

To Be Sworn In

Eldon Mahon, right, will be sworn in as United States District Judge at 2 p.m. tomorrow (Friday) in the federal courthouse in Fort Worth. He is pictured with Sen. John Tower who helped secure his appointment to the judgeship and testified in his behalf before the Senate Judiciary committee.

6.48% Gas Rate Increase

Second Lone Star Proposal Accepted

Colorado City residents will start getting higher bills from Lone Star Gas Co., starting late next month. City Council Monday night ap-

proved an average 6.48 per cent gas rate increase and approved a rate adjustment clause

which gives Lone Star the right to pass along their gas cost increases to customers.

The increase approved was significantly less than was first requested by Lone Star. The first request was for an average of 8.1 per cent with the users of only 1,000 cubic feet of gas facing a 32 per cent increase.

Under the rate approved, the users of only 1,000 cubic feet will face a 19 per cent, which was still higher than most councilmen liked.

The rate approved includes a decrease in price for mass users of gas as an incentive to use gas. This was one of the main points of contention between Lone Star and the City Council.

City Council passed the rate increase by a 5-2 vote but some councilmen would have preferred a flat rate increase rather than one on a sliding scale.

However, councilmen went ahead and approved the rate increase in the belief that if the

See RATE
Page 3

A special City Council meeting will be held Monday to act on a proposed ordinance regarding livestock feed lots.

Council voted Monday night for the second time to have an ordinance drawn up to protect the city from air and water pollution that some councilmen feared could be caused by a large feedlot operation.

Following June's city council meeting when a large delegation appeared before the council regarding the proposed location of what they believed would be a commercial feedlot operation, City Manager J. A. Sadler Jr. undertook a study on the matter.

He recommended to the council that the city not pass an ordinance that the city not pass an ordinance since the Texas Water Quality Board would hold a public hearing before the es-

establishment of a feed lot and if the city objected, protests could be made at that time.

Monday night, Jimmy Moody, came to the council meeting and explained to councilmen and several others who lodged a protest last month, that he planned to feed cattle on irrigated bermuda grass and out of feeders. Moody told the council the 80-acre would handle only about 150 head of cattle.

Councilmen and members of the delegation who lodged the protest last month said this would not be objectionable.

However, Mayor C. C. (Mike) Burt asked for and received a motion to proceed with the ordinance in the event anyone should ever decide to try to put in a large feeding operation.

The council was criticized during the annual audit by Joe H. Morren, CPA, for patroni-

zing the businesses of councilmen which Morren said is prohibited by city charter.

However, City Manager Sadler retorted later that the businesses of these councilmen were patronized only when services or goods were not available elsewhere.

--Flats were taken to Buck May Mobil to be fixed because no other station wants to fix them, Sadler said.

--Bids were taken on lawn mowers and Western Auto had the low bid, Sadler said.

--Recreational supplies were purchased at Eddie's Pharmacy because they weren't available elsewhere, Sadler said.

In his audit, Morren pointed out that the city has earned more than \$11,000 in interest the past year on invested money.

School Construction

Snyder Firm Low Bidder

Low-bidder Wadleigh Construction Company has started construction for the new 6,000 square foot physical education-music building at Hutchinson Elementary School.

The Snyder firm moved onto the construction site this week after being awarded the contract Monday night by Colorado Independent School District board of trustees.

Wadleigh's bid of \$34,875 was low among proposals submitted to the board by 5 West Texas firms.

Plains Builders Inc. of Abilene proposed \$38,000--\$3,125 higher than the successful bidder. Paul Bonine Construction Company of Abilene submitted a \$39,000 bid, Sparks Investment of San Angelo bid \$45,865 and Abbot Building Company of Midland bid \$45,917.

Construction of the fabricated steel building which replaces the dilapidated frame structure

that served as Hutchinson's band hall will provide permanent indoor physical education facilities, separate band and music rooms and, at the same time, free rooms inside Hutchinson needed for classroom instruction.

The old frame band hall has been removed and the new steel structure is being erected in the same area, east of Hutchinson's southeast wing between the fourth and fifth grade wings.

Completion of the new unit is expected to be completed before Aug. 23, first day of classes.

Taxpayers can breathe easy because the \$38,000 construction tab will be squeezed out of regular budget funds set up for the 1972-73 budget.

Physical education facilities will occupy almost three-fourths of the new building. Interior of the new unit will be paneled, have insulated walls and ceiling. Sound insulation

will separate the music band units.

The new construction is being carried out along with a general face-lifting with new paint and other improvements within Hutchinson's main school building.

Physical education has been on a make-shift basis at Hutchinson, claiming classrooms severely needed for class instruction. This space need has increased, of course, with the shift of third grade to Hutchinson as the kindergarten and bilingual program required more space in Kelley Elementary.

Inadequate physical education, band and music facilities also was one of the criticisms voiced here last school year by an evaluation and accreditation committee of Southern Association of Colleges & Schools. Accreditation by this association is essential for the school system and its students, and, the new building will meet the recommendations of the inspection committee.

\$1.5 Million To Farmers

Set-Aside Payments To Total \$3.5 Million

Mitchell County farmers this week will receive nearly \$1.5 million of a total of \$3.5 million to be pumped into Mitchell County in the form of farm set aside program payments.

