

# THE ARTESIA ADVOCATE

HELPING TO BUILD A GREATER ARTESIA

VOLUME FORTY-EIGHT

ARTESIA, NEW MEXICO, FRIDAY, APRIL 13, 1951

NUMBER 30

Give to Help Fight Cancer

## Young Invited To Open Baseball Season Here

Gen. Douglas MacArthur is now out of work and some time on his hands. Thursday was invited to come to Artesia to open the regular season of the Artesia Drillers baseball club on Thursday night, April 26.

## POTPOURRI

Perhaps when we announced the license number game last week we should have barred police officers or meter patrol from it, for they have all the advantage in the world. But we didn't preclude them, so we'll have to let Patrolman John Lemley in at the top of the list in our first report.

The game, if you remember, was to see how long it would take for readers to spot license plates from all of the states, as well as all New Mexico counties.

Although we said we would not record them ourselves, we did say that we would presume anyone could in a matter of minutes spot plates from New Mexico and Texas, and from Eddy County, No. 3, and Chaves County, No. 4. From there the public was invited to have at it.

In his first report, Patrolman Lemley told us he had spotted licenses from Indiana, Pennsylvania, California, Idaho, Kansas, Illinois, Michigan, Oklahoma, Wyoming, Tennessee, Colorado, Montana, New York, and New Jersey among the states.

And he reported New Mexico county Nos. 1, 2, 5, 6, 7, 11, 14, 15, 21, 27, and 31.

Mrs. L. H. Carder duplicated on Kansas and California, but she added Missouri, North Dakota, Nebraska, and Arizona to the state list, as well as No. 24 to the county list. She also had Nos. 1 and 6.

And D. B. Shira added Louisiana to the growing list, but duplicated on Oklahoma with Lemley, as he did one county No. 11.

So that gives us 21 states, including New Mexico and Texas, and 14 counties, including Eddy and Chaves, the starters.

That's a pretty good starter, but from now on it's going to get tougher and tougher, so the game will not end in the near future, which is for certain.

So keep it up, for this thing will grow in interest as we go along.

Bob Koonce, manager of the Chamber of Commerce, says he likes the game and hopes we get co-operation, for it will be of considerable community service, as well as providing entertainment.

He says the license-spotting game will serve to educate people to the fact that, although we are not primarily tourist country, our filling stations, restaurants, and tourist courts do realize a considerable volume of travel business because of the Carlsbad Caverns, White Sands, and the like.

Then, he says, after people become tourists conscious, more support of our highways and tourists' programs will be forthcoming.

This community is about to embark on a campaign of safety, the like of which has never been seen before.

It is not a case of locking the stable door after the horse has gotten out, but just a case of the entire community becoming safety conscious and realizing there has been too much reckless driving and speeding in the past.

However, it took two cases of persons being killed by cars driven by Artesia youths to bring the thing to a head.

There will be several angles, coming from as many sources, which will point out that it is a citizen's responsibility to report any recklessness or dangerous driving, such as driving while intoxicated, excess speeding, deliberate shenanigans, and the like; the responsibility of parents for their children who drive, and educational program designed to make an impression, and others.

This newspaper will do its part in the campaign. But that will be nothing new, for we have always preached safety.

In addition, however, we expect to have some signed articles, as well as cartoons, National Safety Council material, and other matter, all designed to help make not only the Artesia community, but the state as a whole, more safety conscious and a safer place in which to live.

After all, New Mexico has been setting a national record this year, for there have been nearly as many highway and street fatalities up to the present this year as there have been days. And New Mexico has one of the smallest populations in the nation.

In 99 days there were 95 traffic fatalities! More than one person has asked us to "get to the bottom of this thing," that is, to place the blame for accidents where it belongs. This will take some time as well as thought, but you may be certain that as the safety campaign develops on this angle will be given much consideration.

In the meantime, drive carefully, sensibly, and soberly!

This is the time of year for snake stories, as snake hunters go out to kill or capture them after they

(Continued on page six)

## Names of Congressional Delegation

Many persons have called at The Advocate office or phoned staff members at the office or at home the last two days, requesting the names of United States senators and representatives from New Mexico.

Undoubtedly the requests are in regard to the dismissal of Gen. Douglas MacArthur, although the reason for the callers wishing the names was not asked. Nor is The Advocate going into the matter at this time.

However, as the newspaper is considered somewhat of a bureau of information—which is understandable—and as a public service, here are the names of members of the congressional delegation from New Mexico:

Senators Dennis Chavez and Clinton P. Anderson, U.S. Senate Building, Washington, D. C.

Congressmen Antonio M. Fernandez and John J. Dempsey, U.S. House of Representatives Building, Washington, D. C. Both serve at large, as New Mexico has not been divided into congressional districts.

## Fire Causes on Wednesday, Old Stuff to Boys

Artesia firemen on Wednesday morning answered two alarms, both from types of fires which are becoming somewhat monotonous, one from trash on the ground and the other from burning trash and garbage in a city garbage truck—which was also on the ground, or street, when they arrived.

The first alarm was at 9:05 o'clock from the Roy Ingram farm east of Artesia, where fire from an incinerator had ignited a small trash pile, which in turn set fire to a fence. Damage was slight and confined to the fence.

At 10:05 o'clock firemen were told there was a fire in one of the garbage trucks at 10th and Grand, which is nothing new, for it happens every so often.

When they arrived at the scene, the garbage men had dumped their blazing load in the street, where the fire was soon extinguished.

## Peek Is Back From Korea; Will Return To Police Force

Pfc. Richard Peek, who had been on reserve status and was called into active service in the Army last Sept. 19, returned home Monday after some harrowing months in Korea and will be reinstated April 15 as a patrolman on the Artesia police force, which position he held when he received his call.

Peek reported to Fort Hood, Texas, when he left Artesia, and after an 11-day refresher course there was sent to California, from where he embarked for Japan on Oct. 17. After only one day in Japan, he was sent to Korea, where he arrived on Nov. 6 and went into service in an MP platoon of the 10th Corps.

The Artesia man left for home on Feb. 24.

Peek has not been discharged, but has been returned to inactive status.

He is married and has two children, who remained in Artesia during the absence of their husband and father.

He had been an Artesia police officer about four months at the time he was called into active service last September.

## SAMMIE K. HAND IS MADE SERGEANT

An Artesia man, Sammie K. Hand, serving with United Nations forces in Korea, has recently been promoted to the rank of sergeant, Headquarters, Seventh Infantry Regiment, announced.

Sergeant Hand, the friend of T. E. Watts, 612 West Quay Avenue, Artesia, is a member of Company F, Seventh Infantry Regiment, Third Infantry Division.

## MARTINEZ RECEIVES PROMOTION IN KOREA

Cpl. Antonio Martinez, 20, son of Mrs. L. B. Martinez, 509 Clayton Avenue, Artesia, was recently promoted to sergeant while fighting with the Second Division in Korea.

Sergeant Martinez, a member of the famed 37th Field Artillery Battalion, enlisted in the Army on Aug. 2, 1949, at Roswell. Prior to joining the "Second to None" division at Fort Lewis, Wash., on March, 1950, he was stationed at Fort Sill, Okla.

## E.N.M.U. Faculty Members to Be Adjudicators

C. M. STOOKEY

FLOREN THOMPSON, JR.

Among the adjudicators for the fifth annual Southeastern New Mexico Music Festival being held in Artesia today and tomorrow are two faculty members of Eastern New Mexico University, Portales, both assigned to the instrumental division of the festival.

C. M. Stookey is chairman of the school of music at the university and Floren Thompson, Jr., is instructor in woodwinds.

The two will help rate music organizations and students participating in the festival.

Other adjudicators in the instrumental music division are Russ Hughes, Highlands University, Las Vegas, and Anto Beck, Southwest Texas State College, San Marcus.

## Red Cross Drive, Falling Short, Is Continued

Although the annual campaign for funds for the Red Cross officially closed on March 31 throughout the nation, the North Eddy County chapter is continuing its drive in an effort to reach the quota of \$4800, which was assigned, it was announced by A. P. (Doc) Mahone, chairman.

He said at present, the campaign has yielded about \$3500, leaving \$1300 to be raised, if the chapter comes up to its past reputation of going over the top.

Hollis G. Watson, campaign manager, joined Chairman Mahone in an appeal to those who have not contributed to send in their donations.

Checks may be mailed to Fred Cole, treasurer, First National Bank.

Chairman Mahone said he and Watson appreciate the action of a number of citizens of North Eddy County, who have mailed checks made payable to the American Red Cross to Cole.

## PFC. BILLY GOODLETT ARRIVES IN GERMANY

Pfc. Billy B. Goodlett, son of Mrs. Vesta Goodlett, 332 West Main Street, Artesia, recently arrived at Wiesbaden Air Base, Germany, to serve a tour of duty with the Air Force.

Since arriving at this base, Private Goodlett has been assigned to Headquarters and Headquarters Squadron, 60th Air Base Group, for permanent duty as an airplane mechanic. Prior to this assignment, he was stationed at Ellington Air Force Base, Houston, Texas, doing this same line of work.

Goodlett's previous experience has made him proficient in his duty and an asset to this organization, it was reported.

## Vigilantes Are To Report Violations

A committee of 50 or more vigilantes to be named by Mayor Oren C. Roberts to report traffic violations and acts of vandalism through proper channels, with the view of following up and prosecuting violators.

Such volunteers are to be appointed without their identities disclosed. But it was stressed at the meeting that the reporting of violations should not be confined only to the vigilantes, but that it is the duty of every citizen to report to police any violations of traffic regulations or acts of vandalism which may come to their observation.

That it is the duty of every citizen to make such reports was stressed, for it was brought out that the police officers cannot be all places at once.

Councilman Fred Brainard said the people of the community are worried about the situation and that the problem is how to put the fear of God in violators — both minors and adults.

He said that blame has been placed on the police, the judges and the council alike.

All three groups were represented at the meeting and all agreed

that the problem is serious, that there are far too many violations by 'teen-agers, but that there are many adult offenders.

In order to curb the violations, the citizens of the community must co-operate, whether they be on the vigilance committee or not, it was agreed.

Police Chief Earl D. Westfall said that any citizen can file a complaint against a violator.

Police Judge Jerry Losee recommended that more people do so. He said such action, for instance, will help to curb the two-abreast speeding, which is frequently done when the drivers know the police are in another part of the city, seldom when they could be apprehended by officers.

Justice of the Peace J. D. Josey, who is likewise the local juvenile officer, said that in the case of minors involved in offenses, the police can turn them over to him, as in the past, either for action within his powers, or to refer the cases to the district judge, who is the juvenile judge.

Judge Josey said that the situation is no fault of the police, who

are doing all within their power to curb the traffic violations, many of which are dangerous both to the drivers and the public.

It was brought out at the meeting that the vigilante system is to be studied and improved from time to time as the program develops.

The council approved a recommendation to the Artesia Public Library board for a new constitution and agreed to increase the annual allowance by at least \$200 for the next fiscal year, when the 1951-52 budget is set up.

Mrs. S. P. Yates, representing the board, pointed out that there has been some talk of a new library and added that the present library quarters in the city hall are not large enough for the current needs.

Mayor Roberts agreed and said the city likewise needs the library space for other purposes.

M. Duane Sams, who has managed the municipal swimming pool the last several summers, was again given the contract for the coming season.

(Continued on page six)

## Mobile X-Ray TB Unit Today Is In Morningside

The mobile x-ray unit of the State Health Department is being operated today at the corner of Richey and Freeman in Morningside, where it will be available to the general public from 2 to 5 o'clock this afternoon and 7 to 9 o'clock this evening.

It will be at Garver School, Negro, during the same hours on Monday.

Tuesday is reserved for the development of exposed films by technicians.

Then on Wednesday through Saturday of next week, the unit will be stationed in front of the city hall in Artesia, where it is also scheduled to be on the same days of the next week, April 25-28. Hours will be 2 to 5 o'clock in the afternoon and 7 to 9 o'clock at night.

The transportable unit, which has finished its schedule, on Tuesday was at Atoka School, where chest x-ray pictures were taken of 320 persons. On that day 327 persons were examined by technicians with the mobile unit at Rose Lawn School.

The examinations are free and are for everybody. However children less than 15 years old must be accompanied by parents or guardians.

The local co-sponsor with the State Health Department in the campaign in North Eddy County is the Artesia Tuberculosis Association.

