Anti-Red Bill Signed Into Law By Governor

SWIMMING POOL READIED

Preparation of the swimming pool in Towle Memorial Park for anticipated opening about May 15 has been started. Workmen in the background are shown scooping sand and dirt from the pool floor where a pickup truck load of dirt was removed yesterday afternoon. W. J. Ramsey, park superintendent, said about four days work will be needed to prepare the pool for its opening. (Lee Watson photograph)

Twenty Years In Prison If One Convicted

AUSTIN (AP)—Gov. Allan Shivers today signed a bill outlawing the Communist party and other subversives in Texas as of the moment of signature.

Shivers said he still favored the death penalty for convicted Communists but would be willing for Texas to try the 20 year maximum jail term written into the new law.

Shivers said he would like to see the federal government outlaw the Communist party, adding that he didn't think such action would drive subversives further underground.

"I haven't heard of many above ground," he said. "When they are they hide behind the Fifth Amendment."

Shivers signed the bill while television cameras whirred. He was flanked at the big oval desk in his reception room by Sen. John Bell, Cuero, and Rep. Fred Meridith, Terrell. Both were active in pushing the bill through the recent special session of the Legislature.

The No. 1 Senate sponsor, Rogers Kelley, Edinburg, was absent.

The bill signed by Shivers defines subversives as those who would overthrow the government by force. The maximum penalty upon conviction would be 20 years in prison, with fines up to $20,000.

Shivers was asked if he thought the new Texas anti-Communist bill would accomplish anything if it should be declared unconstitutional.

"I think so," he replied. "At least Texas is making an attempt to keep the Communists out. As to whether or not there are any Communists in Texas now, it can not be said with certainty."

The 25-million-dollar tax bill to finance pay raises for teachers and state employes—the toughest issue of the session—was signed by the governor yesterday.

Effective Sept. 1, it increases present levies on beer, franchises and natural gas production.

The teacher pay raise bill is to be signed at a special ceremony Thursday, April 22.

It will raise the base pay schedule $402 per month and make local school districts share the cost of education with the state on a percentage basis. Heretofore, local districts contributed a fixed total of 45 million dollars a year.

FILLY FILLING STATION

The two nanny goats, Lilly, left, and Tilly become this little thoroughbred filly's adopted mothers when her dam died in a foaling barn at Shelbyville, Ky. And she's really thriving on the diet after nearly dying of starvation. Sam Hinkle looks on. His father, Sam D. Hinkle, owner of the filly, hopes she doesn't "run like a goat" when she gets to the race tracks.

Deep Wildcats In 3 Counties Are Located

Three deep wildcats, one each in Borden, Fisher and Dawson Counties, have been announced for immediate drilling.

Union Oil of California and Aurora Gasoline of Midland will drill the Borden County wildcat as the No. 1 Clara Porter. Location is 660 feet from north and east lines of section 17-32-t3n-T&P, two miles northeast of Vealmoor. The location is on a 480-acre lease and between Vealmoor and the North Vealmoor field. Projected depth is 8,500 feet.

General Crude Oil Co. No. 1 E. C. Parker is to be a 7,500-foot wildcat one and one-quarter miles north of Roby in Fisher County. Drillsite has been set 660 feet from south and west lines of labor 13, Steel & Millsap subdivision, Bastrop County school land survey. It is five and one-quarter miles north of the Rallen-Flippen lime field and three and one-quarter miles southwest of West-Central No. 1 Canfill, a Clinton sand discovery.

In Dawson County, Seaboard Oil of Delaware has set location for the No. 1 C. S. Dean as a 9,500-foot prospector. The project is to be dug 660 feet from west and 1,980 feet from north lines of section 3-2-TTRR, three and one-half miles north of Key. It is on a 640-acre portion of a 7,640-acre lease. Operations are to begin immediately.

MITCHELL COUNTY

McAlester Fuel No. 1-A Roy Largent, Southwest Mitchell County wildcat, is drilling deeper after a one-hour drillstem test in the Ellenberger from 8,467-480 feet.

Gas surfaced in eight minutes with no gauge or estimate on the volume. Recovery was 710 feet of oil and 190 feet of oil and gas-cut mud.

Ibex and R. H. Windfohr of Breckenridge have filed application to drill the No. 1 T. L. McKinney in the Westbrook field of Mitchell County. Location is 660 feet from northwest and northeast lines of the southwest quarter of section 30-28-T&P, five miles northeast of Iatan on a 160-acre lease. Projected depth is 2,600 feet.

HOWARD TESTS

Three new projects for the Oceanic-Pennsylvanian field of North Howard County are to be started immediately.

John I. Moore, P. D. Moore and Mesa Oil Co. will drill two of the wells, the No. 1-35 and the No. 1-36 Mildred Jones. The No. 1-35 is 330 feet from south and east lines of section 35-33-T&P, two miles southwest of Vealmoor. The No. 1-36 is 330 feet from north and west lines of the south half of the northwest quarter of section 36-33-T&P, one and one-quarter miles southwest of Vealmoor.

Warren Petroleum Corp. and H. S. Moss will drill the No. 1 Ellie Iden 330 feet from south and east lines of the north half of section 26-33-T&P, 19 miles northwest of Big Spring.

BORDEN COUNTY

Superior Oil No. 14-535 Jones, extreme Northeast Borden prospector, is coring below 8,165 feet in shale

(See OIL NEWS, Page 2)

Studies Started At Bull Creek Breaks

No estimate of dollar damage has yet been made by the Colorado River Municipal Water District on the two breaks in the Bull Creek diversion levy, according to E. V. Spence, manager of the district.

Spence said the levy has been constantly referred to as a dam. He said it is actually a levy adjacent ot the Bull Creek diversion canal, that there is no dam there. Some persons are getting the impression, he said, that the large dam backing up Lake Thomas broke.

The lake, Spence said, still stands at about 50,000 acre-feet, about twice the size it was before the week end rains.

The manager said engineering studies are now being made in the breaks in the diversion levy. The water engineering firm Freese & Nichols did the original engineering work. He added that the breaks will be repaired in six weeks or two months, when the levy and area dries enough for the work to be done. He said the two breaks in the levy were caused by water seepage around two pipelines, one a six-inch oil gathering line and the other a 10-inch gas line. He added that the district will strengthen the levy around the lines to prevent a recurrence.

As to the damage to oil wells and oil field equipment, Spence said he has no estimate. "That area would have flooded even if no levy had been there," he said. "No one was to blame. It was one of those things that could have happened to anyone. Those lines were underground when we were building the levy, and the companies wanted them there, so we left them there."

Spence said dams of stock tanks burst far upstream from the diversion levy, some as far away as 15 miles. He said the creek was out of its banks far above the levy where backwater had nothing to do with it.

The flood might have even been worse, Spence said, had there been no improvements on the creek. "This provided two outlets where there was formerly one," he said, referring to Bull Creek below the levy and to the diversion canal, which runs to the lake.

C. V. (Whit) Thompson, on whose land the diversion works are located, said he remembers Bull Creek floods greater than the one this week.

Cool Front Is Moving South

By The Associated Press

A cool front slipped into the Panhandle and West Texas Thursday, partly clearing skies behind it.

Scattered showers still fell along the Texas coast but had all but stopped in the waterlogged lower Rio Grande Valley where drainage was a tremendous problem.

Thunderstorms lashed the valley again Wednesday. In McAllen the water rose axle-high to automobiles before water drained from the streets, and the business district had to close up for a few hours.

Giving of typhoid shots continued in many valley towns.

The cool front kicked up some dust as it blew through the Panhandle. It was expected to set off some showers as it moved farther south but generally it was a dry front.

It was expected to lower temperatures, but not drastically.

Heaviest rainfall Wednesday and Wednesday night was along the coast. Showers fell at Galveston, Houston, Corpus Christi, Beaumont and Alice early Thursday. The heaviest amount reported to the weather bureau was 1.21 inches at Cotulla between San Antonio and Laredo.

Full Paving On Avenue V Set

Arrangements have been completed for paving of all of Avenue V from Thirty-second Street through to Thirty-seventh Street, B. J. Shelley, city manager, said today.

A new bridge 48 feet wide will be placed where the narrow, one-way bridge now is, Shelley said.

Paving had previously been assured on the street from Thirty-fifth Street to Thirty-seventh Street. That portion of the street will be curbed and guttered, and work is now under way on it.

From Thirty-second Street to Thirty-fifth Street pavement will be 22 feet wide and without curb and gutter at present, Shelley said.

The paving is being done by the C&C Asphalt Paving Co. and with cooperation of owners of property along the street.

78-Degree High Here

Temperatures yesterday rose to a high of 78, according to Mrs. D. P. Strayhorn, weather observer. Low last night was 58, and reading at 7:30 o'clock this morning was 59.

Reds Get On Vital Airfield In Indochina

HANOI, Indochina (AP) — The French High Command announced tonight that Communist-led Vietminh troops succeeded in entrenching themselves in the northern part of the main airstrip of the fortress of Dien Bien Phu, only 2,400 feet from the heart of the bastion.

The earlier announcement said the rebels had been driven off after blowing up the northern end of the airstrip in a night attack.

The Communist-led attackers got within 100 yards of the French defenders in the hard-pressed northwest corner of the fortress where the airstrip lies. With Bangalore torpedoes—high explosives on the end of bamboo sticks—they managed to rip up a big hunk of the airstrip's steel matting.

In Tokyo, the U.S. Air Force announced the temporary transfer of a squadron of American C119 Flying Boxcars to the Philippines for airlifting supplies to Indochina. The Air Force said the squadron personnel would not normally travel the Indochina run, but would serve in maintenance, supply and administrative capacities.

The rebels have poured tons of artillery shells onto the Dien Bien Phu airstrip and put up a curtain of antiaircraft fire to keep planes from landing with supplies or evacuating the wounded. Thus far, the French have continued to repair the field each time it is hit in the hope of eventually being able to get planes in.

The French did not reveal either their own or the enemy's losses in driving off the infiltrating Vietminh from the airfield last night.

Russia Says Papers On Aussie Spy Ring Fakes And Petrov Kidnaped

CANBERRA, Australia (AP)—The Soviet Embassy said today that the "spy" papers Soviet diplomat Vladimir Petrov took to the Australian government are fakes. Yesterday the embassy charged the Australians had kidnaped Petrov.

"There's not a thing missing—all embassy documents are here," press attache G. I. Kharikovetz told reporters today.

Prime Minister Robert G. Menzies already had brushed off as "ludicrous" the kidnap charge. He was certain to take the same attitude toward the "fake papers" story.

The Prime Minister told a press conference that Petrov brought "some hundreds of documents" exposing a Soviet spy network when he voluntarily surrendered himself to Australian security officers last week asd was granted political asylum.

Season's Final Concert To Be Held Tonight

Miss Claramae Turner will be presented in a concert tonight at 8:45 in the high school auditorium. The concert is under the auspices of the Snyder Civic Music Association and will close the current season of programs.

Miss Turner is in private life the wife of Frank Hoffman, a Standard Oil of New Jersey executive.

The American Piano Trio is to be presented on the final program of the Sweetwater Civic Music Association Friday night. That program is to begin at 8:15 in the city auditorium. Association members here are eligible to attend the Sweetwater program.

HOUSING SCANDAL PROBE HAS BEEN SET MONDAY

WASHINGTON (AP)—The Senate Banking Committee today set public hearings for Monday on multi-million dollar housing scandals.

Chairman Capehart (R-Ind) said the first witness would be Albert M. Cole, federal housing chief. Guy T. O. Hollyday, resigned head of the Federal Housing Administration; and Clyde L. Powell, assistant FHA commissioner.

The banking committee thus moved in ahead of Sen. Byrd (D-Va), chairman of the Senate-House Committee on Reduction of non-essential Expenditure. Byrd already had summoned Cole to appear before his group next Tuesday.

Shortly after Capehart's announcement, Byrd said his first witness Tuesday morning would be T. Coleman Andrews, chief of the Bureau of Iternal Revenue.

Byrd told newsmen he was not certain whether his committee would take testimony from Cole on Tuesday as previously announced, or at some later date.

President Eisenhower was reported to be ready to open government tax files for the banking committee. By law, income tax returns are kept secret even from Congress but the President has authority to let congressional investigators look at them.

Some committee members nonetheless felt strongly the inquiry would at least slow up Eisenhower's housing program — and perhaps kill it altogether for this session of Congress.

Sen. Capehart (R-Ind), Banking Committee chairman, said he talked to the White House and expected to receive shortly a list of at least 251 firms or individuals "who were beneficiaries of big windfalls" aggregating 100 million dollars.

"We'll get the worst ones up here and put them under oath," he said in an interview.

He also said he would "probably" confer with Atty. Gen. Brownell, at Brownell's request, on possible indictments which might come out of parallel probes by the administration itself, the Banking Committee and the Senate-House Committee on Reduction of Nonessential Federal Expenditures, headed by Sen. Byrd (D-Va).

The Banking committee had planned to start final work on a housing bill next Tuesday. But what senators called "shocking exposures" indicated close scrutiny of both old and new sections in the House-passed bill and grave doubts whether the job could be finished in time for action during this Congress.

Workers Take Wage Cuts In Auto Industry

TOLEDO, Ohio (AP)—So that their employer can better compete with other auto makers, production employes of Willys Motors, Inc., have voted to take a pay cut of as much as 10 per cent.

The vote was taken yesterday after Richard T. Gosser, vice president of the CIO United Auto Workers, told the employes the cut is necessary to stabilize Willys' economic position. Part of the loss may be recovered if a new bonus pay plan can be worked out.

The new pay plan does not affect basic hourly wages, but has the effect of eliminating incentive pay, awarded workers who produce more than a fixed norm for their jobs.

With Willys currently employing about 7,000 production workers at an average wage of $80, a 10 per cent cut could save the firm $56,000 weekly in labor costs. Gosser said the union hopes to reduce Willys' production costs 20 per cent within six months, making it competitive with General Motors, Chrysler and Ford.

Edgar F. Kaiser, president of Kaiser - Willys, described the union's action as a "tremendous step forward" which advances Willys' operations "to a point where it can become competitive with the Big Three from a standpoint of cost in the production of a complete unit."

McCarthy Is Worried About Bomb Security

DALLAS (AP)—Senator McCarthy (R-Wis) expressed "deep concern about security" on new H-Bomb developments today as he worked on a speech he will deliver in Texas next Wednesday.

But he denied knowing exactly what he would talk on at his Texas Independence Day appearance at San Jacinto battleground near Houston.

It was at San Jacinto that Texas forces under Gen. Sam Houston defeated the Mexican army of General Antonio Lopez de Santa Anna on April 21, 1836.

The controversial Wisconsin Republican said in an interview on his arrival yesterday that his Senate subcommittee on investigations had "our eyes on some other fellows" besides Dr. J. Robert Oppenheimer.

Oppenheimer is the atom scientist suspended by the atomic energy commission pending a security check.

"I've considered Dr. Oppenheimer a security risk for years," McCarthy said. "One man in a key spot can do more damage than a thousand in little jobs."

The Senator added, "We've got our eyes on some other fellows besides Oppenheimer."

McCarthy also said that "we are deeply concerned about security on new developments of the H-bomb."

"I'm talking about new developments," he explained. "After years of investigating this thing I'm sure we don't have any old secrets left."

The senator, accompanied by his wife Jean, said they would "visit around" and hoped to get in some fishing while awaiting the San Jacinto ceremonies. He also said he hoped to get started on his speech last night although he denied knowing exactly what he would talk about.

Allowable Cut Day; Kelley-Snyder Same

AUSTIN (AP)—The Railroad Commission today ordered the state oil allowable for May slashed 192,915 barrels per day, placing the permissive flow at 2,903,341 barrels daily.

The big cut will result from one less prpducing day in May for both statewide and East Texas field. The flow schedule will be on a 17 day pattern.

The cutback came after a 45 minute statewide proration hearing which produced a minimum of testimony from the industry. All but three of the big oil purchasers were in agreement with the 17 day schedule set by the commission.

Chairman Ernest O. Thompson quoted statistics showing national stocks of crude had jumped 6,613,000 barrels in the last four weeks to total 268,547,000 barrels.

He noted that gasoline stocks are still high at 179,674,000 barrels.

The commission issued a statement based on reports from refiners showing that a majority considered their stocks of gasoline satisfactory.

Ralph Dietler, Tulsa, board chairman of Stanolind Oil Purchasing Co., was the only purchasing representative who elaborated on the number of producing days he considered desirable.

The first to advocate 17 days for May, Dietler said the statistics read by Thompson "indicate to us that from the nearly ideal position in which the industry found itself on the first of March, we have deteriorated very badly."

"It is time to stop, look and listen," said Dietler. "We would recommend no more than 17 days in May and hope that perhaps gasoline stocks will be reduced in the early months of the consuming season."

Companies favoring the 17-day pattern were Stanolind, Humble, Magnolia, Shell, Texas, Cities Service, Continental, and Tidewater.

Sun Oil advocated 19 days; Sinclair and Gulf, 18. H. P. Nichols, Tyler, speaking for the East Texas Oil and Gas Assn., wanted 18 days for the East Texas field.

Fields on less than the statewide schedule in May will be Pantex, 16 days; Pickton, 9; Kelley-Snyder, 15; and Sandusky, 13.

The next statewide hearing will be held here May 19, and the June 18 hearing will be held in San Angelo.

Dulles Happy About Results Of His Visits

SYRACUSE, N.Y. (AP)—Secretary of State Dulles returned to the United States today and said he was "well satisfied" with the results of his talks in London and Paris on Indochina.

He added that he believed the Geneva conference would advance the cause of freedom in Southeast Asia.

Dulles termed the Indochina War and the general situation in Asia a "disaster."

"This disaster would be compounded if Indochina were lost," he said.

Dulles read a statement to newsmen on his arrival at the Syracuse Airport from Paris en route to his hideaway retreat on Duck Island in Lake Ontario.