The total \$3.5 million will be paid Mitchell County farmers before the end of July, according to Don Stewart, executive director of the Mitchell County Agricultural Stabilization and Conservation Service (ASCS).

In addition, Stewart is in the process of mailing out payments in excess of \$40,000 for pollution abatement and wind erosion control practices.

On the set aside program payments, Stewart early this week mailed out \$356,000 and Wednesday another \$1,124,000 was mailed.

There are 850 farms involving some 1,000 cotton-wheat-feed grain procedures signed up in

the set-aside program. There are 12,000 acres of cotton, 30,150 acres of feed grain and 9,960 in Mitchell County in the set aside program, Stewart said.

Payments under the set-aside programs are made to farmers who agree to set aside part of their land from production in order to meet a national objective of balancing supply and demand in certain commodities.

These payments help to offset the loss of returns from cropland that otherwise would be used for income-yielding production, and on which the farmer is obliged to continue to pay taxes and apply needed conservation steps.

Payments to producers are limited to \$55,000 per person for each of the three crops--feed grain, cotton and wheat.

Farmers are receiving the payments a month early this year due to streamlined procedures inaugurated in 1970 by ASCS.

These early payments help many producers reduce their need for long term credit and cut the amount of interest paid.

The flow of cash at this time is expected to be of major significance to rural communities, USDA officials have said.

Nationwide, approximately 750,000 cotton, feed grain and wheat producers were mailed a total of \$850 million in expe-

dated preliminary payments.

National total payments are expected to be about \$3.7 billion.

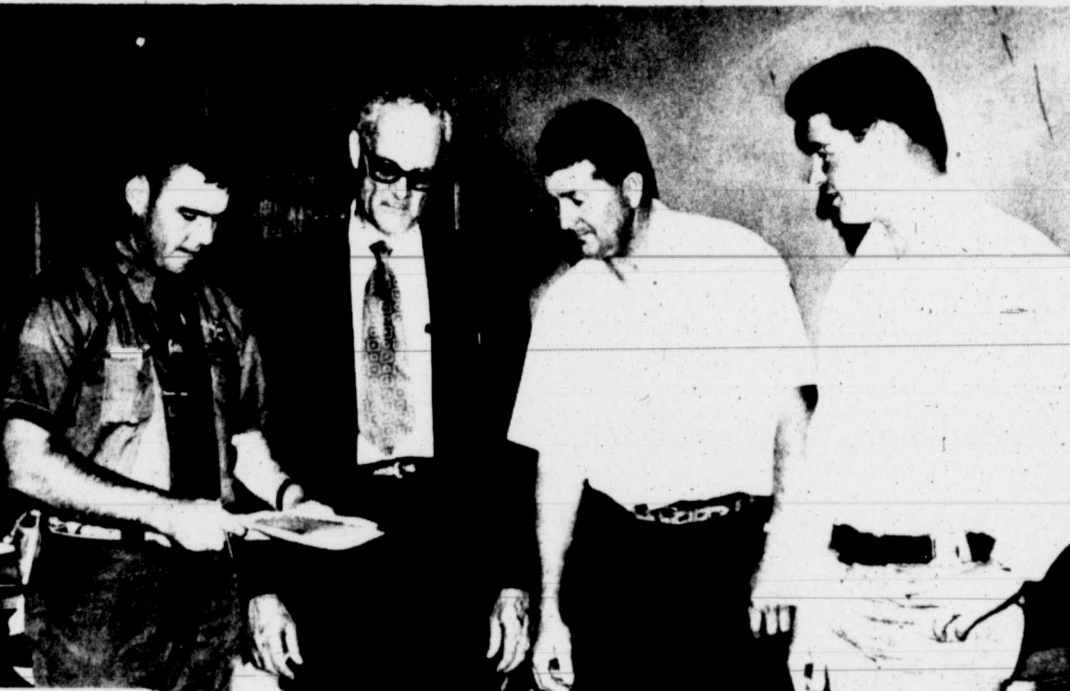

Feed grain producers in the nation ultimately will receive about \$1.9 billion, cotton producers about \$825 million and

wheat producers about \$1 billion.

Preliminary payments to wheat producers are limited by law to 75 per cent of final payments. Final wheat certificate payments will be made after Dec. 1. Last year, Mitchell County wheat producers received \$16,473.

Feed grain and cotton farmers may or may not get a final payment, depending on market conditions.

Stewart noted that Mitchell County received \$3.6 million under the set aside program last year. That amount is expected to be down very slightly this year, he said.

Law Academy

Among those attending a law enforcement academy in Colorado City this week are, left to right, Mitchell County Sheriff-elect W. R. (Bill) McGuire, FBI Agent Earl Cullum, Shackelford County Sheriff-elect Ben Jack Reilly and Snyder Policeman Brian Blair.

Academies Underway

Lawmen Studying Here

The first of two 3-day law enforcement academies will be concluded here today with the second academy scheduled next week.

The academies are sponsored by the West Central Texas Council of Governments and are being taught by special agents of the Federal Bureau of Investigation (FBI).