## Duke Boosters To Make Stop in Artesia Today

Albuquerque boosters, traveling in a Greyhound bus, will make a breakfast stop here at 9 o'clock this morning. They will eat in Cliff's Cafeteria along with members of four committees and directors of Artesia Chamber of Commerce.

The Northern New Mexico trippers are headed by Carl Peterson, chairman of the Albuquerque wholesale committee. They are coming to Artesia from Carlsbad.

Greeting the visitors will be the directors and the following:

J. D. Smith, chairman; Clarence Key, Lee Francis, T. W. Brownlee, Friend Burnham, Dr. G. P. Ruppert and Robert L. Ferguson, good-will and public relations committee.

Paul R. Frost, chairman; Chli Currier, John Cochran Jr., publicity.

J. Grady Wright, chairman; Irvin M. Goldstein, C. C. Nelson, Miss Ruth Bigler, Dave Button, Glenn Farmer, Rev. Ralph O'Dell, special events.

George Fowler, chairman; Bert Jones, W. W. Huber, Bob Burland, W. C. Thompson, C. C. Platter, Sally R. Lanning, retail trade.

The younger Geiser and Frost had captured 13 of them, when they were joined by the other snake hunters, who helped run the number up to 21.

One of the original catch has been sent by Frost to W. E. Dickson, curator of the department of fishes, reptiles, and invertebrates at Milwaukee (Wis.) Municipal Museum, who in turn will mount it and send it on to a Dr. Buecherl at Sao Paulo, Brazil.

The remainder of the snakes are at the Geiser residence on Hermosa Drive, safe in a steel pit.

Of the snakes in this Mid-West window, two are about five and a half feet long and the average for the five is about five feet.

Another snake yarn will be found in the "Potpourri" column in this issue, intended to start off the snake season. This one developed too late to include in that column.

## Better Make Sure Garbage Cans Meet Code

Abe Connor, Artesia city sanitation officer, said this week the time has come again to start demanding that garbage cans in the city meet with the requirements of the city code.

In other words, he said, it's about fly time again!

City employees will spray garbage cans again this season, an effort made to have them well under control before they start hatching in numbers.

But, Sanitarian Connor stressed, it will take the co-operation of householders in seeing that their garbage cans meet with requirements.

And if they don't he added, he will be required to cite offenders to court, which he prefers not to have to do.

The city code calls for garbage cans with flyproof lids, which weigh not more than 30 pounds empty, and which are no smaller than 12 inches in diameter.

In addition, Connor said, it is advisable to have a trash can, in which no garbage is ever placed and which need not have a lid.

He suggested that citizens of the community inspect their own garbage cans from time to time, by way of helping to keep the community clean and sanitary—and free of flies.

## Real-for-Sure Rattlers Are in Store Window

Those are real-for-sure Eddy County rattlesnakes—North Eddy County, that is—in the east show window of Mid-West Auto Supply, 330 West Main Street.

The five have been attracting considerable attention since they were placed there Wednesday evening by Jack Frost and Frank Geiser.

They are some of 21 rattlers caught Sunday of last week in Dog Canyon, northeast of Artesia across the Pecos River by Frost and Geiser, and Geiser's father, C. E. Geiser, and Albert Thompson.

The younger Geiser and Frost had captured 13 of them, when they were joined by the other snake hunters, who helped run the number up to 21.

One of the original catch has been sent by Frost to W. E. Dickson, curator of the department of fishes, reptiles, and invertebrates at Milwaukee (Wis.) Municipal Museum, who in turn will mount it and send it on to a Dr. Buecherl at Sao Paulo, Brazil.

The remainder of the snakes are at the Geiser residence on Hermosa Drive, safe in a steel pit.

Of the snakes in this Mid-West window, two are about five and a half feet long and the average for the five is about five feet.

Another snake yarn will be found in the "Potpourri" column in this issue, intended to start off the snake season. This one developed too late to include in that column.

## Rain-Making Program Is to Be Discussed at Meeting in Artesia

Bryan Runyan of Artesia and Hope, a representative of the board of directors of the Precipitation Research Corporation, has announced a meeting will be held in Artesia on Friday, April 20, at which time there will be a discussion of the rain-making program over the 10-county area covered by the corporation.

Dr. Irving P. Krick of the Denver office of the Water Resources Development Company, contractor for the area in Southeast New Mexico, will go into detail as to the proposed program.

The meeting will be held at the Veterans Memorial Building at 1:30 o'clock Friday afternoon of next week.

It will open a drive for membership into the organization, which is non-profit and is open in any one interested in seeing additional rainfall in Eddy County.

Anyone may join the Precipitation Research Corporation for a \$5 membership fee, plus \$5 per section of portion thereof.

All members will receive a weekly advance weather forecast by mail, as well as a long-range weather forecast.

These forecasts will contain valuable information, such as frost dates, coming freezes, and the like.

The area embraced by the activities of the Precipitation Research Corporation includes Eddy, Lea, Chaves, Otero, Lincoln, De Baca, Dona Ana, Roosevelt, Curry, and Guadalupe Counties.

The meeting here next week will be one of 10 educational meetings

Research Corporation next week, at which Dr. Krick will speak and discuss the general program.

On Monday there will be meetings at the District Court room at Clovis at 1:30 o'clock and in the Elida High School auditorium at 7 o'clock.

Tuesday meetings will be in the County Court room at Fort Sumner at 10 o'clock and the Pinto Theater at Mountainair at 7 o'clock.

Meetings will be held at the Lyric Theater at Carrizozo and the Community Service Buildings at Alamogordo at 1:30 and 7 o'clock on Wednesday, respectively.

On Thursday Dr. Krick will speak in the Elks auditorium in Carlsbad at 1:30 o'clock and in the District Court room at Lovington at 7 o'clock.

Dr. Krick will come to Artesia next for the meeting at the Veterans Memorial Building at 1:30 o'clock Friday evening of next week.

The final meeting in the series will be at the Chamber of Commerce in Roswell at 7 o'clock next Friday evening.

The meetings are open to all farmers and ranchers and others interested, it was announced by Louis Bagwell, manager of the Precipitation Research Corporation.

The officers of the corporation are President, E. O. Moore, Carlsbad; vice president, T. A. Spencer, Jr., Carrizozo; secretary-treasurer, Tom D. White, Roswell.

Besides Runyan, Bill Langeneger of Hagerman is a member of the board of directors.

## State Church Women at Meeting Here Strongly Urge UN Support

The New Mexico Council of Church Women here on Tuesday, the second and final day of the seventh annual state meeting, went on record in strong support of the United Nations, urging universal membership as a road to universal disarmament.

Decrying the fact that advertising of beer has invaded the American home through the media of radio and television, the organization in its resolutions expressed its disapproval of such advertising.

The annual meeting, which was held at the First Methodist Church, was attended by members from all sections of New Mexico.

Mrs. F. M. Wilson of Albuquerque, state president, presided. As this was not an election year for the council, she and other officers hold over.

Principal speaker during the meeting was Mrs. W. Murdock MacLeod of New York City, general director of the United Church Women of the National Council of Churches of Christ in the United States of America. She spoke on Monday night at the president's dinner.

The resolutions were presented to the council by Miss Luella Madden, chairman; John Pascoe, and Mrs. O. I. Langseth. As passed the resolutions read:

Whereas, a just and lasting peace depends upon positive, constructive ideas and actions, therefore be it resolved:

1. That we urge the unflinching support by our government of the constructive work of the United Nations in the field of human rights, health and education, technical assistance to undeveloped areas, and co-operations in trade and the use of natural resources.

2. We urge universal membership in the United Nations as a road to universal disarmament.

3. We also urge, in the light of our crucial world situation, that we seek to bind the world together with a definite prayer for peace, asking all men to join daily in the sentiment expressed by Mrs. Harper Sibley.

Whereas, the advertising of beer has invaded the American home through radio and television, making it impossible to listen to clean sports or news broadcasts without their lurid advertisements, therefore be it resolved:

2. We urge universal membership in the United Nations as a road to universal disarmament.

3. We also urge, in the light of our crucial world situation, that we seek to bind the world together with a definite prayer for peace, asking all men to join daily in the sentiment expressed by Mrs. Harper Sibley.

Whereas, the advertising of beer has invaded the American home through radio and television, making it impossible to listen to clean sports or news broadcasts without their lurid advertisements, therefore be it resolved:

1. That we call on all organizations against the advertising of beer on radio and television.

2. That each local and state council express its disapproval of the advertising of beer on radio and television to the local stations, the network and sponsors, and to the Federal Communications Commission.

3. That we express appreciation to those stations who do not carry such advertising and we reaffirm our opposition to liquor advertisements in magazines and newspapers.

4. That the United Church Women of New Mexico urge all Christian women to use their influence in every way possible to check the growing acceptance of beverage alcohol in our society.

Whereas, our so-called democratic way of life is being questioned in the Asiatic countries and others.

Be it resolved that we, the United Church Women of New Mexico, go on record as urging our Congress by wire, to immediately release and send the needed amount of

### Valley Baptists Have Rally Here On Tuesday

Pecos Valley Baptists met Tuesday from 10 to 3 o'clock at the First Baptist Church of Artesia for a vacation Bible school conference, with W. J. Lites of Albuquerque in charge.

At 3:30 o'clock, the regular monthly rally began. The pastors and laymen met for business reports in one section of the church while the Missionary Society met in the main auditorium, where Mrs. J. D. Franks of Carlsbad, association president, was in charge. Mrs. V. E. Boyd brought devotions on "Faith." Reports were read by the various associational officers.

At 6 o'clock in the evening a chicken dinner was served by the host church under the direction of Mrs. F. M. McGinty.

Then followed a period of conferences for Sunday school and Training Union work conducted by Ed Rogers of Carlsbad and Tom Hodges of Roswell.

At a closing joint meeting the program theme was "Youth Emphasis." Rev. Frank Fisher of Roswell brought devotions of song and Scripture. Miss Arlean Owens

### Exemplar Chapter Of Beta Sigma Phi Meets on Tuesday

Xi Iota Exemplar Chapter, Beta Sigma Phi met Tuesday evening at the home of Mrs. Charles Sanford with nine members present.

Mrs. Sanford, president, appointed the following committees: Program, Mrs. William C. Thompson, Jr., Mrs. Cecil Waldrep and Mrs. Lawrence Coll; social, Miss Nancy Haynes and Mrs. M. A. Waters; publicity, Mrs. Raymond Lamb; ways and means, Mrs. Charles Murphy and Mrs. Meredith Jones; historian, Mrs. Maynard Hall and parliamentarian, Mrs. Cecil Waldrep. Plans were also made for the remainder of the year.

The hostess served refreshments of cake and coffee. The next meeting will be held with Alpha Alpha Chapter on Tuesday, April 24, at the home of Mrs. O. R. Gabie, Jr. Pictures will be taken of the presentation of a visual aid kit to the school nurses.

of Artesia spoke on "Blessings of Youth Week." Rev. Earl Whitfield of Roswell closed the program with "Saving Our Youth to Save Our Churches."

Twenty-two churches were represented with approximately 150 people present.

# SOCIETY

## Mrs. W. R. Petty Installed Prexy Of Central P.T.A.

Mrs. W. R. Petty was installed president of the Central School Parent-Teacher Association at the regular monthly meeting in the school music room Wednesday afternoon. Mrs. David Saikin, outgoing president, presided over the business meeting preceding the installation of new officers. It was announced that the annual silver tea will be held on Wednesday, April 25, in the home of Mrs. E. W. Allen on Hermosa Drive.

Mrs. Paul Bray, finance chairman, called a meeting of all board members and committee chairmen at her home, 910 South Fourth, at 2 o'clock Wednesday, April 18, for the purpose of planning the silver tea.

Mrs. Saikin announced the state P.T.A. convention will be held in Clovis, April 26-28. Central P.T.A. voted to send two delegates to the convention. Mrs. Charles F. Brown was named as one delegate and the other will be named later.

Mrs. J. T. Joplin announced a pre-school clinic will be held Thursday, May 10. A number of members volunteered to work at the clinic, which is an annual affair, sponsored by the Central School P.T.A., to give physical examinations to all children who will enter school in the fall. She also reported that Central School had a large number visit the X-ray unit while it was stationed at the school.

The group voted to share a third of the expense of donating \$100 to the high school, from the profit of the Clare Tree Major Theater plays. The donation will possibly be used for purchasing much-needed stage lighting equipment. Reece Booker, an unusually talented high school student, delighted the P.T.A. with two piano selections.

