## WHEAT GROWING NEW IN DAWSON COUNTY

W. T. Carroll, 3 miles north of Lamesa, has 135 acres of wheat now being harvested, which is estimated to yield between 20 and 30 bushels per acre, and Dawson county has found itself adapted to the production of another small grain crop, which was heretofore believed not to be practical nor profitable.

Carroll stated that his wheat crop has been raised quite by accident, and it has been produced on what is known in this country as beyond the average for sandy land. Due to dry weather last year, Carroll states that he failed to plant this land to feed stuffs. In August 1931 he conceived of an idea of sowing it to wheat, since wheat was cheap and he would need a winter pasture for his stock and dairy cows. He states that he sowed the wheat by hand and listed it with a planter, planting wheat in the drill of his planter, and covering it as he would milo maize. He states that this is all that he did to it. Rains came, and the wheat came up and grew off well. It was ample pasture for his stock and those of his neighbors through the fall and winter months. It grew so well that he took his stock off and permitted it to head. At this time reapers are harvesting the wheat, running day and night, and Carroll is making arrangements to have it threshed.

Carroll states, "Of course, there is no money in the experiment, but I have had ample pasture, and am going to break even, even at 30 cents per bushel on the wheat."

## FREE BALL GAME SUNDAY AFTERNOON

Sunday afternoon, June 9, at 3:30 is the time set for the big FREE baseball game to be played at the Lamesa ball park.

The Lamesa team, headed by McWhorter and Peterson as batteriers will engage in combat with the Punkin Center team which will use Britt and Anderson as starters on the mound and behind the bat.

Both Lamesa and Punkin Center have strong fielding and hard hitting teams, and both have played a winning brand of baseball this year, and according to those who have followed the local team as well as the Punkin Center team, this will be one of the hottest games of the season.

There will be no admission charges for this game, and all are invited to attend and back the home-town team, for the Punkin Center fans have sent advance notice that they will be here in full force to back their team.

Remember it's FREE, the place is the Lamesa Ball Park; the time is 3:30; the date, Sunday, June 19; and if you want to see a real ball game be among those present at that time.

## LUNCHEON CLUB

The Lamesa Luncheon Club met in regular weekly session Tuesday with Dr. W. H. Dunn as Toastmaster. Some twenty men were present and dandy good time was had.

Mrs. Matt McCall furnished delightful music at the piano while the boys ate the fine meal prepared by Mrs. Ray Williams.

Mrs. L. M. Pratt arranged two good numbers given by the Thaxton boys which were enjoyed by all.

Rev. Cooper, pastor of the Church of Christ gave a most interesting talk on the subject "Fighting a Good Fight" All expressed their thanks to Bro. Cooper for the fine thoughts advanced in this speech.

Visitors introduced were Carl Rountree Jr., and J. L. Martin. A. C. Woodward was recognized as one of the Charter Members.

The next week's program will be in charge of the nominating committees, namely W. K. Crawley, Owen C. Taylor, O. E. Norman who will bring in the dry ticket, and W. B. Collins Cecil Speck and Dr. Roy Loveless who will nominate the WET ticket. A lively time is expected at the Luncheon Club next week.

## MISS AVRIETT RETURNS FROM SCHOOL

Miss Nancy Enid Avriett, daughter of Mr. and Mrs. W. P. Avriett, has returned from Atlanta, Georgia where she has been attending Emory University. Miss Avriett will spend the summer with her parents here before assuming her duties as assistant Librarian in Southwestern University. Miss Avriett received her degree from that institution last spring.

## LOCAL BUSINESS MAN BURIED IN MINEOLA

Funeral services of J. W. Smart were held in Mineola Friday. Mr. Smart died suddenly at his home on North Fourth Street Thursday at the noon hour. The body was taken Thursday night to Mineola, the home town of the family.

Mr. Smart came here from Mineola six years ago and has been in the Insurance business with V. O. Key. Mr. Smart took part in all activities for the betterment of Lamesa and will be greatly missed by his many friends and acquaintances.

The deceased is survived by his wife, two children, Cleo and Edwin. The family were accompanied by Bernie Holt, Clyde Brannon, Mr. and Mrs. M. E. Smart and family and Mrs. W. T. Williams.

