RAILWAY WAGE CUT SETTLED

WORKERS AGREE TO A 9-MONTH EXTENSION OF REDUCTION

(By The Associated Press)

CHICAGO, Dec. 22 — Railway labor stuffed a $150,000,000 gift into the carriers' Christmas stocking today.

One million workers agreed through their 1,500 representatives to continue to accept pay checks ten per cent lower than the standard scale for another nine months. When the current agreement expires on January 31 the employes will have felt the effect of the cut for one year.

Their decision, assuring their employers a huge saving in operating costs until next October 31, was reached at 12:04 a. m., after 11 days of negotiation with nine officials of the roads.

Small Texas Town Looted By Bandits

SAN ANTONIO, Dec. 22 (AP)—After making a prisoner of Henry Yow, night watchman, four armed desperadoes who invaded the little town of Poteet, about 25 miles south of here, early today looted the safe of a general merchandise store of $175 and then battered off the combination of the vault in an unsuccessful attempt to rob the First State bank.

The robbers, who tied up Yow and made him lie face down in the rear of their automobile, brought him nearly to San Antonio following the robbery, and one of the quartet insisted upon killing him. The other three robbers decreed he should be set free, however, and he was released.

GOVERNMENT TO BEND EVERY EFFORT TO NEW SETTLEMENT

PARIS, Dec. 22—The ministerial declaration prepared by the new cabinet says the Paul-Boncour government will bend every effort to a general settlement of the war debt problem.

But in view of the political situation in the United States, the declaration warns, the negotiations must be conducted with extreme prudence.

The text of of the declaration on debts reads:

Action Promised

"The second of the essential tasks imposed upon us is the general settlement of the war debt question. We intend to consecrate all our efforts to that end, we promise you.

"With the same frankness we esteem that the circumstances, as well as the complexity of the present political situation in the United States, oblige our conducting with an extreme prudence the negotiations whose orientation was traced out by the chamber's vote on Dec. 12."

"Since that vote, communication of which was given the same day to the United States government, a contract has happily been maintained during the crisis by the eminent chief of the preceding government. And we are grateful that a serious effort has been made at Washington in an attempt to smooth over the difficulties which have arisen."

Three Killed When Train Jumps Track

LIMA, O., Dec. 22 (AP)—Crashing through a signal tower after jumping the tracks, a speeding Erie railroad passenger train was wrecked two miles south of here last night, killing three men and injuring several passengers.

Nine cars and the engine overturned in a ditch, and two of the cars caught fire. Four other coaches, containing most of the 30 passengers aboard, remained upright.

Charles Scott, engineer, Earl Swihart, fireman, and Charles Aldrich, of Lima, working in the tower, were killed.

Murders Estranged Wife And Suicides

LONGVIEW, Dec. 22 (AP)—Marital difficulties were blamed for the shooting last night in which Arthur Keisnger, 28, oil field worker, killed his estranged wife and then himself.

Investigators learned that the Keisngers separated a week ago, she going to the home of a woman friend. Last night Keisnger called on her with the intention of effecting a reconciliation but she refused to allow him to enter the house.

Fugitive Granted Refuge By Moore

TRENTON, N. J., Dec. 22 (AP) — Robert Elliott Burns, fugitive from a Georgia prison gang, has found a haven in New Jersey.

The convict author, twice escaped from a prison camp, will be granted refuge by Governor A. Harry Moore so long as he "leads an honest, upright life."

Admonished by Governor Moore whose hands he kissed to abjure publicity, Burns has promised to cease exploiting the alleged brutalities he suffered as a chain gang prisoner.

DEMO LEADER ASKS FOR A FREE HAND

NEW YORKER REFUSES TO ACCEPT ANY OF RESPONSIBILITY

(By The Associated Press)

WASHINGTON, Dec. 22. —President-Elect Roosevelt in correspondence made public today at the White House, declined "to accept any joint responsibility" in the appointment of a commission to explore the war debts and other international problems—telling President Hoover, in effect, that he wished a free hand after he takes office in March 4.

The exchange between the president and his successor-to-be consisted of four lengthy telegrams. To them the president attached a brief statement to the press, saying:

To Respect Wishes

"Governor Roosevelt considers that it is undesirable for him to assent to my suggestions for co-operative action on the foreign problems outlined in my recent message to congress. I will respect his wishes."

In authoritative sources it was learned that the president will refrain from appointing the debts commission proposed by him in his message to congress last Monday.

He was described as feeling that without the support of the president-elect, the commission could not properly be formed to carry on after March 4.

Statement Attached

In his brief statement attached to the correspondence, however, Mr. Hoover added:

"Situations will no doubt develop and will be dealt with by the administration as they arise, but of course no commitments will be made for the next administration."

"The correspondence between my-

JURY CONSIDERS BAKER EVIDENCE

SEMINOLE, Dec. 22—(Special)—A 106th district court jury this morning resumed deliberations in the case of James W. Baker, about 30, of Seminole, tried for complicity in the $3,200 armed robbery last May of the Seagraves First State bank. The jury received the case at 4 o'clock Wednesday afternoon.

Jodie Edwards, the alleged gunman in the holdup, was to go to trial in 106th district court here this morning. District Attorney Tom Price said. Edwards, widely sought after his indictment in the robbery, was arrested about two months ago in Arkansas.

Maid At Houston Is Found Dead Today

HOUSTON, Dec. 22. (AP)—Miss Eleanor Exner, 22, maid in the home of Dr. E. M. Cuenod here, was found dead today in a servant's room. Justice Campbell Overstreet returned an inquest verdict holding her death was due to carbon monoxide poisoning and was accidental. A small gas stove was burning and windows in the room were closed.

POLICE REPORTER IS FOUND TAPED AND UNCONSCIOUS

INDIANAPOLIS, Dec. 22 (AP)—Ray Siedle, 35, police reporter for a Chicago newspaper, was found unconscious in a garage at his parents home here today, his throat, mouth and nose tightly bound with tape and his knees pinioned. Nearby, blazed flames from a pile of rubbish.

Police said Seidle, semi-conscious several hours later, nodded his head when asked if two men assaulted him as he drove into the garage.

He was rescued by his brother, Robert, who was aroused by a neighbor. Officers said they believed the reporter had managed to throw a brick through a garage window, then tumbled unconscious across the button of the automobile horn, which sounded an alarm.

They were unable to determine a motive for the attack. Robert Seidle said his brother carried about $200 which was missing.

TROOPS TAKEN FROM FIELD

RAILWAY COMMISSION LEFT TO CONTROL OUTPUT OF OIL

(By The Associated Press)

TYLER, Dec. 22—Militiamen of the Texas national guard who have kept watch in the forests of the East Texas oil field took their departure late yesterday, leaving the Texas railroad commission to fend for itself with civil means in controlling output from the great petroleum reservoir.

Governor R. S. Sterling ordered the guardsmen to strike camp, after sojourning there since Aug. 17, 1931. Almost at the same hour three injunction suits were filed in federal court here challenging complete shutdown orders made effective in field by the commission at noon last Saturday. The non-production period wass specified to last until Jan. 1, so commission engineers could gauge bottom hole pressure of the 9,300 wells in the field.

Prices Slashed

Operators have estimated that the shutdown would hold 4,300,000 barrels of East Texas oil from the market, which last week saw practically every purchaser of East Texas crude slash the price from $1.12 and $1.10 per barrel to 75 to 77 cents.

Plaintiffs in the suits were Rowan & Nichols, J. Nye Ryman and the Arp Refining company. C. V. Terrell, chairman of the railroad commission, and other members of the regulatory body were named defendants.

The Rowan & Nichols suit was set for hearing Saturday before Federal Judge James C. Wilson at Fort Worth.

Insull's Hearing Set Next Tuesday

ATHENS, Greece, Dec. 22 (AP) — Hearings in extradition proceedings against Samuel Insull will begin next Tuesday, it was decided today by Vice President Alexander Georgacopoulos of the court of appeals after an interview with Public Attorney Riganacos.

This date was fixed after attorneys for Mr. Insull had requested time to study the dossier prepared in the case and to perfect the defense.

PLAN TO HELP FARM CREDIT IS OFFERED

REPRESENTATIVES OF ROOSEVELT CONFER WITH SENATORS

(By The Associated Press)

WASHINGTON, Dec 22. —The broad outlines of a far reaching program to relieve the agricultural credit situation at this session of congress were mapped today at a conference of Democratic congressional leaders, spokesmen for farm groups, and representatives of President-Elect Roosevelt.

Nearly a dozen proposals for lifting the strain of mortgages and debts on farmers were discussed at the conference attended by Henry Morganthau, jr., as representative of Governor Roosevelt, including the creation of "debt conciliation commission."

To Introduce Bills

Senator Robinson, of Arkansas, Democratic leader of the senate, who presided, announced that legislation would be introduced and referred to committees to carry out the idea with a view to enactment at this session of congress if possible.

Other proposals suggested at the conference, Robinson said, included:

Creation of an emergency fund for the benefit of delinquent borrowers.

Aditional capital for new loans, and the consolidation of the federal and joint stock land banks.

Deferment of payments for a limited period as to principal and interest where it appears possible to refinance loans of borrowers, but all payments to continue without deferment for the present where borrowers are able to find the means of meeting their obligations.

Meanwhile, Senator Frazier, (R., N. D.), today urged before the senate banking committee, his bill to refinance the farmers' debts at 1 1-2 per cent interest.

The loans would be made only to take up existing indebtedness.

BANKER TO FACE FRAUD CHARGES

LOS ANGELES, Dec. 22. (AP)—District Attorney Buron Fitts said today a formal complaint would be issued charging Leslie B. Henry with theft of the once large fortune of Mrs. Charlotte Shelby, mother of Mary Miles Minter, onetime star of the screen.

Henry, a former executive of a national bond house, was held in jail today for suspicion of grand theft while authorities sought to untangle the involved records of his financial transactions with Mrs. Shelby. Fitts alleged Henry dissipated funds and securities, totaling about $500,000, placed in his custody by Mrs. Shelby.

Henry has long been a prominent civic figure in southern California. He was once president of the Tournament of Roses association of Pasadena and the past district president of the Kiwanis International.

Misty Rain Falls In Lubbock Today

A misty rain which intermittently evolved into sizeable drops totaled .43 of an inch at the state experiment sub-station near here this morning. The temperature was 37 degrees at 7 o'clock this morning at the sub-station; 36 degrees at 7 o'clock at Lubbock municipal airport. The mercury was at the 40-degree mark at the flying field at 12:35 p. m.

Three Trucks Used For Mail Delivery

Operation of three trucks for delivery of parcel post packages for Christmas was begun Thursday morning, John L. Vaughan, postmaster, announced. The number is expected to be used until Saturday.

"Our volume of business is ass good as last year," the postmaster said. "We do not have the rush here at the office because we are better fixed than we were in the old building."

LOCAL SHOE MAN SOLVES OWN DEBT PROBLEM; CANCELS OLD ACCOUNTS

While all officialdom in Washington and other capitals of the world is worrying over the debt situation, a Lubbock man has solved his with a single gesture.

L. H. Shelton, sr., owner of the Shelton Shoe shop, 1118 Broadway, this week is notifying debtors that shoe repair accounts and worthless checks of more than eight months' standing in his shop are being cancelled, "on account of the depression and low prices of everything."

"If you owe me a shoe bill over eight months old I will mark it paid if you will call for it," Mr. Shelton promises. "All I ask of you is, give me your business as you have in the past. My books show I have about $1,500 of these accounts over eight months old."

Mr. Shelton estimated from 300 to 500 persons would be affected by his cancellation order. Some of the accounts are for $40 to $50, and he has about $200 in cold checks, he said. He has been here seven years.

"I'm going to rub out and start over," the shoe craftsman said. "I think that if there ever was a time when a thing like that should be done, where a man can do it, it should be done now. Where debts run that long, a man's not financially able or he just won't pay. I think others ought to follow (the cancellation policy) if they can. It will make business better."

Of the persons having accounts or bad checks of such long standing with him, only three men have been in the shop, Mr. Shelton added.

EARLY ACTION ON COLLIER BILL SEEN

WETS JUBILANT OVER VICTORY IN HOUSE; OPPOSITION LOOMS

(By The Associated Press)

WASHINGTON, Dec. 22. —The bill to legalize 3.2 per cent beer passed by the house yesterday was presented to the senate today and referred immediately to the judiciary committee without discussion.

Meanwhile, it developed that House Democratic leaders plan to defer until late January the consideration of any tax legislation aimed to produce revenue to supplement what they hope to be derived from the beer bill. That taxes beer at $5 a barrel, and plays a large part in Democratic fiscal plans.

Prompt consideration was promised in the senate, probably in mid-January after a vote has been had on prohibition repeal, but Democratic leaders were not voicing the optimistic predictions which preceded victory in the house yesterday.

