May 1 election to fill two seats on city council

An above average turnout in early voting, which ended Tuesday at 5:00 p.m., usually indicates a good turnout in the actual election, so voters are reminded to support the candidates of their choice in the City of Knox City election on Saturday, May 1. Polls will be open from 7:00 a.m. to 7:00 p.m. at the Knox County Aging Center.

Four candidates including Domingo Garcia, David Chapman, Sammie Offield and Ronnie Bruce are seeking the two council seats being vacated by Cathye Williams and Jerry Curd.

Bud Reynolds, incumbent mayor, is unopposed. Holdover council members are Charles Lankford, Tommy Mangis and Jeff Stanfield.

Elections for both the Knox City-O'Brien Consolidated Independent School District and the Knox County Hospital District were unopposed and cancelled.

Special Thanks . . .

We would like to thank everyone for the many things that have been done since our surgeries and recuperation.

Your visits, phone calls, cards, words of encouragement and most of all, your prayers have meant so much to us. We want to especially thank the ones who have brought the delicious food to our house. It was appreciated so much and was a 'lifesaver'.

We also want to thank Bro. Trice and Evelyn for being there for and with us from one hospital to the other.

Once again, we thank God for living in a community where friends are always there and ready to help when needed.

May God bless you all.

There are No Simple Answers to the Tragedy Last Week in Littleton, Colorado

All of us are struggling with the horrible events last week in Littleton, Colorado.

Our hearts go out to the families, and those of us with children in school can't help but worry a little more about their safety. There are no simple answers, but there are a couple of things to remember.

First is that these murders were committed by two individuals. No one made them do it; it was their choice and their decision. Each of us faces choices every day, and sometimes evil is tempting. But it is up to us -- each individual -- to make the right decision. Fortunately, most young people don't go down the wrong path, but as parents, we cannot rely on government -- or the schools -- to raise our children for us.

Secondly, we need to think about what it is in our society and our culture that might encourage young people to make these kinds of terrible choices. Does the barrage of

media violence make us numb to the value of human life? Have we so discredited Faith and traditional notions of right and wrong that some young people have no value system to restrain their enormous anger?

It's tempting to look to Congress or some government program to fix a problem. And, maybe something more should be done. But there is no law Congress can pass that would prevent this kind of tragedy. The answers have to come from our homes, our churches, our communities, and our hearts. Government cannot take that responsibility over for us; it's ours.

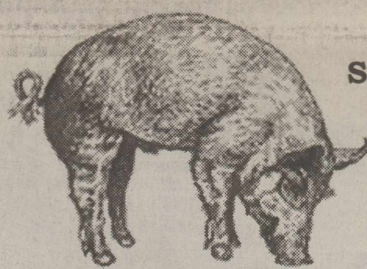

We determine what kind of society we have by what we do and what we say every day. We determine what we value and what we don't. Each of us bears the responsibility for seeing that this terrible tragedy does not happen again.

O'Brien happenings

By Audie Johnston, O'Brien Correspondent

"During our return flight from Las Vegas to Indianapolis, the couple seated behind us were discussing how the trip to Vegas took 30 minutes longer than the return flight. The man explained that the tail wind from west to east increases the airspeed. "That may be so," his wife conceded with a laugh. "But I think it's because everyone's billfolds are a lot lighter."

Here and There - A niece of mine, Barbara McGaughey and a friend (I forgot her name) of Stamford came by Monday and visited with me awhile and we drove around in O'Brien. The lady wanted to see where the old Methodist church and parsonage use to be.

1999 Rainfall - 10.43

Benjamin news

By Gladene Green, Benjamin Correspondent

News is scarce this week! Not much happening over this way. Just lots of rejoicing over the wonderful rain! Total through Sunday was about one inch and that sure makes the world look better around us.

We learned Friday night of the death of former resident, Teenie Conner, who passed away earlier that day. She had been very ill for a while suffering from cancer. A memorial graveside service for her will be held Saturday, May 1, at 11:00 a.m.

Clodell Duke returned home Friday after knee surgery in Wichita Falls about three weeks ago. She is doing well and glad to have that over with and we are glad for her.

Bill Ryder had another not-so-good day today (Sunday). The damp, rainy weather didn't help

his breathing any but, he, like the rest of us is thankful for the rain.

Debra Moorhouse had a good day today. She told me some are good and some - not so good. She's got two weeks off from her chemo, then will have four more treatments - one a week and then return to Houston and M.D. Anderson in mid-June for evaluation. She said if the doctors there are not satisfied with her progress she would go into a study program and do sort of a "trial and error" thing to determine what medication will do her the most good. Hopefully, they will be pleased with her condition. She says she feels like the chemo is helping since the dosage has been cut down. We hope and pray for good news when she goes back to Houston.

Former resident, Henry Rogers,

who now resides in Rochester has been a patient at HMC in Abilene several weeks and will have to be there about six more weeks. He's had a number of problems that are requiring lots of attention. He's in room 6718 - HMC if anyone would like to send a card. I'm sure he would appreciate it.

In talking with Debra this afternoon (she's school secretary) she said not much is going on right now up at school. We do have two going to regional in track Friday in Abilene. Jacy Collins and Sandra Acevedo. Of course, lots of good wishes go with them to this meet.