The academy now underway started Tuesday and is being taught by Agents Earl Cullum and Ben Harrison.

The second three-day academy

will be presented next Tuesday, Wednesday and Thursday and instructors for subjects presented during those three days will be Agents Jarrell H. Davis and Leland D. Stephens.

Classes are being held in City National Bank with County Judge Bill Carter as host.

Attending the first three day academy are Colorado City officers Wayne Schultz, L. C. Devorce, W. R. Upshaw and Mitchell County Sheriff Deputies W. R. (Bill) McGuire, Simon

Barrera, and Forrest Smith. Rodney Walker from Loraine is attending the academy along with Scurry County Deputy Dan E. Callaway and Snyder officers Brian Blair and Chief Bobby J. Goodwin.

Those attending from Sweetwater are Glenn P. Willeford, Joe D. Jeffrey and James H. Watson; C. A. Renfro from Roscoe; Ben Jack Reilly of Albany, Shackelford County Sheriff-elect; and Harrell Duane Greer and David Paul Seymore, both of Merkel.

Subjects being covered during the first session include aspects of investigation and jurisdiction of federal agencies; crime scene search; crime scene photographs; laboratory examinations; arrest and handling prisoners; police liability and civil rights; assaults on officers; interviews and interrogation.

Subjects to be covered during the second session include latent fingerprints; testimony in court; sources of information; problems; a practical case; burglary, robbery, auto theft; public relations, and note taking and report writing.

Lone Star Award To Five Youths

Five Colorado City youths will receive the Lone Star Farmer degree at the State Future Farmers of America convention, which opened Wednesday in Dallas.

The degree is the highest award that a Future Farmer can receive at the state level.

Leaving early Wednesday for the convention were 3 of the Lone Star award winners--Dwayne Nix, son of Mr. and Mrs. Truman Nix; Robert Cox, son of Mr. and Mrs. James Cox; and Kirk Morris son of Mr. and Mrs. Preston Morris.

The other two Lone Star award winners--Terry Haggerton, son of Mr. and Mrs. E. Verett Haggerton, and Larry Strain, son of Mr. and Mrs. Waddell Strain--were unable to attend the convention because of their agricultural work.

Also representing the Colorado High FFA Chapter at the state meeting are Bruce Hill, chapter president for 1972-73, son of Mr. and Mrs. J. D. Hill Jr., and Jerry Boyd, chapter secretary for 1972-73, son of Mr. and Mrs. Joe Boyd, and teacher-sponsor Frank Brownfield.

Four Future Farmers and

their teacher-sponsor Kenneth Beasley, are representing Westbrook FFA Chapter in the convention business and activities. They are Billy Denson, Rodney Moore, Tim Oden and Leroy Miller, whose departure for Dallas also was early Wednesday morning.

In addition to their Lone Star degree awards, Colorado High FFA Chapter will receive additional recognition at the convention. This will be a Gold Emblem Rating for the chapter's outstanding program of work and achievement.

Only about 10 per cent of the chapters within the entire state qualify for this rating annually.

The Colorado chapter has an even higher award expected in the fall for Lyndall Gibson, now a student at Howard County Junior College who also is farming leased acreage south of Colorado City.

Gibson, son of Mr. and Mrs. J. D. Gibson, has been approved by the State FFA for the coveted American Farmer Degree, highest award for a Future Farmer. The American awards will be presented at the National FFA Convention in Kansas City, Mo., in October.

Annual 4-H Dress Revue

8 p.m. Friday

4-H girls go to many lengths with summer fashions in a clothing 4-H project.

Results of the June construction workshops will be viewed at the 1972 Mitchell County Dress Revue.

This event is scheduled for 8 p.m. Friday in the Lone Wolf Electric Medallion Room.

Everyone is invited to "swing into summer" with the dress revue participants.

Following the revue of fashions, awards will be presented and refreshments served.

Now Open

The Ceramic Hut, at 17th and Hickory in the newly rededicated E-Z Way Superette Shopping Center, is now open for business. The Ceramic Hut is being operated by Mrs. Johnnie Hammond, right, with the assistance of Sue Long, Mrs. Hammond invites everyone to come by Thursday, Friday and Saturday to get acquainted, look around and have a free Coke.

Colorado City Record

One Week Mission Begins Saturday

Youth from the Plainview Baptist Church are leaving Saturday morning for El Paso where they will spend a week conducting a Bible School and a revival.

The revival and a Bible School conducted by the Green Hill Baptist Church will be held in Clint.

The Bible Schools will be in the mornings and the revivals will be in the evenings.

According to Miss Debbie Forest, youth director of the Plainview Church, there are 11 young people going from their

church including herself and Rev. Caddo Matthews.

She also stated that Rev. Roy Johnson, pastor of the Westbrook Baptist Church, would be bringing some of the messages at the revival, and will be taking about three young people from his church.

If anyone is interested in taking the mission trip you may contact Rev. Caddo Matthews, 728-2705, by Friday afternoon.

In order to raise money to go to El Paso, the group will be having a garage sale Thursday at 417 E. 13th, Colorado City.

Published every Sunday and Thursday morning by Colorado City Record at Colorado City, Texas. Second class postage paid at Colorado City, Texas. Mailing address, Colorado City Record, P.O. Box 92, Colorado City, Texas 79512.

