five. Daily bag and possession limits may not include more than: (a) one Ross' goose, (b) in alternative, two Canada geese or sub-species; one Canada goose or sub-species and one white-fronted goose; or one white-fronted goose.

Walker suggested that hunters consult their local game warden or a printed guide, or both, to properly identify the different species.

He cautioned hunters about the new Federal regulation requiring that one feathered wing be left on all dressed migratory game birds.

Walker said any sharp-shooting archer may legally take geese with bow and arrow but that shotguns must not be larger than 10 gauge "fired from the shoulder." Guns must be plugged to 3-shell or less capacity, including both magazine and chamber. Waterfowl also may be taken by means of falconry.

Waterfowl may be taken during open season from a blind, boat or floating craft, except that they may not be taken from a sink box or any craft or device of any kind under either natural or artificial power. They may not be taken "from or with the aid of an automobile, motor vehicle, aircraft, or livestock. (Old time hunters frequently stalked concentrations of geese, using livestock as shields)."

Waterfowl may be taken from outboard motor boat if the boat is beached, resting at anchor, or is placed inside of or secured in any shooting blind. Motor boat, sail boat, or other craft may be used solely as a means of picking up dead or injured birds.

It is unlawful to bait waterfowl or to use live decoys. The use of aircraft, power boats, sail boats, or other floating craft or device of any kind for the purpose of concentrating, driving, rallying, or stirring up waterfowl and coots is strictly prohibited. The use of recorded or electrically amplified bird calls or sounds is prohibited.

### *Good Bag Marks Free Hunt Start*

AUSTIN.—Successful termination of the first fall public hunt was reported by the Parks and Wildlife Department.

E. A. Walker, assistant director for wildlife, said 1,218 hunters bagged 1,942 squirrels in a three-day shoot on the Devils Pocket Unit of the Angelina Wildlife Management Area in Deep East Texas.

## CJC Opens Cage Season Nov. 1

The approximate date for advance ticket sales for Clarendon Junior College Bulldog basketball games has been set for Nov. 1. Season tickets for the ten home games will cost $5 for adults and $3 for any student enrolled in any school or college.

The purchase of a season ticket represents a 50% savings over tickets purchased singly, and are good for any game.

"We are following such a ticket policy this year in order to provide our fans with a real bargain," said Coach Bill White. "If a ticket holder has to miss one or two of the games, he can always give his extra tickets to friends or bring a party to the next game, and thus realize the full value of his unused tickets."

Season tickets will be sold until Dec. 6 by various merchants in area towns, the listing of which will be made available in the near future, or may be ordered from Basketball Tickets, Clarendon Junior College, Clarendon, Texas.

## Dove Season Ends Friday

AUSTIN.—One of the major hunting seasons will end soon for about three-fourths of Texas, noted Al Springs, wildlife coordinator for the Parks and Wildlife Department.

At sundown Friday, Oct. 30, legal shooting of mourning doves in the northern zone will close for the season. The season in the north zone opened Sept. 1.

Meanwhile, said Springs, the south zone hunt which opened Sept. 26 will continue until Nov. 24 except in those counties having a whitewing season where the season will close Nov. 20.

Springs said the 1964 harvest has been "about average" in most areas and that some good hunting continues in the south zone.

Mr. and Mrs. R. T. Savage have returned home after spending a week hunting pheasants in South Dakota.

## Shirley Peters Pledge Trainer

Shirley Peters, daughter of Mr. and Mrs. V. K. Peters of Wellington is now serving as pledge trainer at Delta Zeta National Social Sorority at West Texas State University. She has served as historian and rush chairman.

Miss Peters is also a member of Sigma Tau Delta, national honorary English fraternity, Student Union Board and library personnel.

Miss Peters is a senior elementary education major.

## Texas Citrus Crop Up

Texas' 1964-65 citrus crop will be four and a half times greater than last season's 740,000 boxes, reports USDA's Crop and Livestock Reporting Service.

CLRS estimated a 3,400,000 box fruit crop for the coming season, including 2,400,000 boxes of grapefruit and 1,000,000 boxes of oranges.

