The Community Choir will present one of the most inspiring Easter Sunrise services to be seen anywhere on the Plains. A number of visitors are expected to be present from out of town.

The chor numbers about 40 and is under the able direction of Mrs. H. A. Longino. The group has been practicing at intervals for the past six weeks, and at times, it looked like the service from the public would keep the service from materializing. The sunrise service will be at the football field and stage props are currently being made.

To this writer, Easter is THE highlight of the religious year, and the Sunrise Service is a perfect way to begin to most glorious Day of the year.

In the trustee election Saturday. Continued on back page.

P. T. A. Meeting Tuesday

Mrs. Lenore Tunnell of Tahoka will be the guest of the PTA next Tuesday afternoon, Apr. 13 at 3:45 and will review the book "Heaven In Her Hand". Church circles, Bible classes, study clubs and others of the town are cordially invited.

FHA Style Show Is Next Tuesday

57 FHA girls will feature the latest styles in their annual Easter Parade in the High School auditorium April 13th at 8 p. m. Junior and Chapter Homemaker degrees will be awarded. Another attraction on the program will be the presentation of their skit "The Spirit of Friendship" which won 1st place in the area 2 FHA meeting in Odessa recently. The skit will be presented at the State FHA meeting in Ft. Worth on April 23rd.

Junior Play Friday Nite

The Junior Class will present "Am I Intruding?" in the high school auditorium at 8:00 p. m. April 9th. Admission will be 25 and 50c. This is a modern comedy with a mystery plot that holds the attention from start to finish and has a surprise ending. There is no big star part as all the cast have an opportunity to shine as individuals. Through the three acts of "Am I Intruding?" the rapid action brings about one situation after another in which are mingled thrills and laughs. The comedy is natural and every character in the play is worthy of a star actor.

Mrs. Kenneth Sutton is in charge of the play and the cast includes Mary Pierce, Carl Jones, Nancy Everett, Doreece Lavender, Billy Pennington, Jack Worthington, Carole Thompson, Avery Ross, Yvonne Seay, Bobby Sledge, Jo Ann Griffin and John Spraberry. Be at the play this Friday nite.

The Index understands that fewer than 10 local laborers will be used as the remainder will be company men.

40 Dogs Are Killed In Anti-rabies Drive

In the City's drive to rid the city of stray dogs, some 40 dogs have been killed with a few more dogs yet to be killed. Mayor L. J. Hash said Monday. Recently 29 dogs were given anti-rabies shots and were tagged as safe. The project has not been without a funny side: recently boys turned out about 20 of the dogs out of the pound and the dogs had to be recaptured. Mr. Hash urged all owners of dogs to give their pets anti-rabies shots and protect the animals as well as folks of the community.

The program of removing stray dogs has met with the public's approval and a drive once a year would keep the dog problem solved. A tip of our hat to the City for this worthwhile project.

VITAMIN PURCHASE AT TIMES IS WASTE OF MONEY, SAYS DR.

"Hypervitaminosis is a long word meaning too many vitamins," says Dr. Geo. W. Cox, State Health Officer. The diseased condition probably was derived from the tendency of some persons to think that if a little bit does good a lot will do better. This is not the case in taking vitamins or medicines whether prescribed by a physician or taken on one's own initiative. Millions of dollars are spent yearly in synthetic vitamin preparations by persons who mistakenly believe they will counteract careless eating habits or cure numerous ailments. Unless prescribed by a physician for a specific need, synthetic vitamin purchases are usually a waste of money. Nutritionists have long urged that, except when prescribed by a physician, vitamins be secured from the grocery store in the form of green, leafy and yellow vegetables and dairy products. This is the more beneficial and economical way of assuring an adequate intake of these necessary substances. It has been established that Vitamin A and D taken in excessive amounts are harmful. Other excessive uses of vitamins have resulted in cases of vitamin toxicity. Excessive intake may be as dangerous as deficient intake. Take vitamins only when prescribed by a physician and only in the amount ordered by him.

Miss Jean Sieler will present her advanced piano class in a recital at the high school auditorium next Sunday at 3 p. m.

Mr and Mrs. Odie Line and family of Dallas visited here Monday.

Morris Heads County Teachers

The County T.S.T.A. met Monday nite April 5th at the school cafeteria. Teachers from Tahoka, Wilson, and Grassland and from here attended and enjoyed the event. Members of the Junior class served the dinner which consisted of chicken and all the trimmings. The High School Choral Club, directed by Maurice Jones, entertained the group. In the business session, officers for 1954-55 term were elected.

John Morris, local superintendent was elected the new president of the group, Miss Townsley, of here, the new secretary and Mrs. Davis of New Home, treasurer.