JOE BELL and MAC McKINNON, Publishers.

SUBSCRIPTION RATES: By carrier home delivery or mailed within Mitchell County, one year \$5.50. By mail in all other counties and out of state, one year \$6.90. By mail to colleges or universities, 9 months \$4.50.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation will be corrected when such occurs in the columns of this newspaper and is brought to the attention of the management.

The Colorado City Record is not responsible for copy omissions, typographical errors or any unintentional errors that may occur other than to make proper corrections after being brought to attention. Advertising is accepted on this basis only.

RATE
From Page 1
matter had gone to court, Lone Star might have been granted even more than what they had requested originally.

Also a point of contention was the gate rate adjustment clause which gives Lone Star the right to raise rates within a certain scale without going to the city council for approval.

This adjustment is limited to when the Local Lone Star distribution system's price for gas is increased at the well head.

The existing rate for Lone Star is \$1.67 for the first cubic foot of gas and \$929 for all over 1,000 cubic feet.

In negotiating the rate in-

crease, City Council and City Manager J. A. Sadler Jr. saved residents of Colorado City almost \$3,000. The increase requested initially would have netted Lone Star \$14,009.80 while the request approved nets Lone Star only \$11,207.84.

Here is the rate approved by the city council with the rate requested initially in parentheses:

First 1,000 cubic feet \$2 (\$2.20); next 3,000 feet, \$1.06 (\$1.05); next 6,000 feet \$1.95 (\$1.95); next 15,000 feet \$3.88 (\$3.87); next 75,000 cubic feet \$8.83 (\$8.82) next all over 100,000 \$9.90 (\$7.79).

Bills reflecting the rate increase probably will not go out until about Aug. 24, said George Admire, local manager for Lone Star Gas.

"Summertime" In Colorado City

Summer is the time of the year when people old and young seem to enjoy themselves most.

The older generation will think about when they were young and went to the local creek to swim instead of the supervised and chlorinated swimming pools.

Youngsters and adults both crowd into the Colorado City swimming pool. There were 150 people paying to swim Monday.

Summer is also a time for sports.

Baseball is a favorite sport for late evenings during the

summer.

Boys can start playing in a league at the age of seven and can play until they are 18 years old.

Farm League is for boys ages seven to nine.

Little League is for boys 10 to 12.

Texas Junior Teenage League is for boys ages 13 to 16, and the Senior Teenage League is for boys 16 to 18.

Sometimes the mothers of the Little League boys also become involved and have their own game. The Rag-Nots and Raggedy Ann's will be playing a game of softball at 8 p.m. Thursday night in the little league park.

Coaches for the Rag-Nots are Sheriff Lewis Claxton and Bob Schauwecker.

Coaches for the Raggedy Anns are Dale Geiger and Danny Galey.

Umpires will be Arnold Parker and Joe Pharris.

The younger children may be seen at different times feeding the ducks and geese in Ruddick Park.

This seems to be a big attraction. There are several domestic ducks that will flock to a group of people holding bread scraps and anything else that might tickle the ducks' appetites.

Children - little, middle size, and big - seem to delight in watching the ducks gobble the bread and beg for more.

Even many adults have been caught throwing food and grinning with delight in seeing them enjoy bread scraps or cookies.

Another summer attraction in the Colorado City area is the State Park at Lake Colorado City.

The park was acquired by the state of Texas in June 1970. Before the acquisition the park was Merritt Park.

The four regular employees

who work all year at the park are Joe Robinette, park superintendent, Jim Reynaud, Tom Carlock, and Mrs. Lillian Munday.

Robinette and his wife reside in a trailer house in the State Park.

Part time help during the summer consists of six young men who do odd jobs such as mowing, picking up trash, patrolling, and preparing the land for the major construction which will begin in the near future.

Part time attendants are De-wain Nix, Russell Hertenberger, Pat Reilly, Dan Leonard, Rick Soreason and Randy Riley.

There are three summer attendants who work at the gate collecting permit fees.

Working during the days all year is B. B. Lee, during the evening is Skeet Kimbrell, and Roger Hudgins relieves these men on their days off.

The busiest week for the Park was the Memorial Day Week, May 24-31.

It has been estimated that 5,000 people were in the park sometime during the week.

There were 800 cars paying permit fees for that period and there is an average of three to four people in each car according to Robinette.

A slow week at the park averages 600 cars with an average of three to four people per car, Robinette said.

There have been no drownings reported this year, and only one near-drowning.

The man who developed severe cramps in the deep water was rescued by Pat Reilly, part-time park attendant.

Volunteers Needed For CAP Summer Program

Mrs. Jeanette Brooks, director of the CAP summer program being held at Wallace Center stated that there had been 128 children enroll for the program since it had started in June.

An average of 75 children participate in activities there each

day from 10 a.m. until 4 p.m.

There are approximately 60 to 75 teenagers attending the program held every Tuesday and Friday nights 6-10 p.m.

Youth helping who are members of the Neighborhood Youth Corp are Nathaniel Jackson, Gloria Faye Lee, Larry Johnson, Carolyn Cloud, Larry Jackson, Diane Aguilar, John Salazar, Lupe Vasquez, Danny Smith, Doris Johnson, Robert DeLeon, Minnie Chavez, and Altha Mae Banks.