## HOME ECONOMICS GIRLS VISIT TEXTILE MILLS AT LUBBOCK

The home economics girls who are taking the extra summer course in home project work, made a field trip to Lubbock last Thursday where they went through the Textile and Home Economics Departments at Tech. The girls observed one class in Child Care which proved very interesting. A delicious lunch was had at noon at the Municipal park after which the girls were shown through Martins Bakery.

Twenty one girls are taking this summer course, under the direction of Miss Eleanor Ragle. The class meets three times a week, during which time demonstrations and reports are had. Miss Ragle states that the girls are doing splendid work at home as well as in their classes.

## TEXAS PATRIOTISM

The Texas Centennial Committee suggests that at every Fourth of July celebration held in Texas this year arrangements be made for an address on some such subject as the "Patriotism That Made Texas," and that speakers call special attention to the as voters can make possible by voting Texas Centennial of 1936, which Texas the Centennial Amendment at the general election in November.

## HIGHWAYS vs MERCHANDISING

Here's a good one. The other day a group of Seminole and Gaines county ladies were in Lamesa shopping. A certain professional man stopped them on the streets and asked them why they traded in Lamesa. They told this man that they found here good and quality merchandise at prices right and they added "we like your business men. They are friendly and courteous to us."

This is the finest compliment that could be paid to our merchants. This means they know how to buy and how to sell. This means they have a fine set of clerks and sales people. This means Lamesa business men are going out beyond the rim of the old trade territory for business and they are getting it.

The other day a certain merchant in Lamesa actually took some goods to display in the city of Andrews. He tells us that it was a success and now several people from that area are coming to his store to buy merchandise. He hopes to get some regular customers from this little effort to extend his territory and his business. He will too. This same merchant will conduct some more of these exhibitions and they will result in big business for him.

The other day a certain business man sent a letter to a man in Borden county who had been in the habit of trading in another town. He came up to see what it was all about in Lamesa. While here he spent several dollars purchasing the things he needed. The letter was worth the money. Bet this man comes back because he found a town filled here with live business men who really wanted to accommodate him.

Lamesa business men are stepping out. Watch and see if they don't get the business too.

When told of the how these good women of Gaines county and other places, were coming to Lamesa to trade one of our merchants said, "Say, that's good stuff to tell our Lamesa women". Maybe so, we do have too much trucking off to other towns to trade when it can be bought right here at home—and if it can't all we need to do is to permit our business men to get what we need. They will do it and will be glad to. Every time we trade with them we make it just that more possible to help them stock their stores with better merchandise.

Good roads help build a town if they lead into the heart of a business district filled with the better type of business men. If filled with the sort that do not measure up to the type we have in Lamesa they will take away our trade to other towns where such merchants do live and are alive.

The better the highway—the bigger the territory—if the town has merchants like Lamesa.

## Saturday, July 2nd. Date Set For Third Monthly Trades Day

Plans are already being made to make the third monthly trades day a WOW. Usually, Lamesa has her Trades Day on First Monday but on account of July the Fourth coming on the First Monday this time it has been decided to hold the next Trades Day on Saturday, July the Second. So, let everybody begin their plans to be in Lamesa on this day. All merchants will have bargains listed in the advertisements for this day. Take advantage of these bargains for they come only once each month.

Here is the best stunt yet. And it is for the ladies. A TERRIPIN RACE. Each lady will furnish her own terripin and name him, with a sticker on top of his back—the sticker to be furnished by the COURIER. The name of the lady entering. If Sally Brown enters a terripin then the name pasted on the terripin's back will be Sally. A ring will be furnished in which to start the terripins. Another ring will be described some ten to fifteen feet away from the first ring. At the sound of a whistle of the judges the terripins will be turned loose and they will be required to cross the outer ring. The first terripin crossing the outer ring will be declared winner of her group. The races will start at ten A. M. Saturday morning and a race will be run at ten, eleven and at one, two and three P. M. Then the winning terripins of all groups will run in the finals at four P. M. Saturday the 2nd. The winning terripin's owner will be awarded the TWENTY DOLLARE in GOLD. The judges will take care of all ties.

The lady who comes from the farthest distance with a terripin and enters it in the races will be given a merchandise prize.

All ladies who register the names of their terripins with the Courier Office will be given fifty cents each for their terripins, after the races in subscriptions to the COURIER. Registration will take place beginning June 20th, Monday next. To get this fifty cent value the name of the terripin has to be registered with the COURIER office not later than closing time of the races July the second and the owner of the terripin has to actually bring in the terripin enter him in the races and leave the terripin with the Courier office after the races.