Mrs. C. P. Bunch conducted an impressive installation ceremony. Other officers installed besides Mrs. Petty, the new president, were: Second vice president, Mrs. Henry Worthington; recording secretary, Miss Helen Gorman; treasurer, Mrs. Charles F. Brown; corresponding secretary, Mrs. W. B. McGuire.

Mrs. Bunch requested the entire membership of P.T.A. to stand and read aloud with the new officers the "Objects of Parent-Teacher Associations" which are:

To promote the welfare of children and youth in home, school, church and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school that parents and teachers may co-operate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

After the installation, Mrs. Petty graciously accepted her roll as the new president of the Central School P.T.A. and talked briefly to the group before adjourning the meeting.

## Study Division of Woman's Club Meets Wednesday Morning

The Study Division of the Artesia Woman's Club met Wednesday morning for study at the home of Mrs. Dave Bunting.

Those present enjoyed a round-table discussion of current events. The next meeting will be a covered-dish luncheon Wednesday, April 25 at the home of Mrs. Buri Sears with Mrs. John Rowland as co-hostess.

The hostess served doughnuts and coffee to Meses. T. L. Archer, Fred Cole, J. D. Josey, Robert Parks, John Rowland, Bryan Runyan, Buri Sears and Grady Wright.

## American Defense Is Reviewed at D.A.R. Meeting

The Mary Griggs Chapter of the D.A.R. met Monday evening in the home of Mrs. K. J. Williams. Mrs. Harold Kersey presided in the absence of Mrs. R. L. Collins, regent, and opened the meeting in ritualistic form.

After a short business meeting, the program was given by Mrs. Kersey on the Daughter of the American Revolution Magazine. The magazine has been published continuously for 56 years and is unique in that it is the oldest of its type in the world. Each publication has articles on national defense, current legislation, world trends, historical, educational, patriotic subjects, book reviews, motion picture previews, news of the other state and chapter societies and a good genealogical department. It is recognized as one of the best magazines of its kind.

Mrs. Kersey took the current April issue and gave brief reviews of some of the outstanding articles. Miss Ivy Lee Buchanan, a practicing attorney in Washington, D. C., and a member of the bar of the Supreme Court of Mississippi, U. S. District Court for the District of Columbia, U. S. Court of Claims and the Supreme Court of the United States, wrote an excellent article on "Defense of America."

"In discussing the topic of American defense, I could not do better than invite your attention once again to the warning words of President George Washington, in urging upon the Congress of his day that it establish a system of universal military service for limited periods of time to the end that American might be prepared at all times against any hostile foe," she said.

"Many years have passed since Washington made such a recommendation but America has not yet a system of universal military training. The need for such a system today is not less than it was in the troublesome days of Washington. Freedom has never been given to a people; it has to be won and it may be retained only by constant vigilance.

"There is a second equally important phase of our national defense which is usually ignored by most of our people. This is the present ignorance of our people as to the contents of our own charter of the Revolution, the Declaration of Independence, with its implementation in the form of the Constitution of the United States, which the great Washington did so much to bring into existence.

"While we have compulsory school attendance in almost all of America, at least to 16 years of age, we have reared and are rearing generations who do not know that we have such charters of freedom; much less do they know the reasons for the protection of human rights spelled out in these charters and thus far maintained literally by the sacrifice, blood and even death, of many thousands of our fellow Americans.

"Present-day results demonstrate I believe, that our public school system has largely failed us in failing to each several generations of young Americans the fundamentals of our history and the reasons we believe that there are certain inalienable rights of man enumerated in the Declaration of Independence and made a part of the Bill of Rights of our federal Constitution.

"Our colleges and universities have done little better. So ignorant are many of our people of our basic principles of human freedom that some of our politicians have violated them for years and are continuing to violate them without any substantial objection being made by the great body of our people.

"In my lexicon of words, I find none which would class as a patriot any individual or group of individuals who would deliberately sabotage our national defense nor any other nation on the face of the globe. I care not if such per-

son is a graduate of Harvard University and sports a Phi Beta Kappa key on his watch chain! In my dictionary such a person is a traitor and a spy. However, I do believe that their numbers among native Americans would be less if in their childhood they had been taught the age-old story of freedom under law.

"According to my way of thinking, 'freedom' for the individual does not mean that the people, through their government, must support that individual by a pension or subsidy of some sort. 'Freedom' does not mean special privileges to any individual at the expense of the common good.

"Again as in Russia, there can be no adequate national defense of America unless we pay substantially as we go and keep our financial house in order. Our financial house is now in the greatest of disorder and we are surely headed for financial destruction, yet the nation goes on piling up the greatest debt in all history.

"If we do not reduce our public expenditures by 10 to 15 billion dollars each year until our national debt is reduced to a manageable amount, we, as a nation and as a people, will be in the greatest of distress with possible resort to slave labor and confiscation of property as in Soviet Russia. But, if all of the private property in the United States should be seized by the federal government and converted into cash at a fair price, the proceeds would not pay our present public debt!

"Let us take the word of Karl Marx, the high apostle, nay the Messiah of the communists. The easiest way to destroy any nation is to destroy its money and credit. Such a nation will then be ripe for easy Soviet conquest. The Kremlin Politburo is even now engaged in the destruction of the money and credit of America. How, you ask? By urging its satellite communist countries to start wars and thus engage our armed forces, at tremendous cost to us in dollars and in manpower.

"By constant threats and irritations in Europe and again at great expense to the American people to arm the European nations, furnish them with Marshall funds for re- and larger military forces of our own on the continent of Europe. By causing unrest and uprisings in countries of the world, in Indonesia, Latin-America and elsewhere.

"One additional aspect of this matter of the constant weakening of our defense through further pauperizing of the nation, is that well-organized minorities, principally in the over-crowded centers of population in some of the Northern states, are constantly urging the politicians of their section in Congress to grant bigger and better social security, just a wee bit of socialized medicine and hospitalization to commence with and more and more of the welfare state for the people, spelled with a little 'p,' but ultimately meaning the leaders of such minorities who are seeking more and more power over you, and all other Americans."

Miss Buchanan closed by saying that there is still hope if women will become so strongly aroused that there will be more people of a high patriotic type sent to Congress.

Mrs. Kersey closed her program with some D.A.R. humor. At the close of the meeting, Mrs. Williams served delicious refreshments.

## CARD OF THANKS

It is with all sincerity that we say thank you to the many friends who did so much for us at the time we lost our wife and mother. Especially do we thank those who gave memorials and flowers and those who are still helping us. May the Lord smile upon you and be gracious unto you. The Siegenthalers.

#### Teachers Sewing Club Meets Tuesday Evening at the Home of Mrs. Dune Sams

The Teachers Sewing Club met Tuesday evening at the home of Mrs. Dune Sams. Refreshments were served by Mrs. Harney, Charles Gaskins, Ivan and P. L. Green.

#### Who Went Where

Mrs. Preston Dunn and Mr. and Mrs. Lois of Portales, spent the week end here visiting Mr. and Mrs. Dunn, and his sister, Ann Dunn. In the home of Mr. and Mrs. C. W. Stroud are Mr. and Mrs. D. D. Stroud and Mr. and Mrs. C. Stroud of Morrilton. Mr. Charles H. Bixler and Mrs. Ruby Jo, had as guests Sunday, Mr. and Mrs. Marshall and Mr. and Mrs. J. S. McConner of Denver City, Texas. Mr. J. J. Clarke, Jr., Mrs. Fritz and Mrs. W. E. McNallen spent the morning for El Paso and returned home Tuesday evening. A three-day session of the Regional Congress of the Fraternity of Christian Doc-

#### Returned to their home Thursday

Mr. and Mrs. Charles Bishop of Marfa, Texas, arrived Wednesday evening to visit their daughter and family. Mr. and Mrs. H. W. Burke and little daughter, Aralena, for a few days.

#### It has been reported that Dr. Chester Russell has been seriously ill about a week and is confined to his home at 307 West Washington Avenue.

Mr. and Mrs. Robert Parks have purchased a residence at 1003 Hermosa Drive from Mr. and Mrs. H. A. Keinath and have sold their home at 1110 West Main to Mr. and Mrs. Andy Anderson.

#### Mr. and Mrs. Morrison Livingston drove to Dallas, Texas, Tuesday and returned home Thursday evening.

Sam Williams, Hollis G. Watson and Joe Denton of Artesia and Robert Howard of Lubbock, Texas, drove to El Paso Monday to visit Sam Sanders, who is ill in Southern General Hospital, and returned home Wednesday.

#### Mrs. Hollis G. Watson left Sunday morning for Washington, D. C., to visit her daughter Rhett. She plans to be gone about three weeks.

Mrs. Nola Mae Phillips went to El Paso Saturday on business. Guests in the home of Mr. and Mrs. Lloyd Dorand are Mrs. Dorand's mother, Mrs. H. S. Boden; her sister, Mrs. F. F. Dantoni, and the latter's daughter, Olive, all of New Orleans, La. They plan to visit here three weeks.

#### Mr. and Mrs. Hooper B. Thomas of Poinerville, Texas, former Artesia residents, are visiting here this week.

Barney Cockburn and H. R. Patton spent Tuesday at Nogal Lake. Mr. and Mrs. Owen Hensley left Tuesday for Dallas, Texas, to attend the furniture market show, and to visit their daughter, Miss Carol Hensley, a student at Southern Methodist University.

#### Mr. and Mrs. Clarence Key left Tuesday for Dallas, Texas, to attend the furniture market show.

Mrs. A. T. Wood left this week for Muskogee, Okla., to visit her sister, Mrs. Gayle Richmond. She will also visit her daughter, Mrs. George Ray, Mr. Ray and children at Amarillo, Texas.

#### Mrs. Charles E. Currier left Tuesday for Las Vegas to attend a convocation of the Episcopal Church held Wednesday and Thursday. Mrs. Currier is a delegate from St. Paul's Episcopal Church.

Mr. and Mrs. C. J. Dexter of Los Angeles, Calif., formerly of Artesia, arrived Monday and are visiting Mr. and Mrs. J. S. Ward this week, while Mr. Dexter looks after his oil interests here.

#### Kiwanians Work On Health Project

Cards to be issued business establishments in Artesia in conjunction with the free x-ray examinations to be available from the mobile laboratory near the city hall the week beginning April 19 were distributed to Kiwanians at their regular weekly luncheon at noon yesterday in Cliff's Cafeteria.

The work was explained by Dick Swartz, county sanitarian. Other part of the program was the showing of a motion picture on the atomic bomb. The exhibition was in the Presbyterian parish hall after the luncheon. Film was obtained from Fort Bliss.

#### Birthday greetings were given Justin P. Newman, immediate past president of the Artesia club, whose birthday anniversary was April 11.

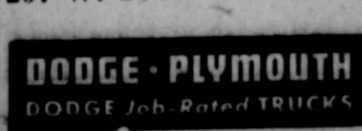

American-born children of most European immigrants tend to grow slightly taller than their parents. In western Asia, some tribes worship the dog.

### DODGE and PLYMOUTH OWNERS-

207 W. Texas Phone 237

#### Freshe Holds Sales Organization Meet Here on Tuesday

A dinner was held for the sales organization of the Freshe Bread Company of Artesia, Roswell, and Carlsbad at Cliff's Cafeteria Tuesday evening.

#### A business meeting was conducted under the direction of Kirk Baxter of Lubbock, Texas, general sales manager, and Alec Miller of Lubbock, general manager.

About 10 men were present from Roswell, Carlsbad, and Artesia including Fred Stowe and Ivis Boykin, the Artesia representatives; Hubert Carr, who is manager of the Freshe bakery at Hobbs, and Al Whitehead of Roswell, sales supervisor for Roswell, Carlsbad, and Artesia.

Prizes were awarded to the salesmen who had increased their sales within the last 60 days. A Roswell man won first prize, which was an electric roaster. Fred Stowe of Artesia won second prize, which was a chair, and Ivis Boykin also

#### of Artesia, won third prize, which was a waffle iron.

#### Few Natives But Kiwanians Sing State Song

How many Artesia residents know the words of the official state song? Singing the state song is a regular part of the weekly luncheon programs of Artesia Kiwanis Club of which Ralph L. O'Dell is president.

It was the president who started the practice. There are few native New Mexicans in the club but every Thursday noon, from whatever state they hail, the members sing:

"O, fair New Mexico  
We love, we love you so,  
Our hearts with pride o'er-flow  
No matter where we go,  
O, fair New Mexico  
We love, we love you so,  
The grandest state to know  
New Mexico."

