## City Ties U.S. 70 To Paving Project

### Curb-Gutter Price Is Set

Olton city council Tuesday night voted to extend its current paving program to include curb and gutter for Highway 70, in an effort to speed up widening of the highway.

Members of the council who met with the state highway department last week were told that if curb and gutter could be put in, it is likely that the state will be able to finish the highway paving as early as next summer.

Total cost of the curb and gutter will be \$19,957.37, of which the city will pay about \$2,150. This money is available from the \$60,000 bond issue approved for the current paving program.

Property owners will be charged \$2.00 per front foot to pay for the balance of the curb and gutter. Paving between curbs is to be paid by the state.

In other activity at Tuesday night's meeting, the council approved an ordinance prescribing rules and regulations for the operation of Olton Recreation Center.

The ordinance was passed to clear up the ORC's status as a municipally owned operation. It was designed to clarify the ORC's status as far as state and federal governments are concerned, and will aid the ORC on taxes and insurance.

It also establishes liability, eliminating the possibility of the city being sued in the event of an accident there.

For the most part, the ORC will continue to operate as in the past, but its funds will be accounted for in a special account which will be included in the city budget.

The city, however, would not obligate any city funds under the ordinance.

Text of the ordinance may be found on page 11 of today's Enterprise.

In approving the ordinance, the city also approved present dues and fees of the ORC, as set by the membership.

Councilman Charles Sullivan has been and will continue serving as the city's representative on the ORC board.

Other activity saw the council call for stepped-up spraying for mosquitoes, along with more police patrol in residential areas.

Councilmen said the mosquito-spraying schedule of twice a week is not enough at present and asked that it be done more often until the season is past.

They also said that fast-driving in residential areas continues and asked that police put a stop to it, issuing tickets wherever necessary.

One other action of the council saw the city approve plans to spend \$8.00 per week for the employment of someone to attend the Olton Library at the Chamber of Commerce office. This person will work from 4-5 p.m. on weekdays and 9-12 a.m. on Saturdays.

The Chamber maintains the library in other hours on weekdays and provides space for it.

### Essay Contest Judges Named

Judges for local entries in the Lions International's peace essay contest were announced this week by Charles Polk, president of Olton Lions Club.

They are Mrs. Ruth Holladay, Mrs. Linnie Campbell and Mrs. Amy Turner.

The contest is open to all young people in Olton who are 14 years of age and under 22 as of Jan. 15, 1967. Deadline is Dec. 10.

Contest offers a grand prize of \$25,000 in the form of an educational or career assistance grant to the world winner. A total of \$50,000 in awards will be made, including eight semi-finalist prizes of \$1,000 each, chosen from eight world divisions. These semi-finalists will also get travel expenses to Chicago, Ill. in July, 1967. At that time, the first prize winner will be chosen from the eight.

Contestants should submit their entry in essay form, not to exceed 5,000 words.

### AT OLTON SCHOOLS

## Enrollment Even With Last May

Enrollment in Olton schools is about even with the total attending last May and the school is off to an "excellent start"

in its first year of full integration.

Those reports came from Supt. Ray Schultz at a regular meeting of the school board Monday night.

Enrollment as of Sept. 8 totaled 1,253 as compared with 1,259 at the end of school last spring.

Compared with enrollment at the start of school last year, the total is off about 150, due mainly to the exodus of farm workers who left the area when farmers sliced off acreage in cotton under the current farm program.

The total of 1,253 now attending school includes 636 at H. P. Webb Elementary, 312 at Olton Junior High and 305 at Olton High. Ninety-three are Negro students, 42 in elementary, 27 at junior high and 24 at OHS.

The school has averaged feeding 1,050 students daily in the school cafeteria since school started.

In other activity, the school board gave Supt. Schultz the go-ahead on a project to remove a high-voltage line near the junior high school. The line is scheduled to be put underground at a cost of around \$1,200.

Schultz pointed out the possible danger of the line, and board members recalled that a student was seriously injured two years ago when such a line collapsed after bad weather.

In other action, trustees accepted resignations of Mr. and Mrs. E. C. Woods and Miss Paulette Evans, and officially employed Miss Lawana Long as a second grade teacher and Mrs. Pat Criswell as a sixth grade language arts teacher.

Mrs. Criswell, who lives near Halfway, replaces Mrs. Fred Young, who became a teacher in the remedial reading program. Mrs. Young succeeded Mrs. Woods.

The board also employed County Deputy Delmer Beadle as attendance officer, at a salary of \$50 per month.

### Chili Supper Slated By P-TA

P-TA will sponsor a homecoming chili supper in the school cafeteria, Friday night Sept. 23, preceding the Mule-shoe-Olton football game.

Serving time will be from 5 until 7:30 p. m. with choice of a "small bowl" of chili or a large one. They will sell for 50 cents and \$1, which includes beans, pie and drink.

### C-C Brochure Almost Ready

Plans for a brochure on Olton went into final stages Tuesday morning as Olton Chamber of Commerce and Agriculture board members approved a design submitted by Bill Turner, Enterprise publisher.

Brochure will be printed by Wayne's Hi Plains Printing and is expected to be completed in the next few weeks.

In other business, the board heard reports on Highway 70, High Plains Research Foundation field day, first load of grain, local library and announced a new member of C-CA, Piggly Wiggly.

Ralph Glover, C-CA president, attended a meeting last week in Lubbock with the highway district engineer concerning possible widening of Highway 70. Glover expressed hope that the highway might be widened as early as next year.

Several members of Olton C-CA worked at last Thursday's HPRF field day.

Financial problems of the local library, located in the C-CA office, were discussed.

C-CA was sponsor of gifts for the first load of grain, brought in by Devern Mandrell.

## Higher Farm Income Is Goal, Freeman Says

Higher income for the nation's farmers was the hope stressed by Secretary of Agriculture Orville Freeman as he spoke Thursday at the tenth annual field day of High Plains Research Foundation.

A record crowd, estimated as high as 9,000, turned out to hear Freeman set the administration's goal as achieving "full parity of income for the adequatized family farming operation by 1970."

He said that although Texas farm income in 1965 was up an average of more than \$1,000

net per farm since 1960, "it won't be good enough until the farmers get what they deserve -- full parity of income with their city cousins."

At this point, applause interrupted the 30-minute address, and Freeman added:

"And they haven't got it yet."

He said farm income since 1960 is up an estimated \$4 billion over 1960 and is expected to reach a total of \$15.7 billion this year.

But despite the fact the income gap has narrowed by 16 per cent, Freeman said farmers

still earn only two-thirds of what non-farmers earn.

He stated that although modest price increases have helped improve farmer's income, most gain was achieved through co-operation with Federal Farm programs reducing price-depressing surpluses and increased volume production.

Saying that this is "great cotton and grain country," Freeman said the milo outlook "has been brightened considerably by the boom in domestic use and exports and reduction

## Underdog Mustangs Tackle Class AAA Hereford Eleven

Olton's Mustangs will tackle a top-rated Class AAA team Friday night, traveling to Hereford where they tangle with a

highly favored Whiteface eleven.

Game time is 8 p. m. and reserve seat tickets are on sale at the school business office here until 5 p. m. Friday.

Hereford took it easy on Floydada last week, 14-7, while the Mustangs were dumping Morton, 28-0.

The Friday night game will be the first meeting of the two clubs since 1961, when Hereford took a 32-0 victory. Olton won a hard-fought 8-0 battle over the Whitefaces in 1960, when Walter "Jojo" Bryan was head mentor here.

Now, six years later, Bryan is a Hereford faculty member and was in Olton last Friday night singing the praises of this year's Hereford team.

The Whitefaces apparently weren't up to their usual form last Friday night in the Floydada game. They lost the ball on seven occasions within the Floydada 20-yard-line.

Earlier, Hereford had ripped a good Class AAAA Palo Duro eleven in a scrimmage session.

"They are a real tough ball club," Coach Don Beck said this week. "We'll need every break we can get to stay with them."

Hereford is touted as Dumas' top challenger in the double-tough District 3-AAA wars this year. Winner of the district is supposed to waltz right on to the state title.

Gary Tucker, a speedy halfback, and Tony Malouf, a 195-pound fullback, are the big guns in the Hereford attack.