Ladies get you a terripin and begin training him for the BIG TWENTY DOLLARS IN GOLD. Every terripin that wins in his group will get a prize worth while and the winning terripin in the final contest will get the big and grand prize of TWENTY DOLLARS IN GOLD.

Other attractions are being planned. The band will play. Water polo, fat men's races, fat women's races, all sorts of sports will take place on this day—and the merchants will offer bargains never before offered. People are expected to come for miles with stock to trade and sell. It will be in reality the biggest day Lamesa has seen in years.

Boxing both men and women, wrestling and foot races. All for your entertainment and FUN.

REMEMBER JUNE THE SECOND IS LAMESA'S NEXT BIG TRADES DAY.

## BAPTIST TRAINING SERVICE SCHOOL BEING CONDUCTED AT FIRST BAPTIST CHURCH

The Baptist Service Training School is being conducted this week at the First Baptist Church. The school is in charge of Miss Grace Conn of Dallas, Miss Conn is assistant to Mr. T. C. Gardener who is the general director of the State B. T. S. Department. Miss Thelma Merrick is the local B. T. S. director.

Four classes are being given instructions this week. The Primary Department is under the direction of Miss Thelma Lee Norman, Miss Helen Norman is in charge of the Juniors and Mrs. R. F. Nix is directing the intermediates. Miss Conn is teaching the seniors and adults.

Enrollment up to Tuesday night was 208. They expect to easily pass the 250 mark Wednesday night.

This school lasts for five nights and each person is required to spend ten hours in class work during that time. At the end of the school the papers are sent to the State Headquarters, and each person will receive their award from that department.

This is the third time Miss Conn has been in Lamesa in this type of work and each time she has rendered some very valuable services.

## WRESTLING AND BOXING AT LEGION HALL

The American Legion will sponsor another good program Tuesday night, June 21 at the Legion Hall beginning promptly at 8 o'clock.

The first thing on the program will be guitar music played by Marian Jones. Then the wrestling and boxing will start, those who will wrestle are: Dylrel Kirk, Lamesa vs. Isaac Medlin, Lamesa; Earl Moore, Lamesa vs. John M. New, Patricia; Claude Jones, Hancock vs. Pat Stewart, Midway. Those engaging in the boxing matches will be Ralph Baum, Lamesa vs. Mutt Maxwell, Midway; Cotton Lindsey, Lamesa vs. Doy Wilson, Weaver; Ermon Goodman, Lamesa vs. Virgil Byers, Big Spring.

The seating capacity has been greatly enlarged and every one can now be comfortably seated. Ladies will be admitted free with a paid ticket. Popeye will also perform some time during the program.

Due to an oversight on the part of the management, the American Legion boxing bouts have been scheduled for the same night as the world champion boxing match between the title defender, Max Schmelling of Germany, and his challenger, Jack Sharkey.

Arrangements have been made, however, whereby a radio will be installed in the Legion Hall, and those desiring to hear this fight may do so, as well as see the local bouts. Time will be called on all local bouts until

## HAIL BEATEN STRIP 1 TO 3 MILES WIDE

The hail entered the county north of Eason and spotted the crops toward Hancock through Key and Midway and as far west as Five Mile and Sparenburg and out of the county to Ackerly.

The strips that the hail covered were from one to five miles wide and did considerable damage and in most of the mentioned territory replanting is necessary.

The hail was accompanied by a rain from 1 to 4 inches which is ample season for replanting. The damage is great but with the ample moisture and at this season replanting will give the county a variety of age of crops, however, many farmers are not replanting much cotton.

The widest strip of the destruction was around Midway which was 3 miles wide.

#### WIND AND SAND WEDNESDAY DETRIMENTAL TO CROPS

High winds and rolling sand which started early Wednesday morning damaged hundreds of acres of growing crops throughout the territory, adding to that already caused by hail last week and sand Monday.

We were unable to secure even vague estimates as to how widespread the damaged area is, but farmers from almost every part of the territory report damage to a greater or lesser degree.

Hard rains of the past few days have placed the soil in prime condition to blow, and farmers have had time to plow or nuke over to prevent it. Harrowing is also being resorted to in an effort to stir the ground enough to stop the sand.

Much of the cotton is at just the right stage to be harmed, but most of that planters are confident that one more day's plowing will have the land in such a condition that it will not blow.

Replanting is continuing with unabating zeal, and it is thought that by the end of the week all crops will again be in the ground.