#### Next Wrestling Card Scheduled For April 20

Due to a bottleneck in arrangements, there will be no wrestling matches at the United Veterans Club this Friday night, but a card has definitely been lined up for Friday night, April 20, according to information received by Bill Dunnam from W. J. Stribling, Roswell, who is promoting the bouts here.

#### San Angelo Sent Story on Drillers

From the sports editor of The Artesia Advocate was telegraphed Wednesday to Hugh Welch, sports editor of the San Angelo Standard-Times, San Angelo, Texas, a 400-word story about the Artesia Drillers, baby team of the Longhorn League. Welch showed keen interest in the Drillers. He has asked the

#### Advocate sports editor to send him complete summaries of every Driller game here against Odessa, Midland, Big Spring, Sweetwater, and San Angelo.

#### Roswell Woman Chosen President Of Pecos Golfers

Mrs. Janet Robinson of Roswell was named president of the Pecos Valley Women's Golf Association, succeeding Mrs. Eunice Carter of Carlsbad, at the association's periodic six-weeks meeting held on Wednesday in Roswell Country Club.

Next association meeting will be in Clovis, exact date not set but between May 2 and 11 at the club there, which is to be the location of the New Mexico women's golf tournament the following month.

Attending the Roswell meeting from Artesia were Mrs. H. D. Dunn, Mrs. Jim Miller, Mrs. Johnny Williams, and Mrs. Jerry Marshall. In the golf matches, scores included: Jo Boswell, Roswell, low gross on 18; Roswell won trophy by 10 points; Dorothy Bogel, Rosell, low net on 18; Mrs. Eunice Carter, Carlsbad, low putt on 18; Dorothy Merritt, Carlsbad, high gross on 18. Mrs. Janet Robinson, Roswell, second low gross on 18, Dorothy Worrell, Clovis, low gross on nine. Coffee and doughnuts were served in the morning session. Attendance included five from Carlsbad, four from Hobbs, three from Clovis.

#### The state of Idaho has opened season the year around on black bears in cost areas. Grizzlies are protected.

Penguins differ from other birds in not having any specially-developed quill feathers on their wings.

Greenland whales sometimes furnish 3,500 pounds of whalebone.

# SPORTS ON THE HOME FRONT

By BROWNIE EMERSON

## Artesia Sportsman Outlines Ways to Boost Local Recreation

For a long time I've been banging away at the idea of sports for all, from eight to 80, and for Artesia grownups to come alive and take part in sports, not just watch others play.

Today, I have a good letter from Bob Koonce, manager of Artesia Chamber of Commerce, who points out how woefully weak Artesia is in some forms of recreation.

"Has it ever occurred to you," writes the CC manager, that for a town of its size Artesia is short in the following respects:

"No bowling alley.

"Unless I'm mistaken no skating rink.

"At least not in any organized club so far as I know, no weight lifters.

"No rifle club, or, if there is one, they publicize their activities very strongly.

"Let me make it clear," he admonishes, "that I can't bowl a lick, never could even stand up on skates and, in fact, was never much interested in either of them.

"I was always more of a participant in competitive sports such as basketball, baseball.

"It seems to me that all these things are requirements for a well-rounded community recreational program.

"You often dwell upon the subject of recreation, particularly for adults. I agree with you that it is good for both body and soul and that busy persons should set aside more time for it than they do.

"Keep up the good work."

**Hunting And Fishing**

In another paragraph he points out other ways for Artesia grownups to get more of a bang out of living:

"In addition to a community

softball league and the like a great many adults fish and hunt for recreation and exercise.

"Then there are the golfers. Artesia seems to have more than its proportionate share of good golfers.

"By stretching a point a little you might even classify square dancing as athletics. I personally have never engaged in it but it seems to me they get pretty active.

**Appreciate Response**

I'm glad to get the letter from Manager Koonce and I wish more Artesia folk would express themselves. It seems to be a foto-finish in Artesia between getting folks to express ideas and folks who give prompt and dependable cooperation.

And while I talk a lot about sports for all, I try to practice it myself, too, but find it difficult to locate anyone interested enough to compete against me in tennis on Sunday afternoons.

Trus, I'm an easy mark in the net game and generally get walloped but good but I still like to try.

**Baseball Adds Subscriber**

From Hotel Windsor, Abilene, comes a letter enclosing payment for a six months subscription to The Artesia Advocate. It's from C. M. Dunn, father of Lon, one of the Driller pitchers, who wants "to follow the club's activities through your paper."

**Salute to Directors**

Haven't had much time for getting all the news I want on the Drillers. Artesia Muni Park is super-duper and a wonderful spread for a baseball team. All Artesia can cheer for it.

Like the cleanliness of the park, the good arrangement, have a mild complaint that the press box ap-

pears somewhat in the raw stage with seat too low for comfortable writing.

To the directors of Artesia Baseball Club, Inc., a salute for their public spirit and courage in laying the cash on the line and devoting many hours to working for the success of the club.

It's going to take cash and sweat to put baseball over in Artesia. This is no kid stuff. It's big time and it'll take work, money, and will to get things done.

**Thanks Again**

There was more sports news written than could be published in the last issue but the mechanical department gave me fine consideration and used all they could.

A yarn on the basketball super, unfortunately, had to be omitted because there wasn't enough space. I regret that but the mech. dept. did its best and when there is too much type something has to be cut.

Anyhow, for the help of the printers in sports, a tip of my battered, ink-stained, pencil-marked brown hat.

**Bouquet Week**

While I'm on the topic of appreciation, here comes a fine letter from H. Floyd Davis, Artesia High School basketball coach. I wasn't able to cover basketball as well as football, because of the avalanche of teams and the marathon of games every week, but I did my best.

"I want to take this opportunity," writes One-Gun, "to thank you for the support and cooperation you have given me and the basketball teams during the past season.

"I feel that you have created a fine sports department for the Advocate and the people of Artesia and surrounding communities. Again I say thanks for all the many services given us."

**Answer Dept.**

For the attention of Bobby Flynn, high school tennis player, who has occasionally stood on his side of the court, gone to sleep, and languidly proceeded to beat me 6-1, 6-0, here's the answer to his question on whether only the district winners or winners and runners-up compete in the state tournament.

From the minutes of board of control, March 8, Albuquerque:

"State tennis tournament:

"32. Motion by Charles Owens, seconded by T. Stovall (Artesia

## Eagles Play Skills Second Tilt Sunday

Playing on their home diamond, the Artesia Eagles will battle a second time this season against the Carlsbad Skulls.

Opening 1951 play, the Eagles contested the Skulls to a 4-4 tie in Santa Fe Park in Carlsbad last Sunday.

This Sunday the two nines will play in Eagle Park. Game time is set for 3 o'clock.

Preceding the game the Artesia Eagle club will have a business meeting and election of officers at 10 o'clock Sunday morning in the Veterans Memorial Building.

Present officers are Fred Lopez, president; Gilbert Herrera, vice president; Victor Hernandez, secretary; and A. G. Samora, treasurer. Gilbert Rivas is business manager and Andrew Martinez captain. Martinez was incorrectly referred to as manager in a story in the last issue.

## Bulldog Track Squad to Contest In Summer Classic

Artesia High School has three athletic squads in action this week end.

Coach Reese Smith's tracksters will vie in the classic Fox Relays tomorrow at Fort Sumner.

Last match of the Bulldog golf team was played yesterday against New Mexico Military Institute in Roswell. Jack Tinson is golf coach.

Coach Cal Hall's baseball team meets its ancient foe, the Carlsbad Cavemen, in a game here at 7:30 o'clock on Tuesday night, April 17.

High School principal and District 5 vice president) that only one singles champion and one doubles team from each district enter the state tournament.

"Motion by B. Caton, seconded by P. Ludi, that above be amended to read that same person cannot participate in both events. (Single and doubles.) Motion carried. Also motion as amended carried."

Most "Panama" hats are made in Ecuador.

The word paper is derived from the Egyptian "papyrus."

Contact James Thigpen or Joe Bill Funk. 23-tfc

## Baseball Games On White Sands Play Day Card

A quartet of sports events are on the program of the annual play day to be held tomorrow at White Sands National Monument near Alamogordo. The fiesta is sponsored by Alamogordo Chamber of Commerce.

There will be baseball games from 10 a. m. to noon; relay preliminaries will also start at 10; track, students 16 and under, 1 p. m.; and the classic White Sands relays from 2 to 4 p. m., concluding the four sports events and the fiesta program.

A circular on the celebration is headed: "Come romp and play with the children and visit with the old timers at the Southwest's most popular playground. Bring a basket lunch. Gallons of ranch coffee furnished by the chamber of commerce."

Heading the annual party are H. H. Brunell, president of the chamber of commerce; Mrs. Pat Lafferty Sage, old timers reunion chairman; Herb Bays, chairman of the play day; and Rolla Buck, chairman of the relays.

## San Angelo Colts in Top Form For 1951 Longhorn Loop Race

San Angelo, April 13—It looks like the San Angelo Colts are closer to "ready" than any other Longhorn League team. With exception of first base, Manager Dutch Funderburk's club apparently is set for the 1951 campaign and the lineup is sprinkled generously with holdovers from the aggregation that barely missed the playoffs last year.

Funderburk, who finished the season with the Colts last year, is serving his first term at the managerial helm. The big Dutchman, who hit 333 and led the loop defensively as a catcher, will share the receiving with young Don Schneegold. Schneegold caught 58 games for the Angels last year and did a good job.

Heading a capable mound staff are Jimmy McClure, last year's manager, Derwood Cox and Bob Garza. Southpaw McClure last season had the league's best earned run average of 2.54 in winning 18 and losing 9. He had five shutouts to his credit.

Cox won 21 and lost 12 and was especially effective against the first division clubs. Garza had a 5-2 win mark. Funderburk also is counting on a lot of help from Rookies Mario Saldana and Lou Lozano.

The Colts figure they can't miss with Charley Young at second base; John Tayoan at third and Tony Guerrero at shortstop. Young, a standout with Ballinger two years ago, had a good season with Harlingen in the Rio Grande Valley loop. He was near the top in fielding and hit 252 in 98 games.

Tayoan has been moved from second where last year he led the Longhorn League in fielding and had a very good batting mark of .284. Guerrero was one of the circuit's top glove men last year but was rather weak at the plate.

**First Base Battle**  
Scrapping for the first base job are Rookies Joe Coscia and Dan Demby. Coscia played a few games for the Colts last year in the outfield, while Demby is a newcomer.

There are four holdovers in the outfield—Bob Crues, Steve Follett, Ken Kowalik and Arturo Caballero.

Despite the fact that he hit 32 homeruns, Crues was somewhat of a disappointment last year. His .251 batting average was considerably below the marks he had piled up in recent year, but San Angelo fans are hoping he will regain

the form that enabled him to equal the all-time record of 69 for a season when he was with Amarillo of the West Texas-New Mexico League in 1948.

Follett is one of the best outfield prospects in the loop. He has a terrific arm and last year came through with a .341 batting record in 150 games.

Caballero hit .299 in 63 games and Kowalik, an infielder last season, had a .270 mark.

The Colts won 82 and lost 71 last season and almost finished in the first division a great late season spurt. They've looked very good in spring training at Mercedes and Funderburk is confident that the Angels will get off to a faster start this time.

# Artesia Nine to Play Famed Kansas City Team Two Games

Artesia's newest sports aggregation, the Artesia Driller baseball team, winner of all home exhibition games played to date, is scheduled to play its exhibition series classic when the Drillers contest the famed Kansas City Monarchs, Negro baseball team, at 7:30 o'clock tonight and the same time tomorrow night in Artesia Municipal Park.

Admission will be \$1.10 for box seats, 80 cents general, and 50 cents for children. The Kansas City team is sending 21 players to Artesia for the two-game series.

The Monarch games come right on the heels of a long trip for the Drillers who played Big Spring there last night after nosing out Walker Air Force Base 3-2 in a game played here Wednesday night.

**Push Ticket Sale**

As the approach of the Longhorn League season nears, Artesia Baseball Club, Inc., is stepping on the gas in plans for booming ticket sales for the opening game, here April 26, against Odessa.

A meeting of President Clyde Guy, Vice President Howard Whitson, and Secretary Howard Whitson yesterday morning at the chamber of commerce with Bill Siegenthaler, president, Bob Koonce, manager, and J. Grady Wright, special events committee chairman of the chamber, resulted in plans for a mammoth opening game ticket sale.