More volunteers are needed. If you are interested, please phone Mrs. Brooks, 728-8132.

A field trip June 29 was attended by 90 children.

The trip took them to Webb Air Force base practice field where they saw jets touch down and land.

They toured the control tower and were shown the fire equipment.

After the tour of the practice field, the group went to Ruddick Park where they had a picnic lunch.

Each child was given a sack lunch which was prepared by the cooks, Mrs. Purvis Lee and Ernestine Perales.

The menu for the next week will be:

THURSDAY

Pimento cheese sandwiches
Potato salad
Milk
Orange

FRIDAY

Fried fish
Cole slaw
French fries
Fruit cobbler

MONDAY

Chili dogs
Tator Tots
Milk
Cookies
Apple

TUESDAY

Fried chicken
Boiled cabbage
Cornbread/oleo
Milk
Apple

WEDNESDAY

Pimento cheese sandwiches
Potato chips
Strawberry jello and fruit
Milk.

Slowing Down

The pool was almost empty at 6:30 p.m. Monday after a very busy day. About 150 people were in the pool between the hours of 1 p.m. and closing time. Bill Reilly was lifeguard at the time the picture was taken.

Feeding Ducks And Geese

Mrs. Francis Young is helping her granddaughter, Betheny Rene Norris and her friend Rebecca Jill Erwin as they feed the ducks and geese in Ruddick Park Monday afternoon. Bethany is the daughter of Mrs. Betty Norris and Rebecca is the daughter of Mr. and Mrs. J. R. Erwin.

Ruth COFFEY'S

CONVERSATION CORNER

THERE are a few things in this changing, cockeyed world that are hard to get used to.

It still comes as a shock to the system to have to pay 16 cents for one cup of coffee. Have drunk up a million cups for the whole sum of one nickel and at least a half a million cups when the price went up to a dime.

This 16 cent coffee does not taste one bit better and maybe not quite so good as the old nickel variety.

CAN NOT get quite used to a lady over 21 wearing hot pants down town, though adore wearing slacks and pantsuits which are usually becoming to any woman of any age or shape.

Pantsuits are here to stay, according to a fashion editor in a big daily paper. Already used to them--but not bright hot pants on a mature and plump matron doing her shopping. Get the feeling that she forgot to put on the bottom part of her costume and is dashing around in just a long-tailed shirt.

BOYS and young men with hair long enough for a pony tail and sideburns are absolutely acceptable, sometimes handsome. But will never get used to the mustache and beards below the chins on the young male creatures.

Wonder a little about the complications of kissing when the time comes for kissing. Am way past the age of sampling kisses so shall have to go on wondering.

WILL NEVER adjust to the fact that any high school or col-

lege kid without a car of his own feels ashamed and mistreated. It simply is too far to walk to the tennis courts, though they be just three blocks away and the kids can play tennis half a hot summer day once their wheels have transported them.

It's too far to walk to the library, the drug store, the refreshment stand, the super market or anywhere else they have to go, too. It hurts their feet and feelings.

CAN NOT get used to hearing kids--or anybody else--"Cus-sin"... Men who keep their hats on while eating Five dollar steak dinners, in spite of the fact that West Texas has been home since that long ago "I do" was spoken to the preacher.

Will never get used to ghastly crimes in city and town.

People who knock their little children around on the street or in a store make me want to mount a soap box. Will never get used to that.

And then there are people who drink their 16 cent coffee black or who salt everything on their plate before they've tasted a single bite.

UNABLE to get used to having no passenger trains to ride... Or passing hundreds of campers and cars with boats and trailers... two lane highways anywhere, any more.

Find it very hard to become accustomed to couples who cuddle or quarrel in public and in plain sight of everybody.

Or citizens who call them-

selves Democrat, then go vote with the Republicans--and vice versa.

Never will get used to old men standing on the corner watching all the girls go by - although it's been going on forever.

CAN'T get used to most TV commercials. The new one wherein the loving husband shampoos his wife's hair is enough to drive even sane watchers right up the wall.

Furthermore writers of soap operas are gonna run out of murders, "affairs" and other sins some fine day. Can't get used to all their tears and troubles. Don't know any real families who have so many problems five days a week.

AFTER ALL is said and done can not get used to the high cost of living. Next thing you know that 16 cent coffee will be 26 cents and we'll all be drinking water.

Oh well. As poet Edna Millay once put it in a little love lyric, "If you can't be sorry, you might as well be glad."

If you are glad enough for the good things you might eventually be used to anything. Perhaps and maybe.

WAS GLAD to have a beautiful card mailed by Hawaii by Eilon and Guy Burson.

"Such beautiful country in the island of Kauai, the Garden Island. We go to Maui tomorrow," the Bursons wrote. They are home now by the way.

FRIENDS who remember the

Rev. Jack Selcraig, former First Baptist pastor here and now Pastor of Freeway Manor Baptist at Houston, and friends who remember his pretty wife Vi, daughters Marilyn and Elaine, plus sons Jimmy and Bruce, were pleased to see an item in the Dallas News social section.