Widespread showers and heavy rains in the Falcon Reservoir watershed of the Lower Rio Grande Valley were credited with assuring proper fruit sizing.

### *Bar Board OKs Law Changes*

Texas Bar's board of directors approved a 9-point legislative program for 1965, which includes the proposal that county commissioners be granted authority to establish county-wide traffic courts and cities be able to set up metropolitan "courts of record".

Board also pledged support of "a substantial across-the-board pay raise" for district and appellate judges. No particular salary structure was recommended, but a $25,000 annual salary for district judges has been discussed.

Board gave "overwhelming" endorsement to revision of the state's Criminal Code. A bill to do this was passed by the 1963 Legislature, but it did not become law, due to a technicality.

## *Your Vote Next Tuesday Is Important*

In 1960 only slightly more than 63 per cent of the eligible voters cast a ballot in the general election.

Those who stayed away from the polls deprived themselves of the right to have a hand in selecting the men and women who would govern them for the next two or four years.

One reason most frequently given by those who stay away from the polls is the supposition that one vote won't make a difference. One vote can make a difference. In 1960 Kennedy defeated Nixon by less than one vote per precinct over the nation. If a few thousand more Republicans had gone to the polls in just two states, Illinois and Missouri, Nixon would have been the president.

The right to vote is more than a privilege; it is an obligation that you owe to your family, your community, your state and your nation. There are many more millions of people in the world today who do not have the right to take part in free elections than there are who do. We do have a choice and that right should be exercised. One vote is important.

## Bigger School Budget Sought

AUSTIN. — An increase of $107,000,000 in state expenditures for higher education and doubled tuitions in state colleges and universities is proposed.

Texas Commission on Higher Education recommends a $457,100,000 budget for upper level institutions during the 1965-67 biennium. Figure includes $307,500,000 for 22 state-supported senior colleges and universities.

Tuitions under the Commissions recommendation would be hiked from $50 to $100 a semester. Last increase was in 1957, when the rate was raised from $25. If the Legislature approves this hike, revenues will be boosted $33,000,000—leaving some $74,000,000 more needed from tax funds.

Overall budget increase of 45.2% would permit a 23% faculty salary raise. Previously, the Commission had asked a $5,900,000 supplemental appropriation for faculty salaries.

Commission also recommended "phasing out" Texas Southern University's law school.

---

Under the Joint Resolution of Congress, March 1, 1845, the State of Texas may subdivide into four states.

## CROSSROADS REPORT

Dear Editor:

As everybody finally does, Mr. Herbert Hoover has gone. The world is poorer because its stockpile of worthy men is down by one.

As is customary, he was often nipped at by little people who couldn't understand a man who was willing to serve his fellowman without personal profit and acclaim.

Mr. Hoover was not a flesh-pressing politician with an itch to get rich while playing God, which makes it hard to believe that once he got elected to public office.

---

I see where the Russians had a sort of jumped-up election here the other day and Mr. Khrushchev lost.

And the Communist newspapers are now unbiasedly running him down, while the Moscow Department of Education is writing him out of their history books.

My padded brain neighbor says at least we are way ahead of the Russians in this field. They wait until they are all through with a man before they crucify him, whereas we do it while he's running for the office.

---

I see where the Justice Department boys got orders from somewhere to stop the trial of two Communist spies and get them out of the country.

Word from on high was that the government would have to reveal some of its secrets to get a conviction, which they hadn't thought of before. But it didn't say if it's the enemy or the voters which these secrets have got to be kept from.

My nosey neighbor says it has got his curiosity in overdrive, wondering what it has been decided that he had better not know this close to election.

---

Candidates again this year are using both the smear technique, which discloses unpleasant facts about an opponent, and the lie technique for when embarrassing truths are scarce.

In the perfect society, of course, office seekers will say only nice things about opponents, and each one will be obliged to point out his own character defects and the eccentricities of his helpers.

And my dreamer neighbor says when it gets unethical for people to witness against each other, it will naturally kill off the tattletale credit bureaus, and he is going to start living a fuller life.