He said a more serious disaster "can be prevented if the free nations are united—that unity of purpose depends on full understanding."

Dulles said the possibility of a 10-nation alliance similar to NATO, proposed for the Southeast Pacific, "has been enhanced by my talks."

The proposed alliance would aim to stem Communist expansion in Indochina and the rest of Southeast Asia.

Dulles discussed the matter this week in London with British Foreign Secretary Eden and with French Foreign Minister Georges Bidault in Paris.

Dulles said "our common purpose" was set forth in joint statements issued after each of those talks.

He pointed out that Thailand already had agreed to participate in the proposed 10-nation alliance and added "now President Magsaysay of the Philippines has indicated willingness to participate."

Dulles said he believed the proposed 10-nation alliance would head off Communist ambition to control Southeast Asia.

Judge Threatened In East Texas Before Enjoining AFL Union

KOUNTZE, Tex. (AP)—Judge H.A. Coe of the 88th District Court says he was threatened with death if he granted a temporary injunction against a striking union.

The judge granted the injunction yesterday against the AFL Pipeline Workers Union, Local 38, of Houston.

Coe said in a statement read in court before granting the injunction that he was told in a "face-to-face conversation" his body would be found "floating in Village Creek" if the order were issued.

The injunction prohibits the union from picketing Zachry Construction Co., a firm currently laying a pipeline from Beaumont to Corsicana for Magnolia Pipeline Co. The injunction order will remain in force until a hearing is held in Judge Coe's court April 27.

WEATHER

NORTH CENTRAL TEXAS: Partly cloudy, showers and local thunderstorms east and south this afternoon and southeast portion tonight. Cooler tonight and Friday.

WEST TEXAS: Partly cloudy, scattered showers and local thunderstorms lower Pecos Valley eastward this afternoon. Cooler tonight. Cooler in Panhandle and South Plains this afternoon and elsewhere Friday. Lowest 38-45 Panhandle and upper South Plains tonight.

EAST TEXAS: Cloudy, thundershowers this afternoon and tonight and in south portion Friday. Local thunderstorms extreme north this afternoon or tonight, cooler north portion, tonight and Friday. Fresh to locally strong southerly winds on the coast.

Shivers May Tell Tomorrow What Political Plans He Has

By The Associated Press

Gov. Allan Shivers has called a press conference for Friday at 10 a.m., prompting speculation he may reveal his personal political plans.

In Austin also, Lt. Gov. Ben Ramsey indicated he would have a political announcement soon, but that was about all he would say.

Most guesses were that Shivers would seek an unprecedented third elective term. The Houston Post came out with an editorial Wednesday saying Shivers should have it.

Politics was picking up all over the state.

"I think in the next few days I will toss my hat into the ring," Ramsey said Wednesday night during a TV interview.

"I didn't say how far I would throw my hat," Ramsey added smiling.

The lieutenant governor has been regarded as an almost certain candidate for re-election. There has been some speculation he would run for governor if Gov. Allan Shivers decided not to seek re-election.

Shivers, who has not announced his political plans for 1954, received a boost Wednesday night from the Houston Post. The newspaper said he should have another term in the governor's chair without opposition, "in recognition of the invaluable service he has already rendered."

Said the editorial: "We move that nominations be closed and that Allan Shivers be made the unanimous choice of Texas voters for two more years as Texas governor."

A loyal Young Democrats Committee was organized at Baylor University in Waco. The group formed after another Young Democratic Club at Baylor refused last week to pledge co-operation with the national party.

Conrad Kalmbacher, secretary of the new group from Fort Worth called the club formed last week "Shivercrats." Robert Bruce of Amarillo heads the loyalist group.

In Edinburg, State Rep. Joe Kilgore of McAllen announced a five-point platform for his race for Congress. Kilgore wants to succeed retiring Rep. Lloyd M. Bentsen Jr., also of McAllen.

A conservative Democrat, Kilgore called for solution of Texas water problems, a strong air arm for national defense, a balanced budget, and a farm price program "to meet any crisis" in his platform.

Fired Employe Claims Jewish Faith Cause Of Discrimination

WASHINGTON (AP)—A long-time employe of the Navy's hydrographic office said today he had been fired without explanation after being cleared by a security hearing board. He questioned whether anti-semitism was involved.

Abraham Chasanow, who started in the office 23 years ago at $1,440 a year and became a $8,360 distribution control officer, protested that he has always been "a firm believer in our Constitution and our democratic and capitalist system."

Through Atty. Joseph A. Fanelli, Chasanow asked reconsideration of a decision dated April 7 by J. H. Smith Jr., assistant secretary of the Navy for air, which held Chasanow to be a security risk. Smith said he acted after a second review board reversed the first panel's findings.

Chasanow lives in nearby Greenbelt, Md., originally a big government-owned housing project, but sold in 1953 to the Veteran Housing Corp. under a plan which enabled tenants to buy their homes or apartments.

In asking the Navy that the reasons for Smith's decision be set forth and that it be reconsidered and reversed, Fanelli wrote:

"There are but five members of the Jewish faith who are both residents of Greenbelt and employes of the hydrographic office. There are at least eight members of the Gentile faiths who are both residents of Greenbelt and employes of the hydrographic office.

"All five of the Jews have had security difficulties with the hydrographic office. All the Gentiles remain undisturbed. In the absence of a statement of reasons for the adverse decision of the assistant secretary, it may well be believed that the proceedings which led to that decision were tainted with antisemitism . . .

Charges that he had been "associated for a considerable time with persons who were known to be Communists" were filed against Chasanow on July 29, 1953, and he was suspended.

Chasanow, 42, a spare-time lawyer (he attended night school while working for the government) replied that he "never associated in any way with any known Communist, or with anyone known to me to be a Communist, Communist sympathizer, radical, or any kind of pink."

Honor Students In High School Named

Forty-seven high school students, were listed as highest honor students during the nine-week period just ended. Fifty-six other students were named on the second honor roll.

Students ranking on the highest honor roll must have no grade below A, while others listed as honor students must have a least three grades of A and none below B.

Seniors on the first honor roll were Mary Alice Richardson, Jane Voss, Joe Devenport, Mike Gibson, Monnie Hedges, Mira Caswell, Joan Parks, Sandra Groves, Jane DeWald and Charlotte Colley.

Second honor roll: Francine Taylor, Bobby Burney, Joe Davis, Margaret Anger, Bettie Estes, Jo Ann Glosson, Jane Burleson, Elizabeth Dabbs, Louise Crook, Jane Houston, Mary Stinson, Kenneth Lawrence, Ray Gordon, and Mary Nell Payne.

Juniors, first honor roll: Suzanne Houston, Myrtle Scott, Leonard Hale, Venita Harris, P. W. Cloud, Jr., Robert Mapes and Clare Smith.

Second honor roll: Thomas Rigsby, Larry Max Smith, Beverly Hodge, Robbie Ann Pratt, Bill Compton, Oneta Farguson, Mickey Gillean, Margaret McPherson, Sandra Scott, Linda Norcross, Paul Nelson, Carolyn Holley, Eleanor Browning, and Christene Brown.

Sophomores, first honor roll: Jane Rogers, Fred Williams, Carol McKenney, Anne Porterfield, Sandra Sue DeFore, Charlotte Chauncey, John Hambien, Linda Milam, Alan Snead, Lareta Johnson, Twila Joy Sturdivant, Jozell Brister, Janice Starr, Harilynn Ward and Dickey Dan Hardee.

Second honor roll: Doris Agee, Billie Marie Stipe, Joyce Blakely, Betty Connell, Mary Ann Dosk, Sittie Harrell, Lajuana Rabb, Tommy Richardson, Gay Smyers, Julia Cauble, Kay Birdsall, Judy Miller, Gealene Robinson, Bruce Evans and Perry Bolger.

Freshmen, first honor roll: Roy Lashaway, Ronald Smith, Roy Larry Dixon, Bobby Jones, Martha Jane Joyce, Carol Ann Rodgers, Freidine Theis, Barbara Neal, Bill Smallwood, Marjorie Smith, and Robert Dabbs.

Second honor roll: Roger Kerbow, Richard Miller, Karen Crook, Lynn Tankersley, Beverly Scott, Juanez Teaff, Jo Ann Morgan, Karleen Roberts, Carol Clark, Frances Parker, Wiley Denson, Max Dillean, Tommy Pritchard, Sheila France Holmes, David Keith Floyd and Freida Melton.

Snyder Band In Contest April 30 In Angelo

Preparations are underway for the entry of Snyder High School band in the Interscholastic League Band Contest April 30-May 1 in San Angelo.

The band recently won first ratings in concert performance and sight reading at the Sweetwater district band festival. In Interscholastic League marching ratings last fall, the band received a first division.

At the coming meet the band is to enter concert playing and sight reading. Bands receiving first divisions in marching, concert performance and sight reading receive sweepstakes awards. If first divisions are received in one or two of the events individual awards are given for the events. Bands do not receive places in the judging but are awarded ratings according to standards.

Students entering solo and ensemble contests will include Jane Houston, Audralene Head, Sittie Harrell and Lajuana Rabb, twirling ensemble; Audralene Head and Karen Crooks, twirling solos; Bruce Evans, Ken Lawrence, Robert Dabbs and Judy Noah, clarinet quartet; Jane Houston, Beth Story, Clinta Barbara Blackard and Karen Crooks, flute quartet; P. W. Cloud, Jr., Gene Newton, Lynn Tankersley and Wiley Denson, trombone quartet; Karleen Roberts, Chiva Boss and David Hambien, cornet trio.

Janice Starr, Bata McPherson, Jane Burleson and Johnny Randolph, saxaphone quartet; Jimmy Boyd, Linda Milam, David Floyd, and Leonard Hale, French horn quartet.

P. W. Cloud, Jr., trombone solo; Bruce Evans, clarinet solo; Marjorie Norton, oboe solo; Judy Noah, bass clarinet solo; Pat Bruton, clarinet solo; Karleen Roberts, cornet solo; Von Dell Drinkard, snare drum solo; Clifton Robbins, snare drum solo.

Bruce Evans and Jimmy Boyd are student directors.

Youth Injured In Fall Here

Frankie Minton, a high school student, was given emergency treatment and released at Cogdell Memorial Hospital after he fell from a moving truck here last night, police said.

Minton was one of five high school boys in a 1952 Dodge pickup truck driven by John Sheenan Story, 17. Minton is the son of Mr. and Mrs. Lodie Minton.

The accident occurred on the curve in Avenue S at Thirty-first Street, Marvin Brister, desk sergeant, said.

Minton and Douglas James were in the back of the pickup, and Minton was standing against the cab of the pickup when it started around the curve. The swerve around the "S" curve threw Minton from the pickup injuring his head, Brister said.

He was taken to the hospital in a Bolger ambulance, but hospital attendants did not consider his condition serious.

Others in the pickup were Robert James, and Bill Fowler.

Tourist Plan To Start Here Late Tomorrow

The chamber of commerce will launch its tourist courtesy program here tomorrow, stopping a carload of tourists and treating the group to a night's lodging, car service, a meal, entertainment, and a tour of the area.

The program was set up by the chamber's tourist development committee, headed by W. P. Davis.

The first group of tourists will be stopped at about 3 o'clock tomorrow afternoon and welcomed to the town by members of the committee. A group with the time to spend the night here will be selected.

The tourists will first be taken to one of 11 motels cooperating in the program and given time to unpack. The tourists will then take their car to a service station here, one representing the eight brands cooperating, and leave it there for whatever service is needed. Maximum service to one car was listed at a wash and grease, oil change, and fill of gasoline.

The committee will then take the group on a tour of Snyder and the area. The tourists will then be brought back for the evening meal in one of eight cooperating cafes. They will be given theater tickets for the evening's entertainment. The next morning they will be sent on their way.

Businesses cooperating in the program will be on a rotating list.

The committee will stop at least two groups for the program during April. For the rest of the summer, through Ausust, plans call for stopping at least one group each week.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

COGDELL HOSPITAL

Admissions — Silas Devenport, 2405 Twenty-seventh Street, surgical; Betty Fryer, 1608 Twenty-seventh Street, surgical; Mrs. Gene Madruza, 1810 Avenue O, medical.

Dismissals — Mrs. Clyde Dawson, 322 Twenty-ninth Street, obstetric, and infant daughter; John Davis, route No. 3, Hermleigh, medical; Harold Makos, Canyon Courts, medical; Mrs. C. G. Creamer, route No. 3, surgical; A. M. Evans, 2908 Avenue N, medical.

BATTENFIELD HOSPITAL

Admissions: Joe Black, 3100 Fortieth Street; Mrs. E. H. Henderson, 3100 Avenue I; Mrs. B. J. Griffith, Snyder; Kenneth Williamson, 1200 Twenty-sixth Street.

Dismissals: C. A. Bretz, 2903 Avenue N; Ronald Hogue, 2806 Avenue V.

BIRTHS

Mr. and Mrs. L. W. Childress of Snyder are the parents of twins born this morning in Battenfield Hospital. A girl weighing four pounds, 12 ounces was born at 6:02. A boy weighing four pounds, seven ounces was born at 6:08.

Mr. and Mrs. Eugene Glasscock, who live on route 2 nine miles east of Snyder, are the parents of a nine pound five ounce baby boy born last night at Callan Hospital, Rotan.

Loraine School Man Held Over Night On Drunk Driving Charge

H. H. Homsley, superintendent of the Loraine school system, was released on county court appearance bond this morning after spending the night in jail on a charge of driving while intoxicated.

The court charge was formally filed against Homsley this morning and listed as witnesses Gene Bowlen of Hermleigh and William D. Love, chief deputy sheriff who arrested Homsley.

Homsley was arrested about 9:30 o'clock last night a few miles north of Inadale on U. S. Highway 84.

Surety on the $500 bond for Homsley was listed as Dr. John Hamblen of Snyder, formerly of Loraine.

No definite date for trial of the case has been set.

Alleys Passable Again

Most alleys in Snyder are passable and garbage and trash pickup was considered nomal at noon today, B. J. Shelley, city manager, said.

Rains had made many alleys impassable for the large garbage trucks earlier this week, he said.

2 Charges In Fatal Accident Near C-City

Two charges of second degree negligent homocide have been filed in Mitchell County court against Alpheus Dewey Jones, Jr., 29, of Dallas.

Jones was driver of a car which on March 19 was in collision with a car driven by Kenneth Dan Burns, 18, of Snyder. Two passengers in the car Burns was driving, Don C. Wright of Loraine and Mrs. Trudy Phariss Adams of Colorado City, were killed in the collision.

The charges were filed by county attorney Frank Ginzel on a complaint by E. G. Allen of Colorado City, highway patrolman. One of the charges alleges that Jones, while "under the influence of intoxicating liquor," did "by negligence and carelessness cause the death of Don C. Wright." The other charge states similar circumstances in the death of Mrs. Adams.

The collision occurred on U. S. Highway 80 four miles east of Colorado City. The complaint against Jones alleges he was driving on the left-hand side of the highway at a speed in excess of 55 miles per hour before the collision.

Jones was previously charged with murder without malice in 32nd District Court, but a grand jury investigated the case on April 5-6 and no-billed the Dallas man. Eldon Mahon, district attorney, had filed that charge after receipt of a blood test report from the State Department of Public Safety.

Egyptian Politicos Get 10-Year Silence

CAIRO, Egypt (AP)—Egypt's military government banished from politics for a decade today all leaders of the nation's three major parties who held office during ex-King Farouk's last 10 years on the throne.

The Revolutionary Council's order stripping the old politians of their rights to hold office or lead their parties struck at most of the part premiers and Cabinet members who governed the country before the present military junta seized power in July 1952.

It also would keep such former political leadership out of the national advisory council which the military regime has said it would set up to assist in the transition to eventual civilian rule.

Newspapers listed a total of 42 politicos affected but government rulings on some whose party affilations is doubtful could raise the number to around 60.

A government spokesman said the military council also was drafting a crackdown on Egypt's press syndicate of newspaper owners and newsmen, most of them opposed to the military regime, and on newsmen who had received secret government subsidies from Farouk's governments.

Some reports said the government would dissolve the syndicate and take its assets into custody. Other rumors said "corrupt pressmen" would be expelled and the syndicate reorganized.

The order applied to Egypt's three main political parties—the Wafdists, Saadists and Liberal Constitutionalists. It said nonpartisan ministers would not be affected "unless the Revolution Council rules otherwise."

The sweeping decision was reached in a marathon council session that started at noon yesterday and ended in a joint meeting with the subordinate civilian Cabinet early today.

It was seen as another major victory for Vice Premier Lt. Col. Gamal Abdel Nasser in his struggle for power within the council against President - Premier Maj. Gen. Mohamed Naguib. The latter favored lifting the present ban on political parties and a return to parliamentary rule following elections in July.

Naguib was forced to reverse his pledges of such a program on March 29 after pro-Nasser street demonstrations protested the return of the old politicians and demanded the Revolution Council continue to rule the country.

Naguib collapsed during that crisis and was reported still confined to his bed—too ill to attend the all-night session which reached today's decision, Nasser presided.

Guidance Minister Salah Salem said the order banishing the old politicians aimed to bar a comeback of those "who ruled Egypt under Farouk's corrupt regime and were, through their compliance with Farouk and due to their failure to resist his tyranny, responsible for the corruption of Egypt's political life."

OIL NEWS

and chert after a drillstem test from 8,075-165 feet. The tool was open one hour. Recovery was 5,150 feet of sulphur water with no shows.

Brahaney No. 1 Acosta, Southwest Borden wildcat, has perforated casing from 9,034-044 feet and is swabbing to test. Texas Crude No. 1-44 A. D. Brown is shutin for tank installation.

NOLAN COUNTY

Skelly Oil Co. has completed the fourth Cambrian producer in the Dora miltipay field of Northeast Nolan County.