Tucker passed 25 yards to End Bill Watts for one Hereford TD and Malouf drove in from two yards out for the other score in the Floydada game.

Other backfield starters are

Ernie Williams at half and Phil Cain at quarterback.

The Hereford backs average 175, about 20 pounds heavier than Olton's, while the Whiteface line tips the scales at an average of almost 190.

Two big tackles, Bill Coffin and Ricky Fangman, both weigh in at about 215. The guards are Wayne Miller, 165, and Charles Brewton, 180, while the ends are Watts and Mike Davis, both 175. Center is Walt Baker, 165.

Olton's starting line has an average weight of about 165, while the backs are about 155.

Friday night's Olton line-ups include:

OFFENSE-- Jim Huckabee and Kenneth Moss at ends, Steve Burleson and Mike Crowder at tackles, Tony George and Jim Schreier at guards and Jason Latimer at center. Charles A. McClain will be at quarterback, Steve Spain and Dale DeBerry at halves and Benny Akin at fullback.

DEFENSE-- Joe Fincher and Burleson at ends, Eddie Hooper and Schreier at tackles, Jim Smith at middle guard, Ricky Smith and Huckabee at inside linebackers, Kenneth Johnson and Albert Key at corner backs, Spain at half and McClain at safety.

Singled out for their outstanding play against Morton were five Olton gridgers who were given "stallion" and "head-hunter" awards under Coach Beck's award system.

Offensive winners of stallions were McClain, five excellent runs; DeBerry, two blocking efforts beyond his initial assignments; Burleson, highest film grade; and Schreier, five excellent blocks.

Defensive winners were

## Competition Keen In Grid Contest

More than 100 contestants are off to a good start in the Enterprise weekly football contest, and more are expected to join in the competition this week.

Winners of cash prizes for the first week are Sparks Redinger and Ronnie Crabtree, tie for first, and R. W. Malone, third.

Redinger and Crabtree will receive \$4 each, while Malone will get \$2.

All three of the leaders picked 11 of the 15 games correctly, along with three others. Redinger guessed a 28-14 victory for Olton over Morton on the tie-breaker, while Crabtree guessed it 21-7. Both were 14 points off on the final score of 28-0.

Malone won third with a guess of 18-7 on the tie-breaker, making him 17 points off.

Also picking 11 games, but further away on the tie-breaker were Wilton Bodkin, Bob Gullett and Garland DePrang. Bodkin and Gullett were off 22 each on the Olton-Morton game, while DePrang was 23 away.

The top six are in the lead on the Cotton Bowl trip but they are pressed by 10 other contestants who picked 10 games correctly.

The top 58 in the contest

SPIRIT STICK--Sandeey Gregory, right, holds high the OHS spirit stick, presented to her at last Friday's pep rally. The stick will be given each week to the student with "the most school spirit". Sandeey is the daughter of Mr. and Mrs. Dan Gregory.

## SOCIAL BALONEY

Just how good a buy are you getting in social security?

Not that you have any choice in the matter, but the answer could depend on your age at the present time.

For those who are already retired or who are soon to do so, social security may be a real bargain if considered solely as an investment.

For the young man just starting to work, it's a pretty poor buy.

Persons at retirement age now will probably collect several dollars in pension benefits for every dollar they put in.

As an investment, this is pretty good. As "security", the declining value of the dollar may make this a rather dim picture.

Residents of this county are now collecting more than \$1,606,000 a year in such benefits. Only a fraction of that annual amount, however, was contributed to the pension fund in any one year by the recipients.

But how about the young 21-year-old man in Lamb County going to work for the first time?

By the time he is ready to retire in the year 2010, he will have effectively put \$32,496 into the pension fund.

This includes his 3.5 per cent interest.

It is easy to see that if he put the same amount in the bank, which pays up to 5 per cent interest, he would be considerably better off.

And, how much of this forced savings at low interest rates is he going to get back?

If he doesn't marry, he will receive only \$19,704.

He's somewhat better off if he does marry since he and wife should be able to collect \$33,183 . . . still, much less than he could have had by putting his money in the bank.

Of course, there isn't any guarantee that he will get anything.

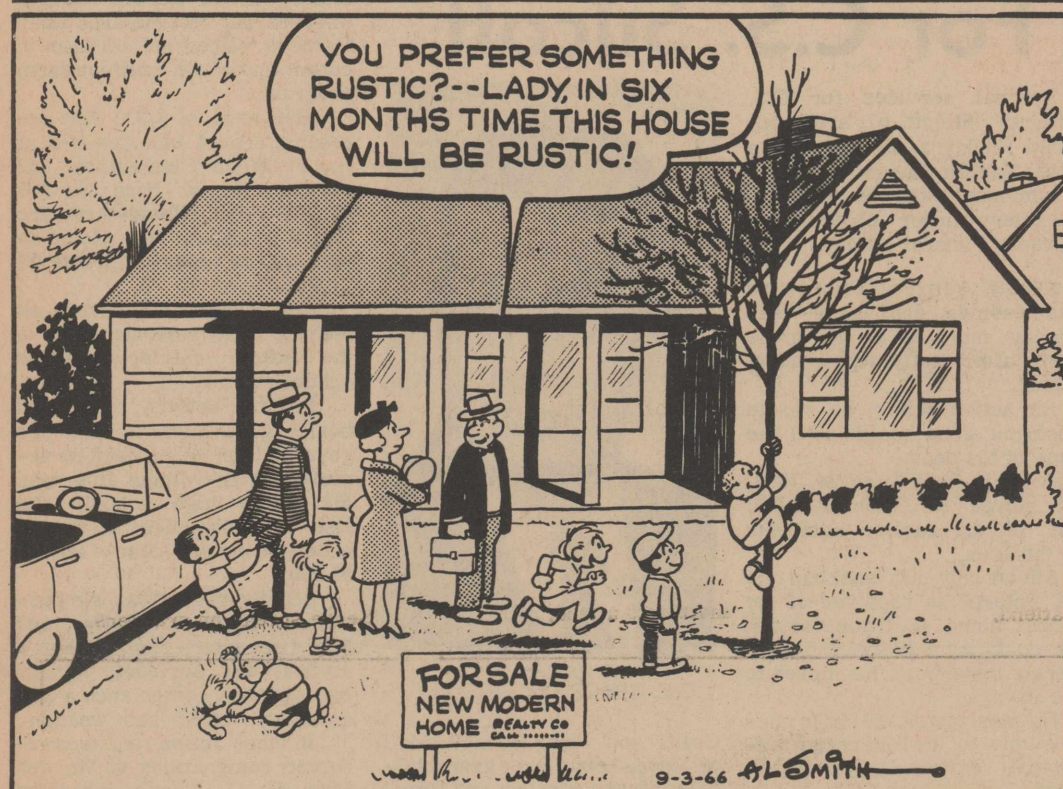

There may not be anything left for him to get, since this money can be and is used for many different things.

So, one wonders why the deceptive tag of "social security"?

Let's call it just another tax and be done with it.

#### Rodeo Said Big Success

Dear Bill:

The 22nd annual Boys Ranch Rodeo was the most successful our boys have ever put on, and the more than 8000 folks who drove to the Ranch to watch them ride was the largest crowd ever. For our 346 boys, thank you for your help with the advance publicity that I'm sure helped with the large attendance.

Our new Senior All-Around-Cowboys are Ronnie Nemsgern from Perryton and Jimmie Burt, Odessa, and the Junior All-Around-Cowboy is Rocky Carter from Fort Worth. If there had been a Sportsman-ship Trophy, I'm sure it would have been given to Newman "Soapy" Dollar who wanted so badly to win the Senior title again this year. The bull and bronc he rode, however, just didn't pitch hard enough even though Soapy rode them all the way. When the new champions were announced, Soapy threw his arms around their necks and said, "Somebody had to win it and I'm glad it was you guys."

This is the kind of sportsmanship we try to instill in all our boys, and that always makes us very proud of them. Again, we appreciate so much the fine help you have given them and hope you will be coming our way soon and can have a meal with them in the dining hall.

With all good wishes to you, I am

Sincerely yours,  
Cal Farley.

## Pretty Hot Over Here, Maybe Some Candy, Dad

Dear Editor:

Here is a letter from my son, Kenneth Jolly, who is in Vietnam.

His friends might enjoy hearing from him.