Wets Are Jubilant

While the wets continued jubilant over the 230 to 165 vote which spelled their first successful attempt to modify the Volstead law in twelve years, dry members confidently asserted that the measure would be defeated at the other end of the capitol. If not there, they held that President Hoover would not approve it and that it could not be passed over his veto.

Shouts and applause greeted Speaker Garner's announcement of the bill's passage yesterday after three and a half hours of tense debate and quick rejection of approximately two dozen amendments, including one to cut the alcoholic content from 3.2 to 2.75 per cent by weight.

Early Action Seen

Soon thereafter senate leaders announced plans for early consideration of the measure which places a $5 tax on each barrel of beer and imposes no restrictions on sale other than existing laws, excepting that wholesale and retail sellers must obtain federal licenses.

Three More Notches Are Cut In Anti-Gang Fight

COWBOY SLAIN AT PADUCAH

CARL HOLMBERG DIES TODAY; ALLEGED SLAYER HELD

(By The Associated Press)

PADUCAH, Dec. 22 — Carl Holmberg, 22, cowboy employed at the Swenson ranch, died in a hospital here today of wounds suffered in a shooting which officers were told occurred when he tried to prevent Vic Goodgame from driving a wagon onto the ranch to collect wood.

The ranch has been posted against wood hauling and the cowboys had been instructed to allow no one to haul wood from it. Holmberg halted Goodgame as the latter was starting to drive through a ranch gate and ordered him not to enter.

Officers were informed that Goodgame persisted and Holmberg fired at him with a rifle but missed. Goodgame fired back with a pistol, wounding Holmberg. Sheriff Payne held Goodgame in jail at Paducah to await examining trial.

Teachers Institute Started In Garza

POST, Dec. 22—(Special)—An annual Garza County Teachers institute was to get under way here this morning in the high school auditorium. Both rural and city schools were to have delegates for the first time. An attendance of about 65 teachers was anticipated.

Dr. Bradford Knapp, president of Texas Technological college, and Dr. J. A. Hill, president of West Texas State Teachers college, were on the program as speakers. The institute was to continue through Friday.

ROME, Dec. 22 (AP)—Eight persons were dead today as the result of simultaneous explosions at Fort Appia, on the famous Appian Way outside Rome, and at Nettuno, 40 miles away.

CHICAGO POLICE ARE SHOOTING STRAIGHT IN WAR ON CRIME

(By The Associated Press)

CHICAGO, Dec. 22—The Chicago police are shooting straight these days—and nights.

Already 40 who chose to fight it out with the police in 1932 have died, while police counted but nine of their own numbers lost in the gun-fire.

More Notches Scratched

Three notches on police guns were figuratively scratched on their weapons yesterday and last night.

The latest to fall before the marksmanship was William Nydick, described by investigators as a one-time partner of "Smilike Joe" Filkowski, notorious bandit, who heads Cleveland's list of "public enemies." Earlier in the day two negro robbers were slain as they fled the scene of a holdup.

Detective Harry Miller of Mayor Anton Cermak's office, who on Monday helped stage a police raid on a downtown office in which Frank Nitti, reputed "enforcer" for the somewhat deflated gang of Al Capone was shot and seriously wounded, was the man who killed Nydick. He was attempting to serve a warrant charging robbery to Nydick in his hotel room.

Warrant Destroyed

"Nydick grabbed the warrant, tore it into bits and reached for his pistol," Miller said. "I just beat him to the draw and shot him."

Nitti lies in a hospital, so badly wounded by Detective Harry Lang, also of Mayor Cermak's office, that physicians say it will be a month before they can safely predict whether he will ever recover. Meanwhile there have been reports that Lang's family received gangland threats for a reprisal.

These prompted Mayor Cermak, before departing for a Miami, Fla., vacation, to issue a "declaration of war."

"Gangsters," he said, "are wasting their time by making threats against our police, for nothing shall deter us from making Chicago the safest city in the country."

TAKES TURN FOR WORSE

NEW YORK, Dec. 22 (AP) — The condition of James F. Pershing, brother of General John J. Pershing, took a turn for the worse this morning at Manhattan General Hospital.

SUPPLY BILL IS REPORTED TODAY

WASHINGTON, Dec. 22 (AP)—The $110,981,000 agriculture department supply bill, setting aside only $35,000,000 for federal highway aid in the next fiscal year, was reported to the house today by its appropriations committee.

Carrying out President Hoover's recommendation for reducing the federal highway allotment by $65,000,000, the committee allowed only $35,000,000 of the usual $100,000,000 outlay.

The bureau of federal roads said this would meet the maturing obligations to the states for the full fiscal year of 1934 due partly to the $120,000,000 emergency employment relief appropriation made at the last session.

Unfavorable Wheat Condition Reported

AUSTIN, Dec. 22. (AP)—The condition of Texas winter wheat on December 1 was rated at 56 per cent of normal compared with 83 per cent a year ago, the federal state crop and livestock reporting service said today.

The Texas acreage sown to wheat this fall, was estimated at 3,833,000 acres compared with 4,035,000 acres sown in the fall of 1931 and 4,075,000 acres sown in the fall of 1930, the report said.

The report stated the condition on December 1 this year is the lowest in the last thirty three years with the exception of 1921 when the December 1 condition was 42 per cent of normal.

MAN IS KILLED

OKMULGEE, Okla., Dec. 22 (AP)—W. S. Turman, president of the Turman Oil company of Okmulgee, was killed and Frank Howard of Wewoka and John Moore of Konowa were injured dangerously in a highway accident north of Beggs last night.

ASHES OF DOG HERO IN WORLD WAR RESTS IN VETS' MEMORIAL BUILDING

(By The Associated Press)

UHRICHSVILLE, O. — Dec. 22—The ashes of "Bing," a dog hero of the World war, rested today free from further controversy, in the Uhrichsville-Dennison Veterans' Memorial building.

Whether it was proper for a dog to share a place in the memorial, along with the names of men who died in the Civil, Spanish-American and World wars, was for months a subject of serious argument among veterans of the two cities.

"Bing," was one of the heroic dogs who accompanied American troops on the battlefields of France, and World war veterans held that his ashes, sealed in an urn, deserved a place of honor in the Memorial building.

Veterans of the Spanish-American war disagreed with this view, and appealed to several Civil war veterans to join them in protest.

An end of the controversy was effected today with the Spanish-American war men deciding that if the memory of Bing was so dear to his World war veterans, no further objections to the resting of his ashes in the memorial would be offered.

Taxes Cut Nearly Third Since 1930 For Lubbock

A total reduction of 32.7 per cent has been made in all taxes—city, county, independent school district, and state—paid by Lubbock county property owners since 1930, according to figures given The Evening Journal. The decrease from 1930, considered the peak year of taxation in this region, totaled $291,484.66, these extracts from official records show.

The slash in city taxes not only was the largest in amount and in percentage, but was larger than that of the other three tax bodies combined, the records reveal. The 1932 city levy was the smallest since 1924, and smaller than that of any of the other tax bodies.

The record of taxation for 1930 and 1932 is:

Tax body	1930	1932	Decrease	Per Cent
City	$305,404.54	$120,685.99	$184,718.55	60.48
County	$180,951.94	$125,503.31	$ 55,448.63	30.64
Ind. Sch. Dis.	$256,850.83	$199,164.85	$ 57,685.98	22.46
State	$173,410.30	$154,654.09	$ 18,756.21	10.82
Total	$891,492.90	$600,008.24	$291,484.66	32.70

Children Have Part In Pre-Christmas Celebrations Here; Attend Parties

Methodist Division Tots Have Parties

Children of the city are participating in the pre-Christmas programs and parties this week.

A number of Sunday school parties and programs are being given. In addition to the gifts that children are making for needy, some are receiving gifts from trees.

First Presbyterian children will take canned goods and fruit to a service at the church Sunday morning. Several First Methodist groups are maikng contributions for the poor and others are taking care of particular groups.

There will be an assembly Christmas program at Junior High school today.

Children in the beginners and primary departments of the First Christian Sunday school are to attend a Christmas party Friday afternoon at 3 o'clock in the church annex.

Three parties

There were parties Wednesday at First Methodist church for the nursery, beginners and kindergarten departments.

Mrs. H. W. Wylie, superintendent, and teachers in the beginners department directed a program for that group at 6 o'clock at the church. Christmas carols were sung. Miss Irene Fletcher played a piano solo, Juanita Rose read and Charlotte Ann Barrier played a piano selection. Gifts were given to the children.

Those who assisted Mrs. Wylie were Mrs. C. M. Chandler, Miss Fletcher, Mrs. Christine Fanning and Mrs. H. E. Ross.

Parents of children in the kindergarten department were special guests for the program and tree Wednesday evening at the church. Mrs. E. B. Wheelock and her daughter, Sylva Jean Wheelock, each sang solos. All the children sang Christmas songs. Mrs. W. E. Baskin is superintendent of the division.

Songs were sung, Mrs. C. E. Moreman told a Christmas story and toys were distributed at a Christmas party for the First Methodist Sunday school nursery department Wednesday afternoon at the church.

Mothers who attended brought gifts which will be given to the needy at Christmas.

Mrs. Mike Barrier is superintendent of this department and Mrs. Moreman and Mrs. L. A. Howard are teachers.

Children attending were John Bowen, Rose Shelley Furr, George R. Bean, II, Edward Bean, Paul Hardwick, jr., Charles Sidney Hardwick, Ida La Verne Reese, Bobby Slagle, Martha Jane Stubblefield, Frances Lanelle Wright, James Earl Daniel, Wynona Daniel, Calvin Thomas, Mary Margaret Eagan, Herbert Maxwell, jr., Charles Bartlett, III, Reita Jean Howard, Nadine Haile, Jimmy Allen, Mary Elma Moreman, Marvin Wilson, jr., Joan Rieger, Andrew Lee Moreman, Shirley Ann Watts and Mary Frances Payne.

Many Have Parts

A number of children will participate in the program at Junior high school this afternoon. A play, "The Awakening of Christmas", a drill, "Silver Star", Christmas songs and an operetta will comprise the program.

Mrs. E. E. Key has arranged the operetta, "In Blunderland," and has chosen her cast of characters from her home room and the home room of Miss Glenys Honey. In addition she has arranged for E. T. Fortenberry to play a solo and for Betty Blankenbecker to read.

Those who will participate in the drill, which is directed by Mrs. M. E. Ware, are Rozeltha Smith, Dorothy Myers, Mary Jim Brock, Mary Elizabeth Barrier, Jewel Adams, Helen Fay Campbell, Golda Cole, Harriet Jarrel, Janelle Halsey, Estelle Davies, Juanita Waldrop, Sybil Claye, Ruth Duncan, Billie Horton, Le Davis Johnston, Edith Elaine Herzet, Margaret Louise Coffman.

Characters for the play drew their names from the symbols of Christmas and the theme of the play is waking "the spirit of Christmas which sleeps in the heart of the world." Ernestine Lockhart plays the role of the Christmas spirit.

To Present Play

The parts of snowflakes, holly, yule-log sprites, trees, children, carols and other Yuletide symbols are played by the following children: Dorothy Fortenberry, Christine Lane, Wildring B. Sherrod, Robin Leftwich, Mary Ann Wilson, Martha Carroll, Bola Mae Sherrod, Nancy Smith, Nancy Stiles, Betty Jo Williams, Louise Fortenberry, Billie Kathleen Levens, Barbara Smith, Burton Joe Phillips, Bub Stiles, Allen Stewart, Shirley Smith, Frances Groce, Maurine Leftwich, Era Williams, Meda Craig Twitty, Louis Murfee, jr., Billie Spikes, Rachel Stewart, Marie Peterman, Albert Fo[illegible]y, Wayne Groce, Betty M[illegible]s, Virginia Bondurant, Pa[illegible]l, jr., Bud Peterma[illegible]th Handly, La Wand[illegible]rlis Isom, Mary Jarro[illegible]ings, Bess Lomax, Mar[illegible]e, Louise George, Emma [illegible], Maxine Holton, Allene Ho[illegible].

Mrs. Vida M. Blasdin is to be the pianist.

A HAND-MADE COLLAR

Any girl or woman will love this hand-made collar of grosgrain ribbon. You can make it easily in one evening or a couple of hours during the afternoon.

It takes two yards and one quarter of grosgrain ribbon one and a half inches wide. It is prettiest in

white, but it is attractive in beige, shell pink or a delicate blue or green.

For the bib section, cut the ribbon into one strip seven inches long, two six inches long and two five inches long. Faggot these together and sew to the remaining strip of ribbon which ties about the neck, knotting in the back.

LOCALS

Mr. and Mrs. Riley Alexander, of El Paso, who have been visiting in the home of Mr. and Mrs. Hubert A. Alexander, have gone to Crosbyton for a visit.

Mrs. O. W. Carter told a Christmas story and gifts were exchanged. Miniature trees were plate favors. Mrs. Puckett was assisted in serving by her sister, Miss Helen Elkins.