The producer is the No. 5-B Boyd which made a 24-hour flowing potential of 2,334.96 barrels of 47-gravity oil. The potential was based on an actual two-hour flow of 194.58 barrels of oil through a three-quarter-inch choke. Production is from perforations at 6,090-154 feet.

Completion was natural with gas-oil ratio 1,040-1. Tubing pressure was 260 pounds, with casing pressure 450 pounds.

Drillsite for the No. 5-B Boyd is 10 miles southeast of Sweetwater and in section 58-20-T&P.

DRILLING REPORT

In Northwest Scurry County, Bright & Schiff No. 1 Ainsworth is running intermediate casing at total depth of 2,268 feet. Woodson Oil No. 1 Noel is drilling in lime and shale below 7,105 feet and Woodson Oil No. 1 Marley is drilling in shale below 7,776 feet. Goodstein No. 1 Browning is drilling in shale below 7,715 feet.

Union Oil No. 1 Boone, Northeast Scurry wildcat, is drilling in lime and shale below 2,140 feet. Sun Oil No. 2 J. W. Layne in Southwest Scurry County is drilling in shale below 6,708 feet.

Cascade No. 1 King, Northeast Dawson wildcat, is drilling in lime below 10,546 feet. Texas Pacific No. 1 Otto Dunlop is drilling in lime and shale below 8,849 feet.

Union Oil No. 1-74 Young, Nolan wildcat, is at total depth of 6,000 feet and fishing. Cameron No. 1 Baker is drilling in shale below 4,740 feet. Sun Oil No. 1 Everett is drilling in lime and shale below 4,485 feet.

No Violence In Strike Today

CLEVELAND (AP)—Police set up three road blocks on streets leading to the Park Drop Forge Co. today, and non-striking workers began the day shift in relative calm.

There was fighting at the plant gates yesterday as CIO pickets were shoved back by mounted police.

Today, with nearly 200 police in the area, barriers were set up a block from the plant. Only persons with proper identification cards were allowed through. Despite a light drizzle, several thousand others milled around near the barriers.

Company officials said the number of workers on duty was "better than yesterday," and estimated the day shift had between 135 to 150 on duty, including supervisors.

Trouble broke out at the plant gates yesterday morning as the CIO United Auto Workers pickets tried to prevent nonstrikers from going to work on the morning shift. Quelled temporarily by mounted policemen, the fighting flared up again in the afternoon as the day shift workers left the plant.

One man was knifed and several others were bruised. A number of cars were damaged by rock throwers, and one automobile was upset.

The Cleveland Industrial Union Council last night called on all CIO-affiliated unions in the area to prepare for "sympathetic assistance" to the auto workers. The council said it would be up to the various unions to decide to what extent they would take part in a demonstration of support.

Night Time Pickup Of Trash In Business Area To Start Next Tuesday

A change in trash pickup in the business area of Snyder will be made beginning next Tuesday, B. J. Shelley, city manager, said.

Shelley said garbage trucks will make all pickups in the business district between 6 o'clock in the afternoon and 2 o'clock in the morning. Previously trash and garbage pickup in the business area has been made during the day.

Shelley requested business house operators to place their garbage and trash to fiellitate the night time pickup.

He urges the use of closed-type containers so that trash will not scatter over the business area by winds between pickups.

East Texan Honored

LONGVIEW (AP)—Publisher and Mrs. Carl Estes yesterday presented a watch to R. Marvin Kelly and described Kelly as a pioneer of East Texas industrialization.

Estes also presented watches and plaques to several other industrialists and manufacturers of the region.

Presentations were made at a reception given by the Esteses preceding the annual Longview Chamber of Commerce meeting.

PARADE PREVIEW

A spin in this ancient wicker buggy failed to enchant 19-month-old Carolyn Miller, but to her grandfather, John W. Hedberg, it represented realization of a long-time desire. Hedberg bet his children he would some day give their children a ride in the buggy, which once carried Hedberg's wife. Dapper in his top hat, Hedberg takes Carolyn for a trial run along the shore of Lake Harriet in Minneapolis. Sunday they'll be in the Easter parade.

Easter Foods Priced Down

By The Associated Press

Juicy smoked hams and succulent turkeys are the feature attractions in most of the nation's food stores this Easter weekend.

And in general, prices on the two items will be lower than a week ago. Hams will be down from four to eight cents a pound. Turkeys will be anywhere from six cents to a dime cheaper than last weekend.

If you want something other than the "traditional" Easter dinner features, your best bets, valuewise, will be veal and prime ribs.

Food men say veal cuts continue to be reasonably priced. Prime ribs appear to be resisting the upward trend of other meats.

Legs of lamb and sirloin steaks will be generally higher this weekend. Pork chops will be up in some places and off in others. Prices remain high, however.

There'll be scattered other specials—chuck roast, frying chickens, fresh cod and haddock fillets and codfish and halibut steaks. Frying chickens show no definite price trend; some stores will hike prices three or four cents a pound while others will offer them at a couple of cents less than a week ago.

Eggs may be higher in your market. Price rises of two to as much as six cents a dozen are planned by stores in various sections of the country. Butter will be the same in most places, but a little higher in some eastern stores. Celery, spinach, onions, potatoes and cabbage remain on the list of extra-special vegetable buys. Rated as good buys are new crop potatoes, corn, eggplant, small-size peppers and squash. Asparagus and lettuce are considered by produce men to be moderately priced. Tomatoes, cucumbers and carrots are up a bit this week.

Some stores will feature pineapples to go with baked ham. Grapefruit continues to be the most worthwhile buy in fruits. Most fruit prices are higher this week.

Holy Week Services

Special Holy Week services are scheduled at the First Methodist Church tonight and tomorrow night at 7:30.

The Rev. W. W. Adcock will bring the messages at both services. The sacrament of the Lord's Supper will be observed both nights.

GLANDS ARE THE KEY

Even Dead Germs Can Cause Illnesses For Sufferers

By ALTON L. BLAKESLEE
Associated Press Science Writer

ATLANTIC CITY, N.J. (AP) — Some germs are dangerous dead or alive, and healthy glands seem to be a good defense against their double punch, new experiments reported today indicate.

There are germs which are dangerous while alive. But they also contain a hidden poison inside them. This poison is released when the body kills and breaks up the germs.

How you react in both battles may well depend partly upon having healthy adrenal glands, glands which are neither too lazy nor too active, the new studies suggest. This could explain different reactions to infections because of age or health conditions.

The new studies made in mice were described to the Federation of American Societies for Experimental Biology by Doctors R.D.G. Higginbotham and Thomas F. Dougherty of the University of Utah School of Medicine, Salt Lake City.

The adrenal glands, located atop the kidneys, produce a potent hormone, cortisone. Resistance to some infections is reduced by giving certain adrenal extracts. But the injections can increase resistance to various kinds of poisons.

The Utah scientists took out the adrenal glands of mice. These mice became 1,000 times more susceptible to an injection of a poison-producing strain of staphylococcus germs, the type which cause boils and other ailments.

The mice reacted badly even when injected with dead germs. The germs, dead or alive, are broken up by the spleen, and their poison is released. The mice with no adrenal glands "actually commit suicide by destroying the bacteria and thereby liberating this material."

Mice with no adrenal glands did survive when given enough of the hormone. Too much was bad in fighting germs. Too little was bad in combating the poison of the destroyed germs.

Other reports to the federation:

Honey or wax, direct from the bees' comb and not heated, contains an "X" chemical which eliminates joint stiffness in guinea pigs, a stiffness resembling human arthritis—Miss Julia Church, reporting the latest step by a group of Oregon State College scientists.

Fatal shock from burns is overcome in animals with injections of the drug piperazine, and it may hold promise for burned humans —Steven E. Jordan, University of Wisconsin.

Body Shows Up While Firemen Made Search

PITTSBURGH (AP) — Firemen probed the smouldering ruins of 70-year-old Joseph Coleman's home in search of Coleman's body.

A man appeared and asked what they were doing.

"We think a man named Joe Coleman died in there," a fireman said.

The man replied:

"Well, that's me. I'm not dead and I'm not in there."

Coleman told firemen he had been out collecting junk when flames destroyed his home.

Bracelet Clip Lost

HOLLYWOOD (AP) — Mary Pickford told sheriff's deputies yesterday she lost a $22,500 diamond bracelet clip during a party at a Sunset Strip restaurant Monday night.

Vladimir Petrov, third secretary of the Soviet embassy at Canberra, Australia, was reported by Prime Minister Robert G. Menzies as having asked for and being granted asylum in Australia. The Prime Minister said Petrov brought with him documents naming Australians as participants in a soviet espionage network.

INTERNATIONAL DESIGNERS PATTERN

S-215

by SIMONETTA of Italy

Gay to wear and easy to make is this duet by the talented Italian designer Simonetta. The bodice blouse with its pointed, fly-away revers is cut in one with the cuffed sleeves and wraps around the midriff for a snug fit. The beautifully designed, tucked skirt is group-pleated at the waist without a trace of bulkiness. Checked gingham was originally used for the blouse and heavy Italian silk for the skirt. Two shades of broadcloth or tissue chambray with linen are also ideal for this creation. Size 12 requires two and three-quarter yards of 36-inch material for the blouse and seven and three-eighth yards of 36-inch material for the skirt. To order the pattern, No. S-215, send $1 to International Designer's Patterns, P.O. Box 993, Dept. SX-13, G.P.O., New York 1, N.Y. Be sure to include your bust, waist and hip measurements so your correct pattern size will be sent.

SOCIETY SCRIBBLINGS

By VIVIAN KILPATRICK

Saturday is car washing day for the Rainbow girls with several service stations here donating part of their proceeds from car washing jobs to the organization.

The money received by the group will be used for a general traveling fund for the Rainbow Girls' Grand assembly in San Antonio June 14 and 16, said Miss ROBBIE PRATT, spokesman for the group.

Those wishing to help this fund may have a Rainbow Girl call for and deliver their car by calling one service stations listed below, said Miss Pratt. Those picking up and delivering cars will have driver's licenses, she added.

Co-operating stations are Black & Son Cosden Service Station, Denson Gulf Service, Evans & Faver Service Station, Field's Service Station, Martin Service Station, Beauchamps Service Station and McCravey's (Red's) Service Station.

• • •

Mr. and Mrs. J. E. LeMOND, 2908 Thirty-seventh Street, had their three daughters and their families as guests Sunday. They are Mr. and Mrs. C. N. Batts and two children, of Santa Fe, who were there the week end; Mr. and Mrs. Bill Babb and daughter of Midland who were there the week end; and Mr. and Mrs. WELDON KINCAID and daughter, of Snyder, who called on Sunday.

• • •

New officers for the high school Parent Teacher Association are Mrs. H. M. NESBIT, president; Mrs. B. V. GILLEAN, vice-president; Mrs. H. W. BOSS, treasurer; and Mrs. W. N. SHIFFLET, secretary. They were elected preceding the home economics style show Tuesday.

• • •

To leave today for an Easter holiday in New Orleans were to be Miss THELMA LESLIE, Miss KATHERINE NORTHCUTT, Mrs. MAUDE HOLCOMB, and Mrs. DELL SMITH.

• • •

Visitng his parents is Pfc. DONALD O. STARR, who is stationed in San Diego with the Marine Corps. He is the son of Mr. and Mrs. N. O. STARR, 3734 Avondale Avenue. Pfc. Starr is to leave Saturday to return to San Diego where he will attend radio and telegraph operators school.

• • •

Mr. and Mrs. ED CROWDER, 2903 Avenue X, became great-grandparents a week ago when a baby boy was born to their grandson and his wife, Cpl. and Mrs. DARRELL R. CROWDER, Camp Rooker, Ala.

Training for athletic events is no less strenuous than training for a long season of concert performances, CLARAMAE TURNER, tonight's Civic Music Association guest star, believes.

But between seasons, Miss Turner and her husband enjoy rich Hungarian dishes which she learned from her mother-in-law. Here is one of her favorite recipes, Paprika Schnitzel.

Begin with two pounds of veal round steak half an inch thick. Cut into serving pieces, roll in flour and brown in a heavy frying pan in hot fat. When nicely browned on all sides, add salt and pepper to taste and about one and one-half teaspoons paprika. Add hot water just to the top of the meat.

In the meantime, slice thin two large onions. Fry the slices in butter (about two tablespoons) until they are limp but not brown. Add the onions to the other ingredients in the skillet, cover the skillet and simmer 35 to 45 minutes or until the meat is tender.

When the meat is tender, remove it from the skillet and add about one-fourth cup of light cream to the gravy. Blend and serve after correcting the seasoning. Miss Turner usually returns the meat to the gravy and serves both together in one large bowl.

Fluffy, hot buttered rice and broccoli with lemon butter are Miss Turner's suggestions for serving with the main dish. A green salad, hot rolls and a fruit dessert add the final touches.

WOMEN'S CALENDAR

THURSDAY

Duce Bridge Club, 7:30, Mrs. R. M. Phillips, 2703 Avenue U.

AAUW, 4 p.m., Scurry County home demonstration agent's office, 1913 Twenty-seventh Street.

OES, 8 p.m., Masonic Hall.

El Feliz Club, 3 p.m., Mrs. Warren Sturgeon, East of Snyder.

Women's Golf Association, master point day, 9:45 a.m., Country Club.

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-8486.

The meringue for these angel pies is served as the crust instead of as the traditional topping, and flavored to complement the filling. No mixing and rolling of dough here, simply spread the meringue over a well greased tin pan and bake in a slow oven.

LEMON ANGEL PIE

Filling:
1 1-3 cups sugar
1½ cups water
⅓ cup cornstarch
¼ teaspoon salt
3 egg yolks, beaten
½ cup lemon juice
Grated peel of 1 lemon
½ cup cream, whipped

Shell:
3 egg whites
1 teaspoon lemon juice
1 cup sugar
⅛ teaspoon salt

For filling, mix sugar, water, cornstarch, and salt and boil six to ten minutes, stirring constantly. Remove from heat and stir in egg yolks. Return to heat and cook gently for six minutes; stirring constantly. Take from heat and add lemon juice and peel. Cool.

To make shell, combine egg whites, lemon juice and salt, and beat until mixture holds soft peaks. Add sugar gradually, beating until meringue is glossy and holds a firm peak. Oil pie pan well and spread meringue on bottom and sides to form a shell for the filling. Bake at 275 degrees for one hour. Cool. Pour cooled filling into baked shell. Garnish with whipped cream.

CHOCOLATE WALNUT ANGEL PIE

Filling:
2 teaspoons gelatin
¼ cup cold water
2 squares (2 ounces) unsweetened chocolate,
¼ cup milk
2-3 cup sugar
⅛ teaspoon salt
⅛ teaspoon vanilla
1 cup cream, whipped
Finely chopped walnuts

Shell:
2 egg whites
⅛ teaspoon salt
⅛ teaspoon cream of tartar
½ cup sifted sugar
½ cup finely chopped walnuts
½ teaspoon vanilla

For filling, soften gelatin in cold water. Heat chocolate and milk in double boiler. When chocolate is melted, beat with egg beater until blended. Add softened gelatin, sugar and salt; stir until gelatin is dissolved. Chill until mixture begins to thicken. Fold in vanilla and whipped cream. Pour into cooled meringue shell. Chill until firm (about two hours). Top with chopped walnuts.

For shell, put egg whites, salt, and cream of tartar in mixing bowl. Beat until foamy throughout. Add sugar, two tablespoons at a time, beating after each addition until sugar is blended. Then continue beating until mixture will stand in very stiff peaks. Fold in walnuts and one-half teaspoon vanilla. Spoon into lightly greased eight-inch pie pan and make a nest-like shell, building sides up one-half inch above edge of pan. Bake in slow (300 degrees F.) oven 50 to 55 minutes. Cool.

Snyder H-D Club Hears Rev. Chrisman

The Rev. Edward Chrisman was guest speaker for the Snyder Home Demonstration Club which met Tuesday with Mrs. Jerry Glover, 3204 Fortieth Street.

Father Chrisman spoke on "China," telling some of the customs and habits of the Chinese.

Five members and two new members, Mrs. G. B. Walton and Mrs. David Young, were present.

Ira 4-H Club Sets Summer Meetings

Summer meetings were discussed at the meeting of the Ira 4-H Club Thursday.

The club voted to meet the second Thursday in June with Mrs. J. C. Stirling.

After a recreation period, Miss Ruby Butts, county home demonstration agent, gave a demonstration on "How to Cut a Dress."

LOVELY TO LOOK AT!

2589
SIZES
10 - 20

The swirley skirt is important in this two-piece; so is the doll-waist jacket! Finish as a town and country cotton or "silk" suit-dress — with your choice of sleeves, collar or collarless neckline.

No. 2589 is cut in sizes 10, 12, 14, 16, 18, 20. Size 16: Short sleeves, 5¼ yds. of 39-in.

Send 30c for PATTERN with Name, Address, Style Number and Size. Address PATTERN BUREAU, Snyder Daily News, Box 42, Old Chelsa Station, New York 11, N.Y.

Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra 5c per pattern.

PERSONALS

Mr. and Mrs. Jim Reynolds and children, Jim and Margaret, 3204 Hill Avenue, spent the week end in Sweetwater with Mr. and Mrs. Bryan Buck.

Mrs. Clyde Netherlin and daughter, Larraine, of Carlsbad, are visiting Mr. and Mrs. Elton B. Beck, Clairemont Road.

Mr. and Mrs. A. L. Grant of Andrews and Mrs. Chuck Lawson of Odessa were the overnight guests Tuesday of Mr. and Mrs. C. U. Bishop, 1204 Twenty-sixth Street, and visited also with Mrs. Harold Hester at Cuthbert.

Mr. and Mrs. Wayne Graham of Roswell, N. M. spent the week end with his parents, Mr. and Mrs. Odell Graham and daughter, Joye.