Miss Jackie McMahan of Taboka visited her mother Mrs. J. A. McMahan here Saturday.

#### RISE IN TEMPERATURE FAVORABLE TO CROPS

Decidedly warmer weather this week has put new life into growing crops, while frequent showers have insured plenty of moisture for several weeks to come.

The rise in temperature has been favorable also to replanting, permitting seed to germinate in record time. Tuesday was one of the warmest days of the season up to date, the mercury climbing to 93 shortly after the noon hour. That day was also unusually still, there being hardly a breeze all day.

Farm work is going forward apace, those fields which escaped the hail undergoing the first plowing over. Rains have started the weeds on their career, but the farmers are meeting them on their own terms and most of the fields are in good shape.

Miss Dorothy McCune of Tullia visited friends in Lamesa over the weekend.

She is but one of the more than a million modern-minded women who enjoy care-free, automatic electric cookery. And think what it means to her! A cooking fuel as clean as summer sunshine and as fast as electricity itself. A kitchen as cool as a mountain lake. A range as accurate as a stop watch. Afternoons of leisure, without thought of kitchen tasks. With all of these advantages, is it any wonder that more than a million women have already changed to electric cookery? You, too, may cook this easy way for about a penny per person per meal. Investigate today.

# THE PEOPLE OF TEXAS MUST DECIDE THE FATE OF TEXAS RAILROADS

THE WELFARE of Texas and Texans has gone and will always go hand in hand with the welfare of Texas railroads. Their dependency upon each other is absolute.

In 1929 Texas railroads gave employment to 82,956 employees, to whom they paid annually \$126,674,543 in salaries and wages. In 1930 this number decreased to 70,739 while the payroll declined to \$109,892,226. In 1931 the number of employes fell to 57,098 and the payroll to \$89,505,918.

This represents a decrease of more than \$37,000,000 in purchasing power in Texas communities. There has been a corresponding decrease in purchase of materials and supplies by Texas railroads. The ability to have maintained railroad payrolls and purchases would have been a very important factor in overcoming the present trying economic condition.

The decline in railroad payrolls and purchases is due only in part to economic conditions. The revenues of the railroads have been affected not only by business conditions but to a very large extent by loss of traffic to trucks and buses using the public highways in competition with the railroads.

The time has come when the people of Texas must decide whether the traffic of this state can best be carried by the railroads, using facilities which they built and maintain at their own expense, or by trucks and buses using the highways built and maintained at the taxpayers' expense.

**JACOB THE AGED FATHER**

**LESSON TEXT**—Genesis 45:1-7, 28-47:7.

**GOLDEN TEXT**—Honor thy father and thy mother: that thy days may be long upon the land which the Lord thy God giveth thee.

**PRIMARY TOPIC**—Joseph Honors His Father.

**JUNIOR TOPIC**—Joseph's Father Blesses the King.

**INTERMEDIATE AND SENIOR TOPIC**—How May We Honor Our Parents? **YOUNG PEOPLE AND ADULT TOPIC**—Our Obligations to Our Parents.

**I. Jacob Journeys to Egypt (45:1-46:27).**

1. Joseph sends for his father (45:1-24). At Pharaoh's request Joseph sent an "urgent" invitation to Jacob to come to Egypt, promising to give him the "good of the land."

2. Jacob consents to go (45:25-28). The news that Joseph was alive and "lord of all Egypt," backed up with the sight of the "wagons which Joseph had sent to carry him," induced Jacob to consent to go.

3. Jacob's vision at Beer-sheba (46:1-7).

a. He offered sacrifices unto God (v. 1). As he was now about to leave Canaan, Jacob sought God's guidance and blessing. His soul, no doubt, was moved with great emotion.

b. God's response to Jacob (vv. 2-4). He bade him go to Egypt without fear, assuring him of the divine presence and blessing and his ultimate return to Canaan.

c. Arrival in Egypt (vv. 5-7). Jacob was accompanied by his sons, their wives, their children and cattle. With the meeting of Joseph the family circle was now complete, seventy souls in all (v. 27).

II. Jacob Meets Joseph (46:28-34). Though the journey was now over, they were faced with perplexing problems. God had promised to be with Jacob, and Pharaoh had promised to Joseph that they should "eat of the fat of the land," but the details were not known.