Admission will be \$1 a person. Goal is 5000 tickets.

Charman Wright is to pilot the ticket sales. The group worked out a plan of special contests for the fans in conjunction with the premiere game.

Service clubs, business firms, and students are expected to be called on in the campaign, and advantages to merchants participating in advertising value is to be emphasized.

**Mechem Can't Attend**

Plans for the opening game program are still not definite. Gov. Edwin L. Mechem had accepted an invitation to attend but a meeting of the Oil Compact Commission forced him to cancel his appearance.

Tentative proposals have included the playing of the high school band. There is also to be a huge fireworks display.

Directors of the club are holding meetings almost daily to put the organization into smooth operation by the time the league season opens. The opening day is April 20. On that date the Drillers will be playing Odessa in Odessa, but the first home game of the season, which will be against the same nine, will not be until April 26.

Here is the Driller roster, summary of the last game at home to date, and the Driller's pre-season record:

getting 36 doubles and eight home runs.

Others back from last year's club which won 84 and lost 68 games are First Baseman Danny Concepcion, Outfielder Felix Gomez and Pitchers Bert Baez and Luis Gonzales.

Concepcion owned a fielding record of .980, one of the best in the loop, and hit 314 for the 134 games in which he played.

Gomez, a fleet center fielder, hit .301.

Gonzales was one of the most dependable of the 1950 Bronco pitchers, winning 15 and losing 7, chalking up an earned run average of 3.30.

Baez was the club's general handy man, filling in as an infielder when not used as a pitcher. He won 13 and lost 10 on the mound.

Another 1950 holdover due to join the club is Gil Guerra, rangy righthander who won 10 and lost 9.

Stasey also expects a pair of his 1949 stars—Catcher Al Valdes and Pitcher Gumbo Helba—to be back in a Big Spring uniform before long. Valdes was a classy receiver but a rather weak hitter, while Helba owned a 10-2 pitching mark on the Bronco's pennant winner.

**Pascual To Seniors**

Stasey also expects a pair of his 1949 stars—Catcher Al Valdes and Pitcher Gumbo Helba—to be back in a Big Spring uniform before long. Valdes was a classy receiver but a rather weak hitter, while Helba owned a 10-2 pitching mark on the Bronco's pennant winner.

Cotton States Leagues last season. Holdovers on the staff are Bruce Averill, George Thomas, A. B. (Happy) Sykes, Clarence Weikel, Baird Hutchins and Johnny Townson.

Townson joined the staff in the final week of the 1950 season.

Eddie Hammond, who has entered the cafe business in Big Spring, will be retained as an alternate umpire.

Bill H. R. 1271 sponsored by Mr. Rogers of Texas, and also voice our protest to Chairman Graham Barden of the House Committee on Education and Labor.

Be it further resolved, that we reaffirm our stand in support of the Universal Declaration of human rights.

We recommend continued study of the Ecumenical Movement, the World Council of Churches, and the National Council of Churches, and loyalty to them.

We recommend support of the United Nations' program of relief and rehabilitation in Korea.

We recommend continued support of Church World Service and aid to refugees.

We recommend intensive study on each local level of current proposals concerning military training and universal service, giving attention to the development of measures for international police action, and further, that the re-

On hand to assist the 3463rd

School squadron on its first special day of training was E. E. G. dis, coordinator and advisor of extensive air force training program from Francis Warren Force base.

He is official representative of the air force technical school of the air force training command. He will be at New Mexico Western for a few days to help in various capacities with the official inauguration of the program at the

**Silver Pack's First Baseball Team Plays Tomorrow in Roswell**

A game with New Mexico Military Institute in Roswell tomorrow afternoon will be the third game of the first season of the first varsity baseball team of Eastern New Mexico University of Portales.

Eastern New Mexico will also compete in track and tennis meets in Roswell.

Considering varsity baseball has hardly had time to take shape at ENMU, Coach Carl Richardson is optimistic concerning chances for a fine college team. He has depth in batting power and a well-balanced team outfield.

Like most beginning teams, pitching is a definite question mark, but here, too, he is hopeful that his hurling candidates can come through with the necessary stuff to win games.

Richardson has four pitchers. They are Bill Rosen, Birmingham,

Mich.; Carol Cates, Hobbs; Archie Curley, Lawton, Okla.; and Dale Skipworth, Alamogordo.

**JUNIE RUSSELL, ARTESIA,** will probably handle the catching chores.

Richardson's infield probably will consist of Skipworth at first base; either Jack Barron, Big Spring, Texas, or Gene Quetone, Chase, Okla., at second; Bob Pitt, Mattoon, Ill., at shortstop; and Don Fisher, Borger, Texas, or Eddie Melendez, Roswell, at third.

Morris Wilson, Sundown, Texas; B. B. Lees, Big Spring, and Kenneth Moore, Portales, are scheduled to start in outfield positions.

A baseball diamond has been constructed at ENMU. It is located in the area just north of the football stadium and west of the gymnasium. Bleachers are being moved in to accommodate spectators for the Friday afternoon game.

**Veteran Directs Longhorn League Umpires Corps**

E. F. (Lefty) Craig, field representative and umpire advisor for the National Association of Professional Baseball Leagues the past two years, will head a ten-man umpiring staff for the Class C Longhorn League this year.

League President Hal Sayles said Craig, a veteran player and umpire, would divide time between the Longhorn and West Texas-New Mexico leagues as umpire in chief.

Newcomers to the staff are Bill Nugent of Philadelphia, Pa., who worked in the Class B Southeastern League last year; Howard Dale Ryan of Brownell, Kansas, acquired from the Sooner State League, and Bob Hjertstedt of Chicago, who served in the Rio Grande and

**Big Spring Bronco Gather Excellent Crop of Rookies**

(Editor's note: This is another in a series of stories on prospects of Longhorn League clubs.)

**BIG SPRING, April 13—**Just about everybody the least bit in the know is picking the Big Spring Bronco as the team to beat in the 1951 Longhorn League pennant race.

The reason Big Spring is such a solid choice stems around the fact that the club should come up with the best crop of rookies in the league and likely won't be affected by the military draft.

For the fifth straight year Co-owners Pat Stasey and Al Aton are depending primarily on Cubans

supplied through Joe Cambria's Havana farm system. That system has been most productive in the past, bringing the Bronco first place clubs in 1947, 1948 and 1949 and a third placer in 1950. Big Spring's only Shaughnessy playoff victory, however, came in 1949.

**Bronco "Casey"**

Stasey, the field leader, will be back at his old stand in right field. The Longhorn batting leader of 1948 and 1949 slipped a trifle from the pace he set in those years, but Stasey still managed to come up with the healthy average of .346, one of the best batting marks owned in the circuit. He had 101 RBIs,

(Mrs. Earl Smith)

Mrs. Leonard Bockum and Mrs. Hobbs spent last week visiting Mrs. Bockum's home in the Nash, Winfobr and Camp. The Bennett family spent Sunday with the guests and Mrs. Buck Briscoe of former residents here, visited Mrs. H. L. Miller and Mrs. Alice, Tuesday of last week and Mrs. Garland of Artesia.

Mrs. R. D. Teague and Mrs. Hobbs visited Sunday at the Rayon Jones home. The Rayon Jones home was on the way to Albuquerque. Mrs. Teague is a cousin of Jones.

Westall, W. Y. West, and Hammell spent a week fishing in Martinez in Mexico. They had good luck.

J. Mitchell and two children live on a ranch near Midland. Mitchell's parents, Mr. and Mrs. Haney, and Mrs. Jack Plemons and Glen Henry, spent last week in Hamlin, Texas, visiting Plemons' parents, Mr. and Mrs. Glen Neal, and Mr. Plemons' mother, Mrs. Henry Plemons.

125 person were X-rayed at the tuberculosis unit was April 5. Mrs. Rufus Swinford, Preston Sykes, and Mrs. Jim Jones donated their services for the project. No estimate of the total of the community X-rayed because school children of the fifth grade and up were at their respective schools.

George Kaldor, the former prize Coppinger, who lived in Roswell, has accepted the position in Roswell.

Mrs. Charles Wier, Mrs. Bedford, and Jewel Heard of Hills, and Mr. and Mrs. Needham of Artesia, went to last Sunday to attend championship matched calf contest.

number of Baptist men attending Brotherhood supper and meet-

ing held at the Cavalry Baptist Church in Roswell Tuesday night of last week. Those attending were Rev. E. J. Hollis and sons, Ken-Boyd North, Daniel Reed, Jim Starkey, M. N. Bianto, and Ed Jackson, Sr.

Mr. and Mrs. LeRoy Blass were in Roswell last week.

Mr. and Mrs. Earl Smith and son, Cordell, spent last Sunday in Portales. They visited Karl Broadley, editor of The Portales Tribune, and enjoyed a trip through the college museum.

### Club Bulletin Editor Stresses Civilian Defense

Get behind New Mexico's civil defense program, admonishes Just-in Newman in the current issue of the Kiwanis club bulletin.

"Freedom is not free," he states, "on every hand we see the price tag on freedom. Nothing ever pushes the war news from the headlines. We were all born to reap the benefits of the price that others have paid for freedom."

"Many of us were born while people were dying for freedom. All of us have seen the price-tag."

Turning to civil defense Newman reminds his readers that "we spent millions in the last decade planning to defend ourselves against gas attacks. That is one reason we never had a gas attack."

## Now Hydraguide Steering does four-fifths

of the work for you!

THINK of the easiest steering car you ever drove... then imagine one *five times easier* to steer! Chrysler's new Hydraguide power steering... regular on Crown Imperials and optional at extra cost on all New Yorker and Imperial models... gives you exactly that. Here is by far the greatest single change in handling ease—and safety—you ever found in any car. At your touch on the steering wheel, the car *mechanically* provides four-fifths of the energy to turn the tires on the road. Like so much in these new Chryslers... Hydraguide is so *basically* new, so *basically* better than anything before, that *only when you try it can you ever know* what it really does!

The longest day's drive you ever made... without arm-and-shoulder fatigue at the end. Around the curves... over the hills... Hydraguide does four-fifths of the work!

In tight city traffic... on awkward driveways and roads... Hydraguide means new safety, new ease, new swiftness of steering control!

**The Most Basically New Cars of All!**

Beneath the rich new beauty of these Chryslers for 1951 are 73 different improvements and advances. Among them are the most basic new ideas in any cars for many years! Like the revolutionary new FirePower engine, of 180 horsepower, which gives owners of Chrysler Imperial and New Yorker cars the most powerful, most efficient, most all-around economical powerplant in any car today! And like the amazing new Chrysler Oriflow shock absorbers, which give every new Chrysler car riding ease with *twice the shock-absorbing power* of any other cars at any price. And with all their newness, they're built to stand by you like no car you can buy!

**CHRYSLER**

finest engineered cars in the world

COX MOTOR COMPANY • 301 South First Street

### Work Outlined For CC Units

Letters have been sent by Artesia Chamber of Commerce to chairmen and members of the organization's 18 committees. The letters are dated April 9, signed by Bob Koonce, manager.

Each lists the committee, tells its functions, and concludes: "It is suggested that your committee meet in the chamber of commerce office (316 Carper Building) or any other place you may select to formulate policy, discuss the industrial needs of Artesia, and plan action for the forthcoming year."

"As is the case with all committees, any final policy which commits the chamber, and the outlay of major expenditures must be first approved by the board of directors."

"However the results of the various studies your committee may undertake, and your recommendations, will go far toward influencing any decisions the directors might make."

Committee chairmen, committee name and purpose:

H. D. Dunn, civic betterment—to investigate matters of general civic interest and benefit to Artesia such as beautification, recreation.

C. L. Withers, aviation—no current project requiring attention, but it is possible that matters may develop requiring concerted community effort.

Jess Funk, conservation and flood control—survey needs of Artesia and North Eddy and become acquainted programs of Roswell, state engineer, district well supervisor, Peores River Compact Commission.

Paul L. Frost, publicity—recommend first study of costs of illustrated booklet.

Boone Barnett, housing—to survey housing needs, anticipate future growth from industries; be prepared to act on housing; be prepared to coordinate the efforts of contractors and investors, during the national emergency, especially with reference to priorities on materials, building restrictions.

Arties McAnally, agriculture—no current projects; anything affecting full development of agricultural potential is committee's job; this includes industries relat-

ed to or dependant upon agriculture; equitable farm acreage allotments.

