\$1,500 Needed For Pony Field Improvements

Some \$1,500.00 is needed to pay for the improvements at the Pony League Field on North Main Street.

The Field—one of the most important places in the county because it is designed for young men ages 13 through 18—has been repaired and remodeled.

Pony League President Johnny Morren said, "Keeping young men of this age group busy in one of the best ways any adult can spend time or money. The Pony League is for boys 13 through 15 and the Senior League is for boys 16 through 18."

New restroom facilities have been built at the field; the stands, concession stand, lights, and dugouts have been remodeled; the public address system has been rebuilt with new speakers, and the backstop has been repaired.

Money from the concession stand is needed to help pay for equipment, uniforms, insurance, and utility bills.

Anyone wishing to help with this project is asked to send contributions to: Pony League Building Fund, care of Treasurer James Reid, Box 391, Eastland.

The grand opening of the season will be held at the field at 7 p. m., Friday, May 29. Teams from Cisco, Eastland, and Ranger, will play, with each team playing about three innings of ball.

Officers of the league are George Carter, first vice-president; J. C. Butler, second vice-president; Ray Harbin, secretary-treasurer; Mrs. Morren and Mrs. Harbin, official scorekeepers; Ollie Essum and Floyd William, official umpires.

Volunteers are needed to work in the concession stand.

Locals Escape Injuries In Lubbock Tornado

Mr. and Mrs. Keith Elliott were trapped inside their apartment more than an hour during the tornado which struck Lubbock Monday night, but were rescued unharmed. The apartment house was partially destroyed.

Keith, son of Mr. and Mrs. Jack Elliott, is a student at Tech. Both he and his wife are employed at Lubbock.

Most Tech students from Eastland had returned home before the storm hit.

Mr. and Mrs. Hub Lewis of Eastland arrived in Lubbock Monday night but were not injured in the storm. They went to Lubbock to be with his brother, Bob Lewis of Seminole, who had surgery there Tuesday morning.

Many Eastland and area residents who have relatives and friends in Lubbock have been concerned about their safety in the tornado there Monday night.

With telephone damage in Lubbock, calls were slow getting into and out of the ravaged city.

Mr. and Mrs. C. P. Hastings, whose daughter and family, Mr. and Mrs. Warner Simms, were not able to get through by telephone until about 6 p. m. Tuesday, to learn that they were alright.

Party Honoring

Teresa Dudley

Miss Teresa Dudley of Ranger, niece of Mr. and Mrs. Bill Walters, Jr. of Eastland, was honored with a party Thursday night in the Walters home.

Co-hosts were her parents, Mr. and Mrs. Beverly Dudley, Jr. of Ranger.

Teresa is valedictorian of the 1970 Ranger High School class. She has been very active in school affairs. In 1968, she entered an essay contest and won a trip via American Airlines to the Orange Bowl New Year's game in Miami, Florida for herself and her parents.

She plans to enter North Texas State University in Denton this summer.

Strings of soft light surrounded the gazebo in the Walters yard. Candles and Tiki torches were used and stereo music was played. A bar-be-que dinner was served on the gazebo.

IT HAS BEEN

By Vada Arnold

In days gone by there were brush arbor meetings, square dances on Saturday nights, the wagon circus, side saddles, frock tail coats, red lemons and Hostetters Bitters. Women wore hoop skirts and bustles.

With the passing of these customs, another almost forgotten institution passed into the land of it has been. The old time medicine show. A box like contraption mounted on four wheels drawn by flea bitten horses would pull into a small town, park on a vacant lot, and a fat red faced man the "Doctor" would step down onto an improvised platform and start barking about the only "Cure all, life giving medicine in all the world." When a goodly crowd had gathered the most wonderful entertainment began. Banjo music and a perfectly wonderful fiddler???. Funny stories and jokes provoked

much laughter and there were colored minstrels who sang and "cut the Pigeon Wing."

After a time of fun came the serious moment when the "Doctor" made a plea to those in the audience from five to ninety years of age who were afflicted with indigestion, rheumatism, baldness, tooth ache, corns, liver trouble, Brights disease, tumors, bunions, in-growing toenails, heart failure, headaches, bad breath, night sweats and dizziness and any other ache or pain a human might be subject to. There was no sense in any person being so afflicted, when they could take the famed Herb Remedy offered for sale by Dr. Cure All, manager of the medicine show. Only one dollar per bottle. If six bottles were purchased the seventh was free. People almost ran over each other to be the first to buy this miraculous elixir.

The plea of the doctor, in tall hat and frock tail coat, could by his persuasive tone convince a dead man that he was afflicted and badly in need of just such a cure. Along with this life saving liquid was offered a salve that bore the same magic, a cure for snake bites all kinds of insect bites, removes corns, ease tooth ache and clear the worst complexions that women might have.

A germ killer guaranteed to kill typhoid fever germs, and rabies, smallpox germs were a joke with the use of this wonderful germ killer. Vaccination was completely out with the use of it. Only one dollar as long as it lasted.

After a landslide sale the doctor and his showmen hurriedly packed their wares and disappeared into the darkness. Never to return, to hear the violent threats and gripes of irate customers, who continued to live with their aches and pains until another Medicine Show came to town and they were again misled by a smooth tongued "Doctor."

Engagement, Wedding Date Are Announced

Mr. and Mrs. J. M. Fox of Olden announce the engagement and approaching marriage of their daughter, Glenda, to SP5 Clifton Steedum, son of Mr. and Mrs. Rabb Steedum, of Eastland.

The couple will be married at 7:30 p.m., July 24, in the Calvary Baptist Church in Eastland.

The bride-elect is a graduate of Olden High School and attended Cisco Junior College. She is employed in the County Tax Collector's Office.

The prospective groom is a graduate of Olden High School and has served three years with the United States Army. He is now stationed at Hunter Army Airfield, Savannah, Ga.

applicants when they presented themselves for a place in some school.

"Each day the teacher will fill lamps, clean chimneys, trim wicks and bring in a bucket of water and settle of coal for the day's session. Men teachers could take one evening each week for courting purposes or two evenings a week if they went to church regularly.

After ten hours in school, the teacher should spend the remainder of the time reading the Bible or other good books.

Women teachers who marry or engage in unseemly conduct will be dismissed at once.

Each teacher should lay aside from each pay a goodly sum of his earnings for his benefit during his declining years, so that he will not be a burden on society."

Any teacher who smokes, uses liquor in any form, frequents pool halls or public dances, or get shaved in a barber shop, will give good reasons to suspect his worth intentions, integrity and honesty.

The teacher who performs his labor faithfully and without fault of five years, will be given an increase of twenty five cents per week in his pay, provided the board of education approves."

As late as 1923 the Idaho Board of Education fixed teachers salary at \$75 per month. Women teachers were forbidden to marry or to keep company with men, smoke cigarettes, drink beer or wine or whiskey, leave town without permission, ride in a carriage or automobile with any man except her father or brothers, dress in bright colors dye her hair, use face powder, or lipstick. She was to sweep the class room daily and scrub the floor weekly. She was to start the fire at 7 a.m. She was ordered to wear at least two petticoats.