## *Highway Dept. Builds Boat Ramps*

The Texas Highway Department is charged with the construction of more than 50 boat ramps and collateral facilities on Texas waterways. These free boating facilities are being constructed from boat registration fees collected by the State Highway Department at the direction of the legislature. The 1959 Texas legislature which passed the Water Safety Act designated the Highway Department as the administering agency to collect boat registration fees.

## Plains Ranchers Form Cattle for Goldwater Unit

Cattlemen of the Golden Spread, staggering under depressed cattle prices, brought about by record high foreign beef imports, and stricken by drouth, have organized "Cattlemen for Goldwater," according to E. S. F. Brainard of Canadian, and W. N. Barrick of Amarillo, co-chairmen.

"We are giving cattle to Goldwater because most cattlemen have taken such a beating during the past two years," said Brainard. "Most of us haven't made any money in a long time and with prices what they are now, we figure giving cattle to be sold is the best way we can help elect Barry Goldwater and put an end to the disastrous policies of Johnson and Orville Freeman."

Cattle for Goldwater are being received at Golden Spread Packing Company, on N.E. Third in Amarillo, next to Hulett Cattle Company. They will be held there until consigned for sale in the near future. All proceeds of the sales will go to the Goldwater campaign fund, since all necessary feed and labor have been donated.

Joe Wright of Amarillo, who is in charge of receiving and selling the cattle said any cattleman who needs transportation for his stock can get it by called him at DR 4-4637 or DR 3-3409 in Amarillo.

Cattle may be delivered on Saturday afternoon, Sunday, or after 5 p.m. by getting in touch with Wright.

## Funeral Held Here Wednesday for Paul Riley

Paul Riley, who grew up here, died Saturday, Oct. 17 at 4 p.m. in Fort Worth. Mr. Riley had lived away from here since 1941, when he entered the Army to serve during World War II.

Funeral services were conducted at the Kelso Chapel Wednesday at 2 p.m. with Min. Grandol Forehand officiating, and burial was in the family plot in West Wellington Cemetery. Kelso Funeral Home was in charge of arrangements.

Pallbearers were Elmer Hiett, Les White, J. E. Nunnelley, Shelton Nunnelley, Buford Chandler and Ted Brock.

Mr. Riley was born at Childress Nov. 20, 1909, and the following year he moved with the family to Wellington. His father was the late Ed Riley, who for many years owned a blacksmith shop here.

Riley attended the Wellington schools.

He is survived by Mrs. I. E. Riley of Amarillo; four brothers and three sisters: Isaac E. Riley Jr., and Clyde Riley of Oklahoma City; Odell Riley and Bill Riley of Amarillo; Mrs. Danny Bills of Borger; Mrs. Joe Whitt of Houston; and Mrs. Ralph Pryor of Altus, Okla.

His father died Aug. 3, 1962, and a sister, Edna, also preceded him in death.

*Bronchos Win 28 to 14*

# Rocket B Win Streak Broken at Clarendon

The Rocket B team's long winning streak came to a jolting stop on Broncho Field at Clarendon Thursday night, Oct. 22 when the Broncs B team won 28 to 14.

Three of Clarendon's touchdowns were scored in the first quarter, and this put the Wellington boys too far behind for them to make the comeback necessary to win, Coach James Stavenhagen said.

Clarendon kicked off to Wellington to begin the game. The Rockets ran the ball on the first down and fumbled, with Clarendon recovering. They were deep in Wellington territory and were able to score their first touchdown due to this break.

The try for extra point was good, putting them ahead 8-0.

They kicked to the Rockets, who made one first down and then tried a pass which was intercepted and run down to the 5 yard line by Clarendon, who then pushed on across for the second touchdown, but their try for extra point was no good.

Wellington again received the kickoff, fumbled the ball on the first play and the Bronchos were able to score on a pass play and made their extra points, also on a pass. The score at this time was 22-0.

About this time, the Rockets woke up and began to play football.

Wellington scored their first touchdown early in the second on a long sustained drive.

Randy West set the touchdown up with a 45 yard gain around the left end. Jimmy Black ran the ball across on a sweep around right end. The try for extra point was no good.

This was all the scoring in the first half.

After the half, the boys came back and really played some good defense. Wellington kicked to Clarendon, they ran three plays and were forced to punt.