Harold V. Thomas of Danville, Va. left Monday after three weeks spent visiting his cousin, Mrs. J. P. Morgan, 2707 Avenue U. Now visiting with Mrs. Morgan is Mrs. Lee Taylor of Van Alstyne.

Week-end guests of Mr. and Mrs. O. J. Weber, 3790 Dalton Drive, were Louis E. Anderson and Miss Frieda Hudman of Dallas, Mr. and Mrs. O. J. Weber, Jr., and children Michael, Steven and Sondra Jo, of Big Spring.

Travel Slides Shown At Women's Culture Club Here On Tuesday

Slides of South American and Hawaii were shown by Mrs. J. C. Dorward to the Woman's Culture Club Tuesday at the home of Mrs. Edgar Wilson, Peach Street. Mrs. A. P. Morris was co-hostess.

The pictures of South America were of the tour taken by Mrs. Dorward last June, and included landscapes scenes and other points of interest in the West Indies. The pictures of Hawaii were taken on the tour Mrs. Dorward made there two years ago.

Fourteen members and four guests, Mrs. Dorward, Mrs. E. W. McLeod, Mrs. Melvin Newton and Mrs. Frank Wilson, were present at the meeting.

Gift Tea For Miss Rainwater Is Held Saturday

Miss Wanda Jean Rainwater, bride elect of Bobby Ray Newton of Ira, was honored with a gift tea Saturday afternoon at the home of Mrs. Myron Roe, 3107 Avenue U.

Co-hostesses for the tea were Mrs. A. L. Byrom, Mrs. W. H. Rainwater, Mrs. Elmo Crowder, Mrs. N. W. Autry, Mrs. G. C. Coleman, Miss Peggy Allen, Miss Bonita Lyons, Mrs. Wendel Autry, Mrs. Rudy Minor and Mrs. Betty Norris.

In the receiving line were Mrs. Roe; Miss Rainwater; Mrs. E. P. Rainwater, mother of the bride-to-be; Mrs. Bessie Stone, grandmother of the bride-to-be; Mrs. G. A. Newton of Ira, mother of the bridegroom-to-be; Mrs. Buck Lane, sister of the bridegroom-to-be.

Presiding at the guest book was Mrs. Wendel Autry.

Guests were given favors of silver rings tied with purple bows attached to cards bearing the names of the couple.

An arrangement of blue and white carnations centered the refreshment table, covered with a white lace tablecloth. Refreshments of punch and cookies were served to the guests by Miss Allen, Mrs. Norris and Mrs. Minor.

The wedding of Miss Rainwater and Mr. Newton is to take place on April 30 at the First Baptist Church in Snyder.

Health Discussion At 20th Century Club Meeting Here

"Health and Medicine" was the program subject for the Twentieth Century Club which met Tuesday with Mrs. I. W. Boren, 2901 Avenue T.

The title of a talk given by Mrs. Ola B. Leath was "She Died After a Long Illness." Cause of the death was cancer, said Mrs. Leath, and the tradgedy was that it didn't have to be. She stated further that instead of being avoided, the subject of cancer should be brought to the attention of the public.

Mrs. J. L. Crow discussed the "Tower of Hope," a foundation in New York for Cancer research.

Mrs. Peyton Thurmon, program leader, in her talk compared the general practitioner of the old days with the present day specialist.

Thirteen members attended the meeting.

Shower Honors Miss Iralyn Newby Here

Miss Iralyn Newby, bride-elect of Latham W. Ryan, was honored Tuesday night at a lingerie shower given by Miss Elois McDow, 2101 Twenty-first Street.

The Easter theme was carried out in favors and decorations. Miss McDow gave a reading and games were played during the event.

Guests were the honoree, Miss Joy Graham, Miss Cleon Brunson, Mrs. Dorothy Shaw, Miss Wanda Brunson and Miss Doris Taylor.

Plainview 4-H Club With Mrs. Richburg

The Plainview 4-H Club met Monday at the home of Mrs. O. W. Richburg with Miss Barbara Thornburg presiding.

Miss Charlotte Weller lead the group in the 4-H motto, pledge and prayer.

After a recreation period, the county home demonstration agent, Miss Ruby Butts, showed how to lay and cut a pattern.

The club is meet next with Mrs. Lowel Thornburg.

Atheneum Club Has Study On Communism And Religion Tuesday

"Communism and Religion" was the topic of discussion for the Atheneum Study Club which met Tuesday with Mrs. B. J. Weaver, 2304 Thirtieth Street.

Mrs. L. D. Stone led the discussion with "Twenty Questions on Communism and Religion."

Historical facts about America were given by Mrs. Wilson Howell.

Sixteen members and one guest, Mrs. John Greenfield, were present. The club is to meet next with Mrs. R. L. Duggar.

West Texas Drilling Holds Steady Pace In 13th Week

Drilling activity in West Texas remained at a steady pace during the 13th week of 1954. A total of 90 applications to drill, including 19 wildcats, were filed in Railroad Commission Districts 7-C and 8.

The number compares to an equal 90 applications, including 17 wildcats, the preceding week.

Totals for the year now stand at 944 field tests and 251 wildcats for a grand total of 1,214 tests for oil and a weekly average of 94.23.

Nine counties in District 7-C shared 30 applications, including six wildcats and 24 field tests.

District 7-C wildcats were: Crockett and Runnels, two each; Sutton and Tom Green, one each.

District 7-C field tests were: Coke, Reagan, and Runnels, five each, Crockett, three; Schleicher, two; Glasscock, Sutton, and Tom Green, one each.

District 8 wildcats were: Andrews, Garza, and Pecos, two each; Borden, Cochran, Howard, Scurry, Sterling, Ward and Winkler, one each.

District 8 field tests were: Ward, eight; Cochran and Gaines, six each; Dawson, Ector, Garza and Pecos, three each; Borden, Hockley, and Yoakum, two each; Kent, Scurry and Lubbock, one each.

Old Jr. High Building Sold For $10,000

The building used by the junior high school during all of the oil boom and until the beginning of the present school term is being readied for a new business, according to its new owner, Frank Bernson.

Bernson, manager and co-owner of Town & Country, a furniture and appliance firm, said he did not wish to reveal at this time the type business to be housed in the building, formerly known as the Crane Building.

The building was sold to Bernson March 24 by the school board for $10,000. Details of the sale were completed this week. Bernson's bid to purchase the building was the highest received by the school board. Bids on the property ranged as low as $1,000 by an attorney bidding for a merchant here.

The school system purchased the building from the school district at Crane, Tex., in the early months of the boom, moved it here and remodeled it. Total cost of the property, including purchase of the land, remodeling, etc., was near $75,000.

Bernson said he would announce the new business about May 1 and planned to open May 3. The firm will have no connection with Town & Country, he said.

The building is located on the south side of Twenty-eighth Street at Avenue O.

Father Of Mrs. H. G. Hartgrove Succumbs

Funeral services for John A. Alexander, 94, of Childress, the father of Mrs. H. G. Hartgrove of Snyder, were held Monday afternoon.

Mr. Alexander, a resident of Childress County for 28 years, died Saturday night following a long period of illness.

Survivors in addition to Mrs. Hartgrove include the wife, Mrs. Jessie Alexander; a son, Earl Alexander of Childress; another daughter, Mrs. Joe Matthews of Childress; a brother, W. W. Alexander of Sulphur Springs; nine grandchildren and 10 great-grandchildren.

Blue Laws Ban More Than Bargained For

MUSKOGEE, Okla. (AP)—City officials, seeking to enforce ordinances against Sunday automobile sales, dug into old statutes and found more than they bargained for.

They dusted off an ancient blue law—still in effect—that permits sale of "vital necessities" only after 9 a.m. Sunday. Specifically banned are groceries, cigarettes, fish bait and automobiles.

Ike And Kyes Heap Praise On One Another

By MARVIN L. ARROWSMITH

AUGUSTA, Ga. (AP)—President Eisenhower says he is heartened by "the governmental accomplishments of the last 15 months" — since his administration took office.

The President made the statement in a letter made public late yesterday at his vacation headquarters here.

He wrote retiring Deputy Secretary of Defense Roger M. Kyes: "I cannot but be heartened, especially as the passing of time places these accomplishments in proper perspective."

The President's letter was to express regret over the resignation of Kyes, who is leaving the Defense Department May 1 to return to General Motors. He is being succeeded by Robert Anderson, who was secretary of the Navy.

Kyes said April 6—when the White House announced his resignation—and repeated yesterday in a letter to the President that he had agreed to serve only one year and had consented to remain an additional 90 days.

Eisenhower told Kyes he was accepting his resignation with reluctance and expressed appreciation of "the great effort you have put into helping develop a sound preparedness program for the nation." The President added:

"Our efforts to preserve the peace and sustain maximum individual freedom and responsibility in the world have been enhanced by your service in the government."

Kyes, whose letter to the President also was made public here, said, "The American people are indeed fortunate to have you as their leader."

He said his travels overseas "have brought home to me the great confidence that has been instilled in the free world by your being president of the United States."

Eisenhower hoped to get in another round of golf today at the Augusta National Club. He played 18 holes yesterday with Cliff Roberts, the club's board chairman, after having to delay the start of the game several hours because of rain.

The President and Mrs. Eisenhower arrived here from Washington Tuesday night for a 10-day Easter holiday.

Silver Iodide Machine Was On Here Saturday

The "rainmaking" machine set up in Snyder to help cause rainfall on the area around Haskell east of here was used Saturday night, Bobby McCormick, operator of the machine, said.

McCormick said that the machine was fired up at 6:15 o'clock Saturday night and let run until about 6:30 o'clock Sunday morning. It released silver iodide in the atmosphere.

The machine is owned by Irving P. Krick, head of the Water Resources Development Corporation, of Denver. Krick has a contract with the city of Abilene to help induce rainfall on the water shed of a lake which furnishes water for Abilene.

The machine has not been used since Sunday morning, McCormick said.

Career Day Is Planned Again For High School Next Week

Career day will be held at the high school here next Wednesday, according to Frank Wilson, director of curriculum.

Career day is an annual clinic held in the schools to help students choose their vocations, Wilson said.

Last week, the high school gave its students preference tests to aid those who do not know which vocations combine most of their interests.

Wednesday discussions will be held in 15 different areas of interest. Each student will have time to attend two sessions one hour and 15 minutes long in their first and second choices of vocational interests.

About 65 persons, including some specialists in vocations from here and out of town and some local businessmen, will aid the students in those sessions. They will lead discussions on the various vocations in the students' fields of interests and answer questions of the students. Each discussion group will be headed by one leader, who is a specialist in that area of vocations, one or more resource helpers who are in the same type vocation, a faculty advisor and assistant, and one student leader who is especially interested in the vocation.

The career day activities will begin at 9 o'clock Wednesday morning when Joe Davis, president of the student body, will open an assembly program in the high school auditorium. During that program, Dr. J. C. Matthews, president of North Texas State College in Denton, will tell the students the importance of choosing their vocational fields. Matthews will be chief consultant during the day. Dr. Cecil Yarbrough, superintendent of schools, will tell the reason for having career day each year.

At 10:30 o'clock that morning, all consultants and resource helpers will meet in the high school cafeteria for a briefing session. The group will be given an informal luncheon by the chamber of commerce in the cafeteria at 11:30 o'clock.

Starting at 12:30 o'clock, the vocational discussions will be held.

All vocations are combined into 15 areas for the career conferences. Professional medicine, for example, will include information for those who wish to be physicians, dentists, laboratory technicians, or have any other vocation in the medical field other than nursing, which will be in another group.

The following is a list of the discussion groups and their leaders:

Agriculture, N. C. Fine, assistant dean at Texas Technological College, Lubbock.

Business management and sales, Joe Gabriel, director of the retail institute at San Angelo Junior College.

Vocations in art, Fred Buford of the firm of Buford & Feinberg, architects and engineers, Dallas.

Engineering, C. G. Decker, associate professor of engineering at Texas Tech and Hicks Allen, unit manager for Scurry Area Canyon Reef Operators Committee.

Law, leader to be selected.

Homemaking, Miss Martha Ritter, home economics for Lone Star Gas Co., Abilene.

Communications, Houston H. Harte, editor of the Snyder Daily News.

Teaching, Dr. J. C. Matthews, president of North Texas State College, Denton.

Skilled trades, Harry H. Reed, president of Southern Electric Co. here.

Professional medicine, Dr. Robert Hargrove of Snyder.

Computational vocations, Garnett Gracy, business manager of McMurry College, Abilene.

Secretarial vocations, Dr. Rex Johnson, president of San Angelo Junior College.

Music, Professor Raymond T. Bynum, music director at McMurry College.

Social service, Dr. Anthony Hunt, president of Howard County Junior College, Big Spring.

Nursing, Mrs. Raymond Williams, high school nurse here.

Dr. Hamblen Speaks To Hermleigh Banquet

Dr. John Hamblen, Snyder dentist, was guest speaker at the junior-senior banquet at Hermleigh Tuesday night.

A "winter wonderland" theme was shown throughout the event both by the program and the decorations, which included cotton snowballs hung from the ceiling, a snowman dummy in the corner of the cafeteria, trees covered with artificial snow, miniature glass coal buckets filled with mints, and miniature ice skates attached to the place cards.

Teddy Joe McMillan, a student, played "Winter Wonderland" and "Frosty, the Snowman." Recorded music was played for dancing.

The invocation was given by Orville B. Paty, superintendent, and the welcome address was given by Wendel Goodman, a student. Another student, Delbert Hess, gave the response.

Travis Massingill Gets Rest Leave In Japan

Pvt. Travis E. Massingill of Snyder, who is now stationed in Korea as a rifleman in the 25th Infantry Division's 14th Regiment, recently spent a seven-day rest leave in Kobe, Japan.

Massingill, 22, is the son of Mr. and Mrs. E. R. Massingill of Snyder. He entered the army in September, 1952, and arrived overseas in April, 1953. His wife is the former Miss Joanne McElroy.

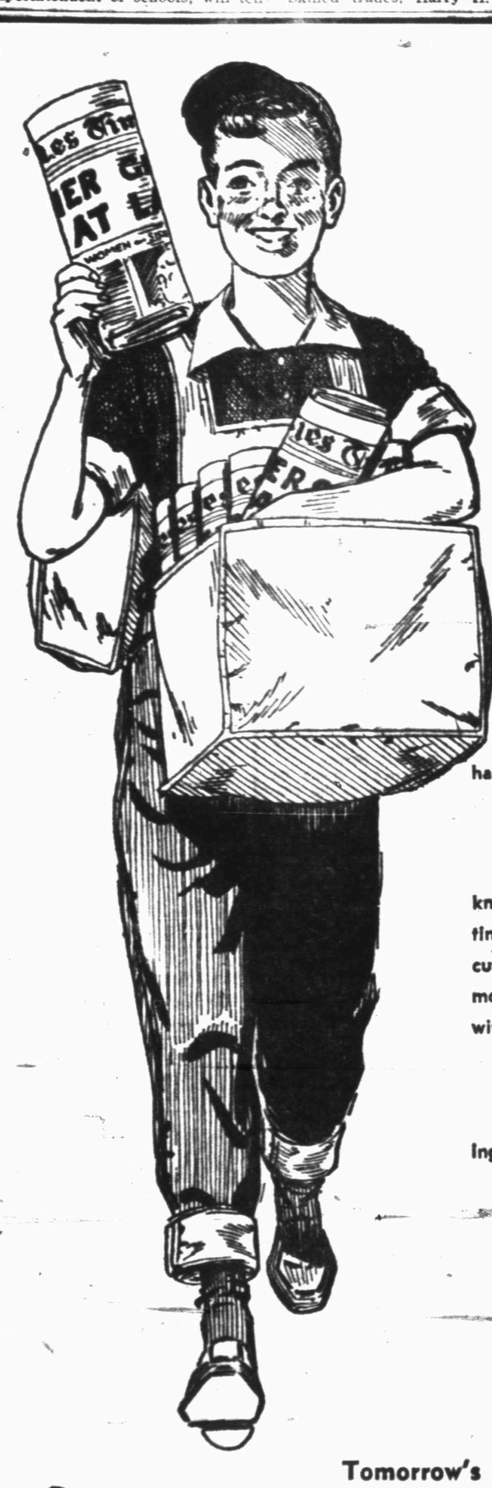
Representing THE TRAVELERS, Hartford



Here's a young man who's going places!

IN FACT, he is already on his way. He is already a successful young business man, operating a small business of his own which fits in nicely with his school work and also rewards him handsomely in profits for the small amount of time required.

Yes, he is an independent newspaperboy. He is proud and his parents are too, of the fact that he is able to earn money for his clothes and hobbies and has a growing bank account.

But much more important than the money he earns is the knowledge and training he is receiving for the future. He is getting basic training in the operation of a business—service to the customer, securing orders, making collections and saving his money. He is learning salesmanship, and how to meet and deal with all types of people.

Carrying a newspaper route is the most valuable training a boy can receive, as a supplement to school work.

Tomorrow's business leaders are carrying Daily News routes today!

To: J. R. Eckstadt, The Snyder Daily News

Don Newcombe Appears Back In Shape For Dodgers Again

By JOE REICHLER
Associated Press Sports Writer

Don Newcombe finally has rid himself of the shadow that hung ove. him for 2½ years.

The big Brooklyn pitcher may have won the most important game of his career last night when he hurled the Dodgers to a 6-4 victory over the New York Giants at the Polo Grounds.

Although he wouldn't admit it, the triumph must have been jn the nature of sweet revenge for the Negro right-hander. It was in this park back on Oct. 3, 1951, that he suffered the saddest moments of his life.

That was the fateful day when the Giants' Bobby Thomson hammered that heard-around-the-world homer in the ninth inning of the final playoff game to snatch a pennant away from Brooklyn. True, the homer was hit off Ralph Branca but it came after the Giants had batted Newcombe out of the box with three ringing hits.