1. Judah sent before (v. 28). He was sent perhaps to direct them to the Land of Goshen.

2. Met by Joseph (vv. 29, 30). Joseph, being the lord of Egypt, properly traveled in his royal chariot. Though he was Jacob's son, it was proper that he should extend a royal welcome.

III. Joseph Presents His Father and Brethren unto Pharaoh (47:1-6).

1. Pharaoh's invitation (47:1-6). Jacob and his sons were in Egypt by the king's invitation. Joseph, though occupying an exalted position, was not ashamed of his father.

2. Joseph's tact (47:1, 2 & 46:30-34).

a. In introducing his father and brethren in a personal way, thus capitalizing his own influence in "favor of his kin."

b. In having his father and brethren come to Goshen (47:10). Since possession is "nine points of the law" they were already in Goshen before asking Pharaoh for permission to occupy it (v. 4).

c. In coaching his brethren (46:34). He taught them beforehand what to say because he knew how awkward they would be before the great king.

d. In choosing five, not all (v. 2). In all probability he chose the five who would make the best appearance.

3. Their request to Pharaoh (vv. 3, 4). Joseph anticipated Pharaoh's questions and put the proper words into their mouths to be used in making their desires known.

4. Pharaoh's response (vv. 5, 6).

a. His gracious offer. They were to enjoy the best of the land.

b. Positions of trust offered to capable men among them. He knew how capable Joseph was and surmised that some of his brethren might be likewise gifted.

IV. Jacob Blessing Pharaoh (47:7-10).

Here is an appraisal of true dignity. Though Pharaoh was the great king and Jacob now a suppliant at his feet, receiving natural blessings, yet morally Jacob was above Pharaoh and therefore conferred blessings upon him.

V. Joseph Nourishes His Father and Brethren (47:11, 12).

1. He placed them in the best of the land according as Pharaoh had commanded (v. 11). They were thus ready to go forward in business as soon as the famine was ended.

2. He nourished them (v. 12). Since there was no bread in all the land to be obtained except as dispensed by Joseph, he distributed to them according to their needs. Our Joseph, Jesus Christ, supplies all our needs according to his riches in glory (Phil. 4:12).

**To Kindle Love**

Love may not, cannot, be attained in its fullness at once; but the person of Christ, if indeed we see him as he is presented to us in the Gospels, will kindle that direct affection out of which it comes.—B. F. Westcott.

**Fresh Messages**

He wakens us, if we will, every morning to fresh messages, and we may pour out our hearts before him and be assured of his heed.—W. Robertson Nichol.

Miss Rose Parsley returned to her home in Austin after a weeks visit in Lamesa with Miss Willie Belle Cleveland and Mrs. W. A. Stevens.

Mr. and Mrs. Willie Gearhart and children and Rev. and Mrs. Gatlin left Monday for a visit in Wichita, Kansas.

**Customers:**  
I never knew before that no matter what price I wanted to pay for a tire I could buy a Firestone Tire of higher quality at no additional price.

**Firestone Service Dealer:**  
That's right—Firestone Tires are made in a wide variety of types to fit every need and every pocketbook—no matter what you want to pay. Every grade of Firestone Tire excels in quality any other similar grade of tire at as low or lower price.

**IT HAPPENS every day!** Car owners are surprised to find that they do not have to pay one cent more to get the Extra Values in Firestone Tires.

We have a Firestone Tire to meet every price and driving demand—for every purse and purpose—and every Firestone Tire has Extra Strength and Extra Safety and gives Extra Service because of the Extra Values that are built into them—yet they cost no more than ordinary tires.

Come in. Compare sections cut from Firestone tires, special brand tires and others. See for yourself how Firestone gives you Extra Values at no extra cost. Whatever your requirements may be, we can save you money and serve you better.

**Extra VALUES**

**GUM-DIPPED CORDS**  
The Firestone patented Gum-Dipping process transforms the cotton cords into a strong, tough, sinewy unit. Liquid rubber penetrates every cord and coats every fiber, guarding against internal friction and heat, greatly increasing the strength of the cord body, and giving longer tire life.

**TWO EXTRA GUM-DIPPED CORD PLYS UNDER THE TREAD**

This is a patented construction, and the two extra Gum-Dipped cord plies are so placed that you get 50% stronger bond between tread and cord body, and tests show 20% greater protection against punctures and blowouts. It sets a new standard for tire performance on high speed cars.

**NON-SKID TREAD**  
Tough, live rubber specially compounded for long, slow wear. Scientifically designed non-skid gives greater traction and safe, quiet performance.