R. O. Jolly

Dear Dad,

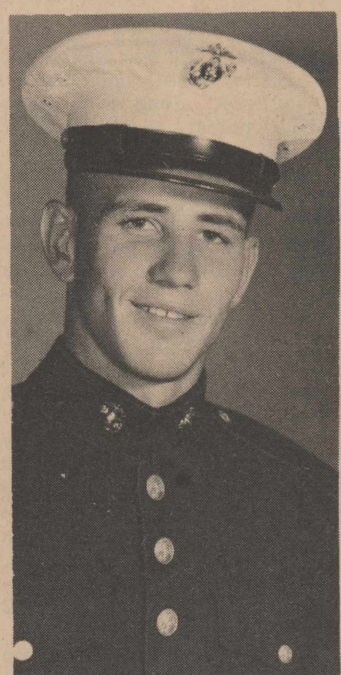

I got your letter the other day and was glad to hear from you as always. We, my platoon, are on an island close to Da Nang now. In the past two or three weeks we have been seeing a pretty lot of action. The V.C. mortared the air strip and the hospital one night while we were

on patrol. We put the mortars out of action but during the battle our helicopters mistook our position for the V.C.'s and opened up on us with machine guns. The V.C. were firing at us at the same time and it was pretty hot there for a while. We have the place pretty well secured now and we get to have swim call once in a while and wash clothes in the river.

Daddy, there are a couple of things I need. I wonder if you could send to me, I need some gun oil and a 1" paint brush and a 3" paint brush. I would also like some canned foods such as spaghetti and meatballs, beefsteak, or something like that and maybe some cookies and candy. Man, I'm really getting sick of C-rations.

Tell everyone hi for me. I'll probably be home in February and stop by to spend a week or so with you. Write soon.

Love,  
Ken.

KENNETH JOLLY

Approximately 200 parents and teachers attended the annual reception for teachers given Thursday evening by the Parents-Teacher Association in the school cafeteria.

The annual Olton Lions Club Blind Shops Caravan broom and mop sale will be staged here Friday and Saturday.

Bobby Johnson was named president of the Olton Future Farmers of America Chapter to succeed Wayne Bodkin.

There was just a minute and six seconds left on the clock at the Olton-Abernathy game, when Teddy Jack Estes plunged over for the tying touchdown. Then David Price wrapped up the game in a Mustang blue ribbon as he went across for the winning extra point.

## SHE LIKES HER COMPANY, BUT...

Dear Amy:

My friend Rose is my problem. We go food-shopping, clothes-looking and antique-hunting-together. I really like her company, and besides, she has the carevery day and I don't. But she is on my nerves.

Lately, Rose only carries a fifty dollar bill in her wallet, and it seems no shop-keeper can break it, so I get stuck paying for what she buys. Now I wouldn't mind if I didn't have a hard time collecting, but whenever I ask for the money she owes me, she says, "I only have a fifty."

As the situation now stands, we keep shopping, she keeps carrying the "fifty", I keep paying, her bill keeps growing and she still owes me.

I don't know how I got myself into this, but will you please tell me how to get out?

Ann L.

Dear Ann:  
If you enjoy the friendship of a shrewd cookie like Rose, you'll have to keep a few bucks ahead of her . . . for a "change." But if you are too timid to call a halt to her shenanigans, let her run the bill to "fifty" and collect . . . but I wouldn't. She could afford to carry a "hundred" by then!

dering", I do feel sorry for "Wondering" if she is foolish enough to take your advice. But I seriously doubt that. She isn't smart enough to take her mother's advice (which is sensible), so I doubt if she will listen to your austere boobyery.

Girls who "refrain from kissing boys in public and in private as well" may very well be in the initial stages of frigidity, a severe marital or romantic problem (which need not always be so narrowly thought of in physical terms).

Matters of propriety (What is proper?) are indeed subjective. Your position is rather obvious and shallow. As you use the word "proper", it becomes a personal cliché vaguely referring to anything of which you approve (rather than to common sense).

Finally, I can sense your naive and distance from the teen-age mind when you can be put on by a 17 year-old "thumbsucker". You can't realize how ridiculous you looked taking that devilish "D.D." seriously.

When it comes to advice, I always like the one given to those who labor: "Shape up or ship out".

Lovingly,  
Johnnie

Dear Amy:

In regards to a letter written to you by "Janet" about writing to servicemen, I would like to pass on some information gathered from an article appearing in a local publication.

There is a project called "Viet Nam Mail Call" located in Columbus, Georgia, P. O. Box 3104 (Mr. Paul Stewart is the project coordinator) and their purpose is to gather mail and forward it on to our men fighting in Viet Nam, particularly those men who receive little or no mail.

So, Amy, I exhort your readers to avail themselves of this organization and write friendly letters to our men who are lonely, sweating, bleeding and dying and let them know that we appreciate all they are doing for America and the free world. "Viet Nam Mail Call" results in a tremendous boost to their morale. Sincere thanks.

## Recipe Of The Week

Mrs. Bill Cottrell, resident of Olton since August of 1965, has submitted two of her family's favorite recipes.

The Cottrell family consists of two boys and two girls, Kathy, 14 who is in the eighth grade; Kermit, 12, a seventh grader; David, 10, a fifth grader; and Karla, 4 1/2, a preschooler.

Mrs. Cottrell is the wife of the local Presbyterian minister, who teaches remedial reading in Junior High school. She lists her hobbies as painting and sewing.

Preheat oven at 400 degrees. Place shortening in tube cake pan or iron skillet, place in oven. (This melts shortening and heats pan all at the same time.)

Place rest of ingredients in large mixing bowl and beat with mixer until smooth. Add melted shortening and blend. Sprinkle heated pan with meal to prevent sticking. Pour in pan and bake until golden brown or about 40 minutes. (Good with butter while hot.)

1 qt. mayonnaise

Cover tomatoes, mangoes, onions with salt and let stand overnight. Drain. Add vinegar and sugar. Cook 25 minutes. Cool. Add mayonnaise. Seal in jars.

PEANUT BUTTER SANDWICH DELUXE

Spread two slices of bread with peanut butter. Cover one slice with pecans. On other slice, put chocolate chips. Makes a delicious snack.

## Garden Club Studies Flower Show Preparation

The regular monthly meeting of the Olton Garden Club was held in the Women's Clubhouse Thursday, Sept. 8 with 19 members present.

Devotional was given by Mrs. Raymon Carson.

Panel discussion by Mrs. John Lambright, Mrs. Jack Allcorn and Mrs. Pearl Schreier was on the subject of getting flowers prepared for flower shows. Mrs. Lambright discussed roses, Mrs. Allcorn, chrysanthemums, and Mrs. Schreier, perennials. Mrs. Horace Walker reviewed the new year books.

A short business meeting, with president, Mrs. Jack Snider, in charge, followed the program.

Those attending were Mmes. Raymon Carson, George Brown, H. B. Carson, Stella Cowart, B. C. Cooner, Frank Daugherty, L. G. Elkins, Freddie Mae Hysinger, John Lambright, Athol Light, Lola Lee Mills, C. M. Owen, C. W. Phillips, Preston Sampler, Jack Snider, Pearl Schreier, L. E. Silcott and Horace Walker.

Refreshments of punch and cake were served following the business meeting.

Olton Garden Club will have peonies for sale the latter part of next week. They will be on sale at the rummage sale Saturday and other days may be picked up at the home of Mrs. Ollie Sampler.

## County Council Holds Meeting

Lamb County Council of Garden Clubs met in the "Reddy Room" of the Southwestern Public Service Company, at Littlefield Tuesday, Sept. 6 at 2 p. m.

Mrs. Charlene Williams of Levelland gave a demonstration on "abstract arranging of flowers."

A short business session was held after the program. Roll call was given, with two from Amherst, seven from Littlefield, and 13 members and one visitor from Olton, making an attendance of 22 members and one visitor.

Those attending from Olton were Mmes. George Bohner, John Lambright, Stella Cowart, Horace Walker, Athol Light, Pearl Schreier, C. E. Bley, L. E. Silcott, Raymon Carson, Jack Snider, Idell Lewis, A. D. Melton, Mrs. Jack Allcorn, and a visitor, Mrs. J. L. Carson. Refreshments were served following the meeting.