The Giant-Dodger scrap was the only night affair in yesterday's five-game schedule. Homers by Gil Hodges and Junior Gilliam decided that one.

In the afternoon, Philadelphia, behind the four-hit pitching of southpaw Curt Simmons, vanquished the Pittsburgh Pirates 6-0. Third baseman Willie Jones moved up from seventh to leadoff in the batting order, drove in three Philly runs with a home run, double and two singles.

Bob Lemon threw a three-hitter at Chicago as the Cleveland Indians whipped the White Sox 6-3 to sweep the two-game series. The veteran right-handed ace permitted only one hit after the first inning. Wally Westlake poled his second homer in two days for Cleveland. Rookie left-hander Jack Harshman, first of four Chicago pitchers, was charged with the defeat.

A pair of ninth-inning errors by Washington second baseman Wayne Terwilliger presented the New York Yankees with the winning run as the world champions nipped the Nats 2-1 behind Eddie Lopat.

With one out, Johnny Schmitz walked Phil Rizzuto. Lopat topped a ball which Eddie Yost fielded at third and threw to Terwilliger for what looked like a certain double play. Terwilliger dropped the ball. A moment later he muffed a soft pop by Hank Bauer and Rizzuto scored from third with the winning run.

Balimore's Orioles achieved their first American League victory in 52 years, edging out the Detroit Tigers 3-2. Right hander Duane Pillete permitted six hits, protecting a three-run advantage his Oriole mates had grabbed at the expense of starter Ray Herbert in the first inning. Junior Stephens' two-run single was the decisive blow.

Hogan Called Tired In His Last Playoff

MAMARONECK, N.Y. (AP) — Claude Harmon, just back from the Masters, said today Ben Hogan "looked like a tired fighter who had geared himself for 15 rounds only to find he had to go five more."

Then Harmon added:

"You can put this down in your book for certain—that little man is going to win the Open at Baltusrol."

Himself a winner of the Masters title in 1948, Harmon was one of the unsuccessful bidders in last weekend's golf fixture at Augusta, Ga., won by Sam Snead in an 18-hole playoff with Hogan.

Asked whether he thought this finally might be Snead's year in view of Sam's one-stroke victory over his longtime nemesis, the stout master of the swank Winged Foot Golf Club replied:

"No, I don't think so necessarily. After all, you must remember Augusta is made for Sam's game. It has broad fairways where a hitter like Sam can let go and not mind about spraying a few tee shots.

"But the Open, that's different. The fairways are always narrowed there and that means a premium on placement shooting, which is right down Hogan's alley."

The National Open will be played June 17-19 at Baltusrol in Springfield, N.J. This is the only big championship Snead hasn't won. Hogan will be shooting for Open No. 5, making him the leading all-time winner.

"I played behind Hogan the first day and in front of him the second," Harmon continued. "I never saw a man hit the ball better. He didn't hit a crooked shot. His shots were as if they came out of a cannon.

"I ate with Ben several times, too. I found he wasn't as easy as he usually is. He was a little concerned about his new golf club business which opens up, I think, the first of May.

"But with all that, I don't think I ever saw him play better from tee to green. His putting was bad, that's true. He missed some short putts he normally would blow in—but that happens to everybody.

"I still like him for the Open. "When everything is going against this guy, the others have to have everything going their way to beat him. If Ben gets things going his way, it's no contest."

Texas League Games Moving To North Now

By The Associated Press

Texas League clubs move north Thursday night for the second round of openers with the spotlight on Dallas where the undefeated Shreveport Sports run into the swaggering Eagles, who are defending champions and cocky about it.

A crowd of more than 7,000 is expected for the opening game of a 5-game series matching the two top clubs.

Shreveport holds a game-and-a-half lead over Dallas with its 7-0 record compared to 5-1 for the Eagles.

Pat Scantlebury, Negro lefthander who beat Houston in 11 innings in his first start this season, will work for Dallas with righthander Jake Jacobs, who won over Tulsa in his only appearance thus far, on the mound for Shreveport.

Fort Worth may grab off the opening day attendance cup. The Cats are expecting 8,000 tonight as they play their first game at home against the Beaumont Exporters. Glenn Mickens, who lost his only start, will pitch for the Cats. Joe Kuncl, a newcomer, will hurl for Beaumont.

In the first round of openers, Shreveport took the lead with 5,214 but it appears both Dallas and Fort Worth will surpass that unless the weather interferes too strongly.

Houston will be at Tulsa and San Antonio at Oklahoma City with each city expecting 5,000 to turn out.

Pitching for Houston will be Hugh Sooter, who won his only game thus far, and working for Tulsa will be Natalio Irizarry, who also won his first start. San Antonio will use Bill Pilgram, working his first game, and Oklahoma City will send Dean Franks (0-1) to the mound.

New Sacrifice Fly Rule Helps Marks

NEW YORK (AP)—Eight players already have taken advantage of the major league's restored sacrifice fly rule.

Under the regulation, a player hitting a fair outfield fly which scores a run is credited with a sacrifice and is not charged with a time at bat.

In yesterday's opening games, George Strickland and Jim Hegan of Cleveland, Jackie Jensen of the Boston Red Sox, Wally Moon of the St. Louis Cardinals, Paul Minner of the Chicago Cubs, Gil Hodges of Brooklyn, Frank Thomas of Pittsburgh and Sam Calderon of Milwaukee all produced sacrifice flies.

11-Year-Olds Out For Little League

Fifty-four prospective Little League players reported for workouts yesterday for 11-year-old boys, managers said.

These 54 boys are those who are not now on league teams. At 5 o'clock this afternoon, 12-year-olds will report for drills, while those 10 and under will work out at 5 o'clock tomorrow afternoon.

A boy's league age is determined by whatever age he will be on Aug. 1. Workouts are being held on a field south of Fortieth Street and west of the Big Spring Highway.

One new team manager assumed duties this week. He is W. A. Mayfield, who will manage the Lions Club Cubs, a team managed last year by Leland Herod. Charles Baker, who was believed not able to take his team this year, is back to manage the Kiwanis Cub Braves. Other managers are Wayne Harwell for the Quarterback Club Giants, Skipper Joyce of the American Legion Yankees, Buck Logan of the Optimsist Club Cardinals, and Bill Roberts of the Holder Construction Indians.

Starting at 5 o'clock this afternoon on the high school practice field near the regular playing field will be Pony League workouts for boys 13 and 14 years old who are not now on league teams.

Like in Little League, ages in Pony League are determined by the boys' ages on Aug. 1.

Team managers of the Pony League will work with the boys this afternoon. They include Justin Corbell of the Von Roeder Red Sox, Arel Faver and Bill Morgan of the Scurry Butane Dodgers, and Bill Wilkinson of the Lions Club Phillies.

SATURDAY EVENT

Defending Champions Will Be On Field At Kansas Relays

LAWRENCE, Kans. (AP)—Six defending champions will be in the field Saturday in the 29th Kansas Relays with Bruce Drummond, Oklahoma miler, and Wes Ritchey, Texas Christian javelin thrower, having the toughest time repeating.

Drummond, Oklahoma graduate student, won here last year with a time of 4:15.1 but this season has lost his only appearance in the mile—to Bjora Bogerud, Oklahoma A&M freshman, in 4:18.9.

And to make matters worse, Wes Santee, the Kansas Hurricane, has entered the mile. Santee already has done the mile in 4:05.5 this year.

Ritchie won the javelin throw here last year with 189 feet 6¾ nches but, while he did over 200 feet in the Border Olympics and a dual meet early in the season, he slumped to 184-6 at the Texas Relays and was beaten by Don Snee gas of Kansas, Pete Mayeaux of Texas A&M and Wally Krone of Morningside, all of whom will be shooting here. If Ritchey comes through he will become the first man to cop three consecutive titles in the javelin in the Kansas Relays. He won in 1952 with 204-¾.

Other returning individual champions include Rich Ferguson of Iowa, king of the 3,000-meter steeplechase; Bill Biberstein, Kansas, 120-yard high hurdles; John Bennett, Marquette, broad jump, and J. W. Mashburn, Oklahoma A&M, decathlon.

Biberstein will be difficult to unseat. He beat most of his foremost challengers, Ronnie Pruitt of Houston, Jim Buchanan of Pittsburg State and Jay Chance of Oklahoma Baptist at Texas with a wind-aided :14.5. One of the lank Kansan's arch conference foes, Bill Constantine of Missouri, plus another stout league rival, Ray Russell of Kansas State, will join the aforementioned gang here. The latter ran :14.8 Saturday to beat Constantine at Manhattan.

Even Bennett, the NCAA champion, cannot relax. He set a new record of 25-8½ at Texas, the longest collegiate jump in America during the past two seasons, but his most persistent foe, Neville Price, of Oklahoma, hit 25-2. This pair is expected to furnish one of the most heated field-event duels of the day.

Mashburn is waiving defense of his all-events title to concentrate on the 400-meter hurdles, and will be heavily favored.

2 Games For Tiger Baseball Team Are Set

Two games are left on the week's schedule of the Snyder Tiger baseball squad.

At 3 o'clock tomorrow afternoon, the Tigers will be in Sweetwater for their third meeting with the Mustangs. At 2:30 o'clock Saturday, they will host Vernon in the first district game.

So far, the Tigers and Mustangs have won one game each of their matches. The Snyder team won one of the games 6-5 in an extra inning, while Sweetwater took the other 10-9 in an extra inning.

Tommy Williams, a senior, was listed by coach Speedy Moffett as probable starting pitcher for tomorrow's game. So far, Williams has two losses to his record.

Alan Snead will be starter against Vernon here Saturday, Moffett said. Snead has a 5-1 record for the season so far. Other pitchers and their records include Paul Hayes 2-0, Ronnie Baker 1-0, Ray Courtney 0-1, Dwayne Prince 0-1, and Mert Creswell 0-0. Snead is a sophomore, while Courtney and Creswell are seniors, Hayes is a junior and Baker and Prince freshmen.

The season record for the Tigers so far is 8-5.

Willie Mays To Add Much To Giants' Chance

By GAYLE TALBOT

NEW YORK (AP)—This early, with the season so very young it's scarcely begun to breathe, there's already a strong suspicion here that a great many of the nation's baseball experts have made a bad mistake in assessing the Giants' chances in the National League race. If it isn't too late to be legal, we would like to take a flyer on Leo Durocher's lads to beat out the Dodgers.

The trouble was that most of the savants, including this one, have been busy all spring examining the teeth of the Dodgers and the Milwaukee Braves down in Florida while the Polo Grounders were getting themselves good and ready out West. None who did not actually see the club play with Willie Mays back in center, field quite believed the reported transformation in an outfit that dropped its last 10 games with Brooklyn last season and limped home fifth.

Even the news that the Giants were ripping up their old sparring partners, the Cleveland Indians, failed to make much of an impression on the Florida Brigade. So what? Nobody was going to beat the Dodgers. Least of all a .280 hitting Negro boy who had just finished two years in the Army. The kid from Fairfield, Ala., couldn't make that big a difference if he were triplets.

That was what we said, and that was before we saw the Giants play with 20-year-old Willie back in center and Durocher, breaking every managerial rule, move out of his private boudoir and change his clothes right in the locker room alongside his players. Let us face it, men, this really is a new, fighting ball club, and it's got muscles.

Why a single player can make such a profound difference in a team which is composed of 25 or more grown athletes has ever been one of the game's major mysteries. He comes to bat only in turn, maybe four times per game, and he won't average much better than one hit. He won't make many fielding plays that a teammate might not have made. And yet, over the season, his presence in the lineup can inspire a team to win a flag.

Whatever that amazing quality is, there can be no doubt that Mays has it.

Marlene Rated Chance At Tilt

BEAUMONT (AP)—Shapely Marlene Bauer, the 20-year-old baby of the touring women's professional golf troupe, was rated a top chance today to dethrone Mrs. George (Babe) Zaharias as champ of the annual Babe Zaharias Open.

The tournament gets under way tomorrow over the Beaumont Country Club course.

The Babe won the first event in 1953 and it was her last tournament before undergoing surgery for cancer. She said yesterday she would repeat to win the $3,500 tourney again.

Others rated chances to dethrone the Babe include Louise Suggs of Atlanta, Ga.; Patty Berg of Minneapolis; and Alice Bauer Hagge, sister of Marlene from Miami Beach, Fla.

Texas Netters Drop TCU 6-0 Yesterday

AUSTIN (AP)—The potent Texas tennis team defeated Texas Christian University's netters 6-0 yesterday.

Texas players lost only one set, that a deuce affair, in which Ken Martin of TCU bested Neal Bannton of Texas. Bannton took the match 6-3, 5-7, 6-4.

Skeet Shoot In Dallas Friday

DALLAS (AP)—More than 200 shotgun shooters from over the nation will be here tomorrow to open competition for $15,000 in prize money in the annual Pan-American Skeet Shoot.

Fred Alford, president of the sponsoring Dallas Gun Club, said this was believed to be the largest purse ever offered at a skeet shooting event.

The tournament will be a 500-bird, 4-gun affair.

Twenty members of the All-America skeet teams have registered for the meet and there are four of the Pan-American defending champions. They include Henry Adler and Ed Green of Dallas, high-over-all and .410 gauge champions, respectively; W. R. Clark of Columbia, Mo., 28-gauge winner, and John Schock of Houston, 12-gauge champion.

The Dallas team that captured last year's 5-man event also is among the entries. They are Adler, Green, Alford, Herman Ehler and Benny Bickers.

Firing will get under way at 9 a.m. tomorrow. Seven events are scheduled for that day. The remaining 17 will be held Saturday and Sunday.

Among top men contestants scheduled to compete is Glenn Van Buren of Craswell Air Force Base, who has won the national all-gauge title twice in a row and three out of four times he entered.

Others include C. M. Crites and Howard Confer of Detroit; Joseph M. George, Suldersville, Md.; Col. Leon Mandel, Anderson Owen, Gerald Batten and Harry Altic, Chicago; E. L. Mable, Evanston, Ill.; and Grant Illsing, Houston.

Prominent women shooters to compete include Mrs. Leon Mandel of Chicago, captain of the 1953 Women's All-America team; Mrs. Fred Alford, Miss Nancy Burrus, Miss Tilly Deckshot, Mrs. Janice Mason, all of Dallas; Mrs. Ethel Balch, Tulsa; Miss Carole Simmons, Kansas City; Miss Ann Marosovich, Fabens and Mrs. Thelma Maxwell, Odessa.

Games Slated For Conference

By The Associated Press

Southwest conference baseball teams scheduled three non-conference games Thursday.

Pace-setting University of Texas met the University of Nebraska in a doubleheader in which the Longhorns were heavily favored over the Wildcats.

Texas A&M, loser to leading Texas in its last outing, set a game with Brooke Army Medical Center in San Antonio.

In yesterday's only action, Texas Christian took both ends of a doubleheader from Rice Institute in Fort Worth.

TCU did it with two shutouts, 9-0 in the first game, 1-0 in the rain-abbreviated nightcap. Bob McDaniel of the Horned Frogs was credited with a no-hitter in the five-inning finale.

In the opener at Fort Worth, TCU's Tommy Hill pitched one of the best games of his college career.

Hill would have had a no-hitter over the nine-inning route except for Bob Stegemier's perfect bunt down third base line in the third inning. Nobody else came close to getting a hit off of Hill.

The Horned Frog ace struck out nine batters and didn't let a Rice runner get past second base.

Texas and Nebraska originally scheduled single games Wednesday and Thursday but set Thursday's doubleheader after Wednesday's game was rained out at the end of the second inning.

Lamar Tech Winner

HOUSTON (AP)—Lamar Tech beat the University of Houston 4-2 in tennis yesterday. It was the second defeat this season for the Cougars.

The dates for racing's Triple Crown for 1954 are as follows: The Kentucky Derby-May 1, The Preakness — May 22, The Belmont Stakes — June 12.

Bobby Morgan of the Brooklyn Dodgers has hit seven home runs each year he has been with the team since 1950.

Austin, Tyler Lead League

By The Associated Press

Tyler and Austin, with two straight victories, topped the Big State League standings Thursday with Corpus Christi a half game behind on one win.

Tyler has scored 47 runs in the first two nights of the new season.

The Tigers whipped Galveston 31-17 Wednesday night after lacing the White Caps 16-3 in Tuesday night's opener.

Harlingen decisioned Temple 6-4 and Austin defeated Bryan 5-3 in the other games played. Waco at Corpus Christi was postponed because of rain and the two teams scheduled a doubleheader Thursday night.

Rookie Roland Jones was the victim at Bryan as the Austin Pioneers jumped on him for 13 hits. Pioneer moundsman Dick Roberson held Jones' Indians to five scattered hits for Austin's second straight league victory.

Tyler lashed a total of 29 hits off six Galveston pitchers in the fantastic game in the island recreation center. The game was sane until the fourth when the White Caps made seven runs. Tyler countered with seven in the fifth and picked up 15 runs on 13 hits in the nightmarish sixth.

Trabert Seeded 1st In Dallas

DALLAS (AP)—U. S. singles champion Tony Trabert was seeded No. 1 today as the annual Dallas Country Club invitational tennis tournament began on the DCC courts.

Trabert was to meet Sam Winstead in the first round tomorrow.

First round matches set today included second-seeded Vic Seixas, Wimbledon singles titlist vs. Leo LaBorde of Baytown and Art Larsen, seeded No. 3, vs Bobby Wertheimer of Dallas.

Fourth-seeded Gardnar Mulloy was to meet James Schulze of Commerce, Tex., in a late afternoon game. An upset was possible in this match. Schulze, former East Texas State Teachers College net ace, is top ranked in Texas.

Doubles play was also expected to start today but pairing were held up for late arrivals. Top-seeded doubles combinations are the Trabert-Billy Tolbert duo and the Mulloy-Hugh Stewart team.

The field has a strong international flavor this year with Sven Davidson, Swedish champ and U.S. indoor titlist, the top-rated invader.