I take this method of announcing to the people my candidacy for office. I don't know just what office yet. But it really don't make much difference so long as the emoluments thereof, and the graft therefrom, are sufficient to maintain me in a style to which I ain't accustomed.

Unless I change my mind, I think I'll run for congressman-at-large. But before I decide definitely, I want to read up on the changes an enterprising fellow has got in the governor's or the attorney general's office. While I am making up my mind, I will esteem it a distinct honor if the many friends who are urging me to make this race will withhold any commitments to anybody for anything.

Confidentially, I'm kind of partial to this job in Congress. A Congressman just works part of the time, and some of the time he don't work any of the time. Moreover and besides, I could put my wife and mother-in-law on the payroll as my secretaries. And I've got a son who could stay at home and draw a nice salary as my contact man. He ought to make a good contact man, provided he didn't come in contact with any work.

But I want to tell my countless friends right now, that whatever job I decide to accept, I will pledge myself to abolish the ad valorem tax. I further pledge myself to build a new school house in every district in this state without expense to anybody but the sulphur companies. I also pledge myself to end the depression within fifteen days after I am inducted into office; if I have to put enough tax on the oil companies and the utilities to give every citizen a 365 day job at good pay.

I hope to be able to announce what office I prefer at this time next week. Meanwhile, I solicit your support and continued confidence, and assure you that when I am elected this government will be run honestly by me, for the people, at the expense of the corporations.

Whatever I run for, my campaign slogan will be: "Run the rascals out and let me in!"

Faithfully yours,  
SIG.

Mr. and Mrs. Dude Boldin and children and Mr. and Mrs. J. H. Tipton Jr., left Monday for San Antonio Houston and other points on a few days vacation.

**IN THE INTEREST OF ECONOMY**

Why not more oiled gravel or oiled dirt highways for Texas? In this period of public economy the diversion of road building funds to this type of highway should meet with general approbation from tax payers anxious to see public improvements made, but at the same time desirous of having them at reasonable cost. There are hundreds of miles of projected roads, or roads in need of improvement, subject to this treatment. Why not carry out these projects without huge expense to the tax payer, at the same time giving him permanent, comfortable roads.

Involving, as many do, almost exclusively local expenditures for materials, oiled gravel, oiled dirt or asphalt and rock highways would be of double benefit to Texas right now. The state has a wealth of both of the materials necessary in this type of construction, the majority of its area producing either one or both of them. Home made roads on a large scale, with the producers of these two commodities ready and willing to supply them at low cost, would react favorably on the economic situation now existing.

In the interest of economy and home enterprise, oiled gravel, oiled dirt or asphalt and rock roads should be constructed wherever practicable. While many of the main highways are subject to this type of construction, its cost is such that it is particularly adaptable to lateral roads where truck traffic is not heavy. Roads of this sort constructed where travel is not exceptionally heavy have been found to possess exceptional lasting qualities with low upkeep cost.

It has been found in some sections of the state that highways built in this manner are more lasting than those of more costly construction. In these areas particularly should attention be given to the possibilities in connection with this method of construction. Not only is the low original cost a large factor in such areas, but upkeep cost becomes an item of first consideration.

Given a stated sum for road construction, several times the mileage can be built of oiled gravel than of more costly, and in many cases imported materials. Not only does local enterprise benefit through supplying the materials, but local labor is utilized over a wider area and local expenditures spread over a larger territory, several communities, possibly, share in the benefits of these expenditures where in the case of more costly but shorter stretches of highway one community only is aided.

The construction of more oiled

gravel, oiled dirt or asphaltum and rock highways should be considered on its merits.

**Tires With A Guarantee  
that...counts**

Following is a letter from Geo. A. Cheek, Sheriff of Sequoyah County, Okla. It came unsolicited to the Denver office, and shows the manner in which National Tires meet with approval all over the country.

National Tire Store, Inc.,  
Denver, Colorado.  
Gentlemen:

I am a strong believer in National tires and become more convinced every day that it is the only tire to use. It is the only tire I have ever had that the guarantee would bring satisfactory results and my car is fully equipped with Nationals. I wrecked my car a few weeks ago when I ran into a concrete bridge. The damage to the car was over \$100.00 and I got a new National tire for \$1.16. Being a deputy sheriff, I demand tires that give the most service and that have guarantees that stand up. After using Nationals for several months I find them to be satisfactory in every way. I am a big booster for you.