## Vacationers Return Home

Mr. and Mrs. Jack Snider and daughter, Phyllis of Amarillo and Mrs. Snider's mother, recently returned from a trip to Nevada to visit with Mrs. Snider's brother at Carson City.

While there they visited Lake Tahoe, a lake situated on top of mountains between California and Nevada. They also visited Squaw Valley in California and Virginia City, Nev.

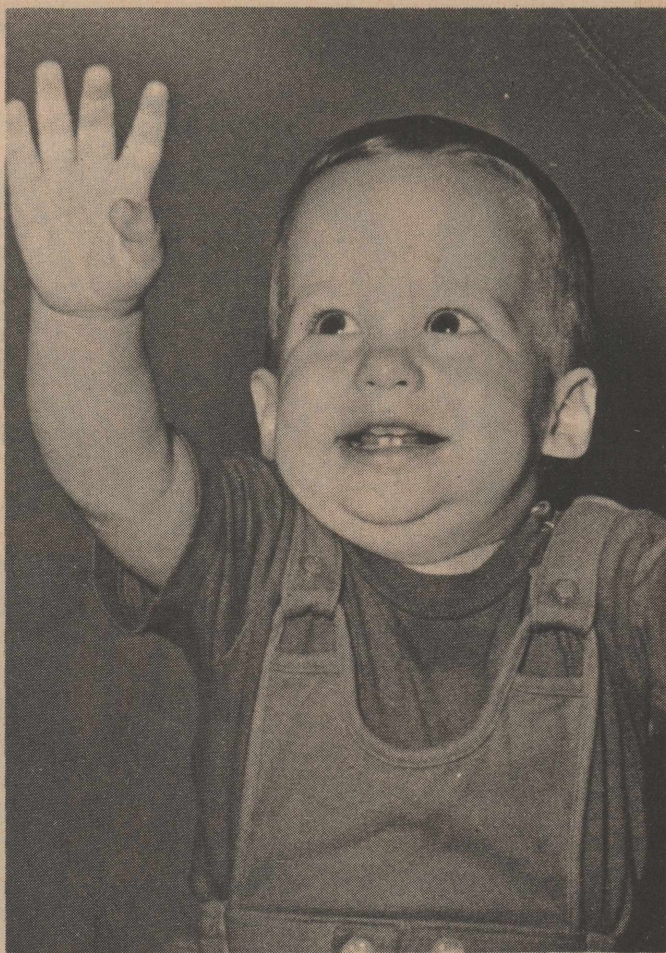

On their return trip they traveled through Zion National Park in the southern part of Utah, which has desert plants growing on one side of the canyon, while moss and fern plants grow on the shady side.

Through the Zion Canyon runs a tunnel over a mile long, with stops built in where one can stop to take pictures of the scenery around. The Sniders described the trip through the canyon as a very beautiful one.

## GOLDEN AGERS MEETING SET

Louisa L. Dennis Circle of the First Methodist Church will host the Golden Agers Social this month.

It will be held at 2:30 p. m. Thursday, Sept. 22 at the Legion Hut. All members are invited to attend.

OLTON PRESENTS--Todd Taylor, one-year-old son of Mr. and Mrs. Geary Taylor. Mrs. Taylor will teach fifth grade in Elementary School and Taylor is head coach of B-Team football squad and will assist with varsity. The Taylors moved to Olton from Amarillo.

## Fall Art Guild Exhibit To Begin Monday, 19th

Olton Art Guild met at the Women's Clubhouse Tuesday, Sept. 13. Members painted. A short business meeting followed.

Annual fall membership exhibit will begin Monday Sept. 19 in the school cafeteria. Members are asked to bring their paintings to the cafeteria by 1 p. m. Monday.

Membership dues of \$5 are to be paid on or before that date in order to be eligible to exhibit.

Those present were Mmes.

E. W. Walden, H. L. Carson, Wayne Carson, Merrill Briggance, W. L. Cottrell, Leona Martin, Pete Souter, H. B. Carson, Andy Andrew and Ernest Jones.

## Chit Chat

BY SANDEE GREGORY  
AND JANE ANN DUNCAN

Is there anything more exciting than the first football game? No, we say -- unless it's the second. This is the week that our mighty Mustangs attempt to corral the Hereford Whitefaces. And who knows? We just might put our brand on that herd.

Decorated with colorful signs, band music, and the chatter and yells of the OHS students, the gym was quite a setting for the first pep-rally for the '66-'67 football season. To open the pep-rally a red carpet was rolled out and the mighty Mustangs pranced on it to their chairs in front of the student body.

Yells were lead and Mr. Ross directed his group in a few music numbers. Then a skit was presented for our Mustangs. Sandee Gregory was presented the OHS spirit stick which was followed by more yells and the school song.

With such an enthusiastic pep-rally and a Mustang victory the season seems to be off to a great start.

The spanking new band uniforms were worn for the first time at the football game against Morton last Friday night. The band under the direction of Leslie Ross put on their first of many shows for the season.

The introduction of drum majors, Donnie Fancher and Jane Ann Duncan, was made along with the twirlers, Jan Carson, Brenda Kirkpatrick, Donna Smith, and Letha Estes. The band is looking forward to a spirited, new year and we hope everyone else is, too!

Golf Fight! Win!! And that's just what we did last Friday night against the Morton Indians. Driving down the football field and across the goal line, the Mustangs racked up a score of 28 to Morton's 0. Yes, the Mustangs were all worked up and ready to go... and go they did!

After the Friday night game film had been graded and sized up, the outstanding defensive and offensive men were named. Steve Burleson was outstanding offensive player and Kenneth Johnson rated high for the defensive side.

Kenneth Johnson and Jimmy Schreier were named headhunters and Dale DeBerry, Charles A. McClain, Jimmy Schreier, and Steve Burleson recieved miniature stallions for their efforts Friday night. These boys received a star on their helmets for getting head-hunters and stallions.

Also receiving stars on their helmets for starting on defense are Jim Smith, Albert Key, Doel Cordero, Kenneth Johnson, Jimmy Schreier, Rickey Smith, Stacy Pendergrass, Steve Spain, Eddie Hooper, Charles A. McClain and Jason Latimer.

At the pep-rally each Friday a spirit stick will be given to one student that has the most school spirit for that week in OHS. The stick is blue and white and is to be handled with care if you receive it. You are to carry it EVERYWHERE you go. Since just a few students receive it and it is a real honor, the stick MUST be carried around in a towel for protection. If the spirit stick is dropped or seen abused in any way, it will be

taken away and you will have to stand in a gym corner during the next pep-rally.

F TA started an exciting year as the first meeting got underway last Wednesday afternoon, Sept. 7. Kay Schultz, 66-67 president, welcomed all new members including 12 freshmen.

Saying the FTA pledge from the wood plaque was new to everyone. Hanging from the back of the room, our so called project for this year will be something that we will always be proud of.

The FTA is selling a "Record Book" this year, which is a book prepared to keep a record of every year of school through the twelfth grade.

Another highlight for the coming year will be the Teacher of the Month. A classroom teacher will be selected by the FTA every month for outstanding work that might otherwise go unrecognized. The Teacher of the Month for September is Mrs. Ruth Holladay, teacher of freshman and junior English.

The next meeting will be Sept. 21. Anyone interested in joining is urged to attend. Dues are to be paid to Lynda Blackwell.

### WHO'S WHO

Donnie Fancher: Didn't you know that three's a crowd?

Kay Schultz: Who said you had a perfect figure for a horse?

Bobby Turner: How long is the dynamic duo going to last?

Mrs. Holladay: We saw that you were back to normal Friday morning!!

Judy Burkhalter: Did you have a big problem Saturday afternoon??

Vicki Ray: It couldn't be that bad... surely!!

Coach Meadows, wouldn't the little boy on the bike give you a ride home??

Lynn McGill, we heard about your accident last week! Oh,

THE TEAM--Olton High School football boys are shown filing in at last Friday's pep rally here.

by the way, how many pairs of shoes are you now buying?!

### UP FOR LAFFS

Phil Cox, very proud of his voice, was describing a wonderful dream he had: "I was in a mighty choir," he related. "Five thousand sopranos, five thousand altos, and five thousand tenors, all singing together--double forte!"