Elaine, second daughter, was married June 24 in Houston to Robert Smith Furlow of Indianapolis, Ind.

Elaine became a shining light in journalism while graduating at Baylor University. Now, both she and her bridegroom hold master's degrees in journalism from the University of Missouri. The newlyweds will live in Columbus, Mo.

SEEN LATELYS, few but choice this time, include Charles Walker, Court Reporter, Charles and his wife, Carolyn, are parents of a second son, Scott Jeffrey. Scott has a handsome older brother called Mark.

Sie Hamm of Fort Worth was here on our down town scene. The Hammes were in C-city for the wedding of their grandson Tom Carlock to Debbie Graham.

T. J. Boyd, former Citian, was here from East Texas visiting old friends.

Saw Frankie Vann, Ruth (Mrs. Joe) Barnett, Margaret Oyler, Lovess (Mrs. Tandy) Curlee, Wilma Biggers, Joy (Mrs. Billy) Culwell, Leon Callaway, George Womack, Laverne (Mrs. Bob) Chalk, Shirley (Mrs. Don) DeLaney, and Bill McGuire, Sheriff Elect.

Entrance Gate

Anyone entering the State Park is required to pay an admission fee. The fee is collected by one of three men. B. B. Lee is the daytime attendant, Skeet Kimbrell is the evening attendant, and Roger Hudgins is the relief attendant.

Rag Nots

These women are mothers of Little League baseball players. They are having a softball game tonight in the Little League Park to make money for the Little League fund. The Rag Nots will be playing the Raggedy Anns. Coaches for the Rag Nots are Sheriff Lewis Claxton and Robert Schauwecker. Coaches for the Raggedy Anns are Dale Geiger and Danny Galey.

Fishing Pier

These men are doing some early morning fishing from the fishing pier in the State Park. The pier is located on the west side of the lake.

All Stars Practicing

These are the All-Stars who are practicing for the game against Snyder to be held at 7 p.m. Tuesday. They have been practicing almost every night. Winner of the game between the Colorado City and Snyder All-Stars will play the winner of the game between the All-Stars of Stamford and the Colorado River League.

Receiving Instructions

These young people are receiving instructions about the next hour's activities to take place at Wallace Center. Instructing them is Nathaniel Jackson, Neighborhood Youth Corp worker. There are 13 of these workers employed by the Community Action Program.

Former Dies In

Paul Edward Bymer resident of Colorado City died at 2:30 p.m. Tuesday at Phillips Medical Center in Bartlesville, Okla.

Byron had been married for the past 10 years.

Services were held Tuesday in the Methodist Church of Arnold Moore residence.

Interment was in Memorial Park in Bartlesville.

Byron, a retired dentist for Crestland, was born in Mendon, Mass., 1896.

He moved with early-days Bartlesville.

Byron grew up in and received his schools there.

In 1920 he was Phillips Petroleum.

He worked in oilcat oilwells in the Fields for 14 years.

Byron joined 1936 and moved with the company to Ark.

After eight years the Byrons moved Ark.

In 1948, Mr. and family moved to City where they retired in 1962.

Upon retirement land, Byron and family turned to Bartlesville where they have since resided.

Byron was married to Josephine Harlan, 18, 1921 in Bartlesville.

A veteran of World War I, he was a member of the J. Post No. 105 American Legion, Bartlesville Masonic Lodge No. 284 AF&AM, a 32nd degree Master Mason.

Annual Homecoming

The annual Silver Anniversary will be held July 14 at the Baptist Church Fellowship.

Ladies are asked to bring refreshments and desserts.

Rites For Miss Dorn

Funeral services for Miss Dorn will be held July 14 at 10 a.m. in the Fort Worth Baptist Church.

Interment was in the Fort Worth Cemetery in Sherman.

Miss Dorn was born in 1925 in Colorado City.

She was the daughter of Louie L. Dorn and Mrs. Mary Thompson of Colorado City who also preceded her death.

Miss Dorn had been manager of the Country Club in Dallas for the past six years.

She made her last trip to Colorado City with her stepfather, a step-sister, and a step-brother.

Survivors include her father, a step-sister, and a step-brother.

Attending the services were Mrs. Lee Dorn, Mrs. David R. Anderson, and Mrs. Anderson.

Former Resident Dies In Oklahoma

Paul Edward Byron, 76, former resident of Colorado City, died at 2:30 p.m. Sunday in the Geriatric Section of the Jane Phillips Medical Center in Bartlesville, Okla.

Byron had been a patient there for the past 10 years.

Services were held at 3 p.m. Tuesday in the Memory Chapel of Arnold Moore Funeral Residence.

Interment was directed in Memorial Park in Bartlesville by Arnold Moore Funeral Service.

Byron, a retired superintendent for Crestland Oil Co., was born in Mendon, Ohio on June 28, 1896.

He moved with his family to early-days Bartlesville in 1905.

Byron grew up in Bartlesville and received his education in the schools there.

In 1920 he was employed by Phillips Petroleum Co.

He worked in drilling wild-cat oilwells in the Burbank Oil Fields for 14 years.

Byron joined Crestland in 1936 and moved to Longview with the company in 1937.