Yours very truly,

BILL BYRD,  
Sallisaw, Okla.

### MISS GUERRANT HOSTESS DURING DINNER PARTY

Miss Thelma Guerrant was hostess during a dinner party in honor of Miss Rose Parsley of Austin last Thursday evening at her home. Miss Parsley was the guest of Miss Willie Belle Cleveland and Mrs. W. A. Stevens. She taught in the home economics department of our local high school several years ago.

Those enjoying this lovely seven o'clock dinner were: Misses Olive Meadow, Willie Belle Cleveland, Rose Parsley, Mr. and Mrs. W. A. Stevens and the hostess.

### BACKENSTOSS' GIVEN SURPRISE PARTY

A number of the friends of Mr. and Mrs. Clyde Backenstoss surprised them with a party Thursday evening on the spacious lawn at their home. Supper consisting of sandwiches, pickles, ice cream, lemonade and cake was enjoyed and after that games were played on the lawn which is very beautiful and one of the largest in town.

Those enjoying this surprise with the Backenstoss' were Messrs. and Mesdames Dyrrel Kirk, J. M. Harrington, A. C. Woodward, Ollie Bruton, Frank Barkhurst, Miss Bettye McGuire, Bryan J. Roquemore and the honorees.

### MISS CHARLENE ELY OF SNYDER HONORED WITH PARTY

Miss Charlene Ely of Snyder who was here last week visiting friends was honored at a very lovely party, Saturday afternoon, when Misses Marie McDonald and Thelma Lee Norman entertained at the McDonald home on South First street. Three tables of bridge players were guests on this occasion.

Miss Nina Scott was presented with a prize for high score and Miss Ely a guest prize.

At refreshment time a dainty salad course was served to the following: Misses Ely (Scott), Myrtis Painter, Rebecca Goodloe, Mildred Parrott, Katherine Kirk, Jaunita and Inez Paulk, Margaret Morris, Ethel Iris Simpson, Ruby Randalls and the hostesses.

### RECENT BRIDE HONORED

A most delightful social function was the reception given by Mrs. E. R. Yates last Thursday afternoon from four to six o'clock honoring Mrs. Eugene J. Yates, formerly Miss Armina Jane Timmons.

The spacious reception suite, in a setting of radiant beauty portrayed the rain-bow shades, the Bride's chosen colors. Tall baskets and vases of Delphinium with ferns, and low bowls of roses blended in colorful beauty with the pastel tints of the charmingly gowned house-party.

The table was laid in lace-cloth, centered with a silver basket of rain-bow tinted flowers, and the soft lights of the Candelabra gave a mellow glow of unusual beauty.

The guests were greeted at the door by Mrs. R. F. Nix. In the receiving line with the hostess and honoree were Miss Rozelle McKinney and Mrs. Nelson Cope. Miss Helen

Norman presided at the Bride's Book. Mrs. R. R. Townsend, assisted by Misses Maurine Morgan, Thelma Lee Norman, Asalie Key, and Thelma Guerrant received in the dining room.

Others in the house-party were Mesdames J. E. Barron, E. F. Cole, Ralph Stuart, Clyde Brannon, and Miss Thelma Merrick.

Throughout the receiving hours soft strains of music came from the adjoining sun-parlor, played by a trio of violinists, Misses Margurite Fran-niken, Catherine and Laura Kirk. As these gifted musicians softly played, "Love's Old Sweet Song" closed one of the most outstanding social events of the season.

### SAND BELT GOLF TEAM TO PLAY MIDLAND HERE

The Midland Golf Club will play the local Sand Belt Golf Team here Sunday. This is the sixth game of the season and the Lamesa team has been undefeated. After the game with Midland they next play Colorado and complete the first half of the Sand Belt Conference.

### TEXAS INDUSTRIAL ACTIVITIES

The Schulenberg oil mill claims the distinction of being the only mill in the world making a flour fit the human consumption out of cotton seed.

Pledging themselves to give preference to Texas-made products, the members of the Hill County Federation of Women's Clubs have organized a cotton club with the major purpose of increasing the use of cotton goods and articles.

Amarillo is to have anew \$50,000 baking plant, erected by C. J. Patterson. Texarkana also is to have a new \$50,000 baking plant erected by the Butter Nut Bread Co.

Southern Vogue Curtain Co. is a new industrial plant in coporation at Dallas.