Oscar Furlong, Southern Methodist University student from Argentina, and Matt Murphy, transplanted Irishman now residing in Argentina, add to the international field.

Cup Matches Set In Sept.

DALLAS (AP)—The Texas Cup matches, in which a team of amateur golfers meets a team of professionals, will be held here in September and have been tentatively set for Sept. 11-12.

The Texas PGA holds its spring meeting at Waco May 30 at which time it will decide whether those dates are appropriate.

A meeting of Dallas golf leaders yesterday mapped plans for the Cup matches, the proceeds from which go to the Gonzales Warm Springs Foundation for Crippled Children.

The matches will be held a month earlier this year in order to prevent a conflict with football season. This means the pro team won't be obtained as it has in the past—from the top low scorers of the Texas PGA Tournament, which is held in October. The team will be picked by the PGA.

The amateur team again will be selected by vote of Texas sports writers. The amateurs beat the professionals last year.

Soviets Would Put Chinese On Panel

UNITED NATIONS, N. Y. (AP) — The Soviet Union is trying to ram the Chinese Communists into private U.N.-sponsored big-power disarmament talks. The West wants to keep them out—and probably can.

That situation emerged from yesterday's meeting of the 12-nation U.N. Disarmament Commission, the second in six days on the question of setting up a subcommittee for such talks under the shadow of the H-bomb.

Sir Pjerson Dixon of Britain introduced a resolution to name the United States, the Soviet Union, Britain, France and Canada to the subcommittee. He suggested it meet in London.

Andrei Y. Vishinsky of the Soviet Union called this "clearly one-sided." He said Communist China, India and Czechoslovakia also should be included.

Vishinsky held that Communist China belonged on the body as a strong military power and a "legal" member of the 11-nation U. N. Security Council which with Canada makes up the Disarmament Commission.

Henry Cabot Lodge Jr. of the United States termed this fallacious and unwise." He said the Nationalist China government was the legal Chinese member of the council.

"The United States," he declared, "opposes the inclusion of Communist China in the subcommittee for a host of the same reasons which cause us to oppose representation of Communist China in the United Nations."

Vishinsky siad India, whose Prime Minister Nehru has called for a standstill on hydrogen bomb tests, could make a significant contribution to disarmament negotiations, and that Czechoslovakia, whose uranium mines help supply Russia's atomic plants, has as much right to sit in as Canada.

Lodge replied that the proposed subcommittee should be confined to countries on the parent commission, of which neither India nor Czechoslovakia is a member.

France, New Zealand, Colombia and Denmark also supported the British proposal. Brazil and Turkey had spoken for it already, before Dixon submitted it formally yesterday.

This seemed to give the resolution 8 of the 12 votes on the commission, where only a majority is necessary for passage and the veto does not apply. But after several delegates said they wanted time to reply to Vishinsky, the debate was adjourned until Monday.

Attorney Gets Dropped From Joe-Army Row

BOSTON (AP)—Frederick G. Fisher said early today he was dropped as one of the lawyers for the Army in its row with Sen. McCarthy.

He refused to say why he was dropped, but his statement—in answer to a reporter's question—followed publication in the Boston Post of an article saying he had admitted being a member of the National Lawyers Guild from 1947 to 1950.

The House Un-American Activities Committee has described the guild as "the legal bulwark of the Communist party."

Fisher, however, stated emphatically that he is not now and never was a Communist and never agreed with anything the Communist party stands for.

Fisher said his discharge was ordered by Joseph R. Welch, chief counsel for the Army in the upcoming hearings to ferret out the basis for charges and countercharges between Sen. McCarthy and his chief counsel Roy Cohn on one side and the Army on the other side.

Welch could not be reached immediately.

Both Fisher and Welch are members of the Boston law firm of Hale and Dorr.

Fisher, 32, is president of the Republican Club of Newton, a Boston suburb.

Ironworkers On Coast End Two Weeks' Strike

BEAUMONT (AP)—AFL Ironworkers Union, Local 125, of Beaumont have ended a two-weeks strike after accepting a 10-cent hourly wage increase.

Acceptance of the wage boost agreement was announced last night.

A new contract was to be signed today with the local chapter of the Associated General Contractors and the Sabine Area Construction Committee.

H. H. Mathews, business representative of the Ironworkers, said the contract would call for reopening of wage negotiations Sept. 1. Originally, the ironworkers asked a 25-cent boost. The 10-cent increase brings hourly rates for the workers to $2.65 to $2.90.

Wife Charged With Poisoning Her Hubby

WHITESBURG, Ky. (AP) — The Letcher County grand jury yesterday returned an indictment charging a wife with feeding her husband rat poison in a bottle of soda pop.

The true bill against Mrs. Martha Conner, about 35, charged her with "malicious poisoning."

Her husband, Willie Conner, a coal miner about 40, became violently ill last October and was in a critical condition for several weeks. He is fully recovered.

Investigating officers said the Conners had been arguing shortly before Conner became ill

Poaching Shrimper Pays Mexican Fine

TAMPICO, Mex. (AP)—The Texas fishing boat Charleen B was expected to sail for home today after its owners had paid a fine of $581.

The craft's skipper received his shipping orders yesterday.

The Rockport, Tex., shrimper was seized last week by a Mexican naval launch while allegedly fishing within Mexican territorial waters.

Mexican authorities also confiscated the shrimp cargo and the craft's fishing gear.

Mrs. Stella Winston, 2701 Avenue I, returned last week after a stay with her daughter, Mrs. Hugh Waddell in Dallas.

Russians Roam Air Forum Of U.S. Industry

NEW YORK (AP)—Russians have shown up again at an aircraft forum here, buying up exhibition booth literature as well as copies of speeches, technical papers and promotional material.

The four-day forum, which ends today, is sponsored annually by the Society of Automotive Engineers. More than 1,000 U.S. aircraft designers and executives have been attending sessions.

Russian observers have been present in past years. It was learned yesterday that a pair of Soviet military attaches from their Washington embassy have been showing up during the forum.

They were identified as Lt. Col. Bogatyrev, assistant air attache, and Lt. Col. Sergei I. Sokolovsky, assistant military attache.

The men reportedly registered at the meetings without using their military titles, and used Washington home addresses rather than the Soviet Embassy address.

SAE officials said little could be done about the Russians' attendance unless it could be shown they attended "confidential" sessions.

Bridges On Post Road Slated For Widening

The firm of Worrell and Watkins of Dallas was the low bidder this week on a highway project in Garza County.

The Dallas firm bid $77,538 on a project of widening bridges from Post to the Scurry County line on U. S. Highway 84.

Highway 84 was recently widened from Snyder to the Fluvanna farm road in Scurry County.

For Removing Rust Stains from all clothing. Safe on all colors that are water safe. Will not harm fabric if used as directed.

Home Baker Able To Prepare Special Yeast Breads, Rolls

How long has it been since hot yeast breads were part of a family menu?

Hot breads can give a big lift to an otherwise average meal, and are a welcome addition to hot-weather meals when you've scrapped the bottom of the recipe file for interesting ideas.

Especially fitting for the lenten season are hot cross buns. This recipe makes two dozen buns.

HOT CROSS BUNS

½ cup sugar
2 teaspoons salt
3 tablespoons butter
1 cup boiling water
1 package of cake yeast
¼ cup warm, not hot, water (lukewarm for compressed yeast)
2 eggs
4 cups sifted flour
½ cup nonfat dry milk
1 teaspoon cinnamon
1 cup currants or raisins

Put sugar, salt and butter in mixing bowl. Add boiling water and stir until butter is melted; cool until lukewarm. Sprinkle or crumble yeast in to the warm, not hot, water and stir until dissolved. Stir into cooled sugar-shortening mixture with 1 whole egg plus 1 egg yolk. Save white to use later. Sift together flour, milk and cinnamon. Mix with currants or raisins; add half to yeast mixture and beat until smooth. Stir in remaining flour mixture. Place dough in a warm, lightly greased bowl. Cover bowl with a cloth and put in a warm place free from draft. Let rise until double in bulk, about 1½ hours.

Turn out on lightly floured board and knead gently for about 1 minute. Roll out about 1 inch thick. Cut into 2-inch circles and place close together in two 9-inch round 1½ inch deep cake pans lightly greased on bottoms only. Cut a deep cross in each biscuit with a sharp knife or scissors. Brush tops with slightly beaten egg white. Put in warm place, free from draft and let rise until doubled in bulk, about 1 hour. Bake in moderate oven (375 degrees F.) until tops are deep golden brown and bottoms are golden brown and firm, about 15 to 20 minutes. Fill cross in tops of buns with confectioners' sugar frosting; using a toothpick or a cornucopia made of waxed paper.

FROSTING

½ cup sifted confectioners' sugar
⅛ teaspoon vanilla

Mix sugar and vanilla with enough of remaining egg white or water to make a good spreading consistency.

Hot cross buns can also be made into coffee cakes.

HOT CROSS COFFEE CAKES

1 package yeast
¼ cup water
1 cup milk
¼ cup sugar
2 teaspoons salt
⅓ cup shortening
3¼ cup sifted flour
½ teaspoon cinnamon
¼ teaspoon allspice
2 eggs
1 cup currants
confectioner's sugar icing

Soften yeast in water. Scald milk. Add sugar, salt and shortening. Cool to lukewarm. Add 2 cups flour, cinnamon and allspice and beat well. Add softened yeast and eggs, and mix thoroughly. Add enough more flour to make a stiff batter. Beat thoroughly, until smooth. Cover and let rise in warm place until light and bubbly (about 1 hour). Add currants and stir down. Spread evenly into 2 greased 8-inch layer pans. Sprinkle with crumb topping. Make 5 wedge-shaped pieces by pressing lines into batter with floured finger tips. Let rise until light (about 40 minutes). Bake in moderate oven (375 degrees F.) about 30 minutes. Make a cross on each wedge with confectioners' sugar icing. Makes two 8-inch coffee cakes.

CRUMB TOPPING

½ cup flour
½ cup bread crumbs
⅓ cup sugar
1 teaspoon cinnamon
¼ cup butter or margarine

Combine flour, bread crumbs, sugar and cinnamon. Cut or rub in butter or margarine until mixture is crumbly. Sprinkle over beaten batter. Makes enough for two 8-inch coffee cakes.

Rich hot cross buns can be used for dessert. Raisins, citron and cherries promote them from a mid-morning to after lunch place on the menu.

HOT CROSS BUNS

¾ cup seedless raisins
¾ cup milk
1-3 cup butter or margarine
1-3 cup granulated sugar
1½ teaspoons salt
1 cake compressed yeast
2 eggs
3 to 3½ cups sifted flour
1 teaspoon cinnamon
¼ teaspoon nutmeg
¼ cup diced citron
2 tablespoons chopped candied cherries
melted butter
confectioner's sugar icing

Rinse and drain raisins. Scald milk and stir in butter, sugar and salt. Cool to lukewarm. Crumble in yeast and mix well. Beat 1 egg with 1 yolk, reserving 1 egg white for glaze. Mix eggs and about half the flour into yeast mixture, beating until smooth. Add spices, raisins, citron and cherries and mix well. Add remaining flour to make a soft dough. Knead on floured board until smooth. Place in bowl, cover closely and let stand until dough is doubled in bulk (about 1½ to 2 hours). Punch down. Turn out on floured board and roll dough to about ¾ inch in thickness. Cut with 2½-inch round cutter. Dip in melted butter and place about 1-inch apart on greased baking sheet. Let rise until light (about 45 minutes). Make a shallow cut in shape of cross on top of each roll, using a sharp knife. Beat egg white with tablespoon cold water until foamy. Brush onto tops of rolls. Bake in moderately hot oven (375 degrees F.) 20 mnutes. Brush again with egg white and bake 5 minutes longer. Remove from oven and fill cross with stiff confectioners' icing. Serve warm. Makes 15 large buns.

Hot breads are a good menu selection Eastertime or other times. With warmer weather, rolls may be the one hot dish on the menu. The following recipe for ice box rolls was originally a favorite recipe of an Oklahoma woman.

ICE BOX ROLLS

1 pint milk
1 cup lard
2-3 cup sugar
1 cake yeast
¼ cup warm water
flour (about 5 cups)
1 teaspoon baking powder
½ cup warm water
1 egg, beaten light
1 teaspoon salt

Scald milk, lard and sugar. When cool add 1 cake yeast dissolved in ¼ cup warm water. Add flour and make a sponge. Let rise until light. (1 to 1½ hours).

Then add baking powder in ½ cup warm water, add beaten egg and salt. Add enough flour to handle. Knead well. Rise until light. Bake immediately or after kneading put in ice box, pressing down occasionally.

To bake from ice box, remove about three hours before using. Roll out thin, cut butter and fold in half before rising.

Yeast rolls can also be flavored with a dash of lemon rind.

YEAST ROLLS

2 packages yeast
¼ cup water (lukewarm for compressed, warm for dry yeast)
1 cup milk
⅓ cup sugar
2 teaspoons salt
¼ cup shortening
5 cups sifted flour
2 eggs
1 teaspoon grated lemon rind

Soften yeast in water. Scald milk. Add sugar, salt and shortening. Cool to lukewarm. Add flour to make a thick batter. Mix well. Add softened yeast, eggs and lemon rind. Beat well. Add enough flour to make a stiff dough. Turn out on lightly floured board or pastry cloth and knead until smooth and satiny. Place in greased bowl. Cover and let rise in warm place until doubled (about 1½ hours). When light, punch down. Let rest 10 minutes. Shape into rolls. Place on greased baking sheets and let rise until doubled (about 45 minutes). Bake in moderate oven (350 degrees F.) about 20 minutes. Makes 3½ dozen rolls.

In the fancy bread department, brown bread is an easily prepared treat for the family.

BROWN BREAD

1½ cups flour
1½ teaspoons soda
1 teaspoon salt
1½ cups corn meal
1 cup raisins (optional)
¾ cup light molasses
2 cups buttermilk

Sift flour with soda and salt, add corn meal and raisins, if desired, and mix well. Combine molasses and buttermilk and add to dry mixture. Beat only enough to thoroughly moisten all ingredients. Half fill greased tin vegetable cans (No. 2), covered tightly and steam 3 hours on rack in covered container. Remove from steamer and place in moderate oven (350 degrees F.) for 15 minutes before removing from can.

CASSEROLE POPPY SEED BREAD

1 cup milk
3 tablespoons sugar
1 tablespoon salt
1½ tablespoons shortening
1 cup warm, not hot, water (lukewarm for compressed yeast)
2 packages or cakes yeast
4½ cups sifted flour
1 egg yolk
1 tablespoons poppy seed

Scald milk. Stir in sugar, salt and shortening. Cool to lukewarm. Measure water into bowl (warm, not hot water for active dry yeast, lukewarm for compressed yeast). Sprinkle or crumble in yeast; stir until dissolved. Add lukewarm milk mixture. Add flour; stir until well blended, about 2 minutes. Cover; let rise in a warm place, free from draft, until tripled in bulk, about 40 minutes. Stir down. Beat vigorously, about ½ minute. Turn into greased 2-quart casserole. Brush top with egg yolk diluted with a little water; sprinkle with poppy seed. Bake in moderate oven, 375 degrees F., about 1 hour.

Also garnished with poppy seeds are quick salt sticks.

SALT STICKS

2 cups sifted flour
1 teaspoon baking soda
½ teaspoon salt
1-3 cup shortening
⅓ cup vinegar
½ cup milk
1 cup crisp cereal, preferably rice
1 teaspoon salt
1½ teaspoons caraway or poppy seeds

Sift together flour, soda and salt; cut in shortening until mixture resembles coarse corn meal. Add vinegar and milk, stirring only until combined. Turn out on lightly floured board and knead gently a few times. Divide into 16 equal parts. Roll each ball on board with palms of hands until it becomes a cylinder about 6 inches long. Brush with milk. Crush cereal; mix in salt and caraway seeds. Roll each stick in mixture. Place on greased baking sheets. Bake in very hot oven (450 degrees F.) about 15 minutes.

A bread taking longer to prepare is a roll made with buttermilk.

BUTTERMILK ROLLS

2 cups scalded buttermilk
3 tablespoons shortening
3 tablespoons sugar
2 teaspoons salt
½ teaspoon baking soda
1 package active dry yeast
2 tablespoons lukewarm water
4½ cups sifted flour
melted shortening

Combine scalded buttermilk, shortening, sugar, salt and baking soda. Cool to lukewarm. Soften yeast in lukewarm water; stir. Combine yeast with cooled buttermilk mixture. Add enough flour to make a soft dough; mix thoroughly. Turn out on lightly floured board. Knead about 10 minutes or until smooth. Divide into 2 dozen portions of equal size. Cover and let rest 10 minutes. Shape into rolls. Place on greased baking sheet; brush tops with melted shortening. Cover and let rise in a warm place about 1 hour or until double in bulk. Bake in very hot oven (425 degrees F.) for 15 to 20 minutes.

Yeast breads can be made with rye flour and oatmeal to substitute for a part of the regular wheat flour.

RYE BREAD

3 packages granular yeast
1 cup lukewarm water
3 teaspoons salt
2 tablespoons caraway seed
⅓ cup molasses
½ cup hot water
2 tablespoons shortening
3½ cups sifted flour
2¾ cups sifted rye lour

Dissolve yeast in lukewarm water. Mix salt, caraway seed, molasses, hot water and shortening; cool to lukewarm and add yeast. Combine flour, gradually stir into yeast mixture. Rub a little flour into board to prevent dough from sticking; turn out onto board and knead until smooth and satiny. Form into a ball; place in greased bowl and coat all sides with grease by wiping it against sides of bowl. Cover; let rise in warm place (85 degrees F.) until double in size (1½-2 hours). Punch down dough; form into a ball, Cover; let rest 10 minutes and shape into 2 loaves or balls. Place on baking sheet, sprinkled with corn meal. Cover; let rise in warm place until double in size (1 hour). Brush lightly with cold water. Bake 10 minutes in preheated hot oven (450 degrees F.); reduce heat to mderate (350 degrees F.) and bake 25-30 minutes. Cover with brown paper after baking 25 minutes to prevent burning crust. Yield: 2 loaves.