President Is Honored

The club gave Mrs. Welmaker, president, a gift and she presented gifts to each member. Special guests included Mesdames Ray Higgins, Maude Bradley, A. L. Bettes, Carter, Miss Nell Medley.

Members attending the party were Mesdames William Von Wolff, W. L. Atkins, T. W. Keys, H. T. Wilkins, Welmaker, J. W. Philips, Earl Ellison, T. L. Biggs and V. O. Jennings.

In addition to bringing gifts which they exchanged, members of the Happy Hour Needle club brought gifts to be given to a needy family Wednesday afternoon when they attended a party given in the home of Mrs. D. A. Forbess, 2603 21st street.

Mrs. Forbess was assisted in entertaining by Mesdames H. E. Goeth, Paul Williams and C. H. Largent.

Guests were Mesdames L. R. McLarry, E. E. Wofford, Boyd P. Milburn, J. J. Rozzell, N. H. Heath, A. T. Cocanougher, Luther White, R. T. Bertram, R. F. Ratliff and Clyde McCrummen.

J. M. Cunningham of Glenville, N. C., exhibited a cabbage stalk bearing nine heads.

CCC Bridge Club Has Party Wednesday

Mrs. C. A. Gammill, jr., entertained for C. C. C. club Wednesday afternoon in her home, 1920 Broadway. Mrs. Wallie E. Schmid made high score in the bridge games. Christmas appointments were used for the party.

Guests were Mesdames Paul Morgan, L. E. Grimes, A. O. Thomas, Forrest Lindsey, W. O. Daniels, Schmid and C. M. Carroll.

Baptist Alatheans Have Annual Party

The annual Christmas party for First Baptist Alathean class was attracted by about twenty-five women Wednesday afternoon. The affair was in the home of Mr. and Mrs. J. E. Hamilton, 1701 Avenue Q, with Mrs. Hamilton, Mrs. S. A. Henry and Mrs. G. A. Gunn as hostesses.

Mrs. N. L. Ball, class president, presided for a short business session. There was a program and gifts were distributed from a tree. There was a handkerchief shower for a group of girls. Mrs. W. M. Lowrimore, class teacher, was presented a quilt that had been made by the class members.

Scouts Are Guests At Affair Tuesday

Girl Scouts attended a Christmas party Tuesday afternoon at Seaman hall. Candy and popcorn were served. These had been prepared by Elinor Crenshaw, Marjorit Johnston, Dorothy Thornton and Betty Blankenbeckler.

Others who attended were Dorothy Duncan, Mildred Ashmore, La France Fenton of Slaton, Norma Bradshaw, Doris Hopping, Dorothy Smith, La Delle McCoy, Klipstein Fry, Janelle Halsey, Lois Jane McDonald, Ida Rule Duff and Evelyn Patty.

The Scouts will meet next Tuesday afternoon at the hall at 2 o'clock.

'Other Woman'

Miss Betty Hill, above, was named as "the other woman" in Eleanor Boardman's suit for divorce against King Vidor, movie director. Miss Hill, who worked as a script girl with Vidor, denies charges of the actress.

Presbyterians Are Planning Services

There will be no regular Sunday school program at First Presbyterian church Sunday but there will be two special morning services. This announcement was made today by Miss Virginia McLean at the church.

Following short departmental meetings, the programs will start at 10 o'clock. One will be downstairs for the children and the other will be in the church auditorium for young people and adult groups.

Mrs. R. A. Studhalter is director for the children's groups and has planned the dramatization of a story. There will be a musical program for adults. Hubert Hopper will be the director and will read scriptures.

Miss Wilkinson Is At Home To Club

Mrs. W. H. Meador scored high in bridge games Wednesday afternoon when Miss Delia Wilkinson entertained for Bluebonnet club in her home, 1201 Seventeenth street. Two tables were in play.

INTERESTING NEWS, COMMENT FROM AUSTIN

BY E. W. BARRY

AUSTIN, Dec. 22—(AP)—Two years ago when R. S. Sterling was inducted as governor of Texas, money was spent generously to make the event one worthy of the office given into the keeping of the man who had worked himself from a country storekeeper to a position second to none in the state.

After all the bills had been paid there remained a balance in the inaugural fund, contributed by citizens of Austin and outside friends of the chief executive, of only about $500. There was a nest egg of $5,000 to start. This five hundred dollars will be used next month toward defraying expenses incident to giving Mrs. Miriam A. Ferguson another inaugural party.

Familiar Affair

The Ferguson family is familiar with inaugurals. Mrs. Ferguson will take the oath a second time. James E. Ferguson her husband, took it twice.

Friends of the incoming governor will see that the reception and dance given in honor of her return to power will not lack in enthusiasm, even though money may not be expended lavishly.

When Pat Neff became governor eight years ago he dispensed with the inaugural ball. For four years there wasn't any dancing at inaugural time. When Mrs. Ferguson succeeded Neff the ball was re-instituted. When Dan Moody replaced Mrs. Ferguson the custom of celebrating with a dance when a governor is induced was maintained, although Governor and Mrs. Moody, then bride and groom, did not participate. They did personally appear at the dances in the hotels, however.

Popular Political Idol

Young Moody, with his bride on his arm appeared on the dance floors and the governor, a popular political idol at that time, told the merrymakers:

"Let joy be unconfined; on with the dance."

J. L. Peeler, who has been chairman of Austin inaugural committees, will be at the head of that group again this time.

There will not be any elaborate invitations sent out, this item alone having cost $3,500 last year. Another $1,000 was spent on decorations to greet the Sterling administration. This item also will be eliminated.

Enrollment at the University of Missouri showed a decrease of 16 per cent from the 1931-1932 year, with a decline of 30 per cent in the freshman class

INSUFFICIENT VOCAB

LOS ANGELES—One would think that a professor of languages could find a better name to call his wife than a lemon. When Gladys Leora Rice, 52, former U. S. Government secret service agent, was seeking a divorce from Professor William R. Rice, she testified that he called her a lemon. "What did you do?" asked Judge William S. Baird. "I told nim he was a prune," answered Mrs. Rice. "Well then, I think you are about even," commented the judge.

NEW X-RAY WHICH MAGNIFIES ATOM 200 MILLION TIMES IS ANNOUNCED

BY HOWARD W. BLAKESLEE
Associated Press Science Editor

LAFAYETTE, Ind., Dec. 22. (AP)—New type of X-ray tube, which like a magic lantern shows the inner doings of an atom magnified 200 million times, was announced today at Purdue university.

The tube is set up like a "lantern" and its invisible rays are focused upon a photographic film nine feet away. Much as a showman would insert a slide in his lantern, the scientists insert a piece of "excited" copper, that is, copper whose atoms are activated by treatment with some form of energy.

Upon the photographic film, after a minute's exposure, there forms an image quite like a picket fence, with numerous pickets missing. These pickets are the "spectral lines," each of which depicts something going on inside an atom.

Two of these lines are particularly remarkable. They are as far apart as the width of the head of a pin. But this space between them represents the distance an electron has "moved over" within the copper atom, a distance estimated at a 200 millionth part of an inch. The move is made when the electron changes from one "orbit" to another, and each of its orbits shows as a line.

The tube was developed in the physics laboratory by its director, Karl Lark-Horovitz, Ph. D. and E. P. Miller, research assistant. It is exceedingly "fast." It will X-ray clearly the atomic "bones" of solidified vapor, which hitherto has evaporated too rapidly to be caught in this manner in the open air.

Formerly such pictures had to be made of vapors in a vacuum.

The tube is useful also for taking X-rays of numerous organic substances which disintegrate rapidly. Dr. Lark-Horovitz said the construction is so simple that "any mechanic can make one of these tubes."

HERRING AWARDED VERDICT IN SUIT

Guy T. Herring won a judgment of $2,073.10 from the Iowa National Fire Insurance company in a United States district court jury verdict here late Wednesday. The jury received the case at 11:25 a. m. and returned a verdict at 5:10 p. m. Herring asked $4,146.29.

At 6 o'clock another jury, in the case of L. B. Withers, receiver vs. Roy Stovall, returned a verdict for the defendant.

The one jury verdict, two default judgments and an agreed judgment brought decision on awards amounting to over $17,800.

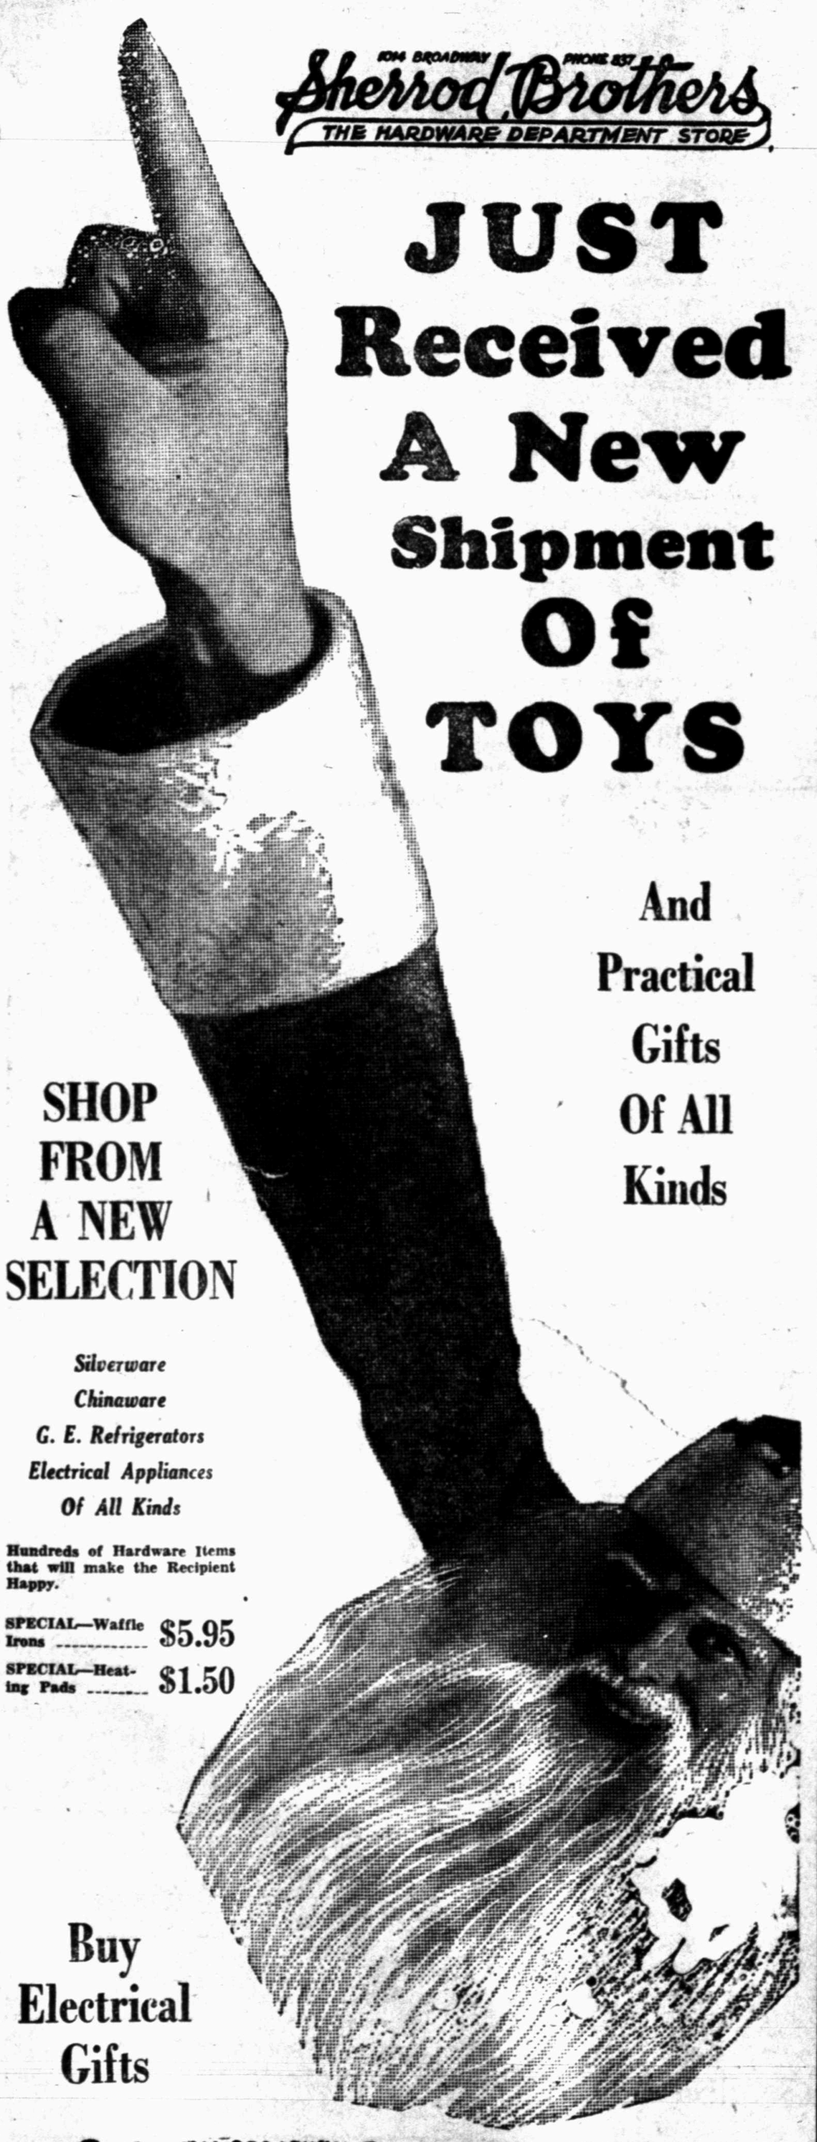

Arguments Are Held

The Stovall case went to the jury at 5:30 o'clock after arguments by H. G. Andrews, attorney for the receiver, and W. D. Wilson, for the defendant. The case involved final settlement of a share of stock in the Spur Country club for which a note had been given. Besides Mr. Stovall, the defense used James B. Reed, former cashier of the City National bank, and G. W. Meadows. The plaintiffs used E. C. Edmonds, former president of the bank; Bert E. Lowe of Abilene and R. L. Martin, a former bank director. Deposition of J. G. Driscoll, St. Louis, also was introduced. Mr. Withers also testified.