Commercial Pulp and Paper Co., Orange, plans erecting two new buildings in which to install additional paper making machinery to increase its daily capacity from thirty-three to eighty tons a day.

Shiner, a comparatively small city in South Texas, is the site of the Kaspar Wire Works said to be the largest plant in the South devoted exclusively to the manufacture of wire products, and the Spoetzl brewery and Purity Creamery. The brewery makes near-beer and has sufficient demand for its product to be running night and day, while the creamery, established five years ago, has found it necessary to enlarge its equipment several times and this year added an ice-cream plant.

Mrs. H. D. Randle visited her daughter near O'Donnell last week.

S. M. Mitchell visited his son, Russell in Levelland last week end. Russell has been seriously ill for the past ten days but was up and doing nicely when Mr. Mitchell left.

Mr. and Mrs. A. G. Barnard and children visited in San Angelo last week.

### MR. AND MRS. TRUMAN CAMP-BELL ENTERTAIN WITH DANCE

Mr. and Mrs. Truman Campbell entertained a younger crowd Saturday evening with an informal dance honoring their brothers, Auburn, and Lonnie Campbell of Sulphur Springs, and Mike Tate of Labbock.

Punch was served throughout the evening to the following guests: Misses Jack Hart, Audene Ragan, Nadine McMahan, Nelva Powers, Ethel Iris Simpson, Polly Parrott, Evelyn Burnside, Sybil Mitchell and Jackie McMahan of Tahoka. Messrs. Jimmie Hamilton, Ralph Fry, Dave Jones, Wilson Collins, J. C. Ridgeway, Guthrie Allen Clifton Hale, Walton Crawley, Harry McCarty, Sidney Randalls, Weldon Jones, Connally Baldwin, Mike Barrett and the honorees.

### AMERICAN LEGION AUXILIARY HOLD INTERESTING MEETING

The American Legion Auxiliary met in regular session Monday evening at the Legion Hall. The program led by Mrs. Erwin Bailey was both interesting and instructive. The violin solos by Hilburn Doyle Gilliam and the reading by Doris Clanton were enjoyed and appreciated by all.

The chief discussion was on the Fidac organization. This organization is composed of people from ten of the allied countries of the world war chief among the many things it does is to promote peace between the countries. All American Legion and Auxiliary members belong to the Fidac. The president of this organization is Edward L. White of our own country.

The members of the Auxiliary expressed their appreciation for being a member of this great organization. We cordially invite all members to be present with us Monday evening, June 28.

V. O. Key went to Temple Thursday to get Mrs. Key, who has been under treatment there.

Louise Cozzens, T. C. U. student has come home for the summer holidays.

### MISS KATTIE LEE CLEMENTS HOSTESS TO CLUB

Miss Kattie Lee Clements was hostess to the Hi-Lo Club this week with a party at her home. Miss Nelva Powers was presented with high score award and the guests were served sandwiches, iced tea and cake. Those present were: Misses Margaret Thornhill, Nelva Powers, Mesdames W. E. Cox, Earnest Barrett, Fayne Wilkes, J. H. Tipton, and the hostess.

### MR. AND MRS. J. F. SMITH HONOR GUESTS

Mr. and Mrs. J. F. Smith were host and hostess to several friends Monday evening when they entertained with a bridge party at their home in honor of their guests, Mr. and Mrs. C. E. Smith of Slaton.

After many enjoyable games of bridge, sandwiches, lemonade and cookies were served to the following: Messrs. and Mesdames Gus Ragsdale, L. B. Rice, the honorees and the host and hostess.

Mrs. L. B. Rice held high score for women and C. E. Smith for the men.

### MISS PAINTER HOSTESS

Miss Myrtice Painter was hostess to a number of her friends last Wednesday evening when she entertained with a bridge party at her lovely home on North Bryan Street. After the scores were added at the conclusion of the games decks of cards were presented to Miss Mary Cameron and Connally Baldwin as high score awards for men and women.

At a late hour cream, cake and tea were served to the following: Misses Inez Paulk, Nina Scott, Mildred Parrott, Rebecca Goodloe, Nadine McMahan, Jaunita Paulk, Mary Cameron, Margaret Thornhill, Charlene Ely of Snyder, Messrs. John Marr, Geo. Staele, Manuel Medley, Connally Baldwin, Guthrie Allen, G. R. Goodloe, Rupert Austin, Lowrie Loveless Douglas Hill, Pete Shaw of Abilene, and the hostess.