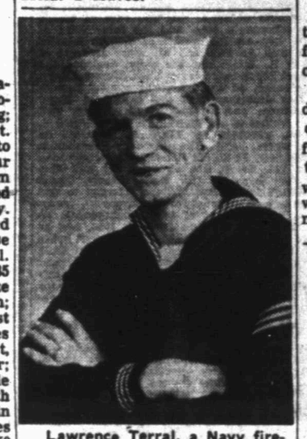
Oatmeal bread is an old-fashioned specialty of home bakers.

COLONIAL OATMEAL BREAD

2 cups quick-cooking oatmeal
3 tablespoons salt
½ cup molasses
¼ cup shortening
1½ cups boiling water
2 packages granular yeast
½ cup lukewarm water
1 tablespoons sugar
4½ cups sifted flour
melted shortening

Mix first five ingredients; cool to lukewarm. Dissolve yeast and sugar in lukewarm water; add to oatmeal mixture. Stir in 3 cups flour; turn out onto board and gradually work in remaining flour. Knead until smooth and satiny. Form dough into a ball; place in greased bowl; coat all sides with grease by wiping it against sides of bowl.

Cover, let rise in warm place (85 degrees F.) until double in size (1½ hours). Punch down dough; form into a ball. Cover; let rest 10 minutes; shape into 2 loaves. Place in greased 9x5x3-inch bread pans. Brush with molasses-milk glaze (mix 2 teaspoons milk and 1 teaspoon molasses). Cover; let rise in warm place until double in size (1 hour). Bake 35-40 minutes in preheated moderate oven 375 degrees F.). Cover with brown paper after baking 25 minutes to prevent burning crust. Yield: 2 loaves.



Lawrence Terral, a Navy fireman, was to arrive at Guam this week after sailing from the naval receiving station at Treasure Island. His wife, Mrs. Myrna Walker Terral, lives here at 2409 Sunset Avenue with her parents, Mr. and Mrs. Clifton C. Walker.

Tickets On State Cars

OMAHA (AP)—The observer chuckled when he saw this:

Two Nebraska state safety patrol cars were parked across the street from each other in downtown Omaha. Both had overtime parking tickets on the windshields.

Jack Webb Makes Big Settlement With His Former Wife: $350,000

LOS ANGELES (AP)—Jack Webb, the Dragnet star, has handed his former wife $350,000 in settlement of their financial controversy.

The ex-wife, actress Julie London, got $150,000 in insurance policies, $50,000 in cash and a trust fund of $150,000 for herself and their two children. The payments were made yesterday, in accord with terms of their divorce agreement.

LEGAL NOTICES

NOTICE OF SHERIFF'S SALE
THE STATE OF TEXAS,
COUNTY OF SCURRY.

NOTICE IS HEREBY GIVEN THAT:

By virtue of an Order of Sale issued out of the District Court of Jim Wells County, Texas, on March 27, 1954, on a judgment rendered in said court in cause No. 9283, styled Floyd Ramsey v. Henry Anthony et al., on the docket of said Court, on December 3, 1953, and entered on December 19, 1953, in said Court in favor of Floyd Ramsey, as plaintiff, and against—

(1) the defendant, Ford Brandenburg, for the sum of $43.61 and the sum of $67.57, as attorney's fees and the foreclosure of the lien on the undivided 3-30000 interest as well as any and all other interest of the said Ford Brandenburg in the leasehold estates hereinafter described held and owned by Floyd Ramsey created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $77.83 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendant and a credit of $67.57 on the judgment for $67.57 he had obtained against that defendant);

(2) the defendants, the heirs, devisees and legal representatives of Minnie Deck, deceased, Jesse Deck, if living, and the heirs, devisees and legal representatives of Jesse Deck, if deceased, Martha Deck Hamilton and husband, Wm. D. Hamilton, for the sum of $21.81 and the sum of $23.78, as attorney's fees, and the foreclosure of the lien on the undivided 1-30000 interest as well as any and all other interest of the heirs, devisees and legal representatives of Minnie Deck, deceased, Jesse Deck, if living, and the heirs, devisees and legal representatives of Jesse Deck, if deceased, and Martha Deck Hamilton and husband, Wm. D. Hamilton, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $38.97 (being a credit of $6.19 on said judgment for $21.81 so obtained by Floyd C. Ramsey against said defendants and a credit of $33.78 on the judgment for $33.78 he had obtained against those defendants);

(3) the defendants, E. R. Eakins for the sum of $43.61 and the sum of $67.57, as attorney's fees, and the foreclosure of the lien on the undivided 3-30000 interest as well as any and all other interest of E. R. Eakins in the leasehold estates hereinafter described held and owned by Floyd Ramsey created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $77.83 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendant and a credit of $67.57 on the judgment for $67.57 he had obtained against that defendant);

(4) the defendants, the heirs, devisees and legal representatives of W. B. Ecton, deceased, Mrs. Franklin B. Bowes and husband, Franklin B. Bowes, and John D. Ristine, Jr. for the sum of $43.61 and the sum of $67.57, as attorney's fees, and the foreclosure of the lien on the undivided 3-30000 interest as well as any and all other interest of the heirs, devisees and legal representatives of W. B. Ecton, deceased, Mrs. Franklin B. Bowes and husband, Franklin B. Bowes and John D. Ristine, Jr. in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $38.97 (being a credit of $5.19 on said judgment for $21.81 so obtained by Floyd C. Ramsey against said defendant and a credit of $33.78 on the judgment for $33.78 he had obtained against those defendants);

(5) the defendants, the heirs, devisees and legal representatives of Amanda F. Eyman, deceased, for the sum of $65.42 and the sum of $101.35, as attorney's fees, and the foreclosure of the lien on the undivided 3-30000 interest as well as any and all other interest of the heirs, devisees and legal representatives of Amanda F. Eyman, deceased, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $116.90 (being a credit of $15.55 on said judgment for $65.42 so obtained by Floyd C. Ramsey against said defendants and a credit of $101.35 on the judgment for $101.35 he had obtained against those defendants);

(6) the defendants, Ray R. Rimer and the heirs, devisees and legal representatives of Tish Gibson Rimer, deceased, for the sum of $21.81 and the sum of $33.78, as attorney's fees, and the foreclosure of the lien on the undivided 1-30000 interest as well as any and all other interest of Ray R. Rimer and the heirs, devisees and legal representatives of Tish Gibson Rimer, deceased, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $77.83 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendants and a credit of $67.57 on the judgment for $67.57 he had obtained against those defendants);

(7) the defendants, Mason C. Lyons, executor of the estate of Dell J. Lyons Gaines, Deceased, the heirs, devisees and legal representatives of Dell J. Lyons, Gaines, deceased, —— Gaines, the husband of Dell J. Lyons Gaines, deceased, if he is living, and the heirs, devisees and legal representatives of —— Gaines, husband of Dell J. Lyons Gaines, deceased, if he is deceased, for the sum of $43.61 and the sum of $67.57, as attorney's fees, and the foreclosure of the lien on the undivided 1-30000 interest as well as any and all other interest of the said Mason C. Lyons, executor of the estate of Dell J. Lyons Gaines, deceased, the heirs, devisees and legal representatives of Dell J. Lyons Gaines, deceased, —— Gaines, the husband of Dell J. Lyons Gaines deceased, if he is living, and the heirs, devisees and legal representatives of —— Gaines, husband of Dell J. Lyons Gaines, deceased, if he is deceased, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $77.83 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendants and a credit of $67.57 on the judgment for $67.57 he had obtained against those defendants);

(8) the defendants, Martha Deck Hamilton and husband, Wm. D. Hamilton, the heirs, devisees and legal representatives of Melton Marshall, deceased, the heirs, devisees and legal representatives of Martha Marshall, deceased, the heirs, devisees and legal representatives of Homer Marshall, deceased, the heirs, devisees and legal representatives of Mrs. Chas. Parten and husband, Chas. Parten, both deceased, Mary Marshall Lovett and husband, —— Lovett, and Mrs. Fred Lembka and husband, Fred Lembka, for the sum of $108.03 and the sum of $168.92, as attorney's fees, and the foreclosure of the lien on the undivided 5-30000 interest as well as any and all other interest of the said Martha Deck Hamilton and husband, Wm. D. Hamilton, the heirs, devisees and legal representatives of Melton Marshall, deceased, the heirs, devisees and legal representatives of Martha Marshall, deceased, the heirs, devisees and legal representatives of Homer Marshall, deceased, the heirs, devisees and legal representatives of Mrs. Chas. Parten and husband, Chas. Parten, both deceased, Mary Marshall Lovett and husband, —— Lovett, and Mrs. Fred Lembka and husband, Fred Lembka, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $277.93 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendants and a credit of $277.57 on the judgment for $277.57 he had obtained against those defendants);

(9) the defendants, Mason C. Lyons, executor of the estate of Dell J. Lyons Gaines, Deceased, the heirs, devisees and legal representatives of Dell J. Lyons, Gaines, deceased, —— Gaines, the husband of Dell J. Lyons Gaines, deceased, if he is living, and the heirs, devisees and legal representatives of —— Gaines, husband of Dell J. Lyons Gaines, deceased, if he is deceased, for the sum of $43.61 and the sum of $67.57, as attorney's fees, and the foreclosure of the lien on the undivided 3-30000 interest as well as any and all other interest of the said Mason C. Lyons, executor of the estate of Dell J. Lyons Gaines, deceased, the heirs, devisees and legal representatives of Dell J. Lyons Gaines, deceased, —— Gaines, the husband of Dell J. Lyons Gaines deceased, if he is living, and the heirs, devisees and legal representatives of —— Gaines, husband of Dell J. Lyons Gaines, deceased, if he is deceased, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $77.83 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendants and a credit of $67.57 on the judgment for $67.57 he had obtained against those defendants);

(10) the defendants A. L. Parnham, Trustee, and the successors, if any, in trust to A. L. Parnham, Trustee, and the beneficiaries under the trust held by A. L. Parnham, Trustee, for the sum of $65.42 and the sum of $101.35, as attorney's fees, and the foreclosure of the lien on the undivided 3-30000 interest as well as any and all other interest of the said A. L. Parnham, Trustee, and the successors, if any, in trust to A. L. Parnham, Trustee, and the beneficiaries under the trust held by A. L. Parnham, Trustee, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950 executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $277.49 (being a credit of $3.71 on said judgment for $101.35 so obtained by Floyd C. Ramsey against said defendants and a credit of $116.90 (being a credit of $15.55 on said judgment for $65.42 so obtained by Floyd C. Ramsey against said defendants and a credit of $101.35 on the judgment for $101.35 he had obtained against those defendants);

(11) the defendants, William H. Saylor, Mrs. Mary Adelle Kimmell and husband, C. W. Kimmell, Rosa Saylor, Fred Saylor, Harvey Saylor, Jewel Saylor, Elizabeth Robinson and husband, Byron Robinson, and Richard Saylor, for the sum of $87.25 and the sum of $123.14, as attorney's fees, and the foreclosure of the lien on the undivided 4-30000 interest of the said William H. Saylor, Mrs. Mary Adelle Kimmell and husband, C. W. Kimmell, Rosa Saylor, Fred Saylor, Harvey Saylor, Jewel Saylor, Elizabeth Robinson and husband, Byron Robinson, and Richard Saylor in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $277.92 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendants and a credit of $87.57 on the judgment for $87.57 he had obtained against that defendant);

(12) the defendants, Mason C. Lyons, executor of the estate of Dell J. Lyons Gaines, Deceased, the heirs, devisees and legal representatives of Dell J. Lyons, Gaines, deceased, —— Gaines, the husband of Dell J. Lyons Gaines, deceased, if he is living, and the heirs, devisees and legal representatives of —— Gaines, husband of Dell J. Lyons Gaines, deceased, if he is deceased, for the sum of $43.61 and the sum of $67.57, as attorney's fees, and the foreclosure of the lien on the undivided 1-30000 interest as well as any and all other interest of the said Mason C. Lyons, executor of the estate of Dell J. Lyons Gaines, deceased, the heirs, devisees and legal representatives of Dell J. Lyons Gaines, deceased, —— Gaines, the husband of Dell J. Lyons Gaines deceased, if he is living, and the heirs, devisees and legal representatives of —— Gaines, husband of Dell J. Lyons Gaines, deceased, if he is deceased, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $77.83 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendants and a credit of $67.57 on the judgment for $67.57 he had obtained against those defendants);

(13) the defendants, Fred Tomlin, Executor of the estate of Isaac F. Tomlin, Deceased, and the heirs, devisees and legal representatives of Isaac F. Tomlin, Deceased, for the sum of $21.81 and the sum of $33.78, as attorney's fees, and the foreclosure of the lien on the undivided 1-30000 interest of the said Fred Tomlin, Executor of the estate of Isaac F. Tomlin, Deceased, and the heirs, devisees and legal representatives of Isaac F. Tomlin, Deceased, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq. Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $77.83 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendants and a credit of $67.57 on the judgment for $67.57 he had obtained against those defendants);

(14) the defendants, A. W. Stephens, for the sum of $109.03 and the sum of $168.92, as attorney's fees, and the foreclosure of the lien on the undivided 5-30000 interest of the said A. W. Stephens in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $278.97 (being a credit of $25.93 on said judgment for $109.03 so obtained by Floyd C. Ramsey against said defendant and a credit of $168.92 on the judgment for $168.92 he had obtained against that defendant);

(15) the defendants, Fred Tomlin, Executor of the estate of Isaac F. Tomlin, Deceased, and the heirs, devisees and legal representatives of Isaac F. Tomlin, Deceased, for the sum of $109.03 and the sum of $23.23, as attorney's fees, and the foreclosure of the lien on the undivided 5-30000 interest as well as any and all other interest of the said Fred Tomlin, Executor of the estate of Isaac F. Tomlin, Deceased, and the heirs, devisees and legal representatives of Isaac F. Tomlin, Deceased, in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq. Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $49.16 (being a credit of $25.93 on said judgment for $109.03 so obtained by Floyd C. Ramsey against said defendant and a credit of $23.23 on the judgment for $23.23 he had obtained against that defendant);

(16) the defendant, Walter J. Wilson for the sum of $43.61 and the sum of $67.57, as attorney's fees, and the foreclosure of the lien on the undivided 2-30000 interest of the said Walter J. Wilson in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq. Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $77.83 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendant and a credit of $67.57 on the judgment for $67.57 he had obtained against that defendant);

(17) all of said defendants for all costs in this behalf expended.

I did on the 30th day of March, 1954, at 4:30 o'clock, P.M., levy upon the aforesaid undivided interests as well as any and all other interests owned by each of the above named defendants, respectively, in the following described leasehold estates, viz:

FIRST:

An undivided five-sixths interest in and to oil, gas and mineral lease, dated August 25, 1948, executed by Ted Haney and wife, Ena Haney, in favor of The Ramsey Petroleum Company, insofar as it covers the following described tract of land located in Scurry County, Texas, viz:

Northeast One-fourth of Sec. 184, Block 97, H. & T. C. Ry. Co. Survey, Cert. 43-5594, patented to J. H. Tinker, Assignee, Patent 366, Vol. 12A, dated December 16, 1921, recorded in Vol. 2, p. 491, Patent Records of Scurry County, Texas.

which said lease is recorded in Vol. 41, p. 103, Oil and Gas Lease Records, Scurry County, Texas, to which lease and its record reference is here made for all purposes, and in which lease there is outstanding an overriding royalty interest of 1-32 of all oil, gas and other minerals owned by Ted Haney and wife, Ena Haney and which lease is herein sometimes referred to as the "Haney" lease.

SECOND

An undivided five-sixths interest in and to oil, gas and mineral lease, dated November 20, 1948, executed by Lois Sears Sentell and husband, John E. Sentell, in favor of The Ramsey Petroleum Company, insofar as it covers the following described tract of land located in Scurry County, Texas, viz:

North 157.6 acres of NW-¼ of Sec. 22, Block 1, J. P. Smith Survey, also being the E. 157.6 acres of Tract 4 out of the original Surveys 22 and 21, Block 1, J. P. Smith Survey, said Tract 4 containing 227.5 acres, more or less, it being intended to include in this lease all of Tract 4 that is included in the NW-¼ of said original Survey 22,

which said lease is recorded in Block 47, p. 65, Oil and Gas Lease Records of Scurry County, Texas, to which lease and its record reference is here made for all purposes, and which lease is herein sometimes referred to as the "Sentell" lease;

and that on the 4th day of May, 1954, being the first Tuesday of said month, between the hours of 10:00 o'clock, A.M., and 4:00 o'clock, P.M., on said day, at the Court House door of said County in Snyder, Texas, I will offer for sale and sell at public auction for cash, the aforesaid undivided interests as well as any and all other interests of each of the above named defendants in said property for the purpose of satisfying the judgment for the several amounts, plus interest thereon and costs, rendered against the several defendants, respectively.

DATED at Snyder, Texas, this 31st day of March, 1954.

NOTICE OF SHERIFF'S SALE
THE STATE OF TEXAS,
COUNTY OF SCURRY.