GRANADA, Spain (AP)—The city council has decreed that each able bodied citizen must aid municipal development with pick and shovel 15 days out of each year or pay proxies for the work. Recalcitrants will be fined and all money received will go to the unemployed.

BABE DIDRIKSON TURNS INTO PROFESSIONAL

SPYING ON SPORTS

BY COLLIER PARRIS

THE HOUSE OF DAVID basketball team, Benton Harbor, Michigan, which meets Del Morgan's Texas Tech cagers here in a two-game series January 5 and 6, had lost only one game up to a week ago. That's the closest check we have on the club, which starts its cage tour early in December each year.

• • •

An Evansville, Indiana, team defeated the be-whiskered boys, 38-32, in the first game of the season. Since that contest the House of David bunch has defeated ten strong clubs of Indiana and Illinois, where basketball, both the collegiate and independent type, flourishes greater, perhaps, than in any other section of the country.

• • •

It should be a show well worth seeing when the long bearded gents come to Lubbock. They were here a year ago last May, wearing baseball uniforms. As a baseball team they were not so hot that season, or it may have been that Lubbock had an unusually good ball club that night. It was the first night baseball game ever played in Lubbock. Maybe the reason for the record-breaking crowd was due to the presence of Grover Cleveland Alexander, former National League pitching star and pride of the W. C. T. U. who was cast in the role of manager. At any rate, the crowd was there, the largest baseball crowd to see a game in Lubbock since the zenith of the West Texas League, and the last big crowd, too.

• • •

As a basketball team the Davidites are more widely known in their section. In earlier days they played a fast game of baseball, and sent several stars to the big show. Of late they have turned more attention to basketball, and we are told it's a great exhibition they stage. They may not be such crack basketeers, but they do it in 'that funny way," and get along with their share of victories while delighting the cash customers. We can only say that if they have a basketball passing exhibition that compares with the "pepper game" the baseball boys pull, it'll have to be mighty good.

• • •

The un-shaven lads from Michigan play a brand of basketball similar to the professional game. Intercollegiate rules are abided by when they play college teams, but they have tricks and deceptive measures that smack of professional basketball. The club has traveled all over the nation, and has picked up points here and there that have made possible a variety of plays and passes that go a long ways in determining victories.

• • •

In the meantime, Coach Morgan will be giving his Matador cagers plenty of time to brush up on the game. There will be no Xmas holidays for the serious cager. Members of the club who desire to go home during the holidays will be allowed to do so, but most of them will stay here and engage in daily workouts, this and next week having been designated for a long time as the tough part of the practice season.

• • •

Scott McCall, Masonic Home's great quarterback, is likened to the former sensational Leo Baldwin, who starred for Wichita Falls High and later for the University of Texas by Bill Parker, Associated Press scribe of Dallas. Parker calls McCall a "carbon copy" of the great Baldwin. Writes Bill:

• • •

"Big McCall is a slow starter, as Baldwin was. He droops his wide shoulders and lets his big arms dangle down gorilla fashion, when he is preparing to receive the snap-back from center. That was also the way Baldwin played. Memories of Leo Baldwin come floating back when McCall starts with the ball. He stops here and there, picking his holes, stepping over players on the ground as he slowly stabs his way through his opponents."

• • •

Baldwin was good. McCall is good. The Corsicana Tigers, who battle Masonic Home for the Texas Interscholastic league state championship football crown, are going to find it difficult to tame McCall. Minus their huge, charging quarterback, the Masons appear to be just an ordinary high school football team, but with Scott McCall in the lineup, brother, they take on the appearance of a team capable of whipping most any high school aggregation in the land.

Stephen F. Austin Wins Over Baylor

NACOGDOCHES, Dec. 22 (AP)—The Baylor quintet was defeated 57-31 last night by the Stephen F. Austin college cagers. McKewen of Austin was high individual scorer with 24 points.

Austin piled up a 23-17 lead at the half and then proceeded to build it up steadily, despite futile efforts of Baylor to stop their scoring.

James of Baylor and his teammate, Barnett, each scored eight points.

GIRL ATHLETE CONSIDERS OFFERS

OLYMPIC CHAMP SAYS FILM PROPOSITION IS ACCEPTED

BEAUMONT, Dec. 22. (AP)—Mildred Babe Didrikson's long considered plan to forsake amateur athletics materialized last night when the versatile Olympic champion, ranked as the greatest woman athlete of all time, announced she had become a professional.

She said a film proposition had been accepted and that she was considering several other offers.

Suspended By A. A. U.

Miss Didrikson, recently suspended by the Southern A. A. U. for alleged endorsement of a make of automobile, also revealed plans to go in for activities in which she has not engaged heretofore; among them long distance swimming and sports writing.

Regarding long distance swimming, she said she had ambitions to swim around Manhatten island and then try her luck at the English channel and the Hellespont.

"I realize that I am too light in weight to withstand the gruelling endurance test of a long distance swim," she explained. "That means I'll have to put on some extra poundage—quite a lot of it. I weigh only 130 now."

Her departure from amateur ranks came not entirely unexpected, for Tuesday she resigned her job with a Dallas casualty company. Her employer said at the time he expected her to announce she had turned professional

Has Many Offers

Since her sensational victories in the Los Angeles Olympics last summer she has had numerous offers by which she might have commercialized her athletic ability but she turned them down with the reservation that she might later become a professional.

The split with the Southern A. A. U. marked the turning point in her career. She emphatically denied the charge that she had endorsed a brand of automobile but failed to gain reinstatement.

Last night she wired L. Di Benedetto, chairman of the Southern A. A. U. at New Orleans, announcing her withdrawal from membership in and allegiance to the union.

Di Benedetto said he presumed her resignation would be accepted when the A. A. U. registration committee meets today.

Made Her Decision

In a statement outlining her prospective program Miss Didrikson declared that the action of the A. A. U. in disqualifying her for further participation in amateur athletics virtually made her decision for her.

Miss Didrikson went to Beaumont Tuesday night to spend the holidays with her parents.

There had been a report she was considering matrimony but she declared last night that for the present at least, it was not to be among the things she would accept.

BUFFALOES DOWN TERRIBLE SWEDES

CANYON, Dec. 22 (AP)—The huge Buffaloes of West Texas Teachers college opened the basketball season here last night with a 46 to 22 victory over Olsen's Terrible Swedes, a traveling semi-pro outfit from Bethany, Kans.

Otis Burke, guard for the winners, topped the scorers with 15 points. The towering Teachers, without a conference since the demise of the T. I. A. A., are pointing toward the national tourney and looked the part of big timers in their easy victory.

The teams play again tonight.

Lubbock Cagers Lose To Athens

FIGHTS LAST NIGHT

(By The Associated Press)

TOLEDO, O.—Tommy Paul, N. B. A. featherweight champion, outpointed Johnny Mitchell, Detroit, (10). Tony Lombardo, Toledo, knocked out Frankie Linhart, Buffalo, (6).

WESTERNERS NERVOUS IN CONTEST WITH HORNET QUINTET

Superior passing, unerring goal shooting and peace of mind won for the Athens High school Hornets a 33 to 19 basketball victory at the Lubbock High school gymnasium last night. Coach Swede McMurry's Lubbock Westerners were on the losing end.

Maintaining a decorum that contrasted with the nervous efforts of the Westerners, the Hornets appeared to be the champions their predecessors have been last night when they outscored the local hopefuls. Plainly ambitious of adding a third national championship and a fourth state title, the Hornets breezed through the Westerner defense to get in scoring position almost at will.

Cobb Takes Honors

A long forward by the name of Cobb, said to be another Tompkins, fired three field goals and three from the free throw line to lead the individual scoring last night. Two of his mates scored three field goals each. Forward Trammell was one of them. Owen, a guard, was the other. Owen stuck in a free pitch to divide second scoring honors.

No Lubbock cager pitched more than one ball through the ring from scrimmage, but Curly Wilkins, 6-foot, 4-inch center, distinguished himself as Lubbock's high scorer by tossing in five free goals which amounted to seven points and a tie for second place in the tallying with Athen's Owen.

Game Starts Slowly

The game started slowly, but waxed warm toward the final quarter. There was much hustling and scrapping for possession of the ball after the first half, and the personal foul column was loaded. No less than 27 personals were called on the two teams, although but one player, Regan, Hornet center, was banished from the contest.

Athens scored first, a free goal. Quinlan flipped one from the chalk line but Cobb gave Athens the lead again with a field goal. Wilkinson and Snodgrass sunk free goals but Morris' field goal gave Athens a 5-3 lead at quarter time.

Curly Sinks Two-Pointer

Lubbock scored only one field goal in the first half. The Westerners were so effectively blocked from scoring position by the airtight Hornet defense that few clean shots were possible. Wilkinson managed to make one of his back-hand shots go through, but otherwise it seems that a steel cover over the ring prevented the ball from dropping through when Lubbock players shot.

The half ended with Athens leading, 15 to 9. Snodgrass, star of the Meadow game, Robert Hale and Jack Quinlan got one field goal each in the last half. Ability of the Westerners to sink nearly half their free shots kept the locals in the ball game.

TROJANS GET NO LETUP

PITTSBURGH PRACTICE IS THREATENED BY RAINY WEATHER

LOS ANGELES, Dec. 22 (AP)—While the University of Southern California in general was enjoying Christmas vacation, Coach Howard Jones and his football squad saw no possibility of a letup today in practice for the game with Pittsburgh at Pasadena, Jan. 2.

Meanwhile, plans of Pittsburgh's Panthers for lots of hard work were threatened by rain which they traveled across the continent to escape. When their special five-car train pulled into Tucson, Ariz., during a heavy rain last night, Coach Jock Sutherland took a look at the mud and weather forecasts for more mud and decided maybe it would be a good idea to more on to Los Angeles.

"We'll be here until Friday, anyway," said Sutherland.

Planned To Remain

The Panthers originally had planned to remain in the Arizona city 10 days, moving to Pasadena the day of the Rose bowl game.

The Pittsburgh squad arrived in good shape with the exception of Captain Paul Reider, who has been suffering from an injury to his leg since the Carnegie Tech game.

Jones has been increasing the intensity of workouts as the Rose tournament contest draws nearer, but he indicated he might let the Trojans off Saturday without a drill. Heavy duty is expected the remaining two days of this week and early next week. After that practice will be confined to polishing up on the finer points of the offense and defense.

RALPH GREENLEAF BILLIARDS CHAMP

NEW YORK, Dec. 22 (AP)—With Ralph Greenleaf again perched on the champion's throne, the national pocket billiard championship reached its final stage today. The only remaining question was whether Erwin Rudolph of Cleveland, a former title holder who wasn't eliminated from the race for this year's crown until last night, would take second place all alone or would enter a three-way tie with Andrew Ponzi of Philadelphia and Jimmy Caras of Wilmington, Del.

The concluding match of the tournament tonight sends Rudolph against Greenleaf in what might have been a battle for the championship but for the skill of Ponzi.

The Philadelphian outlasted Rudolph on a duel of safeties and scratches last night and finally defeated him 125 to 78 in 28 innings to clinch the title for Greenleaf. The defending champion won his eighth straight triumph in the afternoon match, turning back Pasquale Natalie of Chicago 125 to 57 in 18 innings and finished up his quest for his eleventh title with the tournament record run of 106.