After eight years in Longview, the Byrons moved to El Dorado, Ark.

In 1948, Mr. and Mrs. Byron and family moved to Colorado City where they lived until his retirement in 1962.

Upon retirement from Crestland, Byron and his family returned to Bartlesville where they have since resided.

Byron was married to the former Josephine Harrison March 18, 1921 in Bartlesville.

A veteran of World War I in the United States Navy, he was a member of the James H. Teel Post No. 105 American Legion, Bartlesville Masonic Lodge No. 284 AF & AM, a 32nd Degree Ma-

Annual Silver Homecoming

The annual Silver Homecoming will be held July 23 in the Baptist Church Fellowship Hall.

Ladies are asked to bring salads and desserts.

Rites For Miss Dorn

Funeral services were held July 5 in the Haverson Cole Chapel in Fort Worth for Mary Frances Dorn, 47.

Officiating was Rev. Don Pike. Interment was in the West Hill Cemetery in Sherman.

Miss Dorn was born Jan. 5, 1925 in Colorado City.

She was the daughter of the late Louie L. Dorn of Colorado City and Mrs. Evelyn Eudy Thompson of Fort Worth, who also preceded her in death.

Miss Dorn had been assistant manager of Lakewood Country Club in Dallas for the past six years.

She made her home in Fort Worth with her step-father Rowland L. Thompson.

Survivors include her step-father, a step-sister, and a brother.

Attending the services from Colorado City were Mrs. Corine Dorn, Mrs. Lee Dorn, and Mrs. David R. Anderson of Westbrook.

"SUCH GOOD FRIENDS"

Summer comfort makes your electric service a big value.

Electric service, which does many things well all year round, is doing the most for you when it's adding to your comfort and convenience in the summertime.

Refrigerated air conditioning, evaporative coolers and fans help make life more pleasant under the Texas sun. Refrigerators and freezers work harder in summer. Your other electric appliances stay on the job, too.

Increased use of electricity in the summer - mainly for air conditioning - means higher electric service bills. But considering how much it does for you, electric service is a big value. Particularly in summer, when it's doing the most for you.

Ask for a copy: 8 WAYS TO SAVE MONEY ON AIR CONDITIONING.

If you'd like some tips that may help you save on your air conditioning operating cost, call our office and just ask for a copy of "8 Ways." We want to help you get the most value from your electric service.

TEXAS ELECTRIC SERVICE COMPANY
People power... at your service
D. W. BENSON, Manager, Phone 728-2331

CARD of THANKS

We extend deep appreciation to all our friends, and neighbors who did so much for us during our recent bereavement. We are grateful to Dr. Bill Rhode and the staffs of Root Memorial Hospital and Roland Nursing Home. We thank each of you from the bottom of our hearts.

Ezell - Hall Vows Exchanged

Mr. and Mrs. Phil Hall will be at home in Merkel after a short wedding trip to the Dallas-Fort Worth area.

Mr. and Mrs. Hall were married in the home of the bride's parents, Mr. and Mrs. Charles Ezell, 1911 Vine.

Mr. and Mrs. Robert Hall, 949 E. 14th are parents of the groom.

The wedding took place at 3 p.m. July 7 with the Rev. Don Timberlake, pastor of the Oak St. Baptist Church officiating the double ring ceremony.

The home was decorated with a seven foot door archway covered with palm leaves and colored spring flowers.

At the top of the archway was a multi-colored bow with flowing colored streamers.

Mrs. Hall wore a street length white knit dress with a long waistline and a pleated skirt.

She carried a bouquet of different colored spring flowers over a white Bride's bible.

The Bible was something new given to the bride by her sister, Linda Ezell.

Something old for the wedding was a gold ring given to the bride's mother 30 years ago by her great grandfather.

Something blue was a garter given to the bride by her sister.

Mrs. Hall had borrowed a single strand of white pearls from her mother and had a 1954 penny in her shoe.

Linda Ezell served as her sister's maid of honor.

She wore a blue double knit and carried a small bouquet of spring flowers similar to the bride's bouquet.

Dale Mathis was best man.

The refreshment table was decorated with an ivory colored lace table cloth over an avocado tablecloth.

The three tiered wedding cake was prepared by the bride's mother.

The centerpiece was a bouquet of spring flowers with a candle in the middle.

Serving guests were Barbara and Carla Walker, cousins of the bride, and Julie Hoover, cousin of the groom.

Mrs. Hall is a 1972 graduate of Colorado High School and is presently attending Commercial College in Abilene.

Hall is a 1971 graduate of Colorado High School and is employed by Palmer Pontiac Motors in Merkel.

Guests present for the wedding were the bride's parents, the groom's mother, the bride's grandmother, Mrs. Mary Ezell, Mr. and Mrs. Lance Walker, Barbara, Carla and Junior Walker, Mr. and Mrs. Noble Walker, Mrs. Greg Cawthron, Mrs. H. Wells, the groom's brother, Robert Hall, Mrs. B. Vowell, Mrs. Herman Hoover and Julie, Mr. and Mrs. Kenneth Hoover and Kathy, Tommy Prescott, Dale Mathis, Linda Ezell, and Rev. Don Timberlake.