J. Grady Wright, special events—plan such affairs as the annual chamber banquet, chamber participation in V-J day celebration and such matters as may be assigned by the board of directors.

George Fowler, retail trade—study and make recommendations on all matters affecting retail trade including interpretation of price and rationing controls and regulations.

J. W. Berry, highways—an immediate survey of highway needs within Artesia trade territory would seem to be the order at this time; public relations with New Mexico highway engineer and highway commission.

Howard Whitson, membership—to study and assist with membership problems. Committee temporarily on stand-by basis.

Bill Keys, recreation—increased and improved recreation facilities, whether to appeal to tourists or community that will aid in stopping juvenile delinquency, suggested chamber get together or outing; long range view on parks.

Tom Mayfield, state and national affairs—to keep abreast of state and federal developments; recommend policies for chamber; in contact with U. S. Chamber of Commerce; study taxation, governmental expenditures; chairman personally be national councilor for the chamber; to assist in representing chamber should Artesia county proposition again come up.

Ralph Lennon, tourists—to further develop the tourists potential and attractiveness of Artesia.

Jack Faunleroy, budget and auditing—to study past records and plan future budgets; make annual audit of chamber of commerce books.

J. D. Smith, goodwill—plan din-

ners in neighboring communities, annual goodwill trip, furnished a member to represent Artesia at out of town functions when the president or other officers are unable to attend.

Clyde Gilman, civilian defense—education of public for this purpose. It is probable that when city council drafts plans assistance may be asked of chamber in which case committee will operate as representing the chamber.

Elwood Kaiser, safety and fire prevention—on stand-by basis. Later anticipate matters that may require study. Proceed with any projects committee desires to start.

Troop 8 finished their stencil work.

Troop 9 planted seeds in a box which the girls will observe each week until they are grown. They played games and sang songs. Mrs. R. K. Styles and Mrs. J. A. Fairley, leaders, served refreshments.

Troop 10 checked up on their badge work with individual reports. Claire Collins and Nancy Wehant gave a report on the sewing badges. Majorie Herbert gave a report on dogs. Judy Sams gave a report on community life and Hollace Cockburn gave a report on troop dramatics. Camp Mary White folders were given out and the girls discussed their campcraft badge. Sandra Butts and Sandra Collins were ill.

Troop 11: Several girls gave a report on their housekeeping badges. Glenda Watts was parol leader. The girls voted to use Senior Scout uniforms if passed by the board.

Troop 12 planned a cookout, at which members of Troop 28 of the Boy Scouts will be guests. They checked over their badge work. Refreshments were served out of troop funds.

Troop 13 helped Troop 16 with their fly-up ceremony Monday.

Troop 15 had planned to have a cookout, but because of the weather met at the home of Mrs. Bill Ellinger and played games. Chocolate milk was served by Mrs. Wallace Johnson. The girls carried their own lunch.

Troop 17 received instructions for a new folk dance and then practiced it.

Troop 18: Sue Livingston was leader for the day. The girls planned their Mother's Day program. They then had a flag drill. The

flag carrier was Carolyn Kennedy; the guards were Billie Sue Parry and Sue Livingston. Introduction of colors was by SuelLEN Storm: White was Mary Yates, red was Cathy Feeceel, and blue was Paulette Pearson. The girls sang, "America," and did their marching. Closing of the colors was by Sussie Gilchrest.

Troop 19 worked on their dollies again.

Troop 20 practiced a play for the Mother's Day tea. The Pilot Club, which sponsors the troop, served cookies. Lana Garner passed out chewing gum.

Troop 20 visited the Floore Floral Company, where Russell Floore made a flower arrangement, which he gave the girls. It was then in turn given to Mrs. Paul Frances, assistant leader, whose father recently died.

Five Artesia High School vocal students furnished the entertainment Tuesday noon at the weekly Rotary Club luncheon. They were introduced by Howard O. Miller, vocal instructor at the school.

Patricia Carter sang, "The Blind Ploverman," which she is scheduled to sing at the fifth annual South-eastern New Mexico Music Festival here today and tomorrow.

A boys' quartet, Keith Gore, Hunt Zumwalt, Bruce Caskey, and Jerry Blair, sang, "In Silent Meet," "Kentucky Babe," and "The Jolly Roger."

Both Miss Carter and the quartet were accompanied at the piano by Marian Vandeventer.

Rotary President Charlie Bullock appointed Dr. C. P. Bunch,

Paul Francis, and A. R. Wood as members of the club's Boy Scout committee, to serve with Bill McGinty, Thad Cox, and E. B. Bullock.

Few of the ancient Egyptians could grow beards and it was common practice for them to attach a false beard with a strap.

The hibiscus is the national flower of Hawaii.

IN THE PROBATE COURT OF EDDY COUNTY, STATE OF NEW MEXICO.

IN THE MATTER OF THE ESTATE OF MADELINE IONA FOWLER, DECEASED.

NOTICE OF APPOINTMENT OF ADMINISTRATOR

Notice is hereby given that the undersigned has been appointed Administrator of the Estate of Madeline Iona Fowler, deceased, by Honorable C. Roy Anderson, District Judge, acting in the absence from the State of M. F. Sadler, Probate Judge of Eddy County, New Mexico, and has qualified as such.

All persons having claims against said estate are hereby notified to file or present the same as provided by law within six (6) months from the 13th day of April, 1951, the date of the first publication

of this notice, or the same will be barred.

H. F. TAYLOR, Administrator.

IN THE PROBATE COURT OF EDDY COUNTY, STATE OF NEW MEXICO.

IN THE MATTER OF THE LAST WILL AND TESTAMENT OF CARL RAY CUNNINGHAM, DECEASED.

NOTICE OF DATE FOR PROBING WILL

TO WHOM IT MAY CONCERN: Notice is hereby given that an instrument purporting to be the Last Will and Testament of Carl Ray Cunningham, Deceased, has been filed for probate in the Probate Court of Eddy County, New Mexico, and that by Order of said Court the 10th day of May, 1951,

at 10:00 A. M., and that the office of the Probate Judge at Carlsbad, Eddy County, State of New Mexico, has been fixed as the day, date and place set for hearing proof of said Last Will and Testament, and to determine whether or not the same purporting will be admitted to probate.

Any person or persons wishing to enter objections to the probate of said Last Will and Testament are hereby notified to file the objections in the office of the County Clerk for Eddy County, New Mexico, on or before the 10th day of May, 1951, for said hearing.

DATED at Carlsbad, New Mexico, this 9th day of April, 1951.

(SEAL) R. A. WILCOX, County Clerk and Ex-officio Clerk of the Probate Court, Eddy County, New Mexico.

### Girl Scout Notes

Troop 2 met at the First Presbyterian Church. The Scouts brought their money for registration. A cookout was planned for next week.

Troop 3 celebrated Maratha Ann Cabot's ninth birthday. The birthday cake was served by Mrs. Bruce Cabot with pop. Sandra Gray led the girls in singing. The troop was divided into two groups to work on declamation and the play for the Mother's Day tea.

Troop 4 made a visit to the post-office, where Tony King led the girls on a tour. Back at the clubhouse they sang songs and played games.

Troop 5 had the first party, which some of the girls planned by themselves. Glenda Lou Robinson, Joyce Simmons, Karan Short, and Nancy Fowler baked cookies and made cold drinks to serve to the members. Kenneth Robinson played the steel guitar and Carol

## Here's where You come into your own

Once in a while, any man's entitled to let himself go.

He's entitled to that glow of pride that comes from feeling like the very important person that he really is.

He's entitled to take practical steps to make his dreams come true.

In short, he's entitled to own a ROADMASTER, and particularly a ROADMASTER as it is custom built for '51.

For it's more than big and roomy and distinguished in its styling.

It's more than sweetly willing in performance, and superbly poised in stride.

It does things to you, when you let yourself sink deep down in the subtle softness of its cushions, and run a caressing hand over the fine texture of its fabrics.

This is everything a fine car should be!

Of course, this brilliant performer is Fireball powered. It is cushioned by

coil springs on every wheel. It provides, at no extra cost, the complete relaxation of Dynaflo Drive. It has durable and dependable sturdiness engineered into every mechanical part.

But the best is yet to be told. When you check the ROADMASTER price list, you'll find that the car of your choice can be yours for hundreds of dollars less than you'll pay for others with comparable reputation.

Come in soon and see this buy of buys in the fine-car field.

**Her Williams Queen of Ocean Musicals**

America's favorite mermaid, who played a national backstroke championship in a glamorous film which has "gone native."

Regarding her customary swimwear, Esther Williams wrapped three yards of Talcott material around those curves, acquired a deep sun and let her hair fall loosely over her shoulders for her newest part Polynesian heroine "Pagan Love Song." M-G-M's color musical in which she stars with Howard Keel, which is shown at the Landsun on Sunday through Tuesday.

Williams, probably one of the most titled girls in Hollywood, "I'd Like to Be Thrown Back With," "The Girl I'd Like to Be Married to," "I'd Most Like to Find in Myself," etc.) came in line for another title with the filming of "Pagan Love Song" on the island of Kauai. It was the "Queen of Locations." The filming star's recent location has taken her to Sun Valley, Idaho, to Mackinac Island, and to Florida, which is where the Williams girl has been getting around in the water.

It is the fact that Esther was swimming champion most improved of the natives, so it was the island swimmers made a great hit with her. Twenty native aquatic stars were selected to swim with the actress in the picture's aquatic scenes, twelve hailing from Honolulu and the remainder residents of the island.

"They were unbelievable," said Williams. "Most of them were 20 years old and all were born swimmers, both boys and girls. I am sure there were future champions in just one group."

In addition to swimming with the islanders and wearing eye-catching pareus, which are the Hawaiian versions of the sarong, she also went native in her style swimming for the Technicolor camera. A highlight of one of

her numbers in "Pagan Love Song" is a hula performed in the water. Which doubtless marks the first time a mermaid ever was known to adopt a wiggle!

**Hagerman News**

Mrs. Sam McKinstry and Mrs. Ben Jack West motored to Hobbs to spend last week end at the home of Dr. and Mrs. Kenneth Osborne and daughter, Mrs. Oscar Allison of Muleshoe and Sam McKinstry met them at Hobbs and Mr. McKinstry, who had been visiting at the homes of his daughters Mmes. Oscar and Harold Allison at Muleshoe, accompanied them home.

Mrs. E. G. Lathrop, Sr., is visiting her son at Elida this week.

The Hagerman Woman's Club met on Friday of last week for a regular meeting at the clubhouse. The vice president, Mrs. Richard Ables, was in the chair and various business matters were discussed. Mrs. Lloyd Kirkpatrick was elected delegate and Mrs. Jack Menoud alternate to the state convention of Women's Clubs to be held at Hobbs. The Woman's Club chorus sang, "Clouds and Shadows," "If I Could Tell You," "The Happy Peasant Girl," and "Cielito Lindo" with Mrs. Sam McKinstry as accompanist. Members of the chorus were Mmes. D. N. Aiken, Ramon Welborne, Carl Day, Lloyd Kirkpatrick, Jack Menoud, and Bill Langenegger. They and the pianist wore fiesta costumes. Mrs. Jack Hubbard of Dexter gave an interesting review of the book, "The White Witch Doctor" by Miss Shirley Newson played background music during the tea which was held after the program, honoring the past presidents of the club. The club has had just 14 presidents since it was founded, and five of these were present, Mrs. C. O. Holloway, Mrs. C. G. Mason, Mrs. Dub Andrus, Mrs. Harold Hanson, and Mrs. B. W. Curry. Each honoree was presented a corsage of sweetpeas in the club colors of lavender and pink. Sweetpeas were also

used as a table decorations, flanked by tall tapers of lavender and pink. Mrs. Tom McKinstry and Mrs. W. A. Losey, charter members of the club, poured Dainty sandwiches, pickles, individual cakes decorated in the club colors, and tea and coffee were served to the large number present.

A wedding of interest to Hagerman, people was solemnized March 30 at the Baptist parsonage at Muleshoe, Texas, when Miss Mary Lou Finley became the bride of Rex Brisco. The pastor of the Baptist Church of Muleshoe performing the ceremony. Mrs. Brisco is the only daughter of Mr. and Mrs. Vernon Finley, who formerly resided here, where the bride attended school. The bridegroom belongs to a prominent farm family of the Muleshoe section.

**Maljamar News**

(Mrs. Kenneth Shields)

The Women's Missionary Society held its weekly program at the Baptist Church. Mrs. Artice O. Vowell gave the Bible study. Members present were Mmes. W. G. White, Herbert C. Hunter, Artice O. Vowell, Stella Shannon, W. W. White, and Oscar Doughty.