Canadian silver production in 1931 was approximately 20,500,000 ounces, or 10.5 per cent of the world's computed production of 196 million ounces.

THREE AMERICAN LEAGUE FIELDING RECORDS SHATTERED BY ATHLETICS

BY PAUL MICKELSON
Associated Press Sports Writer

CHICAGO, Dec. 22 (AP)—Connie Mack's "old guard" of baseball shattered three American league fielding records while falling off the championship pedestal in 1932.

As a team with the remarkable personnel of five individual fielding champions, the Athletics cracked the nine-year-old club record for defense along with the league marks for fielding around second and third bases, the official averages disclosed today.

Yank Record Excelled

New York's team record of .977, established in 1923, was excelled by both Philadelphia and Washington during their 154 game campaigns but the A's shaded the Senators .980 to .979 to win the team field championship and hang up the new mark. The dethroned champions of the American league accepted 6,020 chances and made but 124 errors while the Senators came right behind with 125 errors in 6,007 chances.

Two of Connie Mack's veterans, Max Bishop and Jimmy Dykes, accounted for the individual league honors. Bishop shaded his six-year-old record for individual defense around second base, established at .987, by fielding at a .988 clip with only seven errors in 579 opportunities. Dykes fielded at the official rate of .980 through 141 games to top Willie Kamm's third base record of .978. Dykes made eight errors in a total of 401 fielding chances. Bishop worked in 106 games.

Counting the performances of the regulars, pitchers who worked in 25 or more games and others who played in 100 or more contests, the Athletics won individual defensive championships in five positions, the Washington Senators two, and Cleveland and St. Louis one each. The individual fielding champions for 1932 and their official records:

First base—Foxx, Philadelphia, .994.

Second base—Bishop, Philadelphia, .988.

Third base—Dykes, Philadelphia, .980.

Shortstop — Cronin, Washington, .959.

Catcher—Cochrane, Philadelphia, .993.

Pitcher — Stewart, St. Louis, 1.000.

Outfielders — Vosmik, Cleveland, .989; Manush, Washington, .988; Haas, Philadelphia, .987.

Minter Hayes, White Sox infielder, is believed to have established a record for two days of work during the season by accepting 34 chances without an error in two successive 11-inning games, July 14 and 15.

Catcher Ray Hayworth of Detroit also provided a season's fielding high spot by handling 347 putouts and 53 assists in 92 games before making his first error of the season during the second game of August 29. Hayworth, made three errors in the next 13 games to finish with a season's average of .991. Sam West of Washington was the busiest outfielder of the year with 450 putouts and 15 assists. Seventy double plays were started by outfielders.

Sales of 5 and 10-cent package candy amounted to more than 53 million pounds last year, representing a slight gain.

Here's Why Connie Mack Is Active

PHILADELPHIA, Dec. 22 (AP) Here's how—and why—Connie Mack, Philadelphia Athletics' manager who will be 70 tomorrow, keeps active:

"I sleep nine hours and often lie down and relax half an hour before a game," he says.

"I eat a good breakfast, only graham crackers and milk for lunch, and a good dinner.

"I exercise moderately, chiefly playing golf.

"I don't worry, especially about my age."

PITT'S VICTORY OVER IRISH HELD MOST SURPRISING

NEW YORK, Dec. 22 (AP)—Football is the most surprising of all sports, the nation's experts have voted, and it was Pittsburgh's 12-0 victory over Notre Dame that startled them more than anything else.

Of the 142 members of the sports writing profession who voted on the "surprise of the year" in the second annual Associated Press poll, 43 picked Pitt's unexpected triumph of the then apparently unbeatable Ramblers. In all football drew 66 votes with Notre Dame's 21-0 victory over Army getting 15 of them for third place on the list. Six other gridiron surprises also figured in the balloting.

The votes on the leading surprises were:

Pittsburgh's 12-0 football victory over Notre Dame, 43.

Bill Carr's three foot-racing triumphs over Ben Eastman, 20.

Notre Dame's 21-0 defeat of Army in football, 15.

New York Yankees' sweep of world series with Cubs, 11.

Ellsworth Vines' defeat of Henri Cochet in U. S. tennis final, 7.

Eddie Tolan's double triumph over Metcalfe in Olympic dashes, 5.

Victory of Japanese swimming team in olympics, 5.

Jack Sharkey's defeat of Max Schmeling for heavyweight title, 3.

Defeat of Texas Christian by Southern Methodist in basketball, 3.

Jim Bausch's record-breaking victory in olympic decathlon, 3.

The average child in United States public schools received 10.8 days more instruction in 1930 than did a child in 1920.

"BIG JIM" FARLEY TO RETIRE FROM NEW YORK'S ATHLETIC COMMISSION

NEW YORK, Dec. 22 (AP)—James A. Farley—"Big Jim" to the boxing business, chairman of the National Democratic committee and "king maker" to the rest of the nation—has decided definitely to retire from the New York State Athletic commission.

Thus does the six foot, 21-2 inch, 220-pound perpetual motion machine take leave of a job that has always fascinated him, a job without pay.

Regrets Leaving

"As much as I regret it, I must leave boxing sooner or later," he said today as he settled back from the ceaseless activity of the national Democratic headquarters.

"I will be too busy to handle it, but I will hate to make this decision. It's a grand game, boxing, a sport for the ambitious, a game that gives everyone an equal chance.

The public at large and the political minds of the country in particular already have decided for him that he is to be the next postmaster general in the cabinet of the man whose campaign he directed successfully, President-Elect Franklin D. Roosevelt.

But as to that, James A. Farley has nothing to say.

The reason is simple.

Attitude of Public

Forcefully and directly he explains that the apparent matter-of-fact acceptance of the public that he will follow the precedent set by victorious presidential campaign managers who have become postmaster generals in the past is the attitude of the public alone.

In official Democratic circles there has been no discussion of appointments. James A. Farley can't make that point too clear in any discussion of the future.

As to the future of boxing, James A. Farley's hopes are only that the same calibre of men he has been associated with in the past—William Muldoon, George Brower, General John J. Phelan—continue to handle the reins of fistic leadership in this state.

And for himself?

"I'm tremendously grateful to Governor Roosevelt for the opportunity he gave me to join him in national politics. It was his kindness that allowed me to lead the movement in his behalf. There were other men, more experienced, to choose from.

"Honestly, I have no thought for the future. All I can do is my job, whether it be in public or private life, to the best of my ability."

WEATHER HINDERS TIGER PRACTICE

CORSICANA, Dec. 22 (AP)—Training of the Corsicana Tigers in preparation for the high school football championship game against the great Masonic Home eleven of Fort Worth on Tiger field Monday is being hampered by inclement weather conditions.

It was apparent this morning that the Bengals would be kept indoors again by rains which have prohibited the eleven from working outside this week. Lectures, chart plays and signal drills are being given in a gymnasium.

Reports from Fort Worth were that the Masons were able to go through a long practice session yesterday.

Guthrie Is Freed On Bond Of $2,000

A former merchant policeman, W. N. Guthrie, today was free in bail of $2,000, posted late Wednesday for his release from county jail.

Guthrie is under indictment for murder in connection with the fatal shooting Nov. 11 of Colver Moreman, Abernathy youth.

State forests of 10,000 acres each located 20 or 30 miles apart throughout the state, are recommended by James O. Hazard, Tennessee state forester.

TRAPSHOOT TEAM IS MADE PUBLIC

VANDALIA, O., Dec. 22 (AP)—Two women and a 15-year-old boy are included on the annual "All-America trapshooting team" selected by Jimmy Robinson of Minneapolis, former statistician for the Amateur Trapshooting association of Vandalia.

The two women honored this year are Mrs. Walter P. Andrews of Atlanta, Ga., and Mrs. H. E. Grigsby of Oklahoma City. Mrs. Andrews was ranked fourth on the team and Mrs. Grigsby was sixth. The fifth position went to Ned Lilly of Stanton, Mich., a 15-year-old lad who has competed with veteran shooters for several years.

The 1932 team of ten is headed by Steve Crothers, well known Philadelphia shooter. Second position was awarded A. J. Stauber of Los Angeles, Calif. Fred Tomlin, Glassboro, N. J., professional and world's open champion, was given third place ranking.

How Doctors Treat Colds and Coughs

To break up a cold overnight and relieve the congestion that makes you cough, thousands of physicians are now recommending Calotabs, the nauseless calomel compound tablets that give you the effects of calomel and salts without the unpleasant effects of either.

One or two Calotabs at bedtime with a glass of sweet milk or water. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you wish,—no danger.

Calotabs are sold in 10c and 35c packages at drug stores.—Adv.

Matrimonial Mart Is Active Here

An upward surge occurred in the matrimonial market at the county clerk's office Wednesday, with buying the feature of the day.

Six deals, whereby five couples from this county and one from Lynn county will obtain recognized marriage credentials, were begun. The Texas state law, which has caused a slump in the market for three years, will require the participants to wait three days before consummation of the trades.

Experts attributed the outburst of contracting partly to the Christmas holiday season. Statisticians forecast a marked improvement this month over November. December to date has had 21 contracts, as compared to 27 for last month. Yesterday's trading set a high mark for 1932.

Five Rollins college students are taking their junior college work this year at the University College of the South West, Exeter, England, under a cooperative arrangement.

RAZORBACK GRID SCHEDULE GIVEN

FAYETTEVILLE, Ark., Dec. 22 (AP)—A ten-game schedule, the first since 1926, for the 1933 University of Arkansas football team has been announced by Coach Fred Thomsen.

Five of the games will be with Southwest conference opponents. Centenary does not have a place on the schedule for the first time in three years. The schedule:

Sep. 23: College of the Ozarks at Fayetteville.
Sep. 30: Oklahoma Baptist university at Fayetteville.
Oct. 7: Texas Christian university at Fayetteville.
Oct. 14: Baylor university at Little Rock.
Oct. 21: L. S. U. at Shreveport.
Oct. 28: S. M. U. at Fayetteville.
Nov. 11: Rice institute at Houston.
Nov. 18 :Hendrix college at Fayetteville (tentative).
Nov. 24: University of Texas at Austin.
Nov. 30: Tulsa university at Tulsa.

NOT ONLY TEARS

TOLEDO, O.—Not only was Oscar shedding huge alligator tears, but he was also profusely filling the air with groans. Oscar, a pet alligator belonging to Vic Rosenberger, marriage license clerk of probate court, escaped several weeks ago and has been on the loose ever since. The other day Rosenberger went into his garden and discovered Oscar had returned. He found the gator in pain. A diet of tomato vine bugs had given Oscar a tummy ache.

Following institution of courses looking toward degrees, enrollment in the Washington university department of journalism doubled this fall.

Thought For Today

Will a man rob God? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings.—Malachi 3:8.

* * *

Faith and hope themselves shall die, while deathless charity remains. —Prior.

Problem For Demos

The last presidential campaign was in some ways very educational.

During the course of it Americans generally were persuaded that it makes very little difference, as far as business prosperity is concerned, whether we have a Republican or Democratic administration in Washington.

They gave up the hoary myth that one party is sure to keep business booming and that the other is pretty apt to drop a monkey wrench in the machinery.

Learning that the economic cycle operates more or less independently of governments was the beginning of wisdom. But just as we got that lesson down pat along comes Col. Leonard P. Ayres, famous business statistician to declare bluntly that whether prosperity comes back in the near future depends largely on what the new administration does during its first few months.

Yet this needn't be as confusing as it sounds.

* * *

This depression, Colonel Ayres explains, is unlike all previous ones. Our economic difficulties, for the first time, will not be self-curing. Hitherto a steadily increasing population, a constantly expanding export trade and the steady rise of great new industries have made the eventual return of prosperity automatic. Now, for the first time, all three of these factors are absent. If we are to recover, it must be through definite government action.

In that fact lies both hope and danger.

If a wise settlement of the war debts and a sane readjustment of tariff laws can rehabilitate our export trade; if the soundness of our money can be preserved by proper fiscal policies at Washington; if the government can find some way of adjusting the relationship between low commodity prices and a domestic debt structure which is based on pre-depression prices—if all of these things can be done, says Colonel Ayres, the foundations for a genuine recovery will have been laid, and the rest will be just a matter of time.

But there is, of course, another side to it. If these things are not done; if the debt-and-tariff muddle remains in its present chaotic condition, if the budget stays off balance, if we resort to inflation as a stimulus for business—in that case we may find that our hard times have only begun.

Reorganization "Storm Cloud" Loses Silver Lining; Old Contention Of Huge Saving Missing In New Hoover Plea

BY RODNEY DUTCHER
NEA Service Writer

WASHINGTON, Dec. 22—Reorganization of the federal government, sometimes a political issue and sometimes merely a problem, is a subject which is being at least partially debunked.