On the first play from scrimmage, Randy West made a 40 yard gain. Gary Martin picked up another 12 yards on the next play, and Randy West another 5 and the touchdown on the third play.

The try for extra points was good with Marion Barton carrying the ball over.

The Rockets played a good defense through the remainder of the third and into the fourth quarter, the score at this time being 22 to 14.

In the fourth, the Rockets had Clarendon in the hole with a fourth down and 25 to go. The Bronchos faked a punt and ran the ball, picking up enough yards for the first down.

This seemed to be the turning point in the game. Clarendon was able to drive on down and score, and the try for extra points was no good.

Wellington took the ball and moved it downfield, but had to punt. Clarendon tried to run the ball, and they were forced to punt on the fourth down.

Larry Pippins blocked the punt inside the Broncho 20. The Rockets were in position to score, but failed to do so and had to give the ball to Clarendon on their 4 yard line.

Two things broke the Rocket resistance, Coach Stavenhagen believes. First was Clarendon's running on their fourth down situation and picking up the crucial first down, and the other was Wellington's failure to score on the last series of plays.

"All in all, the boys played three quarters of good football. They just weren't ready when the game started," the coach declared.

Three Rocket B team members left the team earlier this week for action on the varsity squad.

Tim White, whose phenomenal kicking outdistances anyone on the A team, was replaced on defense by Michael Gilmore. Paul Jones now does the B team kicking.

Donald Wolf, defensive halfback, was replaced by Jimmy Black, while Gilmore is in for Lewis Watkins on offense and Ronnie Davis replaces him on defense.

# Sixty-Eight on Junior High Honor Roll

Sixty-eight boys and girls were on the Wellington junior high honor roll for the first six weeks period, A. A. McQueary, junior high principal, pointed out. Twelve were on the A honor roll.

## Mental Health Agency Urged

A 26-member group, planning improvements in Texas mental health services, recommends a central State Department of Mental Health.

Under the proposal submitted, all mental hospitals and clinics and present State Health Department services in the field would be transferred to the new agency. The full 112-member Mental Health Planning Committee scheduled an Oct. 16 meeting in Austin to complete its work and make recommendations to the next Legislature.

## Gov. Connally Has New Job

Gov. John Connally returned from the Southern Governors' Conference in San Antonio with a new honor and a new assignment.

Already chairman of the National Democratic Governors' Caucus, he was unanimously elected chairman of the Southern Conference of chief executives.

In a three-day session, the governors discussed a variety of state problems and adopted 14 resolutions. Among the latter was one urging a federal constitutional amendment to permit states to take other factors than population into consideration in reapportioning their senates. Resolution was aimed at nullifying a U. S. Supreme Court decision ordering both houses of state legislatures apportioned on the basis of population alone.

Before entering Minot State, Mrs. Sweat was enrolled as a music major in West Texas State University. She was a member of Mu Phi Epsilon, a music sorority. At Minot State she is a member of MENC and Pi Omega Pi.

The recital program consisted of compositions by Beethoven, Mozart, Chopin, Debussy and Shastokovitch.

Mrs. Sweat will graduate in March and has majors in music and business education. She is the former Judith Ann Wilson and is married to Sgt. Dickie Sweat of the United States Air Force. They have one daughter, Rebecca Lynn.

# Norwood Baptists Host to Men of Association

The Men's Brotherhood of Samnorwood Baptist Church was host to the quarterly meeting of the North Fork Association Brotherhood Thursday night, Oct. 22.

The guest speakers were Mr. and Mrs. John Zinn of Pampa, who spoke on the Nueva Vista or New Life Crusade started by the Baptists among the Latin Americans in Texas this year.

Mr. and Mrs. Zinn were in Del Rio two weeks during the summer for training in this work. Slides and chalk drawings were used to illustrate their discussions.

B. F. Chance of Wellington, president of the Associational Brotherhood, presided at the business session. Robert Earl Smith, president of the Samnorwood brotherhood, welcomed the visitors, while Selba Rainey gave the scripture reading and a prayer. A duet was sung by Dale Darrow and Joe Lackey.

Approximately 60 men attended from Baptist churches throughout the North Fork Association, which includes all of Wheeler and Collingsworth counties and the southern half of Gray county.