"That must have been wonderful," agreed Lynn McGill, "but were there any basses?" "That was the most wonderful part," said the dreamer. "Suddenly the director stopped the choir, turned to me, and said: 'Not quite so loud with the bass, please, Mr. Cox.'"

Mrs. Scott found this notation at the end of a test paper: "The views expressed here are not necessarily those of the text book."

Joe Fincher: "I've worked this problem on the slide rule 10 times."

Mr. Walden: "Good boy."

Joe: "And here are the ten answers."

Lana Myers: What is blue all over and goes "ding dong?"

Martha Reynolds: A frozen Avon Lady.

Teenage girl on telephone: "Hold on a minute, Mary-I have to eat supper."

Education is something you get when your father sends you to college. But it isn't complete until you send your son there.

What's the good word?  
BEAT HEREFORD!!

## FHA Chapters Meet Tuesday

Junior and Senior Chapters of the FHA met Tuesday Sept. 13 in the school cafeteria for the first meeting of the new year.

In the business meeting, a reporter was elected to replace Janis Hardaway, who moved away. Kay Schultz was elected for the position.

In a discussion of projects, it was decided to sell recipe cards and Mason candy, to have a Sunday dinner, to sponsor a beautification project on the school patio, to adopt an orphan from Lubbock and to set up a building fund for the stock show building.

There were several amendments to the constitution passed. A reminder by president Linda Graham, was given to all members to pay their dues.

Jackie Harrod led a "relaxer" before the program began. The program consisted of an orientation of degrees led by Jan Carson, Laura Wheeler, and Kay Schultz.

PEP RALLY--Olton cheerleaders get in the swing of things at Friday afternoon's pep rally here in the gym.

*Lady,  
here's your problem.*

It's the food you cook, not the fuel you use, that soils your kitchen. But a modern GAS range can keep mess to a minimum. Closed-door broiling eliminates smoke. The "burner-with-a-brain" and 1001 temperature controls guard against cook-top burning and boilovers. So don't take potluck. Go GAS for clean, cool cooking.

*The flame  
GAS makes the big difference  
...COSTS LESS, TOO!*

## ACROSS THE COUNTY LINE

By Mrs. C. D. Tanner

The week end of Sept. 4 Mr. and Mrs. W. H. Hall attended homecoming at Bulcher near Saint Jo. Mrs. Hall attended school in this community and Mr. Hall also lived there at one time. The Halls enjoyed lunch and singing with some 40 or 50 of their old friends and neighbors.

While on this trip Mr. and Mrs. Hall visited their daughter and her family, Dr. and Mrs. Lee Gordon, Jim and Ann of Garland, also Mr. Hall's brother, Charles Hall who is in a rest home at Pleasant Grove. They also visited Mrs. Hall's sister, Mrs. Callie Pierce, at a rest home in Sherman.

Mrs. Mae Robinson accompanied the Halls on this trip and visited her brothers, White and Ike Walker, in Glen Rose.

Mr. and Mrs. C. D. Tanner, Iva, and Russell carried Mrs. J. F. Hughes of Vera to Canyon Saturday to visit her granddaughter, Mrs. Eddie Smith. After lunch the group drove to Palo Duro Canyon.

Charles Church, son of Mr. and Mrs. M. C. Church, accompanied by Mike Bodkin, son of Mr. and Mrs. Wilton Bodkin, left Friday for college at Texas A&M. They attended freshman camp at Palestine until Tuesday and then returned to the A&M Campus.

Henry Allen Jr. and Charles Fletcher of Plainview, fished near Breckenridge over the week end with fair luck. It rained while they were there.

Instead of regular church services at the Valley View Church Sunday night, the members attended services at the College Heights Baptist church in Plainview in a group. They saw two films "Man, the Fifth Dimension", a film which was shown at the New York World Fair, and "Scandinavian Crusade". Both films featured Billie Graham, a Member of Billie Graham's association was present.

Miss Elizabeth Terry of Lubbock was a guest of Miss Billie Ann Beasley Friday.

The first fall meeting of the Westside Community Club met in the home of Mrs. R. A. Burgess, Sept. 8. Games of canasta and "42" were enjoyed by Mmes. Fannie Clark, Nellie Ruth Roberts, Frances Leathers, and Barbara, Norma Jo Griffith and Terry, Evangelynn Coleman, Murdell Shipley, Mavis Bass, Cassie Copeland, Erma Lee Cox, and the hostess, Mrs. Tommie Clark will be hostess at the next meeting.

Mrs. J. F. Hughes returned to her home in Vera Monday after a three weeks visit with her daughter and family. Mr. and Mrs. C. D. Tanner and children, Tanner took Mrs. Hughes home, enjoyed some dove hunting, and then returned home by Flomot where he visited a sister, Mr. and Mrs. Clayton Bond.

The Halfway Home Demonstration Club met in the home of the president Mrs. W. T. McEachern, Sept. 13. Mrs. McEachern presided. Opening the program Mrs. John Downey gave a reading "Wardrobe in a Can."

Mrs. J. Hollis Young, Mrs. Weldon McEachern, and Mrs. Carl King were named as a committee to see about plans for the annual Club party.

A nominating committee for 1967 officers was named: Mrs. Jess Bell, Mrs. John Downey, and Mrs. H. W. McEachern.

Mrs. Jess Bell introduced the Home Demonstration Agent, Mrs. Doyle Meadows, who led the rest of the program. She first asked the question "What do each of you plan to do this fall?" Each member answered with various answers such as make new drapes, re-paper house, do fall sewing, take a trip, etc.

Mrs. Meadows said it is "time to switch closets to fall clothes", hem lines went up this year but if these are not becoming they are not for you! Also in hairstyles "some of the styles now are the Astro, long and the beanie, but your hairstyle should be one that suits your personality." The importance of being graceful sitting and standing was discussed and rising and sitting properly was demonstrated.

Members present were Mmes. Jess Bell, Freddie Bell, John Downey, Roy E. Hall, Carl King, Arthur Morris, Weldon McEachern, Harvey McEachern, J. Hollis Young, and the hostess.

Mr. and Mrs. Charles Couch, Gregg and Brent of Anton visited his mother, Mrs. Arthur Couch, Thursday and attended the Hi-Plains Research Day program.

Mr. and Mrs. C. W. Payne of Amarillo were callers in the home of Mr. and Mrs. W. R. Norfleet and Mrs. Leila Backeberg Monday. They have been friends for many years.

Mr. and Mrs. Floyd Chandler of Los Angeles, Calif. were weekend guests of his cousin, Mrs. Arthur Couch, as they were enroute to visit his father at Childress.

Mr. and Mrs. James Couch and Mr. and Mrs. Lewis Hyman of Amarillo spent the week end at Albuquerque, N. M., While their parents were away Lorenda and Doretta Couch stayed with their grandmother, Mrs. Arthur Couch.

The W. M. U. of the Halfway Baptist Church met at the church for an all day program on "A Week of Prayer for State Missions". A covered dish luncheon was served to the group. Those attending were Mmes. Claude Forgasen, J. T. Mallow, Noah Tipton, Neilan Smith, Carl King, Grady Pillow, Clyde Harrell, Ralph Shannon, Rollo Harrell, Oliver Harmel, Ike Moore, and R. A. Burgess.

Mr. and Mrs. J. D. Rodgers, Sharon, Johnny and Raydon attended the Rodger reunion at Buffalo Lake at Lubbock the week end of Sept. 4. Approximately 90 attended. Following the reunion guests in the Rodgers home were Mr. and Mrs. Weldon Rodger, Lou Ann, Billy and Patsy and Mr. and Mrs. Jessie Rodgers and Jimmy of Ft. Sumner, New Mexico; and Mrs. Ray Hogan, Clifford and David of Odessa.

Mrs. Flora Parsons of Albuquerque is visiting her granddaughter's family, the J. D. Rodgers.

Wayne Sistrunk and Lester Lee, brother of Mrs. Edd Smith, were in a car accident at Gilmer, Sept. 7. They were first carried to the Longview Hospital, then on Thursday they were transferred to the Tyler Medical Center Hospital. Here Lee remained in intensive care until Monday. Sistrunk received six or seven broken ribs, and several stitches were taken on his forehead. Sistrunk's mother, Mrs. H. A. Sistrunk, reports the Wayne Sistrunks are expected home Wednesday, according to last hearing.