Dutcher

President Hoover's well-known instinct for neatness is still the driving force behind the reorganization idea. But the old theory that hundreds of millions of dollars could be saved for the tax-payers by a mere program of rejiggering seems to be dying fast.

Hoover himself used to talk about the large cash savings which supposedly would result from reorganization. But he has been dwelling less and less on that and more on the increased efficiency that should be achieved.

Now he has brought in a reorganization program affecting 58 bureaus, boards and commissions without pointing to a single dollar that might be saved if Congress permitted it to go into effect.

* * *

That means that the president is being quite honest about it—or that he has finally realized the impossibility of even vaguely estimating substantial savings through such a reshuffling. He is either more honest or more intelligent than those Democratic leaders in the House who keep assuring us that they can save from $50,000,000 to $100,000,000 merely by putting the army and navy under a superstructure to be known as the Department of National Defense.

It soon will be generally realized that reorganization isn't going to save any money worth talking about unless it involves a curtailment of functions and personnel. The important economies are those which could be made without consolidation, regrouping, co-ordination or amalgamation of a single bureau.

Doubtless there is some amount of overlapping and duplication of effort in the government. But no one has ever quite demonstrated that there was enough of it to be either shocking or expensive.

* * *

The benefits that come from increased order and efficiency through grouping agencies of more or less similar purpose "under one head" are something else again. Those, too, are likely to be rather nebulous, though usually taken for granted. As against this, perhaps not very importantly, is the complaint that reorganization is always accompanied by at least temporary disorganization.

Most of the individual steps toward reorganization in the past have been followed by increased expenditures, although that does not mean that there may not be economies incidental to the Hoover rejiggering if Congress lets it go through.

Impartial observers see few objections to the plan. Opposition to some items was expected to develop in Congress, as it has. How much of that opposition is due to genuine doubt as to the merits of certain proposals and how much to mere partisan politics is difficult to determine.

Decision as to the merits of some items also requires a large degree of special knowledge.

* * *

For instance, the proposal for a new division of public works in the Interior Department, grouping the various government engineering and construction agencies, hits a snag because it would transfer the rivers and harbors work now under army engineers and would create a huge, powerful new money-spending agency.

The army argues that its engineers badly need peace-time training on major jobs, and various congressional leaders insist that the whole public works operation must not be thrown into politics as it might be if under a cabinet officer. Democratic leaders last session stood for a public works division as an independent agency.

A real reorganization program, with definite assurances of economy, if there is to be any such thing, will have to wait for Roosevelt and full Democratic control.

But meanwhile one hears no opposition to the only Hoover proposals which would actually abolish or curtail something — the victims being the Rock Creek Park Commission, the National Training School's board of trustees and the George Rogers Clark Sesquicentennial Commission.

Reflecting

Hollywood's movie moguls reflected on the beauty of Lona Andre, above, after they had chosen Kathleen Burke for a star role. And the more they reflected the more they thought Lona also should have a chance. So she's been signed for a year. Here's Lona, who hails from Nashville, reflecting her pleasure.

LEGAL NOTICES

ORDINANCE NO. 502

Be It Ordained By The City of Lubbock:

An ordinance granting a franchise and certain privileges to John W. Moore Construction Company, with his principal office in the City of Lubbock, Lubbock County, Texas, and establishing rules and regulations for the use of natural gas for light, heat and power, and establishing a maximum limit for price to be charged for such gas.

Whereas, John W. Moore Construction Company has applied to the Mayor and City Commission of the City of Lubbock, Texas, to grant said Company the right to lay and maintain and operate a gas plant for the distribution of natural gas for light, heat and power within the City of Lubbock, Texas, upon the following terms and conditions, and reservations, such rights and franchises to be as follows, to-wit:

SECTION 1.

That the right to furnish, distribute and sell natural gas for light, heat and power, for all such other purposes for which gas may be used within the City of Lubbock, Texas, for a period of Twenty (20) years from the date of the passage and approval of this ordinance is hereby granted to John W. Moore Construction Company, hereinafter called the grantee, subject, however, to the provisions hereinafter incorporated in this ordinance and for such additional period or extensions of time as may at the expiration of the said term of years, and upon conditions then found to be satisfactory to the officials of the City of Lubbock, and to this grantee, and provided that this ordinance and franchise is to be in effect and run from and after the date and day of its passage and approval. This franchise is granted subject to charter and Ordinances of City of Lubbock.

SECTION 2

That the said grantee is to have the right to lay mains, pipes and equipment, and to construct such buildings and install such machinery or equipment, and to sell or lease such equipment to the citizens of Lubbock, Texas, as may be necessary or advisable in their judgment for the proper performance of the service to be rendered to the City of Lubbock, and to its citizens and inhabitants to the best interest of the gas consumers and so have, at all times, access to the streets and alleys of said City for the purpose of laying such mains, pipes and equipment as may be needed from time to time during the term of this franchise, or any extensions thereof, provided, that at no time shall the grantee obstruct such streets or alleys so as to interfere with the public use thereof for a period longer than twenty-four hours, and that immediately such mains, pipes or equipment is laid and tested same shall be covered and such streets or alleys shall be replaced in the same or as good condition as before such work was done.

All excavations to be properly guarded by barriers by day and by red lights at night, and the said grantee shall hold the said City of Lubbock harmless from any and all damages to persons or property resulting from their negligence in the manner of constructing such distributing plant or system and guarding the same while under construction, by a good and sufficient bond executed by the grantee and some reputable surety company permitted to do business in the State of Texas, in the penal sum of Twenty-five Thousand Dollars ($25,000.00).

The work done in connection with the construction, maintenance and operation of said plant and transmission, transportation and distributing system, and the location of regulating stations, vent pipes therefor, gate valves, gauges, stock boxes, manholes, low, intermediate and high pressure mains, pipes, feeders, service pipes and conduits, and service pipe extensions and all appurtenances in the streets, highways, alleys and other public places in the City shall be subject to and governed by the regulations, rules and ordinances now in force or that may be thereafter lawfully adopted.

SECTION 3

That all mains shall be laid at least two (2) feet below the surface of the ground, and so laid as not to interfere in any manner with water mains or pipes or sewer lines of said City, or pipes or conduits of other utilities already installed; and that the connections with the gas mains and pipes shall be placed and laid to the property line of the consumer at the expense of the grantee. That the grantee shall not be required to extend main lines more than one hundred and fifty (150) feet to any one consumer.

SECTION 4

That said grantee shall at all times after said gas distribution system has been established and placed in operation, be prepared to furnish said City and its inhabitants with a good quality of gas for light, heat and power, and other purposes, and said grantee shall furnish such gas for all purposes for which same may be used in sufficient quantities to supply the needs of the said City and its citizens.

The said gas shall be furnished to said City and its inhabitants for domestic use at a net price not to exceed Forty (40c) Cents per thousand cubic feet for all gas used; provided, however, that gas used for heating public buildings, churches, hotels and apartments shall be sold at the following rates:

Class 1—Gas Used for Domestic Use:
First 50,000 cu. ft., per month .... 40c per M cu. ft.
All over 50,000 cu. ft., per month .... 35c per M cu. ft.
MINIMUM BILL—$1.25 PER MONTH

Class 2—Gas used under boilers for Commercial purposes. Gas used under boilers in central steam heating plants. Gas used for heating offices, office buildings, apartment buildings, factories, stores, churches, hospitals, schools, colleges, theatres, hotels, auditoriums and municipal buildings. Gas used in bakeries, restaurants, newspaper plants, grain elevators and rooming houses.
First 50,000 cu. ft., per month .... 40c per M cu. ft.
Next 50,000 cu. ft., per month .... 20c per M cu. ft.
Next 400,000 cu. ft., per month .... 17c per M cu. ft.
Next 500,000 cu. ft., per month .... 15c per M cu. ft.
Next 2,000,000 cu. ft., per month .... 14c per M cu. ft.
Next 3,000,000 cu. ft., per month .... 12c per M cu. ft.
Next 4,000,000 cu. ft., per month .... 11c per M cu. ft.
All over 10,000,000 cu. ft., per month .... 10c per M cu. ft.
MINIMUM BILL—$1.25 PER MONTH

Class 3—Gas used in Gas Engines and under boilers for power purposes in manufacturing and industrial plants. Gas used for brick kilns, pottery kilns, cement kilns, glass plants, refinery stills, iron foundaries, steel plants, cotton oil mills, cotton gins, railroad shops, laundries, cleaning establishments and flour mills.
First 50,000 cu. ft., per month .... 30c per M cu. ft.
Next 50,000 cu. ft., per month .... 20c per M cu. ft.
Next 100,000 cu. ft., per month .... 15c per M cu. ft.
Next 300,000 cu. ft., per month .... 14c per M cu. ft.
Next 500,000 cu. ft., per month .... 13c per M cu. ft.
Next 1,000,000 cu. ft., per month .... 12c per M cu. ft.
Next 1,000,000 cu. ft., per month .... 11c per M cu. ft.
Next 3,000,000 cu. ft., per month .... 08c per M cu. ft.
Next 4,000,000 cu. ft., per month .... 07c per M cu. ft.
Next 20,000,000 cu. ft., per month .... 06c per M cu. ft.
All over 30,000,000 cu. ft., per month .... 05c per M cu. ft.
MINIMUM BILL—$15.00 PER MONTH

That all above rates are to be charged for gas used through one meter only.

That all bills shall be due and payable monthly, and within ten days from date rendered, and in case of default or nonpayment within said time, the grantee shall have the right to discontinue service to said consumer, and to make an additional charge for the gas used for any purpose equal to one-ninth (1-9) of the bill rendered. And in case said consumer shall make application to have services re-established and gas re-connected with his premises, he shall be required to pay all delinquent bills, together with the penalty thereto, and to pay a cut on charges not to exceed $1.50 for domestic use and heating purposes, and $2.50 for industrial use. It is further provided that the grantee shall be allowed to make a minimum charge of $1.50 per month for gas for domestic and heating service and $25.00 per month for industrial gas service.

All gas furnished or supplied by grantee shall be metered, and for this purpose the grantee shall, at his own cost and expense, provide and install for each consumer a good and accurate meter of standard make, to be approved by the City Commission, and when grantee reads his meters to determine the amount of gas furnished each month, a copy of such reading shall be left with or at the residence or place of business of the consumer. Grantee shall also provide and maintain at his proper cost and expense facilities for testing gas meters, to be to the satisfaction of and approved by the City Commission; and said grantee shall also provide and maintain, at his proper cost and expense a standard meter prover of not less than five cubic feet capacity, to be selected by the City Commission, equipped with suitable thermometers and other necessary accessories which shall be maintained to the accepted standard of accuracy, all to be to the satisfaction and approved by the City Commission.

Such meters shall be and remain the property of the said grantee, and the grantee shall have the right to require the customer or consumer to deposit with it a sum equal to the maximum monthly bill of the consumer, provided, however, that no deposit shall be in a less sum than $10.00 for domestic meter, and $15.00 for industrial meter.

SECTION 5

The Natural gas to be furnished hereunder shall be at all times kept to a standard of eight hundred British thermal heat units or higher per cubic foot at the point of consumption, at a temperature of thirty-two degrees Fahrenheit, or zero Centigrade; and to determine whether the gas supplied is of the heating value above specified the City of Lubbock may have tests made by a competent analyst under recognized and scientific processes, according to the approved method of making such tests, and said tests shall be from samples of gas collected from the grantee's mains at any point or points within the City. If the result of such tests show that during a month the daily average of the gas supplied was below eight hundred British thermal heat units, then there shall be deducted from the customer's bills for gas during such month proportionate amount, based upon the deficiency below said eight hundred British thermal heat units. In any month when such tests are being made, the City shall advise the grantee of the result of each test within a reasonable time after it is made, and the official report of such analyst, of which said grantee is so advised, shall be taken and accepted as the agreed prima facie correct test of the heating value of the gas furnished during such month and thereafter until a different result is determined or ascertained in a similar manner; said grantee shall furnish gas to consumers at a pressure of not less than four ounces, nor greater than eight ounces, measured at the consumer's meters outlet.

Said grantee shall supply and install not less than four, and as many as may be needed approved self-registering pressure and gas gauges capable of recording the pressure of the gas, in the mains at points in the City designated by the City Commission, and said self-registering pressure gauges shall be placed at stations which, in the opinion of the City Commission, fairly represent the pressure on adjacent territory; and such station shall be securely enclosed under locks, and duplicate keys to said stations shall be retained by the City Manager, or some officer authorized by the City Commission; and such self-registering pressure gas gauges shall be equipped with removable recording dials to record the pressure, and the said City Manager, or some representative authorized by the City Commission, shall cause to be removed or remove from said pressure gauges the pressure records of the preceding period, and provide the gauges with recording blanks for the next period during which such record is desired by the City; and each record taken from such pressure gauges shall be filed in the office of the City Secretary of the City of Lubbock, and a record thereafter be entered upon the books of the City by the said City Secretary; and the said City Manager, or some representative authorized by said City Commission, shall keep self-recording dials in said pressure gauges continuously for a month, or as often as is required by the City Commission; and the said gauge record and the said book record shall each be competent and prima facie proof of the pressure at the point at which such record was made at the time as shown by said gauge record.