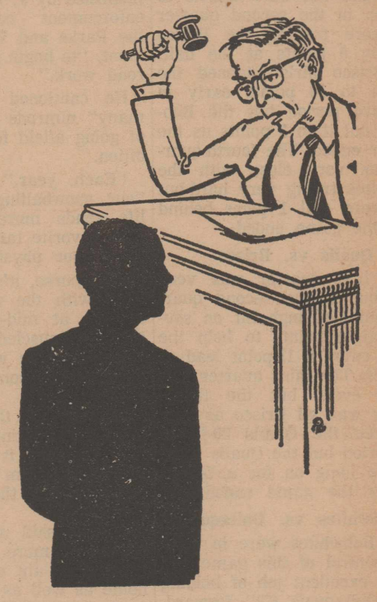

The January meeting of the Associational brotherhood will be at Mobeetie and the March meeting at First Baptist church in Wellington.

Because there had been no mention in the contract of a cornerstone for the Texas State Capitol, Gus Wilke, the contractor, paid for it out of his own pocket.

OF COURSE, nobody ever gets hauled into court and sent to jail for cheating himself by putting his money in somebody else's kitty. After all, one freedom we have left is the freedom to sell-out our home economy... by buying out of it.

But Old Judge Economics hangs a stiff penalty on floating shoppers, just the same. He cuts $3 or $4 off our community business volume every time we take a dollar out of our area. And all over the country there are sad communities, where good people invested hard work, time, money, and their lives—only to see most of it go down the drain when they and their neighbors city-shopped away their own community business volume.

*Quails Win Twice*

# Bobwhites Win One, Then Lose a Game

The Quail Bobwhites won their first basketball game of the season by beating the Quitaque Pantherettes by the score of 42-28 at Quail Friday night, Oct. 23. Earlier in the week the Bobwhites took a heart-breaking defeat at the hands of the Brisco girls by one point, 56-57. The Quail boys won their game at Brisco 58-51 and came back to beat Quitaque 69-63.

Sue Breedlove was leading scorer for the Bobwhites in both games, scoring an amazing 40 points against Brisco and 23 in the Quitaque game. Micky Fuchs was high for Brisco with 24 points and Deborah McKay led Quitaque with 14. Dale Morris led the Quails at Brisco with 17 points and against Quitaque with 29. Tom Hayes was Brisco's high point man with 16, while Johnson scored 24 for Quitaque.

**Bobwhites vs. Brisco**

The Bobwhites jumped to an early lead but were unable to hold on in the second quarter and were trailing the Brisco girls by 5 points at the half. The Brisco girls widened the margin to 10 points early in the third period but the Bobwhites cut it to 3 points as the quarter ended. The fourth quarter was very close with the Bobwhites trying very hard but they were still 1 point behind when the game ended.

**Quails vs. Brisco**

The first quarter was very close but in the second quarter Paul Gollihugh hit on seven straight points to help the Quails enjoy a 13-point lead at the half. The third quarter was played even but the fourth quarter was all Brisco as they outscored the Quails 20-14 in this period but the Quails managed to hang on for a 7-point lead as the game ended.

**Bobwhites vs. Quitaque**

The Bobwhites were in complete control of this game and did an excellent job of holding down Quitaque's 6'2" forward. Quitaque did not score a field goal in the first quarter. The largest margin enjoyed by the Bobwhites was 16 points in the fourth quarter, and they were 14 points ahead when the game ended.

**Quails vs. Quitaque**

The first quarter was very even and the Quails were only 3 points ahead at the half. The widest margin was 10 points early in the fourth period, but the Quails were unable to hold this and won the game by 6 points.

"The girls and the boys are playing pretty good basketball and are improving with each game," Coach Don Lacy said. "The kids really want to win and that is the first requirement."

## Hunters Should Start Road Work

AUSTIN. — Texas hunters, poised for what could be the greatest deer harvest, were admonished by J. B. Phillips, law enforcement coordinator for the Parks and Wildlife Department, "to begin getting in their road work."

He cautioned that "all too many" nimrods spoil the sport of going afield for lack of condition.