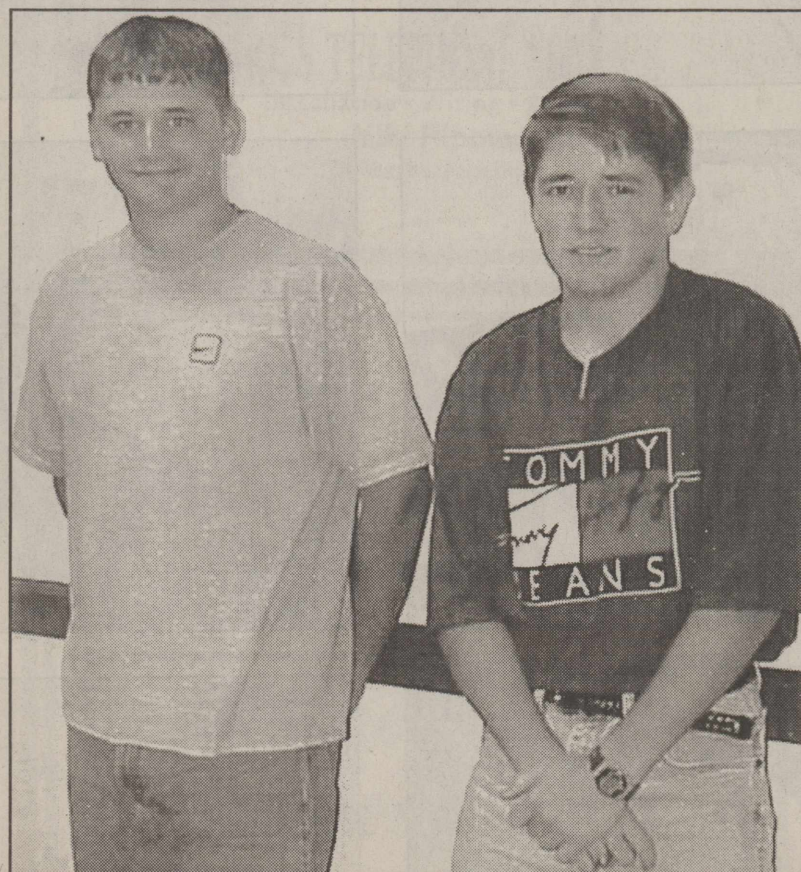

On Friday, the Pee Wee track meet will be held. All kids participating will get a ribbon whether they win or not. It's good experience and the kids really seem to enjoy it.

Seniors Honored - The First United Methodist Church honored the graduating seniors with a supper Wednesday night in the fellowship hall of the church. The menu was Mexican food and all the trimmings, dessert and tea. Larry Neal spoke to the group following the meal. Attending were seniors Jacy Collins, Clint Horne, Tyler Carroll, Jessie Grimaldo, Hardy Coffman, Gina Bolanos, Misty Ham and Lacy Mayo. Also Larry and Gaye Neal. The church presented each senior with a Bible.

Here 'N There - Kenny Struck of McKinney visited his aunt, Earlene Meinzer, Friday. His grandmother, Irene Struck, who is Earlene's sister has been a patient in the Knox County Hospital. She was able to go back to the Munday Nursing Center Saturday and is doing better.

Joy Yancy of Lakeside City visited family here during the weekend.

Becky Moorhouse visited her son, Brad Walker at Lumberton during the weekend. Brad has established his chiropractic practice there.

BENJAMIN HIGH SCHOOL students placing at the Western Texas Social Sciences competition were Hardy Coffman, second in Current Events; Carmen Acevedo, (not pictured) third in World History; and Jacy Collins, third in Texas History and as the highest ranking senior in that contest received a \$250.00 scholarship to Western Texas. A group of 14 students completed, accompanied by sponsor C.H. Underwood. (Benjamin School Photo)

Services set in Benjamin May 1 for 'Teeny' Conner

Graveside services for Elenora 'Teeny' Conner of White Settlement will be held Saturday, May 1, at 11:00 a.m. in the Benjamin Cemetery.

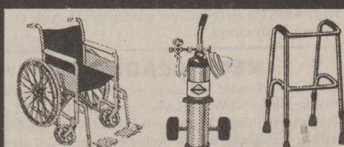

Mrs. Conner, 80, died April 23 in Fort Worth.

Born September 29, 1918, in Ada, Oklahoma, she was a nurse's aide.

She was preceded in death by her husband, Alva 'Shorty' Conner; a son, Gary Conner; and a grandson, Chris Johnson.

Survivors include three daughters, Peggy Haley of White Settlement, Brenda Johnson of Houston and Glenda Ainsworth of Montgomery, Alabama; a brother, J.D. Green of Weatherford, a sister, Sylvia 'Sister' Stults of Michigan; eight grandchildren and four great-grandchildren.

A study in the Archives of Internal Medicine maintains that living wills can save about \$60,000 per patient in medical costs. Researchers studied 474 patients who died in a hospital during 1990-92. Bills for those without living wills were three times as high.

Currently only one medical school in the entire country, out of 126, has a full-fledged department of geriatrics: Mt. Sinai School of Medicine in New York.