NOTICE IS HEREBY GIVEN THAT:

By virtue of an Order of Sale issued out of the District Court of Jim Wells County, Texas, on March 27, 1954, on a judgment rendered in said court in cause No. 9292, styled Floyd Ramsey v. George H. Bailey et al., on the docket of said Court, on December 3, 1953, and entered on December 19, 1953, in said Court in favor of Floyd Ramsey, as plaintiff, and against—

(1) the defendant, George H. Bailey, for the sum of $109.03 and the sum of $23.23, as attorney's fees, and the foreclosure of the lien on the undivided 5-30000 interest as well as any and all other interest of the said George H. Bailey in the leasehold estates hereinafter described held and owned by Floyd Ramsey, created and existing under and by virtue of an instrument dated April 1, 1950, executed by Floyd C. Ramsey, as Operator, and The Ramsey Petroleum Company et al., as Non-Operators, recorded in Vol. 79, p. 154 et seq., Oil and Gas Lease Records, Jim Wells County, Texas (which instrument is here referred to and made a part hereof for all purposes), securing the payment of said indebtedness, as such lien existed on June 15, 1950, and at all subsequent times, which judgment bears a credit of $77.83 (being a credit of $10.36 on said judgment for $43.61 so obtained by Floyd C. Ramsey against said defendant and a credit of $67.57 on the judgment for $67.57 he had obtained against that defendant);

(2) all of said defendants for all costs in this behalf expended.

I did on the 30th day of March, 1954, at 4:30 o'clock, P.M., levy upon the aforesaid undivided interests as well as any and all other interests owned by each of the above named defendants, respectively, in the following described leasehold estates, viz:

FIRST:

An undivided five-sixths interest in and to oil, gas and mineral lease, dated August 25, 1948, executed by Ted Haney and wife, Ena Haney, in favor of The Ramsey Petroleum Company, insofar as it covers the following described tract of land located in Scurry County, Texas, viz:

Northeast One-fourth of Sec. 184, Block 97, H. & T. C. Ry. Co. Survey, Cert. 43-5594, patented to J. H. Tinker, Assignee, Patent 366, Vol. 12A, dated December 16, 1921, recorded in Vol. 2, p. 491, Patent Records of Scurry County, Texas.

which said lease is recorded in Vol. 41, p. 103, Oil and Gas Lease Records, Scurry County, Texas, to which lease and its record reference is here made for all purposes, and in which lease there is outstanding an overriding royalty interest of 1-32 of all oil, gas and other minerals owned by Ted Haney and wife, Ena Haney and which lease is herein sometimes referred to as the "Haney" lease.

SECOND

An undivided five-sixths interest in and to oil, gas and mineral lease, dated November 20, 1948, executed by Lois Sears Sentell and husband, John E. Sentell, in favor of The Ramsey Petroleum Company, insofar as it covers the following described tract of land located in Scurry County, Texas, viz:

North 157.6 acres of NW-¼ of Sec. 22, Block 1, J. P. Smith Survey, also being the E. 157.6 acres of Tract 4 out of the original Surveys 22 and 21, Block 1, J. P. Smith Survey, said Tract 4 containing 227.5 acres, more or less, it being intended to include in this lease all of Tract 4 that is included in the NW-¼ of said original Survey 22,

which said lease is recorded in Book 47, p. 65, Oil and Gas Lease Records of Scurry County, Texas, to which lease and its record reference is here made for all purposes, and which lease is herein sometimes referred to as the "Sentell" lease;

and that on the 4th day of May, 1954, being the first Tuesday of said month, between the hours of 10:00 o'clock, A.M., and 4:00 o'clock, P.M., on said day, at the Court House door of said County in Snyder, Texas, I will offer for sale and sell at public auction for cash, the aforesaid undivided interests as well as any and all other interests of each of the above named defendants in said property for the purpose of satisfying the judgment for the several amounts, plus interest thereon and costs, rendered against the several defendants, respectively.

HERITAGE DAYS NO. 40

Indian Aid Asked; Cabinet In Escape

Sam Houston sought to enlist support of Texas Indians. President Burnet and his cabinet narrowly averted capture, and the Texan army was organized into regiments on April 15, 1836. "I am determined to fight at the first change," Houston announced.

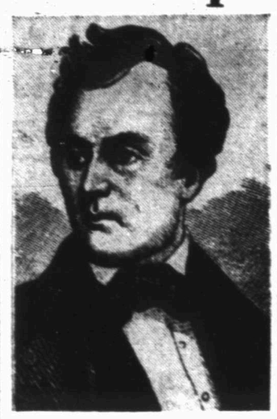
The day marked the first direct challenge from Santa Anna, when a Negro prisoner arrived in camp with a message from the Mexican general: "Tell Mr. Houston that I know where he is, up there in the bushes; and as soon as I whip the land thieves down here, I will go up there and smoke him out."

Seeking to prevent Texas Indians from lending aid to the Mexicans, the Texan commander sent Cap. Jacob H. Sheppard to talk with the Coushatties on the Trinity. Houston proposed that if talks could not influence the Indians to join with the Texans that every effort be exerted to see that they remained neutral. The Indians, as it turned out, preferred to remain neutral so they later could side with the victors.

President Burnet and members of his cabinet, sailing to Galveston Island as the last hope for refuge, narrowly escaped capture at Morgan's Point. Several volleys were fired into the little steamer Cayuga, which included as passengers Mrs. Burnet and their two children.

Houston and his men, at day's end, after crossing the prairies, camped at Mrs. Curley's, at the edge of the timber on Spring Creek. The forced march across the boggy flats saw the Texans moving in organized regiments, to which command had been assigned to Cols. Edward Burleson and Sidney Sherman; Lt. Col. Henry Millard, infantry; Capt. Henry W. Karnes, cavalry; and Cap. Isaac N. Moreland, artillery.

Defending his strategy, Houston advised James Collingsworth: "By falling back, Texas can rally and defeat any force that can come against here . . . our forces must not be shut up in forts, where they can neither be supplied with men or provisions."



Edward Burleson, above, aided Sam Houston in organizing the Texan army and was regimental commander at the battle of San Jacinto. He later was to become vice president of the republic.

Houston's objective was Harrisburg, the abandoned capital, which Santa Anna, 700 men, and a 12-pounder reached that day.

Quail Hatchery Slated In State

WICHITA FALLS (AP)—A preliminary study of shell resources of the state has been ordered by the State Game and Fish Commission.

The proposed increase of from 7 to 10 cents per cubic yard was opposed yesterday by more than a dozen witnesses. They based their opposition on limestone competition, a narrow operating margin and what they called "the current business recession."

The commission also authorized $200,000 for construction of one or more quail hatcheries. It ordered first a survey by its biological department to determine if one single big hatchery or several smaller ones would be better.

The consulting engineering firm of Lockwood and Andrews, Corpus Christi, was authorized to begin surveying shell resources in Copano Bay at Rockport. Also ordered was a preliminary survey and placement of shore monuments in preparation for an overall survey of shell resources in coastal waters.

The commission picked Copano Bay for the initial study at the recommendation of the Corpus Christi firm because the bay is small and accessible. The large-scale survey will have to await the arrival of a sonic machine now being manufactured.

Lockwood and Andrews estimated the survey would cost $75,000 per 100 square miles.

Cecil Hayden, a Houston shell operator, objected to the survey, saying it was the function of private industry.

Hayden was among the witnesses who protested the proposed increase on shell prices.

Red China Ambassador

TOKYO (AP) — Communist China announced today the appointment of Chang Wen-tien, ambassador to Moscow, as vice minister of foreign affairs. Chang, member of the Chinese Communist party's powerful Politburo, will continue as ambassador to Moscow, said a Peiping broadcast heard here.

LEGAL NOTICE

INVITATION TO BIDDERS

Sealed proposals addressed to the Colorado River Municipal Water District, P. O. Box 869, Big Spring, Texas, for the construction of two residences will be received at the office of the General Manager, Mr. E. V. Spence, Permian Building, Big Spring, Texas, until 10:00 A.M., April 26, 1954 at which time and place the proposals will be publicly opened and read aloud. Any bid received after opening time will be returned unopened.

Copies of the plans, specifications, and other contract documents are on file in the office of the General Manager, Permian Building, Big Spring, Texas, and may be examined at the office without charge. Plans, specifications, and other contract documents may be procured at this office upon the deposit of twenty-five dollars ($25.00) as a guarantee of the safe return of the plans and specifications. The full amount of this deposit will be returned to each bidder immediately upon the return of the plans and specifications in good condition; No refund on contract documents and plans returned later than ten days after the award of the contract will be obligatory.

The character and amount of security to be furnished by each bidder are stated in the above mentioned documents.

There shall be paid on the project not less than the general prevailing rates of wages which have been established by the Owner.

The Owner reserves the right to reject any and/or all bids or waive any or all formalities. No bid may be withdrawn within thirty (30) days after date on which bids are taken.

COLORADO RIVER MUNICIPAL WATER DISTRICT
JOE PICKLE, SECRETARY

MAYBE HE WON

Joseph T. Meek accepts piece of candy offered by daughter, Julia (left), 16, and his wife at Republican headquarters in Chicago, Ill., after making a statement that he "appears" to be the winner of the nine-man race for the Republican nomination for U.S. Senator. At the time of his statement, slightly less than half of the polling places in the Illinois primary election had reported and Meek had a 19,000 vote lead over his closet competitor, Edward A. Hayes.

BUSINESS MIRROR

Some Corporations Confound Experts With Profit Increase

By SAM DAWSON

SAN FRANCISCO (AP) — Profits are holding up better than many expected.

A nice handful of corporations are reporting that net earnings after taxes in the first three months of this year topped their first-quarter showing last year. This helps to offset those whose profits are feeling the pinch of the business activity slump which started almost a year ago.

Increased sales are announced by many companies—to confound the pessimists. Other corporations whose sales are off from a year ago still show earnings as good or better than last year. Some credit the death of the excess profits tax. Others report operating costs cut by use of more economical plants and equipment.

Many a corporation, however, can't join this happy throng yet. The list of those reporting sales down and profits off along with them is a lengthy one, and doubtless will grow as the flood of first-quarter earnings statements approaches its crest at the start of May. But even among these are many who report profits holding up better than sales, thanks to tax changes and cost cutting.

When all first-quarter corporate returns are tabulated the results may well show profits, lower on average than a year ago—but not by as large a percentage as many once feared. The bears reasoned—when corporate earnings for the final three months of 1953 slipped by 10 per cent, on average—that a much steeper slide would take place in the early months of 1954.

Earnings statements are just starting to come in. But clues to profits are being given in greater volume by corporate chiefs reporting to their stockholders at annual meetings now in full swing around the country.

Du Pont is a good example of a company whose sales slid in the first quarter, as compared both to the previous year and to the final three months of 1953, but whose profits rose. The chemical giant's sales dipped 8 per cent in the first three months from 1953's first quarter and were 3 per cent below its final quarter. But its president says net earnings in the first three 1954 months should be higher than in either of the 1953 periods.

Companies reporting both sales and earnings up include Rayonier, Columbia, Ga., St. Regis Paper, Commerical Solvents, M.A. Hanna, Pure Oil, Ekco Products and a long list of banks.

Sales off but profits about as good or better are indicated by American Tobacco, Goodyear, B. F. Goodrich, Thompson Products, Chain Belt and Parke, Davis.

Increased sales this year (with earnings yet unreported) are announced by Ford Motor Co., General Tire & Rubber, Norge Division of Borg-Warner, California-Pacific Utilities and Century Electric Co. among others.

Many industries, of course, show a much less pleasing picture. But often company executives temper their reports with predictions of better days.

Law Enforcement Men Here To Radio School

Four law-enforcement officers from Snyder attended a school on radio communications Tuesday at Brownwood. The school was the first in a series sponsored by the department of public safety.

Those attending from here were William D. Love, chief deputy sheriff, Lowell Holt, office deputy sheriff, Allen Owens, and Johnny Claybrook, city policemen.

Ag Department Is Voted More Money Than It Requested

By WILLIAM F. ARBOGAST

WASHINGTON (AP)—The Agriculture Department held the distinction today of being the first big federal agency in recent years to win House approval of more money than it asked.

House action in making addition after addition to the bill recommended by its Appropriations Committee brought an angry declaration from Rep. H. Carl Andersen (R-Minn) that Secretary of Agriculture Benson sought to circumvent the committee through a secret White House meeting.

"It's not the Congress of the United States writing this bill," said Andersen, head of the subcommittee which wrote it. "Here we are turning over to Mr. Eisenhower and the secretary of agriculture . . . the right to write the agriculture bill."

The measure, carrying $1,040,602,654 in cash and loan authority for the year starting July 1, was passed by the House yesterday and sent to the Senate. The amount includes $720,102,654 in cash and $320,500,000 in lending authority—$21,360,841 more cash and 45 million more loan authority than the department requested through the Budget Bureau.

Never before in the memory of Appropriations Committee veterans had a big government department been voted more cash than it had requested. The customary procedure is for Congress to cut budget requests.

The House action was a stinging setback for the Appropriations Committee, which had recommended that the department get the exact amount of cash and 45 million more lending authority than it asked.

Andersen said he wasn't invited to a secret White House meeting last Saturday, but he intimated some other House members were.

Finally he said that "if the lid has been blown off this bill, and I have no fiscal responsibility," he too would support amendments for additional funds.

The fact that the House approved 10 separate amendments boosting committee recommendations—none of them by close votes—indicated that proponents of bigger allotments, led by Rep. Hunter (R-Calif), had organized well in advance.

Biggest increase added by the House was $6,452,584 to the school lunch program, which Andersen's committee already had hiked by $9,011,416, and which was allotted $83,464,000 instead of the 68 million requested originally by Benson.

Lesser increases were voted for research, experiment stations, extension service, forest roads and trails, free soil conservation maps, marketing research and state marketing activities. In most cases, the house restored cuts recommended by the Appropriations Committee, which had trimmed some individual items and increased others.

More Atomic Workers Plan To Call Strike

OAK RIDGE, Tenn. (AP) — Government mediators from Washington and Atlanta meet here today with CIO, AFL and management officials to try to avert a walkout threatened by 9,000 atomic production workers for midnight tonight.

Preliminary talks with each of the three groups separately began last night and continued until almost midnight.

The hourly paid production workers seek what the mediation service termed a "substantial wage increase" at four strike-threatened plants—three here and one at Paducah, Ky.

The AFL Atomic Trades Labor Council, comprising about a dozen AFL unions, represents about 4,500 workmen in two plants here—a nuclear energy research laboratory and a classified production facility.

The CIO United Gas, Coke and Chemical Workers bargains for about 3,500 workers in the uranium separation center here and about 1,000 workers in a similar plant at Paducah.

The plants are operated by Carbide and Carbon Chemicals Co., under contract with the Atomic Energy Commission.

Housework Easy Without Nagging Backache

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Swedes Mixing Witches With Easter Time

STOCKHOLM, Sweden (AP) — The Easter bunny has a bad reputation in Sweden. Here Easter is a time of witches, bonfires and pratical jokes.

The Swedish story is that the Easter bunny originated as the witch's hare, which was sent out to milk people's cows and steal for the witch. That theme is preserved in 15th century Swedish church paintings.

In Stockholm and other cities, children will get up early Easter morning, dress as witches, and go about in groups carrying kettles on the end of broomsticks, chanting "Glad Pask" (Happy Easter) and collecting money and candy.

Some will have been allowed to stay up nearly all night on Easter Eve dancing around hilltop bonfires built "to scare away the witches," dyeing eggs, eating and drinking.

How did witches get mixed up with Easter?

"They seem to have moved up on the calendar from Germany's Wilpurgis Night in May," said Albert Eskerod, a curator of the Northern Museum here, who has made a study of old Swedish traditions.

In villages all over the country, young and old go in for the Easter sport of "knock an egg."

Pockets bulging with hard boiled eggs, they challenge all comers to tap eggs together. The loser, whose egg cracks first, must surrender it. The winner goes on accumulating as many eggs as he can crack. Some use porcelain eggs, but they must take to their heels if found out.

Minstrel Show Nets $300 For Clubs Here

A net profit of $300 was made by the Lions Club and Junior Chamber of Commerce on the minstrel show staged April 1 and 2, Johnny Boren, member of both clubs, said.

Boren said the $300 will be split equally between the clubs and will be used for the charitable causes sponsored by the clubs.

Practical and exciting. Reliable, Pliable, smart. Straw-cloth bonnets that bring delightful springtime enchantment. Delicately decorated with tiny flowers — plus this spring's added beauty of the sparkling straws. There's sure-fire flattery in this hat. For added charm, they're accented with veils. Choose your favorite color from our exciting new selections.

Anthony's

Easter Magic

by You and Mrs. Tucker

Your family deserves this EXTRA-Special Easter Cake whipped up EASY-QUICK by YOU and Mrs. Tucker's. If it isn't LIGHTER, RICHER, MORE MOIST and TENDER than the same cake made with ANY other shortening, send the recipe to Mrs. Tucker, telling what you don't like about the cake and she will pay you for all ingredients used PLUS $1. for your time. Mrs. Tucker's is the ONLY Shortening TRIPLE-Guaranteed for Cakes, Pies and Frying.

Mrs. Tucker's PEPPERMINT CAKE

1 — 2 cups sifted cake flour; 1½ cups sugar; 3½ teaspoons baking powder; 1 teaspoon salt

2 — ½ cup MRS. TUCKER'S SHORTENING; ⅓ cup milk

3 — ½ cup egg whites (3 or 4); ¼ cup milk; 1 teaspoon peppermint flavor

Sift ingredients (1) into a bowl. Add ingredients (2). Beat for 2 minutes on medium speed of mixer or by hand, counting 150 beating strokes a minute. Scrape bowl and beaters frequently. Add ingredients (3) and beat as before. Pour batter into 2 round 8-inch layer pans which have been rubbed with MRS. TUCKER'S SHORTENING and lined with wax paper cut to fit. Bake in a moderate oven (360 degrees) 25 to 30 minutes or until done. Cool. **Peppermint Whipped Cream:** Add ½ cup crushed Peppermint Candy to 1 pint whipping cream. Let stand in refrigerator 1 hour. Whip; then frost cake. Sprinkle crushed Peppermint Candy on top, if desired.

MEADOLAKE Is the ONLY Margarine That's TRIPLE Guaranteed, Too!