"Each year," he advised, "our snowballing soft way of life sends more people after their favorite target in increasingly poor physical condition.

"Of course, it's too late now, what with the regular season opening at mid-November, to get all muscled up. But as your physician will agree, you can work off some of the rough edges.

"I am told that plain, old-fashioned walking may do the job. At least, it can ease the transition from routine chair calisthenics to the rigors of the hunt."

Phillips said nowadays, with more and more people having year-round air conditioning at home as well as at offices, the mere "exposure" to fresh air can be a trial for some hunters. "Then," he said, "if you blend in a wet Texas norther, the average inactive person really gets the crucial test."

He added statistics show that heart attacks are a major cause of hunter ailments in the field.

## Crackers Lose to McLean; Childress 0-0

The Wellington eighth grade football team lost to McLean eighth grade 18-0 in a game played Thursday, Oct. 22, and on the same evening, the seventh grade teams from Wellington and Childress played to a scoreless tie.

In the Firecracker-McLean eighth grade game, Wellington received the ball but couldn't move and was forced to punt from its own 30 yard line.

The punt was blocked and caught by a McLean player, who ran it across and scored. The try for extra point failed and the score at the end of the first quarter was 6-0 in favor of McLean.

The ball moved up and down field through the second period with neither team scoring.

Wellington kicked off to open the third quarter, and McLean moved downfield, then scored from 30 yards out on a reverse play. The try for extra point failed, and McLean led 12-0.

Again the ball traveled up and downfield to finish the quarter.

McLean scored again in the fourth quarter on a sweep play to end, but the run for the extra points failed.

**Wellington-Childress**

Wellington kicked to Childres to open the game, and the teams played an excellent defensive game through the first half.

Childress threatened once, just before the half ended and had the ball on the one yard line when time ran out.

The second half was dominated by good defensive play on the part of both teams.

Two Firecrackers received injuries during the play Thursday night, Terry Hanna who has an injured back, and Don Martin, who received a sprained ankle.

## *Water Storage in State Increases*

Texas Water Commission reports that the month of September brought better than normal rainfall in most areas of the state. Conservation storage in major reservoirs increased 2,300,000 acre feet, to 8,400,000 acre feet. Storage at the end of September was 71% of potential capacity.

Seventeen of the 18 stations over Texas reported above average rain. Weather Bureau station at Brownsville was the lone exception. There, near normal fall was recorded.

## *Church Seeks Unity of Indians and Non-Indians*

The Christian church has reached a "critical juncture" in its ministry to the American Indian—a juncture in which churchmen must became "the third race" to reconcile the estranged Indian and the non-Indian.

"Neither an Indian Christian who has virtually become a white man, nor a non-Indian missionary who has 'gone native' will do. Required for the task is a new race, 'the third race', made up of Indians who are at once truly Christian and truly Indian, and others who are equally truly Christian and truly whatever they ethnically or racially are."

That is the assertion of the Rev. Dr. Daisuke Kitagawa speaking at Estes Park, Colo., to the triennial National Fellowship of Indian Workers.

Dr. Kitagawa is executive secretary of the Episcopal National Council's Division of Domestic Mission. The Japanese-born Episcopal priest made it clear that "the church's mission at this juncture must be to bring about the reconciliation between the American Indian community and the rest of the nation on a collective, inter-group basis."

# To The Voters of Precinct 3

I want to thank the people of Precinct 3 for their loyal support in electing me as your commissioner four years ago. I have tried to serve you to the best of my ability, showing no special favors to anyone. I have tried to treat every one the same.

I announced in January of 1964 for my second term and paid my filing fee, to help pay the expense of holding the elections.

I have made three trips to Austin with the court. We met with the Highway Commissioner in the interest of Farm-to-Market roads and have secured 26 miles, with 8 miles in precinct 3, the other is in precinct 1. I was with the court one hundred per cent in securing the jail for our county. The county is in good financial shape. I will strive to keep it on cash basis.

I warn you to beware of promises, the majority of the court has to go along with you so that you can get your deal over.

I appreciated your vote in the May Primary Election for my second term. I would like to have your vote and influence in the general election of November 3.