Mrs. Phil Hall

Rules Read At TOPS

TOPS TX691 met Monday night in the Community Center for their regular weekly meeting.

ing were Mrs. Fred Green and Mrs. Clarence Newby.

The meeting was called to order and the pledge was read by the president, Mrs. James Free.

The song was led by Mrs. Billy Culwell, and the roll was called by Mrs. Bobby Hamrick.

Each week she will read 10 more rules until all of them have been read to the group.

Members attending this week's meeting were Mmes. Bobby Hamrick, Don Hardegree, Curtis Shurtliff, A. J. Dean, M. C. Bynum, Willie Geiger, W. E. Harris, R. B. Cain, Richard Perkins.

Mmes. Bob Ratliff, Lloyd Barr, Glenn Claxton, Parker Jarman, Arnold Parker, Donald Graham, Marcus Vest, Billy Culwell, and Carol Gulley, and Miss Shirley Wyrosdick.

Guests attending the meet-

Play Ball

At 8 tonight, mothers of boys playing little league baseball will experience the pains and triumphs that their sons have experienced all season long.

The occasion is a softball game between two groups of mothers to raise money for the little league.

One team will be the Rag-Nots, coached by Lewis Claxton and Bob Schauwecker. Members of the team will be Ruby Carter, Ann Nobles, Jane Horton, Betty Norris, Shirley Bradberry, Pat Geiger, Shirley McPhaul, Sherry James, Joy Piland, Brenda Fite, Jo Erwin, Glenda Stinson, Ann Martin and Charla Galey.

The other team is the Raggedy Anns, coached by Dale Geiger and Danny Galey. Raggedy Anns are Hortense Neff, Mary Proctor, Joyce Shoemaker, Judy Smith, Maynette Davis, Karen Ezell, Gena Carney, Lavonne Schauwecker, Bonnie Hammonds, Betty Williams, Bonita Englert, Betty Benson, Sue Noel, Jerri Love, Judy Smith and Jimmie Moore.

This will be a fun event that the whole family can enjoy.

CONFUSED ABOUT LONG DISTANCE RATES?

Don't worry. Just remember there's no cheaper way to call Long Distance than with One-Plus Dialing.

Just dial 1+ plus the Area Code (if different from your own) plus the number. One-Plus. You can't beat it.

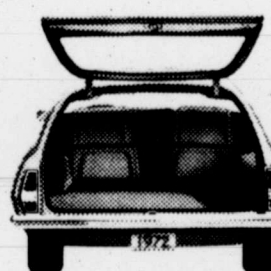

Southwestern Bell

Pinto Wagon: \$2265*

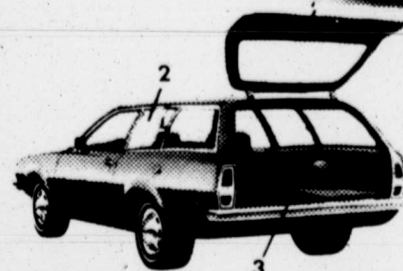

**We put a lot into it.
You can put a lot in it.**

What you can put in: over 60 cubic feet. Put the rear seat down and there's 60.6 cubic feet of carrying space. For comparison: VW Squareback and Vega Kammback both give you a bit over 50 cubic feet.

The basic \$2265* model.

It's the ideal choice for people who want an economy car that carries more—or a wagon that costs less. The white sidewall tires (shown here) are \$28.00.

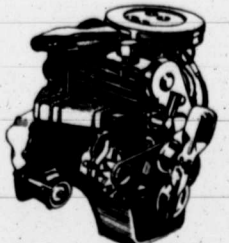

Some Details.

1. The lift gate swings up and out of the way.
2. The rear passenger windows flip open.
3. The spare tire doesn't take up any load room because it has its own well under the floor. And beneath it all, the rear suspension is specially designed for load carrying.

*Sticker Price. Excludes dealer preparation charges, if any, destination charges, title and taxes.

Front Disc Brakes. Standard. And there's precise rack-and-pinion steering, which is normally found only in some of the more expensive sports cars.

2000cc Overhead Cam Engine. It's rugged, economical, peppy—and standard equipment. A 4-speed floor mounted all-synchromesh transmission is also standard.

Better idea for safety... buckle up!

FORD PINTO

FORD DIVISION

The Squire Option. That distinctive wood-sided wagon look, plus wheel covers, special trim, and more. No other economy wagon offers anything like it. Price with the Squire Option: \$2479*. The luggage rack is \$45.53 extra. The white sidewall tires \$28.00.

See Your Ford Dealer.

Letter To Parents

The following letter to parents of children participating in the Community Action Summer Program has been issued by Mrs. Jeanette Brooks, Youth Director.

Dear Parent:

Another in-town field trip for the participants in our summer recreation program will take place Thursday.

The activity will include a supervised hike to Ruddick Park from the Center at 11:15 a.m.

After arriving at the park, lunch will be served followed by a free-play time.

After 1 p.m., the children may go swimming provided they do these three things: (1) bring 15¢ pool admission price, (2) bring swim wear, and (3) bring this slip signed, giving permission to go swimming.

If you would like for your child to go swimming, please sign below giving your permission.