Each consumer of gas shall install and maintain suitable piping within his property lines and suitable appliances and fixtures, except meters, subject to the approval of the City Commission, or such supervisor, inspector or other representative as may be authorized by said City Commission to pass upon the same.

SECTION 6

The City reserves the right to lay and permit to be laid electric conduits, water and other pipe lines or cables, and to do and permit to be done any underground work that may be deemed necessary or proper by the City Commission, in, across, along or under any street, alley, highway, or other public place occupied by the grantee; and, whenever, by reason of changes in the grade of any streets, or in the location or manner of constructing any water pipes, electric conduits, sewer or other underground structure, it shall be deemed necessary by the City Commission to alter, change, adopt or conform gas mains and service pipes of grantee, such alterations or changes shall be made by the grantee when ordered in writing by the City Commission or any supervisor or other representative of the City Commission so authorized to act, without any claim for reimbursement for damages against the City; said grantee shall indemnify and save harmless the City of Lubbock from any and all claims for injury or damages to persons or property occasioned by or arising out of the construction, maintenance, operating or repair of said grantee's transmission, transportation and distributing system, and by the conduct of the business in the City.

SECTION 7

The right to use the streets, alleys, highways or other public ways or places of the City of Lubbock by the grantee, as provided in Section 2 above, shall be and is subject to the following restrictions, limitations and conditions, viz: that in building additional mains or lines of pipe, said grantee shall build and construct the same along and under the alleyways, where alleys exist, rather than along and under streets, and shall only use the streets for same insofar as may be necessary in connecting from one alley to another; and said mains and pipe line shall be so laid that the top of said main, or pipe line shall be placed below the surface of the street or alley and so as to protect all paving, wire cables, water pipes, underground wires or sewer laterals, and shall be so constructed and located with reference to water lines and sewer mains as not to interfere therewith, and under the direction and to the satisfaction of the City Commission or the City Engineer.

SECTION 8

That the City Commission hereby reserves the right to install at the point where said grantee receives his gas for distribution in the city a meter through which all gas distributed to the City and its inhabitants shall be passed, an adequate self-registering pressure gauge adequate to record the amount of gas distributed to the City and its inhabitants and the pressure at which the same was received by the grantee.

Said grantee shall also supply and install one distant pressure gauge under the direction of the City Commission and at the place designated by the City Commission, which will indicate the pressure at such designated point, said gauge to be placed in the City Hall in the office of the City Engineer.

SECTION 9

That said grantee shall make, not oftener than each six months, reports to the City Secretary of the City of Lubbock, under oath of the President, Treasurer or Superintendent of such company, showing the gross amount received from the business done within the city in payment of charges of gas for the six months next preceding

SECTION 10

That after the said gas distribution system shall have been fully constructed, equipped and in operation as herein provided in the City of Lubbock, if the said grantee shall then fail to substantially comply with the conditions of the franchise, the City of Lubbock shall have the right by ordinance duly passed therefor to forfeit all the right and franchise herein granted to the said grantee, provided that the City of Lubbock shall give the said grantee, sixty (60) days' notice in writing, specifying the conditions claimed to have been violated, and giving full and fair opportunity to be heard thereon before declaring such forfeiture, which notice shall fairly and fully set out all of the conditions claimed and complained of and shall be given by the said City and shall be signed by the City Secretary under the seal of said City, after having been properly authorized by the Mayor and City Commission of the said City; provided, however, that the said grantee shall have sixty (60) days after receiving such notice in which to rectify and correct such violations and to substantially comply with the terms and conditions of the ordinance; should the violations of this ordinance so complained of not have been rectified and corrected and the terms and conditions of this ordinance fully complied with at the end of said sixty (60) days, then, and in that event the City shall have the power to forfeit this franchise on account of the violations specified in said notice. That in case of forfeiture as herein provided, the City of Lubbock, reserves the right to purchase the distributing plant of the grantee at its fair appraised value or to allow the grantee to remove same within one year from the date of such forfeiture, provided, that before any of said property may be removed, the grantee shall be required to give to the city a good and sufficient bond that the streets and alleys will be placed and left in as good condition as found.

For each and every breach or violation of any of the provisions of this ordinance by the grantee, it shall be liable to a penalty of Twenty-five Dollars to be recovered in any court of competent jurisdiction by suit, of any person, firm or corporation injured or damaged by such breach or violation; and if the breach or violation shall be a continuous one, each day during which such breach or violation continues shall be deemed a separate breach or violation and a separate ground of recovery against the grantee.

SECTION 11

That in further consideration of the privileges and franchise granted to John W. Moore Construction Company, he shall adopt and use any and all reasonable safeguards to provide for the protection of persons or property against injury or damage growing out of the use of gas and that they shall construct and maintain in good order all mains, pipes and equipment used in said City for the distributing of gas, and shall always be prepared to furnish said City and its inhabitants a sufficient quantity of gas for all purposes; provided, however, that in case of explosion or accidents of any character or nature, beyond the control of grantee, to the main lines or to the distributing system provided herein, or shortage of gas supply in the fields from which the grantee secures the gas and the grantee is not able on account of such unavoidable conditions to furnish gas for all purposes, that preference shall be given domestic consumers, schools and hospitals in the use of gas until such time as the supply may prove adequate for all purposes. Provided further that grantee shall not be liable for any damage resulting from such accidents either to the lines of the grantee or to the lines on property of consumers.

SECTION 12

The grantee shall in good faith begin the construction of its main lines and distributing systems by May 15, 1933, and diligently pursue such construction in good faith and shall complete such main line by November 1st, 1933, and shall be prepared to serve gas to consumers on or before November 1st, 1933, provided, however, that grantee shall not be liable for time consumed out of such period by strikes, acts of providence, acts of constituted legal authorities, or acts beyond the control of grantee. If grantee fails or refuses to begin, prosecute, complete, or operate said lines or system within time stated this franchise shall expire and forfeit.

SECTION 13

That the Grantee herein shall not have the right or privilege thereunder of assigning this Franchise or any rights or privileges without the consent and approval of the City Commission of the City of Lubbock, Texas.

SECTION 14

This ordinance shall take effect and be in force from and after its passage and approval and publication as provided by law.

Passed and approved this the 9th day of Dec., A. D., 1932.

GERMAN TRADE GETS BOOST

SHARP DISCOUNTS IN BOND PRICE PROVES AID TO TRADERS

NEW YORK, Dec. 22. (AP)—Sharp discounts at which German dollar bonds have been selling in New York have permitted German industrial concerns, upon occasion, to work an involved transaction permitting them to undersell competitors in foreign markets, by offering their goods at prices actually under cost.

This has been possible because of the fact that German bonds in New York have been selling sharply below prices for equivalent bonds in Berlin, as a result of the severe restrictions which the Reichsbank has placed on foreign exchange transactions. Ordinarily, a German investor who has funds in Germany is not permitted to transfer his money to buy securities abroad.

The Reichsbank has upon occasion, however, permitted German industrial concerns to use funds received in payments for exports to purchase the German bonds in New York and other foreign markets. They may then transfer the bonds to Berlin, and sell them at a much higher price.

According to Wall Street bankers, German industrial concerns may thus secure contract to sell limited amounts of goods abroad at substantially less than cost, and make up the difference through the bond transactions.

This gives the German concerns a striking advantage in the world struggle for trade.

While information is lacking in Wall Street as to how much business had been done on that basis, it was understood to have been small, for the Reichsbank is exerting every effort to get foreign exchange, to meet the charges on the reich's external debt.

COURT ADJOURNED FOR THE WEEKEND

Adjournment of the United States district court for the Northern District of Texas until Monday, was announced by Judge William H. Atwell this morning when all of the cases on the docket for the first two weeks had been called. Judge Atwell dismissed the jury for the term.

Case of O. H. Sykes, Plainview, against the Plainview Sanitarium, scheduled for today, was continued on account of the illness of M. J. Baird, attorney for the plaintiff. Mr. Baird, in Lubbock yesterday, was sent to bed by his physician. He had been suffering from an attack of the flu.

F. A. Blankenbeckler, receiver of the Plainview National bank, was given a default judgment of $483.40 against Charles E. Bates. The case as to other defendants was dismissed.

Case of Blankenbeckler, as receiver, against L. T. Thurman, was reset for December 28.

Judgment of Mrs. Fern Meester vs. Georgia Casualty Co., was stipulated as $3,440.

self and Governor Roosevelt is attached hereto."

There followed the telegrams between the two men.

The correspondence was initiated by President Hoover on the evening of last Saturday, two days before his message to congress. He wrote that the debt problems "can not be disassociated from the problems" to come before the world economic and disarmament conferences.

He asserted that "exchange of views in respect to debts cannot be accomplished in satisfactory manner through the ordinary routine of diplomatic contacts" but require "free and direct round table discussion with each government separately."

"The routine machinery of diplomacy neither affords the type of action required nor can they give the time from other duties" said the president.

Favored By Roosevelt

Diplomatic channels were the means previously espoused by Mr. Roosevelt for debt discussion.

Roosevelt replied December 19, after congress had received the presidential message that, "I can not go along with the thought that the personnel conducting the conversations (war debts and economic conference) should be identical."

Because he had no constitutional authority as to the economic conference until March, and because of the divergence of opinions between himself and Mr. Hoover, as to scope of this conference, Roosevelt said:

"I must respectfully suggest that the appointing of the permanent delegates and the final determination of the program of the economic conference be held in abeyance until after March 4. In the meantime I can see no objection to further informal conferences with the agenda committee, or to carrying on of preliminary economic studies which would serve an undoubtedly useful purpose."

Murray Funeral Is Slated For Today

The funeral of Harlis Murray, 26, who died at 7:45 p. m. Wednesday, was to be conducted at 2 o'clock this afternoon at Bynum-Stahler Funeral home by Rev. O. W. Carter, pastor of Asbury Methodist Episcopal church. Burial was to be here. Mr. Murray died in the home of his parents, Mr. and Mrs. E. C. Murray, 1112 Sixteenth street, after an illness of about eight months. He formerly was a utilities company employe.

Survivors are the parents and one sister, Mrs. N. T. Adams of Amarillo.

Pall bearers were to be: Irving Smyer, Jack Wadley, Cecil Magill, A. D. Chase, Wilbur Pierson, and Charles Brock.

HOLLYWOOD STARS SCATTER FOR XMAS HOLIDAYS; MANY TO REMAIN AT HOME

HOLLYWOOD, Calif., Dec. 22 (AP)—Hollywood like most of the other cities of the world will keep the home fires burning this Christmas, but many of its film folk are to spend the day away from the city.

Farthest from the home fireplace will be two film companies engaged on pictures in the far north—Director W. S. Van Dyke and his crew of technicians on a film in the Arctic among the Eskimos, and a group from Universal making one in Greenland.

Go To Mountains

Karen Morley plans to visit her home town, Ottumwa, Ia. The Walter Hustons and the Reginald Dennys are to be at their mountain homes near Lake Arrowhead, Calif. There, also, will be the Warren Williams, the Richard Arlens, the Zeppo Marxes and Claire Dodd.

Agua Caliente is drawing its usual share of holiday celebrants, including Charles Ruggles, Wesley Ruggles, Arline Judge, Ruth and Edgar Selwyn, and the Ernest Truexes. Many others will be found at Palm Springs.

George O'Brien will be trying to reach Naples in time to join his mother and father for Christmas.

Most Stay At Home

But the great majority of a colony that lives by the sound stage will spend Christmas at home. There'll be a family reunion, with the children home from school, at the Will Rogers ranch. Warner Baxter will be at home with his wife, mother and niece. Joan Bennett and her little daughter will celebrate at home, with sister Constance sharing in the festivities at some time during the day.

Pickfair will have its usual Christmas, with Douglas Fairbanks arriving home to join Mary Pickford before the holiday. Doug, jr., and Joan Crawford will be among the guests at Christmas dinner there, having their own private celebration on Christmas eve.

Marlene Dietrich and her daughter, Maria, are awaiting the arrival of Rudolph Seiber, Marlene's husband.

DAILY MARKETS

Cotton Market

NEW ORLEANS REPORT

NEW ORLEANS, Dec. 22 (AP)—Cotton had a somewhat irregular opening today. Although Liverpool came in lower than due, first trades here showed one point down to one up, but prices improved a point right after the call. They soon eased, however, on pre-holiday liquidation and some hedge-selling. January dropped to 5.80, March to 5.95 and May to 6.06, down 4 to 6 points from the opening and four points on all months below yesterday's close.

There was some further liquidation of the January position as tomorrow will be first notice day for that month.

Near the end of the first hour, the market ruled barely steady at the lows.