The Harold Gorees and Eddie Joe Pruitts have Mr. and Mrs. A. S. Pruitt of Quanah as visitors. They are the parents of Mrs. Goree and Mr. Pruitt.

The Hubert Kayler's baby has been seriously ill with a virus but is now reported improving.

Mrs. Gerald Young had minor surgery in Plainview Medical Center Tuesday A. M.

Sunday Mr. and Mrs. L. M. Alexander visited her brother, Mr. and Mrs. Robert Edens of West Camp.

Randy Howell was overnight guest of Linda Williams Friday night.

## Concert Group

## Dinner Is Set

Officials and workers of the Plainview Community Concerts Association this week are finalizing plans for the 1966-67 membership campaign which is scheduled to get underway Monday.

The week-long campaign will begin Monday night with a dinner honoring all Plainview and area campaign workers and the New York representative of Community Concerts who will assist in conducting the annual drive. Headquarters will be in the Reddy Room of Southwestern Public Service - Building in Plainview.

Highlight attraction for the 1966-67 season will be the appearance of Fred Waring and The Pennsylvanians in Plainview High School auditorium Feb. 4, 1967. Two and possibly three other attractions will be booked, following the campaign which ends "Saturday, Oct. 1. A sell-out campaign is expected this year due to the popularity of Waring who this year is celebrating his 50th year with the musical group. The program is entitled "Fifty Years With Fred Waring".

A number of Olton residents are members of the Association.

## 4-H Electric

## Meets Monday

4-H Electric Club met Monday evening with Ralph Glover at the Southwestern Public Service Building.

A tour was made of the telephone building.

Attending were Jimmy Overman, Kerry and Laura Wheeler.

The club meets the first Monday of each month at 4 p.m. and would welcome new members.

# FOOTBALL CONTEST

The teams that are playing in this week's contest games are listed in each of the ads on this page. Each team is numbered, 1 through 28.

Use the handy entry form at the lower right hand corner of the page and circle the numbers of the teams you predict to win. Print the scores you predict in the tiebreaker game in the spaces provided.

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries.

Sponsoring merchants may accept mailed entries but none mailed directly to the Enterprise will be accepted. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Each week the number of games predicted correctly will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. The person with the second highest total will receive the second grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted scores will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

HERE'S DALE DEBERRY as he crossed the goal on Olton's first TD of the year last Friday night. The score came on a six-yard run.

Four 3-AA Teams  
Start With Wins

In the first week of action on South Plains gridirons, District 3-AA representatives managed to win four games, lose three and tie one.

The winners were Olton over Morton, 28-0; Abernathy over Frenship, 20-0; Memphis over Clarendon, 20-0; and Lockney over Crosbyton, 19-9.

Dimmitt played to a 6-6 tie with a tough AAA club, Muleshoe.

Losers in 3-AA were Friona to Farwell, 20-7; Hale Center to Post, 14-8; and Floydada to Hereford, 14-7.

Abernathy was led by "Lighthouse Harry" Mathis, who scored all three Antelope touchdowns on runs of 2, 12, and 12 yards.

Lockney iced its win over Crosbyton with a fourth quarter touchdown on a 16-yard pass from Randy Henderson to Van Bradley. Bobby Webster got one Longhorn counter with a one-yard dive and passed four yards to Henderson for another.

Memphis back Gary Rey ran

Dimmitt scored in the final half-minute to tie Muleshoe, with Joe Bob Sanders going in from one-yard out.

Friona's only TD in the loss to Farwell came on a 45-yard scoring pass from Ted Renner to Ray Murphy.

Floydada scored first in its game with Hereford, but the Whitefaces came on strong to win the tilt, 14-7. Darrell Monday got the Whirlwind touchdown from one yard out.

Hale Center led Post, 8-7, in the fourth quarter, but an Antelope touchdown later in the period gave Post the win. The Owl touchdown came on a four-yard run by Mike Jones.

Olton's Mustangs, thwarted for a half by miscues and a tough Morton defense, broke open a tight ball game in the final quarter to down the stubborn Indians, 28-0, here last Friday night.

The Ponies went to the dressing room at halftime with a 8-0 lead, then came back to score three more TD's in a rousing second half.

A tough Olton defense kept Morton scoreless all night, although the Indians did threaten the Olton goal seriously one time after the Mustangs had a 16-0 lead.

It was the first time in a long time for a Mustang team to roll up yardage so impressively. Coach Don Beck's Ponies gained 440 yards in all, 363 of it on the ground.

The terrific team of Charles McClain and Bobby Turner at quarterback gave Morton defenders alternate fits and troubles all night.

McClain ran seven times for 119 yards and hit two of five passes for 51 more steps.

Turner stepped off 53 yards in eight carries and connected on four of six passes for 26 more.

Dale DeBerry, a scampering halfback this night, scored twice and gained 91 yards in seven carries.

Albert Key put on a running show for the homefolks, too, ripping for 62 yards in 11 tries, including a fine seven-yard touchdown run.

McClain got the other Olton TD on a 45-yard scamper.

Defensive cornerback Kenneth Johnson helped save Olton from an Indian touchdown by latching onto a Morton fumble in the Olton end zone.

Steve Spain at defensive half and Jimmy Schreier in the line led an outstanding Olton defense that kept Morton out of scoring range most of the night.

In the opening minutes of the tilt, Morton drove to the Olton 36, where John St. Clair, the Indian QB, was forced to punt.

The barefoot kicker laid a beauty out of bounds at the Olton one-yard line.

The Mustangs proceeded to drive the length of the field for a TD in nine plays.

A key down was on the first series, when QB Turner broke right up the middle behind great blocking and raced 45 yards to the Olton 48 before he was nudged out of bounds.

Two plays later, QB McClain hit Spain with an eight yard aerial to the Morton 39.

Spain seemed stopped at midfield, but did a little dippy-do to run out of a sure tackle and bolted for 10 more yards.

McClain then bolted to the Morton 21, DeBerry picked up four and Spain got eight on a quick-hitter right up the middle.

With a first down at the Morton nine, Turner picked up three and DeBerry drove the last six for Olton's first score.

Turner passed to Kenneth Moss for the extra points and it was 8-0 with 3:21 left in the first quarter.

It was tough going for both clubs the rest of the quarter and well into the second period.

Morton had one opportunity with 7:16 left in the half when FB Jimmy Waters recovered a Mustang fumble at the Olton 36.

Morton's Donnie Harvey rolled for seven and Waters broke for 11 to the Olton 16. But the Mustang defense rose up to nail Waters for a six-yard loss and Corner back Johnson broke through to pin HB Randall Tanner for a five yard deficit.

The Mustangs seemed on the march again just before the half when McClain, facing a third and 30 situation, passed 41 yards to End Jim Smith at the Morton 26.

A play later, however, McClain passed one into the arms of Morton's Waters and Morton took over for the final minute of the first half.

The Mustangs came back ready as the second half opened. With the third quarter two minutes old, McClain broke for a 45-yard touchdown run.

Turner ran the extra points, bulling right over a Morton tackler at the goal. It was 16-0 with 10:04 left in the third period.

Morton came right back with a 55-yard drive that seemed right on target for a touchdown. The Indians used seven plays to go the Olton four, where on third down, Waters drove down to the one.

Hit hard at the goal line by three Olton defenders, Waters was jarred loose from the ball, it bounced into the end zone, where Olton's Johnson recovered.

Olton rolled back to the Morton 39, but QB Turner's second down pass was intercepted by the ever-present Waters.

Morton gained one first down, but then was forced to punt, the ball going to the Olton 27.

There the Mustangs began a 73-yard march in 10 plays for a TD.

It was HB Key who finally got the score, belting in from

seven yards out. McClain's passing try for the extra points failed and it was Olton 22, Morton 0, with 7:34 left in the game.

After the kick-off the Mustang defense stopped Morton with seven yards in four plays and the Ponies took over at the Olton 47.

FB Benny Akin picked up a quick five yards to the Morton 48, then DeBerry slanted off tackle, broke free for an instant, slipped one tackler and picked up a tremendous block.

Akin had paved the way, nailing the last Indian in DeBerry's path and Dale sailed the rest of the 48 yards unmolested.

When Turner's extra point kick failed, it was 28-0 with 5:15 left in the game.