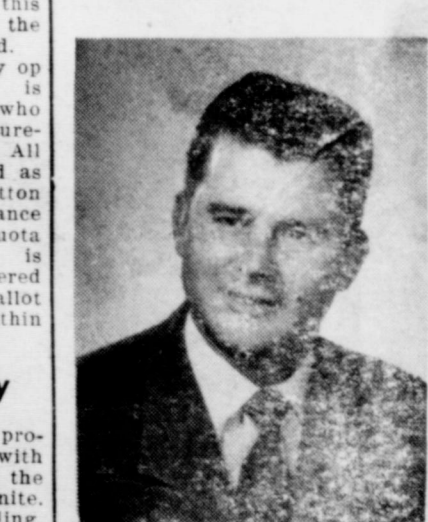

School Expected To Lose Teachers Due Drouth

The O'Donnell School Board will meet Thursday nite in a called meeting to canvas the election returns of last Saturday and to organize a new Board. On April 22nd is the regular meeting nite and at that time the Board is expected to elect teachers for the 1954-55 term.

School Superintendent John Morris said that according to the current daily average attendance the local school system MAY have to start next school year with 7 to 8 FEWER teachers than currently on the payroll. But in event of a very good crop year, and a resulting influx of Latin-American students, that additional teachers may be had under an emergency program. Usually harvest time causes the peak load in grade school. However, Mr. Morris stressed that regardless of number of teachers next year, that a GOOD school would be maintained.

Easter Vacation Apr. 16-19
The Easter vacation is April 16th - 19th. The high school senior sermon will be May 23rd with Mrs. Virgil Bolch in charge of arrangements. The Junior Hi graduation is the nite of May 25th with Mrs. Ruth Jolly in charge and the high school graduation will be nite of May 27th. The next day the graduates will leave on a trip to a dude ranch in the Hill country.

City Election Held Here

As we go to press late Tuesday 20 votes had been cast in the annual City election and Mayor Jimmy Hash and aldermen Harvey Line and R. R. Peltz appeared re-elected without write-in opposition.

Altho Texas produce a little of everything, their chances for help solve the present coffee squeeze remote. The coffee tree just can't adapt itself to the climatic conditions of Texas. Drought depleted ranges, under bad management, will make a satisfactory recovery if as much as percent of the native, key grasses still on the range. Reseeding in some cases may be necessary but deferred grazing and proper stocking are cheaper methods of recovery. Adequate rainfall is needed in any case.

Q. I understand that after my starting cut off date, I'll be allowed to suspend Korean GI training for periods up to 12 straight months. But what happens if I suspend training for longer than that?

A. If you suspend for more than 12 months, you will be permitted to resume your Korean GI training only if you can show VA that the suspension in excess of 12 months was for reasons beyond your control.

COUNTRY ... Continued from front page

O'Donnell and the district, lived up to its reputation of being as unpredictable as a woman. The vote total of 184 was an all-time record with the usual vote being less than 100.

In electing two new board members, we believe the issue was last summer's tax valuation and was not a discrediting of current trustees, as Messrs. Forbes and Vaughn were perhaps the two most capable members of the Board.

Perhaps the story should begin at a point last summer when the Board of Equalization (incidentally a very capable Board) reviewed the values in the district. It was a very fair job of equalizing but the fatal mistake was in equalizing the values UPWARD instead of a status quo. Such a decision was UNBELIEVABLE as the area was suffering from the most severe drought in recorded history. The farmers, especially, reached a slow boil ... and in Saturday's election the farm vote was unusually high.

As everyone knows, it is easy to jump taxes, but only painful surgery can reduce taxes. The people have a unique way of knowing what is best. If the City had put the water problem to the people in 1949, we probably would not have sunk approximately \$79,000.00 in to a project that looked uncertain at best. It would have been cheaper to ship water in by tank cars.

The school patron can but hope that as time goes on the Board will always measure the request for money by this yardstick: "What has it to do with reading, writing and arithmetic?" Gosh ... wouldn't a lot of present day educational trips be found ... WANTING!

For sale: Fryers: Mrs. Bill Clayton

Mr and Mrs. J C Christopher of Amarillo visited with their parents Mr and Mrs. Jim Christopher over the week end. Mr and Mrs. J C Christopher received word from Dean of Texas A and M college that their son James, a freshman, was designated by the College as a Distinguished Student.

V. A. quiz

Q. I have a permanent National Service Life Insurance policy. Would it be possible for me to change it to a term policy?

A. No. Permanent plan policies may not be exchanged for term policies under the law. However, NSLI term policies may be converted to permanent plans.

Q. I want to take medical internship training under the Korean GI Bill. Does VA consider it as on the job training or as classroom training, for purposes of the monthly allowance?

A. Medical internship is considered as full time institutional classroom training, for GI allowance purposes. But the training must be approved.

Q. I served continuously in the armed forces, without a break, since 1940, and I am just now getting my discharge. Would I be allowed to take the maximum of four years of training under the World War II GI Bill?

A. No. The reason is that the World War II GI training program for nearly all veterans, comes to an end on July 25, 1956, about 2 and half years from now. But you would be entitled to the maximum amount of training under the Korean GI Bill which is 36 months.

Q. I am a World War II veteran who recently became disabled and I plan to apply for the VA pension which is payable for total and permanent nonservice connected disabilities. I have a wife and two children. Will I receive a larger pension because of these three dependents?

A. No. Pension rates for non-service connected total disabilities are not affected in any way by the number of dependents you may

A drop in the use of animal by-products and higher costs of processing and delivery to the consumer are given as important reasons why beef prices haven't dropped as much in over the counter sales as was expected with lower prices for live animals.