The market was a little more active during the morning but prices showed a persistent downward trend. There was continued pre-holiday liquidation, fair hedge-selling and selling by ring traders on weakness in stocks and wheat. January dropped to 5.67, March to 5.80 and May to 5.91, or 17 to 21 points down from the opening and 17 to 19 points under yesterday's close.

Near noon, the market was a shade steadier, recovering two to three points from the lowest on some covering by shorts.

NEW YORK REPORT

NEW YORK, Dec. 22 (AP)—Cotton opened steady, 1 higher to 1 lower with trading quiet and mostly in the form of near-month liquidation and on trade buying. Jan. 5.86; March 6.00; May 6.12; July 6.22; Oct. 6.41.

Pre-holiday liquidation continued later in the morning, while there appeared to be a little more southern selling and prices worked off to 5.75 for January and 6.00 for May or about 10 to 11 points net lower. The market at midday was barely steady at these figures although there was more trade buying on the decline.

There was a little selling through brokers with Liverpool and continental connections and offerings increased slightly after the call. Reactions in the stock market brought in some local selling or liquidation and by the end of the first half hour January contracts were around 5.82 and May 6.07, or 4 to 5 points net lower.

Liverpool reported a quiet market with prices steady on pre-holiday trade calling and a shortage of contracts. A more cheerful tone was reported in the Manchester cloth market where a fair business is in progress.

Grain Market

CHICAGO REPORT

CHICAGO, Dec. 22 (AP)—Grain prices in Chicago tended downward early today, despite unexpected upturns in wheat quotations at Liverpool. New York stock market setbacks had a bearish effect on grain values here.

Opening unchanged to 1-8 off, Chicago wheat futures subsequently sagged all around. Corn started a shade lower to 1-8 advance, and later underwent a general decline.

Stock Market

WALL STREET REPORT

NEW YORK, Dec. 22. (AP)—The stock market ran into a fresh flurry of selling today, which depressed prices close to the lower resistance levels of the autumn trading range.

The list worked a little higher at the opening, but was soon unsettled by selling of the rails. Several issues in various groups were carried down 1 to 3 points. By early afternoon there were fractional recoveries from the lowest.

New York Central was a conspicuous soft spot, losing nearly 3 points. Union Pacific declined as much. Miscellaneous issues off 1 to 2 included Allied Chemical, American Telephone, American Can, Liggett & Myers "B," Consolidated Gas, Case, International Harvester, Johns Manville, Public Service of N. J., United Aircraft, and U. S. Steel common and preferred. Owens Illinois Glass and Crown Cork were firm at the start, then reacted, the former losing more than 2 points.

BE FAYS AND PAYS

LONDON—A Roscommon laborer who liked his sweetheart may have to pay for a long time, but the payments are not so demanding. The fine imposed by the court would equal, in American money, about $1,000, but he has to pay it in installments of about 50 cents a week. If the girl lives for 40 years she might receive all the damages.

FRENCH DEBTS

(Continued from Page One)

points, we will conduct the negotiations with the firm purpose of preparing a solution of the question in its entirety, which would put an end to the disorders which have come, in the general economic restoration, from the burden of intergovernmental debts.'

"At the same time, in full accord with the states to which France is united by the bonds founded on common aspirations, and without any hindthought with regard to others, strong in efficacious friendship of our neighbors across the channel—a friendship of which we have recently received additional evident proofs—desirous of smoothing out any difficulty which might exist with the countries to which an ancient culture and such recent recollections bind us, we shall strive to bring to a good conclusion other international negotiations.

"These negotiations are also pressing; on them depends in large measure the solution of the crisis, the deep lying cause of our budgetary difficulties. For this crisis is not only of an economic nature, it is also of a psychological nature and made up of the international uncertainty, of misunderstandings and rivalries between the peoples."

THAT'S A FOWL TRICK

TACOMA, Wash.—Many people were amused the other morning to see several policemen chasing a diminutive bantam rooster up and down the street. They finally arrested the fowl and took it to the police station to try to establish its identity. Two men, Harry Shaner and A. O. Patterson recognized the rooster as one belonging to one of Shaner's neighbors. The chicken had ridden to town on the axle of Shaner's car.

KIWANIANS HEAR JUDGE ATWELL

A Santa Claus for 100 or more Lubbock underprivileged children was in sight today after members of the Lubbock Kiwanis club had heard reports and an appeal from the club's underprivileged child committee. Every member was asked to give some sort of gift to the group the club bought clothes for in September.

The reports on "follow-up" work of the club's donation to children given by Dr. Fred Standefer, W. C. Pryor and R. E. Stroup preceded an inspirational Christmas talk by Judge William Hawley Atwell of Dallas.

Recalling a visit last summer to Bethlehem where he visited the spot where the Christ was born, Judge Atwell told of a soldier guarding the golden star marking the spot "to keep Christian from fighting over who should cleanse and take care of it". He cited the prohibition of Jews from the Holy Sepulchre and declared "it is a tremendous assault on real christianity".

Creeping In On Us

"We find this very thing creeping in on our own nation," he continued. "God help us from such a religion, there is no religion when it is there. What a marvelous thing if there were no religious divisions in America even.

'Aftr all, real civilization is that education of the heart to the point where selfishness, where envy, whisperings and jealousies are all gone and the people are united on the big things of life—the things that make our government and society.

Man's Heart Must Settle It

"We have a question that is cutting the throats of our people . . . . Both sides will never give in. . . . It is a small question and yet it is so big that it has pushed all other things aside. . . . Over this little issue people are saying ugly things about each other and they are scrapping in congress about it. . . . After all the laws written on the books can never settle it. . . . It must be the laws in a man's heart.

"We call this the United States of America . . . How hard they fought to put that united in there. . . . . May it continue ever thus and the people will remain united. . . . We have the union of America, the union of Lubbock, the union of Texas. . . All these unions are necessary. . . The people must be united on the big things of life."

Morris Holt of Amarillo was an out-of-town guest at the luncheon.

Damages Asked—A suit for $2,500 damages was filed in 99th district court Wednesday by R. M. Carter against A. R. Dalby of the Dalby Motor Freight lines. Carter alleged a baby grand piano delivered to an agent of Dalby at Amarillo was delivered to J. D. Tucker instead of to Carter. Value of the instrument was $2,500, the petition said.

Fractures Ankle—Mrs. Frances L. Tolbert, a teacher in Central ward school, slipped on ice in front of her home at 2104 Fourteenth street, and suffered a fracture of the right ankle. She was taken to Lubbock sanitarium.

• • •

Still In Hospital—A 25-year-old woman, who said she lived in the 2100-block of Thirteenth street, still was in Lubbock sanitarium late this morning, although the sanitarium reported she evidently was not injured seriously. An X-ray examination was to have been made of her. The woman had a large knot on the back of her head and one of her eyes had been blacked when she was received at the sanitarium at 11:35 o'clock last night. Police were not informed of the case by persons involved. A police investigation was begun, but police this morning said they had learned nothing. Sanitarium attaches said they understood the woman had been struck by her husband.

Judge Authorizes Sale Of Fixtures

An order authorizing the receiver of the First National bank at Ralls, to sell bank fixtures, was approved by Judge William H. Atwell in federal district court yesterday afternoon.

The items to be sold include a safe, note cases, two power posting machines, two adding machines, three standard typewriters and a portable machine, desks, chairs, stools, tables, filed heater and other equipment. L. B. Withers, receiver, was authorized to sell at either public or private sale.

At the same time Judge Atwell authorized the receiver to make settlement in two cases, that of F. W. Collins and F. B. and J. J. Jenkins. W. P. Walker of Crosbyton is attorney for the receiver.

Additional Sleeper Is Added To Train

An additional pullman sleeper will be available for passengers to Fort Worth tonight over the Santa Fe, R. F. Bayless, local Santa Fe agent, said today.

"Business has been very good for several days, both on account of the weather and the low rates," Mr. Bayless said. "We have had additional coaches on all trains.

"Tonight we have a sleeper set out here for those who want to go to Fort Worth. There will be another one Friday night."

Special rates will be available.

HARRY LAUDER'S STAGE METHODS ARE EXPLAINED

An insight into the stage methods of Sir Harry Lauder, internationally-known entertainer who will appear here Dec. 28 at High school auditorium, is given by Bransby Williams, the English actor.

"Watch the ordinary performer," said Williams. "He makes his appearance in his own person. It isn't until he reaches the center of the stage that he assumes the character he intends to portray.

"Your great actor, on the contrary, assumes the character before he appears on the stage. Edmund Keane always did this. When Henry Irving played Hamlet he was Hamlet from the moment he left his dressing room, and woe to any one, man or woman, who got in his way.

"Now, if you ever have a peek-in behind the scenes on a Lauder night, watch that little Scot. Before he makes his entrance, he is singing and dancing and 'getting into the character,' and the moment he appears before the audience the character is recognized and applauded."

Sir Harry's own company will accompany him here. The troupe will include an orchestra and stellar performers. The Avalanche-Journal publications are sponsoring the program.

Louisiana's 15,000 trappers will enter the swamps early in December for their three-months exile during the annual muskrat season.

ANNUAL SCOUT MEETING SET

COUNCIL SESSION WILL BE HELD HERE ON JANUARY 24

January 24 has a red ring around it on the Lubbock Boy Scout calendar, for an annual meeting of the South Plains Area council will be conducted here that day. W. G. McMillan, council president, has sent a letter to volunteer leaders informing them of the day.

Dr. J. M. Gordon is chairman of the program committee again. T. E. Buckner and F. A. White will assist him. A dinner, at which Dr. Bradford Knapp, president of Texas Technological college, would be the principal speaker, is being planned.

Mr. Buckner will have charge of ticket sales; Mr. White of resolutions.

A quota, based on population, will be assigned each city except Lubbock in the area, and a pennant will be awarded the city having the largest percentage of attendance at the meeting. Ralls won the 1932 pennant with a quota of four, and 21 present.

Six troop committees have reported they have familiarized themselves with the 10-year program, D. T. Jennings, area executive, said in an accompanying letter of Wednesday.

County Line Will Give Xmas Pageant

A Christmas pageant will be presented Friday night at County Line school. A first aid kit has been placed in the school for treatment of pupils.

The students making an average grade of A, qualifying for the honor roll, are:

High first grade, Jewel Trice Hawkins; second, Janice Garrett; third, Oree Powell, Eloise Garrett, Dale Eddy, Doralene Eddy; fourth, Ray Turner, Neff Preston; fifth, Leota Allen, Alma Faye Horne, Margaret Teague, Luke McGuire, Oleta Hawkins.

Students making a B average are: Low first grade, Norman Teague, Olen Horne, Doyce Joe Wilson; third, Colene Fleming, Lavinia Cain, Johnnie Scott, Mable Adams; fifth, Emma Arnold, Dick Embry, Cuba Lee Scott, Udell Griffiths; sixth, Galen Carr, Frank Adams, Leota Nelson, Oleta Allen; seventh, W. E. Connell, Elton Eason, C. A. Turner, Wayland Nelson, Ray Powell; ninth, Almeda Squires, Eva Arnold.

Supt. James Hodge announced the honor roll and honorable mention lists.

PRIVATE FLIERS SUBSIDIZED

WELLINGTON, N. Z. (AP)—The New Zealand government has purchased three airplanes for flying clubs and is subsidizing such organizations to provide for the training of 100 pilots this year, an increase of 10 over the previous year.

TORCHY COMEDY

IT'S CHRISTMAS EVERY DAY IN TOWN IN FLORIDA; POSTMISTRESS IS BUSY

CHRISTMAS, Fla., Dec. 22. (AP)—It's Christmas every day down here where palm trees sway to gentle breezes and folk never heard the jingle of a sleigh bell, but the village is excited over celebration of the day that gave it a name, just the same.

The combination postoffice and general store that forms the hub of the community of 250 has been decorated with wild Christmas trees, Florida holly and mistletoe. Extra oranges have been pulled from the groves and delicacies from the truck gardens have been laid by for a holiday table.

There's one person who has plenty to do. It's Mrs. Juanita S. Tucker, postmistress. Folk like to send cards, letters and gifts here to have them postmarked "Christmas" and the Christmas rush is on full blast, though the first consignment of yuletide mail arrived about Thanksgiving day.

Christmas got its name legitimately. Back in the days long before the war between the states, United States troopers got to work one Christmas day and threw up a fort of palm logs against an expect[ed] attack by Indians. For a time [the] village was called Fort Christ[mas] but the fort was dropped and [the] it's just Christmas.

This Christmas—the town not [a] day—shares the name with [so] other communities in the Unite[d] States. There's a Christmas in Law[-] rence county, Ky., one on Roane county, Tenn., another in Gila county, Ariz., and a little plantation town named Christmas in Bolivar county, Miss. Christmas, Fla., is in Orange county, 22 miles east of Orlando.