The rest of the game was played between the 30-yard lines, as neither team mounted a serious threat.

Coach Beck used his entire 25-man squad in the contest, with the first and second units playing almost equal time.

Olton got some outstanding play all across the line from the likes of Schreier, Steve Burleson, Tony George, Eddie Hooper, Doel Cordero, Joe Fincher, Jim Huckabee, Jason Latimer, David Aigaki, Mike Crowder, Joe Luera, Ramze Zakka, Stacy Pendergrass, Smith and Moss.

Backs showing well were Ricky Smith, 10 yards in five carries; Akin, 12 yards in 3; Jerry Harris, eight in two; and Butch Hudgens, one pass reception for six yards.

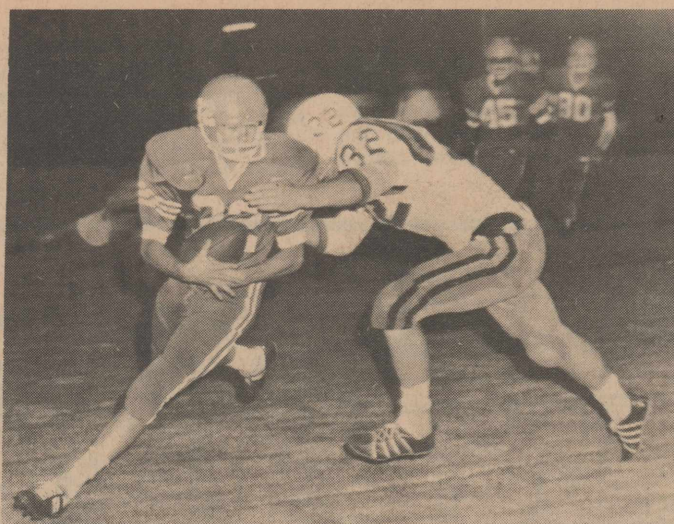

TOP MUSTANGS  
ARE NAMED

Olton's "Mustangs of the Week" for the first week of the grid season were announced Monday by Coach Don Beck.

The two boys are Steve Burleson, tackle, and Kenneth Johnson, corner back. They are pictured on the next page.

Burleson won the honor for his fine offensive line play against Morton. He recorded the top film grade of all the Ponies on offense.

Johnson, who saved Olton from a Morton touchdown with a fumble recovery in the Olton end zone, was judged the top Mustang on defense, also by film grade.

OLTON GAINS six yards on this play, after Halfback Butch Hudgens took a pass from QB Bobby Turner.

Tech-Kansas  
Game Slated

LUBBOCK -- Texas Tech brings a 12-5-3 edge over Big Eight teams into its game with University of Kansas at Lawrence Saturday afternoon.

Newest member of the Southwest Conference, Tech stands 8-5-3 with Oklahoma State (counting games when the Cowboys were in the Missouri Valley), 2-0 with Kansas State, 1-0 with Colorado, and 1-0 with Kansas.

Although Texas Tech has never played in Kansas before, its teams have played a total of five games with Kansas college teams. This rivalry began in 1933, when the Matadors, as Tech teams were named, upset A. N. (Bo) McMillin's Big Eight runners-up, 6-0. In 1935 and 1936, Wichita University eleven came to Lubbock losing 13-7 and winning 6-0.

Texas Tech downed Kansas State 51-13 in 1963 and took a 26-7 decision over University of Kansas last year.

Southwestern Public Service is embarking on an expanded industrial development program, it has been announced by W. L. Pearson, vice-president and industrial manager for the electric company.

Larry S. Milner, who has been an industrial development consultant with the Texas Industrial Commission, will become manager of industrial development at Southwestern Public Service, Pearson said.

Ralph Glover, Olton manager, of Southwestern Public Service Company will attend an industrial development seminar for the company's managers at the Southwest Service Center in Amarillo Sept. 22.

Milner, who is a native of Brownwood, has been with the Texas Industrial Commission since 1964. Prior to that time, he was chamber of commerce manager at Cisco and a staff member of the San Angelo Chamber of Commerce.

The new industrial development manager attended Howard Payne College and graduated from the University of Texas. In addition, he has taken a number of post-graduate courses in area and industrial development.

"As far as electric power is concerned, and its role in industrial development, each of the communities that we serve starts off equal with any other. Because of our interconnected generation and transmission system, we can meet the electrical needs of any industries that are likely to locate in this area at any point in the area. What we hope to do now, with the addition of Milner to our staff and with the seminar and other activities that we are planning, is to provide for each community some additional manpower, informed manpower, to help it in its industrial development program," Pearson said.

Among the speakers at the Sept. 22 seminar will be Jack G. Springer, executive vice-president of the West Texas Chamber of Commerce; James A. Covell, economic development consultant for the General Telephone Company of the Southwest; Harry W. Clark, executive director of the Texas Industrial Commission; and Roger K. Owen, area development manager for Southwestern Public Service Company. Milner will be the master of ceremonies for the program and also a speaker.

Parent Duties Increase  
with Children In School

The fall school term is here for millions of American youngsters including Olton and their parents once again are reminding themselves that there are many things that must be done to assist the children.

The American Medical Association recommends a medical examination for the child who is starting to school for the first time. The doctor will know what to do. His examination will cover all essential aspects of the child's health. It is better if this examination can be made, and booster immunizations given, a few weeks before school starts and many parents have already taken care of this aspect.

Most doctors now feel that four or five examinations during the elementary and high school years are sufficient for most children. These usually are spaced at the start of the first school year, about the fourth grade, about the seventh grade, at the ninth or tenth grade and upon graduation from high school. And, of course, if any untoward symptoms arise at any time, a visit to the doctor is in order.

A special examination also is important if the child is participating in school athletics.

In the excitement of the first few days of school, the small child may forget all of the safety warning he has been taught. Each parent should be sure the child knows how to cross intersections en route to and from school. He should know about proper deportment on the school bus. He should know the rules of bicycle safety.

Parents should also give careful thought to the child's entire schedule during the school year.

Does he have plenty of time to play? That is, play at things he selects, and not something that a parent or a teacher selects for him.

Does he have time to just sit and dream, if he wants to? Or, is he lined up a fall and winter that includes daily rounds of music lessons, dancing classes, after-school athletics, social affairs, family affairs in which the child must participate whether he wishes or not?

Cooperation between the home and school and the guidance of the physician can prevent an overload.

And, for the teachers, they should try to remember that theirs is not the child's only class, and try not to overload him with too much homework and outside assignments. Other teachers also are giving assignments, and there are limits to how much young minds and bodies can absorb.

1 6 1/4 -ounce package miniature marshmallows  
1 cup commercial sour cream  
lettuce leaves

DAY BEFORE SERVING:

In large bowl combine rice, fruit cocktail, oranges, pineapple chunks, coconut, marshmallows and sour cream. Refrigerate, covered, tossing occasionally.

JUST BEFORE SERVING:

Line salad bowl with lettuce leaves. Stir up fruit mixture, then lightly pile on lettuce and serve at once. Makes 8 dessert servings.

P. S. For a pleasant variation, add 1/2 cup packaged diced dates.

OVEN SANDWICHES

1/4 lb. Cheddar cheese, cubed  
3 hard-cooked eggs, chopped  
1 c. ham, diced  
1 tablespoon chopped green pepper  
1/2 tablespoon chopped onion  
3 tablespoons chopped stuffed olives  
2 tablespoons pickle relish  
1/2 c. mayonnaise

Mix ingredients. Butter buns. Spread filling evenly on buns and wrap in foil. Store in refrigerator until ready to use. Bake 20 minutes at 350 degrees F. or until thoroughly heated.

KITCHEN KORNER

BY LELA GALLION

The cooler days make a coffee cake and a cup of coffee a pleasant way to serve your guests and this one is delicious. Try it and see if you don't enjoy it for a change.