Mr. and Mrs. Gilbert Iverson had as houseguests recently Mr. and Mrs. J. A. Iverson and Patricia and C. A. Fowler of Lubbock, Texas.

Mr. and Mrs. R. Blanda of Crane, Texas, have moved into the Kewanee Oil Company Camp, into the house formerly occupied by Weston Mills.

Mr. and Mrs. L. J. Kelly had as houseguests this week, Mrs. Kelley's parents, Mr. and Mrs. R. L. Sanders, of Anson, Texas.

Mr. and Mrs. Marvin Carter and

son spent a few days visiting in Houston, Texas.

The Kewanee Sewing Club met at the home of Mrs. Kenneth Shields. The main discussion was the ditch that was being dug across the lawn in front of the residence as the guests entered. Two new houses are to be built to the south and this was a connection to the water line. Refreshments were served to Mmes. Dru Taylor, Carl Alexander, M. McIntyre, Freeman H. Alexander, Ira Pleasant, Herbert C. Hunter, Richard Albert of Lubbock, M. P. Blakely, Artice O. Vowell, Luther Kelly and Ralph McGill. Mrs. Vowell has the club next week.

Mrs. E. R. McKinstry attended the breakfast of the Past Matrons' Club at the home of Mrs. Jim Michalet in Hagerman Tuesday of last week.

Mr. and Mrs. Johnnie Klien attended a birthday dinner given in honor of Mr. Klien's father, F. G. Klien of Borger, Texas, Saturday. Twenty relatives and friends attended the affair.

The Baptist Church ladies had a bake sale at the Maljamar Cafe Saturday and made \$35.80.

Samuel Colt, inventor of the Colt's revolver, is said to have got the idea from the revolving wheels of a paddle steamer.

## Get a Free X-Ray Exam

THE FREE X-RAY PROGRAM will end in North Eddy County on Saturday, April 23, which is more than two full weeks away.

But it is an easy thing to put off until the last minute something you should attend to and then not have the time, thus causing you to miss it.

Few of us think much about tuberculosis, especially if there have been no cases in the family, but you never can tell who will contract it or when.

And tuberculosis need not be feared much, if it is discovered early enough, which might happen if one is examined in time.

Some people have thorough physical check-ups at regular intervals. There are others who do it spasmodically, or when they happen not to feel as well as usual. And there are still others who never have check-ups, among them many who can't afford it, but who think they are so disgustingly healthy they certainly could not have anything the matter with them.

If you have just had a check-up made by your physician, that is dandy and there is no reason for taking advantage of the free X-ray program.

But if you are one of the great majority who have not had a physical examination recently, by all means take advantage of the visit of the X-ray units to North Eddy County. The chances are you do not have tuberculosis or any other chest disorder. But at least you will have the satisfaction of knowing for sure. A.L.B.

## Price Was Too High

EVERYONE WHO AIDED, assisted or helped in the recent efforts to create Artesia County deserves considerable credit. It was a good job even if the goal sought was not accomplished.

But as a rule when such fights or campaigns are launched and they fail, an effort is made to find some reason for the program failing. And oftentimes someone is made the goat.

This newspaper did everything it could to aid and help, regardless of some comments made or heard. It is proud of its efforts and whatever contribution it might have made.

But the comment has been heard that the fact that the editor of this paper and this newspaper broke the story regarding the proposed new county a week before some felt it should have been released was responsible for the measure not being passed.

That, of course, is a ridiculous statement, that is not based on facts. All of the publicity and all of the propaganda, statements, news stories or editorials of newspapers had little to do with the failure of the measure. They would have had less to do with it had the bill passed.

It isn't the voice of the citizens or the newspaper comment or the editorial comment which decides these matters.

And since the statement was made and an effort has been made to place the blame on the paper, perhaps the real reason the bill did not pass should be disclosed.

In the first place, the leader could not produce the Democratic bloc needed to pass the bill in the House. He had lost that influence. He did a good job and deserves credit because he did all he could. But this is hindsight and not foresight.

And then in the final analysis the "asking price" was double the "offered price"—and the "asking price" was not met. Those really on the inside know this. Many of the others who probably devoted much time and work and effort doubtless do not know it.

The proposed re-consideration of the bill was dropped because of a threat of investigation of the entire matter.

Plenty of comment has been made and heard both around the statehouse and elsewhere regarding the money involved in the efforts to get this measure passed and in efforts to halt the passage of the bill. Both sides used everything they had to use. The "asking price" was not met and we lost.

Maybe next time we can meet whatever it takes, since seemingly that is the way it must be done.

But let's not try to kid the general public or even this newspaper by charging it to breaking the story a week early or lack of propaganda or news releases or newspaper support over the state. That wouldn't have got the job done regardless of how good it might have been.—O.E.P.

## No Idea of Cost

THE AVERAGE INDIVIDUAL has little idea of the actual cost of getting out a daily newspaper. When we have discussed this at various times with individuals who have voiced the opinion Artesia should have a daily paper, they have almost challenged our statements and our figures. They have been sure we were absolutely wrong—they were sure it could not possibly be that much.

We have made a comparative study not only of the costs of getting out our daily paper, The Sun-News at Las Cruces, with another daily we used to publish in Louisiana, but we have made a study of these figures concerning the Artesia field.

The Las Cruces daily newspaper costs approximately four times what it used to cost to get out the daily paper in Louisiana and that was only six years ago. That means that costs have advanced approximately 400 per cent. Yes, it is even greater than that because the cost of getting out the Las Cruces paper is four times as large as the actual gross business of the Louisiana daily paper.

We have made a careful check of the average monthly income of The Artesia Advocate as a twice-a-week paper over an 11-month period. We have checked all of the sources of revenue and included these in the average gross monthly business. These include display advertising, local and national; legal business; classified business and circulation income.

The present monthly gross average business for this 11-month period would still lack some \$2500 to \$3000 per month actually paying the average monthly overhead costs of The Las Cruces Sun-News. In other words it would take some \$2500 to \$3000 more than the actual business The Advocate does a month now to pay what it costs to get out a daily newspaper.

And in the event we started a new daily paper, we would have no legal business for the daily the first year it was established; our classified business would not be large; our national advertising would be low for the first year and the revenue from the circulation would have to be spent on promotion to try to develop and increase the number of subscribers.

And since the loss each month represents from \$2500 to \$3000 and we could not see how this could be overcome at the present time and since this is \$30,000 to \$36,000 a year, we have been very reluctant to consider the establishment of a daily at this time.—O.E.P.

## DEFYING GRAVITY, BUT FOR HOW LONG?

## What Other Editors Are Saying

### CODE FOR PARENTS

Kansas City, even as Memphis and many other communities, was the scene of an automobile crash during the holiday season that took the lives of two teenage youngsters and seriously injured two others. The neighborhood in which the killed and injured boys and girls lived was especially aroused because all four had been such splendid young people.

The pastor of a church called a meeting one evening. He provided 400 chairs, but more than 1000 parents turned up. Among other things, they heard one of the survivors of the crash tell the story and plead for united effort to prevent such accidents. The underlying causes of teen-age automobile crashes were discussed.

Finally, the audience unanimously adopted a code that pledged parents to exercise jurisdiction over their cars at all times, to let the law take its course if teen-agers were found violating traffic rules and to take an active, positive interest in the moral and spiritual development of children. The omens would seem to be better for that community and the general example is one that might be followed elsewhere.—Commercial Appeal, Memphis.

### KIT CARSON PARK

Establishment of the Kit Carson Memorial State Park by passage of Senate Bill 106 without a dissenting vote was made possible only by Taos' concerted effort.

It gives the lie to our reputation for constant factional squabbling and irreconcilable differences of opinion on all issues. It shows what community co-operation can do and sets a remarkable precedent for Taos.

Less remarkable than its establishment would have been the removal of Kit Carson's grave to Colorado, the eventual grab of the adjoining property by private interests for sub-division and the loss of its historical and recreational values. But due to the whole-hearted co-operation of all factions of the community, Taos has assured to posterity a historic site and beautiful park only a stone's throw from the Plaza.

If on this one of many issues, we can weld one out of many divergences of opinion, there is hope that we can finally hoist an E Pluribus Unum sign over what has been long known as individualistic, divergences of opinion, there is hope that we can finally hoist an E non-cooperative Taos.—Taos El Crepusculo.

### HOW TO BECOME A GROUCH

Are you having trouble becoming a grouch? Do you find it difficult to grumble, frown and sulk? It takes practice, you know. Maybe these seven pointers will help you:

1. Always fall out of bed in the morning on the wrong side.
  2. Treat your fellow workers and associates like you were doing them a favor by glancing in their direction. Deadpan stares usually have wonderful results.
  3. Don't take the trouble to say, "Good morning," to anyone. He might return the greeting. Besides, speaking takes energy.
  4. Don't encourage people to smile. Try to disregard them and imagine that they are laughing at you, not with you. Set yourself to "get even" with them.
  5. Eat heartily of food that disagree with you. Then you are sure to be in trim for the day's grouching.
  6. If someone laughs and enjoys humor, don't laugh with him. Make him feel foolish. Life is all serious business with you.
  7. Avoid making friends. Criticize and condemn. You don't have time for congeniality and friendship. Remember, you are a grouch, and a grouch must live alone, always in the shadow of life.
- Follow these simple rules and you are sure to become a successful grouch.—Seymour (Mo.) Citizen.

### SOFT POLICY TOWARD MAO?

Whoever wants at this moment to approach the Soviet Chinese with mildness . . . runs the risk that his mildness will have no other effect than that Peiping will put forth even more insolent claims . . . Is it reasonable to think that Mao can be soaked loose from Stalin by granting him all kinds of concessions which he could extort from us through his collaboration with the Soviet Union? Is it not more logical to bring home the fact to him, through a forceful attitude, that his aggressive ways will not be accepted nor his conquests recognized?

It is not more logical to bring Mao to the realization that he can never get, in the long run, the aid from the Russians which he needs and that he can get through cooperation with the western powers practically everything needed so badly by his country? Is it therefore not better to give him the opportunity to empty to the bitter drops the cup of co-operation with the Russians?—Het Parool, Amsterdam.

## PONS PONCED UPON, AN AFFAIR OF THE HEART FUND

A "DANCING CAT" carries opera singer Lily Pons, costumed as a dancing girl, into the audience in Ringling Brothers, Barnum and Bailey's 81st annual opening, in Madison Square Garden, New York, where some 40 stars of the show world took part in the circus performance for benefit of the New York Heart fund. More than \$100,000 was raised. (International Soundphoto)

## Assignment

### New Mexico

By G. Ward Fenley

Jack Sitton of The Carlsbad Current Argus can't let a sleeping dog lie.

Three times this past week he jumped on me about the spelling of "yogurt." He got so worked up that he searched through the big Webster, little Webster, the Encyclopedia Britannica, small Collegiate Dictionary, and the World Almanac.

The whole campaign, as we see it, was such as the guys before the investigating committees used (I refuse to answer on the grounds that it might incriminate me)—except in reverse.

Jack was really talking to cover up for his blatant statement: "Personally, I never heard of yogurt." Such ignorance in what we supposed was a well-read editor!!!!

He called into the argument such learned authorities as Carlsbad businessmen who make the stuff, and even a few outside lay people. Among them were: Mrs. Virginia Chenette, 826 North Mesquite (who bless her heart, came to the defense of this porcell bald-headed professor in my spelling of yogurt), and Mr. T. E. Williams, also on North Mesquite at 712.

With very little evidence to back him up, Jack still maintains the commodity is spelled YOGURT—sans "o."

If you insist on being obstinate, Jack, you will actually find that yogurt can be spelled in more than one acceptable. A yogurt publication lists: Yogourt (preferable), yogurt, yoghurt, yoghourt, yahourt, yagurt, yaurth—the last term is used in Africa. In Egypt, the term is Leben Raib.

In Moses' fifth book in the Bible, yogurt (not by name) is mentioned when "the people were made to eat soured milk."

Though in no sense waving a white flag in surrender, shall we sign a peaty of treace, Jack?

Other New Mexico editors last week were as wrong in their spelling—if not in allying as Jack Sitton.

Here they were: Portales Daily News, "A carlessly tossed match," Las Vegas Optic, "The sheriff said the hodlup men," Tucuman News, "Ten skeitons found," Grants Beacon, "The man has been quiet sick," and in the Farmington Times, "The meeting was slimaxed with a celebration."