1/2 c. chopped California walnuts  
2 teaspoons ground cinnamon  
granulated sugar  
1/2 c. butter or margarine  
2 eggs  
1 teaspoon vanilla extract  
2 cups sifted regular all-purpose flour; or 2 cups instant-type flour  
1 teaspoon double-acting baking powder  
1/2 teaspoon salt  
1 teaspoon baking soda  
1 c. commercial sour cream  
1 medium apple

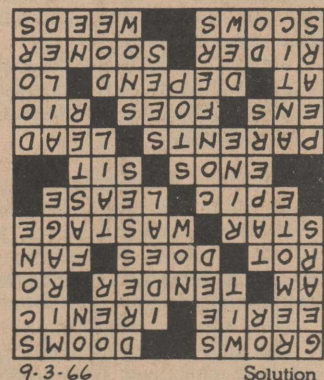

(1) In small bowl mix chopped walnuts, cinnamon, 1/2 cup granulated sugar. Grease well a 9-inch angel-food pan, with removable bottom, also start heating oven to 375 degrees. Then, in bowl, with electric mixer at high speed, beat butter creamy, then gradually add 1 cup sugar, while beating mixture till light and fluffy and scraping bowl and beaters now and then with rubber spatula. Now add eggs, one by one, then the vanilla, beating until blended. Now sift regular flour with baking powder, salt, soda; then at low speed, beat this into batter, alternately with sour cream, (if using instant-type flour, stir it up with baking powder, salt and soda, before beating it into batter alternately with cream.)

Spread half of batter in angel-food pan, top it with pared, cored, thinly sliced apple, then top them with half of walnut mixture, next rest of batter, then rest of walnut mixture. Coffee cake bakes 40 minutes or until cake tester, inserted in center, comes out clean.

Then remove coffee cake from oven, and let it stand, in pan, on wire rack, 30 minutes. Next, with metal spatula, loosen cake all around side. Then, by top of tube, lift cake, still on base, from pan, and let it cool on rack. Then, with spatula, loosen it from tube and base, and lift it to plate.

TWENTY-FOUR-HOUR DESERT SALAD

of all feed grain surpluses to a desirable reserve level."

Producers, he said, "can rest assured that foreign buyers will continue to seek Texas grain sorghum for their feed needs."

"As the surplus dwindles," Freeman said, "a larger and larger proportion of export needs for sorghum will come directly from the producer and from other free market stocks, rather than from the Commodity Credit Corp. holdings."

Saying that CCC's uncommitted stocks have dropped from 700 million bushels in mid-1961 to 235 million by mid-August, he hinted at increased milo acreage next year.

Freeman called the new cotton program "still unproved but most promising" and said there are hopes that surplus cotton stocks will be reduced by about 4 million bales by next August.

Turning to what he called a need for "parity of income" for farmers, Freeman said today's economic climate, offering "unprecedented off-farm opportunity" is luring farmers away from the land.

Historically, Freeman said, farm prices "have never been at as high a level as they should except in time of national crisis."

"If we want to keep the 'best diet at the lowest real cost in the world' as I'm sure we do, we've got to see to it that our farmers are kept on the land producing that abundance for us," he added.

"But we can only keep them on the land by giving them a fair return for what they give us. We must, as a very practical matter, meet the competition of good job offers in towns and cities."

Freeman praised the HPRF as a "magnificent research foundation" and said he has been "tremendously impressed" with results achieved by the private-enterprise installation.

Freeman also noted "the fact that for the past 12 months the increase in prices received is more than double the increase in prices paid by farmers."

In an apparent answer to critics who have charged the administration with moves to hold down farm price increases, he said he was "pleased and elated" by this development. "It's long overdue," he said.

At the conclusion of his speech, Freeman was presented a pair of Texas boots by Frank Moore, Plainview farmer and president of the foundation.

Concluding program featured presentation of a plaque to Hale County Agent Ollie Limer who has served as tour dispatcher for the foundation's annual field days for 10 consecutive years.

Freeman's address climaxed a series of rotating field tours that began shortly after noon at the 312-acre research farm.

Main features of the tours were skip-row interplanting of cotton with other crops; recharging of the underground water formation and other water conservation studies; weed control through a combination of flame cultivation and herbicides; and work on soybean varieties.

Rep. George Mahon, who had been scheduled to accompany Freeman, was detained in Washington due to developments relating to the House Appropriations Committee, which the Lubbock congressman heads.

## CARD OF THANKS

I wish to thank everyone that was so nice and thoughtful to me during my stay in the hospital.

## Field Day Is Tuesday

Weed control, water conservation, cotton diseases and grain sorghum studies are some of the topics to receive special emphasis at the annual field day at the South Plains Research and Extension Center to be held Tuesday, Sept. 20 from 1 to 5 p. m., according to Lamb County agent, Buddy C. Logsdon.

The event, which is open to the public, traditionally attracts a large crowd of farmers and businessmen to the experiment station. The South Plains Research and Extension Center is located eight miles north of Lubbock on U. S. 87.

Weed control reports will stress herbicide application, rates and incorporation methods, Logsdon said. It is being included in this year's program because of the tremendous interest producers are showing for proper use of herbicides, he said.

## MUSTANGS

has been set for Nov. 14 with Marlana May and Rodney Bowling as mistress and master of ceremonies. A summary of each 4-H club's activities of the year will be given. 4-H Club week has been designated as Sept. 24 through October 1. District Council delegates for the coming year are Laura and Ted Wheeler of Olton.

Farrises Return From West Coast

Mr. and Mrs. Walter Farris recently returned from a trip to California to visit with their two sons, Mr. and Mrs. Glen Farris of Santa Clara, and Mr. and Mrs. J. B. Wilson and granddaughters, Sandy 15, and Debbie 11, of Sunny Vale. While there, the Wilson girls won a ski tournament held at Clear Lake, Calif. The ski run was eight and one-half miles long.

The Farrises also visited his brother in Sunny Vale, Mr. and Mrs. Jim Farris and family and Mrs. Farris' brother, Mr. and Mrs. Jeral Wayne Loftis and son, Joey, of San Jose, Calif. Mr. and Mrs. Walter Farris and Mr. and Mrs. Glen Farris made a tour of the west coast, while in California visiting. They visited Crescent City, Calif., where the earthquake damage and flood occurred; Portland, Ore., and Olympic, Washington, the state capital, and sailed on Queen Elizabeth over to the Vancouver Island, Victoria, B. C. At Vancouver, they made a trip to the Butchart Gardens-

the sunken garden and seven different gardens. It features Chinese, French, German, Italian, Japanese, and Spanish gardens, in 25 acres of beautiful landscaping. Mr. and Mrs. Butchart have owned the sunken gardens for 50 years. At night the hidden light shines through the high spray of water some 100 feet and a concert is held each night. The group then sailed to Vancouver, Canada on a ship "Tsowwassen" and visited in Canada for a while before returning to Seattle, Wash. and spend some time there. While in Victoria, B. C., they toured at the Empress hotel, which Mrs. Opal Farris describes as the "most beautiful hotel I ever saw."

Swine Breeders  
Set Sale Date

Swine Breeders Association met Tuesday night, Sept. 13, to discuss the October pig sale. Date of the sale has been scheduled for Oct. 29, at 12 noon at the Olton Stock Show Barns. The association elected new officers in a business meeting, electing Lanny Tucker as president, and Jon Scott, secretary-treasurer. Also discussed at the meeting were rules and regulations regarding the sale and several new members were voted in.

Baby Boom  
Is Expected

A dramatic reversal is due shortly in Lamb County's birth rate, which has been following the national pattern and been dropping for some time. It is expected to zoom upward from now on for a period of at least five years. Why the change? Because of the large crop of postwar babies, now grown up and reaching marriageable age. Locally, the number of young women who will become 20, the most popular marrying age, during the next five years, will be about 28 percent greater than in the past five years. These girls were part of the tidal wave of children who were born in the United States between 1946 and 1951, just after the war. Data on their pending coming-of-age has been compiled by the Department of Health, Education and Welfare and by the Department of Commerce. The figures show that Lamb County will participate fully in the upswing. The number of young women locally who are now in the 14 to 19 bracket and who will be 20 to 25 years old during the next five years is placed at 1,166. The big questions are when will they choose to have their first children and what size families will they want. For most young couples, the dollars and cents factor is the principal one involved, according to the Public Health Service. Job security, the cost of living and the cost of raising children are their major considerations. The official figures show that the birth rate in the United States has been dropping ever since 1957. The latest government report lists Lamb County with a rate of 28.0 births per 1,000 population. This compares with a rate of 19.5 per 1,000 for the nation as a whole and 22.2 per 1,000 in the state of Texas.