None quite hits the jackpot such as five typos in one paragraph in The Alamos Herald: "Jack Wilson filed assault and battery charge after being slugged while attempting to brak up what he thought was a fight."

The Hobbs News-Sun came through with a rather good typo: "Mrs. X is getting some help now although it may be too late for her own pailed son."

And The Santa Fe New Mexican blushing admitted that in the March 18 issue the release read: "Cheap water will lower the state's high cost of living and bring prosperity to the farmers."

Must be a dirty process. That's all except what Wes Izard of The Amarillo Globe-News said, when he started talking about his granddaughter the other day. He was handed a card detailing rates for listening to parents talk about their children:

Grandmothers	\$8.00 per minute.
Grandfathers	\$8.00 per minute.
Mothers	\$4.00 per minute.
Fathers	\$4.00 per minute.
Great-grandmothers	\$2.00 per minute.
Great-grandfathers	\$2.00 per minute.

Rate by the hour 50 cents extra. No charge for looking at photographs, if no talk. All fees payable to American Red Cross.

## Certification of Seed Indicated By Blue Bag Tag

"Look for the certification tag on the bag of seed you buy," says County Agent Dallas Rierson. He explains that many years of breeding, selecting, and testing are behind the blue certification tag on a bag of "certified" seed.

"The only assurance that a buyer of seed has that the seed is certified is the blue certification tag attached to the bag under a seal," Rierson points out. "Look for it on every bag of seed."

"The certification tag assures the buyer that the seed is generally pure as to variety; that it is free from objectionable noxious weed, and that it is alive. If the certification tag is blue in color, it assures the highest quality. It also assures the buyer that the seed was grown in the state where the certifying agency is located. Hence, adaptation can be determined."

Certified seed isn't cheap seed, the county agent explains. The buyer has to pay more for certified seed than for non-certified seed. But it is good economy to buy more certified seed even at the higher price. There is not saving in the end by buying cheap seed. The buyer can make more money buying certified seed than in any other operation he performs in growing his crop, especially if he selects a variety recommended by his county agricultural agent or by his state experiment station.

## Inside WASHINGTON

### MARCH OF EVENTS

Harold Ickes Suggested As RFC's Administrator | Former Interior Secretary President Friendly Agency

WASHINGTON—Administration insiders insist that former Interior Secretary Harold Ickes is in line for the job of heading the scandal-ridden Reconstruction Finance Corporation, when and where the agency is reorganized.

The sharp-tongued Ickes is said to be receptive to the idea, though he took occasion a few weeks ago at the White House to deny that he is re-entering government service.

Ickes' reputation for integrity makes him the man President Truman wants to put the RFC back in business on a basis eliminating all "influence" peddling or political pressure.

Ickes quit Mr. Truman's Cabinet in a huff over nomination of California oil man Ed Pauley as Undersecretary of Navy, but he now is on friendly terms with the President and is a frequent White House visitor.

It remains to be seen whether the RFC will be reorganized, opening a job for Ickes. The House has approved the President's plan to replace the five-man RFC board with a single administrator, but there is some sentiment in the Senate for abolition of the entire agency.

● RACKETEER TAXES—Some of J. Edgar Hoover's ex-FBI men may be put on the trail of racketeers who have been evading payment of income taxes in amounts estimated to total hundreds of millions of dollars.

A House ways and means subcommittee, headed by Rep. Cecil King (D), California, is seeking the aid of the FBI director in lining up top-notch investigators in its probe of tax evasions.

Since the House group is also investigating the activities of the Internal Revenue Bureau it cannot employ "T-men" who normally would be called into service for such a task.

Nor can it enlist the aid of active FBI agents, whose jurisdiction does not extend to income tax evasions. The answer may be provided by hiring former FBI men recommended by Hoover.

The House unit already has a list of 126 members of the underworld "elite" whose income tax returns are believed ripe for thorough probe.

● MAO'S HEALTH—The health of Chinese Communist leader Mao Tze-tung is believed to be a matter of serious concern to his colleagues. However, Far East experts in Washington say they see no particular reason for jubilation should Mao's illness prove fatal.

The reason is that his successor would be Liu Shao-chi, who is regarded as even closer to the Kremlin than Mao and even more determined to continue Communist aggression in Korea.

The fact that Mao is ailing became known when he absented himself from public appearances in Peiping for more than three months. He is reported to have sent for a noted Hong Kong physician, who declined to make the long trip but did make a long-distance diagnosis of Mao's illness.

● DRAFT CUTBACK—Don't misinterpret the cutback in draft call for April-May as indication that the military manpower problem has been solved. Government officials from the President down insist the big buildup must go on, and there is still strong indication the Congress will authorize drafting of 18-year-olds and enact a universal military training program.

The Pentagon points out that the immediate reasons for the new draft quotas—40,000 in April, 60,000 in May—are an increase in enlistments and a reduction in Korean war casualties.

The armed forces got 26,000 more volunteers than they had expected and there were 16,000 fewer casualties than had been anticipated.

On Capitol Hill, House Republicans will make a strong bid to divorce UMIT from existing draft legislation, but it's still a bet that even that universal training will go through tied to the 18-year-old draft.

## Artesian's Texas Son Shows Off His Boots in Louisville

Jimmy Joyce, 24, a Midland, Texas, police officer and son of Mrs. D. B. Shira of Artesia, was the subject of a short feature story and picture in The Louisville (Ky.) Times recently, when he registered for the Southern Police Institute at the University of Louisville wearing a pair of \$60 cowboy boots.

The picture shows his displaying the kangaroo hide boots to David McCandless, institute director.

"Yes, sir," the Midland police officer is quoted as saying, "we

## Try and Stop Me

By BENNETT CERF

HOW FAR can a critic go in lambasting an author's work without risking a suit for libel? In a volume on the subject called *Hold Your Tongue*, lawyers Morris Ernst and Albert Lindey recall that Carlyle once characterized Milne's *Life of Keats* as "fricassee of dead dog" and called Herbert Spencer "the most unending ass in Christendom." A Scottish magazine called James Fenimore Cooper a bilious braggart, a liar, an insect, a grub, a reptile, a jackass, a man of consummate and inbred vulgarity, a bore of the first magnitude. In our own time, Paul Elmer More described a novel by John Dos Passos as "an explosion of a sewer."

It was Joseph Schenck who observed: "Winning a million dollars at the race tracks is now well within the range of possibilities—provided, of course, that you're a horse."

**German News**  
(Mrs. Edna Burek)  
American Legion Auxiliary Monday afternoon at the home of Mrs. J. W. Langenegger. The business session, at Mrs. Langenegger presided, reports for the year's work. The auxiliary has \$400 in the treasury. Mrs. Jim Langenegger was chosen by the members to be the candidate for state president. Plans were made to have a breakfast, one at the home of Mrs. J. W. Langenegger, one at the home of Mrs. Marie Bealer and Mrs. Marie Dexter, and the following members: Mmes. Flora Mann, Marie Michelet, Bob Otterback, Dorman, Lloyd Edgar Harter, Homer Mayberry, Jim Langenegger, Dub Hardin, Francis Dub Andrus, R. B. West, Roy and Nancy Eilers, and 10 others.

Presbyterian Missionary Society on Wednesday afternoon at the home of Mrs. Griddle's chapel. Mrs. Griddle as hostess. Brief reports by those who attended the meeting at Artesia. Mrs. Dorman and Rev. Mebane Rambo were another in a series of speakers. The history of the Presbyterian Church. Mrs. J. W. Langenegger, who was unable to be present, furnished lovely refreshments. Refreshments consisted of homemade chocolate cake, coffee, and coffee, which were served by Mrs. T. D. Denvenport, who assisted by Mrs. Griddle's daughters, Anne and Rosa. Those present were Rev. Rambo, Mmes. M. D. Menoud, W. E. Utterback, H. J. Men, J. D. McKinstry, Hal Al Hewatt, and T. D. Davenport.

Smith, owner of the Hagerman Drug, and Cliff Helm of

the First National Bank of Hagerman were both recently hospitalized. This is the second time for each of them to be at a hospital for treatment.  
Mr. and Mrs. H. H. Showner left Tuesday for Texas, where they formerly resided. Mrs. Showner, who was a recent patient in a hospital at Roswell, is seriously ill and it was decided to take her back to Texas where she will be with her children.  
Mr. and Mrs. L. L. Stapleton of Amherst, Texas, have announced the birth of a daughter on Sunday, April 8, at the City Hospital of Hagerman. The baby is a granddaughter of Mr. and Mrs. Mansel.  
The W.S.C.S. met on Wednesday afternoon at the Methodist undercroft with the vice president, Mrs. Carl Ridgley, in the chair and Mrs. C. A. Marshbanks as hostess. A report of the nominating committee was read and the annual election is to be held at the next meeting. The yearbook lesson, "Be Ye Perfect," was presented by Mrs. Burek. This lesson gave a summary of reports of women in industry and the professions, especially stressing health and welfare of women workers and the necessity for them to be paid enough that they can maintain an adequate standard of living. The

need for correct psychological and mental attitudes to be maintained was also discussed. Questions were given out which were discussed at the close of the talk. The hostess, Mrs. Marshbanks, served wafers, cookies, candy, and punch to Mmes. L. R. Burek, J. F. Campbell, J. F. Chrisman, Harry Cowan, C. W. Curry, Ethel Curry, Lester Hinrichsen, Carl Ridgley, Earl Stine, T. J. Shipman, John Shockley, G. H. Woolf, J. W. Wiggins, and Mattie Willoughby, and Misses Esther James, Mary Shipman, and Katherine Marshbanks.  
Funeral services were held in

Roswell Friday afternoon of last week for Mrs. Oney, mother of Mrs. Tom Ferguson.  
Rainbow Assembly anniversary Sunday was observed by the Hagerman Rainbow Girls who motored to Dexter and attended the Presbyterian Church morning services. They were accompanied by Mr. and Mrs. E. S. Bowen, Mr. and Mrs. T. A. Bledsoe, and Mrs. Royce Lankford.  
W. R. Goodwin, who has not been well for some time, became worse Sunday, and his daughter, Mrs. Bill Langenegger, took him to Temple, Texas, to go through

a clinic. They left Monday morning and planned to spend the night with Mr. and Mrs. Wallace Goodwin at Breckenridge, Texas, and to drive from there to Temple on Tuesday.  
Mr. and Mrs. Harry Cowan, James Cowan, and Mrs. C. W. Curry left Friday for Silver City, where the Cowans were to visit the Harry Cowan daughters, Mrs. Bennie Kaupas and Mrs. Jay Johnson, and their families. Mrs. Curry planned to visit her daughter, Mrs. Lulu Egbert.  
Mr. and Mrs. Mendenhall and daughter and Mrs. Mendenhall's father, Mr. Furlong of Lovington, spent Sunday at the home of Mr. and Mrs. Clayton Franklin and daughters.  
Mrs. A. N. Franklin, who had spent several days at the home of Sgt. and Mrs. Yielding and daughters of Roswell, accompanied Mr. Franklin home Sunday.

**CHEVROLET**  
America's Largest and Finest Low-Priced Car!  
  
Yes, LARGEST... and the facts speak for themselves  
Yes, FINEST... and here are the plain-spoken reasons  
It's LONGEST in the low-price field, a full 197 1/2 inches of spirited action and clean, sweeping lines. It's HEAVIEST in the low-price field, a staunch and solid 3140 pounds in the model illustrated. It has the WIDEST TREAD in the low-price field, a road-taming 58 1/2 inches between centers of the rear wheels. Longer, heavier, with wider tread . . . that's the measure of Chevrolet's rock-solid value . . . big in looks, big in handling and riding ease, big in road-hugging performance. Why settle for less than a Chevrolet . . . when Chevrolet is the lowest priced line in the low-price field.  
FISHER BODY QUALITY, renowned for solid and lasting goodness. UNITIZED KNEE-ACTION RIDE, smooth and gliding. VALVE-IN-HEAD ENGINE ECONOMY, spirited performance at lowest cost. PANORAMIC VISIBILITY, with a big curved windshield and large window area. JUMBO-DRUM BRAKES, biggest in Chevrolet's field. SAFETY-SIGHT INSTRUMENT PANEL, with shielded instrument lights. POWERGLIDE AUTOMATIC TRANSMISSION, billion-mile-proved, combined with 105-h.p. valve-in-head engine optional on De Luxe models at extra cost.  
Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!
